

Got Busted 997

Chapter 997 Throw It Away

On the second night, the three of them were shocked: "Big brother!"

As soon as the night has decided, he said, "Well, it's decided like this. We are very brave and promise to follow the boss, so we must do it."

On the second night, they were so loyal, and the ink night also helped them a lot.

Since they all said so at night, they promised to come down.

After the small meeting, at the other end of the computer, in the darkness, only the light of the computer illuminated his face.

He said in a low voice: "After finishing, I will turn myself in. I hope you are fine and worthy of your conscience."

He can only finally use this way to protect these three younger brothers.

As for their boss...
