Chapter 12 Mysterious Black Card

Sammy reluctantly accepted the black card. "Mr. Lee, is this our bank's card? I have never seen it in black."

"Hahaha! Kaze, you useless trash! You are using a fake card?! What a joke!"

Deborah laughed out loud. Vincent scoffed and said to Kate, "I can't look at them anymore. Please throw them out."

"Ah, yes. I'll..."

Kate nodded repeatedly before she glanced at the black card. It stopped her from finishing her sentence and a strange look appeared on her face.

She went up and snatched the black card from Kaze's hand.

"Sammy, stay here. I'll go inform the president."

Kate checked the black card repeatedly before she ran up to manager's office.

Deborah came over and said, "Darcy, do you know using a fake at a bank is illegal? You two are really trying to get yourself caught."

Darcy was frightened; even her hands and feet turned cold.

Deborah gloated at her and said, "Now you don't have to beg for food you can stay behind bars and the prison will feed you!"

As soon as Deborah's voice subsided, Kate returned with a middle-aged man wearing glasses.

The man was the branch manager, Aaron Aster.

Darcy explained, "Mr. Aster, we somehow got a fake card. We applied for the card at Lilyrose Bank..."

"Fake card? Who said this is fake?"

Aaron held the black card in his hand and said strictly, "This is the premium Black card that we issue to our VVIP guest, and we have only issued one. The limit on this card is one hundred million."

Premium Black card? One hundred million limit?

Everyone was shocked. No one expected the young man in unassuming clothing to be the VVIP guest of Lilyrose Bank; even Deborah and Vincent were shocked.

"Impossible! How could a retard like him have a premium Black card? Mr. Aster, is this a mistake?" Deborah asked in shock.

"Kaze, how did you get the premium Black card?" Darcy asked the same question.

"However..."

Aaron's tone switched all of a sudden and continued, "We have only issued this card to one person and one only—the richest man in the city, Ray Forrester. Punk, I'd suggest you come clean, did you steal this card from somewhere?"

His words silenced the bank lobby.

Ray Forrester was the richest man in Lilyrose City, a VIP on the

mayor's guest list, and has a net worth of over a billion.

Someone seemed to have stolen his premium Black card!

"Hahaha!"

Deborah laughed hysterically and then looked at Kaze, "You little

Forrester? You are indeed trying to get yourself locked away!"

"Let's go! We wouldn't want to be involved."

Vincent gloated at Kaze and Darcy's misfortune as well before leaving the bank together with Deborah.

Aaron then waved at Kate. "Call security."

"Mr. Aster, aren't you being a little hasty? What if this is the second Black card that your bank issued?" Kaze asked with a calm smile.

Aaron grunted. "The second Black card? Never heard of it. Punk, you really are stubborn. Kate, call the police instead! Arrest them!"

Darcy turned pale. Her eyes were filled with despair.

Kaze held Darcy's hand and made a call. "The manager of the Southern branch said that the premium Black card you gave me is fake and wants to arrest me."

Then, a loud thud could be heard from the other end of the call. Genji must have fallen onto the floor.

Kaze then hung up the phone.

"Punk, who did you call? You stole the Black card, not even

can save you now!" Aaron shouted.

Then, his phone rang.

"Aaron Aster, you ass! I gave the Black card to Mr. Lee myself and you're accusing him of theft? Are you trying to get yourself fired?!"

Genji, the bank president, shouted at Aaron as soon as the call went through.

"Huh?"

Aaron gripped his phone tightly. His forehead was covered in sweat

Everyone clearly saw the sudden change of expression on his face. but did not know what caused it.

Kate asked, "Mr. Aster, what's wrong? I've already called the police to arrest these two thieves."

Slap!

Aaron slapped the woman in the face and shouted at the top of his lungs, "I'll arrest your ass! You are fired!"

"Sammy, bring them to the VIP room and serve them... Wait, I'll serve them myself!"

"Huh?"

"Mr. Lee, Ms. Quint, take care! I will bring the team to return the sequestered items to Silver Wind Company immediately."

Twenty minutes later, Sammy sent Kaze and Darcy out with wide smile.

She was then immediately promoted to chief.

"Ah... Sure. Thank you."

Darcy still could not fathom what just happened. It felt surreal.

Somehow the debt she owed to the bank was cleared.

Meanwhile at the Quint family's mansion, Deborah and Vincent

delivered the embarrassing news of Kaze and Darcy stealing the

Black card.

Everyone laughed at Kaze for being a fool for stealing Ray Forrester's

Black card.

Darcy must have lost her mind too fooling around with the retard.

Deborah then instigated her grandfather, saying, "Grandfather, why don't you expel Darcy's family? If Ray Forrester comes after them, we certainly want to stay out of it."

Master Quint nodded with a grim expression.

Meanwhile, Darcy wanted to inform her parents of the good news that Kaze helped her clear the company debt. As soon as she walked through the door, she noticed a sulky scene.

Hector looked like his soul had left his body and Agnes was crying on the floor.

"Mom, what happened?"

Darcy went up to her mother.

Agnes looked up and saw Kaze. She pointed at him and got on her feet, shouting, "Kaze Lee, how dare you still step into our house?! You stole Ray Forrester's Black card, and we just got a call from Father that we are being expelled because they do not want anything to do with us if that man comes after us!"

"What are we going to do now?!"

"Wait, wait? How could Grandfather do that?"

Darcy turned pale immediately and her eyes teared up.

With the expulsion, their family's reputation and income source were gone. It would only be more difficult hereafter.

Kaze narrowed his frosty eyes and said, "Don't worry. After tomorrow

I will make them invite you back with a red carpet and limousine."
