Harvey York quickly sized up the monks.

“While you can still speak, let me ask you this.

“If you’re that confident in your young master...

“Then, why isn’t he here to stand up for you?”

If Blaine John actually showed up, it would be easier for Harvey to deal with the trouble once and for all.

“You want Young Master John to deal with a small fry like you?

The leading monk shook his head mockingly.

“What are you thinking?!

“My name is Tosu! Remember my name when you’re on Death’s door, kid! Maybe you’ll get a chance to be reborn after that!”

Tosu was just about to take action...

But right as he stepped forward, his face instantly froze.

Harvey’s hand was already on his neck.

It was dead silent.

Nobody thought Harvey was able to be this fast and powerful.

After all, speed was the only way to long success.

Tosu froze before letting out a sigh.

“I was wrong!

“I truly misjudged you!

“I didn’t think you’d be a King of Arms! A peak King of Arms at that!

“Truly terrifying skill for such a young man like you!”

“You’re too kind! My skill can’t even compare to you experts in sacred martial arts training grounds!” replied Harvey calmly.

“How about this? I’ll give you a chance to live.

“As long as you tell me what I want to know, I promise I won’t kill any of you...”

Although Tosu’s neck was held tightly, he still coldly chuckled because of his ruthlessness.

“There are eight of us, kid! You want to give us a chance?

“Do you think you even have the right to say something like that?”

He wretchedly smiled as he made a gesture.

The other monks instantly pulled out their firearms.

The sight could fill anyone in disbelief.

Experienced people would know that martial artists with firearms would always be more dangerous than ordinary people...

“You better let go of my brother, or else...”

A dark-skinned monk wretchedly chuckled when he stepped in front before placing his firearm on Harvey’s head.

Crack!

Harvey quickly grabbed the monk’s arm before twisting it.

The sounds of bones cracking were immediately heard at this moment.

At the same time, he grabbed the firearm from the monk’s hand and turned it back against him before pulling the trigger.

The monk was preparing to strike a move while his face showed utter fear, but he could feel sharp pains coming from his forehead soon after.

He finally fell to the ground, paralyzed. His entire body was twitching on the ground.

“All bark and no bite. [Fast update on daotranslate.com]

“Firearms always win no matter what. He, of all people, should know that...

“You people are threatening me?

“It’s still too early for that!” exclaimed Harvey derisively.

The remaining monks were showing expressions of utter disbelief.

They had been in the line of work for the longest time, but they had never bumped into someone like Harvey.

Harvey York calmly looked back before relaxing his grip.

“Do you have something to say?” he asked, looking at Tosu standing on the side.

Tosu showed a horrible expression.

He was an expert martial artist. Judging by Harvey’s decisiveness, he could immediately tell that Harvey was a formidable opponent.

After looking at his brothers, completely shocked by Harvey, he had no choice but to show a bitter smile.

“I give up!”

“Fine. Break an arm and a leg, then tell me all you know about Evermore,” replied Harvey.

“I’ll let you live if you do.”

It did not matter to Harvey if he killed these small fries or not.

As long as he could gather more information about the organization.

A monk with two scars on his head was utterly furious.

“Do you think you’re impressive just because you have a firearm, kid?!

“Those are useless against me!”

Bang!

Harvey pulled the trigger at the monk before he could even say anything else.

A bullet flew straight through his chest before he fell to the ground.

No amount of training was going to save him from that.

“Killing you people is as easy as drinking water after figuring out your weak spots.”

“B*stard!”

Another monk was infuriated after seeing the sight. He quickly raised his firearm at Harvey before pulling the trigger.

Harvey casually stepped aside while pulling a nearby monk in front of him.

Bang bang bang!

The monk’s blood spurted everywhere after he was used as a meatshield. He finally fell to the ground, paralyzed with a face of resentment.

The remaining monks were completely stunned by the sight.

‘What the Hell?’

‘How are we always at a disadvantage even after using firearms?’

Bang!

Without giving the armed monk a chance to react, Harvey kept firing his shots at him.

The monk held his throat before falling flat with disbelief.

Along with Tosu, who was being held in place, only four monks were left standing.

In just under a minute, Harvey had already dealt with half of their fighters.

The speed was just astounding.

Swoosh!

While Harvey was taking action, Tosu quickly moved back ten feet.

“Go! Go together!” he screamed while he pulled out his firearm.

Bang bang bang!

Harvey calmly pulled the trigger. Before the other monks came to their senses, they were all instantly shot down. Harvey then took a step forward before immediately appearing in front of Tosu.

“Wh... What...?”

Tosu felt sluggish.

He felt nothing but fear.

‘He’s not a King of Arms at all...

‘He’s a God of War!

‘He’s a true God of War!

‘Even ordinary Gods of War wouldn’t have speed like his!’

Upon realization, Tosu’s face turned pale as a ghost.

He was done for! [Fast update on daotranslate.com]

He did not expect he would be taken out that easily after hiding in the city for so long.

He felt so much regret to the point that he was about to cough up blood.

Harvey York calmly sent a text to Kairi Patel before speaking.

“Now you’ll tell me everything, right?”

“Of course, you can also choose to keep quiet.

“I already sent a text to Kairi, though. I’m sure you know who she is.

“I believe there’ll be countless ways to make you speak after that.”

“We don’t know much about Evermore anyway,” replied Tosu.

Tosu trembled in his boots. He knew just how terrifying the Poison Fairy was.

“We don’t even get to meet Young Master John that often.

“We’d usually get orders from Esther John.”

Harvey looked curious.

“She’s from Evermore as well?”

“That’s right. She also has quite an immense status in the Golden Sands. That’s why we, the people from sacred martial arts training grounds, even listened to her in the first place.

“She’d also supply the elixirs we consume and our monthly rewards.”

Harvey frowned.

“So, what’s Blaine to Evermore then?

“Is he the head of the organization or what?”

“I only know he’s in a high position with many subordinates serving under him.

“I really don’t know much other than that.

Tosu showed a bitter expression.

“At the end of the day, we’re just fighters.

We don’t know a lot about our higher-ups anyway.

“You won’t get much out of me even if you threaten me.”

“I see.”

Harvey nodded before swinging his firearm at Tosu’s head, knocking him out.

Then, he searched the entire van soon after.

There was nothing special on it besides a copper coin to ward off evil energy.

Harvey took a few glances before swiping it away.

The coin was covered with dirt and grime, but a faint light could also be seen. Judging from geomancy arts, it was clearly a hidden treasure.

Harvey knew that the coin must have been quite extraordinary since he was dealing with people from Evermore. That was why he decided to keep it.

A few Toyota Alphards quickly drove over before parking in front of the van.

A short-haired man was leading the convoy.

Harvey had seen this person while on the plane.

He coldly glared at Harvey without saying a word. With a wave of his hand, Tosu and the other monks were immediately taken away.

Harvey was confused as to why Kairi did not come herself. He did not pay much mind to it when she did not pick up his call.

After all, they were not so close to the point where they would argue over such trivial matters anyway.

Harvey drove away as soon as his business was done there.

An hour later, Harvey was right in front of the Zimmer family's villa.

There were at least a dozen missed calls on his phone, and they were all from Mandy Zimmer.

It was clearly about the situation before.

Harvey sighed after thinking about the chaos that was about to ensue, but he had no choice but to show up for Mandy's sake.

A teapot shattered right before Harvey the moment he entered the living room.

"You think you can just waltz right into the house like this?!" Lilian Yates screamed furiously.

"Who gave you the nerve to show up?!"

"Huh?! [Fast update on daotranslate.com]"

"Say it!"

Harvey calmly raised his head. Everyone's gaze was directed at him, as if he were held on trial.

Everyone was gathered here.

Lilian Yates, Simon Zimmer, Mandy Zimmer, Gabriel Lee, Avery Foster, Silas John, and Alma John were present.

Other than Xynthia Zimmer, the people involved with the family were seen inside the house.

Harvey York could not help but envy Xynthia, who left for Mordu at such perfect timing.

It would be such a headache to see the sight, after all.

“How dare you come back?!”

Lilian’s dear son, Gabriel, immediately spoke.

“Look at your father! He almost had a stroke before he came back home!

“If he weren’t sent to the hospital on time, you would’ve been the culprit!

“Yet you still come back despite that?!”

“What do you want?!”

“Do you want food or something?!”

Naturally, Gabriel was fearful of Harvey and Azrael Bolton’s relationship.

But he was already filled with rage after being disrespected so many times. With Simon and Lilian’s protection, he was obviously going all out.

He believed that no matter how impressive Harvey was, he could not go against his parents-in-law.

“Heh heh heh! This b*stard wouldn’t care if I died!

Simon held his cup of tea while squinting.

“I only wanted to borrow the gem, and he did all this...

“Who does he think I am?

“Am I a lowly thief to him?

Simon was boiling with anger.

The Augustea was the key to rise to power!

And yet Harvey just would not hand it over!

‘He’s just a damn live-in son-in-law! He’s been trying to stay in my house while begging for my daughter to remarry him...

‘And yet he doesn’t even care to indulge me?!

‘What a dull b*stard...’

He truly believed that Harvey was incapable of anything at all.

Simon was infuriated when he realized Harvey had hidden the gem way out of sight.

In his eyes, the Augustea should have been his.

Harvey was just a thief.

“Not that I’m trying to insult you, Harvey...

“But look at you! How are you this shameless?

Avery pointed at Harvey with her nose.

“Father told us everything when he returned!

“At the end of the day, he was the one who picked out the gem!

“He only broke the statue to haggle for a lower price!

“And then what happened?! You came and ruined everything out of nowhere!

“You even took the gem that rightfully belonged to Father!

“Besides, where did you even get the money from?

“How did you gather 1.5 million dollars in the first place?

“It must’ve been Mandy’s money, I bet!

“Even if you’re rich, you should know that the money belonged to both you and Mandy since you were previously married!

“You really think we’d believe you saying that the money came from Azrael?!”

“We would’ve bought it if you dragged Kairi Patel into this!”

“After all, you’re the king of all kept men!” [Fast update on daotranslate.com]

Mandy wanted to stand up for Harvey, but she was already showing a horrible look the moment Kairi’s name was mentioned.

After recalling Harvey and Kairi being all lovey-dovey, Mandy was instantly infuriated...

“Not only did he reject Young Master Bauer for you, she even kept saying good things about you, hoping I’d accept you!”

“She didn’t want me to embarrass you!”

“She wants you to remarry her soon!”

Lilian Yates spoke up in a cold tone.

“How can you be this ungrateful when Mandy treats you so well?!”

“Do you even have a heart?!”

“How can you sleep at night like this?!”

“I don’t care if the money belongs to you or that b*stard of a woman!”

“In any case, you have no right to keep the gem to yourself!”

“Hand over the Augustea right now!”

Mandy Zimmer wanted to speak up but hesitated. She quickly texted Harvey, telling him to hand over the gem so they would get remarried sooner.

Harvey glanced at his phone before shaking his head in front of Mandy.

It was not that he did not want to comply. He simply did not want to drag the entire family down.

Mandy showed a horrible expression after seeing the look on Harvey's face.

She believed that Harvey had a change of heart. She thought that he was actually with Kairi at the moment.

Silas John and Alma John could clearly tell what was going on between the two.

But after seeing Mandy's gloomy expression, Silas showed a faint smile.

He was an experienced man. He could tell exactly what Mandy said to Harvey.

And yet Harvey declined...

'Is he insane?

'Why would he decline something like this?'

After thinking of the numerous times Harvey disrespected him, Silas felt completely refreshed when he saw the sight before him.

All of his anger was vented out in this single moment.

"You all misunderstand me.

Harvey did not want Mandy to be disappointed, so he tried his best to stay calm while he was being constantly judged.

"There are two reasons I can't give Dad the gem.

"Number one, I need to use the gem for something right now. I can't give it away just yet.

“Number two, the gem is simply too invaluable. Something like this would usually get a lot of people riled up. The family would be in great trouble if Dad actually got his hands on the Augustea.

“Since everyone knows I have the gem, the family would be perfectly safe.”

“Heh heh heh! How kind!

Simon let out a scoff.

“If we hadn’t already figured out your true colors, we would’ve been moved!

“You forgot something, though!

“We’re living in a lawful society!

“Who in the right mind would steal the gem in broad daylight?!”

“Keep pretending, Harvey!

“You must’ve thought about this for some time, huh?!”

Lilian’s face was showing nothing but disdain. [Fast update on daotranslate.com]

“Even if this world is unjust, don’t forget that we belong to one of the top ten families despite only being relatives!

“No matter how bold people are, they’d only steal from ordinary people anyway! They wouldn’t dare come for us!

“They’ll die if they even try!”

“More importantly, do you think you can even come back alive if someone actually came for the Augustea?”

“You would’ve died countless times by now!”

Lilian Yates looked gloomy. Naturally, she did not believe a single word Harvey York just said.

Harvey heaved a sigh. He could not just tell everyone about Evermore.

That said, he did not want to lie to Mandy either.

“Give me some time!” he said with a stern expression.

“I’ll tell you the truth when the time comes “Enough!”

Mandy Zimmer immediately stood up after hearing Harvey deny everyone an explanation.

“Just tell it to me straight, Harvey! Are you going to give Kairi the gem?!”

“Say it!”

“I won’t stop you!”

“You can’t be lying to me about this!”

“I want to believe you, but you’re giving me nothing to trust right now!”

“Can’t you just trust me on this?” whispered Harvey.

Mandy seemed bitter.

“I do trust you! I texted you to give my parents the gem so we can get married again!”

“I even promised them that!”

“I told them you’ll do it, no matter what!”

“They also agreed for us to get our marriage certificate tomorrow!”

“But what did I get for doing this?”

“You shook your head!”

“Is the gem really that important, Harvey?”

“Is it more important than me?”

“Tell me! Do I even mean anything to you this entire time?!”

“Of course.”

Harvey replied without hesitation.

Mandy nodded.

“Fine! I’ll trust you then!”

“Give the gem to my father!”

“Don’t worry! I’ll pay you back your money!”

If three million isn’t enough, I’ll give you more!

“I’ll give you everything I have!”

“Is that good enough for you?!”

Mandy knew her father was being unreasonable, and the gem actually belonged to Harvey.

But she wanted to make her parents happy so she could remarry Harvey.

She had no choice, even if she put Harvey in a bad spot.

She hoped that he would understand.

“It’s not about money, Mandy! I’ll give you as much money as you want!”

“But I really can’t hand over the gem...”

Harvey shook his head.

“I really need it for something.”

Other than luring Evermore, the gem was also related to eternal life. Maybe he would be able to raise his skill to another level.

No matter the perspective, money would never be enough for the gem.

“You do?”

“Other than money and status, what else do you need?”

Lilian slammed the table.

“What? Are you going to use it for your martial arts?”

‘Tch! You wouldn’t know... [Fast update on daotranslate.com]

‘Legends say that eternal life and the way to unite man and nature could be achieved the same way...

Harvey York showed a stern look in front of Simon Zimmer while he was briefly thinking about the situation.

“I really can’t give you the gem, Dad...”

“But I can give you something of the same value.

“It’s not an Augustea, but it’s no worse than it.”

Harvey grabbed the copper coin he got from Tosu’s van before setting it in front of Simon.

The coin was not clean, nor was it wrapped nicely. It looked just like any ordinary coin.

Simon was boiling with anger.

Other than his greed like no other, he was infuriated because of Harvey's attitude.

He believed Harvey was just fooling him with something he found in a random stall.

'This is completely unforgivable!

"You little b*stard, Harvey!

"Do you think I'm blind just because I can't appraise anything?!

"That thing probably cost a dollar from some random stall!

"How dare you use that to trick me?!

"You're telling me this is on par with the Augustea?!

"You don't care about me at all!

"Why are we still keeping that man here, Mandy?!

"You really want to remarry a man like that?!

"I'll never agree! Not for a million years!

"Get him out of here right now!

"I don't want the gem anyway! Get out of my sight already!"

Naturally, after losing his chance to rise to power, Simon gritted his teeth out of rage.

He wanted to strangle Harvey so badly.

Lilian Yates and the others were furiously glaring at Harvey, as if they wanted him dead.

“Look at what you did to Father, Harvey!

Mandy hesitated momentarily before walking toward Harvey with a pleading expression.

“Can’t you just hand over the gem for my sake?

“If we miss out on this, I don’t know when Father and Mother will loosen up again.

“We know how you work, Harvey, but can’t you just do it for me this one time?”

‘One time?

Harvey let out a sigh.

“It’s not because of that. I’m really doing this for your sake.”

“For my daughter?

“That’s how you treat her?!

Lilian coldly chuckled.

“You’ve gotten pretty damn bold, huh?!

“How dare you say something like that when my daughter’s doing her best to please you?!

“Have you no shame?!

Lilian looked at Harvey with a cold smile.

“Get out of here already!”

“That’s right! You’re with Kairi Patel now, aren’t you?!” Gabriel exclaimed.

“You’re hanging out with Azrael Bolton or Kellan Ruiz anyway!

Mandy frowned.

“I’ve repeated myself for the umpteenth time! How else can I trust you?!”

Mandy Zimmer showed a bitter expression.

“Are you really this reluctant?

“Did you have a change of heart?

“Tell me! Tell me right now!”

Harvey York hesitated. He wanted to tell Mandy about Evermore but knew he would drag the entire family down if he did.

He heaved a sigh. He planned to explain the situation as soon as Mandy calmed down.

“Do you think this is a market or something?!”

“Do you think you can just come and go as you please?!”

“Kneel and apologize to Mandy and her parents before you leave!”

Silas John, who had been watching the show, finally revealed his true color.

He stood up with a righteous look while smiling at Harvey.

“In any case, you can’t just do whatever you want here?”

“Don’t even try to leave until you slam your knees to the ground!”

Then, he stepped in front of Harvey, blocking his path with a playful glare.

Harvey frowned.

“Step aside.”

“Oh? You’re talking back at me?”

“Are you going to throw hands now?”

Silas leaned in before whispering in a voice only both of them could hear.

“Come on then! Try me!” he said with a provocative expression.

“If you hit me, Mandy will only hate you more!”

“When that happens, she’ll be by my side....”

“I’ll have her entire body for days! Hahaha...”

“Come on! Hit me!”

“I’m so excited!”

Slap!

Harvey swung the back of his palm across Silas' face, knocking him to the ground.

Silas coughed up a few teeth before wriggling in pain on the ground.

"What happened to you, Silas?"

"Are you okay?"

Simon Zimmer and Lilian Yates were utterly heartbroken by the sight as they pounced forward.

"You lawless b*stard, Harvey!"

"How dare you just hit someone like that?!"

"We'll call the cops on you!"

Mandy hesitated to lift Silas back up. She also felt responsible for what happened....

Harvey quickly held her hand.

"You know what he said to me?"

"He said you'll be by his side if I slap him."

"What?"

Mandy froze before showing a cold expression.

"Who do you think I am?"

"I'm not the same as you! I keep my promises!"

Silas John rushed forward as if he was about to pry Mandy Zimmer away from Harvey York.

Bam!

Harvey immediately kicked him in the face without restraint.

He was sent flying once again.

He could not win against Harvey despite having expert martial artists back on the cruise then, let alone this time.

Silas slammed into Gabriel Lee before the two frantically rolled on the ground. It was a miserable sight.

“You hit my brother! How dare you hit my brother?!”

Alma John rushed up, planning to rip Harvey apart before being slapped to the ground.

“I’m disappointed in you, Harvey...”

Mandy was stunned by the chaos in front of her.

“How are you so violent...?”

“This isn’t you...

“You’re gentle. You’re kind. You wouldn’t even hurt a fly.

“This isn’t you at all...

Mandy kept moving back. She did not want to believe that this was actually Harvey.

‘It was just for a gem...

‘How did everything turn out like this?’”

She thought she finally had a chance to remarry Harvey and rebuild together...

She was even ready to have a romantic candlelight dinner with him...

But instead, everything turned out this way.

“I’ve never changed, Mandy. You need to believe me.

Harvey calmly looked at Mandy.

“I need to attend to something.

“I’ll say the same thing: I’m keeping the gem for the family’s sake.

“I don’t care if you believe me or not. I’m telling the truth!

“Silas is getting close to you to take revenge against me.

“A sly man like him can never be trusted. I’m already holding back just by beating him around.

“Let’s all calm down for now.”

Soon after, Harvey turned around and left.

There were some things he just could not say. He hoped that Mandy would come through sooner or later.

Not long after he left, a few Toyota Alphards were parked outside the Zimmer family villa.

The people wore ordinary clothes, but their auras were clearly extraordinary.

It was obvious that they were from upper social circles of wealthy families.

Simon Zimmer froze after seeing the convoy.

The person leading the group was none other than Kian Foster, the number one archeologist in Golden Sands.

The people behind him were also prominent figures of the same industry with high statuses.

Simon could not even get close to them previously, even if he tried...

But they would just show up right at his doorstep at that moment.

He was confused but still forced a smile as he walked over.

“Why are you here, Master Foster?”

“We came to see Caesar’s Augustea ! I also brought a few friends in the same field to look!

“Everyone wants to take a glimpse of it! It’s a rare treasure, after all!

“That’s why we came unannounced.”

Kian politely shook Simon’s hand. [Fast update on daotranslate.com]

‘Not only did that b*stard snuff my fire, he even made me embarrass myself in public!

Simon looked gloomy.

“My live-in son-in-law thinks that gem is his! He wouldn’t let me have it no matter what!

“The gem’s his to own!

“It’s inappropriate for you to take it from him.

“Think closely. If Caesar’s Augustea wasn’t revealed in the first place, would you have insisted that the statue’s yours?

“Maybe you’d still be complaining to Esther John about the damages by now.”

The others nodded in unison, thinking that Harvey had done the right thing.

Simon froze. After calming down, he realized he had gone a little overboard.

Even if he really wanted the gem, he should have asked Harvey for permission instead of forcing everything in the first place.

“Even if the gem’s actually his, we’re all still family! He’s our live-in son-in-law! That gem’s naturally ours!

Lilian was in a bad mood.

“Besides, we weren’t planning just to take it!

“We’re only asking him to give us the gem as a betrothal gift!

“I gave him my respect!

“But he just wouldn’t budge! What am I supposed to do?

“He’s just useless filth!

“He wouldn’t even let my husband take a look at it!

“He’s trying to cause us trouble!

Lilian was convinced of Harvey’s actions.

“That man’s just evil!”

Kian frowned.

“No way. The people who find Caesar’s Augustea are usually good.

“People with bad intentions will feel uneasy even to hold the gem.

“There’s no way he’d find it if he were actually evil.”

“What’s with all this nagging, Master Foster?

“A gem can’t possibly do that! We’re not in a movie!

“You’re saying that he’s a good man? Look at what he gave us!

Lilian scoffed before throwing the copper coin Harvey had given earlier to the table.

“He wanted the gem for himself, so he tricked us with this stupid thing he got from a stall!

“He said that the value of this is at least on par with the gem!

“What a joke!”

Simon felt utterly annoyed.

“That’s right! I wouldn’t be that mad if it weren’t for this!

“That b*stard’s mocking my intelligence at this point!

“Damn him!”
