Chapter 361 The vegetable knife is here, catch it

Xue Qianyu: " Qianqian, Lu er. You're talking about me, aren't you? "

"Please don't take it for granted, young master Xue!"

"Lu er, let's have a match!" Xue Qianyu was angry.

The Emperor was enjoying the show,"let's fight!" Fight! Let me see if you've chatted with your grandfather in the ancestral hall and received some advice from him in the past few years."

Lu Zheng,"you're the one being guided by the emperors of the great Zhou in the Imperial temple!"

"What?" Xue Qianyu provoked. You don't dare to?"

"I'll be in your care then, young master Xue!" Lu Zheng cupped his fists.

The Emperor sat on the long bench and looked left and right. He then looked into the central room and saw a plate of melon seeds and peanuts on the table in the central room. Haha, the old ladies of the common people liked to crack melon seeds and eat peanuts.

He gave eunuch Fu a look.

Eunuch Fu immediately understood and went into the house to bring out the plate of melon seeds and peanuts.

The Emperor grabbed a handful and watched in a good mood as the two young men started fighting.

After watching a few moves, he could tell that Lu Zheng's Kung Fu was better than Xue Qianyu's. Could it be that the late High Duke had really given him pointers?

It had to be known that the Xue family was Duke Cheng 'en's estate. In the past, only the Empress's maiden family could be called Duke Cheng' en's estate.

Was the Empress's family lacking in resources?

Xue Xiao 'er wasn't like the other rich kids, he was very hardworking.

He's not as good as little pitiful Lu Xiao 'er?

"Xue Er, left side, kick him! Give him a sweep kick. Aiyo, right right right, he's going to hit you! Xue Xiao 'er, can you do it? if you can't, I'll ask the Dragon scale guards to help you! Xue Xiao 'er ridiculed,"the Emperor isn't satisfied with eating melon seeds, he still wants to give pointers."

As for giving pointers, that would be extremely biased.

In the end, he noticed that Lu Zheng didn't seem to be going to the area where the herbs were being dried, so he reminded Xue Qianyu.

Xue Qianyu didn't care too much. He had to beat Lu er today. Otherwise, he would lose face.

At this moment, Gu Xin and Gu Si, the two sisters, ran in. Hearing that the Emperor was helping Xue Qianyu, Gu Xin could not take it anymore and started giving orders to Lu Zheng.

"Brother Yuanyuan, back, to the left, there are stones on the ground. Brother Yuanyuan, the direction of the sun, Yingying."

"Aiyo! Xue Er, aren't you embarrassed? I clearly told you to turn right, but you didn't listen! You're pissing me off!"

"Brother Yuanyuan, he's drawing his sword. Wait for me, I'll get you a vegetable knife!"

Xue Er, quick, don't let that little girl get a knife. Quickly subdue him!

"Brother Yuanyuan, the vegetable knife is here, catch it!"

The Emperor and eunuch Fu's mouths were wide open in shock, and they swallowed their saliva.

He just threw it away?

Yet, Lu Zheng had managed to catch it steadily.

Lu Zheng held the knife and ran towards the door. Xue Qianyu followed closely behind. Lu Zheng ran to the wall, jumped up, and turned around, swinging the knife at Xue Qianyu.

Xue Qianjin used his sword to block it, but Lu Zheng kicked it away. Then, he landed on the ground and used his leg sweep to hook Xue Qianyu onto the ground. He used the strength of his leg to wrap around Xue Qianyu's leg. He sat up straight and held the kitchen knife to Xue Qianyu's neck. He tilted his head slightly and smiled.

"Wow! Brother Yuanyuan is so powerful! Brother Yuan Yuan won!" Gu Xin jumped up and down happily in front of the Emperor, "uncle ye, my brother Yuanyuan can win even with a vegetable knife. It's no use even if you two bully my brother Yuanyuan! Hmph!"

Gu Si was also smiling happily at the side. This was the first man she had seen fighting with someone with a knife. In the past, she had only seen women, and they were all women from her family.

Chapter 362 Beating you up in broad daylight

She had thought that men would only use their fists or their mouths to choke people to death like her father. She didn't expect that men could also use a knife!

Lu Zheng stood up and swung the kitchen knife 360 degrees in the air. He caught it firmly and cupped his hands at Xue Qianxun. "Young master Xue, you let me win!"

Xue Qianyu was furious!

When they were young, they couldn't beat this kid in a fight. Now that yedu had grown up and was at the age where he could get married, they still couldn't beat him.

"Xue Er, you're so embarrassing!" The emperor's head hurt from Gu Xin's actions and he could only scold Xue Qianyu.

Gu Xin chuckled as she looked at Lu Zheng, who was walking towards her. She knew that her brother Yuan Yuan would definitely be able to defeat this young master Xue.

Gu Xin wanted to say 'brother Yuanyuan, you're the best' but before she could say anything, Xue Qianyu stood up and was about to attack Lu Zheng from behind.

In the blink of an eye, Gu Xin took out a copper coin from her purse and threw it at Xue Qianyu's hand.

Lu Zheng jumped in shock. Before he could think about it, Xinxin suddenly made a move. He heard Xue'er's "Aiyo" behind him.

The Emperor covered his face!

This is so embarrassing!

"Why did you attack my brother Yuan Yuan?" Gu Xin ran to Lu Zheng's back and stretched out her arms like an old hen protecting her chicks.

Gu si also ran over to help.

"Little girl, this is called" all's fair in war."This is called" sneak attack,"you know?" Xue qianxun rubbed his wrist and said in a bad mood.

"Sister Xinxin is hitting you in broad daylight! What sneak attack? Uncle ye saw everything." Gu si said, unconvinced.

"Right!" Gu Xin, who was thinking of how to retaliate, hurriedly nodded her head when she heard what sisi said.

"My sister is protecting me! You don't have a sister, so you don't understand!" Lu Zheng turned around and smiled.

Xue Qianyu,"second Lu, you bastard!"

He was reminded of the horrible memory of being taught a lesson by second Lu's sister, Lu Xue, when he was young. At that time, second Lu had also shamelessly said, " my sister is protecting me. You don't have a sister, so you don't understand!

Fine, now this brat had come to the village to acknowledge a group of younger sisters. This was too much!

.....

Gu Xin and Gu si were sent to the Yang family next door to play, so the Emperor began to talk about serious matters with Lu Zheng.

"I heard that you plan to send those crops to the capital at the end of next year? With your grandfather?" The Emperor went straight to the point.

"Replying to the Emperor, this commoner thinks like this. Because we don't know the specific output of the crops, the collection of seeds, and how to eat them, we have to wait until the end of next year." Lu Yang said.

"You told me in advance how many crops you've given me. What do you want as a reward?" The Emperor asked again.

"I would like to be under general Peng's command as Zhou Yuan and start from an ordinary soldier to explore the world!" Lu Yang said.

Because of his rebirth, many things would not happen according to the trajectory he knew. Therefore, he did not want to return to the Lu family with the emperor's life-saving talisman just because his grandfather had offered him a crop.

In this life, if he wanted to marry Xinxin, he had to have his own mansion. All the glory had to be earned by himself. If he let Xinxin be the mistress of the house, there would be no one else in the mansion, so he didn't have to worry about Xinxin getting hurt.

As for taking revenge for his mother, he definitely had to.

"As long as these three crops can really meet the requirements that brother Gu has mentioned, your request will be approved! However," the Emperor paused for a moment, "if brother Gu is able to come to the capital to participate in the Imperial examinations next autumn, I hope that you and your maternal grandfather will appear with the crops by then!"

"Alright!" Lu Zheng agreed.

Chapter 363 I will not tell you my birthday

After the Emperor left Lu Zheng's house, he went to the Yang's house next door and took a look at master yang and fourth uncle Gu doing carpentry.

After looking at them for a while, he felt that the master and disciple's craftsmanship was not bad. If they used good wood, the things they made would not be worse than the Carpenters under the Ministry of Works!

"Xinxin, sisi, let's go! Don't disturb your fourth uncle and old Yang from their work!" The Emperor held one in each hand, and they were all held by the back collar.

Gu Xin and Gu si felt that this feeling was very familiar, but they couldn't recall it.

The girl explained the situation in the village to the Emperor as they walked. Of course, it was Gu Xin who was talking most of the time.

Gu si used to be invisible. Even though he had been spending a lot of time with the sisters of the second branch recently, he was not a talkative person. He only knew how to say a few unexpected words.

In the afternoon, the second branch set up two tables. The Emperor ate the salt and pepper small potatoes and jashed sea pepper potato chips. The little person in his heart had already decided that when Lu Zheng, that kid, presented the potatoes next year, he would have someone specially clean up a piece of land and plant it for himself to eat.

.....

The 15th day of the month was Lu Zheng and Gu Xin's birthday. One was 16, the other 11.

Lu Zheng gave Gu Xin a set of painted twelve Chinese zodiac signs. They were the size of a small potato and Gu Xin loved them a lot. Only grandma Xiao knew that Lu Zheng carved them himself. She could tell what her grandson was thinking, but Gu Xin was still young, so she didn't say it out loud. She was worried that her poor grandson wouldn't be able to understand it.

Although it seemed like Lu Zheng treated the four Gu sisters the same way, grandma Xiao knew that he treated Gu Xin differently. It was just that he did not show it.

Gu Nian made two large cakes for the two of them. There was even strawberry sauce on the cakes. She did not plan to tell anyone what they were as long as they were delicious. Even if the gluttonous Emperor asked, she would not tell him.

Gu shouxin gave Gu Xin a piece of calligraphy that he had written himself. It was a hairpin-style regular script that was suitable for young girls to copy.

Cai Xiaolian, on the other hand, made a set of clothes for Gu Xin. After a few months, she had gotten used to her needlework.

The old mansion didn't give anything, only Grandpa and Grandma Gu gave Gu Xin a red envelope. It was the same in the past.

The Emperor gave the two children a jade pendant each and said with a smile, "keep it well! This is very useful."

"Many thanks, uncle ye!" lu zheng accepted it without a second thought. xue qianyu's eyes were wide open. 'you know he's the emperor, but you're so happy accepting it!'

Gu Xin felt that the jade pendant was too expensive and was hesitating to reject it. In the end, seeing how Lu Zheng accepted it so readily, she reluctantly accepted it.

The Emperor, "you're being despised?" [when have I ever been rejected when I give something?]

the emperor was unhappy and directly said, "Xinxin, uncle is a rich businessman, very rich. When you're of marriageable age, uncle will give you even more beautiful and expensive things! You're not allowed to hesitate in the future! You have to be as thick-skinned as your brother Yuan Yuan, understand?"

Uncle Gu laughed at the side. I say, brother ye. You're lucky that you're a rich businessman. Otherwise, your ancestors would definitely jump up and beat you up for your behavior of forcing people to give you gifts! He had seen people who didn't want to give gifts, but he had never seen people who forced people to accept gifts. You'll see everything after living for a long time, hehehe ~ I'll definitely not tell you my birthday. I'm afraid you'll force me to accept it! Brother ye, don't ask me for my birthday! Second brother, don't tell him!"

Everyone thought, "hey, uncle Gu, where's your face?"

Chapter 364 Can't see his face clearly

After eating the cake, everyone went to the prefecture to see the lanterns, except for uncle Gu, Madam Zhang, and little ninja.

Even yang xiaohuan went along with them. She liked the crowd.

The Emperor did not go with them. They separated at the entrance of the village. He had already passed the Qing Prefecture and would not go back. He continued to follow the original route and could not leave the palace for too long.

When he left this time, he brought two pots of orchids with him from the Gu family. This was what his Royal grandmother, who was the current Grand Empress Dowager, liked.

He had brought 50 sets of toiletries with all kinds of smells. Gu Nian only charged him two taels each instead of ten taels.

Then, he moved three jars of Jachai peppers. Gu Nian said that if he kept them well, they would be enough for him to eat for a long time. She also gave him the recipe for making Jachai peppers. The Emperor wanted to pay, but Gu shouxin and Cai Xiaolian did not want it.

He also wanted the cake recipe. His Royal grandmother's teeth were not good, so she might like it.

Along the way, he only took things from the Gu family. He had no interest in buying anything else.

The Emperor had instructed Gu shouxin to take the exam well and strive to get a good result so that he could show off to others in the future that he had a brother who was an official or something.

time travel Trio +” Lu Zheng cursed madly in his heart. What kind of official position is your brother in? shouldn't this be arranged by you? You can show off whatever official position he is!

Because she received an expensive-looking jade pendant, Gu Xin gave the Emperor five bamboo tubes of water mixed with jade beads.

Although the Emperor did not know what a Jade bead was, Gu Xin had a clear conscience and returned the favor. She could now treat the Jade as her own.

.....

“Old master, should we send someone to knock on County Magistrate Cheng's door?” Xue Qianyu reminded him after they parted.

“Write a letter to the Qing Prefecture magistrate, saying that your distant relative is participating in this examination. Tell him to inform the counties under him that he is not allowed to play favorites and that he must be fair! Point out Taoyuan County, and the magistrate knows what to do!” The Emperor said.

what about County Magistrate Cheng? ” Xue Qianyu thought the Emperor was going to deal with him directly!

“It's time to change the magistrate of Taoyuan County. However, the scientific examination was imminent, so he would be the temporary host! Let's go back and change our identities with Minister sun.” The Emperor narrowed his eyes and coldly said.

“Yes!” Xue Qianyu finally understood.

When the carriage arrived at Taoyuan County, the group had lunch at the Zui Jiang restaurant and then went to the pier to take a boat, planning to go to the next place.

Back at the Gu family, Gu Xin went to sleep the moment she got into the carriage.

She had a dream, a dream that was similar to the one she had last time.

It was her, who had grown up, wearing gorgeous clothes and a cloak, and walking around the lantern show.

There were many people at the Lantern Festival. She was held by a man, who held her hand tightly as if he was afraid that she would be separated by the crowd.

They walked and walked and walked, stopping from time to time to buy a lantern. However, Gu Xin could not see his face clearly. She could only feel that he was holding her hand very tightly.

After a while, she was holding a few lanterns in her hand and said in a good mood, " "I want to gather all 12 animals, okay?"

The man in front turned around and replied, " "Alright!"

Just as she was about to see the man's face clearly, she woke up from her dream. The word " okay " still echoed in her ears.

She felt that something was wrong with her hand and subconsciously retracted it.

sisi, you still can't hide it from her. I told you that she's a light sleeper. I woke her up when I touched her. Cai Xiaolian said with a smile.

Chapter 365 I can't be soft-hearted

Gu si raised his head and smiled in embarrassment. "Sister Xinxin, you're awake! I'm helping you put on a bracelet! I wanted to put it on for you secretly, but I woke you up! No more surprises, hehe!"

Gu Xin raised her hand and saw a colorful bracelet with five small bells hanging on it. She exclaimed in surprise, " "Wow, so beautiful! So sisi you were just making it up for me!"

Gu si nodded and said, 'yes! My sister taught me. I was the one who made the string, and big sister was the one who hung little bell."

Gu Xin really liked this gift and thanked her happily, " "Thank you, sister Huihui! Thank you, sisi!"

She felt that this was much better looking than the jade pendant that uncle ye had given her.

[ye * Emperor * uncle: my heart is stifled.]

With her sisters and elders chatting with her, Gu Xin immediately forgot about her dream.

It was already afternoon when they arrived at the prefecture, and there were even more people on the streets than a few days ago.

Lu Zheng opened the way to an Inn, which he had booked last time. They had a lot of people, and it was impossible for all of them to stay at third aunt Gu's house.

After settling down at the inn, everyone ate something and prepared to go out and play.

Gu Nian was holding Gu Xin's hand, Gu Hui was holding Gu Si's hand, and Lu Zheng was holding Gu en's hand. The three of them were still children, and they were in danger of being abducted.

He went to look for third aunt Gu first. Guo Wan and Guo Yan also followed him.

Guo Wan still hadn't given up on Lu Zheng and kept moving closer to him.

Lu Zheng pulled Gu en along, turning left and right to shake off Guo Wan in the crowd. He was not afraid that Guo Wan would get lost. How could a child who had grown up in the prefecture go missing?

After shaking off Guo Wan, he also separated from Gu Xin and her sister.

Looking at Gu en, who was curious about everything, Lu Zheng was depressed.

He really wanted to leave this brat in the crowd, but it was very likely that he would be abducted.

However, he did not want to go back and be pestered by Guo Wan, so he could only bring Gu en around and follow Gu Xin and the rest from a distance.

"Niannian."

In front of a shop, Gu Nian was about to guess the lantern riddles when she was startled by a familiar voice.

Third aunt Gu and the other four sisters looked over and frowned. Wasn't that Xu Changfeng?

The old men and women did not like to come out and join in the fun, so they went to look for old man Hua.

As for Gu shouxin and Cai Xiaolian, they got separated from the group as they walked. Since the two of them were together, the younger ones were not worried.

Her third uncle went to look for his younger brother, Guo Yan, who ran away happily as soon as he entered the crowd.

Xu Changfeng stepped forward and grabbed Gu Nian's hand. "Niannian, I knew you still remembered our lantern show promise this year! I knew you would come!"

He was much thinner than the last time she saw him, and his cheeks were sunken.

"Young master Xu, please mind your manners!" Gu Nian flung his hand away.

Xu Changfeng looked at third aunt and the Gu sisters, feeling a little uneasy. "Niannian, is it inconvenient because there are too many people? Let's find a quiet place to talk, okay?"

"Didn't your mother say that you were going to die? It's so late at night, are you trying to scare people? Let's go, niannian, let's ignore him!"

Gu Nian thought the same. She could not be soft-hearted about this matter.

She didn't want to complain about the Lantern Festival that the host had set with someone else. For Xu Changfeng's good, she didn't want to have any more contact with him.

Seeing that he was about to leave, Xu Changfeng stepped forward and stopped him. "Niannian, you need a reason to kill! You have to give me a reason for your sudden change in me so that I can give up!"

Chapter 366 A dog can swim

Gu Nian raised her head and looked at him.

Xu Changfeng was quite tall. With Gu Nian's undeveloped height, it was indeed necessary to raise her head to look at him.

"Alright, let's find a place to talk! I hope this will be the last time, regardless of whether you've made it clear or not!"

"Gu Nian!" Gu Hui pulled her.

Third aunt patted Gu Hui. Huihui, we do need to make things clear. However, we can't let the two of them go alone. We'll follow them. We'll watch from a distance and won't be able to hear you guys. Is that okay? "

"Sure, sure," Xu Changfeng nodded repeatedly.

So, the group of people followed Xu Changfeng to the river.

Guo Wan was a little reluctant, but she couldn't see Lu Zheng anywhere. She would only have a better chance of seeing Lu Zheng if she followed the Gu family.

When they arrived at the river, Gu Nian pointed to a less crowded place not far away. "Third aunt, sister Huihui, you guys wait for me here! I'll come over after I've made things clear with him!"

"Yes, go ahead!" Third aunt nodded.

When they reached a safe spot, Gu Nian stopped and looked at Xu Changfeng. "Young master Xu, if you have anything to ask, just ask!"

Xu Changfeng wanted to reach out to Gu Nian but she dodged him.

Xu Changfeng looked at Gu Nian sadly. niannian, I didn't do it on purpose the last time we met at your house. I just couldn't stand your cold words. I've been thinking about you and our past ever since I went back. I'm sorry, niannian."

"Young master Xu, as you said, that was in the past." Gu Nian sighed. People grow up, and I'm a year older this year. I'm about to reach marriageable age, and I know very well what I want. You're not my type."

Xu Changfeng was anxious,"but you used to be a coward!"

that was in the past, " Gu Nian interrupted him. people change. The past me doesn't represent the present me. Maybe I really liked you in the past because of your good family background. However, I now know that there are many people in this world who have better family backgrounds than you. Why should I hang myself on a tree like you? I'll definitely meet someone better than you in the future."

Xu Changfeng took two steps back and looked at Gu Nian in disbelief. "Niannian, you've changed! You've said it before, you're not after my family, you're after me. "

"Yes, I've changed." Gu Nian nodded. I used to covet you, but now I only want money and status. I will like whoever has more money and higher status. I'm such a vain and powerful girl. Xu Changfeng, are you that stupid? You were actually tricked by a young lady who wasn't even of marriageable age!"

Xu Changfeng's expression suddenly changed as his eyes turned vicious. He took out a dagger and pointed it at Gu Nian.

Gu Nian was already prepared for this move. Seeing the dagger coming towards her, she kicked Xu Changfeng's hand away without a second thought.

Then, he took a step forward, grabbed Xu Changfeng's body, bent down, lifted him up, and threw him into the river!

"Argh! Someone fell into the water!" This move of hers startled the girl who was putting out the lanterns by the river.

"Help! I don't know how to swim, I don't know how to swim!" Xu Changfeng was struggling in the water.

Gu Nian scratched her head as she hesitated. She did not know that Xu Changfeng did not know how to swim.

"Woof! Woof! Woof!" Suddenly, a dog barked, and the crowd was in an uproar.

"Move! Move aside!" At this moment, a figure quickly ran over. As he ran, he looked behind him but did not see Gu Nian who was by the river.

The person was so fast that Gu Nian, who was thinking about whether to save her, was knocked into the river.

"Your Grandpa!" Gu Nian was angry.

"Your Grandpa! Aiya, why is the dog in the water?" The man who bumped into her replied, and was surprised to find that the dog had also followed her down.

"Are you an idiot? Dogs can swim!" Gu Nian was so angry that she did not know what to say. Since the three dogs were coming, she had to run away. Running for her life was more important!

Chapter 367 Wait for me, miss

"Hey, wait for me!" The man who had run her over was very close to Gu Nian. When he saw her turn around and swim to the other side of the river, he quickly grabbed her.

"I said you're sick! You're pulling me in the water, do you want me to drown!" Gu Nian choked on her water and quickly slapped the man's hand away.

"Miss, I'm not good at swimming. Please give me a ride!" The man said pitifully, not letting go.

"You're sick! You're not good in the water, yet you still dare to dive into the water!" Seeing that the dog had already entered the water, Gu Nian could not care about anything else and swam quickly.

“Girl, you can’t blame me! I didn’t want to! You don’t know how unlucky I am, I’m so unlucky!”

“Shut up! If you speak again, I’ll press you into the river even if you get bitten by a dog!”

Woof! Woof! Woof!

“Hurry up and save him!”

“Hurry up and chase those three dogs away!”

There were a lot of people on the shore, and it was also very lively in the river. Xu Changfeng was still calling for help!

Fourth uncle Gu was just taking a walk with yang xiaohuan by the river when he heard the commotion and joined in the fun.

Looking at the commotion, well, wasn’t that his own niece?

Fourth uncle Gu and yang xiaohuan jumped into the river without hesitation. Holding the meat patties he had just bought, he raised his hand and called out to the dog.

Meanwhile, yang xiaohuan walked toward Gu nianyou.

“Aunt Xiao Huan, I’m fine here. Go and bring that person over there!” Gu Nian said as she heaved a sigh of relief when she saw that reinforcements had arrived.

Yang xiaohuan looked at Xu Changfeng and his heart skipped a beat. That man was about to land!

“Young lady, I’m afraid it’s not good for you to ask your aunt to save a man, right?” The man who had lured the dog over also relaxed and said.

Gu Nian glared at him and was so angry that she grabbed the bird on his head and pressed it into the water.

“Yup! If I’m caught by a man like you, it’ll affect my reputation. I might as well kill you!” Gu Nian said through gritted teeth after pressing her down.

After a few seconds, someone lifted him up.

“Pfft!” The man spat a mouthful of water on Gu Nian’s face.

“You even spat at me!” Gu nianyou pressed her down.

He pulled it up again after a few seconds.

“You’d better hold it in. Otherwise, I’ll press you down again!” Gu Nian reminded him as soon as his head appeared.

The man didn’t spit it out. He opened his mouth, and water flowed out from the corner of his mouth. Then he grinned and said, ” “Miss, I forgot to tell you that I’m especially good at holding my breath in water.”

“Alright, I’ll see how long I can hold it in then!” Gu Nian said.

After saying that, he pressed her down.

By then, the dog had already been led away by fourth uncle Gu's meat patties, and Xu Changfeng had been dragged ashore by yang xiaohuan.

Gu Hui ran over with Gu si and Gu Xin. She squatted down and started punching Xu Changfeng's stomach.

The water in Xu Changfeng's stomach was also forced out by his friends.

Finally, Gu Xin gave Xu Changfeng a heavy punch in the stomach, "If you provoke my sister again, I'll throw you into the river to feed the fish!"

Xu Changfeng was in unbearable pain. Looking at the Three Sisters of the Gu family in front of him, he even wanted to die. This was the most embarrassing day he had ever had in his life.

He was thrown into the river by a woman, rescued by a woman to the shore, beaten up by a woman, and threatened by a woman.

When he saw the fierceness in Gu Xin's eyes and the coldness in Gu Hui's eyes, he was truly afraid.

After being soaked in the water for a while, his mind finally cleared up. He could not understand why he had brought a dagger with him when he left the house. Why did he stab Gu Nian after she had said those words?

He was still afraid. Fortunately, Gu Nian was strong. Otherwise, if he had hurt Gu Nian, he would have lost his position as a scholar.

Chapter 368 I wish you to stop at the level of a scholar

Xu Changfeng realized that Gu Nian was no longer the Gu Nian he had liked before.

He believed Gu Nian's words. Gu Nian had never been after him but the Xu family's money. Perhaps Gu Nian had already found a more handsome and wealthy young master than him!

"Ladies Gu, I won't disturb Gu Nian anymore in the future." Gu nianshen sat up, feeling a little exhausted. However, I'd like to trouble you to pass a message to Gu Nian on my behalf. Please don't regret it in the future. I, Xu Changfeng, will one day be a man that she can only look up to."

"Bah!" Gu Hui spat on the ground and looked at Xu Changfeng speechlessly.

"Bah!" Gu Xin and Gu si also spat.

Gu Xin, 'my sister is the one you'll never be able to reach. A man like you who uses a knife on a weak woman is a shame to the world. He was still a scholar! Your behavior is really a disgrace to all the scholars in the world! The students are all ashamed of reading the books of the sages with you!"

Xu Changfeng pointed at Gu Xin, 'you! At such a young age, your mouth is so vicious. Be careful of your tongue."

“What are you doing?” Lu Zheng appeared with Gu en. He stood in front of Gu Xin to protect her and slapped Xu Changfeng’s hand away. it wasn’t just the Gu sisters who saw you pointing a knife at them just now. Many people on the shore saw it too. I’ve already sent someone to report it to the authorities!

Xu Changfeng got up from the ground in fear. ”

Lu Zheng slapped his hand away and said, “why are your hands trembling like this?” He probably couldn’t write anymore! You deserve it!”

Gu Xin poked her head out from behind Lu Zheng, ” “Right, he deserves it! I wish you to be stuck as an elementary scholar for the rest of your life!”

“Hmph!” Xu Changfeng wanted to curse, but he thought of Lu Zheng’s words about reporting to the authorities. It was better for him to leave as soon as possible. Although his family had connections with the government, it would be troublesome if the Gu family kept harping on it.

Although he did not hurt Gu Nian and was thrown into the water instead, Xu Changfeng still had some conscience and knew that it was his fault.

He snorted and left.

Xu Changfeng left, but Gu Nian and the man were still in the water. The people around them were still watching.

“Sister, come on up!” Gu Xin turned around and looked at the river, shouting worriedly.

“Little girl, your sister is putting on a big show for us! Don’t shout, don’t shout. We all want to know how long the young master in the water can last.” A middle-aged man said.

“Aiyo, little girl, quickly ask your sister to bring the person over! That little brother has been in the water for a long time, he’s going to die!” On the other side, the woman selling flower worriedly said.

“Gu Nian, come back!” Gu Hui shouted.

“Niannian, quickly come up! The water in the river is cold, what if you get sick?” Fourth uncle Gu shouted.

Indeed, Gu Nian was feeling cold. After some thought, she let go of the man’s head and swam back.

“Pfft!” The man emerged from the water and spat out some water. After taking a few deep breaths, he chased after Gu Nian. miss, wait a moment! Wait for me! I only know how to hold my breath, so I can’t swim very well!”

Gu niancai did not want to talk to him. He could hold his breath for so long, so how could he not swim well?

Did he think she was a three-year-old child?

As soon as they reached the shore, Gu Nian shivered as the night wind blew.

“Huihui, let’s go back first! You’ll get a cold wind if you wear wet clothes!” Yang xiaohuan said.

“Yes, let’s go!” Gu Nian nodded.

"Young lady, wait!" The man who could not swim well reached the shore and grabbed Gu Nian's arm.

Just as Gu Nian was about to turn around and push him away, the man tripped over a stone on the shore and fell backward. However, he did not forget to grab Gu Nian tightly.

Chapter 369 lost innocence

As Gu Nian fell to the ground, she felt her mouth touching the shameless man's lips. In an instant, she was pulled up.

They were moving very quickly. Since the shore was not very bright, no one else saw them except for Gu Nian and the man who felt their lips touch.

"Thanks!" Gu Nian found that it was Lu Zheng who had helped her up. She thanked him.

"You know someone?" Lu Zheng asked.

"I don't know him! I'm just a fish in the pond! How unlucky, let's go!" Gu Nian looked at the dumbfounded person on the ground and quickly left with her friends.

She had never had a boyfriend in both her previous and current lives, and the first kiss of both her lives had just been lost.

If it wasn't for Lu Zheng pulling her up quickly, she didn't know how long she would have stayed in that position. If you didn't believe it, just look at the man who was holding his breath but couldn't swim well after being chased by the dog. He was still lying there in a daze!

The crowd thought that the young man had choked on water. They pressed hard on his stomach, but the water did not come out. He only came back to his senses when his stomach hurt.

He sat on the ground, his whole body wet. He touched his mouth with his hand, and a sentence kept flashing through his mind.

I've been kissed by a wild girl, and the innocence that I've maintained for more than ten years is no longer guaranteed!

I've been kissed by a wild girl, and the innocence I've maintained for more than ten years is no longer guaranteed!

.....

"Young master! Young master!"

"Young master! Young master! Where are you?"

At this moment, a manservant and a maidservant were looking for someone. Seeing that there were many people here, they ran over.

"Aiya! Young master, you fell into the water!"

"What are you waiting for? Seeing young master's wet body, hurry up and carry young master back!"

Oh, right, right, right. Young master, come. I'll carry you!

The maidservant and manservant said one sentence after another and carried the man whose innocence had been ruined on their backs.

Once the three of them left, the crowd was over. The onlookers dispersed and went back to their own business.

"Young master, are you cold? Hang in there, we'll be on the carriage in a while!" The servant girl asked worriedly.

"Ah Qiu, ah Dong." The man gloomily called out to his maidservant and manservant.

"Young master, what do you want? This servant will find it for you!" The maidservant, a 'Qiu, asked.

"That's right, young master. Did you drop something when you fell into the water?" The manservant ah Dong also asked.

"Ah Qiu, ah Dong, your young master has lost his innocence! I, li Muyan, have protected my innocence for 17 years. Just now, I lost it!" The man said exaggeratedly, his tone somewhat aggrieved.

Ah Dong stopped in his tracks. Ah Qiu also looked at li Muyan in surprise.

"Young master, we've only been apart for a little more than 15 minutes, and you've already lost your innocence? Who did it?" Ah Qiu muttered.

"That's right, young master! I remember that you were chased by a dog! Don't tell me your innocence has been taken away by a dog?"

"Shut your stinky mouth!" Ah Dong hadn't even finished speaking when li Muyan smacked him on the head.

"Young master, what happened? On our way here, we heard passersby say that a silly boy was pressed down by a girl into the river to hold his breath. Could they be talking about you?" Ah Qiu asked.

"It wasn't me, silly boy. However, I was indeed pressed into the river by a girl. I was the one who asked her to press me. It was that barbaric girl who ruined my innocence after she came ashore!" Li Muyan said angrily.

He just wanted to ask for the girl's name, apologize, and thank her. Who would have thought that things would develop like that!

Chapter 370 Three requests for his wife

"Young master, I really want to know how the girl who pushed your head into the water ruined your innocence." Ah Dong asked.

Ah Qiu also looked at li Muyan with a burning gaze. Her young master was so angry not because his innocence had been destroyed, but because it had been destroyed in public!

Li Muyan looked left and right. Seeing that no one was paying attention to the three of them, he said, "you can't tell anyone!" Other people don't know that my innocence has been destroyed."

yes, yes. Young master, don't worry. We will not tell anyone. Ah Qiu and ah Dong replied in unison.

"She kissed me." Li Muyan's voice lowered.

"What?" Ah Qiu and ah Dong didn't hear him clearly.

"She kissed me. I was caught off guard and she kissed me. Then, she was pulled away by her brother or brother. Otherwise, I don't know how long she would have to kiss me!" Li Muyan's heart beat like thunder when he said this. He sighed. I didn't expect this girl to have such good eyes. She could see my face clearly in the dark river! He was so bold that he kissed me directly. Do you think I should ask someone to go to her house to propose marriage?"

"Ha?" Ah Qiu and ah Dong were once again in awe of their young master.

A grown man was making a fuss about his innocence being destroyed after being kissed and wanted someone to take responsibility.

"Do you guys think I should go and propose marriage?" Li Muyan repeated.

"No, young master, there are so many beautiful girls in the Qing Prefecture who want to win your favor, but you don't even care. It turns out that you like the wild type! She pressed your head into the water and forced a kiss on you, and you've been captured?" Ah Dong said, speechless.

Thinking of their young master, the most talented and handsome man in Qing Province, with a rich family, he was the most eye-catching wherever he went.

How did he get the idea of getting married because of a wild girl?

"That's right, young master, Madam has told you so many girls, but you don't like any of them. How can you get married after being kissed by someone? If the other girls were to find out, wouldn't they all rush to kiss you? When the time comes, you'll marry all of them?" Ah Qiu was also speechless.

Her young master only looked at the sisters in the family, her and sister ah Chun, and did not even look at the other girls. Instead, he was very intimate with another young man in the city. If it was not because she had served her young master since she was young and knew that her young master did not like men, ah Qiu would have thought that her young master was going to marry a young man in his life.

"How is that possible? Women were all troublesome. One in the backyard was enough. Look at my father, which day hasn't he been bothered by the concubine in the backyard? My mother told me long ago that I'm only allowed to get married in this life, no concubines. You've been with me for so many years, and we can be considered to have grown up since childhood. Don't you know my requirements for my wife?" Li Muyan retorted.

At this moment, the three of them had also arrived at the carriage.

Li Muyan got in and wrapped himself in a blanket.

"Young master, it's been so many years, but you really haven't told me what you want from your wife." Ah Qiu said.

Ah Dong took the reins and prepared to drive the carriage, but he also added, "Right, this little one has never heard young master mention it before!"

“Then I’ll tell you now. As for me, I only have three requirements for my wife. First, she must be a woman. Second, she must be good at swimming. Third, she must give up her face. Just like this girl today, she likes me and kissed me in front of so many people. Although her brother stopped her in time, she really went all out!” Li Muyan said happily.
