101 Principal Yan is here!

Shen Ruxue's eyes were filled with tears.

She looked as innocent as she could be, as if she had been forced to give the photo to Guo Zixi.

"Ruxue, don't worry."

Guo Zixi saved the photo indignantly. I won't sell you out. I just can't stand people who cheat.

As she spoke, she edited a post and posted the photo on the school forum.

[Shi Qinglan's private meeting with the invigilator is suspected of cheating!]

"I'd like to see how she's going to clear her name." Guo Zixi looked at the post with a smug expression.

Shen Ruxue's eyes flashed with a smug smile.

But she quickly put away her smile and looked at Guo Zixi worriedly. What if she didn't cheat? Then aren't you slandering your classmate? It's very inappropriate ...

Also, I heard that the principal of Imperial University has been here recently. It seems that he wants to select top students to be recommended. If he hears this news, will it have a bad impact? "

Upon hearing this, Guo Zixi frowned.

Shen Ruxue's words reminded her of something, and at the same time, it also ignited the anger in her heart. I would have forgotten if you hadn't mentioned it. Now, all the more we can't let Shi Qinglan succeed in cheating!

If she really cheated and got first place ...

Wouldn't she be guaranteed a place at Imperial University?

How could Guo Zixi, who had worked hard every day and night to get into a famous school, accept this?

"I'm going to the office."

Guo Zixi made up her mind. ruxue, if I don't come back before class starts, help me tell the teacher.

Shen ruxue nodded and didn't say anything else.

She lowered her head and took out her mobile phone to open the forum. She found the post that Guo Zixi had just posted and began to use her side account to lead the conversation ...

At the same time.

He Wenjie also left the office in a hurry. He looked around the school, but he did not expect to run into Yan Hua and Shi qinglan in the corridor of his class.

"Principal Yan." He was still a little breathless. can I trouble you to come with me to the office? "

Yan Hua frowned. did something happen? "

He Wenjie explained the whole story.

Yan Hua's brows furrowed even more, and he nodded in agreement without hesitation. no problem, I'll go with you.

He immediately took the lead and strode towards the office.

He could not tolerate his little ancestor being accused of cheating. He had to let them see the truth!

"Qinglan, do you want to ..." He Wenjie looked at the girl and felt a little scared.

Shi qinglan's eyelids twitched. let's go then.

As soon as she finished speaking, she slowly curled her red lips, slipped her hands into her pockets, and swaggered into the office.

..

In the year three science General education Office.

I've never heard of a student like her, who has been absent from the exams frequently and has not been expelled," Liao Hongmei continued to ramble on, criticizing Shi qinglan's dark history.

"The last time I criticized her for skipping the exam, she actually told me that she was busy with a business that was close to a hundred million Yuan and had no time to take the exam!"

She couldn't help but laugh sarcastically.

The other teachers also found it interesting, but they didn't mock him like Liao Hongmei did.

that's what rebellious teenagers are like. At least she doesn't get into fights, just like chubby boy in our class ...

The teachers were talking about their own students, and just as they were in the middle of a heated discussion, someone suddenly said, " principal Yan is here!

102 Teacher, I want to report Shi qinglan!

Yan Hua walked into the office in an awe-inspiring manner.

He was not only the principal of Imperial University, but he also had great prestige in the entire academic and educational world. He was an existence that ordinary teachers looked up to.

"Principal Yan." Liao Hongmei immediately stood up in a hurry.

She didn't expect he Wenjie to really invite Yan Hua over, and she didn't expect Yan Hua to agree to come.

Yan Hua's stern face appeared somewhat solemn and dignified.

With one hand behind his back, he looked like a leader in his suit. I heard there was a cheating dispute here.

Liao Hongmei's expression changed slightly.

She did want to solve the issue of Shi qinglan cheating, but she did not want to embarrass herself in the capital.

principal Yan, how could I trouble you with such a small matter ...

Liao Hongmei's smile was a little flattering and hypocritical. She immediately gave up her seat and said, " please have a seat first. I'll go make some tea.

Yan hualin's eyes swept over Liao Hongmei's seat.

He did not sit down, but stood there and asked solemnly, " who suspected that there was a problem with Shi qinglan's results? "

Liao Hongmei returned with a new cup of tea.

She fawningly handed the tea to Yan Hua. there is indeed such a thing, but I really don't dare to make you make a big fuss.

As she spoke, Liao Hongmei looked at he Wenjie with resentment.

She had heard that Yan Hua was here to pick a student with good grades and wanted to recommend Xu Cheng from her class, so she had to suck up to him now.

"Shi qinglan! Look at the trouble you've caused!"

Liao Hongmei put on a stern face and started to reprimand her. it's one thing to cheat, but now you've shamed the entire school! You're embarrassing yourself in front of the Dean of Imperial University ..."

Shi qinglan looked down at her feet indifferently.

Her red lips were slightly pouted, as if she was smiling, but she was too lazy to respond to Liao Hongmei.

"It's quite embarrassing." Yan Hua sneered.

He glanced at the girl beside him and pulled her to his side by her wrist. student, tell me.

When Liao Hongmei saw Yan Hua's actions, she didn't know why, but she had the illusion that an elder was protecting a junior.

"What did he say?" Shi qinglan looked up, the smile on her lips growing wider. don't you know whether I'm cheating or not? "

Liao Hongmei didn't understand what he was doing.

She was about to scold Shi qinglan for being presumptuous when the office door was suddenly pushed open. teacher! I want to report Shi qinglan!"

Guo Zixi pushed the door open and entered, feeling indignant.

She had just knocked on the door for a long time, but no one answered. Perhaps no one had noticed, so she barged in directly.

"You want to report Shi qinglan?"

He Wenjie frowned slightly. He didn't expect his students to be so insensible. Guo Zixi, you go back to class first.

"Teacher he, I want to report her!"

Guo Zixi held her head high in indignation. She showed the photos Shen Ruxue had given her to the teachers. Shi Qinglan had been in contact with the invigilator before the exam. I have reason to suspect that they were working together to cheat!

At this moment, Yan Hua's back was facing her ...

Guo Zixi didn't see his face, so she directly showed him the photo of Shi Qinglan and Yan Hua chatting!

"This ..." He Wenjie's expression changed instantly.

He immediately told Guo Zixi to put away her phone. don't make a fuss. The teacher will handle this matter. It's not good to slander a classmate.

"I'm not fooling around! I'm telling the truth!" Guo Zixi could not understand why he Wenjie wanted to protect Shi Qinglan.

Until Yan Hua finally turned around ...

He looked at Guo Zixi with a serious expression and was a little annoyed. did you just say that I helped Shi Qinglan cheat? "

103 Why can't she get full marks for all subjects?

Guo Zixi's eyes flashed with surprise. She didn't expect the invigilator to be in the office.

"I ..." She couldn't help but feel a little nervous.

Yan Hua's eyes narrowed and he was suddenly enraged. this is the good student that you, Pi City High School, have raised? "

Liao Hongmei looked at the photo that Guo Zixi had given her.

Her pupils shrank slightly, and she was a little flustered. principal Yan, let me explain. She definitely didn't mean it that way ...

"If that's not what you meant, then what's with this photo?" Yan Hua's expression was slightly cold.

"It means that you're helping Shi Qinglan ..."

“Guo Zixi! You shut up!” ah! Liao Hongmei suddenly screamed. She almost had a heart attack from anger.

For people of Yan Hua’s status, it was an honor to be able to visit Zuo City High School. However, he had not expected to be slandered by a student, who even said that he was helping Shi qinglan ... Wait a minute!

“Principal Yan, you ...”

Liao Hongmei took a deep breath. you’re going to be an invigilator? Coincidentally at Shi qinglan’s examination hall?”

Yan Hua did not deny it and solemnly nodded.

Liao Hongmei finally understood why he Wenjie had said that Yan Hua could be the witness of Shi qinglan’s results!

However, if she got the answer in advance, even if the invigilator proved it, it was impossible to completely clear her suspicion.

“Heavens! Mr. Liao, Mr. He, please take a look at the school forum ...” A teacher suddenly spoke.

They immediately took out their phones and logged into the forum.

The post that Guo Zixi had posted to report Shi qinglan had appeared on the front page and the number of comments had exploded!

“Preposterous!” It was rare for he Wenjie to be angry.

He had always been gentle and mild-tempered, and even if the students were disobedient, he rarely got angry. But this time, he was really angry. Guo Zixi, did you post this on the forum? ”

Shi qinglan also glanced at the content of the post.

Well, it was just as she had expected, but the topic had nothing to do with being a mistress, but about cheating with the invigilator ...

“It’s ... It’s me. ” Guo Zixi couldn’t help but feel a little guilty.

Because she found that the atmosphere seemed a little unusual, and even old he, who had an extremely good personality, was angry with her.

He Wenjie rubbed the corner of his eyes, feeling a headache.

It would have been fine if Guo Zixi had exposed other invigilators, but it had to be the principal of imperial capital University!

I didn't know that the students of your school usually slander others like this? ”

Yan Hua's voice was extremely cold, and there was a hint of Majesty in his steady voice. His eyebrows were mixed with anger.

“This ...” Liao Hongmei did not know how to explain.

She really didn't expect Guo Zixi to be so insensible as to expose the fact that the principal of the Imperial University would cheat with qinglan.

Liao Hongmei braced herself and explained, ” it's true that Shi qinglan cheated, but I don't know how you got the blame. I'm sorry, principal Yan, we ...

“Hehe.” Yan Hua sneered.

His cold eyes swept across the room, and the anger on his stern and cold face had yet to dissipate. you're saying that Shi qinglan has cheated? ”

principal Yan, you might not know this, but she scored full marks for all subjects. This is really a little ...

“Why is it impossible?” Yan Hua's voice was sonorous and powerful.

He narrowed his eyes and looked at the teachers in the office who did not trust Shi qinglan.

Shi qinglan is my student, ” Yan Hua said. she finished her university courses at the age of 15. Two years ago, she even took part in the question setting work for the final exam of Imperial University.

“Why can't she get full marks for all the subjects?”

104 I'm afraid I'm really not worthy of being her parent

The entire office was shocked.

Even Guo Zixi felt as if she had been struck by lightning. She was stunned on the spot, and her eyes were filled with disbelief.

However, Yan Hua's powerful words echoed in the office, and no one dared to doubt him.

“Y-you're saying that Shi qinglan is your student?”

Liao Hongmei was still in a daze. Her face looked terrible and she felt like her face was swollen.

Yan Hua glanced at her coldly. so, this reason is enough to prove that Shi qinglan's perfect score was not cheating? ”

These words were undoubtedly a heavy bomb for them ...

The principal of Capital University had come forward personally and admitted that Shi qinglan was his student. She had even been able to participate in the final exam writing of the best university in Huaxia at such a young age!

Who would dare to have any more doubts!

“You ... You already knew?”

Liao Hongmei looked at he Wenjie and recalled the B * stard words she had just said. She couldn't help but feel a little panicked.

He Wenjie didn't deny this. yes.

Guo Zixi's figure swayed slightly. She clenched the mobile phone in her hand tightly, and the screen showed a photo of the two of them.

However, all of this was now a joke ...

She felt a burning pain on her face!

“If that's the case, why do you usually skip exams?” Liao Hongmei was still a little angry with Shi qinglan.

If she had shown her true results earlier ...

Not only would she not target this student, but she might even treat her like a treasure!

He would not have made such a joke today!

the test paper was too simple. I was too lazy to do it. Shi qinglan's Red lips curved into a bright smile.

However, her words at this time made people unable to get angry, as if everything had become logical ...

“I hope there won't be a next time!”

Yan Hua looked at them with a serious expression. otherwise, if Imperial University is not willing to accept students from Zuo City High School in the future, don't blame me for being ruthless.

The teachers in the office nodded.

Yan Hua put his hands behind his back and left the office in a cold and angry manner. Shi qinglan naturally had no reason to stay any longer, so she followed him out.

At this moment, Guo Zixi had become the target of public criticism.

Her heart was beating nervously. Sure enough, she heard Liao Hongmei's angry scolding. Guo Zixi, you almost killed us!

"Teacher, I ..." She couldn't explain herself.

But no matter what, Guo Zixi had touched Yan Hua's bottom line, and Zuo City High School had to give him an explanation.

hurry up and delete those posts, then make. public apology to Shi qinglan and principal Yan, and ... You don't have to come to school for the next two months. You can study at home."

Liao Hongmei announced mercilessly.

Guo Zixi bit her lower lip, but she knew that no matter how she retorted, it was useless. She ran out of the office in tears.

"Being used by others without knowing it."

Shi qinglan looked at her back view as she ran out and could not help but shake her head helplessly, feeling a little regretful.

Yan Hua raised an eyebrow. you still have the cheek to say that? hurry up and come with me. What's so fun about this high school? "

"Oh, I have friends." She pouted her red lips and looked up at him. class is starting. I'll go back to class first.

Yan Hua nodded slightly and watched her disappear around the corner.

Just as he was about to leave, he Wenjie suddenly called out to him. principal Yan, I have something to tell you ...

Yan Hua's brows rose slightly, indicating for him to speak.

After a moment of silence, he Wenjie said, " since principal Yan is qinglan's teacher, you should know about her family background.

it's like this. In two days, our school will be holding the college entrance examination's oath-taking meeting and the coming of age ceremony. I'm worried that there won't be any parents to accompany her to attend.. don't know if you can help ...

Hearing this, Yan Hua couldn't help but smile helplessly.

He said unhurriedly, " teacher he, you don't have to worry about this. As long as Lan Lan is willing to invite you, there are many people in this world who are willing to be her parents.

"As for me, I'm afraid I really don't deserve it."

105 Sister Qing, you've found your biological parents?

Yan Hua turned around and left the teaching building.

He Wenjie looked at his back as he walked further and further away. He recalled his words and was still a little confused ...

If even the principal of Imperial University was not worthy of being her parent, then what kind of person was worthy of her?

"Qinglan sure has. lot of secrets ..."

He Wenjie touched his chin thoughtfully and suddenly felt that this girl was not simple.

The news that Yan Hua had personally witnessed Shi qinglan's results spread quickly in the school. Guo Zixi apologized to the two of them through the school radio, and there was no lack of rumors ...

Guo Zixi is really stupid. Really!

how dare she provoke principal Yan? she almost caused the people from Pi City High School to lose their qualification to enter Imperial University.

"She deserves to be embarrassed now."

Everyone was scolding Guo Zixi indignantly.

Everyone had already seen her post. At first, they were still cursing Shi qinglan fervently, but they did not expect her to be slapped in the face so quickly like a tornado

...

“But it’s also quite strange. Where did Guo Zixi’s photo come from?”

“He’s really shrewd to secretly take photos of others.”

ruxue, you usually hang out with Guo Zixi. Did she tell you how she got the photos? ”

Shen ruxue’s hand trembled when she heard that.

The tip of the pen drew a long black line on the paper. Her eyes flickered slightly, and a guilty look flashed in her lowered eyes.

“How would I know ...”

Shen ruxue calmed herself down. She looked up with a helpless and regretful smile. if I had known that Zixi was going to do such a thing, I would have stopped her.

The others nodded in agreement.

After all, Shen ruxue was still the goddess of most people. With her gentle and kind character, she would definitely not allow Guo Zixi to slander her classmates.

Even though she had been to the police before ...

After all, it was an accident, and she was also a victim!

“Alright, let’s not talk about this anymore.”

Shen ruxue smiled gently. this is not good for Zixi’s reputation. She must be very sad now.

“Ruxue, you’re too kind!”

“If it wasn’t for principal Yan’s magnanimity, you would have lost the qualification to apply for Imperial University!”

that’s right. Don’t speak up for her anymore ...

The classmates around her all stood up for her, but Shen ruxue’s eyes were still smiling, as pure as a lotus flower.

“Swish-”

Jiang Zhi crossed his legs and looked at Shen ruxue’s surroundings disdainfully. White Lotus, “he scoffed.

“You can even distinguish White Lotus flowers?”

LAN Chu's eyes curved into crescents as she smiled. Her Crescent-like eyes sparkled. I thought you were a straight man.

Jiang Zhi was speechless.

He gave LAN Chu a side glance and didn't bother to reply.

He shifted his gaze to Shi qinglan and immediately put his legs down. sister Qing, have you thought about who you'll invite to pretend to be your parent for tomorrow's oath-taking meeting and coming of age ceremony? "

Hearing this, Shi qinglan lazily closed her eyes.

There was a glint in her clear eyes. She raised her hand and pinched the corner of her eye. can't I not be an imposter? "

Jiang Zhi looked at her in surprise. dear ... A kiss?"

Although he subconsciously felt that Shi qinglan was joking, he had already seen so many miracles from her. Jiang Zhi was starting to believe in her without any bottom line ...

"You ..." Jiang Zhi suddenly raised his voice, but he was afraid that others would hear him. He immediately covered his mouth and asked in a low voice, "sister Qing, have you found your biological parents?"

"More or less." Shi qinglan pursed her red lips.

106 Thank you, ah-Cheng

LAN Chu also came over happily.

She blinked her almond-shaped eyes, which were full of anticipation. Xiao Qingqing, do your family treat you well? "

Shi qinglan's Red lips curved slightly, and her bright eyes were filled with a faint smile. She did not say anything, but she had already given her answer.

..

Clear water Pavilion.

Shi qingqiao had been acknowledged and would be taking part in the oath-taking session and the coming-of-age ceremony as Shi qinglan's brother.

In this regard, Bo Li Cheng's entire body was filled with resentment.

He held the girl's waist and gently placed his chin on her neck and shoulder, "Lan Lan, I want to go too ...

The thought of Shi qingxuan by her side, and the girl holding his arm as they walked down the red carpet and the adult's Gate ... There was. Desire and jealousy began to stir.

"Be good, you're not my parent."

Shi qinglan wrapped her arms around the man's neck and pecked him on the lips as compensation. you're my man.

As her voice fell, her red lips curved slightly and she threw a flirtatious look.

Her clear and charming eyes blinked, as if there was a bright light in them, instantly seducing Bo Li's soul.

"I'm your man, huh?" His voice was slightly hoarse.

She really didn't expect the girl to coax her like this, and the resentment and grievances she had just now almost disappeared in an instant.

"I ..." Shi qinglan's Red lips parted.

"Lan Lan, do you know that this is very dangerous?" Bo Yucheng immediately picked her up and placed his large palm on her waist, pinching it gently. it makes me want to ...

Shi qinglan immediately pressed her finger against his lips.

He didn't need to say it, she could already guess what the dog Man was going to say next, so the girl smiled and said, "in your dreams.

He was not going to make her cry, not in this lifetime.

Bo Yucheng's Red lips curled up slightly. He knew that she had been bullied badly over the weekend, so he could only put her back on the sofa.

"I won't go as your parent, but I have to go." He pinched the girl's nose affectionately. I don't want to be absent from any of your important ceremonies.

Shi qinglan guessed that he must have already made plans.

With the Bo Financial group's status, it was not difficult for them to attend a small ceremony at Ji City High School.

"Alright," he said. Shi qinglan's lips curved.

Bo Yicheng gently rubbed his head, and the girl's obedient appearance was exactly what he wanted.

He then picked up the two gift boxes on the coffee table and handed them to the girl. open them and take a look.

Shi qinglan looked at him in confusion and opened the gift box.

A pair of dazzling high heels was placed inside the box, and the other box contained a gorgeous and exquisite dress!

"I heard that all the girls in Zuo City High School have to wear skirts and high heels when they attend the coming of age ceremony."

Bo Yucheng put his arm around the girl's waist. Lan Lan, since Shi qingxiao wants to accompany you through the adult gate, you should at least let me ask for some benefits. Wear the dress and high heels I gave you, hmm? "

Shi qinglan's beautiful eyes were slightly dazed and she was lost in thought for a moment.

Their sizes were all tailor-made for her, and the style just happened to be what she liked. Bo Yucheng always carved what she liked in his heart, and she had never noticed this kind of kindness in her previous life ...

"Thank you, a-Cheng."

Shi qinglan suddenly threw herself into the man's arms, the side of her face pressed against his warm chest, and she felt a tingling sensation at the tip of her nose.

"Silly girl," Bo Yucheng hugged her lightly.

His thin lips curled up slightly, and he suddenly pressed her down. since you want to thank me, why don't you compensate me with something more practical? "

Shi qinglan did not expect the speed of the car to suddenly increase.

Her beautiful eyes opened slightly, and before she could react, she saw the man's handsome face getting closer and closer to her ...

107 She was indeed once miss LAN

Shi qinglan bit her lower lip lightly.

She mumbled softly, " Bo Yucheng, don't ...!

But the man trapped her in his arms.

The girl's heart was beating wildly like a deer, and two faint red flowers floated on her porcelain-like cheeks.

..

The next day, at Ning City High School.

The pledge ceremony and the coming-of-age ceremony would be held in the afternoon, but everyone was already in high spirits and had no intention of studying.

The girls were talking about the beautiful dresses they were going to wear, while the boys were talking about the girls with light makeup. Some of them even wanted to take the opportunity to confess ...

"Ruxue, your zither is so beautiful!"

Shen Ruxue took out her precious zither and wiped the dust off it. She quickly attracted the attention of many students around her.

Zuo City High School's oath-taking conference and coming of age ceremony would be held 66 days before the college entrance examination.

And the opening ceremony's performance ...

It was one of the most grand and solemn ceremonies of the year!

"Ruxue, is this the zither you're going to use for the ritual?"

Shen Ruxue smiled. Yeah, but I haven't played for a long time. I'm afraid I'll have to make a fool of myself in the afternoon.

The girls didn't laugh at her. Instead, they were envious.

It was every student's dream to have a chance to perform at such a ceremony. Shen Ruxue had undoubtedly become the center of attention, and she was surrounded by the students.

"Tsk, what's so great about being able to play the zither?"

Jiang Zhi kicked the chair unhappily. He hated it when he saw this pretentious girl trying to show off at the same time.

Shi Qinglan raised the corner of her eyes lazily and glanced at the young man with a half-smile. "Why don't you try playing?"

LAN Chu's pink lips pouted slightly.

She looked up at Jiang Zhi and said, " although I hate Shen ruxue, don't look down on people who play the zither.

guqin is super difficult, and it only has seven strings. It doesn't have a zither tune like guzheng, so it's even more difficult to play it well. Even finding a teacher is hard.

Upon hearing this, Jiang Zhi looked at the two of them with a complicated expression.

He pursed his lips and said, " I say, miss LAN, I'll believe sister Qing if she says that she knows the zither. Can you please not get involved in this? "

LAN Chu's fair and tender cheeks puffed up slightly. She was somewhat unconvinced.

She knew that Jiang Zhi was just joking when he called her. miss LAN'. However. she still clenched her fists and mumbled, " I just know ...

Moreover, she was indeed once miss LAN.

Shi qinglan's beautiful eyes narrowed slightly. She could sense that LAN Chu was a little down, but since she didn't want to talk about her own thoughts, it was inappropriate for outsiders to ask too much. So, she changed the topic.

"Didn't you say there was a question you didn't know? which one?"

Jiang Zhi immediately took out the test paper and presented it to her as if it were a treasure. He instantly fawned over her like a dog and said, " sister Xie Qing, please teach me this and this.

Shi qinglan glanced at the question lazily.

She picked up the pen with her slender fingers and started to write down the steps for Jiang Zhi on the draft paper. how about this ...

Jiang Zhi was in awe. what the f * ck!

At that moment, Shen ruxue had finished showing off her zither.

This zither was very expensive, and Shen fengzhen was only willing to buy it for Shi qinglan after she sold her tafey stone necklace.

"I really want to touch this zither ..."

Wang jiaojiao looked at her enviously. Her chubby hands were already hovering above the strings, but she was afraid that she would break them.

Shen ruxue felt a strong sense of rejection and disgust.

She hated it the most when others touched her violin. After all, she had spent a lot of money to buy such an expensive violin, and if others touched it, they could not afford to compensate her.

“Just let me touch you.” Wang jiaojiao pleaded, “ruxue, I promise I won’t damage it.

108 Then I’ll satisfy you by playing a short paragraph

Shen ruxue furrowed her brows.

Although she was extremely unwilling, Wang jiaojiao had already begged her like this. If she still refused, she would be called petty.

“Alright, then.” Shen ruxue tried to save face.

Wang jiaojiao was extremely excited. She immediately used her greasy and chubby hands to touch the strings, but she only touched them lightly.

Shen ruxue’s eyes flashed with disgust.

Wang jiaojiao was so fat that even her hands were so fat that they looked like they were dripping with oil. She really did not want her to touch her anymore.

“Alright, I should put my zither away.”

Shen ruxue’s soft lips curved up slightly. She smiled and wanted to take the zither back, but Wang jiaojiao was not satisfied yet. She scolded Shen ruxue for being stingy and returned the zither reluctantly.

The students were extremely envious when they saw Wang jiaojiao touching the violin ...

“Campus Belle Shen, let us touch it too!”

“I’ve never seen such an expensive zither! It’s so expensive just by tying a few ropes to the wood, and it’s so strange!”

However, Shen ruxue didn’t want anyone to touch her zither. Seeing that so many people wanted to touch it, she was very reluctant, so she held the zither in her arms tighter.

so petty, your heart aches so much just by touching it ... Wang jiaojiao mumbled in a low voice.

Shen ruxue looked at her with a frown.

She was extremely disgusted. At this moment, she felt that Wang jiaojiao was an ungrateful person. However, due to her elegant and gentle image, she did not dare to publicly criticize her in front of the other students.

Her classmates could naturally tell that she was unwilling, so they said, " why don't you play a song for us first? "

"That's right, campus Belle Shen! If you don't want to touch it, then forget it. After all, the zither is indeed quite expensive. Can you let us have a taste of it first?"

Shen ruxue's eyes lit up.

She felt that this was feasible. She could even enjoy the praise of her classmates before she officially performed on stage ...

"Alright," he said. Shen ruxue narrowed her eyes and smiled gently. then I'll play a short paragraph for you.

The students immediately surrounded him.

Shen ruxue put the zither on the desk, straightened her back, and raised her hand. She plucked the strings lightly with her fingertips."Zheng-

The melodious song " high mountains and flowing water " flowed out from her fingertips. Shen ruxue's fingering skills were practiced, and the melody was smooth.

Shi qinglan leaned against her seat lazily, listening to Shen ruxue's emotionless performance. She put on her headphones.

"Waa! It looks so powerful!"

campus Belle Shen is so beautiful when she plays the guqin. I'm really looking forward to what she'll look like when she goes on stage later ...

Jiang Zhi scoffed and his eyes were filled with disdain.

He turned around and looked at LAN Chu, who was behind him. don't you know about the zither? Give me an evaluation of how well you played the zither."

Anyway, it didn't seem like much to him.

LAN Chu pouted her pink lips and looked in Shi qinglan's direction. She got up and moved closer to Jiang Zhi, whispering in his ear, " look, Xiao Qingqing has put on her headphones. What do you think she can do? "

Jiang Zhi raised his eyebrows when he heard this.

However, Shen ruxue didn't think so. She had always thought that she was very good at playing the zither. Besides, no one here knew how to play the zither. No matter how well she played, people would always praise her ...

Hearing the praises, Shen ruxue's vanity was greatly satisfied, so she proudly showed off her zither skills with an extremely difficult continuous rolling finger technique.

However, just as Shen ruxue was showing off her skills, one of the strings on the zither suddenly snapped."Clang-"

A bloody gash instantly appeared on her fair fingers!

"Ah ..." Shen ruxue took a deep breath. She immediately retracted her hand and raised it to cover her wound.

109 I heard that your grandfather has a peerless zither

The strings on the zither were already extremely tight and sharp, and now that they were suddenly stretched to her hands, Shen ruxue's expression changed almost instantly.

"Heavens! How did you hurt your hand?"

"Is campus Belle Shen alright? There's going to be a Grand ritual music later, what if it delays the coming of age ceremony?"

"Even if I can still play, the zither is broken ..."

Her classmates did not expect things to turn out like this. They were all a little guilty. After all, they were the ones who incited Shen ruxue to play the zither.

Coincidentally, Xu Cheng came to the class to look for Shen ruxue.

Sensing that the atmosphere was a little off and that everyone was gathered around her seat, she walked over directly.

"What's going on?" He asked in a deep voice.

Chen ruxue immediately covered the back of her hand. She bit her lower lip and shook her head. ah Sheng, I'm fine ... I accidentally hurt my hand while playing the zither. It shouldn't be anyone else."

Shi qinglan was speechless.

She just happened to take off her headphones and heard what this White Lotus said. She forced herself not to roll her eyes.

LAN Chu pursed his lips. it's more difficult to show off your skills than your own ability, yet you still dare to play the rolling movement continuously. It'd be strange if you didn't stop playing the zither.

Xu Cheng frowned. let me see.

He grabbed Shen ruxue's wrist and saw that there was a bloody mark on her finger. When a string was broken, it would hurt a lot. In serious cases, it could even break a finger.

"I'll accompany you to the infirmary first." Xu Cheng pursed his lips.

However. Shen ruxue pulled her hand back. She bit her lip and shook her head. She looked at the zither with concern. my hand is fine. The most important thing is not to delay the Grand ceremony ...

"Sheng, I remember that your family has done some research on guqin. Is there a way to fix the strings?"

Xu Cheng looked at the zither with a broken string, feeling a little embarrassed.

"I can't help it," He said honestly.

The Xu family had indeed done some research on the zither, but that was only because his grandfather was a huge fan of the zither, but he knew nothing about it.

Shen ruxue lowered her eyes in disappointment. I'm sorry. I really didn't mean to.

She wanted to act pitiful in front of the young man to gain sympathy, but Xu Cheng just pursed his lips and said in a low voice, "it's useless to talk about this now. The most important thing is to solve the problem.

Shen ruxue bit her lip, tears welling up in her eyes.

The students looked at the broken strings and the bloodstains on Shen ruxue's hands. They couldn't help but fall into silence.

After thinking for a moment, Shen ruxue raised her eyes and looked at Xu Cheng. She gently washed her nose. ah Sheng, maybe ...

"What are your thoughts?" Xu Cheng looked at her.

Shen ruxue pursed her lips. She took a deep breath and gathered her courage. I remember that your grandfather has a famous zither in his collection ... It's called the Qing Luo guqin."

If she could get her hands on that famous zither, not only would the Grand ritual music not be affected, she might even be able to receive more praise!

That was a famous zither that everyone wanted to meet ...

Hearing this, Shi qinglan suddenly raised her eyes.

Her delicate eyes narrowed slightly, a cold light flashed in the bottom of her eyes, and even her eyebrows furrowed without a trace.

Shen ruxue tried to ask, " can you ...

"I can't," Xu Cheng refused almost without thinking.

Xu Cheng did know that his grandfather had a famous zither.

However, that Qing Yan ancient zither was very rare. It seemed that a noble had given it to his grandfather for safekeeping, and he did not even have the right to touch it ...

but ... Shen ruxue felt wronged. the strings are broken, and I can't reattach them for the time being. If you don't help me ...

Xu Cheng's brows furrowed slightly, as if he was in a difficult position.

110 Shi qinglan, I can play

The other students couldn't help but start cheering.

young master Xu, it's just a zither. Go and ask your grandfather to help the school Belle borrow it.

"That's right, a zither shouldn't be a problem, right?"

"If we really can't get a zither, what should we play if Shen ruxue can still play it even though she's injured?"

But Xu Cheng's face was still cold and he didn't let go.

He pursed his lips and said, " if it's really not possible, we can go to a nearby zither shop and rent one temporarily. My grandfather regards the qingyan guqin as his most precious treasure. Even I would definitely not be able to lend it out.

Hearing this, the students couldn't help but sigh.

Shen Ruxue felt even more aggrieved. She lowered her eyes and said, "Then I'll have to change the song at the last minute. Although it won't be as perfect as before, I should be able to play the six strings."

Her heart ached as she stroked the strings of the zither, and she was so aggrieved that she was about to cry.

Xu Cheng saw the dark red blood on her finger and held her wrist. "We'll talk about the Qin later. There's still time. Come with me to the infirmary to treat your wound."

"No... My hand is fine."

"If I go to the infirmary again, I really won't have time. I still have to think about how to change the song," Shen Ruxue said as she retracted her hand.

Although her hand did hurt, and the string whipped her joints, it was difficult to play a normal performance, but it was a rare opportunity to play a Grand ritual ...

This was an opportunity that everyone was envious of.

How could Shen Ruxue give up so easily?

"Ruxue, don't force yourself."

"If your injuries are serious, it will affect your ability to play the zither in the future. It's better for you to treat your wounds first."

Her classmates tried to stop her. Shen Ruxue's eyes drooped slightly, and she seemed to have tears in her eyes. She looked aggrieved and pitiful.

Jiang Zhi was a little annoyed and wanted to punch him. "Stop crying! Crying can solve the problem!"

Some of the students were unhappy when they heard this.

"Jiang Zhi, what do you mean by this?"

"We know that you're protecting Shi Qinglan, and that's why we can't stand Shen Ruxue. But she's sad because she's afraid that she'll hold up the ceremony. She didn't break the zither on purpose!"

"It's not a big deal to watch the fun! You only know how to make sarcastic remarks!"

'All you know is to be Shi qinglan's Lackey, you don't even have a sense of collective honor at a time like this ... Don't you love to kneel and lick her boots without a bottom line? Let her play if she has the ability!"

Jiang Zhi's rebuttal against Shen ruxue instantly made him the target of public criticism. The veins on his forehead were throbbing, and he was about to go crazy.

However, just as he was about to lose his temper, he heard a sweet voice behind him. I can play.

Shi qinglan suddenly spoke. She stood up and walked towards Shen ruxue, looking calm and composed.

All the students in the class looked at Shi qinglan in shock.

It was as if they had heard the biggest joke in the world. They looked at each other with suspicion in their eyes and suddenly fell silent ...

"Let sister Qing play then!"

Jiang Zhi smirked and said, " don't forget that our sister Qing is a student of principal Yan of Imperial University. She can even do something as crazy as getting a perfect score in all her subjects. What's the big deal about playing the zither? "

Shen ruxue's eyes flashed with panic.

She cursed at those people who were so talkative. If it weren't for them, Shi qinglan wouldn't have said that.

However, she still had a fake smile on her face.

Lan Lan, you've never learned any musical instruments since you were young, and it's very difficult to play the guqin. You don't have to force yourself ...
