Chapter 28

When Yasenia felt the hour being a little late, Yasenia separated giving her one last peck, and said with a laugh, “How about I present you to your... Fighting comrade? Hahaha. My baby is the sweetest girl! You will like her for sure!”

Andrea was a little shy because of the girl’s laughter but happy nonetheless. She answered “Sure... But are you planning on doing it with both of us?”

Yasenia shook her head and said “No, I want my first times with each of you girls to be one on one. I still haven’t done it with my baby because I wanted to see her reaction to adding more people to my harem. Although she was sad, in the end, she accepted it. I’m sorry Andrea but I want to do it with her first. ”

Andrea nodded “I am glad that you think that way, I would have also denied you if you told me. I want us to know each other a little more.”

Yasenia nodded, then asked a little doubtful, “You said that you have experience, right? Do you mind me asking why you didn’t become a couple with that person?”

Andrea said honestly “I went to a brothel, I was a little down and I wanted comfort... Well, it was a nice experience, the woman that time was very good and I was treated very gently.”

Andrea smiled a little “I don’t regret it to be honest. A shame that the girl left with someone a little later, it seems that her contract was bought by one of her customers.”

Yasenia nodded and said, “Don’t worry darling, from now on I will be your ally for anything. If you need comfort or to get something off your chest come to me.”

She used her arms to hug her and her tail to pat her head softly “I will make sure to pamper you, darling.”

Andrea really liked this feeling. ‘Someone to pamper me... Who would have thought that I will find it in this younger girl.’

While doing some casual chat they reached Yasenia’s house and entered. Angel hearing something went out to greet Yasenia, only to find a tall and tanned woman beside her. Her fit figure and the light green eyes within her chiseled face gave her an extremely heroic and beautiful disposition.

Andrea, on the other side, saw a petite woman coming to greet them, although petite she had a big bosom. Her soft and silk blonde hair with those slightly watery eyes gave her an extremely gentle disposition.

She liked her instantly. Andrea spoke with a smile and her clear and deep voice “En, like Yasenia said, a very cute girl. Nice to meet you, Angel, my name is Andrea. If you need anything just tell me and I will help if I can. ”

Angel woke up from her stupor and looked at the two tall women in front of her. She responded a little shyly “En, I hope we can take care of each other.”

Hearing the silvery voice Andrea liked her more and more. She turned towards Yasenia and said jokingly “Nice catch!”

Angel blushed and Yasenia laughed. She went forward to hug her baby and said “Don’t misunderstand it, I was the one who got caught! Who would have thought that I would have been attacked in my sleep!”

Angel was so embarrassed that she buried herself in Yasenia’s bosom and started to hit her with her little fist.

Yasenia laughed more, then she picked her up and kissed her softly once. Angel just buried her head in Yasenia’s neck and played dead. “Let’s go inside to speak. I haven’t told any of you about my other...lover”

Angel lifted her head from Yasenia’s neck and said “Finally you are going to tell me!”

Yasenia answered while carrying her, “I’m sorry baby, I wanted first to see your reaction to a woman that was not... So distant becoming my partner before telling you.”

Then Yasenia went to the living room with them put Angel onto her lap and proceeded to inform them about Tatyana. When they heard that the other person was actually their will to be mother-in-law... They were simply flabbergasted.

Yasenia also spoke about her conversation with Tatyana about the effects of her constitution and the problems it could give her. Of course, she also spoke about the solutions and benefits to her partners.

This made Angel blush and start to fidget in her lap. This however made a certain part of the body get rubbed and become excited, which resulted in Angel having a crimson face feeling that big thing poking at her little butt.

Yasenia stopped for a moment and whispered huskily “Baby, if you don’t stop moving, I will have to eat you tonight.”

Which made the little person in her lap freeze. Andrea raised an eyebrow amused at their antics. They continued to talk for a while. Seeing that it was late, Andrea stood up. Yasenia put Angel on the sofa and followed her. On the door, they hugged and kissed for some time. “I will see you tomorrow darling. Have a good rest.”

Andrea responded teasingly “En, have a good time eating her, but remember that she must go tomorrow to her lessons.”

Yasenia laughed and Andrea went towards Angel and hugged her “It was nice meeting you Angel, let’s rely on each other from now on.”

Angel responded with a soft “En” and they separated. After Andrea left, Yasenia turned and started walking towards Angel sashaying her hips and leaning a little forward showing her big cleavage and making her breasts jiggle with each step. This resulted in an extremely sensual walk that made Angel swallow.

Yasenia spoke huskily. “Angel, can you feed this starving person? This month of holding back has truly been making me go crazy.”

Then lowering herself and burying her face in Angel’s neck she said with a little whine “I can’t take it any longer.”

Angel felt something snap in her mind. She took back Yasenia’s face and dived into her plump lips.

Yasenia started to kiss Angel hungrily and picked her up carrying her towards their bedroom. *Bam!* she opened the door with a kick and then lowered Angel on the bed.

Yasenia started to lower her kisses from the chin, to the neck, to the collarbone. Angel felt a hot sensation everywhere her kisses landed and couldn't help letting out moans "Yasenia Mmm~ take off my, Ah! clothes."

Yasenia obeyed and untied Angel's nightgown. When Angel's two cherries made an appearance she lower her mouth and started sucking on one "Hyan! mmmh Yasenia! Aahn~."

Yasenia stayed there for a while, with Angel pushing her face deeper on her breast. Yasenia started alternating while she used her tail to caress Angel's face gently and her hands to play with the free breast. Seeing the tail tip in front of her, Angel smelled something sweet from the tip, and with the pleasure waves assaulting her brain, she opened her mouth licking it a little "Ahn~"

Hearing that moan from Yasenia almost made Angel go limp. Angel wanted to hear more, so she freed one hand from Yasenias head and opened her little mouth. she guided the tail tip in front of her mouth and started licking it like a cat.

Yasenia looked at that cute action from below and guided her while starting her downwards path again. "Baby put the tip in your mouth. Guuh~ Yes, like that, now start moving it in and out mmmh like that, you are doing good baby."

Angel felt good being praised and starting to put more effort. Yasenia reached her final destination and lowered Angel's garments while getting a tail job that was getting better by the second.

Her beautiful privates revealed, she had very soft and light blonde hair above her flower, and her lower lips were a little plump. She started opening the entrance with her tongue. Angel felt a slimy feeling in her privates and then a pleasure wave flooded her body making her hips jump.

Yasenia started pleasuring her flower, she penetrated her with her long tongue, reaching the hymen. However, she didn't break it, she was preparing her for later. She continued and felt contractions of her entrance, then she took her tail from her mouth and licked the clitoris lightly. Angel squirted and her waist arched with her eyes rolling back in pleasure "AHHHH!!!" Yasenia never separated her mouth extending the orgasm.

When Angel came back, she started panting "That... was... intense! I never... felt like that..."

Yasenia went up and kissed Angel lightly then she said "Baby, we are going to begin, if you can't continue anymore, tell me and we will stop. I don't want to hurt you in our first time"

Angel nodded and kissed Yasenia then she said shyly "Be gentle please, y-you are a little big."

Yasenia took off her robes and smiled full of tenderness and said "Of course baby, leave it to me. You just have to relax and feel good."

She put Angel on her back and positioned herself, she used their height difference to bury her little head in her breast and used her soft and smooth tail to caress her back.

Angel just felt herself sinking in a world of softness. Then she felt something big entering her a little, it felt a little painful and strange, but not too bad. She felt it advance and reach something inside her.

Knowing that it was her sign of purity, Angel hugged Yasenia harder and buried her face deeper in her breast inhaling deeply her sweet floral scent.

Yasenia started rotating her dual cultivation technique and pushed, breaking the hymen, she felt Angel grunt a little so she stopped and continued caressing her back. "Baby, tell me when you want me to continue"

After waiting for a little she felt Angel nodding between her breast. Yasenia continued to push and finally reached the end. Angel felt an electric current zap her brain when Yasenia reached the end "Hyan!" Yasenia stopped again letting Angel get used to having her length inside.

When she felt Angel nod again she chuckled "Baby, I will start. Inhale my scent, it will not only help with your pain, but it will also make you feel more pleasure."

Angel started to take deep breaths and she became intoxicated with her fragrance, her nerves relaxed and she just relished in the softness and scent around her. Yasenia then pulled back until only the tip was inside, and then pushed her waist. She started doing these long and slow motions bringing Angel high up the sky little by little.

Angel felt the hot and hard rod inside her going in and out slowly making her feel comfortable and a gentle pleasure building up "Ah! Ahhn! Mmh! Yasenia! Hyan! Mmmm Yasenia~ Yasenia~ Ahn~"

The scent surrounding her and the securing arms around her made her feel as if in heaven 'Is this what normally sex feels like?'. Yasenia feeling the sweet calls from her lover couldn't help but speed up her waist.

Angel felt Yasenia speeding up and the hot pleasant currents became electric ones making her scream in pleasure "OH! Yasenia! AHHH! AHH!! S-Something big is coming!"

Without slowing down Yasenia said "Don't worry baby, Ahn~ just let that feeling invade you, relax, Mmmh~ Like you did before."

Angel continued moaning until she felt that electric current climb her spine powerfully and fireworks exploded on her head "AAHHHHHHHHH!!!"

Angel cummed hard, and Yasenia felt the contractions and because she was also near thanks to the tail-job, she continued thrusting and putting her tip against her cervix, she cummed inside.

Angel's pleasure which was starting to go down suddenly spiked even above what she felt before! "OOOOHHHHHHH!!!!!" A throaty moan exploded from her mouth after she felt that pure energy entering her uterus.

Yasenia continued to unload, thinking that it has been a while since her last orgasm. After ending her orgasm, she felt the girl between her arms spasming in pleasure.

She separated a little from Angel only to be welcomed by a completely ruined face. Her eyes rolled back and her tongue out. The pleasure tears that fell from her eyes made her penis twitch with a desire to ravage her. But she stopped that impulse.

Yasenia laid on her back and put the still trembling girl on top of her. 'Did it feel that good? I didn't do anything wrongly right?'

Yasenia closed her eyes and continued circulating her dual cultivation technique, absorbing her yin energy and making the yang energy inside Angel flow through her meridians nourishing her while caressing her with her tail.
