

Hidden Billionaire Chapter 337 - Girlfriend -

C337 Girlfriend

"You're still the same. You haven't changed at all." Liu Jia put down the flowers in her hands and pulled up her hair by her ears. "It's still the same ..."

Before she finished, she swallowed her words. Her tone was a bit arrogant, and her gaze towards Wu Tian wasn't that clean.

"You're married?" Wu Tian noticed a ring on Liu Jia's right hand.

The woman in front of him was already married. She lacked the immaturity from her school-days, and most of it was the worldly and vicissitudes of life of women.

"Yes, I'm married." Liu Jia waved towards the room after she said that, "Lu Yong, our old classmate is here."

As soon as she finished speaking, a tall and big boy walked out. This was Lu Yong. With his physical advantage, he used to bully Wu Tian in school.

He didn't expect that Liu Jia and Lu Yong had been talking for so many years, and now they were talking about marriage. This kind of relationship was quite firm.

"Wu Tian?"

Lu Yong walked out and recognized Wu Tian at a glance. He couldn't help but laugh and say, "You brat, you still look the same. You haven't changed at all. You're still poor and ..."

Liu Jia coughed dryly, interrupting Lu Yong's sentence.

"Jiajia, what I said was the truth. This brat is still as poor as before." Lu Yong didn't care that much and started to mock him loudly.

After he finished taunting her, he could not help but tease her, "Jiajia, this silly kid. In the past, he actually wanted to chase after you at school. He really is a toad that wants to eat swan meat."

"Can you talk less?" Liu Jia rolled her eyes at Lu Yong, wishing that he wouldn't mention the past.

Previously, when she was pursued by Wu Tian in school, it wasn't a glorious matter for her. Instead, it made her feel especially ashamed.

"What I said was the truth." Lu Yong didn't care that much and continued to beat Wu Tian up, "I don't know where he got his courage from, he actually dared to court you, hahaha ..."

After saying this, he couldn't help but laugh loudly.

With this smile, the atmosphere turned even more awkward.

Wu Tian's expression was calm, he didn't take the mockery to heart at all.

When you're in a really high place, you don't take it seriously at all when faced with the ridicule of the crash-ants.

Seeing that Wu Tian was silent, Lu Yong became even more arrogant and continued to mock him: "Wu Tian, I just want to know, what qualifications do you have to pursue Jiajia?"

"That's all in the past." Wu Tian smiled lightly. His tone was so calm that it didn't have any ripples.

"Alright, let's talk about now. I'm already married to Jiajia now." Lu Yong put his arm around Liu Jia's slender waist, and pestered her in front of Wu Tian. He couldn't help but ask, "What about you, are you married?"

"Nope."

"I knew that you weren't married. I'm afraid no woman would fall for a poor loser like you!" After saying this, Lu Yong spat on the ground.

Wu Tian had a smile on his face the entire time.

Shen Xue, who was behind him, couldn't stand seeing someone humiliating Wu Tian like that.

"Me!" Shen Xue took a step forward and wrapped her arms around Wu Tian's arm, "I forgot to tell you guys, my name is Shen Xue, I'm Wu Tian's girlfriend."

At this moment, she had to stand up for Wu Tian's dignity and face.

"You?"

Only then did Lu Yong notice the girls standing behind him. They were beautiful, charming and generous, with fair skin and beautiful looks. They were simply the best among the goddesses.

Without a doubt, the girl in front of him was even prettier than his wife, Liu Jia. Her skin was as white as jade, and she walked a few streets away from Liu Jia.

He never expected that such a beautiful girl would be Wu Tian's girlfriend.

What kind of dog shit luck did this brat have? How did he manage to get such a beautiful girlfriend?

Lu Yong was slightly surprised, but he quickly reacted and exposed Wu Tian: "Wu Tian, this girl was rented by you, right? You intentionally hired this girl to act and then came here to act pretentiously."

"Of course not." Shen Xue immediately retorted, "I'm Wu Tian's girlfriend. We've been dating for a few months and we're living together now."

"How do you prove your relationship?" Lu Yong didn't believe that such a beautiful girl would fall for Wu Tian.

Even Liu Jia doubted it, and she did not believe in their relationship.

"Then ..."

Shen Xue gritted her teeth and moved her head closer to Wu Tian with the tip of her foot. Then, she kissed Wu Tian with her mouth close to his.

At the moment, she had no other choice but to prove her relationship with Wu Tian.

Originally, she just wanted to kiss him, but she didn't expect that she would be tightly entangled by Wu Tian the moment her mouth moved towards him.

Shen Xue screamed as her face turned red and hot. Her heart was beating like a mad bull.

She tried to pull away, but his mouth was too strong, and no matter how hard she tried, she couldn't break free.

Very soon, she became entranced and confused by that wicked mouth of hers. She didn't expect that her first kiss would disappear just like that.

Giving her first kiss to Wu Tian, she didn't feel disappointed at all. On the contrary, there was a trace of sweetness in her heart, but more of it was bashful.

Lu Yong was dumbfounded by the scene in front of him.

He didn't expect Wu Tian to kiss the pretty girl just like that. It was like a fresh flower stuck in cow dung.

When he saw such a beautiful girl being abused by Wu Tian, he felt like a cat was scratching itself in his heart.

Shen Xue and Wu Tian kissed for a long time before separating.

Honestly speaking, this was Wu Tian's first time kissing a girl, so he felt his head become heavy and his mind become cloudy.

After kissing her, Shen Xue wiped off the saliva at the corner of her mouth and said with a blush, "Now you can prove that I'm Wu Tian's girlfriend, right?"

"You all ..." Lu Yong was instantly speechless.

Seeing Wu Tian have such a beautiful girlfriend, he felt extremely unhappy and really wanted to snatch the girl over to vent his anger.

After all, this girl was simply too beautiful. Her big eyes were watery and her skin was as white as snow. Just looking at her would be enough to move anyone's heart.

The girl in front of him was a hundred times stronger than her wife, Liu Jia.

What kind of luck did Wu Tian have to be able to fool such a perfect girl?

"We're not here to show off our love for each other. I'm here to buy flowers." Wu Tian smiled lightly, picked up a bunch of roses and asked: "How much does it cost?"

"Twenty dollars." Liu Jia gave such an answer.

Seeing Wu Tian dating such a beautiful girl, she also felt mixed emotions in her heart. It wasn't that she was jealous, it was just that she felt uncomfortable in her heart.

"Here." Wu Tian took out 20 yuan from his pocket and handed it over.

Liu Jia looked at the wrinkled twenty yuan bill and smiled. "I don't think it will be easy for you. I won't take the money. I'll treat it as treating you as a meal."

When she said this, her voice was obviously filled with sympathy and pity, almost like a beggar's.

"Thank you for your kind intentions. You should take the money!" Wu Tian didn't accept this charity. He put 20 yuan on the counter, then raised the rose and walked in front of Shen Xue, "Xue, this is for you."

"Thank you!" Shen Xue's hands were trembling as she received the rose. At this moment, she really felt like she was in love.

Today was an extraordinary day for her. She had offered her first kiss and received a rose from Wu Tian.

It was as if she had an illusion that she was really Wu Tian's girlfriend.

Hidden Billionaire Chapter 338 - The Boss of Wan Street

-

C338 The Boss of Wan Street

"How shabby." Seeing Wu Tian find such a beautiful girlfriend, Lu Yong's heart was extremely unbalanced.

He didn't understand. How could a poor loser like Wu Tian find such an outstanding girl to be his girlfriend?

The more he thought about it, the more unwilling he became, so he just taunted, "Wu Tian, with your conditions, can you afford to have a girlfriend?"

"Whether I can raise her or not is my problem, so you don't have to worry about it." Wu Tian retorted.

"I don't know what method you used to trick that girl into getting it either. But someone as poor as you, I guess she won't be with you for long. She will leave you in a few days. " Lu Yong's tone was slightly sour, he clearly couldn't eat grapes and called them sour.

"Don't worry, Xue isn't a materialistic woman."

"There is no woman who doesn't care about material things ..."

Before Lu Yong could finish his sentence, he was hit hard by Liu Jia. "Lu Yong, please make it clear. Who values material objects?"

"I was wrong. Other than Jiajia, everyone here is a materialist." Lu Yong had a strong desire to live so he quickly changed his words out of fright.

"Be more careful when you speak." Liu Jia rolled her eyes at Lu Yong and quickly changed the topic to Wu Tian, "How have you been recently?"

"Do you still need to ask? He looks really shabby. He definitely can't even afford to eat." Before Wu Tian could reply, Lu Yong blurted out, "Look at him. He's wearing a cheap suit and these shoes. They've already washed away the color, but he's still wearing them. I think he's about to become a beggar."

"Indeed, it is rather pitiful." Liu Jia glanced at Wu Tian's clothes with disdain.

She clearly disliked Wu Tian in her heart, but she deliberately concealed it and did not reveal all of her disgust and contempt.

"It's really embarrassing for you to be muddling along like this." Lu Yong disdainfully said, and said: "Wu Tian, look at me again, I opened a hotel on People's Road, and recently bought this shop in Wan Street. Look at my shop, is it big?"

"About two hundred square meters." Wu Tian looked around the shop and said in a cold tone.

"Do you know how much this store costs?"

"Over three million."

"Kid, you know what's good for you." Lu Yong shook his sleeves and proudly showed off: "My shop is worth 3.5 million, plus the decorations and the goods in the shop, the total value is over 4 million."

"This shop is not bad, you have good eyes." Wu Tian nodded in approval. This set of shops was considered the best location in this pedestrian area.

"Of course." Lu Yong raised his head even more proudly and didn't forget to hit himself on the head, "I'm afraid you won't be able to afford such an expensive shop in your lifetime, right?"

"That may not be so."

"Oh? Listening to your tone, you're still not convinced, right?" Let me ask you, can you afford it now? Is there that much money? " Lu Yong asked in an aggressive manner.

Wu Tian smiled without saying a word.

On the other hand, Shen Xue couldn't help but blurt out, "To tell you the truth, don't even mention your store, the entire pedestrian street belongs to Wu Tian."

"You really can brag, and you even made it so that the entire Walking Street, why didn't you just say that the entire Wan Street belongs to Wu Tian?" Lu Yong coldly disdained.

As far as he was concerned, Shen Xue was just spouting nonsense. She wanted to give Wu Tian some face by giving him such an answer.

But how could this sort of nonsense fool him? This pedestrian street was not something an ordinary person could afford to buy. Even a big boss didn't have the ability to do so, let alone Wu Tian, who was dressed in shabby clothes like a pauper.

"You're right, not just this street, the entire Wan Street belongs to Wu Tian." Shen Xue replied in a serious tone.

"Hahaha ..."

After hearing this, Lu Yong couldn't help but laugh out loud as if he had heard a great joke.

After laughing for a long time, Lu Yong said mockingly, "You two worked together to come up with such a lie. It's really surprising."

"I'm not lying, Wan Street is really Wu Tian's." Shen Xue retorted loudly.

However, no matter how she explained, Lu Yong didn't believe her and just treated it as a joke.

Even Liu Jia wouldn't believe it, much less Lu Yong.

No one would believe that a poor loser like Wu Tian, who didn't even have enough living expenses in school, became a big boss in just a few years.

Putting everything else aside, just Wu Tian's clothes alone showed that this brat was no different from before. He had a poverty-stricken aura all over him.

At that moment, Jiang Wan walked over with a group of men and women.

Ever since he had taken charge of the Wan Street project, he had become more and more imposing, and even looked like a big boss.

"Director Jiang, you're here." Lu Yong recognized Jiang Wan at a glance and quickly walked up with a smile to fawn on him.

Jiang Wan was the owner of Wan Street development, so everyone on the street knew him.

Lu Yong had met Jiang Wan a few times before in the shop, so they were pretty familiar with each other now.

Not to mention Lu Yong, even Liu Jia couldn't help but curry up to him, "Director Jiang, you're such a rare guest. Quick, please take a seat inside. I'll make you some tea."

The couple knew that Jiang Wan was the boss of Wan Street, and the only way he could establish a foothold in Wan Street and obtain all sorts of resources was to curry favor with this boss.

"I'm not looking for you." Jiang Wan did not give any face to Liu Jia and Lu Yong's flattery.

"Then why is Director Jiang here?" Liu Jia's face turned pale, but she still maintained her polite demeanor.

Even if they couldn't reach Boss Jiang, they couldn't afford to offend this boss. Otherwise, it would be difficult for them to live here in the future.

"I have business with my boss." When he answered, Jiang Wan had already brought his men into the florist shop.

"Your boss?" Lu Yong and Liu Jia's brows tightened and asked at the same time, "Who's your boss?"

"This is my boss." Jiang Wan walked over, pointed at Wu Tian and introduced them.

"Wu Tian?"

Liu Jia and Lu Yong exclaimed at the same time when they heard this. Their mouths were wide open in disbelief.

"That's right, Wu Tian is my boss." Jiang Wan pointed at Wu Tian, and introduced him seriously: "He is the biggest investor behind Wan Street."

"Oh my god!"

Lu Yong's head buzzed as if he was struck by lightning.

This news was too shocking to him, even more surprising than meeting an alien.

Never in his wildest dreams would he imagine that Wu Tian was actually the big boss of Wan Street, the investor of the entire business street.

In his impression, Wu Tian had always been the poorest student in the class. He even had to economize on living expenses.

It had only been a few years since they last met, yet he suddenly became the business street owner.

This sort of change was simply earth-shattering and completely reborn. It was truly unimaginable.

To think that he humiliated and ridiculed Wu Tian as a pauper. He even used the shop in his hands to be cocky in front of Wu Tian.

What he didn't know was that the entire business street belonged to Wu Tian. He instantly felt like his face was slapped.

He had thought that he was very powerful, but he discovered that Wu Tian was hundreds of times stronger than him.

In Wu Tian's eyes, he was just a clown.

Hidden Billionaire Chapter 339 - Successful Drainage -

C339 Successful Drainage

Liu Jia, who was standing to the side, was also flabbergasted. She gaped for a long time, unable to close her mouth.

She also didn't expect that this poor boy in front of her would do the same. With a shake of his body, he had become the big boss of a commercial street.

Heavens, he actually sat on the entire business street. How much was he worth? That kind of power was simply unimaginable.

Previously, she had never put Wu Tian in her eyes, and even looked down on this guy. When they met again, she found that she was unable to catch up to him.

Wu Tian ignored Liu Jia and Lu Yong, who were still in shock, and asked Jiang Wan, "Jiang Wan, is there anything you need me for?"

"I just finished with the matters at Food Festival. Someone said you were here, so I came to find you." Jiang Wan explained.

"Food Festival, how are things over there?"

"Very popular. It's totally unexpected." After Liu Tie answered, he couldn't help but give Wu Tian a big thumbs up, "Boss Wu, you're too smart. To be able to think of Food Festival at the last moment and cause such a commotion, I'm really impressed."

"It's all because of Xue." Wu Tian pushed all the credit to Shen Xue.

Wu Tian and Lili were both surprised by the unexpected popularity of the food store. This was something they hadn't expected.

"Chef Shen, you're really amazing. I really admire you for perfectly handling Food Festival." Jiang Wan couldn't help but praise Shen Xue.

"Nope." Shen Xue smiled humbly, and replied, "It was you who nurtured a group of high-quality merchants. I should thank you for the success of your Food Festival."

"No, I should be the one thanking you." Jiang Wan said with a sincere face: "You are the one who used Food Festival to help attract customers to our commercial street ..."

"Alright."

Seeing the two of them talking endlessly, Wu Tian immediately interrupted them: "Now is not the time to discuss about merits, I still need your help to the best of my ability. After the Food Festival and live broadcast ceremony is over, I will discuss the rewards."

"Yes, yes, yes." Jiang Wan nodded again and again.

"This is a critical moment, we can't let our guard down." Wu Tian instructed the two of them as if he was a general commanding a large army: "Xue, I'll leave Food Festival with you. You must take control of the situation and maintain order. You must not cause any chaos."

"Alright, I'll go right away." Shen Xue responded and happily walked towards the food street with the bouquet of roses in her hand.

"Wan."

Wu Tian looked at Jiang Wan again and instructed, "There aren't enough people on the live broadcast side of the ceremony. Go help Sunn Sheng build the stage."

"Alright, let me handle this matter." Sunn Sheng answered and then led his men towards Wan Zheng-street.

Liu Jia stared at Wu Tian without blinking. For a moment, she was dumbfounded and her eyes were filled with infatuation.

In her eyes, Wu Tian was like a high and mighty general commanding thousands of troops to prepare for war.

He was handsome, domineering, and full of charisma.

Was this still the poor loser from before? How could he suddenly be reborn and become so handsome?

Was this still the tramp who had once pursued her?

How could the man she had looked down upon or even looked down upon become so outstanding all of a sudden? How could he be so charming?

She never dreamt that Wu Tian would become so rich and domineering all of a sudden.

At this moment, looking at this man, she couldn't help but feel elated. She had the faint feeling of a young girl being in love.

She was deeply attracted by Wu Tian now anyways, and she couldn't bear to leave for even a moment.

Wu Tian didn't notice Liu Jia's infatuated gaze. After arranging Shen Xue and Jiang Wan, he walked out of the North Korean flower shop.

When he passed by Lu Yong, Lu Yong suddenly woke up from his daze and grabbed onto Wu Tian's arm, "Tian, I really didn't expect you to be Wan Street's big boss."

At this moment, there was no trace of contempt or disdain in his eyes. His tone instantly became humble and respectful.

If I knew Wu Tian would be so promising. He would definitely try to curry favor with him, so why would he speak such humiliating words?

"I also bought this place by mistake and invested in the development of this commercial street." Wu Tian said casually.

"Tian, why did you suddenly have so much money?"

"This is a long story." Wu Tian avoided it with a single sentence.

There were some things that he didn't need to explain to Lu Yong, nor did he need to waste his saliva.

"No matter what, I admire you from the bottom of my heart. Now that you're the best student in my class, if I have to tell you, I still have a classmate who managed to set up a business street. I have a lot of face, right? Hahaha ..."

"Don't say that. There are a lot more amazing classmates than me."

"Anyway, in my heart, you're the best." Lu Yong then suggested, "Tian, I will be the host. How about we go out and drink?"

"Sorry, I don't have time." Wu Tian refused decisively.

Don't mention that he doesn't have time right now, even if he did, he wouldn't want to go out to eat and drink with someone like Lu Yong.

"Since we're classmates, you should give us some face." Lu Yong changed his attitude from before, and said in a pleading tone, "I was in the wrong before, I've offended you a lot. I hope you don't mind my mistakes, don't lower yourself to the same level as me."

"After all, we are classmates. I don't want to fuss about what happened before." Wu Tian waved his hand magnanimously.

"Then you agreed to go out to eat?"

"There's going to be a live broadcast ceremony today. We'll talk about it another day."

"Live broadcast ceremony?" Liu Jia, who was at the side, couldn't help but blurt out, "Tian, you're the one who hosted the live broadcast ceremony?"

Unknowingly, she even changed her way of addressing Wu Tian.

"Right." Wu Tian nodded, and expressionlessly explained: "This year's live broadcast grand ceremony is hosted by our Seafood TV."

"You're the owner of Seafood TV?"

"Right."

"Oh my god!" Liu Jia couldn't help but exclaim, her eyes filled with surprise and surprise.

Who would have thought that Wu Tian was not only the boss of Wan Street Business Street, but also the boss of Seafood TV.

She had heard of the Seafood TV before, as they had become extremely popular recently. It even signed a contract with pop star Huang Lan.

This was her idol. She never expected to be signed by Wu Tian's company. It was truly surprising.

"Is there anything else? If there is nothing else, I will be leaving first." Wu Tian smiled lightly, turned around and prepared to leave.

"Wait!"

Liu Jia quickly walked in front of Wu Tian and embarrassedly bit her lips, "I have something to say to you."

"If you have anything to say, say it." If it wasn't for the fact that they were classmates, Wu Tian wouldn't even be bothered to talk nonsense with the couple.

"That ..."

Liu Jia turned around and looked at Lu Yong. She leaned her head close to Wu Tian's ear and whispered, "When I was in high school, did you really like me?"

"Why did you suddenly ask that?" Wu Tian frowned and couldn't help but be curious.

"Answer me first."

"I ..." Wu Tian thought for a while, but eventually didn't give an answer, "That's not important. What happened in the past is already in the past."

"Alright!"

Liu Jia bit her lips and asked again, "If I wasn't married now, would you still like me?"

Hidden Billionaire Chapter 340 - Nonclimbable -

C340 Nonclimbable

"Nope." Wu Tian directly gave a two word answer.

"Why?"

"Because you are not worthy." Having said so, Wu Tian turned around and quickly left, leaving behind a hint of a free and easy back.

Now, there were many beauties around him. They were all of the highest quality and had a better choice. Why did they choose the lower quality?

"Hey ..."

Liu Jia opened her mouth, wanting to keep Wu Tian, but she swallowed her words back.

At this moment, she was incredibly disappointed and regretful. She loved to ignore this boy when he was chasing after her.

Now that he looked back, he realized that this man was already far above him. She simply couldn't reach it.

"Does it look good?" Just as she was secretly staring at Wu Tian's back, Lu Yong asked in a sour tone.

Seeing his woman so infatuated with Wu Tian, a fire burned in his heart.

"I didn't expect Wu Tian to become so powerful. It can be said that he has been reborn." Liu Jia sighed inwardly as she retracted her gaze.

"Did you regret rejecting Wu Tian's pursuit before?" Lu Yong asked sourly.

"I ..." Liu Jia gritted her teeth, unable to utter a single word for a long time.

Seeing the man who had chased him before suddenly become so perfect and outstanding, it would be self-deceptive to say that he didn't regret it.

Wu Tian had indeed changed. He was better than Lu Yong in every aspect and had become her favorite type.

"I know you are regretting it. Regret is useless. With Wu Tian's current status, he would never like a married young woman like you. Accept your fate." Lu Yong splashed a bucket of cold water mercilessly.

"I didn't expect you to say something like that." Liu Jia pushed Lu Yong away impatiently and said coldly, "Compared to Wu Tian, you are really far behind."

She turned and walked back to the room.

Lu Yong threw the flower pot on the ground angrily and yelled, "Bitch! You are such a bitch!"

Just as he finished cursing at the cheap woman, the sound of a flower pot falling to pieces came from within the room.

The two of them had a good relationship at first, but because of Wu Tian's appearance, their relationship had broken down and they started fighting in the flower shop.

Wu Tian was completely unaware of the conflict between the husband and wife. At this moment, he was still immersed in the joy of Food Festival.

He was elated to see the streets bustling with people. He didn't expect so many people to be attracted to the newly opened streets.

All the tourists were at the food street. They were enjoying the food to their heart's content. They were all chatting and laughing as they nodded and praised the food in front of them.

At 6 PM in the evening, the food street traffic reached a climax.

Everyone was stuck in the food street, creating an atmosphere of fighting for food that made the food street look chaotic.

In a moment of desperation, Wu Tian called Sunn Xiaohao to call some of the security guards at the Wanhao Hotel to maintain order.

He was worried that the security guards might not be able to handle it, so he called Su Ruyun and had her find a few policemen to help.

Originally, this bitch didn't want to agree, but in the end, Wu Tian gave a call to the police chief of the East City Police Station. Under Superintendent Liang's pressure, Su Ruyun could only obediently bring the police here to maintain order.

Under the cooperation of the security guards and police, the food street's order gradually returned to a steady state. Everything was functioning normally.

He couldn't help but admire the beauty Su's iron wrist. With her overseeing the food street, the street was soon back to normal.

With less than 20 minutes left before the live broadcast ceremony, Wu Tian walked up to Shen Xue and asked, "Xue, the live broadcast ceremony is about to begin. Do you want to come with me?"

"I'm not going. I'm helping out at Food Street." Seeing that the tourists were busy, Shen Xue was extremely busy.

"Then I'll go over." Wu Tian didn't try to force the issue. He turned around and walked towards Wan Zheng Street, which was not far away.

After walking not too far, he heard Shen Xue yell, "Hey, wait for me ..."

Turning his head around, he saw the girl sprinting towards him. Her figure was vigorous and domineering, like a beautiful melody.

"Xue, what's the matter?" Wu Tian admired her domineering body for a while until the girl came closer. Then, he quickly shifted his gaze away.

"I'll accompany you to the live broadcast ceremony." Shen Xue was so tired that her face turned red. She pressed her hand to her chest and panted heavily.

"Didn't you just say that you wouldn't go?"

"I want to go now."

"Alright, let's go." Wu Tian didn't care. It didn't matter to him whether the girl went or not.

He brought Xue to Wan Zheng Street and saw that the venue had already set up a temporary stage. The stage area was not small and there was a huge sign hanging in the middle. It said "Third Live Entertainment Ceremony".

Below the stage, there were dozens of tables and chairs for the executives participating in the live broadcast company to sit on.

This live broadcast grand ceremony was hosted by Seafood TV, and the participants of tonight's grand ceremony consisted of over a dozen Luzhou broadcasting companies.

Three host s were chosen to perform on each broadcast platform. Finally, the third party judges would respectively rate the host. The company with the highest score would become the King of Ceremony.

In the past, a small platform like Seafood TV had no right to compete with other direct broadcast companies.

However, since Elder Sister Lan had taken up her post, the flow of her Seafood TV and her popularity had greatly increased. It now has the power to confront a first-line platform in its home country.

Tonight's live broadcast was extremely important to Seafood TV, so if they could win the title of the King, then the company would become one of the top platforms.

Thus, tonight was the best proof against Seafood TV, and could also be considered as the end of business battle with so much effort.

Wu Tian scanned the scene. He walked over to Sunn Sheng and asked, "How are the preparations going?"

"Everything is ready." Sunn Sheng nodded with a look of confidence.

"Is Elder Sister Lan here?"

"Rest in the back."

"That's good."

"Boss Wu, Miss Shen, please take a seat first. I will do the final preparations. There are less than 20 minutes before the live broadcast ceremony begins."

"Alright, please don't cause any trouble." Wu Tian instructed before pulling Shen Xue to a seat in the middle area.

Shen Xue retracted her hand and muttered, a little embarrassed, "Do you still remember that time at the flower shop?"

"Of course I do." When Wu Tian mentioned the fresh flower shop, he remembered that fragrant kiss and couldn't help but tease, "I didn't expect you to kiss me so actively."

"Who took the initiative?" Shen Xue waved her fist and punched Wu Tian in the chest. Her face instantly turned red with embarrassment.

The thought of that kiss made her blush and her heart beat faster.

That was the first time she had kissed a boy. At that time, she felt as if the sky was spinning and the earth was spinning. It was as if she was floating in the clouds.

"Xue, it was you who forcefully kissed me back then. You stole my first kiss, so tell me, how are you going to compensate me?"

"What? You want me to compensate you?" Shen Xue gritted her teeth in anger. This scoundrel had taken advantage of her and was still shameless enough to demand compensation.

Isn't his face too thick?

"You stole my first kiss, or you'll give me another?" After Wu Tian said this, he shamelessly stuck his head over.

Shen Xue exclaimed in shock as she hurriedly covered her mouth with her hands.
