C541 Vip Gold Card

Seeing Gu Xiaoman pull her skirt up and down, Wu Tian couldn't help but burst out laughing.

This should be Gu Xiaoman's first time wearing such a dress. Her actions were simply too hilarious.

"What are you laughing at?" Being mocked by Proprieter Wu, Gu Xiaoman felt a little awkward and asked in a serious tone.

"Xiaoman, you have to be generous when wearing this kind of dress. Don't pull the skirt up and down, the more you're afraid, the easier it will be for you to expose your body." Wu Tian reminded her with a smile.

Hearing this, Gu Xiaoman was a little angry. She was taken advantage of by Wu Tian, and he even dared to make sarcastic remarks. She said, "If you don't stare at me, how can I make a fool of myself?"

"Actually, I didn't see anything at the beginning."

"Then why are you still enjoying it?"

"I'm using my imagination."

"What are you imagining?"

"I'm imagining things ..."

"Enough!" Seeing Wu Tian's mischievous smile, Gu Xiaoman suddenly understood. With a blush on her cheeks, she pleaded, "Please don't dream about my body. It's too embarrassing."

"I don't mind."

"I do." Gu Xiaoman gritted her teeth. Thinking of the boy staring at her and fantasizing about those disgusting things, she felt extremely embarrassed.

"Anyway, it's not illegal for me to daydream. I just want to see your body daydreaming. What about it?" Wu Tian seemed to like bullying Gu Xiaoman. Seeing the shy yet helpless look on the girl's face, he was in a good mood.

"You ..." Gu Xiaoman slightly turned her back on Wu Tian and pretended to be angry.

Wu Tian was only joking with this girl. Seeing that she was angry, he didn't want to continue any longer and switched to a serious tone, "Should we go eat with Chen Kun?"

The reason he asked was that he wanted to go out to dinner alone with Gu Xiaoman. If Chen Kun and Wang Xiufen were there, he wouldn't be able to eat.

"Yes!" Gu Xiaoman nodded and grinded her teeth helplessly. "If I just ran away like this, Third Aunt would lose a lot of face."

"You seem to care a lot about your third aunt's feelings."

"Yes, Third Aunt has done us a favor. I can't make her sad."

"What if she wants you to marry Chen Kun?"

Gu Xiaoman sighed. "Then I can only ..."

"Idiot." Wu Tian didn't say anything else, he just stepped on the accelerator and sped up.

He couldn't just watch Gu Xiaoman get hurt by Chen Kun, the hypocrite. He had to think of a way to save this girl.

In order to show off his wealth and strength, Chen Kun arranged this meal at the famous five-star hotel, the Central South Hotel.

The Central South Hotel was not a place where you could go to eat just because you had money. It needed to be booked half a month in advance to get a room.

And Chen Kun has the VIP card of the Central South Hotel. Not only does he not need to reserve a room, he can also enjoy the highest reception standard of the hotel.

"Why did you bring us here? We need to book this place in advance, right?" Gu Xiaoman reminded Chen Kun, in case they would encounter an awkward situation later on.

This hotel could be considered the most overbearing hotel in Luzhou. Even international superstars needed to book a reservation in advance, let alone others.

"Look at what this is?" Chen Kun took out his gold card from his pocket and waved it in front of Gu Xiaoman's eyes.

"VIP card?" Gu Xiaoman recognized the gold card at a glance and couldn't help but shout in surprise. She didn't expect Chen Kun to have a gold card from the South Central Hotel.

There were no more than thirty people in the Luzhou who possessed this kind of gold card. They were all well-known figures, and only those who possessed gold cards did not need to book them in advance.

Seeing Gu Xiaoman's surprised expression, Chen Kun couldn't help but feel proud. He put the gold card in front of Wu Tian, "Wu, you don't need to reserve anything when you come here from now on. Just state my name."

This was a blatant show of strength. After all, he had the ability to show off his strength. With this gold card that symbolized his status, he could kill countless powerful people in an instant.

Wu Tian did not know about this. Today was the first time he saw this thing, so he just casually waved his hand, "I usually don't eat here, I think it's boring here."

"I guess you don't have any money either." Chen Kun mocked Wu Tian as he walked towards the hotel with his gold card.

When those beautiful waitresses saw Chen Kun's golden card from a distance, as if they saw God, they all came over and lined up in a row. They bowed deeply to Chen Kun and the others and said, "Welcome."

Wang Xiufen had seen much of the world and had eaten at a five-star hotel before, but she had never experienced such a high standard of treatment. She felt like a queen herself, which made her so happy that she couldn't even close her mouth.

"Help us open a large, luxurious room. We have to eat here." Chen Kun raised his head as if he was the ruler of the world.

"Alright." Lobby Manager took the gold card from Chen Kun and looked at it. His expression immediately darkened, and he fiercely slapped the golden card on the bar. "It's fake."

"Fake?" Chen Kun's heart sank as he stared at the VIP card in surprise.

He spent a lot of money to buy this card from a wealthy businessman. He wanted to use this card to act cool, how could it be fake? Was he cheated by someone?

"Security, these people have come to our hotel with fake gold cards to deceive us. You can arrest them and take them to the police station." After Lobby Manager said this, a group of security guards ran over and captured Chen Kun and the others.

Many guests and waiters also surrounded them, criticizing the 'criminal gang' who used fake gold cards to cheat food and drinks, cursing non-stop.

"These people are dressed brilliantly. I didn't expect them to be swindlers."

"They don't have the money to eat, and they actually came here with a fake gold card to trick us. Truly shameless."

"They are truly blind. They actually dared to come to the Central South Hotel to lie to us. They must be tired of living."

The customers and waiters were very excited, as if they hated Chen Kun and his group to the extreme.

At this moment, Wang Xiufen was mysteriously caught by the security guards, causing her to feel terrified and uneasy. If she knew that Chen Kun was a swindler with a fake gold card, she would have never come out to eat with him even if she was beaten to death.

Now that she was treated as a swindler and humiliated and cursed at by others, Wang Xiufen's face darkened. She had never been so humiliated in her entire life before. Facing the disdainful gazes of the crowd, she wished she could find a hole to hide in.

This Chen Kun had really disappointed her. He actually brought a fake gold card here to show off. Now that they were treated as scammers, what should she do?

At this moment, Gu Xiaoman also felt embarrassed. She did not expect such a shameful thing to happen after coming out for a meal. She would be criticized as a swindler in public. How could she face others in the future?

She really hated Chen Kun in her heart. This man didn't have that kind of strength, he actually brought a fake gold card here to act cool. Not only did he make them lose face in front of everyone, they might even be brought to Police Station to receive questioning.

Hidden Billionaire Chapter 542 - Distinguished

C542 Distinguished

Facing the crowd's accusations and insults, in addition to Gu Xiaoman and Wang Xiufen's blaming gazes, Chen Kun even had the urge to die. He never thought that the gold card he bought would be a fake one, if he knew it would be fake, he would never take it out even if he was beaten to death.

He had wanted to use this golden card to show off his strength in front of the goddess, but he was fooled by this golden card. Not only did he embarrass himself in front of everyone, he even implicated the goddess.

Why was he so unlucky?

"Wait!" Wu Tian wasn't going to let Xiaoman be taken away like this. With a loud roar, he pushed the two security guards behind him away and rescued Gu Xiaoman from the other two at the same time.

"Brat, you're courting death." Lobby Manager roared, then waved his hand towards the security guards behind him and ordered, "Arrest him."

Seeing that the security guards were about to attack Wu Tian, a woman's shout came from behind, "All of you stop."

A capable career young woman walked over with her long legs, walked in front of the security guards, and slapped them hard in the face. She cursed, "Blind your dog eyes, you don't even know our main company's Tianhao Group's boss."

"Who's Big Boss?" The security guards asked with their heads lowered, trembling. They did not understand what the words meant.

Actually, no one understood what he meant. They were all looking around for the big boss.

Wang Yan walked in front of Wu Tian, pointed at him and solemnly introduced, "He is the big boss of our main company's Tianhao Group."

It turned out that this Central South Hotel was the newly opened chain hotel under Tianhao. Wang Yan had seen Boss Wu before when she went to the Tianhao Hotel for a meeting.

"What did you say?"

The security guards who just made a move on Wu Tian were so scared that their bodies trembled and they almost collapsed onto the ground.

The other waiters were also shocked, especially Lobby Manager. His entire face was pale. They never would have thought that this unassuming fool in front of them was the head of the main company.

The surrounding customers were all equally shocked, and looked at Wu Tian with that kind of exaggerated gaze. They didn't think that this young man would be so secretive, and actually be the famous big boss of the Tianhao Group.

At this moment, the most astonished person was none other than Chen Kun. He was so shocked that his eyeballs almost fell out. He was pretending to be cool at the Central South Hotel, but Wu Tian was actually the big boss of the Central South Hotel holding company.

Compared to Wu Tian, he was nothing. He was like a clown, it was so embarrassing.

Gu Xiaoman's expression was calm, but she was using that appreciative gaze to look at Wu Tian ...

"Manager Wang, I hope you can let my friend go." Wu Tian winked at Wang Yan. This was his second time seeing this woman and he had a good impression of her.

This woman's greatest advantage was not her beauty, nor her voluptuous figure, but her ability to flatter others.

"Boss Wu's orders are the imperial edict. Release him immediately." After Wang Yan said this, she deliberately twisted her butt and walked towards Wu Tian, bowing deeply. "Boss Wu is here, I welcome you."

"You're welcome." Wu Tian glanced at Wang Yan's collar, he never expected this woman's figure to be so good.

Wang Yan knew that her skin had been seen, so she didn't panic. She only covered her collar a little and continued to curry favor with Boss Wu, "Boss Wu, I will arrange the best room for you right now."

Wu Tian didn't answer, but turned his head to look at the dazed Wang Xiufen and asked with a pleading tone, "Aunt Wang, what do you mean?"

"What?" Wang Xiufen was shocked when she heard that Wu Tian was the boss of Tianhao Group. She was in disbelief, this poor brat in front of her was actually the boss of such a big company.

She had lived for more than half her life, but she had never seen such a powerful person.

At the beginning, she thought that Wu Tian was a poor kid who was full of mockery and despise. Now, hearing that this brat was a big shot, she found it hard to accept.

Only when Wu Tian spoke to her did she wake up from her daze. She stared at Wu Tian with that kind of worshipful expression for a long time before exclaiming exaggeratedly, "Nephew, I didn't expect you to be such a big character, why didn't you tell my aunt earlier!"

After exclaiming, she walked over and held Wu Tian's arm affectionately, "I thought you were different from the others. No wonder you look so much like my Xiaoman."

Wu Tian coughed dryly. He didn't expect Wang Xiufen to be so cold to him just a moment ago. In such a short time, her attitude changed so much that she now treated him like her own son.

Gu Xiaoman, who was at the side, was also sweating profusely. She never would have thought that after her aunt found out that Wu Tian was Tianhao's boss, she would say that she was compatible with Wu Tian.

When Wang Yan heard that the middle-aged woman in front of her was Boss Wu's third aunt, she quickly went up to fawn on her. "You're Boss Wu's third aunt? Nice to meet you, I'm the manager of this hotel, Wang Yan."

"Manager Wang is so beautiful." Wang Xiufen flattered him a little.

She knew that normally, the manager of the South Central Hotel wouldn't even look at her. Right now, he must be trying to curry favor with Wu Tian by trying to curry favor with her.

Wang Xiufen proudly raised her head after being fawned on by the hotel manager. She had just lost face in an instant, and now she had more face than anyone else.

"Since it's Boss Wu's third aunt, then it's my third aunt." Wang Yan flattered her and pulled Wang Xiufen to the bar counter. She ordered the cashier, "Hurry up and get Third Aunt a VIP card."

"Alright!" Without another word, the front desk cashier hurriedly began processing the gold cards.

When Wang Xiufen heard this, she couldn't help but cry out in alarm. She had never dreamed that there would be a day when she would become a distinguished guest of the Central South Hotel.

It had to be known, this golden card couldn't even be bought with money. It signified one's strength and position, and just with this golden card in Luzhou, one would be able to blend into the upper echelons of society.

She was really unlucky today to have this special golden card. She knew that all of the glory was due to Wu Tian. At this moment, she felt extremely grateful to Wu Tian and completely treated him as her son-in-law.

Seeing the waiter respectfully handing a gold card to Wang Xiufen, the other guests were extremely envious. If only they had a nephew like Wu Tian, then they would enjoy supreme honor and respect.

After Wang Xiufen received the gold card, she waved it in front of everyone's eyes a few times. This was blatantly showing off, but as Boss Wu's "Third Aunt", she did have the ability to show off.

After showing off enough, Wang Xiufen held up her gold card and walked in front of Chen Kun while mocking, "Little brat Chen, don't use your fake gold card to swindle around in the future. I have a real card here."

Chen Kun was so embarrassed that his face turned red. He lowered his head and wished he could find a hole to hide in.

Hidden Billionaire Chapter 543 - Person Who Takes the Blame on Behalf of Another Person

C543 Person Who Takes the Blame on Behalf of Another Person

The current Wang Xiufen was extremely happy. After teaching Chen Kun a lesson, she raised her gold card and walked in front of Lobby Manager, "Just now, someone looked down on me, saying that my nephew is a liar and wants someone to hit my nephew."

The nephew she was referring to was naturally Wu Tian. She addressed Wu Tian so intimately that those who didn't know her would think she was Boss Wu's third aunt.

"I don't dare." Lobby Manager wiped away the sweat on his forehead and was so scared that his legs trembled.

How could he have known that these people had such powerful statuses? Wu Tian was actually the head of the main company. If he knew earlier, he would have treated them like a lord.

When Wang Xiufen saw the tyrannical Lobby Manager scared to death just now, she felt the anger in her heart had been released. She twisted her plump waist and walked in front of Wu Tian. "Nephew, I helped you teach those bastards a lesson. Let's see if they still dare to be arrogant in the future."

"Alright, Third Aunt, let's go eat?" After Wu Tian said this, he turned around and looked at Wang Yan, "Take us to the private room."

"Boss Wu, I'll personally bring you guys." After saying that, Wang Yan bowed and made a "please" gesture before leading the way.

She brought Wu Tian and the others to a luxurious private room. Wang Yan said a few more polite words and left.

There were four people in the large private room. The two women sat around Wu Tian, while Chen Kun sat alone on the opposite side of the table. The atmosphere was a bit weird.

"Little Liu, I could already tell that you're a big shot with hidden strength. I didn't expect that I'd guessed correctly." Wang Xiufen raised her glass and clinked it with Wu Tian's, "Thank you for giving me so much face today."

With that, she raised her head and gulped down the red wine in her cup.

To be honest, she was very grateful to Wu Tian in her heart. If it wasn't for the fact that this guy had a special identity that he hid, she would have lost a lot of face today.

Because of Wu Tian's identity, not only did it help her recover her lost face, it also caused her to be admired and respected by everyone. Her vanity was greatly satisfied.

"Third Aunt, you don't have to be so polite with me. If you need me for anything in the future, just ask." Wu Tian also raised his glass and drank the red wine.

Seeing Third Aunt so happy, Gu Xiaoman was also quite happy. She also raised her glass and took a sip as well.

Wang Xiufen poured a glass of wine for Wu Tian and then asked mysteriously, "Wu, do you like Xiaoman?"

"This ..."

"Don't be embarrassed, I already knew that." At this moment, Wang Xiufen had already forgotten about Chen Kun, so she tried her best to match up Wu Tian and her niece, "And I can tell that my Xiaoman also has feelings for you. The two of you really are a perfect couple."

Before Wu Tian could say anything, he was interrupted by Gu Xiaoman, "Aunt, who said I like Wu Tian?"

Why did Wang Xiufen like to promote other people's feelings so much? In the beginning, she had desperately tried to get her and Chen Kun together, but now she was trying to get Wu Tian and her together. If they met another rich person, she would want her to be with another rich person.

"You don't like Wu, do you like Little Chen?" Wang Xiufen raised her head and glanced at Chen Kun, who was drinking wine.

Previously, she had thought that Chen Kun was a powerful person, but after knowing that Wu Tian was the boss of Tianhao Group, her attitude towards Chen Kun changed.

Someone like Chen Kun, compared to the Tianhao Group's boss — the difference was too big. They weren't even on the same level.

After all, Chen Kun used a fake gold card. Wu Tian didn't say anything as he helped her get a real gold card. The difference was obvious.

If her niece were to marry Wu Tian in the future, she would naturally receive benefits as well.

"Of course I don't like Chen Kun." Gu Xiaoman retorted decisively. How could she like a hypocrite like Chen Kun?

"So you still like Wu."

"I ..." Gu Xiaoman had a helpless look on her face, as if in her third aunt's eyes, Wu Tian and Chen Kun were the only two men in the world.

Seeing that Gu Xiaoman was on the verge of tears, Wu Tian quickly opened his mouth, "Aunt, let's not talk about this today. Come, let me toast you."

"Wu, you're so polite!" Wang Xiufen smiled and drank her wine once again.

Chen Kun, who sat opposite them, was very embarrassed today. He had lived for most of his life and had never been as embarrassed as he was today.

Seeing Wang Xiufen, who was very close to him just a moment ago, trying her best to please Wu Tian, he was angry but could not do anything about it.

He looked at the beautiful Gu Xiaoman. Was he really going to give up such a beautiful woman and give her to Wu Tian?

No, he couldn't accept it. He had to do something.

Chen Kun didn't intend to give up on Gu Xiaoman just like that. The best way to get Gu Xiaoman was to conquer Wang Xiufen first, so he took the initiative

to walk up to her with a glass in his hand. "Aunt, let me toast you. I wish you the best in life."

"Little Chen, I drank a little too much, so I won't drink with you." Wang Xiufen replied coldly, but then she raised the cup in front of Wu Tian, "Wu, let's have another drink."

Seeing Wang Xiufen's attitude, Chen Kun was so angry that he was about to go crazy. He raised his glass to Gu Xiaoman and said with a smile, "Sofia, let's toast."

"I have to go to school soon, so I can't drink anymore." Gu Xiaoman refused, but in a more tactful tone.

Chen Kun smiled bitterly. He raised his glass and finished the wine in one gulp. Perhaps he drank it too quickly because it made him cough. His image as a gentleman was instantly ruined.

After they finished their meal, Chen Kun seized the last chance to show off and said to Wang Yan, who walked in with the bill in her arms, "I'll pay!"

He was very embarrassed today. He must seize this opportunity to regain some face for himself, and also to please Gu Xiaoman and Wang Xiufen.

"This ..." Wang Yan did not expect Chen Kun to be so persistent and was troubled for a moment.

"Manager Wang, since Brother Chen insisted on paying, just let him pay." Wu Tian originally wanted Chen Kun to pay, so he spoke up.

"Yes sir!" Wang Yan nodded slightly and passed the bill to Chen Kun.

Chen Kun took the bill generously. He opened it and took a look. His face instantly lost all color and slowly became dark. In the end, his expression was actually twisted in pain.

Looking at this number on the bill, Chen Kun wanted to cry. This meal required more than 2 million. Was this an international joke?

Previously, he had only spent a few hundred thousand to eat in a hotel with over five stars overseas. So why was the bill so expensive today? Had the bill been miscalculated?

He looked at the menu again. The dishes were not expensive, and the 20 dishes added together were only worth around 80,000 yuan. The most expensive dishes were the treasured red wine, two bottles that cost more than 800,000 yuan and two bottles that cost more than 200,000 yuan.

Chen Kun raised his head and glared at Wang Yan. He cursed in his heart: "Who told you to order such expensive red wine?"

Wang Yan seemed to be able to see the doubt in Chen Kun's eyes. She smiled and explained, "These red wine are all precious items for auction, that's why the price is so high."

Boss Wu is the boss of the main company, so naturally, he can't be negligent when he comes here to spend money. Thus, I didn't ask for Wu Tian's opinion and instead ordered the most expensive red wine in the hotel.

Seeing Chen Kun's embarrassed expression, Wu Tian seemed to understand what was going on. He tried asking: "Brother Chen, you don't have the money to pay for the bill?"

Hidden Billionaire Chapter 544 - They Drive away the Flies

C544 They Drive away the Flies

"Of course I have money." Chen Kun gritted his teeth and replied. However, he quickly added helplessly, "I just didn't bring that much cash."

2 million wasn't difficult for him, it was just 2 million for a meal. This made him feel a little pained. F * ck, 2 million, how many women could he use this money to play with?

"Then swiping the card is fine too." Wang Yan just so happened to add.

"I didn't bring my card." Chen Kun gritted his teeth in embarrassment. Originally, he wanted to take this opportunity to recover his face, but in the end, he was disgraced again. If he knew earlier, he wouldn't have bothered to pay the bill.

"I'm sorry, we don't have any blank notes here."

"I ..." With a bitter face, Chen Kun looked at Wu Tian with that pleading gaze. Right now, only this man could save him.

Wang Xiufen didn't expect Chen Kun to fail to pay the bill after snatching it. This made her lose face once again. She yelled angrily at Chen Kun, "What are you pretending for? You don't have money, yet you still want to pay."

Chen Kun lowered his head and did not reply, only showing a bitter expression. He had never encountered such a shameful situation, it was simply too embarrassing.

Wu Tian didn't want things to get into a deadlock. He opened his mouth and said: "Manager Wang, how much money does Chen Kun owe our hotel?"

"In reply to Boss Wu, it was two million nine hundred thousand. After the discount, it was two million eight hundred thousand."

"What?" Wang Xiufen couldn't help but exclaim in surprise. She didn't expect that she had eaten more than two million yuan just now.

Looking at the food on the table, she found it hard to believe. How could such a table of food be worth more than two million yuan?

Seeing Chen Kun's defeated look, Wu Tian secretly laughed, but his expression was very serious, "For my sake, give Brother Chen a discount and accept two million and eighty thousand from him."

"Alright, I'll listen to Boss Wu." Wang Yan nodded her head and looked at Chen Kun again, "Excuse me, are you swiping the card or in cash?"

"I... I only have 500,000 in cash, and only 500,000 in the card. " Chen Kun clenched his fist and once again looked at Wu Tian with pleading eyes.

Wang Yan also looked at Wu Tian with a pleading look, as if she was waiting for his decision.

"That's easy to deal with. Don't you have a broken car? It's just nice to give it to the hotel." Wu Tian suggested.

"I ..." Chen Kun had spent one million and six hundred thousand on that car. In order to seduce Gu Xiaoman, he had just bought it yesterday. This car is going to be canceled out today?

However, he had no choice but to agree. After all, the hotel didn't pursue the matter of the fake gold card for Wu Tian's sake. If he ate the Overlord Dinner again this time, he probably wouldn't have a good ending.

Chen Kun gave the four hundred thousand cash to Wang Yan and drew another five hundred and eighty thousand from the card. In addition to that, the BMW was worth one million, so their total amount was exactly two million and eight hundred thousand.

"I'll pay you two million and eight hundred thousand. Take care, Mr. Chen. Next time." Wang Yan said with a professional smile after receiving the money.

Chen Kun did not greet Wang Xiufen and ran out of the hotel in a sorry state. He swore that he would never come back to this crappy place to eat again.

After she saw Chen Kun off, Wang Yan turned around and smiled at Wang Xiufen. She asked Wang Xiufen in an affectionate and caring manner, "Third Aunt, did you eat well?"

"Alright, but it's a bit expensive." Wang Xiufen's heart ached when she thought about the two million yuan she had just consumed.

"Third Aunt, you are Boss Wu's aunt. From now on, you are free to come to our place for dinner." Wang Yan said with a smile. If it was within a hundred thousand yuan, then she could definitely help pay for it.

"Your daughter is so nice, I like you so much."

"Aunt, why don't I send someone to take you back?"

"Alright!" "Sofia, why don't you take Wu's car?"

"Third Aunt, you drank too much, so I'm worried. I'll go back with you." Gu Xiaoman knew that Third Aunt was trying to get her and Wu Tian together again, which made her feel very embarrassed.

"Aunt is fine. Stay with Wu. You youngsters have something to talk about." Wang Xiufen exchanged a few pleasantries with Wu Tian before she turned around and left the room.

After Third Aunt left, Gu Xiaoman got up and walked in front of Wu Tian.
"Proprietor Wu, thank you for helping me out earlier."

"It's nothing, there's no need to be polite between us." Wu Tian waved his hand and didn't care about such a small thing.

"No matter what, thank you."

"In the future, if Chen Kun dares to harass you again, tell me. I'll help you out anytime." Wu Tian was naturally willing to help this kind and cute girl.

"Alright." Gu Xiaoman pulled up her hair at the corners of her ears, revealing a delicate and reserved smile.

"Let's go, I'll send you back to school." After saying that, Wu Tian pulled Gu Xiaoman's arm and left the room.

When the two of them walked out of the Central South Hotel, they saw Chen Kun stopping a car on the road.

"Big Brother Chen, do you want me to send you off?" Wu Tian walked over with a smile and teased.

"I ..." Chen Kun gritted his teeth and swallowed the words that he wanted to say.

When he thought of losing over two million today, he felt waves of pain.

Not to mention spending so much money, in the end, he didn't even shake Gu Xiaoman's hand and even made Wu Tian a matchmaker. Just thinking about it made him angry.

"Chen Kun, I advise you to stay away from Xiaoman. If you dare to pester her again, don't blame me for being rude." Wu Tian warned her coldly, then turned around to get on the car with Gu Xiaoman.

He drove Xiaoman back to school and the two directly went to Martial Arts Club.

Ever since he had won the first prize in the tenth tournament, his Industry University Martial Arts Club had shaken the entire city, and he had risen to one of the top ten societies in Luzhou in a short period of time.

Currently, many students came everyday in admiration, wanting to become members of Industry University Martial Arts Club. Of course, there were also members of other societies who came to challenge them.

The moment the two of them walked into Martial Arts Club, they saw chaos within the club. The three members all fell to the ground, injured and screaming incessantly.

"What's going on?" Wu Tian quickly walked over and asked the surrounding members anxiously.

"Proprietor Wu, President Gu, someone came to pick a fight and beat up several of our members." Upon seeing Wu Tian and Gu Xiaoman walking over, the members of the group reported on the situation.

"Who's going to pick a fight?"

"I heard that the student of Physical Culture Institute, Qiu Tian, is the number one expert of our Luzhou, and his strength is as great as an ox."

"Where is he?"

"He's in the training room."

"Let's go. Bring me there to take a look." After Wu Tian said this, he walked into the training room first.

He only saw a tall and sturdy man violently bullying a member of the club, his methods extremely vicious.

This was the school's number one warrior, Qiu Tian. It was said that he was born with great strength and had once killed an ox with one punch.

"Stop." Seeing that this fellow called Qiu Tian was about to attack the members of his guild, Wu Tian shouted and quickly stepped forward to stop him.

Only then did Qiu Tian stop the fight. He scanned Wu Tian with his eyes and asked with a puzzled look, "Who are you, kid? Why are you here to meddle? "

"My name is Wu Tian, I'm the president of Industry University Martial Arts Club." Wu Tian clenched his fists, and his tone became much colder than before.

Hidden Billionaire Chapter 545 - False Reputation

C545 False Reputation

"So you're their president."

Qiu Tian scrutinized Wu Tian a few times, and then smiled contemptuously: "I heard that your Martial Arts Club obtained first place in the tenth tournament, in my opinion, it's nothing more than this, just undeserved reputation."

"If you are a guest at our club, I welcome you. If you are not, then please." Wu Tian extended his hand and made a "please" gesture. Then, he directly sent out the order for the guests to leave.

"Don't be in such a hurry to chase me away. I came here specifically to challenge you."

"How do you want to challenge me?"

"I want to fight you." Qiu Tian stretched his arms and legs and was ready to fight.

"Alright." Wu Tian nodded, then changed his tone: "In advance, if you guys get beaten to death, our Martial Arts Club will not compensate you for your funeral expenses and medical expenses."

"Kid, I'm afraid you don't have that ability." After saying this, Qiu Tian swung out his fist.

Wu Tian was not in a hurry to make a move. When the opponent approached, he quickly stretched out his right leg towards Qiu Tian.

After Qiu Tian tripped, his body fell heavily onto the ground, causing the crowd to laugh out loud.

After half a day of struggling, Qiu Jianhan finally got up from the ground. He glared with his ox eyes and cursed, "Brat, you dare to use underhanded methods on me."

"Blame yourself for being too stupid." After Wu Tian said this, he grinned and laughed again.

"Brat, you're courting death." Qiu Tian was thoroughly enraged. He swung his fist at Wu Tian once again, and his entire body became even more irritable than before.

When he got closer, Wu Tian once again stretched out his right leg.

It was the same as before. Qiu Tian tripped and fell down once more, and he was in a miserable state.

The members were amused once again, the whole training room broke out in laughter, and even Gu Xiaoman couldn't help but laugh to herself.

Qiu Tian struggled for a long time before finally getting up from the ground. He furiously pointed at Wu Tian's nose and said, "Bastard, you are purposely toying with me."

"Right, you look like a monkey. If I didn't tease you, who else would I tease?" Wu Tian grinned and laughed.

"Bastard, I'll kill you!" How could Qiu Tian tolerate being toyed with like this by brat? He bared his fangs and brandished his claws like a mad dog as he pounced on Wu Tian.

When the opponent approached, the smile on Wu Tian's face disappeared, and he swung his fist at him.

The punch landed directly on Qiu Tian's chest, sending him flying. He fell to the ground and cried out incessantly, unable to get up for a long time.

"Alright!"

The members all cheered in unison, proud of the president's brilliant performance.

Proprietor Wu was worthy of being called an expert. With just one move, he had subdued Qiu Tian, and protected the dignity and face of Martial Arts Club.

"What dogshit number one expert? He's nothing special." Wu Tian walked over and kicked Qiu Tian's leg. He asked with a smile, "Kid, are you convinced?"

"I ..."

At this moment, Qiu Tian no longer had the arrogance from before. He clenched his teeth and lowered his head like a defeated rooster.

Never in his wildest dreams did he imagine that the kid in front of him would be so powerful and powerful, to the point that he could defeat him in a single move.

Even if he practiced for another ten years, he probably wouldn't be this kid's match.

"Hurry up and get out of here, don't come cause trouble in the future." Wu Tian gave Qiu Tian another kick and warned him coldly.

Qiu Tian gritted his teeth. Without saying anything, he painfully crawled up from the ground and left with a face covered in dirt.

After Qiu Tian was forced to flee, the entire Martial Arts Club boiled once again. Everyone was proud of having such a powerful president.

"Proprietor Wu, it's all thanks to you." Gu Xiaoman walked over and said with a gratified smile on her face, "Our Martial Arts Club is all thanks to the good president you are."

"You're a good president too."

"I can't handle this kind of thing."

"Don't worry about it. If you meet another scoundrel like him in the future, just call me anytime." Wu Tian looked at the time, "I still have things to do, so I'll be leaving first."

"Wait."

"What else do you want?"

"I ..." Gu Xiaoman opened her mouth, but did not say what she wanted to say. In the end, she only said two words, "Thank you!"

"There's no need to be so courteous between us." Wu Tian pursed his lips and smiled, then suddenly thought of that bonus, "Also, the school has given us thirty thousand as a reward for you, for the daily maintenance of Martial Arts Club."

After saying that, he took out a bank card from his pocket and handed it over.

"I got it, thank you, Proprieter Wu." Gu Xiaoman took the bank card, her eyes filled with gratitude.

"Alright, I'm leaving. Bye bye." Wu Tian waved his hand, turned around and left Martial Arts Club.

Without wasting any time, he drove back to the Aifei Castle.

He came home rather early today and found that neither Shen Xue nor Huang Lan had returned home. They must still be busy with their work.

After Wu Tian went upstairs, he knocked on Loong Yun's room and found that the woman was in the middle of accounting.

Including Tianmu Technology, Wan Street, Odd Fish live broadcast, Seafood TV, Fragrant Honey Lake real estate, Huaxing film, Tianhao dining and other companies all accounts are managed by Loong Yun.

The monthly earnings and losses of these companies were clearly accounted for by Secretary Loong, and each item recorded in her account was detailed.

To be honest, Wu Tian was a lot more relieved to have such a professional and powerful secretary.

"Young master, I have already settled the accounts for this month." Loong Yun passed a few documents to Wu Tian.

Wu Tian stared at the document and could not help but be confused: "Has the revenue of Tianhao Restaurant increased so fast recently?"

"Our Tianhao has recently opened a few new chain of hotels, and they are all quite profitable." Loong Yun explained with an expressionless face.

"Very good." Wu Tian nodded his head in satisfaction, and said while smiling: "The increase in the Tianhao Restaurant revenue, your contribution is the greatest."

Before, he had asked Secretary Loong to organize the source restaurants, Huiyue Restaurant and Tianhao hotels, establishing the Tianhao Restaurant Limited and opening a chain of hotels at the same time.

Unexpectedly, Secretary Loong's ability to do things was very strong. In just two months, she had completed the integration of resources and opened three chain hotels. Currently, all three of them were profitable.

"This is all thanks to Young Master's wise leadership." Loong Yun modestly continued, "Currently, other than Fragrant Honey Lake, the other projects are all profitable."

"Very good." Wu Tian handed the documents over to Loong Yun, then walked into her room and sat down, "We're doing more projects now. The more we do, the more we'll do. What do you plan to do next?"

"Young master, I suggest that we establish a headquarter company, which can centralize all the projects into the headquarter, making it easier to centralize management and control. The enterprise resources under the group can be shared, and the concentrated procurement of materials can greatly save costs."

"Good idea." Wu Tian nodded in approval and instructed: "You handle this."

"Young Master, we need you to go discuss this matter with everyone."

"Alright, let's talk about this later." Wu Tian didn't continue this topic. Instead, he changed it to another one: "Also, Secretary Loong, where are those Chinese medicinal herbs that I asked you to buy for me?"

"In my room."

"Alright." Wu Tian nodded his head, took out the Blood Ganoderma Herba from his pocket and carefully handed it over, then instructed: "Boil this medicine with the other herbs."

Now that he had the Blood Ganoderma Herba, he planned to use it to cultivate his Alien Fist.
