

Hidden Billionaire Chapter 741 - Seduction

C741 Seduction

The woman knew that she was already doomed, but she still maintained a rigid face. She didn't say anything and refused to take off her mask.

Wu Tian also felt it was funny that she was so stubborn. However, he wasn't in a hurry, so he slowly started to play with her.

If a big guy came to watch him, Wu Tian wouldn't have too much to do. He would just knock him out and bring him back to interrogate him.

However, this time was truly interesting.

No matter how he looked at it, this woman was very amateur.

"Speak, who are you and why are you monitoring me? Do you think I can't do anything to you if you don't say it like this? No one will come to this place and I have the key."

Wu Tian said as he swung the key ring on his finger. Then he crossed his legs and looked at the woman in front of him with a smile.

"Despicable!" The woman could not help but curse at Wu Tian. However, she immediately fell into a deep despair towards the situation here.

When she came out, she didn't tell her family where she was going. Normally, she wouldn't come back home for a few days. If she was really locked in this place for a few days ...

The more she thought about it, the more her heart ached. However, all of this was done by herself, so it couldn't be blamed on others.

"I'm not despicable. This is all open and aboveboard. If you're not willing to say, then I won't force you." Wu Tian walked out of the room with a smile on his face and locked the door with a "Ka La" sound.

Even so, Wu Tian had turned off the lights. The room was dark and the frightened voice of the girl came from inside.

If you think this is the end, then you're completely wrong. Wu Tian had another ruthless move. He turned on the air conditioner and let the hot air blow inside.

Although this season was neither cold nor warm, this woman was wearing a lot of clothes. If she were to blow on the air conditioner again, she would soon experience the feeling of a sauna.

After finishing everything, Wu Tian didn't care about how Wu Tian cursed him in the room behind, he just went up leisurely to prepare some food.

Especially the various beverages, beers, and fruits like watermelons. He purposely made a dining car with all these things on it.

After almost an hour, Wu Tian finally appeared in the basement room again.

The moment she turned on the light, the woman felt as if the whole world had returned. At this time, she was squatting in a corner and shivering, her clothes had already been drenched in her own sweat.

"How is it? Is this place fun? I purposely created a feeling of hell for you. I hope you like it."

Wu Tian pushed in the dining car. The water and drinks on the car immediately attracted the woman's attention.

It could be seen that she really wanted it, but she didn't dare to go over since Wu Tian was standing there.

In this secret chamber, a man and a woman were together. Truth be told, she felt that they were in great danger.

Moreover, her heart was itching. Due to the high temperature, her clothes were soaked with sweat, especially her underwear. The feeling of sticking to her body made her feel nauseous.

"Now do you want to say it or not? You must be thirsty. If you say it, these things are yours. You can even go take a bath."

Wu Tian threw out his conditions in time and looked at the woman with a naughty smile.

He didn't need any tricks to deal with a lady like this. As long as he made her uncomfortable, she would raise her hand and surrender.

"You ... You are truly despicable! If you want to kill me, kill me! "

She still didn't want to give in, but her mind was fighting against her body's instincts.

Especially the pile of fruits and beverages on top of the dining car, the woman couldn't keep her eyes away from them.

"It doesn't matter if you don't want to, but I don't care." Wu Tian said as he laid on the chair, picked up a piece of watermelon and started munching on it.

He even purposely ate very loudly to let this girl watch him.

She swallowed hard, but found that there was nothing left in her mouth, and her throat felt like it was on fire.

She needed water. She needed it now.

"Can you let me have some too ..."

The woman mumbled in a low voice. Even if she wanted to say it out loud now, she wouldn't be able to do it so loudly.

"What did you say? I didn't hear it."

Wu Tian was enjoying his meal even more.

"I surrender ..." The woman knelt down helplessly at Wu Tian's feet. She couldn't hold on any longer and wanted to hug the watermelon and start eating it.

She gulped down the water.

She had never thought that these cheap fruits and water would be so beautiful and refreshing.

However, just as she was about to get rid of the current bitter sea, Wu Tian Qiang took away the water in her hands.

She had only drunk a little, not even getting her throat wet.

"What are you doing?!"

Wu Tian chuckled, "What are you doing? I haven't told you to drink yet. You haven't answered the question I asked you before! "

The woman felt helpless, but the feeling of her lips touching the cold water had completely conquered her.

She slowly took off her mask, revealing the face underneath.

"It's you?" Wu Tian was stunned for a moment. He didn't expect it to be Yan'er, whom he met on the street before.

It was the daughter of the arrogant and pretentious Minister of Finance. However, she was like a little puppy as she knelt in front of Wu Tian and begged for some water to drink.

Wu Tian didn't know how to react to such a contrast.

"It's me!" Yan'er grabbed a big piece of watermelon and began to eat it.

Yan'er finally felt refreshed. She felt refreshed. Who knew how many fruits she had eaten and how much water she had drunk.

The only thing that bothered her was that she should change her clothes. She wondered if she would smell anything if she continued to dress...

"Are you afraid now? I already told you, it's none of your business if you release me! " At this time, Yan'er took the initiative to reveal her identity. She thought that with her father's prestige, she could more or less make Wu Tian a little scared.

"Then, why are you here to spy on me? If I spread this news, wouldn't it be a little bad for your dad's reputation? After all, his daughter is actually monitoring other handsome guys. You are a complete and utter fool, ha-ha. "

This little trick was useless to Wu Tian. On the contrary, it allowed him to take the initiative.
