

Hidden Billionaire Chapter 758 - Cross-examination

C758 Cross-examination

Liu Zhendong felt that before he was ready, he would have to face everything.

However, he had already made it out, so he could only brace himself and face these people.

"What did you mean? Liang Zhenhai is looking for me? "

Liu Zhendong looked calm on the surface, but he was already panicking.

"Boss Liu, we were forced to do this. The main reason is because of what the higher-ups have said. "

"Is there anything you have to add me to?" Liu Zhendong revealed a troubled expression, as if he was annoyed.

He could only shrug his shoulders. Things had already come to this point, what else was there to say.

Three cars had already surrounded Wu Tian and co. so it could be said that he had to go.

Since he had no other choice, Liu Zhendong could only nod in agreement.

Azure Dragon carefully drove the car and followed behind them. His destination was a villa in S City.

On the way, in order to prevent any accidents from happening, Wu Tian even sent Wei Jiaming a message informing him of their location.

"Let's go. If anything happens, the two of us will accompany you."

Seeing Liu Zhendong's cowardly look, Azure Dragon was so angry that he wanted to kick him.

However, he definitely couldn't do that in front of others.

They walked into the villa, where Liang Zhenhai was making tea. In front of him was a small coffee table. There was hot water in the teapot. He used carbon, so all the tools were very primitive.

"You're here. Take a seat." Liang Zhenhai looked at the person he asked for and called Liu Zhendong over to sit in front of him.

The atmosphere immediately became a bit awkward and solemn.

Liu Zhendong didn't know what Liang Zhenhai meant, so he didn't take the initiative to bring up the topic.

"Don't be nervous, relax."

Liang Zhenhai poured a cup of tea for Liu Zhendong, his face full of smiles.

However, everyone felt that this guy was an old fox. No one dared to look down on him.

"Good tea."

Liu Zhendong took a sip of the tea. At the beginning, the tea was slightly bitter, but when he turned to the back of his tongue, it was sweet. The aftertaste was still lingering on his tongue.

Drinking tea was something that needed to be slowly tasted.

Furthermore, there was a huge difference between good and bad tea. Ordinary tea leaves would not be able to taste this way.

"Of course, this is a tea that I've collected for a long time. Normally, I wouldn't dare to take it out to drink."

Liang Zhenhai was rather proud of Liu Zhendong's praise, while Wu Tian frowned on the side.

This Liang Zhenhai had a hidden meaning behind his words.

"Why did you call me over this time?"

Since he opened up the conversation, Liu Zhendong directly went to test it out.

"I heard that you recently have some funds coming in, so you did quite a few things for our Red Power."

Liu Zhendong started to sweat a little after hearing Liang Zhenhai's words.

As expected, this old guy really knows everything. Previously, Liu Zhendong took a sum of money from Azure Dragon in order to maintain the stability of his Red Power.

Because he had just become the Acting Boss of Red Power, he still needed to spend some money to build some connections. This way, he would be able to convince everyone.

"Of course it's true. There is indeed such a thing."

Liu Zhendong didn't deny it, but he knew what Liang Zhenhai was going to ask next.

"I think you did very well in this matter. I just don't know who the person who paid for it is. I would like to pay him a visit myself."

Liang Zhenhai squinted his eyes and looked at Liu Zhendong with a smile. His words seemed to carry a knife as it hung around Liu Zhendong's neck.

If anything went wrong, the knife would fall.

The invisible pressure made Liu Zhendong's heartbeat quicken, and sweat flowed down from his forehead.

Liu Zhendong really didn't know how to reply. The owner of the money was there.

But he definitely couldn't say that, even if he caught Wu Tian and killed him on the spot. This Liang Zhenhai can spare me?

Because what he had done, to a certain extent, was treachery.

Furthermore, Liu Zhendong still had a weakness that Wu Tian had. He did not wish to become a eunuch for the rest of his life.

"Is there something hard to say, Brother Liu?"

Liang Zhenhai's expression became more brilliant. He felt that he was destroying Liu Zhendong's defense line step by step.

"If you say it like that, then I really have a little trouble speaking. I actually got this money from my lover ..."

In a moment of desperation, Liu Zhendong suddenly thought of Yin Rumeng, so he quickly brought her out.

"She has that amount of money in her hands, about 3 million yuan. I'll quickly borrow it from her, but there's really no way to tell ..."

Liu Zhendong seemed to be tightly holding onto a lifeline.

"Borrowed money? From your lover? "

Liang Zhenhai was stunned. He did not expect Liu Zhendong to give such a reason.

"Yeah, speaking of it, I'm a bit embarrassed. I did indeed raise a lover. I usually keep a low profile and never bring her here. It's normal for you to not know. "

Not only Liu Zhendong, even Wu Tian and the others let out a sigh of relief.

This fellow was not as clumsy as he had thought. He had actually told a lie and made a perfect circle.

If they wanted to investigate it in detail, no matter how much they tried, it would all come from Yin Rumeng.

Azure Dragon felt that it was not safe to directly contact Liu Zhendong, especially when it was about the transfer of funds.

Thus, through Yin Rumeng, he made her hand the money over to Liu Zhendong.

Strictly speaking, what Liu Zhendong said was the truth.

"Then, is your lover so rich?"

Liang Zhenhai obviously didn't believe him. If she had the money, would she become someone else's lover? Wasn't this obvious? However, he couldn't find anything wrong with Liu Zhendong.

"Her house seems to have been demolished. It's not very clear. Anyway, she told me she had money ..."

Liu Zhendong didn't know anything at all. Since he had the money, he might as well use it. He didn't care where the money came from.

Seeing Liang Zhenhai choked back on his words, Wu Tian felt that it was funny.

However, he also felt the danger. On the surface, Liang Zhenhai wanted to ask about the source of the money.

But in reality, it was all to find Liu Zhendong's weakness and get rid of it.

In the Red Power, even if he was the boss, he couldn't kill a Hall Master without any reason.
