## Chapter 263 Restraint

"What's this all about?" Chu Huai'en was still controlling his rage.

"I—I really don't know. It's a mistake, maybe it's a prank."

"He knew your name. How could it be so coincidental? Someone who looks like you and has the same name as you?"

"Yes, yes. Zhang Chao must have arranged it." Li Ge accused me.

Chu Huai'en flung a napkin onto the table. "Zhang Chao would never let anyone pour water on my daughter!"

Li Ge sat there in shock. He was completely dazed and clueless.

There were only three of us at the table now. Chu Huai'en did not even try to pretend. He asked me directly, "Zhang Chao, did you do this?"

"Uncle Chu, you've got more secrets than me. It's not in my character to do something like this."

"Uncle, you already owe so much debt. How do you still have the money for new investments?

I actually knew that Chu Huai'en's debt troubles were false and that he had taken that money and

I had hit a pain point, and Chu Huai'en stormed off unhappily.

I gaped at him. "So you know that Li Ge is the mayor's son."

I nodded and she sighed. "Alright, come with me to the hotel."

I had to give it to them. This was what being fearless really was like.

Chu Xiaoxiao only heaved a sigh of relief after he left.

Chu Xiaoxiao was in a very low mood. "I don't want to talk about this yet. I'll tell you after I've thought it through."

I was not sure why Chu Huai'en would use his own wife to threaten his daughter. It was not right.

Chu Xiaoxiao did not want to talk about it. It hurt me to see her sad even at the mention of it.

I did not ask again, but I swore that I could get to the bottom of the matter. I could not leave any

The meal was dull. Even though Chu Xiaoxiao tried her best to cheer up, I could tell that she was

After we finished eating, we went downstairs to get a ride from Qingqing. In the car, we encountered someone who left us astonished.

Chu Xiaoxiao and I cried out in unison when we saw the young man in the passenger's seat.

This was not just any young man, this was the young man who had poured water on Chu Xiaoxiao.

"Ugh, you're not allowed to call me that. My name is Tony."

Chu Xiaoxiao and I were stunned. She nudged me before I remembered to shake hands with Ma

I shook my head and laughed helplessly. "You don't know who Li Ge is, so you aren't afraid of

Qingqing continued, "Besides, even if he wants revenge, you'll protect us, won't you, Boss?

Ma Dazhuang rolled his eyes and replied in an exaggerated manner, "Of course, how could I splash it on the mayor's son?"

Qingqing asked me where to now. I wanted to send Chu Xiaoxiao home first. She was not in a good mood and needed to rest.

The atmosphere in the car became quiet. My heart thumped crazily. Was she saying what I think

But when I brought it up, Chu Xiaoxiao said, "No, I don't want to go home. Find a hotel. Zhang

I barely dared to breathe. Qingqing and Ma Dazhuang were the same. No one wanted to be mistaken about Chu Xiaoxiao's intentions. She looked very imposing just then.

I thought something big had happened, but she was hanging out of the window with Ma Dazhuang, staring at me.

Qingqing dropped us off at a five-star hotel. Chu Xiaoxiao got off first. I hurried after her but

"Boss," Qingqing said, "Hold on to this."

She shoved something in my pocket. While I was wondering what to reply her, I fished it out. It

Qingqing gave me a thumbs up. "You can do it. Get rid of your virgin status."

"What..." How did she even know about this.
