

## HIS FAVOR 22

### CHAPTER 22: IT STILL GOT OUT

Huo Shi returned to his seat and sighed once again, chagrined once again, "How come I didn't think of it?"

How come I didn't think of taking An An to the amusement park? How come I didn't think of taking An An to the cinema? Hey .....

Blue Min said in the back: "Huo, you have been sighing since sister An came back, according to incomplete statistics, you have sighed 102 times, said 78 times how come I didn't think of it"

"Ai~" Huo Shi slumped on the table and sighed again

The actual fact is that you can't get a lot of money from the company. The actual fact is that you'll be able to get a good deal on your own.

"Why didn't I think of that?" Huo Shi was chagrined once again

Lan Min: "....."

He turned to Du Ruan and said, "Du San'er, think of a solution?"

Then he found that Du Ruan did not pay attention to him, Lan Min called out twice more: "Du San'er~ Du San'er~"

"Well, what's wrong?" Du Ruan took off the cotton in his ears

Blue Min suddenly angry: "Holy shit ~ Du San'er why are you such a dog?"

Du Ruan looked innocent: "Did you?"

"When did you put cotton in your ears? Why didn't you tell me? The promised to share the blessings and difficulties together?"

Hey, Huo Shi sighed again, then chagrined once more: "How come I didn't think of it?"

Two people: "....."

"Ahhhhh~ Huo brother you don't sigh can you?" Lan Min is going crazy

Huo Shi sort of heard: "OK~" and then hey~

Lan Min: "....."

Du Ruan is also apparently speechless twisted his head to Blue Min and said, "How about you tie up Huo? And then gag him?"

Blue Min seriously thought about the feasibility, and then towards Du Ruan spoke: "Du Saner, you still have cotton did not, divided between us ....."

Du Ruan: "..... Wimp"

Just after sighing 1000 times and saying 500 times how come I didn't think of it, Huo Shi finally lifted his head and made a great decision, he also wanted to take An An to the amusement park to Happy Valley and to the cinema!

.....

Pan teacher has an illegitimate daughter thing somehow suddenly since in the school spread, Pan teacher at first only feel that people look at her not quite right, until her husband Wei Xiangrong in the office completely erupted

"Say, is that child yours or not?" Wei Xiangrong is also a hot-tempered person, after learning about this matter, he immediately rushed to Pan Yuexiang's front, ignoring the presence of others and pointing at Pan Yuexiang and asking loudly

"What are you talking about?" Pan Yuexiang spoke up

"You still do not admit it, right, our school has spread the word that you have a six-year-old illegitimate daughter ....."

Pan teacher looked flustered and retorted, "What illegitimate daughter, how do I not know!"

Wei Xiangrong immediately grabbed Pan Yuexiang's collar: "You better not know, I will personally go to confirm..."

The teacher who was watching the show at the side saw Wei Xiangrong's action and immediately discouraged: "What are you doing, Mr. Wei? Don't let go of Teacher Pan yet, this is in school!"

"Hmph~" Wei Xiangrong rough face flashed with anger, throwing away Teacher Pan's hand and grabbing Teacher Pan's cell phone: "I'm going to confirm now, if it's not a misunderstanding, Pan Yuexiang you fucking give Laozi wait ....."

After Wei Xiangrong let go, Pan Yuexiang whole person limp in the chair

"Are you all right, teacher Pan?" The teachers who just watched the show came close to ask, but the eyes were unable to bear the gossip

"Teacher Pan, you don't really have an illegitimate daughter, do you?" Another teacher spoke up

"Definitely not, would Mr. Pan do such a thing?" A teacher answered

Pan Yuexiang reacted and stood up to pluck away the crowd: "Get ~ get away ...." She had to rush back home now, the situation was serious

The crowd looked at Ms. Pan's departing back, and a young teacher with a straight face said, "Serves her right, who made her usually look like she has her nose in the air ...."

"Little Li!" A teacher reminded

That young female teacher snapped her mouth shut

An Chu heard about this matter, at first heart is also a shock, this matter is who spread out, but instantly have relaxed, no matter who this matter is not she spread, also can not be Huo Shi they spread, but no matter how, this matter is always not their business.

If this matter of Ms. Pan is placed in other industries, perhaps even a little ripple will not start, but Ms. Pan is a teacher, is destined to bear the praise and public opinion

After the incident reached the parents, they jointly demanded that Ms. Pan be fired. It is hard to imagine that a teacher who does not set an example can teach good students, but there were some objections that it was Ms. Pan's private matter that could not be raised to her career, but such voices passed away in a flash in the sea of parents' crusade.

The school had no choice but to decide to let Ms. Pan suspended from school at home first.

When she left, Ms. Pan looked at An Chu's eyes like a viper hardened with poison, as if to say that this matter is not over.

An Chu was also frightened by this glance of teacher Pan, but then thought, this matter has nothing to do with her, so there is no need to be afraid of anything.

In order to confirm it, An Chu still specifically called Huo Shi to make sure they have nothing to do with this matter

Huo Shi opened: "Damn, I said not to disclose, how or ..... I did not do it," said the voice of a sudden card: "An An, what do you mean, I swear, this matter has nothing to do with us ....."

An Chu smiled: "Brother, what are you doing, I just asked a casual question, even if we really did it, there is nothing, consider it for Mr. Wei to see the person of Mr. Pan."

Lan Min also looked happy: "That old demon woman, we do not take her, own heaven to collect ...."

Du Ruan also spoke: "Next we will wait to see a good show ...."

To Huo time noticed An Chu's strange: "An An, are you encountering something? Or did Pan Yuexiang do something to you?"

The moment Huo Shi opened his mouth, Du Ruan also reacted: "Holy shit, that old demon woman didn't think that this matter was spread by us, and then see that we were not good at bullying, so she turned the fire on An sister, right ....."

Blue Min angry face: "so this old demon woman is also too bad ....."

An Chu shook his head: "That's not true, is today when Mr. Pan left a meaningful look at me ...."

"Crap! This is still nothing? That old demon woman is obviously trying to get back at you ....."

Du Ruan also thought for a moment: "I think Blue Two is right, the old demon woman is definitely looking for an opportunity to get back at you ....."

Huo Shi coldly spoke: "In that case, we will strike first"

An Chu was shocked: "Brother, what are you going to do, Miss Pan hasn't done anything to me yet ...."

"Wait until it's too late to do anything ...." Huo Shi had a serious face

"Don't, brother, let's wait and see what happens first ...."

"Yes, brother Huo I think sister An has a point, let's first see how things develop, and then find the opportunity to push the boat ....." Du Ruan also spoke

"So these days An An is not very dangerous?"

"Huo, think where to go, even if Mr. Pan really want to do something to sister An, but she is a woman, what can do, in addition to our school there is security and so on, do not think nonsense ah ....."

"Yes brother, Du is right, first wait and see what happens, and then in making plans ....."

Huo Shi still spoke: "also okay, then these days you do not go alone, and do not fall alone, I accompany you ....."

An Chu only had to agree: "Good"

Du Ruan: "....."

Lan Min: "....."

This is your real purpose, right?
