Chapter 181: A small bickering!

Huh? The women looked at each other confused, and Ling Huang narrowed her eyes "What do you mean by that, Your Majesty?"

Ning Xue took a quick glimpse at Ling Huang "It means what I just said. Tian is mine."

Ling Huang looked at Zhao Tian to see his reaction but he was just drinking his tea silently as if he was enjoying the drama.

She shook her head "No, Your Majesty... I love him and he also loves me. He doesn't belong only to you."

Ning Xue raised an eyebrow "Are you refuting what this Queen said?"

Ling Huang nodded her head and spoke, her gaze narrowing "Of course, because you are speaking bullshit."

Wha- Ling Xin, Ling Chen, Ling Meiyang, and Ling Chao were utterly flabbergasted to see Ling Huang using vulgar words and speaking right in front of the Queen's face.

Ning Xue squinted her eyes in anger hearing her words "Are you looking for a death wish?"

"Hmph!" Ling Huang let out a scoff and sat beside on the other side "My only wish is to be with my little brother. And you don't have the power to separate us."

Ning Xue's lips twitched, as the Queen of Zhenzhu no one had ever talked against her like this in such a disrespectful manner "You damn bitch!"

Ling Huang's heart fumed in anger "Who are you calling bitch? You are the bitch here. You have just known him for two days and you are already claiming him to be yours. Bitch."

Wha- Ning Xue was taken aback by Ling Huang's audacity as she fearlessly call her as a bitch "You are no different, bitch. You just saw him a month ago."

Ling Huang retorted "But that's still better than you. A bitch calling my little brother hers, even though she only knows him for two days."

Ning Xue clutched her palm in anger and spoke in rage "That's because Tian and I are destined to be together. We have a special connection." she said swiftly grabbing his left hand.

A smirk appeared on Ling Husnag's lips as she clasped Zhao Tian's right hand "I also felt a connection with little brother when he pushed his manhood in, taking my first time."

What the fuck? Ning Xue blinked her eyes in surprise. They have already done the deed?

Meanwhile, Zhao Tian felt the cup in his hand shaking because both of them were holding him and bickering and constantly shaking him.

'Let me drink tea in peace.'

Ning Xue clicked her tongue, her disdain evident in her voice "As I thought, you are a bitch You are talking about these kinds of things openly. My connection with Tian is far better than yours." she said lightly pulling Zhao Tian.

Ling Huang's eyebrows twitched and she too pulled his right hand and at this time, the tea in his cup slipped and fell on his robes, staining it.

EH? Ning Xue and Ling Huang were surprised, while Zhao Tian with a sigh, placed the teacup on the table in front of him.

The Ling women stood there awkwardly not knowing what to do.

Ning Xue pulled Zhao Tian "Tian, let's go back to the Palace. If you stay here, things like this will happen and we can clean your robes there."

Meanwhile, Ling Huang firmly held onto him, refusing to let him slip away, and affectionately called him "Little brother, let's go back to the lake and this Big Sister will wash you all over with her body." she gently planted a tender kiss on his cheek..

Huh? Ning Xue narrowed her eyes "I'll also kiss him, bitch." And with that, she lightly pressed her lips against his in a quick peck.

Ling Huang also clasped his face and turned him towards her as she softly sucked on his lips and playfully nibbled on them.

After breaking away from the initial kiss, Ning Xue reached out and held Zhao Tian's face in her hands, pulling him in for a deep kiss and he also reciprocated the kiss.

His wives are kissing him, how can he reject them?

After a while, they retracted the kiss and Ling Huang smirked "Bet you have never done this." she spoke as she moved and sat on Zhao Tian's lap facing him.

Wrapping her arms around Zhao Tian's neck she again leaned in Zhao Tian's lip but this time, she directly pushed her tongue and Zhao Tian also played along with her passionately kissing her and sucking her tongue, exchanging their salivas.

Ling Xin, Ling Chen, Ling Meiying, and Ling Chao felt their faces flush with embarrassment as they averted their gazes from the passionate display of kissing happening right before their eyes.

Meanwhile, Zhao Tian is enjoying the kisses from both women.

A little later, Ling Huang withdrew the kiss and looked at Ning Xue with a smug smile on her face. She knows Ning Xue is a dignified Queen and won't shamelessly do things like this in the open.

Ning Xue squinted her eyes "You underestimated me, bitch." she muttered pushing Ling Huang off his lap- and getting on top of him. She also kissed his lips, pushing her tongue in forming a passionate kiss.

As minutes turned into what felt like an eternity for Ling Huang, she couldn't believe her eyes as she watched Ning Xue and Zhao Tian locked in a passionate kiss that seemed to go on forever.

The intensity of their embrace and the way they hungrily ate each other's lips left her stunned and unable to tear her gaze away from the scene unfolding before her.

After a few moments, Ning Xue slowly pulled her lips away, taking deep, heavy breaths as her chest rose and fell rapidly. A thin line of saliva glistened on her lips as she tried to catch her breath.

Zhao Tian also took in hasty breaths and smiled, delicately brushing Ning Xue's hair behind her ear.

Ning Xue gave a side glance to Ling Huang and tightened her hands around his neck, pulling him closer as Zhao Tian also grabbed her waist.

Ling Huang noticed her gaze and leaned in clutching his waist. Seeing this Ning Xue spoke, "Stop clinging to him, bitch."

Ling Huang clicked her tongue "You are acting quite arrogant and acting bitchy for a woman who has just known him for two days. What do you even know about little brother, bitch?"

"Huh? I know him enough for me to fall in love with him. I even spent a night with him."

Ling Huang raised an eyebrow and gently caressed her cheek with Zhao Tian's cheek "Do you know about his family? How special he is? Or his favorite food and hobby?"

H-Huh? Ning Xue was startled seeing this and seeing her reaction Ling Huang smirked. I win! She has already conversed with Zhao Ying, Xia Shenyi, and even Chi Miya to learn more about Zhao Tian.

Ning Xue didn't give up and reached out to his hand placing it on her breast "But I know he loves my chest." Using the opportunity Zhao Tian also gently squeezed her boob.

Ning Xue smiled seeing this and leaned in whispering "Naughty... how about I give the promised gift to you today, instead of tomorrow."

Ling Huang pushed her face from his ear "Bitch, don't whisper seductive words."

"Huh? You got a problem with that? whore?"

"Slut"

"Wench"

"Hooker"

"Floozy"

"Tramp"

"Harlot"

"Prostitute"

"Hussy"

"Tart"

"Vamp"

Zhao Tian shook his head helplessly seeing them calling each other words.

Meanwhile, the Ling women who were standing, face palmed themselves seeing Ling Huang going toe on toe with the Queen herself.

'Why are they saying words that are not even in the dictionary.'

Ning Xue glanced at Zhao Tian "Tian, you are spending the night with me, right?"

Ling Huang grabbed his face making him look at her "No, little brother is sleeping with me."

Huh?

...

In the night-

Inside the royal palace, in the Queen's bed, Zhao Tian is lying down sandwiched between two beautiful women as they hug him tightly.

As Ning Xue moved her legs to intertwine with Zhao Tian, her legs hit Ling Huang's legs and she muttered "Bitch, move your legs."

Ling Huang retorted "Why should I listen to you, whore?"

"Damn..." Ning Xue hit her legs, and Ling Huang didn't back away and kicked her legs back.

"Bitch, stop!"

"You stop first."

-- Meanwhile, Zhao Tian who was between them let out a deep sigh 'Stop acting like children.' but he also found them cute like this.

Chapter 182: I hate you!

"But I really didn't expect you to talk to the Queen like that." Ling Meiyong, who was soaking in the lake, muttered, looking at Ling Huang, who was beside her on the lake.

Ling Huang could only smile wryly "Well, I got angry when she proclaimed that little brother was only hers."

"Sister Meiyong, you are also his woman, and Sister Chen, you too."

Ling Chen just stayed silent, closing her eyes and letting the cold water of the lake hit her skin. Meanwhile, Ling Meiying had a shy smile on her face. "Where is he?"

Ling Huang spoke "That bitch didn't let him go in the morning, so little brother asked me to leave first and I am here."

"Oh..." Ling Meiying mused, and after a while, Ling Chen got out of the lake and left for her room, wrapping the towel around her.

After she left, Ling Huang said, "Don't you think Sister Chen's chest is a bit too big?"

"Yeah, it is..."

As Ling Chen reached her room and was about to open the door, she saw Zhao Tian walking towards her on his way to the lake. Her gaze narrowed, and she pushed the door to enter, ignoring him.

But Zhao Tian swiftly held her hand and pulled her into the room. \*thud\* Taking her in his arms, he threw her on the bed. "Ah!"

With a smile, he crawled on top of her and plucked the towel from her body, exposing her voluptuous boobs and her sexy body, along with her smooth thighs.

"W-Why are you forcefully doing this to me?" Ling Chen asked, her eyes trembling in embarrassment.

Zhao Tian gently grabbed her thighs and spread them open, revealing the pink folded buds "Because you belong to me." he whispered, his voice filled with possessiveness and desire.

He moved closer, gently pressing his lips against hers, as his hand went down to her honey hole and he gently parted the outer folds with his fingers.

...

After a while, \*haah\* \*haah\* Ling Chen was panting heavily on the bed, the bedwet with her love juices.

Her boobs and ass are red with finger prints on them with some deep red hickey marks on her pink nipples.

Zhao Tian had a smile on his face as he got down from the bed and Ling Chen looked at him and controlled her ragged breath to speak "\*haah\* A-Am I really your woman?"

Zhao Tian moved to her and sat on the bed, softly patted her head "Yeah, you are."

Ling Chen turned her gaze to the ring in her finger 'Liar, where is my ring then? I hate you.'

"I... hate you." a low mutter escaped her lips.

Hearing this, Zhao Tian raised an eyebrow "You hate me?"

Ling Chen was surprised, 'Did I say that loud?' She averted her gaze and was quite hesitant but still spoke "Yeah, I don't... like you."

Hate huh? Zhao Tian chuckled and stood up from the bed "Well, I am leaving then."

He directly went to lake taking the towel on his way.

As he walked nearby the lake, Ling Huang and Ling Meiying turned their heads "Little brother."

A faint blush crept on Ling Meiying cheeks but she didn't leave like last time and stayed there. "Haah!" Zhao Tian hopped in between them, draping his hands around their shoulders and pulling them closer.

"Ah!" Both of them fell onto his chest and Ling Huang giggled "Little brother." \*smooch\* as she placed a kiss on his cheek.

Zhao Tian glanced at Ling Meiying and she hesitated a little before placing a kiss on his cheek.

A warm, affectionate smile spread across her face as she leaned in closer to him, resting her head on his shoulder. "Husband," she whispered softly, her eyes filled with love and gratitude.

She does not particularly hate him, as she also understood that, in that situation, he had no other choice but to touch their bodies, if not, she would have lost her cultivation and would have been a cripple.

Most cultivators would rather die than get crippled, so she is grateful to him.

And he is also powerful and handsome, so even though it is all quick and sudden, she doesn't hate him. He even said that he would take responsibility for them.

She just needs to spend some more time with him and strengthen their bond. and she is sure she will love him more in the future.

Zhao Tian sighed in his heart feeling the touch of two beautiful women on his body 'Haah, this is life.'

Ling Huang placed a kiss on his shoulder and asked "Little brother, how about I call you Husband too? It will feel better than little brother."

Zhao Tian shrugged "Call me however you want."

"Then, I'll call you Husband."

"Hm."

"Husband."

"yeah?"

"Tian?"

"oh?"

"Zhao Tian."

...

The next day of the tournament commenced and the people were rushing to the arena as today is the day of the finals.

The excitement in the crowd was palpable as they cheered incessantly, eagerly awaiting the start of the third round of the tournament.

The announcer's voice rang through the arena "The third round of the tournament is about to begin."

Ning Xue sat regally on her throne, her eyes flicking over to Zhao Tian, who leaned casually against the railing, his gaze fixed on the arena below "The powerful sects must be so curious about you."

Zhao Tian gave a slight nod "Yeah.. let them just be curious." he muttered as he felt powerful glances on him from the VIP areas everyone trying to discern his cultivation and secrets.

The announcer spoke "The next match is between Zhao Tian of the Royal Academy and Tai Mu of the Shaolin Sect."

Zhao Tian just stayed there silently as everyone turned their gazes toward him excited to see his match. Ning Xue raised an eyebrow "You are not going down?"

Zhao Tian spoke "I don't think I need to."

An young man with bald head walked into the arena and Ling Xin also glanced at Zhao Tian "Why is he not coming down? He is not interested anymore?"

Ling Huang also glanced at him "What happened?"

The people from the powerful sects also looked at Zhao Tian with anticipation, their minds filled with the hope that they could find something about him during his fight.

But the young man, with a sense of resignation and humility, lifted his arm "I admit my defeat."

Eh? The audience were dumbfounded seeing this, he admitted defeat before even fighting the opponent?

Zhao Tian smiled seeing this. Yesterday, him crippling that Che Li must have traumatized the participants and he was sure none of them would fight against him in fear of getting crippled.

After admitting his defeat, Tai Mu returned back to his Sect's area considering it is bad luck that he got to fight against Zhao Tian.

And the matches continued as the participants began to fight each other for the top places.

In that moment the announcer spoke "Next match is between Zhao Tian of the Royal Academy and Ling Chao of Lunar Blossom Pavillion."

Chapter 183: Fighting Ling Chao!

The announcer's voice boomed across the arena, "The next match is between Zhao Tian of the Royal Academy and Ling Chao of Lunar Blossom Pavillion."

Huh? Ling Xin glanced at Ling Chao, who was beside her and also had a surprised face. Ling Chao took a deep breath and stood up from her seat.

Ling Huang asked, "What are you going to do? Chao'er?"

Ling Chao nodded her head "Of course to fight, Senior Tian." She kind of expected something like this to happen.

As she spoke, she glanced at Zhao Tian walking inside the battle floor, and Ling Meiyang giggled softly. "It seems like he already knew you would fight."

Ling Huang nodded her head "Go and give a good fight."

\*applause\* The crowd erupted into thunderous applause as Zhao Tian stepped onto the battle floor, igniting a wave of excitement that swept through the entire arena.

\*tap\* Ling Chao also quickly got down from the VIP space and came in front of Zhao Tian with a determined look on her face.

Seeing that Ling Chao has also joined the battle floor, the announcer said, "Since both competitors are ready, let's begin the fight."

As the announcer's voice fell, \*swoosh\*, a gust of wind energy enveloped Ling Chao's body. "Whirlwind step." a mutter escaped her lips as she channeled the wind's astral energy into her body, boosting her agility.

\*flick\* In the next instant, she dashed towards Zhao Tian as she pulled back her hand, her physical strength enhanced by the astral energy, and she punched at Zhao Tian.

Zhao Tian gently raised his arm, and as her fist came into contact with his palm, it came to a sudden halt. \*thud\*

Ling Chao didn't stop and punched him with her left hand. Zhao Tian fended off her feeble punches, and Ling Chao quickly moved her hand, again trying to hit him.

\*fwoosh\* But suddenly, a swirl of energy concentrated around her hand, "Cyclone fist," she again punched at Zhao Tian.

Seeing the powerful punch, Zhao Tian just blocked casually, not moving from his place, and the aftereffects of the cyclone fist caused a surge of air as his hair tousled in the breeze.

\*woosh\* \*woosh\* \*woosh\* Ling Chao continued to punch him with cyclone fists, but Zhao Tian shrugged them away.

Determined to gain the upper hand, Ling Chao swiftly lifted her leg and delivered a forceful kick in an attempt to overpower him.

Zhao Tian gently moved to the left, dodging her kick, and Ling Chao narrowed her eyes as she took a step back. "Aerial Mirage." A soft mutter left her lips.

*\*swish\** Ling Chao again charged toward Zhao Tian; however, there is like an afterimage forming around her with her every movement to confuse Zhao Tian.

Despite her best efforts, Zhao Tian could easily see through her every move and reaching him with "Gale Blade," a surge of wind astral energy concentrated on Ling Chao's forearm, forming a blade-like forearm.

*\*sleech\** She slashed her hand as her blade arm cleaved through the air. *\*triek\** Zhao Tian blocked her blade with the wrist of his hand.

Ling Chao squinted her eyes and swiftly rotated her body, her blade aimed directly at Zhao Tian's waist. *\*slick\** Zhao Tian caught the sharp blade in his palm, intercepting the slash.

Ling Chao quickly withdrew her hand and rained on him with a barrage of slashes. She used her aerial mirage and Whirlwind steps to move quickly around the arena and attack him in all directions.

And Zhao Tian, too, either blocked or dodged her attacks with ease. *\*swoosh\** With a rush of astral energy, Ling Chao propelled herself in the air, jumping up.

And clenching her fist in a tight grip, she dashed at Zhao Tian, who was standing on the ground, aiming to punch him. But as he moved, her punch fell to the floor. *\*boom\**

As her fist made contact with the floor, the impact created shockwaves that rippled through the air.

Ling Chao also didn't let him go and relentlessly attacked him. using her techniques.

And after a while, the audience saw Ling Chao gasping for air as she almost depleted her astral energy, spamming all her abilities.

Ling Chao took a deep breath before saying "I accept my defeat!"

\*cheers\* The crowd cheered for Ling Chao as they saw her trying her best against Zhao Tian in the match.

The people from powerful sects knew that Zhao Tian had a connection with people from Lunar Blossom Pavillion, so its natural that he didn't attack her.

A soft smile played on Zhao Tian's lips "Good battle."

\*gasp\* Hearing his compliment, Ling Chao was quickly flustered and gave a shy nod. "Thank you, Senior Tian."

After Zhao Tian and Ling Chao returned to their seats, the matches continued, and no one dared to fight Zhao Tian as they all gave up.

As time passed, the third round of competition also came to an end.

At this time, the announcer said, "With 10 wins, Zhao Tian of the Royal Academy secures first place."

\*claps\* The audience erupted in cheers as Zhao Tian won most of the matches without even entering the battle floor.

"With 9 wins, Lang Shao of the Stormweaver sect secures second place."

\*claps\* The people cheered for Lang Shao too, as they also enjoyed his matches and his electrifying display of lightning.

"With 8 wins, Ling Chao of the Lunar Blossom Pavillion secures third place."

The women from the Lunar Blossom Paviillion were happy that they got second place in Sect rankings, because Zhao Tian's royal academy won't be counted.

"With 7 wins, Tai Mo of the Shaolin Sect secures the fourth place."

"With 7 wins, Shen Juan of the Silver Lance Sect secures the sixth place."

"With 7 wins, Xia Chyou of the Frozen Peak sect secures the fifth place."

The announcer continued "With ten, nine and eight win... the first three places are already secured. But the fourth, fifth, and sixth place competitors have won the same number of matches."

"So if the three competitors are dissatisfied with the rankings, you can challenge your peers who have the same number of wins to rise up in the rankings."

The audience nodded their heads upon hearing the rules, as it would be unfair for the competitors if they had the same number of wins but were still in a lower rank than each other.

Xia Chyou of the Frozen Peak sect came forward, and she said, "I want to challenge the fourth place holder."

Chapter 184: Give me my reward!

*\*swoosh\** As Tai Mo's body glowed in golden astral energy, a palm made of golden energy materialized in the air with its one finger raised and Xia Chyou also manifested a huge block of ice.

*\*thriisshh\** As the palm and the ice block collided with each other a thunderous boom echoed through the arena as the ice particles swirled in the air.

The golden palm completely obliterated the ice block and hurled towards Xia Chyou. She was horrified to see the giant palm and quickly spoke "I admit my defeat."

Hearing this, Tai Mo stopped his cultivation technique and the huge golden palm disappeared into the air.

The announcer spoke "The results are still unchanged, with Tai Mo of the Shaolin Sect at fourth place and Xia Chyou in the sixth place."

Xia Feng who is the Sect master of the Frozen Peak sect, clicked her tongue in disapproval, seeing this "Tsk, we are in the fifth place this time."

"Luna Blossom Pavillion had a genius last tournament and this tournament. How enviable."

Meanwhile, Ling Huang had a wry smile on her face. "I am surprised Chao'er managed to defeat that Tai Mo once."

Ling Chen spoke "It's not a big deal for Chao'er as she quickly closed the distance and went into close combat throwing punches, while the palm technique needs time and distance to attack."

"She lost to Lang Shao only because of his close combat experience, and he has a powerful element, lightning."

As she spoke, she took a quick glimpse at Zhao Tian speaking with the Queen with a smile on his face.

She still kind of feels bad that the words accidentally slipped from her lips. She was just angry that he didn't give her a ring.

As the competition has already ended and Zhao Tian got the first place, Ning Xue and Zhao Tian left the place.

Seeing this, the announcer spoke awkwardly, "The prizes for second, third, fourth, fifth and sixth places will be distributed immediately by our general of the Royal Army."

-- The General was dumbfounded. Eh? Me?

...

"Haha, be gentle~~" Ning Xue let out a soft giggle as Zhao Tian nuzzled his face into her neck and gave delicate bites on her skin while they both lay on the bed together.

He moved his face delicately biting her ear, his hands caressing her waist "So, where is my reward for winning the tournament?" he whispered, feeling the intoxicating pure Yin energy oozing out of her body.

Ning Xue raised her hand and a storage ring appeared in her hand "Here is your reward."

Zhao Tian chuckled "You know what kind of reward I asked for."

Ning Xue had a mischievous smile on her face and acted oblivious. "What else did the Queen promise to you?"

Zhao Tian smirked and raised his face, looking at her golden eyes "Seems like my Queen forgot, since you are playing this game..." he muttered and grabbed the hem of her royal robes.

"Let me play it too." \*threeiik\* he tore it open, revealing her flawless skin and her undergarments.

Ning Xue was startled by this "Tian?" she instinctively tried to move her hands, but Tian quickly interlocked their fingers and pinned her hands above her head.

He leaned in closer placing a tender kiss on her lips and muttered, "Her Majesty Ning Xue, you might be the Queen for everyone in Zhenzhu. But not here in bed."

Ning Xue, as the Empress, no one has forced her to do things and if she wanted, she could easily break free from his grasp but she doesn't know why she feels good being under him.

She felt strangely happy when he dominated her like this and her surrendering to him.

Zhao Tian tenderly caressed her cheek "Now my Queen, let me enjoy this royal body of yours."

Zhao Tian moved his hand to her under garment and slowly began to remove it. Ning Xue's eyes quivered in anticipation seeing the movements of his fingers as they removed her cloth.

\*flick\* Zhao Tian removed the cloth from her chest revealing an exquisite pair of boobs with flawless skin and red nipples.

Ning Xue closed her eyes in shame at being manhandled by Zhao Tian and she could still feel his lustful gaze on her body.

His gaze lingered on the black mole, which added an extra allure to her boobs. The overwhelming desire within him grew so intensely that he couldn't resist the urge to draw nearer, his lips eagerly embracing the tender flesh of her nipple.

"Hhnggh~!" Ning Xue's voice escaped her lips in a gentle moan, resonating with pure delight as she felt the sensation of his lips encircling her nipple.

Seeing how he is fervently sucking on her boobs, Ning Xue felt like feeding a child and couldn't help but giggle.

"Hmnggh~ softly dear." Ning Xue spoke as she raised her hand, patting his head. But Zhao Tian intoxicated by her body, continued to munch upon her boobs relentlessly.

"Haanggh~!" Ning Xue closed her eyes in pleasure feeling his moist tongue circling her nipple sending electrifying sensations all over her body.

Retracting his lips, Zhao Tian glanced at her boob glistened with his saliva and continued to lick it with his tongue.

Ning Xue's eyes trembled "T-Tian, if you continued this... I can't control my lust and we might end up doing that."

Zhao Tian also gave a nod, as her Yin energy is almost aphrodisiac for him "Yeah me too..."

"Haanggh~!" Ning Xue let out a pleasurable moan as he nibbled on her nipple once more, causing her to gasp "S-So, let's stop here..."

Zhao Tian raised his gaze and Ning Xue understood his question just from his gaze "Its not like I don't want to do it with you Tian..."

"You will be my man anyway, but still I think we are moving fast. And I have a pure Yin physique, I don't know what will happen when you pluck my virgin Yin."

Zhao Tian understood her feelings. Sex is not the only thing in a relationship, and he met Ning Xue three days ago.

Ning Xue patted Zhao Tian's head, gently running her fingers through his hair "As Ling Huang asked, I don't know about your family, your hobbies, your favorite food, so Tian teach me... more about you."

Zhao Tian leaned up pecking her lips "How about we go on a date?"

Ning Xue hugged him pressing him against her body "But Tian... we can't go around in Zhenzhu as it will cause commotion so we can't really enjoy our date."

At this time, Zhao Tian got an idea "Xue, have you ever gone to Human world?"

Ning Xue shook her head "No, Tian."

Smiling, he placed a kiss on her cheek "Then let me bring you there, and we can go on a date."

"En. Maybe I can also see Hua'er"

"Yu Hua?"

...

In the evening~

\*giggle\* "No,." Walking hand in hand, Ling Meiyong softly hit Zhao Tian's hand and the disciples who were passing were startled to see their intimacy.

At that time, Ling Chen also came there and seeing him she sighed in her heart, 'He is again going to forcefully do things to me. Tch.'

But Zhao Tian just walked past Ling Chen, not minding her, chuckling and teasing Ling Meiyong.

H-Huh? Ling Chen was bewildered 'H-He didn't even look at me, what happened?'

Ling Meiyong asked in a soft tone "Husband, I heard from Sister Huang that you like sweet things. Shall I prepare something for you."

Zhao Tian nodded "If I can be alive after eating that, you can prepare."

"Hate you, Husband, stop teasing me... I know how to cook."

\*chuckle\*

Chapter 185: A talk between an Elf and a Queen!

Ning Xue opened the grand door, and the woman with long pointed ears opened her silver eyes as a tender smile appeared on her face. "Its been a while, Xue'er."

"Sister Freya." Ning Xue muttered, looking at the elf floating in front of her on the altar.

Looking at Ning Xue, an amused frown appeared on her eyebrows "Xue'er, why do you feel so much happier than usual. You seem like you can't stop smiling."

Ning Xue was quite embarrassed to hear this and slightly scratched her neck. "Hoh? Now I am curious, who got you smiling like that?" Freya Everglade teased her with a small smile on her face.

Still seeing her being so shy, Freya Everglade had a wild guess: "Has the Queen of Zhenzhu finally found a man worthy of her?"

Ning Xue's eyes quivered and the blush on her face deepened. What? Freya Everglade was startled to see her reaction "Xue'er? Really?"

Ning Xue gave a faint nod and raised her hand as an Envisage shard floated from her hand. Freya Everglade took the Envisage shard in her hand and saw the face of Zhao Tian in it.

Clearly impressed by the handsome boy, Freya Everglade nodded her head. "Sure, as I thought, he is handsome. Even though I haven't seen many males, I can surely say he is better than the men in High Stars."

Ning Xue chuckled faintly "Of course he is my man after all, he can't be simple."

Freya Everglade shook her head helplessly hearing her audacious words and returned the Envisage shard "But I never expected for you to fall for a man and he seems so young for you."

"You are like 150 years old, and he looks like 30 years old. So he must be very weak, did you really fall for a weak man, a strong Queen like you?"

Ning Xue's lips twitched upon hearing this. "Sister Freya, don't talk about my age. And Tian is special just like me. He has already reached the Emperor astral stage at this age. So he is not weak."

Freya Everglade raised an eyebrow upon hearing this "Emperor Astral stage? Reaching that stage in transient realm in a middle star is really incredible. It is impossible for even people in High Stars to reach that stage at this age."

"And just like you? He also has a special physique?"

Ning Xue nodded with a smile "Yeah, he has a physique which gives him insane Yang energy."

"When I first met him, my body was so attracted to him and well, after talking with him, he realized that we are attracted to each other because our physiques complement each other."

Freya Everglade's eyebrows furrowed "Maybe Pure Yang physique? Such Physiques exist? Maybe because of that, he can cultivate quicker?"

Ning Xue shrugged her shoulders "And another thing, Sister Freya... I won't need the Phoenix blood Astragalus flowers anymore." she spoke, glancing to her right, where red flowers were growing from a small pool of blood.

Freya Everglade guessed "Because his physique extracts the excess Yin energy from your body?"

Ning Xue gave a small nod and asked, "Sister Freya... I was thinking about this, do you think his physique will help you too?"

Freya Everglade shook her head "No, Xue'er... my Phoenix bloodline-haah, forget it. He can't help me with his Yang energy."

Ning Xue let out a deep sigh and a beautiful smile formed on her face as she looked at Freya Everglade "Thank you, Sister Freya, for giving me the Phoenix Blood Astralagus Flower made from your own blood for me all these years."

Freya Everglade was surprised by her sudden words of gratitude and her eyes softened. "Thank you for that little girl who helped me in the forest too and gave me a space in her Royal Palace to cultivate."

Ning Xue giggled hearing this: "Sister Freya, you could have recovered even without my help that day."

Freya Everglade shook her head "No, Xue'er, when I came to this star after what happened in my star I was devastated... but you saved me not only physically but also mentally."

As she spoke, her eyes crescented in sadness. "At the same time, I am sorry... Xue'er. i couldn't save your family that day." she spoke with guilt in her heart.

Ning Xue kept the smile on her face "No, Sister Freya. It was a sneak attack and you were immersed in your cultivation, Only if you had known sooner, I know you would have helped everyone."

"But I am grateful that you protected me and killed all the rebels that day."

Freya Arianwen Everglade was the real miracle that happened during the day of the massacre of the Royal family.

A cultivator from the High Stars who has Empyrean realm cultivation. People in Transient realm cultivation have no chance against her.

On that day, no one could see what was happening, but the enemies were getting obliterated one by one in the hands of Freya Arianwen Everglade.

(A/n: Btw, if you are confused about this Transient and Empyrean realms go and check the auxiliary chap a little.)

Ning Xue sighed "But because of that, you also almost killed yourself as you overused your powers."

Freya Everglade gently shook her hand "But it was worth it because I saved you that day, and I am already clinging to my last energy to keep this body alive anyway."

With a sigh, Ning Xue walked up the stairs and sat below the altar. Understanding her gesture, Freya Everglade also got down from the altar and sat beside her.

"Big sister." Ning Xue gently placed her head on Freya Everglade's lap, and with a giggle, Freya Everglade gently patted her head.

Ning Xue closed her eyes with a soft smile on her face. After she lost her family, Freya Everglade and Yu Hua were the only ones she considered family and she thinks of Freya Everglade as her big sister.

At this time, Freya Everglade spoke "Xue'er, if he has taken your excess Yin energy that means you can easily channel the astral energy in your meridians?"

Ning Xue gave a nod "Yeah, I can."

A slight frown appeared on her face "Which means you can now cultivate quickly again and can cross the Transients realm stepping into the Empyrean realm."

"If only we had a Empyrean pill."

Chapter 186: Some time with Meiyang!

\*clank\* Ling Meiying was preparing sweets in the kitchen while Zhao Tian was hugging her from behind, resting his head on her shoulder, and she couldn't help but smile, feeling the warmth of Zhao Tian's embrace.

The simple gesture filled her with a sense of contentment and love as they stood together in the cozy kitchen, lost in their own little world.

\*smooch\* He planted a kiss on her cheek and Ling Meiying was startled by the sudden kiss. She gently turned her face and playfully pinched his nose "I never really thought that you would be so clingy and like to get spoiled like this."

Zhao Tian delicately caressed his cheeks with hers "What's wrong with being so cling to my wife? You don't like this?"

Ling Meiying shook her head "No, I am just surprised. At first seeing your strength, I had deep respect for you and thought you are a very serious person."

"Even in the tournament, you did not hesitate to cripple someone and Sister Xin told me that you killed the Stormweaver Sect mercilessly."

"But now you are here, clinging to me like a koala giving me affectionate kisses."

He maybe cold and ruthless to others. But when it comes to his women, he is always soft and sweet for them.

Which man in the world is not simp for his wife?

Ling Meiying's eyes filled with an increasing tenderness as she spoke "Which means I got to know more about you and close to being your real wife."

Zhao Tian's lips curled into a gentle smile as he tenderly cupped Meiying's chin in his hand. "Meiying." With a delicate touch, he turned her face towards his, and Ling Meiying was confused "Husband?"

As Zhao Tian moved in closer, Ling Meiying instinctively closed her eyes and her breath caught in her throat as she felt the warm touch of his lips over her lips.

Ling Meiyong gently pulled back her lips, a soft smile forming on her face as she wrapped her hands around his neck "Our first kiss."

Zhao Tian chuckled "But we kissed-"

"No." Ling Meiyong placed her finger on his lips stopping him from uttering any further "That kiss was when I got hit by aphrodisiac. It does not count."

"This was our true first kiss."

"Oh, okay." Zhao Tian nodded his head and at this time Ling Meiyong thought of something "By the way, why does she even have to use aphrodisiac on another woman? Its really weird."

Zhao Tian let out a soft chuckle and pecked her lips "Who knows."

Ling Meiyong also giggled and delicately pinched his face. But at this time, Ling Meiyong's eyes inadvertently fell on Ling Chen, who was standing by the doorstep of the kitchen watching them.

Eh? Ling Meiyong was dumbfounded seeing her. "Sister Chen?"

Ling Chen came out of her daze hearing Ling Meiyong words and shook her head "Nothing, I just came to drink some water." she spoke as her gaze lingered on Zhao Tian.

Zhao Tian remained indifferent, not bothering to glance at her. Meanwhile, Ling Chen's eyes stayed completely on Zhao Tian hoping to get his attention as she drank the water.

Ling Meiyong turned back to concentrate on preparing sweet delicacies and \*cough\* Ling Chen coughed a little to make Zhao Tian look at her.

But it was Ling Meiyong who glimpsed at her before turning her attention to the sweets.

Ling Chen squinted her eyes 'Why do I feel like he is avoiding me?'

As the evening wore on, Zhao Tian playfully peppered Ling Meiying's neck with kisses, causing her to giggle and playfully scold him "Haha, Husband... your breath tickles."

...

Ling Meiying and Zhao Tian strolled out of the kitchen together, her following closely behind with a tray overflowing with delectable sweets. She placed it on the table and as Zhao Tian sat on the couch she sat beside him.

"Now try it, Husband. This is a special sweet from Zhenzhu."

With a soft nod, Zhao Tian took the sweet and tossed it in his mouth. He glanced at Ling Meiying and nodded his head. "It's good."

He took another one and continued to eat the sweets. At this time, Ling Chen also came and sat on the opposite couch.

Looking at her, Ling Meiying smiled "Sister Chen, do you want some sweets?"

Ling Chen shook her head "No, I am fine."

Zhao Tian raised his head and 'looked' at Ling Chen as a faint smile appeared on his lips. Ling Chen was surprised by his sudden smile and reciprocated with an equal smile on her face.

As she opened her lips to talk about why he was avoiding her. "Chao." Zhao Tian muttered.

Huh? Ling Chen turned around and saw Ling Chao coming inside the hall. Then he actually smiled at her?

Glancing at Zhao Tian, Ling Chao couldn't help but smile "Senior Tian."

She excitedly came and sat beside him, and as her gaze fell on the sweets, her eyes lit up and she reached out to take some sweets. "Sweets."

\*tap\* But Ling Mieiyong shrugged her hand away and spoke "I made them for my Husband, not for you."

E-Eh? Ling Chao was bewildered and spoke "But the sweet looks so good."

Zhao Tian chuckled faintly "Chao, you can have some."

"Really?"

Ling Meiyong snorted, "Humph. Since Husband agreed, then you can have some."

Ling Chao wasted no time in grabbing a handful of sweets and eagerly ate them with great satisfaction "Elder Meiyong, the sweets are soo good."

Ling Meiyong just smiled and seeing this Ling Chen also wanted to join with them and have some sweets, but she stayed silent.

"By the way, Chao here is your reward." Zhao Tian spoke as a storage ring appeared in his hand

Ling Chao was taken aback seeing it "Storage ring... for me?"

"Yeah for you."

Ling Meiyong also nodded her head "Yes, Chao'er. You really did well during the tournaments, taking our Sect to the second position, so you definitely deserve this."

Ling Chao was grateful and took the storage ring in her hand and wore it. She then took a sweet in her hand and stored it in her ring and then retrieved it.

Ling Meiyong giggled seeing her playing with the storage ring and asked "You like it?"

Ling Chao hurriedly nodded "Yeah, very much. Thank you, Senior Tian."

Ling Chen watched as they laughed, joked, and enjoyed themselves, all the while feeling a pang of envy deep within her soul because they didn't even mind her.

...

Inside the artifact-

Zhao Tian, Xia Shenyi and Ling Huang were inside the warehouse, surrounded by cultivation scrolls and books.

Xia Shenyi rolled her eyes "An Empyrean pill huh."

Chapter 187: What happened?!

Eh? Ling Huang blinked her eyes in confusion looking at Xia Shenyi who was sitting on the other side of Zhao Tian on the couch.

"Sister Shenyi, what is this Empyrean pill Tian is talking about?"

Xia Shenyi glanced at Ling Huang and spoke "You are now aware that Monarch Astral Stage is not the peak cultivation stage, right?"

Ling Huang gave a nod "Now I know. Sister Shenyi and that cold-faced woman are from High stars where people with higher cultivation exist."

Xia Shenyi nodded "Good. A cultivator on this earth can only reach the peak of the Transient realm, that is Monarch Astral stage."

"Well at most they can reach the Half-Empyrean stage. But they can never step into the Empyrean stage as long as they are in this Middle star."

"Huh? Why?" Long Huang asked, stunned by the information.

Xia Shenyi spoke "Middle stars do not have the life energy and Astral energy to support the ascension of a cultivator from the Transient realm to the Empyrean realm."

"The people in middle stars are struck in transient realms and that's why it is called Middle stars where astral energy is almost half."

Ling Huang had a slight frown on her face "That means the people in High stars can easily break through from the Transient realm to the Empyrean realm?"

Xia Shenyi nodded her head "Yeah they can."

"So if we have to cross the Transient realms we have to go to the High stars?"

Xia Shenyi rolled her eyes "That is a solution but another solution is this Empyrean pill. This pill will give you enough astral energy to break through to the Empyrean realm."

"The energy required would be more than the energy combined for a cultivator to reach the peak of Monarch Astral Stage."

-\_- Then we need more energy than the total energy we have cultivated in our lifetime till now?

Ling Huang spoke "Then the pill must be so powerful, do you know how to create that pill, Sister Shenyi?"

Xia Shenyi shook her head "No, even though I have fire elemental I am not much concentrated in Alchemy. Back in the day, I was more interested in Artifacts."

"And that pill is not very rare in High stars. Many people who can't ascend by themselves, use Empyrean pills to forcefully ascend."

"It will leave them with some impurities in their body but when they take medicinal baths, the impurities will be reduced in their body."

Xia Shenyi turned her eyes to Zhao Tian who seemed to be in deep thought "But, Tian why do you need an Empyrean pill right now? You still have some time to reach the peak of Monarch Astral Stage."

Zhao Tian spoke "I need that for Xue."

"Xue? Oh, that Queen of Zhenzhu who has a pure Yin physique. Tian, you should dual cultivate with her as it would benefit you greatly and for her too."

"Women with pure Yin physique are rare and she is a virgin too. So I am sure you would reach the 4th level of Monarch Astral Stage."

Zhao Tian shook his head gently "We can think of those things later. Shenyi, do you think Huang'er can use that Essence Pill?"

That pill is the one Zhao Tian refined using Phoenix blood Astralagus flower to increase his cultivation.

Hearing this, Xia Sheyi frowned "I am not so sure. Even for you, it took four days to control the abruptive amount of astral energy. Do you think she can control it?"

"So for now, that is impossible for her. Let her cultivate a bit more and we can give the pill to her."

Zhao Tian nodded "Well then, Shenyi, you search to see if there is any scroll on how to make Emyrean pills."

"I still have to make rings for Chen and Xue." He stood up from the couch and kissed them before leaving the warehouse.

As he left, Xia Sheti glanced at Ling Huang "What are you gonna do? Huang?"

Ling Huang smiled slightly "I actually thought of choosing a new fire cultivation technique for me. A higher grade."

Xia Shenyi nodded her head "Let me help you then."

"Thank you, Sister Shenyi. I know I could rely on you."

...

Fei Ziyu who was watering the medicinal plants in the garden, was surprised to see Zhao Tian walking towards the garden.

She quickly stopped watering and walked near him "Master..."

Zhao Tian glanced at the growth of the medicinal plants and was surprised. They have grown well by the abundant astral energy in the artifact and under the good care of Fei Ziyu.

He turned to Fei Ziyu and a faint smile played on his lips "Good job." He muttered, entering the garden.

H-Huh? Fei Ziyu gasped in shock and happiness flooded her heart. He smiled at me. He smiled at me.

She stood there like a statue utterly overwhelmed just by his soft smile. He fucking smiled at me. Hehehehehehehehe.

Zhao Tian entered the medicinal garden and Fei Ziyu also followed him there. A little later after entering, he saw Shi Yixian carefully looking at the medicinal plants.

Sensing his presence, Shi Yixian turned her head "My Liege." She greeted him with a slight bow.

Zhao Tian gave a slight nod and spoke, "Yixian, cut even more Divine astral stones and I will collect them later"

"As you say, My Liege." Shi Yixian again bowed her head.

"At the same time..." He raised his hand groping Fei Ziyu's ass making her tremble from his touch. "Hngh"

"Where is Lingxi?"

"Mom must have finished her bath right now."

...

Sitting on the bed, Zhao Tian gently patted Fei Lingxi's head as both Fei Lingxi and Fei Ziyu continued sucking on his cock giving him a double blowjob.

"Master~~" Fei Ziyu moaned inhaling his dick's scent and continued sucking on his balls as Fei Lingxi concentrated on his dick.

\*splurt\* A little later, under the touch of those two moist tongues, he came blasting his semen right at their faces.

Fei Lingxi and Fei Ziyu opened their mouths, took in his tasty semen, and swallowed his thick cum.

After being satisfied by their blowjobs, he muttered "On all four on the bed."

Fei Lingxi and Fei Ziyu also moved on the bed kneeling as they spread open their pussies with their fingers for Zhao Tian to fuck.

As Zhao Tian moved on the bed \*ring\* \*ring\* His mobile which was on the night stand ringing, caught his attention.

It's been a while since he used his mobile as he was busy in Zhenzhu. He raised his hand and the mobile itself floated to him.

Looking at the name, he attended the call "Old man?"

Li Jie sighed heavily "Haah... finally you answered the call. Where have you been all these days?"

Zhao Tian frowned "I am in Zhenzhu."

Li Ji spoke "Quickly return. Mei Xiu's grandma... has passed away."

Zhao Tian was surprised to hear this and muttered "I'll be there."

As he canceled the call, he saw the number of missed calls from Mei Xiu and Li Jie.

Chapter 188: Mei Xiu in depression!

\*tap\* Zhao Tian walked out of his room with a worried expression etched on his face. He promised himself that he would be with Mei Xiu when her grandmother dies.

But, because he came to Zhenzhu, he can't be with her now.

Ling Chen who had just come out of her room saw the worry on Zhao Tian's face and was surprised. She quickly caught up to him and asked "What happened?"

Zhao Tian continued walking, not responding to her and Ling Chen stopped on her tracks, looking at his back as he walked away, her heart trembling with confusion and hurt 'W-What did i do? He could have answered me.'

Zhao Tian directly went to Ling Meiying and opened the door without even knocking. "Huh?" Ling Meiying, who was changing the dress in her room was startled and turned around.

Hm? Zhao Tian gaze fell on the seductive body in front of him, with alluring boobs and captivating curves and enticing thighs leaving him unable to tear his eyes away..

Feeling his gaze, she was embarrassed, but she didn't make an effort to hide her body and let him take a good look, feeling kind of proud that he was awe struck by her body.

Zhao Tian shook his head and walked near her. Ling Meiying who saw his weird attire, was stunned "Husband? You are going back to the human world?"

Gently taking her waist in his arms, Zhao Tian spoke "I just received information. Someone close to me is dead. So I got to go..."

Ling Meiying blinked her eyes in surprise and nodded "I see." She spoke with a hint of disappointment in her tone as she lowered her gaze.

Seeing this, Zhao Tian raised her chin and asked, "What happened, dear?"

Ling Meiyong let out a gentle sigh as she leaned on his shoulder. "I just thought that I could spend more time with you here and deepen our relationship."

"I want to learn more about you and thought of going on a date with you. So I was getting ready just now, but you are leaving suddenly. So... I am sad."

Zhao Tian was kind of surprised by the tender-hearted woman in his arms, and he couldn't help but smile in happiness. Any man would be lucky to get a gentle woman like her.

Raising his hand, he softly patted her head "I am not going forever. I will be back soon. And if you ever miss me so much, just ask Huang'er how to use that ring, and she will help you."

Huh? Ling Meiyong was confused upon hearing this. "But husband, I already know how to use the storage ring."

With a soft chuckle, he placed a kiss on her forehead "Ask Huang'er and you will know. Also, inform others that I'll be gone for a while."

...

\*thud\* Ning Xue who was eating her food on the couch turned her head as she felt Zhao Tian's presence and saw him entering in.

But seeing his dress, Ning Xue giggled softly "Is this the weird outfit that caused some rumors in royal capital?" She remarked looking at his shirt and pants.

With a sigh, Zhao Tian sat beside Ning Xue on the couch and began to explain things.

Ning Xue nodded with a smile "Ok, then come back quicker."

...

\*swoosh\* Zhao Tian dashed through the air at full speed. And even for him, it will take an hour to reach back to his city.

When he returned, it was already close to night and he saw Li Jie's car parked outside Mei Xiu's apartment.

With hurried footsteps, he opened the apartment's door and entered in. As he stepped in, he saw Mei Xiu sitting on the couch with a teary face and Li Ji sitting on the opposite couch.

Hearing the door being opened, Mei Xiu quickly turned her gaze and seeing Zhao Tian, her eyes quivered in emotion.

"Tiannn." She quickly stood up and hurried near him. Hugging him tightly, she buried her face on his chest, her once controlled tears again bursting out from her eyes like a dam.

Feeling her trembling hands desperately clinging on him, Zhao Tian hugged her back and sighed in his heart.

Li Jie stood up from his seat and thought of leaving knowing that they should be left alone and Zhao Tian is the only one who can console Mei Xiu now.

Before leaving he patted Zhao Tian's shoulder and Zhao Tian nodded back.

"Tiannn... \*weep\*" Tears streamed down Mei Xiu's face as Zhao Tian tenderly placed a comforting hand on her head, as he knew how important her grandmother is to Mei Xiu as she is her only family and she was working hard to treat her.

Zhao Tian moved and sat on the couch. Seeing this, Mei Xiu also sat on his lap side ways hugging him very tightly.

Mei Xiu continued crying, tears dampening down her cheeks as they wet Zhao Tian's shirt but he just continued patting her head, providing comfort and solace in his presence.

A little later, she raised her head from his shoulder "Tian... grandma, she is gone." She muttered, looking at his blue eyes.

Zhao Tian sighed in his heart, seeing her face red and her hair sticking to the tears in her face as she looked devastated.

He gently raised his arm and brushed the wet hair out of her face "I know, Xiu... it must hurt you a lot."

"I may sound rude... but crying won't bring back Grandma. You could only accept her death."

He gently wiped away the tears with his hand "And I am sure Grandma won't like you crying because of her."

Mei Xiu nodded her head "Y-Yeah, I won't cry... Grandma won't like that." She whispered, gently wiping away the tears that had gathered on her cheeks.

As she spoke, she tried to force a smile, but the memories of her grandmother flooded her mind, causing her lips to quiver uncontrollably, and Zhao Tian gently pulled her head placing it on his shoulder.

Mei Xiu closed her eyes and stayed silent, relishing his presence and the warmth emanating from his body.

A little later, she opened her eyes and glanced down at his shirt, drenched with her tears. "Tian, your shirt..."

"Don't worry about that. How do you feel?"

Mei Xiu gave a subtle nod, still on his shoulders, and spoke "I am good."

"Did you eat anything?"

Chapter 189: What does she want?!

\*haah\* Mei Xiu let out a deep sigh and looked at herself in the bathroom mirror. She shook her head and opened the tap to wash her face.

After washing her face, she entered her room and began to change her dress. Wearing a white crop top and shorts, she came out of the room and made her way toward the kitchen.

Reaching the doorstep, she stopped and discreetly peeked inside to see what was happening. There, she saw Zhao Tian preparing dinner for them to eat.

Her eyes softened to see him doing the cooking instead of her, and she couldn't help but smile, thinking how lucky she was to have an understanding boyfriend like him.

Mei Xiu entered, and Zhao Tian also noticed her. Walking near him, she asked, seeing him busy, "Do you need a hand, Tian?"

Zhao Tian gave a nod. "Yeah, stand here for me to kiss."

Eh? Mei Xiu was dumbfounded, and she couldn't help but giggle faintly. With her hand trembling slightly, she reached out and delicately touched his cheek, feeling the warmth of his skin under her fingertips.

She leaned in and pressed her lips against his, a tender and sweet kiss that spoke volumes of the emotions swirling inside her.

She pulled away from the kiss and wrapped her arms around him from behind, holding him close while Zhao Tian continued doing his work.

As she stood, hugging him, a little later, "Tian, here's a kiss." She turned her head and gave him a kiss.

Zhao Tian chuckled and continued cooking, with in-between kisses from Mei Xiu.

After cooking the food, both Mei Xiu and Zhao Tian placed the dishes on the table for dinner.

And at this time, Mei Xiu unconsciously went to her grandma's room to remind her of dinner.

However, as she approached the door, realization washed over her, causing her body to tremble involuntarily. She gently turned her eyes to Zhao Tian and forced a smile "Sometimes... I am forgetting things."

"I'll go and wash my face," she stammered, trying to leave from that place.

But Zhao Tian gently clasped her hand, and Mei Xiu also leaned on him. "Tian..."

Zhao Tian hugged her waist as she stood in his embrace. "Xiu, you want to move on from here and stay with me? If you stay here, you will constantly remember her."

Mei Xiu let out a soft sigh. "I will think about it," she said as she kissed his lips.

Pulling back from the kiss, Zhao Tian pulled her and made her sit on his lap at the dining table. "Come on, let's eat."

Mei Xiu also nodded and wrapped both her arms and legs around him. "Tian..."

Eh? Zhao Tian spoke "Xiu, if you look at me, how are you going to eat food?"

Mei Xiu shrugged. "I don't know... Make me eat. Feed me."

Zhao Tian chuckled, seeing her act like a spoiled brat. The sight of her pouting and acting so childlike only made him adore her even more, and he couldn't resist teasing her with the spoonful of food.

As Mei Xiu took the first spoonfeed, she was startled and slowly munched down the food, savoring the delicious taste.

"Tian, this is so good. Your handmade food tastes extraordinary." She looked at him in wonder. When it comes to cooking, she has confidence that she cooks better because she has been cooking since she was young.

But unexpectedly, Zhao Tian's cooking is better than hers. Seeing her reaction, Zhao Tian smiled wryly. Because of his special physique, he can learn anything if he tries it.

\*num\* As Mei Xiu munched another spoonful of food, she asked in a faint voice, "Are you free after this?"

Zhao Tian chuckled. "Don't worry. I am staying the night with you."

Mei Xiu's eyes softened, and she hugged his neck tightly. "Thank you, Tian."

...

\*click\* Turning off the light in the room, he glanced at Mei Xiu, who was lying on the bed. Mei Xiu opened her arms with a soft smile on her face. "Come here, Tian."

Zhao Tian moved near her on the bed, and Mei Xiu also wrapped her hands around him in a warm embrace as they snuggled together.

"Tian." Muttering his name softly, she kissed his lips, and Zhao Tian also reciprocated the kiss but this time, Mei Xiu boldly pushed her tongue in for a passionate kiss

And Zhao Tian also intertwined his tongue with her as they began sucking each other's tongues passionately.

After a short while, they parted their lips, but a delicate thread of saliva still lingered between them, connecting their mouths.

A flick of desire coursed through Mei Xiu's eyes, and \*thud\* she pushed Zhao Tian onto the bed getting on top of him.

"Tian..." She quickly removed her tank top, revealing her blue bra. \*click\* She unhooked the bra, letting her boobs jiggle.

Eh? Zhao Tian was surprised by her sudden move.

Mei Xiu leaned in and kissed his lips as she muttered, "Tian, let's have sex."

Huh? Zhao Tian slightly frowned. "Xiu, now?" He knew that this was not the night to have sex.

Mei Xiu nodded her head "Yeah now. Tian, whenever you hold and kiss me, I am so happy. So, I know if I had sex with you, I would be happier, and it would remove the sadness I am feeling now."

"Please, Tian, have sex with me."

Zhao Tian sighed in his heart, and at this time, Mei Xiu got away from him. Zhao Tian looked at her confusedly. "Xiu?"

Mei Xiu turned to look at Zhao Tian. "I cried all day, Tian. And we are going to have our first time... Wait 10 minutes. I will freshen up and come for you."

...

Mei Xiu watched as the bathtub gradually filled up with water, and she turned off the faucet before stepping inside

\*creek\* At this time, the bathroom door opened and Zhao Tian entered wearing his pants. "Tian?" Mei exclaimed a bit surprised.

Zhao Tian walked near the bathtub, and as he began to remove his pants, Mei Xiu averted her gaze.

Mei Xiu moved a little front and Zhao Tian entered the bathtub comfortably leaning back on the rim.

"Come closer..." Zhao Tian pulled Mei Xiu closer, and as she moved, the water began to spill out from the bathtub.

He gently fondled her boobs from behind, and Mei Xiu also leaned back on his chest "Tian..."

Zhao Tian smiled as he slowly lowered his left hand, his fingers tracing a path down her body until they hovered near her abdomen.

And as it reached her crotch, Mei Xiu's breath caught in her throat, her legs instinctively tightening as she anticipated his next move.

Zhao Tian chuckled and caressed her thighs "Come on, let me see."

With a timid nod, she slowly spread her legs, and using this opportunity, Zhao Tian let his finger slide in touching her pussy and he could feel some hair above her clit.

Chapter 190: \*Mei Xiu\*

"Haangh~!" Mei Xiu let out a soft moan of pleasure as Zhao Tian's fingers delicately explored the folds of her pussy and as Zhao Tian slid one of his fingers in, he could feel her squishy walls tightening on his finger.

"Umnhg~!" Mei Xiu whined in pleasure as Zhao Tian began to move his finger in and out of her pussy.

At this time, Zhao Tian whispered, "Xiu, do you masturbate?"

H-Huh? Mei Xiu was taken aback and her cheeks grew even redder at the unexpected question. "Um, what do you mean by that?" she replied, feeling flustered and unsure of how to respond.

"Haangh~~" Zhao Tian slid another finger in stretching her moist pussy walls and making her moan louder "Just answer my question."

Mei Xiu's eyes shook as his fingers explored her tender folds, sending waves of electricity pulsing through her entire being.

"Anghh~~!" She opened her lips and let out a satisfied moan as she began to speak "R-Recently, I began to masturbate. I t-think of having sex with you and using my two fingers to masturbate... just like you are doing it to m-me... Hnng~!"

"And which one feels better?" Zhao Tian continued to tease her with a smirk.

Mei Xiu spoke "D-Definitely yours, Tian. Your fingers are so good. Aangh~ y-yes there Tian." she muttered as Zhao Tian's finger poked her G spot.

Finding her G-spot, Zhao Tian moved his fingers in and out of her pussy carefully making Mei Xiu scream in pleasure.

"Anghhh~! Hangg..." Mei Xiu felt the pleasure coursing through her body and as Zhao Tian continued to finger her, stretching her moist pussy.

The waves of pleasure grew stronger and stronger until, unable to hold back any longer, she finally succumbed to the blissful ecstasy that awaited her.

\*squirtt\* She orgasmed in the bath tub and her body arched back on his chest as she continued squirting her love juices.

"Haah!" She took deep breaths, her mind still lingering in the pleasure of her intense orgasm.

Zhao Tian stood up on the bath tub and gently lifted her body from the tub. H-Huh? Mei Xiu was confused as Zhao Tian suddenly pulled her and made her stand on the tub.

Zhao Tian softly pushed her to the front and muttered "Put your hands on the wall."

Though confused, Mei Xiu placed her hands on the wall showing her ass cheeks to Zhao Tian. Mei Xiu, who was embarrassed by this position, turned her head "Tian?"

Zhao Tian delicately raised her left leg and placed it on the rim of the bath tub. H-Huh? Mei Xiu's eyes widened as she realized, not only her pussy, he can even see her asshole now.

The blush on her face deepened, and Zhao Tian grabbed her ass cheeks spreading them, taking a good look of her pink pussy and asshole.

Mei Xiu was embarrassed to death feeling his gaze on her pussy but in the next instant, her heart trembled as she felt a hard thing caressing her pussy.

She turned and saw Zhao Tian rubbing her pussy outer walls with his dick. She involuntarily gulped her saliva seeing the size and muttered "T-Tian, we are having sex here?"

"Yeah..." Zhao Tian muttered, smearing his cock with her love juices, moistening it for a smooth entry in this virgin pussy.

Mei Xiu took a deep breath mustering her courage and give a sheepish nod "Hm, Tian."

Gently grabbing her waist, Zhao Tian slowly pushed his dick in spreading her tight pussy and Mei Xiu's eyes trembled in slight pain and pleasure feeling his hot cock in her pussy.

As it entered deeper, Mei Xiu gritted her teeth and braced herself for what was about to come. Zhao Tian pushed his cock in tearing through her hymen and instantly blood spilled from her pussy as a drop of her virgin blood fell on the bathtub.

"Urgh!" Mei Xiu winched in pain but it didn't hurt as much as she thought and felt it was quite bearable.

Zhao Tian also caressed her boobs to make her relieve the pain and slowly moved his dick in and out of her pussy.

Then, he began to move, slowly love juices began to flow from Mei Xiu's pussy and lubricated her pussy walls, increasing the pleasure they were feeling and making his movements easier

Gradually, the expression of pain disappeared from her face, and her eyes turned more lewd, at that moment, Mei Xiu let out a loud moan

"Anhhh!? Tiannnnn~!!"

He increased the speed of his thrust, and the pleasure began to overcome the pain that Mei Xiu was feeling and before long, she also began to move.

"Urgh~ Damn, Xiu... your pussy is sucking me so good!"

Zhao Tian mumbled as he enjoyed how her pussy walls are sucking on his dick as if massaging it.  
"T-Tian... me too, your thing is stretching me... Annggh~~~"

But her mind was feeble to think about it as his cock pushed even further reaching her cervix making her feel as if puddles of fire were pooling on her lower abdomen.

It made her body even more hotter and she could not suppress the wave of pleasure that is surging through her whole body making her mind muddle.

\*pakh\* \*pakh\* "Angh~!...Angh~! Tian~ Tian~!" Zhao Tian fastened his hip motions as his dick rammed into her wet pussy making her moan again and again. Her boobs hopped up and down and seeing this, Zhao Tian grabbed her boobs and squeezed them tightly.

"Hnnggh~!...Tiannnn~ T-Tian!!"

Mei Xiu was letting out ceaseless moans and her entire body was already feverish and her body was becoming numb with pleasure.

She could barely feel her limbs that are in the bath tub and felt her body dancing to Zhao Tian's rhythm and his relentless thrusts.

This was the same for Zhao Tian who is also overloaded with the pleasure Mei Xiu was giving him as he continued plunging his cock deep into her honey hole poking her womb.

Zhao Tian grunted in pleasure and thrust fiercely, making Mei Xiu moan again. She extended her legs and twitched comfortably

Her mind began to turn white and she could only keep moaning. He realized that she was close to cumming again and began to thrust faster. \*pakh\*

"Ahhnnn~!?" With a loud erotic moan, she orgasmed as her body trembled in pleasure, her pussy squirting love juices.

At the same time, her vagina tightened over Zhao Tian's dick increasing the pleasure and with the moistening of her love juices \*splurt\* he also released his loads into her painting her inner pussy in white.

Mei Xiu's back arched feeling the hot white magma filling up her insides and her eyes widened in sheer pleasure.

\*pop\* Zhao Tian pulled his cock out and his cum overflowed from her pussy trickling down her thighs. "Haah! "

"Haah!" Zhao Tian grabbed her waist and turned her around. he cupped her ass cheeks and lifted her up from the bathtub.

H-Huh? Mei Xiu instinctively wrapped her legs around his waist and hands around his neck. Fervently kissing her lips, Zhao Tian again slid his cock inside her pussy.

"Anghhh~!" Mei Xiu let out a moan and Zhao Tian raised her ass up and down "Xiu,... urgh."

\*pakh\* \*pakh\*

...

In the morning-

Zhao Tian's eyelids fluttered open and he looked at Mei Xiu resting atop his chest. With a soft sigh, he looked around the bedroom and saw his cum and Mei Xiu's love juices all around the room.

Yesterday, night they went nonstop even though its her first time, Mei Xiu soon got addicted to sex and couldn't stop herself.

Only then did Zhao Tian realize he has awakened a sex maniac.

\*ring\* Hearing a notification sound from his mobile, Zhao Tian took his mobile from the nightstand and saw there was a message from Li Jie.

"Tian, I need to talk something, so come by when you are free."
