Chapter 211: Convincing Zhao Ying!

"Miya..." Zhao Tian muttered Chi Miya's name, snuggling his body with her on the bed. Chi Miya giggled upon seeing this and hugged him tightly.

Zhao Tian lowered his body "Let me sleep on these cushions..." he said burying his face on her plump boobs.

With a giggle, Chi Miya pressed both of her boobs on his face "Here, enjoy..."

Feeling squished by the two melons, Zhao Tian could only be happy to feel the soft touch of her boobs on his face.

Chi Miya's eyes softened as she delicately patted his head, her fingers running through his hair "Tian... your hair is getting long."

"Yeah..." As he spoke, Chi Miya felt ticklish, feeling his breath on her boobs.

"By the way, Tian I want to talk about Ziyu."

Zhao Tian hugged her waist, his fingers sinking into her ass cheeks "What about Ziyu?"

"Ziyu is suffering... and she is only desperate for your love." Chi Miya said in a soft voice patting his head.

Zhao Tian continued cuddling his face "So, you want me to love her or something?"

Chi Miya shook her head "No, Tian... I want you at least to be nice to her and don't treat her rudely. She is like this, because of Miss Lingxi... I want you to forgive her."

Zhao Tian spoke "Forgiving her or not forgiving her is not in my hands. Ask Ying'er... they tried to kill her and technically she is the one using her as a slave more than me."

"If Ying'er forgives... I'll consider."

Chi Miya gently pinched his ear "What are you saying, Tian? Ying is immature and acts like that, calling Ziyu a bitch and always bullying her. How do you think she will forgive her?"

"Just think about it, Tian... Ziyu's always been smiling and never refuses your orders and your approach in bed. She is obedient to you not because of slave seal, because she loves you..."

Zhao Tian slightly frowned but then a sigh escaped his lips "I will talk with Ziyu later..."

Chi Miya's eyes softened "I will try talking to Ying tomorrow."

"I love you, Tian.." She said planting a kiss on his head.

creek At this time, the door opened, and Xia Shenyi entered with a smile on her face. Chi Miya raised her gaze and was surprised "Sister Shenyi..."

Zhao Tian didn't respond and continued cuddling his face on Chi Miya's boobs.

Seeing this, Xia Miy got on the bed and trailed her hand to his waist gently clasping his dick in her palm "Now, don't ignore me." she whispered caressing his dick.

Zhao Tian turned his head and moved, pushing her on the bed. "Don't you know that you should remove your dress?"

Xia Shenyi smiled playfully "I was hoping for you to remove that."

Zhao Tian smiled "Seems like someone wants to be ravished so bad..."

The playful smile on Xia Shenyi's face lingered. "Of course, why do you think I came looking for you..."

"It's been a while since I properly felt your touch because you became busy with other women."

Zhao Tian's eyes softened and he leaned in for a kiss.

...

Next day morning-

Sitting on the couch, Zhao Ying looked at Chi Miya confused "What do you want to talk with me, Sister Miya?"

Chi Miya gave a slight nod "It's about Ziyu."

"Hm? What about that bitch?" She asked curiously.

-- Chi Miya smiled wryly upon hearing this and spoke "Why are you still calling her a bitch?"

"What's wrong in calling a bitch as bitch?"

Chi Miya could only sigh hearing this and asked "Ying, tell me why you hate Ziyu?"

"Is it because she tried to kill you or?"

Zhao Ying shook her head "I hated that bitch since my University days, as she always fawns over Tian'er and tries to woo him."

Chi Miya smiled. "So you hate her because she loved Tian?"

Huh? Zhao Ying frowned upon hearing this "Hm... you can say that."

"Then, you also hate me? Sister Shenyi? Huang? Meiyi? Because we also love Tian.."

Eh? Zhao Ying shook her head "No, Sister Miya... I do not hate you guys. You guys and her are different."

"How come they are different Ying? Chi Miya asked squinting her eyes.

Zhao Ying spoke, "Sister Miya, that bitch tried to kill me..."

Chi Miya let out a sigh "Ying, you already know that she tried to kill you because she wanted Tian to love her."

"I am not justifying that, what she did is right... but what I am saying is that she has suffered enough and its time to forgive her."

Zhao Ying narrowed her eyes and Chi Miya continued "Miss Lingxi is the one to blame; because of her bad parenting, Ziyu grew up hating men."

"But seeing Tian in university, she fell in love with him and was desperate to get his love."

"Well, Miss Lingxi can't be completely blamed... as she was also traumatized by seeing her father beating her mother."

"And any girl would be horrified to see her father forcibly having sex with her mother right In front of her eyes."

Zhao Ying lowered her gaze contemplating Chi Miya's words.

Chi Miya continued "And I am not asking you to accept her as Tian's woman. At least forgive her and be nice to her. She was also suffering these days..."

Zhao Ying let out a soft sigh and it is true that she began to hate Fei Ziyu only because she was following Zhao Tian all the time making him fall for her.

Zhao Ying spoke, "I will not forgive that bitch so easily and I also want to talk with Tian'er about this."

-_- Chi Miya smiled wryly, feeling that all her efforts till now to convince Zhao Ying was a waste. At the end of the day, she listens to Zhao Tian.

Zhao Ying stood up "I will go and meet Tian'er...." she said coming out of the hall.

...

Meanwhile, In Zhao Tian's room.

pakh "Haangh~~ dear...." Zhao Suyin on the bed, moaned loudly feeling her Son's dick slide in and out of her pussy.

"Tian'er... moreeeee~"

This is one of the bonus chapters for reaching 100 Golden tickets!! BOOST MEEE! for more bonus chaps!!!

Chapter 212: Fucking Mom!

"Haangh~~! Haanghh~~" Zhao Suyin let out a series of passionate moans riding Zhao Tian's cock in the cowgirl position while he was sitting in the bed, sucking her nipples.

Her legs were wrapped tightly around his waist, pulling him closer as they both lost themselves in the pleasure of the moment.

Hugging her waist tightly, Zhao Tian raised her hips up and down sliding his cock in and out of her pussy.

"Hmnggh~~ Tian'er...." Zhao Suyin was letting out ceaseless moans, feeling her son's huge dick messing with her insides, as in this position each of his thrusts was hitting her womb.

"Kyaangh!" A sudden, loud moan slipped past her lips as Zhao Tian bit on her nipple and she hugged his head tightly as he continued biting and sucking on her nipples.

But then a slight frown appeared on his face. With a playful smile, he turned her body on his lap making her face front.

H-Huh? Zhao Suyin was startled as she couldn't hug him anymore "T-Tian'er? Haangh~"

Zhao Tian groped her boobs from behind, placing a kiss on her shoulder "This position is also good... Mom, your pussy.. urgh."

The blush on Zhao Suyin's face deepened even more after hearing his dirty words "B-But Haangh~ I wanna hug my son, while having sex with him...."

"Angh~ Angh~" Zhao Suyin raised her hips up and down, devouring Zhao Tian's cock with each push as she closed her eyes, surrendering to the pleasure.

"Mom, what the fuck are you doing?"

Suddenly a loud sound echoed across the room and hearing Zhao Ying's voice, Zhao Suyin's face froze and she instantly opened her eyes, her gaze locking with Zhao Ying's eyes who was standing near the door.

Zhao Ying stood there, her eyes widening in shock as she saw her brother's cock inside her Mother's pussy.

Zhao Suyin panicked upon seeing Zhao Ying, her eyes quivering in utter disbelief. "Y-Ying'er? what are you doing h-here?" she managed to stammer out, her voice trembling with shock and confusion.

She hurriedly turned her head looking at Zhao Tian "T-Tian'er- *smooch* But Zhao Tian kissed her lips and grabbed her hips, raising them up and down.

Retracting the kiss, Zhao Tian whispered, "Don't stop..."

"N-No.. Tian'er.." Zhao Suyin's heart was overwhelmed with emotions but Zhao Tian turned her around, making her face him.

Hugging her in his arms, he continued to ram his cock in her pussy. "Hnngh~" A low moan escaped his lips, but Zhao Suyin's gritted her teeth.

"Tian'er... Hngh... Ying'er is here..." she muttered trying to control the pleasure her mind receiving from his thrusts.

Zhao Ying came out of her shock and hurriedly walked near the bed "Tell me, Mom... what the fuck is all this?" She asked still perplexed by the scene happening in front of her.

Zhao Suyin was ashamed to face her daughter and buried her face on Zhao Tian's shoulder "Tian'er... help."

Keeping his playful smile, he glanced at Zhao Ying "Can't you tell by just looking?" he asked hugging Zhao Suyin in his arms tightly.

H-Huh? Zhao Ying was bewildered "What are you saying? T-That is our Mom!..."

Zhao Tian chuckled "That's the best part about this..."

Zhao Ying clutched her head in exasperation, still reeling in shock.

Zhao Tian gave a soft kiss on Zhao Suyin's ear feeling her trembling arms around his shoulder "Mom, now is the chance to talk... don't be shy."

Hearing this, Zhao Suyin took a deep breath, mustering her courage and nodded her head.

thud Suddenly, Zhao Suyin pushed Zhao Tian onto the bed boldly and placed her hands on his chest as she raised her hips up and down riding his dick again "Tian'er~~ Haangh~"

"Mom, stop what you are doing? he is your son!" Zhao Ying yelled seeing her Mom's boldness."

Zhao Suyin scoffed "So what? I love him... Hnngh~~ and you were also having sex with him and love him." The incredulous tone in her voice was unmistakable as she defended her feelings for him.

"Did I say anything? It is okay for sister? But not for Mother? So just shut up and leave... don't waste our time."

Zhao Ying facepalmed and sat on the bed. She kinda expected this.. well she thought that something was going on between them, but she didn't expect them to reach this level.

Meanwhile, Zhao Suyin leaned down, kissing Zhao Tian's lips still riding his cock.

Zhao Ying turned her eyes and let out a sigh, seeing them kissing so passionately right in front of her eyes as she felt quite weird.

As they pulled back the kiss, Zhao Ying asked in a low voice "Tian'er... what is this?"

With a soft smile, Zhao Tian pulled himself up to sit on the bed and Zhao Suyin hugged him tightly, their tender bare skins grazing each other.

"Ying'er... Mom also loves me and how can I leave a beautiful and graceful woman like her?" Zhao Tian asked delicately caressing Zhao Suyin's silver hair.

Zhao Ying lowered her gaze and she had seen Zhao Tian being so overprotective of Zhao Suyin that at some point she started wondering if he is a Mom con.

She glanced at her Mom burying her face on Zhao Tian's shoulder in shame. Her Mom has been taking care of them since childhood without enjoying her own life.

She knows that her Mom deserves happiness and she even agreed for her and Zhao Tian to date.

Thinking all of this, a soft sigh left her lips "I also love Mom, so... it's okay I guess. I should have seen this coming..." she smiled wryly.

A smile instantly spread across Zhao Suyin's cheeks but she suppressed it and thought of teasing Zhao Ying.

She raised her head and scoffed "Huh? Why do you sound like I need your permission to be with Tian'er... I don't care what you think anyway... Come on, Tian'er., let's continue..."

Zhao Tian chuckled in his heart seeing his Mom's antics.

A soft whisper caressed Zhao Suyin's ear "Are you happy, Mom?"

Zhao Suyin sighed in relief "I feel like a weight lifted off my chest... so, fuck me more..." her seductive voice tempted Zhao Tian and Zhao Suyin felt the dick in her pussy twitching.

"Oh my...."

Meanwhile, Zhao Ying's lips twitched upon hearing her Mom's remark "Mom, you are really ungrateful..."

Zhao Suyin had a smirk on her face "Ungrateful? You know how much my Tian'er loves me... so you must be jealous... hmph."

"Huh? Tian'er loves me more than you."

Zhao Suyin shook her head "He loves me, His mom more than others... and I also love him the most."

"No, I love him more than you!" Zhao Ying retorted, claiming herself as Zhao Tian's favorite woman.

The smirk on Zhao Suyin's face stayed "Let me prove it to you..." she muttered raising her fingers near his lips.

She opened her mouth and sucked on her middle finger, moistening it. Then she brought her hand to her ass and slowly pushed the finger into her asshole.

Zhao Ying was shocked to see this. "M-Mom?"

Zhao Usyin pulled back her finger and took his dick in her hand hovering her ass above his dick.

As the head of his cock touched her asshole, she gently inserted his cock into her asshole stretching the tight muscles.

"Urgh!" Zhao Tian too, grunted in satisfaction feeling his mom's tight asshole clenching his dick.

Zhao Ying came out of her initial shock and looked at them having sex, indulging in their own world "DON't... leave me.."

Chapter 213: *Fivesome*

As Zhao Ying slowly undressed, revealing her smooth skin and delicate curves, Zhao Tian and Zhao Suyin continued their passionate embrace, exploring each other's bodies.

The room was filled with the sound of their heavy breathing and the soft rustle of fabric as they continued to explore each other with a hunger that seemed insatiable.

"Haangh~!" *splurt* Zhao Tian came inside Zhao Suyin's ass and she closed her eyes relishing the warmth of his hot cum inside her.

"Mhmm..." Zhao Suyin opened her eyes and kissed Zhao Tian and as she turned her eyes, she saw Zhao Ying standing with underwear hesitant to remove further.

"Oh, my Ying'er is hesitant to remove her dress. So let's continue ourselves, Tian'er... and Ying'er you can leave if you don't want to join."

Zhao Suyin crawled down from his arms and kneeled on the bed showing her ass to Zhao Tian. She gently spread the outer folds of pussy showing the wet insides.

"Tian'er... fill here too..."

Zhao Ying was surprised to see her mother being so shameless while here she is embarrassed to get naked in front of her.

Meanwhile, Zhao Tian with a smirk, grabbed her hips and pushed his cock into the depth of her hole in one thrust.

The sensation of his hard cock filling her completely sent shivers down her spine "Haaaangh~~~
Yes, Tian'er..."

Zhao Ying shook her head helplessly, began to remove her clothes, and got on top of the bed.

"Tian'er..." Zhao Ying called him softly as she moved toward him and Zhao Tian who was fucking Zhao Suyin turned his head, gently embracing Zhao Ying's waist.

"Ying'er."

Zhao Ying wrapped her arms around his shoulders, planting kisses on his lips as Zhao Tian kept thrusting his hips, causing Zhao Suyin to let out sweet moans of pleasure.

Retracting the kiss, she muttered "I should have expected this... Pervert bastard." a small smile forming on her lips.

Zhao Tian moved his hand to Zhao Ying's ass, softly brushing her pussy "I already ate my sister... do you think this perverted bastard will leave his Mom alone."

With a giggle, Zhao Ying placed a tender kiss on his cheek "But... I am mad that you hid it from me."

"Urghh... haah." Zhao Tian groaned and murmured, "That's because Mom doesn't want you to know and she was afraid you would judge her."

Zhao Tian continued fingering Zhao Ying's pussy making wet juices trickle down her thighs "Hnnghh..." she moaned, falling on his shoulder.

"Mngh~ But this is also good... Tian'er... Haangh~ now she will be also happy and she can always be with us."

"Yeah...." Zhao Tian uttered softly.

Zhao Ying turned her eyes and saw Zhao Suyin moaning like crazy pressing her face on the bed *slap* She gave a hard slap on Zhao Suyin's ass "What a lustful woman?!"

"Kyaaangh~!" Zhao Suyin moaned in pain and Zhao Tian felt her pussy tighten over his cock.

"Haah... good call."

Zhao Suyin muttered "Mmnh~ I will get my revenge for that..."

Zhao Tian pulled his dick out of Zhao Suyin's pussy making her surprised. "Ahhh!" He pulled Zhao Ying and placed her above Zhao Suyin.

He gazed at the two beautiful women sandwiched on the bed, waiting for him to devour them.

"Tian'er..." x2

Looking at the blushing faces of his Mom and Sister, their naked bodies pressed together, their eyes filled with lust and desire... a smile appeared on his lips.

"Don't blame me if you can't stand."

...

gasp Chi Miya who was sitting on the sofa was startled from her sleep and let out a sigh "Yesterday night... I can't get much sleep..."

As she looked at the time she was startled "It's already been 3 hours?"

She stood up and hurriedly went to check Zhao Ying to find out what happened to the talk about Fei Ziyu.

As she walked near Zhao Tian's room, a familiar scent hit her nose. With a frown, she walked to Zhao Tian's room's door and gently pushed it open.

"What the hell?" She was bewildered by the scene happening inside the room.

Zhao Suyin's on the floor, her whole body drenched in cum and love juices as cum continues to trickle from her pussy and asshole, a small satisfied smile on her face.

Zhao Ying lay sprawled on the bed, her senses dulled by the overwhelming pleasure coursing through her body.

"Haang~~" Struggling to keep pace with Zhao Tian's relentless thrusting, she felt every inch of him driving her to the brink of ecstasy.

Hearing the door open, Zhao Ying gained some clarity and opened her eyes "Glad you are here... S-Siter Miya..."

H-Huh? Chi Miya was startled by the heavy scent of sex in the room, especially Zhao Suyin... "Aunt Suyin?"

Zhao Tian walked to Chi Miya "Miya..." he scooped up her in his arms.

thud Throwing her on the bed, Zhao Tian got on top of her. Confused, Chi Miya asked "Tian... Aunt Suyin, what is she doing here?"

Zhao Tian spoke, "I will explain that later... for now..."

He pulled open her dress as the buttons tore and scattered on the floor. With a grin, he pulled up her bra, making her boobs jiggle.

Zhao Tian leaned down and started tenderly kissing and caressing her breasts, eliciting soft moans of pleasure from Chi as she felt his moist tongue tracing circles around her sensitive skin.

"We were having sex just yesterday... and you are horny again?"

"Yeah..."

He muttered as he moved his hands near to her skirt and feeling the fabric, he spoke: "You are wearing stockings?"

Chi Miya's blush deepened "T-Today... I just thought... maybe I should try wearing that... is it good?"

treeik He tore the stockings near her crotch, revealing her black panties "It's sexy...." he spoke sliding his finger in her pussy and pulling the panties from her pussy.

As he skillfully moved his fingers in and out of her moistened folds, he simultaneously lavished attention on her nipples with his mouth, sending waves of pleasure through her body.

...

Zhao Ying's eyes fluttered open and saw Chi Miya giving Zhao Tian a boob job and blowjob at the same time.

"Haah.. he is too strong in bed... glad he got many women, if not he would break me every day."

"We should always keep his Yang energy in check."

"Hmm... it is a bad thing leaving me out of this." a sweet voice was heard and Zhao Ying turned her head on the bed and saw Xia Shenyi entering the room.

Zhao Tian smiled seeing Xia Shenyi "Come here... dear."

...

Chapter 214: Talks in Hot Springs!

"Haah..." Zhao Tian let out a contented sigh, relishing the warmth of the water in the hot springs and feeling the two pairs of cushions hitting his chest.

Zhao Suyin and Xia Shenyi are sitting on both of his sides, his arms casually draped over their shoulders as they lean on him.

Zhao Ying was sitting in front of him, leaning back on his chest, while Chi Miya was sitting beside Xia Shenyi.

Chi Miya took a quick glance at Zhao Suyin who was leaning on Zhao Tian with a sweet smile on her face "But... I am really shocked to see Auntie Suyin as... Tian's woman."

Zhao Suyin raised her gaze and showed a wry smile "Why are all of you acting like it's so weird? Tian'er and I are not real mother and son, you know that..."

"See... Ying'er she is his real sister."

-- Chi Miya was dumbfounded "You are still... his aunt, right?"

While Zhao Ying shook her head helplessly "It was a big shock for me too.... I was going to talk with Tian'er... and what I saw was my Brother and my Mom making out."

Xia Shenyi laughed hearing this and Zhao Ying turned her gaze to Xia Shenyi "You already know about this, don't you?"

Giggling, Xia Shenyi nodded her head "Yeah, I know... what can I do? Tian loves me more, so he brought her to me first."

Huh? Zhao Ying narrowed her gaze "Huh? That's some bullshit there... Everyone knows Tian'er loves me the most."

"We have been together since childhood so we have a good bond that he has with other women and he loves me the MOST."

Xia Shenyi showed a faint smirk, her fingers sliding on his chest "But, Ying I am his first woman."

"How come you are his first woman?" Zhao Ying asked with a frown. Zhao Suyin and Chi Miya also narrowed their gazes.

Xia Shenyi smiled playfully "Because I took your brother's first kiss."

With a raised eyebrow, Zhao Ying spoke "But I took his virginity..." she said a matching smirk appearing on her lips.

Xia Shenyi scoffed "Don't care... I was the first woman who had anal sex with him." she said placing a kiss on his shoulder.

Zhao Ying didn't step back and replied keeping the smirk on her face "I am the first one to give him a handjob and blowjob."

At this time, Chi Miya raised her voice a faint blush on her cheeks "Then I am the one who gave him the first b-boob jo- ahem paiziri."

-- ? Zhao Tian just sat there with a wry smile enjoying his wives' banter. What kind of conversation is this?

At this time, he felt a pair of soft lips on his cheek and he turned his eyes "Mom?"

With a seductive smile, Zhao Suyin whispered in his ear "Tian'er, I will give you a foot job later, so I can also fight with them."

But her whisper was heard by everyone "Then, let me do the foot job first." Zhao Ying instantly replied.

Zhao Suyin's lips twitched hearing this "Tian'er, let's do S and M... I will bring the ropes next time. That will be the first S and M foreplay."

Zhao Ying spoke "Tian'er, tie me and blindfold me and oil me up. Then ravish me that I can't get down from bed for two days."

(☹️) Chi Miya's jaw is on the water as she watched how the mother and daughter are shamelessly speaking about this and fighting for Zhao Tian's first.

Even Zhao Tian was amazed by their talk.

Meanwhile, Xia Shenyi blinked her eyes confused. Why should they blindfold during sex and oil up?

Zhao Suyin grimaced "Why are you fighting with me, Ying'er?"

With a snort, Zhao Suyin spoke "Because I want everyone to know Tian'er loves me the most."

Zhao Suyin and Zhao Ying looked at each other and Zhao Tian could see the imaginary sparks of lightning between their gazes.

Seeing their serious rivalry, a playful smile crept on Xia Shenyi's lips and thought of adding some spice "Continue being delusional, but I am Tian's favorite woman."

HUH? Both Zhao Suyin and Zhao Ying glared at Xia Shenyi.

Xia Shenyi chuckled in her heart, How scary!

Hufh! With a scoff, Zhao Suyin and Zhao Ying moved on top of Zhao Tian "Tian'er... who is your favorite woman?" x2

Xia Shenyi just giggled hearing the question.

Chi Miya smiled wryly, but she also had a small hope in her heart that he might choose her as his favorite woman.

With this thought, she discreetly glanced at him in the corner of her eyes, anticipation surging within her.

spank "Angh~" But Zhao Tian gave a spank on both of their ass eliciting a soft moan out of their lips and he pulled them in his arms.

"You both are my women and at the end of the day, you both are gonna be in the same bed with me... so why are you fighting over silly things."

Zhao Ying pouted her lips and Zhao Suyin let out a sigh leaning on him. *smooch* He gave a kiss on both of their cheeks making them smile.

But at this time, Zhao Ying suddenly remembered something "Mom, if you have already done it with Tian'er... doesn't that mean you are already a cultivator? But I can't sense any astral energy from you."

"Oh, that..." Xia Shenyi raised her hand, gently grasping Zhao Suyin's wrist.

As the seal broke, Zhao Ying looked through Zhao Suyin's cultivation "Already in the sixth level of Spirit Astral Stage?"

Zhao Suyin showed a cheeky grin "I didn't slack off much like you and I cultivated with Tian'er... hehe."

"But when did you cultivate? I never saw you cultivating in the array."

Xia Shenyi spoke "I actually hid her in my room and even though she is not under the array, with the dense energy in the artifact... she cultivate quickly."

-- Zhao Ying just sighed and as her gaze fell on Chi Miya she spoke "Tian'er... I actually wanted to talk to you about Ziyu."

Chapter 215: Something in the Ocean!

Xia Shenyi raised an eyebrow "What about her?"

Zhao Ying spoke with a sigh. "Sister Miya said... that we need to treat her nicely and she is also suffering."

Hearing this, Xia Shenyi frowned. "She is a slave, so why should she be treated nicely?"

Zhao Suyin gave a faint nod. "Yesh, Ying'er, she tried to kill you. Let her just be a slave."

Chi Miya stood up from her place and came near Zhao Tian and Zhao Ying moved away from him as Chi Miya sat on Zhao Tian's lap facing him.

"Tian... I already talked you about this."

Zhao Tian gave a nod "And I asked you to talk with Ying'er."

Chi Miya shook her head with a dry smile "But Ying'er wants to discuss it with you. Tian, the others here will only listen to your words. So, you gotta say it."

Zhao Ying nodded her head "I will do whatever Tian'er says..."

Xia Shenyi narrowed her eyes "Why are you caring so much for a slave, Miya?"

Chi Miya glanced at Xia Shenyi and said, "Because she had her reasons. I already talked with Tian about this."

"It is because of Miss Lingxi's bad parenting that she became like that, and you also know why she tried to kill Ying."

"She was just so obsessive with Tian. And once... I am also desperate for Tian to love me. So I am worried for her." she spoke a soft sigh escaping her lips.

Zhao Tian raised his hand, gently caressing her cheek and Chi Miya hugged him softly whispering "Please Tian, consider it..."

Xia Shenyi squinted her eyes as an idea appeared in her mind "We need to test her loyalty first."

...

thud Zhao Tian got down from the Rolls Royce and stretched his arms, letting out a soft sigh. "Good thing the time is slow inside the artifact."

He walked into Li Jie's mansion and as he entered, he saw Li Jie in the hall watching TV. Seeing Zhao Tian, he hurriedly stood up and came near him.

"Tain, w-why did you leave that Queen here yesterday?"

Zhao Tian chuckled seeing the panic on his face "Why do you look so scared, old man?"

Li Jie sighed heavily "How could I be calm when I know one of the strongest beings on this planet is inside my house?"

Zhao Tian chuckled and patted LiJie's shoulder. "She won't do anything," he uttered and he left the hall, heading to the kitchen.

As he entered kitchen, he saw Ning Zuiye preparing tea. With a playful smile, he sneaked behind her and suddenly grabbed her waist, taking her in his arms.

"Kyaaahhh!" Ning Zuiye screamed in shock and as she saw Zhao Tian was the one carrying her, a smile instantly appeared on her face: "Tian."

"Aunt Zuiye!"

Ning Zuiye raised her hand, pinching his cheek "Brat, how many times have you done this?"

"And each time, your reaction is cute." Zhao Tian said with a chuckle.

"Sweet tongue as always."

But at this time, the sound of the overflowing milk caught their attention and Ning Zuiye hurriedly lowered the flame in the stove.

"Is Xue up?"

Ning Zuiye gave a faint nod. "Sister Xue should have woken up by now. She is very lazy... and sleeps a lot."

Zhao Tian smiled gently. "Are you happy now?"

Hearing this, Ning Zuiye's eyes softened. "Of course I am, Tian. yesterday we spent the whole night talking about our old times and Sister Xue spoiled me a lot."

"Haah... I never thought I would see this day."

As they were chuckling and bantering, suddenly a faint coughing was heard. Both Zhao Tian and Ning Zuiye turned their heads and saw Ning Xue standing at the kitchen entrance.

Zhao Tan smiled and said, "Xue."

But Ning Zuiye panicked as she remembered her sister warning her. "Tian put me down." Ning Zuiye softly whispered.

"Ok..." Zhao Tian placed her down and Ning Xue walked forward, hugging him.

Zhao Tian hugged her back and Ning Xue leaned in, kissing his lips. Ning Zuiye averted her gaze, embarrassed about their lip locking.

Ning Xue glanced at Ning Zuiye "Zui'er, is tea ready?"

"Wait a minute, Sister Xue."

Hugging Zhao Tian, Ning Xue leaned on him softly "Ah, Tian... I want to see this thing called ocean."

Hm? Zhao Tian raised an eyebrow and Ning Zuiye smiled wryly. "Tian, I was just showing Sister Zuiye about the human world on mobile."

"And she was intrigued by the endless view of salt water."

Zhao Tian was surprised to hear this, but thinking about it, it makes sense as there are no oceans around Zhenzhu.

Ning Xue smiled cheekily "So, Tian, for our second day of date, let go to the ocean."

Zhao Tian gave a nod and glanced at Ning Zuiye "Aunt Zuye, I'm sure you haven't seen the ocean either. Wanna come with us?"

Ning Zuiye shook her head "No, Tian... it's your date and coming outside is... uh."

Ning Xue spoke "Zuiye how long are you gonna stay like this caged inside the house?"

Ning Zuiye shook her head "I don't know... I just don't wanna come outside hahaha."

Ning Xue let out a sigh hearing this and spoke "Well then, lets have some Tea and leave...."

"Eh? What about breakfast?"

"Ah, that too...."

"Tian." at this time, Li Jie stepped inside the kitchen but froze in place seeing Ning Xue hugging Zhao Tian intimately.

"Wrong room." Li Jie hurriedly left the kitchen and Ning Zuiye chuckled seeing this.

...

swoosh Zhao Tian and Ning Xue were flying in the air holding hands as they flew towards the Ocean.

As they flew towards the ocean, Ning Xue's gaze was drawn towards the brilliant blue hue that stretched out to the horizon, filling her with wonder and awe.

"That is the ocean?"

"Yeah... "

Soon they reached the ocean and Ning Xue was awe-struck by the blue water and the crashing waves of the shores.

Zhao Tian looked around and there were no people. They are not essentially on a beach, there are hills below them and they are in a remote place in the ocean on the country.

"I want to see if its really salty."

woosh Both of them landed on the shore and Ning Xue quickly crouched down scooping a handful in her palm.

As she tasted it "Bwaahh, its really salty." she instantly spit it down. Zhao Tian chuckled seeing this.

RUMMBLLLLLEE The sound of rumbling filled the air. Suddenly, the ocean seemed to tremble and the water vibrated. causing Zhao Tian and Ning Xue to look at the distance in the oceans.

thrasshh There they saw a large devious creature blasting from the depths of the water.

Zhao Tian frowned his eyebrows 'Eldritchfiends?'

Ning Xue's eyes shook seeing the creature and a tint of anger flashed in her eyes 'Eldritchfiends?!' a surge of flame enveloped her body, her eyes narrowing.

'I will kill that.'

swoosh Zhao Tian was startled by the brilliant Golden flames swirling and dancing around Ning Xue's body and he was left speechless.

'She has... an Emyreal flame?'

--

Chapter 216: Golden flames!

thrashh From the ocean, several people rushed out of the deep water, some desperately gasping for air as they struggled to stay afloat, while others were scared to death.

huff *huff* "Fuck!" One of them cursed under his breath, inhaling the air, and as he turned his head, his pupils shrank in horror.

In front of him is a majestic, demonic creature that is standing on the water with a huge fucking spear in its hand.

"GRAAARGHHHH!!!" The creature opened its mouth, letting out a loud screech that reverberated around the whole sea sending shivers down their spines.

The men who were looking at it lost the color in his eyes "How the hell we ended up in this shit?"

He still remembers about the incident two days ago. A group of deep-sea divers reported about a mysterious black square with purple runes under the ocean.

The report came under the government's ACL. Thinking it might be some ancient ruins or maybe an inheritance, a group of cultivators was assigned to explore it.

It all seemed normal when they first saw it, but they got curious and touched the black box pouring some astral energy to open... and this happened.

"What kind of fiend have we unleashed upon this world." One of them muttered looking at the monstrous creature.

woosh At this time, a man dashed out of the water floating in the air, and seeing him, a glimmer of hope appeared in their eyes.

"Rest assured, I will kill this beast now." The man smirked as he thought of his promotion in the ACL after defeating this demon.

One of them spoke, "I forgot Mister Shin is also with us; he is a Heaven Stage culti- *smash* But his words stuck in his throat as he saw the Eldritchfiend crushing his body with its palm and turning him into a meat paste.

gulp The men gulped, barely looking at the monster. Even a Heaven Stage cultivator was crushed; who are they in front of this creature?

The Eldritchfiend, feeling the presence of the tiny ants scurrying below it, raised its spear and *sleec*. With a single wave, their bodies were crushed under the pressure of the swing.

"GRAAGH!" The Edlritcfiend opened its mouth and the transparent white balls that were floating in the air were slowly getting sucked into its mouth.

Zhao Tian was startled to see this: 'It is devouring the souls of the ones it killed.'

"Shit!" Ning Xue moved quickly, as she knew if the Eldritchfiend absorbed the souls, it would be hard even for her to defeat them.

Zhao Tian also dashed toward the Eldritchfiend, 'This is a higher rank than the one I fought last time.'

Xia Shenyi was not very knowledgeable about these creatures, but Shi Yixian was quite knowledgeable, as she had fought with many of them in the past.

And from her, he heard that the ones in higher ranks above the lowest ones can devour souls to make themselves stronger.

This is one of the reasons they raid other stars and devour them to become stronger, enhancing their elemental darkness.

woosh As Ning Xue appeared in front of the Eldritchfiend, the creature turned its head to the powerful soul in front of it leaving the puny souls.

"GRAGHHH!" With a guttural scream, it tightly gripped its spear, swinging towards Ning Xue.

swish Ning Xue quickly dodged the attack and a burst of golden flames erupted from her body.

"Inferno tempest." A mutter escaped her as the air around her ignited in golden flames and a swirl of powerful flames appeared in the air.

thrasshhh The vortex of flames dashed towards the Eldritchfiend and it stood still, not defending.

Instead, the creature hurled the spear toward Ning Xue, and as the spear reached near her. *boom* Her attack landed on the Eldritchfiend's chest, causing it to take a step back because of the impact.

She turned her head and said, "Tian, take a step back... This creature is dangerous."

Zhao Tian frowned his eyebrows and the Eldritchfiend regained its footing over the water and glanced at the two souls in front of it.

woosh As the Eldritchfiend again swung its spear, *swish* a spear appeared beside Zhao Tian and as he grasped the weapon, he could feel its immense weight causing his hand to tremble.

With power, he tossed it in the air and gave a swirl kick at the edge of the spear.

sleech The spear launched by Zhao Tian's powerful kick cleaved through the air like a swift arrow and it struck Eldritchfiend's right hand, which was carrying the huge spear.

thrasshhh The force behind the blow was enough to sever the limb cleanly, as the arm flew and crashed into the ocean.

"RAARGHHHH!!!!" The Eldritchfiend let out a deafening roar of agony as it witnessed the sight of its severed limb, the pain, evident in its anguished cries.

It swiftly raised its left arm as a swirl of faint black energy appeared on its hand.

Seeing this, Ning Xue quickly took action "Hell fire chains!"

clankkk Chains forged of pure gold and ablaze with golden flames materialized out of thin air, forming a tight ring around the Eldritchfiend, trapping it within their fiery grasp from every angle.

clank *clank* The blazing chains swiftly entrapped the Eldritchfiend as it wrapped around its arm and legs restraining it from moving.

Ning Xue continued as she clasped both of her palms "Eternal Inferno prison."

feen The morning sky became even more bright as the air itself burned in golden flames.
wooshhh Suddenly arrays of fire runes formed around the Eldritchfiend, forming a round prison-like structure.

Ning Xue didn't stop, she was dead set on roasting and purging this Eldritchfiend today "Purifying blaze!"

As she muttered through words, a glint of golden energy passed through her eyes.

FEEEEENNNNNNNN The 'Eternal Inferno Prison' burned brightly with golden flames, reaching the highest temperature that could be extracted from the golden flames for her cultivation prowess.

"GRRRAAAGHHHHH!!!" The deafening cries of anguish screeched across the vast expanse of the ocean, causing ripples in the seawater as the sound waves reverberated through the depths.

The flames continued to burn brightly and the painful cries of the Eldritchfiend trembled the air.

(A/n: This is how I imagined it to be lol, *gif here*)

"For the finishing touch..." Ning Xue smiled and she snapped her fingers "Pyro blade!"

Zhao Tian looked at her dumbfounded, She still hadn't finished?

thrisshh Golden flames concentrated above the prison forming a large sword of blazing golden flames.

With a smirk, she gestured her hand downwards. *BOOOOOMMMMMMM*

Chapter 217: Elemental Lord!

Meanwhile, at the same time, somewhere in the high stars,

In a sect's area *tap* *tap* A gorgeous woman with long green hair and green eyes jumped into the ark that was floating just above centimeters from the ground.

"Be careful on your way, Li'er." At this time, she heard a charming voice and she turned her head, looking at the breathtaking woman with long white hair.

She was adorned in a delicate veil that concealed most of her face, leaving only her captivating eyes visible. One of her eyes is blue, while the other is green.

Rui Lian smiled wryly "Master, I will be careful; if anything, I will escape with the haven stone."

The woman shook her head with a soft sigh. "Seeing you, I remembered Yi'er; she suddenly disappeared 1100 years ago... she was one of my talented disciples."

Rui Lian chuckled hearing this: "Its been only 1100 years since Sister Shenyi disappeared; she will come back someday."

The woman could only smile "I hope..."

Rui Lian nodded her head "I will be preparing now... to search this." she uttered as her fingers grazed a necklace on her neck, which has purplish runes on it, and is glowing slightly.

woosh The ark flew away from there, carrying her away from the High star.

...

BOOM The scorching red blade cleaved through the gigantic body of the Eldritchfiend, which was already weakened by the intense golden flames within the 'Eternal Inferno Prison'

The creature let out a deafening roar as it was engulfed in flames, its once formidable body now crumbling to ashes under the force of the blade.

The heatness emanating from the golden flames began to even evaporate the sea water as they continued burning brightly, illuminating the entire ocean.

"GUARGHH!!" As the screams began to fade away, the intensity of the flames also decreased, and the flames burned the Eldritchfiend, turning it into ashes.

"Now the creature is dead..." Ning Xue muttered with a smile.

Zhao Tian glanced at her as it seemed like she already knew about these Eldritchfiends and was angry about them

'Has she encountered any of them in the past?'

"Let's go back to the shore..." Zhao Tian gently clasped her hand and Ning Xue gave a nod.

swish They appeared on the beach sand and turned around at the lack flicker of flame disappeared.

"Xue, do you know... what those creatures are?"

Ning Xue's gaze lowered and she spoke "They are called Eldritchfiends and... I will tell them about that later Tian."

Zhao Tian's frown deepened "The gold flames, is that-

"Tian!" *smooch* Ning Xue hugged him, sealing his lips with her lips silencing him. Sighing in his heart, Zhao Tian hugged her back, his hand grabbing her ass cheeks and he gave a nice squeeze.

"Hnngh~" As she parted her lips to let out a soft moan, Zhao Tian slid in his tongue starting a passionate gaze.

Ning Xue was more than happy and tightly wrapped her arms around his neck, fervently kissing him back, their saliva mingling.

flick As Zhao Tian was lost in the depths of the kiss, a subtle noise suddenly beckoned his attention, causing him to flicker his eyes open slightly in curiosity.

Huh? There he saw a glimmer of golden fire broke away from Ning Xue's body, manifesting itself as a tiny, adorable golden fiery creature on the sandy shores of the beach.

(A/n: pic here)

The spirit opened its eyes and it had a look of absolute reverence as it kneeled on the ground bowing its head.

"The Golden Sun Flame, one of the Empyrean flames, presents itself in front of the Elemental Lord."

Zhao Tian was taken aback by the sweet and gentle feminine voice that echoed in his mind, as it uttered the words 'Elemental Lord?'

"I am elated to be in your sacred presence and for your gaze to fall on me... the Archon of the Elementals."

Hm? Zhao Tian was quite confused, when did he became Archon of the Elementals? Is it his physique?

"If you please let me..." The spirit stood up from the sand, rushed towards Zhao Tian's legs, and disappeared into his body.

swoosh A burst of energy swirled around Zhao Tian and Ning Xue was startled by the energy and opened her eyes, retracting the kiss.

"What happened, Tian?"

"I did a... breakthrough." Now he has ascended from 9th level of Emperor Astral Stage to 1st level of Monarch Astral stage and the energy keeps increasing.

Ning Xue spoke hastily "Then, Zhao Tian.. quickly sit cross-legged and stabilize the energy."

Zhao Tian shook his head "No, its alright."

Due to his Honoured One physique, he can manipulate the astral energy better than others. Even after dual cultivation, he just breakthrough sleeping on the bed.

Ning Xue looked at the calm astral energy around Zhao Tian's body. Stepping into the Monarch Astral Stage is important and he is casually breaking through while standing.

Zhao Tian finally reached 2nd level of Monarch Astral Stage and a sigh left his lips feeling his strength increased.

However, Ning Xue felt something was missing from her body and raised her hand. *thrissh* Normal flame appeared on her palm.

-_- ? Huh? She was dumbfounded, where is my Golden sun flame?

She panicked seeing this: "Tian... my flame, its gone. Did I drop it in the ocean, huh? My flameeeeeeeee."

Zhao Tian blinked his eyes and raised his palm as a golden flame burned brightly. "As I thought..."

Seeing the golden flames in Zhao Tian's hand, Ning Xue was startled "My flame, its my flame... how did you take it?"

"Give me back my flame.|" She asked pouting her lips as she grasped his hand.

Zhao Tian smiled wryly "I didn't take it intentionally. It just..."

'Oi, are you there?'

flick The cute spirit appeared on Zhao Tian's shoulder 'My Lord, I am at your service... do you want to burn the woman in front of you?'

-- Zhao Tian glanced at Ning Xue and saw no reaction on her face. 'She can't see you?'

The spirit replied 'No, Lord, I can hide myself before others....'

'Hmm good, You were with her till now, so go back to her.'

'Ehhhhhhhhhhhhhhhh? But I want to be with my Lord! wahhhhh!' The spirit cried.

-- Huh?

Chapter 218: Xia Feng barges in!

Ning Xue glanced at the vibrant golden flames on Zhao Tian's palm and took a deep breath, sighing in her heart.

She raised her gaze "You... want this flame, Tian?"

She doesn't mind if Zhao Tian has the flame but she is hesitant because the flame does not belong to her, she is merely borrowing the flame.

Zhao Tian smiled softly and shook his head. "No, you can keep it."

He gently took her hand and flowed the Golden Sun flame into her body.

'NOOOOOOOO!!! MY LORDDDDDDDDDD!' Zhao Tian heard the cry of the spirit in his mind.

'Shut up and blend with her fire without causing any problems'

Hearing his order, the spirit nodded 'As you say, My Lord...'

Ning Xue was startled. "Tian wait a min- eh" but the Golden sun flame easily flowed through her body, merging into her meridians.

Ning Xue was stupified. "I didn't think it would be this... easy, huh?"

Zhao Tian was confused "What happened, Xue?"

Ning Xue looked at him "Tian... do you know how hard it is to tame this flame? I used cold formation array, pills and artifacts to tame and merge it with my fire."

"But you gave it back to me easily."

"No, in the first place, how did you take it, Tian?"

Zhao Tian shrugged "Even I am not sure... it just stuck on me."

Hearing this, Ning Xue's eyes narrowed. a faint guess appearing on her mind "Maybe it's because of your physique."

Hm? Zhao Tian frowned as he never told Ning Xue about his Honoured One physique "My Physique?"

Ning Xue nodded her head "En. This Golden Sun flame is the representation of sun, as you already know, Sun is yang and Moon is yin... This flame has Yang energy."

"That's why I tamed it to burn my excessive Yin... but it was not much use as it can't burn my pure Yin."

"So it may have been attracted to your Yang physique and stuck on you."

Zhao Tian let out a soft chuckle "Maybe..."

Ning Xue raised her head "Someone is coming towards us."

Zhao Tian squinted his eyes "Its that old man, it would be annoying with him. So let's leave."

"En." *swoosh*

As they disappeared, the Ombudsman appeared there "I am late once again... " he muttered as he felt the clash of powerful astral energies in the air.

"Huh? more powerful than me? That Zhao Tian?"

...

Meanwhile at Zhenzhu-

Ling Chen was absentmindedly sitting on a wooden bench within the premises of Lunar Blossom Sect lost in her own thoughts "Its been days... he still haven't returned."

"Elder Chen!" x2 At this time, two disciples on their way greeted her and Ling Chen gave a slight nod.

"Next time, we should try the hot springs..." Suddenly she heard a chuckle and she turned head to see Ling Meiyong and Ling Huang chatting with each other exiting the room.

She stood up and walked near them with a faint smile on her lips "Sister Meiyong. Sister Huang."

The two of them stopped on their tracks and glanced at Ling Chen "Sister Chen."

Ling Chen asked with a slight frown "I haven't seen both of you in the lake for a while and sometimes you guys are going missing."

Ling Meiyong giggled upon hearing this "Don't worry, we are properly bathing."

Ling Chen's frown deepened but a sudden surprise flashed across her face "Sister Meiyong.. you crossed the Heaven Astral Stage and now in the 1st level of Sovereign Astral Stage?"

Ling Meiyong laughed "Well, that's because of Husband's wonder." Ling Meiyong looked at Ling Huang with a knowing smile and she chuckled as they continued walking.

Huh? Confused by their laughs, Ling Chen came out of the Sect building *swoosh* But at this time, suddenly a sharp icicle shard hurled towards her at breakneck speed.

swish Ling Chen narrowed her eyes and a sword appeared in her hand *sleech* She slashed the shard and turned her eyes to the darkblue haired woman who just landed on their sect's premises.

"Frozen Peak sect's Sect master, Xia Feng... what are you doing here?"

Xia Feng showed a playful smile "Oh nothing really, I just came searching for that handsome man."

"I heard that he has a good connection with Elders and even the Sect master of Lunar Blossom Pavillion. So where is he?"

Ling Chen spoke in a cold tone "He is not here."

"Are you sure."

"Yeah..." Another voice was heard as Ling Xin came down, floating from the sky.

Xia Feng glanced over at Ling Xin "Ling Xin."

Ling Xin showed a slight smile "After the Royal family meeting, you tried to flirt with him... but he already rejected you, right?"

Xia Feng clicked her tongue "That's because he hasn't seen all of my charm yet. Tch! It looks like he is not here, so I am leaving..."

"Yeah, don't come back." Ling Xin spoke and Xia Feng took a final glance at Ling Chen.

"Ling Chen, I ask you again after 20 years, do you have any intention of joining our Frozen Peak Sect? You have good ice power, so our sect is the best for you. I will give you Elde-"

"I refuse."

Xia Feng stopped and a sigh escaped her lips. *swoosh*

As she left, Ling Chen glanced at Ling Xin "Sister Xin, when will Mr.Tian return?"

Ling Xin shook her head. "I don't know Chen'er... Maybe he is with the Queen."

"I see..." a soft sigh escaped Ling Chan's lips.

Ling Xin glanced at her and spoke "Are you still mad at Mr.Tian?"

Ling Chen's gaze dropped as she hesitated, unsure of how to respond. "I... don't know."

With a shake of her head, Ling Xin spoke "Chen'er, I have already explained to you and made you understand the situation that day and he had no other choice."

"See Huang'er and Meiyang... they accepted him and they are happy now. You can't find a good and talented man like Mr.Tian anywhere."

"Even the sword in your hand was given to you by him... I... don't know what else to say. It's your choice at the end."

As Ling Chen watched her go, she looked down at the sword she held in her hands. She hugged her arms around it, feeling a mix of emotions swirling inside her.

Closing her eyes, she tried to make sense of the conflicting feelings that tugged at her heartstrings.

"When will he... come back?"

...

Zhao Tian and Ning Xue flew back to the Li Jie's residence and entered in. At that time, Ning Yueli who was coming downstairs was surprised.

"Brother Tian." She came running and hugged him.

Zhao Tian smiled wryly and hugged her back. Seeing this, Ning Xue narrowed her eyes.

Pulling back the hug, Zhao Tian, Ning Yueli and Ning Xue walked towards the couch in the hall.

Seeing them Li Jie stood up and exclaimed "Ah, wife... did you call me? I am coming right now." he hurriedly left the hall, rushing upstairs muttering in mind 'Leave me out of this,,,'

Zhao Tian chuckled seeing Li Jie being scared of Ning Xue.

"Haah." As Zhao Tian and Ning Xue sat on the couch, Ning Yueli hopped on his lap. With a smile, Zhao Tian took hold of her.

Ning Xue raised an eyebrow and Ning Yueli glanced at Ning Xue "Brother Tian, is she your lover? Because I saw you coming in holding arms."

Zhao Tian nodded his head "Yeah."

Ning Yueli was surprised "But, isn't she Mom's friend? So, she must be old... but she looks beautiful. Leaving that, Brother Tian.. isn't this cheating?"

"You already have Sister Miya."

Zhao Tian gave a nod "Yeah, I am actually cheating on her. I am secretly in a relationship with Xue." he quipped.

-_- Ning Xue tilted her head 'Who is Sister Miya?'

gasp Ning Yueli shook her head "Brother Tian, cheating is bad."

She leaned in and quietly whispered in his ear "Brother Tian, then have a secret relationship with me too. Cheat with me too. You don't have to tell both Sister Miya and Mom's friend"

Hearing this, Zhao Tian couldn't help but chuckle and whispered back "Secret relationship? Like, only body relationship?"

H-Huh? Ning Yueli quickly blushed "L-Like friends with benefits thing? what are you saying Brother Tian?"

Ning Yueli averted her gaze and her eyes trembled in bashfulness as she again moved her lips near his ear "Hm, if its Brother Tian... I think, I don't mind having a body relationship."

smooch as she spoke, she planted a tender kiss on his cheek, causing her to flustered and the blush deepened.

tap She quickly got down from his lap ran towards her stairs but she stopped and turned back showing a sweet smile "But what I said is true... so consider me, Brother Tian." she said rushing upstairs.

'What a cute girl.' Zhao Tian chuckled in his mind.

"Hmph!" Ning Xue snorted and stood up, sitting on his lap. Zhao Tian also grabbed her waist placing her ass on his lap.

"You have charmed that little girl very well." she said with pouting lips, showing her anger.

Zhao Tian just kissed her cheek melting her anger and at this time, Ning Zuiye came to the hall.

"Sister Xue, so.. how was the sea?"

...

(A/n: Thankyou Miles Williams bro for giving 27 golden tickets damn!)

(And I have a small idea of changing the cover, check character images. I am thinking of Ling Chen's pic or Yu Hua's pic who do you thin I should put as cover?

uce you to a person?!

"Eh? Why?" Ning Xue blinked her eyes in surprise, looking at Ning Zuiye who was sitting beside her on the couch.

Ning Zuiye couldn't help but sigh "Sister Xue.. I don't want to return to Zhenzhu. I am already accustomed to living here and suddenly coming there.... uh."

Ning Xue narrowed her eyes and turned her glare towards Li Jie who was sitting on another couch.

Feeling her glare, Li Jie gulped, 'This is why I don't want to be in her presence. Powerful people are scary.'

ahem With a cough, Li Jie spoke "Zuiye, She is your sister... she must have missed you for all these years, so stay with her for a while."

Ning Zuiye had a concerned expression on her face "But Father, what about Mother?"

Li Jie just showed a smile "The maid will take care of her, so go and spend some time with your sister."

Ning Zuiye glanced at Ning Xua and seeing her nod, Ning Zuiye gave a slight nod "Ok then."

"I will go and inform Yueli that I will be going out for a trip with my friend."

As she stood up, she suddenly stopped "How can I come to Zhenzhu? I can't fly like you guys."

...

swoosh Zhao Tian and Ning Xue flew through the air and Ning Xue turned her eyes to Zhao Tian who was carrying Ning Zuiye in his arms.

Her lips twitched. "Zui'er, eve I could carry you."

Ning Zuiye showed a faint smile "But it feels good to be in manly arms." she said as she wrapped her arms around Zhao Tian's neck tightly.

Ning Xue's lips twitched but she could only sigh in frustration "Let's go faster."

...

In the Royal Castle of Zhenzhu-

Standing in front of the grand door, Ning Zuiye smiled wryly. The female servant who was bowing beside Ning Xue spoke "We have cleaned the room as per your orders, Your Majesty."

Though the female servant is confused by the Queen's weird dress and the new woman, she has to follow the orders.

Ning Xue nodded her head "It's already night now, Zui'er, so take a good rest for today. My room is there next, so you could come and meet me anytime."

"En. Good night Sister Xue, Tian." Ning Xue spoke, glancing at Zhao Tian and Ning Xue before entering the room.

"Hm, good night."

thud As the door closed, Ning Xue turned around hugging Zhao Tian and as she leaned into kiss him, she stopped.

"Leave." She muttered and the female servant bowed "As you say, Your Majesty." before leaving the hallway.

Letting out a sigh, Ning Xue leaned on his shoulder "Are you leaving now?"

Zhao Tian patted her head and gave a nod "Yeah..." He needs to talk with Xia Shenyi about the Empyrean flame.

"Stay here with me tonight."

Zhao Tian continued running his fingers through her hair "You can't be selfish like that, Xue. I have many women... I can't always spend my nights with you."

Ning Xue sulked her lips "Then stay today, you can leave tomorrow."

Seeing her being reluctant, Zhao Tian complied and nodded his head "Ok, then..." he said as he took her body, hanging her on his shoulder.

"Let's go to your room."

...

thud Ning Xue fell on the soft bed, her blonde hair cascading on the pillow. A playful smile spread across her cheeks as she glanced at the man who is on top of her, her eyes glancing at the desire in his eyes.

"You are really a pervert..." she said as she raised her hand, unfastening her button with one hand.

Zhao Tian removed his shirt and pressed his body on top of her, taking her lips in a smooth kiss.

Ning Xue wrapped her arms around him tightly, feeling the warmth of his broad back against her fingertips as she matched his fervent kiss with equal passion.

As he pulled away from the kiss, he carefully removed her dress, revealing her ample boobs encased in a pink bra.

Leaning in closely, he used his teeth to unhook the bra, feeling the satisfying click as the clasp released in front of the bra. *click* allowing the big boobs to bounce.

With a satisfied sigh, he buried his face on the inviting flesh of marshmallows, relishing the softness and warmth of it.

Ning Xue let out a giggle as she affectionately patted his head "Sometimes I feel like, I just want to spoil you like this."

Zhao Tian cupped both of her boobs together and snuggled his face on them. he opened his lips lips and gave a gentle bite on her nipple.

"Hangh~ pervert..." she let out a soft moan and continued caressing his hair.

A little later, Ning Xue sighed in his heart "Tian, have you ever thought of what lies after the 9th stage of Monarch Astral Stage?"

"Have you wondered if that's the peak? Is there something more to it?"

Zhao Tian raised his gaze from her boobs and smiled "Let me ask you this, you are already in the 9th stage of Monarch Astral Stage and continue cultivating now?"

Ning Xue frowned slightly "Yeah, I can still cultivate."

Zhao Tian shrugged "So you still haven't reached the peak yet. So 9th level of Monarch astral Stage is not the end and there are still more."

Ning Xue smiled softly "Yeah, there are still more and the cultivators on Earth are just thinking that 9th level of Monarch Astral Stage is peak."

"But its actually not... there are many worlds out there stronger than us, more advanced than the humans in our world."

"There is a whole realm of cultivation above ours in the worlds they call as 'High Star' The astral energy in their world is much denser than our world."

"So they can easily ascend the Transient realm and reach the Empyrean realm where they cultivate even further."

"Hehhh." Zhao Tian mused under his breath with a smile.

Ning Xue narrowed her eyes as she felt like he was not believing what she said "Tian, I am not joking around. What I said is true." she said in a serious tone.

Zhao Tian chuckled faintly. "Yeah, I am not doubting..."

Ning Xue raised his hand pinching his cheek "Why do I feel like you are teasing me?"

"Teasing? I said I believe you."

Ning Xue still felt as if he were mocking her and pouted her lips "No, you just think I am lying."

Chapter 220: A little latlk in the artifact!

"Introduce me to someone?" Zhao Tian asked with a slight frown.

Ning Xue nodded her head, keeping her smile "Yeah, Tian, there are many things I want you to know know about this world. So, tomorrow night, I will take you to meet that person."

Zhao Tian's gaze became gentle as he moved closer and gently kissed her lips. "Alright," he murmured before nuzzling his face into those heavenly cushions.

Ning Xue also hugged him tighter, their legs intertwining and their bodies pressed onto each other and they could feel each other's heart beat and not breath tickling their skins.

"Tian..." Muttering under her breath, Ning Xue closed her eyes.

...

Next morning:

-_- Lying on the bed, Ning Xue looked at the two hickeys on her boobs and let out a sigh

Zhao Tian just smiled and got down from the bed, stretching his arms as he leisurely made his way towards the balcony.

Ning Xue got down after him and as he leaned on the balcony, she hugged him from behind.

Zhao Tian just smiled, feeling her arms around his waist, his gaze fixated on the rising sun and as he raised his head to look at the sky, he asked, "Is there a barrier around Zhenzhu?"

Ning Xue nodded her head "Yeah, a barrier set by the ancestors to protect the whole Zhenzhu from the astral beasts and its core is in this Royal palace."

"I see..." Zhao Tian muttered.

As they stood there basking in the morning beauty of the Zhenhu, Ning Xue whispered, "Tian..."

"Hm?" Zhao Tian responded.

Her hug on his waist got tighter "I know everything between us started bizarre... because of our physiques. But the more I am with you, the more I realize I am attracted to you by my heart too."

Zhao Tian turned around to look at her and she spoke, "So... I hope you won't leave me."

Zhao Tian looked at her trembling eyes, Where is the cold and arrogant queen? She has never shown her vulnerable self like this before.

He then remembered Ning Zuiye saying that Ning Xue was actually so kind and always smiling, but it seemed like after the coup, the situation around her changed her personality.

He hugged her back tightly. "I won't leave you, so don't worry." Is she traumatized because she lost her family?

"Call me Xue'er; that's how people close to me call me."

"Xue'er..."

They remained locked in each other's embrace, savoring the warmth and comfort of being in each other's arms, not wanting to let go anytime soon.

...

Hearing Ning Xue's words, Freya Arianwen Everglade narrowed her eyes "You want me to meet him? Xue'er, even in the past, only the main royal family knew about my existence."

"Is it really okay to tell this to an outsider?"

Ning Xue gave a slight nod, sitting beside her on the altar. "Yes, Sister Freya... I have already considered him my husband, so he is already in the royal family."

"I also want my sister and Husband to meet each other."

A sigh escaped Freya Everglade's lips "Then bring him. I am also curious about this physique of his."

"En."

...

As Zhao Tian touched down at the Lunar Blossom Sect, his pristine white robes billowing around him, the disciples were taken aback by his sudden appearance.

However, their initial shock quickly turned into excitement as they rushed forward to greet him with warm smiles and respectful bows.

"Sect Guardian."

Zhao Tian gave a nod and walked towards the main Sect building and at this time, sensing his presence, Ling Chen dashed out of the Sect Building, her eyes brimming with excitement and a smile tugging at her lips.

She hurriedly walked near him and opened her lips to speak, "Ah, Mr.Tian- u-uh."

However, Zhao Tian paid no attention to her and instead turned his gaze towards Ling Xin, who was coming from the sect building as well.

Ling Xin noticed Ling Chen being ignored and standing there awkwardly. Why is he ignoring her?

With a faint smile on his face, Zhao Tian asked "Where is Huang'er and Meiyang?"

"They are still sleeping."

Zhao Tian nodded, and when he was about to go see them, Ling Xin stopped him "Mr.Tian."

Hm? Zhao Tian glanced at her with a slight frown "Um, Mr.Tian... you seem to ignore Chen'er."

The concern in her voice was evident as she brought up the issue, hoping to address any potential misunderstandings or oversights in their interactions.

Zhao Tian shrugged "She said that she hates me. So I thought I shouldn't bother her anymore and let her be free."

He spoke and walked towards the building. Ling Xin took a quick glance at Ling Chen and could only sigh.

Ling Chen stood there, her gaze lowered, and clenched her fist, her eyes quivering in intense emotions.

...

Later that day-

HUH? Sitting in the warehouse of the artifact, Xia Shenyi had her jaw drop on the floor and even Shi Yixian was surprised.

Zhao Tian chuckled faintly seeing their reaction and Xia Shenyi spoke "So... an Emyreal flame itself came and kneeled in front of you accepting you as the Elemental Lord?"

Zhao Tian gave a faint nod "Yeah..." Ling Huang, who was sitting on Zhao Tian's lap, asked confusedly, "Sister Shenyi, what is Emyreal flame?"

Xia Shenyi glanced at her "Emyreal flames are the highest form of fire elemental. Normal flames are nothing in front of Emyreal flames."

"In terms of destruction and refinedness, Emyreal flames rule, and they can be considered the King of flames."

"Under the heavens, within the laws of fire, these Emyrean flames appear in nature where fire elemental is most concentrated."

"These Emyreal flames often bear a consciousness and maybe unique personalities. They can choose their master by itself or we have to forcefully tame them."

"But... even if they choose their master, I have never heard of an Emyreal fire spirit speaking to its master or kneeling in front of them."

Shi Yixian took a deep breath and spoke "I have seen four Emyreal flame users in my life and one of them bearing the Fallen Azure flame gave me this curse."

Ling Huang squinted her eyes "So, there are only Empyrea; flame? No Empyrean Ice or Empyrean earth?"

Xia Shenyi spoke, "I have heard about Divine ice, and for lightning, the most powerful is the tribulation lightning of the heavens."

Zhao Tian asked "Shenyi, how many Empyrean flames are there... the one I saw introduced itself as Golden Sun flame."

Xia Shenyi shook her head "There are no exact numbers, Tian... by the time we speaking there might have already been a new Empyrean flame formed."

"They are unpredictable and are under the Heavens themselves."

"And by the name, Golden Sun Blaze, the flame should be manifested by the natural forces of Sun."

Heaven, heavens,, what exactly is this Heavens? Zhao Tian mused in his mind.

"So, if the Empyrean flame is acknowledging you when it already has a master, then you are truly the archon of Elementals."
