Chapter 26: Kill who?

With a giggle, Fei Ziyu moved and sat beside him "Glad you came to the party Tian." Chi Miya stood up and stepped aside with a forced smile.

"Miya, sit here.... where are you leaving?" Zhao Tian spoke, softly pulling her hand and making her sit beside him. Fei Ziyu glanced at the woman with a frown "Tian, is she your friend?"

Chi Miya smiled "Hi, I am Chi Miya of Chi companies." Fei Ziyu couldn't help but raise a curious eyebrow "Oh, I think I have heard this name somewhere."

"Haan." Chi Miya gave a wry nod.

The guests were surprised as THE Fei Ziyu came and sat beside a handsome man on her own accord. Many big shots who had the thought of marrying their son to the daughter of Fei corporation, frowned their brows.

Fei Ziyu spoke moving even closer to him "I heard my Mom came to invite you." Zhao Tian gave a nod "Yeah, she did."

Fei Ziyu spoke with a shy smile "It should've been me to invite you. But I was really throwing a tantrum and... well.." her eyes discreetly glanced at Chi Miya.

She leaned in whispering in his ear "You are really cruel to bring your girlfriend to a girl's party whom you rejected."

"Girlfriend? No, she really is my friend..." he spoke taking a look at Chi Miya and she hurriedly nodded "Y-Yeah, we are just friends."

"Huh? Really?" Fei Ziyu's eyes brightened "Then... I still have a chance? Just tell me Tian, I can be whatever you want me to be." she spoke shaking his arm.

'Then be quiet.' Zhao Tian wryly thought in his mind seeing her being clingy with him. Chi Miya's face contoured in displeasure 'Why is she throwing herself at him like this? Is she that obsessed with him?'

Zhao Tian replied, "I think this is not the right time to discuss these matters." Fei Ziyu looked around "But I think this is the best time, you can give yourself to me as a present. Hehe..."

She spoke with a mischievous giggle and beckoned the waitress to come near to them. "Here have some cake, Tian." Zhao Tian glanced at Chi Miya as he felt she was getting ignored "Miya, you want some cake?"

Chi Miya shook her head "No, Tian... juice is enough." The waitress served the cake and juice.

Zhao Tian took a small bit of cake and brought it near his lips. But Fei Ziyu swiftly caught his hand and munched the cake in her mouth. She pulled the spoon from her lips "Now, the cake tastes delicious."

grr Sipping her juice, Chi Miya looked at the atrocities that were happening beside her. Fei Ziyu glanced at Chi Miya dumbfounded "The juice is empty... you are just sipping air."

E-Eh? Chi Miya looked at the glass and it was really empty. She got embarrassed and Fei Ziyu giggled "Waitress!"

Looking at Zhao Tian, Chi Miya spoke "I-I love the taste of air." with a wry smile dancing on her lips. Zhao Tian chuckled softly upon hearing this "You are really clumsy."

Chi Miya's face turned a little red, N-Now he would think of me as a weird woman for sipping an empty glass of juice.

The party continued on, they kept talking to each other, their voices blending harmoniously amidst the lively atmosphere.

...

Zhao Tian hugged Fei Ziyu a little and Fei Ziyu closed her eyes relishing the hug. Retracting the hug, Fei Ziyu smiled "See you later, Tian."

Zhao Tian smiled and glanced at Chi Miya. Chi Miya gave a nod and stood up as they left the party. Fei Ziyu's eyes instinctively followed the retreating figure of Zhao Tian, a sigh leaving her lips.

At this time, a middle-aged man came near her smiling trying to introduce his son "Miss Fei, this is m-"

"Fuck off!"

...

As Zhao Tian and Chi Miya stepped out into the open air and made their way toward the parking area, he heard a familiar voice "Hey handsome." Zhao Tian turned his head looking at the policewoman "What are you doing here?"

The woman let out a heavy sigh "I am a police officer, so I have duties to guard the VIP place from people like you who would ruin it."

Her eyes then fell on Chi Miya "You said she is your friend, but you are taking her to parties like this. You look like a good couple."

H-Huh? Chi Miya was quickly flustered "No, everyone keeps misunderstanding. We are just friends."

"Friends with benefits, huh?"

"J-Just friends."

The policewoman glanced at Zhao Tian "I would believe you if he gave me a kiss." Huh? Chi Miya was bewildered "How his kiss could clear your suspicions?"

The policewoman grinned "It surely would, right handsome?" Zhao Tian let out a soft sigh "Ok, then..."

H-HUH?! Chi Miya and the woman both were dumbfounded hearing this "Y-You mean you will kiss me?"

"Why not?" Zhao Tian pulled her, taking his waist in his left arm. "Your body is surprisingly soft for a rough woman like you!" he teased with a playful glint.

The woman's body stiffened in his embrace and her eyes quivered in surprise. She didn't expect him to be proactive, she just thought he would nonchalantly decline her.

"N-No, I was just kidding..." she spoke pulling away from the hug with a deep blush painting her cheeks. Zhao Tian shrugged "So you didn't want a kiss after all."

He spoke and walked away with Chi Miya. The police woman's body trembled, her eyes shaking in intense emotions "How dare he touch me..."

...

Inside a lavish room, Fei Lingxi was sitting on a couch cross-legged, her eyes glimpsing at her daughter who was sitting opposite her "You ran behind him for years... you even pushed a woman from the staircase and tried to act like a helping girl trying to gain sympathy."

"You created fake rumors and spread edited photos."

"You confessed to him, you teased him, fawned over him... He rejected all of your advances. So what are you gonna do?"

Fei Ziyu narrowed her eyes "Kill!"

Hm? Fei Lingxi raised an eyebrow "Kill him? That would be a waste."

Fei Ziyu shook her head "This is the last plan, to kill his dear sister, whom he loves very much."

"How will he love you if you kill his sister?" Fei Lingxi asked, her curiosity piqued.

A smile crept over Fei Ziyu's lips "Zhao Tian who lost his dear sister will fall into depression and despair. He will submerge in the sea of sadness."

"But... at that time, I will be there. In his times of need, I'll be a great help to him loving and taking care of him."

"Then, he'll love me. No, I'll make him love me. He will get obsessed with me... hehe."

Chapter 27: The reason?!

"Hmm..." Xia Shenyi quietly pondered to herself, her thoughts drifting as she gently closed the book she had been engrossed in. Her gaze fell upon the handsome young man cultivating under the blue array.

"Once I feel his energy, I can be sure about this theory." She muttered, her eyes narrowing in thought.

...

Some time passed, and Zhao Tian gradually opened his eyes feeling a brim of energy filling his body. His eyes locked with Xia Shenyi who was standing before him with a smile on her face.

As he rose from his seat, extending his arm in a stretch, Xia Shenyi spoke "I have a little clue about the reason for the energy in your body right after intercourse."

"Oh? Let me hear that..." He said walking close to her. With a smile, Xia Shenyi playfully leaned forward hugging his neck with her arms "Flow your astral energy within me." she spoke nuzzling her nose with his. "My astral energy?" Zhao Tian gently raised her chin and leaned in, kissing her lips. Xia Shenyi in turn softly grasped his face and closed her eyes, locking her lips with his.

Zhao Tian's astral energy flowed from him into her, causing her delicate eyelashes to tremble ever so slightly. With a tender smile, he withdrew from the kiss, his fingers delicately brushing a strand of hair behind her ear. "So, can you find anything?"

Xia Shenyi blinked her eyes in shock "I-Its just as I thought." she exclaimed, unable to contain her amazement. Zhao Tian was pleasantly surprised "Heh, you are really a genius..."

Xia Shenyi giggled and nodded in excitement "Yeah, the thing is- Ahhh!" But before she could finish her words, Zhao Tian swiftly scooped her up in his arms, cradling her above his shoulder "Let's talk while bathing..."

swoosh Zhao Tian appeared near the hot spring and placed her down. Xia Shenyi got down from his arms and Zhao Tian gently slid his hands into her dress beginning to remove it.

Xia Shenyi's face lit up with a mischievous smile as she reached out her hands, eager to start unfastening the buttons of his shirt.

...

"Haah..." Zhao Tian exhaled deeply, a sense of relief washing over him as he sank into the soothing warmth of the hot springs. splash Meanwhile, Xia Shenyi gracefully entered the hot spring, finding her place next to Zhao Tian, her body wrapped in a towel.

Zhao Tian shifted his gaze towards her, his eyes filled with desire. "Ah!" he reached out and pulled her closer, making her sit on his lap, her ass perfectly sitting on his dick. "Hyaaangh~!" A soft moan escaped her lips as Zhao Tian groped her boobs from behind.

"What are those towels for? hm?" fwish He pulled her towel away making her breasts pop out to jiggle. His fingers delved into the plushness of her boobs, gently savoring the touch "So damn soft..."

Xia Shenyi felt a shiver run down her spine as Zhao Tian gently rested his head on her shoulder, planting soft kisses along her neck. "T-Tian..." she kittenishly moaned his name as he squeezed her boobs teasing her sensitive pink nipples.

"I n-need to talk, brat...Hnngh~!" Xia Shenyi spoke snuggling in his arms. Zhao Tian chuckled "Then speak..." he said softly caressing her boobs.

Xia Shenyi let out a sigh leaning back on his bare chest "Do you remember when I said the energy in your body is quite weird?"

Zhao Tian gently pressed his cheeks against hers, feeling the warmth, and nodded "Yeah, I do..." he whispered softly.

Xia Shenyi gently lifted her hand, tenderly caressing his face while he remained nestled against her. "Hm. The energy in your body is actually a pure form of Astral Energy."

"Pure form?" Zhao Tian asked, his fingers still playing with her boobs. Xia Shenyi's body whimpered in delight feeling the continuous caress of his fingers on her boobs "Yeah, your physique is actually purifying the energy. Nnngh~!"

"As the astral energy enters your body, your Honoured One Physique is cleansing and purifying it, Making it even richer...Haangh~! that's why the energy that appears from your body is quite different... Mmngh~ Brat~~~"

"Hm. Interesting." He gently turned her face, taking her lips in a sweet kiss. Xia Shenyi reciprocated without hesitation, biting on his lips and relishing the soft texture of his lips.

As she retracted the kiss, Xia Shenyi smiled "Right?" Zhao Tian placed a kiss on her shoulder feeling the touch of her skin on his lips "So, what does it have anything to do with me having sex with my sister."

"Haha!" Xia Shenyi couldn't help but burst into laughter, finding Zhao Tian's playful actions quite amusing and Zhao Tian felt the boobs in his hands jiggling as she laughed.

With a mischievous smile on his face, he couldn't resist squeezing them even more, causing Xia Shenyi to let out an unexpected moan of pleasure mixed with playful protest. "Brat... Hhng~!"

"Hehe!"

Chapter 28: Dual cultivating!

"Do you know about Yang and Yin, brat?" Xia Shenyi asked turning her head to look him in the eyes. Zhao Tian frowned "I know a gist of it but not in cultivation terms."

Xia Shenyi rolled her eyes "Well let me explain, The Yang and Yin represent the dualistic nature of existence and the interdependence of opposites." "Ahh!" Xia Shenyi let out a sudden cry of surprise, feeling a twinge of pain and she noticed Zhao Tian biting down on her shoulder. "Explain in an easy way for me to understand..."

Xia Shenyi's lips twitched and as he withdrew his lips, she saw his teeth print on her shoulder. A sigh escaped her lips "Yang and Yin are everywhere and they are contradictory. Like Male and Female, Sun and Moon, Hot and Cold, Darkness and Light, Day and Night..."

She slowly turned around in his arms, placing her index finger on his chest "As you are a man, your body mostly has Yang energy and I have Yin energy."

Zhao Tian frowned hearing this "So, when I fuck my sister... I get her energy?"

-_- Xia Shenyi looked at him dumbfounded at his use of words. A wry smile appeared on her lips "Well, when you f-fuc *ahem* have intercourse with your Sister and you cu-shot inside her. Your pure Yang energy flows in her body mixing with her Yin energy and it returns back to you increasing your cultivation."

"And yes, if my speculation is correct... even your sister will also feel a rise in cultivation."

Huh? Zhao Tian raised an eyebrow "No, Shenyi... I am sure my sister is not a cultivator till now. I didn't feel a spark of astral energy from her."

Xia Shenyi shrugged "She is your sibling and there was a seal placed on you. So, we can't be sure that there is no seal on her."

That's possible! Zhao Tian thought and he could not sense the seal because it should be more powerful for him to detect.

"So only my body can cultivate like this?"

Xia Shenyi thought for a second "Yes and no." Huh? Zhao Tian pinched her lips "What's with that answer?huh?"

"Haha..." Xia Shenyi let out a playful giggle seeing him gently tugging on her lips. "Only your physique has the power to dual cultivate where both partners receive energy."

"There are still some evil dual cultivation methods that exist where they suck out each other's energy completely... like sucking the life out of them for energy."

Zhao Tian's eyes narrowed "So if I went around fucking woman, I can cultivate quickly?"

H-Huh? Xia Shenyi was completely taken aback but it was not like it was a lie "W-Well, if you look at it that way, you can. And as you said, you get more energy during your first sex because of her Virgin Yin."

"So if I fucked Virgin women, I can cultivate quicker... interesting."

-_- U-Um "Don't do that okay?" Xia Shenyi said in concern as she felt he might go on a rampage fucking woman. Zhao Tian chuckled "Idiot, no... I will only do it with my loved ones and I will cultivate other times normally."

His grip on her waist became even tighter "So, dear Shenyi... if I fucked you right now, I can increase my cultivation?"

A grin spread across Xia Shenyi's lips "Of course, I can feel your hard thing hitting my back from the start."

"Seems like your own promise is holding you back... hehe." she playfully taunted with a giggle.

Zhao Tian gently tap kissed her lips "Yeah, if not I would have rammed it inside you." Xia Shenyi smiled "Hm... I am surprised you are tolerating this much. I don't want to be a narcissistic but holding back in front of a naked beauty like me is commendable."

"Heh!" Zhao Tian smirked, a mischievous glint in his eyes "I should not be the only one suffering," Speaking in a soft and gentle tone, he slowly brought his hand closer to her crotch.

gasp Xia Shenyi was startled when she felt Zhao Tian's fingers drawing closer to her clitoris and she instinctively closed her thighs but Zhao Tian forcefully slipped his fingers in gently caressing her outer folds.

"Haaanghh~!" Xia Shenyi's body shuddered with a mix of pleasure as she felt the gentle touch of his fingers exploring the intimate depths of her sensitive pussy.

"Aaaaaanghhhh~!" Xia Shenyi let out a loud moan and she breathed quickly feeling his fingers caressing her vagina's outer folds. "T-Tian... your fingers are there..."

"Haah~!" A soft gasp escaped her lips, a melody of delight and desire, as waves of pleasure coursed through her body, electrifying every nerve ending. She arched her back, offering herself fully to his skilled touch, feeling the heat building within her with each tantalizing stroke.

"Your pussy is also adorable just like you!" Zhao Tian leaned in closer, whispering in her ear, making her blush deepen as the words resonated within her intensifying the heat that surged through her body.

"Aahnnn...Tian...your fingers...Aaahng~feels too good...Mmgh~" But her thoughts froze and she let out an erotic moan upon feeling Zhao Tian's hot finger plundering and ravishing her pink pussy.

It was so intense and a pleasure at the same time for Xia Shenyi. She could even feel her pussy folds being played with his fingers and felt her clit being rubbed so hard it made her feel like her mind and body were being overwhelmed with pleasure.

"Your insides are so hot and warm dear..." Zhao Tian lovingly caressed her body, relishing in the intense heat that radiated from within her. With tender kisses, he explored her chest, feeling the warmth and softness of her breasts against his lips.

"Hyaangh~!..T-There..." Xia Shenyi let out a soft sigh, her body contorting slightly as a muffled moan escaped her lips while he delicately traced his finger back and forth.

Zhao Tian could feel her inner wet folds sucking his finger and he continued stimulating her making love juices dripping from her pussy.

A short while later, he proceeded to add another finger into her most pussy, skillfully rotating it within Xia Shenyi's velvety walls, causing an overwhelming surge of ecstasy to consume her every thought and her mind to go in pleasure.

"Ahhngggggggg~...this is too much! Your fingers are going too deep..."

With each passing moment, the intensity of her pleasure grew, causing her to cry out in a mixture of ecstasy and desperation. Her breath quickened, becoming more hurried, as her chest heaved up and down in response to Zhao Tian's unyielding assault on her pussy.

Every touch, every movement, sent her spiraling into a world of pure ecstasy, her moans of pleasure echoing through the hot springs.

Her mind soared to a euphoric state, bringing her to the brink of orgasm. H-Huh? But suddenly she felt the pleasure stop and she blinked her misty eyes open.

She locked her gaze with Zhao Tian, meeting his eyes as he smirked at her playfully. "Oh, Tian... please I was so close," she pleaded with a hint of frustration in her voice.

Zhao Tian smirked "Now can you feel, how hard it is to hold back." Xia Shenyi hurriedly nodded and fervently kissed his lips "I can. I can. Tian... love me a little more... this uncomfortable feeling.. nnggh~!"

slip Zhao Tian's mischievous smile widened as he skillfully and yet again inserted two of his fingers into her vagina. Xia Shenyi, overcome by intense pleasure, couldn't help but surrender to the overwhelming sensations, causing her to close her eyes in pure bliss. "Yaaaanghhh~! I love you, dear.:

In the end, she reached her breaking point and couldn't hold back any longer. "Aaaannnnghhh~!" Letting out a loud moan of pleasure, her entire body quivered and

her back arched in ecstasy. The intensity of her climax caused her love juices to spray onto Zhao Tian's hand.

"Haa... haa..." Xia Shenyi's breath came in heavy gasps, her body collapsing into his arms as every ounce of strength drained from her.

Zhao Tian chuckled and stroked her hair gently "It is just my fingers... now imagine the main thing."

Xia Shenyi's heart raced with excitement and bit her lip in anticipation as she glanced at his huge cock. "Brat!" she couldn't help but playfully scold him with a soft hit to his chest. Zhao Tian, in response, pulled her into a warm embrace, his laughter reflecting the lightheartedness of the moment.

"Now, I also want to have sex with you...brat!" Zhao Tian gazed at her lovingly, his lips curling into a gentle smile as he tenderly ran his fingers through her hair "Soon, dear... I will."

Xia Shenyi's eyes softened and she leaned in kissing his cheek "I know..."

Chapter 29: A long drive!

Comfortably seated on the sofa, Zhao Tian gently ran his fingers through his sister's soft, lustrous pink hair, playfully intertwining them as she continued sleeping, her head resting gently upon his shoulder.

As he sat there, his gaze fell on the TV screen in front of him. "A seal on Ying'er..." he muttered again glancing at his sister's sleeping face.

A small sigh escaped his lips and at this time he felt small movements from his right side. He turned his head and looked at the stunning woman with lustrous silver hair, peacefully dozing off against the comfortable support of his right shoulder her face softly illuminated by the delicate glow of the dimly lit room.

His eyes softened and he delicately brushed his fingers against her cheek. The gentle touch stirred Zhao Suyin, causing her long eyelashes to quiver and she opened her silver eyes, her eyes locking with her son's blue eyes.

She softly rubbed her eyes "Um.. did I fall asleep?" *yawn* she let out a yawn and asked in a sleepish tone. Zhao Tian couldn't contain his amusement at witnessing her clumsiness, causing him to let out a chuckle.

Zhao Suyin then glanced at Zhao Ying and sighed "We thought of watching a movie late at night as a family but seems like we both fell asleep."

She caught a quick glimpse of her son and saw him smiling at her. As she gazed at him with affection, her eyes filled with tenderness "Sorry, Tian'er..." she softly spoke to him, planting a gentle kiss on his cheek.

Zhao Tian gently shook his head "No, Mom.. don't worry." A warm and tender smile graced Zhao Suyin's lips as her gentle hand lovingly tousled his hair, her touch conveying both comfort and affection. "I am going to sleep. When she wakes up, make her sleep too..." Her words were filled with a mother's love and concern. As Zhao Tian nodded, Zhao Suyin stood from the sofa and stretched her arms walking towards her room.

tring At this time he heard a notification sound and he took the mobile reading the notification 'Tian, are you awake?'

Seeing the message from Chi Miya, Zhao Tian replied 'Yeah, I am...'

'Cool! are you free tomorrow?'

'Well, yeah...'

'As we planned can we go for a drive tomorrow?'

Zhao Tian rolled his eyes, well he didn't have anything specific to do 'Ok!'

'Then it's deal... Just come to my home tomorrow and we can go in my car.'

'Alright!'

'Hm. Good night, Tian. See you tomorrow.'

'Good night!'

"Hngh.. Tian'er..." Zhao Tian looked down at Zhao Ying, who was nestled against him, murmuring his name with drowsy contentment. A gentle smile curved his lips as he gathered her in his embrace, making his way towards her bedroom.

...

Next day evening~

Zhao Tian drove his car into Chi Miya's villa and his eyes fell on an exquisite white Ferrari parked there. Chi Miya who was standing next to the Ferrari smiled looking at Zhao Tian walking towards her "I think this is much better..."

Zhao Tian glanced at the impressive beast car before giving a nod "Yeah, It's cool." Chi Miya responded with a wry chuckle "I actually purchased this car because I liked it, but it has been sitting in my garage untouched and I won't drive too fast so..." she said extending the keys.

Zhao Tian gave a nod taking the keys from her hand "Let me show you a good time." Chi Miya's face lit up with happiness, and she eagerly followed him entering the car.

As she sat on the co-passenger seat, she asked "Have you ever driven a supercar like this?" Zhao Tian nodded "Yeah, in GTA. I even drive helicopters."

Wai- what? Chi Miya was dumbfounded hearing his answer "T-Tian, are you serious?" Zhao Tian chuckled seeing her face "I am just kidding. I have experience in driving an old man's Lambo."

Zhao Tian effortlessly drove the Ferrari out of the villa estate as the magnificent tires glided smoothly across the pavement, their beauty only surpassed by the symphony of the revving engine. *vroom *

The car's speed was not quick when it was first started, but the powerful sensation of being forcefully propelled backward filled Chi Miya with an exhilarating rush of excitement and delight.

Then, he opened the co-driver window, allowing the noise of the engine and the sound of speed to reach her ears.

In an instant, the whole world seemed to be different.

Chi Miya felt her face grow hot and her heart race in her chest. She tightly gripped the hem of her dress, using her hands to keep it from accidentally revealing too much.

The area surrounding the villa manor is not densely populated, with very few vehicles passing by, especially as the evening approaches.

Zhao Tian felt relieved to drive courageously. "Miya. How do you feel, or should I drive faster?" Zhao Tian asked faintly, focusing on the steering wheel.

Chi Miya looked at him "Accelerate more!" she urged him, her voice tinged with a mix of excitement and challenge. Zhao Tian couldn't help but smirk in response "You asked for it!"

*VROOM *As he pressed his foot down on the accelerator, the car's engine roared to life, and the speed of the car soared violently. The force was so powerful that it seemed as though the car was soaring through the air, its velocity increasing exponentially with each passing second.

The breathtaking sense of acceleration rushed to her face causing Chi Miya's heart to race and agitated as she instinctively pressed her lips together tightly. Her face blushed a deep shade of red, emitting a captivating aura.

With a firm grip on the steering wheel, Zhao Tian could feel the immense power of the Ferrari as its wheels forcefully gripped the road, creating a resounding echo of drifting tires. *screechhh* Together, they were pushing the limits of the Ferrari, embracing the thrill of extreme speed.

Chi Miya, on the other hand, was experiencing this type of quick speeding for the first time. Her adrenaline was pumping, her palms were sweating, and her cheeks and ears were crimsoning. Her heart is racing frantically.

This type of fresh and exhilarating experience caused her to scream "AHHHHHHH!."

This sudden burst of excitement not only provided her with a much-needed release from the burdens weighing on her shoulders, but it also ignited a deep affection within her for the thrilling feeling of speed.

The car, on the other hand, was moving at a breakneck pace. As a result of the winding nature of the mountain highway, Zhao Tian's speed gradually decreased. After all, there are a lot of corners here, and it's simple to get into an accident if you're not careful.

Without wasting any time, Zhao Tian swiftly unlocked the back glass of the automobile, while simultaneously rolling down the windows on both sides of the car.

The wind blew in unexpectedly, causing Chi Miya's long hair to become tangled up and she couldn't help but burst into laughter feeling the cool breeze hitting on her face.

After hours of journeying, Zhao Tian eventually brought the Ferrari to a stop upon reaching the top of the mountain.

Chapter 30: Not a good drive!

At the top of the mountain, there is a small beautiful wooden pavilion where one can sit and enjoy the natural scenery in front of them.

*vroom * Zhao Tian parked the Ferrari on the hillside and both of them stepped out of the car. A sense of pure joy enveloped Chi Miya glancing at the breathtaking view of the setting sun, casting a mesmerizing glow on the distant mountains.

"Come on!" Zhao Tian said walking to the pavilion and with a nod, Chi Miya followed him. "Haah!" A soft sigh escaped her lips as she sat on the wooden bench after a quite long journey.

As the gentle breeze tousled their hair, they sat there silently looking at nature's beauty in front of them. Chi Miya turned her eyes and saw Zhao Tian's handsome face enriched by the orange sunlight "Tian... Thank you, I really needed this after those stressful business meetings. Finally, some time to relax."

Zhao Tian gave a small nod and smiled looking at her. Zhao Tian comfortably leaned back on the bench and opened his lips to speak "I thought of talking about this with you before... Chi Shui how did she?"

Chi Miya understood what he wanted to know and spoke "While travelling with my Mom and Dad, she was caught up in an accident... and her legs got heavily injured making it impossible for her to walk anymore. My Mom and Dad also passed away in that accident."

A sigh left her lips "I was doing my university degree at that time. and the burden fell on me... so I quit it and handled the business."

Zhao Tian smiled "And that university girl is now the President of one of the biggest companies in the city." Chi Miya shook her head with a smile "I am just maintaining what my father left behind."

"How humble of you..."

"Haha..."

They light-heartedly chatted for a bit and Chi Miya felt more at ease around Zhao Tian, His gentle and playful words had a magnetic effect on her, never failing to captivate her heart and she found herself growing more attracted to him.

...

As the evening sky gradually faded into darkness "Shall we return? It is getting dark..." Zhao Tian asked and Chi Miya gave a nod "En."

As they both walked to the Ferrari, Chi Miya said with a little anticipation "Tian, shall I drive on our way back?"

Zhao Tian shrugged and tossed the keys to Chi Miya "You know how to drive?" Chi Miya pouted her lips "Of course, I know... it's just that I don't know how to drive fast."

Zhao Tian smiled and entered the car. Chi Miya snorted "I will show you my driving skills."

...

vroom Sitting inside the car, Zhao Tian smiled "Not bad..." Chi Miya, on the other hand, couldn't help but wear a proud smirk on her face as she drove through the turns on the mountain highway.

As it was getting dark, Chi Miya flicked the switch to illuminate the car's lights, allowing for better visibility in the fading daylight. *HORN* Suddenly they heard a loud horn and a bright light flashed at their car momentarily blinding them.

Hm? Zhao Tian frowned and he gazed at the truck coming towards from the opposite direction. "Why is the driver using the high beam when he knows there is a car in the adjacent lane?" Chi Miya yelled.

room Zhao Tian was startled as he noticed the truck rapidly closing in on them. Going at such speed on this mountain highway? *screeccccch* *rooommm* The screeching sound of the brakes echoed through the air as the truck abruptly came to a halt. However, due to the powerful centrifugal force, the back of the truck violently swung towards their direction, causing a terrifying crash. *thrash*

gasp Chi Miya was completely horrified and her body stiffened feeling the looming danger approaching her. Her eyes widened in shock, and her heart pounded with fear as she watched the back of the truck careening out of control, tumbling recklessly on the road.

Zhao Tian instinctively slammed his foot on the brake pedal of the Ferrari, causing the tires to screech and leave distinct marks on the pavement as they drifted in an attempt to regain control and avoid a potential accident.

But *boom* The forceful impact of the back of the truck collided with the sleek Ferrari pouncing it back. Zhao Tian instinctively pulled Chi Miya into his arms because he knew he had a strong body and it was not life-threatening for him.

thrrasshhhh It is a Ferrari after all. *screeeechhh* The side was thrashed and it did a spin on the road coming to a halt. The force of the impact had shattered the windows, leaving a trail of shattered glass strewn across the scene.

"Urghhh!" Chi Miya growled in pain as the shards of glass mercilessly sliced through her delicate skin, inflicting deep wounds upon her. In an attempt to withstand the pain, Chi

Miya forcefully clenched her teeth, desperately attempting to maintain control over her senses.

thoom Zhao Tian kicked the smashed door open and swiftly pulled Chi Miay outside.
cough As she came out, she struggled to maintain her balance, her steps becoming unsteady with a severe cough "I-I am sorr-"

Huh? Zhao Tian's senses tingled, alerting him to imminent danger. Reacting swiftly, he embraced Miya tightly, hurling both of them to the ground in a protective motion. "Miya!"

swish *thud* In the midst of the chaos, a sudden and unexpected gunshot reverberated, sending shockwaves through their surroundings.

Chi Miya was filled with immense shock and her eyes trembled uncontrollably as she witnessed a bullet, accompanied by wisps of smoke, fibbing exactly where she had been standing mere moments ago. W-What the? she felt the presence of death ominously looming over her, as she narrowly evaded the trajectory of the bullet.

An assassination attempt?

Zhao Tian narrowed his eyes and looked in a specific direction "Sniper?" With his keen eyes, he saw a black-clothed man sitting on top of a rock with a long sniper rifle in his hands.

"There are many." Zhao Tian muttered as he sensed even more black-clothed people surrounding them from all sides.

Chi Miya's eyes trembled glimpsing at the bullet stuck on the road. T-They are after me? She gritted her teeth in anger "Those fuckers!" she clenched her fist.
