

I Regained My Memories and Became Rich After Getting Divorced - Chapter 7

That woman must have cried secretly after he left.

Jiang Yue noticed Song Ling's abnormality. Her hands hidden under the quilt tightened, "Brother Song Ling, are you really serious?"

Song Ling came back to his senses again, hurriedly threw Gu Dai's face out of his mind, and replied, "Of course, it's true!"

"Brother Song Ling, you are the best!" Jiang Yue's eyes were sparkling as she looked at Song Ling. Then, she considerably asked, "Brother Song Ling, have you been working too long and are a little tired? Do you want to hold me and rest for a while?"

Song Ling also nodded in agreement, "Mmm, I'll rest for a while."

Song Ling felt that he must be somewhat tired; otherwise, why would he think of that woman Gu Dai just now?

It was clear that he liked Jiang Yue, and Jiang Yue had even saved him, even risking her own life, something that the snobbish woman Gu Dai could never do in her life.

Jiang Yue didn't expect Song Ling to agree, her expression stiffened for a moment, but she quickly regained her usual smile, then proactively reached out and hugged Song Ling.

In order to gain a stronger hold on Song Ling's heart, she meticulously planned a car accident and even bribed the doctor to exaggerate the severity of her injured hand.

It turned out she was successful, as Song Ling had left his wife on their wedding anniversary to find her.

A triumphant smile appeared on Jiang Yue's lips as she thought of this.

She had now gaslighted Song Ling, and the position of Mrs. Song was getting closer and closer!

Jiang Yue believed that once she became Mrs. Song, she could also grasp the assets of the Song family, and then enjoy endless wealth and glory!

On the other side, Gu Dai was sitting carelessly in the main seat of the office at this moment.

Seeing that everyone had arrived, Gu Dai spoke with nonchalant in her tone, "Since everyone is here, I'm making an announcement: I am the new chairman of the company, and Gu Group will be under my control from now on."

As Gu Dai's words fell, the people sitting below started discussing, their voices noisy and hectic.

Gu Ming saw this scene and a satisfied smile appeared.

He had just heard that Gu Dai wanted to be the chairman, and instead of openly confronting her, he readily agreed, but arranged for his subordinates to oppose.

Gu Dai looked at the noisy crowd below with cold eyes, not saying a word.

Gu Ming stood up, "Gu Dai, although you have 50% of the shares, we also have 50% of the shares on our side, so it's not easy to convince everyone. Besides, your uncle has been the chairman for three years and has more experience than you. So, maybe..."

Before Gu Ming could finish his sentence, Lin Sheng pushed open the office door and said while walking in, "I just gifted the 1% of shares I held to Miss Gu Dai. Now she has 51%, is that enough to convince everyone?"
