Chapter 1021 - Going To The Lantern Festival

After they left the Seafood Restaurant, Xiao Tian sent the script to Xi Ran.

Like usual, Xiao Tian went straight to the Eternal Beauty company to work. As he was working seriously, Long Jingxian suddenly called him.

Xiao Tian traveled to her house when she said she wanted to say something serious. At this moment, Xiao Tian thought someone had caused trouble to her again, but he was wrong.

Long Jingxian said she was ready to live together with him!

Xiao Tian was thrilled.

He immediately spun her before embracing her tightly. At this moment, Happiness welled up inside him like a burst of fireworks.

"I will inform my women about this after arriving home." Xiao Tian was pleasantly surprised when Long Jingxian stated she would live with him tomorrow. "Don't worry. I will order Liang Jun to help you sell this house later."

Because Long Jingxian said she did not want to live at her house anymore, Xiao Tian thought it was better to sell her house.

"Un." Long Jingxian nodded her head. "I will leave everything to you."

Xiao Tian was her lover, so she believed in him. That was why she would leave everything to him.

"By the way, where is little Ai?" Xiao Tian did not see Mu Ai since he arrived at Long Jingxian's house.

Usually, Mu Ai would immediately run towards him whenever he came to her house.

"She is at Mrs. Su's house." Long Jingxian gave an honest answer.

Previously, Su Ruanyi brought Mu Ai to her house. Because Long Jingxian had known Su Ruanyi for a long time, she allowed it.

Su Ruanyi was her neighbor, and she also treated Mu Ai nicely, so Long Jingxian did not feel worried.

"Professor Su?" Xiao Tian wanted to make sure whether it was Su Ruanyi or not.

"Yes." Long Jingxian knew that Xiao Tian was one of Su Ruanyi's former students.

Because they were alone in her house, Xiao Tian's mind suddenly went dirty. "My Jingxian, because we are alone, how about we do it now?"

Long Jingxian smiled after hearing his words. "All right. Let me close the door first."

He was her lover, so she did not mind having sex with him. And having sex with him always felt amazing. That was why she agreed instantly.

After she closed the door, Xiao Tian wasted no time and carried her to her room. They immediately took off their clothes and did 12,000 words of sexual activities.

"Why did you always put me on top of you after sex?" Long Jingxian asked curiously.

Xiao Tian wrapped his arms around her waist before answering, "Because it feels great to hug you after having sex with you."

Xiao Tian was telling the truth. This was the reason why he always put his women on top of him after having sex with them.

"And do you often not pull your cock out of your girlfriends' vaginas like we do now?" Long Jingxian asked again.

Currently, Xiao Tian's penis was still inside her pussy. He did not pull it out after letting out his sperm in her wet vagina.

"Sometimes." Xiao Tian gave an honest answer.

He did not pull his penis out of her pussy because he wanted to feel connected while hugging her.

"The more we spend time together, the more I believe that you are a pervert." Long Jingxian did not mind it even if Xiao Tian was a pervert because they loved each other deeply, and he never asked her to do something dangerous too.

"Because I'm indeed a pervert." Xiao Tian did not deny it because there was no point in denying that.

Not long after that, Mu Ai returned home. Because he wanted to make them happy, he took Long Jingxian and Mu Ai to Star Hill.

And what he did was right because Long Jingxian and Mu Ai were pleased.

The scenery there was beautiful. Coupled with them spending time with Xiao Tian, it made the night even more beautiful for them.

At 10:00 pm, they went home. Luckily, Ye Qingyu and the others were still awake when he arrived home.

When Xiao Tian said Long Jingxian would move out to his house tomorrow, Ye Qingyu and the others were thrilled.

Coincidentally, the secret room he built for Long Jingxian was finished a few hours ago, so Xiao Tian was happier.

Xiao Tian chatted with his women for about fifteen minutes before finally, they slept in his room.

The following morning, Xiao Tian helped Long Jingxian move into his house. After that, he moved all the books to the secret room.

"How is it, Jingxian? Do you like this room?" Xiao Tian inquired.

Currently, Xiao Tian and Long Jingxian were in the secret room. The room was big, with several large bookshelves on the right side of the room.

The workbench was placed on the opposite side of the bookshelves with a red couch in front of it.

Xiao Tian also built a medium-sized bedroom next to the workplace so Long Jingxian could rest there later.

"It's beautiful. I like it!" Long Jingxian did not expect that he would build a luxurious secret room for her.

After tidying everything up, Xiao Tian went to Star Clothes company to work. At 3:00 pm, Xi Ran called him and said she accepted his offer.

Xiao Tian was pleased by this and immediately called Da Shan to prepare everything. Yes. He wanted to make a movie as quickly as possible.

At 05:00 pm, Xiao Tian went to Crystal's apartment to know about her condition. Even though she still had not fully recovered, but her condition was better now.

"Xiao Tian, there is a Lantern Festival not far from here." Yu Shi spoke abruptly. "How about we go there now?"

It was not a lantern festival that was held once a year. They held a lantern festival as a sign of gratitude for their bountiful harvest.

Of course, her main purpose was to create a beautiful moment for Crystal and Xiao Tian.

Xiao Tian looked at Crystal and inquired, "Do you want to go there?"

"Un." Even though she knew her master's intention, Crystal still agreed because she wanted to make her master happy.

"All right. Let's go there now." Xiao Tian had promised to help her make Yu Shi happy, so he also agreed.

After driving for about twenty minutes, they finally reached their destination.

'Beautiful!'

Happiness filled Crystal's heart when she saw the countless lanterns decorating the street. Because the Lantern Festival was held by the river, they could see water.

"It has been a long time since I last went to the Lantern festival like this." Yu Shi focused on being an assassin in the past, so she did not come to the lantern festival for five years.

Xiao Tian suddenly remembered his father and two of his martial arts masters.

Yes. The last time he went to the lantern festival was two years ago before he transmigrated into the current world.

At that time, he went to the lantern festival with his father and two of his martial arts masters.

'I miss them.'

They were the most important people to him, so he suddenly missed them.

As Xiao Tian and Crystal were looking at the lantern, Yu Shi suddenly did something unexpected to them.

Chapter 1022 - This Big Sister Likes This

7-8 minutes

As Xiao Tian and Crystal were looking at the lantern, Yu Shi suddenly did something unexpected.

She made Xiao Tian hold hands with Crystal!

Her primary purpose of coming to the lantern festival was to get Xiao Tian and Crystal closer than before, or more precisely, to make them fall in love with each other.

Xiao Tian and Crystal were startled. They did not expect her to do something like that to them.

Xiao Tian and Crystal looked at Yu Shi after exchanging a glance with each other. Because they wanted to make Yu Shi happy, they kept holding hands.

Yu Shi smiled softly when Xiao Tian and Crystal kept holding hands.

'Good! It seems like they are starting to fall in love with each other. I'm glad my efforts have not been in vain.'

At this moment, Yu Shi believed that Xiao Tian and Crystal had started to see each other as a man and woman, not as friends.

Yu Shi's heart was pounding with happiness because one of her wishes was about to come true.

Like before, Xiao Tian and Crystal kept holding hands. And in order to make Yu Shi happier, they behaved intimately on purpose.

And their actions made Yu Shi happier. Yu Shi, Crystal, and Xiao Tian were delighted at that time. They took a lot of photos before going home.

"Xiao Tian, you should hug and kiss my disciple before going home." Because she believed that the relationship between her disciple and Xiao Tian had gotten closer than before, Yu Shi wanted him to kiss and hug Crystal before he went home.

Currently, they were standing in front of Crystal's apartment. After arriving at her apartment, they talked for about fifteen minutes before Xiao Tian said he wanted to go home.

Xiao Tian shifted his gaze from Yu Shi to Crystal. It was not like he did not want to kiss and hug her, but he wanted to know her opinion first.

Crystal nodded her head once. Sure, it would be their first time hugging and kissing in front of Yu Shi, but she did not mind it.

They would have sex after she recovered later, so kissing and hugging was nothing for her.

Xiao Tian instantly embraced Crystal after she nodded her head. He did not stop the hug immediately because he knew the reason why Crystal agreed to Yu Shi's words.

Like before, Yu Shi smiled happily when she saw Xiao Tian and Crystal hugging each other. The smile on her old face grew bigger when Xiao Tian kissed Crystal's forehead.

At that moment, Yu Shi wanted to ask them to give her a grandson immediately, but she changed her mind.

'Well, this is enough for now.'

Of course, Yu Shi would ask them to give her a grandson or granddaughter in the future.

Xiao Tian kissed Crystal like he kissed his women. After stopping the kiss, Xiao Tian uttered, "I'm leaving."

"Un." Crystal nodded her head. "Be careful on the road."

"Xiao Tian, don't forget to come again tomorrow." Yu Shi shouted.

Then Xiao Tian went home.

The expression of deep shock blossomed on his face when he arrived home.

'Big sister Yun?'

He did not expect to see Yun Xin Er in the family room.

His surprised face instantly turned into a smile as he walked towards Yun Xin Er. "Big sister Yun...."

Yun Xin Er turned her head to look at Xiao Tian before replying, "Oh! You have returned?"

Currently, Yun Xin Er and the others were sitting on the couch in the family room.

After sitting next to Yun Xin Er, he replied, "I did not expect to see you in my house."

"I know you really miss me and desire to spend time with me, so I decided to come to your house." Yun Xin Er made an excuse. "How is it? Are you happy to see your beautiful big sister?"

Actually, it was Yun Xin Er who missed him and desired to spend time with him because they rarely spent time together lately.

"Yes. I'm happy." Xiao Tian's face broke into a smile. "I would be happier if you stayed the night here later."

"If you can make this big sister happy, this big sister will grant your wish later." actually, Yun Xin Er had the intention to spend the night at his house because she desired to spend time with him.

Yun Xin Er's behavior and the way she talked much surprised Long Jingxian.

'Is she always like this?'

It was her first time meeting Yun Xin Er, so she did not know Yun Xi Er's real personality.

Actually, she was shocked when she found out about Yun Xin Er's relationship with Xiao Tian earlier.

But what surprised her most was that Yun Xin Er's behavior was different from when she was on TV.

The way Yun Xin Er talked was even unique in her eyes. If she had not heard it herself, Long Jingxian would not have believed it.

"It seems like I will sleep with you tonight." Xiao Tian was sure that he could make Yun Xin Er happy later.

"Little brother, I did not know you had new lover." Yun Xin Er glanced at Long Jingxian for a second before she continued, "Your new lover is even a doctor. It seems like your skills in seducing women have improved a lot since the last time we met."

Yun Xin Er behaved normally when she found out that Xiao Tian had a new lover because she knew that he would have a lot of women in the future.

"Miss Yun, he is a playboy so having a new lover is normal for him." Shi Fei spoke abruptly.

"Isn't he a pervert?" Yun Xin Er decided to tease Xiao Tian.

"He is a pervert too." Ye Qingyu stated. "I'm sure anyone can tell his personality instantly after seeing his face."

The corner of Xiao Tian's lips twitched after hearing their words.

'This is one of the disadvantages of having more than one girlfriend.'

Of course, Xiao Tian was not angry at them.

Long Jingxian giggled cutely.

'They are bullying him.'

It was the first time she saw someone bullying Xiao Tian, so she could not help but giggle.

"Do you want to be punished?" Xiao Tian was only joking around.

While Ye Qingyu did not say a single word, Shi Fei did the opposite.

Shi Fei even challenged him to punish her. "Little brother, I'm fine if you want to punish me now. I even don't mind it if you want to punish me in front of Miss Yun."

Xiao Tian patted his thighs and spoke, "Come here, my sexy lover. I will punish you now."

Shi Fei wasted no time and instantly sat between Xiao Tian's legs.

There was not the slightest bit of fear in her eyes; instead, her eyes were filled with excitement as if she was happy to be punished by Xiao Tian.

Long Jingxian and the others instantly looked at Xiao Tian. They wanted to know what he would do to Shi Fei.

Xiao Tian instantly pinched Shi Fei's cheeks before speaking, "Bad lady, how is this? Do you want to ask for forgiveness now?"

"No. I won't ask for forgiveness." Shi Fei smiled happily when Xiao Tian was pinching her cheeks.

He was pinching her cheeks gently so she did not feel any pain.

"Then, I will do something else now.." Xiao Tian did something shocking after saying that.

Chapter 1023 - You Will Be Surprised Later

6-8 minutes

"Because you don't ask for forgiveness, I will punish you for real now." after saying that, Xiao Tian did something shocking to Shi Fei.

Sure, Yun Xin Er was next to him, but Xiao Tian did not show the slightest care about it. The reason was simple.

First, Yun Xin Er knew that Shi Fei was his girlfriend. Second, she had seen him do something lewd to women before.

For this reason, Xiao Tian turned Shi Fei over and kissed her passionately.

'It seems like my sexy lover is more pervert than me.'

The moment Xiao Tian put his tongue into Shi Fei's mouth, she instantly welcomed the kiss and moved her soft tongue lewdly.

Like Xiao Tian, Shi Fei also did not care even if Yun Xin Er saw her kissing passionately with Xiao Tian.

Shi Fei believed that Yun Xin Er would become one of Xiao Tian's women in the future, so she was fine having a passionate kiss with him in front of Yun Xin Er.

Shi Fei was even sure that she would have a threesome with Yun Xin Er and Xiao Tian in the future.

Liu Ning and the others only saw them without saying a single word.

'They really did it!'

Actually, they were not surprised because they knew that Xiao Tian and Shi Fei loved doing adult things.

Xiao Tian only kissed Shi Fei for a short time because he wanted to talk to Yun Xin Er and the others.

After Xiao Tian stopped the kiss, Ye Xueyin showed an envious face, "Tian, mother wants a deep kiss too."

Ye Xueyin suddenly wanted to do passionate kiss with Xiao Tian after seeing them.

Shi Fei instantly slid from Xiao Tian's lap and spoke, "Sister Xueyin, here. You can have a passionate kiss with him now."

Ye Xueyin wasted no time and instantly sat on Xiao Tian's lap, facing him. "Tian, let's do it now."

She wore a happy face. Like Shi Fei, she did not care even though Long Jingxian and the others looked at her.

When Xiao Tian saw the expression on Ye Xueyin's face, he knew that he could not refuse her wish. For this reason, he kissed her passionately for ten seconds.

After stopping the kiss, Xiao Tian looked at Ye Qingyu and the others, "How about we have a little party in the backyard?"

"Good idea!" Shi Fei and the others agreed with his idea.

When Xiao Tian saw his mother still sitting on his lap, he knew she wanted him to carry her to the backyard.

For this reason, Xiao Tian placed his hands on her buttocks before rising to his feet.

Ye Xueyin smiled happily and instantly wrapped her slender arms around his neck before giving him a peck on the lips.

They had a small party in the backyard until 09:20 pm. As usual, Xiao Tian managed to make Yun Xin Er happy.

For this reason, she agreed to spend the night at his house. Because Yun Xin Er lived alone, she could do whatever she wanted.

At first, Xiao Tian wanted to spend time with Yun Xin Er and his women in his room, but his girlfriends refused.

The reason why Shi Fei and the others refused was simple. They wanted to give Xiao Tian and Yun Xin Er some alone time.

"Your women are very understanding to us." Yun Xin Er was startled when Shi Fei and the others decided to give them some time alone.

Currently, Yun Xin Er and Xiao Tian were lying on the bed. She was lying on his right side with her head on his right arm.

Xiao Tian turned his head to look at her before replying, "Because they want you to be my lover too."

Even though their relationship was already like lovers, they were still not officially a couple.

"Little brother, even though I dislike my mother's personality, but she is still my mother." Yun Xin Er replied with a sad face, "I want you to meet my mother's criteria first. But if she doesn't keep her promise later, I won't listen to her words anymore. I will become one of your girlfriends at that time."

When Xiao Tian saw the expression on her face, he pinched her cheeks and chuckled, "Why are you making an expression like this? Don't worry. I promise to make your mother accept our relationship later."

Yun Xin Er instantly smiled, "Good!"

Xiao Tian was an amazing young man, so she was sure that he could meet her mother's criteria later.

She kissed Xiao Tian's cheeks and spoke, "I love you, little brother."

"I love you too." Xiao Tian said in a soft and loving voice.

They talked for about twenty minutes before finally, they fell asleep. The following morning, Yun Xin Er went home after having breakfast with Xiao Tian and the others.

Because Xi Ran had accepted his offer, Xiao Tian brought her to the Star Film company and introduced her to Da Shan.

He then ordered Da Shan to make a movie as quickly as possible. Da Shan said they would start making a film tomorrow.

When it was lunch time, Xiao Tian invited Yu Shi and Crystal to eat at his restaurant. As usual, Yu Shi tried to make Xiao Tian and Crystal become lovers again.

After that, Xiao Tian went to Red Flower bar to meet Lan Ruoxi. To his surprise, he saw Zhao Sheng at Red Flower Bar.

"Yo, Xiao Tian. It had been quite a while since we last met." Zhao Sheng, who was sitting on the couch, spoke.

Lan Ruoxi, who was sitting on the opposite side of Zhao Sheng, looked at Xiao Tian.

After sitting next to Zhao Sheng, Xiao Tian uttered, "Does your grandfather still force you to practice martial arts every day?"

"Don't remind me about it. Do you know how miserable my life has been these past few days? I practiced martial artist twelve hours every day, you know? Twelve hours per day!" Zhao Sheng replied instantly.

He then continued, "If I had known about it, I would definitely not have made a promise to that old man! I really regret it until now."

The reason why Zhao Sheng had not seen Xiao Tian lately was that he practiced martial arts with his grandfather.

"Hahaha." Xiao Tian laughed.

"Fuck you, Xiao Tian. Don't laugh at other people's misery!" Zhao Sheng said in annoyance. "Oh right, I heard you want to make a movie. Is that true?"

"Yes." Xiao Tian gave an honest answer, "My new company will start making a movie tomorrow."

"It seems like young master Xiao will be richer in the future." Lan Ruoxi spoke abruptly.

"Of course, because my one of my dreams is to be the richest man in China." Xiao Tian replied instantly.

"Haha. I will mock you if you fail to achieve your dreams later." Unlike Xiao Tian, Zhao Sheng never had any intention of becoming the wealthiest person in China.

"Just you wait. I will be the one to laugh at the end later." Xiao Tian believed that he could become the richest person in China in the future.

"Hehe." Lan Ruoxi covered her mouth and giggled, "I suddenly want to know about your future, young master Xiao."

"You will be surprised later.." Xiao Tian said confidently.

Chapter 1024 - Duzu Potion

7-8 minutes

After Xiao Tian talked with Zhao Sheng and Lan Ruoxi for about two hours, he went to Star Clothes company to work.

'It's already 05:00 pm. I will go home now.'

With that idea in mind, Xiao Tian went home.

"Where is Jingxian?" Xiao Tian asked Shi Fei after stepping into the living room.

"She is in the secret room." Shi Fei replied, "She has been there since afternoon."

Xiao Tian wasted no time and immediately headed to the secret room.

'There she is.'

Xiao Tian saw Long Jingxian standing in front of the bookcase, reading a book.

He walked on tiptoe before finally embracing Long Jingxian from behind. "My Jingxian, what are you doing?"

Long Jingxian, who was reading a book, closed it. "Xiao Tian, I have successfully made the Duzu potion."

Xiao Tian instantly turned her body before grabbing her shoulders. "Do you mean medicine that can strengthen my body?"

"Yes." Long Jingxian replied as she nodded her head. "I also managed to master some medicine and poison."

Xiao Tian's heart was filled with happiness. He cupped Long Jingxian's face before finally giving a peck on her lips. "As expected of my beautiful lover, you are sure amazing."

'With this, my underlings can become stronger faster.'

Xiao Tian also had the intention to give the Duzu potion to his underlings because they were his main backers.

Long Jingxian's face broke into a smile. She was pleased when she saw Xiao Tian's happy smile.

'I'm glad I can help him.'

One of the reasons why she worked so hard to master all of Ru Guo's books was that she wanted to help Xiao Tian achieve all of his goals.

"I will make a lot of Duzu potion tomorrow." Long Jingxian knew that the Duzu potion could help Xiao Tian increase his strength faster, so she wanted to make many Duzu potions.

"I will order my underlings to help you tomorrow. Please make a lot of Duzu potion because I want to give it to my underlings too." Xiao Tian would order his underlings to help her so that it would make her work more manageable.

"Un." Long Jingxian nodded her head.

Without giving a warning, Xiao Tian carried Long Jingxian and walked towards the bedroom. "Jingxian, how about we do it now?"

"All right. But let me take a shower first." Long Jingxian agreed instantly because she did not have sex with him for two days.

"You don't need to take a bath. We will take a shower together later." Xiao Tian said this because he wanted to have sex with her immediately.

Long Jingxian smiled softly before nodding her head. Because Xiao Tian did not mind it, she immediately agreed.

After Xiao Tian stepped into the bedroom, he put her on the edge of the bed. The bedroom was quite big.

There was a huge TV in front of the bed with AC hanging on the wall above the TV.

The wardrobe was on the right side of the bed, while the wooden door leading to the bathroom was on the other side of the bed.

After making Long Jingxian sit on the edge of the bed, Xiao Tian kissed her passionately for several seconds.

As usual, Xiao Tian started taking off Long Jingxian's clothes as they were having a deep kiss.

He played with her beautiful breasts and pussy for several minutes before finally he removed his clothes and began fucking her wildly.

After having sex with Long Jingxian for an hour and a half, they took a bath together. One thing led to another, and they ended up having sex again in the bathroom.

Because they were starving, Xiao Tian carried her to the dining room to eat. That night, Xiao Tian slept with a big smile on his face.

The following morning, Xiao Tian called Chun Hua, Mu Huo, Ren Auxo, and ten of his underlings to help Long Jingxian.

After that, he went to Star Clothes company to work. Because Xiao Tian had a lot of work, he spent the whole day working at his company.

'I'm tired! My mind is tired!'

It had been a long time since he worked for the whole day like that.

Yes. Xiao Tian worked from 07:30 am to 07:10 pm without stopping. He even forgot to eat lunch because he was focused on his work.

That night, Xiao Tian fell asleep after dinner. The next day, Xiao Tian also worked all day.

He worked from 08:00 am to 08:00 pm. At night, he had sex with Liu Ning, Lin Xing Xue, and Ye Qingyu for an hour and a half before falling asleep.

The following morning, Xiao Tian went to Eternal Beauty company after breakfast. He worked for about two hours before finally, he went to the Blue Ice Lotus gang headquarters.

"Do you know why our leader ordered us to gather like this?"

"I don't know."

"Maybe, we will have a war again later."

"Yea! I love war!"

"Whoa! We have a battle maniac here."

"You don't need to hide it. I know all of you also love war like me. Just admit it."

"I don't like war, but I like torturing people."

"Oh! I love torturing people too."

"Wait! If we will have a war, then why would our leader bring two giant tubs to our base?"

"I don't know."

"Maybe our leader wants to take a bath with us before going to a war!"

"Maybe."

"You slut! There is no way our leader will do that."

"Then what is it? Isn't tub used for bathing?"

"We will know about it later."

"Hehe. I don't mind it if leader wants to take a bath with me."

"You are really a slut!"

"You are a slut too! You don't need to hide it. I'm sure all of you won't refuse if our leader wants to take a bath with you."

"Maybe we should ask our leader to take a bath with us later."

"Damn! Many of us go crazy every day."

Xiao Tian's underlings wanted to know the reason why Xiao Tian brought two giant tubs to their base.

The corner of Xiao Tian's lips twitched after hearing their conversation.

'It seems like my underlings are getting crazier every day.'

Of course, Xiao Tian pretended as if he did not hear anything.

Xiao Tian, who was standing in front of his underlings, uttered, "I'm sure you all want to know why I suddenly gathered you here or why I brought two giant tubs to our base."

Before Xiao Tian finished explaining everything, one of his underlings asked curiously, "Leader, are we going to war again?"

"No." Xiao Tian replied instantly. "The reason why I gathered you guys was to make you stronger faster."

Xiao Tian knew that most of his underlings did not know about the Duzu potion, so Xiao Tian was not surprised by his underling's question.

"Make us stronger? How are you going to do that, leader?"

"Are you going to bring us to the forest again?"

"Or are we going to spar with the disciples of the martial arts school?"

Countless questions emerged in the minds of Xiao Tian's underlings.

At the same time, Mu Huo, Chun Hua, and Ren Auxu brought a huge wooden box and put it next to Xiao Tian.

Xiao Tian's underlings became even more confused. They wanted to know why Chun Hua, Mu Huo, and Ren Auxu brought a huge wooden box.

Xiao Tian pointed his right index finger towards the wooden box and replied, "The answer to your question is in that wooden box."

Chapter 1025 - How About We Go On A Date Right Now?

7-9 minutes

Of course, Xiao Tian's underlings still did not get his words.

'What does he mean?'

His underlings exchanged a glance with each other.

Xiao Tian shifted his gaze from his underlings to Mu Huo, "Mu Huo, open it."

Mu Huo wasted no time and immediately opened the huge wooden box. Like before, Xiao Tian's underlings still did not understand anything.

They knew the wooden box was full of potions, but this was precisely the reason why they did not understand Xiao Tian's words even more.

One of Xiao Tian's underlings suddenly said something unexpected, "Leader, do you want to play doctor and patient with us?"

"Oh! Is that true, leader?" another member of the Blue Ice Lotus gang uttered.

"I have never played doctor and patient before, but I don't mind it if leader wants to do it with me."
another member of the Blue Ice Lotus gang added.

The corner of Xiao Tian's lips twitched after hearing it.

"Pfftt!" a peal of suppressed laughter burst out.

Mu Huo found it funny when Xiao Tian's underlings said something like that. Not only Mu Huo, but Chun Hua and Ren Aoxu also suppressed their laughter.

Xiao Tian sighed before explaining, "These potions are...."

His underlings finally understood the reason why Xiao Tian brought many Duzu potions to their base.

"As I thought, our leader is the best! He treats us well."

"You are right. He is even willing to share something as precious as these Duzu potions."

"Leader, you are the best!"

"That's right. You are the best!"

One by one, Xiao Tian's underlings began praising him.

"Alright, alright, stop praising me!" Xiao Tian spoke and paused for a second before he continued, "Remember. Don't tell a single soul about this Duzu potion."

"Understood." Xiao Tian's underlings answered in unison.

They then moved the giant tubs to the backyard. Of course, they placed it in a separate place so that they could focus later.

Like before, one of Xiao Tian's female underlings said something unexpected again. "Leader, come here and soak with us."

"That's right, leader. Let's soak together." Another one of the Blue Ice Lotus gang members added.

Xiao Tian was startled. Not only Xiao Tian but his Shadow gang members were also taken aback by their words.

"Alright, alright. Stop joking around! Remember. Don't waste these Duzu potions." After saying that, Xiao Tian looked at Mu Huo, "Mu Huo, I will leave everything to you. I have to go now."

"All right." Mu Huo replied as he nodded his head.

Xiao Tian did not waste time and went straight to Crystal's apartment.

"So, is this the potion that can help me increase my strength faster?" Crystal asked curiously.

Currently, Xiao Tian, Crystal and Yu Shi were sitting on the couch in the living room.

"Yes." Xiao Tian began to explain everything.

"I see." Crystal said after hearing everything.

"Crystal, you still haven't fully recovered so don't use this Duzu potion now. You can use it after you fully recover." Xiao Tian forbade Crystal to use the Duzu potion immediately.

All martial artists who used the Duzu potion would feel pain later on, so it was not a good idea to use it on a weak body.

"All right." Crystal nodded her head.

After giving Duzu potion to Crystal, Xiao Tian went to the Red Flower bar because he wanted to give Lan Ruoxi these Duzu potions too.

Red Flower Bar, Private Room.

"So what brought you to my place, young master Xiao?" Lan Ruoxi asked in a seductive tone.

Currently, Xiao Tian and Lan Ruoxi were sitting on the couch next to each other.

"I want to lovey-dovey with you." Xiao Tian decided to tease her. "How about we go to your room and lovey-dovey there? Don't worry. I will make you happy later."

As usual, Lan Ruoxi smiled seductively. "You have six girlfriends now, so why don't you lovey-dovey with them?"

"Because you are not them." Xiao Tian replied instantly.

Like before, Lan Ruoxi smiled seductively.

When Lan Ruoxi saw Xiao Tian putting many potions on the table, she asked curiously, "What potion is this?"

Xiao Tian began explaining everything. He also told her how to use the Duzu potion.

"What an amazing potion!" Lan Ruoxi stated.

"Lady Lan, these potions are for you." Xiao Tian uttered, "Don't worry. I will give you more potions later."

Xiao Tian only brought a few potions for her, so he knew it would not be enough to help her raise her strength to the next level. That was why he planned to give her more potions later.

"Because you have given me such a precious potion, what do you want in return?" Lan Ruoxi inquired.

"How about we go on a date right now?" of course, Xiao Tian would try to take advantage of the situation.

"Sure." after saying that, Lan Ruoxi rose to her feet. "Let me change my clothes first."

"I will be waiting here." Xiao Tian's heart was filled with happiness when Lan Ruoxi agreed to go on a date with him.

Then Xiao Tian and Lan Ruoxi went on a date. They went to many romantic places, and of course, Xiao Tian never stopped seducing her.

They did many things in these romantic places, including a passionate kiss. After sending Lan Ruoxi home, Xiao Tian gave Duzu potion to Zhao Sheng too.

Because it was already 06:00 pm, Xiao Tian decided to go home. That night, Xiao Tian had sex with Liu Ning, Long Jingxian and Lin Xing Xue.

After that, they slept. The following morning, Xiao Tian went to Star Film company after breakfast.

At 01:00 am, Xiao Tian went to the shooting location.

"Boss..."

"Boss..."

"Boss..."

Several film crew greeted Xiao Tian. They were startled when Xiao Tian suddenly came to the shooting location.

"Don't mind me. Continue working." Xiao Tian uttered.

They are currently in a rural area, or more precisely, they were at the foot of the mountain.

Because the theme of the movie was about a cultivator who lived in ancient times, they filmed in the forest.

'Mmm?'

Xiao Tian was startled when he saw Xi Ran.

Her usual expressionless face was nowhere to be seen. She really animated her role.

Suddenly one of the crews put a chair next to him, "Boss, please sit here."

After sitting on the chair, Xiao Tian replied, "Thank you."

Time went by quickly, and without realizing it, it had been an hour since Xiao Tian arrived at the shooting location.

'I want to go for a walk.'

With that idea in mind, Xiao Tian started to walk around.

After walking for about ten minutes, Xiao Tian saw a small lake not far from him.

'I did not expect to find a small lake near the shooting location.'

The lake was surrounded by a few trees, and the color of the water was dark green. Coincidentally, Xiao Tian saw a large flat rock by the lake.

'I will sit on that stone.'

Xiao Tian immediately walked towards that big stone. Because it was already 02:50 pm, the weather was not hot.

'This place is not bad.'

The feeling when a gentle breeze hitting against his body made him feel calm and comfortable.

Xiao Tian kept looking at the area around him. The blue sky, green trees, and lake made Xiao Tian forget the burden on his shoulders.

As Xiao Tian was enjoying himself, someone suddenly walked closer towards him.

Chapter 1026 - Do Your Best

6-8 minutes

As Xiao Tian was enjoying himself, someone suddenly appeared and walked towards him.

'Mmm?'

Xiao Tian was startled when he saw the person who was walking towards him.

Of course, he did not show it on his face. He even behaved normally, as if he was not surprised by that person's presence.

At this moment, Xiao Tian still had not said a single word and only stared at that person.

'What is she doing in this place?'

He did not expect to see that person in the lake.

When that person stood near him, Xiao Tian inquired, "What are you doing here? Should not you be shooting a movie now?"

The person who stood near him was someone who had beautiful emerald eyes. Someone whose beauty could steal the heart of any man.

Yes, that person was none other than Xi Ran, a young woman who had a perfect figure and beautiful emerald eyes.

"I have finished shooting the film for my part." Xi Ran replied instantly. "My next part is an hour and a half so I want to go for a walk."

"I see." Xiao Tian finally understood the reason why Xi Ran was in the lake.

After sitting next to Xiao Tian, Xi Ran inquired, "What about you? What are you doing here?"

Actually, Xi Ran was also startled when she saw Xiao Tian earlier. She thought he had left the shooting location because she did not see him earlier.

"I just wanted to take a walk and found this lake so I decided to relax here." Xiao Tian gave an honest answer.

"Xiao Tian, let's have a dinner tonight." Xi Ran suddenly remembered that Xiao Tian had helped her twice, but she only thanked him.

Sure, Xiao Tian never said he wanted anything from her, but Xi Ran wanted to do something for him as a sign of gratitude.

Yes. Xi Ran was a person who did not like to be indebted. That was why she invited him to dinner.

Xiao Tian was startled.

'Hmm? Dinner?'

He did not expect her to invite him to dinner.

Sure, they met quite often lately, but they were not close enough to make her invite him to dinner.

'Is it because I have helped her twice?'

Xiao Tian suddenly suspected it was because he had helped her twice or else, it would be impossible for her to invite him to dinner.

And what he had guessed was right because Xi Ran told him the reason why she suddenly invited him to dinner.

"I remember that you have helped me twice and I still have not returned the favor." Xi Ran explained, "My filming finished at 6:20 pm, so let's have dinner later."

"...Sure." Xiao Tian accepted it because their relationship would be awkward if he refused her.

"Let's have dinner at Bamboo Restaurant later." Xi Ran chose Bamboo Restaurant because she quite liked that restaurant.

"All right." Xiao Tian replied.

As Xiao Tian was talking with Xi Ran, his smartphone suddenly rang.

'Big sister Yun?'

He was curious as to why Yun Xin Er suddenly called him.

Xiao Tian looked at Xi Ran and spoke, "I will pick up this phone first."

Xi Ran did not answer, but she nodded her head.

As soon as Xiao Tian picked up the phone, Yun Xin Er shouted, "Little brother, what took you so long to pick up my phone?"

The corner of Xiao Tian's lips twitched after hearing her words.

'This woman!'

He almost cursed venomously when Yun Xin Er suddenly shouted.

Before Xiao Tian could say something to her, Yun Xin Er said again, "I will forgive you on one condition. You have to accompany me to buy a bag and high heels."

Yun Xin Er showed her true intention.

At first, she wanted to buy a bag and high-heels with her manager, but she changed her mind when she remembered that she rarely spent time with Xiao Tian lately.

"When do you want to buy it?" Xiao Tian knew that he could not refuse or else Yun Xin Er would pout later.

"I want to buy it now. I will wait for you at my house." after saying it, Yun Xin Er hung up the phone.

She did this because she did not want to give Xiao Tian a chance to refuse.

Xiao Tian was at a loss for words.

'This woman!'

He could only sigh.

Of course, Xiao Tian knew the reason why Yun Xin Er immediately hung up the phone after answering his question.

"It seems like you have many female friends." After hearing his conversation earlier, Xi Ran was sure the person who had just called him was not Long Jingxian.

"Sorry, but I have to go now." Xiao Tian did not deny it because he did have many female friends.

"All right." Xi Ran replied instantly. "Don't forget. We will have dinner at Bamboo Restaurant later."

Xiao Tian nodded his head before going to Yun Xin Er's house. To his surprise, he saw her standing on the terrace after arriving at her house.

When Xiao Tian's car stopped, Yun Xin Er instantly got into his vehicle and spoke, "Let's go."

On the way to the mall, Xiao Tian inquired, "Are you only going to buy a bag and high heels?"

"Yes." Yun Xin Er had no intention of buying anything other than a bag and high heels.

"Don't you want to buy something else? For example, like a sexy lingerie?" Xiao Tian showed his true intention.

"It seems like you want to take advantage of the situation again, huh?" of course, Yun Xin Er knew what he had in mind. "Sure, I will buy a sexy lingerie and show it to you later, but on one condition."

"What is it?" Xiao Tian inquired.

"It's easy. I only want you to accompany me naked." Yun Xin Er answered, "How is it? Do you agree with my condition? I don't even mind if you want me to buy some crotchless lingerie and show it to you later."

Xiao Tian was at a loss for words.

'Big sister Yun, do you want to destroy my image?'

Sure, Xiao Tian would love to see her wear crotchless lingerie, but there was no way he could agree to her condition.

Not only would his image be ruined, but he was also even sure everything he had built up until now would be destroyed as well.

And there was even a high possibility that he would be sent to prison as well later. Sure, Yun Xin Er had a fantastic body, but only a fool would do something like that.

"Haha." Yun Xin Er could not help but burst into waves of laughter after seeing his expression.

"Well, forget it. I'm sure I can get you to agree to wear sexy lingerie in the future." Yun Xin Er had fallen in love with him, so he was sure he could make her wear sexy lingerie in the future.

"Oh! You look so confident about this. Well, do your best to make me agree to wear sexy lingerie for you in the future." Yun Xin Er behaved as if they were not talking about her.

After accompanying her to buy a bag and high heels, Xiao Tian took her to the Shanghai River.. As soon as they got out of the car, Yun Xin Er did something unexpected.

Chapter 1027 - Teasing Him Is So Fun

6-7 minutes

As soon as Yun Xin Er got out of the car, she did something unexpected.

She jumped into Xiao Tian's arms without giving a warning!

Xiao Tian was startled. Luckily, his reflexes were good or else, Yun Xin Er would definitely fall to the ground.

"Little brother, this big sister is tired, so you have to carry this big sister." As usual, Yun Xin Er did not want to admit that she wanted to be lovey-dovey with him.

Of course, it was only an excuse because the reason why she jumped into Xiao Tian's arms was that she wanted to lovey-dovey with him.

"What a spoiled big sister!" At this moment, Xiao Tian suddenly remembered what they had done in the past.

When they traveled to the Shanghai River for the first time last year, he also carried her like that. She even kissed his lips at that time.

"Good!" Yun Xin Er smiled happily. "No matter what happens, you have to spoil this big sister right now."

"Sure, but you have to reward me later." Xiao Tian then walked towards the public seating.

"Don't worry. This big sister will give you a reward if you can make her happy." Even though she said something like this, Yun Xin Er had no idea what kind of reward she should give him later.

In the Shanghai River, Yun Xin Er kept asking Xiao Tian to spoil her. When she saw a young woman sitting on her lover's lap, Yun Xin Er also did the same.

She did many unexpected things to Xiao Tian, and he could only smile. Because he had spoiled her, he asked for a reward when they arrived at her house.

Before Yun Xin Er got out of his car, Xiao Tian grabbed her right hand and spoke, "Big sister Yun, did you forget your promise?"

"Promise? What promise?" of course, Yun Xin Er remembered her promise, but she pretended as if she forgot about it.

"You promised to reward me earlier. I want that reward now." because Yun Xin Er had promised to give him a reward, Xiao Tian would not let her get out of his car without fulfilling her promise first.

"Did I say something like that? I'm sure I never promised you anything before." Yun Xin Er denied shamelessly.

They had known each other for almost two years now, so Xiao Tian was not surprised by her behavior or words.

"You promised you would do whatever I wanted earlier." Because Yun Xin Er pretended to forget her promise, Xiao Tian lied to her.

Yes. Yun Xin Er only promised to give him a reward. She never said she would do whatever he wanted.

Yun Xin Er giggled cutely after hearing his words. "Hehe. Little brother, it seems like you want to take advantage of the situation again. I only promised to give you a reward. I never said I would do whatever you wanted."

A big smile formed on Xiao Tian's face.

'Busted!'

He was pleased because, with this, he could get his reward later.

When Yun Xin Er realized what she had just said, she instantly covered her mouth, "Ops!"

"See! I did not lie to you." Xiao Tian brought his face closer towards hers and touched her nose with his right index finger. "You should keep your words or else, your nose will grow like Pinocchio later."

"Fine! I will keep my promise now." Yun Xin Er gave in.

Happiness glowed inside him when Yun Xin Er stated she would keep her promise.

Yun Xin Er immediately winked her left eye and gave him a flying kiss. "Mmmuch...there! I have fulfilled my promise."

The corner of Xiao Tian's lips twitched.

'What?! Only that! I only got a flying kiss!'

He was at a loss for words.

Yun Xin Er almost burst into waves of laughter when she saw the expression on Xiao Tian's face.

She tapped Xiao Tian's right shoulder and spoke, "Little brother, I know you are happy right now, but you don't need to make a face like that. Don't worry. I will give you a flying kiss again tomorrow."

'Hehe. He is so cute!'

She added in her mind.

At this moment, Xiao Tian still had not said a single word. He was in a state of astonishment.

"All right. Because I have fulfilled my promise, I will enter my house now." Yun Xin Er thought it was a perfect time to run away.

However, Xiao Tian grabbed her right shoulder when she was about to open the car door. "Wait!"

Yun Xin Er turned her head to look at him. "Hmm? What is it, little brother? I have fulfilled my promise, so why did you stop me again?"

"Big sister Yun, how can you just give me a flying kiss?" of course, Xiao Tian wanted more because flying kiss meant nothing to him.

"But I only said I would give you a reward. I never said clearly what reward I would give you." Yun Xin Er knew that Xiao Tian wanted more than a flying kiss. "Flying kiss is a reward too, you know? Not everyone can get a flying kiss from me, so you should be happy now."

She was one of the most famous singers in China, so Yun Xin Er was sure many men would do anything just to get a flying kiss from her.

"I want a real kiss." Xiao Tian showed his true intention.

".....sure." it took her three seconds before answering it.

Like before, Xiao Tian's heart was filled with happiness again. At this moment, he thought Yun Xin Er would kiss him for real, but he was wrong.

He was utterly wrong because Yun Xin Er did not kiss him. She only pressed her right index and middle fingers to her lips before pressing them against his lips.

"There. I have kissed you." Yun Xin Er teased Xiao Tian again.

'Teasing him is so fun! I love this.'

She covered her mouth and giggled happily.

Xiao Tian was once again stunned. He didn't expect her to tease him again.

'It seems like I have to punish this bad woman!'

With that idea in mind, Xiao Tian brought his face closer towards hers.

Yes. Xiao Tian wanted to kiss her!

Chapter 1028 - Big Sister Yun, It Hurts

6-7 minutes

When Yun Xin Er saw Xiao Tian's face getting closer towards hers, she did not try to avoid or stop him.

Of course, she knew what he wanted to do, but she still acted calmly.

'What a pervert little brother! He always wants to take advantage of the situation.'

Despite saying that in her mind, Yun Xin Er slowly closed her eyes when Xiao Tian's lips almost met hers.

He had kissed her countless times, so she was fine doing it once more time.

'Because you have made this big sister happy, this big sister will let you kiss her now.'

Actually, she also wanted a goodbye kiss. That was why she did nothing when Xiao Tian wanted to kiss her.

*kiss....

Xiao Tian pressed his lips against hers.

When Xiao Tian was about to stop the kiss, Yun Xin Er did something unexpected.

She put her soft tongue into his mouth!

Not only did she put her tongue into his mouth, but she also moved her tongue lewdly and intertwined it with Xiao Tian's tongue.

Xiao Tian was startled.

Actually, he had no intention of kissing her passionately. He only wanted to kiss her normally before going home.

'Since you have started it, I will not stand still.'

Xiao Tian moved his tongue lewdly.

As usual, Yun Xin Er felt her body was filled with pleasure.

'He is as skillful as ever. Kissing him always gives me pleasure.'

Yun Xin Er knew that Xiao Tian was skilled in deep kiss because they had done many passionate kiss before.

Even though she wanted to keep kissing him passionately, Yun Xin Er decided to stop the kiss because she was out of breath.

"How is it, little brother? Do you like your reward?" Yun Xin Er inquired.

'I'm sure he will say yes.'

She answered her question in her mind.

"Not bad!" of course, Xiao Tian loved it, but he would not say what she wanted to hear because she had teased him twice earlier.

"Not bad?!" Yun Xin Er instantly crossed her arms over her chest and turned her head to the other side. "Hmf! Then this big sister won't let you kiss her again from today onwards."

Xiao Tian smiled softly before pinching her cheeks. "Is my big sister angry right now?"

'She is so cute!'

Yun Xin Er's behavior always managed to make him smile.

Yun Xin Er pinched Xiao Tian's nose and spoke, "Are you aware that you just kissed the most beautiful and famous singer in China?"

"Hmm? Is that so? I have no idea about this. But are you sure you are the most beautiful and famous singer in China?" Xiao Tian decided to keep teasing her.

To his surprise, Yun Xin Er did something unexpected after that.

She sat on his lap, facing him!

Because she was wearing trousers, she could sit on his lap without trouble.

Like before, Yun Xin Er pinched Xiao Tian's cheeks and pulled them in the opposite direction, to the point it made Xiao Tian's face look funny.

"This is the punishment for doubting this big sister's beauty." Yun Xin Er giggled happily when she saw his funny face. "Say 'I'm sorry, my beautiful big sister Yun' now! Otherwise, this big sister will keep pinching your cheeks."

Xiao Tian did nothing and only wrapped his arms around her waist, "I'm sorry, my ugly big sister Yun."

Instead of saying what she wanted to hear, Xiao Tian decided to say the opposite. They rarely spent time together lately, so he wanted to keep teasing her.

"Agh... big sister Yun, it hurts! It hurts!" even though Xiao Tian felt a little pain in his cheeks, he still did nothing to Yun Xin Er.

"Say 'I'm sorry, my beautiful big sister Yun' now!" Yun Xin Er repeated her words.

Like what he did before, Xiao Tian said the opposite, "I'm sorry, my ugly big sister Yun."

Yun Xin Er stopped pinching his cheeks before crossing her arms over her chest and turning her head to the other side, "Little brother, I hate you! I'm angry at you now!"

Xiao Tian did not apologize; instead, he chuckled.

At this moment, Yun Xin Er suddenly had a wild idea.

'Because you said I was ugly twice, I would ask your body whether you said the truth or not.'

She decided to use her wild idea.

Xiao Tian was shocked. Of course, he did not show it on his face and only stared at her.

'Mm? What does she want to do? Is she going to tease me again?'

Xiao Tian was at a loss for words.

He did not expect her to do something like that. Yes. Yun Xin Er was doing something shocking.

She slowly unbuttoned her shirt!

Yun Xin Er's lips curled into a smirk when she saw his expression.

'What a pervert little brother! Even though you have many girlfriends, you are still stunned like that. Well, it can't be helped because I have a perfect body and pretty face.'

With her amazing body and beautiful face, she was sure no man could resist her charm.

Xiao Tian crossed his arms over his chest and stared at her.

'Well, because you want to give me something that I love, I'll take it for granted.'

Even though Xiao Tian's women were gorgeous, but he still could not resist her charm.

Yun Xin Er was a pretty lady with a perfect figure, so in his view, it was normal for him to be unable to resist her charms.

And the way she unbuttoned her shirt or the way she stared at him was so seductive.

If he didn't have much experience with women, Xiao Tian was sure he would have gone crazy by now.

One by one, Yun Xin Er unbuttoned her shirt until finally, only the last button remained. At this moment, her purple bras were visible to Xiao Tian's eyes.

*Click...

She was wearing a front closure bra, so it was effortless for her to unhook it.

Even though Xiao Tian desired to squeeze her beautiful big breasts, he tried his best to behave normally and kept staring at her.

Yun Xin Er moved her bras until half of her breasts were visible to Xiao Tian's eyes. "Do you want to play with this big sister's beautiful breasts?"

Chapter 1029 - Talking With Yun Xin Er

6-8 minutes

Yun Xin Er moved her bra until half of her breasts were visible to Xiao Tian's eyes. "Do you want to play with my beautiful breasts?"

Like before, Xiao Tian still behaved normally as if Yun Xin Er did not do something shocking.

'This is the second time I have seen her breasts like this.'

In the past, Xiao Tian had played with Yun Xin Er's breasts once.

They were in his car at that time, and he also did it before he went home. Everything was the same except for one thing.

At that time, Xiao Tian was the one who started it, not Yun Xin Er!

'Because you want to tease me, I will enjoy this to the fullest.'

Xiao Tian was a healthy young man, so he would not let the chance to play with her breasts slip away.

Like before, Yun Xin Er looked at Xiao Tian seductively, "Little brother, are my breasts beautiful?"

Xiao Tian grabbed Yun Xin Er by the waist before pulling her towards him.

"I can't judge if you only let me see half of your breasts. I need to see it completely." He whispered in her right ear.

He did not squeeze her breasts immediately because he wanted to get her aroused first.

'Now it's my turn to tease you.'

With that idea in mind, Xiao Tian placed his face really close to hers and looked at her in the eyes.

And what Xiao Tian did was right. Yun Xin Er felt a little aroused by his actions. The way he stared at her was so seductive.

Coupled with her feeling his hot breath made Yun Xin Er unable to hold back herself anymore.

*Kiss...

Yun Xin Er, who was aroused by Xiao Tian's actions, pressed her lips against his.

Not only did she immediately kiss him passionately, but Yun Xin Er also forgot to cover her breasts.

Now her slender hands were on Xiao Tian's shoulders, not on her bra.

Xiao Tian chuckled in his head.

'I win!'

Because Yun Xin Er's hands were on his shoulders, Xiao Tian slowly moved his hands before finally landing them on her bra.

Of course, Yun Xin Er realized that his hands were on her bra now. Actually, she wanted to stop him, but her mind was filled with pleasure.

For this reason, she did nothing and kept kissing him passionately.

'I should stop him, but my body doesn't listen to me.'

She moved her tongue much lewder and lewder.

When Xiao Tian thought it was the right time to play with her breasts, he squeezed them gently before playing with her nipples.

Yun Xin Er widened her eyes for a second. At this moment, she felt that her body turned hotter and hotter.

Even though Xiao Tian wanted to lick and suck Yun Xin Er's breasts, but he did not do that and only kept kissing her passionately. The reason was simple.

He wanted to make her more aroused!

With this, the chance of her not stopping him was one hundred percent.

Once second...ten seconds...twenty seconds...

They had a passionate kiss for more than thirty seconds before finally, Yun Xin Er broke the kiss.
"Huft...Huft...Huft..."

At this moment, Xiao Tian still looked at her fascinating face. However, it only lasted for three seconds before finally, he brought his face closer to her breasts.

Xiao Tian was sure that Yun Xin Er would not stop him because, from her fascinating expression, he knew that the flames of lust had started consuming her body.

And what he had guessed was right because Yun Xin Er only looked at him when he was licking her nipples.

"Mmmmm...." Yun Xin Er bit her right index finger and kept staring at him.

Sure, it was quite dark in his car, and Xiao Tian could not see her breasts clearly, but he was still able to do everything very well.

Like before, Yun Xin Er only saw him licking and sucking her nipples. At this moment, she really wanted him to bite her nipples.

And as if Xiao Tian could read her mind, he suddenly bit her right nipple.

"Ahhh...." Yun Xin Er failed to hold back her moan.

Because she wanted to kiss him passionately again, she stopped him. She cupped his face before bringing his head towards hers.

Like before, Xiao Tian let her do whatever she wanted. Because he could not lick or suck her breasts anymore, Xiao Tian decided to squeeze them.

To his surprise, Yun Xin Er did not stop the kiss. She only stopped for two seconds before kissing him hungrily again.

Xiao Tian was startled.

'It seems like she can't hold back her lust anymore.'

Even though Xiao Tian desired to suck and lick her breasts again, but he still let her do whatever she wanted.

After kissing him hungrily for more than a minute, Yun Xin Er pulled his head towards her neck and wrapped her arms around his head.

'It feels good!'

Yun Xin Er was still breathing heavily.

Because Yun Xin Er placed his head on her neck, Xiao Tian suddenly had a wild idea.

Hickey!

Yes. Xiao Tian suddenly wanted to give her a hickey.

"Ahhh..." Yun Xin Er wailed loudly when Xiao Tian suddenly gave her a hickey.

Actually, she only wanted to embrace him. She had no intention of putting his head on her neck.

But instead of stopping him immediately, she squeezed his head harder as if she was telling him that she liked what he did to her or she wanted him to give her more hickies.

For this reason, Xiao Tian gave her another hickey. The first hickey was on the right side of her neck, while the second was on her neck, right under her chin.

But when Xiao Tian wanted to give her another hickey, Yun Xin Er lifted his head and kissed him hungrily.

Yun Xin Er behaved wildly. She could not hold back her lust anymore and sucked his tongue hard.

But what surprised him most was that she also licked his lips. Yes. After breaking the kiss, Yun Xin Er cupped his face and licked his lips.

Usually, they only had a passionate kiss, so the flames of lust roared within her when Xiao Tian sucked and licked her breasts.

'Little brother...little brother....'

Yun Xin Er was still cupping his face and licking his lips.

But it only lasted for four seconds before she made her way down to his neck. Yes, Yun Xin Er licked Xiao Tian's lips before finally licking his neck.

At this moment, Yun Xin Er was like a prostitute who had not seen a man for more than six months.

Xiao Tian widened his eyes in surprise.

'She is so wild!'

He was shocked because Yun Xin Er had never been so wild like that.

She was even wilder than Shi Fei or his mother. At this moment, Xiao Tian didn't know whether he should be happy or not because the roles were swapped.

It was as if Xiao Tian was a woman and Yun Xin Er was the man.

'Mmm?'

Black lines suddenly formed on his forehead.

Xiao Tian then grabbed Yun Xin Er's head and looked at her in the face.

"Why did you stop me?" Yun Xin Er inquired.

Chapter 1030 - Yun Xin Er Pinch Xiao Tian's Nose

6-8 minutes

"Why did you stop me?" Yun Xin Er's face was red, and her eyes were filled with flames of lust.

At that moment, she had lost herself in lust. What she had in mind was to enjoy Xiao Tian's body to the fullest.

"Why did you stop me?" after repeating her question, Yun Xin Er tried to kiss Xiao Tian passionately again.

Like before, they had a deep kiss again. But something unexpected happened when they were having a passionate kiss.

His smartphone suddenly rang!

Xiao Tian instantly broke the kiss and took his smartphone out of his pocket.

'Jingxian?'

He was suddenly curious as to why Long Jingxian called him.

Because Xiao Tian stopped the kiss, Yun Xin Er kissed his neck again. Yes, she behaved like she just drank aphrodisiac.

Xiao Tian tried to stop her by pushing her head away, but she kept kissing his neck.

'She really lost herself in lust.'

Xiao Tian decided to ignore Yun Xin Er.

"Hello?" Xiao Tian said after picking up the phone.

To his surprise, the one who answered him was not Long Jingxian, but Mu Ai, "Big brother, when will you return home? I want to play with you."

*Kiss...

Not only did Yun Xin Er keep kissing Xiao Tian's neck, but she also licked his neck.

"Big brother will go home soon." Because Yun Xin Er kept kissing him, Xiao Tian put his smartphone on speaker mode and placed it on the passenger seat.

Yes. Xiao Tian wanted to kiss Yun Xin Er passionately.

After placing his phone in the passenger seat, Xiao Tian wasted no time and immediately kissed Yun Xin Er hungrily.

Like before, Yun Xin Er welcomed the kiss instantly. Of course, she was aware that someone was calling Xiao Tian right now.

However, she did not show the slightest care about it because her mind was filled with pleasure.

And she also knew the person who was calling Xiao Tian. That was why she behaved braver than usual.

"What are you doing right now?" Mu Ai asked curiously.

Xiao Tian broke the kiss before answering, "Big brother is eating right now."

Unlike before, Xiao Tian did not kiss Yun Xin Er hungrily again. This time, he sucked and licked her breasts after answering Mu Ai's question.

"Eating? What are you eating?" Mu Ai asked again.

Xiao Tian stopped licking Yun Xin Er's nipples and replied, "Big brother is eating meat bun right now."

'Eating a delicious meat bun!'

Yun Xin Er's breasts were like meat buns, so Xiao Tian said he was eating a meat bun.

Currently, Yun Xin Er was leaning her back on the steering wheel. She let Xiao Tian do whatever he wanted and only stared at him.

Mu Ai thought Xiao Tian was really eating meat bun, not licking or sucking Yun Xin Er's breasts. "Big brother, I want meat bun too."

Like before, Xiao Tian stopped licking and sucking Yun Xin Er's breasts before answering. "Sure. big brother will buy meat bun before going home."

"Yay!" Mu Ai was pleased after hearing his words.

"Ahh..." Yun Xin Er moaned when Xiao Tian suddenly bit her right nipple a little hard.

"What sound is that?" Mu Ai was still a kid, so she did not understand anything.

"Sound? Ah! That's the voice of meat bun owner." Xiao Tian dared to give an honest answer because he knew that Mu Ai would not understand anything.

"I see." Mu Ai uttered, "All right. I will be waiting at home. Don't forget to buy a meat bun for me, big brother."

"All right." After saying that, Xiao Tian hung up the phone.

'My meat bun!'

Xiao Tian was licking and sucking Yun Xin Er's breasts again.

Yun Xin Er was still leaning her back against the steering wheel. Her little mouth opened slightly, and saliva also dripped down from the corners of her mouth.

At that moment, her body had turned weak.

Even though Xiao Tian did not play with her vagina and only licked or sucked her breasts, but it was enough to make her mind go crazy.

No man had ever licked or sucked her breasts except Xiao Tian, so she was unable to hold back the immense pleasure.

Coupled with him sucking and licking her breasts skillfully made the flames of lust roar wildly within her.

'I'm cumming....'

She even could not say it when she reached her limit.

*Spurt....

Yun Xin Er's trousers were wet from her nectar.

At first, Xiao Tian did not know that Yun Xin Er had just had an orgasm. He only realized it when her body suddenly quivered continuously.

And when he saw that some parts of his trousers were wet, Xiao Tian believed one hundred percent that Yun Xin Er had just had an orgasm.

"It feels good!" Yun Xin Er did not realize what she had just said.

Because Xiao Tian was the first person who sucked and licked her breasts, Yun Xin Er felt a pleasure that she had never felt before.

That was why she had an orgasm even though Xiao Tian did not play with her pussy. At this moment, Yun Xin Er's body was fragile.

She even did not have the strength to move her hands. It was a new experience for her. Yes. It was the first time someone had made her orgasm.

"Big sister Yun, did you enjoy it?" Xiao Tian wanted to tease her.

However, Yun Xin Er's mind was still on cloud nine, so she did not hear his question.

At this moment, Xiao Tian only stared at her.

'What a perfect body!'

As he was looking at Yun Xin Er's body, Xiao Tian squeezed her breasts gently. Xiao Tian's lips curled into a smirk when he suddenly had a wild idea.

'Because you teased me earlier, I would punish you now.'

With that idea in mind, Xiao Tian gave many hickeys to her body.

He gave five hickeys to each of her breasts. He also gave six hickeys around her breasts and two hickeys on each of her shoulders.

He dared to do that because she could cover it with her clothes or make up. In his view, it was her punishment for being naughty.

Because Yun Xin Er's body was still weak and her mind was on cloud nine, she only wailed when Xiao Tian gave her many hickeys.

She did not stop him. No. The right words were that she did not realize that Xiao Tian gave him a lot of hickeys.

'I hope you will like my gift, my beautiful big sister Yun.'

Xiao Tian suddenly wished tomorrow would come fast because he wanted to know what her reaction would be.

'It's already 06:20 pm. I should go home now.'

Because Yun Xin Er's body was still fragile, he tidied her clothes before taking her to her room.

Xiao Tian made an excuse when a maid asked about what happened to Yun Xin Er. He said she was drunk.

After buying a meat bun for Mu Ai, Xiao Tian went home. He played with Mu Ai for about fifteen minutes before finally, he took a shower.

When he got a message from Xi Ran, Xiao Tian went straight to Bamboo Restaurant. He wasted no time and immediately headed to the VIP area.

'There she is.'

When Xiao Tian saw Xi Ran, he immediately walked towards her.
