### Chapter 1101 - Discovering Da Shan's Plan

Da Shan wasted no time and immediately went to Su Ruanyi's hometown. On his way to her parent's house, he kept praying in his heart, hoping everything would go smoothly later.

-----

Currently, Xiao Tian was spending time with all of his women. But he did not bring them to a romantic place like usual; instead, they only spent time in the backyard.

Yes. They were currently having a small party in the backyard!

Previously, Xiao Tian wanted to invite Su Ruanyi, but she had an important meeting at Sky University.

"Tian, stop eating and help us!" Ye Qingyu, who saw Xiao Tian eating potato salad, uttered.

"All right." Xiao Tian replied instantly.

Ye Xueyin immediately looked at Xiao Tian and spoke, "Tian, come here and help mother."

"I'm coming." After saying that, Xiao Tian walked towards his mother.

But instead of helping her, Xiao Tian embraced Ye Xueyin from behind before finally kissing her right cheek.

Like what he did earlier, he did not help anything and only enjoyed the warmth of Ye Xueyin's nice body.

Of course, Ye Xueyin let him do whatever he wanted because she loved what he was doing.

"Hehe. Little bother is really a bad young man." Shi Fei, who saw what Xiao Tian was doing, uttered, "Sister Qingyu told him to help us, but he is only hugging sister Xueyin."

"Well, Tian'er is someone who always takes advantage of the situation, so I'm not surprised by his actions." Liu Ning, who was cutting the chicken, said.

Lin Xing Xue and Long Jingxian exchanged a glance with each other before saying in unison. "You are right. He is someone who always takes advantage of the situation."

Because Ye Xueyin was cutting watermelon, Xiao Tian immediately took a piece of watermelon and consumed it. "Delicious!"

"Is that so?" Ye Xueyin asked.

"Here, try it." After saying that, Xiao Tian fed Ye Xueyin a piece of watermelon.

"It's tasty!" Ye Xueyin said after eating the watermelon.

Not long after that, they finished grilling all the food. Without waiting for another second, they placed food and drinks on the mat.

However, something unexpected happened after Xiao Tian sat on the mat.

Ye Xueyin suddenly sat between his legs!

Xiao Tian was startled.

Ye Xueyin immediately turned her head to look at Xiao Tian. "Tian, mother wants to sit with you."

Like Ye Xueyin, Xiao Tian also smiled softly before finally pinching her left cheek. "What a spoiled mother!"

Ye Xueyin took a chicken wing and consumed it. "Delicious!"

Like usual, Xiao Tian wanted his mother to feed him when he saw her consuming chicken wing happily.

To his surprise, Ye Xueyin fed him before he asked for it.

Of course, she knew what he had in mind because Xiao Tian always wanted them to feed him whenever they had a small party.

Because Ye Xueyin was sitting between his legs and feeding him, Xiao Tian only embraced her and did nothing.

He was pleased because he could spend time with all of his women and was able to feel the warmth of his mother's nice body.

As usual, they had sex after having a small party in the backyard. That night, Xiao Tian slept with a happy smile on his face.

-----

The following morning, one of Xiao Tian's underlings informed him of something important. That was why Xiao Tian immediately traveled to his apartment.

"What?" Su Ruanyi said in surprise after hearing Xiao Tian's words.

Currently, Xiao Tian and Su Ruanyi were sitting on the couch in the living room.

"Yes. Your husband brought your parents to your house today." Xiao Tian uttered, "It seems like he wants to ask your parents to help him make up with you."

"Why it has to be my parents? Wouldn't it be better if he asked his parents for help?" Su Ruanyi did not get Da Shan's actions.

"I also don't know about it." Xiao Tian replied instantly.

"What should we do now?" Su Ruanyi knew everything would get even more complicated now because her parents were already involved.

"I have some pictures of your husband in front of the love hotel with a young woman." Xiao Tian showed some photos on his smartphone to Su Ruanyi.

Those were the photos of when Da Shan went to the love hotel with Hong Haoran. His underlings who protected Su Ruanyi in secret were the ones who took these photos.

Su Ruanyi was happy when she saw these photos. Previously, she did not take their pictures because her heart was filled with sadness, and she also did not want to hear his excuse.

That was why she left immediately without taking any evidence that Da Shan had sex with Hong Haoran at the love hotel.

"Should I show these pictures to my parents now?" Su Ruanyi inquired.

"No!" Xiao Tian replied instantly. "Professor Su, it was your husband who brought them to your house, so I believe he had lied to your parents before."

"You are right." Su Ruanyi agreed with Xiao Tian's words.

At this moment, Xiao Tian finally understood everything. He finally understood why Da Shan asked Su Ruanyi's parents for help.

"Professor Su, I think I understand your husband's intentions." Xiao Tian began to tell about it.

Xiao Tian believed Da Shan had told bad things about Su Ruanyi like she was in love with Xiao Tian or she cheated on her husband.

With this, her parents would blame her and comfort Da Shan or defend him later.

Yes. Xiao Tian was sure that Da Shan wanted to play the victim role later.

Da Shan did not want to divorce Su Ruanyi, so this was the right choice. He would say that Su Ruanyi had an affair with another man.

After Da Shan had her parents' support, he would say that he would forgive Su Ruanyi for all her mistakes.

With this, not only would he get back with his wife, but he would also get a good reputation in her parents' eyes.

If Da Shan had asked his parents for help, the result would be different. There was even a high possibility that his parents would ask him to divorce her.

His main goal was to get back with her, so asking her parents for help was the better option for him.

His plans were good, and there was a high possibility that everything would go smoothly later.

However, Da Shan underestimated Xiao Tian's intelligence. Xiao Tian was someone who had experienced a lot in his two lives, so it was hard to trick him.

He even knew Bai Yuzen's amazing tricks like an open book. At that time, Bai Yuzen could easily trick Long Jingxian and her ex-husband, but everything was useless in front of Xiao Tian.

"He is so evil!" Su Ruanyi was enraged after hearing Xiao Tian's words. "So what should we do now?"

"It's better if we wait for him to strike first." Xiao Tian replied instantly.

"Why?" Su Ruanyi did not understand it.

Xiao Tian told her the reason why they should not make the first move because he wanted to finish Da Shan in one move.

Da Shan already got her parents' support, so they had to act carefully.

Su Ruanyi suddenly remembered something.

"Wait here.." After saying that, she headed to her room.

## **Chapter 1102 - Su Ruanyi's Parents**

7-8 minutes

---

Xiao Tian only looked at her when Su Ruanyi suddenly headed to her room.

'What is she doing?'

At this moment, Xiao Tian still did not know what she had in mind.

Even though he was curious, he did not ask anything because he would know about it later.

'I see.'

When he saw her carrying her laptop, Xiao Tian understood everything.

'It seems like Da Shan will regret his actions later.'

Xiao Tian was sure that Da Shan would not be able to defend himself later.

After placing her laptop on the table and turning it on, Su Ruanyi uttered, "I'm going to hack the CCTV in that love hotel."

In order to get more evidence, Su Ruanyi wanted to heck the CCTV in the love hotel where Da Shan and Hong Haoran had sex.

"Good! The more evidence we have, the better it is." Xiao Tian agreed with Su Ruanyi's idea.

Even though there was no CCTV in the room where Da Shan and Hong Haoran had sex, but there were some CCTV in that love hotel.

Su Ruanyi managed to copy some CCTV footage, such as when Da Shan and Hong Haoran entered the love hotel, when Da Shan asked for a room, when he entered the elevator and before they entered the room.

There was even footage of scenes where Da Shan kissed Hong Haoran or squeezed her breasts on CCTV.

Da Shan was horny, so he kissed Hong Haoran and squeezed her full breasts when they were heading to the room.

"This is enough." Su Ruanyi spoke, "I'm sure my parents will believe me later."

"You can also blame him for everything later, like he cheated on you first and never did his duty as your husband. You can tell your parents about his behavior all this time." with a few evidence, Xiao Tian believed that her parents would not blame her later.

"Yes. I have the intention to do that later." all this time, she hid everything deep inside her, so her parents never knew about her plight.

Because Da Shan wanted to use her parents to his advantage, Su Ruanyi decided to reveal everything later.

Sure, he was still her husband, but she no longer cared about his reputation because he was the one who started it.

"Professor Su, how about we trap him?" Xiao Tian inquired.

"Trap him? Do you have any idea in mind?" Su Ruanyi agreed with his idea.

"It's like this...." Xiao Tian began to explain his idea.

First, he would order two of his underlings to follow Da Shan and her parents in secret. They would do nothing and just spy on them.

After that, they could choose the place where they would meet later. With this, they could prepare themselves before meeting Da Shan and her parents.

Xiao Tian was someone who wanted everything to be under his control, so he always prepared everything in advance.

He did not want to make a single mistake because this was important for their future.

If Su Ruanyi became one of his women, it would be easier for him to reach the top of the hierarchy in China because she had the skills to help him.

"All right." Su Ruanyi agreed with his idea.

Then they discussed what they would do later.

-----

Da Shan's House, Living Room.

Inside a medium-sized living room, two old people around fifty-four years old were sitting on the couch, watching TV.

The old man had black hair and blue eyes while the old woman had green hair and red eyes.

If anyone saw them, one person would immediately come to their minds.

Su Ruanyi!

Yes. These old people were none other than Su Ruanyi's parents.

Su Ruanyi's black hair and blue eyes were like those of an old man, while her lips and face were like those of an old woman.

Sure, they were already old, but these similarities could still be seen clearly.

If they were the same age as Su Ruanyi, anyone would think of them as Su Ruanyi's siblings because they looked like her so much.

The names of these old people were Su Guanyu and Qian Na.

"It has been two years since the last time we were in this house." Qian Na spoke abruptly.

"Yes." Su Guanyu replied as he nodded his head.

Da Shan suddenly stepped into the living room with tea in his hands.

After placing the tea on the table, Da Shan spoke, "Father, mother, please drink the tea."

Su Guanyu and Qian Na immediately drank the tea.

"Father, mother, I hope you can help me open my wife's eyes that what she is doing is wrong." Da Shan asked Su Ruanyi's parents for help again.

"Don't worry. I will scold my daughter later." Qian Na replied, "Da Shan, it must be hard for you all this time."

"You don't need to worry. I will make her realize her actions later." Su Guanyu added. "Sigh. I did not expect my daughter to be like that."

At this moment, Su Guanyu and Qian Na still did know everything. What they knew was that Su Ruanyi cheated on her husband.

Actually, they were shocked after hearing Da Shan's words because their daughter had always behaved well all this time.

That was why they were shocked when Da Shan said Su Ruanyi had an affair with another man.

They were furious at Su Ruanyi because her actions had crossed the line.

Not only did she hurt Da Shan's feelings, but she also humiliated them greatly because she cheated on her husband.

Da Shan's lips curled into a grin after hearing their words.

'Good!'

Da Shan was sure that everything would go according to his plan because Su Guanyu and Qian Na would support him later.

Su Guanyu tapped Da Shan's right shoulder before speaking, "Thank you for being patient with my daughter."

Qian Na sighed again, "My daughter really doesn't know that she already has a good husband like you."

Because Da Shan said he would forgive Su Ruanyi as long as she returned to him and forgot Xiao Tian, Su Guanyu and Qian Na praised Da Shan.

In their eyes, Da Shan was an amazing person because not only was he not angry at his wife, he was even willing to forgive her.

At this moment, Su Guanyu and Qian Na believed that Da Shan's love for their daughter was so deep because not all men could do what he did.

"Thank you, father, mother." Da Shan was pleased.

-----

Eternal Beauty Company, Xiao Tian's Office.

Xiao Tian was currently in his office, working. Of course, he wore his golden mask and pretended to be Qing Feng.

After ordering two of his underlings to follow Da Shan and Su Ruanyi's parents, Xiao Tian traveled to Eternal Beauty company to work.

After working for about four hours, one of his underlings called him and said that Da Shan and Su Ruanyi's parents were at the park.

Xiao Tian suddenly thought it was a good opportunity to carry out their plan. For this reason, he called Su Ruanyi and told her to prepare everything.

He also ordered a few of his underlings to stay close to Da Shan and Su Ruanyi's parents.

After everything was ready, Su Ruanyi and Xiao Tian went to the location where Da Shan and the others were.

### **Chapter 1103 - This Park Is Good**

6-8 minutes

---

After arriving at the park, Xiao Tian and Su Ruanyi checked everything again. They chose a quiet area so that no one would know what would happen later.

It could ruin their reputation if the public found out about their problem later. For this reason, Xiao Tian called ten more of his underlings to secure the area.

They were going to pretend to be people who just wanted to enjoy the view in the park, but their main task was to forbid anyone to get close to them.

'I can do it!'

Su Ruanyi clenched her fists.

'As long as I don't lose control, I can definitely do this.'

She was with Xiao Tian and his underlings, so she believed nothing bad would happen to her later.

She just hoped that her parents would believe her. No. She had to make her parents believe her later.

Xiao Tian was currently talking with two of his underlings. "Do you understand it?"

"Understood, leader." They answered in unison.

"Good!" Xiao Tian replied, "You two can carry out the plan now."

Without waiting for another second, they walked towards Da Shan and Su Ruanyi's parents.

"I hope everything will go according to the plan later." Su Ruanyu, who was sitting on a wooden bench, spoke abruptly.

After Xiao Tian sat next to her, he replied, "Don't worry. We can do this."

"Un." Su Ruanyi nodded her head.

Xiao Tian then held Su Ruanyi's hands and uttered, "Professor Su, I can't talk much later because your parents won't believe me. As long as you do as we planned, everything will be fine later."

He then continued, "You just need to be calm and not lose control later. Remember. I will be here with you, so nothing bad will happen to you later."

"Un." Su Ruanyi nodded her head again.

'I can do this!'

She added in her mind.

Two hundred meters from Xiao Tian, Da Shan, and Su Ruanyi's parents were sitting on a wooden bench.

Da Shan brought them to the park because he wanted to make them happy. With this, they would like him even more later.

As Su Guanyu and Qian Na were talking happily, Da Shan listened to their words like a good son-in-law.

'Good! They are happy. It seems like everything will go according to my plan later.'

He was pleased when he saw their happy faces.

At this moment, Xiao Tian's underlings walked past them.

"I did not expect to meet the famous Xiao Tian in this park!" Wu Ke, the Blue Ice Lotus gang member, uttered.

Because she was pretending to be Xiao Tian's fan, she wore a happy face, and her eyes sparkled when she said this.

"Me too. He is as handsome as in magazines and TV." Ju Ai, the Blue Ice Lotus gang member, replied.

"No. He is more attractive in person. I'm thrilled today."

Da Shan instantly shifted his gaze from Su Ruanyi's parents to Wu Ke and Ju Ai.

'Xiao Tian?'

He was startled after hearing their words.

"But who was the beautiful woman with him earlier? Is she his girlfriend?" Wu Ke pretended as if she did not know who Su Ruanyi was.

"Maybe she is not his lover because he addressed her as professor Su." Ju Ai also pretended as if she had no idea who Su Ruanyi was.

Their task was to inform Da Shan that Xiao Tian and Su Ruanyi were not far from him.

Da Shan was shocked again.

'Xiao Tian and professor Su? Is he with my wife now?'

Da Shan knew that Xiao Tian always addressed his wife as professor Su because she was Xiao Tian's former professor.

Actually, he was curious as to why they still addressed each other as student Xiao and professor Su when they were no longer a student and professor.

Da Shan's eyes widened for a second.

'Wait! Isn't this an excellent opportunity to catch them cheating?'

He suddenly thought it was an excellent opportunity to prove his words to Su Ruanyi's parents.

Xiao Tian was alone with Su Ruanyi in the park, and Da Shan was with her parents.

If he brought Su Ruanyi's parents to see Xiao Tian and Su Ruanyi, they would know that Su Ruanyi was having an affair with another man.

'Yes. I can't let this opportunity slip away.'

Da Shan decided not to let the opportunity slip away.

When Xiao Tian's underlings saw Da Shan's expression, they laughed in their heads.

'What a fool!'

They could tell that their mission was a success from his expression.

"But they were lovey-dovey earlier." Wu Ke uttered, "I really envy that professor Su. If only I were her, I would definitely smile in my sleep."

"I also envy her because Xiao Tian is a perfect man." Ju Ai replied, "Wait. Should we go back and try our luck? I'm sure he is still there now, and we are close to him too."

"I want to, but I have to go home because my parents are waiting for me now." Wu Ke made an excuse.

Da Shan wanted to carry out his plan even more when he found out that Xiao Tian and his wife were close to him.

"Then I won't do that. It will be awkward if I go back there alone." Ju Ai wore a sad face.

Da Shan turned his head to look at Su Guanyu and Qian Na. "Father, mother, how about we stroll again?"

Su Guanyu and Qian Na exchanged a glance with each other.

"I know a good place. I'm sure you will like it later." he hid his intentions because he wanted them to meet Xiao Tian and Su Ruanyi as if it was a coincidence.

"All right." Su Guanyu and Qian Na answered in unison.

Da Shan's lips curled up into a grin after hearing their words.

At this moment, Xiao Tian's underlings stole a glance at Da Shan.

"That old man is so stupid!" Wu Ke spoke in a low voice.

"You are damn right!" Ju Ai agreed with Wu Ke's words. "Our leader is much better than that old man."

"Damn! Why are you comparing our leader to a stupid old man like him?" Wu Ke inquired, "He doesn't deserve to be compared to our leader. Our leader is handsome, young, kind, skilled in martial arts, and genius in business. He is the greatest man in this world."

"Ops! You are right. That old man isn't even as good as a strand of our leader's hair." Ju Ai praised Xiao Tian like usual.

As Da Shan and Su Ruanyi's parents were walking, he smirked when he saw Su Ruanyi and Xiao Tian from away.

'It's them! Xiao Tian, I will make you regret your actions now.'

He was sure that everything would go according to his plan later because Su Ruanyi's parents supported him.

Because Su Guanyu and Qian Na were already old, their eyesight was not as good as Da Shan's, so they still did not know that Xiao Tian and their daughter were in front of him.

"This park is good!" Su Guanyu uttered.

"Yes. This park is great!" Qian Na added.

At this moment, Xiao Tian knew that Da Shan and Su Ruanyi's parents were walking towards him.

"Professor Su, get ready. They are here."

"Un.." Su Ruanyi nodded her pretty head.

## **Chapter 1104 - I Want Us To Divorce!**

7-8 minutes

---

When Da Shan was close to Xiao Tian and Su Ruanyi, he stopped his footsteps and pretended to be surprised, "Wife?"

'You are done, Xiao Tian!'

Da Shan was with Su Ruanyi's parents, so in his view, he had the advantage because Su Ruanyi was still his wife.

Unlike Da Shan, who only pretended to be shocked, Su Guanyu and Qian Na were startled for real.

'Ruanyi?!'

They did not expect to meet their daughter in the park.

However, what displeased them most was that Su Ruanyi was with another man. Su Guanyu and Qian Na immediately exchanged a glance with each other.

'She is really cheating on her husband!'

They finally knew that Da Shan did not lie to them.

Like Da Shan, Xiao Tian and Su Ruanyi pretended to be shocked.

Su Ruanyi instantly rose to her feet before speaking, "Father, mother. When are you two here? Why didn't you tell me about it?"

Of course, she pretended as if she did not know anything because it was part of the plan.

At first, they would cooperate with Da Shan's plan before finally striking back and finishing him off.

"Why are you with another man?" even though Su Guanyu was furious, he still suppressed his anger.

He was a reasonable person, so he gave his daughter a chance to explain everything first.

"So you are really cheating on your husband?!" unlike Su Guanyu, Qian Na almost could not control herself.

A displeased expression even could be seen on her old face. She always educated her daughter to be a good person, and here, her daughter had an affair with another man.

At this moment, Xiao Tian's underlings, who were pretending to be park visitors, turned their heads towards Xiao Tian and the others.

They were enraged and desired to beat Da Shan immediately, but they remained in their positions because Xiao Tian ordered them not to do anything before being ordered.

Their job was just to pay attention to their surroundings, making sure no one would know everything later.

"Wife, have you forgotten that you are already married? Why are you still having an affair behind me?" Da Shan wore a sad face. "Come back to me, wife. As long as you promise to be a better person and forgive him, I will forgive you unconditionally."

"Sigh! Ruanyi, I'm disappointed in you!" Su Guanyu stated before shaking his head.

Even though Su Ruanyi knew that something like this would happen, she was still sad after hearing her parents' words, but she suppressed it because they would know everything later.

Xiao Tian rose to his feet and uttered, "You are really amazing! I think you should try to be an actor because your acting is great. You are the reason why all of this is happening, and here, you are acting as if everything is professor Su's fault!"

Xiao Tian then continued, "I'm really amazed by your actions. You can even shift the blame to professor Su."

At this moment, Xiao Tian still behaved normally because everything was still under his control.

Su Guanyu and Qian Na looked at Su Ruanyi before shifting their gaze to Da Shan. Because they only heard about the problem from one side, they did not know everything clearly.

"What do you mean by that?" Of course, Da Shan denied Xiao Tian's words. "You know she is my wife, but you still seduce her. I thought you were a good young man, but I was wrong because you are a demon in disguise."

\*Boom!

Xiao Tian's underlings turned their heads towards Da Shan again.

Rage pulsed through their veins, and their eyes were filled with flames of fury. An old man like Da Shan dared to say something like that to their leader, so they really wanted to beat him.

Sure, they knew that they were not good people, but Da Shan's words had crossed the line.

'That old bastard!'

All of their fingers dug into their palms as they stared at Da Shan.

Unlike his underlings, Xiao Tian was still able to control his anger. Sure, he was furious, but he had to control his emotion, or else everything would be out of his control later.

Da Shan already had the support of Su Ruanyi's parents, so everything would be in Da Shan's favor if he lost control.

Da Shan then shifted his gaze from Xiao Tian to Su Ruanyi's parents. "Father, mother, I'm not lying to you, right? The photos I showed you are correct, right?"

Xiao Tian immediately said, "Uncle, Auntie, you two should not just hear from one side. You have to hear from the other side too."

Su Ruanyi returned her attention to her parents again. "I admit that I have an affair with student Xiao, but everything is because of my husband. It's because he never does his duty as my husband!"

"What do you mean by that, Ruanyi?" Su Guanyu asked curiously.

Su Guanyu and Qian Na did not know about Su Ruanyi's problem because she had never told them about it until now.

All this time, she always hid it deep inside her because she did not want her parents to know her problem.

Da Shan was a little panicked, "Wife, what do you mean by it? I've always treated you well, so how can you say something like that?"

If her parents knew the truth, he would be doomed. That was why he tried his best to cover it so that her parents would still support him.

Su Ruanyi began to tell everything. Of course, Da Shan tried to stop her or said she lied to her parents.

She told her parents the reason why she cheated on her husband. This time she did not hide anything like before.

Su Guanyu and Qian Na were shocked. They did not know what to do. At this moment, they had no idea who to trust.

They instantly stared at Da Shan when Su Ruanyi played a video of him having fun at the love hotel with another young woman.

Of course, Da Shan defended himself again. He told Su Guanyu and Qian Na the reason why he went to the discotheque.

Because Su Guanyu and Qian Na still did not know what to do, Xiao Tian decided to use his trump card.

Long Jingxian!

Yes. Xiao Tian wanted to use Long Jingxian to help Su Ruanyi.

Long Jingxian and Su Ruanyi were neighbors for more than four years, and Su Ruanyi's parents also knew about it.

Long Jingxian then told Su Ruanyi's parents that what Su Ruanyi said was true. She said Su Ruanyi often confided to her about her husband's behavior.

Because Su Guanyu and Qian Na knew Long Jingxian's personality, they finally believed Su Ruanyi's words.

Actually, they already believed their daughter's words, but they still wavered who they should support.

But after hearing Long Jingxian's explanation, they knew what to do. Of course, both Su Ruanyi and Da Shan were wrong, but Da Shan was the source of trouble.

They believed that Su Ruanyi would not have an affair if he treated her well.

Xiao Tian was pleased because everything was according to his plan. He asked Long Jingxian to help Su Ruanyi yesterday.

Because Su Ruanyi was her important friend, Long Jingxian agreed without thinking twice.

Su Ruanyi looked at Da Shan and spoke, "I already can't stand it anymore. I want us to divorce!"

### **Chapter 1105 - Su Ruanyi Divorced Da Shan**

6-8 minutes

---

Da Shan and the others were shocked!

They did not expect her to say something like that.

When Da Shan's heart was filled with sadness and shock, Xiao Tian was bathed in happiness because this was what he wanted from the start.

Of course, Da Shan tried his best to change Su Ruanyi's mind because he did not want to lose her. He even said he would change to be a better husband later.

However, Su Ruanyi was already tired of him. She did not want to be with him anymore. In her view, there was no future for them.

Su Ruanyi's parents also tried to calm her down and make her think about it again. They did not want their daughter to get a bad reputation.

However, Su Ruanyi insisted on divorcing Da Shan. For this reason, they could only sigh and let her do whatever she wanted.

Da Shan decided to go home because he could not do anything anymore. His heart was filled with sadness, and he looked like someone who had lost the meaning of life.

Of course, he realized his mistakes. He just did not expect the day his wife asked for a divorce had finally come.

At this moment, all the memories of him mistreating his wife came to his mind. He finally realized how bad he was all this time.

However, everything was already too late. Su Ruanyi was no longer wanted to be with him. She wanted to divorce him.

If he could turn back time, he would definitely treat his wife well. But he was only a human being. He did not have the power to turn back time.

At this moment, Xiao Tian smiled from ear to ear. Sure, he knew Da Shan's feelings, but he did not care about it because everything was Da Shan's fault.

But what made him happiest was that he could get closer to Su Ruanyi's parents. Her parents opened their hearts to Xiao Tian after hearing Su Ruanyi's words.

Su Ruanyi told her parents that Xiao Tian was the only one who always supported her and made her happy.

He was the only source of her happiness when her life was filled with misery and sadness. She praised Xiao Tian continuously, to the point her parents were grateful to him.

Because the problem had been solved, her parents wanted to go home. Of course, Su Ruanyi wanted to make them happy first before they returned home.

She wanted to take them to many good places. Because Su Ruanyi insisted on bringing them to many good places, they finally agreed.

Long Jingxian did not go with them because she still had work that needed to be done. Xiao Tian got even closer to Su Ruanyi's parents when they spent time together.

This made Xiao Tian happier, to the point he could not describe it in words. Because it was already 05:00 pm, Su Ruanyi's parents did not go home.

Yes. They changed their minds!

It would take them three to four hours to reach their house, so they decided to go home tomorrow morning.

When they wanted to stay the night at the hotel, Xiao Tian offered to stay in his apartment.

At first, they refused, but they finally agreed after hearing Su Ruanyi's words. That night, Xiao Tian did not have sex with Su Ruanyi.

The following morning, Xiao Tian bought two bus tickets for Su Ruanyi's parents. They came with Da Shan, so they did not bring their car.

After sending Su Ruanyi's parents to the bus terminal, Xiao Tian and Su Ruanyi returned to his apartment.

Because they did not have sex yesterday, they immediately took off their clothes and had wild sex.

Time went by quickly, and without realizing it, it had been a week since Su Ruanyi's parents returned home.

At this moment, Su Ruanyi had divorced Da Shan, but she still lived in Xiao Tian's apartment.

Da Shan was still sad, especially after the divorce. But the most painful thing was that the security guards stopped him when he wanted to enter the Star Film company.

Of course, he realized that he never came to the company and always neglected his work, but he did not expect that he would be fired after Su Ruanyi divorced him.

Da Shan felt as if his world had broken into pieces. First, he lost his wife, and now, he also lost his job.

With sadness in his heart, Da Shan decided to go back to his hometown and start a new life there.

-----

Xiao Tian's apartment, His Bedroom.

"What?" Xiao Tian said in surprise.

Currently, Xiao Tian and Su Ruanyi were lying on the bed, naked. After going to many romantic places, they returned to his apartment.

One thing led to another, and they ended up having sex in his apartment.

At first, they only had sex in the living room, but Xiao Tian suddenly carried her to his room and continued having sex there.

Su Ruanyi, who was lying on his right side, replied, "You don't want to accompany me to my hometown?"

Previously, she asked whether Xiao Tian wanted to accompany her to go to her hometown or not.

"Of course I want to." Xiao Tian replied instantly. "But did your parents agree to this?"

"Yes. I had asked my parents about this before, and they said you could accompany me later. And you can stay at my house later because I have divorced Da Shan." Because she had divorced Da Shan, it was fine for Xiao Tian to stay at her house later. "So, how is it?"

"When are we going to your hometown?" Xiao Tian asked with a happy face.

Su Ruanyi could not help but giggle after seeing his expression. "The day after tomorrow."

Xiao Tian then asked a lot of things about what her parents liked. Since he was going to her parents' house, of course, he would bring gifts for them.

Because Xiao Tian would go to Su Ruanyi's hometown later, he immediately spent time with his other women.

He even told them not to work because he would not be able to see them for at least three days later.

The next day, Xiao Tian spent time with his women again. He brought them to many romantic places.

Not only that, but they immediately had an orgy after returning home.

Because they would not be able to meet him or have sex with him for at least three days, all of his women behaved wildly.

They had sex in many places, such as the living room, kitchen, bathroom and swimming pool.

Xiao Tian even could not watch TV calmly because Shi Fei instantly took off his shorts as soon as he sat on the couch.

That day was one of the wildest days for them. They only stopped having sex when it was 1:00 am.

The following morning, Xiao Tian went straight to his apartment after having breakfast with his women.

Of course, he checked the gifts for Su Ruanyi's parents many times because he didn't want to forget a single thing.

Xiao Tian used his BMW car because it was not a good idea to use his Lamborghini car.

After everything was ready, Xiao Tian and Su Ruanyi traveled to her hometown to meet her parents.

## **Chapter 1106 - Going To Su Ruanyi's Hometown**

7-8 minutes

---

After driving for about three hours, they finally arrived at their destination. Her parents' house was located in Luzi city, one of the cities in the Jiazuo district.

Luzi city was a small city and surrounded by many trees. Like Long Jingxian's hometown, even though Luzi city was only a small city, there were many good places there.

"Father, mother..." Su Ruanyi spoke after getting out of Xiao Tian's car.

Her parents' house was quite big and surrounded by an iron fence. A white car and two motorbikes were parked in the front yard.

Anyone could tell that Su Ruanyi's parents were quite successful from their home and vehicles.

Su Guanyu and Qian Na, who were in the family room, immediately exchanged a glance with each other.

"Ruanyi has returned home." Qian Na said happily.

Without waiting for another second, Su Guanyu and Qian Na headed to the terrace to see their daughter.

When they saw Xiao Tian, they were not surprised because Su Ruanyi had told them she would come with him.

Su Ruanyi's parents smiled gently when Xiao Tian gave them gifts. They did not expect him to bring gifts for them.

After talking with Su Ruanyi's parents for several minutes, Su Ruanyi brought Xiao Tian to his room.

"I can finally relax a bit." After saying that, Xiao Tian lay on the bed.

The bedroom was quite big with a bed and wardrobe in it. There was also a small table on the left side of the bed while the other side was a wall.

Because the window was located right in front of the bed, the sunlight shone on Xiao Tian's face through the window.

"Student Xiao, I'm coming." After saying that, Su Ruanyi entered his room.

She did not close the door and left it open. Her face broke into a smile when she saw Xiao Tian lying on the bed.

'It seems like he is still tired.'

Xiao Tian drove for about three hours, so she knew that he was tired.

Xiao Tian was surprised when he saw Su Ruanyi bringing tea, but he did not show it on his face and just smiled gently.

After placing the tea on the table next to the bed, Su Ruanyi sat on the edge of the bed. "Do you want me to massage you?"

"No. Why are you here? Why don't you with your parents?" Xiao Tian asked curiously.

"They went out to check on their business." Su Ruanyi gave an honest answer.

Xiao Tian instantly sat up and tapped his thighs. "Come here and sit between my legs, my beautiful professor."

"Why do you always want me to sit between your legs?" Xiao Tian often made her sit between his legs, so she asked this question.

"Because I always want to embrace you." Xiao Tian gave an honest answer. "Come here."

Not only could he hug her from behind, but he would be able to feel the warmth of her body too. This was the main reason why he often made his women sit between his legs.

Because they were alone and she also wanted to lovey-dovey with him, she did what he wanted.

They talked for about thirty minutes before finally, Su Ruanyi walked out of his room. Her parents had returned home, so she decided to stop lovey-dovey with him.

"Father, mother, what's wrong?" Su Ruanyi asked after placing the tea on the table.

Currently, they were sitting on the sofa in the living room. Because Su Guanyu and Qian Na wanted to relax their minds, he turned on the TV.

At this moment, Xiao Tian stepped into the living room. It would be a bad idea if he continued to lie in his room.

"Our corner shop has been doing very poorly since five months ago." Su Guanyu replied, "If it continues like this, we have no choice but to close it later."

Su Ruanyi's parents had a convenience store and a small restaurant.

Previously, both of their businesses were doing well, but the corner store's performance had been steadily declining since five months ago.

"We really don't know why the corner shop's performance keeps dropping like this." Qian Na added.

"Uncle, Auntie, maybe I can help you solve this problem." Xiao Tian spoke abruptly.

Su Guanyu and Qian Na instantly turned their heads towards Xiao Tian. They were startled after hearing his words.

Su Ruanyi knew what they had in mind, so she immediately said, "Father, mother, do you remember a young man who was famous last year? The young man who was invited to Rising Star TV show and was in Young Talented People magazine."

"Yes, but we don't remember that young man now." Su Guanyu and Qian Na answered in unison.

They were already old, so their memory was not good anymore.

Su Ruanyi began to tell them who Xiao Tian was. She also said to them that Xiao Tian managed to be a successful person in a short amount of time.

Xiao Tian even already had two companies and a few restaurants when he was still twenty years old.

Su Ruanyi kept telling them how amazing Xiao Tian was, to the point of causing Xiao Tian to blush.

"I see." Su Guanyu said after hearing everything.

Because Xiao Tian was a genius in business, he told Xiao Tian his problem.

"Uncle, I have some ideas to increase sales, but can I visit your convenience store first?" Xiao Tian wanted to take a look at their corner shop because, with this, he would know the root of the problem.

Su Guanyu turned his head towards Su Ruanyi before speaking, "Ruanyi, take him to our corner shop. Your father and mother are tired now."

They had just arrived home, so they were exhausted. This was the reason why he asked his daughter to take Xiao Tian to their convenience store.

"All right." After saying that, Su Ruanyi looked at Xiao Tian. "Do you want to see our corner shop now?"

"Yes." Xiao Tian replied as he nodded his head.

Then Xiao Tian and Su Ruanyi went to the Su Family corner shop by motorbike. The Su family convenience store was located about four hundred meters from her house.

After arriving at their destination, Xiao Tian did not enter the Su Family corner shop immediately; instead, he stood in front of it.

The corner shop was quite large with the words 'Su Family corner shop' on the top of the building.

"What do you think, student Xiao?" Su Ruanyi inquired.

"I have already found one problem." Xiao Tian gave an honest answer.

Su Ruanyi was startled.

'What?! We've just arrived at my family corner shop and he's already found a problem?'

She found it hard to believe what she was hearing.

Xiao Tian then entered the Su family corner shop, took a walk, and checked how cashier behaved to customers.

At this moment, Su Ruanyi only stared at Xiao Tian without saying a single word. She did not understand much about business, so she only accompanied him.

Xiao Tian wrote down everything in the book so that he would not forget it later. "Professor Su, I have written all the problems. Let's return to your house."

At this moment, Su Ruanyi suddenly did something unexpected to him.

### **Chapter 1107 - Xiao Tian Gives Advice**

8-10 minutes

---

Xiao Tian was startled.

He did not expect her to drag him to the warehouse. But what surprised him most was that Su Ruanyi suddenly pressed her tender lips against his.

'???'

Xiao Tian did not do anything when Su Ruanyi suddenly cornered him against the wall.

'What a wild professor!'

Actually, he had no intention of doing adult things with her because he wanted to help her family with their corner shop problem.

The warehouse was located on the second floor, and there was currently no one in the warehouse.

That was why Su Ruanyi instantly kissed Xiao Tian after stepping into the warehouse and closing the door.

Even though Xiao Tian was shocked, he immediately welcomed the kiss. He even put his tongue into her little mouth.

Five seconds...ten seconds...twenty seconds...

They had a passionate kiss for about twenty seconds before finally, Su Ruanyi broke the kiss.

"What a bad professor!" Xiao Tian pinched Su Ruanyi's nose and smiled softly.

"But you like what I just did right?" even though she already knew the answer, she still said it.

And what she had guessed was right because Xiao Tian's answer was the same as she thought.

"I love it!" Xiao Tian smiled as he replied.

When Xiao Tian noticed an aluminum table on her right side, he immediately lifted her slender body and put her on the edge of the table.

"Kya!" Su Ruanyi was startled when Xiao Tian suddenly lifted her body without giving a warning.

"It's my turn now!" after saying that, Xiao Tian kissed Su Ruanyi passionately.

Like before, they instantly exchanged saliva and moved their tongues lewdly. They had a deep kiss longer than before.

When Su Ruanyi was out of breath, she decided to stop the kiss.

"I will give you a reward if you manage to increase the sales of our family corner shop." Su Ruanyi kissed him because he wanted to help her family.

"Then, I will wait for my reward!" Xiao Tian was sure that he could increase the sales of her family corner shop later. "But what will my reward be?"

Su Ruanyi brought her pretty face closer to Xiao Tian's right ear before whispering, "Something you love most; the activities that requires a bed and gives pleasure too."

"Then, I will work hard for it." Even though Su Ruanyi did not tell him directly what his reward would be, Xiao Tian could already guess it.

There was only one thing that needed a bed and gave pleasure.

Sex!

Even though they had had sex many times, but Xiao Tian would not refuse the reward.

Su Ruanyi grabbed Xiao Tian's right hand and spoke, "Let's return home."

After arriving at her house, they immediately headed to the living room.

"How is it?" Su Guanyu, who was sitting on the couch, asked curiously.

Like Su Guanyu, Qian Na also paid attention to Xiao Tian because she wanted to know Xiao Tian's answer.

After Xiao Tian sat on the sofa, he immediately replied, "Uncle, aunt, I have a few ways to increase the sales of your corner shop."

"What is it?" Su Guanyu inquired.

"It's like this...." Xiao Tian began to explain everything in detail.

First, there were no seats for customers to sit around the Su family corner shop.

When Su Guanyi and the others heard this, they were curious why Xiao Tian said something like this.

Xiao Tian, who knew what they had in mind, began explaining it. He said the customers would immediately leave if there were no chairs for them to sit.

However, it would be a different story if there were chairs for them to sit on.

Most of them would immediately sit after buying something from their corner shop, especially on rainy days and sunny days.

Because Su Ruanyi's parents still did not get his words, Xiao Tian gave a simple example. At this moment, Xiao Tian positioned himself as the buyer of their convenience store.

If he bought a drink and a snack from their corner shop, he would immediately go home if there was no chair for him to sit on.

However, it would be a different story if there was a chair for him to sit.

He would sit on the chair to relax, especially on rainy days or sunny days. When he was sitting on the chair, he would eat his snack and drink his drink.

When his snack and drink ran out, there was a high possibility that he would buy a snack and a drink again.

This possibility was the reason why Xiao Tian wanted them to provide seats for customers to sit.

Their corner shop would only sell a drink and a snack from one customer if they did not provide a chair for the customer.

However, there was a possibility that they could sell more than one drink and a snack if there were a seat for the customer to sit.

Su Guanyi finally understood Xiao Tian's words, "What is your other suggestion?"

"Next is, you need to change the position of merchandise every three months." Like before, Xiao Tian began explaining everything again.

In order to make them understand his words easier, he positioned himself as a customer again.

Xiao Tian then continued, "If I want to buy instant noodles, I will go directly to the place where the instant noodles are, and after that, I will go straight to the cashier to pay for it. It will only take a few seconds to buy it because I know where the instant noodles are. However, it's a different story if I don't know where the instant noodles are."

Xiao Tian then gave an example of what he would do if he did not know the instant noodle place.

Because he had no idea where the instant noodles were, he had to walk around the corner shop to find it.

When he was walking around looking for instant noodles, he would see a lot of merchandise.

This was what they had to do because, with this, there was a chance that he would buy something else as well.

For example, when he saw the toothpaste, he suddenly remembered that his toothpaste had almost run out.

After remembering it, he was very likely to buy the toothpaste because he was currently in the corner shop.

At first, he only intended to buy instant noodles, but he ended up buying instant noodles and toothpaste.

This was the main reason why they needed to change the position of the merchandise every three months because they should not let customers remember all the merchandise places.

Xiao Tian also suggested making the cashier more friendly to the customers.

The cashiers also had to offer lighters if customers bought cigarettes because they would not be able to smoke without lighters.

Of course, Xiao Tian also told Su Ruanyi's parents to give a discount on some merchandise. The reason was simple.

It was to make customers choose their corner store over other convenience stores.

They also had to put discounted items right behind the door so that customers would see them as soon as they entered their corner shop.

Xiao Tian also gave them a few more suggestions to increase the sales of their corner shop.

Su Ruanyi was startled after hearing his words.

'Genius! His ideas are amazing!'

At this moment, Su Ruanyi finally understood the reason why Xiao Tian could become a successful person in a short amount of time.

Like Su Ruanyi, her parents were also amazed by Xiao Tian's ideas.

"I will do it tomorrow." Su Ruanyi could already see many customers coming to his corner shop after carrying out Xiao Tian's idea.

Qian Na looked at her daughter before speaking, "Ruanyi, your former student is so clever!"

Su Ruanyi had no idea as to why she was delighted when her mother praised Xiao Tian. Maybe it was because he was her former student or perhaps, it was because he was her sex friend.

Xiao Tian was thrilled when he saw their happy faces.

'I'm glad they like my ideas'

He was pleased because, with this, his relationship with her parents was closer.

Because it was already 05:30 pm, Xiao Tian took a shower. Like before, a happy smile appeared on his handsome face.

'It seems like I can win their hearts easily later.'

Currently, Xiao Tian was lying on the bed.

After taking a shower, he did not put on his clothes immediately; instead, he lay on the bed.

As he was smiling happy, Su Ruanyi suddenly entered his room.

### **Chapter 1108 - Going To Night Market With Su Ruanyi**

7-8 minutes

---

\*Click...

Su Ruanyi closed the door after entering Xiao Tian's room.

She did not knock on the door and immediately entered his room as if it was her room. Su Ruanyi did this because she knew that Xiao Tian would not mind it.

And what she had guessed was right because Xiao Tian only smiled at her when he saw her entering his room without knocking on the door.

After sitting on the edge of the bed, Su Ruanyi inquired, "Do you want to go somewhere with me later?"

"Where are we going?" Xiao Tian asked curiously.

Instead of answering his question, Su Ruanyi winked her left eye. "Secret!"

"Sure." even though Su Ruanyi did not tell him where she would take him later, Xiao Tian accepted it without thinking twice.

"Don't worry. I'm sure you will like it." After saying that, Su Ruanyi sat between Xiao Tian's legs before finally spreading them.

Currently, Xiao Tian was lying on his back with his legs hanging on the edge of the bed. "I'm sure I will love it later."

Because Su Ruanyi was sitting between his legs, Xiao Tian knew what she wanted to do.

Blowjob!

He was sure that Su Ruanyi wanted to lick and suck his cock.

Even though Xiao Tian had no idea whether her parents were at home or not, he did not stop her.

Because Su Ruanyi dared to do naughty things in his room, he believed it was safe to do that or else she would not dare to do that.

Without waiting for another second, Su Ruanyi grabbed Xiao Tian's towel before finally unwrapping it.

\*Bite...

Su Ruanyi bit her lower lip when she saw Xiao Tian's cock.

Even though she had seen Xiao Tian's penis many times, but his cock never failed to make her horny.

The sight of his penis was so beautiful in her eyes, to the point she wanted to keep looking at his cock forever.

His testicles, shaft, or pink glans were so perfect in her eyes. She did not expect that a man's penis could be so beautiful like that.

Because they had had sex many times, Su Ruanyi did not behave shyly and immediately grabbed Xiao Tian's cock with her right hand before finally placing it on her face.

"I can smell the soap on your penis." Because Xiao Tian's cock was on her pretty face, Su Ruanyi could smell it.

She wasted no time and immediately stuck out her soft pink tongue before finally licking Xiao Tian's shaft.

Su Ruanyi licked from the lower part of Xiao Tian's shaft before making her way up to his pink glans.

At this moment, Xiao Tian placed his hands behind his head and looked at the ceiling.

He did not look at Su Ruanyi's face and only enjoyed the sensation of her sucking and licking his cock.

\*Slurp...Slurp...Slurp...

After licking the tip of Xiao Tian's penis for a few seconds, Su Ruanyi immediately put his cock into her little mouth before finally moving her head up and down continuously.

'His penis is as delicious as ever.'

Even though she could taste the soap on Xiao Tian's cock, but his penis was still as tasty as ever.

When she realized that Xiao Tian had reached his limit, Su Ruanyi moved her head up and down faster.

Because they were in her house, Xiao Tian gritted his teeth when he had an orgasm.

'I'm cumming....'

He lifted his waist a little when he was having an orgasm.

Because Su Ruanyi wanted to drink Xiao Tian's sperm, she did not pull his penis out of her mouth.

Su Ruanyi widened her eyes when Xiao Tian shot his white sperm into her little mouth.

\*Gulp...

After drinking Xiao Tian's sperm, Su Ruanyi rose to her feet and sat on the edge of the bed again.

At this moment, Xiao Tian's penis was still standing mightily. Not only that, but his cock was also throbbing non-stop.

Su Ruanyi bit her lower lip again when she saw Xiao Tian's cock throbbing continuously. She really wanted to put his huge penis into her vagina, but she decided against it.

"I want to take a shower first. After that, I will take you around this city." After saying that, Su Ruanyi kissed Xiao Tian's left cheek before walking out of his room.

Of course, she stared at his erect cock for the last time before opening the door and closing it.

Not long after that, Su Ruanyi returned to his room. Even though she only wore blue jeans, a red T-shirt and a white jacket, she looked so attractive.

Like what he did to Long Jingxian before they went to the fireworks festival, Xiao Tian immediately hugged Su Ruanyi before praising her beauty.

Su Ruanyi smiled softly, and her heart beat with happiness. "Let's go."

"Un." Xiao Tian nodded his head.

At this moment, Su Ruanyi still had not told him their destination. Xiao Tian did not ask anything and only enjoyed his time with her.

They only used motorbikes because her parents used the car. Of course, Xiao Tian did not mind it because going on a date on a motorbike was also fun.

After driving for about twenty minutes, they finally arrived at their destination. At this moment, Xiao Tian finally knew the place that Su Ruanyi wanted to visit.

Night Market!

Without waiting for another second, they immediately entered the night market.

Of course, they were walking hand in hand. The night market was very long, and there were countless shops of different sizes located within.

There were small stalls laid out at every corner of the road, and they sold all sorts of things.

Xiao Tian and Su Ruanyi bought some food and drinks before finally enjoying the atmosphere of the night market.

Of course, they were still holding hands. They chatted, joked, teased each other, and laughed together.

They were delighted at that moment. The beautiful night, coupled with the atmosphere of the night market, made it a very mesmerizing time for them.

Due to how happy they were, they did not even feel tired even after walking for an hour.

"How is it, student Xiao? Do you enjoy it?" Su Ruanyi inquired.

"Yes." Xiao Tian did not lie when he said this because he did enjoy it.

Because it was already 09:40 pm, they decided to go home.

At first, Xiao Tian wanted to talk with Su Ruanyi's parents again, but he immediately headed to his room because they had already slept.

After entering his room, Xiao Tian called his women. He talked to them for about thirty minutes before finally hanging up the phone.

'I hope professor Su will come to my room later.'

When he stayed at Long Diyi's house, Long Jingxian always came to his room every night.

That was why he suddenly hoped Su Ruanyi would do the same. Sure, her parents were in their room, but he really wanted to spend time with her.

Even if they did not have sex, he did not mind because he only wanted to sleep while hugging her.

However, the goddess of luck was not by his side because she did not come to his room no matter how long he waited for her.

For this reason, Xiao Tian decided to sleep. At 05:35 am, Xiao Tian woke up. At this moment, something unexpected happened again.

Su Ruanyi suddenly entered his room again.

### **Chapter 1109 - His Strategies Are Amazing**

7-9 minutes

---

Su Ruanyi was a little surprised when she saw Xiao Tian was already awake." You are already awake?"

Xiao Tian, who was still lying on the bed, turned his head towards her. "Yeah, I just woke up."

Like Su Ruanyi, Xiao Tian was also startled when Su Ruanyi suddenly entered his room. But what surprised him most was that Su Ruanyi suddenly sat between his legs.

'Mm? Is she going to give me blowjob again?'

Previously, he thought Su Ruanyi would sit on the bed and talk to him, but he was wrong because she suddenly did something unexpected.

She grabbed Xiao Tian's shorts and pulled it down!

Even though Xiao Tian was startled, he did not say anything and only stared at her.

'She really has turned into a lewd professor!'

At this moment, Xiao Tian was amazed by her braveness.

Because it was still 05:20 am, he was sure that her parents were in their room. But here, Su Ruanyi suddenly entered his room and did something lewd.

"Student Xiao, your cock is already erect." Of course, Su Ruanyi knew the reason why Xiao Tian's penis was already erect.

Morning wood!

She was no longer a teenager, so she knew that most men often had morning wood in the morning.

"It's because my penis knows your presence." Xiao Tian lied to her.

Su Ruanyi smiled. Because she wanted to taste Xiao Tian's cock again, she immediately opened her little mouth before finally putting his penis into her mouth.

'Delicious!'

Even though she had tasted Xiao Tian's cock many times, but it still tasted good.

\*Slurp...Slurp...Slurp...

Su Ruanyi moved her head up and down continuously.

Of course, she also did not forget to play with Xiao Tian's testicles because it gave him more pleasure and would make him have an orgasm faster.

Su Ruanyi used her skills amazingly. She licked and sucked Xiao Tian's cock continuously. She knew when she had to lick his penis or when she had to suck his cock.

For this reason, Xiao Tian finally reached his limit.

'He is about to cum.'

When Su Ruanyi noticed that Xiao Tian was about to have an orgasm, she moved her head up and down faster.

"Professor Su, I'm cumming...." Because Xiao Tian did not want her parents to know what they were doing, he said in a low voice.

\*Spurt...

Xiao Tian shot his sperm into Su Ruanyi's little mouth because she kept moving her head up and down earlier.

\*Gulp...Gulp...Gulp...

The sound of her drinking his sperm could be heard in his ears.

After Xiao Tian let out all of his sperm in her mouth, Su Ruanyi suddenly lay prone onto Xiao Tian.

'Thank you for the meal, student Xiao.'

A soft smile spread across her pretty face.

Like usual, Xiao Tian immediately wrapped his arms around her back. "Are you not going to help your mother cook breakfast?"

Previously, he thought Su Ruanyi would leave immediately after he had an orgasm, but he was wrong.

"We have finished cooking breakfast!" because she and her mother cooked breakfast from 04:00 am, they had finished it before she came to Xiao Tian's room.

"I see." Xiao Tian replied as he caressed her hair with his right hand.

They talked for about fifteen minutes before finally, Su Ruanyi went to her room. At 06:15 am, Xiao Tian had breakfast with Su Ruanyi and her parents.

After that, they immediately rearranged the Su family corner shop. They bought a lot of chairs, rearranged the corner shop and told the cashiers how to behave to customers.

They spent all day doing this, but they were satisfied with the result.

'Finished.'

Currently, Xiao Tian and the others were sitting on the chairs in front of the Su family corner shop.

"We will see the results tomorrow." Su Guanyu spoke abruptly.

Because they wanted to rearrange everything, they did not open their corner shop today. After talking for about twenty minutes, they went home.

Unlike yesterday where Xiao Tian went to the night market with Su Ruanyi, Xiao Tian only spent time with Su Ruanyi's parents this time.

They talked on the terrace happily. Due to how happy they were, they even did not realize it was already 10:40 pm.

Su Ruanyi's parents were already old, so they immediately headed to their room to sleep.

After Xiao Tian stepped into his room and lay on the bed, Su Ruanyi entered his room like yesterday.

She immediately pulled down his shorts and sucked his penis. However, they did not have sex again because she lay prone onto his body after he had an orgasm.

Xiao Tian's lips twitched non-stop because of this. Ever since they arrived at her parents' house, Su Ruanyi always gave him a blowjob whenever they were alone.

However, she always stopped after he had an orgasm. Usually, she would ask for sex after that, but it was different this time.

Because Xiao Tian did not want to force her to have sex with him, he could only smile and pinch her soft cheeks.

-----

The following morning, Xiao Tian and the others chatted in the backyard after eating breakfast.

At the same time, something big happened to the Su family corner shop.

Xiao Tian's ideas were a huge success!

The customers were startled and delighted by the new strategies of the Su family corner shop, especially with discounts and lotteries.

For this reason, they began to tell their friends and families about it. The information went from one person to another.

At first, only one person knew about it, but not long after that, many people also learned of the changes in the Su family corner shop because that person kept spreading the information.

Because they wanted to prove it, they went to the Su family corner shop. Like the previous person, they were startled and happy at the same time.

Thus the information kept spreading in the Luzi city. More than two hundred people knew about it in less than a day.

Because of this, the Su family corner shop became more famous and had more customers.

At 04:00 pm, Xiao Tian and the others went to the Su family corner shop to see it. Su Ruanyi's parents smiled happily when they saw their corner shop was full of customers.

They immediately looked at Xiao Tian and praised him. Like her parents, Su Ruanyi was also delighted because Xiao Tian managed to make her corner shop more in demand than usual.

'Thank you, student Xiao.'

Not only did Xiao Tian help her solve her problems with her ex-husband, but he also helped her family.

The spark of love within her grew bigger again. At this moment, Su Ruanyi was even more sure that she had made the right decision in choosing Xiao Tian over Da Shan.

The next day, the Su family corner shop was even more in demand than yesterday. The happy smile never even left the faces of Su Guanyu and Qian Na.

At this moment, they finally knew why Xiao Tian could become a successful person in a short amount of time.

It was because his strategies were amazing!

Due to how happy they were, they brought Xiao Tian to a famous restaurant to have dinner with them.

Like before, Su Ruanyi's parents were happy. They even often laughed as they ate.

Actually, Xiao Tian was surprised why they were so happy like that. But after remembering that their corner shop nearly went bankrupt two days ago, he finally understood it.

As Su Ruanyi and her family were happy, one family was angry.

### **Chapter 1110 - I Will Reward You Again Later**

6-7 minutes

---

Su Ruanyi was currently lying on her bed. After arriving home, she immediately headed to her room to relax.

Xiao Tian and her parents also went to their room because it was already 10:00 pm when they arrived home.

At 11:00 pm, Su Ruanyi headed to her parent's room to check whether they were already asleep or not.

When she found out her parents were already asleep, Su Ruanyi immediately headed to Xiao Tian's room.

As usual, Su Ruanyi locked the door after stepping into his room because she did not want her parents to know what she would do in his room.

'He is sleeping!'

Su Ruanyi did not expect him to sleep so soon.

Because she wanted to feel the warmth of Xiao Tian's body, she immediately lay prone onto him.

She knew that Xiao Tian was sleeping, but Su Ruanyi was sure he would not be angry with her.

And what she had guessed was right because Xiao Tian only smiled when he saw her lying prone onto his body.

Because Xiao Tian thought Su Ruanyi only wanted to sleep in his arms, he closed his eyes again after wrapping his arms around her back.

At 03:00 am, Xiao Tian woke up. His face broke into a smile when he saw Su Ruanyi's sleeping face.

He did not go back to sleep and kept staring at Su Ruanyi's pretty face. Of course, he also caressed her soft hair.

However, Xiao Tian could not see her sleeping face for a long time because Su Ruanyi woke up five minutes later.

"Good morning, student Xiao." Su Ruanyi looked at Xiao Tian before smiling softly.

"Good morning." After saying that, Xiao Tian kissed Su Ruanyi's forehead.

Xiao Tian and Su Ruanyi began to talk. Of course, they spoke in low voices because they did not want to wake her parents.

"Professor Su, can I get my reward now?" Xiao Tian inquired.

"What reward?" Su Ruanyi forgot about her promise to him.

"You promised to have sex with me if I managed to increase the sales of your corner shop. Did you forget about it?" Xiao Tian did not expect her to forget her promise so quickly like that.

"Ah!" Su Ruanyi finally remembered her promise.

Because Xiao Tian had increased the sales of her corner shop, she decided to keep her promise.

She immediately sat up on Xiao Tian's waist before finally taking off her clothes. They had had sex many times since they became sex friends, so she did not mind having sex with him again.

No. Even if she did not promise him anything, she would keep having sex with him because having sex with him felt amazing, and he always managed to satisfy her.

After Su Ruanyi removed her clothes, she took off Xiao Tian's outfit. Like what she always did since they arrived at her parents' house, Su Ruanyi immediately licked and sucked his cock.

Not long after that, Xiao Tian's room was filled with Su Ruanyi's suppressed moans.

"Did you like your reward, student Xiao?" Su Ruanyi inquired.

Currently, she was lying on Xiao Tian's right side, naked. After having sex for about forty minutes, they finally stopped.

Xiao Tian looked at her before kissing her forehead. "It was as amazing as usual!"

Ever since they stayed at her parents' house, Su Ruanyi always gave him a blowjob whenever they were alone, but she never let him have sex with her.

That was why Xiao Tian was pleased because he finally could taste her pussy again after a few days.

"I will reward you again later." after saying that, Su Ruanyi sat up and put on her clothes.

She had to help her mother cook breakfast, so she could not chat with Xiao Tian for a long time.

Xiao Tian did not stop her. Su Ruanyi had just satisfied him in bed a few minutes ago, so he did not stop her.

After putting on her clothes and getting out of bed, Su Ruanyi looked at him. "It's still 04:00 am. You can sleep again if you want. I will wake you up later."

"I hope you will wake me up with your mouth later because my little brother really likes it." Of course, Xiao Tian was joking around when he said this.

Even though Xiao Tian did not say it directly, Su Ruanyi knew what he wanted.

Blowjob!

He wanted Su Ruanyi to wake him up by sucking his cock later.

"You wish!" after giggling and flicking Xiao Tian's forehead, Su Ruanyi kissed his lips. "My mother will be awake soon, so I have to go now."

Xiao Tian immediately put on his clothes because it was dangerous if Su Ruanyi's parents saw him naked in his room.

He was in their house, so he could not stay naked like usual. Xiao Tian decided to sleep again because he was alone in his room.

Time went by quickly, and without realizing it, it was already 05:55 am. Because Su Ruanyi had promised to wake him up, she headed to his room after cooking.

However, she did not wake him up by sucking his cock because her parents wanted to eat breakfast quickly.

For this reason, she only woke him up by kissing his lips. Even though Su Ruanyi did not give him a blowjob, Xiao Tian was pleased.

They immediately headed to the dining room after Xiao Tian woke up.

After breakfast, Xiao Tian and Su Ruanyi's parents headed to the backyard to chat and enjoy the beautiful morning.

Their backyard was big with a few trees in it. They could also see the forest from the backyard.

This was what made the morning even more beautiful in their eyes. The fresh air and the view of the forest made their hearts beat with serenity and happiness.

However, their happiness only lasted for a few minutes because Su Ruanyi's father suddenly got bad news from one of the Su family corner shop employees.

Yes. Several people were causing trouble in their corner shop!

Without waiting for another second, Su Ruanyi and the others went to their corner shop.
