

Illicit 1171

Chapter 1171 - Yun Xin Er Is Enrage

In a big and beautiful park, two young people were sitting on a wooden bench, under a big tree.

One of them had a beautiful appearance like an angel, while the other had a sexy body and big breasts like a model.

A sinister grin could be seen on their faces as they looked at their smartphones.

Yes, these two young women were delighted when they read bad rumors about Xiao Tian on the internet!

These two young women were none other than Zhi Meirong and her servant, Han Xia.

It was a perfect opportunity to destroy Xiao Tian and his company, so they did not let this chance slip away.

"Well done, Han Xia. Well done." Zhi Meirong was pleased with Han Xia's work.

Yes, it was Han Xia who spread a video of Nalan Jiangge taking off Xiao Tian's silicon head mask!

"Thank you, master." Han Xia replied instantly.

Star Group Company, Shi Fei's Office.

Shi Fei was currently sitting on the office chair with an annoyed face.

She was unhappy because they kept getting problems since bad rumors about Xiao Tian spread on the internet.

Of course, they had stopped the rumors, but many people had seen everything, and they could not do anything about it.

"This is annoying!" Shi Fei sighed.

'What should I do to clear his reputation?'

Shi Fei knew that only Yun Xin Er and her parents could help them, but she did not know how to bring up that topic to them.

*Sigh....

She sighed again.

At the same time, Su Ruanyi gave Mu Hou some information.

Even though she still had not found the mastermind, but she managed to get information about the people who added fuel to the fire.

Mu Hou instantly ordered Xiao Tian's underlings to beat them, such as breaking their arms or legs.

Of course, he told them to hide their faces and act with caution because this could make the problem bigger.

For this reason, several people who added fuel to the fire, had their arms and legs broken by Xiao Tian's underlings.

Yun Xin Er's House, Her Bedroom.

Yun Xin Er was currently making a clarification video about the reason why Xiao Tian became her bodyguard and the guitarist at her concert.

She decided to make a clarification video when she learned that the sales of goods from Xiao Tian's company continued to decline.

She knew that she was the only one who could save Xiao Tian's company now.

"I'm making this video to tell you the reason why Xiao Tian decided to be my bodyguard and guitarist at my concert two days ago." Yun Xin Er, who was sitting on a chair, spoke in front of a camera.

Previously, she had placed a camera in front of her because she was alone in her room.

Like yesterday, her eyes were still swollen because she kept crying since Xiao Tian was in a coma.

Yes, Xiao Tian was still in a coma until now!

She did not tell her parents or manager about this because Xiao Tian's company would be in a crisis if she did not make a clarification video.

"First, I will tell you the reason why he became a guitarist at my concert two days ago." Yun Xin Er began to explain the reason why Xiao Tian chose to become a guitarist at her concert two days ago.

She said the guitarist suddenly fell unconscious when she was about to sing the last long. The reason why the guitarist suddenly fell unconscious was that he was sick.

Yun Xin Er could not sing the last song because the role of the guitar in the last song was vital.

It would ruin the song's charm if they continued the concert without a guitarist. For this reason, the concert was stopped for several minutes.

"At that time, Xiao Tian decided to be the guitarist. He did this for two reasons." Yun Xin Er spoke and paused for a second before she continued, "First, he wanted to keep my reputation. There would be bad rumors about me and Li Entertainment if we ruined the song at my concert because the song would be messed up if we did not use a guitarist."

She then continued, "The second reason was, he did not want his song to be ruined. Yes. The song called 'you are safe in my arms' is Xiao Tian's song. Not only that, but the songs called 'I love you, illusion, and we are destined to be together' are also his songs. He is the composer of these songs."

Yun Xin Er knew that she should not reveal it, but she did not care anymore. She wanted the public to know everything.

"All of you always want to know the composer of these songs, right? I will repeat my words again. Xiao Tian is the composer of these songs." Yun Xin Er repeated her words.

Since she bought Xiao Tian's song called illusion, many people tried to find out who the composer was, but their efforts were in vain because Li Wen hid everything.

"Now I will tell you the reason why Xiao Tian decided to be my bodyguard." Yun Xin Er uttered, "It's because he wants to protect me! Someone wants to hurt me. No, someone wants to kill me, so he decides to protect me."

"If you ask me why he wants to protect me. I will tell you the answer. It's because we are in love with each other." Yun Xin Er revealed everything. "Is it weird if you want to protect your loved ones? Is it weird if you become a bodyguard? Is it weird if you become a guitarist? The answer is NO! It's not weird, it's normal!"

Yun Xin Er almost could not control herself anymore when she remembered that Xiao Tian's company was in a mess because he wanted to protect her.

"In order to protect me, he is even still in a coma right now. To me, Xiao Tian is a real man, someone who dares to protect the people he loves even if he has to sacrifice himself. So, stop attacking his company and spreading bad rumors about him!" Yun Xin Er raised her voice when she said not to attack Xiao Tian's company and spread bad rumors about him.

Of course, she knew she could lose her career after this, but she did not care anymore.

Xiao Tian almost lost his life in order to protect her. She could stop being a singer when no one wanted her anymore.

Her family was from an upper-class family, so money was not a problem for her.

"Xiao Tian knows that it could ruin his reputation or his company's reputation if the public finds out his real identity, but he still decides to be my bodyguard because I'm important to him." Yun Xin Er uttered, "Now let me ask you some questions. Have you ever seen a man who is willing to sacrifice himself for the one he loves? Have you ever seen a man who is willing to be a bodyguard for the one he loves? Have you ever seen a man willing to risk his painstakingly built company for the one he loves? Have you seen someone like him nowadays?"

She then continued, "Why did you attack him and his company when he did nothing to you? Are you jealous of his success?"

Like Xiao Tia's rumors, Yun Xin Er's video instantly became a hot topic too.. Many people started talking about it from young to old.

Chapter 1172 - Uproar

7-9 minutes

"Wow! Xiao Tian is so cool!"

"I hate to admit it but he is indeed so cool. Damn!"

"I'm proud to be a fellow man like him. A true man should be like him and I will become like him in the future."

"Me too."

"Yes. I will become an amazing young man like him in the future."

"What an amazing man! He is even willing to sacrifice himself to protect his loved ones."

"He is my big brother from today onwards."

"Can I become his brother too?"

"Me too. I want to be his brother. He is rich and handsome, so I'm sure he has many beautiful female friends. Maybe I can get beautiful and rich girl if I become his brother. Hehe."

"Damn! I'm sure he doesn't want to be your brother."

"Shut up! I'm also an amazing young man."

"Amazing my ass!"

"Wait! Does this mean that Xiao Tian and Yun Xin Er are a couple?"

"I also want to know about this."

"I can't accept this! Xin Er is my goddess. No one is allowed to be her lover. I can't accept this!"

"Yes, I also can't accept this!"

"Why? Why did this happen to me? My goddess Xin Er. Why? My love for you is as big as universe and as deep as black hole, so why did you do this to me. Why?"

"Yes, why? My love for you is also big. It's as big as this earth and as deep as sea. Why?"

The internet was in an uproar again.

Yun Xin Er's video caused people in China to go crazy, especially her male fans.

They could not accept it when Yun Xin Er said she and Xiao Tian were in love with each other because Yun Xin Er only belonged to them, her fans.

Yes, no one was allowed to become her lover because she was theirs!

At this moment, Zhi Meirong and Han Xia were furious because Yun Xin Er had ruined their perfect plan.

They did not expect that Yun Xin Er was willing to risk her career in order to protect Xiao Tian and his company.

Previously, they were delighted because they managed to destroy the Yun family and Xiao Tian at the same time, but Yun Xin Er's video changed everything.

Sure, there were still bad rumors about Xiao Tian on the internet, but it was not as bad as before.

Some people even started defending Xiao Tian because, in their eyes, Xiao Tian was an amazing young man.

He was willing to sacrifice himself in order to protect Yun Xin Er. He was even willing to risk the future of his company.

It was rare to see someone like Xiao Tian nowadays, someone who was willing to sacrifice everything for his loved ones.

Many women even praised Xiao Tian continuously and made him a role model for the perfect boyfriend.

In short, Xiao Tian's reputation changed completely. Of course, there were still many people who hated him.

Now the internet was a place of fights between people who defended Xiao Tian and hated him.

Li Entertainment, Li Wen's Office.

Li Wen was currently sitting on his chair, watching Yun Xin Er's video. Previously, he was shocked when his secretary informed him about Yun Xin Er's video.

He wanted to delete all her videos on the internet, but he changed his mind.

Yun Xin Er was the ace of his company and had a good relationship with his nephew, so he did not know what to do.

Now that Yun Xin Er's video had spread on the internet, he was afraid it would affect her career later.

Yun Xin Er was a talented young singer, so he did not want to lose her. It would be a pity to lose such a good singer like Yun Xin Er.

*Sigh...

Li Wen sighed.

'She even revealed everything, including the composer of these songs.'

Previously, he also read the comments.

Many people were shocked when they learned that Xiao Tian was the composer of songs called 'illusion, I love you, we are destined to be together and you are safe in my arms'.

They always tried to find out who the composer of these amazing songs was, but their efforts were in vain.

They just did not expect that Yun Xin Er would reveal it.

But what surprised them most was that the composer of these masterpiece songs was none other than Xiao Tian, the rising star businessman.

They knew that Xiao Tian was a genius in business, but they did not expect that he was also excellent at making songs.

'Sigh. Why do I have so many problems lately?'

Li Wen sighed again.

Li Wen then called Yun Xin Er. However, no matter how many times he called her, Yun Xin Er did not pick up the phone.

'I have to go to her house now.'

With that idea in mind, Li Wen traveled to Yun Xin Er's house.

However, he was disappointed again because Yun Xin Er was not at home. She was at Life Hospital, visiting Xiao Tian again.

At 07:00 pm, Li Wen went to Yun Xin Er's house again. This time, he could meet her at her house.

"Did you come to my house to talk about the video I posted on the internet, director Li?" Yun Xin Er had guessed that Li Wen would come to her house later.

That was why she was not surprised when Li Wen suddenly came to her house. Currently, Li Wen and Yun Xin Er were sitting on the couch in the living room.

"Xin Er, why didn't you tell me beforehand that you wanted to make a clarification video?" Li Wen was worried about her career.

Sure, Yun Xin Er had revealed that Xiao Tian was the composer of the song called illusion, but he did not care about it.

He also believed that Xiao Tian would not ask for his song back.

"His company is in crisis so I have to save his company." Yun Xin Er gave an honest answer.

"But your actions will affect your career, you know?" Li Wen told her that Yun Xin Er should not act recklessly.

They could choose a better move if Yun Xin Er discussed it with him first. Now that her video had spread on the internet, many people had seen it.

"I don't care." Yun Xin Er did not realize that she behaved immaturely.

*Sigh...

Li Wen sighed again.

He knew that Yun Xin Er's mind was in a mess when he remembered what had happened to her, her parents, and Xiao Tian.

For this reason, Li Wen decided to discuss the problem with her parents.

Life Hospital, Xiao Tian's Patient Room.

Liu Ning and Shi Fei were currently in Xiao Tian's patient room. His women visited him in turn.

Ye Xueyin and Ye Qingyu visited him in the morning, while Long Jingxian, Lin Xing Xue, and Su Ruanyi visited him in the afternoon.

As for Shi Fei and Liu Ning, they visited him in the evening.

"Tian'er..." Liu Ning, who was sitting on the chair next to Xiao Tian, held his right hand and looked at him.

As Shi Fei was looking at Xiao Tian, her smartphone suddenly rang.

'A message from Bi Yu?'

Without waiting for another second, Shi Fei opened the message.

[Leader, we have found the mastermind.]

Shi Fei instantly rose to her feet and looked at Liu Ning, "Ning, I'm going out for a while."

"Where do you want to go?" Liu Ning inquired.

"I'm hungry. I want to eat again." Shi Fei could not tell the truth, so she decided to lie.

"Alright." At this moment, Liu Ning was not suspicious of Shi Fei.

"I will be back soon." After saying that, Shi Fei walked out of the patient room.

*Click...

Shi Fei closed the door.

When she saw Chun Hua and three members of the Blue Ice Lotus gang, she immediately spoke, "Protect them well! I will beat you all if something bad happens to them."

She did not wait for their reply and immediately left to meet Bi Yu.

Green Tea Shop.

Shi Fei was currently sitting on the couch with Biyu and Fu Jiye.

"Who are they?" Shi Fei did not waste her time and went straight to the point.

Bi Yu showed two pictures to Shi Fei. "It's them. They are the masterminds."

"Leader, what should we do? Should we kill them now?" Fu Jiye inquired.

Chapter 1173 - Sorry For Making You Worry

6-7 minutes

"Leader, what should we do? Should we kill them now?" Fu Jiyi inquired.

Shi Fei did not answer Fu Jiyi's questions immediately and only looked at the two photos in her right hand.

'Hmmm? It's them?'

She was a little surprised when she saw these two pictures.

"It's not a good idea to kill little brother's targets. Find a good time to give this information to him or his underlings. Your job is just to monitor them every day." At first, Shi Fei wanted to kill them immediately, but she changed her mind.

She did not want to kill Xiao Tian's targets because it could hurt his pride later.

"Understood." Bi Yu and Fu Jiyi answered in unison.

After that, Shi Fei returned to the hospital. Liu Ning and Shi Fei were in the hospital until 10:00 pm before finally going home.

The following morning, several reporters wanted to interview Yun Xin Er and her parents. Some of them even came to Star Group company to interview Xiao Tian's parents.

However, they could not enter Star Group company because Shi Fei had ordered all security guards to stop the reporters.

She even said she would punish them if the reporters managed to enter the company. For this reason, all the security guards tried their best to block the entrance.

At the same time, several reporters also came to Yun Xin Er's house. They did not go to Yun Wuya's house because they knew that Yun Wuya and his wife were at Yun Xin Er's home.

Of course, Mu Hou and Xiao Tian's underlings blocked them.

At this moment, something shocking happened.

Han Xia was fighting against one of Xiao Tian's underlings not far from Yun Xin Er's house!

After fighting for about five minutes, Han Xia ran away.

Yes, she could not defeat Xiao Tian's underling!

His underling even managed to stab Han Xia's right shoulder, causing Han Xia to be unable to fight normally.

"Damn it! She ran so fast!" Xiao Tian's underling cursed venomously when she lost track of Han Xia.

'I will return and inform the instructor about this.'

With that idea in mind, she returned to Yun Xin Er's house.

Yun Xin Er's House, Family Room.

"What?! You fought someone just now?!" Mu Hou said in surprise.

Xiao Tian's underling immediately informed Mu Hou about what had just happened after arriving at Yun Xin Er's home.

"Yes." Xiao Tian's underling replied as she nodded her head. "She ran away when I almost defeated her. Damn! She ran so fast like a cheetah!"

"Did you see her face?" Mu Hou inquired.

"I could only see her eyes because she wore a black veil earlier." She replied. "However, I managed to stab her right shoulder with my sword earlier."

"So you managed to injure her, huh?" actually, Mu Hou was a little disappointed.

However, his disappointment diminished instantly when she said she managed to stab Han Xia's right shoulder.

"Next time, call the others if you see an enemy." Mu Hou was sure that she could capture Han Xia if she did not fight Han Xia alone.

"Alright." She nodded her head. "Next time, I will make sure to injure her legs first so that she won't be able to run away again."

Life Hospital, Xiao Tian's Patient Room.

Xiao Tian finally opened his eyes after being unconscious for a few days.

'I'm in the hospital?'

Of course, he still remembered what had happened to him several days ago.

When Yun Xin Er, Liu Ning, and Lin Xing Xue noticed it, they were pleased.

"Tian..." They said in unison.

Lin Xing Xue immediately rose to her feet and spoke, "I will call the doctor now."

"Little brother... Thank god." Yun Xin Er, who was holding Xiao Tian's right hand, cried in happiness.

She was relieved because Xiao Tian finally regained consciousness after several days.

"Let me check his condition first." The doctor said after entering Xiao Tian's patient room.

As the doctor was checking Xiao Tian's condition, Yun Xin Er and the others prayed to God, hoping that nothing bad would happen to his body.

"His condition is normal." The doctor stated. "However, he still needs to rest for a few days."

Yun Xin Er and the others let out a sigh of relief. Previously, they were afraid because the doctor said there was a possibility that Xiao Tian could lose his memory.

Even though Xiao Tian had regained consciousness, he still could not move his body.

Yes, his body was so weak, to the point he could only move his head!

The doctor then looked at Yun Xin Er and the others. "Misses, please don't talk to him for long. He needs to rest so that he can recover faster."

Yun Xin Er and the others nodded their heads.

The doctor immediately left because he had to check another patient.

"Little brother..." tears fell down Yun Xin Er's soft cheeks.

"Big sister Yun, don't cry. Am I not still alive?" actually, Xiao Tian wanted to wipe off her tears, but he could not move his arms.

He even had a hard time talking to Yun Xin Er, so it was normal if he could not move his body.

"Little Xue, Ning'er, sorry for making you worry." Xiao Tian knew that his women were worried about him because he was in a coma for several days.

Like Yun Xin Er, Liu Ning and Lin Xing Xue cried too. Of course, it was a cry of happiness.

"It's fine. It's fine." Liu Ning and Lin Xing Xue answered in unison.

"Let me inform the others first." Liu Ning wanted to give the good news to Shi Fei and the others because they were also Xiao Tian's girlfriends.

Shi Fei and the others instantly traveled to Life Hospital when Liu Ning said Xiao Tian had regained consciousness.

They even immediately left their jobs because, in their eyes, Xiao Tian was more important than their jobs.

Ye Xueyin and the others ran towards Xiao Tian's patient room after getting out of their cars.

*Click...

Ye Xueyin opened the door.

"Tian..." Ye Xueyin rushed towards Xiao Tian.

Chapter 1174 - Mother Is Not Crying Anymore

7-8 minutes

"Tian..." Ye Xueyin rushed towards Xiao Tian.

Tears of happiness fell down her soft cheeks. She was delighted when she knew that Xiao Tian had regained consciousness because he had been in a coma for several days.

"Mother, I'm sorry for making you worry." Xiao Tian knew that his mother would cry, so he was not surprised.

His mother was always like this. She would be really worried even if he only had a minor injury.

"Hua..." instead of stopping, Ye Xueyin cried even louder.

Xiao Tian wanted to wipe out Ye Xueyin's tears, but he still could not move his arms. "Mother, don't cry. I'm fine now."

"But...But..." Ye Xueyin was still crying.

"We are in the hospital now, so don't cry anymore." Xiao Tian was afraid that his mother's cry would disturb other patients.

"Un. Mother is not crying anymore." Ye Xueyin immediately wiped off her tears and tried her best not to cry anymore.

They talked for about ten minutes before finally a nurse entered the patient room and asked Ye Xueyin and the others to let Xiao Tian rest because he needed a lot of rest.

Shi Fei and the others nodded their heads and walked out of the patient room.

Sure, they still desired to spend time with Xiao Tian, but they had to let Xiao Tian rest. Not long after that, they left.

At 04:00 pm, Nalan Jiangge and Yun Wuya visited Xiao Tian again. There was a moment of silence when Xiao Tian and Nalan Jiangge looked at each other.

He knew that Nalan Jiangge had found out everything because he was no longer wearing his silicon head mask.

*One second...three seconds...five seconds....

It had been five seconds, but none of them said a word.

At this moment, Nalan Jiangge and Xiao Tian only looked at each other because both of them had no idea what to say.

"Ehm!" Yun Wuya broke the silence. "Xiao Tian, how are you feeling?"

It would be weird if they kept staring at each other without saying a single word.

"I'm feeling much better now." Xiao Tian gave a short answer.

*Silence...

The patient room dropped into a dead silence again.

Yun Wuya could only sigh when he saw his wife and Xiao Tian.

Actually, he had guessed that something like this would happen. His wife hated Xiao Tian so much, to the point she often spoke ill of him in the past.

However, she had a good relationship with Shi Hao. She even spoke good things about him a few times.

But what made everything complicated was one thing.

Shi Hao was Xiao Tian!

The person she liked was someone she hated.

This was the reason why Yun Wuya could understand his wife's feelings. No, this was the reason why he could understand their feelings.

Not only his wife, he was sure that Xiao Tian also had complicated feelings right now.

That was why both Xiao Tian and Nalan Jiangge only stared at each other without saying a single word.

'I did not expect that their relationship would become complicated like this.'

It never crossed his mind that the relationship between Xiao Tian and his wife would be so complicated like that.

However, he could not do anything about this. Yes, only Xiao Tian and his wife could solve this problem.

Like before, Nalan Jiangge did not say anything. Actually, she wanted to yell at Xiao Tian for lying to her this entire time.

However, the memories of him saving her life kept appearing in her mind whenever she wanted to scold him.

"Xiao Tian, thank you for saving my daughter." Yun Wuya expressed his gratitude to Xiao Tian because it would be Yun Xin Er who was lying on the bed if Xiao Tian did not save her.

"Don't mind it." Xiao Tian did not mind getting hurt if he could protect Yun Xin Er.

At this moment, Yun Wuya finally knew how deep Xiao Tian's love was for his daughter. Xiao Tian was even willing to risk his life and company in order to protect Yun Xin Er.

Not all men were willing to sacrifice themselves for their loved ones, so Xiao Tian was an amazing young man in Yun Wuya's eyes.

"I have an appointment with my business partner." After saying that, Nalan Jiangge walked out of the patient room.

Actually, she just did not know what to say to Xiao Tian. It would be awkward if they only stared at each other without saying a single word.

That was why she chose to leave because she did not know what to say or do.

"Xiao Tian, we will visit you again tomorrow." Of course, Yun Wuya knew that Nalan Jiangge was lying.

"Alright." Xiao Tian replied instantly.

Star Restaurant, VIP Area.

Yun Xin Er was currently with Xiao Tian's women in the VIP area. Shi Fei and the others invited Yun Xin Er to Star Restaurant after they saw her video.

"Miss Yun, thank you for saving little brother's company." Shi Fei spoke abruptly.

"I should be apologized to you because I have caused so many troubles for you." Yun Xin Er knew that she was one of the reasons why Xiao Tian's company faced so many problems.

Even though she had made a clarification video, several people still caused trouble to Xiao Tian's company.

"It's fine. This is Tian'er decision after all." Liu Ning did not blame Yun Xin Er because Xiao Tian was the one who wanted to protect Yun Xin Er.

Instead, she was proud of Xiao Tian's actions because, with this, she knew that he was someone who would protect his loved ones even at the risk of losing his life.

"Have you told him about this problem?" Yun Xin Er wanted to know whether Shi Fei and the others had told Xiao Tian everything or not.

"No." Lin Xing Xue replied, "He hasn't fully recovered yet so we're still hiding everything."

"Yes." Long Jingxian added. "It's still not the right time to tell him everything."

Long Jingxian and the others thought it was better to hide everything for now.

Of course, they would tell him later, but they would wait until he fully recovered first, or else it would be the weight of his mind.

They talked for about two hours before finally, they went home.

Unknown Place.

The moonlight lit up the earth, and black clouds scattered in the sky.

Three young women were standing under a big tree, surrounded by many falling leaves.

The woman in black folded her hands behind her back while the other two looked at her respectfully.

Her face was covered by a black veil, and her eyes were focused on the moon. She looked like someone who was thinking about something important.

"Bi Yu, give these photos to her." Shi Fei spoke as she stared at the moon.

Bi Yu immediately gave two pictures to Chun Hua.

"They are the masterminds." Shi Fei uttered, "Remember, don't tell him anything about us."

Shi Fei did not want Xiao Tian to know that she was the one who helped them.

After taking the pictures, Chun Hua replied, "Understood, founder."

Then Shi Fei and Bi Yu walked away before finally disappearing into the distance.

Chapter 1175 - They Are The Masterminds

6-7 minutes

'So they are the masterminds, huh?'

Chun Hua looked at the photos in her hands carefully.

When she flipped the pictures, she saw more information about the masterminds.

'I have to think of a way to give these photos to the leader.'

After sighing, she went home.

The following morning, Liu Ning and Ye Qingyu visited Xiao Tian. This time, Xiao Tian's condition was much better again.

Even though he was still unable to walk, but he already could move his arms and legs.

"Tian'er, how are you feeling today?" Liu Ning inquired.

"I'm feeling much better now because my two girlfriends are with me." Even though Xiao Tian still had not fully recovered yet, he already used his sweet words.

"Hehe." Liu Ning giggled after hearing his words. "You still haven't fully recovered, but you have used your sweet words."

"It's because he will go crazy if he doesn't try to seduce us." Ye Qingyu uttered.

The corner of Xiao Tian's lips twitched after hearing Ye Qingyu's words.

*Tak...Tak...Tak...

The sound of high-heels slamming against the floor reverberated in the entire area.

Yun Xin Er was currently heading to Xiao Tian's room with Mu Hou, two of Shadow gang members, and her manager, Fu Rou.

"Instructor..." four of Xiao Tian's underlings, who were sitting on the chairs in front of Xiao Tian's patient room, greeted Mu Hou.

Mu Hou nodded his head before speaking, "How is his condition?"

"His condition is much better now." One of Xiao Tian's underlings responded.

At this moment, something unexpected happened.

An old man suddenly bumped into Fu Rou!

"Hii..." Fu Rou gritted her teeth before falling to the floor.

"I'm sorry, young lady. I'm in a hurry right now." after saying that, the old man walked again.

Mu Hou immediately helped Fu Rou up. "Are you alright?"

"I'm fine." Fu Rou replied instantly.

"Little brother, I'm visiting you again." As usual, Yun Xin Er entered Xiao Tian's patient room without knocking on the door.

"Oh, you have come?" Xiao Tian was not surprised when he saw Yun Xin Er because she visited him every day.

Yes, she came to the hospital every single day!

"I have brought a lot of fresh fruit too." Yun Xin Er spoke as she showed the fruit basket in her right hand.

"Thank you." Xiao Tian smiled softly.

They talked for about thirty minutes before finally Yun Xin Er and the others left.

At this moment, Mu Hou was still in Xiao Tian's patient room because Xiao Tian wanted to say something important to Mu Hou.

"How is it? Have you found the mastermind?" Xiao Tian inquired.

"No." Mu Hou sighed before finally shaking his head. "However, one of your underlings fought against the mastermind. Even though she failed to capture the mastermind, but she managed to injure the mastermind."

"Really?" Xiao Tian did not know about this because he was in a coma when this happened.

At this moment, Chun Hua entered Xiao Tian's patient room.

Xiao Tian and Mu Hou instantly turned their heads towards her.

"Sir, I have good news." Chu Hua stated.

"What is it?" Xiao Tian asked curiously.

"Here." Chun Hua gave two pictures to Xiao Tian.

"Who are they?" Xiao Tian inquired.

"Their faces are covered in veils." Mu Hou said after looking at the pictures.

"They are the masterminds." Chun Hua began explaining everything.

Of course, she made up the story because Shi Fei told her not to tell Xiao Tian that she was the one who helped them.

She said she saw them when she was protecting Yun Xin Er's parents. She was sure they were the masterminds because she eavesdropped on their conversation.

"But their faces are covered in veils, so it will be hard to find their identities. We sho-" Xiao Tian stopped his words halfway when he remembered Su Ruanyi. "Where is my smartphone?"

Su Ruanyi was skilled in computers, so he was sure that she could find the identities of the masterminds later.

"Boss, why are you looking for your smartphone?" Mu Hou did not know why Xiao Tian suddenly looked for his smartphone.

"Chun Hua, give me your phone now." Xiao Tian decided to use Chun Hua's phone because he could not find his smartphone.

Chun Hua immediately took her smartphone out of her pocket and gave it to Xiao Tian. "Here."

Without waiting for another second, Xiao Tian called Su Ruanyi and told her to come to the hospital.

Fifteen minutes later, Su Ruanyi arrived at the hospital.

"Student Xiao, why did you tell me to bring my laptop too?" previously, Xiao Tian only told her to bring her laptop without explaining anything, so Su Ruanyi still did not understand anything.

Instead of answering her question, Xiao Tian gave the pictures to Su Ruanyi. "Please find out who they are."

Su Ruanyi was startled. "Who are they?"

"Chun Hua said they were the masterminds." Xiao Tian gave an honest answer.

"Mastermind? All right." Su Ruanyi immediately turned on her laptop.

"There is a little extra information about them on the back side of the photos." Chun Hua stated.

"Hmm? Information?" Su Ruanyi immediately flipped the photos.

'There is information on the back side of the photos. Good! With this, I'm sure I can find their identities faster.'

Even though the information on the back side of the photos was not detailed, but it could help Su Ruanyi find the identities of the masterminds easily.

At this moment, Xiao Tian and the others were paying attention to Su Ruanyi's laptop carefully.

*Tak...Tak...Tak...

Su Ruanyi moved her fingers on her laptop keyboard fast.

Even though Xiao Tian had seen Su Ruanyi's skills several times, he was still amazed by her skills.

Sure, his major at university was computers, but he was nothing compared to Su Ruanyi.

'As expected of my beautiful former professor, she is amazing.'

Xiao Tian praised Su Ruanyi in his head.

*Two minutes...Four minutes...Seven minutes...

After looking for their identities on the internet for seven minutes, Su Ruanyi finally found out who they were.

"I have found their identities.." Su Ruanyi stated.

Chapter 1176 - We Have To Change The Plan

6-7 minutes

The expression of deep shock blossomed on everyone's faces because they found it hard to believe what they were seeing.

'They are...'

They were shocked because they knew one of the masterminds.

Fu Rou!

Yes, one of the masterminds was Fu Rou, Yun Xin Er's manager.

"Is she really the mastermind?" Mu Hou still could not believe what he was seeing.

"I see. I understand now." Xiao Tian touched his chin. "Mu Hou, do you remember when we played a shooting game at Qing Playground a few days ago?"

"Yes." Mu Hou did not understand why Xiao Tian suddenly brought up that topic.

"We were amazed by her skills at a shooting game that day." Xiao Tian spoke and paused for a second before he continued, "And do you still remember Duzi?"

"Yes." of course, Mu Hou still remembered Duzi. "But isn't he already dead?"

"Yes. He was killed that day because someone suddenly shot his head." Xiao Tian replied, "And I think Fu Rou was the one who killed him."

At this moment, Mu Hou remembered something. "Boss, one of your underlings fought against the mastermind two days ago. And even though she failed to capture the mastermind, she managed to injure the mastermind."

Mu Hou then continued, "She said she managed to stab the mastermind's right shoulder before the mastermind ran away. And before we entered your room, an old woman bumped into manager Fu until she fell to the floor."

"Really?" Xiao Tian inquired.

"Yes." Mu Hou nodded his head. "I did not pay attention earlier, but that old woman bumped into manager Fu's right shoulder and even though the old woman did not bump into her hard, but it seemed like she felt immense pain."

"Then everything makes sense. She is really the mastermind." After saying that, Xiao Tian looked at Chun Hua. "Good job, Chun Hua!"

"Thank you, sir." Chun Hua replied instantly.

'Well, I can't tell him that the founder was the one who gave me these photos.'

She added in her mind.

Mu Hou suddenly remembered something. "Boss, Miss Yun is in danger right now. We have to save her immediately."

Previously, Yun Xin Er left with Fu Rou and Xiao Tian's underlings.

"Mu Hou, calm down. Five of my underlings are with big sister Yun right now, and all of them are martial artists at the high-level master stage. I'm sure Fu Rou won't dare to attack big sister Yun openly." Xiao Tian dared to say something like this because Fu Rou had never attacked Yun Xin Er openly all this time.

"Why don't we catch her now?" Su Ruanyi inquired.

"I think it's not the best idea." Xiao Tian responded. "If we catch Fu Rou now, it will be even more difficult to catch the other mastermind."

Mu Hou and the others nodded their heads. What Xiao Tian said made sense.

If they caught Fu Rou immediately, the other mastermind would immediately go into hiding because she knew that Xiao Tian and the others already knew their identities.

"So, you want to order your underlings to follow Fu Rou and capture them at the same time?!" Su Ruanyi suspected that Xiao Tian wanted to capture the masterminds at once.

"Yes." Xiao Tian nodded his head. "I'm sure Fu Rou will meet Zhi Meirong later, so it's best if we don't do anything to Fu Rou for now so that we can catch them at once later."

Mu Hou agreed with Xiao Tian's idea because with this, they could put an end to this problem faster.

Xiao Tian turned his head to look at Chun Hua and spoke, "Chun Hua, you go and lead several people to spy on Fu Rou every day. You can also bring as many people as you want."

"Then, what about me?" Mu Hou inquired.

"Your job is still the same. You continue to be the bodyguard of the Yun family." Xiao Tian was sure that Fu Rou would be suspicious if Mu Hou and Chun Hua stopped being bodyguards at the same time.

"Alright." Mu Hou nodded his head. "Should we inform Miss Yun and her parents about this?"

"No. It's not the right time to tell them about this." Xiao Tian thought it was better if Yun Xin Er and her parents did not know about this because they could ruin his plan later.

"Alright. Then I will go to protect Miss Yun now." even though Yun Xin Er was with five of Xiao Tian's underlings, Mu Hou did not feel at ease.

"Un." Xiao Tian nodded his head. "Order more people to protect her parents too."

"Understood." After saying that, Mu Hou walked out of the patient room.

Not long after that, Chun Hua also left.

Xiao Tian then returned his attention to Su Ruanyi before speaking, "Professor Su, I will spend a lot of time with you and the others after I settle this matter."

"Un." Su Ruanyi nodded her head. "You should get plenty of rest for now so that you can recover faster."

"Don't worry. I'm sure I will recover in a day or two." Xiao Tian was confident with the speed of his recovery. That was why he dared to say something like this.

Yun Xin Er's House, Living Room.

Yun Xin Er was currently in the living room with her parents and Xiao Tian's underlings.

After returning from Li Entertainment, she went straight home because she did not have any schedule.

Yes, many of her schedules were canceled since she posted a clarification video two days ago!

For this reason, she spent most of her time at home.

This was what Fu Rou hated the most because, with this, it was hard to kill Yun Xin Er and her parents.

She knew that Yun Xin Er's house was filled with Xiao Tian's underlings. She even knew that some of Xiao Tian's underlings were hiding around Yun Xin Er's house.

She believed about twenty to thirty people were hiding around Yun Xin Er's house, so killing Yun Xin Er and her parents at their house was not a good idea.

'We have to change the plan.'

With that idea in mind, Fu Rou decided to meet Zhi Meirong later.

Yes, she believed that her master had a backup plan.

Chapter 1177 - Capturing Zhi Meirong And Fu Rou

7-8 minutes

Unknown Place, Outdoor Area.

Chun Hua and five of Xiao Tian's underlings were currently following Fu Rou.

At this moment, they were standing near a small wooden house in Xufang city. Of course, Fu Rou did not realize that Chun Hua and the others were following her.

"Should we attack now?" one of the Blue Ice Lotus gang members inquired.

"No. Let's wait a little longer." One of the Shadow gang members replied.

Fu Rou skimmed her surroundings before opening the door.

"Master, I have bad news." As soon as Fu Rou stepped into the wooden house, she saw Zhi Meirong sitting on the couch.

"What is it?" Zhi Meirong asked curiously.

After sitting on the couch, Fu Rou replied, "It seems like the Yun family is suspicious of me."

"Did you do something wrong?" Zhi Meirong wanted to know if Fu Rou did something suspicious or not.

"I've never done anything suspicious whenever I changed my role to her manager." Fu Rou replied. "Nor have I ever attacked her with my manager's identity."

"Then, what do you think caused them to become suspicious of you?" Zhi Meirong told Fu Rou not to do anything when Fu Rou became Yun Xin Er's manager because it would ruin their plan.

"First, there are more bodyguards at their house. Second, I feel as if some of them keep looking at me." Fu Rou told Zhi Meirong the reason why she thought the Yun family was suspicious of her. "And last, I feel as if the Yun family is distancing themselves from me."

"Then, don't do anything for now." Zhi Meirong thought it was better if Fu Rou did not do anything for now because it would make the Yun family suspicious of her even more later.

"All right." Fu Rou agreed with Zhi Meirong's idea.

At the same time, Chun Hua and five of Xiao Tian's underlings were hiding close to the wooden house.

"Let's attack now." one of the Blue Ice Lotus gang members spoke abruptly.

"Yes. Let's make our move now." one of the Shadow gang members nodded his head.

"Three of you go and enter through the back door." Chun Hua uttered, "The others follow me."

Xiao Tian's underlings nodded their heads before taking out their weapons.

*Bang!

Chun Hua kicked the wooden door hard.

Fu Rou and Zhi Meirong were startled and immediately rose to their feet, ready to fight.

"Fu Rou...you...." Zhi Meirong was furious because she believed that Chun Hua and the others had followed Fu Rou earlier.

Otherwise, it would be impossible for Chun Hua and the others to find their hiding place.

"I'm sorry master. I did not know that they followed me earlier." Fu Rou apologized to Zhi Meirong.

"Forget it. Let's take care of this first." Zhi Meirong returned her attention to Chun Hua and the others.

It was not the right time to quarrel with Fu Rou because they had to take care of Chun Hua and the others first.

Their opponents were only three people, so Zhi Meirong was sure they could take care of Chun Hua and the others later.

Even if they could not beat Chun Hua and the others, she believed they could run away later.

To their surprise, three other underlings of Xiao Tian appeared from behind them.

This irritated Zhi Meirong even more!

Six against two. They were at a disadvantage, so it was hard to defeat Chun Hua and the others.

For this reason, Zhi Meirong changed her plan. "Focus on running away."

"Alright." Fu Rou nodded her head.

"Don't let them run away!" after saying that, Chun Hua began to attack Zhi Meirong.

Like Chun Hua, Xiao Tian's underlings also began to attack. Two of them attacked Zhi Meirong while the others attacked Fu Rou.

Fu Rou and Zhi Meirong were only martial artists at the mid-level master stage, so they got beaten by Xiao Tian's underlings.

Out of six of Xiao Tian's underlings, three of them were martial artists at the high-level master stage, while the others were at the mid-level master stage.

So the result was already set on the stone. This was the reason why Zhi Meirong and Fu Rou could not do anything.

When Zhi Meirong and Fu Rou attacked one of Xiao Tian's underlings, his other underlings also attacked them.

And what annoyed them most was that Xiao Tian's underlings attacked them at the same time.

Even though Zhi Meirong and Fu Rou managed to get out of the house, but Xiao Tian's underlings stopped them in the front yard.

The reason why Zhi Meirong and Fu Rou could still defend themselves was that Xiao Tian's underlings did not fight them seriously.

In their eyes, Zhi Meirong and Fu Rou would not be able to run away from them.

*Uakk...

Blood splashed out of the mouths of Zhi Meirong and Fu Rou before finally, they fell to the ground.

Zhi Meirong and Fu Rou exchanged a glance with each other before nodding their heads at the same time.

They decided to flee in a different direction!

There was no fence in the front yard, so it was easier for them to run away.

However, they underestimated Xiao Tian's underlings because his underlings already knew their plan.

For this reason, Zhi Meirong and Fu Rou failed to run away from Chun Hua and the others.

"I don't want to play around anymore. I want to end this now." one of the Blue Ice Lotus gang members stated.

*Bang...bang...Bang...

Zhi Meirong and Fu Rou fell to the ground again.

They did not try to fight back this time because they knew it would be useless.

Of course, they did not give up on escaping from Xiao Tian's underlings. However, they would not act recklessly and only move when the opportunity arose.

"Oh! They did not try to fight back anymore?!" One of the Blue Ice Lotus gang members uttered, "Sigh. I thought I could play with them longer."

"Tie their hands." Chun Hua did not want Fu Rou and Zhi Meirong to try to run away again, so she told them to tie Zhi Meirong and Fu Rou's hands.

"We can finally end this game of hide and seek." One of the Blue Ice Lotus gang members uttered.

Previously, they played hide and seek with Fu Rou and Zhi Meirong because they did not know who the masterminds were.

Now that they had captured Zhi Meirong and Fu Rou, no one would try to kill the Yun family again.

"It's a pity that we can't torture them later." one of the Blue Ice Lotus gang members spoke.

Xiao Tian ordered them not to torture or kill Zhi Meirong and Fu Rou because they had to send Zhi Meirong and Fu Rou to the Yun family and police station later.

"Let's take them to our base first." At first, Chun Hua wanted to bring them to the Yun family immediately, but she changed her mind.

She wanted to discuss it with Xiao Tian first because she needed Xiao Tian to explain it to the Yun family.

However, something unexpected happened when they wanted to bring Fu Rou and Zhi Meirong to their base.

Ten people suddenly appeared in front of them!

Not only that, but all of them held a weapon in their hands.

"Beat them!" one of them spoke as he pointed his dagger at Chun Hua.

Chapter 1178 - The Real Mastermind

7-8 minutes

"Damn it!" Chun Hua cursed venomously as she kicked the corpse in front of her.

She was furious because Fu Rou managed to run away.

Previously, she and the others had captured Fu Rou and Zhi Meirong, but ten people suddenly appeared in front of them.

Not only that, but these people suddenly attacked them. Even though it was seven against ten, they still had the upper hand in the fight.

However, everything changed when an old man suddenly appeared and helped these people.

They did not have the upper hand anymore after that old man helped these people because that old man was a martial artist at the low-level grandmaster stage.

Sure, they did not have the upper hand against these people, but they still managed to fight against these people on equal footing.

Yes, these people did not have the upper hand against Xiao Tian's underlings!

They fought equally for several minutes before Chun Hua, and the others finally could defeat their opponents.

Even though they won the fight, but they were unhappy with it.

The reason was simple.

Fu Rou managed to run away!

Yes, that old man managed to take Fu Rou out of that place. As for Zhi Meirong, she was unconscious right now.

"Damn it! I only managed to cut off that bitch's left arm earlier." one of the Blue Ice Lotus gang members said in annoyance.

Previously, she managed to cut off Fu Rou's left arm when Fu Rou was trying to run away. She failed to cut off Fu Rou's legs because the old man suddenly attacked her.

This was the reason why she was annoyed. Fu Rou would not be able to run away if it were not for that annoying old man.

"Hua! This is annoying!" the other member of the Blue Ice Lotus gang retorted. "I will remember that old man. I will cut off his arms and legs when I see him again."

"Pour body-melting powder to these corpses." After saying that, Chun Hua walked towards Zhi Meirong.

Yes, they managed to kill six of their opponents earlier!

Chun Hua grabbed Zhi Meirong's hair and dragged her to their car.

Dragon Gang Headquarters, Living Room.

There were four big gangs in Shanghai; Hawk gang, Blue Ice Lotus gang, Phoenix gang and Dragon gang.

The dragon gang was the strongest among these gangs and had always been ranked first since three years ago.

The dragon gang headquarters was located in Shangbian city, one of the cities in Wanhui district.

An old man and Fu Rou suddenly entered the living room. Fu Rou's left arm was wrapped in bandages because one of Xiao Tian's underlings had cut off her left arms earlier.

"Young master, I'm sorry for failing in my task." Fu Rou spoke when she was in front of the young man.

If Xiao Tian saw that young man, he would immediately recognize that young man because that young man was the one who had been causing trouble for him since last year.

Yes, that young man was the masked young man who always caused trouble to Xiao Tian!

He also had another identity besides his identity as a masked man.

Dragon gang's leader!

Yes, he was the leader of the Dragon gang, the strongest gang in Shanghai.

The young man, who was sitting on the couch and reading a magazine, looked at Fu Rou. "Oh! It's fine. I already knew that you would fail."

Yes, he did not expect much from Fu Rou because her task was hard. That was why he was not surprised when Fu Rou said she failed in her task.

"Previously, I managed to pit them, but everything was suddenly out of my control." Fu Rou began explaining to everyone.

Yes, Fu Rou was the mastermind of everything!

In the past, Nalan Jiangge used two disciples of Hakken Martial Arts School to cause trouble to Xiao Tian.

Nalan Jiangge did not realize that she was being used by Zhi Meirong at that time. However, the real mastermind was her because Zhi Meirong was her puppet.

Yes, Fu Rou pretended to be Zhi Meirong's servant!

But all of her efforts were in vain because of one person.

Xiao Tian!

This was the reason why she hated Xiao Tian to the bone.

"Don't mind it because I still have a backup plan. Whatever happens, I will take revenge on Xiao Tian and his family. I will kill Xiao Tian first so that bitch Ye Xueyin will feel what I feel. After that, I will kill Ye Qingyu. I will kill that bitch's family one by one like how they killed all my family." The masked young man clenched his right fist so hard that blood was pouring out of his right palm.

"Young master, this old servant will always help you take revenge for your parents." The old man, who helped Fu Rou, stated.

'God is really unfair to him. His kind and cheerful behavior are nowhere to be found now. He really only lives for revenge.'

He added in his head.

"This servant will help young master too." Fu Rou stated.

'I would have died if Madam had not helped me in the past, so I will help you take revenge even if I lose my life later.'

Yes, Fu Rou lived on the streets when she was a child before the masked young man's mother brought her to their home.

The young man immediately rose to his feet. "We still have a long fight because I will destroy the Xiao family after killing that bitch's family."

"We will follow young master forever." Fu Rou and the old man said in unison.

Inside a big and luxurious patient room, a young man was sitting on the patient bed while looking at his smartphone.

His black eyes were like black abyss as he read bad rumors about him on the internet. He was furious.

He was enraged because many people took advantage of the situation to attack his company.

Yes, that young man was none other than Xiao Tian.

After he found his smartphone, he immediately read the news on the internet because he had a bad feeling.

Of course, he had seen Yun Xin Er's clarification video. That was why he was touched by her actions when he saw her video.

'Was it Fu Rou who spread the rumors and posted the video on the internet?'

Fu Rou was with them when he had an accident, so Xiao Tian suddenly suspected that Fu Rou was the one who posted the video and photos of him on the internet.

'What should I do to clear my bad reputation?'

Even though Yun Xin Er had posted a clarification video, but some people still attacked his company on the internet.

*Clench fist

Xiao Tian's eyes gleamed with terrifying light.

Blue Ice Lotus Gang Headquarters, Underground Prison.

*Bruak...

Chun Hua threw Zhi Meirong into one of the prisons.

"You should be grateful because we are not allowed to torture you." one of the Blue Ice Lotus gang members spoke in annoyance.

"Yes, you should feel lucky. Otherwise, I would have tortured you by now." another member added.

They were angry at Zhi Meirong because she was the mastermind of what had happened to their leader.

Zhi Meirong did not say anything and only stared at Xiao Tian's underlings.

"Let's go to the hospital now.." Chun Hua uttered.

Chapter 1179 - What Should We Do?

7-9 minutes

Life Hospital, Xiao Tian's Patient Room.

"So, one of the masterminds managed to run away, huh?" Xiao Tian spoke after hearing Chun Hua's explanation.

"Yes." Chun Hua nodded her head.

After arriving at the hospital, Chun Hua explained everything to Xiao Tian. She also said they fought against eleven enemies earlier.

"What should we do, sir?" Chun Hua inquired.

"You go back to our base and keep watching her. Don't let Zhi Meirong run away." Xiao Tian replied instantly. "We will tell the Yun family tomorrow."

It was already evening, so Xiao Tian thought it was better to inform the Yun family tomorrow.

"All right." After saying that, Chun Hua returned to the Blue Ice Lotus gang headquarters.

The following morning, Xiao Tian was discharged from the hospital. He immediately ordered Mu Hou and Chun Hua to bring Zhi Meirong to the Yun family house.

Yun Xin Er and the others were shocked when they learned everything.

But what surprised them most was that one of the masterminds was Fu Rou, someone they met almost every day.

After that, they brought Zhi Meirong to the police station. At this moment, Fu Rou became a fugitive because she tried to kill the Yun family members.

Yun Wuya and the others also called some reporters to clear up Yun Xin Er's bad reputation. Of course, the reporter also asked about the relationship between Xiao Tian and Yun Xin Er.

Several reporters also came to Li Entertainment to ask some questions to Li Wen.

Yes, they wanted to ask whether Xiao Tian was really the composer of the 'illusion' and 'I love you' songs or not.

The internet was in an uproar again when Li Wen stated Xiao Tian was the composer of these songs.

At the same time, Shi Fei also called some reporters to clear up Xiao Tian's bad reputation. She also said Xiao Tian was the one who managed to capture Zhi Meirong.

She did this because she wanted Xiao Tian to get a good reputation. And what she did was right because Xiao Tian's bad reputation slowly disappeared.

Blue Ice Lotus Gang Headquarters, Front Yard.

After sending Zhi Meirong to the police station, Xiao Tian ordered his underlings to stop being bodyguards of the Yun family and practice martial arts like before.

"The problem has been solved, so we will practice martial arts every day again!" Mu Hou, who was standing in front of Xiao Tian's underlings, shouted.

"Instructor, can we take a day off?" one of the Blue Ice Lotus gang members inquired.

"Yes, instructor. Can you let us take a day off?" Another member added.

"Sure." Mu Hou agreed instantly.

Most of Xiao Tian's underlings were shocked.

"Really?" one of the Blue Ice Lotus gang members asked in disbelief.

"Yes. You can skip the practice if you want." Mu Hou spoke and paused for a second before he continued, "I will only write down your name and give it to your leader later."

"I don't need a day off. I want to practice martial arts now."

"Yes. I also want to practice martial arts."

"I love practicing martial arts."

"Yes, yes. Me too."

Xiao Tian's underlings, who wanted to take a day off, immediately changed their minds after hearing Mu Hou's words.

Xiao Tian punished ten people who skipped the practice last month. He tied them to a big tree for ten hours.

He even did not let them eat anything. This was the reason why they immediately changed their minds because they were afraid that Xiao Tian would punish them later.

Even though Xiao Tian did not beat them up, but it was enough to traumatize some of them. Sure, being tied to a tree was not severe punishment.

What traumatized them most was that he kept tying them to a tree under the scorching hot weather.

First, he did not let them eat anything since morning. Second, he kept tying them to a tree even if the weather was scorching hot.

Third, the other members would eat some food in front of them.

Even though this punishment looked like a light punishment, but it was a severe punishment, especially during scorching hot weather.

Some of them even felt dizzy and almost fainted because Xiao Tian did not let them eat anything since morning and tied them to a tree under hot weather.

Xiao Tian also threatened them in the past. He said he would bury his underlings, who often skipped practicing martial arts, in the ground for several hours.

Not only that, he even said he would kick them out of his gang if they often skipped practicing martial arts.

There were two reasons why he said something like that.

First, he wanted to make undefeatable underlings. They needed to practice martial arts every day if they wanted to become invincible, or else they would become weak martial artists later.

The second was because of money. Xiao Tian had spent a lot of money for them, so he wanted an excellent result and powerful underlings.

He did not want his money to be wasted on underlings who did not listen to his orders.

That was why he would kick his underlings out of his gang if they often skipped practicing martial arts.

He did not care about their opinion. He was their leader, so they had to listen to his order.

"Good! Let's start practicing martial arts now." Mu Hou stated.

Xiao Tian's House, Living Room.

Xiao Tian was currently sitting on the sofa alone. At this moment, he was thinking about something important.

His future!

Of course, his future was included his underlings because his underlings could support him in achieving his goals.

'Huft. It will need a lot of money.'

There were two things that Xiao Tian wanted to do.

First, he wanted to build a hospital. He wanted to build a hospital because, with this, they did not need to go to another hospital in case he or his underlings got injured later.

Second, he wanted to build a garden of medicinal and poison plants.

Buying plants for Long Jingxian to make powder, medicine, and poison cost a lot of money.

He could save a lot of money if he grew these plants. However, Xiao Tian had spent a lot of money lately.

It could affect his company if he took more money. "Huft..."

At the same time, Long Jingxian stepped into the living room. "What are you thinking about?"

Xiao Tian instantly looked at Long Jingxian before finally smiling. "Nothing."

After sitting on his right side, Long Jingxian uttered, "Didn't you say you wouldn't hide anything from us anymore?"

Of course, Long Jingxian knew that Xiao Tian was lying. That was why she wanted to know the truth.

Because Long Jingxian said something like that, Xiao Tian had no choice but to tell the truth.

"It's like this...." Xiao Tian began to tell her everything. "I want to do that but I can't use company money anymore."

"Building a hospital requires a lot of money and preparation, so I think you should not build a hospital for now." Long Jingxian replied. "About the plant garden, why do you want to build it? Is it for creating medicine, poison and powder?"

"Yes." Xiao Tian nodded his head. "With this, we don't need to buy the ingredient anymore later."

"I think I can help you with this.." Long Jingxian uttered.

Chapter 1180 - In The Backyard

6-8 minutes

"It's fine. You don't need to use your money." Xiao Tian did not want to use Long Jingxian's money to build herb garden.

Sure, they were lovers, but they were not a husband and a wife, so using her money was a big no for him.

There were two reasons for this. First, it would hurt his pride if he used Long Jingxian's money to build something that only benefited him.

Long Jingxian had helped him create powder, medicine and poison, so he did not want to bother her again.

Second, he believed that he could build herb garden next month. Yes, his monthly income was more than enough to build herb garden.

"We can help you too." Shi Fei and the others, who entered the living room, said in unison.

Xiao Tian turned his head to look at Shi Fei and the others. Even though he was startled, he did not show it on his face.

"It's fine. I can build it next month." Xiao Tian refused again.

Ye Qingyu and the others exchanged a glance with each other. Of course, they knew what Xiao Tian had in mind.

'His pride is too high.'

These were the words that appeared in their minds.

"How about we go to the backyard and have some fun there?" Xiao Tian changed the topic. "Let's have a small party too."

Like before, Ye Xueyin and the others exchanged a glance with each other before finally nodding their heads at the same time.

'It's a good idea!'

Lin Xing Xue and the others started grilling meat and stuff. Unlike usual, Xiao Tian was not allowed to help them this time.

Even though Xiao Tian had fully recovered, they did not allow him to help them.

The reason was simple.

They could grill meat and stuff by themselves!

That was why Xiao Tian only sat on the pool lounge chair while looking at them with a big smile on his face.

'Even though we failed to capture Fu Rou, I'm sure she won't dare to try to kill the Yun family again for now. She is also a wanted person so she won't dare to act rashly.'

At this moment, Xiao Tian still did not know anything about Fu Rou. That was why he could feel relief like that.

'Hmm? Why do I find her sexier now? Is it because I haven't been spending time with her lately?'

When Xiao Tian saw Shi Fei's sexy body, he found her much sexier than usual.

'That body and flawless legs of hers are really attractive.'

Even though Shi Fei only wore a white T-shirt and black skirt, she looked so sexy in Xiao Tian's eyes.

Of course, Xiao Tian knew the reason.

It was because Shi Fei did have a sexy body!

Yes, Shi Fei's body was the sexiest among his women. He even never saw a woman who was sexier than Shi Fei in his second life.

Lan Ruoxi was the only woman who was nearly as sexy as Shi Fei.

When Shi Fei noticed that Xiao Tian was looking at her body carefully, she immediately giggled before finally walking towards him and sitting on his pool lounge chair.

"What is it, little brother? Why are you looking at my body like that? Is it because you desire to have sex with me right now?" like usual, Shi Fei said what she had in mind.

Sure, Su Ruanyi and the others were close to her, but she did not mind it because they were Xiao Tian's women.

She even believed that they would welcome it happily if Xiao Tian wanted to have sex with them because they had not done it in a few days.

Xiao Tian pinched Shi Fei's nose gently before smiling, "It seems like my sexy lover is more pervert now."

"It's because I'm lonely right now." Shi Fei gave an honest answer. "We did not have sex in a few days so I'm so horny right now."

At this moment, Ye Xueyin suddenly dashed towards Xiao Tian. "Tian, mother is also horny. Mother desires to have sex with you too."

Like Shi Fei, Ye Xueyin was someone who always said what she had in mind. Her personality was almost similar to Shi Fei's personality.

She even also loved sex like Shi Fei. The difference between them was that Ye Xueyin was childish while Shi Fei was humorous.

"Big sis, don't leave the grill." Ye Qingyu, who was cutting vegetables, spoke.

"But...but... I want to lovey-dovey with Tian too." Ye Xueyin did not want to grill the meat again because she desired to lovey-dovey with Xiao Tian.

"You can do that later. Do you want to eat charred meat?" Ye Qingyu did not forbid Ye Xueyin to spend time with Xiao Tian, but she did not want to eat charred meat.

Ye Xueyin instantly wore an unhappy face. She rarely spent time with Xiao Tian lately, so she really wanted to lovey-dovey with him.

*Kiss...

Xiao Tian cupped Ye Xueyin's face before finally kissing her lips.

"Don't be sad." Xiao Tian said after kissing her lips. "We can lovey-dovey later."

Ye Xueyin instantly smiled happily as she nodded her head. "Un."

"Hehe." Shi Fei giggled cutely when she saw Ye Xueyin walking towards the grill with a happy face.

"Sister Xueyin looks so happy."

Xiao Tian immediately made Shi Fei lie prone on top of him before speaking. "Then, I think it's time to make my sexy lover happy too."

After saying that, Xiao Tian kissed Shi Fei's lips. He instantly kissed her passionately because it had been a few days since the last time they had a deep kiss.

Of course, Shi Fei welcomed the kiss happily. She even sucked Xiao Tian's tongue hungrily.

*Five seconds...ten seconds...fifteen seconds...

It had been fifteen seconds, but both Xiao Tian and Shi Fei showed no signs of stopping as if they were already in their own world.

Like before, Shi Fei was still lying prone on top of Xiao Tian's body. Her long and flawless legs were currently between Xiao Tian's legs with her hands on his shoulders.

As for Xiao Tian, he was wrapping his arms around her slender waist and squeezing her long legs with his.

At this moment, Shi Fei's skirt was lifted, revealing her sexy blue thong. Even though everyone could see her sexy thong, Shi Fei did not care about it.

It had been more than six days since the last time they had a passionate kiss, so she only wanted to enjoy it.

She even did not care if Xiao Tian stripped her there because they were in the backyard.

Due to how hot their kiss was and how sexy Shi Fei was, Xiao Tian's cock was slowly erect.

They were having a hot kiss, and his cock was being pressed by her pussy, so it was normal to get an erection.

Xiao Tian was sure other men would also get an erection if they were in his position because not only did Shi Fei have a sexy body, but she was also skilled at a deep kiss.

Yes, Shi Fei was much better at deep kissing now!

Of course, it was thanks to Xiao Tian who always kissed her passionately.

"Hehe." Shi Fei giggled after breaking the kiss. "Little brother, your cock is erect.. Do you want to have sex with me here? I'm fine with it if you want it."
