Chapter 1231: Make Them Our Slaves!

Blue Ice Lotus Gang Headquarters, Living Room.

Xiao Tian, Mizu, Chun Hua, Zhao Sheng, Ren Aoxu and Mu Hou were currently discussing their plan in the living room.

“How about we attack the Black Flame gang first? Their base is closest to ours and they have the most members than any other gangs.” in Mu Hou’s eyes, it was better to attack the Black Flame gang first because they had more members than the other gangs.

The black Flame gang base was also located not far from Xiao Tian’s old house. Even though they had ninety members, but most of them were martial artists at the apprentice stage.

Only thirty of them were martial artists at the master stage, including their leader.

For them, they could only describe the Black Flame gang with one word.

Weak!

For this reason, Mu Hou suggested attacking the Black Flame gang first.

Xiao Tian looked at Chun Hua and the others before asking, “Do you agree with his idea?”

Even though he agreed with Mu Hou’s idea, he wanted to know their opinion first.

Chun Hua and the others immediately nodded their heads, giving a sign that they agreed with Mu Hou’s idea.

“Mizu, go and check our Fuqi poison and the antidote?” Xiao Tian needed Fuqi poison to make the Black Flame gang members his slaves.

Fuqi poison was quite deadly poison, and it was as big as corn. Anyone who drank this poison would die in a week if they did not drink the antidote.

Mizu wasted no time and immediately headed to their secret storage room. After checking it, he immediately returned to the living room.

“There are two hundred Fuqi poisons and the antidotes.” Mizu spoke after sitting on the sofa. “I think this is enough because we can use other poison later.”

“Alright.” Xiao Tian agreed with Mizu’s words.

“Xiao Tian, why don’t you attack them now? It’s only a weak gang, so you don’t need to be so caution like this.” Zhao Sheng did not understand why Xiao Tian did not attack these gangs immediately.

“Even though they are weaker than us, but we should not underestimate them.” Xiao Tian told Zhao Sheng the reason why they did not attack these gangs immediately.

“You’re being too careful.” Zhao Sheng stated.

After they finished discussing their plan, they immediately headed to the front yard. As for Zhao Sheng, he went to his company to work.

Xiao Tian immediately practiced martial arts after Zhao Sheng left.

*Exhale...

Xiao Tian, who was sitting in a lotus position in the front yard, exhaled.

'Good! The energy of heaven and earth in my martial art points has increased to ten percent now.'

Previously, he tried to absorb the energy of heaven and earth into his martial art points after practicing the fifth secret move.

He just did not expect that he could do it smoothly.

'With this, the energy of heaven and earth in my martial arts points will increase to fifteen percent when I'm in the battle instinct mode.'

Xiao Tian was pleased because, with this, there was a high possibility that he could defeat a strong martial artist at the low-level grandmaster stage.

After Ren Aoxu sat next to Xiao Tian, he inquired, "How is it, senior brother? Did you succeed?"

"Yes." Xiao Tian looked at his right hand before clenching it. "Now ordinary martial artist at the low-level grandmaster stage is no match for me."

Ren Aoxu was amazed by Xiao Tian's achievement. When they met for the first time, the difference between their strengths was not big, but now it was different.

The difference between their strengths now was like heaven and earth, and it seemed like it would continue to grow.

'Senior brother is amazing. I really want to be like him!'

Of course, Ren Aoxu knew that Xiao Tian was a candidate to be the Ruler.

"Senior brother, can you tell me how to feel the energy of heaven and earth?" Ren Aoxu was sure that his progress in martial arts would be much faster if he could understand the energy of heaven and earth.

"This is..." Xiao Tian did not know what to say because he could feel the energy of heaven and earth purely by chance. "Junior brother, I could feel it purely by chance. In short, I suddenly could feel it."

"I see." Ren Aoxu suddenly put on a sad face.

Xiao Tian had helped him all this time. Since his master passed away, Xiao Tian replaced his master's place and kept helping him.

He did not know what would have happened to him if he had not met Xiao Tian.

That was why he wanted to be a strong martial artist because with this, what he could do was so much more.

When Xiao Tian saw Ren Aoxu's expression, he began to tell Ren Aoxu what he felt when he was using or absorbing the energy of heaven and earth.

He also told Ren Aoxu what Lan Ruoxi said to him a few months ago, hoping it could help Ren Aoxu understand it better.

Xiao Tian tapped Ren Aoxu's right shoulder before speaking, "Junior brother, focus on increasing your speed first because speed is the most important thing in our secret move."

He then continued, "As long as you keep practicing martial arts, I'm sure you will become a very strong martial artist later. The energy of heaven and earth is like wind. You can't chase it but when the time is right, it will come to you."

"Understand." What Xiao Tian said was right, so Ren Aoxu would focus on practicing martial arts for now.

So what if he could not use the energy of heaven and earth now. As long as he could slice his opponent's throat before they could react, he would always win the fight.

"Good!" Xiao Tian was pleased when he saw Ren Aoxu's determination.

Not long after that, Xiao Tian went home.

Xiao Tian's Mansion, Su Ruanyi's Room.

"Ah...Ah...Ah...Ah..." Su Ruanyi's mouth opened, letting out seductive cries.

She was currently having sex with Xiao Tian in a doggy style. Previously, Xiao Tian went on a date with her after leaving his base.

Xiao Tian took her to a Couple Café after spending time at Shanghai River.

Like what Xiao Tian did with Lin Xing Xue and Ye Xueyin, they did adult things at Couple Café, like having a deep kiss or something like that.

One thing led to another, and they finally could not hold back their lust anymore. At first, Xiao Tian wanted to take her to a love hotel, but she refused.

She said it was better to have sex in his house because his house was much better than a love hotel.

They immediately removed their clothes after stepping into her room because the flames of lust had consumed their bodies.

They even did not do foreplay and instantly had sex because Xiao Tian's cock was already erect and Su Ruanyi's vagina was wet.

Yes, they did lewd things on their way home!

Xiao Tian played with Su Ruanyi's pussy when they were on their way home. Not only that, but Su Ruanyi also gave him a blowjob.

She immediately sucked and licked Xiao Tian's penis whenever they stopped at the traffic light.

This was the reason why they were ready to have sex before arriving home.

"Ah...Ah...Ah..." Su Ruanyi's cries grew louder when Xiao Tian thrust his huge penis deeper into her wet vagina.

"Ah...Ah...Ah... Student Xiao, I want to see your face. Ah...Ah..." Su Ruanyi was about to have an orgasm.

She could not see Xiao Tian's face if they continued having sex in a doggy style.

She wanted to have an orgasm while looking at Xiao Tian's handsome face!

Xiao Tian instantly turned her body. Of course, he did not take his penis out of her vagina.

Like before, he began to slide his penis in and out of Su Ruanyi's wet pussy. He moved his waist faster and faster because he had reached his limit too.

Missionary sex position!

Yes, they changed position from doggy style to missionary style because Su Ruanyi wanted to see Xiao Tian's face.

Of course, they loved having sex in a missionary position because, with this, they could see each other's faces as they felt immense pleasure.

"Ah...Ah...Ah..." Su Ruanyi wrapped her arms around Xiao Tian's back while looking at him with her fascinating expression.

*Slick...Slick...Slick...

The sound of Xiao Tian's cock sliding in and out of Su Ruanyi's pussy could be heard in their ears.

Both Xiao Tian and Su Ruanyi finally could not hold back anymore.

"Cumming...cumming... I'm cumming..." Xiao Tian and Su Ruanyi had an orgasm at the same time.

They breathed heavily after having an orgasm, but soon, a happy smile appeared on their faces.

"You were as amazing as ever, student Xiao." Su Ruanyi was satisfied because she could have an orgasm.

Of course, Xiao Tian was also satisfied because he had an orgasm just now.

That night, Xiao Tian slept in Su Ruanyi's room.

He slept in her embrace.

The following morning, Xiao Tian went straight to the Blue Ice Lotus gang after having breakfast with his women.

"Is everyone ready?" Xiao Tian, who was standing in front of his underlings, shouted.

"Yes." his underlings replied in unison.

Xiao Tian raised his right arm before speaking, "Then let's go to the Black Flame gang and make them our slaves!"

"Make them our slaves!"

"Make them our slaves!"

"Make them our slaves!"

One by one, Xiao Tian's underlings shouted.

Without wasting time, they immediately traveled to the Black Flame gang base.

Chapter 1232: I Will Give You Two Choices; Be My Slave or Die!

Black Flame gang headquarters was located in Shaaxi city, one of the cities in the Jiazuo district.

Even though their base was not huge, but their headquarters had two floors.

Of course, a high iron fence surrounded their headquarters because this could protect their base from their enemies.

Black Flame gang members immediately headed to the front yard when they heard the sound of four trucks.

"Who are they?"

"I don't know."

"Are they enemies?"

"Hurry up and call our leader!"

The Black Flame gang members immediately took their weapons because they had to defend their base.

*Bang...

The iron fence was thrown open after being hit by a truck.

All of Xiao Tian's underlings immediately got off their trucks after their trucks stopped. At this moment, most of the Black Flame gang members were already in front of them.

"Hey, isn't that the Blue Ice Lotus gang?"

"You are right."

"Are they going to attack us?"

"It seems so."

"But we have no enmity with them."

"Don't be afraid. We are not cowards. We will fight them if they want to cause trouble in our place."

"You are right. We are from Black Flame gang. We are not cowards."

“That’s right.”

“Even though they are from top four gang in Shanghai, I’m not afraid of them.”

“We are in our base. We have to defend our home!”

Even though they knew that their enemies were strong, they did not show the slightest fear in their eyes.

Chun Hua, who was standing on Xiao Tian’s left side, shouted, “Call your leader here!”

“What is your intention for coming to our place?” a bald man walked toward Xiao Tian and the others.

Mizu, who was standing behind Xiao Tian, uttered, “He is Zu Cang, their leader.”

When Zu Cang was in front of Xiao Tian, he asked again, “What is your reason for coming to our place?”

Instead of answering Zu Cang’s question, Xiao Tian raised his right index and middle fingers. “I will give you two choices; be my slave or die!”

*Boom...

A wave of fury crashed through the members of the Black Flame gang after hearing Xiao Tian’s words.

They were furious. They were enraged because Xiao Tian behaved like a king in their place. It was their place, so Xiao Tian had no right to act like that.

“Don’t think we are afraid of you just because you are from top four gang in Shanghai.” Zu Cang had no intention of becoming Xiao Tian’s slave. “Brothers, attack!”

“Attack them!” one of Xiao Tian’s underlings shouted as she rushed toward the Black Flame gang members.

*Cling...Tang...Ting...

The sound of weapons clashing was deafening.

Xiao Tian and Mu Hou did not move from their places and only paid attention to the war.

“Aghh.”

“Aghh.”

“Aghh.”

“Aghh.”

“Aghh.”

The sound of people screaming in pain reverberated in the entire area.

Even though the Black Flame gang had ninety people, but most of them were martial artists at the apprentice stage.

For this reason, they could not defend themselves for long.

*Bang...Bang...Bang...

At this moment, most of the Black Flame gang members were lying on the ground, unconscious.

None of them died because Xiao Tian ordered his underlings not to kill them. Even though most of them were martial artists at the apprentice stage, but they were still martial artists.

In his previous life, his master told him that a little help could change the result of the battle.

That was why these martial artists at the apprentice stage were still important in Xiao Tian's eyes.

After defeating all the Black Flame gang members, Chun Hua told them to kneel before Xiao Tian.

"I will repeat my words." Xiao Tian looked at the Black Flame gang members. "Be my slave or die."

"I'd rather die than be your slave!" Zu Cang, the Black Flame gang leader, responded without feeling fear.

*Slash...

Xiao Tian did not say a word and instantly sliced Zu Cang's throat.

*Bruak...

Zu Cang fell to the ground, died.

Xiao Tian did not feel sorry and shifted his gaze from Zu Cang to the Black Flame gang members.

In order to deal with them, he had to be cruel or else they would refuse to be his slave. The eyes of the Black Flame gang members were filled with terror.

'Demon! He is a demon!'

They did not expect Xiao Tian to kill their leader without thinking twice.

"Who is your vice leader?" Xiao Tian inquired.

All of the Black Flame gang members instantly looked at the black-haired man who was kneeling behind Zu Cang's corpse.

Xiao Tian pointed his right index finger at Zu Cang before asking, "Do you want to be my slave or get killed like him?"

"I...I..." the vice leader of the Black Flame gang named Haichan, could not immediately answer Xiao Tian's question.

He did not want to be Xiao Tian's slave because it would hurt his pride. He was a martial artist, so his heart refused to be Xiao Tian's slave.

He would accept it immediately if Xiao Tian only asked him to be his follower, not his slave.

Being a follower and being a slave were different. Most people probably thought it was the same, but the difference between a follower and a slave was like heaven and earth.

Treatment!

Yes, the difference between a follower and a slave was in the treatment.

A king would still think about his followers, but a king would not care about his slaves.

‘Which one should I choose?’

He did not want to be Xiao Tian’s slave, but he also did not want to die like his leader.

“You really take your time, huh?” after saying that, Xiao Tian raised his special sword, ready to slice Haichan’s throat.

At this moment, Haichan knew that he had to choose now.

*Swish...

Xiao Tian swung his special sword.

Haichan shut his eyes and responded, “I will become your slave!”

Alive!

Haichan was still alive because he answered Xiao Tian’s question on time.

Xiao Tian’s sword was currently very close to Haichan’s neck. If he were late for even a second, he would have been died by now.

“Good!” Xiao Tian removed his sword from Haichan’s neck. “What about you all? Do you want to be my slave or die?”

Chapter 1233: Conquering the Black Flame Gang

The Black Flame gang members exchanged a glance with each other. Of course, they knew these were not empty words.

Xiao Tian had killed their leader when their leader refused to be his slave. They were sure that Xiao Tian would kill them immediately if they made the same decision as their leader.

“Kill them all!” at this moment, Xiao Tian was not serious.

He was taking a big gamble. If the Black Flame gang members refused to be his slaves, that meant his efforts were in vain.

“I... I’m willing to be your slave.” One of the Black Flame gang members spoke because he did not want to die.

“Me too.”

“I’m also willing to be your slave.”

“I will become your slave.”

One by one, the Black Flame members decided to be Xiao Tian’s slaves.

Their leader was killed, and their vice leader had chosen to be Xiao Tian’s slave, so they thought it was better to be his slave than to be killed by him.

“Good! You made the right decision.” Xiao Tian’s lips curled up into a smile. “Because all of you have become my slaves, I want you all to eat these bubble gums.”

Xiao Tian’s underlings immediately gave them Fuqi poison. “Eat this!”

“Wha...what is this?” one of the Black Flame gang members inquired.

“It’s poison.” Xiao Tian gave an honest answer.

“Poison?!” terror overtook their faces after hearing Xiao Tian’s words.

‘Does that mean we will end up dead too?’

They thought they would die later because Xiao Tian ordered them to eat poison.

“You will still be able to live for a week after eating these poisons.” Xiao Tian spoke and paused for a second before he continued, “I don’t know if you will stab me in the back or not, so I have to act carefully.”

He then continued, “Don’t worry. As long as you do what I say, I will give you the antidote every week, so you won’t die.”

“Does that mean we will become your slaves until we die?” one of the Black Flame gang members inquired.

“No. If I’m satisfied with your actions, I will give you a chance to gain freedom. Everything is based on your actions and contributions.” Xiao Tian had no intention of making them his slaves forever because it was like a double-edged sword.

He decided to make them his slaves because he needed their powers to attack the Dragon gang, or else he would not do that.

In his eyes, it was better to have a loyal underling than a slave because a slave had a higher possibility to stab him in the back.

It was one of many reasons why a loyal underling was better than a slave.

“Really?” the Black Flame gang members saw a ray of hope after hearing Xiao Tian’s words.

“Of course.” Xiao Tian replied instantly. “Do you know the Hawk gang?”

Of course, the Black Flame gang members knew about the Hawk gang because the Blue Ice Lotus gang was the one who destroyed the Hawk gang.

They also knew that Xiao Tian had freed the Hawk gang members after they helped him in a war a few months ago.

“Now eat that poison!” Xiao Tian ordered the Black Flame gang members to eat the Fuqi poison.

They wasted no time and immediately consumed the Fuqi poison because they knew there was a hope to gain freedom in the future.

“Now that you have eaten the Fuqi poison, let’s go to the Red Cloud gang and make them my slaves.” Xiao Tian decided to attack the Red Cloud gang immediately because he managed to make the Black Flame gang his slaves.

“Are you going to attack all the big gangs in the Jiazu district?” Haichan suddenly suspected that Xiao Tian wanted to attack all the big gangs in the Jiazu district.

“Yes.” Xiao Tian gave an honest answer. “Aren’t you happy with this? Because with this, you will have more friends later.”

Of course, the Black Flame gang members were pleased because they wanted the other big gangs to feel what they felt.

They then went to the Red Cloud gang. The Red Cloud gang base was quite far from the Black Flame gang headquarters. It took them about two hours to reach the Red Cloud gang base.

—

Red Cloud Gang Headquarters, Front Yard.

The members of the Red Cloud gang were currently practicing martial arts in the front yard.

Their leader, Qizi, was the one who trained them. He wanted to make his underlings stronger, so he decided to train them.

*Bang...

Like before, Xiao Tian’s truck hit the iron fence until it got destroyed.

The Red Cloud gang members instantly turned their heads toward the source of the sound.

Anger welled up in their chests when they saw a few trucks entering their place without warning.

“Who are you?”

“How dare you cause trouble in our place?”

“Are you asking for a beating?”

“Do you know where you are now?”

The Red Cloud gang members shouted angrily.

Xiao Tian and the others immediately got out of the trucks. Like before, all of them held their weapons in their hands.

“Blue Ice Lotus gang?!” they were startled when they saw Xiao Tian and the others.

“What is your reason for coming to our place?” Qizi had bad feelings because Xiao Tian and the others held weapons in their hands.

“Choose! Become my slave or die!” Xiao Tian did not waste time and went straight to the point.

The Red Cloud gang members found it hard to believe what they were hearing.

“We have no enmity, so why are you doing this to us?” Qizi was sure that they had no enmity with the Blue Ice Lotus gang.

“Do I need a reason to do this?” Xiao Tian did not want to answer Qizi’s question.

When Qizi was about to say something again, he noticed Haichan.

‘Haichan?’

He was surprised when he saw Haichan because Haichan was from the Black Flame gang, not the Blue Ice Lotus gang.

‘What’s going on? Why is he with them?’

He still did not know why Haichan was with Xiao Tian.

“Haichan, why are you with them?” Qizi decided to ask this question because he wanted to know the reason why Haichan was with Xiao Tian.

Chapter 1234: We Are Not Cowards

‘Did he betray his gang?’

Qizi suddenly thought that Haichan had betrayed his gang.

“Where is your leader? Did you betray him?” Qizi did not see Zu Cang, so it made him even more certain that Haichan had betrayed Zu Cang.

Haichan knew that something like this would happen, so he was not surprised by Qizi’s words.

Qizi then looked at the Black Flame members. “What is this? Did you really betray your leader?”

“They did not betray their leader.” Xiao Tian spoke and paused for a second before he continued, “I killed their leader, and now, they are my slaves!”

“Slave?!” Qizi found it hard to believe what he was hearing. “Did you really decide to become his slave? Where is your dignity as a martial artist?”

“Qizi, don’t fight them because you won’t be able to defeat them. Just surrender and become his slave.” Haichan gave a piece of advice because he was sure that the Red Cloud gang would not be able to defeat Xiao Tian and his underlings.

The strength of the Red Cloud gang was similar to his gang’s strength, so he knew the result if they decided to fight Xiao Tian.

Sure, they were not friends, but they had known each other for many years. That was why he did not want Qizi to get killed like his leader.

When rivals knew each other for several years, there was a small piece in their hearts that didn’t want their rival to die.

“Huh? You want me to become his slave like you?! Are you kidding me?” like Zu Cang, Qizi’s pride as a martial artist was high.

Of course, he knew how strong Xiao Tian's gang was because the Blue Ice Lotus gang was the top three gang in Shanghai.

"All of you, the Black Flame gang members, do you really want to be his slaves? Why don't you join us and fight them? With this, there is a possibility that we can defeat them later." Qizi tried to persuade the Black Flame gang to help them.

Xiao Tian looked at the Black Flame members before asking, "Hey, he asked you to join them to fight me, you know? Why don't you answer his question? Don't worry. I won't stop you if you want to join them."

The Black Flame gang members had eaten the Fuqi poison, so there was only one result if they decided to fight him.

Death!

If they did not get killed by him or his underlings, they would be killed by Fuqi poison.

This was the reason why Xiao Tian still behaved calmly because he was ninety-nine percent certain that they would not join the Red Cloud gang.

All the Black Flame gang members lowered their heads when Xiao Tian looked at them and asked that question.

None of them dared to fight Xiao Tian because they knew what would happen to them if they did that.

When the Black Flame gang members did not answer his question and only lowered their heads, Qizi saw them as cowards. "What is this? Are you really the members of the Black Flame gang? Are you really our rival?"

Of course, Qizi did not know the reason why the Black Flame gang members did not join them to fight Xiao Tian and his gang.

At this moment, he thought the Black Flame gang members were afraid of Xiao Tian and his gang.

"What a pity! It seems like you have failed to get more people." Xiao Tian spoke and paused for a second before he continued, "Now I will repeat my words. Will you surrender and become my slave or get killed by us?"

"I would rather die as a martial artist than become your slave." Qizi still refused to become Xiao Tian's slave. "Don't put me in the same category as them because I'm not a coward like them. We, the Red Cloud gang members, are not cowards!"

"We are not cowards."

"We are not cowards."

"We are not cowards."

"We are not cowards."

"We are not cowards."

One by one, the Red Cloud gang members shouted.

They still did not know how cruel Xiao Tian was, so they were not afraid of him. In their eyes, Xiao Tian was like them, a human being.

Xiao Tian pointed his special sword at Qizi before finally speaking, "Then I will kill you first."

Qizi immediately took his spear, ready to fight Xiao Tian.

'Everything will be under our control if I can defeat him.'

He was a martial artist at the high-level master stage, so he believed he was not weaker than Xiao Tian.

Of course, he still did not know the big gap between them. Xiao Tian was a candidate to be the Ruler, while he was only an ordinary martial artist.

Xiao Tian had gained insight into battle instinct, while he even did not know what battle instinct was.

Xiao Tian had stored ten percent of the energy of heaven and earth in his martial arts points while he had no idea that something like this even existed.

In short, the difference between them was like heaven and earth.

"Hmf! I'm also a martial artist at the high-level master stage, so we still don't know who will come out as the winner later." After saying that, Qizi rushed toward Xiao Tian.

*Slice...

Xiao Tian sliced Qizi's throat using his special sword.

"Don't put me on the same level as you because you don't deserve it." Xiao Tian was a candidate to be the Ruler, so he was different from ordinary martial artists.

Qizi did not have time to say something before finally falling to the ground, died.

*Silence...

The entire area dropped into a dead silence.

One move!

Xiao Tian only needed one move to kill Qizi, the leader of the Red Cloud gang.

Haichan could only sigh after seeing Qizi's corpse.

'I have warned you earlier, but you ignored it. But it's already too late when you know how strong they are.'

He was sure that Xiao Tian would not kill Qizi if Qizi had listened to his advice earlier.

Xiao Tian then looked at the Red Cloud gang members before finally asking, "So, do you still want to fight me or choose to surrender and become my slave?"

Chapter 1235: Conquering the Red Cloud Gang

“So, do you still want to fight me or choose to surrender and become my slave?” Xiao Tian’s goal was to get more slaves, so he would avoid killing more people if he could.

With the death of their leader, he was sure the members of the Red Cloud gang were starting to waver about their intentions to fight him.

The Red Cloud gang members were startled by an unexpected event.

‘Died! Our leader is dead!’

Their leader was the strongest among them, but he was killed by Xiao Tian easily.

One move!

Xiao Tian even only needed one move to kill their leader.

With this, they realized that the difference between their strengths was like heaven and earth.

Previously, they were ready to fight Xiao Tian and his gang, but it was different now. First, their leader was already died and lastly, their enemies were too strong.

“What should we do?”

“I don’t know.”

“Should we still fight them?”

“Are you blind? Don’t you see what happened to our leader?”

“He is right. Our leader is the strongest among us, but even so, our leader was killed by him easily. We would end up like our leader if we fought them.”

“But won’t we look like cowards later?”

“Yes. We are martial artists. Where should we put our pride if we become his slaves?”

“Is your pride more important than your life? Have you forgotten that you can’t keep your pride if you lose your life?”

“He is right. Our life is more important than our pride.”

“But....”

The Red Cloud gang members began to argue about whether they should fight Xiao Tian and his gang or not.

Xiao Tian’s lips curled up into a grin. He knew that something like this would happen after he killed their leader.

In a war, they could be said to have won the war if they managed to kill their opponent’s leader.

That was why Xiao Tian decided to kill their leader first because with this, they would lose their fighting spirit instantly.

And his decision was right. He could see that most of the Red Cloud gang members had lost their fighting spirit now.

Some of them even started thinking to surrender.

'Everything is under my control.'

Xiao Tian loved it when everything was under his control like this.

"I...I surrender." The white-haired man raised his right arm. "I will become your slave if you don't kill me."

"Woi! What the fuck are you saying?"

"Have you lost your mind?"

"Shut up!" the white-haired man roared, "I would rather be his slave than be killed by him. Look at our leader! Do you want to be killed like him?"

All of them looked at their leader's corpse. Of course, they did not want to die like their leader because there were many things that they wanted to do.

"Who is your vice leader?" Xiao Tian wanted to scare them even more.

Yes, he would kill their vice leader if their vice leader refused to be his slave. With this, they would have no one to rely on anymore.

The red-haired man, who had a scar on his left cheek, stepped out of the crowd. "I'm their vice leader."

"Yihan, think about it carefully before answering his question or else you will end up like your leader later." Haichan gave some advice.

Yihan was like him, a vice leader. That was why he did not want Yihan to die.

"Choose! Surrender and become my slave or die like your leader?" Xiao Tian went straight to the point.

Yihan did not answer immediately and looked at his brothers. Like the other members, he still wavered whether he should become Xiao Tian's slave or not.

'Wait!'

He suddenly found an excellent idea.

'Yes. I can pretend to be his slave and I will kill him when the opportunity arises. Yes. Let's pretend to be his slave for now.'

With that idea in mind, Yihan decided to pretend to be Xiao Tian's slave.

Sure, he did not know when the opportunity would arise, but at least there was still a ray of hope.

However, he did not realize that Xiao Tian had been paying attention to him carefully. Xiao Tian could see a terrifying light flash across Yihan's eyes earlier.

Even though it was only for a second, Xiao Tian was able to notice it. He also could feel a cold aura around Yihan's body earlier.

Coupled with the bad feeling in his heart, Xiao Tian was even more certain that Yihan was up to something.

Yihan dropped his spear and spoke, "I'm willing to be your sla-"

Before Yihan had finished his words, Xiao Tian slid Yihan's throat, causing Yihan to die instantly.

The Red Cloud gang members widened their eyes when they saw Yihan's corpse.

'He...he killed our vice leader too!'

Terror overtook their faces.

They believed that Yihan wanted to surrender and become Xiao Tian's slave earlier, so they did not understand why Xiao Tian still killed their vice leader.

"I could see that he was up to something earlier, so I killed him." Xiao Tian told everyone the reason why he decided to kill Yihan. "I want to use him as an example. All of you will end up like him if you are up to something."

Everyone was stunned by Xiao Tian's words.

'He...he killed our vice leader for that reason?'

They did not expect Xiao Tian to be so cruel.

"I will repeat my words for the last time. Are you willing to be my slave or not?" Xiao Tian took a big gamble again.

"I...I will become your slave."

"I will become your slave too."

"Me too. I will become your slave."

"I will become your slave too."

"I will also become your slave."

One by one, the Red Cloud gang members shouted.

In their eyes, it was better to be Xiao Tian's slave than to be killed by him.

Like what he did to the Black Flame gang members, Xiao Tian forced them to eat Fuqi poison because, with this, he could control them completely later.

After that, they traveled to the other gang. Xiao Tian wanted to conquer all the big gangs in the Jiazuo district, so he did not stop.

Dragon Gang Headquarters, Living Room.

The masked man or the leader of the Dragon gang was currently sitting on the couch alone. He was talking with Fu Rou over the phone.

At the same time, one of his underlings suddenly stepped into the living room.

His underling, the blue-haired man, did not say anything and only stood in front of him when he saw his leader talking with someone over the phone.

When his leader finished talking, he immediately uttered, "Leader, I have something to report."

"What is it?" the masked man inquired.

"It's about the Blue Ice Lotus gang." the blue-haired man began to give his report.

He said Xiao Tian was currently trying to conquer all the big gangs in the Jiazu district. He was sure that Xiao Tian was gathering power to attack them later.

"Oh!" the masked man was not surprised because he knew the strength of Xiao Tian's gang.

"Do you want me to do something, leader?" the blue-haired man inquired.

"No. Just keep monitoring them." after saying that, he rose to his feet. "Tell the others to guard the base. I have to go somewhere now."

"Understood!" the blue-haired man replied instantly.

Chapter 1236: Preparation

Blue Ice Lotus Gang Headquarters, Front Yard.

Xiao Tian and his underlings were currently in the front yard. Previously, they only managed to conquer three big gangs before finally they stopped.

It was almost dark, so they decided to stop. They needed a lot of time to reach the headquarters of the other gangs, so one day was not enough for this.

"We will conquer two more gangs tomorrow." Xiao Tian, who stood in front of his underlings, uttered, "We'll be leaving early tomorrow since their headquarters are far from ours."

"Understand." His underlings replied in unison.

Not long after that, Xiao Tian went home.

Xiao Tian did not have sex with any of his women that night, he was only lovey-dovey with them in his room.

The following morning, Xiao Tian went straight to his gang after having breakfast. They wasted no time and immediately went to conquer the other two big gangs.

Of course, Xiao Tian took the Red Cloud gang, Black Flame gang and Sky gang with them because he wanted to use them.

Yes, he would use them to attack the other two gangs!

Unlike yesterday, these two gangs did not surrender and chose to fight them. For this reason, half of them died in the war.

Xiao Tian did not show mercy. Those who were alive had no choice but to be his slave because Xiao Tian threatened them using their family members.

Xiao Tian used this dirty method because he needed their strengths. He could not kill all of them because, with this, there was no point in attacking them.

Unlike the previous three gangs, he gave a fake promise to these two gangs.

Yes, he would use them as meat shields!

Xiao Tian would use them first before using the Black Flame gang, Red Cloud gang and the Sky gang.

Of course, Xiao Tian did not tell anyone about his cruel idea. This world was a cruel place, so he blamed them for being weak.

--

Blue Ice Lotus Gang Headquarters, Front Yard.

"Boss, I have finished counting." Mu Hou uttered, "In total, there are three hundred and twenty people."

Mu Hou said most of them were still at the apprentice stage. One hundred and eighty-eight of them were martial artists at the high-level apprentice stage.

Eighty-five of them were at the low-level master stage, and forty-five of them were at the mid-level master stage.

As for the high-level master stage, there were only two people.

"So if we add our numbers, we only have four hundred and forty people, huh?" it was much less than Xiao Tian thought.

Of course, it was because the last two gangs chose to fight him to death.

'Is this enough to defeat the Dragon gang? Should we conquer more gangs?'

Xiao Tian suddenly wanted to conquer more gangs.

"If we add our numbers, then we will have one hundred and eighty-eight martial artists at the apprentice stage, one hundred and twenty-five martial artists at the low-level master stage, ninety martial artists at the mid-level master stage and thirty-two martial artists at the high-level master stage." Mu Hou uttered, "Of course, that doesn't include you, miss Crystal and me."

"Do you think it's enough to defeat the Dragon gang?" Xiao Tian inquired.

"I'm not sure because there are many skilled martial artists in the Dragon gang." Mu Hou gave an honest answer. "But we have the advantage, boss. And that is poison."

Mu Hou knew that poison could change the result of the war later. As long as they used poison properly, it could change the result of the war later.

“Call Chun Hua and Mizu now.” Xiao Tian also needed their opinion because he was not sure about this.

Sure, they had more people than the Dragon gang now, but most of them were martial artists at the apprentice stage.

“Alright.” After saying that, Mu Hou called Chun Hua and Mizu.

After discussing for several minutes, they chose not to conquer more gangs. They decided to focus on their plan and how to use poison to gain an advantage in the war later.

Xiao Tian could not use poison gas or smoke bomb because it would put them at a disadvantage too.

“Mu Hou, tell my underlings to keep making a poison needle.” Xiao Tian uttered, “I have to go to the Red Flower bar now.”

“Understood.” Mu Hou replied.

—

Red Flower Bar, Secret Room.

Xiao Tian was currently in the secret room with Lan Ruoxi and Zhao Sheng. The secret room was located under the bar, it was about twenty meters underground.

Not only was the secret room huge, but it was also soundproof. Lan Ruoxi made the secret room soundproof because that place was very important.

With this, it could prevent other people from eavesdropping on their conversation later. Xiao Tian and the others were currently sitting on the wooden chairs in the middle of the room.

There was a wooden table in front of them with five gun cases on top of it. Three of them were long while the others were short.

Two guns and three rifles!

“We will lend you two guns and three rifles.” Zhao Sheng stated.

“This is enough!” Xiao Tian did not complain because he knew how hard it was to get two guns and three rifles.

“Young master Xiao, you need to return them later.” Lan Ruoxi added.

“Don’t worry.” Xiao Tian had no intention of stealing these guns and rifles, so he would return them later.

‘With this, we can kill the people patrolling above the fortress later.’

He added in his mind.

—

Fu Bar, VIP Area.

There were nine people in the VIP area of the Fu bar; the Dragon gang leader and his two subordinates, the Lion gang leader and his two subordinates, and the White Wolf gang leader and his two subordinates.

The name of the Lion gang leader was Song Yu, and he was about thirty-six years old. Not only was he big, but he was also tall.

As for the name of the White Wolf gang leader, his name was Cang Di. If anyone saw them, they would think of him as an ordinary young man.

He looked like an innocent young man, especially when he smiled. However, his personality and face changed completely when he held a weapon.

He even had a nickname.

Killing machine!

He was called killing machine because he always killed people whenever he held a weapon.

“What? The so-called mighty and strongest gang in Shanghai is asking for our help? Did I hear it right?” Song Yu made fun of the Dragon gang leader when the Dragon gang leader asked for help.

Fu Rou was unhappy with Song Yu’s behavior and was about to attack him.

‘I need to teach him a lesson!’

However, her leader stopped her when she was about to attack Song Yu.

“Brother Mask, why are you asking for our help?” Cang Di did not get it.

The Dragon gang was the strongest gang in Shanghai since three years ago.

Sure, he knew that their opponent was also strong, but in his eyes, Xiao Tian and his gang were weaker than the Dragon gang.

“Brother Cang, brother Song, I only want to give you two opportunities to become the top four gangs in Shanghai.” the masked man played on his words to control everything.

“What is it?” Cang Di and Song Yu asked curiously.

Chapter 1237: Asking For Help

“What is it?” Cang Di and Song Yu asked in unison.

They were curious about the Dragon gang leader’s words.

‘Is he going to give us a lot of money?’

That was the question that appeared in their minds.

They were both gang leaders, so they were always thinking about money.

In their eyes, money was the most important thing in the world because, with money, they could do and buy anything.

“After we destroy Xiao Tian’s gang, there will be two empty spots in the top four gangs in Shanghai because his gang is currently ranked third out of the big four gangs.” The masked man responded, “I promise to help you get to these two empty stops after we destroy the gang.”

Song Yu and Cang Di began to carefully think about the masked man’s words.

‘So, it’s not money!’

Of course, they knew that his offer was good.

Since a long time ago, becoming the top four big gangs in Shanghai had been their dream, so this opportunity piqued their interest.

Not only that but being in the top four of the big gangs in Shanghai would make them earn more money too.

“How can we be sure you won’t lie to us later?” Song Yu did not easily believe the masked man’s words because everyone could lie.

Like Song Yu, Cang Di also did not believe the masked man’s words. That was why he carefully paid attention to the masked man because he wanted to hear the answer.

“That’s right.” Cang Di added. “And you are also wearing a mask now. This makes it even harder for us to trust you.”

Cang Di and Song Yu wanted to see the Dragon gang leader’s face because they knew that he always wore a mask.

“How about we make an agreement document later?” the masked man voiced out his idea. “And I don’t mind showing my face later, but I want to hear your answer first.”

“Young master, you shou-” the butler and Fu Rou wanted to stop their leader when he said he would show his face later.

The masked man instantly gave a signal to stop saying anything.

Xiao Tian was one of the people he desired to kill, so he did not mind showing his face to Song Yu and Cang Di.

As long as he could take revenge on Xiao Tian and his family, he would do anything, including showing his face to Song Yu and Cang Di.

Song Yu and Cang Di exchanged a glance with each other before finally nodding their heads. “We agreed to help you.”

“Great!” the masked man smiled after hearing their words. “Now, I will show you my face.”

The expression of deep shock blossomed on Song Yu and Cang Di’s faces when they saw the face of the Dragon gang leader.

“You have an interesting face there!” Cang Di said after seeing the Dragon gang leader’s face.

“It seems like you have been through many hard times.” Song Yu added, “No wonder you are the leader of the strongest gang in Shanghai.”

The Dragon gang leader put on his mask again. “Now, let’s move to the next topic.”

The following morning, Xiao Tian went to the Blue Ice Lotus gang headquarters after having breakfast with his women.

“Where is Mu Hou?” Xiao Tian did not see Mu Hou since he arrived at this gang base.

“Leader, instructor Mu Hou suddenly left not long after he arrived at our base.” one of Xiao Tian’s underlings responded, “He also took five people with him earlier.”

“Hmm? Did he say where he was going?” Xiao Tian inquired.

“He did not say anything and immediately left earlier.” his underlings answered.

Coincidentally, Mu Hou and five of the Shadow gang members arrived at their base.

“Boss, I have something important to tell you.” Mu Hou spoke when he was in front of Xiao Tian.

“Let’s go to the living room first.” Xiao Tian replied.

Mu Hou nodded his head.

After sitting on the couch, Xiao Tian inquired, “What is it?”

“Their leader is like you.” Mu Hou gave an ambiguous.

“What do you mean by that?” Xiao Tian did not understand the meaning of Mu Hou’s words.

“He is a candidate to be the Ruler like you.” Mu Hou was also shocked when he found out that the leader of the Dragon gang was a candidate to be the Ruler like Xiao Tian.

Xiao Tian was still a martial artist at the high-level master stage, but he stated he could defeat ordinary martial artists at the low-level grandmaster stage.

He even said he had a chance of winning a fight against a powerful martial artist at the low-level grandmaster stage who had gained insight into battle instinct.

The leader of the Dragon gang was like Xiao Tian. He was also a martial artist at the high-level master stage like Xiao Tian.

There was only one meaning to this.

The leader of the Dragon gang could also defeat a martial artist at the low-level grandmaster stage!

If they added the butler, this meant they had two martial artists whose strength was at the peak of the low-level grandmaster stage.

Xiao Tian did not expect this. He knew how strong the candidates to be the Ruler was because he was one of them.

“Boss, I have another unpleasant news.” Mu Hou got two big news earlier.

Xiao Tian had an unpleasant feeling after hearing Mu Hou’s words. “What is it?”

“It’s like this....” Mu Hou began explaining.

When he was gathering information earlier, he saw fifteen people from the Turtle gang and ten people from the Crocodile gang trying to join the Dragon gang.

They wanted to join the Dragon gang in exchange for freedom.

Among these twenty-five people, thirteen of them were martial artists at the low-level master stage, while the others were at the high-level apprentice stage.

Mu Hou had no choice but to kill them because they wanted to reveal their plan to the Dragon gang, including their strengths.

“I did not expect them to do that so quickly.” Xiao Tian did not mind when Mu Hou said he had killed these twenty-five people.

Turtle gang and Crocodile gang were the gangs who refused to be his slaves until the end. This was the reason why he killed half of them.

Xiao Tian just did not expect that they wanted to take revenge on him so quickly like that. “We have to place some people to monitor them later.”

“So, what should we do now?” Mu Hou inquired, “We had lost twenty-five people even before the war started, and thirteen of them were skilled in martial arts. Our strength is weaker than before now.”

“It’s fine.” Xiao Tian did not mind it.

Mu Hou was startled by Xiao Tian’s words.

Previously, he thought Xiao Tian would be disappointed and tell him to conquer more gangs, but he was wrong.

“How is the progress of the truck modification?” previously, Xiao Tian ordered Mu Hou to modify two of their trucks because they would use them to destroy the iron door later.

Yes, he ordered Mu Hou to modify the front part of their trucks!

“It’s almost done! I’m sure we can destroy the iron door in one hit later.” Mu Hou believed that they could destroy the iron door easily later because he was modifying their trucks like destroyer trucks.

Xiao Tian rose to his feet before saying, “Let’s go to the front yard now. I want to say something to my underlings.”

“Alright.” Mu Hou nodded his head.

When Xiao Tian was in the front yard, he immediately shouted, “Everyone, gather in front of me now!”

One by one, Xiao Tian's underlings stood in front of him. They were curious about what he wanted to say to them.

Of course, they were sure it was related to the war because they would attack the Dragon gang soon.

"The preparation is almost done!" Xiao Tian shouted again. "I want you all to recall the Shadow Moon Records I created two months ago. I want all of you to fight based on that Shadow Moon Records later. Do you understand?"

"Understand, leader." Xiao Tian's underlings replied in unison.

--

Dragon Gang Headquarters, Living Room.

"Young master, everything is ready." The butler uttered, "We only need to wait for Xiao Tian and his gang now."

"Good!" the masked man's lips curled up into a grin.

'Xiao Tian, hurry up and come to me. I'm waiting for you.'

He added in his mind.

Chapter 1238: You Just Want Attention, You Don't Want My Heart

Xiao Tian's Mansion, Liu Ning's Room.

"Ah...Ah...Ah..." Liu Ning's room was filled with her cries.

Sex!

Yes, she was having sex with Xiao Tian on the bed.

Xiao Tian was currently sitting on the bed with Liu Ning on his lap. His strong hands were on Liu Ning's soft ass, and his black eyes were focused on her fascinating expression.

As for Liu Ning, she was grabbing Xiao Tian's shoulders while bouncing her body on his penis.

Previously, Xiao Tian wanted to take her to a romantic place after arriving home, but it suddenly rained heavily.

For this reason, Liu Ning suggested spending time in her room.

At first, they only watched a movie and chatted happily in her room, but everything changed after they chatted for about two hours.

Yes, one thing led to another, and they ended up having sex in her room!

"Ah...Ah...Ah..." Liu Ning kept bouncing her body as she moaned.

Of course, Xiao Tian also helped her bounce her body. That was why Xiao Tian placed his hands on her soft ass.

*Kiss...

Liu Ning suddenly stopped bouncing her body and kissed Xiao Tian passionately.

She intertwined their tongues and sucked his tongue. She also locked her long legs around Xiao Tian's waist and cupped his face.

Of course, Xiao Tian's penis was still buried deep inside her vagina because she wanted to kiss him while still being connected.

Liu Ning showed her charming smile after breaking the kiss. It was as if she was seducing him using her smile.

"Succubus!" Xiao Tian called her succubus because she was seducing him using her smile.

"Kya!" Liu Ning was startled when Xiao Tian suddenly put her on the bed.

She was currently lying on her back with her legs still wrapped around Xiao Tian's waist. Of course, his cock was still in her pussy.

"Bully!" Liu Ning showed her soft smile again. "I only smiled at you, so why did you call me succubus?"

"Because your beautiful smile is sucking my soul." As usual, Xiao Tian used his sweet words.

"Hehe." Liu Ning giggled cutely. "You are still seducing me even though we are having sex right now."

Normally, everyone would only use their sweet words if they wanted to bed someone, and here, Xiao Tian still used his sweet words even though he was currently having sex with her.

Of course, she knew that there was no rule about it. Sweet words even could make sex time hotter.

That was why Liu Ning was pleased after hearing his words. "So, do you want to keep seducing me or move your waist?"

"I choose both!" after saying that, Xiao Tian moved his waist again, sliding his huge penis in and out of Liu Ning's wet pussy.

Like before, Liu Ning's room was filled with her wails again. She even did not hold back her moans.

As Xiao Tian was sliding his cock in and out of her pussy, Liu Ning spread her legs wider so that he could fuck her easier.

Not long after that, both Xiao Tian and Liu Ning reached their limit because they had been having sex for more than twenty minutes.

"Cumming...Cumming... I'm cumming...." Xiao Tian and Liu Ning had an orgasm at the same time.

They breathed heavily after having an orgasm. They did not immediately sleep like usual; instead, they watched a movie because it was still raining.

Liu Ning was currently lying on Xiao Tian's right side with her head on his right arm. Even though they didn't feel cold, their lower bodies were covered by a blanket.

A peal of happy laughter often came out of their mouths. They were thrilled because they could spend time and watch a movie together.

To their surprise, Shi Fei suddenly entered Liu Ning's room and joined them. They watched a movie until 11:40 pm before finally sleeping.

The following morning, Xiao Tian went to his gang base after having breakfast with his women.

That day, preparation was complete. Two of his trucks had been modified, and the poisons were also ready to be used.

In short, they were ready to attack the Dragon gang!

"Crystal, are you ready?" Xiao Tian inquired.

Crystal looked at her daggers before replying, "I'm always ready."

To their surprise, Lan Ruoxi suddenly arrived at Xiao Tian's gang. As usual, she wore a cheongsam dress.

"Hmm?" Lan Ruoxi walked toward Xiao Tian and the others. "It seems like you are ready to attack the Dragon gang."

"Sister Ruoxi, why are you here?" Crystal was close to Lan Ruoxi now, so Lan Ruoxi asked her to call her sister.

"I just want to check your preparation." Lan Ruoxi gave an honest answer.

"Weapons, poisons, trucks; everything is ready." Xiao Tian checked their preparation twice earlier.

"It seems like you're still going to stick with dirty methods. You are even bringing poisonous needles." actually, Lan Ruoxi was not surprised because Xiao Tian had told her everything yesterday.

Xiao Tian folded his hands behind his back. "Shadow Moon Records – Tenth Article: What matters is who the winner is. As long as it helps you win or gain the advantage, any method is fine, including dirty methods."

"Shadow Moon Records? What is that?" it was the first time Lan Ruoxi had heard it, so she did not know anything about Shadow Moon Records.

"Those are the rules I created to help us defeat our enemies more easily or protect us." Xiao Tian gave an honest answer. "For now, there are thirty articles. Of course, I will add it again if I learn something in the future."

"Oh, you were the one who created it?" Lan Ruoxi put on a surprised face. "Young master Xiao, can you tell me about these rules? I suddenly want to hear it. Maybe I can use it for my subordinates too."

"Sure, I don't mind it." After saying that, Xiao Tian brought his face closer to Lan Ruoxi's right ear. "I will tell you about it if you invite me to your bedroom alone."

Of course, Xiao Tian was not serious. He only wanted to tease her because she always teased him whenever they met.

Lan Ruoxi's lips curled up into a seductive smile, "Sure. Just come to my room later."

"Don't go back on your words later." Xiao Tian was sure that Lan Ruoxi's subordinates would stop them if he wanted to take her to her room because they always did it.

He even suspected it was Lan Ruoxi's order because they always knew whenever he wanted to take her to her room.

After that, Xiao Tian ordered all of his slaves to come to his gang tomorrow morning because they would attack the Dragon gang tomorrow.

Some of his slaves were surprised, while the others behaved calmly. Xiao Tian and his gang suddenly attacked them, so they knew he was up to something.

After that, Xiao Tian went home. Unlike yesterday, Xiao Tian did not have sex with any of his women.

He only chatted with them before finally sleeping. The following morning, Xiao Tian took all of his swords before going to his gang.

Yes, Xiao Tian had two swords; one was a special sword that could be shortened and extended, while the other was a black katana.

He placed his black katana on his back while carrying his special sword in his right hand.

'Today is the day I will take revenge on them!'

Chapter 1239: Going to the Dragon Gang Base

Star Group, Shi Fei's Office.

Shi Fei, who was sitting on the couch alone, took her smartphone out of her pocket and called Bi Yu.

"Hello, leader?" Bi Yu was curious why Shi Fei called her so early in the morning like that.

"Little brother is about to have a war against the Dragon gang. I want you to bring our people and wait for me near the Dragon gang base." Shi Fei was worried about Xiao Tian's safety because his enemy was powerful this time.

When Xiao Tian had a war against the Hawk gang, she only ordered Bi Yu and Fu Jiyi to help him because the Hawk gang was not a strong gang.

However, the Dragon gang was different from the Hawk gang. There were many skilled martial artists in the Dragon gang.

They even had one martial artist at the grandmaster stage. This was the reason why she was worried about his safety.

"How many people should I bring?" Bi Yu inquired, "Should I bring all of our people?"

"You don't need to bring all of our people. Fifty people are already enough to destroy them." even though the Dragon gang was the strongest gang in Shanghai, they were nothing in Shi Fei's eyes.

Sure, the Dragon gang was powerful and famous, but many forces could destroy them easily, like her gang.

There were even many hidden strong forces in Shanghai, like the force that destroyed the Moon Sword Martial Arts School a few years ago.

This was the reason why Fu Rou did not dare to attack Xing Ranqing when they were in the forest because she knew there were many strong forces in Shanghai.

“Understood.” Bi Yu replied instantly.

After Shi Fei hung up the phone, she left her office to take her black katana.

— —

Many people were standing before a handsome young man in the front yard of the Blue Ice Lotus gang headquarters.

All of them held weapons in their hands, such as swords, spears, daggers, bows, etc.

These people were none other than Xiao Tian, his underlings and his slaves!

“Is everything ready?” Xiao Tian shouted.

“Everything is ready.” His underlings replied in unison.

“Bastard, my leader is asking a question. Why didn’t you answer his question?” one of the Blue Ice Lotus gang members shouted angrily when some of Xiao Tian’s slaves did not answer his question.

They were his slaves, so they should treat him with respect. That was why she was furious when they did not answer Xiao Tian’s question.,

“Woi, are you asking for a beating?”

“Did someone sew your mouth? Or do you want me to sew your mouth?”

“Asshole, are you a mute?”

One by one, Xiao Tian’s underlings shouted angrily at people who did not answer Xiao Tian’s questions.

Xiao Tian looked at his slaves before speaking, “This is your chance to gain freedom. If I’m satisfied with your contribution, I will give you freedom later.”

Xiao Tian was telling the truth this time. He forced them to be his slaves because he wanted to attack the Dragon gang.

Otherwise, he would not do that. That was why he was willing to give them freedom.

“Really?”

“Can we believe your words?”

“You are not lying to us, right?”

One by one, Xiao Tian’s slaves asked a question.

Even though they were pleased by Xiao Tian’s words, they did not show it on their faces because they did not know if Xiao Tian was serious with his words or not.

“I’m willing to give you freedom if I’m satisfied with your contribution.” Xiao Tian repeated his words.

“The heavens above me and the earth below can bear witness to my words.”

“I hope you will keep your promise later.”

“I hope you won’t lie to us later.”

“Yes. I hope you won’t give false hope.”

Xiao Tian’s slaves saw a ray of hope now.

“Just do your best, and I will give you freedom!” Xiao Tian stated. “Alright, let’s go now.”

When Xiao Tian and the others were about to get into their trucks, Zhao Sheng shouted, “Wait! Hey, wait!”

Xiao Tian stopped his footsteps and turned around, “Zhao Sheng? What are you doing here? I’m about to go to the Dragon gang, you know?”

Xiao Tian was startled.

But what surprised him most was that Zhao Sheng came with ten of his people.

“Xiao Tian, let me join the war.” Zhao Sheng responded, “I also brought ten people with me, and all of them are extraordinary martial artists at the high-level master stage.”

“What? Didn’t you refuse to help me two days ago?” Xiao Tian was confused because Zhao Sheng refused to help him two days ago.

“I changed my mind.” what Xiao Tian said was true, but Zhao Sheng changed his mind yesterday. “Oh, and let my people be the snipers. All of them are good at shooting.”

“Do you really want to join us?” Xiao Tian wanted to make sure that Zhao Sheng was not joking around.

“Of course!” Zhao Sheng replied instantly. “That’s why I came to your gang with ten people.”

Xiao Tian then shifted his gaze from Zhao Sheng to Mu Hou. “Mu Hou, give all the guns and rifles to them!

“Understood.” After saying that, Mu Hou gave all the guns and rifles to Zhao Sheng’s people.

“Alright, let’s go!” Xiao Tian shouted.

—

Dragon Gang Headquarters, Living Room.

Song Yu, Cang Di and the Dragon gang leader were currently discussing their plan in the living room.

“Don’t worry. We will win this war for sure.” Song Yu was sure that they would win the war later because they had many powerful martial artists.

“Don’t underestimate them, or else, it will be fatal to us later.” even though there was a high possibility that they would win the war, the Dragon gang leader never underestimated Xiao Tian and his gang.

“You are being too careful, brother Mask.” Cang Di uttered as he played with his dagger.

Like Song Yu, he was also sure that they would win the war later because they had many people now.

Even though the masked man did not like their behaviors, he did not say anything because he needed their powers.

'No wonder they can't become the fourth strongest gang in Shanghai, their behavior is like a child.'

The masked man did not say it directly to them.

Song Yu and Cang Di had one hundred people, but they always failed to get the last spot of the strongest gang in Shanghai.

At this moment, one of the Dragon gang members entered the living room. "Leader, one of our spies said they were on their way here."

"Tell everyone to get ready!" the Dragon gang uttered.

"Understood." After bowing to his leader, he told everyone to prepare for war.

Song Yu then looked at Chang Di before speaking, "Let's go to our positions now."

"Hehe. I can't wait to fight them." like before, Cang Di played with his daggers. "My dagger already thirsts for their blood."

After Cang Di and Song Yu left, Fu Rou and the butler entered the living room. "Young master, are they really reliable?"

"It's fine because we need their powers now." the masked man replied, "You two also get ready. We will destroy them later."

"Understood." Fu Rou and the butler replied in unison.

"Xiao Tian, I'm waiting for you." the masked man's lips curled up into a grin.

Chapter 1240: Attacking the Dragon Gang

Red Flower Bar, Lan Ruoxi's Bedroom.

Lan Ruoxi was currently standing behind the windows.

'Young master Xiao, don't get yourself killed in the war.'

She did not participate in the war because Xiao Tian did not allow her to do that.

Of course, Xiao Tian knew that Lan Ruoxi could be of great help because she was a powerful martial artist.

However, he forbade her to participate in the war because he did not want to depend on her if he did not have another choice.

He had promised to protect her, so it could be said that he would break his promise if he allowed her to participate in the war because it would put her in danger.

'I hope you will win the war later.'

Lan Ruoxi then walked out of her room.

After driving for about two hours, Xiao Tian and the others finally arrived at the Dragon gang headquarters.

They did not immediately attack them; instead, they stopped not far from the Dragon gang base.

Their base was surrounded by countless trees, so they could hide well.

“Remember our plan, and don’t forget to use these poisonous needles in the fight.” Xiao Tian gave most of them poisonous needles earlier, especially his underlings.

He could not give all of his slaves these poisonous needles because he did not believe them one hundred percent.

He was afraid that they would stab him in the back later. They were going to attack the Dragon gang, so he couldn’t afford to make a single mistake.

Xiao Tian then shifted his gaze from his underlings to Zhao Sheng. “Zhao Sheng, your people need to kill our enemies who are above the fortress first.”

“Alright.” After saying that, Zhao Sheng told his subordinates to go to their positions.

Among ten of Zhao Sheng’s people, five of them went to their positions while the others were still with him.

“Twenty people are patrolling above the fortress.” One of Zhao Sheng’s subordinates uttered, “This means each of us has to kill two people.”

Zhao Sheng’s other subordinates nodded their heads. They did not shoot the Dragon gang members immediately because they were waiting for the right time to do that.

‘This is a good time.’

When the opportunity arose, they immediately shot the Dragon gang members who were patrolling above the walls.

*Shot...

They were using silencers, so there was no sound when they shot the Dragon gang members.

*Four...eight...twelve...sixteen...

When Zhao Sheng’s subordinates had killed sixteen people, they began to carry out their plan.

Two of Xiao Tian’s underlings immediately drove the trucks that had been modified into destroyer trucks.

Bang!

The iron door instantly got destroyed because two modified trucks hit it at the same time.

Without waiting for another second, Xiao Tian’s underlings entered the Dragon gang base and started attacking them.

“Enemies’ attack.”

“Enemies’ attack.”

“Enemies’ attack.”

“Enemies’ attack.”

Some of the Dragon gang members shouted, informing the other members.

The war broke out!

The sound of weapons clashing reverberated in the front yard of the Dragon gang headquarters.

More than ten people died in less than a minute. Like what they had planned previously, Xiao Tian’s underlings had the upper hand in the war.

At this moment, only five of Zhao Sheng’s subordinates fought the Dragon gang members. As for his other subordinates, they remained outside of the Dragon gang base.

They did this because they had to monitor the fortress’s walls!

Xiao Tian and the others did not show mercy and instantly killed their enemies who were in front of them.

“Agh.”

“Agh.”

“Agh.”

“Agh.”

“Agh.”

Countless screams of pain reverberated in the entire area.

Like usual, Xiao Tian and the others fought using dirty methods. They used poisonous needles in their fight.

This was one of two reasons why they had the upper hand in the war.

Of course, they knew that they used dirty methods, but they did not care about it because what they had in mind was only one thing.

Kill their enemies as many as possible!

*Cling...Clang...Cling...Clang...

One person died or injured every second.

At this moment, two people walked into the battlefield. One of them held a spear while the other held a black katana.

These two people were none other than the Dragon gang leader and his butler.

Xiao Tian instantly stopped attacking the Dragon gang members and walked closer to the Dragon gang leader.

“We finally meet, Xiao Tian.” the Dragon gang leader spoke abruptly.

Xiao Tian shortened his special sword and put it in his pocket because he wanted to use his black katana.
“Are you their leader?”

He could not see the Dragon gang leader’s face because he was wearing a mask.

Green Dragon Mask!

Yes, the Dragon gang leader was wearing a green dragon mask!

“Yes. I’m their leader.” The masked man replied, “Do you know how long I’ve been waiting for this moment to come?”

“What is this? Are you in love with me? Sorry, but I’m not gay!” Xiao Tian still did not know that the masked man was the one who had been causing trouble for him since two years ago.

“Yes. That’s right. Love. I would love to kill you today!” terrifying light flashed across the masked man’s eyes.

He hated Xiao Tian to the bone because Xiao Tian’s family was the ones who killed and destroyed his family.

“Wow, Xiao Tian! I’m amazed by you this time.” Zhao Sheng walked toward Xiao Tian as he spoke, “You even manage to make a man fall in love with you. You are really not gay, right? Otherwise, I will keep my distance from today onwards.”

“Damn you, Zhao Sheng!” Xiao Tian cursed venomously. “How could you say something like that to me?”

“Well, after all, I’m a handsome young man!” Zhao Sheng praised himself.

“Hahaha.” The masked man laughed after seeing their behavior. “Now I finally know why you two are good friends. It’s because both of you are weird!”

“Well, at least we are not afraid to show our faces. Now I wonder, why do you always wear a mask? Is it because you are ugly?” Zhao Sheng was not angry; instead, he used this chance to provoke the masked man.

“I’m sure he is ugly! If he had a handsome face like us, he would not wear a mask right now.” Xiao Tian loved insulting his enemy, so he joined hands with Zhao Sheng to insult the Dragon gang leader.

However, the Dragon gang leader’s reaction was not like what they wanted because he still behaved calmly.

“You are wrong!” the Dragon gang leader replied instantly. “It’s because I’m too handsome. If I did not wear a mask, any woman would fall in love with me, and it would be troublesome for me. After all, I’m not a playboy like both of you.”

“Wait! Are you still a virgin then? Or are you really gay? Don’t tell me, that old man behind you is your secret lover. Hey, hey. Is my guess right?” Zhao Sheng kept insulting the Dragon gang leader.

The Dragon gang leader sighed before shaking his head. “I can’t beat you using words. Let’s stop this and get to the main course.”

The masked man instantly unsheathed his black katana, ready to attack Xiao Tian and Zhao Sheng.

“This is what I’ve been waiting for.” Zhao Sheng uttered.
