

## **Illicit 1281**

### **Chapter 1281: I Knew It!**

Xiao Tian and the others instantly looked at the person Xing An Yu pointed at.

“The rider wore blue shoes and brown leather jacket at that time.” Xing An Yu spoke and paused for a second before she continued, “I’m sure his shoes brand is Hujian and his jacket brand is Gupoi.”

Even though Hujian and Gupoi were not the most famous brands, she still knew about them because she loved shopping and was also a businesswoman.

“Alright. I will track that rider.” Su Ruanyi began tracking the rider, hoping they would know who he was later.

She began to track the rider using the CCTV cameras. However, the goddess of luck was not on their side.

That rider went to a place where there was no CCTV camera around it!

But their efforts were not in vain because they got more information about the rider.

They also knew about his motorcycle.

At this moment, Xing An Yu’s secretary called her, saying she had an important meeting.

Because she could not ignore the meeting, Xing An Yu immediately left.

“Bro, I’m counting on you. I will come to your company again tomorrow.” After saying that, Xing Renqing chased her mother.

Xiao Tian immediately looked at Su Ruanyi before finally speaking, “Professor Su, let’s stop here. How about we go on a date now?”

“Date?” previously, Su Ruanyi thought they would try to find the rider’s identity as quickly as possible, but she was wrong.

“Yes. Let’s go.” Xiao Tian would not take no for an answer, so he dragged her out of the VIP room.

To his surprise, they met Shi Fei when they were heading to the parking lot. Then, the three of them went to many romantic places.

---

Xiao Tian’s Mansion, Su Ruanyi’s Bedroom.

After going on a date with Xiao Tian, Su Ruanyi headed to her room and took a shower. At first, she wanted to spend time with Ye Xueyin and the others, but she changed her mind.

Yes, she decided to continue investigating that rider!

Seconds turned into minutes, and minutes became hours. Without realizing it, she had been investigating Ye Ming’s incident for two hours.

Even though she still did not know the identity of the rider, but she managed to find something important.

She found evidence that Ye Ming worked together with that rider!

In other words, Ye Ming's accident had been planned by him and that rider.

Someone posted a selfie on the internet before Ye Ming's accident happened.

In the background of the photo, Ye Ming and that rider were talking about something. His motorbike even could be seen in the picture.

This was a piece of powerful evidence!

A victim and the perpetrator worked together.

They were a partner in crime!

This meant everything had been planned out by them.

Coincidentally, Xiao Tian entered her room.

"Professor Su, why don't you spend time with us?" of course, Xiao Tian did not know that Su Ruanyi had found a piece of solid evidence.

"Student Xiao, come here. I have found a piece of strong evidence." Su Ruanyi did not tell him immediately because, in her view, it was better to show it to him.

"What? You are still investigating it?!" Xiao Tian uttered as he walked closer to her.

"Look! Ye Ming and that rider are partner in crime." Su Ruanyi pointed her right index finger at her laptop.

Xiao Tian was pleased when he saw the evidence.

'Good! With this, I can cause trouble to the Ye family later.'

If he could get Xing An Yu to take back her investment, the Ye family would be in even bigger trouble, especially if they had used the money.

"Now that we have a strong evidence, let's head to the family room and spend time with the others." Xiao Tian wanted to spend time with Su Ruanyi and his other women.

"Alright." After saying that, she turned off her laptop.

After spending time together in the family room for about three hours, Xiao Tian took all of his women to his room.

He did not have sex with them that night because he only wanted to lovey-dovey with them.

The following morning, he sent a message to Xing Renqing after arriving at his company. He said he had found a shred of powerful evidence.

"Did you send a message to her?" Su Ruanyu inquired.

Su Ruanyi was currently in Xiao Tian's office. She had free time for the next three hours, so she followed Xiao Tian to his company.

"Yes." Xiao Tian gave an honest answer.

Several minutes later, Xing Renqing came to Xiao Tian's company. Like yesterday, she dragged her mother with her.

Of course, her bodyguards also followed her. She even brought all of her bodyguards with her.

After entering Xiao Tian's office, Xing Renqing uttered, "Bro Xiao, I have come."

Xiao Tian and Su Ruanyi, who sat on the couch, turned their heads towards them.

'They have come?!

They smiled at Xing Renqing and the others.

After sitting on the sofa, Xing Renqing inquired, "Bro, did you really find a strong evidence?"

"Yes." after saying that, Xiao Tian looked at Su Ruanyi. "Please show it to them."

Su Ruanyi showed the evidence to them. She also explained why she believed that the rider and Ye Ming were a partner in crime.

She had solid evidence, to the point Xing An Yu and her daughter could not help but believe it.

"I knew it! I knew it!" Xing Renqing was furious. "I knew something was odd! Mother, do you still not believe my words?"

"This is..." Xing An Yu did not want to believe it, but the evidence was right before her.

Ye Ming was injured after saving her. This was the reason why she did not believe her daughter's words.

Xiao Tian did not say a word and only stared at Xing An Yu.

'I'm sure she has complicated feelings now.'

Ye Ming's plan was good, so Xiao Tian could understand Xing An Yu's feelings.

'I also did not expect him to do something so crazy like this.'

At this moment, Xiao Tian did not realize that he was also talking about himself.

Last year, he even drank poison for the sake of his plan. "Mrs Xing, I know it's hard to believe it, but this is the truth. In this world, there are many crazy people like him, people who will do anything to achieve their goals, including injuring and hurting themselves."

Xing An Yu took a deep breath before exhaling it. "I didn't expect that I had been fooled by him to this day."

'Is he really after my money?'

Of course, she knew what Xiao Tian said was right.

“Mother, let’s take back our money!” Xing Renqing uttered, “You should have taken back your investment because he has been lying to you all this time.”

Xiao Tian was pleased after hearing Xing Renqing’s words. Of course, he did not show it on his face.

Actually, this was the main reason why he decided to help Xing Renqing. He hated the Ye family to the bone, so he was thrilled if the Ye family got a big problem.

But even so, Xiao Tian did not tell Xing An Yu to take back her investment because this could reveal his intentions.

“So, what are you going to do, Mrs. Xing?” Su Ruanyi inquired.

### **Chapter 1282: Xing An Yu Wants to Take Back Her Investment**

“So, what are you going to do, Mrs Xing?” Su Ruanyi knew that Xiao Tian hated the Ye family.

After all, they had done cruel things to him and his family. Ye Qingyu had told her how cruel the Ye family was.

They even wanted to take Xiao Tian’s money and company. That was why she agreed to help Xing Renqing.

By helping Xing Renqing, she also helped Xiao Tian because their goal was the same.

Instead of answering Su Ruanyi’s question, Xing An Yu inquired, “Can you give me all the evidence?”

Su Ruanyi immediately sent all the evidence to the flash drive and gave it to Xing An Yu. “Here.”

Not long after that, Xing An Yu and her daughter left.

Previously, Xing An Yu planned to travel to her company after leaving Xiao Tian’s restaurant, but she changed her mind after finding out about Ye Ming’s plans.

--

Xing Family House, Living Room.

Inside a big and luxurious living room, two women were sitting on the red couch. The mature lady had brown hair while the young lady had red hair.

These two women were none other than Xing An Yu and her daughter, Xing Renqing.

\*Sigh

Xing An Yu kept sighing since she arrived home.

She felt betrayed by Ye Ming. She was even willing to invest fifty million Yuan for him. She just did not expect that everything had been planned out by him.

At this moment, she wavered whether she should take back her investment or not. Sure, they had nearly a billion Yuan, but fifty million Yuan was a lot of money.

Xing Renqing, who was sitting on her mother's right side, uttered, "Mother, just take back your investment. He is lying to you, so you don't need to pity him."

Xing An Yu looked at her daughter before sighing again.

'I did not expect to be fooled by a young man.'

She sighed again.

Since she arrived home, she had sighed more than five times.

"I will call father and tell him about this." there was one reason why Xing Renqing wanted to inform her father.

She was sure that her father would teach Ye Ming a lesson because Ye Ming dared to fool her mother.

Her father really loved his wife, so he would get angry at Ye Ming for daring to fool his wife.

"Renqing, don't tell your father about this. Let's forget it." Xing An Yu was sure everything would become more complicated if her husband found out the truth.

"Mother, you are too kind to him!" Xing Renqing was unhappy with her mother's behavior.

"Younger sister, what's wrong? Why are you behaving like that to mother?" Xing Juzong, who entered the living room, inquired.

Xing Renqing and Xing An Yu instantly looked at Xing Juzong.

"Brother, that Ye Ming is lying to mother." Xing Renqing uttered, "He had planned everything, including the incident."

After sitting on the couch, Xing Juzong looked at his mother, "Is that true, mother?"

Xing An Yu did not answer, but she nodded her head, giving a sign what Xing Renqing said was true.

"Brother, it's like this...." Xing Renqing began explaining everything in detail. "Mother has the evidence now."

Even though Xing Juzong was furious, but he suppressed his anger. "Mother, do you want me to teach him a lesson?"

The Xing family was rich and had many connections, so they could turn the Ye family upside down as easy as turning the palm of the hand.

"No." Xing An Yu did not want to make the problem bigger. "Just take my investment."

Ye Ming's right arm and leg were injured, so in her view, they did not need to make the problem bigger.

Xing Renqing and Xing Juzong exchanged a glance with each other before finally sighing.

"Let's meet them tomorrow." Xing Juzong would accompany his mother tomorrow because he did not want Ye Ming and the others to take advantage of his mother's kindness again.

"I will come too." of course, Xing Renqing would come with them.

Like what they had planned, they went to the Ye family business the next day.

Their intention was clear.

They wanted to take back Xing An Yu's investment!

"What?! You want to take back your investment?" Ye Bao refused to return the money.

Currently, he was in his office with Xing Renqing, Xing An Yu, Xing Juzong, Ye Tong, Ye Hang and Xing Renqing's four bodyguards.

"Mrs Xing, you can't do this. You have invested your money in our project, so you can't take it back now." Ye Hang added, "And we also have used half of the money to buy equipment."

"Mrs. Xing, why did you suddenly want to take back your investment?" Ye Tong wanted to know why Xing An Yu suddenly wanted to take back her investment.

He believed that the Xing family was not facing a financial problem. He also believed they had not done anything to anger the Xing family.

So why?

Why did Xing An Yu suddenly want to take back her investment?

She even brought her son, daughter and four bodyguards with her.

It would be a big problem if she did take back her investment because they had used half of the money to buy equipment.

Xing Renqing threw the evidence of Ye Ming's plan. "You want to know why my mother suddenly wants to take back her investment? The answer is this. Explain this to us!"

Ye Tong and the others clenched their fists.

'Did they already know everything?'

That was the question that appeared in their minds.

Ye Tong took the evidence and inquired, "This is.... No! This is not my son. Someone must have edited it!"

"Yes. This is not Ye Ming." Ye Hang added. "Mrs Xing, don't believe it."

Of course, they would not admit it because everything would be over once they admitted it.

"Are you doubting our skills?" actually, Xing Juzong knew that something like this would happen. "That evidence is not fake. It's one hundred percent real."

Like before, Ye Tong, Ye Hang and Ye Bao did not want to admit it. They insisted on saying that the evidence was fake.

In order to save Xing An Yu, Ye Ming's right leg and arm were injured, so there was no way it was all his plan.

They said only stupid people were willing to hurt themselves to achieve their goals.

At this moment, they didn't realize that they were indirectly saying that Ye Ming and Ye Hedong were idiots.

They tried their best to deny everything.

They did not have money and already had used half of Xing An Yu's money to buy equipment, so there was no way they could return her money.

Unlike her brother and mother, who could suppress their anger, Xing Renqing was about to explode with rage.

They had solid evidence, but Ye Tong and the others still denied it.

At this moment, Ye Ming and Ye Hedong were on their way to the company. Of course, they had no idea what was going on.

That was why they went to the company with a smile on their faces.

"It's a solid evidence, so why are you still denying it?" Xing Renqing was breathless with anger.

"Young miss, it's fake." Ye Tong repeated his words.

At this moment, Ye Ming and Ye Hedong entered Ye Bao's office.

\*Click...

Xing An Yu and the others instantly turned their heads towards the source of the sound.

### **Chapter 1283: Ye Family Is Facing Another Big Trouble**

Ye Ming and Ye Hedong were startled when they saw Xing An Yu, her son and her daughter.

"Mrs. Xing, you are here? Are you discussing the project with my family?" because he did not know what was going on, Ye Ming thought Xing An Yu and the others only discussed their project.

In his view, his plan was flawless, so he was sure that Xing An Yu would not find out the truth.

Xing Renqing threw the evidence to Ye Ming. "Explain this to us!"

Ye Ming and Ye Hedong were stunned.

'What's going on?'

Their expressions instantly changed when they saw a few photos on the floor.

Ye Ming and Ye Hedong picked up the photos

'This is...'

They exchanged a glance with each other.

"Mrs. Xing, this is not me. Someone must have edited it." Like Ye Tong, Ye Ming also did not want to admit it.

All he had done would be in vain if he admitted it. He was even willing to injure his right leg and arm, so there was no way he would admit it.

“That’s right, Mrs. Xing.” Ye Hedong added, “I believe this is the act of people who don’t like my brother.”

“All of you are the same!” of course, Xing Renqing did not believe their words.

“We have investigated everything, so there is no way we make a false evidence.” Xing Juzong still pressed down his anger.

Sure, he was furious, but he still could control his emotion.

‘The more they deny, the more I believe they are lying.’

He added in his head.

At this moment, Xing An Yu did not say a single word and only stared at Ye Ming. Since they arrived at the Ye family company, she only said a few words.

Actually, she did not want to come to the Ye family company, but she changed her mind because she wanted to hear Ye Ming’s answer directly.

She was disappointed after hearing Ye Ming’s answer. Previously, she wanted to give Ye Ming a chance, but she changed her mind.

‘Money is really dangerous thing! It can change people in a second. It even can make people do anything.’

Of course, she knew the power of money.

Like before, they kept arguing about the evidence. Seconds turned into minutes, and without realizing it, they had been arguing for about fifteen minutes.

At this moment, Xing An Yu was already tired of hearing their lies. “Renqing, Juzong, let’s leave.”

Xing Renqing instantly turned her head towards her mother, “But mother...”

Xing Juzong knew his mother’s personality, so he was not surprised by her words. “Alright.”

“Brother!” Xing Renqing shouted when her brother agreed instantly.

Ye Tong and the others were pleased when they saw Xing An Yu and Xing Renqing walking out of the office.

They thought they managed to escape from trouble. However, they were wrong. They were utterly wrong because Xing Juzong said something terrifying before leaving.

“My lawyer will come later. If you still don’t want to return my mother’s money, I will take this to court.” After saying that, Xing Juzong left.

“Mr. Xing, wait!” Ye Ming and the others chased Xing Juzong, but he ignored them.

Because Xing Juzong kept ignoring them, they went home to discuss it.

---

Ye Family House, Living Room.

After arriving home, Ye Hang called all the family members because they were facing another big problem.

“What should we do now?” Ye Bao wore a worried expression.

Twenty-five million Yuan!

They had used twenty-five million Yuan to buy equipment.

They were facing a financial crisis, so they had no money to return Xing An Yu’s money. If the Xing family took this matter to court, they believed they would lose the trial later.

There were three reasons for this. First, they had evidence of Ye Ming’s plans. Second, they were from a wealthy family.

And last, the contents of the contract could not save or defend them. These were the reasons why they were panicked.

Ye Hang and the others turned their heads toward Ye Ming and Ye Hedong.

‘All of this is because of them!’

They blamed Ye Ming and Ye Hedong because they were the source of the problem.

“Wha...what is it? I did all of this for the Ye family. Are you all blaming me now?” even though they still had not said anything, Ye Ming knew what they had in their minds because it was written on their faces.

“Didn’t you say your plan was flawless?” Ye Houteng spoke and paused for a second before he continued, “Look at what you have done now. You have caused another big trouble for us, you know?”

“Ming, Hedong, you two are really disappointing.” Ye Rou Bing stated. “Not only did you not help with family matters, you even caused another big problem for us.”

Ye Tong and Ye Bao did not say anything because Ye Ming and Ye Hedong were their sons.

“What is this? When Mrs Xing said she would invest in our project, all of you praised us, but now you are blaming us for everything?” Ye Hedong began to lose control after hearing Ye Rou Bing and Ye Houteng’s words.

“Of course, we are blaming you because you are the cause of the trouble.” Fu Fu, Ye Houteng’s wife, agreed with her husband’s words.

Fu Fu was a mature lady, about thirty-two years old. Even though she was not in the category of a beautiful woman, but she had a nice body and big breasts.

Ye Ming and Ye Hedong gritted their teeth.

‘Damn it!’

They were furious.

Ye Houteng looked at Ye Tong before finally speaking, "Brother, you must teach your son well or he will continue to cause trouble for us."

"I think so too." Ye Rou Bing added, "Instead of helping us, all he has been doing is causing trouble for us. He is older than nephew Xiao Tian, but he is useless. How can they be so different like this when they all come from the same ancestor?"

"Rou Bing, watch your words!" Ye Tong raised his voice.

Even though what Ye Rou Bing said was right, but he could not accept it. She even dared to say his son was useless in front of him.

"Why are you angry at me, brother? Is what I said wrong?" after saying that, Ye Rou Bing turned her head toward Ye Houteng and Fu Fu. "Brother Houteng, sister Fu Fu, tell me. Is what I said wrong?"

"No. What you said is right." Ye Houteng and his wife answer in unison.

Ye Ming and Ye Hedong were famous for being useless. Even several families made fun of them in the past, saying they were useless young men.

"Auntie, why are you comparing me to that unfaithful person? Sure, I'm not as talented as him in business, but at least, I haven't forgotten my ancestors." Ye Ming was unhappy when Ye Rou Bing compared him with Xiao Tian.

Even though he was not as talented as Xiao Tian, but in his eyes, he was better than Xiao Tian because he still remembered his ancestors.

"Of course, I'm comparing you with him because both of you are from younger generation." Ye Rou Bing responded, "If only you were half as good as him, I believe our Ye family wouldn't be in big trouble right now."

Ye Ming could not suppress his anger anymore and did something shocking.

#### **Chapter 1284: Meeting Xing Juzong**

Bang!

Ye Ming hit the table.

He was furious because Ye Rou Bing kept calling him a useless person.

Ye Tong and the others were startled.

"Ming, what are you doing? Did you forget the head of the family is here?" even though Ye Tong understood his son's feelings, he disagreed with Ye Ming's actions.

"See!" Ye Rou Bing was not surprised by Ye Ming's actions. "He even can't control his emotion. Maybe he thinks he is the head of the family right now."

Ye Ming turned his head to look at Ye Hedong. "Brother, she is bad-mouthing you too. Why didn't you say anything?"

He hoped Ye Hedong would help him, but he was slapped by reality in the face.

Ye Hedong did not help him like what he wanted!

Ye Hedong even did not say anything.

Sure, Ye Hedong was also furious because Ye Rou Bing spoke ill of him, but he had to watch his behavior because they were in front of the family head and other members.

“Coward!” Ye Ming was unhappy with Ye Hedong’s act.

“Alright, stop this!” Ye Hang uttered, “Now we have to think of ways to get twenty-million Yuan or else, we will end up in prison later.”

At this moment, Ye Ming had an idea. “I have an id-“

However, before he had finished his words, he was interrupted by Fu Fu. “We don’t need your idea. I’m sure it will only cause another trouble for us.”

Ye Ming looked at Fu Fu while clenching his fists.

‘This slut!’

Unlike before, Ye Ming did not do anything this time and only suppressed his anger.

“Family head, I have an idea.” Ye Houteng uttered.

—

Ocean Land, VIP Area.

Xing Renqing, her grandfather, and her big brother were currently sitting on the sofa next to the glass walls.

They went to the Ocean Land because they wanted to meet Xiao Tian and Zhao Sheng.

“Juzong, you should build good relationship with both of them because it will be good for the future of our family.” Xing Hanxian was sure that Xiao Tian and Zhao Sheng would become important people in the future.

They had proven their worth when they were still young, so he wanted his grandson to build a good relationship with Xiao Tian and Zhao Sheng.

Xing Juzong would become the head of the Xing family in the future, so it could be said their family’s future was in his hands.

“I understand, grandfather.” Of course, Xing Juzong knew about Xiao Tian and Zhao Sheng because they were famous, especially Xiao Tian.

When Xing Renqing saw Xiao Tian and Zhao Sheng, she waved her right hand. “Bro Xiao, bro Zhao, we are here.”

Xiao Tian and Zhao Sheng turned their heads towards the source of the sound before finally walking towards Xing Renqing and the others.

After sitting on the opposite side of them, Zhao Sheng uttered, “You all came too soon.”

Actually, Xiao Tian and Zhao Sheng were not late. They agreed to meet at 07:00 pm, and it was still 6:45 pm.

Previously, Xiao Tian and Zhao Sheng thought they would arrive first, but they were wrong.

“Oh, brother Juzong, you came too?” Zhao Sheng did not expect to meet Xing Juzong because Xing Renqing did not tell him about this earlier.

“Yes.” Xing Juzong responded as he smiled. “I have free time, so I decided to tag along. I’m not disturbing, right?”

“Of course not. The more the merrier.” After saying that, Zhao Sheng looked at Xiao Tian. “Isn’t that right, Xiao Tian?”

“That’s right.” Xiao Tian was pleased when he could get a new friend.

Xing Renqing then introduced her brother to Xiao Tian. Of course, Xiao Tian also introduced himself.

“Xiao Tian, Zhao Sheng, I hope you two can get along well with my grandson. Maybe you all can exchange experiences in business too.” Xing Hanxian revealed his real intention.

After hearing his grandfather’s words, Xing Juzong uttered, “Brother Xiao, brother Zhao, I hope we can become good friends from now on.”

“Sure, sure.” Zhao Sheng replied happily.

“Sure. We will be good friends from towards onwards.” Of course, Xiao Tian accepted it instantly.

There were several reasons for this. First, a new friend meant a new connection. Second, Xing Hanxian had helped him when he lived with Crystal in the forest.

Third, his intention told him that Xing Juzong was a good person. These were the reasons why he agreed with Xing Hanxian’s words without a second thought.

They began to talk about many things. Seconds turned into minutes, and minutes became hours.

Due to how interesting their conversation was, they did not realize that they had been talking for about two hours.

“Brother Xiao, brother Zhao, my family will hold a humanitarian event in three days. It’s an event to help orphans and build orphanages.” Xing Juzong spoke and paused for a second before he continued, “Are you interested in joining?”

Xiao Tian and Zhao Sheng exchanged a glance with each other before finally nodding their heads, “Sure. We will come later.”

“Perfect!” Xing Juzong uttered, “I will send an invitation letter tomorrow.”

They began to talk again. They decided to go home at 10:00 pm. Coincidentally, Ye Ming and Ye Hedong saw them when they were in the parking lot.

They immediately hid behind their car.

“Xiao Tian?” Ye Ming and Ye Hedong did not expect to see Xiao Tian at Ocean Land.

“Bro Xiao, I forgot to thank you for helping my mom.” Xing Renqing uttered, “If it were not for you, my mother would still have been tricked by that Ye Ming.”

“Don’t mind it.” Xiao Tian replied as he smiled.

Ye Ming clenched his fist.

‘So you were the one who ruined my plan!’

Anger welled up in his chest.

Of course, he knew that Xiao Tian hated the Ye family. He just did not expect that Xiao Tian was the one who ruined his plan.

“So it was Xiao Tian who destroyed our plans. Damn it! I’m furious right now.” like Ye Ming, Ye Hedong was also angry at Xiao Tian.

First, Xiao Tian had destroyed their plans. And last, the family members disliked them now because the Xing family took back their investment.

If it were not for Xiao Tian, they were sure their plan would have gone smoothly.

“Brother, are we going to let him do whatever he wants?” Ye Hedong wanted to teach Xiao Tian a lesson for ruining their perfect plan.

“Of course not. However, we need to find the right moment to teach him a lesson.” Ye Ming also wanted to teach Xiao Tian a lesson.

All of his efforts were in vain because of Xiao Tian. He was even willing to injure his right arm and legs for the sake of his plan, but everything was ruined by Xiao Tian.

“Let’s go meet young master Feng.” Ye Ming uttered.

—

Xiao Tian’s Mansion, Living Room.

After parking his Lamborghini, Xiao Tian entered his house. “I’m home.”

“Tian...” Ye Xueying rushed to the living room after hearing Xiao Tian’s voice.

As usual, she instantly jumped into his arms when she was close to him.

Xiao Tian was not surprised by his mother’s actions because she often did it. “Mother, you are still awake?”

“Mother is waiting for you.” Ye Xueyin responded, “Mother wants to sleep with you.”

“Sure, let’s sleep now.” after saying that, Xiao Tian headed to his room.

### **Chapter 1285: How Come?**

Inside a big and luxurious mansion, a young man was carrying a gorgeous mature lady, face to face.

Even though he was walking up the stairs, he still behaved normally, as if the beautiful mature lady was as light as a feather.

As for the attractive lady, she was wrapping her long slender arms around the young man's neck and placing her head on his right shoulder.

A happy smile graced her pretty face, and happiness welled up inside her like a burst of fireworks.

She was pleased, to the point she could not stop smiling.

'Hehe. I will sleep with Tian again tonight.'

Even though she often slept with him, but it still made her happy.

\*click...

Xiao Tian opened his door before finally stepping into his room.

'Hmm?'

He did not see his women in his room today.

'Are they sleeping in their room?'

That was the question that appeared in his head.

After putting Ye Xueyin on the bed, Xiao Tian uttered, "Wait here. I want to wash my face first."

"Un." Ye Xueyin nodded her head cutely.

After washing his face, Xiao Tian returned to his room and changed into his sleeping clothes.

Unlike usual, where she always slept on top of Xiao Tian's body, she did not do that this time. Ye Xueying, who was lying on Xiao Tian's right side, immediately put her head on his right arm.

After placing her left hand on Xiao Tian's chest and intertwining her legs with his, Ye Xueyin showed a happy smile. "Hehe."

"Mother, you are so cute." After saying that, Xiao Tian kissed her forehead.

"Tian, what about here?" Ye Xueyin pouted her lips, giving him a sign to kiss her lips.

Without waiting for another second, Xiao Tian pressed his lips against hers. The smile on Ye Xueyin's face grew bigger after being kissed by Xiao Tian.

"Good night, Tian." Ye Xueyin said happily.

"Good night." Xiao Tian responded as he smiled softly.

Then they slept.

—

The following morning, Xiao Tian went to Star Group after breakfast. He wasted no time and immediately worked.

However, something unexpected happened when he was working.

Shi Fei suddenly entered his office and sat between his legs!

“My sexy lover, I’m working right now. Can you move now?” even though Shi Fei suddenly disturbed his work, Xiao Tian was not angry at her because he loved her so much.

Shi Fei still did not move from her position. “Little brother, can you stop working for a little bit and play with me? I’m lonely and desire to feel the warmth of your body.”

Xiao Tian gave in.

‘I really can’t refuse my sexy lover’s wish.’

He decided to stop working.

Shi Fei’s face blossomed into a smile when Xiao Tian wrapped his arms around her waist and placed his head on her right shoulder. “Embrace me tighter, little brother.”

This was what she wanted!

Even though Xiao Tian was hugging her from behind, but she still could feel the warmth of his body.

Like what she wanted, Xiao Tian embraced her tighter. He also loved it when he could feel the warmth of her sexy body.

Shi Fei’s body was so sexy, and she also had big breasts, so it felt amazing when he hugged her, especially when he embraced her from behind.

“Oh right, little brother. You got an invitation letter from the Xing family earlier.” Shi Fei spoke and paused for a second before he continued, “It was stated that they would be holding a humanitarian event in two days.”

“I know.” Of course, Xiao Tian knew about it because Xing Juzong had told him.

“Eh, you already knew?!” Shi Fei said in surprise. “How come?”

Xiao Tian began to tell her everything. He told her that Xing Juzong invited him to his humanitarian event last night.

“I see.” Shi Fei uttered.

Not long after that, Liang Jun called Xiao Tian. Xiao Tian picked up the phone and put it on speaker mode because he did not want to stop hugging his sexy lover.

“What’s wrong, Liang Jun?” Xiao Tian inquired.

“Sir, you got an invitation letter from the Xing family.” Liang Jun told Xiao Tian the reason why he called him.

“Oh! Is it a humanitarian event invitation letter?” Xiao Tian did not expect the Xing family to invite his other identity too.

He believed that he had never made any contact with the Xing family before. That was why he was surprised.

“How did you know about it, sir?” Liang Jun was surprised because Xiao Tian’s guess was right.

“Because I also got an invitation letter from them.” Xiao Tian gave an honest answer.

“So, what should we do, sir?” Liang Jun inquired.

“You will come in my place. Tell them that I’m in Japan right now.” At first, Xiao Tian wanted to order Mizu to pretend to be him, but he changed his mind because he did not want to take a big gamble.

“Understood.” Liang Jun replied.

After Xiao Tian hung up the phone, Shi Fei uttered, “I did not expect the Xing family to invite your other identity too.”

“Maybe because my other identity is quite influential figure in Shanghai.” Xiao Tian was not suspicious of the Xing family because he had met Xing Hanxian, Xing Renqing, Xing An Yu and Xing Juzong.

“I suddenly wonder, what would everyone’s expression look like if they found out that Qing Feng was you?” Xiao Tian had caused an uproar with his achievements, so Shi Fei suddenly wanted to know what their expressions would be if they learned the truth.

“I’m sure they will be surprised.” His other identity career was also quite successful, so Xiao Tian was sure it would cause another uproar if they learned the truth.

“You have been hiding your other identity for two years now, so I wonder when will you reveal the truth?” Shi Fei inquired.

“When the time is right.” Xiao Tian had no intention of revealing the truth anytime soon because Qing Feng was one of his trump cards.

“I see.” Shi Fei responded.

Time went by quickly, and without realizing it, they had been talking for about an hour.

Because Xiao Tian still had work to do, he immediately uttered, “My sexy lover, can you move now? I want to work now. Look! I still have a lot of work to do.”

Instead of sliding from Xiao Tian’s lap, Shi Fei pointed her right index finger at the couch in front of them. “Little brother, put me on that couch.”

“What a spoiled lover!” after pinching Shi Fei’s cheeks, Xiao Tian carried her and put her on the couch.

\*Kiss...

Xiao Tian gave her a peck on the lips before finally returning to his chair.

Shi Fei’s face blossomed into a smile after Xiao Tian kissed her lips. Because she did not have important work, she decided to lay on the sofa.

\*One hour...two hours...three hours...four hours...

When it was time for lunch, Xiao Tian stopped working and shifted his gaze from his document to Shi Fei.

A soft smile spread across his face when he saw Shi Fei sleeping on the couch.

'She is sleeping soundly.'

He rose from his seat and walked toward her.

When he was next to her, Xiao Tian tapped her shoulders gently. "Fei, it's time for lunch. Let's have lunch together."

Shi Fei woke up. However, she suddenly did something shocking to him.

### **Chapter 1286: Skirtini**

Shi Fei instantly wrapped her long slender arms around Xiao Tian's neck before finally pulling him towards her.

At this moment, the distance between their faces was close.

"Good morning, little brother." After showing her soft smile, Shi Fei kissed Xiao Tian's lips.

"It's afternoon, lazy lover!" Xiao Tian responded, "Get up. It's time to eat."

"Eat? Do you mean you want to eat me?" Shi Fei threw a lewd joke.

"I will eat you after eating food." Xiao Tian was not surprised by her words because he knew her personality well.

"I love that idea!" after saying that, Shi Fei sat up.

They immediately headed to his women's offices, asking them to have lunch with them. After eating, Xiao Tian worked again.

He did not have sex with Shi Fei after arriving at his company because he wanted to finish his work as quickly as possible.

"Done! I have finished my work." Xiao Tian stretched out his hands. "It's still 03:40 pm. it's enough to lovey-dovey with my women."

With that idea in mind, Xiao Tian called all of his women and invited them to go to Yonhan Beach.

However, only Shi Fei accepted his offer. His other women refused because they were busy with their work.

They did not go straight to the Yonhan Beach; instead, they went to one of his stores because they wanted to take swimsuits.

"This is good!" Shi Fei, who was standing before the mirror and trying on the swimsuit, was satisfied with the bikini she was wearing.

Skirtini!

Yes, she was currently wearing a black skirtini.

Skirtini was a swimsuit with a bikini top and a small skirted bottom.

"I'm sure little brother will like it." She did not show it to Xiao Tian because she wanted to surprise him.

She instantly took the skirtini and got out of the fitting room.

"Are you done?" Xiao Tian had finished choosing his swim trunks.

"Yes." Shi Fei gave an honest answer. "Let's go to Yonhan Beach."

"Eh! You did not want to show it to me?" previously, Xiao Tian thought Shi Fei would let him see the swimsuit she had chosen, but he was wrong.

Shi Fei grabbed Xiao Tian's right hand before finally replying, "You can see it as long as you want later. Let's go."

Xiao Tian did not say anything because what Shi Fei said was true. Without waiting for another second, they went straight to the Yonhan Beach.

They immediately headed to the changing cabins after arriving at Yonhan Beach. Xiao Tian instantly stood in front of Shi Fei's cabin after changing into a swim trunk.

\*Click...

Shi Fei got out of the changing cabin.

Even though Xiao Tian had guessed that she would look amazing in her swimsuit, but it was better than he thought.

"As I thought, my lover is the sexiest woman in the world." Xiao Tian praised her sexiness.

The black skirtini fit her body so well. If the female models saw her, he was sure they would be jealous of Shi Fei's sexiness.

Not only did she have a sexy body, but she was also tall and had big breasts.

"Do you like what you see?" Shi Fei was pleased when she saw Xiao Tian's expression.

"I love it." After saying that, Xiao Tian grabbed Shi Fei's right hand. "Let's go and find a quiet place. I can't wait to enjoy my time with you."

Before finding a quiet place, Shi Fei rented a swimming tube. At first, he wanted to ask why she suddenly rented a swimming ring.

Both of them could swim, so in his view, they did not need a swimming tube. However, he did not say anything and let her do whatever she wanted.

When they found a quiet place, Shi Fei rushed towards the water before finally throwing the swimming ring.

Sure, there were a few people around them, but she did not mind it.

After sitting on the swimming tube, Shi Fei shouted, "Little brother, come here and push me."

Xiao Tian did what he was told. He immediately pushed Shi Fei slowly.

"Haha." Both of them laughed happily.

"Let me sit on the swimming tube too." after saying that, Xiao Tian sat on the swimming ring.

The swimming tube was designed for one person, so it immediately sank after Xiao Tian sat on it. For this reason, both of them fell into the water.

The water was only waist-deep, so they didn't drown.

"Little brother, this swimming ring is designed for one person." Shi Fei uttered, "You can't sit on it too."

"Then let's switch positions." Xiao Tian wanted to sit on the swimming tube too.

"I don't want to." Shi Fei refused instantly. "I was the one who rented this, so you are not allowed to sit on my swimming ring."

"If you don't want to let me sit on this swimming tube, I will punish you now." Xiao Tian threatened Shi Fei.

"Sure. Do it if you dare. I'm not afraid of your threats." Shi Fei was sure that he would not hurt her because he really loved her.

When Xiao Tian saw Shi Fei sitting on the swimming ring again, he had started thinking about what punishment he should give her.

Because Xiao Tian still did not do anything to her, Shi Fei pouted her lips. "Come here and punish me."

Her intention was clear.

She wanted Xiao Tian to kiss her lips!

She would even let him kiss her passionately.

'Come here and kiss me passionately, little brother.'

She shut her eyes.

Of course, Xiao Tian granted her wish. Shi Fei was his sexy lover, so he would do whatever she wanted.

At first, Xiao Tian only wanted to give Shi Fei a peck on the lips because the position was not comfortable for deep kissing.

However, Shi Fei instantly wrapped her slender arms around his neck and put her soft tongue into his mouth.

She wanted to have a deep kiss!

Previously, Xiao Tian had promised to kiss her passionately, but he broke his promise and kept working.

That was why she instantly kissed him passionately because, in her view, having a deep kiss on the beach felt amazing.

Because Shi Fei did not want to stop the kiss, Xiao Tian pushed her into deeper water, so he didn't have to bend down anymore.

When Xiao Tian was in a comfortable position, he began to move his tongue lewdly.

He intertwined his tongue with hers, sucked her soft tongue and explored every inch of her mouth.

Shi Fei became passive when Xiao Tian started to attack her with his tongue.

'It feels good! having a deep kiss with him always feels amazing!'

At this moment, she had forgotten that a few people were around them.

She even desired Xiao Tian to play with her breasts or vagina. Of course, she did not say it because she was busy fighting Xiao Tian using her soft tongue.

\*Ten seconds...Twenty seconds...Thirty seconds...

It had been more than thirty seconds, but none of them showed the signs of stopping.

Yes, they had lost themselves in their own world!

Because Shi Fei was out of breath, she broke the kiss. "Little brother, you are indeed a wild beast!"

"Why are you blaming me? Weren't you the one who started this?" Xiao Tian responded.

"That's right." Shi Fei admitted it. "Little brother, how about we have sex here?"

### **Chapter 1287: She Loves That Feeling**

"Little brother, how about we have sex here?" they had never had sex on the beach before, so Shi Fei suddenly wanted to do it there.

Sure, it was pretty dangerous because a few people were around them. However, she was sure that these people would not notice it if they did not make a lewd voice.

All of them were lovers, so they would think of it as lovey-dovey. That was why Shi Fei wanted to have sex with Xiao Tian on the beach.

From her point of view, it would be thrilling to have sex in the water. After all, they had never done it before.

Xiao Tian did not answer immediately; instead, he skimmed his surroundings.

'Hmm? All of them seem like lovers, and they are quite far from us. Will they notice it if we have sex here?'

He was famous now, so it would become a big scandal if anyone saw them having sex on the beach.

'Having a lewd girlfriend is sometimes...exciting.'

Xiao Tian walked towards Shi Fei before pushing her further away from the people around them.

Shi Fei, who was sitting on the swimming ring, smiled happily when Xiao Tian suddenly pushed her further away from others because his actions showed one meaning.

He agreed to have sex with her!

Happiness danced through her thoughts.

'Today would be an exciting day!'

She had already forgotten that they were not alone on the beach.

At this moment, Xiao Tian was pushing her to the best area to have sex.

When they were far from other people, and the water depth was as deep as his belly, Xiao Tian stopped pushing her.

Unlike before, Shi Fei slid from her swimming tube this time. However, she immediately put her swimming ring around her waist.

There were two reasons why she did something like this. First, it was to prevent others from seeing what Xiao Tian would do to her.

Xiao Tian would play with her vagina later, so it could prevent others from seeing what he would do to her.

Sure, the water was as deep as her chest, and it would be hard to notice if Xiao Tian played with her pussy, but she did it anyway.

And last, it could help her float on the water. In short, it would make Xiao Tian easier to fuck her.

Like before, they started with a deep kiss, but they acted more aggressively this time. As they were having a hot kiss, they also moved their hands.

Xiao Tian's left hand was squeezing and pinching Shi Fei's breasts, while her right hand was grabbing and stroking his cock directly.

They got aroused easily because it was their first time doing lewd things on the beach. Xiao Tian's penis and Shi Fei's nipples were erect in no time.

At first, Shi Fei wanted to suck Xiao Tian's penis, but she could not do that because his cock was underwater. For this reason, she wanted to have sex with him immediately.

When Shi Fei broke the kiss and looked at him with a lustful face, Xiao Tian knew what she had in mind.

Shi Fei lifted her swimming ring to her chest before finally placing both of her hands on it. She did not take off her skirtini because they could still have sex without removing it.

"Do it, little brother." Shi Fei raised her legs before spreading them widely. "Let's enjoy this moment to the fullest."

Xiao Tian instantly grabbed Shi Fei's legs before finally standing between her legs. After pulling down his swim trunk, Xiao Tian slid Shi Fei's panties to the other side.

"Hmmm..." Shi Fei shut her eyes when Xiao Tian's cock slowly entered her vagina.

\*Shui...Shui...

The sound of water moving uncontrollably could be heard in their ears when Xiao Tian started moving his waist.

“Hmm...Hmm...Hmm...” unlike before, Shi Fei no longer closed her eyes.

They were having sex on the beach, so she wanted to enjoy the beautiful scenery and feel the pleasure of having sex at the same time.

The blue sky, the blue water, the gentle breeze, small waves and flocks of birds flew in the sky; everything was excellent.

‘As I thought, having sex on the beach felt amazing.’

Shi Fei did not regret asking him to have sex with her on the beach.

Not only could she enjoy the beautiful scenery, but she was also able to enjoy the pleasure of having sex with her young lover.

Shi Fei liked it!

No, she loved it. She loved it, to the point a soft smile appeared on her lewd face.

“Hmm...Hmmm...Hmm...” as she was trying her best to hold back her wails, Shi Fei turned her head to the left and right, skimming her surroundings.

At this moment, no one noticed what they were doing. First, Shi Fei looked like she only sat on the swimming tube and enjoyed herself.

And second, they were far from other people. They also had sex in quite deep water, so it was hard to notice what they were doing.

‘It feels good! It feels good!’

Even though it wasn’t their first time having sex in the water, but Shi Fei still felt immense pleasure.

Sure, it was challenging to move in the water, but the water also gave a unique sensation. She even could not describe what she felt in words.

Because they were having sex in the water and Shi Fei was on her swimming tube, Xiao Tian could not kiss her.

He also could not move his waist fast like usual because the water always slowed down his movement. “Fei, turn your body.”

“Hmm? Do you want to fuck me from behind?” after throwing a question, Shi Fei turned her body.

Of course, her upper body was still on the swimming tube because, with this, she could float in the water without doing anything.

“Aa...Ah...ah...” Shi Fei let out tiny cries.

At this moment, she didn’t look like someone who was having sex because she was playing with water.

Yes, she played with water!

When Xiao Tian was thrusting his cock in and out of her lewd pussy, Shi Fei played with water using her right hand.

She made a circle on the water's surface, tapped the water, or did something similar. Of course, it was not because she did not enjoy the sex.

Since she didn't need to do anything and was able to float on the water, she played with water in reflex.

When Xiao Tian saw what Shi Fei was doing, his lips curled up into a grin.

'What a bad lover! I have to punish her!'

With that idea in mind, Xiao Tian thrust his left middle finger into Shi Fei's ass hole.

"Hii..." Shi Fei was startled and instantly covered her mouth with her hands.

'Little brother is also playing with my ass hole! This is...this is amazing! It feels good!'

Of course, she loved it because she also liked anal sex.

Be it anal sex or normal sex; she loved both.

The feeling when Xiao Tian was fucking her lewd pussy and playing with her ass hole was so amazing.

She loved that feeling!

"Hmm...Hmm...Hmm..." Shi Fei could not hold back her moan like before.

As Shi Fei was enjoying the pleasure, Xiao Tian suddenly did something shocking.

### **Chapter 1288: The Main Uses of Battle Instinct**

The white clouds scattered in the blue sky, and the sound of waves reverberated in the entire area.

When everyone was playing with water on the beautiful beach, a young couple was doing adult things in the water.

The young woman was lying prone on the swimming ring while sticking out her sexy ass.

Her soft hands were covering her small mouth, and her green eyes were filled with the flame of lust.

As the young woman was trying her best not to let out a single sound, the young man was standing between her legs and moving his waist back and forth.

They looked like a young couple who were lovey-dovey from afar, but one word would come to their minds if they saw what these two people were doing up close.

Sex!

Yes, these two young people were currently having sex in the water.

These two wild people were none other than Xiao Tian and his sexy lover, Shi Fei.

At this moment, Xiao Tian was fucking Shi Fei's pussy from behind. Not only that, but he played with her ass hole too.

This was the reason why Shi Fei kept covering her mouth. It was because she was afraid that she would moan loudly.

They were in a public area, so the consequence would be fatal if someone knew what they were doing on the beach.

“Little brother, faster, faster.” Because Shi Fei was about to have an orgasm, she wanted Xiao Tian to move his waist faster.

Of course, she still remembered where they were. She knew it was hard to move fast in the water, but she still asked Xiao Tian to move his waist faster.

Like Shi Fei, Xiao Tian had reached his limit too. He had tried moving his waist faster, but the water always slowed down his movement.

At this moment, Xiao Tian found an excellent idea.

Battle instinct!

Battle instinct could increase his speed and strength drastically.

Sure, he could only stay in the battle instinct mode for ten seconds, but ten seconds was enough to make them orgasm.

‘Should I use it?’

He had never used battle instinct for sex before.

Battle instinct was something martial artists used to defeat their opponents, not to do adult things like sex.

This was the reason why he had never used it for sex before.

However, he suddenly wanted to use it because he was currently having sex with Shi Fei in the water.

Moving fast in the water was difficult because the water always slowed down his movements.

Not only that, but moving in the water also consumed more stamina. If they only needed one stamina to move on the ground, it required two stamina to move in the water.

‘Let’s do that!’

Xiao Tian decided to use battle instinct.

Of course, Shi Fei had no idea what Xiao Tian had in mind. She thought Xiao Tian would only continue moving his waist because he had never used battle instinct in sex before.

\*Shui....

The energy of heaven and earth flew towards Xiao Tian’s body before finally entering his martial arts points.

Now his body was filled with power as if he had just woken up from sleep.

\*Shui...Shui...Shui...

The water around them moved faster and became more out of control.

Xiao Tian's movements were much faster than before, to the point that the water made a sound.

Shi Fei widened her eyes before finally looking at Xiao Tian. "Little brother, stop!"

She was startled.

She was shocked because Xiao Tian used battle instinct for sex. Shi Fei was also a candidate to be the Ruler, so she knew what battle instinct was.

Sure, she told him to move his waist faster, but she did not tell him to use battle instinct. Using battle instinct in sex was not a good idea because they were having sex in a public place.

Of course, she did not mind it if they were alone. However, they were not alone because a few people were around them.

"Hm...Hm...Hm...Hm..." Shi Fei squeezed her mouth and did her best to hold back her wails.

\*Ten seconds...nine seconds...eight seconds...

Because Xiao Tian was in the battle instinct mode, he could move his waist back and forth many times in a second.

\*Seven seconds...six seconds...five seconds...

Tears came out of Shi Fei's green eyes.

There were two reasons for this. First, the tip of Xiao Tian's cock kept hitting her womb.

The womb was one of the most sensitive areas in a woman's body, so her eyes were immediately filled with tears when the tip of Xiao Tian's cock hit her womb continuously.

And last, Xiao Tian was in the battle instinct mode, so his movements were fast.

'Cumming...Cumming...Cumming...'

Shi Fei had reached her limit before Xiao Tian used battle instinct, so it did not take her long to have an orgasm.

\*Spurt...

Shi Fei's nectar instantly blended into the shore water.

Unlike usual, Xiao Tian did not stop moving his waist when he found out that Shi Fei had already had an orgasm.

He was in the battle instinct mode, so every second was important to him. And he also had reached his limit, so there was no way he would stop what he was doing.

Shi Fei's body turned frail.

Her body was still sensitive because she had just had a massive orgasm. Not only that, but Xiao Tian also did not stop fucking her.

This was the reason why her expression became lewder and lewder.

\*Four seconds...three seconds...two seconds...

Xiao Tian finally could not hold back anymore and was ready to let out his white sperm inside Shi Fei's lewd vagina.

Just before the battle instinct time ran out, he had an orgasm.

'I'm cumming....'

Maybe because he was in the battle instinct mode earlier, his sperm came out of the tip of his cock like a flying arrow.

"Hii.." Shi Fei gritted her teeth and tilted her head back when Xiao Tian's sperm hit her womb.

'So strong!'

She felt as if something had hit her womb.

"Huft...Huft...Huft..." Xiao Tian breathed heavily.

He had just used his battle instincts, so he had a little stamina left.

"Little brother, why did you use battle instinct in sex?" Shi Fei dared to ask this question because Xiao Tian had told her what battle instinct was.

"Because you told me to move my waist faster earlier." Xiao Tian gave an honest answer.

"But I did not tell you to use battle instinct. Look! Both of us can't walk now." Shi Fei's body was still weak, so she could not walk for the next few minutes.

"It's fine. Let's stay like this until we can walk again." Xiao Tian did not mind it because he felt immense pleasure just now.

Shi Fei did not say anything.

'Oh well, I'm satisfied, so I don't care.'

Even though Xiao Tian's cock was still in her pussy, she did not tell him to pull it out.

Seconds turned into minutes, and without realizing it, it had been ten minutes since they had finished having sex.

At this moment, Xiao Tian and Shi Fei were sitting on the sand. They did not go home immediately because they wanted to see a sunset.

As Xiao Tian was enjoying the beauty of the sea, Shi Fei did something shocking.

### **Chapter 1289: Then Maybe We Should Do This More Often**

As Xiao Tian was enjoying the beauty of the sea, Shi Fei did something shocking.

She grabbed her skirtini and pulled it up, looking at her pussy!

"It seems like my pussy is happy now." Shi Fei was still looking at her vagina.

When Xiao Tian noticed what she was doing, he instantly removed her hands from her skirtini. "What are you doing?"

"It's fine. There is no one close to us." Shi Fei dared to do that because no one was close to them.

"But still, you should not do this in a public place." Xiao Tian spoke and paused for a second before he continued, "What if someone sees it?"

"Then I will do this." after saying that, Shi Fei sat between Xiao Tian's legs.

Xiao Tian was startled.

But what surprised him most was that Shi Fei suddenly grabbed his right hand and put it on her pussy.

Yes, she tucked Xiao Tian's right hand underneath her skirtini and placed it on her vagina!

"Little brother, touch my pussy. You can also play with it if you want." After saying that, Shi Fei placed her swimming ring on their right side.

She did this to prevent everyone from seeing what they were doing. There was no one on their left side, so she placed her swimming tube on their right side.

"You are indeed a lewd lady!" even though Xiao Tian said something like that, he did not remove his right hand from Shi Fei's vagina.

"I'm indeed a lewd lady!" Shi Fei did not deny it. "So, how is it, little brother?"

"It's soft!" Xiao Tian told her what he felt when he was touching her vagina.

Her pussy was so tender. It made him love touching it. This was the reason why he did not remove his right hand from Shi Fei's pussy.

"It feels good, right!" of course, she knew that her pussy was soft because every woman's vagina was tender.

They began to talk about many things. Like before, Xiao Tian's right hand was still touching Shi Fei's tender vagina.

Because there was a swimming tube on their right side, anyone who saw them was not suspicious of them.

They thought Xiao Tian and Shi Fei were only a young couple who were lovey-dovey and waiting for the sunset.

"Hmm..." Shi Fei giggled when Xiao Tian suddenly thrust his right middle finger into her vagina. "Little brother, you are a pervert!"

Of course, she did not stop it because this was what she wanted.

Sitting on the sand together, feeling the gentle breeze and looking at the beautiful sea was something that everyone loved, including her.

“Because my lover is also a pervert.” Xiao Tian pulled his right middle finger out of Shi Fei’s pussy and started rubbing her vagina again.

Looking at the beautiful sea and feeling Shi Fei’s tender vagina felt amazing. Xiao Tian really loved it.

“It seems like you love talking like this.” Shi Fei dared to say it because Xiao Tian kept touching her vagina.

Even though he did not try to get her aroused, but he moved his fingers quite often.

“I love it.” Xiao Tian admitted it.

“Then maybe we should do this more often.” Shi Fei also loved it because she felt connected to Xiao Tian.

First, Xiao Tian’s right hand kept touching her pussy, and last, she was sitting between his legs.

“That’s a great idea, but we have to be careful if we want to do this again.” Even though he loved it, but they needed to be careful because the consequence would be fatal if someone saw it.

“I’m not afraid of anything as long as I’m with you because I know you will protect me.” of course, Shi Fei would see the situation first if she wanted to do lewd things with Xiao Tian.

“I will always protect you.” Xiao Tian wrapped his left arm around Shi Fei’s waist and kissed her hair gently.

Not long after that, the sun was setting. Even though they had seen the sunset at the Yonhan beach many times, but it never failed to amaze them.

The atmosphere and the view were so wonderful. Coupled with the many flocks of birds flying in the sky made the sunset even more amazing.

After seeing the sunset, Xiao Tian and Shi Fei decided to go home. Like before, they walked to the parking lot hand in hand.

That night, Shi Fei did not have sex with Xiao Tian again because they had done it at the Yonhan beach.

—

The following morning, Xiao Tian did not go straight to his company after eating breakfast; instead, he headed to the backyard and sat on the pool lounge chair.

‘Should I call Zhao Sheng and ask him to come together with me?’

He was going to attend an event held by the Xing family in two hours, so he suddenly wanted to come with Zhao Sheng.

But, when he was about to call Zhao Sheng, Long Jingxian walked toward him before finally sitting on the pool lounge chair next to his.

“What are you thinking?” Long Jingxian inquired.

“Nothing. I was about to call Zhao Sheng just now.” Xiao Tian gave an honest answer. “Come here, my beautiful lover. How about we lovey-dovey now?”

Instead of answering Xiao Tian’s question, Long Jingxian only stared at him before finally drinking her lemon juice.

The corner of Xiao Tian’s lips twitched.

‘This bad lady is ignoring her lover’s words, huh?’

He rose from his pool lounge chair and walked towards Long Jingxian.

Long Jingxian instantly put her lemon juice on the table when she saw Xiao Tian walking toward her.

She was sure that Xiao Tian wanted to lay on her pool lounge chair!

And what she had guessed was right because Xiao Tian instantly lay on her pool lounge chair.

Of course, Long Jingxian did not push him away. “Sitting on the backyard feels great. The atmosphere and scenery here are amazing.”

Xiao Tian’s backyard was huge and had a beautiful view. Not only that, but the air was also fresh.

This was the reason why they often spent time in the backyard because his backyard was amazing.

“Of course, because I spent a lot of money to get this kind of backyard.” Xiao Tian responded, “I would be disappointed if my backyard was bad.”

His mansion was very expensive, so it was normal if the backyard was amazing.

Long Jingxian glanced at Xiao Tian before finally speaking, “Sometimes, I find it hard to believe that my young boyfriend is so rich. You are still twenty-one years old, but you already have a few companies and a mansion like this. It seems like you are loved by Gods and Goddesses.”

“Then you will be more amazed by what I will have in ten years.” Xiao Tian was sure that he would be much richer in ten years.

“More amazed? Tell me, what will you have in ten years? More women?” actually, Long Jingxian knew the meaning of Xiao Tian’s words, but she pretended as if she had no idea about it.

“My Jingxian, you are hurting my innocent heart, you know?” Xiao Tian pretended to be sad.

“Hehe. Innocent heart? Hehe.” Long Jingxian giggled after hearing Xiao Tian’s words.

“Because you are making fun of your lover, then I have no choice but to punish you now.” after saying that, Xiao Tian slapped Long Jingxian’s ass.

### **Chapter 1290: Going to Banquet**

“Hehe.” Long Jingxian giggled when Xiao Tian slapped her ass.

\*Kiss...

Because Long Jingxian kept giggling, Xiao Tian decided to kiss her lips.

Long Jingxian was surprised and instantly stopped giggling.

‘Hmm?’

Xiao Tian had kissed her lips countless times, so she was fine with his actions.

No, she instantly wrapped her long slender arms around Xiao Tian’s neck and put her soft tongue into his mouth.

The huge backyard turned into a dead silence because Xiao Tian and Long Jingxian were busy having a deep kiss.

\*Two seconds...five seconds...ten seconds...

After having a hot kiss for about ten seconds, Long Jingxian broke the kiss.

Long Jingxian instantly hugged Xiao Tian’s right arm before finally speaking, “Are you going to seduce me now?”

“Shouldn’t I be the one saying that? Look! You are even hugging my right arm right now.” Xiao Tian was pleased when Long Jingxian suddenly embraced his right arm.

“I’m only embracing your right arm. It can’t be called as seduction or I’m trying to seduce you.” she denied it. “You were the one who kissed my lips, so it was you who tried to seduce me.”

“You are a doctor but you are so skilled at using words as if you are a lawyer.” Xiao Tian knew that Long Jingxian would keep denying everything.

“Hehe.” Like before, Long Jingxian giggled again.

They talked again. They chatted for about an hour before Xiao Tian finally took a shower. He was going to attend an event held by the Xing family, so he had to prepare himself.

The event would be held at Green Villa. It was the villa where Li Wen invited him to his banquet last year.

After parking his Lamborghini, Xiao Tian entered the villa. The villa hall was huge and decorated with luxurious furniture.

The round tables were neatly arranged, and each table had eight chairs. The wooden table was covered in a white tablecloth with artificial flowers in the center of the table.

The stage was located on the right side of the door with the words ‘Humanity Event’ hanging on the wall.

‘Oh, there are already many people here.’

Xiao Tian skimmed his surroundings.

When Xing Juzong saw Xiao Tian, he immediately walked toward him. “Welcome, brother Xiao.”

Like Xing Juzong, Xiao Tian also smiled. “Brother Xing...”

At this moment, Xing Renqing and Xing Hanxian noticed Xiao Tian.

“Bro Xiao, you have arrived?” Xing Renqing said as she walked toward Xiao Tian.

Xiao Tian instantly looked at her.

‘Hm?’

He was startled when he saw Xing Renqing’s outfit.

Unlike usual, she wore a purple dress this time. Not only that, she even wore a purple ribbon in her short hair.

Xiao Tian bent his right index finger and covered his mouth.

‘Hfft!’

He tried his best not to laugh.

“Don’t laugh!” even though Xiao Tian did not say anything, Xing Renqing could tell what he had in mind because it was written on his face. “Previously, I wanted to wear ripped jeans and a white T-shirt, but my family forbade me.”

“I’m not laughing. It suits you well.” Xiao Tian lied to Xing Renqing.

“I know you are lying!” Of course, Xing Renqing knew that Xiao Tian was lying to her. “I really hate this feminist outfit. It makes me uncomfortable.”

She would not wear a feminist outfit if she had any other choice because she disliked it.

Her family was the host of the event, so she had to pay attention to what she was wearing, or else it would ruin her family’s reputation.

No, she would not have come to that kind of event if the host was not her family because she preferred to spend time at tourist spots than at formal events.

“I thought you would come with Zhao Sheng.” Xing Hanxian spoke abruptly.

“I forgot to call him.” previously, Xiao Tian was about to call Zhao Sheng, but he instantly forgot about Zhao Sheng when Long Jingxian suddenly appeared before him.

They talked for a few seconds before finally, Xing Hanxian and Xing Renqing brought Xiao Tian to their table.

As for Xing Juzong, he decided to welcome the guests.

Xiao Tian began to talk with Xing Renqing and her grandfather. He stopped talking and turned his head when he noticed Liang Jun talking with Xing Juzong.

“Welcome, Mr. Liang.” Of course, Xing Juzong knew who Liang Jun was.

“I’m sorry, Mr Xing. My boss is on a business trip to Japan right now, so he can’t attend your event.” Liang Jun lied to Xing Juzong. “He ordered me to come in his place, so I hope you will understand it.”

“Don’t worry about it.” Xing Juzong did not mind it because what was important was that they came to his event.

When Liang Jun caught sight of Xiao Tian, he did not say anything because Xiao Tian ordered him to do so.

In that place, Xiao Tian was not his boss but his business partner, so Liang Jun had to treat Xiao Tian as his business partner.

“Brother Xing...” Zhao Sheng entered the villa with his grandfather.

When Xing Hanxian caught sight of Zhao Chen, he immediately said, “Xiao Tian, I will greet him first.”

After looking at Zhao Sheng and Zhao Chen, Xiao Tian responded, “Alright.”

Like her grandfather, Xing Renqing also welcomed Zhao Sheng and Zhao Chen.

“Haha...” Zhao Sheng laughed after seeing Xing Renqing’s dress. “What is this? Are my eyes playing tricks on me? Or did the wild girl become a good girl now?”

“Bro Zhao, stop laughing at me! You are the same as bro Xiao, making fun of my dress.” Actually, Xing Renqing had guessed that Zhao Sheng would laugh after seeing her dress.

“After all, it’s weir- ouch!” Zhao Sheng could not finish his words because his grandfather suddenly hit his head. “Grandfather, why did you hit my head? There are many people here. Can’t you treat me well in front of other people?”

“Haha.” Xing Renqing was pleased. “Serves you right!”

Zhao Chen shifted his gaze from his grandson to Xing Hanxian. “Hanxian, I’m sorry. My grandson has a foul mouth.”

“Haha. It’s fine. They like to joke so I won’t mind it.” Xing Hanxian knew Zhao Sheng’s personality, so he did not mind it.

Instead, he was pleased because her granddaughter could have a good relationship with Zhao Sheng.

The Zhao family was a powerful and influential family, so it was good to have a close relationship with them.

After chatting for a few seconds, Xing Juzong brought them to their table.

“Oh, you are already here?” Zhao Chen was a little surprised when he saw Xiao Tian.

“I just arrived.” Xiao Tian responded, “It’s been quite a while since we last met, elder. How are you?”

“The same as usual.” Zhao Chen responded, “I spend my days forcing my grandson to practice martial arts every day.”

“Haha. You should beat him up if he refuses to practice martial arts.” Xiao Tian spoke and paused for a second before he continued, “I’m sure he will never skip again later.”

“Damn you, Xiao Tian!” Zhao Sheng cursed at Xiao Tian.

“Haha.” They laughed together.

As Xiao Tian chatted with Zhao Sheng and the others, Ye Ming, Ye Hedong, and a young man entered the green villa.
