

Illicit 1311

Chapter 1311: Xiao Tian's Underlings Arrived

"Stop!" Ye Xueyin shouted when eight people rushed toward Xiao Tian. "Ye Hang, stop!"

Xiao Tian had fought against Touhai before, so she was worried when nine people wanted to attack him together.

Previously, it was one on one fight, but now, it was nine against one.

Yes, they ganged up on Xiao Tian!

At this moment, Crystal wanted to help Xiao Tian, but at the same time, she had to be by Ye Qingyu's side because she had to protect Ye Qingyu.

'I knew it! I knew they would do something like this.'

She knew that the Ye family would break their promise.

Previously, they agreed to have one on one fight, but now, they ordered nine people to attack Xiao Tian together.

"Ye Hang!!!" Ye Qingyu was enraged, and her eyes were filled with the flame of fury.

At this moment, the sound of five trucks entering the front yard of the Ye family house reverberated in the entire area.

Xiao Tian's underlings instantly surrounded Ye Hang and the others after getting out of their trucks.

"Boss, I'm sorry for being late." Mu Hou stated. "We had a problem on the way earlier."

Xiao Tian exhaled, and the cold aura around him instantly disappeared.

'I knew it!'

He had guessed that his underlings faced a problem on the way.

Ye Hang and the others were stunned.

'Who are they? Who are these people?'

Their surprised faces instantly turned into terror because more than one hundred people suddenly surrounded them.

Not only that, but all of them also held weapons. They only had ten martial artists on their side now, so he knew what would happen if they fought against Xiao Tian's underlings.

"Who are you? What are you doing in my place?" Ye Bao did not know that Xiao Tian was a gang leader and had more than one hundred underlings.

No, only a few people knew that Xiao Tian was also a gang leader. What everyone knew was that he was a successful young man.

This was the reason why the Ye family members were shocked when they saw Xiao Tian's underlings.

They thought Xiao Tian had no backers. After all, the Xiao family also expelled him a few years ago.

“Leave! You are not welcomed here!” Ye Hang stated.

“Get out of my place or I will call police now.” Ye Ming shouted angrily at Xiao Tian’s underlings. “This is a family matter so you should not interfere in this.”

“Who is that old man? Can I kill him now?”

“I really hate that little guy’s face! It’s unpleasant to my eyes.”

“Can I skin them alive later?”

“Hey, is it alright if I cut off their arms now?”

“Damn! They still dare to behave rudely like that!”

“Do they think they are mighty?”

“It seems like they are asking for a beating.”

One by one, Xiao Tian’s underlings voiced out their annoyance.

If Xiao Tian were not with them, they would have beaten Ye Hang, Ye Ming and Ye Bao to death. After all, they hated people like Ye Ming, Ye Bao, and Ye Hang so much.

Ye Xueyin, Crystal and Ye Qingyu were relieved when Xiao Tian’s underlings arrived. With this, everything would be under their control.

“Xiao Tian, are you going to break your word?” Ye Hang inquired, “You agreed to solve this problem by fighting one on one, so what are they doing in my place?”

Xiao Tian wanted to laugh after hearing Ye Hang’s words. “Didn’t you want to gang up on me just now? Aren’t you ashamed of your own words?”

Ye Hang gritted his teeth.

He could not talk back because what Xiao Tian said was right.

He ordered Feng Jingwen’s subordinates to attack him when he was fighting against Houmei earlier.

“Release my mother now!” Xiao Tian ordered Ye Hang to release his mother. “Otherwise, this will be the last day for you to see the sunrise.”

“What?! You want to kill us?! Have you forgotten that we are still related by blood?” Ye Hang was furious when Xiao Tian said he would kill them.

“If you think like that, then why did you kidnap my mother and aunt? Have you forgotten that they are also blood related to you?” Xiao Tian suddenly realized something “Aish. I forgot about it. Your head is empty, so there is no way you can think like normal people do.”

“You!” Ye Hang pointed his right index finger at Xiao Tian.

"I will repeat my words one more time. Release my mother now!" after that, Xiao Tian gave his underlings a sign to prepare to attack Ye Hang and the others. "Never take my words as empty words because you will regret it later."

Ye Hang and the others exchanged a glance. They were at a disadvantage now, so they could not fight back.

'Damn It!'

They cursed venomously in their hearts.

Their plan almost worked but, but the presence of Xiao Tian's underlings changed everything.

Of course, they did not want just to let Ye Xueyin go because with this, their efforts would be in vain.

However, they were surrounded by Xiao Tian's underlings, and they knew what would happen if they fought his underlings.

"I will count to three. If you still don't release my mother, then I will kill all of you." Xiao Tian threatened them again.

"Aren't you afraid the police will catch you later?" Ye Ming tried to scare Xiao Tian, hoping it would work.

"I will think about it later. One..." Xiao Tian started to count.

Ye Hang and the others started to panic. From Xiao Tian's expression, they knew that he was not joking around.

"Two..." Xiao Tian was ready to attack Ye Ming and the others.

Like Xiao Tian, Xiao Tian's underlings were also ready to attack them.

"Kill them!" Xiao Tian said coldly.

When Xiao Tian's underlings were about to attack them, Ye Hang uttered, "I will release her, but you can't hurt us! You have to leave immediately."

Xiao Tian's underlings instantly stopped their footsteps. They turned their heads to look at Xiao Tian, waiting for his order.

"Sure!" Xiao Tian agreed instantly.

"Remember your words!" after saying that, Ye Hang shifted his gaze from Xiao Tian to Feng Jingwen's subordinates. "Release her!"

"Grandpa!" of course, Ye Ming was unhappy with Ye Hang's decision.

Xiao Tian had injured him, so he wanted to injure Xiao Tian. No, he wanted more. He wanted Xiao Tian to die or at least break his legs or arms.

"Tian..." Ye Xueyin rushed toward Xiao Tian before finally embracing him.

Xiao Tian looked at his underlings and spoke, "Destroy their house!"

“You!” Ye Hang was enraged after hearing Xiao Tian’s words. “You are a liar! Didn’t you say you would leave immediately?”

“It seems like you misunderstand my words.” Xiao Tian responded instantly, “I said I would not kill you. I never said I would not destroy your house.”

“Xiao Tian!!!” Ye Hang roared when he saw Xiao Tian’s underlings destroying his house.

Xiao Tian looked at Ye Hang for the last time before heading to his car.

‘This is only the beginning! I promise I will torture you slowly and make you all kneel before me.’

In his eyes, killing them was the lightest punishment.

‘I will make you suffer, to the point that you wish you were dead.’

Chapter 1312: I’m So Busy and Tired

Xiao Tian’s Mansion, Living Room.

Xiao Tian was currently in the living room with his women. After sending Crystal home, he went straight home.

“They are so cruel!” Long Jingxian stated.

She and the others were furious when they found out what the Ye family did to Ye Xueyin and Ye Qingyu.

They were blood-related, but they still had the heart to do something cruel to Ye Xueyin and Ye Qingyu.

As their sisters, they could not accept it when the Ye family dared to kidnap Ye Xueyin and Ye Qingyu.

“We should do something to them. We have to take revenge!” Shi Fei stated. “They would do something to sister Qingyu and Xueyin again if we did not take revenge. They will think we are afraid of them.”

“Fei, stop it! Don’t make the problem bigger.” Xiao Tian’s underlings had destroyed their only house, so Ye Xueyin did not want to make the problem bigger.

“Big sis, she is right.” Ye Qingyu agreed with Shi Fei’s words. “We should take revenge, or else they will do something bad to us again.”

“But they are still our family.” even though they had kidnapped her, but Ye Xueyin did not want to take revenge.

“You are still too soft to them.” Ye Qingyu stated. “Have you forgotten what Ye Hang told us a few years ago? He said we were no longer part of the Ye family. They had removed us from the Ye family tree, so you don’t need to be kind to them anymore.”

“Alright, alright. Leave everything to me. You all don’t need to do anything. I will take care of them later.” Xiao Tian was afraid that something bad would happen to them if they tried to seek revenge on the Ye family.

“Little brother, just tell me if you need my help.” Shi Fei raised her right arm before finally clenching her fist. “I will beat them later.”

“My sexy lover, tell me. What can you do? You even behave as if you are a powerful lady.” Xiao Tian still had no idea that Shi Fei was much stronger and had more underlings than him.

“Because I’m indeed a very strong woman. I can do many things, you know?” Shi Fei responded instantly, “For example, I can break their arms and legs, slap their faces, or make them kneel before sister Xueyin and Qingyu.”

Of course, Xiao Tian did not believe it. “Is that so?”

“Yes.” Shi Fei nodded her head. “I can do all of that.”

“Then hit me. I want to know how strong you are.” Xiao Tian challenged Shi Fei to hit him.

“I don’t want to.” Shi Fei refused instantly. “You will get injured later.”

“Don’t worry about it. Come here and hit me.” Xiao Tian was sure Shi Fei’s power was so weak.

“Then I will hit you now.” Shi Fei raised her right arm before finally hitting Xiao Tian’s chest.

Of course, she hit his chest gently because she did not want to injure her lover.

“Pfftt!” a peal of suppressed laughter burst out.

“Hey, don’t make fun of me.” Shi Fei pretended to be angry.

“Hahaha.” Xiao Tian could not hold back his laughter anymore. “Fei, you can’t even hurt a cat with this much power.”

“Hehe.” Long Jingxian and the others giggled too.

Shi Fei instantly rose to her feet. “Little brother, follow me to my room. I want to punish you for making fun of me.”

“Sure.” Xiao Tian agreed instantly. “Do you want to join us?”

“No.” Lin Xing Xue and the others shook their heads.

Of course, they knew what they would do in Shi Fei’s room.

Sex!

Even though Shi Fei said she wanted to punish Xiao Tian, but his punishment was sleeping with her.

—

Ye family House, Front Yard.

Ye Hang and the others gritted their teeth when they saw Xiao Tian’s underlings destroying their house.

They wanted to defend their house, but they were afraid that Xiao Tian’s underlings would beat them later.

Previously, Houmei told Ye Hang that most of Xiao Tian's underlings were powerful, especially Mu Hou, Mizu, and Chun Hua.

This was the reason why Ye Hang told the Ye family members not to do anything.

"Family head, are we going to let them destroy our house?" Ye Bao could not accept it when Xiao Tian's underlings kept destroying their house.

"Shut up!" Ye Hang shouted. "Don't do anything if you don't want to die."

Of course, he was also furious and wanted to beat them, but they were powerless. They could not do that because the difference between their power was so big.

It was impossible for ten people to defeat one hundred and twenty people. Even a child knew the result if they fought.

After destroying the Ye family house, Mu Hou shouted, "Alright, stop. Let's go back to our base now."

Xiao Tian's underlings instantly headed to their trucks.

"Old man, you should be grateful that you are still alive now."

"That's right. Normally, people like you would have been dead by now."

"Don't make the same mistake again, or else you will regret it later."

"Don't make the same mistake, asshole!"

"Fuck! I really want to torture them!"

Xiao Tian's underlings told Ye Hang not to cause trouble for their leader again.

Previously, they were surprised when Xiao Tian did not order them to kill Ye Hang and the others.

Normally, Xiao Tian would have killed Ye Hang and the others or at least tortured them in their base, but he did not do that now.

Ye Hang did not say anything and only clenched his fist.

'I will remember this.'

His eyes were filled with the flame of fury.

—

Du Bar, VIP Area.

Feng Jingwen was currently in the VIP area of the Du bar.

Like usual, he was not alone because a gorgeous lady was sitting on either side of him. Of course, he still did not know what was going on at the Ye family house.

He had sent ten martial artists to the Ye family, so he was sure everything would go according to his plan.

At this moment, one of his bodyguards, who guarded the door, got information about the Ye family.

The blue-haired bodyguard immediately entered the VIP room.

Feng Jingwen instantly shifted his gaze from the gorgeous lady to his bodyguard. "What's wrong?"

"Young master, Touhai is dead." The blue-haired bodyguard went straight to the point. "But the other martial artists are fine."

"What?!" Feng Jingwen found it hard to believe what he was hearing.

Touhai was a martial artist at the grandmaster stage, so it should be difficult to kill him. But what made it hard to believe was that the other martial artists were fine when Touhai died.

It should have been the other way around. After all, the other martial artists were not as strong as Touhai.

"Tell me in detail!" Feng Jingwen wanted to know in detail.

He wanted to know the one who killed Touhai!

His bodyguard began to explain everything in detail. At first, everything went smoothly, and Xiao Tian fell into their trap.

Then Xiao Tian suggested that they had one on one fight.

"What?! Xiao Tian was the one who killed Touhai!" Feng Jingwen said in surprise.

Chapter 1313: Evil Plan Again

"What?! Xiao Tian was the one who killed Touhai!" Feng Jingwen found it hard to believe what he was hearing.

Sure, he knew that Xiao Tian was a powerful martial artist because he had tested Xiao Tian's strength.

However, he was sure that Xiao Tian was only a martial artist at the master stage.

It should be impossible for a martial artist at the master stage to kill a martial artist at the grandmaster stage.

Let alone kill a martial artist at the grandmaster stage, it should be impossible for him to defeat a martial artist at the grandmaster stage.

The difference between their strength should be huge and could not be covered up with anything.

This was the reason why martial artists at the grandmaster stage were important, including ordinary martial artists at the grandmaster stage.

Most martial artists were stuck at the high-level master stage for the rest of their life and could not break through to the grandmaster stage.

"Yes." actually, the blue-haired bodyguard also could not believe it.

After all, he had never heard any martial artist at the master stage kill a martial artist at the grandmaster stage.

However, their informant would not dare to lie to them. The Feng family would punish their subordinates if they dared to lie to them.

“Fuck!” at this moment, Feng Jingwen finally understood Zhao Sheng’s words.

Xiao Tian was indeed as strong as Zhao Sheng!

“Young master Feng, don’t be angry. Doesn’t your family have more than one martial artists at the grandmaster stage?” one of the ladies uttered.

Feng Jingwen instantly strangled her neck. “Do you understand what you just said?”

Sure, Touhai was only an ordinary martial artist, but still, he was a martial artist at the grandmaster stage.

“I... I’m sorry, young master Feng.” The lady instantly apologized. “Please...please forgive me.”

The other lady instantly trembled in fear. She was afraid that Feng Jingwen would do the same thing to her.

Feng Jingwen threw her to the floor. “You two left now!”

These two ladies instantly got out of the VIP room.

“What should we do, young master Feng?” Feng Jingwen’s subordinate inquired.

“Let’s go home now!” Feng Jingwen had to report this to his father.

‘I hope father won’t be angry at me later.’

He added in his mind.

—

At this moment, Houmei was inside his car. He was on his way to the Xiao family house because he wanted to report everything.

*Sriiittt...

He instantly stopped his car when a blue BMW car suddenly stopped in front of him.

Houmei was furious and instantly got out of his car. “Bastard, can you drive a car? Get out of the car now!”

He wanted to beat the driver because he almost had a car accident just now. His angry face instantly turned into terror when he saw the car driver.

‘No! No! I have to run.’

Houmei instantly turned around and ran toward his car.

Silver Fox!

Yes, the car driver was a young lady who wore a silver fox mask.

Of course, Houmei knew who she was.

That was why he decided to run away from her.

There would only be one outcome if he did not run away from her.

Death!

*Shui...

The young lady rushed toward Houmei.

*Stab...

She thrust her sword when Houmei wanted to close the car door.

Her sword was made of a special material, so it could pierce through car windows easily. Not only that, but she also managed to stab her sword into Houmei's neck.

"You broke the pro-" Houmei died before he could finish his words.

The young lady sheathed her sword. "The Xiao family was the first to break the promise."

At the same time, a white car suddenly stopped in front of that young lady. After the vehicle stopped, four young people came out of the car.

The young lady behaved normally when she saw them because they were her subordinates. "Take care of his corpse."

"Understood!" they replied in unison.

Ye Family, Front Yard.

Ye Hang and the others were currently standing in front of their house.

They remained in their positions since a few minutes ago because Xiao Tian's underlings had destroyed their house.

"Family head, what should we do now?" He Bao inquired.

They could not call the police because the consequence would be fatal if the police learned everything.

"Let's go to our company and sleep there!" Ye Hang responded

"Agggghh. I hate Xiao Tian so much." Ye Ming shouted.

The following morning, Xiao Tian did not go to his company; instead, he went to Red Flower Bar.

Like usual, he was not alone. Zhao Sheng was sitting on his right side, while Lan Ruoxi was sitting on the opposite side of him.

“Xiao Tian, I heard you destroyed the Ye family house last night. Is that true?” Zhao Sheng got this information this morning.

“Yes.” Xiao Tian gave an honest answer. “They dared to kidnap my mother and aunt, so I decided to destroy their house.”

“Oh! You did not kill or torture them?!” Zhao Sheng said in surprise.

“There are two reasons why I did not do that.” Xiao Tian spoke and paused for a second before he continued, “First, I did not want to kill someone in front of my mother and aunt. And last, I want to torture them slowly.”

“Torture them slowly?” Zhao Sheng responded, “How are you going to do it?”

“Well, I still haven’t found a good idea for now.” Xiao Tian gave an honest answer. “But I want to make their company go bankrupt first. After that, I will think about it again.”

“Make their company go bankrupt? Then I have good news for you.” Zhao Sheng had helpful information for Xiao Tian.

“Oh! What is it?” Xiao Tian asked curiously.

“They will be launching their new product in a week.” Zhao Sheng responded, “And it will be live promotion.”

“Live promotion?” Xiao Tian inquired.

“Yes.” Zhao Sheng nodded his head.

“Hehe.” Zhao Sheng and Xiao Tian suddenly laughed evilly.

Black lines formed on Lan Ruoxi’s forehead.

‘They are planning something evil again!’

Chapter 1314: Practicing the Sixth Secret Technique

Feng Family House, Family Room

Four people were currently sitting on the couch in the family room.

Anyone who saw them would know right away that these four people came from the same family as they had similar faces.

These four people were Feng Weize, Feng Jingwen, Yi Hualing, and Feng Niu.

Feng Weize was forty-five years old, while Yi Hualing was forty-three years old. As for Feng Niu, she was twenty-one years old, one year younger than Feng Jingwen.

“What?! Touhai is dead?!” Feng Weize, Feng Jingwen’s father, was enraged. “Fool! You are fool!”

“Honey, calm down.” Yi Hualing, Feng Jingwen’s mother, tried to calm her husband. “Don’t be angry at our son. Let’s keep a cool head.”

“Mother, why are you defending him?” Feng Niu, Feng Jingwen’s younger sister, was also furious with her brother’s foolish actions. “Taohai is a martial artist at the grandmaster stage. Losing him means we lose a powerful subordinate. You know about it, right?”

“Why did you send Touhai to the Ye family? Agh! You are really a fool! Fool!” even though they had more than one martial artist at the grandmaster stage, but Feng Weize was still enraged.

He used a lot of money to get Touhai. Feng Jingwen should know how hard it was to get a martial artist at the grandmaster stage as their subordinate.

“Brother, you made a lot of mistakes in the last three months.” Feng Niu stated. “Our family will fall if father pass down his position to you.”

Feng Jingwen gritted his teeth after hearing his younger sister’s words. He had a bad relationship with his younger sister because of the inheritance.

Yes, her younger sister did not want him to inherit their father’s position in the future.

Even though he admitted that she was smarter than him, but he should be the one to inherit their father’s position in the future.

First, he was older than her. And last, she was a female. In his eyes, the head of the family should be male, not female.

Of course, his younger sister disagreed with his opinion. From her point of view, what was important was skill and intelligence.

The position of the head of the family must be chosen based on ability, not gender.

Of course, Feng Weize and Yi Hualing were aware of their competition. However, they did not do anything because with this, it could hone their skills.

As long as they did not kill each other, they would turn a blind eye to the situation.

“Jingwen, I have to punish you, so that you will act carefully from now on.” Feng Weize uttered, “I will cut your allowance half for the next six months and you won’t be able to use company or family influence for the next three months.”

Of course, Feng Jingwen could not accept it. “But father, I ca-“

Before Feng Jingwen had finished his words, he was interrupted by his father. “Shut up! I will add your punishment if you say anything.”

Feng Jingwen gritted his teeth.

‘Damn it! My sister will surely take advantage of the situation now.’

Having his allowance cut in half was not a problem.

However, it was a different story if he could use the company and family influence because what he could do would be limited.

“We will go to the Ye family company later. I want to see the preparation.” Feng Weize uttered.

Xiao Tian Mansion, Backyard.

Xiao Tian was currently practicing martial arts in the backyard, alone. He was determined to get stronger quickly because his enemies were stronger now.

Like usual, Xiao Tian swung his wooden sword five hundred times before practicing the secret technique.

After resting for about ten minutes, Xiao Tian decided to practice the sixth secret move. The name of the sixth secret technique was invisible slash.

Unlike the previous secret techniques, the sixth secret move had a simple movement. He just needed to run straight before attacking his opponent.

It was a technique to kill his opponent in one move!

No, the sixth secret technique actually had three attacks, but due to how fast it was, other people would only see it as one attack.

This was the reason why the sixth secret technique was called invisible slash because the other two attacks were invisible, could not be seen with naked eyes.

The attack direction of this secret move was the neck, arms, and chest. Even though this technique seemed easy, but it was much more difficult than the previous techniques.

Speed!

Yes, speed was the key in the sixth secret technique.

Xiao Tian wasted no time and immediately practiced the sixth secret technique.

*Slash...

He rushed in a straight line before swinging his wooden sword three times.

‘Again!’

Even though his speed was good, but Xiao Tian was not satisfied.

‘Again!’

He performed the sixth secret move again.

‘Faster. I need to attack faster.’

He rushed in a straight line again.

Without realizing it, he had performed the sixth secret move a hundred times, but he still failed to master it.

He was still not satisfied with the speed of his movement and attacks.

After resting for about fifteen minutes, Xiao Tian practiced the sixth secret move again. Even though he had failed one hundred times, he did not give up.

In his previous life, he practiced over a thousand times before finally mastering the sixth secret move, so failing a hundred times was nothing.

*Slash...

“Again.” Xiao Tian stated.

*Slash...

“Again!” he uttered.

*Slash...

“Again!” he said.

*Slash...

“Again!” he spoke.

*Slash...

“Again.” Xiao Tian began to breathe heavily again.

At the same time, the Feng family met the Ye family. The Feng family ordered the Ye family not to make a single mistake in a live promotion later.

Otherwise, the Ye family would pay the consequences later. The Feng family was the biggest shareholder now, so they could do anything they wanted.

Ye Hang and the others trembled in fear after hearing their words because they knew that the Feng family was serious.

They did not dare to say anything because it could be said the Feng family could control the Ye family now.

This was the reason why they really wanted Xiao Tian to return to the Ye family because he was the only one who could save them from the Feng family.

“You will regret it if you make a mistake in the live promotion later.” the Feng family threatened the Ye family before leaving.

The Ye family members could only grit their teeth after hearing it.

“Fuck!” Ye Bao shouted loudly.

“Why are you angry? After all, all of this is because of your son.” Ye Houteng still blamed Ye Ming and Ye Hedong because they were the reason why the Ye family business fell under the Feng family’s control.

“What do you mean by that, Houteng?” Ye Bao grabbed Ye Houteng’s collar because he could not control his emotion.

“What? Am I wrong? Your son and Ye Ming were the one who caused this.” Ye Houteng was not afraid of Ye Bao.

“Stop!” Ye Hang shouted. “Ye Bao, stop it!”

“Hmf!” Ye Bao removed his hands from Ye Houteng’s collar.

“Let’s check the preparation again.” Ye Hang uttered, “Don’t make a single mistake or it will be over for us.”

Chapter 1315: Live Promotion

Time went by quickly and without realizing it, the day for the Ye family to promote their new product finally arrived.

The Ye Family had rented a large building because they had invited many reporters and audiences.

It could be said that this promotion would determine their family’s future as they had done everything for this project.

Of course, they did not realize that Xiao Tian had carried out his plan. The Ye family had caused trouble for him, so he wanted to teach them a lesson.

They even dared to kidnap his mother and aunt, so he wanted to take this opportunity to destroy the Ye family.

At this moment, there were more than one hundred audiences in the huge hall. There were at least twenty reporters in the hall.

Some of them were from famous magazines and newspapers because the Feng family used their influence to invite them.

The audience, who were sitting on their chairs, could not wait to see the Ye family’s project.

They were curious about the Ye family’s Watch!

Xiao Tian and Zhao Sheng, who were wearing silicon head masks and sitting among the audience, smirked.

Of course, the Ye family did not invite them, but Xiao Tian and Zhao Sheng still came to the venue.

Their intention was clear.

They wanted to see the destruction of the Ye family company with their own eyes!

Previously, they beat up two people and stole their identities, so they came to the venue using someone else’s identity.

Not long after that, Ye Tong walked toward the platform.

'I'm going to amaze everyone with our project.'

He wanted to make people who refused to invest in his company regret their decision.

Everything started well. Ye Tong also delivered a fantastic opening speech and got everyone's attention.

"Our Watch has four unique and stylish designs." Ye Hang started to explain the meaning behind their designs.

Everyone looked at the two large monitors placed on either side of the stage.

When they saw the designs of the Ye family's Watches, half of the audience praised it while the others said nothing about it.

At this moment, the Feng family and other shareholders watched the promotion from their home or company.

Ye Tong kept explaining the meaning behind their designs. He said their designs were not ordinary. It had a meaning behind it.

The first design had the meaning of love, while the second design had the meaning of luck.

The third design had the meaning of blessing. As for the last design, it had the meaning of a healthy life.

Almost everyone was amazed. Even though the Ye family's Watches designs were not the best, they changed their minds after learning the meaning behind their designs.

Ye Tong smiled in satisfaction after seeing everyone's faces. Like Ye Tong, all the shareholders were also pleased.

At this moment, Ye Tong and the others were sure that their promotion would be a huge hit later.

After explaining the meaning of their designs, they finally came to the most crucial point of promotion.

Examination!!

This would decide whether their promotion was successful or not.

"I have explained the meaning of our designs." Ye Tong spoke and paused for a second before he continued, "Now I will show you the advantage of our Watch."

Three beautiful women suddenly stepped onto the stage, pushing a half-meter-high glass tube filled with water.

"Our Watches are also water-resistant. It can still alive in the water for thirty minutes." Ye Tong began to explain the advantage of their Watches again.

At this moment, Xiao Tian's lips curled up into a smirk.

'Today is the day the Ye family company goes bankrupt.'

He had replaced all the Watches previously.

“I can’t wait to see his expression.” Zhao Sheng said in a low voice.

“To prove my words, I will drop the Watch into the water now.” after saying that, Ye Tong took one of the watches on the table before finally showing it to the audience and dropping it into the tube filled with water.

He still had a happy smile on his face because he had no idea that Xiao Tian had replaced all the Watches before.

“Waiting thirty minutes for the first test is too long, so I will take the Watch after five minutes.” Ye Tong uttered, “The next test is ten minutes and the last one is thirty minutes.”

Ye Tong began to talk with the audience again. It wasn’t a good idea if he didn’t say anything in the next five minutes because he was the host now.

He had to make the atmosphere lively and get everyone’s attention. At this moment, Ye Tong still had no idea that the Watch was dead.

Three minutes had passed, and no one knew what had happened to the Watch. Almost all of the audience paid attention to Ye Tong because he made a fantastic speech again.

He knew how to get everyone’s attention!

Of course, he could do that because the Feng family had told him how to get everyone’s attention.

Otherwise, there was no way he could make an amazing speech and get everyone’s attention because he was not talented in the business.

Four minutes had passed, and Ye Tong still explained their Watches. He even said no one would regret it if they bought their Watch because their Watches were amazing.

At this moment, the other members of the Ye family were watching from the sidelines. Like Ye Tong, they were also pleased after seeing everyone’s reaction.

They believed the live promotion would be a huge success later.

They were even sure that everything would go smoothly later. After all, they had tested all the Watches yesterday.

All the shareholders, who were watching on TV, nodded their heads. Actually, they were startled because Ye Tong was excellent at creating the atmosphere.

However, they immediately thought that Ye Tong learned how to deliver a fantastic speech seriously.

That was why he could make an amazing speech like that.

“Five minutes has passed, now let me take the Watch.” After saying that, Ye Tong walked toward the glass tube to pick up the Watch.

Chapter 1316: Ye Family Is Panicked

Xiao Tian’s lips curled up into a smirk.

'You are done!'

He crossed his arms over his chest as he smirked.

Ye Tong immediately took a tool to help him pick up the watch. The smile on his face instantly disappeared after taking the watch.

The watch died!

'How? How could something like this happen?'

They had tested the watch a few times yesterday, and it never died.

'What...what should I do?'

He had no idea what to do.

Previously, he believed nothing bad would happen to the watch, but he was wrong because it was dead now.

He could not replace the watch because a few cameramen were next to him.

"Why didn't he show us the watch right away?" most of the audience wanted to know why Ye Tong didn't show them the watch immediately.

"Mr Ye, why didn't you let us see the watch now?" Xiao Tian inquired, "Did something happen to the watch?"

He was using a tool to change his voice, so Ye Tong did not know who he was because he was also wearing a silicon head mask.

"That's right." Zhao Sheng added. "Let us see the watch now!"

"Mr. Ye, show us the watch now!"

"Yes. Let us see the watch now!"

"Yes. We want to see it."

One by one, the audience began to shout as they wanted to see the watch.

"Mr. Ye, is the watch dead? Why don't you show us the watch right away?" Xiao Tian gave Ye Tong more pressure.

"Yes. I suddenly suspect the watch is dead." Zhao Sheng added, "Otherwise, he would have shown us the watch by now."

Many audiences agreed with Zhao Sheng's words because his words made sense.

Ye Tong was even more panicked now. There were many reporters from famous magazines and newspapers, so he didn't dare show them his dead watch.

His family's future depended on this project, so failing was not an option.

However, he could not hide the truth forever. He had to show them the watch quickly, or else they would get angry and leave.

“Everyone, it’s not like that. It’s just....” Ye Tong tried to buy time because he needed time to solve the problem.

The camerapersons instantly recorded the watch when the opportunity arose.

The truth had finally been revealed!

Everyone finally knew the reason why Ye Tong did not show them the watch immediately.

It was because the watch was dead!

Ye Tong was panicked.

“I knew it! I knew something was wrong.” Zhao Sheng tried to add fuel to the fire.

At this moment, one of the Feng family’s subordinates stepped onto the stage before finally saying, “Everyone, please calm down. We just investigated that the watch was broken so this result was normal.”

She was good at using words, so she instantly could control the situation.

“What Miss Jie said is right.” Ye Tong was relieved when Jie could control the situation. “As proof, we will test other watches.”

Even though Xiao Tian was annoyed, he did not cause another trouble because it would raise suspicion.

Ye Tong began to test the other watches. However, the result was the same.

All the watches were dead!

At this moment, Ye family stock instantly plummeted. All major shareholders also took back their shares.

There was one reason why they decided to take back their shares.

There was no hope for the Ye family company now!

Instant bankruptcy.

It was a live promotion, so the consequence was fatal.

The Feng family was enraged.

They had invested seventy million Yuan and helped the Ye family solve their problem with Xing An Yu, but the Ye family still let them down.

Ye Hang fell to his knees.

‘It’s over! My family is over!’

The live promotion failed, so they could not save their family now.

“Hahaha.” Ye Hang laughed at their bad luck

'I didn't expect the Ye family will end in my hands.'

His heart was filled with sadness.

He could not face his ancestors now because he failed to take care of the Ye family.

"It's over. It's over!" Ye Bao knew the future of their family because the live promotion was not successful.

Xiao Tian's lips curled up into a grin.

He was satisfied when he saw Ye Tong's expression.

'This is the price for causing trouble for me.'

With this, he knew that the Ye family was over now.

At this moment, many audience and reporters walked out of the building because they were no longer interested in the Ye family's watch.

"No, please come back!" Ye Tong shouted when he saw many audience and reporters leaving.

Xiao Tian looked at Zhao Sheng before finally speaking, "Let's leave."

"Alright." Zhao Sheng responded.

Ocean Land, VIP Area.

"Hahaha." Zhao Sheng laughed when he remembered Ye Tong's expression.

"It seems like the Ye family is over now." Xiao Tian was sure the members of the Ye family were panicked now because they would lose their last business.

"Oh, Xiao Tian, news of the Ye family's promotion has already appeared on the internet." Zhao Sheng said as he looked at his smartphone.

"Really?" Xiao Tian instantly checked it on the internet. "Wow! They are famous now."

"Haha." Zhao Sheng laughed. "You are the reason why they are famous."

"Well, that's the price for causing trouble for me." Xiao Tian did not feel pity; instead, he was pleased because this was what he wanted.

Ye Family Company, Ye Tong's Office.

At this moment, the Feng family was letting out their anger at the Ye family. They said many displeased words to the Ye family members.

Feng Weize could not suppress his anger anymore because the Ye family had let them down many times.

Now that all the major shareholders had taken back their shares, there was only one future for the Ye family company.

Bankruptcy!

The Ye family's last business was officially on the verge of bankruptcy.

The Feng Family even told them to give all the shares that the Ye family members owned to them as compensation for their actions.

Of course, the Ye family members refused. They had lost their only house, so they could not lose their last business too.

However, the Feng family did not take no for an answer. They said they would take back their shares and everything they had done to the Ye family.

"I will give you two days to prepare the documents." After saying that, Feng Weize and the others left.

The next day at 10:00 pm, all the Ye family members traveled to Xiao Tian's mansion.

He was the only one who could save them now, so whatever happened, they had to make Xiao Tian agree to help them.

At this moment, Xiao Tian and the others were in the family room, watching a movie. They did not go to work because it was Sunday.

'Whatever happen, I can't fail.'

Ye Hang did not want the Ye family to disappear, so he would do anything later.

As long as Xiao Tian agreed to help them, he would do anything, including beating all the Ye family members and apologizing.

He no longer cared about his dignity because he could not face his ancestors if the Ye family disappeared in his hands.

Chapter 1317: How About Kneeling Before Me?

Xiao Tian's Mansion, Family Room.

Xiao Tian was currently spending time with his women. They chatted and joked happily as if they had no burden in life.

"Tian, did you do something to the Ye family?" Ye Xueyin knew what had happened to the Ye family because the news about them scattered on the internet.

At this moment, Xiao Tian wavered whether he should tell the truth or not. His mother still cared about the Ye family, so he was afraid that she would be angry with him.

When Ye Qingyu saw Xiao Tian's expression, she knew that her nephew had done something to the Ye family.

“Big sis, why are you suspecting him? Wasn’t he with us yesterday?” Ye Qingyu decided to help Xiao Tian because she hated the Ye family to the bone.

She was thrilled when she found out about what had happened to the Ye family. She even thanked her nephew for that.

“Qingyu, you can hate them, but the Ye family is our father’s family.” Ye Xueyin did not want the Ye family to disappear because it was her father’s family.

At this moment, Ye Hang and the others had arrived at Xiao Tian’s mansion. Ye Hang’s heart was filled with envy when he saw Xiao Tian’s mansion.

Xiao Tian could live in a huge and luxurious house while the rest of the Ye family members had to live in the company.

After parking their cars, they walked to the terrace.

* Ding-dong...

Ye Hang pressed the bell.

Xiao Tian and the others exchanged a glance.

“Who’s coming to my house at this hour?” Xiao Tian inquired.

“I will open the door.” Ye Qingyu rose to her feet and headed to the terrace.

Her face darkened when she saw Ye Hang and the others. First, they kicked her out of the Ye family, and last, they kidnapped her and her big sister, but here, they came to her house.

“What are you doing here? You are not welcome here, so go back to where you are.” Of course, Ye Qingyu did not want to welcome the Ye family because they had done many cruel things to her, Ye Xueyin and Xiao Tian.

“Qingyu, please hear us out. I know you are still angry at us, but please hear us out.” Ye Hang had guessed that something like this would happen, so he was not surprised by Ye Qingyu’s behavior.

“What’s going on?” Xiao Tian could hear her aunt’s voice from the family room. “I want to see what’s going on.”

He was afraid that something bad would happen to his aunt, so he wanted to check it.

Long Jingxian and the others followed Xiao Tian because they also wanted to know what was going on.

Xiao Tian’s face darkened when he saw Ye Hang and the others. He finally knew the reason why his aunt yelled loudly like that.

“What are you doing here?” Xiao Tian asked coldly.

At this moment, Xiao Tian suspected something.

The Ye family wanted to ask for his help!

He knew what had happened to the Ye family, so there was a high possibility that they wanted to ask for help.

Ye Tong and the others lowered their heads. They were embarrassed because they needed help from someone they hated so much.

The Xiao family had stated that they would not help the Ye family no matter what, so Xiao Tian was their only hope now.

“Xiao Tian, please help us.” Ye Hang bowed his head. “Please help the Ye family, or else the Ye family will disappear later.”

“Have you forgotten what you have done to us? You even kidnaped my mother and aunt a few days ago. What makes you think I will help you?” of course, Xiao Tian would not help them because he wanted the Ye family to disappear from this world.

“I will do anything as long as you agree to help the Ye family.” Ye Hang responded instantly. “Please, help the Ye family.”

Ye Hang regretted everything.

If he had known that the Ye family’s fate would be in Xiao Tian’s hands, he would not have kicked him out of the Ye family a few years ago.

He would treat him nicely because Xiao Tian was the only one who could save the Ye family now.

Ye Xueyin turned her head to look at Xiao Tian. “Tian...”

“Mother, don’t say anything!” Xiao Tian did not want his mother to help them.

“But...” Ye Xueyin felt pity when she saw Ye Hang and the others.

“No buts!” Xiao Tian always granted her wish, but not this time.

Shi Fei and the others did not say anything and only stared at Xiao Tian.

Even though they were his women, but they did not dare to get involved in this matter because it was related to the Ye family.

“Nephew Xiao, please forgive us.” Ye Bao and Ye Tong said in unison.

Like Ye Hang, they were bowing their heads. They could not anger Xiao Tian because their fate was in his hands now.

“In the past, you kicked us out of the Ye family and told us that we were no longer part of the Ye family, so why are you asking for my help?” Xiao Tian wanted to make fun of Ye Hang and the others. “In the past, you behaved arrogantly and mighty but here, you are bowing your head before me. Isn’t this funny?”

He then continued, “The head of the Ye family is lowering his head before a young man. Aren’t you afraid of losing face? What if someone else see what you are doing?”

Xiao Tian loved it!

He loved it because he could make fun of the Ye family.

'My predecessor, did you see this? The family you hate so much is bowing their heads before me right now?'

His predecessor also hated the Ye family because they had made their life full of misery in the past.

Shi Fei almost laughed when she saw what was going on.

'Little brother is indeed a bad young man!'

She did not feel sorry because the Ye family dared to kidnap Ye Xueyin and Ye Qingyu a few days ago.

"Please help us! We will do anything as long as you agree to help us." Ye Hang repeated his words, hoping Xiao Tian would change his mind.

"Yes, we will do anything." Ye Tong and the others said in unison.

At this moment, Ye Ming and Ye Hedong were shaking with embarrassment. They had caused trouble for Xiao Tian a few times, but here, they were bowing their heads before him.

They even needed to bow their heads when they talked as if they were talking to a king.

"Ye Ming, Ye Hedong, why are you lowering your head too?" Xiao Tian inquired, "Don't you want to cause trouble for me anymore? Just like you did to me at the Xing family event."

"We won't dare." Ye Ming and Ye Hedong replied in unison. "We were so stupid at that time, so please forgive us, cousin Xiao."

"You said you would do anything, right?" Xiao Tian wanted to keep humiliating them.

"Yes." at this moment, Ye Hang thought Xiao Tian agreed to help them. "Yes. We will do anything as long as you agree to help us."

Xiao Tian's lips curled up into a grin. "Then first, how about kneeling before me and apologizing?"

Chapter 1318: Humiliating the Ye Family Part 1

Xiao Tian's lips curled up into a grin. "Then first, how about kneeling before me and apologizing?"

Ye Hang and the others widened their eyes for a second.

Even though they knew something like this would happen, but hearing it directly from Xiao Tian's mouth still stunned them.

Since they arrived at his house, they had been bowing their heads, but he was still not satisfied and told them to kneel before him.

This was too much!

First, they were older than him. And last, they were his senior and his family. Asking them to kneel before him was too cruel.

Sure, they knew they had done many cruel things to Xiao Tian and his family, but he should not tell them to kneel before him.

When Ye Hang and the others were still standing, Xiao Tian uttered, "Hmm? What are you doing? Why are you still not kneeling in front of me? Don't you want me to help you?"

Shi Fei and the others covered their mouth and giggled.

'He is so bad!'

They did not expect him to order Ye Hang and the others to kneel before him.

Ye Hang and the others exchanged a glance.

'We have no other choice! This is for the Ye family.'

Even though they would lose their dignity, but they had to do it.

Bang!

Ye Hang and the others dropped to their knees.

"Hahaha." Xiao Tian laughed loudly when he saw Ye Hang and the others kneeling in front of him.

'My predecessor, did you see it? They are kneeling before me now! I have made them regret their actions.'

At this moment, he really wanted his predecessor to see what was happening.

Xiao Tian stopped laughing and spoke, "Now beg for forgiveness! Apologize to my mother and aunt too."

"Tian, this is enough." Ye Xueyin uttered, "You don't need to humiliate them anymore. This is enough."

Xiao Tian ignored his mother's words. "What are you doing? Hurry up and apologize!"

"Xiao Tian, we are sorry for what we have done to you until now. We are wrong, so please forgive us." Ye Hang and the others said in unison. "Please forgive us and help the Ye family."

After apologizing to Xiao Tian, they also apologized to Ye Xueyin and Ye Qingyu. "Xueyin, Qingyu, we knew we made a huge mistake in the past. We knew that we did cruel things to you in the past."

They then continued, "However, we can't turn back time and correct it now. We only hope that you will have a big heart to forgive all our mistakes. Please forgive us."

"I refused!" Ye Qingyu responded, "Place your head on the floor and repeat it again."

Ye Hang and the others did what they were told. "Xueyin, Qingyu, our mistakes to you two is as big as mountain and as deep as sea, but we hope you to have a big heart to forgive all of our mistakes. Please forgive us."

Xiao Tian and Ye Qingyu did not say a word and only stared at them.

*Ten seconds...twenty seconds...fifty seconds...

It had been sixty seconds since Ye Hang and the others knelt before Xiao Tian.

“You can raise your head.” Xiao Tian uttered.

Ye Hang and the others were relieved after hearing his words.

But when they were about to stand up, Xiao Tian said again, “I only told you to raise your head. I never allowed you to stand up.”

Ye Hang and the others dropped to their knees again.

‘How long are we going to stay in this position?’

They did not dare to stand up because Xiao Tian did not allow it.

“Because you have apologized to us, now I want you not to disturb us forever from today onwards.” Xiao Tian did not want to meet Ye Hang anymore because it could bring bad memories.

“But you agree to help us, right?” Ye Hang wanted to hear Xiao Tian’s reply directly.

Xiao Tian touched his chin before answering, “Hmmm? I will think about it.”

Of course, he did not want to help them because he only wanted to humiliate them. After all, he loved humiliating people he disliked or hated.

“But we already did what you wanted.” Ye Hang wanted to hear Xiao Tian’s answer directly.

He promised to help them if he knelt before him and apologized. That was why he wanted Xiao Tian to keep his promise.

“Why are you making a face like that?” Xiao Tian inquired.

“Nephew Xiao, you promised to help us earlier! You can’t break your word.” Ye Bao and Ye Tong said in unison.

“Did I promise to help you earlier? I remembered that I never said something like helping you.” Xiao Tian never promised to help them.

He only ordered them to kneel and apologize.

“But you said you would help us if we knelt before you and apologized.” Ye Hang wanted Xiao Tian to change his mind.

“Hey, I only told you to kneel before me and apologize.” Xiao Tian responded, “I never said I would help you earlier.”

Ye Hang and the others gritted their teeth. Xiao Tian had humiliated them, and here, he said he did not want to help them.

They even had knelt before him and apologized. They had endured the humiliation, but Xiao Tian played with them.

They could not accept it.

They did not want to accept it.

"I will help you." Ye Xueyin spoke abruptly. "Tian, you have made them kneel before us and apologize, so let's help them."

Ye Hang and the others turned their heads towards Ye Xueyin. At this moment, they realized that Ye Xueyin was their only hope of changing Xiao Tian's mind.

"Xueyin, please help us change your son's mind." Ye Bao and the others said in unison.

Ye Xueyin was Xiao Tian's mother, and they knew that he really loved his mother, so they hoped he would not refuse his mother's wish.

Xiao Tian turned his head to look at his mother.

'I knew something like this would happen.'

Chapter 1319: Humiliating the Ye Family Part 2

Ye Xueyin turned her head to look at her son. "Tian..."

"I don't want to help them. They don't deserve it!" Xiao Tian refused instantly. "Mother, have you forgotten what they have done to us? They were the reason why we had such a miserable life in the past."

"But they had knelt down before us and apologized." Ye Xueyin knew how much Xiao Tian hated the Ye family. "At least, help them once."

"Big sis, you are too kind to them." Ye Qingyu agreed with Xiao Tian's decision. "They don't deserve our help. Have you forgotten what they did to us a few days ago?"

"But Ye family is our father's family." Ye Xueyin told her young sister the reason why she wanted to help the Ye family. "We also grew up in the Ye family. There are so many memories in the Ye family, including the memories with our parents."

What Ye Xueyin said was right. There were so many memories in the Ye family. After all, they grew up in the Ye family.

"Yes. Please help us once." Ye Hang uttered, "After that, we promise that we won't disturb you ever again, forever."

"Yes, yes. We won't disturb you forever." Ye Tong and the others said in unison.

"Nephew Xiao, we even don't have a place to stay." Ye Bao uttered, "Could you have pity on us?"

"I don't know what pity is, so I won't pity you." at this moment, Xiao Tian found an idea to humiliate them again.

'Let's do that.'

He suddenly found an idea to get the Ye family's last business and humiliate them.

Ye Hang and the others wore sad faces when Xiao Tian said he would not help them. He was their only hope of saving the Ye family, so they were sad.

“Ehm!” Xiao Tian cleared his throat. “Because I’m a kind young man, I decided to help you.”

“Really?” Ye Hang and the others’ faces turned happy.

Ye Xueyin and the others were startled by Xiao Tian’s words.

“Tian, why did you change your mind?” Ye Qingyu did not want Xiao Tian to help the Ye family.

Shi Fei touched her chin.

‘Why do I feel like he is planning something bad?’

She suddenly suspected that Xiao Tian would do something bad to the Ye family members again.

“You want money, right?” after saying that, Xiao Tian took his wallet and dropped his money to the floor. “Here, you can take it.”

Shi Fei giggled when she saw what Xiao Tian was doing.

‘I knew it! Little brother is indeed a bad man!’

Previously, Xiao Tian had humiliated the Ye family members, so she did not expect him to do that again.

Long Jingxian and the others tried their best not to laugh.

Ye Qingyu nodded her head in satisfaction.

‘This is the right thing to do.’

She approved Xiao Tian’s actions.

Ye Hang and the others exchanged a glance.

Even though they were pleased because Xiao Tian decided to help them, but his way of helping them was so cruel.

“Why don’t you take the money? It’s 500,000 Yuan, you know? If it’s not enough, I can add again.” Xiao Tian took another 500,000 Yuan and dropped it to the floor. “There! It’s one million Yuan now. Do you still not want it?”

If he added his Eternal Beauty company, Xiao Tian had more than 500,000,000 Yuan now, so 1,000,000 Yuan was nothing for him.

“Tian...” Ye Xueyin also did not expect him to humiliate them again.

“Hmm? Still not enough?” Xiao Tian threw another 500,000 Yuan. “There! It’s 1,500,000 Yuan, you know?”

Ye Hang and the others wanted to take the money immediately.

One and a half million Yuan was a lot of money. They could buy an ordinary house and still be able to save a million Yuan later.

Even though they could not save their last business because it would fall into the Feng family's hands, they could live for more than a year with one million.

Because they had ten people in the Ye family, they needed fifty thousand Yuan per month, so one million Yuan could make them live for twenty months.

One year and eight months!

Yes, they could live for one year and eight months with one million Yuan.

They could save more than one million Yuan if they bought a cheaper house. They also had little savings, so they could live for two and a half years to three years if they took the money.

In these three years, they could look for a new job and start a new life. They believed that they could survive with that money.

"Hmm? You are really greedy, huh? Here, another five hundred Yuan." Xiao Tian threw another five hundred Yuan in front of them.

Two million Yuan!

Xiao Tian threw two million Yuan!

Even though his way was bad and cruel, it was still money.

'Two million Yuan!'

Ye Hang and the others stared at the money in front of them.

Xiao Tian's lips curled up into a grin. "Hey, if you don't take the money, I will let other people take it later."

At this moment, Xiao Tian's women discovered a new side of him.

They finally knew that Xiao Tian loved humiliating people he disliked or hated!

"Why don't you take the money? Isn't this what you came to my house for?" even though Ye Qingyu hated wasting money, but she loved it when they could keep humiliating the Ye family.

Ye Xueyin looked at Xiao Tian before returning her attention to the Ye family again.

'Tian...'

Even though Xiao Tian's method of helping them was too cruel, but with two million Yuan, the Ye family would not disappear from the world.

Sure, she also hated the Ye family, but she did not want her father's family to disappear from the world.

"We want it." Ye Hang responded, "We will take it."

"Yes. We will take it now." Ye Tong and the others added.

When Ye Hang wanted to take the money, Xiao Tian stepped on his hand. "Did I say you can take the money with your hands? Use your mouth to take the money!"

Chapter 1320: Humiliating the Ye Family Part 3

When Ye Hang wanted to take the money, Xiao Tian stomped into his hand. "Did I say you can take the money with your hands? Use your mouth to take the money!"

Ye Hang and the others lifted their heads to look at Xiao Tian.

Dog!

He wanted to treat them like dogs!

Xiao Tian wanted them to behave like dogs!

Previously, Xiao Tian told them to kneel before him and apologize, and now, he wanted them to act like dogs.

He kept humiliating them since they arrived at his house!

"I won't let you take my money if you use your hands." In Xiao Tian's eyes, the Ye family members were dogs because they did cruel things to them and still dared to ask for his help.

He did not care about their feelings. After all, the loser had to listen to the winner, and in this case, the Ye family was the loser while he was the winner.

"Nephew Xiao, isn't this too much?" Ye Bao inquired.

"It's up to you." Xiao Tian responded, "If you want the money, you have to take it using your mouth. Otherwise, don't even think about taking the money."

Ye Hang and the others gritted their teeth again.

'We have no other choice. We need this money.'

They communicated through their eyes.

They had lost their dignity when they knelt before Xiao Tian, so they should no longer think about their dignity.

After all, they had lost it since they arrived at Xiao Tian's house.

Ye Ming and the others opened their mouths before finally taking the money using their mouths.

"Hahaha." Xiao Tian laughed in satisfaction when he saw them picking up his money like dogs.

'My predecessor, did you see this? Look! They are like dogs now.'

Even though he would lose two million Yuan, but he did not mind it.

Like Xiao Tian, Ye Qingyu also loved it when they could humiliate the Ye family members.

'They are indeed like dogs.'

She believed that she would sleep well later.

Ye Hang and the others could only suppress their anger when Xiao Tian and Ye Qingyu laughed at them.

They were the loser, so Xiao Tian and Ye Qingyu had the right to act like that.

“Now that you have taken the money, leave!” Xiao Tian ordered them to get out of his sight.

Ye Hang and the others instantly left.

“Hahaha. I’m happy. I’m so happy today!” Xiao Tian laughed in satisfaction. “Hah! Taking revenge is indeed sweet!”

When they returned to the family room, Mu Ai walked toward Xiao Tian. “Big brother, what took you so long?”

Xiao Tian immediately carried Mu Ai. “My daughter, you father is so happy today! Say, do you want something?”

Mu Ai turned her head to look at her mother, “Mother, big brother is acting weird again.”

“Hehe.” Long Jingxian giggled. “Xiao Tian, she is still not your daughter yet.”

But even so, she was pleased when Xiao Tian called Mu Ai his daughter.

Xiao Tian walked toward Feng Yu. “Feng Yu, come here and hug your father.”

“You are not my father!” Feng Yu said without caring about his feelings.

Xiao Tian’s heart was filled with happiness, so her words did not hurt him.

After sitting next to her, he uttered, “Don’t be so cruel like that to your father. You should try to act nicely to me. After all, I’m your future father.”

“I will repeat my words again. You are not my father.” Feng Yu repeated her words.

Xiao Tian instantly put Mu Ai on the couch.

After that, he grabbed Ling Xing Xue’s right hand before finally speaking, “Little Xue, your daughter’s words give me emotional damage, so you have to take responsibility now.”

“Alright. I will take responsibility.” Lin Xing Xue smiled softly.

Of course, he knew the meaning of his words. There were two ways for her to take responsibility.

First, she had to lovey-dovey with him. And last, she had to have sex with him. She was fine with both of them, so she would take full responsibility.

After stepping into his room, Xiao Tian did not immediately do anything to Lin Xing Xue; instead, he ordered his underlings to take back his money from the Ye family.

There was no way he would let the Ye family take his money. There were two reasons why he threw two million Yuan at them earlier.

First, it was to humiliate them. And last, he didn’t want to worry his mother.

His mother would think that he gave the Ye family two million Yuan, and the Ye family would be able to survive for the next three years without working.

During these three years, Ye Xueyin was sure they could start over and find a job.

“Remember to hide your face and wear black clothes as well.” Xiao Tian told his underlings to hide their identities.

“Understood, leader.” Xiao Tian’s underling replied.

After hanging up the phone, Xiao Tian crawled onto the bed. “Sorry for making you wait, my little Xue.”

However, when Xiao Tian was about to kiss her lips, Lin Xing Xue placed her right index finger on his lips. “Are you planning on taking your money back from them?”

“Of course.” Xiao Tian gave an honest answer. “They had done many cruel things to us until now, so there is no way I would let them use my money. They even kidnaped my mother and aunt a few days ago.”

Of course, Lin Xing Xue understood Xiao Tian’s actions. Ye Qingyu had told them everything, so she knew what the Ye family had done to Xiao Tian.

“Forget about the Ye family and let’s enjoy ourselves.” Xiao Tian spoke and paused for a second before he continued, “Remember, you have to take responsibility because your daughter has given me emotional damage.”

Of course, Xiao Tian was joking around when he blamed Feng Yu because he only wanted to take advantage of the situation.

“You keep saying emotional damage and emotional damage. You only want to take advantage of the situation, right?” Lin Xing Xue knew Xiao Tian’s personality well, so she could guess what he had in mind.

“It seems like you can read my mind now. Then, I won’t hide my intention anymore. I want to eat you now.” Xiao Tian was talking with one of his women, so he decided to tell the truth.

He was also sure that Lin Xing Xue would not refuse his wish because she also loved having sex with him.

No, he made her love sex!

To his surprise, Lin Xing Xue suddenly took off her T-shirt and unhooked her bras. “Come here and eat me.”

“Then I will eat you now.” after saying that, Xiao Tian kissed Lin Xing Xue passionately.

At this moment, all the Ye family members were in the cars. All of them had happy smiles on their faces.

Sure, Xiao Tian humiliated them earlier, but they no longer cared about it because they got two million Yuan from Xiao Tian.

Two million Yuan!

With that two million Yuan, they could make a better future.

As their hearts were filled with happiness, two cars suddenly stopped them. And the people in these two cars were none other than Xiao Tian's underlings.
