Chapter 1411: I'm a Simple Young Man

"What?" Xi Ran said in surprise. "Did you really do it with him earlier? Does that mean you are also his girlfriend now?"

She was shocked after hearing her mother's explanation. She did not expect her best friend to fall into Xiao Tian's arms too.

Leng Nichang decided to tell the truth because she did not want everything to become more complicated.

Of course, Xiao Tian always disturbed her, saying she was lying or something like that. But Xi Xingyi and Xi Ran did not believe him.

When the sky grew dark, Baito and the others made a bonfire. They sat around the bonfire and chatted happily.

They also sang together because one of the young men brought his guitar.

At this moment, Xi Ran, Xi Xingyi and Leng Nichang did not sit with Xiao Tian because they needed to hang out and chat with the other girls.

"Haha." Xiao Tian laughed along with the other boys.

As he was talking with the other boys, Zhelan walked toward him.

Yes, she wanted to try her luck again!

She could only talk to him for ten minutes this morning, so she wanted to chat with him again.

The group of young men was startled when they saw Zhelan. She was a gorgeous young lady, so she immediately caught their attention.

'Zhelan?'

All of them knew who she was because she was famous for her beauty in Hazo city.

'Did she come to talk to me?'

They suddenly hoped she came to talk with them.

However, their hopes were shattered to pieces when she suddenly stood next to Xiao Tian and smiled at him.

'As I thought, handsome men have privileges.'

They were suddenly jealous of him.

"Xiao Tian, can I sit here?" she inquired.

"Sure." Like usual, Xiao Tian showed his charming smile.

“Where did you go this afternoon? I could not find you earlier.” She looked for him after finishing her task, but she could not find him.

“I went to the other side of this lake.” He gave an honest answer.

“What did you do on the other side of the lake?” she asked curiously.

“I only punished a bad lady.” he gave an honest answer again.

“Punish a bad lady?” after thinking for several seconds, she understood the meaning of his words. “Who is that lucky lady?”

Xiao Tian pointed his right index finger at Leng Nichang. “Her! I punished her earlier.”

Zhelan looked in the direction he was pointing.

‘Her?’

A spark of jealousy suddenly appeared within her.

Sure, she was a beautiful lady, but Leng Nichang was much prettier than her. Be it body or face, Leng Nichang was much better than her.

“Stop comparing yourself with her. Everyone has their own plus and minus.” Even though she did not say anything, he could tell that she was jealous of Leng Nichang’s beauty.

Zhelan was startled by his words.

‘How did he know what I was thinking?’

She believed she only stared at Leng Nichang without saying a single word.

‘He is indeed an amazing young man! No wonder he managed to become a successful person in a short amount of time.’

She was amazed because Xiao Tian could tell her feelings just by looking at her face.

“You are indeed amazing, Xiao Tian.” She praised him.

“No. I’m just an ordinary person, like you.” He showed his charming smile again.

At this moment, the other boys joined their conversation, trying to get her attention. Even though she did not ignore them, but she only showed interest in Xiao Tian.

“Madam Xi, look! She is trying her luck again.” Leng Nichang spoke as she looked at Zhelan.

“He really attracts women wherever he is.” Xi Xingyi was not jealous because she knew he was an amazing young man.

“Hehe.” Xiao Tian and Zhelan chuckled.

Time went by quickly, and without realizing it, they had been talking for about an hour. At this moment, Leng Nichang suddenly walked toward them.

Xiao Tian and the others instantly turned their heads toward her.

Leng Nichang stopped her footsteps in front of him and spoke, "Xiao Tian, madam Xi needs your help."

"Where is she now?" he inquired.

"There." Leng Nichang responded as she pointed her right index finger to her left side.

Xiao Tian turned his head to look at Zhelan. "Let's talk again later."

"Un." Zhelan nodded her head.

Xi Xingyi was currently walking alone. She was heading to the toilet because she wanted to pee.

In other words, Leng Nichang was lying to him!

She did that because she wanted him to spend time with Xi Xingyi.

"Xingyi, what help do you need?" he asked as he walked closer to her.

"What help? I don't need any help." She did not understand anything.

"Lady Leng said you needed my help earlier." He responded, "Then, what are you doing here?"

"Nichang? Ah, she is lying to you. I only want to go to the toilet." After saying that, she grabbed his right arm. "Because you are already here, accompany me to the toilet."

"What is this? Are we going to do something lewd in the toilet?" he decided to tease her because she suddenly dragged him to the toilet.

"Pervert!" she stated as she smiled.

"Hehe." He chuckled.

After reaching the toilet, Xi Xingyi uttered, "You wait here. Guard the toilet for me."

The corner of his lips twitched. "My Xingyi, I'm your boyfriend, not a restroom attendant."

"Do you want someone to peek at your beautiful girlfriend?" she inquired.

The toilet was only covered with black plastic and had no roof, so anyone could peek at her if they wanted.

"This restroom attendant will do his job well, my lady." He instantly pretended as if he was a restroom attendant.

"Hehe. Good." After saying that, she entered the toilet.

Xiao Tian instantly turned around and skimmed his surroundings.

He behaved like a real restroom attendant.

No, he acted like a bodyguard!

Not long after that, Xi Xingyi came out of the toilet. "I'm done, Xiao Tian."

He turned around and spoke, "Are you satisfied with my work, my lady?"

She did not answer his question. "Previously, I thought you would peek at me, but I was wrong."

"What do you mean by that, my lady? I'm a gentleman, so there is no way I will do something like that." Even though he was a pervert, he would not peek at a woman.

"You are not a gentleman, but a pervert!" she giggled after saying that.

The corner of his lips twitched.

'This MILF is bullying me again, huh?'

Of course, he was not angry at her.

"Beautiful lady, I did my job well, so what is my reward?" like usual, he tried to take advantage of the situation.

Xi Xingyi kissed his left cheek before finally speaking, "There. I have kissed you."

His face broke into a smile.

He was happy because his lover kissed him.

"It's so easy to make you happy." She uttered, "I only need to kiss you and you will be happy after that."

"Well, I'm indeed a simple man." he admitted it. "Even a single kiss can make me happy."

"Xiao Tian, do you want to do something exciting now?" she inquired, "Something that will make both of us happy."

Chapter 1412 Do You Know Where My Mother Is?

"Xiao Tian, do you want to do something exciting?" Xi Xingyi inquired, "Something that will make both of us happy and give us pleasure."

He looked at her in surprise.

'Something exciting? Something that will make us happy and give us pleasure?'

One thing appeared in his mind.

Sex!

There was only one thing that could give them excitement, happiness, and pleasure.

That was why he suddenly had a dirty thought. "Is it sex?"

Xi Xingyi did not answer his answer, but she nodded her head.

"Let's do it now!" even though it was already evening, but he did not reject her wish because he had never had sex in the lake in the evening.

"Hehe." Xi Xingyi giggled. "Pervert!"

Actually, she had guessed that he would not refuse her offer because he was a pervert, a handsome pervert.

"Let's find a safe place to do it." Even though they were already quite far from everyone, but he still dragged her further away because he was afraid that someone would hear her moans later.

At the same time, Leng Nichang wondered why Xiao Tian and Xi Xingyi had not returned yet.

'Just where are they? Why haven't they come back from the toilet yet? Did something happen to them?'

Countless questions appeared in her mind.

"Miss Nichang, how did you meet Xiao Tian?" one of the girls inquired.

"He came to the Sun Auction House." Leng Nichang told them how she met Xiao Tian for the first time.

At the same time, Xiao Tian and Xi Xingyi were having a passionate kiss.

She was standing under a big tree with her back leaning against the tree. Her long and slender arms were around Xiao Tian's waist and her beautiful eyes locked on him.

His cock was erect, and her vagina was wet. They were already aroused because they had done many lewd things before.

"Huft...Huft...Huft..." they breathed heavily after stopping the kiss.

Xiao Tian moved his hands from her shoulders to her blue skirt.

His intention was clear.

He wanted to pull down her panties!

He believed she also wanted to have sex as quickly as possible. That was why he stopped the foreplay.

Xiao Tian could pull down her panties easily because she was wearing a skirt. Not only that, but she also cooperated when he was pulling down her panties.

After pulling down his trousers, Xiao Tian lifted her right leg. "I will put it in now."

Xi Xingyi looked at his huge penis before returning her attention to his handsome face. "Do it slowly, Xiao Tian."

"Alright." After saying that, he slowly thrust his erect penis into her wet vagina.

"Mmmm..." she tried her best not to moan when his huge penis slowly entered her wet vagina.

Like what she wanted, Xiao Tian moved his waist slowly. But even so, both of them still felt immense pleasure.

"Ah...Ah...Ah..." suppressed wails escaped from Xi Xingyi's little mouth.

Xiao Tian immediately kissed her passionately when her moans grew louder. Of course, he did not stop moving his waist.

"Hmmm...Hmmm...Hm..." she moaned faster because he moved his waist faster.

*Slick...Slick...Slick...

The sound of his huge penis spreading her wet vagina could be heard in their ears.

However, they did not care about it and kept enjoying their sex. They did not even feel the cold night breeze on their bodies because their bodies were filled with pleasure.

Xi Xingyi instantly wrapped her long slender arms around his neck when he lifted her other leg.

Her back was leaning against a tree, so she did not fall.

No, even if her back did not lean against the tree, she would not fall because Xiao Tian was carrying her.

"Ah...Ah...Ah..." Xi Xingyi cried out in delight.

Her little mouth kept letting out seductive cries, and her green eyes were filled with lust.

At first, Xiao Tian focused on moving his waist, but everything changed when he saw her fascinating face.

He kissed her passionately again!

First, her vagina muscles squeezed his cock wildly. Second, he could feel her hot breath because the distance between their faces was close.

Third, her wails were like an aphrodisiac to him. And last, she wore a fascinating face. These were the reasons why he kissed her passionately again.

Xi Xingyi tilted her head to the left and right as she moved her tongue lewdly.

The pleasure she felt was amazing when he kissed her passionately while sliding his huge penis in and out of her wet pussy rapidly.

However, she broke the kiss shortly after that because he kept giving her immense pleasure.

"Ah...Ah...Ah..." at this moment, Xi Xingyi rested her head on Xiao Tian's right shoulder.

Maybe because it was her first time having outdoor sex at night, or perhaps it was because he was so skilled at doing adult things, but at that time, she reached her limit faster than usual.

"Ah...Ah...Ah..." seductive cries kept coming out of her mouth. "Cumming...Cumming... I'm cumming...."

Xiao Tian stopped moving his waist.

'Eh?! So fast!'

He was shocked because usually, she did not have an orgasm that fast.

Xi Xingyi's head still rested on his right shoulder, but her pretty face was replaced with a lewd expression.

'It was amazing! It was fantastic!'

Her lewd face became lewder when she breathed heavily.

"Ah..." she widened her eyes when Xiao Tian moved her waist again. "Ah...Ah...Ah..."

Even though her body was still sensitive, she did not stop him and let him do whatever he wanted.

Xi Ran walked toward Leng Nichang and inquired, "Nichang, do you know where my mother is?"

"Your mother went to the toilet earlier." Leng Nichang gave an honest answer.

"I see." Xi Ran finally knew why she did not see her mother.

'It seems she is peeing.'

She thought her mother was peeing.

She would be shocked if she knew what her mother was doing because her mother was currently having outdoor sex with her young boyfriend.

"Ah...Ah...Ah..." Xi Xingyi could not stop moaning.

She was currently bowing with her hands on the tree. Her panties were on her right foot while her skirt was lifted to her slender waist.

Behind her, Xiao Tian was holding her waist and moving his waist back and forth continuously, sliding his huge penis in and out of her wet vagina.

They immediately changed position after she had an orgasm because different sex positions gave different sensations.

*Pakk...Pakk...Pakk...

The sound of his waist hitting her soft ass could be heard in their ears.

Not long after that, Xiao Tian finally reached his limit. "Xingyi, I'm about to cum."

Xi Xingyi instantly turned around and put his huge penis into her mouth.

Her intention was clear.

She wanted to drink his white sperm!

He grabbed her head and groaned. "Ah..."

Xi Xingyi widened her eyes when he shot out his sperm in her mouth.

'My mouth is full of his sperm!'

She looked at him lustfully before finally drinking his sperm.

*Gulp...Gulp...Gulp...

The sound of her gulping his sperm echoed in their ears.

She rose to her feet and spoke, "You cummed a lot, Xiao Tian."

"And you like it, right?" he pinched her cheeks gently as he smiled.

"Yes." After saying that, she put on her panties and tidied up her clothes. "Let's go back now."

Xiao Tian pulled up his trousers and answered, "Alright."

Chapter 1413 How Could I Make a Big Mistake Like This?

Xiao Tian and Xi Xingyi were heading to the bonfire.

"Why are you smiling like that?" he asked curiously.

"I'm happy." She gave an honest answer. "I'm happy both in body and soul."

"Was it because we just had sex?" he threw another question.

"That is one of the reasons." She responded, "Oh right, Xiao Tian. Do you want to sleep in my tent later?"

He was startled by her question. "Isn't that a bad idea? What if someone knows about it later?"

"It's fine. I will handle it if someone knows about it. Don't worry. They are under my control." She behaved as if Baito and the others were her subordinates.

"Just how much influence do you have in this city?" of course, he still remembers that she helped them develop the city.

"It's big enough to make them listen to me." she said confidently. "So, how is it? Do you want to sleep with me later?"

"Sure." He agreed instantly.

"But you can't do something lewd to me later." Xi Xingyi uttered.

He pinched her nose gently before smiling, "Why do I feel like you will seduce me later?"

"I won't seduce you. Maybe I will only sleep in your arms and kiss you passionately." She was not shy when she said something like that because they were lovers.

"Pervert!" he chuckled.

"I'm already forty-five years old, so I will do whatever I want, including sex." Sure, she still looked young, but she was already old.

"But in my eyes, you are still young." He used his sweet words.

Xi Xingyi hugged his right arm before asking something shocking. "Xiao Tian, do you want to have sex with me again?"

"But didn't we just finish having sex?" he had no idea as to why she suddenly asked something like that.

"The flame of lust suddenly appears within me after hearing your sweet words." She told him the reason why she asked something shocking like that.

"You are like my other girlfriend, Shi Fei." He suddenly remembered Shi Fei.

"Shi Fei?" she did not know who Shi Fei was because she had never met Shi Fei before.

"Yes. She is my sexy lover." He gave an honest answer. "Your pervert behavior is like hers."

"Then it seems like I will get along with her well later." She suddenly wanted to meet Shi Fei because she wanted to know how sexy she was.

"Definitely!" He was sure Xi Xingyi could get along with Shi Fei well because Shi Fei was easy going lady.

And like what they had planned before, Xiao Tian headed to Xi Xingyi's tent at 10:30 pm. Her tent was located a few meters from the other tents.

No, there was one tent close to hers, and it was Xi Ran's tent. Xi Ran and Leng Nichang would sleep in the same tent.

Xiao Tian and Xi Xingyi were currently having a passionate kiss in her tent. He was lying on his back with his beautiful MILF in his arms.

Previously, she only lay on top of him. She kissed him passionately because he kept praising her and making her happy.

"Huft...Huft...Huft..." she breathed heavily after stopping the kiss. "Good night, Xiao Tian."

He wrapped his arms around her back before finally speaking, "Good night, Xingyi."

They fell asleep shortly after that.

Xi Xingyi woke up at 05:00 am. However, she remained in her position because resting in his arms felt comfortable.

'He is really an attractive young man.'

She looked at his sleeping face.

'He even still looks handsome when he is sleeping.'

She kept praising her young lover.

'But he is also a pervert.'

She drew a small circle on his chest.

Time went by quickly, and without realizing it, it had been thirty minutes since she woke up.

'It's already 05:20 am.'

Even though she still wanted to rest in his arms, but she decided to get out of her tent.

The reason was simple.

She wanted to drink hot water and wait for the sun to rise!

She saw six people sitting around the bonfire after getting out of her tent: four men and two women.

"Mrs Xi, come here. Let's drink hot water together." Baito spoke abruptly after seeing Xi Xingyi.

Xi Xingyi walked toward them and chatted with them.

At the same time, Xi Ran woke up. She immediately got out of her tent because she wanted to drink water.

However, something unexpected happened after drinking water.

She walked into her mother's tent!

Xi Ran was still half-asleep, and the color of their tent was the same.

That was why she thought her mother's tent was hers.

She instantly lay on Xiao Tian's right side. Of course, she did not know the person sleeping next to her was Xiao Tian.

She thought he was Leng Nichang because they slept in the same tent.

At the same time, Xiao Tian woke up.

'Where is she?'

He was startled when he did not see Xi Xingyi in his arms.

'Ah, there she is.'

He was still half-asleep, so he thought Xi Ran was Xi Xingyi.

Without giving a warning, he lifted her body and placed her on top of him. There was a reason why he did something like that.

He wanted to sleep while embracing her!

A soft smile spread across his face after wrapping his arms around her back.

The duo fell asleep again.

Time went by quickly, and without realizing it, it was already 05:44 am.

The expression of deep shock blossomed on her face when Xi Ran opened her eyes.

'Xiao Tian?'

She was startled when she saw him after waking up.

But what surprised her most was that she was in his arms. First, Xiao Tian was sleeping in her tent, and last, she was in his arms.

'How dare he sleep in my tent!'

She still did not realize that she was in her mother's tent.

'And where is Nichang?'

She skimmed her surroundings, but she could not find Leng Nichang.

At this moment, she finally realized everything.

She was not in her tent!

'Am I in my mother's tent?'

That was the question that appeared in her mind.

'How did I end up in my mother's tent?'

She did not remember anything because she was half-asleep when she walked into her mother's tent.

'I should get out of this tent now.'

With that idea in mind, she tried to slide from his arms.

However, something unexpected happened when she tried to get out of her mother's tent.

Xiao Tian embraced her tighter!

'Xiao Tian, let me go!'

She tried to break free from his embrace.

But the harder she tried, the tighter his embrace became.

'What should I do now?'

She looked at his handsome face.

'Should I wake him up and tell him I'm Xi Ran?'

After thinking for several seconds, she decided not to do that.

'How could I make a big mistake like this?'

She sighed.

She could not blame Xiao Tian because she was the one who entered her mother's tent.

'Forget it. But I have to leave this tent before everyone wakes up.'

She tried to break free from his embrace again.

Because she kept trying to break free from his embrace, Xiao Tian finally woke up.

'Hmm?'

Chapter 1414 Kissing Xi Ran

"Good morning, my love." Xiao Tian smiled softly after waking up.

He still mistook Xi Ran for her mother. First, he just woke up. Second, she did look just like her mother.

Third, they were in Xi Xingyi's tent. Fourth, he slept with Xi Xingyi last night.

And last, he thought it would be impossible for Xi Ran to sleep in her mother's tent because he had been with her mother since last night.

These were the reasons why he mistook Xi Ran for her mother.

Xi Ran did not say anything and only stared at him.

No, it was not like she did not want to say anything.

It was because she did not know what to say!

'What should I do now?'

At first, she wanted to tell him that she was Xi Ran, but she changed her mind because she did not know how to explain everything later.

'And why is he in my mother's tent?'

She knew Xiao Tian was her mother's lover, but he should not sleep in her mother's tent because there were many people around them.

And if he had not slept in her mother's tent, this awkward situation would not have happened.

'What should I do now?'

Like before, she still did not say anything.

To her surprise, Xiao Tian suddenly turned around, causing him to be on top of her body.

Xi Ran was startled.

But what surprised her most was that he suddenly kissed her lips.

'Hmm?'

She widened her eyes.

She did not expect him to kiss her lips after waking up.

Sure, he was her mother's lover, but from her point of view, kissing his lover's lips after waking up was not a nice thing to do.

'My mother and Nichang are right. He is a pervert!'

She labeled him as a pervert because he immediately kissed her lips after waking up.

When Xi Ran tried to stop him, he did something even more shocking!

He tried to put his tongue into her mouth!

In other words, he tried to kiss her passionately!

Xi Ran instantly pushed his face away from hers. "Xiao Tian, why are yo-"

Before she had finished her words, Xiao Tian uttered, "What's wrong, Xingyi? Don't you like having a deep kiss with me?"

He was shocked because, usually, Xi Xingyi never refused whenever he wanted to kiss her passionately.

Xi Ran still pushed his face away from hers.

'Does that mean they always do adult things whenever they are alone?'

That was the question that appeared in her mind.

Like before, Xiao Tian tried to kiss her passionately again. The air was cold, so he thought it was a good time for a deep kiss.

No, it was only his excuse!

He desired to kiss her because her lips were so beautiful and soft.

It felt good kissing her.

Xi Ran still refused to open her mouth.

'Should I let him kiss me passionately?'

He would know everything if she kept refusing his kiss.

'But...'

Even though Xiao Tian had helped her a few times, she still did not have special feelings for him.

This was the reason why she still did not open her mouth and only stared at his beautiful black eyes.

Xiao Tian did not give up and kept trying to put his tongue into her mouth. And after trying for several seconds, his efforts finally paid off.

He managed to put his tongue into Xi Ran's mouth!

No, she suddenly opened her little mouth!

Xi Ran welcomed the kiss because she did not want Xiao Tian to be suspicious of her.

He would know that she was not her mother if she kept refusing his kiss. That was why she decided to welcome the kiss.

'It's only a passionate kiss. It doesn't mean anything to...'

She wanted to say a deep kiss meant nothing, but she could not finish her words.

'Xiao Tian, this is my gratitude for helping me and my mother.'

She slowly moved her tongue lewdly, intertwining her soft tongue with his.

'He is so skilled at this.'

She suddenly felt pleasure spread throughout her body.

Her body turned hot, and she also wrapped her arms around his back. She did not expect to enjoy the kiss so much.

Xiao Tian smiled in his head.

'As usual, my MILF won't refuse me.'

He moved his tongue lewder.

"Huft...Huft...Huft..." Xi Ran breathed heavily after stopping the kiss.

'He is so skilled at deep kissing.'

At this moment, she still wrapped her arms around his back.

He kissed her forehead before finally smiling, "Good morning, my love."

"Good morning, my boyfriend." She kept pretending to be her mother.

Xiao Tian lay on her right side and spoke, "Last night was really amazing! You were so amazing!"

Xi Ran turned her head to look at him.

'Last night? What amazing? What did he do with my mother last night?'

She was suddenly curious about what he did with her mother last night.

However, she did not dare to ask about it because he would know she was not her mother.

'Amazing? Last night?'

After thinking hard, one thing suddenly appeared in her mind.

Sex!

She suddenly thought Xiao Tian had sex with her mother last night because they were lovers.

'Did they have sex in this tent last night?'

She kept looking at him as if she tried to read his mind.

'But I didn't hear anything last night.'

Her tent was next to her mother's, so she would hear her mother's moan if her mother had sex with him last night.

She suddenly changed her mind.

She believed her mother did not have sex with him last night because she did not hear anything.

'Then what did they do? Did my mother let him suck her breasts? Or did she give him a blowjob?'

Countless questions appeared in her mind.

"How about we do it again later?" Xiao Tian still did not know the woman lying next to him was not his girlfriend, but his lover's daughter.

"Alright." Even though she had no idea what he was talking about, she agreed instantly because she did not want to make him suspicious of her.

Xiao Tian smiled happily before kissing her cheeks. "You are the best, Xingyi."

Xi Ran tried her best to behave normally when Xiao Tian kissed her.

'He kissed me again.'

They had done many things since they woke up.

First, he embraced her. Second, he kissed her lips. Third, he kissed her passionately, and last, he kissed her cheeks.

'I have to get out of this tent now.'

She did not know what would happen to her if she remained in her mother's tent and pretended to be her mother.

That was why she wanted to get out of her mother's tent immediately. "Xiao Tian, I want to go out and talk to the others. Stay here for a few minutes. You can go out if no one is around this tent."

"Eh? But I still want to lovey-dovey with you." He wore a sad face.

"We can lovey-dovey again later." Even though she was shocked by his words, she did not show it on her pretty face.

When she was about to stand up, Xiao Tian grabbed her right hand and said something shocking.

Chapter 1415 Should We Give An Honest Answer?

7-8 minutes

When she was about to stand up, Xiao Tian grabbed her right hand and said something shocking.

"Xingyi, kiss me first before getting out of this tent." Even though they had done many kisses earlier, but he was the one who kissed her.

That was why he wanted to be kissed by her before she got out of the tent.

Xi Ran, who sat on his right side, stared at him.

'Kiss?!'

She did not expect him to ask something inappropriate like that.

'Didn't we just do it? You even kissed me passionately earlier.'

She sighed.

'It seems like you always try to take advantage of me.'

She tried to ignore his wish, but Xiao Tian kept holding her right hand.

"Hehe. I won't let you go before you kiss me." He kept holding her right hand as he chuckled.

'But why do I feel like her behavior is a little different than usual?'

He asked in his head.

Xi Ran looked at her right hand before shifting her gaze to Xiao Tian's handsome face.

'It seems like I have no other choice.'

She believed he would not let her go before he got what he wanted.

For this reason, she bent over and kissed his left cheek.

Even though they had done many kisses earlier, but she still felt nervous when her lips came in contact with his left cheek.

"I have kissed you. Now let go of my hand." She thought Xiao Tian would release her right hand, but she was wrong.

She was utterly wrong because he asked her to kiss him again.

"How about here?" he touched his lips with his right index finger.

Previously, she kissed his cheeks, so he wanted her to kiss his lips now. Xi Xingyi was his lover, so he said what he wanted without feeling shy.

Xi Ran was at a loss for words.

'Kiss your lips?'

She found it hard to believe what she was hearing.

She wanted to yell at him, but she could not do that. For this reason, she sighed before finally giving him a peck on the lips.

"I have kissed your lips. But I want you to forget what we just did. Can you do that?" she asked him to forget everything because he would know the truth if he discussed it with her mother.

"Sure." Even though he had no idea why she wanted him to forget everything, but he agreed instantly.

"Then I will get out now." after saying that, Xi Ran got out of her mother's tent.

She could only blame her bad luck for everything. If she had not slept in her mother's tent, he would not have taken advantage of the situation.

Not long after that, Xiao Tian got out of the tent. He immediately headed to the lake because he wanted to wash his face.

'This water is so cold!'

He felt like he was frozen when he touched the water.

'I will wash my face later.'

It was still 06:06 am, so it was normal if the water was cold.

'Where is my beautiful MILF?'

He walked around the camp.

'These she is!'

He saw Xi Xingyi sitting on a rock by the lakeshore.

"Hmm? You are already awake?" Xi Xingyi was a little surprised when she saw him.

"Because I want to spend time with you." After saying that, he sat next to her.

To his surprise, she suddenly grabbed his right hand and pulled him up. "Let's take a walk around this lake."

"Sure." He agreed instantly.

At this moment, Xi Ran was in her tent. She lay in bed and thought about what had just happened between her and Xiao Tian.

Leng Nichang, who was sitting next to her, inquired, "What's wrong, Ran?"

"Nothing." Xi Ran lied to her.

"Did Xiao Tian do something to you?" Leng Nichang threw another question. "Did he kiss you or do something like that?"

Xi Ran was startled.

'How could her guess be so accurate?!'

She decided not to answer Leng Nichang's questions because she was afraid that she would slip her tongue.

"Why don't you answer my questions? It suddenly makes me think my guess is right, you know?" Leng Nichang uttered, "Oh right, where did you go earlier?"

"I went to the toilet and talked to the others." Xi Ran could not tell Leng Nichang that she slept with Xiao Tian earlier.

"I see." Leng Nichang responded.

At the same time, Xiao Tian was having sex with Xi Xingyi. She was currently standing with her back leaning against a big tree.

Her blue skirt was lifted to her slender waist, and her right leg was hanging on Xiao Tian's left arm.

Countless suppressed cries escaped from her little mouth, and her juices kept coming out of her vagina.

Xiao Tian, who was standing in front of her, moved his waist back and forth continuously.

'Her vagina feels great!'

He moved his waist faster and faster.

"Hmm...Hm...Hmm..." Xi Xingyi tried her best to suppress her wails.

Actually, she wanted to moan as loudly as she pleased, but she could not do that because everyone would know what they were doing later.

"Xiao Tian...Xiao Tian...Xiao Tian..." she kept calling her lover's name as she cried out in delight.

"Ah...Ah...Ah..."

After sliding his penis in and out of Xi Xingyi's vagina for several minutes, he finally reached his limit.

"Xingyi, I'm cumming...."

He let out his white sperm deep inside her vagina because she brought her birth control pills to the camp.

"Hiii..." Xi Xingyi widened her eyes when his sperm hit her womb.

'I'm cumming again!'

She had another orgasm when he let out his sperm deep inside her pussy.

"Huft...Huft...Huft..." both Xiao Tian and Xi Xingyi breathed heavily as they looked at each other in the eyes.

And as if they could communicate through their eyes, they immediately brought their faces closer to each other before finally kissing passionately.

Of course, his penis was still buried deep inside her vagina because it felt great to have a passionate kiss while still connected.

After breaking the kiss, Xiao Tian uttered, "Let's go back."

"Un." Xi Xingyi nodded her head.

To their surprise, they met Leng Nichang and Xi Ran on the way to the camp.

"What are you doing here?" Xi Ran asked curiously.

Before Xiao Tian and Xi Xingyi could answer Xi Ran's question, Leng Nichang uttered, "Hm? Why do I feel like the two of you just finished doing adult things in this place?"

Xiao Tian was startled by Leng Nichang's good instinct.

'This woman...is she a goddess?'

Her guesses were often correct, so he suddenly thought she was a goddess.

Xiao Tian and Xi Xingyi looked at each other as if they were communicating through their eyes.

'Should we give an honest answer?'

Leng Nichang and Xi Ran were no strangers to them, so they suddenly thought of giving an honest answer.

However, something unexpected happened when Xi Xingyi was about to answer her daughter's question.

A strong wind suddenly blew, lifting Xi Xingyi's skirt and revealing her white panties!

Xi Ran widened her eyes while Leng Nichang giggled and covered her mouth.

They were shocked because her white panties were wet.

The situation suddenly turned awkward because explaining something and showing something was different.

Chapter 1416 Madam Xi, Don't Forget To Reward Him Later

7-8 minutes

'Her white panties are wet!'

Leng Nichang and Xi Ran were shocked when they saw Xi Xingyi's panties.

'Why are her panties wet?'

Both of them suddenly suspected that Xiao Tian and Xi Xingyi had just finished having sex because Xi Xingyi's skirt and T-shirt were not wet.

"Xiao Tian, isn't this situation similar to what happened a few months ago at the waterfall?" Leng Nichang suddenly remembered the time when she met Xiao Tian and Long Jingxian at the waterfall a few months ago.

At that time, she and Xi Ran sat by the river before seeing Long Jingxian's underwear. Not only that, but they also saw her bare pussy because a strong wind lifted her skirt.

This situation was similar to what happened at that time. The difference was Xi Xingyi still wore her panties even though her panties were wet.

"Did you have sex in this place?" Xi Ran threw a question.

"Yes. We had just finished having sex." There were two reasons why Xi Xingyi decided to tell the truth.

First, they had seen her wet panties, and last, Xi Ran did not forbid her to have sex with Xiao Tian.

"Didn't I tell you to control yourself?" Xi Ran was angry because she was worried about her mother's reputation.

If someone saw her having sex with Xiao Tian around the lake and spread it on the internet, her reputation would be ruined.

Not only that, but it could ruin her company too. They were from an upper-class family, so there were many people who tried to find their mistakes.

"Lady Xi, don't blame your mother. It's my fault." He did not want Xi Ran to blame her mother.

Actually, Xi Xingyi was the one who seduced him, but he decided to take the blame because he was her boyfriend.

Xi Ran shifted her gaze from her mother to Xiao Tian. "Xiao Tian, I never forbid you to have sex with my mother, but you can't do it just anywhere."

She then continued, "Have you forgotten that you two are famous people? Your actions can cause many troubles, you know?"

Xi Xingyi looked at Xiao Tian.

She was sad and happy at the same time.

She was sad because her daughter scolded him, and she was happy because he took the blame.

'My lover is so cool!'

Even though he was a cool young man, but he looked cooler when he took the blame.

Xi Ran sighed. "Forget it. Let's go back now."

Xi Xingyi instantly hugged her daughter's right arm and smiled, "Thank you, Ran."

Leng Nichang moved to Xiao Tian's left side and inquired, "Xiao Tian, did you manage to satisfy her earlier?"

The corner of his lips twitched.

'This lady is so wild sometimes. How could she ask about such a thing?'

He did not expect her to ask something like that.

Instead of answering her question, Xiao Tian asked, "Do you want me to demonstrate it to you?"

Leng Nichang turned her head to look at Xi Xingyi, "Madam Xi, did you hear it? Your boyfriend said he wanted to have sex with me."

"You can do it with him if you want. I don't mind it." Xi Xingyi behaved normally as if it was normal for him to seduce all beautiful women.

Xi Ran and Leng Nichang were shocked.

"Mother, you changed since you became his lover." Xi Ran was sure her mother's personality changed since her mother became Xiao Tian's lover.

"Ran, you can also have sex with him if you want." Xi Xingyi said something shocking while still behaving normally. "With this, we will have the same boyfriend and won't quarrel again."

"Cough!" Xiao Tian coughed after hearing Xi Xingyi's words.

'Xingyi, she is your daughter! Have you lost your mind?'

He asked in his head.

'Wait!'

He suddenly thought it was not a bad idea because he never did Oyakodon in his current life.

Xi Ran did not say anything and only stared at Xiao Tian.

'He is a bad influence on my mother.'

She felt like her mother was addicted to sex now.

'Is he really that good at sex?'

She was suddenly curious about his skills in having sex.

The event was over at 04:00 pm, so they returned to the villa immediately.

"Where should we rent a bicycle?" Xiao Tian inquired.

Xiao Tian and the others were currently in the living room. Previously, Baito said they would have a cycling event together in two days.

Xi Xingyi and the others agreed to participate because it looked fun. However, they forgot that they had no bikes.

"Should we buy a new bicycle?" Xi Xingyi inquired.

"Mother, we will only use it once, so buying a new bike is a waste of money." Xi Ran believed buying a new bicycle was a bad idea because they would only use it once.

"But we didn't find a bike rental place before." Xi Xingyi replied.

They looked for a bicycle rental place on the way to the villa earlier, but they could not find it.

"Xiao Tian, why don't you buy a new bike for us?" Leng Nichang asked abruptly. "Don't worry. Madam Xi will reward you in bed tonight."

"Nichang, why did you drag me into this?" Xi Xingyi uttered, "Why don't you reward him yourself? After all, you will be using the bike too."

"But I'm not his lover." Leng Nichang responded instantly. "You are his lover."

"You don't have to be his girlfriend to have sex with him." Xi Xingyi answered. "Don't worry. I won't be angry at you later; instead, I will be happy because, with this, we will become sisters."

Leng Nichang turned her head to look at him. "Xiao Tian, what did you do to madam Xi?"

"I don't know." Xiao Tian gave an honest answer. "I also don't know why she is like that."

"Alright. Let's forget about it." Leng Nichang uttered, "So, how is it? Do you agree to buy a new bike for us?"

"Sure." Even though he had to buy four bikes, he did not mind it because he had a lot of money.

"Are you sure?" Xi Ran inquired. "What are we going to do with our bikes after the event?"

"How about we give it to the orphans later?" he gave a piece of advice.

"Xiao Tian, I didn't know you were a kind young man." Leng Nichang spoke and paused for a second before she continued, "I thought you were only a pervert."

"Lady Leng, you think that way because you only see me as a pervert." He behaved as if he was not a pervert. "Deep in my heart, I'm actually a-

Before he had finished his words, Leng Nichang interrupted him. "A pervert, right?"

The corner of his lips twitched.

'Why do I think that this beautiful and sexy woman likes to tease me so much?'

He did not know why Leng Nichang kept teasing him.

Leng Nichang rose to her feet and spoke, "Let's go buy a new bike now."

"Un." Xi Xingyi nodded her head.

They went straight to the nearest bicycle shop. After buying a bike, they returned to the villa.

Xiao Tian and the others were currently watching a movie in the family room.

"Madam Xi, don't forget to reward him later." Leng Nichang spoke abruptly.

"Alright." Xi Xingyi answered without feeling shy.

"Lady Leng, how about you join us later?" Xiao Tian inquired.

Chapter 1417 Go And Take A Shower

7-8 minutes

"Lady Leng, how about you join us later?" Xiao Tian decided to tease her because she kept telling Xi Xingyi to reward him in bed.

Leng Nichang's lips curled up into a smile. "You are trying your luck, huh?"

"I will teach you how to be skilled in bed later." He knew she was a virgin because she admitted it yesterday.

"It's fine. I will learn about sex with my future boyfriend." After saying that, she rose to her feet and grabbed Xi Ran's right hand. "Ran, let's go to sleep now."

She kept her promise.

She decided to go to bed early because she wanted to give Xiao Tian time to have sex with his lover.

"But I still want to watch this movie." Even though Xi Ran said something like that, she did not try to fight back when Leng Nichang dragged her out of the family room.

"We can watch this movie in my room later." Leng Nichang responded, "Tonight, let's sleep in my room."

Xi Ran looked at her mother before returning her attention to Leng Nichang.

Xiao Tian and Xi Xingyi exchanged a glance with each other. Of course, they were happy with Leng Nichang's actions because, with this, they could lovey-dovey later.

"Kya!" Xi Xingyi was startled when Xiao Tian suddenly carried her.

"How about we lovey-dovey in my room, my beautiful lover?" he inquired.

"Alright." Even though he did not say what he wanted directly, she knew what he had in mind.

Sex!

He wanted to have sex with her in his room!

Of course, she agreed instantly because she loved having sex with him.

She was already forty-five years old, so she knew her body was no longer young. That was why she wanted to have sex with him as much as she could.

They instantly took off their clothes and had wild sex after stepping into his room.

"Xiao Tian, are you serious with our relationship?" Xi Xingyi asked curiously.

They were currently lying on the bed, naked. They did not put on their clothes after having sex because they were too lazy to do that.

He turned his head to look at her. "Why are you suddenly asking something like that?"

"Just answer my question." She did not answer his question.

"When I'm ready, I will marry you and my other women." He was not lying when he said this because he was serious about their relationship.

Happiness blossomed in Xi Xingyi's heart. She was pleased because he was serious about their relationship.

He kissed her forehead before finally speaking, "Even though I'm a playboy and pervert, but I value women, especially a strong and independent woman like you."

To his surprise, she suddenly spread her legs and vagina, "Xiao Tian, put your cock into my pussy again."

He was stunned.

They had just finished having wild sex a few minutes ago, so he thought they would not do it again for today.

"Hurry up and do it." She said when he only looked at her.

He did what she wanted. After sitting between her legs, he stroked his penis, trying to get his penis erect.

He could get an erection quickly because her beautiful vagina was visible to his eyes.

"I will put it in now." after saying that, he thrust his penis into her pussy.

"Ahh..." Xi Xingyi's little mouth opened, letting out a seductive moan.

'My vagina is full!'

She added in her mind.

When he was about to move his waist, she said something shocking again. "Xiao Tian, say you are serious with our relationship and will marry me in the future."

He finally understood everything.

'I see.'

He knew what she felt because Shi Fei did the same thing in the past.

He bent over before finally speaking in a soft loving voice. "Xingyi, I love you. I really do. Even though I can't do much now, but I will show you how serious I am with you by marrying you in the future."

Tears suddenly appeared in her eyes.

'Xiao Tian...'

Of course, it was tears of happiness.

"Remember the words you just said every day." She spoke and paused for a second before finally, she continued, "But I hope you will marry me sooner because I'm already forty-five years old. I'm afraid I won't be able to have your baby if you make me wait any longer."

"Then how about we make a baby now?" he asked jokingly.

"I can't do that." She refused instantly. "Marry me first if you want a baby."

"Don't worry. I will do that." He responded, "Can I move now?"

At first, Xiao Tian thought she would say yes, but she said the opposite.

"You can pull your cock out of my pussy now." Xi Xingyi said a cruel thing without feeling guilty. "I'm still sore down there, so no more sex for today."

"Xingyi, how could you say something so cruel like that?" he wore a sad face, hoping she would change her mind.

However, his efforts were in vain because Xi Xingyi did not care about his feelings. "Lay on the bed. I will give you a blowjob."

After giving him a blowjob, she drank his white sperm again. At first, she wanted to lay next to him, but she changed her mind when he tapped his chest.

After lying prone on top of him, she inquired, "Are you still angry at me?"

"I will never angry at you." He used his sweet words.

"Then I will do something like this again in the future." She teased him because he was lying.

Xiao Tian's face turned worried, "No, please don't do this again. It feels uncomfortable, you know?"

"Hehe." Xi Xingyi giggled. "Let's sleep now."

"Un." After saying that, he wrapped his arms around her back.

The following morning, they went to tourist attractions after breakfast. However, they returned to the villa at 2:00 pm.

They would have a bicycle event tomorrow, so they did not want to be tired.

Xiao Tian, who stepped into the living room, inquired, "Where are lady Leng and your daughter?"

"They took a walk around the villa." Xi Xingyi gave an honest answer.

"Then we can lovey-dovey now." after saying that, he sat on her right side before finally kissing her right cheek.

She smiled softly before resting her head on his lap. "This movie is so good!"

"Oh? That's my movie." He said something shocking. "I was the scriptwriter."

"Really?" he had a movie company, so she did not know if he was lying or not.

"I'm not lying to you. You will see my name in the closing credits later." It was a film that his company published a few weeks ago.

Of course, it was a good movie because that movie was very popular in his previous life.

Yes, he stole the movie from his previous life again.

"You are really amazing, Xiao Tian." She decided to believe his words because he dared to say something like that. "It seems like you are amazing in everything."

"You are right." He accepted the praise without feeling shy. "I'm indeed amazing in everything, especially in bed."

"Xiao Tian, your body stinks. Go and take a shower." Of course, she was lying when she said his body smelled bad.

"Huh?" he tilted his head, confused.

"Hurry up and take a shower." She pushed him.

"Al...alright." Even though he did not know why she suddenly told him to take a shower, he did what he was told.

'Just why did she suddenly tell me to take a shower?'

Chapter 1418 Cooking Together

8-10 minutes

After taking a shower, Xiao Tian returned to the living room.

'Where is she?'

He did not see Xi Xingyi in the living room.

'Is she in the kitchen?'

He headed to the kitchen.

'There she is.'

He saw her washing vegetables.

Without waiting for another second, he walked toward her before finally embracing her from behind.

"My love, what are you doing?"

Xi Xingyi was not surprised by his actions. "I want to cook dinner for us."

"Haven't lady Leng and your daughter returned yet?" he asked curiously.

"They said they would be back at 6 or 7." She responded.

"At 6 or 7?" he turned his head to look at the clock on the wall.

'It's still 05:00 pm now. Then doesn't that mean they will be back in an hour or two?'

His lips curled up into a smirk.

"Ah..." Xi Xingyi was startled when Xiao Tian suddenly squeezed her breasts from behind.

'Is he horny because we are alone in the villa?'

She did not stop him and kept washing the vegetables.

Xiao Tian was still resting his head on her right shoulder. He saw her washing the vegetables while squeezing her big soft breasts.

*Ten seconds...twenty seconds...fifty seconds.

It had been fifty seconds since Xiao Tian started squeezing her big breasts.

Like before, Xi Xingyi was still washing the vegetables.

Actually, the flames of lust had appeared within her, but she tried her best to hold back her lust and kept washing the vegetables.

"Ah..." a seductive moan escaped from her little mouth when Xiao Tian's hands went under her T-shirt and played with her soft breasts directly.

Her wails grew louder and faster when he played with her nipples and pinched them gently.

'It seems like we will have sex in the kitchen later.'

Of course, she did not mind it because they had never had sex in the kitchen before.

After playing with her breasts for several seconds, Xiao Tian squatted down, facing her sexy ass.

His intention was clear.

He wanted to lick her vagina.

Xi Xingyi turned her head to look at him. "Are you going to lick my pussy?"

"Yes." He gave an honest answer.

She instantly spread her legs after hearing his answer.

She had finished washing the vegetables, so she bent over and rested her arms on the counter cabinet.

At this moment, her sexy black panties were on her right foot, and her white skirt had been lifted to her slender waist.

In short, her lower body was visible to his eyes!

Of course, she did not feel shy because Xiao Tian had seen every inch of her body.

"Ah...Ah....Ah..." countless seductive cries came out of her mouth when he started licking her pussy.

Due to how skilled he was at licking her vagina, her pussy was wet in no time. Her legs even squirmed continuously.

"Xiao Tian, put it in." Xi Xingyi could no longer hold back the lust within her. "Put your cock into my pussy now."

Xiao Tian granted her wish.

He wasted no time and pulled down his shorts.

Even though Xi Xingyi did not do anything to his cock, but his penis was already erect because he licked and sucked her pussy earlier.

Xi Xingyi turned around to face him.

She wanted to do it from the front because she wanted to see his handsome face.

She leaned her ass against the edge of the counter cabinet before finally placing both of her hands on it. "I'm ready, Xiao Tian."

Xiao Tian lifted her left leg before thrusting his erect penis into her vagina.

"Ahh..." she moaned as she stared at his handsome face.

'Moaning while looking at his handsome face feels great.'

She added in her mind.

"Ah...Ah...Ah..." Xi Xingyi did not hold back her wails because they were alone in the villa.

Leng Nichang and her daughter said they would return to the villa in an hour or two, so they could do whatever they wanted.

Xiao Tian sped up his movements.

His gaze was locked on her fascinating face as he moved his waist back and forth continuously.

When she noticed that he was looking at her, she opened her little mouth and stuck out her pink tongue, asking for a passionate kiss.

He wasted no time and kissed her passionately.

Yes, he was doing multitasking!

He kissed her passionately while sliding his huge penis in and out of her wet vagina.

However, he stopped the kiss shortly after that because he wanted to see and squeeze her big breasts again.

Xi Xingyi lowered her gaze and looked at her breasts when Xiao Tian suddenly pulled up her T-shirt.

He smiled happily when he found out that Xi Xingyi was wearing front-closure bras because he could easily unhook her bras.

Actually, she wore front-closure bras on purpose. She intended to have a lot of sex with him during this vacation, so she always wore simple clothes.

This was the main reason why she always wore skirts and front closure bras because, with this, they could have sex whenever and wherever they wanted.

Like before, Xiao Tian squeezed her soft breasts while sliding his penis in and out of her pussy.

"Ah...Ah...Ah..." Xi Xingyi looked at Xiao Tian's hands and his penis continuously.

The sight of his hands squeezing her breasts and his penis sliding in and out of her pussy made her even more aroused.

Her moans grew louder and faster as if Xiao Tian could control her body completely using his movements.

"Ah...Ah...Ah..." unlike before, she kept staring at his penis this time.

'It looks like his penis is being eaten by my pussy.'

She kept looking at the place where they were connected.

Xiao Tian was startled when he saw the direction of her gaze. He shifted his gaze to his penis before returning his attention to her pretty face.

He stopped moving his waist before finally bringing his face closer to her right ear and whispering, "Xingyi, my cock is being eaten by your pussy."

Xi Xingyi smiled after hearing his words. "Then we have been using the wrong phrase all this time."

p "What do you mean by that?" he did not understand the meaning of her words.

"All this time, you always said you ate me, but the truth was the opposite." Xi Xingyi answered, "I eat you all this time. Look at your penis! Your cock is deep in my pussy right now. This is the evidence!"

The corner of his lips twitched.

He didn't expect that she would throw such a deadly attack at him.

"Hehe." Xi Xingyi giggled after seeing his expression. "Why didn't you say anything, my young boyfriend?"

Xiao Tian pinched her cheeks gently and spoke, "You dare to bully your boyfriend, huh? Do you want to be punished?"

"But am I not being punished by you now?" she inquired.

"I'm punishing you gently right now. Do you want to be punished more severely?" the meaning of his words was clear.

He asked her whether she wanted to be fucked hard or not.

"Please, punish me hard, my young boyfriend." Of course, she knew the meaning of his words.

"Then turn around." He responded, "I want to do it from behind this time."

Xi Xingyi did what she was told. "I'm ready to be punished."

Xiao Tian thrust his penis into her pussy in one go. Not only that, but he immediately moved his waist fast.

"Ah...Ah...Ah..." Xi Xingyi cried out in delight.

At the same time, Xi Ran and Leng Nichang arrived at the villa. They decided to come back early because they were tired and wanted to relax in the villa.

Leng Nichang and Xi Ran did not return to the villa empty-handed because they bought food, drinks, and cakes.

"Let's watch a movie." Leng Nichang uttered.

"Un." Xi Ran nodded.

The expression of deep shock blossomed on their faces when they stepped into the family room.

They heard a woman's moan!

They put the food, drinks, and cakes on the table before walking toward the source of the sound.

The distance between the family room and kitchen was close, so they could clearly hear Xi Xingyi's moan.

At the same time, Xiao Tian was fucking Xi Xingyi from behind. Both of them were half-naked. His shorts were at his feet while Xi Xingyi's skirt was at her waist.

"The voice is from the kitchen." Leng Nichang uttered.

Xi Ran and Leng Nichang were shocked when they saw what was happening in the kitchen.

"Mother?!" Xi Ran said in surprise.

Chapter 1419 Don't Blame Her

6-8 minutes

Xiao Tian instantly stopped moving his waist and turned his head toward the source of the sound.

He was shocked when he saw Xi Ran and Leng Nichang.

'Lady Leng and lady Xi?!'

At this moment, his penis was still buried deep inside Xi Xingyi's pussy, and they were also half-naked.

Like Xiao Tian, Xi Xingyi was also shocked after hearing her daughter's voice.

'Ran?'

Previously, her daughter said they would be back at 6 or 7, and now it was not even 6 pm yet.

Leng Nichang covered her mouth with her hands when she saw what they were doing in the kitchen.

'They are having sex in the kitchen?!'

She shifted her gaze from Xiao Tian's face to his waist, which was pressed against Xi Xingyi's soft buttocks.

Xi Ran was at a loss for words.

Sure, she said she did not forbid her mother to have sex with him, but from her point of view, doing it in the kitchen was not a good idea.

The situation instantly turned awkward.

Xiao Tian also did not know what to do or say because something like this had never happened before.

'What should I do at a time like this?'

Even though he was thinking of a way to explain everything, but his expression looked calm, as if he did not mind Xi Ran and Leng Nichang seeing him having sex with Xi Xingyi.

"Ran...this...ah...I mean...this...." Xi Xingyi did not know what to say because Xiao Tian's huge penis was still in her vagina.

Xi Ran kept staring at them.

'They are still connected.'

Of course, she knew that his penis was still inside her mother's vagina because they were half-naked, and his waist was pressed against her mother's ass.

Xiao Tian instantly returned his attention to Xi Xingyi because her vagina muscles suddenly squeezed his cock wildly.

'Xingyi, stop it!'

He knew why her vagina muscles suddenly moved wildly like that.

It was because her daughter was seeing her having sex with him!

'Should I pull my cock out of her pussy first?'

That was the question that appeared in his head because they were currently in an inappropriate position.

"Ran, let me explain it." Xi Xingyi rushed toward her daughter, causing Xiao Tian's cock to pop out of her vagina.

Xi Ran and Leng Nichang widened their eyes when they saw Xiao Tian's huge penis.

'Huge!'

Even though they were virgins, but they knew the average size of a man's penis.

Porn!

Yes, they also watched porn!

Not only men but women also watched porn. They just did not want to admit it or were better at hiding it.

Xiao Tian, who was taken aback by Xi Xingyi's sudden action, did not cover his erect penis, causing his huge penis to be visible to their eyes.

Xi Xingyi stopped her footsteps and turned around. "Xiao Tian, your penis! Hurry up and cover your cock."

Even though he knew that Xi Ran and Leng Nichang were looking at his penis, he still behaved normally.

After all, something like this had happened a few times in the past. Yun Xin Er, Su Ruanyi, his mother, his aunt and Shi Fei; all of them saw his penis before becoming his women.

For this reason, he walked toward his shorts calmly before finally putting them on.

Like before, Xi Ran and Leng Nichang still looked at his penis. They suddenly felt as if there was a magnet between their eyes and his cock.

They did not even stop staring at him even though he was already wearing his shorts.

The reason was simple.

They could see his bulge!

His penis was still erect, so they could see the shape of his cock through his shorts.

"Ran, Nichang, let's head to the family room." Xi Xingyi uttered, "Let's talk there."

Xi Ran and Leng Nichang shifted their gazes from Xiao Tian to Xi Xingyi. Their gazes fell to her hips because she was still half-naked.

"Madam Xi, shouldn't you wear your skirt first?" Leng Nichang giggled after saying that.

Like Xiao Tian, Xi Xingyi walked towards her skirt calmly because they had seen everything earlier.

They instantly headed toward the family room and sat on the couch.

Xi Xingyi was sitting between Xi Ran and Leng Nichang, while Xiao Tian sat on their right side.

The sofa was shaped like the letter L. Xiao Tian sat on the edge of the sofa, so they could see his face clearly.

"Ran, why did you come back early?" Xi Xingyi inquired, "Didn't you say you would be back at 6 or 7? It's still 5:40 pm now."

Instead of answering her question, Xi Ran asked, "Did you have sex with him in the kitchen because we said we would be back at 6 or 7?"

"Yes." Xi Xingyi gave an honest answer.

At this moment, Xi Ran and Leng Nichang kept stealing glances at Xiao Tian, or more precisely, they kept stealing glances at his bulge.

They were shocked when they saw his penis earlier, so they still could not erase the memory of his penis from their heads.

Xi Ran sighed after hearing her mother's answer.

'Why do I feel like she really loves sex now?'

Even though it was her first time seeing her mother having sex with Xiao Tian, but she knew it was not their first sex.

First, she saw her mother come out of Xiao Tian's room wearing transparent lingerie a few days ago.

Second, she saw her wearing wet panties yesterday, and now, she saw them having sex in the kitchen.

She knew they were lovers, but from her point of view, they had sex too often.

'Is he really good at sex?'

That was the question that appeared in her mind because her mother seemed to really like having sex with him.

"Lady Leng, lady Xi, don't blame Xingyi. I seduced her first." He tried to take the blame again.

"Hmm? Are you trying to take the blame again?" Leng Nichang liked his behavior because he looked so manly when he tried to protect Xi Xingyi.

"But I did seduce her earlier." He instantly embraced Xi Xingyi from behind after entering the kitchen so he was not lying to them.

"I know you two are lovers, but don't you two have sex too much?" Xi Ran uttered, "And you, mother. You never had sex with Han Shutai when the two of you were a couple, so why did you have sex with Xiao Tian so often?"

"Do you really want to know the answer?" Xi Xingyi did not mind telling the truth because Xi Ran was her daughter.

"Yes. Tell me the truth." Xi Ran wanted to hear the truth.

Leng Nichang paid attention to Xi Xingyi carefully because she also wanted to know about it.

"First, that bastard Shutai always acted like a saint, always refusing whenever I tried to seduce him." Xi Xingyi responded, "And last, you two saw Xiao Tian's penis earlier. His cock is huge and long."

She then continued, "Not only that, but he also has unlimited stamina and knows how to use his penis. In shorts, he is an expert in sex!"

When Leng Nichang saw his bulge again, Xiao Tian decided to tease her. "Lady Leng, why are you looking at me? Do you want to see it again?"

Chapter 1420 Are You Avoiding My Question?

7-8 minutes

Leng Nichang's lips curled up into a smile. "Xiao Tian, are you happy that Madam Xi complimented you?"

"Lady Leng, are you avoiding my question?" even though many people often praised him, but he was still pleased when Xi Xingyi praised him in front of Leng Nichang and her daughter.

Xi Ran stared at her mother.

She did not expect her mother to praise him so openly like that.

Her mother even behaved as if praising him was something to be proud of.

And what she could not believe the most was that her mother talked about his penis without feeling shy.

'I give in.'

Xi Ran sighed again. "Fine. We will go out for forty minutes. Finish it before we go back for dinner."

She decided to let them continue having sex because they disturbed them when they were having sex earlier.

Xiao Tian, Xi Xingyi and Leng Nichang were startled.

'What?!'

They did not expect her to say something like that.

They thought Xi Ran would scold them because Xiao Tian and her mother had sex in the kitchen earlier.

Xi Ran grabbed Leng Nichang's right hand before rising to her feet. "Let's go for a walk now."

Leng Nichang turned her head to look at Xiao Tian and Xi Xingyi. "Madam Xi, Xiao Tian, enjoy yourself."

"Ran, I love you!" Xi Xingyi shouted happily because her daughter did not scold her.

Even though Xi Ran did not say anything and kept looking forward, but a tiny smile appeared on her pretty face.

There was a reason why she always forgave them and let them do whatever they wanted.

It was because her mother was always happy now!

Since her mother became his lover, she was always in a good mood and often smiled happily, as if Xiao Tian was the source of happiness.

After Leng Nichang and Xi Ran walked out of the family room, Xi Xingyi sat on Xiao Tian's lap, facing him. "Do you want to continue what we were doing before?"

They still had not had an orgasm because Xi Ran and Leng Nichang disturbed them when they were in the middle of having sex.

"Sure." After saying that, Xiao Tian took off his shorts.

And soon, her villa was filled with her cries.

Leng Nichang and Xi Ran returned to the villa shortly after they finished having sex. Like usual, Xi Xingyi came to his room when Xi Ran and Leng Nichang had fallen asleep.

The following morning, they went straight to Zi Park to join the Cycling Together event.

Baito immediately explained their activities when everyone arrived. He said the bike track was around the foot of the mountain.

"There will be committees at some point on the bike path so you don't need to be afraid." Baito spoke and paused for a second before continuing, "As long as you follow the directions, nothing will happen to you."

All the participants felt relieved after hearing his words.

"The finish line is at the Fuji Fountain, in front of Heaven Villa. We will eat together at Heaven Villa later." Baito said, "Let's start now."

Several participants started pedaling their bicycles. At first, Xiao Tian, Xi Ran, Leng Nichang and Xi Xingyi cycled together, but they separated a few minutes after that.

Xi Ran was currently cycling with Leng Nichang, while Xiao Tian was with Xi Xingyi.

"Ran, your mother is always happy and in a good mood since she became Xiao Tian's girlfriend." Leng Nichang uttered, "Sometimes, she even forgot about us."

"I think so too." Xi Ran also thought her mother was happier since her mother was with Xiao Tian.

That was why she never got involved in their relationship because she wanted her mother to always be happy.

"But your mother became a pervert too. She even said vulgar words without feeling shy." Leng Nichang remembered the time when Xi Xingyi talked about Xiao Tian's penis without feeling shy.

"You are right." Xi Ran agreed with Leng Nichang's words.

They began to chat about many things. They even talked about Xiao Tian's body too.

"Nichang, you go first. I want to pee." Xi Ran uttered.

"Alright." Leng Nichang responded.

At the same time, Xiao Tian was looking for his MILF girlfriend. "Where is my MILF?"

He was separated from Xi Xingyi because he stopped briefly to pee earlier.

'She is so cruel!'

He sighed because Xi Xingyi had left him alone.

'Is that her?'

He pedaled his bike faster when he saw a woman who looked like Xi Xingyi.

"My beautiful girlfriend, why did yo-" Xiao Tian stopped his words and corrected it when he found out she was Xi Ran. "Ehm! Lady Xi, I thought you were your mother."

"You are not with my mother?" Xi Ran was startled because she thought he was with her mother.

Xiao Tian sighed. "She left me when I went to the toilet."

"I see." She finally knew the reason why he was not with her mother.

"By the way, where is lady Leng? I thought you were with her earlier." Previously, Xi Ran was with Leng Nichang, so he was surprised when he did not see Leng Nichang.

"I told her to go first earlier." She gave an honest answer.

"Looks like we were left behind." He uttered, "There is probably only two people behind us."

"It seems so." She responded.

One hundred in front of them, the road was split in two different directions.

The bicycle track was supposed to be going left, but the wild monkey changed the direction to the right.

Of course, Xiao Tian and Xi Ran did not know about this. For this reason, they went in the wrong direction.

The two of them did not realize this and continued to pedal their bicycles.

Somewhere at the foot of the mountain, a young couple was having sex in an abandoned bamboo house.

At first, they wanted to have normal sex, but a crazy idea suddenly appeared in their minds.

They decide to have sex under the influence of an aphrodisiac!

They had never had sex under the influence of an aphrodisiac, so they wanted to try it.

They immediately burned several incenses before having sex. These incenses were not ordinary incenses because it is made of aphrodisiac ingredients.

In other words, it was aphrodisiac incense!

That was why they instantly got aroused after inhaling the aphrodisiac scents.

They dared to do something crazy like that because no one had ever used that bamboo house other than them.

The young couple instantly left after having sex. Even though the bamboo house was still filled with aphrodisiac scents, they did not care about it.

At the same time, Xiao Tian and Xi Ran were standing under a big tree. They stopped biking because it suddenly rained.

"Lady Xi, there is a bamboo house. How about we take shelter in that bamboo house?" Xiao Tian said as he pointed his right index finger at the bamboo house in front of him.

"Alright." Xi Ran agreed instantly because it was better to shelter in the bamboo house than under a big tree.

The duo pushed their bikes to the bamboo house. Of course, they did not know that the bamboo house was filled with aphrodisiac scents.

Yes, it was the bamboo house where the young couple had sex a few minutes ago.
