Chapter 631 - As I Thought, He Wants To Take A Bath With Me

As Yun Xin Er was expressing her feelings in her head, Xiao Tian was only embracing her. If Xiao Tian knew what she had in mind, he would have teased her right away, and of course, he would also be happy.

Even though Xiao Tian knew that Yun Xin Er had already fallen in love with him, she had never expressed her real feelings directly.

She even called him 'honey' in her head. If he knew about it, he would have smiled from ear to ear. It was a pity that Xiao Tian didn't know about it.

Like before, none of them said anything. The vast room was still quiet and lonely. However, several seconds later, Xiao Tian's smartphone suddenly rang, breaking the room's serene and lonely atmosphere.

Xiao Tian instantly took his phone out of his pocket to see who was calling him. When he found out that it was Shi Fei, he immediately picked up the phone, "Fei, what's wrong?"

At this moment, Yun Xin Er was still lying prone on top of his body. Even though Xiao Tian was on the phone, she remained in the same position.

'Oh! His woman is calling him.'

Yun Xin Er's face broke into a soft smile when Xiao Tian suddenly stroked her hair gently with his left hand.

She was pleased because, with this, she knew that Xiao Tian didn't forget her even though he was on the phone.

"Little brother, where are you right now?" Shi Fei inquired.

Because she desired to spend time with Xiao Tian, Shi Fei dashed to his room after arriving home, but she could not find him. She then looked for him in every part of their house, but the result was still the same.

When she didn't see his car in the parking lot, she knew that Xiao Tian still hadn't come home. She kept waiting and waiting, hoping Xiao Tian would go home soon.

Seconds turned into minutes, and minutes became hours. Without realizing it, Shi Fei had been waiting for about two hours, but still, Xiao Tian hadn't returned home.

"I'm at big sister Yun's house right now." Xiao Tian gave an honest answer.

"I see." After hearing his words, Shi Fei thought Xiao Tian would not come home soon.

Of course, she was not jealous or angry. She just desired to spend time with him because she rarely spent time with him since four days ago.

From her voice, Xiao Tian knew that she was sad.

'What's wrong with her?'

Usually, Shi Fei was always cheerful. It was Xiao Tian's first time hearing her sad voice.

For this reason, Xiao Tian immediately spoke, "I will go home now."

"Really?" Shi Fei's mood instantly became brighter. Previously, she thought Xiao Tian would not go home immediately, but she was wrong.

'Little brother, I love you so much.'

Shi Fei added in her head.

"Yes." Xiao Tian was relieved when he knew that Shi Fei was not sad anymore.

"Good! I will be waiting for you at home." Shi Fei was pleased because, with this, she knew that she was very important to him. He was even willing to leave Yun Xin Er for her.

As Shi Fei was feeling happy, Yun Xin Er felt the opposite. She was sad when she found out that Xiao Tian would go home soon.

She still desired to spend time with him. She still needed him, and she still wanted to feel the warmth of his embrace.

Even though Yun Xin Er didn't say anything, she looked at Xiao Tian with sad eyes as if she was telling him not to go.

"Big sister Yun, sorry. I have to go home. Fei needs me right now." of course, Xiao Tian knew what she felt because it could be seen on her face.

At this moment, Yun Xin Er wanted to say, 'don't go and stay with me.' However, she knew that Xiao Tian would not listen to her words.

Shi Fei was one of his women, so Yun Xin Er knew that Shi Fei had a special place in his heart, and he would prioritize Shi Fei over her.

'Will he stay with me if I become his lover?'

Her relationship with him was still unclear. It was true that their relationship was more than friends, but at the same time, they were also not lovers, or to be precisely, their relationship was between friends and lovers.

Xiao Tian then put Yun Xin Er on the bed and got out of bed. "Let's meet again tomorrow."

When Xiao Tian was about to walk out of her room, Yun Xin Er instantly got out of the bed and spoke, "Little brother..."

Upon hearing her words, Xiao Tian instantly turned around because he wanted to know why she suddenly called him.

To his surprise, as soon as he turned around, Yun Xin Er instantly cupped his face and kissed his lips. Not only that, she even tried to put her pink tongue in his mouth.

Even though Xiao Tian had no idea why Yun Xin Er suddenly wanted to have a French kiss with him, he didn't care about it and instantly welcomed the kiss.

'What is this? She is so aggressive now.'

The way Yun Xin Er moved her tongue much surprised Xiao Tian.

She explored every inch of his mouth with her soft pink tongue. Not only did she intertwine her tongue with his, she even sucked his tongue too.

At that moment, Yun Xin Er behaved like a slut, who had not kissed passionately for more than six months. They kissed passionately for several seconds before finally, Yun Xin Er stopped the kiss.

Like before, none of them said a word again. They only looked into each other's eyes as if they were communicating through their eyes.

One second...two seconds...three seconds...four seconds...five seconds...six seconds.

In the seventh second, Yun Xin Er grabbed his right hand and spoke, "I will send you off."

It took Xiao Tian three seconds to answer her. "All right."

'What is this? Why is she acting weird today? Is it because I helped her earlier?'

Xiao Tian was a little surprised when Yun Xin Er kept holding his right hand along the way to his car.

'Wait! Don't tell me, she falls deeper in love with me now?'

Because Yun Xin Er suddenly behaved like his lover, Xiao Tian thought Yun Xin Er loved him more than before.

After they reached his car, Yun Xin Er stopped holding his right hand. However, her beautiful eyes were locked on him as if she was asking for a kiss.

At first, Xiao Tian wanted to kiss her lips but decided against it. For this reason, Xiao Tian only kissed her forehead before getting into his car.

After rolling down his car window, Xiao Tian looked at her and spoke, "I'm leaving."

Yun Xin Er didn't answer and only waved goodbye. She kept waving goodbye even though Xiao Tian's car was already far from her.

'Be careful on the way, honey.'

After she could not see his car anymore, Yun Xin Er turned around and headed to her room.

As soon as Xiao Tian entered his house, he headed to Shi Fei's room. As if it was his room, Xiao Tian didn't knock and immediately opened the door. "Fei..."

'Where is she?'

Because Xiao Tian didn't see Shi Fei in her room, he wanted to look for her in the family room.

However, when Xiao Tian was about to close the door and head to the living room, Shi Fei's voice rang out from the bathroom. "Little brother, wait there. I'm taking a bath right now."

Xiao Tian's lips curled into a grin after hearing her words. He wasted no time and immediately entered her room.

'What a coincident! I still haven't showered either.'

Without waiting for another second, Xiao Tian took off his clothes and walked towards the bathroom.

'Having a private bathroom is indeed a good thing.'

As if the goddess of luck was on his side, Shi Fei forgot to lock the door when she entered the restroom earlier. For this reason, Xiao Tian could enter the bathroom without trouble.

Shi Fei, who was taking a bath in the shower cubicle, turned her head towards the door.

'Hehe. As I thought, he wants to take a bath with me.'

Actually, Shi Fei had guessed that Xiao Tian would enter the bathroom. That was why she was not surprised when she saw Xiao Tian in the restroom.

Like her room, the bathroom was also huge and luxurious. There was a washbasin, shower cubicle, bathtub, and toilet.

The shower cubicle was located on the left side of the door. Next to the shower cubicle, there was a bathtub with a huge window next to it.

From the window, they could see the backyard clearly. A luxurious and elegant washbasin was placed right in front of the bathtub with a huge mirror above it. As for the toilet, it was located in the corner of the room.

When Xiao Tian saw Shi Fei in the shower cubicle, he wasted no time and immediately entered it.

'No matter how many times I look at her body, it never fails to amaze me.'

After Xiao Tian stepped into the shower cubicle, he pulled Shi Fei towards him and kissed her passionately.

At first, Xiao Tian didn't want to do that, but after seeing her sexy body, the desire to kiss her passionately arose within him.

Even though his actions much surprised her, Shi Fei instantly welcomed the kiss. Soon the two of them drowned in their own world.

Chapter 632 - I Have An Exciting Idea

8-10 minutes

As Xiao Tian and Shi Fei were having a wet kiss, Shi Fei didn't stand still. Her left hand slowly reached his soft penis and began playing with it.

She let him dominate the kiss because she wanted to focus on his cock. She rubbed the tip of his cock, squeezed his testicles gently and tried to give him a handjob.

However, because his cock was still not erect, she could not give him a handjob. At first, she wanted to squat down and give him a blowjob because she was sure that she could make his cock erect faster if she did that.

But Xiao Tian didn't give her a chance to do that. For this reason, Shi Fei only played with his cock, hoping that his penis would erect quickly.

Seconds turned into minutes, and without realizing it, it had been two minutes since they started having a deep kiss.

"Huft...Huft...Huft..." as they were breathing heavily, they looked into each other's eyes.

The water that came out of the showerhead fell right on their faces. However, none of them showed the slightest concern about that.

As Xiao Tian was breathing heavily, he shifted his gaze from her eyes to her pretty lips.

'Her lips are so beautiful. Her pink lipstick color suits her perfectly. It really increases the beauty of her lips and makes them kissable.'

Even though Xiao Tian had kissed, touched and seen her pretty lips, he was still amazed by it.

For this reason, Xiao Tian unconsciously touched her lower lip and began rubbing it with his right thumb gently.

To his surprise, Shi Fei suddenly put his right thumb into her little mouth and began sucking and licking it.

The flame of lust within him grew significantly when Shi Fei suddenly treated his right thumb as if his right thumb was his cock.

As Shi Fei was sucking and licking his right thumb, she looked at him in the eyes. Of course, she was still playing with his penis.

'Why is it so hard to get his cock erect today? Am I getting worst at giving a handjob? Or am I missing something?'

Shi Fei didn't give up and played with the tip of his cock because she knew it was the most sensitive part of his penis.

After working so hard, her hard work paid off. His cock slowly began to erect. Even though his penis was still not fully erect, but Shi Fei was already delighted.

At this moment, Xiao Tian still did nothing. He didn't play with her breasts or any other part of her body. However, it didn't last long because the desire to play with her beautiful breasts suddenly arose within him.

But when he was about to squeeze Shi Fei's breasts, Xiao Tian suddenly changed his mind. An idea which was even more exciting suddenly appeared in his mind. For this reason, Xiao Tian stopped the kiss.

His actions much surprised Shi Fei. She knew that Xiao Tian really loved kissing, so she had no idea why Xiao Tian suddenly broke the kiss.

'Why did he stop the kiss?'

At a time like this, Xiao Tian usually would not break the kiss if none of them was out of breath.

'Don't tell me...'

At this moment, Shi Fei was sure that Xiao Tian wanted to do something to her. And what she had guessed was right because Xiao Tian suddenly did an unexpected thing to her.

"Mmmm.." Shi Fei instantly tilted her head back and shut her eyes when Xiao Tian suddenly kissed her neck.

'It feels good! Whatever he does, it always gives me pleasure.'

Previously, Shi Fei thought Xiao Tian would squeeze or lick her breasts, but she was wrong because Xiao Tian chose to kiss her neck.

Of course, Shi Fei was not disappointed because being kissed on the neck by her lover was not a bad idea too.

Even though Shi Fei tilted her head back and closed her eyes, she still played with his penis.

'Oh! His cock is already fully erect now.'

Shi Fei wasted no time and stroked his cock with her left hand faster and faster because she wanted to make him feel even more aroused.

"Ooghh." Xiao Tian groaned and stopped the kiss when Shi Fei suddenly stroked his penis fast.

Like before, Shi Fei and Xiao Tian looked at each other in the eyes. As if they had agreed on what they would do next, Shi Fei and Xiao Tian brought their faces closer and instantly had a passionate kiss again.

This time, Shi Fei stopped stroking his penis, but of course, she was still holding his cock as if there was glue on her left hand and his cock.

As they were having a deep kiss, an excellent idea suddenly appeared in Shi Fei's mind. For this reason, she broke the kiss and spoke, "Little brother, hold up my left leg."

After saying that, Shi Fei instantly raised her left leg.

Even though Xiao Tian had no idea what she had in mind, he still did what he was told.

'Oohhh.'

To his surprise, after Xiao Tian held up her left leg, Shi Fei placed his huge cock on her wet pussy and began rubbing it against her vagina.

At this moment, Xiao Tian could feel the softness of her pussy with his cock. Because her cunt was already wet, it was easy for Shi Fei to rub his penis against her vagina.

"Little brother, kiss me again." Shi Fei suddenly desired to have a passionate kiss again when his huge erect cock was rubbing against her wet vagina.

Upon hearing her words, Xiao Tian wasted no time and immediately kissed her hungrily.

'She is getting better and better at giving me a pleasure.'

Xiao Tian could not put the pleasure he felt into words. Even though they were only doing foreplay, but he still felt immense pleasure.

'Her pussy is so wet.'

At this moment, Xiao Tian's cock was already covered with her love juices. Of course, pre-cum also came out from the tip of his penis.

As Xiao Tian was having a hot kiss with Shi Fei, an exciting idea suddenly arose in his mind. For this reason, Xiao Tian stopped holding up her left leg.

"Why?" Shi Fei broke the kiss and asked.

It felt so good when they kissed passionately as his cock was rubbing against her wet vagina. Because it felt good for her, Shi Fei was sure that Xiao Tian felt the same way. That was why she didn't understand why Xiao Tian stopped what they were doing.

"I have an exciting idea. Close your thighs and don't move." After saying that, Xiao Tian thrust his huge cock between her thighs.

At this moment, Shi Fei finally understood his intentions. "All right."

At first, Shi Fei wanted to kiss him passionately again, but she changed her mind. She immediately tilted her head back and shut her eyes.

Even though Shi Fei didn't say a word, Xiao Tian understood what she wanted. For this reason, he instantly kissed her neck again.

Not only that, as he was kissing her neck hungrily, Xiao Tian began to move his waist forwards and backward.

"Ah....Ah..Ah..." Shi Fei cried out in pleasure.

Even though Xiao Tian's was only fucking her thighs, but because his cock was rubbing against her wet vagina, Shi Fei still felt immense pleasure.

'This feels good!'

Those were the words that appeared on the mind of Xiao Tian and Shi Fei.

Because the pleasure she received was so great, Shi Fei's body quivered several times. The feeling when his penis was rubbing against her wet cunt and the feeling of her neck being kissed by him wildly, made Shi Fei's mind on cloud nine.

'My lover is indeed the best at everything.'

Shi Fei's body began quivering again when Xiao Tian thrust his cock between her thighs faster and faster until it made her love juices drip faster, like flowing water.

One minute...two minutes...three minutes...

Even though Xiao Tian had stopped kissing her neck, but he kept fucking her thighs as if her thighs were her delicious pussy.

Because he had kissed her neck earlier, Xiao Tian desired to kiss her lips again. For this reason, Xiao Tian cupped her face and kissed her passionately.

They did the same thing for another ten minutes before finally, Shi Fei stopped him. At this moment, Xiao Tian didn't say a word and only stared at her.

To his surprise, Shi Fei instantly turned around to face the wall. After placing her right hand on the wall, Shi Fei spread her beautiful vagina with her left fingers and spoke, "Little brother, I can't hold back anymore. Put your huge cock in my wet pussy now."

Chapter 633 - I Really Want To Lovey-Dovey With Tian

7-8 minutes

At first, Shi Fei thought Xiao Tian would immediately thrust his cock into her pussy because she knew that the flame of lust had consumed his body too.

However, she was wrong. She was utterly wrong because instead of putting his cock into her vagina, Xiao Tian squatted down and began licking her pussy.

"Ahhhh..." Shi Fei was startled by his actions, causing her to open her small mouth and let out a seductive moan.

Xiao Tian began licking from her vaginal opening to her clitoris. He licked every part of her pussy. After licking her clitoris, Xiao Tian stopped what he was doing and spread her pussy as wide as possible.

'Beautiful!'

When Xiao Tian saw her vagina pulsing, he felt as if something was drawing his gaze to her vaginal opening.

Coupled with her love juices, which was dripping non-stop, made Xiao Tian unable to take his eyes off her cunt. When he noticed her love juices coming out faster, Xiao Tian suddenly desired to taste them.

*Gulp...Gulp...Gulp...

The sound of him drinking her love juices could be heard in his ears.

'Delicious!'

It was the word that appeared in his mind after drinking her love juices.

When Shi Fei noticed Xiao Tian drinking her love juices, she giggled and asked, "Little brother, is it delicious?"

Xiao Tian stopped what he was doing and answered, "It's tasty! I love it very much."

Of course, Shi Fei knew that he would say something like that because he never said a bad thing about his woman. However, hearing it from his mouth made Shi Fei thrilled.

"Ahhhh..." Shi Fei wailed in delight when Xiao Tian suddenly thrust his right index and middle fingers into her wet vagina. "Ah...Ah...Ah..."

Even though Shi Fei wanted him to immediately put his cock into her pussy, but because Xiao Tian enjoyed playing with her vagina, she decided to let him do whatever he wanted.

"Little brother, deeper. Thrust your fingers into my wet pussy deeper." Shi Fei's body quivered for three seconds. "Mess my pussy with your fingers!"

However, Xiao Tian did the opposite. He stopped what he was doing and rose to his feet.

At first, Shi Fei wanted to ask why he stopped playing with her pussy, but when she saw Xiao Tian placing his cock on her vagina entrance, she said happily. "Yes. do it now! Mess my slutty pussy with that big long cock of yours. Make my slutty vagina can't live without your penis anymore. And mark my womb with your white sperm."

The flame of lust within him grew again after hearing her words.

'Having sex with her is always so exciting! The way she talks and behaves always makes me hornier.'

Because Shi Fei's pussy was already wet, Xiao Tian thrust his huge cock into her vagina in one go.

"OOHHHHH...." Xiao Tian's actions much surprised her, causing her to moan loudly.

Even though she knew that her pussy was already wet, but she didn't expect that Xiao Tian would thrust his massive penis into her cunt in one go.

Of course, she was not angry with him because she would let him do whatever he wanted with her body.

"Ah...Ah...Ah...Ah..." as soon as Xiao Tian moved his waist, Shi Fei began to let out multiple moans.

"How is it? Isn't my cock better than my fingers?" Xiao Tian inquired.

"Yes...Ah...Ah...your cock is better than...Ah...Ah...your fingers." Even though Shi Fei also felt pleasure when Xiao Tian played with her vagina using his fingers, but she still preferred his cock.

It felt much better when he messed up her wet pussy with his big long penis. She could not put the pleasure she felt into words when his huge cock was spreading her vaginal muscles to the size of his penis.

"Little brother...Ah...Ah...Ah...your penis is amazing...Ah...Ah...I really love your huge cock...Ah...Ah..." there was no time where she regretted having sex with Xiao Tian.

Not only did he always satisfy her, but he also never failed to make her mind on cloud nine every time they had sex.

"Are you feeling immense pleasure right now?" after saying that, Xiao Tian raised her right leg and thrust his cock deeper into her wet vagina. "How is this?"

"Ahhh..." Shi Fei cried out louder when his cock hit her womb. "Much better...Ah...Ah...Ah..."

Even though she knew that his cock could reach her womb, Shi Fei was still startled when his penis was hitting it.

"Ah...Ah...Ah..." because his cock kept hitting her weak spot, Shi Fei's body turned weak, causing her to almost fall to the floor.

"Fei, let's change place." Xiao Tian knew that Shi Fei would fall to the floor if they continued having sex in the cubicle shower. That was why he suggested changing the place.

"Where?" Shi Fei inquired.

As long as they continued having sex, Shi Fei didn't mind it. All she wanted was pleasure and pleasure.

After thinking for several seconds, Xiao Tian replied, "Let's have sex in your bed."

"Sure." Previously, Shi Fei thought Xiao Tian would suggest having sex in the bathtub, but she was wrong.

At this moment, Ye Xueyin was lying down on her bed. She kept looking at the ceiling as if she was thinking about something important.

'I really want to lovey-dovey with Tian now. What should I do?'

Shi Fei and Liu Ning were at home, so Ye Xueyin didn't know what she should do. She tried to sleep but always failed because the desire to spend time with Xiao Tian was so big.

'Yes. As long as we lovey-dovey in his room and lock the door, Shi Fei and Liu Ning will not find out about it.'

With this idea in mind, Ye Xueyin got out of the bed and headed to his room.

"Tian...." Ye Xueyin said as she knocked on the door.

'Why didn't he answer?'

Without a second thought, Ye Xueyin opened the door.

"Tian, are you fr-" Ye Xueyin stopped her words halfway when she didn't see him.

'Where is he? Is he in the family room?'

Because she thought Xiao Tian was in the family room, Ye Xueyin closed the door and headed to the living room.

"Ahhh..." Ye Xueyin instantly stopped her footsteps after hearing Shi Fei's moan.

'Don't tell me...'

Because she was not far from Shi Fei's room, Ye Xueyin could hear Shi Fei's moan.

'Is she having sex with Tian now? Or is she pleasuring herself?'

In order to make sure what she thought was right or not, Ye Xueyin walked towards Shi Fei's room.

As she was walking towards Shi Fei's room, her heart was beating faster with every step. All her life, she had never peeked at anyone when they were pleasuring themselves or having sex.

Her mind kept telling her to return to her room, but her feet kept walking towards Shi Fei's room.

'I...I will only take a peek for a second and after that, I will return to my room.'

With that in mind, Ye Xueyin continued walking towards Shi Fei's room.

The expression of deep shock blossomed on her face when she saw what was happening in Shi Fei's room. Even though she had suspected it before, but seeing it with her own eyes was different.

'They are having sex?'

Those were the words that appeared in her mind what she saw what Xiao Tian and Shi Fei doing in Shi Fei's room.

Chapter 634 - Peeking

9-11 minutes

Ye Xueyin was able to see what was going on in Shi Fei's room because earlier, Xiao Tian didn't shut the door tightly. Even though the door was only slightly open, but it was enough for her to see everything.

'Why don't they close the door tightly when they are having sex in her room? Did they forget to check the door earlier?'

Ye Xueyin was covering her mouth with her hands. Her mind told her to stop looking at them and return to her room, but she could not take her eyes off them, and her body didn't respond to her thoughts either.

"Ah...Ah...Ah...Ah...Ah..." Shi Fei cried out in pleasure.

Currently, Shi Fei was on all fours with Xiao Tian thrusting his big long cock into her wet pussy from behind. From the expression on her face, anyone could tell that she was on cloud nine.

Shi Fei looked like a young lady who just found out how pleasurable sex was. A young lady who got addicted to sex.

Xiao Tian, who was fucking her in a doggy style, also had a fascinating expression. Her vaginal muscles were squeezing his cock wildly every time he thrust and pulled back his cock.

'Ohhh. Having sex with her indeed feels great! The way her vaginal muscles squeezing my cock is amazing.'

Even though Xiao Tian only thrust his cock slowly, but he still felt immense pleasure.

At this moment, none of them knew that Ye Xueyin was peeking at them because they were focused on having sex.

Ye Xueyin, who was standing on the opposite side of the door, bit her lower lip and squirmed her legs. The longer she saw them having sex, the bigger her desire to have sex with him.

Because the flames of lust began consuming her body, her legs turned shaky, causing her to fall on the floor.

"Huft...Huft...Huft..." Ye Xueyin opened her small mouth and began breathing heavily.

'They seem to really enjoy having sex. Shi Fei must be happy right now because she can have sex with Tian.'

Ye Xueyin really wanted to enter Shi Fei's room and join them, but she knew that she could not do that because she could not reveal her relationship with Xiao Tian.

'I have to go back to my room. Otherwise it will be dangerous if anyone see me here.'

Like before, even though her mind told her to return to her room, but her body refused to move from her place.

Not only that, her hands were even slowly reaching her breasts. However, when she was about to squeeze her breasts, her mind told her not to do that.

"Ah..." Shi Fei moaned louder. "Ah...Ah...Ah...Little brother...Ah...Ah...you are amazing...Ah...Ah...Your cock is amazing...Ah...Ah..."

"Does your vagina love my cock more now? Is your slutty cunt can't live without my penis anymore now?" Xiao Tian bent over and began to squeeze her breasts.

One of the things Xiao Tian liked the most when he was having sex with Shi Fei was squeezing her big breasts.

The tenderness and size of her breasts were perfect for him. It made Xiao Tian always want to squeeze her breasts.

"Yes. Ah...Ah...Ah... my slutty cunt can no longer live without your amazing cock now...Ah...Ah..." Shi Fei answered while moaning. "I really love your cock...Ah...Ah...Your huge long cock...Ah...Ah..."

"It seems like my slut loves my penis so much now." after saying that, Xiao Tian pinched her nipple hard.

"Ahhhh..." because of the immense pleasure she received, her hands turned shaky. "Yes. Your slut loves your huge long cock so much. Please fill your slut's pussy with your white sperm and make her pass out with your cock. Make her can't forget your cock forever!"

"Do you really want me to fill your slutty cunt with my sperm?" Xiao Tian inquired.

Even though Shi Fei didn't say it to him, Xiao Tian already had the intention to fill her vagina with his white sperm.

Not only her pussy, but he would also fill her ass hole and mouth with his white sperm later. He would fill in all the holes she had.

It had been a few days since they last had sex, so he would satisfy her until she could not walk later.

"Yes...Ah...Ah...Ah..." Shi Fei's body quivered when she imagined her body covered with Xiao Tian white sperm.

"Because I'm a good boyfriend, I will grant your wish." After saying that, Xiao Tian stopped playing with her breasts and placed both of his hands on her hips before finally thrusting his cock faster.

"Ah...Ah...Ah...Ah...Ah..." the faster Xiao Tian thrust his cock, the quicker Shi Fei moaned.

The expression of deep shock emerged on Ye Xueyin's face after hearing their conversation.

'What?! Are they always like this during sex?'

Ye Xueyin found it hard to believe what she was hearing.

Shi Fei was a cheerful lady, so she didn't expect that Shi Fei would behave like a slut when she was having sex with her son.

Not only that, her son even seemed to enjoy it. All this time, every time she had sex with him, Xiao Tian never said such vulgar words.

Even though she knew that Xiao Tian was a pervert, but they always had sweet sex and never said dirty words every time they did forbidden activities.

However, their dirty talk made the flames of lust within Ye Xueyin grow even bigger. Her nipples were slowly erect, and her love juices began to come out of her pussy.

'Ahh. I desire to have sex with him too. Shi Fei's mind must be on cloud nine now.'

Because Xiao Tian always managed to make her and her younger sister feel immense pleasure every time they had sex, Ye Xueyin was sure that Shi Fei was also feeling pleasure right now.

At this moment, Ye Xueyin didn't realize that her hands were moving by themselves. Her right hand was squeezing her left breast while her other hand was playing with her vagina.

'Tian...Tian...Tian...'

Because she was wearing a skirt, it was easy for her to play with her pussy. All she needed to do was raise her skirt slightly and play with her vagina using her fingers.

"Hmmm." Ye Xueyin almost moaned when she played with her vagina. Luckily, she managed to hold back her moan.

Because Shi Fei's room was filled with her moaning, Xiao Tian and Shi Fei could not hear it. They kept fucking like rabbits as if there was no one at their house.

'Tian...Tian...Tian...'

As Ye Xueyin was pleasuring herself, she kept calling Xiao Tian's name in her mind.

"Ah...Ah...Ah..." because Xiao Tian kept fucking her weak spot, Shi Fei's hands could no longer support her body, causing her head to fall to the bed. "Ah...Ah...Ah..."

At this moment, Shi Fei didn't try to hold back her moans. She forgot that they were not alone at home. What she had in mind was only pleasure and pleasure.

As for Xiao Tian, he didn't care about it at all. All women in the house were his girlfriends, so he didn't mind if they heard Shi Fei's moan. If they were horny and wanted to have sex with him, he would gladly accept it.

As usual, when Xiao Tian saw Shi Fei's cute butt hole, he suddenly desired to play with it. Because Xiao Tian knew that Shi Fei would let him do whatever he wanted with her body, Xiao Tian thrust his left middle finger into her ass hole and stirred it up.

"Ahhh..." actually, Shi Fei had guessed that Xiao Tian would play with her butt hole, but it still surprised her when he suddenly thrust his left middle finger into her ass hole. "Yes. Play with my butt hole too...Ah...Ah..."

Upon hearing Shi Fei's moans and the sound of them having sex, Ye Xueyin pinched her left nipple with her right hand. A fascinating expression suddenly appeared on her face, and her body also quivered for three seconds.

'Ah.. Tian is playing with her butt hole.'

At this moment, Ye Xueyin suddenly remembered the time where she had anal sex with Xiao Tian. Her body suddenly became hotter, and she also felt her vaginal opening pulsing non-stop.

Not only that, she even began to rub her pussy directly. Her left index and middle fingers were rubbing her wet cunt vertically, and her other hand was also squeezing her left breast aggressively.

'Tian...Mother desires to have sex with you too. Play with my vagina and ass hole too.'

After rubbing her clitoris for several seconds, Ye Xueyin thrust her left middle finger into her wet vagina. Her mouth was wide open, and saliva was also dripping down from the corner of her mouth.

"Mmm.." like before, Ye Xueyin tried to hold back her moan.

At this moment, she really hoped that Shi Fei was her. She wanted Xiao Tian to fuck her from behind, and she really wanted him to play with her ass hole too.

'Tian...Tian...Tian...'

As Ye Xueyin was thrusting her left middle finger into her wet pussy, she repeatedly called his name.

"Ahh...Ah...Ah...Ah..." Shi Fei moaned non-stop. "My pussy and ass hole feels good. Ah...Ah...Ah...little brother, I really love having sex with you...Ah...Ah..."

"I already know about it." After saying that, Xiao Tian added another two fingers into Shi Fei's ass hole.

"Ahhhhh...Yes. Mess my butt hole with your fingers while your huge long cock is messing up my pussy." Shi Fei didn't stop him because it felt so good for her.

As Ye Xueyin was pleasuring herself in front of Shi Fei's room, a voice suddenly rang out from her right side. "Wha..what are doing?"

Chapter 635 - I'm Not Lying

6-8 minutes

The expression of deep fear emerged on Ye Xueyin's face. Because she was focused on pleasuring herself and seeing Xiao Tian and Shi Fei having sex, she didn't know that someone was beside her.

'What should I do now? What is the best excuse to use at a time like this?'

Earlier, her mind told her to go back to her room, but her body refused to listen.

Now that someone saw what she was doing in front of Shi Fei's room, Ye Xueyin began to regret her actions.

At this moment, Ye Xueyin still didn't move her body as if she was a statue. She was too afraid to turn her head towards the source of the sound because she didn't want to be labeled as a bad woman.

"Big sis, are you pleasuring yourself in front of Miss Shi's room?" because Ye Xueyin's left hand was still in her vagina and her other hand was on her left breast, Ye Qingyu knew that her big sister was pleasuring herself earlier.

"Qingyu, so it's you." Ye Xueyin was relieved when she found out that the voice belonged to her younger sister.

Because she was focused on pleasuring herself and seeing Xiao Tian and Shi Fei, she didn't pay attention to the voice earlier.

"Why are yo-" before Ye Qingyu had finished her words, she was surprised by what she saw.

"Ah...Ah...Ah...Ah..." at this moment, Shi Fei could no longer move her body because Xiao Tian's cock kept hitting her womb. All she did was moan and moan.

After looking at Shi Fei and Xiao Tian, Ye Qingyu returned her attention to Ye Xueyin, "So, this is the reason why you are pleasuring yourself in front of Miss Shi's room?"

"Qingyu, I want to do it too." Ye Xueyin still remained in the same position. She even did not move her hands from her vagina and breasts.

Ye Qingyu could only sigh after hearing Ye Xueyin's words. "Now is not the right time. Let's leave before they know or Mrs. Liu sees us."

"But...but." Ye Xueyin knew that it was dangerous to pleasure herself in front of Shi Fei's room, but because she would not be able to have sex with Xiao Tian, at least, she wanted to play with herself while looking at him.

Xiao Tian, who was fucking Shi Fei's wet vagina from behind, stopped moving his waist and bent over, "Fei, do you have blindfold?"

"Yes. why? Do you want to use it?" Shi Fei inquired.

"Yes." Xiao Tian answered instantly. "You will feel much more pleasure if you can't see anything. Believe me, I have done this in the past."

"All right. The blindfold is on the wardrobe shelf." Even though Shi Fei had no idea why Xiao Tian suddenly wanted her to wear a blindfold, she decided to do whatever he wanted.

Shi Fei also thought it would be more exciting to have sex with him while wearing a blindfold. With her unable to see anything, her senses would increase significantly.

"Let's use it now." Xiao Tian said as he turned her body around.

"Ah..." Shi Fei didn't expect that Xiao Tian would turn her body around.

Previously, Shi Fei thought Xiao Tian would take his cock out of her pussy and immediately take the blindfold, but she was wrong.

Not only did he not take his cock out of her vagina, he even carried her to the wardrobe with him.

"Ah...Ah...Ah..." because Xiao Tian's huge cock was still in her vagina, Shi Fei let out a seductive moan every time he took a step.

After they were in front of the wardrobe, Xiao Tian immediately opened the wardrobe shelf. To his surprise, there were many kinds of sex toys like handcuffs, vibrators, dildo, blindfolds, and anal toys.

When Xiao Tian saw a black blindfold, he immediately put it on Shi Fei's face. "Can you see me now?"

"No." Shi Fei answered as she shook her head.

At first, Xiao Tian only wanted to take the blindfold, but when he saw a handcuff and dildo, his lips curled into a grin.

Without waiting for another second, Xiao Tian placed Shi Fei's hands behind her back and handcuffed her hands.

His actions much surprised Shi Fei. However, she showed no signs of rejection. "Are we going to play thief and police now?"

"That's what I have in mind." Xiao Tian was lying when he said that.

The reason he handcuffed her hands was that he wanted to make sure that she would not be able to take off the blindfold by herself later.

"Really? Hehe. It seems like this role play will be exciting later." at this moment, Shi Fei suddenly wanted to continue having sex with him.

She was curious about what he would do to her later. Because they were going to play thief and police later, Shi Fei was sure that Xiao Tian would take another sex toy later.

And what she had guessed was right because after handcuffing her hands, Xiao Tian took a dildo. The dildo was quite big and pink in color.

"Of course, it will be exciting because I'm skilled in this." Xiao Tian then walked to the bed and placed Shi Fei on the edge of the bed.

At this moment, Shi Fei really wanted to know what the first thing he would do to her. However, because Xiao Tian raised her ass high, she suspected that Xiao Tian wanted to have sex with her in doggy style again.

'Are we going to have sex in doggy style again?'

Because Shi Fei's hands were handcuffed, her head fell on the bed.

"Off..officer, please don't punish me. It's really not me. I'm not the one who steal that diamond." Shi Fei pretended as if she was arrested for stealing a diamond.

*Slap...

Xiao Tian slapped Shi Fei's ass. "Don't lie to me! If you didn't steal that diamond, then how come that diamond was in your bag earlier?"

After saying that, Xiao Tian turned his head towards the door and gave a sign to enter Shi Fei's room. Actually, Xiao Tian already knew that Ye Xueyin was peeking at them when he was having sex with Shi Fei earlier.

But he pretended as if he didn't notice it because he had never seen Ye Xueyin please herself before. Because he knew that Ye Xueyin could no longer hold back the flames of lust within her, Xiao Tian decided to let her join them.

That was why Xiao Tian put a blindfold on Shi Fei and handcuffed her hands because with this, he could give Ye Xueyin pleasure too.

Of course, Xiao Tian knew that his idea was dangerous, but at the same time, Xiao Tian found it very exciting.

His blood was boiling, and his heart was beating faster when he imagined pleasuring Shi Fei and Ye Xueyin at the same time.

"Ah..." Shi Fei wailed in delight when Xiao Tian slapped her butt. Even though it hurt a little, Shi Fei didn't mind it. "I'm not lying. I swear!"

Because Ye Xueyin still didn't enter Shi Fei's room, Xiao Tian gave a sign again. This time, Xiao Tian also pointed his left index finger at his erect cock, telling her that she could lick or suck his penis.

Chapter 636 - Just Five Minutes

7-8 minutes

Ye Xueyin's expression instantly turned happy when she saw Xiao Tian giving her a sign to join them. He even gave her a sign that she could suck his huge erect cock.

Earlier, when she was pleasuring herself, she also wished to suck and lick his huge cock. She even imagined her left middle finger, which was moving in and out of her wet pussy, as his cock.

Now that the opportunity to suck his cock had arisen, she would not let it slip away. Of course, Ye Xueyin knew that his idea was dangerous.

However, she was sure that as long as Xiao Tian was around, everything would be fine.

*Gulp...

Ye Xueyin could not help gulping her saliva when she saw Xiao Tian's cock standing mightily as if his penis was challenging the heaven.

'Ahhh... his cock looks so delicious. I want to suck and lick his penis immediately.'

With that in mind, Ye Xueyin wanted to enter Shi Fei's room.

But when Ye Xueyin was about to walk into Shi Fei's room, Ye Qingyu stopped her. "What are you doing? Are you out of your mind? Do you know how dangerous his idea is? Do you know what will happen to you if Shi Fei knows later?"

Ye Xueyin's expression turned sad after hearing Ye Qingyu's words. "Qingyu, I want to lick and suck his cock. I know his idea is dangerous but I can no longer hold back the lust within me. I promise, I will only give him a handjob and blowjob. I won't have sex with him."

"If you know his idea is dangerous, why do you still want to do it? Do you know what the consequences will be?" Ye Qingyu found it hard to believe what she was hearing.

She knew that her older sister's behavior was often childlike, but she didn't expect her elder sister to act stupid like that.

"But...But..." Ye Xueyin really wanted to suck Xiao Tian's cock because the flames of lust had consumed her body.

"No buts!" Ye Qingyu didn't want something bad to happen to her big sister. That was why she stopped her. "This is too dangerous for you."

"Qingyu, I only want to suck his penis." Of course, Ye Xueyin didn't give up easily. "Just five minutes. Please..."

Ye Qingyu knew what she felt. That was why she could only sigh after seeing her big sister's expression. "Are you sure you can hold back your moan later?"

"I will try my best." At this moment, Ye Xueyin didn't realize that she made a cute pose.

Ye Qingyu didn't answer and only stared at her big sister. She still thought it was too dangerous for Ye Xueyin.

"You dare to swear, huh?" Xiao Tian answered. "Do you think I will believe your words just because you swore you didn't steal the diamond?"

"But I rea- ah..." before Shi Fei had finished her words, she let out a seductive moan because Xiao Tian suddenly thrust the dildo into her wet vagina. "Ah...Ah...Ah..."

"You really have a slutty body, huh? Your vagina even responds immediately after I thrust the dildo into your pussy." Xiao Tian began playing with her wet cunt using a dildo. "Instead of stealing, I think it's better if you use your body to earn money. With your slutty pussy and body, I'm sure a lot of men would love to have sex with you."

'Why is she still outside the room?'

Xiao Tian turned his head towards the door again. Because Ye Xueyin and Ye Qingyu spoke in low voices, he couldn't hear their conversation.

'Does she not understand my hint?'

Because Ye Xueyin still didn't enter the room, Xiao Tian gave a sign again.

"I don't have a slutty body...Ah...Ah... it's because you are playing with my vagina...Ah...Ah...any woman will respond in the same way if you play with their cunts." as Shi Fei was answering, she unconsciously moved her body in rhythm with the movement of the dildo.

Because Xiao Tian thought Ye Xueyin didn't dare to enter Shi Fei's room, he took the dildo out of Shi Fei's pussy. He wanted to thrust his cock back into her wet cunt and put the dildo in her ass hole.

"Why...why did you take the dildo out of my pussy?" as Shi Fei was asking, she swung her ass horizontally, asking him to put the dildo back into her wet cunt.

*Slap...

Xiao Tian slapped her ass again. "Didn't you say you don't have a slutty body? Why are you behaving as if you want me to put the dildo back into your wet vagina? Admit it! Admit that you have a slutty pussy!"

"I don't have slutty vagina." Shi Fei didn't admit it.

"Is that so?" after saying that, Xiao Tian thrust his huge cock into her cunt again.

"Ahhh... Yes. Thrust your huge cock into my wet pussy. Mess my cunt with your big long penis." his actions much surprised Shi Fei.

Shi Fei thought Xiao Tian would put the dildo into her pussy again, but she was wrong. Of course, it made her happy because she preferred his huge cock over the dildo.

"Do you realize what you just said?" Xiao Tian said. "Your vaginal muscles are even squeezing my cock wildly as if your cunt doesn't want to let go of my penis."

"You heard it wrong! I never said such a thing!" like before, Shi Fei didn't admit it. "You ar- ahhh.."

Shi Fei cried out louder when Xiao Tian suddenly inserted the dildo into her ass hole.

"How is it? Does it feel good to have a cock in your pussy and a dildo in your ass hole?" as Xiao Tian was thrusting his cock slowly, he also played with her ass hole.

'Ouhhh. Her pussy suddenly become much tighter.'

Even though Xiao Tian knew that her pussy would become much tighter, but the tightness of her vagina was still beyond his imagination. It was as if Shi Fei was a virgin before having sex with him.

"Ah...Ah...My pussy and ass hole feels good...Ah..." Shi Fei immediately corrected her words. "No... please take it out. Please take it out."

"But your body said the opposite." Xiao Tian responded. "As I thought, you really have a slutty body. It is impossible for your body to respond this way if your body is not slutty."

"Ah...Ah...No...Ah...Ah..." Shi Fei didn't expect that playing cop and thief with Xiao Tian would be so much fun.

In the past, she also played with herself using a dildo. She put the dildo into her pussy, ass hole, or her small mouth.

However, when Xiao Tian played with her ass hole using a dildo, the pleasure she felt was different. The difference was so big, like heaven and earth.

"Tell me how many cocks this slutty pussy of yours had eaten before? Ten? Twenty? Thirty?" the longer they played thief and police, the bigger the flames of lust within him.

"I'm not a slut! Ah..." Shi Fei answered. "You are the first. I have never had a cock in my pussy before."

*Slap...

Xiao Tian slapped her ass again.

"Don't lie!" after saying that, Xiao Tian moved his waist faster. "If I'm your first, then why are you no longer virgin before having sex with me?"

"Ahh...Ah...Ah... I'm not lying." Shi Fei answered. "I lost my virginity when I played with myself using a dildo."

At this moment, something unexpected happened. Ye Xueyin entered Shi Fei's room.

Chapter 637 - She Keeps Saying The Same Words

8-11 minutes

Even though Xiao Tian was surprised when he saw Ye Xueyin in Shi Fei's room, he didn't show it on his face

'Oh! She is finally here.'

Because Ye Xueyin didn't enter Shi Fei's room immediately after he gave her a sign earlier, he thought Ye Xueyin didn't dare to enter Shi Fei's room.

Of course, this made Xiao Tian thrilled because doing lewd things in secret was one of the things he loved the most.

'This will be exciting later.'

Xiao Tian then gave her a sign to wait a little more before she could suck and lick his cock.

Even though Xiao Tian didn't say a word, Ye Xueyin could understand it. She then stood behind him and embraced him from behind.

Not only did she hug him from behind, but she kept kissing his back too. It was as if she was telling him that she was already horny.

At this moment, Ye Qingyu was standing in front of Shi Fei's room. Because her big sister decided to join Xiao Tian and Shi Fei, she guarded Shi Fei's room so that she could immediately help her older sister if something bad happened to her big sister later.

"So you lost your virginity to a dildo, huh?" Xiao Tian moved the dildo in and out of Shi Fei's ass hole faster. "So how is it? Is my cock better than a dildo?"

"Much better...Ah..." like before, Shi Fei instantly corrected her words again. "No! Please take it out now."

Of course, Shi Fei was joking around when she told him to take his cock out of her vagina because she felt immense pleasure when Xiao Tian was fucking his wet cunt with his huge cock and playing with her ass hole using a dildo at the same time.

As Ye Xueyin was kissing Xiao Tian's back hungrily, she kept calling his name in her head.

'Tian...Tian...Tian...'

She really wanted to suck his cock, but because Xiao Tian was still fucking Shi Fei from behind, she knew that she had to wait.

Because Xiao Tian knew that Ye Xueyin desired to suck his cock, he took his penis out of Shi Fei's pussy.

His actions much surprised Shi Fei. "Officer, why...why did you take your penis out of my pussy?"

"What?! Didn't you want me to pull my cock out of your cunt earlier?" Xiao Tian inquired. "Is your slutty pussy feeling lonely without my cock now?"

When Ye Xueyin knew that Xiao Tian's cock was no longer in Shi Fei's pussy, she immediately squatted down and grabbed his penis.

She really wanted to suck his cock since she peeked at him from outside the room earlier, so Ye Xueyin wasted no time and immediately put his massive penis into her mouth.

However, because Ye Xueyin was squatting next to him, it was difficult for her to suck his penis. For this reason, she raised her head to look at his face.

As she was staring at him, Xiao Tian's huge cock was still in her mouth as if she could no longer live without his cock in her small mouth.

Even though Ye Xueyin didn't say a word, Xiao Tian understood what she wanted. For this reason, Xiao Tian took a step back to give her space to squat in front of him.

Ye Qingyu, who was standing outside of Shi Fei's room, shook her head when she saw Xiao Tian's cock in her big sister's little mouth.

Of course, she also felt aroused and desired to have sex with him, but she could still hold back her lust.

'I hope nothing will happen later.'

Ye Qingyu could only sigh.

Even though Xiao Tian's cock was covered with Shi Fei's love juices, Ye Xueyin didn't care about it. All she wanted to do was suck and lick his huge cock.

'Ahh. I can finally suck and lick this amazing cock.'

However, because she was afraid that Shi Fei would find out that she was with them, Ye Xueyin decided to suck his cock slowly.

"Please, pull the dildo out of my ass hole too." At this moment, Shi Fei was lying to him.

She really wanted him to put his cock back in her pussy while also playing with her ass hole using a dildo at the same time.

But because they were pretending to be a thief and a cop, she had to behave as if Xiao Tian was using his power as police to play with her body.

"All right." Xiao Tian really took the dildo out of her pussy.

"Thank yo- Ah...." Shi Fei let out a seductive moan when Xiao Tian suddenly thrust the dildo into her pussy. "Officer, please take the dildo out of my pussy. Please stop playing with my body."

Even though Shi Fei said something like that, but her body was moving in rhythm with the movement of the dildo.

'Ahhh...little brother, more... thrust the dildo into my pussy more deeply.'

At this moment, Shi Fei really hoped that Xiao Tian would thrust his huge cock into her pussy again.

As Xiao Tian was playing with Shi Fei's vagina using a dildo, Ye Xueyin kept sucking his cock slowly.

'I really want to suck his cock fast, but...'

Ye Xueyin was afraid to suck his cock fast because it could make noises later.

In order to make her feel pleasure, too, Ye Xueyin decided to play with her vagina using her left hand.

'Ahhh... I really want this huge cock in my pussy now. I want this penis to mess my vagina until my cunt is filled with his sperm.'

Even though Xiao Tian wanted to put his cock deeper into Ye Xueyin's mouth, he decided against it because he knew that she would gag later.

It would be bad if Shi Fei knew that his mother was sucking his penis because he was still not ready to tell her everything.

"Oh! You want me to play with your ass hole again, huh? Fine. Because I'm a good officer, I will satisfy your slutty body." After saying that, Xiao Tian inserted his left index and middle fingers into her ass hole.

Because Xiao Tian played with her ass hole using a dildo earlier, it was easy for him to thrust his left index and middle fingers into her butt hole.

"Ahhh..." Shi Fei wailed in delight. "Officer, please stop playing with my body and please stop saying that my body is slutty."

'And please put your big long cock into my pussy again.'

At this moment, Shi Fei didn't know that Ye Xueyin was giving Xiao Tian a blowjob because she was wearing a blindfold.

'Little brother, why don't you put your cock in my pussy again?'

Earlier, she felt immense pleasure when Xiao Tian's cock was in her pussy and dildo was in her ass hole.

That was why she wanted to feel that pleasure again. However, because they were pretending to be police and a thief, she could not ask that.

Ye Xueyin, who was playing with her wet vagina using her right middle finger, decided to thrust her middle finger deeper into her pussy.

She stopped sucking Xiao Tian's cock and slowly shut her eyes. Of course, Xiao Tian's huge penis was still her small mouth.

With Xiao Tian's cock in her small mouth, Ye Xueyin could smell his manliness. Coupled with her, playing with her wet cunt, made Ye Xueyin's body quiver for three seconds.

She desired to have sex with Xiao Tian, and she wanted his huge cock to mess her wet cunt, but she knew that they could not do that for now.

*Drip...

Because Ye Xueyin kept playing with her vagina, her love juices came out of her pussy like flowing water.

Seconds turned into minutes, and without realizing it, it had been twenty minutes since Ye Xueyin entered Shi Fei's room.

At this moment, the three of them were still doing the same thing. However, because Xiao Tian had played with her ass hole and vagina for more than twenty minutes, Shi Fei finally reached her limit.

"Cumming...cumming...cumming... I'm cumming..." Shi Fei's body quivered for several seconds after having an orgasm.

Even though she was still wearing a blindfold, but from her fascinating expression, anyone could tell that she just experienced immense pleasure.

"Oh! You had an orgasm? As I thought, you really have a slutty body. You even still had orgasms even though I played with your body forcefully." After saying that, Xiao Tian thrust the dildo into Shi Fei's vagina again.

"Ahh... officer, not now. My body is still sensitive. Please take it out now. Ah...Ah..." even though Shi Fei said something like that, but her body showed no signs of rejection.

Instead of taking the dildo out of her vagina, Xiao Tian moved the dildo in and out of her pussy faster and faster. "What? You want me to take this dildo out of your slutty cunt? But, isn't this what your slutty body wants?"

"My body and pussy are not slutty. Ah...Ah...Ah..." Shi Fei answered before letting out multiple moans.

At this moment, Ye Xueyin was still giving him a blowjob. Her expression turned happy, and she immediately moved her head forward and backward faster when she noticed that Xiao Tian had reached his limit.

'Hurry up and cum. I want to taste your delicious sperm.'

Ye Xueyin stopped playing with her vagina and began squeezing Xiao Tian's testicles gently.

Because Ye Xueyin had been giving him a blowjob for more than twenty minutes, coupled with him having sex with Shi Fei for several minutes earlier, Xiao Tian finally reached his limit.

'I'm cumming...'

Xiao Tian only said it in his mind because he didn't want Shi Fei to know about it.

Chapter 638 - It Seems Like You Two Really Love Each Other

9-12 minutes

After Xiao Tian finished having an orgasm, he wanted to give Ye Xueyin a sign to show him the sperm in her mouth.

To his surprise, Ye Xueyin dashed towards her younger sister as soon as he let out all his sperm in her mouth.

Of course, her actions much surprised him. Previously, Xiao Tian thought she would show it to him because she usually did that.

Xiao Tian could not stop her because he was afraid that Shi Fei would find out that Ye Xueyin was in her room earlier.

Not only Xiao Tian, Ye Qingyu, who saw her big sister rushing towards her, was also startled. But what surprised her most was that Ye Xueyin suddenly kissed her lips and tried to put her tongue in her mouth.

At this moment, Ye Qingyu had no idea as to why her big sister suddenly wanted to have a deep kiss with her.

Even though they had kissed passionately many times, but they never kissed on the lips if they didn't have a threesome with Xiao Tian.

But when she felt something familiar in her mouth, Ye Qingyu finally understood the reason why her big sister suddenly kissed her.

*Gulp...

The sound of Ye Qingyu drinking something could be heard in her ears.

After giving half of it to her younger sister, Ye Xueyin also drank the rest. "Qingyu, how is it?"

The reason why Ye Xueyin suddenly kissed her younger sister was that she wanted to share Xiao Tian's sperm with her younger sister.

Ye Xueyin knew that her younger sister also felt aroused. But, for her sake, her younger sister tried her best to hold back the flames of lust within her and guarded Shi Fei's room. That was why Ye Xueyin decided to share Xiao Tian's sperm with her.

"Thank you." actually, Ye Qingyu was fine if her big sister didn't share Xiao Tian's sperm with her.

Of course, she was pleased when she could drink Xiao Tian's sperm because when she saw Xiao Tian letting out his sperm in her big sister's mouth earlier, she was jealous of how lucky her big sister was.

Ye Xueyin then grabbed Ye Qingyu's left hand and spoke, "Let's go to my room before Miss Shi knows everything."

"Un." Ye Qingyu nodded her head.

The corner of Xiao Tian's lips twitched when he saw them walking towards Ye Xueyin's room.

'Does she think of me as a living dildo? Sigh, this woman. It seems like I have to punish her later.'

Xiao Tian then returned his attention to Shi Fei. Even though Xiao Tian had just finished having an orgasm, he still wanted to continue having sex with Shi Fei.

At first, Xiao Tian wanted to pull the dildo out of Shi Fei's pussy and thrust his penis into her vagina, but when he remembered that they only had normal sex before, he changed his mind.

When Shi Fei felt the tip of Xiao Tian's cock on her ass hole, her expression turned happy, "Officer, what...what are you going to do? Are you going to rape me again? Please stop it! Please don't rape me again. I beg you."

'Ahh.. he is finally going to use his huge cock again. I have been waiting for this since several minutes ago.'

Shi Fei added in her mind.

Actually, Shi Fei wanted to tell him to put his cock into her pussy, not her ass hole. However, because she knew that Xiao Tian desired to have anal sex, she decided not to say it.

As long as Xiao Tian used his big long cock, she didn't care whether it was her ass hole or vagina because, in the end, she would feel immense pleasure too.

"Ahhhh..." Shi Fei's little mouth opened, letting out a seductive moan.

'Ahh...His huge cock is spreading my ass hole muscles to the size of his penis.'

Inch by inch, Xiao Tian's huge cock was entering her ass hole. Soon the room was filled with Shi Fei's moans again.

"It was great." Shi Fei spoke abruptly.

She was currently lying face down on the bed and still wearing the blindfold because Xiao Tian hadn't opened the handcuffs yet.

Because she had such great sex with Xiao Tian earlier, a fascinating expression could still be seen on her face as if it was her first time having such great sex.

'Little brother is sure amazing. He really filled my ass hole and vagina with his sperm.'

Because it was her safe day, Shi Fei told him to fill her cunt and ass hole with his sperm. Of course, Xiao Tian granted her wish happily. He even didn't pull his cock out of her pussy as he filled her cunt with his sperm.

*Drip...

Xiao Tian's Sperm fell from her vagina onto the bed.

'Ah. What a pity! His sperm is coming out of my pussy now.'

Shi Fei tried to keep his sperm in her vagina but to no avail because his sperm kept coming out of her cunt.

"Yes. You are right." Xiao Tian answered immediately. "Next time, let's play the roles of teacher and student. I think it will be exciting too."

"Sure." Ever since Xiao Tian became her lover, they had done many role-playing when they had sex.

However, they still hadn't tried the teacher and student role play. Shi Fei was also sure that it would be exciting too.

'Should I buy teacher outfit later?'

Shi Fei suddenly wanted to buy teacher clothes because she wanted them to really look like a real teacher and student when they did the role play later.

After Xiao Tian took off the blindfold and opened the handcuff, he placed Shi Fei on top of his body and rubbed her lips. "Oh right! I forgot to fill this small mouth of yours with my sperm before."

"Hehe." Shi Fei giggled after hearing his words. "Do you want to fill my mouth with your sperm now? if you want to do it now, I'm fine with it. You can treat my mouth like my pussy you know?"

"Forget it. Let's do it next time." Xiao Tian answered. "Let's sleep now."

"Un." Shi Fei nodded her head.

Then they slept.

The following morning, Liu Ning walked towards Shi Fei's room to tell her that breakfast was ready.

'Oh! She is already awake?'

Because Shi Fei's door was open, Liu Ning thought Shi Fei was already awake.

'What?!'

Liu Ning was surprised when she saw Xiao Tian and Shi Fei sleeping, naked. Of course, she knew that Shi Fei and Xiao Tian had wild sex last night because she could hear Shi Fei's moan from her room.

'Did they not close the door last night? Aren't they too reckless?!'

Even though Shi Fei was Xiao Tian's lover, but in her view, they should close the door before sleeping.

'Sigh. What would they do if his aunt and mother saw them like this?'

Not only did they sleep naked, they even didn't close the door. At this moment, Liu Ning could see Xiao Tian's soft cock and Shi Fei's vagina clearly.

'Did they also use a dildo last night?'

Liu Ning was a little surprised when she saw a dildo on the bed.

When Liu Ning was standing next to them, she immediately spoke, "Big sister Fei, Tian'er, breakfast is ready. Let's eat together."

Shi Fei, who was sleeping on top of Xiao Tian's body, opened her eyes when she heard Liu Ning's voice, "Oh! It's you, Ning?"

"Breakfast is ready." Liu Ning repeated her words. "Hurry up and put on your clothes so that we can have breakfast together."

Because Xiao Tian was still sleeping, Shi Fei tapped his right cheeks gently and said, "Little brother, wake up."

Instead of opening his eyes, Xiao Tian wrapped his arms around Shi Fei's waist and replied, "Let me sleep for another five minutes."

"I don't mind it but your mother and aunt are waiting in the dining room right now." Shi Fei would have let him sleep for another five minutes if his mother and aunt didn't wait for them.

Upon hearing Shi Fei's words, Xiao Tian instantly opened his eyes. "Good morning my sexy lover. Let me give you a good morning kiss now."

Without waiting for her answer, Xiao Tian cupped Shi Fei's face and kissed her lips. As usual, the normal kiss instantly turned into a wet kiss where they intertwined their tongues lewdly.

After kissing Shi Fei passionately, Xiao Tian looked at Liu Ning and said, "Ning'er, come here. I will give you a good morning kiss too."

"No, thank you." Liu Ning refused without thinking twice. "Tian'er, let's head to the dining room now. I don't want to make your mother and aunt wait long."

The corner of his lips twitched when Liu Ning refused him without a second thought. "Fei, let's put on our clothes and go to the dining room. Wait. Should we go to the dining room naked? because it's troublesome to put on clothes."

Of course, Xiao Tian was joking around because Shi Fei and Liu Ning didn't know that his mother and aunt had seen his naked body many times.

"No!" Liu Ning instantly shouted.

"Haha." Xiao Tian and Shi Fei laughed.

Of course, Shi Fei knew that Xiao Tian was joking around. She just didn't expect that Liu Ning would think that Xiao Tian was serious when he said it.

"Alright. I will put on my clothes now." after wearing clothes, Shi Fei headed to the bathroom to wash her face.

"Why are you still lying down on the bed?" Liu Ning thought Xiao Tian would immediately put on his clothes too, but she was wrong because Xiao Tian kept lying down on the bed.

Instead of putting on his clothes immediately, Xiao Tian walked towards Liu Ning after getting out of the bed.

Of course, Liu Ning knew the reason why Xiao Tian walked towards her. That was why she immediately shut her eyes and pouted her lips.

At first, Xiao Tian indeed wanted to kiss her lips, but after seeing what she was doing, he changed his mind.

"Ning'er, why are you pouting your lips like that?" Xiao Tian asked while putting on his clothes.

Liu Ning instantly opened her eyes. Earlier, she was sure that Xiao Tian would kiss her lips.

"Nothing." After saying that, Liu Ning headed to the dining room with an unhappy face.

"Hehe." Xiao Tian could not help but laugh after seeing her behavior.

After that, Xiao Tian and Shi Fei headed to the dining room.

When Ye Qingyu saw Xiao Tian and Shi Fei walking hand in hand, she immediately spoke, "So sweet! It seems like you two really love each other"

"Qingyu, didn't you hear something last night? It seems like they had a passionate night, last night. Hehe." Ye Xueyin said as she giggled.

Chapter 639 - Practicing The Third Secret Move

9-11 minutes

Shi Fei was not surprised after hearing their words because she knew that she moaned loudly last night. And because they knew that she was his woman, she didn't feel shy.

"Hehe. Did I moan too loudly last night?" at this moment, Shi Fei didn't know that Ye Xueyin and Ye Qingyu peeked at her last night.

Not only that, Ye Xueyin even gave Xiao Tian a blowjob when he was playing with Shi Fei's vagina last night.

Of course, Ye Xueyin and Ye Qingyu behaved as if they only heard Shi Fei's moans because it was impossible for them to tell the truth.

As for Liu Ning, she only sighed and shook her head. Actually, she had guessed that Shi Fei would behave normally because she knew Shi Fei's personality.

Sometimes, I wish I can behave like that. Liu Ning thought to herself.

"Yes. Hehe. How was it? Was my son able to satisfy you in bed last night?" Ye Xueyin inquired.

As usual, Ye Xueyin hid her real personality and behaved like a good mother. She didn't act like a child and behave like an easy-going mother-in-law. Every time she was with Shi Fei or Liu Ning, she became a completely different person.

"Big sis, stop it." Ye Qingyu didn't expect that her big sister would ask something like that to Shi Fei.

Of course, they already knew the answer because every time they had sex with Xiao Tian, he always managed to satisfy them.

However, Ye Xueyin had to pretend as if she knew nothing about Xiao Tian's skills in bed because it could raise suspicion.

"It was great." Shi Fei gave an honest answer as she smiled. "Your son is indeed the best, Mrs. Ye. Not only is he good in business, but he is also amazing in bed. When I was having sex with him, my mind was on cloud nine."

Even though Shi Fei knew that their conversation was not normal, but she didn't mind it because it could make their relationship even closer.

"I already know about it." Ye Xueyin answered proudly.

At this moment, she didn't realize that her words had many meanings. Luckily, no one suspected her.

Then they ate breakfast together. After breakfast, Xiao Tian looked at Shi Fei and held her left hand, "Fei, let's go to my room."

"What is this? Do you want to have sex with her again? Didn't you have sex with her for several hours last night? Don't tell me. You're still not satisfied and desire to do it again." Ye Xueyin threw several questions to Xiao Tian after hearing his words.

Not only Ye Xueyin, but Liu Ning and Ye Qingyu also had the same thought. They knew that Shi Fei and Xiao Tian were lovers, but they didn't expect that Xiao Tian wanted to do it again after having sex with Shi Fei a few hours ago.

'Sigh. It seems like his mind is full of sex now.'

Those were the words that appeared in the mind of Ye Qingyu and Liu Ning.

Instead of answering, Xiao Tian only laughed. "Hehe."

"All right." Even though her pussy was still sore, Shi Fei didn't refuse because, in her view, satisfying him in bed was her job as his woman.

In the past, her dream was to be his lover. Now that they were already lovers, her wish was to keep him loving her, and satisfying him in bed was one of the ways to make him keep loving her.

Without waiting for another second, Xiao Tian carried Shi Fei in a princess style and headed to his room.

As soon as they stepped into his bedroom, Xiao Tian locked the door and put Shi Fei down before finally rubbing her lips. "Last night, I forgot to fill this small mouth of yours with my sperm. Now I'm going to do it until this mouth of yours is full of my white sperm."

"Sure. Hehe." Shi Fei replied as she giggled.

Upon hearing her words, Xiao Tian wasted no time and immediately pulled down his jeans.

"Oh!" Shi Fei covered her mouth in surprise when she saw Xiao Tian's erect cock.

Previously, Shi Fei thought she needed to give him a handjob or blowjob, but she was wrong because his cock was already erect.

"Sit before me and open your mouth." Xiao Tian spoke and paused for a second before he continued, "Last night, you said I could treat your mouth like your pussy, right? I want to do that now."

"It seems like you can't wait to fuck my little mouth. Hehe." After saying that, Shi Fei did what she was told.

After Xiao Tian placed the tip of his cock in her mouth, he grabbed Shi Fei's head and thrust his massive penis into her small mouth. "Ohhh.."

At this moment, Shi Fei didn't do anything and let him do whatever he wanted with her mouth.

Several minutes later, Xiao Tian let out his white sperm in Shi Fei's mouth. "It was great!"

*Gulp...

The sound of Shi Fei drinking Xiao Tian's sperm could be heard in their ears.

"Are you satisfied now?" Shi Fei inquired.

"Yes. I'm very satisfied." Xiao Tian answered immediately.

"If so, I will take a bath first because I have to work now." even though Shi Fei could go to Star Clothes company whenever she wanted, but she preferred to come on time because she didn't want to give a bad example to her subordinates.

"Sure." Xiao Tian didn't stop her.

To his surprise, Shi Fei headed to his bathroom. Of course, Xiao Tian didn't mind it because, in his view, his bathroom was also her washroom. He was only surprised by her actions.

After taking a bath, Shi Fei went to Star Clothes company with Liu Ning. As for Ye Xueyin and Ye Qingyu, they also traveled to Star Restaurant.

'Alright. It's time to practice martial arts now.'

Currently, Xiao Tian was standing in the backyard with a wooden sword in his right hand. The reason he didn't practice martial arts with Ren Aoxu was that he didn't want Ren Aoxu to know that he still hadn't mastered the third secret technique.

Even though Ren Aoxu still tried to master the second secret technique, but it would still hurt his pride as a senior martial brother if they mastered the secret technique at the same level.

After warming up, Xiao Tian swung his wooden sword vertically. But this time, he only did it one hundred times because he wanted to immediately practice the third secret technique.

"1..2...3...4....98...99...100." Xiao Tian tried to control his breath after swinging his wooden sword one hundred times.

'Now, it's time to practice the third secret technique.'

The name of the third secret technique was Desert Storm. It was a secret technique that started with a pentagram pattern movement and ended with a triquetra pattern movement.

Xiao Tian had to swing his wooden sword four times in each movement, so he had to swing his wooden sword thirty-two times in the third secret technique.

When he was about to practice the third secret move, a memory of his master emerged on his head.

"Chen, from the third to the eighth secret move, the movements are much more difficult and complicated." His master explained. "From here, the difficulty of each level is much greater. That's why not everyone can master all the secret moves. Of course, your master here has mastered all the secret techniques."

"So, what should I do to master it?" Huang Chen inquired.

"You need to work in your footsteps first. After that, you can practice the secret moves in slow motion." His master then looked at him intently. "Remember to practice everything step by step. Otherwise, the consequences will be fatal."

"Wha...what are the consequences?" Huang Chen asked with a terrified expression on his face.

"It can break your ankles or knees," his master gave an honest answer.

The memory from his past life suddenly disappeared after that.

Xiao Tian, who was standing in the backyard, shut his eyes and took a deep breath.

'Master said I had to practice everything step by step.'

After Xiao Tian opened his eyes, he immediately practiced the third secret technique. This time, he moved slowly so that he could grasp the feel when he was doing the secret technique.

Due to how slow his movements and attacks were, it took him about thirty seconds to finish the third secret move.

Xiao Tian did the same thing ten times before finally, he decided to make his movements a little faster.

'The third secret move has eight movements, and each move, I have to swing my sword four times. I could be said to have mastered this move if I could finish it in 8 seconds or less without making a single mistake.'

Currently, Xiao Tian was sitting on the ground.

'So, I have to finish each movement in one second. This is a little challenging for me because each move, I have to swing my sword four times.'

Xiao Tian had mastered the third secret technique in his past life, so he dared to say something like that.

'In my past life, I can finish the third secret technique in six seconds. If I can do it once, I'm sure I can do it again.'

Xiao Tian rose to his feet and practiced the secret technique again. Like before, his movements and attacks were slow because he wanted to grasp the feel first.

Seconds turned into minutes, and minutes became hours. Without realizing it, Xiao Tian had been practicing martial arts for about three hours.

'It's already afternoon. I want to take a shower first because my body is full of sweat. I will continue again later when the weather is not hot anymore.'

After taking a shower, Xiao Tian returned to the backyard. This time, he didn't bring his wooden sword but lemon juice because he wanted to relax in the backyard.

Chapter 640 - Is She Lonely

9-11 minutes

'This world looks so beautiful when I can relax like this.'

Currently, Xiao Tian was lying down on the pool lounge chair. On his right side, there was a wooden table with lemon juice on it.

Because Xiao Tian suddenly wanted to hear Yun Xin Er's voice, he grabbed his smartphone and called her. But no matter how many times he called her, she didn't pick up the phone.

'Why didn't she pick up the phone? Is she working right now?'

Because Xiao Tian thought Yun Xin Er was working, he stopped calling her.

As he planned, when it was 03:00 pm, Xiao Tian practiced martial arts again. He didn't go to his company because he was not in the mood for work.

Even though he hadn't worked for the past few days, he was sure that Liang Jun and Shi Fei could handle everything.

Time went by quickly, and without realizing it, it had been two hours since Xiao Tian practiced martial arts again.

As Xiao Tian was practicing martial arts, a voice suddenly rang out from behind him. "Tian'er, what are you doing?"

Xiao Tian instantly turned around and smiled softly, "Ning'er, you have returned home?"

He instantly put the wooden sword on the table and walked towards her with a smile on his face. However, when he was about to hug her, Liu Ning immediately stopped him.

"Please not now." the reason why Liu Ning stopped him from embracing her was that his body was full of sweat.

At first, Xiao Tian wanted to ask why she stopped him from hugging her. But when he realized that his body was covered in sweat, he immediately spoke, "Please wait here. I'll have a quick shower first."

"Yes." Liu Ning answered.

As Xiao Tian was taking a bath, Liu Ning changed her clothes before returning to the backyard. Not long after she sat on the pool lounge chair, Xiao Tian appeared before her.

"I have taken a bath now." Xiao Tian spoke. "Now let me hug my beautiful lover."

Liu Ning's face blossomed into a smile when Xiao Tian pulled her towards him and embraced her.

Xiao Tian hugged Liu Ning for about ten seconds before finally, he stopped. "Now that I have embraced my beautiful lover, it's time to kiss my gorgeous woman."

Liu Ning, who had guessed that Xiao Tian would kiss her, instantly shut her eyes. Actually, she also desired to kiss him because they hadn't kissed since morning.

Without waiting for another second, Xiao Tian pressed his lips against hers. At this moment, they didn't kiss passionately because Xiao Tian was not in the mood to do lewd things with her.

Not long after that, Shi Fei and the others arrived home. That night, they had a small party in the backyard until 11:00 pm.

'Today is really a beautiful day. If only every day is like today.'

Currently, Xiao Tian was lying down on the bed in his room. After having a small party with his mother and others, he immediately headed to his room.

At first, he wanted to sleep with Liu Ning, but he suddenly changed his mind. When Xiao Tian was about to sleep, someone suddenly opened his door.

'Mother?'

Xiao Tian was a little surprised when he found out that the person who opened the door was none other than his mother, Ye Xueyin.

But what surprised him most was that his mother instantly locked the door after entering his room.

'Does she want to sleep with me or have sex with me?'

There were two possibilities why Ye Xueyin entered his room at night and locked the door. First, she wanted to sleep with him. And second, she desired to have sex with him.

After locking the door, Ye Xueyin walked towards Xiao Tian with a smile on her face.

'Finally, I can spend time alone with Tian.'

Without waiting for another second, Ye Xueyin laid prone on top of him.

"What is this? Do you to cuddle with me?" Xiao Tian immediately wrapped his arms around her waist and smiled.

"Yes." Ye Xueyin gave an honest answer. "Tian, let's sleep naked?"

"What?" Xiao Tian said in surprise. "Why?"

He knew that they often slept naked in the past, but all of that happened after they had sex. They never slept naked if they didn't have sex. That was why he was surprised by her words.

"Because I want to." Of course, Ye Xueyin knew that her wish was weird.

Actually, the reason why Ye Xueyin wanted them to sleep naked was that she desired to have sex with him.

However, she knew that they could not do it because she would not be able to hold back her moan later.

That was why she suggested him to sleep naked. With them sleeping naked, Ye Xueyin would be able to feel the warmth of his body directly.

At this moment, Xiao Tian didn't answer and only stared at her.

'Why does she suddenly want us to sleep naked? Does she want to have sex with me? Is she lonely? Is she trying to make me feel aroused?'

Countless questions emerged in his mind. At this moment, his head was not working properly as usual. As a result, he still didn't understand why she suddenly wanted them to sleep naked.

Because Xiao Tian didn't say anything and only looked at him, Ye Xueyin sat next to him and took off her clothes.

Like before, Xiao Tian only stared at her without saying a single word.

It seems like she really wants us to sleep naked. Xiao Tian thought to himself.

To his surprise, after Ye Xueyin removed her clothes, she began taking off Xiao Tian's clothes.

"Because you didn't take off your clothes, I will do it for you." Ye Xueyin spoke as she began removing his clothes.

When Ye Xueyin pulled down Xiao Tian's shorts, she giggled when she saw his soft cock.

'It's so cute!'

Ye Xueyin then bent over and kissed Xiao Tian's cock.

The corner of his lips twitched when he saw Ye Xueyin kissing his penis. After Ye Xueyin took off his clothes, Xiao Tian immediately spoke, "Spread your beautiful vagina widely because I want to kiss it."

"All right." Ye Xueyin was pleased after hearing his words. Without waiting for another second, she laid on her back before spreading her pussy widely. "I'm ready."

'Tian, hurry up and kiss my vagina.'

Ye Xueyin added in her head.

"Mmmm." Ye Xueyin shut her eyes and tried to hold back her moan when Xiao Tian kissed her vagina.

Even though Ye Xueyin had tried her best to hold back her moan, but she still failed to do so when Xiao Tian suddenly thrust his tongue into her vaginal opening.

"Ahh." She instantly covered her mouth.

Xiao Tian was startled after hearing her moan. Because he knew it would be dangerous if they continued what they were doing, Xiao Tian decided to stop and lay on his back again. "Come here."

Ye Xueyin wasted no time and instantly laid prone on top of him and spoke, "Tian, I'm sorry."

"It's fine." Xiao Tian stroked her hair gently and smiled. "Let's sleep."

"Un." Ye Xueyin nodded her head.

The following morning, someone suddenly knocked on Xiao Tian's door. At this moment, Xiao Tian and Ye Xueyin were still sleeping soundly. However, because that person kept knocking on the door, that knock finally woke Ye Xueyin up

"Tian'er, wake up." a voice rang out from the opposite side of the door.

A cold wave embalmed Ye Xueyin as the hairs rose on the back of her neck and her mouth ran dry.

'Mrs. Liu Ning?'

There was only one person who called Xiao Tian like that, and from the voice, Ye Xueyin was sure the person who knocked on the door was none other than Liu Ning.

'What should I do?'

Last night, Ye Xueyin planned to return to her room before everyone woke up. However, because sleeping with Xiao Tian was so comfortable, she overslept.

It would be weird if Liu Ning saw them sleeping together because they were all grown up. Not only that, they even slept naked.

'What should I do? Last night, I locked the door, so if she saw us sleeping together, it would raise suspicion.'

At this moment, Ye Xueyin felt happy and afraid at the same time. She was delighted because last night, she locked the door before entering Xiao Tian's room.

But that also what scared her. With them sleeping naked and the door which was locked, it would make Liu Ning think that they did something immoral last night.

Because Ye Xueyin didn't know what she to do, she decided to wake Xiao Tian up. "Tian, wake up."

Ye Xueyin spoke in a low voice and tapped Xiao Tian's right cheek gently. She really hoped that Xiao Tian would wake up immediately and tell her what she had to do.

Because Ye Xueyin kept tapping his right cheek, Xiao Tian finally woke up. "Good mor--"

Before Xiao Tian had finished his words, Ye Xueyin instantly covered his mouth, causing him to be unable to finish his remarks.

"Tian, what should we do?" like before, Ye Xueyin spoke in a low voice.

Her words dumbfounded Xiao Tian. He didn't understand why Ye Xueyin wore a terrified expression like that.

"Tian'er, wake up." Liu Ning spoke.

After hearing Liu Ning's words, Xiao Tian finally understood the reason why Ye Xueyin had a terrified expression like that.

With a calm expression, Xiao Tian smiled, "Don't be afraid. Now put on your clothes and hide in the bathroom."

"All right." Ye Xueyin grabbed her clothes and dashed to the bathroom. She decided to put on the clothes in the washroom.

"Tian'er, wake up." Liu Ning repeated her words.

After Xiao Tian put on his clothes, he got out of the bed and opened the door. "My love, is breakfast ready?"
