

Illicit 851

Chapter 851 - Today Is A Wonderful Day

"Ah...Ah...Ah..." the huge backyard was filled with the moans of Ye Xueyin and Shi Fei.

Currently, Xiao Tian was still fucking Shi Fei from the front while thrusting his middle and index fingers into Ye Xueyin's vagina from behind.

It had been about five minutes since Ye Xueyin joined them. At this moment, Ye Qingyu, Liu Ning and Lin Xing Xue were sitting on the pool lounge chairs in front of them.

Even though Ye Qingyu and the others had tried their best not to look at them, they could not help but steal glances at Xiao Tian, Shi Fei and Ye Xueyin every few seconds.

The moans of Shi Fei and Ye Xueyin were too loud for them to ignore. For this reason, they could not relax in the backyard.

But despite that, none of them said a word as if they were enjoying the show in front of them.

"Little brother, I want a kiss again." Like what she did earlier, Shi Fei wore a lustful face as she requested him to kiss her passionately.

At first, Xiao Tian wanted to suck her nipples, but he changed his mind after hearing her words. Without waiting for another second, Xiao Tian devoured her little mouth wildly.

It had been more than thirty minutes since Xiao Tian started fucking her. At this moment, Shi Fei had almost reached her limit.

The sensation of having sex with Xiao Tian in front of her good friend for the first time made the flames of lust within Shi Fei's body tremble uncontrollably.

Shi Fei instantly stopped the kiss when she was about to have an orgasm. "Cumming...Cumming... I'm cumming."

Coincidentally, Xiao Tian had reached his limit too. "I'm cumming...."

"Ahhh.." Shi Fei moaned loudly when Xiao Tian let out his sperm in her vagina.

Even though they were having sex in the water, she was still able to feel his sperm in her pussy.

"Huft...Huft...Huft..." as usual, Shi Fei was breathing heavily after having an orgasm.

'It feels good. Having sex in the water feels good.'

It was her first time having sex in the water, and she was satisfied because she could have an orgasm.

At this moment, everyone's attention was focused on Xiao Tian and Shi Fei.

When Ye Xueyin found out that Shi Fei had already had an orgasm, she was pleased because that meant it was her turn to have sex with Xiao Tian. "Tian, mother also wants to have an orgasm. Hurry up and thrust your cock into your mother's vagina."

Xiao Tian instantly pulled his cock out of Shi Fei's vagina and turned his head towards Ye Xueyin.

'It seems like she can no longer hold back the lust within her.'

Xiao Tian understood Ye Xueyin's feelings because he only used his fingers to give her pleasure from the start.

But instead of thrusting his penis into Ye Xueyin's vagina immediately, Xiao Tian moved his fingers again.

"Hiii.." Ye Xueyin was startled when Xiao Tian suddenly moved his fingers again. "Ah...Ah...Ah..."

Like what she did before, Ye Xueyin began to wail again when Xiao Tian was moving his fingers skillfully.

Since Shi Fei was satisfied and she wanted to give Xiao Tian some time with Ye Xueyin, she decided to get out of the pool.

'I will take a rest on that pool lounge chair.'

Shi Fei then walked toward the pool lounge chair next to Liu Ning.

Even though the distance between the swimming pool and the pool lounge chair was close, Shi Fei still needed several seconds to reach the pool lounge chair because her body was still in a weak state.

'Ahh... It feels good. Having sex in the water is amazing. I will ask little brother to have sex with me in the water again in the future.'

Shi Fei instantly laid down on the pool lounge chair.

She didn't fix her bikini, and as a result, anyone could see her vagina. However, Shi Fei behaved normally as if she wanted to show off her beautiful pussy to everyone.

"Big sister Fei, you should fix your panties first." Liu Ning, who was lying down next to her, spoke abruptly.

"I will do that later." Shi Fei answered, "My body is still in a weak state right now."

Liu Ning could only sigh after hearing Shi Fei's words. As for Lin Xing Xue, she could not help but steal glances at Shi Fei's vagina several times.

It was his first time seeing Shi Fei's pussy, so she wanted to know the difference between Shi Fei's vagina and hers.

"Ah...Ah...Ah..." unlike before, where the backyard was filled with the moans of Shi Fei and Ye Xueyin, this time only Ye Xueyin's wails echoed in the backyard.

Even though Ye Qingyu and the others were seeing them, Ye Xueyin didn't hold back her moans and behaved as if she was alone with Xiao Tian in the backyard.

Ye Qingyu, who was seeing her big sister's lustful expression, could only shake her head.

'Big sis, Mrs Lin has just moved here, and you are already showing your lustful face to her. It seems you really don't know what shame is.'

Previously, Ye Qingyu thought her big sister would maintain her good image, but she was wrong.

She was utterly wrong because Ye Xueyin instantly showed her true personality the moment she saw Shi Fei and Xiao Tian having sex in the pool.

Ye Xueyin's seductive moans continued echoing in the backyard. Unlike before, where Xiao Tian fucked her from behind, this time Xiao Tian did it from the front.

Like what he did to Shi Fei earlier, Xiao Tian was kissing Ye Xueyin's hungrily as he was fucking her wet vagina.

Seconds turned into minutes, and without realizing it, it had been thirty minutes since Xiao Tian started fucking Ye Xueyin.

Because it was almost dark, Xiao Tian had to make Ye Xueyin have an orgasm faster. For this reason, Xiao Tian tried his best to make her have an orgasm as quickly as possible.

Because Xiao Tian had had sex with Ye Xueyin many times, he knew all her weak spots. That was why he was able to make her reach her limit in less than ten minutes.

"Cumming...Cumming... I'm cumming...." Ye Xueyin tilted her head back, and her body quivered for several seconds when she was having an orgasm.

Because Xiao Tian almost reached his limit too, he didn't stop moving his waist. He knew that Ye Xueyin's body was still in a weak state, but he decided to keep moving his waist.

It would make him feel very uncomfortable if he didn't have an orgasm when he almost reached his limit.

That was why Xiao Tian kept kissing Ye Xueyin's neck and moving his waist fast.

'I'm cumming....'

After several minutes, Xiao Tian finally had an orgasm.

Like what he did to Shi Fei earlier, Xiao Tian let out his sperm inside Ye Xueyin's pussy. They had so many birth control pills, so he didn't bother to get his cock out of her pussy.

"Hehe. It was amazing." Ye Xueyin smiled happily, giving Xiao Tian a sign that she was satisfied having sex with him in the pool.

"Yea. It was amazing." Because Xiao Tian knew that Ye Xueyin's body was in a weak state, he carried her out of the pool

After placing Ye Xueyin on the pool lounge chair next to Shi Fei, Xiao Tian kissed her forehead.

'Today is a wonderful day.'

Xiao Tian smiled happily.

Chapter 852 - Buying A Laptop For Feng Yu

6-8 minutes

After Xiao Tian had sex with Shi Fei and Ye Xueyin, he laid down on Shi Fei's pool lounge chair.

Unlike Shi Fei and Ye Xueyin, who didn't fix their panties, Xiao Tian instantly wore his shorts after getting out of the pool.

'Hmm? Sigh. My sexy lover is too lazy and spoiled! Luckily, no man sees her vagina.'

When Xiao Tian noticed Shi Fei's bare pussy, he immediately fixed her panties. Sure, all the people near them were his women, but it was not a good idea to let her pussy visible like that.

Shi Fei smiled happily before kissing Xiao Tian's left cheek. "Thank you, little brother."

"You should pay more attention to your surroundings and your clothes." Xiao Tian said in a gentle voice.

'Because I don't want any man to see your naked body.'

He added in his head.

"Hehe." Shi Fei only giggled after hearing his words.

Then Xiao Tian and the others talked for about fifteen minutes before finally, they entered the house.

As usual, they watched TV in the family room after having dinner together. Because Lin Xing Xue and Feng Yu were living with them, the atmosphere became more lively.

They watched TV together until 11:00 pm before finally, they went to their rooms. At first, Xiao Tian wanted to sleep in his aunt's room, but he changed his mind after thinking for several seconds.

Today was Lin Xing Xue's first day living with them, so he decided to sleep with Lin Xing Xue that night.

"Are you really going to sleep with me tonight?" Lin Xing Xue inquired.

Currently, Lin Xing Xue and Xiao Tian were lying down on the bed. Previously, she was startled when Xiao Tian suddenly entered her room earlier and said he would sleep in her room tonight.

Of course, she was pleased with it because sleeping with her lover was one of the things she loved the most.

"Yes." Xiao Tian nodded his head. "But if you want to sleep alone, I'll be out of your room now."

Lin Xing Xue instantly hugged Xiao Tian's right arm and shook her head. "No. I want to sleep with you too."

It had been a long time since she last slept with Xiao Tian. The last time they slept together was when they were still lovers.

"Oh right. You must be surprised after seeing me having sex with Shi Fei and my mother earlier. But I hope you can understand because they are my women too." Xiao Tian was sure that Lin Xing Xue was shocked earlier.

He revealed his illicit relationship with his mother and aunt yesterday, and the first thing Lin Xing Xue saw after moving to his house was seeing him having sex with his mother and Shi Fei.

Xiao Tian knew that Lin Xing Xue was like Liu Ning. She still tried to accept his relationship with his mother and aunt completely.

However, he really hoped that she would treat them like her sisters because they were his women, and they would live together forever later.

Xiao Tian didn't want them to fight or something like that because it would make him sad later.

"Yes. I was shocked earlier." Lin Xing Xue gave an honest answer. "But I can understand it. I know that they are your women, so it's normal for you to have sex with them."

Xiao Tian was pleased after hearing her words, so he kissed her forehead. "Thank you, my little lover."

Lin Xing Xue only smiled softly.

'I should be the one calling you my little lover.'

She said in her head.

'Well, being called little lover by my man is not a bad too.'

Lin Xing Xue embraced Xiao Tian's right arm tighter.

Xiao Tian and Lin Xing Xue talked for several minutes before finally, they fell asleep.

The following morning, Lin Xing Xue woke up faster than Xiao Tian. She woke up early on purpose because she wanted to cook breakfast with Shi Fei and the others.

This made Xiao Tian feel lonely when he woke up. Because he knew that his women were in the kitchen, he decided to take a bath.

After taking a shower, Xiao Tian had breakfast with his women and Feng Yu. Since he had promised to buy Feng Yu a laptop yesterday, Xiao Tian did not immediately go to work.

He took Feng Yu to the laptop shop after breakfast. And because he wanted to make her happy, Xiao Tian intended to buy her the best laptop in the shop.

After arriving at the laptop shop, Xiao Tian told the clerk to show them the best and newest laptops. Then, he told Feng Yu to choose it.

Xiao Tian could not help but pleased when he saw Feng Yu's happy smile.

'From her expression, I can tell that she really like that laptop.'

Because Xiao Tian wanted to work, he decided to send her home.

On the way home, Xiao Tian's smartphone suddenly rang. When he knew the person who was calling him was Zhao Sheng, he immediately picked up the phone. "What's wrong, Zhao Sheng?"

"Where are you?" Zhao Sheng inquired, "I'm at your gang headquarters right now."

Xiao Tian was startled after hearing Zhao Sheng's words. "What are you doing there?"

Xiao Tian was sure that he didn't make a promise to meet Zhao Sheng at his gang's headquarters. That was why he wanted to know what Zhao Sheng was doing at his gang's headquarters.

"I was bored, and I thought you were here. That was why I went to your gang base." Zhao Sheng gave an honest answer. "Hurry up and come here. Let's play together later. It has been several days since the last time we played together. We can even seduce women if you want. Haha."

The corner of Xiao Tian's lips twitched after hearing Zhao Sheng's words.

'What a playboy!'

Because Feng Yu was with him, Xiao Tian wavered whether he should go straight to his gang headquarters or not.

'Will she think of me as a bad person if she knows I'm the leader of a gang?'

Lin Xing Xue had become one of his women now, so Xiao Tian wanted to win Feng Yu's heart again.

One of the reasons why he bought her the best laptop was that he hoped that Feng Yu would open her heart to him.

Sure, Feng Yu no longer tried to stop him whenever she saw him with Lin Xing Xue, but he knew that she still had not accepted him fully.

She did all of that because of her mother. Because she didn't want to see her mother cry anymore.

Because Xiao Tian didn't say anything, Zhao Sheng spoke again, "Oi, Xiao Tian. Are you there?"

"I will go there now." after thinking for several seconds, Xiao Tian decided to bring Feng Yu to his gang base.

If he wanted her to accept him completely, he should not have hidden anything from her. Feng Yu was a smart kid, so she knew what was good and bad.

Even though Xiao Tian was a gang leader, he never used his underlings to cause trouble to others. He only used his underlings when someone caused trouble to him or the people he loved.

"Good. I'm waiting." After saying that, Zhao Sheng hung up the phone.

Chapter 853 - Going To The Blue Ice Lotus Gang Headquarters With Feng Yu

7-8 minutes

"Feng Yu, how about we go somewhere first before going home?" Xiao Tian spoke abruptly.

"Where do you want to go?" Feng Yu inquired. Actually, she was startled by Xiao Tian's words but she didn't show it on her face.

Instead of answering her question, Xiao Tian asked, "Do you want to meet the famous young master of the Zhao family?"

"Zhao family?" of course, Feng Yu knew about the Zhao family because the Zhao family was well-known in the whole of China, especially in Shanghai.

"Yes." Xiao Tian answered as he nodded his head. "He is my friend and suddenly wants to meet me. I will introduce you to him later."

"Up to you." even though Feng Yu said something like that, but she was curious about it.

She wanted to know whether Zhao Sheng was really Xiao Tian's friend or not. Even though Xiao Tian was rich now, but in her view, he was still not on the same level as the Zhao family.

"Good." Xiao Tian smiled happily. "And I have a surprise too. I'm sure you'll be surprised later."

Xiao Tian didn't tell her that he was the leader of a gang. He wanted to make her meet his underlings in person because, from his point of view, it was better to do that than to tell her about everything.

After driving for about thirty minutes, Xiao Tian and Feng Yu finally reached the Blue Ice Lotus gang headquarters.

Xiao Tian's underlings, who were taking a break from training, instantly walked towards him when they saw him getting out of the car.

"Leader..."

"Leader..."

"Leader..."

"Leader..."

"Oh, leader. You have come?"

One by one, Xiao Tian's underlings greeted him.

"Eh! Who is this little girl?"

"She looks so cute."

"I suddenly want to pinch her soft cheeks."

"Wow! It's the first time I've seen our leader bring a little child here."

"Is she his daughter?"

"Wait. Don't tell me...."

Xiao Tian's underlings were startled and curious at the same time.

It was the first time Xiao Tian brought a child to the Blue Ice Lotus gang headquarters, so they wanted to know who Feng Yu was.

The expression of deep shock blossomed on Feng Yu's face.

'What? What did they just say? Leader?'

Feng Yu was a smart child, so she immediately knew that they were members of a gang.

But what made her hard to believe was that they called Xiao Tian leader. Of course, she knew that Xiao Tian was a bad person because he was a playboy, but Feng Yu did not expect that he was a gang leader.

Because she wanted to confirm whether Xiao Tian was really their leader or not, she turned her head towards Xiao Tian and inquired, "Are you their leader?"

"Yes." Xiao Tian gave an honest answer. "They are my underlings."

Even though Feng Yu tried her best not to look surprised, but Xiao Tian knew that she was shocked after learning one of his secrets.

Everyone who found out that he was a gang leader always had the same expression. They would never have guessed that such a kind and innocent-looking young man would be a gang leader.

Feng Yu then shifted her gaze from Xiao Tian to his underlings.

'He didn't deny it. Is this the surprise he said earlier?'

Feng Yu suddenly remembered the time when he said that he would give her a surprise.

"Leader, who is she?" one of Xiao Tian's underlings inquired.

"He is the daughter of one of my women." Xiao Tian gave an honest answer. "Her name is Feng Yu. In the future, you will see her more often and remember to protect her as well."

"I see."

"I see, I see."

"I thought she was his daughter earlier."

"I also thought like that earlier."

Xiao Tian's underlings finally knew who Feng Yu was.

"All right. I want to see Zhao Sheng first." Xiao Tian uttered, "You can play with her later."

"Little girl, play with big sister later." one of Xiao Tian's underlings spoke.

"Play with me too." another member of the Blue Ice Lotus gang uttered, "I will show you something interesting later."

"Play with me too." another member of the Blue Ice Lotus gang said, "We can play anything later. We can even play with the human body if you want."

"That's right." Another one said, "If you are bored and want to vent your anger, we have a lot of people in prison. We can torture them if you want."

"Shut up!" one of the Blue Ice Lotus gang members spoke, "Don't scare her like that! Have you forgotten that she is still a child?!"

"Ops! My bad."

"I forgot. Haha."

The other members could only laugh after hearing their words.

Then Xiao Tian and Feng Yu entered the Blue Ice Lotus gang headquarters to meet Zhao Sheng.

"Yo, Xiao Tian. You finally came!" Zhao Sheng was startled when he saw Feng Yu. "Who is she? Wait. Don't tell me. She is your dau-"

However, before Zhao Sheng had finished his words, Xiao Tian interrupted him. "She is the daughter of one of my women."

Of course, Xiao Tian knew what Zhao Sheng was about to say because he knew Zhao Sheng's personality well.

Like before, Feng Yu was startled when she saw Zhao Sheng.

'He is indeed the young master of the famous Zhao family.'

Because Feng Yu had seen Zhao Sheng many times on TV, she knew who Zhao Sheng was. She then shifted her gaze from Zhao Sheng to Xiao Tian.

'But how could he possibly be friends with the young master of the Zhao family?'

The difference between Xiao Tian's family and the Zhao family was like heaven and earth, so Feng Yu really wanted to know how they could become friends.

And what surprised her most was that Zhao Sheng's behavior towards Xiao Tian was natural, not like a business partner.

From their behavior, Feng Yu knew that they were no ordinary friends.

'Don't tell me. They are close friends or best friends.'

Feng Yu kept looking at Xiao Tian and Zhao Sheng as they were talking.

'I didn't expect it to be like this. It seems like he hides everything very well. He is not as simple as on the surface.'

Previously, she learned that Xiao Tian was a gang leader, and now, she found out that he had a good relationship with the young master of the famous Zhao family.

Feng Yu suddenly realized why Xiao Tian could become a successful person in such a short time. She believed that Zhao Sheng and his underlings had helped him achieve success.

Zhao Sheng then turned his head towards Feng Yu. "Little girl, I heard you are a clever girl. How about you work in my company in the future?"

"Fuck off, Zhao Sheng!" Xiao Tian said instantly. "She said she would work in my company in the future."

Feng Yu could only sigh when she saw their behavior.

'When did I say I would work in your company in the future? And why has your personality changed drastically like this?'

Feng Yu was speechless when she heard their conversation. Zhao Shen was completely different from when he appeared on TV, and Xiao Tian's personality suddenly changed 360 degrees after meeting and talking to Zhao Sheng.

'It's not what I imagined it to be.'

Feng Yu then sat on the couch before sighing. She was suddenly disappointed with their behavior because everything was not like what she imagined.

Chapter 854 - Who Is This Adorable Little Girl?

7-9 minutes

As Xiao Tian was talking with Zhao Sheng, his smartphone suddenly rang.

'Chao Yang Sheng?'

Xiao Tian was startled when he knew it was Chao Yang Sheng. Of course, he didn't show it on his face.

Because they were business partners now, he immediately picked up the phone, "Hello, Mr. Chao?"

"Mr. Xiao, where are you right now?" Chao Yang Sheng inquired.

"I'm at my gang headquarters." Xiao Tian gave an honest answer. "What's wrong? Is there a problem with our plan?"

"No." Chao Yang Sheng answered, "It's the opposite. Our plans went smoothly. Everyone is praising me now. I'm so happy so I want to treat you to lunch."

When he said this, Chao Yang Sheng's face was full of smile. Not only did he manage to be the CEO of Fibers company, but everyone even kept praising him now.

If he was not a CEO and had to maintain his image, he would have been singing happily by now. He really could not describe the happiness he felt into words.

"Congratulation, Mr. Chao." Xiao Tian smiled and was happy for Chao Yang Sheng because Chao Yang Sheng had achieved his dream. "Sure. I will be waiting at my gang base now."

Xiao Tian decided to continue to build a good relationship with Chao Yang Sheng because Chao Yang Sheng would be useful to him in the future.

"All right. I will be there soon." After hanging up the phone, Chao Yang Sheng went straight to the Blue Ice Lotus gang headquarters.

Twenty minutes later, Chao Yang Sheng arrived at the Blue Ice Lotus gang headquarters. Because the members of the Blue Ice Lotus gang and Shadow gang knew who Chao Yang Sheng was, they did not stop him.

Without waiting for another second, Chao Yang Sheng headed to the guest room because he was sure that Xiao Tian was there.

Like Feng Yu, the expression of deep shock blossomed on Chao Yang Sheng's face when he saw Zhao Sheng.

'Eh! Is not he the young master of the Zhao family?'

Chao Yang Shen found it hard to believe what he was seeing. But what surprised him the most was that Xiao Tian and Zhao Sheng behaved as if they were close friends.

'Are they friends?'

Ever since Chao Yang Sheng knew Xiao Tian, he had never seen Xiao Tian with Zhao Sheng even once. That was why he was startled.

However, from their behavior, he knew that the relationship between Xiao Tian and Zhao Sheng was not a business partner because they behaved like good friends who were chatting happily.

This made Chao Yang Sheng happy!

'I'm lucky I made the right decision in the past. If I had refused his offer, I would have not known this and my life would have been different from what it is now.'

Since Xiao Tian was close to Zhao Sheng, Chao Yang Sheng was sure he could get benefit from befriending them.

'But who is that little girl?'

Chao Yang Sheng knew that Xiao Tian did not have a younger sister, so he was curious about Feng Yu.

When Xiao Tian noticed Chao Yang Sheng, he immediately spoke, "Oh! You have arrived, Mr. Chao?"

"Yes." after answering, Chao Yang Sheng turned his head towards Zhao Sheng, "Hello, young master Zhao."

"Oh! You are Chao Yang Sheng, right?" Zhao Sheng knew who Chao Yang Sheng was.

'Wait! Isn't Xiao Tian the reason why Chao Ming Hai is in prison now? Why is Chao Yang Sheng here?'

Lan Ruoxi told him that Xiao Tian had put Chao Ming Hai in prison, so Zhao Sheng was curious as to why Chao Yang Sheng was at the Blue Ice Lotus gang's headquarters because Lan Ruoxi didn't tell him everything.

'Wait! Don't tell me...'

Zhao Sheng knew Xiao Tian's personality well, so he suddenly had an understanding of what Xiao Tian had done to the Chao family.

'Damn it! Xiao Tian had fun without me.'

Zhao Sheng cursed in his head.

"Yes." Chao Yang Sheng didn't expect Zhao Sheng to know him.

"Mr. Chao, please sit." Xiao Tian uttered,

After sitting on the couch, Chao Yang Seng inquired, "Mr. Xiao, who is this adorable little girl?"

"Her name is Feng Yu." Like before, Xiao Tian introduced Feng Yu without thinking twice. "She is the daughter of one of my women."

"The daughter of one of your women?" Chao Yang Sheng said in surprise.

'Just how many women does Mr. Xiao have now?'

Because he never met Xiao Tian's women, Chao Yang Sheng had no idea how many women Xiao Tian had.

"You are underestimating my friend. Not only does Xiao Tian have more than one woman, he even has MILF as his lover too." Zhao Sheng uttered, "But of course, I have more women than him. Haha."

Black lines formed on the forehead of Xiao Tian and Chao Yang Sheng after hearing Zhao Sheng's words.

Feng Yu still didn't say a word since earlier.

'As I thought, a playboy will always be friends with another playboy.'

At this moment, Zhao Sheng had no idea that his good image had been shattered into pieces in Feng Yu's eyes.

After that, they talked for about twenty minutes before Chao Yang Sheng invited them to have lunch at the Bamboo Restaurant.

Because Feng Yu wanted to meet her mother immediately, Xiao Tian decided to send her home before traveling to the Bamboo Restaurant.

As usual, Zhao Sheng, Xiao Tian, and Chao Yang Sheng went straight to the VIP area because they didn't want to get disturbed by other people.

They stayed in the Bamboo Restaurant for about an hour before finally, they left.

Eternal Beauty Company, Xiao Tian's office.

"Is there a problem?" Xiao Tian inquired.

Currently, Xiao Tian and Liang Jun were sitting on the couch. Like his Star Clothes company, his Eternal Beauty Company was also about to open several branches.

"There is no problem, sir. Everything went smoothly until now." Liang Jun was pleased because there was no problem until now, and he hoped that everything would go according to their plan later.

"All right. You can leave now." Xiao Tian uttered, "Tell me, if something happens later."

"Understood." After saying that, Liang Jun walked out of Xiao Tian's office.

Xiao Tian then sat on his office chair.

'Both of my companies are growing rapidly, but I'm still not satisfied with this.'

Sure, Xiao Tian was quite famous now, but not everyone knew him. He had promised his predecessor to make everyone in China know him, so he was still not satisfied with what he had now.

He desired more! He wanted to be more famous to the point everyone would praise him every time they saw him.

'Should I open entertainment industry?'

Xiao Tian still remembered several famous movies from his past life. He even still remembered a few short dramas from his past life.

That was why he suddenly had the thought of opening up the entertainment industry.

'But I still haven't opened a hotel business yet.'

Xiao Tian planned to open a hotel business first before opening another business because owning a hotel would benefit him greatly.

'Sigh. I'll think about this later.'

Because Xiao Tian had something to ask Lan Ruoxi, he rose to his feet and traveled to Red Flower Bar.

Chapter 855 - I Will Fight You Seriously

7-8 minutes

Because Xiao Tian had something to ask Lan Ruoxi, he rose to his feet and went straight to the Red Flower Bar.

However, when he was on his way to the Red Flower bar, he saw something unexpected.

He saw Flower fighting someone around forty years old!

But because Flower was wearing a veil, Xiao Tian had no idea who she was. Xiao Tian instantly stopped his car and got out of his vehicle.

Xiao Tian did not forget to bring his sword, which was hidden in his car. Yes. He wanted to take advantage of the situation later.

'Because you have tried to kill me twice before, I will get my revenge today.'

It was an excellent chance to capture the assassin who tried to kill him twice, so he decided to peek at them fighting from behind a tree.

"Who sent you to kill me?" the blue-haired old man, whose name was Gu Ming, inquired.

He was furious when an assassin suddenly appeared before him and wanted to kill him.

"You don't need to know it." After saying that, Flower attacked Gu Ming again.

Left, right, forwards, backward, above. Flower attacked Gu Ming from all directions with her daggers.

'Why? Why can't I beat him? He is only an ordinary martial artist at the high-level master stage? Usually, I can kill ordinary martial artist at the high-level master stage easily, so why?'

Flower's speed was already in the category of the high-level master stage, so she found it hard to believe what was happening.

"It seems like I have to beat you first before asking that question." A terrifying light flashed in Gu Ming's eyes, and a cold aura slowly formed around him.

Because Xiao Tian had gained insight about battle instinct, he could feel that cold aura.

'He is a strong martial artist!'

Xiao Tian was sure that Gu Ming was a powerful martial artist at the high-level master stage.

He was pleased after learning about that because with this, there was a high possibility that Gu Ming would win the fight later.

'Hehe. Good!'

Xiao Tian's lips curled into a smirk.

Because Flower still had not gained insight about battle instinct, she could not feel the cold aura around Gu Ming's body.

However, her instincts suddenly told her to run away from Gu Ming.

'Don't tell me....'

Flower suddenly suspected that Gu Ming didn't fight her seriously earlier.

"Girl, I will stop playing with you now." Gu Ming uttered, "This time, I will fight you seriously."

Gu Ming was a martial artist at the high-level master stage, but because his strength was already in the category of the low-level grandmaster stage, he was no ordinary martial artist at the high-level master stage.

And since Gu Ming decided to fight Flower seriously, the situation turned around. If previously Flower had the upper hand, this time it was Gu Ming who had the upper hand.

Sure, Flower still managed to hit or injury him, but Gu Ming still had the upper hand in the fight.

'It's dangerous. I can't win fighting against him head on. I have to back off now and make another plan.'

With that idea in mind, Flower tried to run away.

However, when she was about to run away, she was kicked in the chin by Gu Ming. Not only that, when she was in mid-air, Gu Ming also kicked her mid-torso.

*Aukkk...

Flower was sent flying two meters back before crashing into a tree and falling to the ground.

"Girl. Where do you want to go?" Gu Ming inquired, "Didn't you say you wanted to kill me earlier?"

Flower was heavily injured, so Gu Ming was sure that she would not be able to run away from him. That was why he walked towards her slowly.

Xiao Tian, who was peeking from behind the tree, smirked.

'You pick the wrong target this time!'

Xiao Tian was pleased when he saw Flower getting beaten up by Gu Ming.

Flower instantly rose to her feet and tried to run away again. She was heavily injured, so she would be killed if she didn't run away.

"Do you think you can run away from me?" like before, Gu Ming kicked Flower again when she was trying to run away.

*Aukkk...

Blood splashed out of Flower's mouth again.

Because Gu Ming's strength was already in the category of the low-level grandmaster stage, his kick was powerful.

Currently, Flower's body was covered in blood. Head, mouth, arms, legs. Almost every part of her body was covered in blood.

Not only that, but she also suddenly felt dizzy, causing her to be unable to run. However, Flower still tried her best to leave that place, or else she would get killed later.

That was why she rose to her feet and walked away from Gu Ming. But because of her dizziness and injuries, Flower was unable to walk normally.

Her walking speed was very slow. She felt that every step she took was heavy, as if there was a mountain on her shoulders.

"Hahaha." Gu Ming laughed loudly as he walked closer towards Flower. "Where did your previous arrogant behavior go? Didn't you say I was going to die today?"

Like before, Xiao Tian was following them in secret.

"Little girl, why are you trying to run away from me? Let's continue our fight." There was no one around them, and many trees surrounded the place, so Gu Ming was not afraid that someone would help Flower.

Of course, Flower ignored Gu Ming's words and kept walking away from him.

"Hey, why are you ignoring me?" at this moment, Gu Ming was standing next to Flower.

If Xiao Tian didn't know what had just happened, he would definitely think that Gu Ming and Flower were friends who were taking a walk together.

"Tch!" Gu Ming started to lose his temper, so he grabbed Flower's neck. "Tell me, who sent you? Maybe I will give you a quick death later."

"Woskght." the color of Flower's face turned blue, and she was having trouble breathing because Gu Ming was choking her neck hard.

Xiao Tian, who was peeking from behind a tree, hoped Gu Ming would immediately take off Flower's veil because he wanted to see her face.

'It looks like she will die by his hands later.'

Even though Xiao Tian wanted to take revenge on Flower, but he would not stop Gu Ming if Gu Ming wanted to kill Flower.

"Hey, I asked you a question earlier! Who sent you to kill me?" Gu Ming repeated his question.

Like before, Flower didn't answer his question and only tried to free herself from him.

Because Gu Ming was annoyed, he threw Flower on a tree.

*Aukk...

Flower's back hit the tree.

"Hurry up and tell me who sent you!" Gu Ming spoke and paused for a second before he continued, "Otherwise, I will continue to torture you."

However, Flower only stared at him.

'It seems like I'm going to die today.'

Flower had a commitment that she would continue to keep her client's information confidential after receiving the money. That was why she was ready to die.

"Since you don't want to tell me, I will kill you now. But before that, let me see your face first." After saying that, Gu Ming took off the Flower's veil. "Oh! I didn't expect you to have such a pretty face!"

At this moment, Xiao Tian, who was peeking from behind a tree, had a shocked expression.

'Rose?!'

Chapter 856 - Complicated Feeling

7-8 minutes

'Rose?'

The expression of deep shock blossomed on Xiao Tian's face. He found it hard to believe what he was seeing.

'How could this be?'

Xiao Tian tried to deny it, but the fact that the assassin was Flower didn't change.

'How? Why? Why it has to be you?'

Xiao Tian suddenly had a complicated feeling.

Even though the truth had been revealed before his eyes, Xiao Tian still could not accept it. Flower was someone who helped him many times when they lived in the forest.

If Flower were the assassin who had tried to kill him twice, then that would mean he lived with his enemy for a few days.

'Rose, are you really that assassin? Are you really the one who tried to kill me twice?'

Xiao Tian never thought that the assassin was Flower because she had many chances to kill him, but she didn't do that.

She even helped him and brought him to the cave when he was unconscious. This made Xiao Tian's mind suddenly in a mess.

He really didn't know what to do. If he didn't help Flower, he was sure she would die later, but when he was about to help her, there was a part of him that stopped him, saying that she was his enemy.

At this moment, several memories suddenly appeared in his mind; memories when he was living in the forest with Flower.

"Here, eat it." Flower gave the fruit to Xiao Tian. "These fruits can fill your empty stomach."

"Let me help you." Flower helped Xiao Tian up and walk to the waterfall.

"Just wait there. I will help you clean your wounds later." Flower said from behind the stone.

"Here, eat it." Flower gave the grilled fish to Xiao Tian.

"I still can't find a way back to the city." Flower uttered, "I will try again tomorrow."

"Hehehe." Flower giggled when she saw Xiao Tian almost threw up after eating the fruit she gave him.

Xiao Tian started to waver again when one by one, memories of the two of them appeared in his mind.

The beautiful memories he had with Flower in the forest made his feelings complicated again.

Sure, Flower was his enemy, but she had helped him many times before, and there was a high possibility that he would have died if she had not helped him.

When Xiao Tian was thinking about whether he should help Flower or not, Flower almost fainted.

Gu Ming was currently choking Flower's neck hard and asking her many questions. But like before, Flower remained silent as if she didn't hear anything.

This made Gu Ming furious. He felt as if Flower didn't put him in her eyes. He had given her a chance not to get tortured, but she didn't feel grateful.

*Sringsggg....

Xiao Tian unsheathed his sword when Flower was about to die.

He had so many beautiful memories with Flower, so Xiao Tian decided to help her. Sure, he still had complicated feelings, but Flower would have died if he didn't help her.

Xiao Tian decided to have a long chat with her later. He wanted to give her a chance to explain everything before deciding what he was going to do to her later.

"Eh?! Dead?!" Gu Ming was shocked when he saw Flower's eyes slowly closing on their own. "Ah. She just passed out."

Because Gu Ming was a powerful martial artist, Xiao Tian decided to give a surprise attack. Sure, Gu Ming was injured, but he could not underestimate Gu Ming.

*Shui...

Xiao Tian dashed towards Gu Ming and pointed his sword forward, aiming to stab Gu Ming's heart from behind.

However, Gu Ming was an extraordinary martial artist at the high-level master stage, and he also had a good instinct, so Xiao Tian failed to kill Gu Ming instantly.

Even though Gu Ming managed to protect the fatal area of his body, but he paid a heavy price for it.

'Fuck!'

Gu Ming cursed venomously as he looked at his bleeding left hand.

Previously, he blocked Xiao Tian's attack with her left hand. He had no choice but to sacrifice his left hand, or else Xiao Tian's sword would pierce his heart.

"Who are you?" Gu Ming asked furiously.

However, Xiao Tian ignored Gu Ming's question and kept attacking Gu Ming.

'Moon style sword of drawing techniques- second ceremony- Earth Breaker.'

Because Xiao Tian didn't want to waste time, he instantly used his secret technique.

Gu Ming was startled by Xiao Tian's attacks.

'What is this? A secret technique? It's dangerous. I have to dodge it!'

Even though he wanted to dodge Xiao Tian's attacks, but he failed to do so.

Xiao Tian's attacks were fast and deadly. Coupled with him being injured from fighting with Flower, made Gu Ming unable to dodge all of Xiao Tian's attacks.

Head, arms, legs, neck, stomach. Every part of his body was injured by Xiao Tian's attacks, causing blood to come out of his wounds.

[A/N= If you ask why Xiao Tian can beat Gu Ming and Flower can't do that when they are equal when they fight. The answer was because Xiao Tian had never used a sword against her or used any of his secret moves.]

Gu Ming, who was heavily injured, knew that he would not be able to beat Xiao Tian.

'I have to back off now. I will take my revenge later.'

Gu Ming was sure that he could beat Xiao Tian if he were not injured from fighting Flower earlier.

That was why he wanted to back off because he would die if he stayed there. As long as he was alive, he could take revenge later.

"You want to run away, huh? Do you think you can do that?" Xiao Tian uttered,

*Shui....

Xiao Tian dashed towards Gu Ming and pierced Gu Ming's heart from his back.

*Aukkk....

Blood splashed out of Gu Ming's mouth.

'How could this be?'

Gu Ming fell to the ground, dead.

After sheathing his sword, Xiao Tian carried Flower to his car. Without waiting for another second, he traveled to his apartment.

*Click...

Xiao Tian opened the door.

He then headed to his room and put Flower on the bed. After treating her injuries, Xiao Tian sat on the chair next to the bed.

'Rose.'

Xiao Tian had complicated feelings again, but he could only sigh. He would wait until Flower regained consciousness before having a long talk with her.

Seconds turned into minutes, and without realizing it, it had been an hour since Xiao Tian brought Flower to his apartment.

"Agh.. My head hurts!" Flower finally regained consciousness.

'Xiao Tian?'

The expression of deep shock blossomed on Flower's face when she saw Xiao Tian sleeping in a sitting position with his head on the bed.

She remembered that she was fighting Gu Ming earlier, and she lost the fight.

'Where is this place? Did Xiao Tian help me earlier? What happened to Gu Ming? Did he beat Gu Ming?'

Countless questions appeared in Flower's mind.

At that moment, she suddenly noticed something important. She was not wearing a veil!

'My veil!'

She then turned her head to the left and right, but she didn't find her veil. Flower then shifted her gaze to Xiao Tian.

'So this means, he already knows who I am.'

As Flower was having a complicated feeling, Xiao Tian suddenly woke up.

"Rose, you have regained consciousness?" Xiao Tian uttered,

Chapter 857 - My Name Is Crystal

7-8 minutes

Inside a big and luxurious room, two young people were looking at each other. The young woman was sitting on the bed with her back leaning against the headboard.

Her pretty face was covered in bruises, and her head was wrapped in a white bandage. From her appearance, anyone could tell that something bad had just happened to her.

Even though the young woman was in bad condition, but she did not show the slightest care about it. Her pretty purple eyes were focused on the young man, as if she was looking for something on the face of the young man.

On her left side, an attractive young man was sitting on the chair. His face was full of worry after seeing the young woman's condition.

From his expression, anyone could tell that the young woman was important for the young man.

Yes, these attractive young people were none other than Xiao Tian and Flower.

At this moment, Xiao Tian and Flower didn't say anything and only stared at each other. After Xiao Tian found out who Flower was, both of them had no idea what to say to each other.

If Xiao Tian still didn't know Flower's real identity, they would have been chatting happily. However, the situation was different now because Flower was the assassin who had tried to kill him twice.

*One minute...Two minutes...Three minutes...Five minutes...

It had been five minutes since they looked at each other, but still, none of them said a word.

Every time they wanted to say something, they felt as if the words were stuck in their throats. There were so many things they wanted to say, but they didn't know where to start.

Yes. Their relationship was complicated. Both of them were enemies, but at the same time, they were also friends.

At this moment, they even did not know what their relationship was.

'We can't continue like this.'

These were the words that appeared in their minds.

Flower opened her little mouth and uttered, "Xiao Tian."

At the same time, Xiao Tian also spoke, "Rose."

They called their names at the same time. This made them stop their words instantly. Like before, they were silent for a few seconds.

Flower sighed before saying, "You already know who I am now. Why didn't you kill me earlier?"

Instead of answering her question, Xiao Tian asked, "Why didn't you kill me when we were in the forest? I was unconscious after we fell off the cliff. It was a perfect opportunity to kill me, so why didn't you kill me? You even brought me to the cave."

"At first, I wanted to kill you, but I changed my mind." Flower gave an honest answer.

"Why?" Xiao Tian wanted to know the reason why she suddenly changed her mind.

"Do you remember when two delinquents tried to harass me?" Flower inquired

"Yes." Xiao Tian nodded his head.

"Actually, the reason why I was at Fuku city was to kill you." Flower spoke and paused for a second before she continued, "When you helped me from these delinquents, I felt nothing. However, when you fought fifteen delinquents for the sake of protecting me, my heart suddenly began to waver."

Flower then continued, "My determination to kill you started to fade away when you still protected me as we fell off the cliff. And when we lived together in the forest, I started to think of you as my friend."

As Flower was explaining the reason why she didn't kill him, Xiao Tian paid attention to her carefully.

"Sure, it was hard to live in the forest, but to be honest, it was one of the most beautiful memories for me." Flower uttered, "You protected me so many times. You even fought wild beasts for the sake of

protecting me. If it was not for you, I would be dead by now. So, how could I still have thoughts of killing you?"

Xiao Tian finally understood the reason why Flower didn't kill him when they were in the forest.

"Now it's your turn to answer my question." Flower spoke and paused for a second before she continued, "Why did you help me? And why didn't you kill me? You know I've tried to kill you twice, right? Why didn't you do it?"

"My answer is the same as yours." Xiao Tian gave an honest answer. "To be honest, I had the intention to kill you earlier. However, when I was about to kill you, memories of us living in the forest suddenly appeared in my mind."

Xiao Tian could not pretend they did not have any relationship. These memories were too beautiful to the point he could not forget or erase them from his mind.

"So what are you going to do to me now?" Flower inquired.

Instead of answering her question, Xiao Tian asked, "What about you? Are you still going to try to kill me later?"

"No." Flower shook her head. "I have returned the money so you are no longer my target now."

"Because I'm no longer your target, then I won't do anything to you." Xiao Tian uttered, "We can forget everything and pretend as if nothing has happened to us before."

"Are you sure?" actually, Flower was startled by Xiao Tian's words.

She didn't expect him to forgive her so easily like that. Sure, she had helped him when they lived in the forest, but she had tried to kill him twice before.

And from the way Xiao Tian treated the grown men they met in the cave, Flower was sure that Xiao Tian was not someone who would easily forget everything.

Of course, this made Flower happy because Xiao Tian was not a bad person in her eyes.

"Yes." Xiao Tian answered as he nodded his head. "Don't you want to be friends with me?"

"I want to. But I have tried to kill you twice before." Flower was still feeling guilty for trying to kill him twice before.

Sure, Xiao Tian could forget it, but she was different from Xiao Tian.

"Didn't I say that I have forgiven you earlier? See! I'm fine. I'm still alive right now." Xiao Tian understood the reason why Flower behaved like that.

"Thank you for forgiving me, Xiao Tian." Flower's face blossomed into a smile.

Her smile was so beautiful to the point Xiao Tian felt as if there were suddenly many tiny stars around her.

"Un." Xiao Tian then raised his right little finger. "Now we are officially friends."

Flower then intertwined her right little finger with his and nodded her head. "Yes. We are friends now."

Like before, Xiao Tian and Flower smiled again.

At this moment, Xiao Tian suddenly remembered that he had bought the porridge earlier. "Wait here. I'll bring you a porridge now."

After saying that, Xiao Tian rose to his feet and walked out of his room.

"Xiao Tian..." Flower suddenly called Xiao Tian.

Upon hearing her words, Xiao Tian instantly stopped his footsteps and turned around. "Do you need anything?"

At this moment, Xiao Tian thought Flower needed something. But he was wrong because what she said next was something he had never thought of before.

"My name is Crystal." Crystal gave her real name to Xiao Tian.

Chapter 858 - You Are Lucky To Have Girlfriends Like Them

7-9 minutes

"My name is Crystal." Crystal uttered.

Even though Xiao Tian was shocked, he didn't show it on his face. He didn't ask why she used a fake name before because he knew the reason.

Crystal was an assassin, so it would be dangerous to use her real name. He himself even had many fake identities so he could understand it.

But what made him the happiest was Crystal decided to tell him her real name. That meant she was serious when she said she wanted to be friends with him.

"Xiao Tian is my real name." Xiao Tian spoke as he smiled.

"I know." Crystal giggled.

"All right. Wait here. I will bring the porridge first." Xiao Tian uttered,

"Un." Crystal nodded her head.

Several minutes later, Xiao Tian returned with a hot porridge in his hands. "Here, eat first so that you can recover faster."

"Thank you." after saying that, Crystal took the porridge. "By the way, what happened to Gu Ming?"

"Gu Ming? Who is he?" at this moment, Xiao Tian still had no idea that the person he just killed was none other than Gu Ming.

"The person who fought me earlier." Crystal was startled after hearing his words because she thought Xiao Tian knew who Gu Ming was.

'Wait! So, he fought someone without knowing about his opponent's name.'

Because Xiao Tian had saved her from Gu Ming, she was sure that Xiao Tian fought Gu Ming earlier.

It was impossible to save her without fighting Gu Ming because Gu Ming was determined to kill her earlier.

There were two reasons why they were in Xiao Tian's apartment. First, Xiao Tian beat Gu Ming, and the second, Xiao Tian managed to escape from Gu Ming.

"Ah, that person." Xiao Tian finally knew the person Crystal was referring to. "I killed him."

Since there was no point in lying to her, Xiao Tian decided to tell the truth. Gu Ming was her target, so it was better if she knew the truth.

"What?! You killed him?!" Crystal said in surprise.

"Yes." Xiao Tian answered as he nodded his head. "If you don't believe it, you can see his corpse later."

"How did you kill him?" Crystal wanted to know how Xiao Tian killed Gu Ming.

Xiao Tian was as strong as her, and she could not beat Gu Ming earlier, so it should be impossible for Xiao Tian to kill Gu Ming because the gap between her and Gu Ming was quite big.

"I pierced his heart using my sword." Xiao Tian gave an honest answer.

"Your sword?" Crystal suddenly remembered that Xiao Tian was a swordsman.

'Was the reason why we were equal in the past because he never used a sword?'

Crystal had fought Xiao Tian twice, and they always ended in a draw. However, Xiao Tian had never used a sword when they fought. He always used his bare hands.

'So he is stronger than me, huh?'

Because Xiao Tian managed to kill Gu Ming, Crystal suddenly thought that Xiao Tian was stronger than her.

"Forget about him." Xiao Tian uttered, "Eat the porridge first. You can think about your target again later."

"...alright." Since Gu Ming was dead, Crystal didn't think about him anymore because it meant her job was done.

After consuming the porridge, Xiao Tian and Crystal talked for several minutes.

Because Xiao Tian had something to do, he rose to his feet. "Crystal, I have to go now. You can stay here until you get better. I will bring you some food for dinner later."

"Alright." Crystal nodded her head.

Xiao Tian then left.

Eternal Beauty Company, Xiao Tian's Office.

"Sir, these are the documents that requires your signature." Liang Jun placed a mountain of paper on Xiao Tian's desk.

The corner of Xiao Tian's lips twitched after seeing the documents. "You can leave now."

After Ling Jun walked out of his office, Xiao Tian began to work. Seconds turned into minutes, and minutes became hours.

Without realizing it, it had been four hours since Xiao Tian started to work.

'It's already 05:30 pm.'

Xiao Tian then rose to his feet and went home.

"I'm home." Xiao Tian spoke when he was in the guest room.

"Little brother, we are in the family room." Shi Fei's voice rang out from the living room.

At first, Xiao Tian wanted to head to his room, but he changed his mind after learning that all his women were in the family room.

"It seems like all of you are having fun." Xiao Tian said as he smiled.

When he was next to Liu Ning, Xiao Tian instantly kissed her cheeks. Not only Liu Ning, but he also kissed all the cheeks of his girlfriends before finally sitting next to his aunt.

Xiao Tian talked to them for about ten minutes before finally heading to the bathroom to take a shower.

After having dinner with his women, Xiao Tian traveled to his apartment to meet Crystal. Of course, he bought some food before going to his apartment.

He bought healthy food and drink for Crystal so that she could recover faster.

"Crystal, I have come!" Xiao Tian spoke as he entered his apartment.

Crystal, who was watching a movie in the living room, turned her head towards him. "Oh! You have come?"

Xiao Tian showed the food and drink he just bought. "I bought healthy food and drink for you. What are you watching?"

"It's a martial arts movie called The Ruler." Crystal gave an honest answer.

"The Ruler? What a powerful title!" Xiao Tian stated, "You haven't had dinner yet, have you? You should eat now so that you will recover faster."

"All right." Flower then headed to the kitchen to bring two plates and glasses.

"Why did you bring two plates and glasses?" Xiao Tian inquired, "I have eaten with my women earlier, so I can't eat again."

"Oh!" Crystal then put it on the table and started eating her food. Since she wanted to watch a movie, she ate in the living room. "By the way, is it fine for you to accompany me like this? I'm even staying in your apartment. Are your girlfriends not mad at you?"

"What are you talking about? They won't be mad at me. They even know you are in my apartment." Before Xiao Tian traveled to his apartment, he told his women everything, so they knew that Crystal was in his apartment.

"You are lucky to have girlfriends like them." Usually, most women would not allow their boyfriends to be alone with other women. That was why Crystal was a little surprised after hearing his words.

"Yes. They understand me well." Xiao Tian also felt lucky to have girlfriends who always understood him.

Xiao Tian and Crystal then began to talk as they watched a movie. That night, Xiao Tian learned that Crystal liked martial arts movies.

She loved martial arts movies since she was little, especially martial arts movies that have romance in them.

Xiao Tian accompanied Crystal until 09:30 pm before finally, he went home.

"So you're not going to work tomorrow?" Ye Qingyu inquired.

Currently, Xiao Tian and Ye Qingyu were lying on the bed in her room. After arriving home, Xiao Tian immediately headed to her room because he wanted to sleep with her.

"Yes." Xiao Tian answered. "I want to practice martial arts tomorrow."

"Then, I won't go to work too. I want to see you practice martial arts." Ye Qingyu stated.

"What?" Xiao Tian said in surprise.

Chapter 859 - Pretending To Be Asleep

7-8 minutes

Xiao Tian was startled after hearing her words. "Why do you want to see me practice martial arts?"

In his view, there was no point in seeing someone practice martial arts, so he wanted to know why Ye Qingyu suddenly wanted to see him practice martial arts.

"Why? Am I not allowed to see you practice martial arts?" Ye Qingyu inquired

Of course, Ye Qingyu knew that her words were a little strange because all this time, she never cared about it.

"Of course, you can see me practice martial arts." Xiao Tian answered, "But it will be boring, you know?"

Xiao Tian was sure that Ye Qingyu would be bored later. That was why he said something like that.

"It's fine. I just want to see you practice martial arts." Ye Qingyu spoke and paused for a second before she continued, "But what about Crystal? Are you going to see her tomorrow?"

"Yes." Crystal was still injured, so Xiao Tian had to take care of her. "But I will see her after practicing martial arts."

Xiao Tian was determined to practice martial arts so he would only visit Crystal after he finished his training.

"What about her breakfast?" Ye Qingyu knew that Crystal was still injured, so she believed that Crystal could not cook breakfast.

"I will ask Ning'er to send breakfast to her tomorrow morning." Xiao Tian replied instantly.

Actually, there were two options. First, he would order delivery food for Crystal and second, he would ask Liu Ning to send the food to Crystal.

However, Xiao Tian decided to ask Liu Ning to send food to Crystal tomorrow morning after thinking for a few seconds.

The reasons were simple. First, he wanted Liu Ning to accompany Crystal later so that Crystal would not be lonely at his apartment.

And secondly, his apartment was the place where his fake identity lived, so he didn't want many people to know about it.

"Good idea!" Ye Qingyu also agreed with Xiao Tian's idea.

"Now, how about we have sex? I suddenly want to do it with you right now." at this moment, Xiao Tian was only joking around.

He had no intention of having sex with her. He only wanted to tease her because it was interesting to see her expression when he said something pervert.

Ye Qingyu didn't answer his question and only stared at him.

'Pervert!'

Ye Qingyu's expression instantly changed.

She did not show a disgusting expression. It was as if she was only telling him through her face that he was a pervert.

They had had sex many times in the past and he was also her lover so it was normal if he asked to have sex with her.

"Pfftt!" a peal of suppressed laughter burst out.

Xiao Tian could no longer hold back his laughter when he saw the expression on Ye Qingyu's face.

Ye Qingyu instantly pinched Xiao Tian's cheeks and spoke, "You dare to tease your aunt, huh? You are really a bad boy!"

"Hahaha." Xiao Tian couldn't help but burst into waves of laughter after hearing her words and seeing her expression.

"I really like your expression every time I tease you." Xiao Tian told her the reason why he decided to tease her earlier. "It's much different than it used to be."

"Yes. It's because you are also much different now." Ye Qingyu stated. "Not only do you dare to teases me now, you even have a lot of women."

"Even though I'm much different now, but my love for you remains the same. To me, you are still like a flower that grows in the garden because your presence makes my life so much more beautiful and colorful." As usual, Xiao Tian didn't forget to use his sweet words.

"Glib tongue!" even though Ye Qingyu said something like that, but she was still pleased.

She even smiled softly as she gently hit Xiao Tian's chest because she loved it when Xiao Tian praised her.

"Hehe." Without giving her a warning, Xiao Tian grabbed her by the waist and put her on top of him. "Let's sleep."

"Un." Ye Qingyu answered.

Xiao Tian kissed her hair before speaking, "I love you, Qingyu."

Ye Qingyu instantly lifted her head to look at Xiao Tian. She then cupped Xiao Tian's face before giving him a peck on the lips. "I love you, Tian."

Xiao Tian wrapped his arms around Ye Qingyu's waist before smiling.

The following morning, Xiao Tian woke up faster than Ye Qingyu. His face broke into a smile when he saw Ye Qingyu sleeping in his embrace.

'Cute!'

Xiao Tian then shut his eyes again and enjoyed the warmth of her body. He didn't go back to sleep, he only closed his eyes.

Seconds turned into minutes, and without realizing it, it had been thirty minutes since Xiao Tian woke up.

"Hmm.." Ye Qingyu rubbed her eyes.

'It's already 05:20 am.'

Ye Qingyu then shifted her gaze from the clock to Xiao Tian's face.

'He is still sleeping.'

At this moment, Ye Qingyu had no idea that Xiao Tian was already awake. Because Xiao Tian was closing her eyes, she assumed that Xiao Tian was still sleeping.

'Cute!'

Ye Qingyu touched Xiao Tian's nose with her right index finger.

Even though Xiao Tian knew that Ye Qingyu was already awake, he still shut his eyes. He was even still wrapping his arms around her waist.

Because it was already 06:20 am, Ye Qingyu wanted to cook breakfast. For this reason, she wanted to get out of bed.

However, when she tried to get out of bed, Xiao Tian hugged her tighter, causing her to be unable to do that.

'Hmm?'

Ye Qingyu then turned her head to look at Xiao Tian.

'He is still sleeping, right?'

She then tried to get out of bed again, and like before, Xiao Tian embraced her tighter again. Ye Qingyu repeated the same process several times, but the results were the same; she failed to get out of bed.

"Tian, are you already awake?" Ye Qingyu inquired.

Because Xiao Tian always hugged her tighter every time she tried to get out of bed, Ye Qingyu suspected that Xiao Tian was already awake.

However, she was not one hundred per cent sure because he was still closing his eyes. That was why she asked that question.

Xiao Tian didn't answer her question and continued to pretend to be asleep.

"Sigh." Ye Qingyu could only sigh.

*Click...

The sound of someone opening the door echoed in Ye Qingyu's room.

"Qingyu, let's cook breakfast." As usual, Ye Xueyin entered Ye Qingyu's room without knocking on the door. "Eh? Tian is sleeping with you last tonight?!"

"Big sis, it seems like I can't cook breakfast with you today." Ye Qingyu answered, "Tian doesn't want to let me go."

"Really?" Ye Xueyin then shifted her gaze from her younger sister to Xiao Tian. "But he is still sleeping."

Because she had to prove that she was not lying, Ye Qingyu tried to get out of bed again. And like before, Xiao Tian hugged her tighter again when she did that.

"See? He doesn't want to let me go." Ye Qingyu uttered,

"Tian, stop pretending to be asleep and let Qinyu go." Ye Xueyin spoke.

Chapter 860 - Amazing!

7-9 minutes

"Tian, stop pretending and let Qingyu go!" Ye Xueyin uttered,

"Mother, can you cook breakfast without her today?" Xiao Tian answered while still closing his eyes.

"As I thought, you are already awake." Ye Qingyu stated after hearing Xiao Tian's words.

"It's because I still want to spend time with you, aunt." like before, Xiao Tian replied without opening his eyes.

Because Xiao Tian desired to spend more time with her, Ye Qingyu looked at Ye Xueyin and spoke, "Big sis, can you cook breakfast without me today?"

"All right." After saying that, Ye Xueyin headed to the kitchen.

"Since when did you wake up?" Ye Qingyu inquired.

"Twenty minutes before you wake up." Xiao Tian gave an honest answer.

"Why did you pretend to be asleep then?" Ye Qingyu asked curiously.

"I never pretend to be asleep. I only closed my eyes." Xiao Tian denied shamelessly.

Ye Qingyu pinched his cheeks and smiled, "Bad boy!"

Xiao Tian and Ye Qingyu then began enjoying the warmth of their bodies. At 06:20 am, they headed to the dining room to eat breakfast with the others.

After breakfast, Xiao Tian asked Liu Ning to deliver food for Crystal. At first, Liu Ning wanted to go alone, but Lin Xing Xue decided to accompany her.

After the others went to work, Xiao Tian headed to the backyard to practice martial arts. At this moment, Ye Qingyu was sitting on the pool lounge chair. She wanted to see him practice martial arts.

As usual, Xiao Tian swung his wooden sword vertically after warming up. His actions stunned Ye Qingyu because he kept on doing the same move from the start.

However, she didn't say a word and kept looking at him. She believed it was just part of the warm-up.

Today, Xiao Tian decided to practice his secret technique and battle instinct. However, because training a secret move was easier, Xiao Tian chose to practice his secret move first.

'I will practice the third secret technique.'

Because Xiao Tian still had not mastered the third secret technique, he decided to do that.

At first, he wanted to use the first and second secret techniques to show off in front of Ye Qingyu, but he decided against it.

His main goal was to practice martial arts so that he would get stronger quickly, not to show off. That was why he decided to practice the third secret technique.

Xiao Tian then moved in a pentagram pattern before changing it into a triquetra pattern. As usual, he moved slowly first to feel the movements.

When Xiao Tian was practicing the third secret technique, Ye Qingyu paid attention to Xiao Tian carefully.

'What is that? Is that a secret technique like in the movies?'

Ye Qingyu asked in her head.

'Oh! His movements are getting faster and faster.'

Because Ye Qingyu was not a martial artist, her eyes could not keep up with the speed of Xiao Tian's attacks.

'Amazing!'

Ye Qingyu was amazed by Xiao Tian's secret technique.

She then rose to her feet and walked closer towards Xiao Tian, "Tian, is your move some kind of secret technique?"

Xiao Tian instantly stopped what he was doing and turned around. "Yes. This is the third secret technique. I still haven't mastered it. That's why I'm practicing it right now."

"The third? Then that means, you have mastered the first and second secret techniques, right?" Ye Qingyu suddenly wanted to see the first and second secret moves. "Can you let me see it now?"

".....sure." because his aunt wanted to see it, Xiao Tian decided to grant her wish. "I will show it now."

Ye Qingyu instantly paid attention to Xiao Tian carefully.

'I'm really curious now.'

Her expression changed to shock when Xiao Tian demonstrated the first secret move.

'A...amazing!'

Ye Qingyu could not describe what she felt in words. Even though she was not a martial artist, but she knew that his attacks were fast and deadly.

She was sure that Xiao Tian could kill people if he attacked someone with that secret technique using a real sword.

She was even more shocked when she saw the second secret technique. Even though the first secret move was amazing, but the second secret technique was more impressive.

Ye Qingyu even kept opening her mouth because of it.

'I didn't know he was so amazing like this.'

When Xiao Tian finished demonstrating the first and second secret techniques, Ye Qingyu walked closer towards him.

"Amazing!" she only said one word because that was enough to tell him how she felt when she saw him demonstrating his secret moves.

Xiao Tian only smiled softly.

'It seems like she was mesmerized by my secret techniques.'

Xiao Tian then rubbed her hair and spoke, "All right. You can sit on the pool lounge chair and see me again. I want to continue practicing martial arts."

"Un." After nodding her head, Ye Qingyu returned to her seat.

Like before, Xiao Tian practiced the third secret move again. Even though he still had not mastered it, he made huge progress.

Because it was already 10:00 am, Xiao Tian decided to stop practicing martial arts. Xiao Tian and Ye Qingyu then entered the house.

As Xiao Tian was taking a shower, Ye Qingyu waited in the family room while watching TV.

Ten minutes later, Xiao Tian finished taking a shower. Without waiting for another second, Xiao Tian headed to the family room. "Aunt, let's go."

"All right." After saying that, Ye Qingyu turned off the TV.

Then Xiao Tian and Ye Qingyu traveled to his apartment.

*Tit...tit...tit...tit...

After entering the password, Xiao Tian opened the door. "We have come."

"We have come." Ye Qingyu uttered,

Liu Ning, Lin Xing Xue, and Crystal, who were watching a movie in the living room, turned their heads towards the source of the sound.

"Oh, you two have come?" Liu Ning spoke when she saw Xiao Tian and Ye Qingyu.

Previously, Xiao Tian told her that he would come with his aunt, so Liu Ning and the others were not surprised when they saw Xiao Tian and Ye Qingyu.

After sitting on the couch, Xiao Tian looked at Crystal and inquired, "How are you feeling?"

"I feel much better now." Crystal replied, "I think I will be going back to my apartment today."

"Why don't you stay in my apartment for one more day? I'm afraid something bad will happen to you later." Xiao Tian knew that Crystal lived alone in her apartment.

He was afraid that something bad would happen to her and there would be no one to help her later.

"Don't worry. I have fully recovered now." Crystal was touched by Xiao Tian's words.

Of course, she knew that he was worried about her condition.

However, she didn't want to stay in his apartment for a long time because she didn't want to keep troubling Xiao Tian.

"...alright." because Crystal insisted on going back to her apartment, Xiao Tian could not do anything about it.

They then talked for several hours. At 03:00 pm, Crystal returned to her apartment.

'I will take a shower first before watching a movie.'

With that idea in mind, Crystal headed to the bathroom.

She took a quick bath because she wanted to watch her favorite movie, a martial arts movie.

However, when she got out of the bathroom, a voice suddenly rang out. "Where were you yesterday?"
