

## Indulgence 149

### Chapter 149: Uncomfortable

Yun Muiyou suddenly understood.

Among those at the Yun Family, Yun Jinnian was closest to Yun Zihan. She would disregard anyone from the Yun Family, but she would consider Yun Zihan.

"Mother, I know what to do now!"

Mrs. He stroked Yun Muiyou's head, "Youyou, Jinnian goes to the Zhuangyong Marquis Residence every few days to deliver medicine to the old madam. Whether you can turn your situation around depends on whether Jinnian is willing to take you to the Zhuangyong Marquis Residence."

Yun Muiyou pondered.

Perhaps, it really should be Yun Zihan who goes.

After weeping to Mrs. He, Yun Muiyou went to find Yun Zihan. In front of Yun Muiyou, Yun Zihan dared not and could not talk too much.

"I came over to ask you to visit fourth sister and get her to invite Second Miss to our residence on the eighteenth day of the first lunar month!" Yun Muiyou said righteously.

Yun Zihan's head hung low, her hands clutching the handkerchief tightly, sitting up straight.

She felt nervous, angry, and disappointed.

How shameless did one have to be to act like Yun Muiyou?

In the past, she bullied Yun Jinnian so much, but now that Yun Jinnian was of use, she started to become unscrupulous.

To talk about an illustrious lady, it was an insult to those words.

Seeing that Yun Zihan remained silent, Yun Muiyou urged, "What do you say?"

Yun Zihan looked up at Yun Muiyou. Her eldest sister was somewhat pretty, but it was a petty kind of pretty, not like Yun Jinnian, who was beautifully perfect in every way.

"Eldest sister, I will try. But I can't guarantee it will succeed!"

"Good, then speak well to fourth sister. She would probably listen to you!" Yun Muiyou said, then looking at Yun Zihan, she sighed, "Don't think I'm using fourth sister. Considering the situation our family

is in, if you're not aware, you can ask your aunt or Second Sister. As the eldest sister, only if I marry well can I later pull you all up!"

Yun Zihan found it laughable.

Yun Muiyou wanted to marry well, yet she insisted on dragging others into it.

"I understand, I'll do my best!" Yun Zihan emphasized again that she would do her best, but not necessarily succeed.

She did not know if Yun Muiyou took it to heart.

Yun Muiyou did not care so much and stood up to leave.

Yun Zihan sat there, feeling very upset.

She once had genuine affection for Yun Jinnian. Now she had to scheme, and Yun Zihan felt ashamed of her once genuine feelings.

"Panpan!"

"Miss?" Panpan called softly, only to discover that Yun Zihan was crying, which frightened Panpan enough to kneel in front of her, "Miss, what's wrong?"

"Panpan, my heart aches!" Yun Zihan gripped Panpan's hand.

The pain in her heart was real.

How genuine her previous pity had been, and now...

But she had no choice but to go.

"Miss, the eldest miss said, you have no choice but to go!"

"Yes, I have no choice but to go. Not for me, but for my aunt's sake, I must!"

When Yun Zihan arrived at Niannian Garden, Yun Jinnian was taking a break from reading.

Ming Yang and Ru Yue gave Yun Zihan a respectful greeting and invited her to sit in the small hall. Hemei and Henuan, although it was their first day at the Yun Family, had already understood the relationships within the residence, and after giving Yun Zihan their respects, they went to the small kitchen to prepare food for her.

Mrs. Yuan entered the bedroom and called softly, "Miss, Miss!"

Yun Jinnian opened her eyes groggily, "Nanny?"

"Miss, Second Miss has come over!"

"Second sister has come over!" Yun Jinnian murmured, already understanding why Yun Zihan had come.

She stood up, letting Mrs. Yuan help her comb her hair, and then came out of the bedroom. Seeing Yun Zihan examining the small hall, Yun Jinnian gave a faint smile.

It was tastefully decorated and had many things, yet she did not like it so much.

"Second sister!" Yun Jinnian called softly, sitting down next to Yun Zihan.

Yun Zihan looked at Yun Jinnian and burst into tears.
