

Chapter 15

This limited edition Maybach was not Richard's. Mason remembered his plate number.

Who the hell was this man?

Why had he never heard of this man in B City before?

Ashley shared the same idea with Mason. They thought that this handsome man was just a small potato. And they were completely shocked when they saw the Maybach.

Ashley was extremely jealous of Valeria's luck.

And she was bent out of shape.

Valeria was about to cry after she was pulled into the car by William. She did not expect that Ronald would not listen to her explanation and choose to believe Ashley's nonsense.

She had no family except Ronald since her mother had gone. What's worse, Ronald's distrust stung her.

William frowned when he saw Valeria's face, "Just cry out! You don't have to hold your tears back."

"I'm not!" Valeria didn't want the man to embarrass her. But after saying these words, she could not help crying.

She tried to wipe the tears off her face, but once the tears came out, she could no longer hold them back.

William handed a piece of tissue to her. But Valeria threw off

his hand and said, "Leave me alone!" 🗨️

William got a little angry, "Look at you! Don't get mad at me! I am not the one who had offended you!"

Valeria was angry when William yelled at her instead of comforting her.

"It's all because of you! I would be able to rebut them straightly if nothing had happened between us!"

William slammed on the brake when he saw Valeria crying in despair.

"You should be glad that it was me that night. Otherwise, your nude photos would be exposed throughout the Internet."

William said indifferently with a detached face. Valeria suddenly stop crying when she heard his words.

William lost his patience when he saw Valeria's tears and red nose, "You were framed by others because you're stupid. And you won't be in such a situation if you are smart!"

Valeria had never been crucified like this by a stranger, so she refuted subconsciously.

"I'm not stupid, ok? I trusted her and she was one of my best friends. How would I know that she would betray me?"

"It makes no sense! If you're smart enough, you won't treat the enemy as your friend. Get it? The only thing you can do is to cry after being set up. You stupid woman just deserve it!"

Valeria was irritated by William's malicious words, "You're the stupid one! You shameless."

"So now you are angry, right? Use your gut and fight back! You idiot!" William retorted coldly.

Valeria was too angry to cry. She thought, "What is wrong with this man?"

"How could he be so sharp-tongued? No wonder he could only be a pimp!"

"You stinky pimp! D*mn you!"

Valeria felt much more comfortable after she cursed William a few times in her heart. ¹

When she stopped crying, William lit a cigarette and asked, "So what are you going to do now?" ²
