

It's Too Late To Get A Divorce by Coreal White Chapter 101

Chapter 101

A strange cry suddenly came from outside.

Evelyn moved. Seeing that she was about to wake up, Alita silently pounded Jaydon hard. She panicked. No matter how innocent Evelyn was, Evelyn would not be so stupid to think she and Jaydon were practicing

yoga. w@w.n@VetwoRm.co

Just as Jaydon was about to get up, a female voice sounded.

"What are you doing?" Evelyn sat up slowly and looked at Alita and Jaydon lying on the ground in confusion.

Alita suddenly felt like she had been caught red-handed.

"Hush." Jaydon didn't feel guilty at all. He gestured for Evelyn to keep quiet. "Quickly hide over there. Don't come over. The strangeness on Miss. Thompson's body has just appeared. This is the only way I can ensure your safety."

Alita was utterly speechless.

She thought, 'How could he even think of such a lousy, childish, and

idiotic excuse?'

However, what surprised her even more was that Evelyn really believed him. She obediently ran to a corner and squatted down. She did not forget to show concern for Jaydon. "Be careful, my dear. Don't let her move."

"For the sake of your life and safety, I will definitely not let her move," Jaydon said seriously and sincerely. w@w.nov@WorM.Com

"Thank you, Jaydon." Evelyn was extremely touched.

Alita was speechless. When she looked at Jaydon again, he was looking at her with a smirk.

Just like that, he took advantage of her.

About ten minutes passed.

"Mr... Mr. Lewis, what are you doing? Why are you on top of me? What happened just now?" Alita pretended to wake up and cry out.

Jaydon laughed inwardly and thought, "This woman is quite good at acting. In that case, I will act along with her.' He frowned and asked cautiously, "Are you Miss Thompson?"

Alita gave him a dirty look inwardly.

"Mr. Lewis, what are you talking about? Of course I am. Are you trying to take advantage of me? Hurry up and get up. If Miss Jenner sees this, she'll twist your ear off!" Alita shouted angrily, her face turning stern.

Evelyn heaved a sigh of relief and said, "Jaydon, the evil spirit seems to have left. Get off Miss Thompson. She is angry."

"No." Jaydon pretended to be serious and shook his head. "Maybe she wants us to let down our guard. Once I let go, she will pounce on us, so..." He looked down at Alita with a devilish gaze. "I have to do this for the entire night." w@w.nov@LWorM.Com

Alita thought, 'Go to hell! What a lousy excuse. Is he addicted to using it?' "Mr. Lewis." Alita couldn't take it anymore and shouted, "Please get off me immediately. Otherwise, don't blame me for being rude to you. I'll sue

you."

Jaydon stared at her indifferently for a while. Suddenly, he raised his head and looked at Evelyn. "Do you think I should let go of her?"

"No, definitely not." Evelyn was timid and shook her head faster than a rattledrum.

'Help!' Alita shouted weakly in her heart.

She thought, 'Am I really going to spend the night like this? If Evelyn falls asleep again, will he continue what he was doing? Worse still, I'm already acting. I can't tell the truth.'

Jaydon lowered his head and looked at her. "I'm sorry, Miss Thompson.

Even if you want to sue me, I can't let go of you. Nothing is more important than life."

Alita glared at him with fiery eyes. If she were really possessed, she would be the first to tear him apart alive.

The confrontation lasted for another half an hour.

"Mr. Lewis, I need to use the toilet. Or shall I do it on the spot?" Alita smiled sinisterly. Jaydon wasn't afraid of being disgusted anyway.

"If you don't mind, I don't mind either. Just do it on the spot," Jaydon threatened gently with the most understanding smile.

"Mr. Lewis, don't be unreasonable. I really can't hold it in any longer. When the time comes, I won't be able to control myself. You won't feel good either," Alita said angrily. She looked at Evelyn and said, "Please say something fair." w@w.nov@LWorM.com

Evelyn thought for a moment and said, "Jaydon, why don't you send her to the tent next door? I'm so sleepy." She yawned and looked uncomfortable.

"Good idea, Mr. Lewis. Send me to the tent next door." Alita realized that Evelyn was finally smart for once. Jaydon had caused Alita to be bursting with anger.

Jaydon pretended to frown and thought about it seriously. "Evelyn, I'm afraid that Karen and the others won't be able to deal with her. What if this evil spirit eats their hearts and then comes to eat ours while we're asleep? How about this? You go and sleep in the tent next door. I'll monitor her alone."
