Chapter 51

Turning t

her body, Alita saw the person standing in the ward, and she stood up in astonishment. “Samuel!”

Samuel wore a light-colored suit, with a handsome and refined face, tall and elegant, polite and courteous. His temperament made people feel comfortable.

“Are you so surprised to see me?” He walked over, completely ignoring Jaydon, and affectionately hugged Alita.

Jaydon’s expression changed instantly. His eyes darkened, a sign of his anger.

“Aren’t you in Odraolia? When did you come back?” Alita asked with a smile, looking at Samuel, who always had a gentle smile.

“The matter of Jaydon being bitten by a snake has spread at home and in the company. I knew about it from a phone call, so I took a plane back right away. I just met my siblings downstairs Samuel said, and the warm smile remained on his face, never fading.WWlw.novelWm.()M

Samuel was the only person in the Lewis family whom Jaydon couldn’t see through. It seemed like he was born without anger, which made Jaydon more vigilant.

“So that’s it. Samuel, please sit. Let me get you

et you some water.” Alita turned to pour water. She felt warm seeing him.

“Don’t rush.” Samuel held her hand, expressing concern. “You’re still very weak. Sit down.

“Alright, Alita smiled and sat down.

Samuel, with a smile, asked, “Jaydon, how do you feel?”

“Are you also fond of preliminaries? You came all the way from Odraolia to see me. I’m moved to tears, Jaydon said, smirking with a tone of sarcasm.

Even an idiot could tell that his words were not kind. It was more of a mockery.www.N9eLWm.com

Samuel lowered his head with a smile and then looked up again. “We’re family, and it’s normal.”

Alita couldn’t help but roll her eyes at Jaydon. Samuel came to visit him with good intentions, but Jaydon was being

sarcastic.

“Samuel, when are you planning to go back to Odraolia this time” Alita changed the topic, trying to ease the atmosphere.

“After attending Annabel’s engagement banquet. Besides, Grandpa’s health is getting worse day by day. I hope to spend more time with him. So, I probably won’t go back for a short time,” Samuel calmly said.

“Well, that’s good.” Alita nodded.

Jaydon, lying on the bed, suddenly laughed, “Samuel, you’ve planned all this. In such a critical time, if you don’t perform well in front of Grandpa, you might inherit one less share of the inheritance.”

“Jaydon.” Alita couldn’t help raising her voice.

“What are you shouting for? Do you want to deafen my ears? Jaydon suddenly frowned, and his anger was evident.

In front of Samuel, Alita didn’t want to argue with him, so she restrained her anger and calmly said, “I didn’t shout. You must be tired Stop talking so much and go to sleep.”

“Sleep?” Jaydon raised his eyebrows. “Samuel is back, and you’re so happy that you’ve forgotten I just woke up?”

“Then close your eyes and rest,” she suggested.

“Closing my eyes in front of guests.

Wouldn’t that be too rude?” Jaydon’s eyes became even colder as he said with a touch of

sarcasm.
