The netizens and fans who saw Live immediately started the discussion.

Someone said, "This is breaking news, and obviously, Samantha Lang's biological mother is guilty."

All of a sudden, all kinds of insults and condemnations toward the Thompson family were spreading on the Internet. However, many of Samantha Lang's fans were defending Samantha.

"Sammy is the best. She doesn't even know such things."

"The evidence may be fake. Isabella Thompson now is a member of a wealthy family. The wealthy family may try to cover up the scandal by fabricating evidence."

"Are you guys blind? Can't you see the guilty look on the face of Samantha Lang's biological mother? If the evidence was fake, why has she snatched it?"
