

Kick Ass Wife 67

Chapter 67 Cast Samantha Lang Out

The police had already roughly understood everything that happened here. Then the police team arrived and briefly talked with the bodyguard captain. Considering attempted murder, swapping babies, and drugging Isabella Thompson were all illegal acts, and the Lockwood family had solid evidence, the police decided to take Mr. Thompson and Mrs. Thompson to the Police Office.

Mr. Thompson was carried away in a coma while Mrs. Thompson struggled with all her might.

A policeman seriously warned Mrs. Thompson, and then Mrs. Thompson did not dare to make a move or speak a word.

Mrs. Thompson resentfully stared at Isabella.

Isabella took back her sorrowful expression and now she looked sad and righteous. Isabella comforted Mrs. Thompson, "Don't worry. I will definitely visit you. You did intend to use me in all ways, but I'm still grateful that you raised me and did not kill me.

"However, you have committed crimes after all. We live in this country, and we have to obey the laws. Behave well there and try to become a good person. When you are free and change into a kind person, I will be happy for you and take care of you when you are old."

Listening to Isabella's speech, Mrs. Thompson was so angry that she could not breathe because she knew that Isabella was saying some ironic words. Mrs. Thompson's eyes rolled back and she fainted.

Many netizens praised Isabella Thompson for what she said.

"Oh my, what a righteous young lady. She's amazing!"

"Bella is so sweet and gentle. If I was her, I would wish such adoptive parents to die as early as possible. I would never take care of them or expect them to be better people!"

"Bella is so kind. She is completely a role model for the daughters in the country. Any family will welcome and love a daughter like Bella and never hurt her. How come the Lang family and the Thompson family hurt Bella so deeply? Are they blind?"

"The Lang family and the Thompson family could have Bella, but they chose that bitch Samantha?"
Samantha directly threw away her phone and smashed it when she read those harsh comments.

Samantha was so angry that her face was twisted. What's more, she fell into endless fear, not knowing what to do in the future.

Samantha did not dare to read any news online. She had been sitting in a daze for a long time before she came back to herself, murmuring, "I can't give up like this. I can't give up..."
