

Kick Ass Wife 68

Chapter 68 What Goes Around Comes Around

Mrs. Lang's questioning was like a blow to Samantha's head. Samantha was too shocked to speak a word. After a moment of silence, Samantha muttered to herself, "But you said that you view me as your biological daughter, also your only daughter. Mom, did you remember?"

"Why are you all on Isabella's side now after she was back?"

"Because of Isabella, the Rivera family canceled the marriage with me. Because of her, my company fired me. Because of her, I fell into this current situation. I should have been Miss Lang and could live a carefree life. All is gone because of her!"

"No, you're wrong! All is gone because you have NEVER EVER belonged here!"

Jason shouted in a cold voice.

Hearing Jason's words, Samantha was trembling, and her eyes widened in fear. Samantha froze in place and looked at Jason in disbelief.

Mrs. Lang also looked at Jason and opened her mouth, trying to say something.

Before Mrs. Lang could say a word, Jason continued, "Your parents stole this life for you. You stole Isabella's life!"

"Since you're not satisfied with all these and keep pushing Isabella onto a dead end, then you return all these to her!"

"Jason!" Mrs. Lang was a little frightened and stopped Jason with her trembling voice.

Mr. Lang was shocked as Mrs. Lang did. He silently looked at his son.

Samantha was stunned. One thought was echoing in Samantha's head, "I'm going to be cast out. This moment is finally coming! I'm going to have nothing!"

Jason did not have mercy on Samantha. Instead, he continued, "Don't think I don't know that you secretly investigated Isabella's current address and asked your parents to cause trouble. You hate Isabella so much that you want to destroy her!"

"You stole Isabella's life and lived her life for over 20 years. And you want more. You want to destroy Isabella's future and even take her life!"

"I've never seen such a despicable and vicious thief as you."
