

Kick Ass Wife 72

Chapter 72 Patriarch Riker

Jocelyn and Betty walked in. Jocelyn smiled and said, "Mr. Lockwood, don't worry. As long as the man is still breathing, Old Greg can definitely save him and make sure the man will be as energetic as before."

Draxton was surprised when hearing the name and asked, "Are you talking about the former leader of the Sanctum of Holy Doctors?"

Jocelyn was shocked, asking, "Did Bella tell you this?"

After saying that, Jocelyn did not give a second for Draxton to reply and said to Betty, "Little Betty, your mother is useless. She confessed everything so quickly."

Betty immediately turned around and stared at Draxton with hostility.

Seeing this, Draxton cried inside, "Oh my!

"This girl is so difficult to deal with!

"Unlike Bella and Ricky..."

Silas coughed lightly to ease the tension and said, "Mr. Lockwood, Miss Betty is very smart."

Silas meant that Betty's IQ and EQ were very high.

Draxton noticed it too. He thought, "Ricky is also very smart. I'm that surprised by Betty's cleverness because I also was a smart kid.

"By the way, Isabella is smart too.

"I can't tell whether our children are more like Isabella or me."

At this moment, Jocelyn laughed and replied, "Of course, Bella is very intelligent. Betty and Ricky inherit Bella's excellent ability.

"In the past five years, Bella overcame any difficulty you can imagine to survive, support her two children, and avoid being hunted down. She suffered all the hardships and acquired skills that ordinary people would never be able to learn in their entire lives. If Bella was not intelligent, how could she have done it?"

It seemed that Jocelyn was praising Isabella, but her goal was to be sarcastic with Draxton.

Draxton looked down at the floor and felt his heart suddenly ache

Before seeing Isabella, Draxton was not a soft-hearted man.

Draxton would not be a soft-hearted man either if he saw Isabella again and did not fall in love with her. However, Draxton fell in love with Isabella at first sight. He loved Isabella so much that his heart ached at

this moment.

Jocelyn noticed that Draxton's expression and knew Draxton felt sorry for Isabella.

Jocelyn was being sarcastic with Draxton but also tested Draxton.

satisfied with Draxton's reaction, thinking, "Well, at least Draxton does care about Bella. And from his behavior,
