

Kick Ass Wife 75

Chapter 75 Heavy Losses

The handsome young man rubbed his forehead. He was really muddle-headed from anger. He then calmed down and took out his phone to call Isabella.

Isabella was very surprised to receive a call from Jake. As soon as the call went through, he asked, "Jake, why are you free to call me? Are you okay?"

Jake said, "I'm fine. We're all fine. The mission went smoothly. I called you because there was something else."

"What is it?" Isabella knew that things were probably not simple. Otherwise, Jake would not have called her.

Jake said, "Someone paid us to take you out."

At this point, Jake's expression turned extremely ugly.

Isabella suddenly laughed. She asked with interest, "How much is my life worth?"

Jake's face was dark. "You still have the mood to joke about this? Didn't you hear that someone wants to take you out?"

Isabella chuckled and said, "There are many people who want me dead. You think that I have time to care about all of them?"

Jake was silent for a moment before saying, "Three million dollars."

Isabella raised her eyebrows and sneered. The starting price of Mercenari Uno is two million dollars, right? The buyer only added one million dollars. Is my life worth so little?"

"Hmph." Jake was also a little led astray by Isabella. He said angrily, "A bunch of idiots. They're really looking down on us!"

Isabella could not help but laughed out loud. "Jake, then ask them to increase the price. 30 million dollars, or the deal is off."

Jake knew Isabella very well. When he heard that, he narrowed his eyes slightly and could not help but laughed. "Bella, only you can be so calm. Someone just ordered a hit on you. Don't you wanna know who did
