

## King Hall 1921

Chapter 1921: Ji Haoran's Resolve! Seeking Out Chen Yinlong! Lu Kaige Blocks the Way!

After listening to Zhao Donglai's words.

Ji Haoran, who was usually cautious and prudent, although unsure of the truth, felt it probably wasn't far from it.

Otherwise, Zhao Donglai wouldn't dare to fabricate such a story so casually.

It's highly possible that Mu Jinyu really had such an experience.

"Good!"

Ji Haoran nodded slightly, his expression inscrutable, revealing nothing of his thoughts.

Zhao Donglai, realizing he'd conveyed most of the information, saw no point in staying longer, so he took his leave, saying, "I have reported everything, so I shall take my leave."

"Hmm!"

Ji Haoran did not ask him to stay, merely nodded slightly, allowing him to leave.

After Zhao Donglai left, Ji Changkong and others couldn't help but ask, "Clan Leader, what do we do now? If Mu Jinyu was indeed the other person accompanying Qingli that day, how do we settle the score with him?"

Qingli's cultivation, though not particularly high!

Only at the Creation Realm!

And she doesn't hail from one of the ten great strong races!

But she is, after all, a pure member of the War Clan!

Behind her stands a War Clan!

That ranks within the top fifty powerful races!

Not to mention formidable!

Though it's unclear how Mu Jinyu got involved with Qingli!

But if Qingli truly is his friend, and they're quite close, if their imperial clan dares to settle accounts with Mu Jinyu!

Who can tell if Qingli will lead War Clan powerhouses to destroy the Ji Imperial Clan?

So, though they initially were eager, with murderous intent soaring, wanting to rush to Dongyue Mansion to have Wei Qiankun hand over Mu Jinyu and give them an explanation, now hesitated.

Ji Haoran was silent for a while, then spoke, "Though we don't know how exactly Qingli became acquainted with Mu Jinyu and was willing to help him borrow the Humanity Path Sutra from our major imperial clans for a viewing, I suspect they must have reached some agreement, hence this action!"

"However, according to that person just now, Qingli hasn't contacted Mu Jinyu for some time afterward, so we don't need to overly concern ourselves with this connection!"

Upon hearing Ji Haoran, the Ji Clan members felt it made sense.

The hearts that had dimmed due to Qingli's involvement in the matter brightened again.

Ji Haoran couldn't be sure if his suspicion was true.

But as a clan leader, when the Ji Clan suffered grievances, how could he continue to bear it?

He wasn't someone with a turtle-like personality!

Just knowing how to endure!

Anyway, even if Mu Jinyu and Qingli are indeed on very intimate terms!

The War Clan standing behind Qingli wouldn't likely disrupt the Ji Clan over a human!

So why wouldn't he dare to target Mu Jinyu?!

"Of course, although we don't need to overly regard their bond, the more people we can drag into the water, the better!"

Ji Haoran, with a deep expression, turned to a few clan elders and said, "Besides Changfei having died at Mu Jinyu's hands, I recall the Yao Clan also had a significant Heaven's Pride meeting their end at his hand, right?"

"Yes, there was..."

The clan elders nodded in response.

Ji Haoran instructed, "Then go notify the Yao Clan, informing them we've identified the true culprit, leave it to their consideration whether to take action!"

"Also notify those royal clans Qingli forcibly intruded upon, inform them about the other person's identity, see if they are willing to act!"

Hearing Ji Haoran's instructions, those clan elders immediately nodded in unison, loudly agreeing.

"Understood, Clan Leader!"

Subsequently, they began to contact those royal clans.

In the end, besides the Yao Clan, other royal clans that Qingli intruded upon did not show intent to seek accountability from Dongyue Mansion!

They felt their loss from Qingli's intrusion wasn't significant enough to risk offending the War Clan to settle accounts with Mu Jinyu!

For now, remember this person, and see if there'll be a chance to teach him a lesson later!

As for the Yao Clan, due to the loss of a highly talented member akin to Ji Changfei falling at Mu Jinyu's hands.

Their losses were on par with the Ji Clan!

They have been yearning to avenge that disciple, to reclaim the lost face for their Yao Clan.

Now having grasped the situation from the Ji Clan, after spying on Mu Jinyu's movements and confirming the accuracy, they couldn't help themselves.

Intending to join forces with the Ji Clan to launch an attack on Dongyue Mansion!

To kill Mu Jinyu and demand an explanation from Wei Qiankun!

...

Mu Jinyu, on his end, was unaware Zhao Donglai harbored such resentment towards him, going so far as to approach the Ji Clan to betray him.

Having left that Phoenix Tree Forest, he headed straight towards Donghua Province!

Initially, he planned to return with Qiu Yunxin.

But she was too fussy, always nitpicking, so after handing her the five Phoenix Sun Blazing Spirit Fruits and two hundred credits, he simply left on his own.

After all, she knew the way herself.

And with her cultivation at the Unity Realm stage, although she wouldn't be as quick as if he had taken her.

It wouldn't take too long either, at most two to three days.

Mu Jinyu swiftly performed Void Shift all the way out of Tonglin Province.

Finally, after half a day of shifting.

He reached Donghua Province and smoothly used the teleportation array at the Examination Mansion.

Returning once more to Dongyue Mansion.

"Ah, Dongyue Mansion is indeed a comfortable place..."

Mu Jinyu, returning to Dongyue Mansion, felt the dense Origin Qi of heaven and earth here, couldn't help but sigh in relief and softly praised.

Although he wasn't injured in that fiery Phoenix Tree Forest, nor burned by flames.

The temperature there was too high, making him feel quite uncomfortable.

Returning to Dongyue Mansion, it was like having several popsicles on a hot summer day, his entire body refreshed.

Then, not wasting any more time, he headed straight to the senior students' area.

He wanted to find Chen Yinlong and give him one or two Phoenix Sun Blazing Spirit Fruits to enhance his bloodline concentration.

Then, after his cultivation made great strides, he'd take him for the intermediate student trial.

To promote him to an intermediate student.

Thus, he'd repay the favor to Teacher Chen from before.

Soon.

Mu Jinyu arrived at the senior students' area.

And proceeded straight along, quickly reaching the cave heaven for the eleventh to twentieth-ranked.

As Mu Jinyu found Cave Heaven Eleven and prepared to enter.

Suddenly, he realized someone had jumped out, blocking his path!

"Mu Jinyu?! Let's fight again!"

The voice was cold, filled with hatred and unwillingness.

Mu Jinyu squinted for a closer look.

He couldn't help but grin.

The one blocking his path was none other than Lu Kaige, who had previously been defeated by him and whose number one spot was taken.

Now, Lu Kaige, though mostly recovered from his injuries, his aura was still somewhat unstable, evidently not at peak state.

If it were before becoming number one, even in such a state, without using the Life and Death Reincarnation Diagram or being anticipated by Lu Kaige.

He might not have been a match!

However, after consuming those Heavenly Materials and Earthly Treasures and purifying his body of golden bloodlines thoroughly, Mu Jinyu's strength had soared, now able to match the Creation Realm.

He wasn't fearing Lu Kaige at all!

Moreover, Lu Kaige wasn't in his prime right now!

Chapter 1922: Lu Kaige's Fighting Spirit! His Voice Shakes Dongyue Mansion! No Match!

"You?!"

Mu Jinyu glanced at Lu Kaige, slightly shook his head, his expression showing no change, and said lightly, "You're no longer my opponent, just forget it."

What he said was the truth, it wasn't intentionally meant to knock Lu Kaige's confidence.

However, sometimes the truth is even more hurtful.

Besides, in Lu Kaige's heart, he didn't think he wasn't Mu Jinyu's opponent, only feeling that Mu Jinyu was maliciously mocking him.

"Clang!!"

Lu Kaige's face instantly darkened, he immediately drew his sword from its scabbard, the bright sword light illuminating Mu Jinyu's face.

It emitted an incredibly sharp murderous aura.

"Why so arrogant? If not for my carelessness at the time, how could I have fallen for your sneak attack? I've rested for days now and have figured out the method to counter your move, you're simply not my match! If you have the guts, let's fight again!"

Lu Kaige raised his head to look at Mu Jinyu, his eyes slightly reddened, the dark pupils seemed like flames were jumping within them, emitting a terrifying fighting spirit!

He must defeat Mu Jinyu!

He must regain his lost dignity!

Otherwise, with his cultivation at the Mid Stage of Life and Death Realm, being defeated by Mu Jinyu at just the Middle Stage of the Void Breaking Realm would become his lifelong nightmare.

It would become an insurmountable heart demon.

If he cannot overcome this heart demon, then it is very likely his cultivation career would also end here!

"Alright then!"

Looking at Lu Kaige in such a manner and understanding his thoughts, Mu Jinyu knew that if he didn't agree to the fight, Lu Kaige might disregard the Dongyue Mansion's prohibition on private duels and directly launch an attack on him.

Rather than letting that happen, it was better to just accept his challenge.

This way, when he realizes the vast difference between them during the battle, he would give up completely and no longer imagine challenging him.

Thus, the matter would be completely resolved!

"Then let's go!"

Hearing Mu Jinyu finally agree to the battle, fires of fighting spirit within Lu Kaige's eyes grew more intense, eager to immediately strike at Mu Jinyu.

Yet he knew the rules of Dongyue Mansion, since Mu Jinyu had already accepted his challenge, there was no need for him to irrationally act out, so with a cold snort, he flickered and instantly disappeared from the street.

Seeing this, Mu Jinyu sighed gently, withdrew his gaze from Cave Heaven Eleven, and followed Lu Kaige, his figure disappearing from the scene.

...

It was still the combat platform where they fought last time.

When Mu Jinyu and Lu Kaige arrived here one after another.

The place was very quiet, without a single student around.

Nor were there any students engaging in fierce challenges on the combat platform.

But this was quite normal, the heated battleground scenes Mu Jinyu experienced earlier were because quite a few people recently became senior students, so they actively sought out senior students ranked slightly higher than themselves for practice, hence the occurrence of several challenges.

Afterward, Mu Jinyu alone challenged all those ranked senior students among the Heaven's Pride.

This led to much discussion, prompting even more senior students to abandon their cultivation tasks and choose to follow and watch.

And now, since the selection tournament had long passed, naturally no new senior students would come here to challenge.

And since the battle between Lu Kaige and Mu Jinyu wasn't announced to others, naturally it was just the two of them here.

"Tap!!"

"Bang!!!"

The two arrived at the combat platform one after the other.

Mu Jinyu landed lightly on the combat platform, while Lu Kaige's landing caused a slightly heavier sound, causing the sturdy combat platform to produce a dull boom.

If not for the special material of the combat platform, it might have been smashed by him.

"Let's start directly!"

Arriving at the combat platform, Lu Kaige couldn't suppress the rising flames of anger and fighting spirit within his heart any longer, he suddenly shouted, and dazzling sword light burst forth from the long sword in his hand.

Aiming to pierce the sky!

"Then let's begin!"

Mu Jinyu's gaze also grew cold, his palm flipped, and instantly he held the transformed Riot-Quelling Sword in his hand.

The previous battle between Mu Jinyu and Lu Kaige was somewhat unfair.

After all, Mu Jinyu was just a newly promoted senior student, his weapon was still just an ordinary divine weapon!

While Lu Kaige had long established dominance as the top senior student.

The long sword in his hand, even if not a holy weapon, should be a top-quality Creation Divine Weapon.

The quality of weapons between the two wasn't even on the same level.

Therefore, Mu Jinyu ultimately defeated Lu Kaige using the Corpse-Wrapping Cloth, which can't be considered as taking advantage or being clever.

One could only say he barely bridged the gap between them using the Corpse-Wrapping Cloth!

"Hmm?!"

Seeing the Riot-Quelling Sword in Mu Jinyu's hand, Lu Kaige's eyes narrowed slightly, sensing a vague threat from it!

He knew that Mu Jinyu must have gained many academic credits after defeating him, then went and bought a new sword.

This sword was unfamiliar to him, and he didn't know its quality grade.

But judging from the threat, it was at least a superior grade Creation Divine Weapon!

However, even if it was a superior grade Creation Divine Weapon, so what?

The long sword in his hand was still a top-quality Creation Divine Weapon!

"Kill!!!"

Thinking this, Lu Kaige suddenly shouted angrily, leaping into the air.

The long sword in his hand burst forth with thunderous radiant light, striking directly at Mu Jinyu!

"Boom!!!"

At that moment.

The entire secret realm of Dongyue Mansion could hear the terrifying thunderous sound, all those not in soundproof formations heard this intense booming sound.

"What is this?!"

"Is that fighting at the senior student area?"

"Such power... should be the momentum of the top three ranked senior students, right?"

"No! Shi Yiran is heavily injured, hasn't recovered quickly, this should be Lu Kaige..."

"Hmm?!"

"If it's Lu Kaige, then the one fighting him should be Mu Jinyu, right?"

"..."

Hearing this booming sound, shaking the entire Dongyue Mansion, not only were the non-retreating students discussing fiercely.

Even the mentors and institute head couldn't help but join the discussion.

Soon they speculated that it must be Mu Jinyu fighting against Lu Kaige.

Thus, to prevent any accidents, a group of mentors and institute head rushed towards the senior student area in the combat arena!

"Bang!!"

Wang Yeqing was the first to arrive at the combat arena.

Upon reaching the arena, his first sight was Lu Kaige being flung down from the combat platform like a kite with its string cut, vomiting blood.

His body was covered in blood, looking closely, a huge gash could be seen on his abdomen, with his internal organs and intestines visible, appearing extremely miserable!

Whereas on the combat platform, Mu Jinyu stood alone, holding a dark Tang Sword with faint rust, spotless, in stark contrast to Lu Kaige's disheveled state!

"How could this be?!"

Seeing their condition, Wang Yeqing's face involuntarily changed several times.

He originally thought that with Mu Jinyu battling Lu Kaige again, even if their battle wasn't as intense, it should at least be fiercely contested for a while.

Who would have thought they would determine victory so quickly!

Mu Jinyu, after advancing to senior student, had his strength surged to this extent?

Even the former first Lu Kaige could not resist a few moves against him now?

Wang Yeqing didn't know that the fight between Mu Jinyu and Lu Kaige barely involved a few moves.

Almost immediately after Lu Kaige executed his strike, Mu Jinyu used the Riot-Quelling Sword to perform the Blood-colored Dragon-slaying Sword and defeated him.

"I've told you, you're no longer my match, why continue to cling..."

Mu Jinyu tilted his head glancing at Wang Yeqing, nodding slightly to him, then sighed at the unconscious Lu Kaige, "Hope you learn your lesson next time!"

## Chapter 1923: Unexpected Booming Sounds? An Enemy Attack! Mu Jinyu's Decision!

After saying that, Mu Jinyu prepared to leave the Combat Arena.

He still needed to return to Cave Heaven Eleven and give Chen Yinlong a few Phoenix Sun Blazing Spirit Fruits, to help him transform completely!

"Wow!"

"Lu Kaige lost again..."

"Why add 'again'?"

"Sigh, truly pitiful. Repeated defeats by Mu Jinyu probably have shattered his Path heart!"

"Such a shame!"

"..."

At this time, many Advanced Level students who heard the commotion also came over. Seeing Mu Jinyu unharmed on the Combat Platform and Lu Kaige, who was nearly disemboweled outside it, they couldn't help but whisper among themselves.

They looked at Lu Kaige with a mix of pity and mockery.

Pity, because he was indeed quite miserable.

Mockery, because they were just ordinary Advanced Level students, while Lu Kaige used to be the top figure, almost unbeatable.

But now, encountering Mu Jinyu, he repeatedly tasted defeat. How could they not want to fully ridicule Lu Kaige?

Fortunately, Lu Kaige had already been knocked unconscious by Mu Jinyu.

Otherwise, if he were still conscious, hearing the people's derision and their mocking and pitying looks, he might faint from anger.

That would make him look even more pathetic.

"Boom!!"

Just as Mu Jinyu was about to leave.

Suddenly, the sky thundered fiercely, as if it was shattering!

"Hmm?"

"What's happening?"

"Is someone fighting again?"

"That doesn't make sense. Aren't we in the Advanced Student Combat Arena now? Could the Intermediate Student Combat Arena be even fiercer?"

"Maybe it's some Institute Head fighting?"

"Or could it be the Mansion Master and Vice Manor Master dueling?"

Hearing the intense rumbling, no one among the Advanced Level students and teachers paid any attention to Lu Kaige's situation anymore.

He had become just a background.

They started discussing who could be fighting to cause that rumbling.

The sound was terrifying, as if the sky was tearing apart, making one's heart palpitate with dread!

They speculated it was definitely not a student's fight, but rather that of an Institute Head or even a Mansion Master!

Hearing people suspect he and Wei Qiankun were fighting, Wang Yeqing standing nearby couldn't help but roll his eyes.

He's right there; how could he be fighting Wei Qiankun?!

Then his expression turned serious.

He's not one of those clueless students.

He could sense the intense rumbling was more like...

Someone outside attacking the Minor World of Dongyue Mansion!

Preparing to invade Dongyue Mansion?!

If that's the case, things are about to get troublesome.

If a powerful Foreign Race wants to attack Dongyue Mansion today, it could be bloodshed all over Dongyue Mansion!

"Hmm?!"

Wang Yeqing's face was stern as he turned to the Advanced Level students and instructed, "Hide away; it seems foreign enemies are attacking Dongyue Mansion. I'll go check; you hide first. If it looks bad, if the Minor World gets torn apart, remember to use the Blood Escape Technique or other Secret Techniques to escape!"

While saying that, he gave Mu Jinyu a meaningful glance, advising him, "As long as there's life, there's hope; remember not to be reckless!"

After speaking, he leaped up and vanished instantly.

Going to find out who was attacking Dongyue Mansion.

Once Wang Yeqing left, the scene erupted like a boiling pot.

"What?"

"There are foreign enemies attacking Dongyue Mansion?"

"What should we do?"

"Better follow the Vice Manor Master's advice, hide first. If it's truly an unbeatable Foreign Race, we must try to save our lives!"

"Hmm!"

"Sigh... how could this happen..."

"..."

No one paid attention to Lu Kaige's defeat anymore; every Advanced Level student wore a worried expression, filled with anxiety.

They're just students of Dongyue Mansion, not family.

But in Dongyue Mansion, they lived well, and the academy treated them well.

If Dongyue Mansion was really breached, they would certainly be sad and distressed.

"Follow the Mansion Master's advice; hide first!"

Then, the Institute Heads who came to check, also reassured them before leaving to assess the situation.

And prepare for an impending battle!

As Institute Heads, their attachment to Dongyue Mansion was profound.

If a war to destroy the mansion really happened, most of them would definitely risk their lives to fight the enemy to the bitter end!

"Whizz whizz whizz!!"

Soon, these Institute Heads and teachers left the Combat Arena.

Then, behind the Advanced Level students, someone hesitated, preparing to retreat to their Heaven Caves to await the situation. If it appeared dire, they would prepare to flee.

Others felt deeply for Dongyue Mansion and didn't want to run away; after all, with some leaving, they decided to stay and fight until the last drop of blood if it came to that!

"Whizz whizz!!"

Instantly, everyone left the Combat Platform.

Leaving only Mu Jinyu and the unconscious Lu Kaige!

"Are people attacking Dongyue Mansion?"

Mu Jinyu felt somewhat conflicted and hesitant hearing this.

If a battle to destroy the mansion truly began, what would he do?

Choose to leave, escaping this calamity, or fight to the end?

Mu Jinyu was unsure!

Back on Earth, facing the Canglan Realm Divine Race's invasion, he initially retreated to Earth under Master Mu Shao'ai's protection.

But ultimately, he couldn't bear to let Master fight desperately at the forefront; he fought back with red-eyed fury.

Using his Divine Dragon Blood, he helped Yin Li slaughter, ensuring they all survived!

But Earth was his home, with many friends and family; he couldn't stand by and watch the Divine Race invade it.

Dongyue Mansion wasn't like that.

He's only lived here for a few months.

Not even half a year.

He hasn't made many friends!

Should he fight for them?

If he died...

How could he return to Earth, to see Mei Yinxue and Gu Xiyan?

However...

Mu Jinyu's eyes instantly firmed up.

"Although I've been here briefly, regardless of Mansion Master Wei Qiankun or Teacher Chen, they've never treated me poorly. I've used academic credits to buy many Heavenly Materials and Earthly Treasures and this Riot-Quelling Sword. I can't merely enjoy benefits and flee when trouble comes, abandoning the academy..."

"If a battle to destroy the mansion occurs, I won't retreat!"

Mu Jinyu's eyes burned with fighting spirit, willing even, if need be, to expose the Earth Emperor's Tome to crush enemies attacking Dongyue Mansion!

He won't let them off easy!

Thinking this.

Mu Jinyu glanced down at the unconscious Lu Kaige below the Combat Platform!

After hesitating, he approached Lu Kaige.

Then, he placed his hand on Lu Kaige's wound area, beginning to use the Humanity Path Sutra to heal Lu Kaige with his Blood Essence.

No matter whether Lu Kaige chooses to stay and fight for Dongyue Mansion!

It's his personal choice!

He wouldn't interfere.

But since Lu Kaige was injured by him!

If he didn't heal him, and Lu Kaige died during the invasion, Mu Jinyu would feel guilty!

So, he needed to heal Lu Kaige's wounds, to awaken him.

If a war to destroy the mansion occurs, Lu Kaige's decision to stay or leave will be up to him!

Chapter 1924: Lu Kaige's Decision! It's Actually Two Royal Clans! Uproar to the Heavens?

Mu Jinyu urged the Humanity Path Sutra, using his Blood Essence to heal Lu Kaige's injuries.

Very soon, more than half of Lu Kaige's wounds had recovered, and he woke up from his coma.

"Ugh—ah..."

Lu Kaige groaned in pain a few times as he came to, opened his eyes, which were filled with confusion and bewilderment!

Then, as his memory returned, he recalled the outcome of being utterly defeated by Mu Jinyu once again.

And this time, he was even more pathetic!

He hadn't even managed to have a fierce battle with Mu Jinyu, hadn't even taken a single slash from him, before being miserably defeated and knocked unconscious!

"I... lost again..."

Lu Kaige's whole person looked soulless; he let out a powerless, pained sigh.

Seeing this, Mu Jinyu frowned slightly and barked in a low voice, "Lu Kaige, snap out of it!"

"Mm?!"

Hearing Mu Jinyu's low shout, Lu Kaige immediately snapped out of his dejection and despair, turned his head, and looked toward Mu Jinyu.

Then, from the warm current surging inside him that was mending his wounds, he also figured out that it was Mu Jinyu who was continuously healing him!

"Mu Jinyu?! You're healing me? Is this your way of humiliating me? Hahaha..."

Lu Kaige didn't know why Mu Jinyu would treat his injuries. He couldn't figure out Mu Jinyu's intention, so he spoke self-mockingly, then let out a cold laugh.

In his heart, he guessed that Mu Jinyu had defeated him with a single move and didn't feel satisfied enough, so he was healing him, restoring him again.

Then he'd defeat him with a few more moves.

So he could better humiliate him and trample his dignity.

However, although this guess made the flames of anger in his heart surge, he did not resist.

He was also unwilling to just lose so miserably to Mu Jinyu like this; he still wanted to keep fighting Mu Jinyu!

He still wanted to defeat Mu Jinyu!

To seize back his number one!

Thus, when Lu Kaige woke up and found Mu Jinyu healing him, he did not resist and drive Mu Jinyu back to stop him from treating his injuries!

Instead, he chose to tacitly accept it!

"Humiliate you?"

Hearing Lu Kaige's words, Mu Jinyu didn't say much. He shook his head and said, "I'm not that bored. Here's what's going on..."

His voice was calm, carrying a faint tinge of worry, as he briefly told Lu Kaige what had happened after Lu Kaige passed out and Vice Manor Master Wang Yeqing's speculation.

"How could this happen?!"

After listening to Mu Jinyu, Lu Kaige's expression involuntarily changed, filled with shock and disbelief.

As Mu Jinyu continued to heal Lu Kaige, he said, "Once your injuries are healed, whether you stay or leave, I won't interfere. As long as you don't die here in a daze, without knowing why, then I have nothing to say!"

"I'm staying! I won't leave!"

Hearing Mu Jinyu, the shock and stupor on Lu Kaige's face subsided. A sharp light burst forth in his eyes, along with surging battle intent and killing intent!

This battle intent and killing intent far surpassed what he had shown not long ago when he challenged Mu Jinyu!

After all, Mu Jinyu and he were fighting on equal terms. Though he desperately wanted to defeat him and wash away his past humiliation, he didn't have this level of impatient urgency, anxiety, panic, or resolve!

But faced with the current crisis of Dongyue Mansion, he couldn't avoid feeling these concerns and tension!

Naturally, his battle intent and killing intent grew even more intense!

They seemed ready to pierce the heavens!

"Alright!"

Mu Jinyu had actually been prepared for the possibility that Lu Kaige might choose to leave, but he hadn't expected that Lu Kaige's final decision would be to stay and face it together.

This made the corners of his mouth curl up slightly, revealing a faint smile.

He felt that the effort he had taken to consume his Blood Essence to heal Lu Kaige's injuries hadn't been wasted!

...

Wang Yeqing had already arrived above the firmament of Dongyue Mansion.

His expression was tense and heavy. His gaze swept past the layers of Cloud Swirl-like clouds and saw the barrier above Tiangan that looked like glass crystal.

He also saw the group of people outside Dongyue Mansion's Minor World, their killing intent towering to the sky.

"Hm? Not Foreign Race!"

When Wang Yeqing saw the group attacking Dongyue Mansion from outside, he recognized that they were of the Human Race, not the Foreign Race, and he instantly let out a long breath of relief in his heart.

If they weren't Foreign Race, then this was already the best possible outcome.

As long as it was humans attacking their Dongyue Mansion...

No matter what faction it was!

Even if it was the Royal clan, Dongyue Mansion would not fear them!

So he didn't feel this would be a battle of annihilation for the mansion anymore!

"Hm?"

After Wang Yeqing quietly exhaled in relief, he focused his gaze to look more closely at those outside and very quickly recognized their identities.

"It's actually the Ji Imperial Clan?"

"No!"

"The Yao Imperial Clan as well!"

"Why would two Imperial Clans join forces to attack my Dongyue Mansion?!"

Once Wang Yeqing recognized their identities, the heart that had just settled down couldn't help but tense up again, and his face regained a tight, grave look.

If it were only a single Imperial Clan attacking Dongyue Mansion...

He wouldn't be afraid!

With Mansion Master Wei Qiankun's strength, he could definitely contend with the Clan Leader of the Ji Imperial Clan; in fact, who would win or lose would still be hard to say!

But if two Imperial Clans joined forces, and both Clan Leaders came!

Wei Qiankun could only block one Imperial Clan Leader, while he, though Vice Manor Master, was still significantly weaker than Wei Qiankun.

He simply wouldn't be able to stop the other Imperial Clan Leader!

"Boom!!"

Just as Wang Yeqing was observing these uninvited guests, the two Clan Leaders of the Imperial Clans outside struck once more, fiercely drawing upon terrifying Heaven and Earth Laws, one turning into a mountain, one into a blade, and savagely bombarding the great array of Dongyue Mansion!

This caused the Mansion Defense Array of Dongyue Mansion to rumble and shudder, almost being shattered!

"Wei Qiankun, you still won't come out?!"

At this moment, Wang Yeqing also heard the Spiritual Thought voice of the two Imperial Clan Leaders piercing through, and his expression grew extremely grave!

"Swish!!"

Just then, Wei Qiankun finally appeared.

He manifested above the firmament, raised his hand, and with a wave, the previously violently quaking sky instantly stabilized again.

Then Wei Qiankun also knew that if he didn't go out, these people would have no qualms about breaking the Mansion Defense Array and directly barging into the Minor World where Dongyue Mansion resided.

He took a step forward, his figure passing through the crystal-clear barrier and arriving in the true Canglan Realm outside!

"Brother Ji, Brother Yaa, it's been a long time. What brings you to make such a fuss, coming to my Dongyue Mansion to stir up trouble?"

Arriving outside, Wei Qiankun's expression was as usual, his tone as gentle as a spring breeze as he spoke calmly.

He showed not the slightest fear of these two Imperial Clans joining forces; there was even a faint hint of reproach in his words!

"Hmph, enough nonsense. A disciple under your command maliciously killed the Heaven's Pride of my clan and also seized my Ji Imperial Clan's supreme treasure, the Yang Kun Sword. I want you to hand over that disciple and let me deal with him. Otherwise..."

Ji Haoran looked coldly at Wei Qiankun, his tone filled with murderous threat. "I won't mind turning your Dongyue Mansion upside down and making rivers of blood flow!"

"A Heaven's Pride of my clan was killed as well. Hand over the murderer, or this ends in death without cease!" The Clan Leader of the Yao Imperial Clan also spoke, his tone icy and sinister.

"Hm?!"

Hearing them, Wei Qiankun's brows furrowed slightly, then quickly relaxed. He refused to buy their threat, sneering, "Turn my Dongyue Mansion upside down and make rivers of blood flow? Are you two truly set on doing that?"

"Clang!!"

As he spoke, Wei Qiankun flicked his hand, and a snow-bright longsword appeared, gripped in his palm, letting out a clear, phoenix-like cry.

"Then I won't mind opening the slaughter, either..."

Chapter 1925: Produce Evidence? Here's Your Evidence! Ji Haoran's Confusion!

"Hm?!"

Seeing that Wei Qiankun actually had such an attitude, not retreating in the slightest, Ji Haoran and the Patriarch of the Yao Clan couldn't help but narrow their eyes, killing intent flowing out with them.

"Wei Qiankun, you'd better think this through. Are you really going to oppose our two great Royal clans for the sake of one audacious student?"

"Hand him over immediately and we can let this go. Otherwise, we will never stop pursuing this!"

Ji Haoran and the Patriarch of the Yao Clan looked coldly at Wei Qiankun, their whole bodies' Qi erupting, killing intent soaring into the heavens like wolf smoke.

"Cut the crap. If you want a fight, then fight. The very foundation upon which my Dongyue Mansion stands is these students. You came here and immediately accused Dongyue Mansion of having a student who committed a grave crime, demanding I hand him over, yet you didn't provide a shred of evidence, and still have the nerve to condemn me!"

Wei Qiankun wasn't buying their act. The longsword in his hand flashed with cold light, ready to strike at any time!

The Patriarch of the Yao Imperial Clan, seeing that Wei Qiankun was neither yielding to soft words nor hard threats, immediately prepared to attack.

But Ji Haoran heard the deeper meaning behind Wei Qiankun's earlier words.

Namely, that if they didn't press him so aggressively, but instead properly told Wei Qiankun the identity of the Academy student who had massacred their Imperial Family Descendants and presented the proof of his crimes, then if Wei Qiankun realized he was in the wrong, he might cease covering up for that student.

Ji Haoran wasn't afraid of a battle with Wei Qiankun, especially since the two great Royal clans had come together.

But if possible, he didn't want to fight Wei Qiankun. There was no real meaning in it.

So, Ji Haoran's eyes flashed. He reached out and stopped the Ji Clan Patriarch who was about to strike, and said softly, "Hold your hand for now."

"Hm? Brother Ji, what do you mean by this?"

Seeing Ji Haoran block him, the Patriarch of the Yao Clan's expression changed, his gaze toward Ji Haoran turning cold and unfriendly.

The one who had told him the truth about Yao Feiyang's death was Ji Haoran, and the one who had invited him to come and settle accounts with Dongyue Mansion together was also him.

Now that he was already about to make a move on Wei Qiankun, Ji Haoran suddenly put on the face of a good person and stopped him. What was that supposed to mean?

Ji Haoran shot the Patriarch of the Yao Clan a meaningful look, then turned to Wei Qiankun and said in a deep voice, "Master Wei, by what you just said, do you mean that if we lay out the crime your Academy student committed, and present the evidence, you will have him tied up and hand him over to us?"

Wei Qiankun fell silent for a moment, then replied in a deep voice, "If it truly is my student who has done wrong, and your two clans' descendants were killed by him for no reason, then I will naturally seize him and leave him to your disposal!"

Speaking up to here, he paused, then said coldly, "But if it is not my student's fault, then wanting me to hand over my student is nothing but a fool's dream!"

"Good!!"

Hearing Wei Qiankun's words, the smile on Ji Haoran's face softened a little, then he said, "Master Wei, you still remember that not long ago, your Academy and several of our Royal clans went together to the Tiangan Secret Realm, right?"

"Mn." Hearing Ji Haoran's words, Wei Qiankun frowned slightly, then gave a soft acknowledgment.

Ji Haoran said slowly, "Then you should also remember that back then, my Ji Clan's young Heaven's Pride, Ji Changfei, died within it? And that the Yang Kun Sword he held in his hand went missing?"

By the side, the Patriarch of the Yao Clan chimed in, "And my Yao Clan's young Heaven's Pride, Yao Feiyang, also died unexpectedly inside."

Wei Qiankun's brows furrowed even tighter, and he said in a deep voice, "Wasn't that matter already settled long ago? Those people died by accident to the strange phenomena within the Tiangan Secret Realm, did they not?"

As he spoke, he glanced at Ji Haoran, then swept his gaze over to an elder of the Ji Clan, his expression turning harsh as he barked, "Didn't you back then see that the students of Dongyue Mansion came out in the greatest numbers and once suspect that it was Dongyue Mansion who did it? But in the end you couldn't find any evidence. And now you want to play this game again?!"

As those words fell, an overwhelming, terrifying aura surged out like a mountain, like a deep abyss, pressing toward that Ji Clan elder.

It made the elder's face turn pale, his whole body shaking like a sieve.

"Hmph!"

Ji Haoran let out a cold snort, and his aura also erupted, blocking the torrential pressure Wei Qiankun had forced over!

After that, the terrifying auras from both sides clashed against each other and then gradually flattened and dissipated.

Ji Haoran said softly, "This matter has never been laid to rest. Back then I was not yet back, and they did not have the strength to investigate the true culprit. Now that I have returned, I have already found out

the truth. The true killer who slew the descendants of several of our Royal clans is a student of your Dongyue Mansion!"

"Then bring out the evidence, so I can see for myself just who did it!"

Wei Qiankun's expression did not change as he questioned in a deep voice.

"Alright!"

Ji Haoran agreed in one breath, then began to draw a circle with his right hand. At once, a circular outline appeared and then solidified into a mirror.

"Round Light Mirror?"

Seeing the Techniques Ji Haoran was performing, Wei Qiankun immediately recognized the function of this Technique.

After that, he also recalled that back in Duanchang Gorge, because of the deaths of Yao Feiyang, Ji Changfei, and the others, those clan elders of the Royal clans had also used the Round Light Mirror outside, attempting to peer into who had dared to kill them!

But in the end they had found nothing at all!

Because a strange streak of blood light had shrouded the truth, making it impossible to spy anything.

Later, after they came out, they activated the Yinqian Sword, attempting to summon back the lost Yang Kun Sword and at the same time find the real killer, but they failed.

After that, the Ji Clan wanted to disregard everything and make a move on the students of Dongyue Mansion, but he arrived in time and stopped them from acting recklessly.

In the end, that matter was given a conclusion: Ji Changfei, Yao Feiyang, and the others should have died to the eerie mysteries within the Tiangan Secret Realm.

Now, Ji Haoran was using the Round Light Mirror once again. Could it be he had truly found some new clue?

While Wei Qiankun was silently pondering with an impassive face—

He saw a thin figure faintly appear on the surface of that Round Light Mirror, but before he could see it clearly, that figure suddenly vanished.

Right after, a vivid, ghastly blood light emerged, covering the entire Round Light Mirror, making it impossible to see anything further.

"Hm?"

"This blood light..."

Seeing the blood light on the Round Light Mirror, Wei Qiankun's expression shifted ever so slightly.

Back then, after he had delivered the students and Institute Heads of Dongyue Mansion to Duanchang Gorge, he had left to handle other matters.

So when Yao Feiyang, Ji Changfei, and the others later died, and those clan elders of the Royal clans used the Round Light Mirror to hunt for the killer only to have the scene blocked by the blood light, he had not witnessed that.

By the time he returned, he had only seen those Royals trying to pressure Dongyue Mansion. After he intervened, they did not dare act rashly, and he took all the students of Dongyue Mansion and left Duanchang Gorge.

Afterward, he learned of this matter, but he had never personally seen this strange blood light on the Round Light Mirror.

Now, seeing that same ghastly blood light appear in the Round Light Mirror Ji Haoran summoned, he also began to ponder inwardly. Could it really be someone from Dongyue Mansion who killed Ji Changfei and Yao Feiyang?

But that doesn't seem right...

Wei Qiankun felt somewhat puzzled.

This time, Dongyue Mansion had sent a total of thirty Senior Students and seventy Intermediate Students into the Tiangan Secret Realm.

The Intermediate Students were obviously not qualified to kill Heaven's Prides like Ji Changfei.

And those thirty Senior Students weren't even the top thirty in Dongyue Mansion's rankings; they were simply those who had not previously obtained the Life and Death Creation Fluid.

By rights, compared to the Imperial Family Descendants of the Ji and Yao clans, they should have been a bit weaker.

So how could they possibly have killed people like Ji Changfei...

No, wait?!

At that moment, Wei Qiankun's heart suddenly stirred as he thought of one person.

Mu Jinyu!

When Mu Jinyu first entered the Tiangan Secret Realm, he was only a newly promoted Intermediate Student and did not look conspicuous at all.

But now, he had already defeated Lu Kaige and the others, becoming the number one student of Dongyue Mansion...

Chapter 1926: It Really Was Him! Hand Him Over! It's Self-Defense!

Wei Qiankun thought about Mu Jinyu, a rather special existence!

He pondered, if it really was Mu Jinyu, then he might indeed have killed Ji Changfei and Yao Feiyang, among other royal Heaven's Pride disciples, under the guise of an inconspicuous Intermediate Student!

After all, this guy's cultivation is only at the Void Breaking Realm, yet he can even clash with someone at the Early Creation Realm.

Although to strictly speak, he isn't a match for the Creation Realm, it still sufficiently shows his fearsome capability!

At this moment, Ji Haoran finished using the Round Light Mirror and coldly said to Wei Qiankun, "Master Wei, this bloodlight on the Round Light Mirror, you may not find it familiar..."

He hadn't finished speaking.

Wei Qiankun shook his head and said, "Familiar with what? Previously, I never saw you use the Round Light Mirror to investigate the murderer, I wasn't in Duanchang Gorge, so what should I be familiar with?"

"Uh..."

Ji Haoran hadn't expected Wei Qiankun to say this and was caught off guard.

He couldn't find words to continue.

Next, he turned and looked at several elders of the Ji Clan who had been to Duanchang Gorge, signaling to inquire them.

These elders also nodded, helplessly transmitted, "At that time, after Wei Qiankun sent people to Duanchang Gorge, he left alone, whereabouts unknown, so he indeed hasn't seen the bizarre aspects of the Round Light Mirror!"

"Alright!"

After hearing the elders' explanations, Ji Haoran was somewhat speechless, not expecting Wei Qiankun really wasn't there at the scene!

However, it doesn't matter that he wasn't at the scene, as the evidence is here and leaves no room for him to argue.

"Even if you haven't seen it, it doesn't matter, it's enough that my side has seen it and knows it's real, and you also know that not everyone sees such changes with the Round Light Mirror..."

Ji Haoran said indifferently, "This person is named Mu Jinyu, you can try using the Round Light Mirror to see if this change occurs when probing him."

"Then go and probe those who entered Duanchang Gorge at that time with the Round Light Mirror, to see if such change occurs when probing them!"

Wei Qiankun already guessed in his heart that the one likely to have killed Ji Changfei and Yao Feiyang is indeed Mu Jinyu.

Upon hearing Ji Haoran's words, he also nodded, then extended his hand to perform the Round Light Mirror Technique.

Then he used it to probe Mu Jinyu.

He had suspicions but decided to protect Mu Jinyu; however, he did not shy away from using the Round Light Mirror to verify.

"Buzz!!"

As he used the Round Light Mirror, the screen indeed appeared as a blurry blood-red, making it impossible to see Mu Jinyu's specific visage and movements.

"See!"

Seeing Wei Qiankun's execution of the Round Light Mirror, Ji Haoran and the patriarch of the Yao Clan, their eyes glinted coldly, spoke in a deep voice.

However, they were not in a hurry to immediately act for Wei Qiankun to hand over Mu Jinyu!

They prepared to wait until Wei Qiankun uses a few more Round Light Mirrors, to completely give up hope before they push him to hand over Mu Jinyu!

Compared to an insignificant Intermediate Student, Wei Qiankun certainly wouldn't sour relations with their two royal clans to protect him.

They were very confident.

Of course, they could be more patient.

Wei Qiankun didn't pay attention to them; after using the Round Light Mirror on Mu Jinyu, he continued to use it on Shi Yiran, Ning Ruofan, and Lu Kaige!

He could successfully track the first two.

But when probing Lu Kaige, he could only see half of his figure, the other half was enveloped in bloodlight, making it unclear.

Just like when probing Mu Jinyu!

"Hmm?!"

"What's going on?"

"This person seems to be Dongyue Mansion's top student, Lu Kaige?"

"Why is he also showing this condition?"

"No! This blood-red phenomena isn't caused by Lu Kaige; it's because he's with Mu Jinyu, this change occurs!"

"..."

Seeing Lu Kaige's half-shrouded figure in bloodlight too.

People from the Ji and Yao Clans were also stunned.

Soon after, they realized that it definitely wasn't Lu Kaige displaying this strange phenomenon.

But because he was with Mu Jinyu!

Otherwise, if he had this phenomenon himself, then the entire screen would be blood-red, making it impossible for him to be easily tracked.

Wei Qiankun ignored them, continuing to use the Round Light Mirror, probing others.

He started probing the hundred students who had previously gone to Duanchang Gorge.

Nearly half of these people were dead.

Among the remaining half, Wei Qiankun probed each with the Round Light Mirror and could track all their whereabouts.

In comparison, Mu Jinyu was indeed a very unique existence!

And Wei Qiankun now fully understood.

Why the Round Light Mirror showed that blood-red blur when probing Mu Jinyu!

Isn't this exactly the phenomena discovered when they tested Mu Jinyu's Bloodline before?

Blood-Colored Mirroring Rivers and Mountains!

Unexpectedly, this phenomenon could actually help Mu Jinyu conceal his presence, preventing others from tracking him!

"How goes it?!"

"Master Wei now surely understands we're not deceiving you, right?"

"This person is the murderer who killed our clan's Heaven's Pride disciples; please have Master Wei hand him over!"

As Wei Qiankun finally ceased using the Round Light Mirror to probe others, Ji Haoran and the patriarch of the Yao Clan immediately sneered, urging Wei Qiankun to fulfill his commitment and hand Mu Jinyu over voluntarily!

But Wei Qiankun shook his head, calmly said, "Yes, although this blood-red blur doesn't prove Mu Jinyu is the murderer, it may be coincidental, or perhaps he caught some ill omens in the Tiangan Secret Realm, resulting in such change too!"

"But, I'll assume he is the murderer of Ji Changfei and Yao Feiyang..."

Wei Qiankun said indifferently.

Yet Ji Haoran, upon hearing this, frowned, sensing an unfavorable implication.

If Wei Qiankun truly didn't care whether Mu Jinyu was the murderer, shouldn't he readily hand him over to settle this?

Why does he insist on saying so much, seemingly intending to stubbornly protect Mu Jinyu!

Ji Haoran inwardly hoped it was a misunderstanding.

Wei Qiankun continued, "Well, assuming he killed Ji Changfei and Yao Feiyang, although his cultivation was around the first or second level of the Void Breaking Realm when entering the Tiangan Secret Realm? I'm not sure, but I remember that it wasn't high, while your deceased Heaven's Pride disciples, as I recall, had cultivations surely at least in the late Void Breaking Realm?"

"At most, about the same as Ji Changkong, at the peak of Void Breaking Realm!"

"Thus..."

Wei Qiankun spoke, his gaze indifferent, sweeping over the Yao Imperial Clan and Ji Imperial Clan people, quietly continued, "His cultivation was lower than theirs, his nature tends not to like fighting, why would he kill them for no reason?"

"Surely your clans' Heaven's Pride disciples were arrogant, treating him as just an ordinary Void Breaking Realm cultivator, attempting to kill him casually!"

"Mu Jinyu had to defend himself, leading to their counter-deaths!"

Saying this, Wei Qiankun coldly looked at the rather embarrassed faces of the Yao and Ji Clans, sneered and said, "Otherwise, why are only your clans' Heaven's Pride disciples attacked, while other royal clans' disciples remain unscathed?"

Chapter 1927: Refusal! The Battle Begins! Preparing to Leave!

卫乾坤's words are very hurtful.

Why did he kill a Heaven's Pride disciple from your two clans alone?

And yet, for the other Imperial Family descendants, he did not kill any?

Why is that?

Ji Haoran's face turned ugly, and he coldly shouted, "That's because in our clan, Changfei, when he entered the Tiangan Secret Realm, was holding our clan's treasure, the Yin-Yang Qiankun Sword. That kid undoubtedly had his eye on the Yang Kun Sword in Changfei's hand, that's why he couldn't help but make a move to kill him!"

The Patriarch of the Yao Imperial Clan, upon hearing Ji Haoran's words, nodded in agreement.

However, Yao Feiyang didn't have any good things on him, but it didn't matter; Wei Qiankun likely didn't know anyway.

So he casually fabricated the name of a treasure and claimed it was the supreme treasure on Yao Feiyang's hand that caught Mu Jinyu's eye, leading to his murder!

"Killers must pay with their lives, especially those who kill to steal our clan's treasures; they deserve a thousand deaths!"

"Hand over Mu Jinyu quickly!"

Ji Haoran coldly glared at Wei Qiankun and demanded in a deep voice.

Wei Qiankun sneered, "Come off it, you think I don't know that the Yang Kun Sword in Ji Changfei's hand is just a replica? And it can only be activated by people from the Ji Clan; with that, you dare claim he killed to seize treasure?"

"And you!" Wei Qiankun turned to the Patriarch of the Yao Clan, disdainfully, "The thing you just mentioned, I've never heard of it, it's entirely something you've concocted!"

After speaking, Wei Qiankun's expression turned cold, and he unleashed his powerful aura, lightly replied, "Here's the truth: if my disciples make a mistake, their crimes are inexcusable, and I don't need you to pressure me; I will personally rectify them!"

"But my disciple committed no wrong, and it's entirely your Imperial Family descendants who sought to persecute him, forcing him to defend himself; it's fortunate I'm not seeking accountability from your Imperial Family, yet you dare demand I hand him over, I refuse!"

By the end, his aura was formidable, exuding an irreproachable righteous force!

"It seems Wei Mansion Master, you insist on protecting Mu Jinyu to the death!?"

"Whether or not it was self-defense is still uncertain, yet you judge it as such with a few words; Wei Mansion Master, are you forcing our hand?!"

Upon hearing Wei Qiankun's words, Ji Haoran and others turned quite grim, realizing this person was prepared to protect Mu Jinyu wholeheartedly.

In their hearts, they were quite perplexed.

Isn't Mu Jinyu just a mere intermediate student?

Is it worth Wei Qiankun tearing faces with them to protect him unto death?

"Humph, I have no intention of forcing your hand, but if you insist on stubbornly trying to harm a student from Dongyue Mansion, I wouldn't mind fighting you to the end!"

Wei Qiankun stated resolutely, not budging an inch.

Simultaneously, the long sword in his hand burst into an unimaginably sharp gleam, declaring his determination to protect Mu Jinyu!

"Alright! If so, then let's fight!"

Ji Haoran, seeing that Wei Qiankun was really unreasonable, began to release a murderous intent from his eyes, ready to battle him to the end!

Likewise, he was quite curious about what ability Wei Qiankun, as the Mansion Master of Dongyue, had to provoke him repeatedly!

"Boom boom!!!"

Instantly, the great battle erupted!!

Sword light dazzling, murderous intent soaring.

Wei Qiankun, alone, intercepted Ji Haoran and the Patriarch of the Yao Clan, these two Chrono Light Realm powerhouses.

Displaying incredibly terrifying combat capability!

The Imperial Family descendants and clan elders who came to support were all shocked and alarmed.

Afraid that their battle might involve them, threatening their lives!

"Boom!!"

Wang Yeqing, standing inside Dongyue Mansion, looked through the crystal-like barrier at Wei Qiankun fighting alone against the two Chrono Light Realm powerhouses, frowned deeply, her face showing deep worry.

Even though Wei Qiankun displayed astonishing combat power, intercepting the two Chrono Light Realm powerhouses alone.

But who can guarantee he will definitely defeat Ji Haoran and the other one!

Over time, fearing that in the end, Wei Qiankun may not hold them off, but rather be injured and defeated!

Wang Yeqing clenched his fist, heart full of unwillingness!

If only he were a Cultivator of the Chrono Light Realm, then he too could step in to help Wei Qiankun amid Dongyue Mansion's huge crisis.

But unfortunately, he is just a Cultivator of the Creation Realm, unable to involve himself in their battle at all!

"Boom!!"

Lightning flashed, Sword Qi filled the air, the battle grew increasingly fierce.

Even under Ji Haoran's intentional guidance, the clashes of their battle spilled over to pour against Dongyue Mansion's Minor World's Barrier Bastion, causing it to sway precariously, seemingly about to crumble!

From this, it was clear that Wei Qiankun was beginning to be at a disadvantage.

Otherwise, he would never allow Ji Haoran's men to use the fight's aftermath to bombard Dongyue Mansion's barrier!

"What are you still hesitating for? Get to it and smash Dongyue Mansion, then go in and drag out Mu Jinyu!"

At this point, Ji Haoran saw their group standing foolishly outside watching, feeling anger and frustration, he shouted at them!

"Hmm?!"

"Hmm!!"

The clan elders of the Yao and Ji Clans all responded now.

Indeed!

Now Wei Qiankun has been blocked, they'll single-handedly be enough to crush Dongyue Mansion, so there's no need to stand around!

"Boom!!"

This group of elders awakened, murderous resolve deep in their eyes, terrifying others, they all struck at once, beginning to bombard Dongyue Mansion's Minor World's Barrier Bastion!

"Hmm?!"

"Open!!"

Upon seeing this, Wang Yeqing's expression turned solemn; he immediately pulled out all stops, striving to activate the Mansion Defense Array to prevent the barrier from being shattered as much as possible!

"Yeqing, I might not be able to stop them; prepare yourself, if the barrier is breached, take Mu Jinyu and leave, he is the hope of the Human Race!"

At this moment, Wang Yeqing, sweat pouring, suddenly heard the transmitted voice of Mansion Master Wei Qiankun, his face changed.

He hadn't expected, in Wei Qiankun's eyes, Mu Jinyu's status was so high, considered as the Human Race's hope!

"Alright!"

Wang Yeqing internally shouted, agreeing, no matter what, he must rescue Mu Jinyu and take him away from Dongyue Mansion!

"Swish swish swish!!"

At this moment, the heads of various institutes within Dongyue Mansion heard the commotion, and flew over, witnessing the battle outside.

And also saw the Imperial Family elders teaming up to prepare an attack on their Dongyue Mansion!

"What's happening?"

"Why are the Yao Clan and Ji Clan attacking Dongyue Mansion?"

"..."

These Mansion leaders saw the current battle situation, each had a very solemn expression, helping Wang Yeqing activate the Mansion Defense Array while questioning him.

Wang Yeqing replied gravely, "They made up some excuse, trying to eliminate Mu Jinyu to prevent his existence from threatening their imperial family. Be prepared, if Dongyue Mansion is breached and unable to resist them truly, disperse immediately!"

Chapter 1928: He's a Calamity! The Barrier Is Broken! Lu Kaige's Decision!

"What?"

"How could this be?"

When the few Institute Heads heard Wang Yeqing's words, their expressions changed, their faces growing solemn.

They really hadn't expected that the Ji Clan and the Yao Clan, these two great Royal clans, would actually come to make such a huge move against Dongyue Mansion for the sake of Mu Jinyu!

Wasn't Mu Jinyu just a Pureblooded Human Race?

Was he worth it?

However...

Thinking this, they suddenly recalled Mu Jinyu's current status.

He had long since defeated Lu Kaige and become the number one Senior Student.

Even if he really was a Pureblooded Human Race, he had shown a very extraordinary side.

Perhaps these two Royal clans were intimidated by him because of this, and thus wanted to erase him!

"Damn it!"

"That guy is a walking disaster!!"

At this moment, an Institute Head couldn't help but screech a curse.

Everyone couldn't help but look over.

That Institute Head was a woman, her eyes carrying a trace of venomous resentment.

It was none other than Chi Yanyu.

Ning Ruofan's teacher, and an Institute Head who had some ambiguous relations with Zhao Donglai.

Previously she had had a bit of conflict with Mu Jinyu, and ended up being brutally beaten by him, so she held deep resentment toward him, always thinking about how to get back at him!

Right now was a perfect opportunity.

She immediately couldn't help jumping out.

Chi Yanyu looked at Wang Yeqing, suppressing the venom and hatred in her eyes, and said shrilly, "Mansion Master, since this brat is the one who brought this calamity down on us, why should we take the hit for him? Why should we ignore the lives of the tens of thousands of students of Dongyue Mansion? We might as well just send him out directly and hand him over to the Ji and Yaaos to deal with!"

"Otherwise, for the disaster he brought down on us, why should we risk our lives for him? Why should we let those students bleed and shed tears for this?!"

After Chi Yanyu finished speaking, everyone fell silent for a moment, then quite a few Institute Heads secretly nodded, whispering in low voices in agreement.

"Hmph!"

Seeing their attitude, Wang Yeqing's expression sank. He gave a cold snort and said, "Is this the attitude you should have as teachers and mentors?"

"This matter is not Mu Jinyu's fault, yet the two Royal clans casually find an excuse to force us to hand him over. If for the so-called bigger picture we just hand him over like this, sacrificing one for the safety of tens of thousands, then what about next time? The time after that?"

"If they pull this same stunt every time, are we supposed to obey them every time?"

As he spoke, Wang Yeqing turned to look at Chi Yanyu and said coldly, "If next time they demand that I hand you, Chi Yanyu, over, claiming you committed a heinous crime of treason, will you be willing to stride to your death with lofty righteousness, without needing us to protect you and fight for you?!"

"I..."

Hearing Wang Yeqing's words, Chi Yanyu was instantly at a loss for words.

She very much wanted to say, with great righteousness, that she would, but she was afraid Wang Yeqing would bear a grudge, and then really stage such a show in the future. Wouldn't she be finished then?

"Rumble!!"

Just as they were arguing.

Accompanied by a violent boom, followed by a crisp sound like glass shattering.

The expressions of those standing high above the firmament all changed involuntarily.

Because this sound meant that the people of the two Royal clans outside had already successfully broken through the Barrier Bastion of Dongyue Mansion's Minor World and could charge in at any moment.

"Ugh—ha!!!"

At the same time, with the Barrier Bastion breached, the sounds of Wei Qiankun's fierce battle with Ji Haoran and the Patriarch of the Yao Clan outside came through all the more clearly.

In the heat of battle, Wei Qiankun also realized the Barrier Bastion had been broken. He very much wanted to pull back and aid them, but was entangled by Ji Haoran and the other, and couldn't help letting out a roar of grief and rage.

He could no longer maintain his former composure and calm.

"Kill!!!"

"Everyone, follow me into Dongyue Mansion and seize Mu Jinyu!"

"Whoever dares block us—kill without mercy!"

At this moment, the clan elders of the Ji and Yao Royal clans, who had just broken through the Barrier Bastion, all leapt into Dongyue Mansion together, shouting furiously.

Their voices were exceedingly loud and deafening, almost instantly echoing through the entirety of Dongyue Mansion.

Countless students and instructors inside Dongyue Mansion all heard the sounds of fighting and the angry shouts.

"Kill!!!"

Wang Yeqing didn't know whether Mu Jinyu had taken advantage of the broken barrier to slip away.

But he had no time now to search for his whereabouts. Seeing the clan elders of the Ji and Yao clans charging in, he roared furiously and pounced at them, unleashing all sorts of Killing Moves and Divine Skills in a fierce bombardment!

Quite a few Institute Heads were also stirred by the emotions of Wang Yeqing and Wei Qiankun, and followed suit, striking out together to block these Royal clan elders!

As for Chi Yanyu and quite a number of other Institute Heads, they were unwilling to risk their lives for Mu Jinyu, always feeling it wasn't worth it, so they didn't make a move at all!

Some even had a gleam flash in their eyes, thinking about whether they should go find Mu Jinyu and then lead these clan elders to him, to put an early end to this calamity!

"Hm?!"

In the Combat Arena of the Senior area, Mu Jinyu was still using Blood Essence to heal Lu Kaige.

At this moment, he also heard the roars of the Ji and Yao clan elders.

His expression changed, his face turning ugly with anger!

So it turned out that the frenzied assault on Dongyue Mansion from outside was not the Foreign Race making a move and launching a Mansion-extminating war.

It was that the people of the Ji and Yaaoy Royal clans had come to kill him!

And this had triggered the great upheaval!

Mu Jinyu thought for a moment and more or less guessed the reason.

It should be that the trouble he caused by killing Ji Changfei and Yao Feiyang in the Tiangan Secret Realm had finally come to light!

And although it was he who killed them, thus causing this calamity.

Mu Jinyu didn't feel the slightest fear or shame.

He only felt anger and unwillingness!

Back in the Tiangan Secret Realm, they were the ones who tried to strike first and kill him.

Why shouldn't he be allowed to kill them in return?

Once he killed them and the news leaked, they dared to come brazenly to kill him?

Aside from the boundless anger filling his heart, Mu Jinyu also felt guilt and helplessness.

Although he had killed Yao Feiyang, Ji Changfei and the others for the sake of protecting himself, ultimately it was because of him that these two Royal clans had made a move against Dongyue Mansion.

Because of him, the students and instructors of Dongyue Mansion would now all suffer attacks from the Royal clan!

No matter what, he was the chief culprit!

He had to stand out and resolve this!

He would not just run away!

"Brother Lu, since this is not a Mansion-extermimating war, let's end the treatment here. I have to go out and deal with this trouble myself!"

Suppressing the raging fury in his heart, Mu Jinyu forced himself to calm down. He then stopped circulating the Humanity Path Sutra, ceased using Blood Essence to heal Lu Kaige, and spoke in a low voice.

Since this was not a Mansion-extermimating war and the disaster was aimed at him!

Lu Kaige had no reason to get involved. In fact, if he were smart he could keep himself safe, so Mu Jinyu naturally didn't need to keep wasting Blood Essence to heal Lu Kaige.

"Alright!"

Lu Kaige's injuries had already recovered by more than half. Hearing Mu Jinyu's words and recalling the angry shouts of the Ji Clan's elders who had just barged into Dongyue Mansion, he understood Mu Jinyu's intention.

He was planning to face it alone!

After thinking a moment, Lu Kaige's gaze hardened. "I'll go face them with you!"

Although the two of them had some grudges—he had twice lost to Mu Jinyu's hand!

But that was an internal conflict between them!

What Mu Jinyu faced now couldn't be considered his personal issue alone, so he also wanted to lend Mu Jinyu a hand!

After all, when he was injured and passed out just now, Mu Jinyu could have ignored him and preserved his own strength, but he still chose to expend True Yuan to heal him.

This had deeply moved him.

Therefore, Lu Kaige decided to make this choice!

"No need."

Mu Jinyu replied softly.

Then he leapt up, his figure soaring, heading toward the area in the sky where the fierce battle raged!

Chapter 1929: Wang Yeqing Defeated! Mu Jinyu Appears! Betrayed!

"Wang Yeqing!"

"Don't resist stubbornly. Why sacrifice your life for a mere student?"

"Indeed, hand over Mu Jinyu quickly, and we will stop here!"

"..."

Above the Dongyue Mansion, in the skies.

Wang Yeqing faced numerous elders of the royal clan alone, beginning to struggle to sustain himself.

His expression appeared extremely painful, and his body was stained with fresh blood.

The few institute heads who had initially joined him to assault these royal clan elders had long been defeated, fallen from the sky, their lives unknown.

In fact, although the Yao and Ji clans joined forces to besiege Dongyue Mansion,

the gap between the two sides wasn't actually so exaggerated!

If those institute heads standing by were to help, Wang Yeqing wouldn't appear defeated so quickly!

"Kill!!!"

At this moment, an elder of the Ji clan shot an icy glare, his murderous intent surging to the heavens, both hands weaving a terrifying chain of divine order, whipping it like lightning toward Wang Yeqing.

Wang Yeqing barely evaded, only to be struck on the back by other elders, causing him to uncontrollably spray blood, his figure wobbling like a broken kite falling from the sky!

"Mansion Master!"

Seeing Wang Yeqing defeated, many institute heads on the side showed expressions of unwillingness.

But they really didn't want to risk their lives for Mu Jinyu.

They thought that once Wang Yeqing was defeated and Mu Jinyu killed, they would leave, and then heal Wang Yeqing.

"Boom!!"

At this moment, a sudden sound of breaking through the air resounded below the skies.

Several elders who were originally preparing to strike down Wang Yeqing at once halted and stared down intently!

They saw a handsome young man suddenly charging up from below, with black hair whipping like snakes, murderous intent reaching the sky!

"It's him!"

"Mu Jinyu!!"

Many elders did not know Mu Jinyu or his exact appearance.

But many elders had once gone to Duanchang Gorge together; though they initially didn't recall Mu Jinyu's appearance, after a reminder, they recognized him.

At this moment, seeing Mu Jinyu appear, their eyes widened in rage, abandoning their attacks on Wang Yeqing to turn and strike at Mu Jinyu!

"Boom!!"

In an instant, innumerable divine skills and techniques bombarded toward Mu Jinyu!

Imposing the terrifying Heaven and Earth Laws upon him!

At this moment, even a peak Life and Death Realm expert would likely meet a disastrous end!

"Alas..."

"To die like this, what a pity!"

The Dongyue Mansion's institute heads, seeing Mu Jinyu present himself, were somewhat startled, not expecting him to appear voluntarily.

And seeing Mu Jinyu, a middle stage Void Breaking Realm cultivator, endure such intense bombardments, they couldn't help but feel a pang of regret.

"Hah!!"

Mu Jinyu's face was cold and stern, eyes filled with murderous intent, without a trace of fear. Seeing the Ji and Yao clan elders attack him, he turned his hand and gripped the Riot-Quelling Sword, cleaving fiercely with a Bloodlight Sword Dragon Slash!

"Roar!!"

In an instant, a blood dragon roared and surged forth!

Its terrifying power scattered the various divine skills and spells attacking from the elders!!

"Pfft!!!"

Additionally, some elders' divine skills, relying on their innate ability, were directly shattered by Mu Jinyu, causing the elders to suffer backlash, spewing blood!

"Kill!!!"

Knowing that these people intended to kill him, Mu Jinyu showed no mercy, roaring furiously as he unleashed White Bone Sword Dragon Slash and Bloodlight Sword Dragon Slash!

Striking toward them!

"Boom!!"

"Bang!!"

Several elders with cultivations from late-stage to peak Life and Death Realm did not expect Mu Jinyu to continuously perform such killing moves, suffering blows, many dying on the spot!

"Old Three!"

"Little Sixteen!"

"Little Twenty-Eight!!"

Seeing these royal clan elders killed, the remaining living elders roared in fury, murderous intent like tidal waves soaring up!!

"Kill!!!"

"Damn it!!"

Eyes red, they desperately unleashed divine skills and killing moves, hoping to strike down Mu Jinyu!

"Argh!!"

Mu Jinyu's black hair fiercely danced, eyes luminous like lightning, brimming with murderous intent. Facing the elders' frenzied assault, he used Sword Dragon Slash, Life and Death Twin Dragon Fist, finally preparing the Corpse-Wrapping Cloth!

"Boom!!"

The previous three moves merely neutralized the elders' ferocious assault.

But among them, there were few with cultivations in the Creation Realm!

This wasn't something Mu Jinyu could simply nullify with his divinely powerful moves!

Thus, he had to use the Corpse-Wrapping Cloth to counter their attacks and reflect back at them.

Leaving them for a moment in a disheveled state!

"Damn it!"

"How can a middle stage Void Breaking kid be so strong!"

"So the killer really is him! No wonder Changfei wasn't his match, killed by him in the Tiangan Secret Realm!"

"..."

The elders watching Mu Jinyu, a mere middle stage Void Breaking cultivator, withstand attacks from their life and death and Creation Realm experts, all changed faces greatly.

They shouted in shock and anger!

"How can this be!"

"How is this guy so powerful?!"

Even those institute heads standing by, seeing Mu Jinyu's performance, were all stunned.

They never imagined that a person with Mu Jinyu's cultivation would appear even more terrifying than Wang Yeqing!

Now they finally realized why Wang Yeqing and Wei Qiankun risked everything against the two major royal clans for Mu Jinyu, unwilling to hand him over!

It turns out Mu Jinyu's potential is so astonishing!

Immediately, those institute heads initially reluctant to risk everything for a student started reconsidering fiercely!

"Hah!!"

An elder from the Ji clan, dodging Mu Jinyu's attack reflected by the Life and Death Reincarnation Diagram from the Corpse-Wrapping Cloth, was furious.

Finally, glaring at the standing by Dongyue Mansion institute heads, he suddenly shouted: "What are you standing around for? Hurry up and strike, cooperate in capturing him. Otherwise, even after we kill him, you won't be spared!!"

"What?!"

"This is too much!"

Upon hearing the elder's words, those institute heads standing by were instantly enraged.

Initially, they were told that killing Mu Jinyu alone would suffice, and keeping quiet, they wouldn't overturn Dongyue Mansion!

But now, failing to deal with Mu Jinyu, they were being told to act against Mu Jinyu or face consequences?!

This really is outrageous!!

They couldn't bear it!

Those institute heads hesitating about helping Mu Jinyu finally made up their minds, joining the assault, launching killing moves at them!!

"Hah!!"

Seeing these institute heads finally act, Mu Jinyu roared furiously, his attack growing more fierce, overwhelming the elders with unbeatable force!

"Damn!"

Chi Yanyu watched Mu Jinyu remarkably survive these elders' attack, still untamed, her eyes burning with hatred.

She could no longer suppress her resentment, recalling the humiliation inflicted by Mu Jinyu, stealthily shifting position as Mu Jinyu executed another attack!

Launching a strike aimed at Mu Jinyu!

Chapter 1930: Slaying Chi Yanyu! The Institute Heads' Astonishment! Three Life Stone Appears!

"Die!"

On Chi Yanyu's beautiful face, as she attacked, it twisted into a distorted and ferocious expression, extremely terrifying!

Her eyes shimmered with a mad killing intent and venomous hatred, along with the thrill of impending revenge!

It seemed as if she was about to witness Mu Jinyu succumb to her attack, then gravely hurt and unable to sustain, being blasted to death by the clan elders from the Ji clan and Yao clan!

"Damn it!!"

Mu Jinyu once more launched Bloodlight Sword Dragon Slash and White Bone Sword Dragon Slash, but at this moment, just as his old strength was exhausted and new strength had yet to come, he was indeed unprecedentedly weak, little expecting Chi Yanyu's backstab!

Rage instantly erupted in his heart, flaming with anger!

However, he wasn't entirely unprepared!

With a shout, the Corpse-Wrapping Cloth, which originally depicted the Life and Death Reincarnation Diagram and was intended for countering the upcoming attack from the clan elders of the Creation Realm, was redirected towards Chi Yanyu!

"Boom!!"

Instantly, Chi Yanyu's fierce assault directly hit the Life and Death Reincarnation Diagram on the Corpse-Wrapping Cloth.

The Corpse-Wrapping Cloth flickered, then the Reincarnation Diagram on it spun violently, counterattacking towards Chi Yanyu!

"Boom!!"

Chi Yanyu's cultivation was only at the Mid Stage of Life and Death Realm, and now her full-force attack, after being amplified by the Corpse-Wrapping Cloth, barely reached the level of a Creation Realm offensive!

With the fierce blow returning, how could Chi Yanyu resist?

Amidst an intense roar!

A giant bloody hole was straightly blown open in Chi Yanyu's chest and abdomen!

Her internal organs and bones were nowhere to be seen!

"Ugh!!"

"Ah!!!"

Chi Yanyu suffered unprecedented severe injury, feeling her life force slipping away rapidly, her beautiful eyes widened, filled with incredulity and despair!

She really didn't expect the hard-earned opportunity to ambush Mu Jinyu didn't destroy him, but instead resulted in Juinyu injuring her in return!

This made her extremely unwilling and resentful!

Nevertheless, at this moment, Chi Yanyu saw that because Mu Jinyu redirected the Corpse-Wrapping Cloth to counter her assault, those few Creation Realm royal clan elders found the opportunity to launch a terrifying killing move towards Mu Jinyu.

She couldn't help but feel a sense of relief.

Her effort wasn't in vain!

Although severely injured, disrupting Mu Jinyu's footing, leading to his death at the hands of the royal clan elders, was worth it.

Mu Jinyu was destined to die, and after her severe injury, she would survive after all!

Everything was worth it!

However, what Mu Jinyu did next threw Chi Yanyu into disarray.

Mu Jinyu, ignoring the attack from the group of royal clan elders behind him, turned around, eyes filled with deadly intent, tightly gripping the Riot-Quelling Sword in his right hand, launching another attack at her!

Is this guy crazy?

Rather than struggling against those Creation Realm elites, he chose to fight to the death with her!

Is he planning to take her with him before he dies?

Chi Yanyu panicked, madly screaming for someone to save her!!

"Why are you all just standing there? Quickly stop this madman!"

"Kill him, and it's all over!"

"Hurry up, stop him!!!"

Chi Yanyu screamed madly.

Looking frantic!

She was extremely scared, truly terrified that she might die at the hands of Mu Jinyu.

However, in the face of her plea for help and screams, the institute heads standing by did not step in to save her!

They all chose to watch coldly, their eyes showing complex emotions!

Yes!

When Wang Yeqing was attacked by everyone, and Mu Jinyu was besieged by them, they did not choose to intervene!

Because they felt this disaster was brought about by Mu Jinyu, so they had no reason to risk their lives for him!

Turning this matter into a war between Dongyue Mansion and the two royal clans!

Thinking that once Mu Jinyu dies, it will all be over!

However, they couldn't attack Mu Jinyu to hasten the end either!

After all, Mu Jinyu was a student of Dongyue Mansion, and hadn't done anything to wrong them, how could they turn against him?

It would be utterly shameless!

They couldn't afford to lose face like that!

Especially when those clan elders threatened them to attack Mu Jinyu, or Dongyue Mansion would be bathed in blood!

This ignited some of their anger, eventually choosing to help Mu Jinyu resist the attacks from those clan elders!

Now, seeing Chi Yanyu actually backstab Mu Jinyu, it was utterly shameless and disgraceful!

It's already good they didn't make a move against Chi Yanyu!

And she still had the audacity to ask them to help block Mu Jinyu's attack and save her life?

"Boom!!"

Seeing these institute heads with whom she had somewhat of a relationship in the past coldly watching, Chi Yanyu felt her heart turn ice-cold.

Subsequently, no matter how hard Chi Yanyu tried, she couldn't avoid Mu Jinyu's sword, and could only watch as his blade struck her!

"Bang!!"

Chi Yanyu's whole body exploded directly into a splash of blood!

Like fireworks blossoming!

Then disappeared completely!

Her soul, too, was obliterated in an instant!

Not a trace left!

"Brother, will avenge...me..."

In her final breath, Chi Yanyu uttered a venomous comment, and gradually dissipated with the wind!

"Boom Boom!!!"

At this moment, while Mu Jinyu was dealing with Chi Yanyu, the royal clan elders of the Creation Realm took the opportunity to launch their offensive towards Mu Jinyu!

Seeing this, the institute heads' eyes turned complex.

Mu Jinyu was indeed astonishing, managing to kill multiple Life and Death Realm experts with his Middle Stage of the Void Breaking Realm cultivation, and still entangle with Creation Realm mighty!

Yet, he was indeed too impulsive, attacking Chi Yanyu first due to her backstabbing!

Now he was powerless against those clan elders' attacks!

It truly made one feel regretful and pity!

"Die!"

"Time to get going!"

Those Creation Realm clan elders full of momentum, seeing Mu Jinyu with his back to them, about to face their terrifying attack, their faces revealed sinister smiles of triumph.

Their eyes filled with the thrill of vengeance!

Initially, they came to Dongyue Mansion to avenge Ji Changfei and retrieve the Yang Kun Sword replica.

But now, they wanted to kill Mu Jinyu not just to avenge Ji Changfei and Yao Feiyang!

But also to avenge those clan members who just perished at Mu Jinyu's hands!

"Boom!!"

However, just as Mu Jinyu was about to perish under their formidable offensive!

At this moment, accompanied by a thunderous roar, a heavy gigantic stone emerged, instantly defending Mu Jinyu's back.

Blocking the destructive assault they delivered completely!

"What is this?!"

"It actually blocked it!"

Seeing the massive stone blocking the royal clan elders' assault, both the royal clan elders and Dongyue Mansion's institute heads were astounded.

Who would have thought Mu Jinyu had this many tricks up his sleeve.

He had another life-saving trump card!

At the same time, with the emergence of this gigantic stone, a dreadful effect that seemed to suppress one's Cultivation Level, appeared alongside, overwhelming the astonished royal clan elders!

No mistake!

This massive stone was none other than the Three Life Stone from the Earth Emperor's Tome!
