

## Leveling 1021

### Chapter 1021

With every step Yu Qingling took towards Yi Tianyun, Nian Ciyu become more frustrated.

“Please get hold of yourself!” Nian Ciyu prayed for Yi Tianyun. If Yi Tianyun was defeated here, then everything Heavenly Edict Divine Territory was hoping for would end immediately! Yi Tianyun was already qualified to join the Five Great God Domain, it wouldn’t change if he lost, but it would be a different story if he was killed.

“There’s no point in praying, he wouldn’t wake up!” Fire Jade Territory Lord said sarcastically. Nian Ciyu felt desperate as there was nothing she could do. She could wake Yi Tianyun up by shouting with her Star Energy, but the energy shield on the arena left no room for external interference.

Besides, Yi Tianyun would be disqualified on the spot if Nian Ciyu interfered with his match. After all, it wouldn’t fair if external interference was allowed.

Yu Qingling was finally close enough with Yi Tianyun and she was holding a sharp dagger in her hand. “Well, why can’t I see your memory?” Yu Qingling was confused as she was supposed to be able to see the memory of those she enchanted.

“Just forget it! it doesn’t matter now, I can just win!” Yu Qingling said excitedly. As long as she killed Yi Tianyun, everything Yi Tianyun had achieved would be hers. She raised her dagger and immediately thrust it toward Yi Tianyun’s head.

“No, stop!” Nian Ciyu screamed, but her scream couldn’t stop Yu Qingling’s attack. Heavenly Edict Territory Lord closed his eyes as he didn’t want to look his last hope for this War of Ascension disappearing.

But before her dagger pierce Yi Tianyun’s skin, her hand was stopped firmly.

“You are quite courageous! Have you forgotten than I warned you before?” Yi Tianyun said coldly.

“You aren’t under my charm?” Yu Qingling said as she was shocked that Yi Tianyun suddenly moved.

“You did some garbage charm technique and you hoped that it would affect me? I am standing here waiting for you to come close and even then, you are still taking too long of a time to get here!” Yi Tianyun said mockingly. “Now you want to peek at my memories too and kill me?” Yi Tianyun said coldly.

Yi Tianyun quickly plucked out Yu Qingling’s eyes. Her charming skills were instantly nullified as soon as Yi Tianyun plucked out her eyes. She screamed and flew backwards while blood gushed out of her hollowed eyes.

She couldn’t do anything right now as her power were all concentrated into her eyes.

“You dig out my eyes!” Yu Qingling screamed and tried to run towards Yi Tianyun to grab her eyes back.

“I already said earlier that I would pluck your eyes out if you tried to charm me again! Now that you have tried to charm me again, I simply took your eyes out like I said I would!” Yi Tianyun said coldly, he definitely didn’t care about how beautiful Yu Qingling was as a woman.

“I will kill you!” Yu Qingling screamed and she immediately rushed towards Yi Tianyun frantically. Even without her eyes, she could sense the spiritual energy that came off of Yi Tianyun’s body.

Nevertheless, Yi Tianyun just kicked Yu Qingling down. But that was not the only thing Yi Tianyun had done! He channeled some of his Star Power and abolished Yu Qingling’s cultivation base.

“You destroyed my cultivation base!” Yu Qingling trembled on the ground as she found that she couldn’t muster even an ounce of her power. Her body was now completely taken over by fear.

“Is it a problem?” Yi Tianyun said indifferently. This was a battlefield and Yi Tianyun didn’t have any obligation to show any mercy to Yu Qingling.

“Please return my eyes! I made a mistake and I will give up on everything else! I will admit my defeat!” Yu Qingling asked for mercy.

“You don’t have to do that, you are out anyway!” Yi Tianyun said as he waved his hand and a strong energy immediately blew Yu Qingling out of the arena, basically claiming victory for himself.

Logically speaking, with her cultivation, it was possible to cure her eyes and grow them back using some Medicinal Pills, but she wouldn’t get back her Eye of Charm technique and that was why she asked Yi Tianyun to return them to her. nevertheless, Yi Tianyun didn’t care about her.

“Burn!” Yi Tianyun said as he conjured a flame that burned Yu Qingling’s eyes on his hand. Now that they were burned to ashes, there was no way to recover those eyes again.

The shield around the arena quickly disappeared as Yi Tianyun has won the match. Yi Tianyun looked around and noticed that most battles were over and his battle was one of the slowest battle around. Still, Yi Tianyun’s action was very ruthless and it shocked many people that watched his battle.

However, Heavenly Edict Divine Territory was ecstatic right now as they have won the first match! “That brat! He intentionally stands there without doing anything!” Nian Ciyu said excitedly.

Meanwhile, Fire Jade Territory Lord’s was silent on the side. He thought that Yu Qingling would defeat Yi Tianyun, but it was just a naive thought! Her charms had no effects on Yi Tianyun at all and on top of that, Yu Qingling’s cultivation has been abolished!

“He plucked out Yu Qingling’s eyes! Yu Family wouldn’t let him get away unscathed after this!” Fire Jade Territory Lord said coldly.

“Yu Family? Well I don’t know about that. Would they want to fight against a genius of 2nd Grade God Domain?” Nian Ciyu sneered.

As soon as the words sank in, Fire Jade Territory Lord’s face turned pale. He knew that Yu Family probably would let things go as they wouldn’t want to provoke a 2nd Grade God Domain. It was simply a gap between faction and there was no way a small faction would be able to go against a big faction.

Fire Jade Territory Lord shut his mouth immediately as he didn't know what to say. Even though Yu Qingling was only a Foreign Aid, she represented Fire Jade God Territory's reputation nonetheless. Thus, her defeat dragged Fire Jade God Territory's name to the mud with her.

But there was nothing could be done now. Her eyes have been plucked out and her cultivation base was completely destroyed, leaving her completely disabled for the future. But Fire Jade Territory Lord himself couldn't avenge her as he didn't want to deal with the wrath of the 2nd Grade God Domain that Yi Tianyun might choose later.

Yi Tianyun looked at the spectators in the upper seat and noticed that all of them were expressionless. While Yi Tianyun's action was really cruel and merciless, people wouldn't blame him for it. Nevertheless, people still thought killing Yu Qingling immediately was a much better outcome.

But still, it wasn't Yi Tianyun's intention to kill her.

Nevertheless, there were still many cultivator that had a good chance to gain the high rank. Xiao Murong and Ling Yunfeng had both advanced to the next round and both of them were a strong contender.

Now, after the first round of the Fighting Competition, half of the participants had been eliminated.

"The first round is over and we will give you three days to rest before starting the second round." Elder Gou Huang announced. He waved his hand and a brand new token appeared on the hands of the cultivator that had already passed the 1st

round.

Yi Tianyun looked at the new token in his hand and saw the number 18. He looked around and a familiar snake had the same number as him. the cultivator in question itself also grinned from ear to ear as if the cultivator had already foreseen his own victory even if he had already seen what Yi Tianyun was capable of.

"I didn't expect to face you so soon." Yi Tianyun said as he walked towards Earth Monarch Yao Tong. Earth Monarch Yao Tong was Yi Tianyun next opponent. Of course, the man was excited that he would face against Yi Tianyun as he finally had the opportunity to deal with Yi Tianyun himself.

“Your life will end after three days!” Earth Monarch Yao Tong said coldly.

“Well, your eyes did seem annoying to me.” Yi Tianyun said casually.

“You want to pluck out my eyes out too? Are you sure you have the ability to prove your words?” Earth Monarch Yao Tong released his killing intent. The duel hasn’t even started yet, but both of them had already bared their fangs. It was clear that the Elders wanted this to happen and thus, they already matched Yi Tianyun up against Earth Monarch Yao Tong in the 2nd round.

Still, it made sense! Nobody wanted to watch a boring fight where the winner were already foreseen from miles away, so the Five Elders arranged for Yi Tianyun to fight a capable cultivator and Earth Monarch Yao Tong seemed to be a great choice.

Unfortunately, the Five Elders still thought that Earth Monarch Tian Qing was much stronger than Yi Tianyun, and they weren’t sure Earth Monarch Yao Tong would be able to win against her, so the Five Elders thought that pairing Earth Monarch Yao Tong with Yi Tianyun might be better.

The Five Elders thought that Yi Tianyun was barely hanging despite passing the 9th Level of the Heavenly Tribulation earlier. Therefore, they didn’t put too much faith in Yi Tianyun. No one knew that Yi Tianyun had a lot of abilities in his arsenal. Yi Tianyun was just too lazy to show his power as he wouldn’t feel the rush of adrenaline if he ended every fight with a single punch.

“Ughh, I don’t want to deal with that cultivator the most!” Xiao Murong said while pouting beside Yi Tianyun.

“Who? That cultivator?” Yi Tianyun said as he pointed towards Earth Monarch Sen Xue whose gender wasn’t really prominent.

“Yeah, it is that cultivator! I hate to fight someone like them, but at least there is no conflict of attribute!” Xiao Murong said with a frown on her face.

“Why should you care about something like that? They don’t seem to be powerful either.” Yi Tianyun said as he observed Earth Monarch Sen Xue with his Appraisal Eye.

"I am not too sure, Earth Monarch Sen Xue has skills and their reputation isn't bad either!" Xiao Murong said cautiously. Obviously, cultivators that had gotten this far and passed through so many ordeals during the War of Ascension wouldn't be weak!

.....

Three days went by quickly and finally all the cultivators entered their respective arena to face their own opponents. Naturally, Yi Tianyun was facing against Earth Monarch Yao Tong, the snake cultivator that released a cold aura.

"Don't disappoint me too much!" Earth Monarch Yao Tong said sarcastically as he pulled out a long whip to use as his weapon. The long whip itself was like a snake that wriggled and coiled around his leg like a sentient snake.

"That's my line! Give me some challenge, yeah?" Yi Tianyun said indifferently.

"Arrogant bastard!" Earth Monarch Yao Tong shouted as he slammed his whip to the ground, creating a massive gulley on the ground. "Now, let us see what trick you keep using to win the stage!" Earth Monarch Yao Tong said with a smirk on his face.

Yi Tianyun suddenly turned around and kicked something behind him! a figure suddenly flew out of nowhere. The figure suffered a heavy damage on its arm as it blocked Yi Tianyun's kick.

"You have made your first move!" Yi Tianyun said indifferently at the figure in front of him. the figure itself was Earth Monarch Yao Tong and the Earth Monarch Yao Tong that Yi Tianyun left behind earlier gradually disappeared.

The illusion that Earth Monarch Yao Tong made was very good as it successfully tricked everyone that watched the match. Nevertheless, people were surprised that Yi Tianyun could see through the illusion and even counterattacked Earth Monarch Yao Tong!

“You saw through my illusion?” Earth Monarch Yao Tong was surprised. He wanted to confuse Yi Tianyun with his illusion, but it didn’t have any effect on Yi Tianyun! His illusion was different from Yu Qingling’s charm, and thus, he didn’t have to do much to affect Yi Tianyun, plus his illusion seemed quite real too!

Although the illusion couldn’t attack the enemy, it had already served its purpose if it successfully confused his enemy.

“I can’t feel any aura coming out of the illusion, so I immediately know that it was a fake. Did you really think that such a poorly made illusion could confuse me? I don’t know if you are just too naïve or a complete idiot!” Yi Tianyun shook his head. He didn’t even have to activate his Appraisal Eye to figure out it was an illusion.

“You are just a bit skilled, don’t act cocky, you brat!” Earth Monarch Yao Tong was definitely enraged by Yi Tianyun’s remark.

“Right, I will show you a real illusion!” Yi Tianyun smirked as three other Yi Tianyun appeared all around Earth Monarch Yao Tong.

“Three illusions? Even if you have three illusions, it wouldn’t matter if I already know where the real you is. They wouldn’t be able to attack anyway!” Earth Monarch Yao Tong kept talking even when Yi Tianyun’s illusions rushed toward him. He thought that Yi Tianyun’s illusion wouldn’t be able to attack, just like his own illusion.

Once Yi Tianyun’s illusion got close to Earth Monarch Yao Tong, they slapped his face repeatedly, smashing Earth Monarch Yao Tong to the ground. Earth Monarch Yao Tong rolled on the ground and vomited blood.

“Damn it, what is going on here!” Earth Monarch Yao Tong looked horrified. He really didn’t expect Yi Tianyun’s illusion would be able to attack like this. But Earth Monarch Yao Tong wasn’t the only one. In fact, the five Elders were also shocked as they had never seen an illusion that could attack themselves.

“It seems we are direly mistaken! He has a good chance of winning it all!”

“Yes, with that illusion technique alone, he would achieve the greatness that no others could master!”

“Did he receive an inheritance from a great master before?”

The five elders nodded in agreement as they suddenly thought highly of Yi Tianyun as he showed a fraction of his power.

Nian Ciyu was so excited as she already knew that Yi Tianyun was really strong, she now realized that they had a shot at winning the entire War of Ascension with Yi Tianyun’s power.

“What are you doing? Show us your full power!” Dragon Serpent Territory Lord, the Territory Lord of where Earth Monarch Yao Tong came from, shouted.

Earth Monarch Yao Tong got back up again and looked at Yi Tianyun coldly. “That’s it! I will show you my true power!” he said solemnly. Snake scales began to appear on his body and soon covered his entire body. He looked like a giant python right now, and the surrounding area around him started to be laced with poisons!

The poison began to corrode the ground, and it was like everything around him was dyed Dark Green.

The poison continued to spread, and soon, the entire arena would be covered up by it, and Yi Tianyun wouldn’t have anywhere to escape.

“Die, bastard!” Earth Monarch Yao Tong rushed toward Yi Tianyun without any hesitation. His speed was faster than earlier as he transformed into a half-snake. The sound of a snake filled Yi Tianyun’s ear as Earth Monarch Yao Tong quickly got in front of Yi Tianyun without any problems.

Earth Monarch Yao Tong immediately coiled Yi Tianyun with his tail, ready to bite him, but Yi Tianyun managed to break free and tried to kick Earth Monarch Yao Tong in the stomach, but he failed as Earth Monarch Yao Tong’s body was too slippery.

Earth Monarch Yao Tong immediately coiled around Yi Tianyun once again, and this time, he also used the whip on his hand to make it harder for Yi Tianyun to move.

“Get off of me!” Yi Tianyun said coldly as his body suddenly turned into Huge Evil Demon God. The black flames immediately enveloped his body and started to burn Earth Monarch Yao Tong’s tail and whip. The black flame was definitely strong enough to burn the poison around Yi Tianyun, even though it wasn’t a normal poison.

Earth Monarch Yao Tong was forced to let Yi Tianyun go as he was burned in various areas on his tail. His body was emitting black smoke from being burned, but he immediately applied green liquids where he was burned to act as a flame retardant.

“Demon Fire!” Earth Monarch Yao Tong said sinisterly. “It’s good, but you are too late! My body has already produced so much toxin!” Earth Monarch Yao Tong said victoriously. Yi Tianyun looked down and saw the green poison had started to spread into his legs, which meant that the poison had started to affect him.

Earth Monarch Yao Tong’s poison was extremely effective. Even Heaven Monarch Cultivator wouldn’t be able to withstand it for too long.

“That poison is actually terrifying!” Nian Ciyu clenched her fist as most cultivators didn’t want to deal with poison.

Dragon Serpent Territory Lord smiled victoriously as he saw Earth Monarch Yao Tong finally used his true power, and he knew that no one could resist it.

“Your poison is good, but it won’t work against me!” Yi Tianyun spewed his dual Demon Fire and immediately burned all the poisons around him without leaving anything behind.

## Chapter 1024

The poison was quickly burned by Yi Tianyun’s black flame. Although the poison’s effect would still linger on his body, it certainly wouldn’t cause any fatal effect.

“What? How could you get rid of my poison!” Earth Monarch Yao Tong said in disbelief. He saw Yi Tianyun’s Demon Fire that burned his poison, turning them into smoke that dissipated in the wind.

“What’s with that absurdly strong flame?” Dragon Serpent Territory Lord stood up in shock as he couldn’t believe what he just saw. He thought that Yi Tianyun would be killed as Earth Monarch Yao Tong’s poison seeped into his body, but that didn’t seem to be the case. Now, Dragon Serpent Territory Lord realized that he had truly underestimated Yi Tianyun’s ability!

“He has two kinds of flames, and both of them would make it harder for him to get poisoned.” Nian Ciyu said with a smirk on her face. She had already grasped Yi Tianyun’s abilities to a certain extent and knew that Yi Tianyun wouldn’t be easily defeated with normal means.

After the poison issue was solved, Yi Tianyun walked calmly toward Earth Monarch Yao Tong, and with each step he took, a flaming imprint was left behind on the ground.

“You’ve tried various things just now, but perhaps it is my turn to attack now!” Yi Tianyun said with a smile on his face. “You should have been satisfied with how much you did just now.” Yi Tianyun said as he continued to walk calmly toward Earth Monarch Yao Tong.

Earth Monarch Yao Tong just stared at Yi Tianyun coldly. The snake around him started to twist and created an afterimage that turned into a huge Phantom Shadow, covering the entire arena. Earth Monarch Yao Tong then rushed towards the Phantom Shadow, merging with it before spurting some deadly venom toward Yi Tianyun.

Earth Monarch Yao Tong was sure that he would bring Yi Tianyun down with his move, but suddenly, a dark figure rushed out of the poison.

“That’s quite rude for a mere snake!” Yi Tianyun’s voice was like a blaring thunder in the middle of the day for Earth Monarch Yao Tong. Yi Tianyun then waved his hands forward, and a huge palm appeared in the air, attacking Earth Monarch Yao Tong’s Phantom Shadow. The huge palm was made from Yi Tianyun’s flame, which immediately burned Earth Monarch Yao Tong’s body and Phantom Shadow.

Earth Monarch Yao Tong began to scream as he couldn’t stand the pain of being burned alive by Yi Tianyun’s flames. But before Earth Monarch Yao Tong could escape, Yi Tianyun caught him with the giant palm, gripping Earth Monarch Yao Tong from escaping.

“Did I tell you to run?” Yi Tianyun said as he held Earth Monarch Yao Tong tightly. Yi Tianyun’s power completely overwhelmed Earth Monarch Yao Tong, and the flame began to burn even the snake scales on his body.

Yi Tianyun’s cultivation level might be lower than Earth Monarch Yao Tong, but Yi Tianyun’s combat power far surpassed him. Therefore, his advantage over cultivation level was not really an advantage that would bring him victory.

“Damn it all!” Dragon Serpent Territory Lord shouted coldly with gritted teeth as he saw Earth Monarch Yao Tong being overwhelmed by Yi Tianyun without being able to resist at all. He knew that everything was already over, as he knew that they had underestimated Yi Tianyun’s power far too much.

Earth Monarch Yao Tong was strong, and he also had a slippery body that was common among serpentine-style cultivation, but it wasn’t useful against Yi Tianyun at all.

Yi Tianyun then activated his Evil Demon God transformation as he wanted to end the fight immediately. Yi Tianyun’s body began to grow huge, and it made him stand out even more. Even the five great elders were shocked by the situation as Yi Tianyun’s power far exceeded their expectations.

“Dragon Snake... Evolution!” Earth Monarch Yao Tong shouted behind his scream of pain. The green energy within his body started to rush out, and his form began to change. His head started to evolve into a dragon head, and his body started to really resemble that of a snake. His combat power also skyrocketed, loosening Yi Tianyun’s grip forcefully.

“A bottom feeder human race wants my head? It is impossible! I will kill you right here!” Earth Monarch Yao Tong shouted furiously. The snake scales around his body started to transform into dragon scales, doubling his defensive capabilities. His roar also turned into that of a dragon, completing his transformation into a giant dragon.

“Dragon Serpent Bloodline? Interesting! But at the end of the day, a worm is just a worm! There is no way to turn into a dragon even though you have their form!” Yi Tianyun coldly said as he shook his head. Yi Tianyun tightened his grip, and Earth Monarch Yao Tong’s bones got crushed eventually while the flames burned him into coal.

“Yao Tong!” Dragon Serpent Territory Lord shouted helplessly. He knew that he couldn’t stop what was happening in the arena, and he could only watch as Earth Monarch Yao Tong was burned and crushed to death.

After a while, Yi Tianyun threw Earth Monarch Yao Tong’s body to the side. Everyone could clearly see that Earth Monarch Yao Tong’s body had completely burned into charcoal. Even if the rescue team immediately rushed to save Earth Monarch Yao Tong now, it wouldn’t make any difference.

‘DING!’

“Successfully killed Earth Monarch Yao Tong!”

‘Reward: 770 billion CPs, 600.000 SPs, Dragon Serpent Bloodline, Monster Pupil Technique, Dragon Serpent Whip, Dragon Serpent Ring.’

After killing Earth Monarch Yao Tong, a lot of things dropped as Yi Tianyun’s reward. Yi Tianyun originally wanted to let Earth Monarch Yao Tong live, but he kept threatening him to no end, so Yi Tianyun was forced to end him mercilessly.

“That brat is really unpredictable! Some of us thought that we already see through his foundation, but our expectations were way off the table!”

“Yes, our assumptions were all wrong! Did we have to cancel his next opponent?”

“No, we have to continue!”

The five elders discussed about Yi Tianyun as they were still shocked by Yi Tianyun’s overwhelming power. They knew that Yi Tianyun’s potential was outstanding, but they didn’t expect that it would reach this level!

However, they were now aware of Yi Tianyun’s strength, and thus raised their expectation of him.

## Chapter 1025

Yi Tianyun's battle lasted for a long time, but the battle in the other area wasn't concluded just yet. While the other contestants weren't playing around with their enemies, some of them couldn't take the win quickly. Some of them, such as Tian Qing Earth Monarch and Yun Lei Earth Monarch, quickly resolved their battle, leaving no room for the opponent to make a comeback.

Xiao Murong's battle with Earth Monarch Sen Xue reached a stalemate. The two's battle was heated, and they didn't leave any opening whatsoever. On the other hand, Yi Tianyun noticed that Xiao Murong's situation was relatively stable. Even though she had a Divine Wood Body, she could move freely in a freezing temperature.

"As long as you stabilize your cultivation, you will win the match in due time!" Yi Tianyun said to Xiao Murong. Then, Yi Tianyun turned his attention toward Earth Monarch Ling Yunfeng and her opponent, Earth Monarch Yun Lei.

Earth Monarch Yun Lei has overwhelmed Earth Monarch Ling Yunfeng with her violent Heavenly Thunder. Nevertheless, Earth Monarch Ling Yunfeng didn't seem to be surrendering any time soon. Yi Tianyun frowned as if Ling Yunfeng might be disabled because of Yun Lei's power if she insisted on being stubborn like this.

Ling Yunfeng had no chance at all as her movement was completely restricted due to the Heavenly Thunder that Yun Lei kept sending her way.

"Did you think I let you get chummy with a human race so that one day you can oppose me?" Earth Monarch Yun Lei said as he kept sending shockwaves toward Ling Yunfeng with his fist. Earth Monarch Yun Lei's power was so potent that he didn't require any weapon to fight.

"Little Brother Yi is a good person regardless of his race. None of you racists knows what it means to be a friend!" Ling Yunfeng shouted desperately despite being cornered the entire time. He chose to stay on Yi Tianyun's side rather than the other side. Ling Yunfeng knew that it was better to side with a good guy than to sell himself to evil.

"Friends? If your Ling Family heard what you said, would they be okay with you befriending a human race beggar?" Earth Monarch Yun Lei shouted as he kept sending shockwaves toward Ling Yunfeng. Earth Monarch Yun Lei didn't send a shockwave strong enough to win the battle, but he sent shockwaves that definitely would injure Ling Yunfeng.

Earth Monarch Yun Lei did this on purpose, as he only wanted to toy with Ling Yunfeng! For him, winning against Ling Yunfeng was easy, and that was why he wouldn't finish the battle too soon.

"This has nothing to do with his race! He is a powerful cultivator, and that is enough reason to befriend him! Even you are pale in comparison to Little Brother Yi's power!" Ling Yunfeng said confidently.

"What did you just say? I dare you to say it once more!" Earth Monarch Yun Lei annoyedly shouted as thunder flashed in his eyes.

"You are not a real Martial Artist if you can't even open your heart to possibility!" Ling Yunfeng said solemnly.

"You even have your wife taken from you, and that is the result of opening your heart!" Earth Monarch Yun Lei sneered disgustedly.

"It is my problem, not yours! I am saddened that Rong'er Junior Sister wasn't taken care of properly because of me!" Ling Yunfeng said with a steady gaze.

"You can say that because you couldn't beat that human trash yourself! If you are willing to befriend a garbage, then I guess you are trash too! Now, get out of my face!" Earth Monarch Yun Lei said coldly.

He then roared, and a Thunder God Phantom Shadow appeared before punching Ling Yunfeng with a massive Thunder God Hammer. Earth Monarch Yun Lei gave his best in this attack, making sure that Ling Yunfeng wouldn't be able to get up again after this attack.

Ling Yunfeng waved his long sword in front of him, quickly drawing a slew of swords that intertwined with each other and formed a thick light wall. However, his power paled in comparison to Yun Lei, the Earth Monarch.

Ling Yunfeng received the attack and flew off the arena while thunder enveloped his entire body.

“Yunfeng!” The middle-aged man on the other side of the seat abruptly stood up. But before he could move to help Ling Yunfeng, the elders beside him dragged him back.

“We can’t go there, it’s a violation of the rules!” the patriarch exclaimed.

Of course, he was the father of Ling Yunfeng and Ling Fei. It broke his heart to see his son being toyed like that, but before Ling Yunfeng fell to the ground, a figure leaped out and caught him. The inertia from the attack wasn’t good for Ling Yunfeng’s weak body, but nevertheless, the figure dissipated the energy as he caught Ling Yunfeng’s body.

But, even if Ling Yunfeng was saved from the fall, his body was charred black and seriously injured! It would surely prove to be fatal if he wasn’t treated immediately.

“I appreciate your help very much, Little Brother Yi.” Ling Yunfeng’s last struggle surprised everyone, but Yi Tianyun’s appearance was a little bit more shocking.

Yi Tianyun was naturally drawn to Ling Yunfeng’s battle as he could clearly hear the conversation between Ling Yunfeng and Lei Yun. He was well aware of Ling Yunfeng’s admiration towards him, and thus, he also considered Ling Yunfeng a friend.

There was no complicated explanation. Ling Yunfeng simply thought Yi Tianyun was worthy of being a friend. As a result, he would not change his tune even if he was confronted by Yun Lei Earth Monarch’s Power.

Yi Tianyun changed his equipment to Longevity Set silently, and he immediately started to heal Ling Yunfeng. Yi Tianyun healed Ling Yunfeng quickly, but Ling Yunfeng didn’t recover as fast as Yi Tianyun wanted.

Earth Monarch Yun Lei just looked at Yi Tianyun coldly after delivering a devastating blow to Ling Yunfeng. He didn’t care whether Ling Yunfeng would survive his attack or not.

“How is Senior Brother Ling’s condition?” Xiao Murong said as she finally finished her match and marched towards Yi Tianyun.

"I am doing my best to heal him." Yi Tianyun stated simply.

"Okay, I am cheering you on, brother Yi!" Xiao Murong said as she was aware of Yi Tianyun's talent.

Although she had no romantic relationship with Ling Yunfeng, he used to look after her. Although Xiao Murong had no intention of marrying him or even becoming his Dao Companion, they were friends regardless.

Xiao Murong sincerely wanted to help Ling Yunfeng now as Ling Yunfeng had been injured.

"Why would you morons help someone that I attacked?" Earth Monarch Yun Lei said as he stepped out of the arena and walked towards Yi Tianyun coldly. "Why would you bother as you would be my next opponent anyway! I will surely put you out of your misery, trash! Let me warn you, I am not as feeble as Earth Monarch Yao Tong!" Lei Yun said coldly.

"I will gladly be your opponent even if my next opponent isn't you." Yi Tianyun released some of his murderous intent out in the open.

## Chapter 1026

"Did you just declare that you can do anything in God Fighting Arena?" Yun Lei Earth Monarch said sarcastically. He wasn't sure that he would be able to achieve a glorious win against Yi Tianyun, but nevertheless, deciding one's opponent wasn't a thing that a participant could do.

Yi Tianyun turned to face the five Elders, ignoring Yun Lei. "Senior, I believe my next opponent is Yun Lei Earth Monarch, I want that to happen." Yi Tianyun said despite being seen by everyone.

Yi Tianyun knew that what he said was presumptuous. If Yun Lei's next opponent wasn't him, then there was nothing Yi Tianyun could do. No participant had ever made a request for their opponent before, but since Yi Tianyun knew that the five Elders were interested in seeing him fight, there might be a chance that the five Elders would approve of his request.

Gou Huang, One of the five Elders, naturally assessed the circumstance and understood Yi Tianyun's reason. They took a glance at Yi Tianyun and Yun Lei, respectively, making some sort of value assessment on their head.

"I don't mind. Even though I have arranged for Earth Monarch Yun Lei's next opponent to be Earth Monarch Tian Qing, since you asked nicely, we will have to approve it." The initial arrangement was promptly altered by Elder Gou Huang.

The crowd was taken aback as those words were said. They weren't expecting anything to change. However, if you thought about it properly, that was the power of one's strength. If someone as strong as Yi Tianyun weren't here, then the Elders wouldn't change anything.

"Although God Fighting Field is not necessarily mine, I may be able to influence the elders!" Yi Tianyun said mockingly to Yun Lei Earth Monarch.

"Hahaha, I truly appreciate that. I had little faith in Earth Monarch Tian Qing. Now I can go all out against you! Just you wait! You will regret your decision to choose me as your opponent!" Yun Lei Earth Monarch laughed out loud.

"Don't worry, even if the sky was raining pig, you wouldn't be able to defeat me!" Yi Tianyun said cynically.

"Let us see what happens later!" Yun Lei said annoyedly

"He might as well be the pig that falls from the sky later!" Xiao Murong mockingly said as she pointed her finger at Yun Lei Earth Monarch.

"It appears that you're asking for it too, Murong! After I defeat this guy, I will make sure you regret it!" Yun Lei Earth Monarch said as he looked at Xiao Murong threateningly.

"You won't have that chance." Yi Tianyun shake his head.

"Let's just wait for the fight!" Yun Lei Earth Monarch said as he grew tired of the conversation and turned around. After Yun Lei Earth Monarch left, Yi Tianyun immediately resumed healing Ling Yunfeng. The other deacons that were there to heal the participant also came to assist Yi Tianyun.

"Be careful, Brother Tianyun. You have to destroy Yun Lei Earth Monarch later!" Murong Xiao became enraged.

"Without a doubt..." Yi Tianyun stared at Yun Lei Earth Monarch, who was meditating in the distance. Yi Tianyun would make sure to show what real fear was to Yun Lei Earth Monarch later.

The Fighting Competition was quickly cut in two as half of the participants were eliminated. There were still 30 participants, and the winner would become the top 15 of the entire competition.

Nevertheless, none of the participants aimed for the top 15. They clearly wanted to reach the top 10!

The third fight started shortly after a few days of respite. Yi Tianyun chose Yun Lei Earth Monarch as his opponent, and Elder Gou Huang consented. Yi Tianyun then checked Xiao Murong's opponent and realized that her opponent was a tricky one and she might fail.

Still, Yi Tianyun let fate decide what happened, as he couldn't help her during the fight. Meanwhile, when Yi Tianyun glanced at Yun Lei Earth Monarch. His gaze was serene as he didn't feel anything at all.

"Brat, I challenge you to a duel without weapons later! Do you comply with my challenge?" Yun Lei Earth Monarch suddenly said as he approached Yi Tianyun. From the looks on his face, it was clear that Yun Lei Earth Monarch wanted to toy around with Yi Tianyun and didn't want their fight to end so quickly.

"No problem for me!" Yi Tianyun said indifferently.

"Great!" Yun Lei Earth Monarch said surprisedly. He was actually a little bit worried that Yi Tianyun would reject his challenge as Yun Lie had the most confidence in his extraordinary physical power.

The spectators shook their heads as they thought that Yi Tianyun was too naive. It was unreasonable to accept a challenge from the opponent. They thought that Yi Tianyun was too young to grasp the principle of the world.

"Now that it's officially begun, I'm going to attack..." Yun Lei didn't anticipate meeting a fool, but nevertheless, the duel was about to begin.

Yun Lei rushed towards Yi Tianyun, but as his fist was about to hit Yi Tianyun, Yi Tianyun vanished!

Yi Tianyun reappeared behind Yun Lei and punched Yun Lei right on his back, causing Yun Lei to experience agonizing pain that he had never experienced before! Yun Lei himself was thrown forward uncontrollably.

Nevertheless, Yun Lei gritted his teeth and tried to control his body in the air, trying to get his footing back. But as he slowly regained his control, Yi Tianyun flashed again and punched Yun Lei to the ground! The punch definitely had quite some power as it created a huge hole in the ground where Yun Lei fell.

Yun Lei felt dizzy as he couldn't think straight. Everything was moving too quickly and he didn't have any time to breathe.

"I summon Thee!" Yun Lei shouted before a gust of wind filled the arena. A powerful thunderbolt struck Yun Lei's body, and Yun Lei became one with the thunder, giving him lightning fast speed.

Yun Lei was struggling to stand back up, but he managed to do so. He immediately looked around and was finally able to see Yi Tianyun's figure not too far from him.

"Your speed is commendable, but now that I've used my power, you won't be able to match my speed!" Yun Lei condescendingly said as he thought that his Heavenly Thunder Body wouldn't lose to anyone in terms of speed.

What power could be quicker than his lightning speed?

"You are spouting too much bullshit! Give me a break!" Yi Tianyun scoffed and flashed behind Yun Lei once more. This time, Yi Tianyun kicked Yun Lei on the back, blasting Yun Lei to the sky! Although his attack wasn't lethal, it surely was painful.

Yi Tianyun himself didn't want to end the match too soon as he also wished to play with Yun Lei for a bit longer.

## Chapter 1027

Yun Lei Earth Monarch was kicked into the sky by Yi Tianyun. He has already increased his speed, but he still can't catch up with Yi Tianyun's speed, making him furious.

After Yun Lei Earth Monarch was kicked into the sky, Yi Tianyun once again rushed to the back of Yun Lei Earth Monarch at an amazing speed and kicked him hard.

"Boom!" Yun Lei Earth Monarch was kicked down, and when he was in the air, suddenly his body released a thick lightning bolt and scattered around.

"Thunder Word Art, open for me!"

Yun Lei Earth Monarch roared, and a mark began to appear on the surface of his body, and then with a "crash" sound, he dodged to the side like a bolt of lightning, and his speed was several times faster than before.

This amazing speed, many people are amazing, under this amazing speed, easily dodging Yi Tianyun's attack, is a bit awkward, but now the situation is not as passive as before.

"Yun Lei's Thunder Word Art is more skilled." Heavenly Thunder Territory Lord was very satisfied with Yun Lei Earth Monarch's performance, and has always been very satisfied.

"Of course. In the world of martial arts, speed is the only thing that can not be broken! Young Master Yun Lei, with the most overbearing speed, it should not be a problem for him to win this match." The elder beside him began to flatter him. Under such a shocking speed, he would naturally be able to win the battle.

"That kid is a little strange. His speed is so fast that it is somewhat beyond my expectations. With Yun Lei's situation, he should be able to win this match." Heavenly Thunder Territory Lord's eyes were cold. Then, he turned to look at the Heavenly Thunder Region Lord, his eyes filled with displeasure.

He did not expect that a God Territory at the bottom would find such a genius. This made him feel very unhappy.

"As long as Young Lord Yun Lei can display our Divine Thunder Domain's lightning arts, we will definitely be able to win this match. Under the same level, basically, no one can surpass Young Lord Yun Lei's speed!" The elder beside him continued to flatter him.

"That's true. If that Earth Monarch Tianyun is still at this speed, then we will definitely win this round!" The Heavenly Thunder Territory Lord's eyes were full of fanaticism. His goal was very simple, which was to Yun Lei Earth Monarch defeat Yi Tianyun, so that he can join any God Domain at will.

Speed ??has always been the most respected, as long as the speed is amazing enough, he will be invincible!

"Bang! Bang! Bang!"

Yi Tianyun kept rushing over and smashing Yun Lei Earth Monarch, it was very simple and cruel, and there was no use of any weapons.

Yun Lei Earth Monarch easily blocked his concentrated attack without any pressure at all.

"This is the limit of your speed. It's too slow." Yun Lei Earth Monarch laughed, but he still didn't seem to have any extra speed.

Yi Tianyun's eyes flashed, and he used all his strength, even the Phoenix Bloodline in his body. With the power of the Desolate Ancient Suit, he has reached the limit.

Who knew that Yun Lei Earth Monarch could still withstand it? This was enough to show how terrifying the speed of the Yun Lei Earth Monarch was. According to the past, with his speed, he was definitely an instant kill.

However, when facing Yun Lei Earth Monarch, his speed could only be considered average. However, this result was not surprising. After all, speed was the opponent's strong suit. As long as he burst out a little, he could crush most people.

"Is that so? Then what about this?"

Yi Tianyun's eyes turned cold, and he immediately gave an order in his heart.

"Level Up Phoenix Bloodline!"

[Ding, successfully deducted 5 million Crazy Points, Level Up Phoenix Bloodline is 3rd Grade! ]

[3rd Grade Phoenix Bloodline, speed increased by 20 times, flame power increased by 10 times!]

[Weng! ]

The power of the Phoenix was released from his body, and a phantom of the Phoenix appeared behind him, making his speed suddenly increase.

With a "Xiu" sound, Yi Tianyun disappeared in front of Yun Lei, and in the next moment, he appeared next to him and slapped him.

With a "Pa" sound, Yun Lei was slapped to the ground, and with a "dong" sound, his head came into close contact with the ground, making his head dizzy, and he almost fainted.

"What!"

Heavenly Thunder Territory Lord stood up in shock. He saw Yi Tianyun's speed suddenly burst up, even faster than Yun Lei Earth Monarch! Yun Lei Earth Monarch used some real ability, but he still lost in speed.

"This, this speed can increase?" Yun Lei Earth Monarch got up from the ground, his whole person was stunned, and there was a heavy palm print on his face, he did not react.

He thought that Yi Tianyun's speed was the limit, but who knew that he would surpass him in an instant and crush him with even greater speed!

Yi Tianyun did not answer him but answered him with his actions.

His figure flashed and flashed in front of him again. He reached out his hand and slapped him, and with a "pa" sound, Yun Lei Earth Monarch was sent flying again.

After so many times, the most he could do was skin and flesh wounds, not deep to the bottom. To put it bluntly, it was a kind of humiliation. If he wanted to get rid of Yun Lei Earth Monarch, he would have done it already. Why did he have to play like this?

"Furious words, open!!"

Yun Lei Earth Monarch twisted in the air and slammed his chest. The word "Furious" immediately appeared on his body, and his speed increased again.

This time, his speed increased by more than ten times. His whole body was covered with fine lightning, and his blood vessels were covered with lightning. His eyes were full of lightning, and he kept shooting out in all directions. It was as if he could turn into a divine lightning bolt.

"Can it continue to burst out speed?" Yi Tianyun looked at his situation, and his combat power soared sharply, but this type was definitely similar to burning blood essence and could not last long.

If there were no side effects, Yun Lei Earth Monarch would have already used it.

"I want you dead!" Yun Lei Earth Monarch was humiliated so many times. This time, he was completely angry. He thought that he could play with Yi Tianyun, but who knew that he was played by Yi Tianyun and was beaten to the point where he could not find the north, south, east, and west?

"Boom! Crack!"

Thick thunderclouds condensed in the sky. The dense lightning continuously struck Yun Lei Earth Monarch down, adding to his body. This was the "Raging Thunder"! It was an extremely powerful divine art that he could currently control.

"Crash!"

His figure twisted and turned into countless bolts of lightning that rolled over. He could not even see which bolt of lightning was his true body. This speed was too fast. It was so fast that many Heavenly Monarchs could not see it clearly. This is the innate talent of an invincible genius!

"Bang! Bang! Bang!"

In the blink of an eye, Yun Lei Earth Monarch threw a punch. It looked like a punch, but in fact, he had already punched out tens of thousands of times.

Yi Tianyun quickly blocked, and the dense lightning continued to penetrate through his palm and into his body, burning his body surface.

Gradually, his speed is almost unable to keep up, and the opponent's speed can continue to increase!

## Chapter 1028

"As expected of a God's Domain, there are many geniuses, all kinds of talents are amazing, and the effect is much better than us."

Yi Tianyun's speed gradually couldn't keep up with Yun Lei Earth Monarch's attack. His body began to burn. He has already displayed Phoenix Bloodline, but he still couldn't compare with the other.

Originally Phoenix Bloodline was not very strong in God's Domain, because the comprehensive level is good, so he used it, especially after upgrading, and the effect is even better.

According to the bloodline of Three Realms, even if it is royal blood, it will be completely crushed here.

“Go to hell!” Yun Lei Earth Monarch have entered a state of madness, constantly punching down. The ferocious expression is really frightening.

Looking at this state, the hearts of Nian Ciyu and others suddenly rose. It seems that Yi Tianyun is completely suppressed. If this continues, he will definitely lose.

“Don’t compare speed with him, just directly attack him!” Nian Ciyu wanted to rush down to help Yi Tianyun fight. Sometimes, even if his speed is not as fast as others, as long as his strength is absolutely amazing, he can still defeat the other party.

Moreover, the range is locked here, so a wide-range attack, or a weapon, cannot crush the other party.

However, Yi Tianyun did not show any signs of pulling out his weapon. He still resisted honestly. If this continues, he will definitely lose. His body is charred black, enough to prove that his situation is not ideal.

Heavenly Thunder Territory Lord looked at the performance of Yun Lei Earth Monarch and felt very satisfied: “Although I need to rest for a while, all of this is worth it. As long as I defeat that kid, everything will be set in stone.”

“Yes, he actually triggered Young Master Yun Lei’s’ Rage Thunder state. He is invincible at the same level! Even Earth Monarch Tian Qing might not be able to win against him!” The elder next to him praised again.

When they thought Yi Tianyun was going to lose, Yi Tianyun smiled.

“Comparing speed, I will play with you. Anyway, I just happen to want to upgrade Phoenix Bloodline. Speed ??is indeed a weakness!”

[Phoenix Bloodline, upgrade! ]

[Ding! successfully deducted 50 million Crazy Point, Phoenix Bloodline to fourth grade! ]

[Fourth-grade Phoenix Bloodline, speed effect is four to ten times, flame effect is two to ten times! The next level requires 100 million Crazy Point! ]

“Squeak...”

The cry of a phoenix rose up from behind him. Yi Tianyun’s figure flashed and disappeared from the eyes of Yun Lei Earth Monarch. His speed was so fast that even Yun Lei Earth Monarch couldn’t see a trace of him.

“Pa...”

Countless slaps came to this side, making Yun Lei Earth Monarch twist his body. The terrible speed made him stunned again. He didn’t know what was going on. He couldn’t see anything.

“Get lost, get lost!” Yun Lei Earth Monarch roared and wanted to fight back. The violent thunder spread around, but it was meaningless. Yi Tianyun’s strong defense blocked the giant thunder.

The counterattack was a slap, a kind of palm with flame. Under the effect of the twenty-fold flame, the power of the demon fire increased greatly. When the slap was slammed, even if it did not carry much power, it still left a flame mark on Yun Lei Earth Monarch!

“Ah...”

Yun Lei Earth Monarch felt pain, but when he fought back, he missed. He used all his strength but still couldn’t keep up with Yi Tianyun’s speed. Even if he burned his blood essence, it was useless.

In front of his eyes, he could only see an afterimage, and he couldn’t see where it was.

This scene made many people stunned. They also couldn't see Yi Tianyun, but they knew that Yi Tianyun's speed was suddenly more amazing than Yun Lei Earth Monarch, and he instantly increased his speed so that most of the Heaven Monarchs couldn't see him.

A terrible speed, this is the real fastest!

The key is that Yi Tianyun continues to play as if he doesn't need energy, constantly hitting Yun Lei Earth Monarch, beating him like a ball, constantly twisting in the air, just as he was pulled down, Yi Tianyun appeared below, and then fiercely hit back, and sent him flying!

Hang Yun Lei Earth Monarch, beat the other party to the point where he has no strength to fight back.

"Speed ??can be faster, how can this be done!" The Heavenly Thunder Territory Lord was shocked, he originally thought that Yun Lei Earth Monarch was confident, but now he was completely crushed, comparable to invincible speed, defeating Yun Lei Earth Monarch ' most proud speed.

The most direct way to defeat a person is to use stronger strength to defeat the other party's specialty! What ability is the most aggressive, then use stronger strength to defeat the other party's pride. It can definitely make the other party depressed for a long time, and even produce a heart demon that can't be shaken.

When he was beaten, Yun Lei Earth Monarch had the intention to retreat. He quickly took out his weapon and tried to sweep around, but it was meaningless. There was no way to attack Yi Tianyun.

"Didn't you say that you can't use weapons? It seems that you violated the rules... Of course, I didn't think that you could abide by the rules." Yi Tianyun slapped again, sending his weapon flying.

He couldn't even use his weapon as it was sent flying.

"You want to leave? Why are you in such a hurry?"

Yi Tianyun's strength was getting stronger and stronger. The Flames Imprint continued to enter his body, and the surface of his body was already charred black.

"I, I surrender, I surrender!" Yun Lei Earth Monarch began to beg for mercy. He did not want to die here. If he died, then everything would be gone.

He was a super genius of the Heavenly Thunder God Domain. His status was astonishing. Even if he lost, he would still be able to become a Domain Lord in the future. If he died, not to mention a Domain Lord, he would not even be able to become a guard.

He did not want his life to end just like that. He could only put down his face and beg for mercy.

"Don't worry, I won't kill you." Yi Tianyun smiled. His palm quickly hit his body several times, each palm contained a terrible power, constantly pouring into the body of Yun Lei Earth Monarch.

Just as Yun Lei Earth Monarch was on the verge of dying from the slap, he slammed his palm over. With a "peng" sound, Yun Lei Earth Monarch was sent flying, directly passing through the protective barrier and falling outside.

After falling to the ground, the deacon next to him quickly came over to treat him. He found that the Yun Lei Earth Monarch still had one breath left. It was similar to the situation on Ling Yunfeng. They all had one last breath left. If not rescued in time, they would definitely die.

"Wait, after you get out, I, I will kill you..." When Yun Lei Earth Monarch was about to faint, he still did not forget to threaten him.

"Boom!"

Suddenly, Yun Lei exploded and turned into a cloud of blood mist that fluttered in the wind. He was dead.

"I give you one last chance. If you want to die, then don't blame me." Yi Tianyun said.

Along with the explosion of the Yun Lei Earth Monarch, a long tongue of flame rose into the sky. The flames buried in his body were completely released, turning into a flaming dragon that swept into the air.

The deacon next to him reacted in time and was almost burnt. Of course, no matter how much he burned, he would not burn them to death. After all, they were all at the Heavenly Monarch level. Moreover, this flame power was not very strong.

However, the death of the Yun Lei Earth Monarch made the Heavenly Thunder Territory Lord very angry.

"What are you doing? Yun Lei Earth Monarch has already surrendered, but you still killed him!" Heavenly Thunder Territory Lord was angry. Yun Lei was his son. How can he not be angry?

"I didn't kill him, but he was too angry, causing the flames in his body to go out of control. If he is not so angry, there will be no problem, and he will be expelled slowly." Yi Tianyun spread his hands.

Each of his palms contained flames, and they constantly entered the other party's body. As they continued to attack, more flames gathered in the body of Yun Lei.

This is like a time bomb, but how it will explode depends on the situation of Yun Lei Earth Monarch. If Yun Lei Earth Monarch is angry, then it will become the fuse and directly detonate this bomb.

It is obvious that Yun Lei Earth Monarch had begged for mercy before he fainted, but he still wanted to kill him. This is undoubtedly going to lead him to death! If he is not angry, then there will be no problem.

But once he is angry, he will die for a long time.

In the end, Yi Tianyun did it on purpose. He learned Yun Lei Earth Monarch, left Ling Yun a breath, and left a flame in his body.

Yun Lei is ruthless, so he is even more ruthless! Of course, there is still a chance of survival, that is, Yun Lei is not angry. Obviously, he is still angry and even threatened to kill Yi Tianyun.

It is difficult to not want to die, and Yi Tianyun is very happy to see this happen.

"Bullshit, if you didn't put the flame into his body, how could this happen!" Heavenly Thunder Territory Lord flew down from his seat and directly entered the field.

His own son had been killed. How could he not explode? Logically speaking, he could not enter the God Fighting Field. Without a doubt, he had already violated the rules. The elders beside him could not even stop him.

"Territory Lord, calm down, calm down..." The elder of the Heavenly Thunder Divine Domain hurriedly flew down and advised the Heavenly Thunder Territory Lord not to be too impulsive.

"How can I calm down now?" The Heavenly Thunder Territory Lord's eyes were red. He was about to release the power of the Heavenly Thunder within his body.

"This is against the rules. If this continues, we will be punished!" The elder wiped away his cold sweat. He also experienced the great impact of the death of the Yun Lei Earth Monarch, especially since this was the son of the Heavenly Thunder Territory Lord, their Young Lord.

"Heavenly Thunder Territory Lord, you want to break the rules?"

Elder Gou Huang's dissatisfied voice came down from the sky, bringing with it a gust of cold air. This caused the Heavenly Thunder Territory Lord's heart to turn cold, and he immediately woke up.

"Elder Gou Huang, I only wanted to say that he violated the rules. Yun Lei was clearly out, so why did he still try to kill him!" The Heavenly Thunder Territory Lord calmed down, but he was still extremely angry.

"I already said that he didn't kill. It's just that there is a bit of flame in his body. Just a little bit of anger, and he will release it. Could it be that he isn't as powerful as I am? In front of so many people, he attacked without leaving a trace?" Yi Tianyun looked at him and sneered.

"Yi Tianyun is right. We are all watching from the side, he did not make a move, so it is not against the rules. I will give you one last chance. Please leave the field quickly. Otherwise, you will be punished with

Expulsion!" Elder Gou Huang is extremely strict. Rules are rules, especially Yi Tianyun did not break the rules.

Are the five elders blind to not see anything?

"Yes..." The Heavenly Thunder Territory Lord looked at Yi Tianyun with resentment and then flew back to his original position.

Yi Tianyun is not afraid of provoking these Territory Lords. Instead, he is here with bare feet. He is not afraid of wearing shoes. What is there to worry about? Moreover, after he joined Second Grade God Realm, why would he be afraid of the Heavenly Thunder Territory Lord?

If he really sent people to assassinate him, then he would be very happy to take all of them. These are all Exp. At the same time, he will ruthlessly visit the Heavenly Thunder God Domain and let them know who they provoked!

After this episode, everyone looked at each other. They had to say that Yi Tianyun was really ruthless. They did not expect Yi Tianyun to dare to do this.

Yi Tianyun ignored everyone's eyes and turned to look at Xiao Murong. He found that Xiao Murong had been beaten back again and again.

"It seems that she can only stop at the top fifteen..." Yi Tianyun shook his head. This was already quite amazing for Xiao Murong.

Even if she has the Divine Wood Body, plus the cultivation of 7th Grade Earth Monarch, she can only be regarded as a middle-level, not a very strong level. It is already very good to be able to enter the top 30.

Tian Qing Earth Monarch's battle had already ended, while Teg Earth Monarch was still fighting continuously. It seems that he is fighting against his opponent, feeling that he will lose at any time.

"This again, is he deliberately hiding his strength, and then he will counterattack?"

Yi Tianyun knows that Teg Earth Monarch is hiding his strength, and the Appraisal Eye has roughly revealed the situation of the special Earth Monarch. It seems that the battle is difficult to determine. In fact, his combat strength is two levels stronger than the opponent.

It was just that his control was very good. The aura he released was relatively stable, pretending to be real. If he did not have the Eye of Appraisal, he would have really been deceived.

Although he knew that the other party was hiding his strength, he just did not know why the other party did this.

No matter why he did this, he must have come with ill intentions. He must have a purpose. This was just like Tian Qing Earth monarch, which made this time's God Domain's War of Ascension was somewhat abnormal.

"Could it be that there is some unrest?" Yi Tianyun narrowed his eyes. He felt that it was not simple and even had a bad feeling.

He did not think too much about it. Maybe it was just his imagination. In fact, it was not that bad. Moreover, the five powerful elders were here. What else could happen?

Soon, Xiao Murong was defeated and stopped in the top fifteen. Of course, the situation was better, and he was not seriously injured.

"Alas, I lost. I thought I could enter the top fifteen. Next time, I will definitely enter the top ten!" Xiao Murong rushed over and sat down next to Yi Tianyun.

"I guess there won't be a next time. You are likely to be chosen. Elder Lou Yu is very interested in you." Yi Tianyun looked at Elder Lou Yu, who also had a wood attribute body.

Xiao Murong has a Divine Wood Body, so it is not a problem for her to be chosen.

Yi Tianyun's words made Murong Xiao instinctively look to the side. He discovered that Elder Lou Yu was also looking over here, his eyes showing a few traces of interest.

It was obvious that she had a very good chance of being chosen. Even if she was eliminated, she still had a chance. After all, ranking in the top thirty was not a bad result, especially since she had great potential to be further developed and become even stronger.

"If I'm not chosen, you have to compensate me!" Murong Xiao said with a light laugh, wrinkling her nose at Yi Tianyun.

"How do you want me to compensate you?" Yi Tianyun replied with a smile.

Murong Xiao's eyes twinkled as she smiled, "I haven't thought about that yet. Let's talk about it when I'm not chosen!"

Yi Tianyun shook his head with a smile, saying nothing more. Soon, Earth Monarch Te Gu won the match, narrowly but convincingly, looking more authentic than reality.

The surrounding people started discussing Earth Monarch Te Gu, saying he almost lost, but in the end, he secured the win and entered the top fifteen.

"This match is over. After a three-day break, the next round will commence!" Elder Gou Huang nodded after seeing everyone had finished their battles.

Three days later, everyone had recovered their spirits.

"Next, it's the battle to determine the top ten!" Elder Gou Huang announced, and the remaining sixteen participants' eyes were filled with fervor. If they could enter the top ten, it meant they could join the Five Great Divine Realms no matter what.

Thus, this was the most crucial battle. After winning, they would enter the top eight. This meant they still had one more chance, even if they lost.

“Now, let's begin choosing opponents.” Elder Gou Huang tossed sixteen tokens into the air, which fell into their hands.

“Number seven.” Yi Tianyun looked at the token in his hand and then looked up. It wasn't Earth Monarch Tianqing or Earth Monarch Te Gu, but someone else.

His opponent looked at him, eyes full of battle intent.

As they walked to the dueling arena and faced each other, his opponent said with a smile, “ Earth Monarch Tianyun, it's my honor to face you in this match.”

“Why is it an honor? Because you can mimic my moves?” Yi Tianyun asked calmly. This was his first time facing this Earth Monarch, with no prior conflict.

However, he had observed this opponent before, Earth Monarch Mo Tong, who differed by only one character from Earth Monarch Youtong. But their abilities were worlds apart; Earth Monarch Mo Tong's ability was primarily mimicry! Anything he saw could be mimicked.

He couldn't replicate all abilities completely, but he could mimic at least eighty to ninety percent, which was extraordinary.

“Let me correct you; it's not mimicry but extracting the essence!” Earth Monarch Mo Tong smiled slightly. He looked like a good person, but he would defeat his opponents in the most frustrating way.

He would learn and sell what he learned on the spot, mimicking the opponent's proudest moves and then defeating them! As for whether he had original moves, he did. But he rarely used his original moves, as mimicking others was enough to beat them, giving him an additional trump card.

“Extracting the essence?” Yi Tianyun shook his head. Mimicking others' moves, yet saying it so grandiosely, was truly shameless.

Of course, this wasn't entirely shameless, as it was his talent—learning others' moves just by watching them—an exceptional ability!

Although not very shameless, it was still irritating. For example, painstakingly learned martial arts or costly ones purchased for cultivation were easily mimicked by the opponent, and the frustration was imaginable.

He would learn everything, especially top-secret martial arts. This was the terrifying aspect of Earth Monarch Mo Tong, a super genius.

Indeed, the Divine Realms were full of countless geniuses, and Earth Monarch Mo Tong was one of them. He hadn't shown his full strength from now on, effortlessly entering the top sixteen.

"In that case, let's see if you can mimic all my abilities?" Yi Tianyun smiled, "See if you can mimic everything?"

"Earth Monarch Tianyun, from your previous battles, it's clear you rely on two points: power and speed. There are no special moves. But there's one move I like, which is this one!"

Earth Monarch Mo Tong smiled, his body suddenly glowing black, and he transformed into a demonic god! He grew two to three times larger, surrounded by black flames, remarkably similar to Yi Tianyun's transformation!

"Interesting." Yi Tianyun's eyes lit up, sizing up Earth Monarch Mo Tong. He could even mimic his transformation. He hadn't even fought him yet and had already learned it.

Of course, his transformation was based on the effect of the equipment. This effect was a martial art type, so being learned wasn't a big deal. But the true power was in the equipment's effects, not just the transformation. This was something Earth Monarch Mo Tong couldn't mimic.

"I like this transformation move, and it enhances attack significantly. This kind of martial art is rare. Thanks to your appearance, I have another excellent martial art!" Earth Monarch Mo Tong smiled, looking as authoritative and powerful as Yi Tianyun did before.

Nian Ciyu and the others watched with serious expressions.

“This Earth Monarch Mo Tong is disgusting, always stealing others’ moves!” Nian Ciyu was angry as he quickly learned their painstakingly learned moves.

Although he didn’t learn all the essence, it was enough to disgust others.

“That’s his talent, an innate talent. Earth Monarch Mo Tong has had these magic eyes since childhood, able to learn any martial art at a glance without much training. He is truly a super genius.” Domain Lord Tianyu shook his head, marveling at the world’s wonders.

Earth Monarch Mo Tong was just one genius; there were even more extraordinary ones, like Earth Monarch Tianqing.

“I don’t believe this mimic can replicate all of Yi Tianyun’s abilities. Can he mimic speed and power?” Nian Ciyu fumed.

“He can...” Domain Lord Tianyu sighed, “His most terrifying aspect is that he can mimic martial arts and even abilities...”

Nian Ciyu was stunned, her heart sinking. Was Earth Monarch Mo Tong that terrifying?
