

Leveling 211

Chapter 211 People

The duel between Jia Ping and Yi Tianyun became a hot topic all over Heaven's Top Mansion, even the deacons were coming to see the duel for themselves.

"Big Bro actually did it! I can't believe this!" Said Yang Yu excitedly.

Unfortunately, everyone else wasn't as excited as Yang Yu. As they thought that Yi Tianyun was too cocky for his own good. There was no way a newcomer could beat a high ranked disciple like Jia Ping.

"Come and bet for the winner of the duel! You can bet for Yi Tianyun or Jia Ping here!" someone shouted at the entrance.

People quickly flocked toward where the voice was and immediately bet on Jia Ping as they thought that Yi Tianyun was sure to lose the duel.

Zhuang Jia, the one who was the mastermind behind this bet, frowned as he didn't expect the bet to be so one-sided. If Jia Ping really won, he would bankrupt!

"Come on now, don't you want to bet for the kid too? He broke the new record for the maze, you know!" Zhuang Jia said desperately.

Everyone was looking at him strangely, they laughed as they didn't think that completing the maze in an amazing speed didn't really matter here.

"I will bet on Big Bro Yi Tianyun for 6.000!" Yang Yu said as he handed over his bet to Zhuang Jia.

"Yang Yu, you are too kind! Now, this is not how you gamble! You didn't gamble for the losing side!" Someone from the crowd said while laughing.

"It's my gold anyway, is there a problem on how I use my own gold?" Yang Yu said indifferently.

Everyone only shook their heads as they thought that Yang Yu was an idiot for betting on some kid.

While outside, everyone was betting profusely. Inside, Yi Tianyun and Jia Ping were in a state of calmness.

Jia Ping was meditating with his eyes closed, while Yi Tianyun on the other hand, never closed his eyes as he continued to meditate while observing the Divine Rune scattered in the wall.

Time Passed quickly, an entire day has passed, and none of them move from their spot. On the second day, Jia Ping's face became a little bit pale while Yi Tianyun still looked the same.

On the third day, everyone could see the struggle on Jia Ping's face, while Yi Tianyun still remained the same. This fact shocked everyone as they never thought that Yi Tianyun would persist this long!

On the fourth day, Jia Ping stood up, and the talisman on his hand has already lost its lights, indicating the fact that his time was up! He only asked for 4 days so the talisman would lose its ability to gather the Spiritual Energy after 4 days. He quickly walked toward Deacon Huang and asked for an extension.

Deacon Huang observes Jia Ping a little bit and immediately noticed that Jia Ping was at his limit.

"Young ones, you should know your own limit. You will waste the time you spent here as I don't think you would last another hour in that room!" Deacon Huang said solemnly.

"I know my own limit! Give me 5 more days, please!" Jia Ping said hastily.

Deacon Huang just shrugged his shoulders and gave Jia Ping another 5 days just as he wanted.

After getting his talisman, Jia Ping quickly returned to the fifth-floor room and immediately meditated again. As the day goes by, Jia Ping became paler as the hour passed.

On the fifth day, he couldn't hold on any longer as he finally coughed blood from the pressure of the room and fainted not long after. He was quickly hospitalized in the recovery room to recuperate, as for Yi Tianyun, nothing changed. His expression was still the same and his complexion was still the same.

In any case, everyone was shocked as they knew one fact that mattered right now, it was Yi Tianyun's victory!

Many people walked out of place with their heads down as they lose a significant amount of money from the bet.

Zhuang Jia, however, walked out with heavy pockets, as he walked out with everyone's gold except for Yang Yu. He received his prize money which was three times his betting money.

Jia Ping's popularity hit an ice-cold point, as everyone was disappointed by the lost. Yang Xixue was surprised too after hearing the news herself.

Yi Tianyun himself was still in the room, unmoving. If it was not from the constant fluctuation of spiritual power around him, everyone would think that he wasn't cultivating in there! He kept meditating without caring about everyone else, and he didn't even know that he has won the duel!

Chapter 212 Prodigy

After the sixth day, Yi Tianyun looked around and noticed that Jia Ping wasn't in the room anymore.

Yang Xixue noticed Yi Tianyun's confusion and immediately told him that he has won the duel!

Yi Tianyun smiled a little bit and continued to meditate.

Yi Tianyun's action left everyone wondering.

Will Yi Tianyun actually persisted with the 10 days limit even after he won?

After the seventh day, Jia Ping finally woke up and he immediately asked about Yi Tianyun and knowing that Yi Tianyun was still meditating, he finally realized that Yi Tianyun didn't even care about the duel. He felt ashamed for provoking Yi Tianyun now.

The eighth day passed. Everyone was convinced Yi Tianyun would faint at any moment now, but that is not the case!

After the ninth days passed, Yi Tianyun has finally done analyzing the Divine Rune scattered around the room and decided to come out as there was no more benefit on staying in the room anymore.

As he came out, he noticed that there was a huge crowd outside the room. As he walked away, the crowds began to clap, confusing Yi Tianyun even more. In the eyes of the crowd, Yi Tianyun was indeed a prodigy!

Jia Ping, however, stared at Yi Tianyun in a grievance. He still couldn't accept the reality that he was weaker than Yi Tianyun, but there was nothing he could do about this outcome.

"You won! I give this Divine Rune Stroke to you. It is a High-Grade Spirit Tool Rank item! I hope with this gift, there will be no more hard feelings between us." Jia Ping said cautiously. He didn't want to get slapped by Yi Tianyun as if that happened, he would lose all his dignity!

Everyone at the scene felt jealous of Yi Tianyun for receiving such a high-rank item. But their envy was proven worthless as Yi Tianyun slapped Jia Ping hard!

Jia Ping was thrown several meters away with one slap, a few of his teeth fell to the ground.

"Wha, What! How dare you hit me!" Jia Ping said he couldn't believe his goodwill was repaid with a slap.

"A promise is a promise! I said if I win, I will slap you! You think some stupid Divine Rune Stroke would be able to help you?" Yi Tianyun said indifferently.

Everyone was shocked to see that Yi Tianyun rejected a high-rank spirit tool. Because of this act he did, Yi Tianyun's reputation soared among Heaven's Top Mansion disciples and deacons! Everyone began to wonder, what is the real level of Yi Tianyun's cultivation would be.

The ranking surely didn't seem to do him justice. Sure, the rank could be improved by so many things, but the assessment to update the rank was monthly and it will take a while before the next assessment.

"You are so amazing, big bro! you beat Jia Ping so easily!" Yang Yu said excitedly. He immediately handed over 9.000 Gold to Yi Tianyun.

"Here, accept it big bro! this is your share of my winning bet of you!" Yang Yu said excitedly.

"I am a little bit sad that I only have 6.000 gold in my pocket at the time!" Yang Yu said solemnly.

Yi Tianyun pushed back the coins toward Yang Yu.

"No, this is your money. Use it for something useful." Yi Tianyun said as he handed back the coins to Yang Yu.

"Big bro, you are too kind! I wouldn't win if it weren't you! If you wouldn't accept this money, fine. But I would buy you a meal next time for sure!" Yang Yu said while smiling toward Yi Tianyun.

Yi Tianyun smiled lightly, Yang Yu surely earned this money! Yi Tianyun knew that Yang Yu wouldn't waste it for something useless.

"Okay, you will buy my next meal! I wonder if a feast would suffice." Yi Tianyun said while smiling playfully.

"Haha, you are funny! I definitely regret that I don't have any more money lying around now." Yang Yu said while still smiling lightly.

Yang Yu sighed, but at least, he would be able to buy some pills with this money. Even if it is not a high-grade pill, it would be helpful nonetheless!

Chapter 213 Mu Xian'er

"You've just made a lot of enemies just now! Jia Ping had his own group of people who are willing to do all kinds of things for him, you know!" Yang Xixue said, scolding Yi Tianyun a little bit.

"What are you talking about, sister? Don't you know big bro was super strong? Don't you see his slap earlier?" Yang Yu said, praising Yi Tianyun honestly.

"Stop messing around!" She said toward Yang Yu, which startled Yang Yu a little bit.

"I know that Junior Brother Yi doesn't seem like a weak cultivator, but you still need to be cautious around people like them! You don't know what would happen next! The best case right now is to wait for Deacon He's return and leave the problem to her!" Yang Xixue said while looking slightly frustrated.

"I don't mind slapping a few people who dare to stand against me, you know." Yi Tianyun said with a light smile on his face.

"Well, if you say so. If something is bothering you, you can come to us right away. We will surely try to help you in any way we can." Yang Xixue said while sighing after witnessing Yi Tianyun's cockiness.

"Sure, I appreciate the thought. Oh, yeah, before we part, did you know when Deacon He would be back?" Yi Tianyun said wonderingly.

"I don't really know, it might take weeks before she returns, at a time she even comes back after 2 months!" said Yang Xixue knowingly.

"But I am sure she would be back anytime soon." She added, trying to assure Yi Tianyun.

Yi Tianyun nodded his head, if she didn't come back anytime soon, he planned to leave as Star Pavilion invitation was coming close.

"We will take our leave for now, Junior Brother. We have something to attend to." Yang Xixue said while dragging Yang Yu behind.

"Big Bro, see you soon!" Yang Yu said while waving his hand excessively.

Yi Tianyun only smiled at Yang Yu's antics, this boy sure is energetic, he thought to himself.

He walked out of Heavenly Soul Tower immediately, and suddenly a young lady as beautiful as a fairy walked toward him. Yi Tianyun observed her a little bit and was surprised to see that she wasn't a frail girl he thought her to be.

"You must be the newcomer, Yi Tianyun, aren't you?" The lady said with a beautiful voice.

"You must be Mu Xian'er. The second ranker disciple." Yi Tianyun said while nodding a little bit.

"I didn't expect you to recognize me." Mu Xian'er said playfully.

"Just guess, I simply concluded you're the second ranker from your spiritual aura." Yi Tianyun said with a light smile.

"Thanks for your compliment, big brother. I hope you get a good evaluation of your rank next month." Mu Xian'er said politely.

"You're welcome." Yi Tianyun said while turning his body to leave.

Mu Xian'er smiled playfully after seeing Yi Tianyun's back. She suddenly pulled a Divine Rune Paper and sneakily pasted it to Yi Tianyun's back.

She quickly ran ahead of Yi Tianyun as if nothing has happened, but Yi Tianyun knew her every move, as he immediately took the divine rune paper from his back and pasted it on Xian'er's back. He was slightly amused by Mu Xian'er ability to sneak around and did some mischief like this.

"What is wrong, big brother?" Mu Xian'er said as she noticed Yi Tianyun staring at her amusingly.

"Don't mind me. See you later." Yi Tianyun said with a light smile.

As soon as Xian'er wanted to say something, the divine rune on her back suddenly exploded into a gust of air, which blew her a couple feet into the air.

"You sneaky trickster! I know what you're trying to do!" Yi Tianyun said playfully.

Mu Xian'er didn't respond back as she was still in shock by the explosion. This was what she did when she got bored. Using a divine rune paper to create an array and pasted it on some random people's back to frighten them a little bit.

As Mu Xian'er fell, Yi Tianyun quickly caught her. Looking at her shocked expression, Yi Tianyun smiled and laughed a little bit. As he let her stand on her own feet, Yi Tianyun quickly slapped her booty.

Yi Tianyun's acts surprised Mu Xian'er big time. She quickly turned around, looking angry with Yi Tianyun.

"What? How dare you slap my ass! Don't you know who I am?" Mu Xian'er snarled.

"You will pay for this!" Mu Xian'er said as she quickly ran away from the scene.

Yi Tianyun saw her leave with slight amusement in his eyes. He wondered what Mu Xian'er would do next time.

Chapter 214 Fault Finding

Before she vanished from sight, Mu Xian'er suddenly rushed back toward Yi Tianyun.

"I change my mind! I will kill you here!" Mu Xian'er said with a red face.

"Why? I am just returning the favor." Yi Tianyun said casually.

"You pervert!" Mu Xian'er yelled as she rushed toward Yi Tianyun with her 7th Level Spirit Refinement power. As she came close, Yi Tianyun held her hands, canceling her spiritual power.

"Remember that Heaven's Top Mansion don't condone fighting among disciple." Yi Tianyun said casually.

Mu Xian'er became silent as she gritted her teeth.

"Just you wait, you pervert! I will make sure you regret doing that!" Mu Xian'er said as she ran away. This time she really did leave. Yi Tianyun only smirked as he was really amused by Mu Xian'er's anger.

After all that, Yi Tianyun returned to Heavenly Runes Pavilion, and when he arrived there, he could already hear the rumors about him regarding what happened at the Heavenly Soul Tower earlier. He even heard that his rank now rose up to 24th, as Jia Ping was now 25th.

He sighed as he really couldn't care less about this ranking system. When he was about to return back to his room, he was blocked by 2 people, he immediately noticed that these 2 were different from Jia Ping earlier.

"Big Brother!" Yang Yu shouted as he ran over to Yi Tianyun as fast as he could.

"They are the ranked 19th Liang Bing and 20th Yuan Zhengyang! They are one of Feng Family and Jia Family's accomplice. They are here to take revenge on you, brother!" Yang Yu said nervously.

"Look here, brother! We have a mouse following our newcomer here." Zhang Bin said as he pointed his finger toward Yang Yu.

“Don’t you think this mouse was ahead of himself, brother? He even dares to challenge us earlier and lose! Now, he becomes the newcomer’s bitch.” Zhang Bin said with a cold ice look.

“Don’t say that, Zhang Bin, that’s clearly because he thinks that he found someone to protect him. Just let the loser be, brother.” Liang Bin said while smiling toward Yi Tianyun.

“You Fuck! How dare you said that about me! I clearly lose to you, but I never beg for mercy or anything! So shut your mouth, shithead!” Yang Yu said, he was clearly angered by the brothers’ remark.

Yi Tianyun sighed again, as he found no peace wherever he went there.

“Now, what do you want? Did you want to fight me? Or what? If you wanna fight then let’s go! I am tired of all of this.” Yi Tianyun said with a bored look on his face.

“Good, now come with us to the arena! Let’s have some duel!” Liang Bin said excitedly.

“Brother, they are a lot stronger than Jia Ping!” Yang Yu said hurriedly.

“That’s okay, just watch from the spectator seat!” Yi Tianyun said, silencing Yang Yu from making an unnecessary comment.

“They will get some kicking from insulting people around me!” Yi Tianyun said casually.

“Brother! You are really cool! From now on, I swore to be your brother! You are my Big Brother now!” Yang Yu said with amazement in his eyes. His heart was moved by Yi Tianyun’s word.

This time, he swore to become Yi Tianyun’s brother. Unlike before, now he really was convinced that Yi Tianyun was worthy of being followed!

Chapter 215: One Move

“You still recognize this trash as your brother? Well, you better look after your big brother after we are done with him! He will need medical treatment so bad!” Liang Bing said while laughing.

“My big brother won’t lose to the likes of you!” Yang Yu said confidently.

Liang Bing only smirked sarcastically as he walked toward the platform. Liang Bing and Yi Tianyun taking their position to duel spectated by many students, who kept on saying Yi Tianyun was doing stupid stuff by accepting Liang Bing’s challenge.

One of Heaven’s Top Mansion guards came over to act as their referee, “This duel would be a sparring match, meaning that you two aren’t allowed to kill each other! If that happens, you will get a punishment from the elder later!” the guard said with a serious tone.

“Understood!” Liang Bing and Yi Tianyun said at almost the same time.

“Hey, new kid! I’ll let you have 3 freebies as a handicap! so the duel could be somewhat fair!” Liang Bing said cockily toward Yi Tianyun.

“I don’t need 3 strikes, I will finish you in 1 strike!” Yi Tianyun said indifferently.

Liang Bing only smirked as he found Yi Tianyun’s cockiness to be amusing.

The spectator around the arena was only shaking their heads as they couldn’t believe the extent of Yi Tianyun’s arrogant attitude.

Many people now chanted Liang Bing’s name as he had many followers. But soon enough, they were silenced by Yi Tianyun as he walked toward Liang Bing with each of his steps gradually become heavier as he got closer. As he got up close with Liang Bing, he made a stance that uses a slight of his aura, which portrayed very ominous by Liang Bing and the disciples watching their fight.

As Yi Tianyun struck Liang Bing, Liang Bing quickly tried to block the attack effortlessly only to be thrown outside the platform to the tree around the arena harshly.

This show of power shocked everyone watching. They never thought that Yi Tianyun would be able to defeat Liang Bing, who was in a higher rank than Yi Tianyun by 1 hit!

“Big Brother Liang!” Zhang Bin said as he ran toward Liang Bing’s unconscious body. He checked Liang Bing’s condition only to find that Liang Bing was on the critical condition, as his ribs were fractured by Yi Tianyun’s attack.

“This is amazing! I knew it! I knew that Big Bro Yi Tianyun was too powerful for Liang Bing!” Yang Yu said excitedly.

Zhang Bin frantically ran toward the guards and accused Yi Tianyun of killing Liang Bing, which was quickly ignored by the guard as Liang Bing was not dead and would recover after a few months.

Yi Tianyun looked at Zhang Bin and challenged him to a duel just as Liang Bing previously did. Zhang Bin was trembling as he didn’t want to end up like Liang Bing.

“Just you wait, Yi Tianyun! There surely will be someone who would take revenge against you next time!” Zhang Bin said as he quickly lifted Liang Bing up and taking him to the clinic.

Liang Bing’s followers were looking at Yi Tianyun with troubled eyes. They all wanted to take revenge on behalf of Liang Bing, but they were much weaker than Liang Bing was, so there was no way they would fare against Yi Tianyun ever!

Yi Tianyun looked at them with a smirk fully displayed on his face. He walked down the platform as all Liang Bing’s followers started to walk away one by one.

“Brother, how can you be so strong! How can you cultivate so fast!” Yang Yu said as he ran toward Yi Tianyun.

“It’s all about the amount of practice.” Yi Tianyun said while smiling lightly.

Yi Tianyun was only showing a little of his power when he fought against Liang Bing, if he used more even slightly, Liang Bing would surely die! He accepted Liang Bing's challenge only to play around and waste some time.

However, this little incident made him aware that Heaven's Top Mansion was in a more dire situation than he previously thought! He was considering if Heaven's Top Mansion was really worth it to begin with!

Chapter 216 Meet

Yi Tianyun became famous across Heaven's Top Mansion, no one didn't know his name.

Many people wondered, why Yi Tianyun chose to join the Heaven's Top Mansion with his extraordinary cultivation.

Anyone in Heavenly Border Continent knew that Heaven's Top Mansion was already at their wits' end, if Heaven's Top Mansion lost any more power than this, Heaven's Top Mansion would be degraded back to the 2nd Grade Faction!

After the duel ended, Yi Tianyun quickly walked back toward his room. He wanted to rest, but not long after he closed his room's door, there was a knock on the door. He quickly opened it, revealing He Qianhan at in front of the door.

"It really was you!" He Qianhan said with her eyes full of disbelief.

"Nice to finally see you again, Deacon He!" Yi Tianyun said while smiling politely. With Deacon He finally arrived, he canceled his plans to leave Heaven's Top Mansion as soon as possible.

"They said that I recommended someone really strong this time, I came here to check, but I never think that the person would be you!" Deacon He said with disbelief still in her eyes.

“You see, I gave them the token that you gave to me before. They all said the token was a recommendation token, so they took me in here without really asking any question whatsoever. Are you giving me the wrong token Deacon He?” Yi Tianyun said wonderingly.

“I didn’t give the wrong token, I am very sorry about this, I think they just misunderstood the whole thing.” Deacon He said, feeling guilty towards Yi Tianyun.

“So, Deacon He didn’t have any interest to recruit me as Heaven’s Top Mansion’s disciple?” Yi Tianyun said playfully.

“No, there is no way I could recruit you as a disciple! Your strength alone could easily earn you a deacon position if not more!” Deacon He said exasperatedly, “Now, come! Follow me, I will introduce you properly at the Main Palace.” She said warmly.

Yi Tianyun nodded and followed He Qianhan, while on the way to the Main Palace he couldn’t help but think of what Heaven’s Top Mansion needed to improve themselves, if this problem still remained, he was afraid that Heaven’s Top Mansion would continue to decline before totally disbanded altogether.

Soon enough, they arrived at the Main Palace in the center of Heaven’s Top Mansion.

Yi Tianyun noticed that it was an ancient building. It gave off a powerful aura. Obviously, that building was built by a powerful person!

After entering the palace, Yi Tianyun noticed the place wasn’t luxurious, but it was covered by antiques that gave off a mysterious vibe to the place.

“Deacon He, this time you brought back some good seed with you! He sure is young, and I heard that he already made a name for himself around here.” An old man said suddenly while smirking toward He Qianhan.

“Deacon Guan, this is a misunderstanding! He isn’t the disciple that I recommended. In fact, he is a Guest Elder that I invited here.” He Qianhan said indifferently.

“A Guest Elder? From which sect?” Deacon Guan said wonderingly.

“I am from a 2nd Grade Faction!” Yi Tianyun said indifferently.

“2nd Grade Faction? Are you kidding me Deacon He? Someone from 2nd Grade Faction becomes a 3rd Grade Faction Guest Elder?” Deacon Guan said while trying to hold his laughter.

“That fact doesn’t matter! He was powerful enough to be noticed by the Pavilion Lord of Star Pavilion himself.” Deacon He said indifferently.

“Hmmm, is that because of his Divine Rune Mastery? Is he a 3rd Grade Divine Rune Master? I doubt that the Pavilion Lord was interested in that!” Deacon Guan said, still didn’t believe Deacon He’s words.

“No, he is a 4th Grade Divine Rune Master!” He Qianhan said, still in an indifferent tone.

“What! A 4th Grade Divine Rune Master!” Deacon Guan said completely dumbfounded!

Chapter 217: Successor

Deacon Guan was utterly shocked! He couldn’t believe a 17-year-old boy could achieve that level!

“He is a 4th Grade Divine Rune Master? How can it be?” Deacon Guan said, still not believing Deacon He’s Words.

“It doesn’t matter whether you believe me or not, it has nothing to do with you! Young Master Yi, please come this way.” Deacon He said as she ignored Deacon Guan and resuming to guide Yi Tianyun inside.

“Young Master Yi, your innate ability was so profound! Would you like to join us instead!” Deacon He said as she found this was the right opportunity to ask.

“This is not the time for that, I still have many things to do after this.” Yi Tianyun rejected the offer politely. He only came to check whether the history of Heaven’s Top Mansion and Jade Sect were a match.

He looked at Deacon He and didn't fail to notice that she was a little bit disappointed by Yi Tianyun's rejection.

"But let me return the offer, if Deacon He wishes, I would love to invite you to join our sect!" Yi Tianyun said playfully.

He Qianhan was surprised to hear Yi Tianyun's proposal, she didn't expect to receive an invitation to join a 2nd Grade Faction while she was in a 3rd Grade Faction herself.

"Thank you so much for the offer Young Master Yi, but I still have many plans for Heaven's Top Mansion." She said politely.

They soon entered the inner hall where Yi Tianyun could see several core disciples walked around. He noticed that several of these core disciples were already broke through to the Core Condensation.

Yi Tianyun noticed someone he met earlier, that is none other than Mu Xian'er! He saw Mu Xian'er talked to an old man who was already in 5th Level Spirt Core. Clearly, this old man was an elder here.

Mu Xian'er noticed that someone was staring at her and looked around and saw Yi Tianyun walked by.

"You!" she shouted.

While the shout itself wasn't that loud, she still succeeded to draw some attention towards Yi Tianyun,

"Yes, me! Nice to see you again, Lil' Xian'er!" Yi Tianyun said while smiling politely.

"What are you doing here!" Mu Xian'er said rudely.

"What happened? Did he bully you, sweet Xian'er? The elder said while smiling.

“No! but he. . .” Xian’er said, couldn’t finish her sentence.

“If that was not the case, then what’s with the yelling? A girl should speak with compassion! If you are acting savage like this who would want to be your dao companion in the future!” the Great Elder said to Xian’er.

“Grandpa! How could you say that to me! There is no one worthy of taking me as their dao companion yet!” she said while sulking to the great elder.

Yi Tianyun immediately laughed as he saw Xian’er pouted.

“Ehem! Great elder, this is Guest Elder, Young Master Yi Tianyun, who helped me at Star Pavilion before, and he is the winner of the tournament himself. There must be some misunderstanding earlier when the guards mistook him as a recommended disciple.” He Qianhan said solemnly.

“First place on Divine Rune Tournament?” Great elder said while showing a great interest in Yi Tianyun while Mu Xian’er was shocked to hear the news.

Winning the tournament meant that at least the person has reached 4th Grade Divine Rune Master rank or more! With Yi Tianyun’s age, it became even more amazing!

“That is just her ramblings, Great Elder! There is no proof yet!” Deacon Guan suddenly said while sneering towards He Qianhan.

Yi Tianyun saw that He Qianhan was offended by Deacon Guan’s statement.

“She only brought trash so far into our sect, there is no telling what she said this time is the truth! It is a shame that she was a descendant of the great Spirit King Xuan Tian!” Deacon Guan said casually.

“Enough Deacon Guan!” Great Elder said as he had enough of Deacon Guan’s rudeness.

Yi Tianyun was startled! He never thought that He Qianhan was a descendant of Spirit King Xuan Tian. No wonder she put all her effort into the betterment of Heaven's Top Mansion!

"Great Elder, what are you mad at me for? I did not say anything wrong at all! She often brought back a disciple that couldn't even stand a few months here, wasting our resources!" Deacon Guan said coldly.

"That is not Deacon He's fault, nor it was the fault of the disciple she brought. It's because of your incompetence! There is a bunch of stuck up disciple in there that will make any newcomer uncomfortable!" Yi Tianyun said, interjecting Deacon Guan's speech.

"Hey, this is our internal issue! You have no right to meddle in this!" Deacon Guan said coldly.

"I am the successor of Xuan Tian Spirit King! These issues are mine too!" Yi Tianyun said coldly.

Chapter 218 Corruptness

Everyone in the room stopped every little thing that they have been doing and stared at Yi Tianyun surprisedly. They were surprised to hear Yi Tianyun's confession for being the successor of Spirit King Xuan Tian himself!

Yi Tianyun didn't particularly care, although everyone's eyes were on him. He doesn't want He Qianhan to be wronged any further in that place. He knew the real reason the disciples walked away was that the poor management of Heaven's Top Mansion over their disciple.

"You are a successor of Spirit King Xuan Tian? Are you mad?" Deacon Guan said while sneering to Yi Tianyun.

"Great Elder! Look at what she brought us! She brought us a liar, possibly a theft too if not more!" He said with so much passion behind each word.

Hearing his own credibility being questioned, Yi Tianyun quickly activated his Xuan Tian Divine Art and slapped Deacon Guan in the face! Throwing him towards a wall.

"You dare to hit me!" Deacon Guan said as he couldn't stop shivering.

“This aura! This is Xuan Tian Divine Art!” Great Elder says, as he quickly stood up from his chair. He never saw anything like this before! In his whole life serving Heaven’s Top Mansion, not once did he ever see the Xuan Tian Divine Art this concentrated and beautiful.

“Yes! This is Xuan Tian Divine Art! How dare you suggest that I am a thief! If I don’t hold back just now, you would be already six feet under the ground!” Yi Tianyun said, letting his anger roar for a moment.

He Qianhan and Mu Xian’er were stunned upon witnessing Yi Tianyun’s power. However, Deacon Guan looked at Yi Tianyun in a different light now.

“You really mastered it? Xuan Tian Divine Art? This must be fate! Now, give it to us! That is Heaven’s Top Mansion’s Treasure!” Deacon Guan said in greed.

“Yes! Give it to us! That Divine Art is our right! You don’t have any rights on it!” Suddenly someone spoke from the inside as they walked toward the hall. Two old men, with the cultivation of 4th Level Spirit Core comes.

“Second Elder! Third Elder! You have come!” Deacon Guan said as he runs toward the old man excitedly.

“Second Elder, this Divine Art isn’t meant to be passed down in the faction! It is Spirit King Xuan Tian’s privilege to pass it to anyone he wants!” He Qianhan interjected.

“Yes! We can’t be greedy and start to demand everything our ancestor left behind. Sometimes, it is just not meant to be ours.” Great Elder said wisely.

“Great Elder! We still don’t have the proof that he really was the successor of Spirit King Xuan Tian! Will you really let some random brat comes and be our elder just like that!” the Second Elder said while snorting towards Yi Tianyun.

“Oh, did you have the ability to steal a Divine Art?” Yi Tianyun said challengingly. Yi Tianyun just shook his head as he thought that this Second Elder was really stupid. Did he really just say that Yi Tianyun stumbled upon the Divine Art and was suddenly able to use it?

“The Ancestor clearly said that anyone who possesses the Xuan Tian Divine Art would be able to become elder if they met every criterion needed to become one. With that said, there is no way Spirit King Xuan Tian would give the Divine Art randomly!” He Qianhan said, stating her knowledge.

“Deacon He. I understand where you’re coming from, but we can’t let that happen! Especially now that Heaven’s Top Mansion is in critical condition!” The Second Elder said as he released his aura.

The Third Elder followed shut as he released his own aura too. The hall was filled with the raging aura of the 4th Layer Spirit Core cultivation!

“What are you doing! Are you really gonna go against the ancestor’s wishes?” He Qianhan said as she was really shocked to see her elders acting like these.

“No, we are doing this for Heaven’s Top Mansion! Spirit King Xuan Tian just left abruptly and never return! This brat’s ancestor must have something to do with it! There is no way that I would acknowledge him!” Second Elder said with a smirk on his face.

Yi Tianyun just sighed at the corruptness that was happening in front of his eyes. He thought that by revealing some information to these guys, they would hear what he came to tell. But obviously, their greed blinded them from seeing the danger in front of them.

It seems that a little cleaning here and there wouldn’t be bad!

Chapter 219 Collide

“Are you sure you want to do this? There must be a reason for the Spirit King Xuan Tian to not pass the Divine Art to the disciple at that time, you know!” Great Elder said while glaring to the second elder.

The Great Elder was absolutely right. In fact, Yi Tianyun already knew the reason Spirit King Xuan Tian didn’t bother to leave this Divine Art behind as his legacy. This Divine Art was full of holes. One big mistake, the user could damage their Blood Qi and ended losing their cultivation or worse, become crippled for life!

Not to mention that the Divine Art wasn't perfect at the time, it was halted at Void Spirit Cultivation Stage! This could be improved by the successor but a person compatible with this Divine Art was so rare!

"Great Elder! Are you really trying to make Heaven's Top Mansion better? You know that Mansion Lord wants this Divine Art for our disciple too, right!" the Second Elder said with a frustrating glare toward the Great Elder.

"Second Elder, I'm starting to think that you're only doing this because you want the Divine Art for yourself! You fail to get it before because you're already so far ahead with your Divine Art! Didn't you hear yourself? Are you really gonna share the Xuan Tian Divine Art once you get it?" He Qianhan said challengingly.

"I am willing to share it! As long as the disciples have a great Innate Ability and have contributed to Heaven's Top Mansion, they would get their chance to learn the Xuan Tian Divine Art!" The Second Elder said with a serious face.

"Stop! Why the fuck are you talking about the Divine Art like it was already yours! This is MY Divine Art! I am the Successor of the Spirit King Xuan Tian! Not you! If anyone wishes to learn this Divine Art, I don't mind teaching them if I feel like it!" Yi Tianyun said cockily.

"Rest assured! I have many means to extract it from you!" The Second Elder said with a smirk on his face.

"Rest assured, I have so many ways to kill you before that happen! I doubt that you could resist me when I go for your throat!" Yi Tianyun said with his smirk still on his face.

"I've had enough of your arrogance, kid! You are wasting the Divine Art's potential. Therefore I would extract it from you!" the Second Elder said coldly as he released his killing intent.

Yi Tianyun quickly rushed over to the second elder, ready to kill him, but he was stopped by the Great Elder.

"Second Elder! Stop this! Stop ruining our reputation any further in front of our guest!" the Great Elder said desperately.

“Great Elder, you have disappointed Heaven’s Top Mansion!” The Second Elder said as he ignored the Great Elder and released his aura more intense than before.

The Great Elder also released his own aura to stop the Second Elder, “Grandpa, stop! You will open up your injury!” Mu Xian’er shouted at the Great Elder.

As the two of them were ready to attack each other, Yi Tianyun quickly rushed toward the Second Elder and slapped him in the face! Throwing him into a wall with his face heavily injured.

“I really despise people like you! A greedy pig whose greed doesn’t know bounds! You think you are above everyone, aren’t you?!” Yi Tianyun said with a cold glare.

“Son of a bitch! How dare you hit me! I will kill you!” The Second Elder said as he rushed toward Yi Tianyun with all his might.

Yi Tianyun wasn’t bothered with the Second Elder’s hostility, he watched the second elder movement, and when he got close enough, Yi Tianyun kicked the second elder right on his chest, this time hard enough, as the wall was destroyed when the Second Elder’s body hit it!

The second elder was lying on the floor unable to move, it was clear to everyone by seeing his body that several of his ribs were already broken!

Everyone stared at Yi Tianyun, completely shocked to see Yi Tianyun easily defeated the second elder.

“Save me!” the second elder stuttered to the third elder. The third elder licked his lip in greed and quickly crushed a Jade Pendant.

“You are amazing kid! But now, there is no way you can escape!” The third elder said while grinning. As the crushed pendant hit the floor, 8 shadows like figure appeared in the room.

“You! You are colluding with Netherworld Empire!” the Great Elder said, he couldn’t believe one of his elders was capable of doing such a thing.

“Great Elder, you are too stupid to see the betrayal when it is right below your nose! Even the Mansion Lord didn’t see it coming.” The third elder said while laughing hard.

“What did you do! What did you do to Mansion Lord!” Great Elder said while looking paler than before.

“Mansion Lord? He is in the basement with his Blood Qi sealed and injured.” The third elder said sarcastically.

“You traitor!” Great Elder said furiously, while his nose and mouth were bleeding out.

“Grandfather! Your injury!” Mu Xian’er said while rushing to help her grandfather.

“You clearly underestimated me. These people you summon are nothing but food to me! No matter. Time to clean the house a little bit!” Yi Tianyun said as he released a little bit of his aura.

Chapter 220 Your Turn Now

“Even if the Xuan Tian Divine Art is formidable, I don’t think that you will be smiling at the end of this unless you reached Core Transformation stage somehow!” The third elder said as he saw Yi Tianyun was smiling confidently.

He Qianhan had both confused and depressed look on her face, as she didn’t expect several of her elders were traitors!

“Traitor! You are a disgrace of cultivators!” she said, trying to spite on the third elder.

“No wonder that you are so committed to finding the Xuan Tian Divine Art, it’s for the Netherworld Empire’s cause! Rot in hell, you traitor!” Great Elder said furiously.

“Heaven’s Top Mansion has already fallen this low, did you really think I would continue to support this crumbling sect? I’ve always proposed Mansion Lord so we can become one of the Netherworld Empire’s

Sub Faction, and he always rejects my offer! So I have my own idea of doing things!” the third elder said plainly.

“Save me, brother!” The second elder said, he was still bleeding the floor.

“Fuck you! You weakling!” The third elder said as he kicked the second elder quite hard. The second elder was once again thrown to the side while vomiting blood! Soon enough, he stopped breathing as he glared on the third elder without a single word, dead!

‘DING’

‘Successfully killed the Second Elder of Heaven’s Top Mansion.’

‘Reward: 24.000 Exp, 3.400 Crazy Points, 50 Sin Points, Liu Yun Knife, 100.000 Exp Pill.’

Yi Tianyun was quite surprised to see the notification even though he wasn’t the one who killed the second elder. He suspected that the system will give him the reward for the kill regardless of who killed the enemy as long as he already did some damage to the said enemy.

The third elder turned his attention toward Yi Tianyun and the Great Elder, “Ohh, stop looking at me like that! I will send you down to meet him again soon!” he said while giving a signal for the Shadow Guards to attack.

As the Shadow Guards began to move, Yi Tianyun quickly slammed his foot into several Shadow Guards closest to him, throwing them to the wall. He quickly rushed over to the ones he sent flying towards the wall and kick their head to kill them immediately.

‘DING’

‘Successfully killed a Shadow Guard!’

'Reward: 170.000 Exp, 3.200 Crazy Points, 50 Sin Points, Shadow Blade (Middle-Grade Soul Tool), Shadow Step.'

'DING'

'Successfully killed a Shadow Guard!'

'Reward: . . . '

'DING'

'Successfully . . . '

The rest of the Shadow Guards immediately stopped their attack after seeing their comrades fell so quickly. The Third Elder was glaring at Yi Tianyun in obvious shock! He didn't expect Yi Tianyun to be able to kill so many of them in such a short time!

A Shadow Guard quietly sneaked up to Yi Tianyun's back and immediately took a position to stab Yi Tianyun. The Great Elder saw this and proceeded to warn Yi Tianyun, but Yi Tianyun already caught on to this futile struggle even before Great Elder could warn him.

Yi Tianyun backhanded the Shadow Guard's Head powerfully, almost lopping the head of the Shadow Guard off his shoulder!

'DING'

'Successfully. . . '

Yi Tianyun quickly finished off the rest of the Shadow Guards, before they're starting to do something fishy again. After he was done, he turned his attention towards the Third Elder.

“It is your turn now! Any last words?” Yi Tianyun said calmly.

The Third Elder was shaken by Yi Tianyun’s overwhelming power! He couldn’t speak as he continued to stare at Yi Tianyun in shock!
