### Chapter 221 No Need to Kill

Now that all the Shadow Guard was dead, Yi Tianyun turned his attention toward the Third Elder.

Everyone in the room had their mouth wide open, they never thought that Yi Tianyun could finish all of the Shadow Guard so fast effortlessly!

“Is this the power of Xuan Tian Divine Art?” The Third Elder said with a surprised look on his face.

“Xuan Tian Divine Art? Don’t get me wrong, sure the Divine Art is great, but that doesn’t mean it is invincible! There is still so many improvements for it to be usable!” Yi Tianyun said with an indifferent manner.

Yi Tianyun walked slowly toward the Third Elder as the Third Elder was backing up little by little. As he attempted to escape, Yi Tianyun immediately rushed and kicked him towards the Great Elder.

“Here, do what you want! He betrayed you when you least suspected it, so you can decide his fate by your own hands!” Yi Tianyun said indifferently.

Great Elder looked at the Third Elder with disgust in his eyes.

“You traitor! Is this really what you want? Become the Empire’s slave?” the Great Elder said furiously.

“Do what you want! There is nothing left! The Mansion Lord is already gone, the Heaven’s Top Mansion’s prosperity is gone too! There is nothing left for this shitty place!” the Third Elder said while laughing mockingly.

“You really don’t hold your life dear, do you?” Yi Tianyun said, clearly ticked off by the Third Elder laugh.

“Great Elder, you better choose! You want to end him yourself or I will help you with that!” Yi Tianyun said with an annoyed face.

“Kill me! Heaven’s Top Mansion will soon belong to the Netherworld Empire!” The Third Elder said while grinning mockingly.

The Great Elder quickly kicked the Third Elder in the head with so much force behind it.

‘DING’

‘Successful killed Heaven’s Top Mansion Third Elder!’

‘Reward: 23.000 Exp, 3.300 Crazy Points, 50 Sin Points, Heaven’s Top Palm, Tianchen Step.’

Yi Tianyun once again was surprised by the notification when he didn’t kill the enemy. He now knew for sure that as long he gave a mortal wound to the enemy, he’ll still get the exp and other rewards even if he wasn’t the who dealt the finishing blow.

After he finished the Third Elder, the Great Elder turned his attention towards Yi Tianyun.

“Thank you very much for helping us, young man! You are our hero! I didn’t expect to meet a young genius like you.” The Great Elder said, humbly.

“You don’t need to thank me. It is my responsibility to help as I am the successor of the Spirit King Xuan Tian.” Yi Tianyun said with a smile on his face.

“Now, we should check on the Mansion Lord. They clearly stated he was imprisoned in the basement. Did you know the way down there?” Yi Tianyun asked, worriedly.

“You are right! Come with me! I know the way down there!” the Great Elder said frantically. Clearly feeling guilty that he for a second forgot about his Mansion Lord.

They immediately followed the Great Elder towards the basement. On their way down, Mu Xian’er kept glancing at Yi Tianyun with a different light on her eyes.

“Why are you looking at me like that? I am no different than before, you know.” Yi Tianyun said as he finally got annoyed by Mu Xian’er stares.

“It is clearly different! You are a genius cultivator! Even though you are almost the same age as me, but your cultivation is already far ahead! How did you cultivate that fast?” Mu Xian’er said with amazement in her eyes.

“I am not doing anything special, you know. I’m constantly fighting to survive, that’s it.” Yi Tianyun said honestly.

Mu Xian’er looked confused by Yi Tianyun’s explanation. She hasn’t faced any real battle in her entire life. All she ever did was mock battles held by the Deacons.

“Young Master Yi, did Ancestor Xuan Tian leave any more wishes?” He Qianhan suddenly asked. She has been admiring Spirit King Xuan Tian since she was a child, she knew about all the legend about Spirit King Xuan Tian. And so, she was excited to find Yi Tianyun was the successor of Spirit King Xuan Tian himself!

“He doesn’t leave any wishes behind. But he did mention Heaven’s Top Mansion and suggested me to see it by myself if I want to join or not. He hasn’t left anything that forced me to do anything.” Yi Tianyun said solemnly.

Spirit King Xuan Tian never forgot about Heaven’s Top Mansion. Even though he left, he still cherished Heaven’s Top Mansion in his heart.

## Chapter 222 Mansion Lord

“You came to check on Heaven’s Top Mansion?” He Qianhan said as she felt a little bit excited. But she couldn’t express her excitement, for she didn’t know Yi Tianyun’s position even if he decided to join Heaven’s Top Mansion.

“Little Brother Yi, to tell you the truth, your level is way above all of us. If you choose to join us, I will give you the Great Elder position!” The Great Elder said with a serious face.

Yi Tianyun couldn't say anything as he felt overwhelmed, he wanted to say that he had no problem joining Heaven's Top Mansion, but he was afraid that he had no time managing it.

"I know that Heaven's Top Mansion is declining at this moment, but please consider your choice. We really need you now, and we don't ask you to give us anything in return." The Great Elder said with a little bit of desperation.

As Yi Tianyun was thinking of the Great Elder's word. They arrived at the dungeon in the basement. When they entered the dungeon, the Great Elder lit up a torch so they could see everything around them because the dungeon was in pitch-black darkness.

As they walked, they soon heard a coughing sound on one of the cages in front of them. They quickly rushed to see what was inside.

"Heh, you came again to torture me, aren't you fucker?" The Mansion Lord said with a weak painful voice.

"Mansion Lord!" shouted the Great Elder as he immediately opened the cage and examined the Mansion Lord. He was shocked to see how severe the injuries on the Mansion Lord's body. There was so much wound, and the Mansion Lord's hands and legs have been amputated!

"Great Elder?" The Mansion Lord said with a hopeful voice.

"It's me, I am here to save you!" Great Elder said with a sad tone on his voice.

As the Great Elder tried to lift the Mansion Lord's body, he screamed in pain, and there was a stream of blood coming out of his wounds. Mu Xian'er couldn't help but cover her mouth.

Yi Tianyun frowned as he saw Mansion Lord's condition. Clearly, the Second and Third Elder didn't have any compassion toward their own Mansion Lord.

"Quick! Gave the Mansion Lord a Recovery Pill!" The Great Elder shouted to He Qianhan.

“Don’t worry about me, you have to get out! They would come here again. If they saw you here, you would be in trouble!” The Mansion Lord said faintly.

“You don’t have to worry, Mansion Lord! We already cleaned them up along with the Netherworld Empire dogs that come with them.” The Great Elder said solemnly.

“Is that so? That is great!” the Mansion Lord said faintly.

The Great Elder quickly fed the Recovery Pill to Mansion Lord’s mouth. But as soon as he swallowed the pills, The Mansion Lord immediately vomited blood!

“This is the symptom of poisoning!” Yi Tianyun said as he saw the black blood, the Mansion Lord vomited black blood.

“The Recovery Pill wouldn’t have any effect as long as the poison is still in his system!” Yi Tianyun said knowingly.

“Damn fucker!” The Great Elder shouted furiously.

“Don’t worry Mansion Lord. For now, you should eat the Detoxify Pills!” the Great Elder said hurriedly.

“It’s useless! This poison was not a common poison. If you don’t know what the poison is, there is no way to cure it.” The Mansion Lord said as he remembered what his kidnapper said while laughing at his face.

Yi Tianyun didn’t like this situation at all, “Is it okay if I try?” He said casually.

“Try? What are you gonna try?” The Great Elder said with confusion written all over his face.

‘DING’

'Quest [Save The Mansion Lord!] taken!'

'Reward: 1.000.000 Exp, 10.000 Crazy Points, 100 Favourability Points on Mansion Lord, Great Elder, Mu Xian'er and He Qianhan, 100 Prestige Points.'

Yi Tianyun said nothing as he immediately examined the Mansion Lord's blood using the Appraisal Eye.

The Appraisal Eye could analyze almost anything, not only showing other people's information but it could also show the information on certain effects of an item. This included Poison and Medicinal Pill recipes.

However, if the pill's grade was too high. The Appraisal Eye wouldn't be able to analyze it.

'Successfully analyze the toxin on the blood.'

'Antidotes Ingredient: Butterfly Venom and Dropping Clouds Grass.'

Yi Tianyun immediately took out the Purple Fire Divine Furnace and quickly took out the necessary ingredient along with his Immortal Fire.

"Pill Refining?" The Great Elder was surprised to see Yi Tianyun was even able to do a pill refining!

The Great Elder wasn't the only person who was shocked to witness the fact that Yi Tianyun could refine a pill.

He Qianhan and Mu Xian'er were starstruck! They don't believe their eyes.

How could a teenager be this powerful?!

## Chapter 223 Pill Refining

Yi Tianyun began to refine the pill needed to cure the Mansion Lord from the poison on his body.

Everyone was surprised, as they didn't understand how powerful Yi Tianyun really was.

How could a Rune Master also be an Alchemist! That was just too much!

Yi Tianyun activated his Crazy Mode to speed up the refining process, as he was worried that the Mansion Lord couldn't hold on any longer.

After using Crazy Mode, Yi Tianyun saw that the refining time was reduced significantly from 1 hour to 8 minutes!

After 8 minutes, Yi Tianyun shouted that Refining is done!

Shocking everyone even more, as refining an intermediate level pill wasn't supposed to be that fast!

Yi Tianyun quickly fed the pill he refined just now to the Mansion Lord. The effect was immediately shown, the blackened eye bags under the Mansion Lord's eyes, throat, and nose was quickly fading.

"Quick, give the Recovery Pill to the Mansion Lord! There should be no problem now." Yi Tianyun said hastily.

The Great Elder quickly come forward and fed the Recovery Pill given by He Qianhan to the Mansion Lord.

This time, there was no rejection symptom toward the Recovery Pill, and gradually, his complexion returned and his wound closed.

This progress brought relief to everyone, as The Mansion Lord has passed his critical condition.

“His condition has stabilized for now. I think it should be okay to move him to his room now.” Yi Tianyun said while grinning slightly.

Everyone sighed in relief and immediately nodded to Yi Tianyun as they quickly carried the Mansion Lord carefully upstairs.

“Thank you, little brother.” The Mansion Lord said solemnly toward Yi Tianyun.

“Your welcome, Mansion Lord. This is part of my responsibility too.” Yi Tianyun said humbly.

Even though the Mansion Lord has survived his critical condition, everyone knew that it would take a while before he completely recovered.

And there is another problem after that, even if he recovered completely, his cultivation was destroyed!

This is not a simple problem, it would take a hard and long time to recover his cultivation.

When they arrived at the Mansion Lord’s bedchamber, they quickly laid the Mansion Lord on his bed.

“With the Mansion Lord’s hand and feet cut off, there is a way to heal it. We need a Broken Rib Healing Cream, if you don’t have it, I can refine it if you have the ingredient for it.” Yi Tianyun said while smiling lightly.

“That medicine can only be refined by a 4th Grade Alchemy! Are you sure you can refine it?” Great Elder asked, surprised by Yi Tianyun’s Alchemy level.

Yi Tianyun only nodded his head in understanding. He knew that it was hard for anyone to process his capability considering his young age.

“Okay, Xian’er would show you the way to the pharmacy. I hope that you will find all you need to create one in there.” The Great Elder said while signing Mu Xian’er to help Yi Tianyun.

“I would happily help!” Mu Xian’er said while nodding her head to the Great Elder.

He Qianhan, on the other hand, kept wiping the blood on the Mansion Lord’s body and continued to take care of him to make sure he was comfortable in his bed.

“This way Master Yi!” Mu Xian’er said casually.

When they were out of the room, Yi Tianyun quickly teased Mu Xian’er.

“Why are you so polite suddenly, little witch? And what is this master you are calling me? you know I am not part of the Heaven’s Top Mansion just yet.” Yi Tianyun said while smirking.

Mu Xian’er face turned red in embarrassment instantly.

She knew nothing about Yi Tianyun when she pulled a prank on him earlier.

Now, that she knew Yi Tianyun was far more powerful than she could imagine, she was afraid to offend Yi Tianyun in any way.

“Okay, you need to stop acting like this. There is a more serious matter at hand than this you know. with the Netherworld Empire’s eyes on Heaven’s Top Mansion, you will always be restless as they would keep poking at you in some way.” Yi Tianyun said, annoyed that Xian’er kept acting too politely toward him.

That was true.

Even if all the traitors were already dead, Netherworld Empire would find another way to disturb Heaven’s Top Mansion. They wouldn’t stop until they get what they want, and that is Xuan Tian Divine Art!

Mu Xian’er nodded her head in understanding, but Yi Tianyun still didn’t see the cheerful little witch that he encountered before in Xian’er eyes.

## Chapter 224 Heavenly Jade Meaning

Yi Tianyun followed Mu Xian'er to pick up the ingredient for the Spirit Medicine to regenerate the Mansion Lord's lost limbs. After he got what he needed, he returned to the Mansion Lord's room and began refining the Spirit Medicine quickly.

This incident was only known to several people whom the Great Elder trusted.

The rest didn't even know that something was happening at the moment.

"I am done! Here, take this Broken Ribs Healing Cream to the Mansion Lord! Put it on his severed legs and hands, they would heal slowly over time." Yi Tianyun said to He Qianhan.

He Qianhan nodded and quickly applied the cream to the Mansion Lord's severed limbs.

"Thank you so much, you did so much for us, I don't know how many resources would be lost if you aren't here." The Great Elder said toward Yi Tianyun sincerely.

"No problem, it is part of my responsibility as the successor of the Spirit King Xuan Tian." Yi Tianyun said humbly.

'DING'

'Successfully completed the [Saving the Mansion Lord] quest!'

'Reward: 1.000.000 Exp, 100 Favourability Points for Mansion Lord of Heaven's Top Mansion, the Great Elder of Heaven's Top Mansion, He Qianhan, and Mu Xian'er, 100 Prestige Points.'

Seeing that he got a 100 Prestige Points, Yi Tianyun was quite happy! He knew that Prestige Points could influence everything he did. It basically enhanced his Luck without wasting any Crazy Points!

“The successor of Spirit King Xuan Tian?” The Mansion Lord said while looking quite surprised.

“Little brother, you see, I no longer have any qualification to be a Mansion Lord after they have destroyed my cultivation like this. I have a proposition to make! I officially declare you to become the next Mansion Lord of Heaven’s Top Mansion and the Great Elder as your assistant to help you manage Heaven’s Top Mansion!” The Mansion Lord said wilfully.

Yi Tianyun was shocked to hear the Mansion Lord’s proposition, he never expected to bear a responsibility like this. He never even thought about having a high status, especially a Mansion Lord!

“I didn’t mean to disrespect your decision, Mansion Lord. But I don’t have the necessary prestige for the title. I don’t even know if there will be any disciple that would support me for this position.” Yi Tianyun said humbly.

“That’s fine, with your Xuan Tian Divine Art and the Successor of Spirit King Xuan Tian, there is no one that would object you becoming our Mansion Lord. Even if there is some opposition later on, I am sure that Great Elder would be able to solve it.” The Mansion Lord said solemnly.

Heaven’s Top Mansion was in an awkward situation right now, they didn’t have any elder except for the Great Elder, they didn’t even have any single Old Ancestor that could guide them!

Yi Tianyun thought about his own decision at the moment, “I have a better proposition to make. You see, I already became an elder in a faction on Earthly Borders Continent. I don’t intend to join any other Faction, as my hands were full at the moment. How about merging our faction together, Heaven’s Top Mansion with me as the Mansion Lord and my other Faction so that Heaven’s Top Mansion could recover fast without any unnecessary difficulties.” Yi Tianyun said solemnly.

They were all surprised to hear Yi Tianyun ‘s proposition more than the Mansion Lord’s proposition.

Merging two factions wasn’t something that could be done easily, it’s the same as to destroy one Faction and take over all their resources without a fight!

“I don’t think that this is doable, Little Brother Yi. If we do that with Heaven’s Top Mansion current condition, I am sure that the Heaven’s Top Mansion would be swallowed by your Faction. I couldn’t let that happen, as Heaven’s Top Mansion was dear to everyone on this room and the disciple within it.” The Mansion Lord said while sighing nervously.

“Then, how about we divide the merged faction into two chambers? The Female Disciple would become the disciples of the Heavenly Jade Sect, and the Male Disciple remained here Heaven’s Top Mansion. After all, the Heavenly Jade Sect I am currently on was a female-only sect.” Yi Tianyun said with a serious face.

“Heavenly Jade Sect?” the Mansion Lord said, he was surprised hearing the name of Yi Tianyun’s sect.

“Yes, that is the name of my Faction. It was once called Heavenly Jade Mansion, but it was once in decline, and recently become Heavenly Jade Sect after we were promoted to 2nd Grade Faction.” Yi Tianyun said casually.

“Heavenly Jade? Do you know who named it?” The Mansion Lord said, while his shocked expression never left his face.

“This is the original name of the Spirit King Xuan Tian! His original name was He Tianxuan! (Tian Xuan = Heavenly Jade). This Faction you are in right now could be related to the Spirit King Xuan Tian! He left the Heaven’s Top Mansion after some incident that left him disappointed toward Heaven’s Top Mansion, it is possible that after he left, he created another faction!” The Mansion Lord said with a surprised tone.

“This could be the case. I don’t really know the name of the creator of Heavenly Jade Sect, I would check on it when I returned there. If this is really the case, would you be willing to merge our two factions?” Yi Tianyun said with a smile.

“If this is really the case, sure! I would be honored to merge with another Spirit King Xuan Tian’s Faction.” The Mansion Lord said with a warm smile.

Chapter 225 Netherworld Empire’s Envoy

Yi Tianyun didn't expect to learn that Heavenly Jade Sect had a connection with Spirit King Xuan Tian. He knew that Heavenly Jade Palace used to accept both men and women disciples, but now he thought that somehow Spirit King Xuan Tian left the faction because of some reason which created resentment towards men, resulting with the male disciples and elders were all driven away.

Yi Tianyun was excited when he found out, as it would help the merge between Heavenly Jade Sect and Heaven's Top Mansion.

Even though Heaven's Top Mansion was in a bad spot right now, it didn't really matter.

As the place, Heaven's Top Mansion was built, was very good for cultivation.

"Since you have already accepted my term, I will gladly take the position as a Mansion Lord!" Yi Tianyun said to the Mansion Lord with passion.

Everyone in the room nodded their head in agreement, they all seemed quite satisfied with Yi Tianyun's agreement to become the Mansion Lord of Heaven's Top Mansion.

After reading several reports from Great Elder, Yi Tianyun finally grasped the entire situation of Heaven's Top Mansion.

Yi Tianyun knew that once the information about him becoming the new Mansion Lord was announced, he won't be able to go out of the Mansion freely for quite some time, so he chose to postpone the announcement until his business outside of Heaven's Top Mansion was done.

"After reading this report, I notice that Heaven's Top Mansion's situation is far worse than I assumed. In several cases, this is even worse than a 2nd Grade Faction!" Yi Tianyun said solemnly.

"Yes, that is indeed the truth, Mansion Lord! We haven't received any new disciple for quite some time, and with our crumbling reputation, we know that our chance to recruit a new disciple will be smaller every single day passed." The Great Elder said with regret.

“When I was first mistaken as a disciple here, I saw the situation first hand. Some disciples act very arrogant and do whatever they please. Although I agree that in this kind of environment like this, some friendly competition here and there is very good, as the competition enters an abnormal level, it would be best to remove some toxicity.” Yi Tianyun said solemnly.

“All I am trying to say is that we need to let some of these disciples go before they destroyed the unity inside the Heaven’s Top Mansion completely. I know that some of them come from a family which was influential to Heaven’s Top Mansion, but there is so much better way to gain resource than to sell ourselves up like this.” Yi Tianyun said as he spoke with confidence to the Great Elder.

Yi Tianyun knew that disciples from influential families may think that acting all high and mighty was a given as they felt that the faction was theirs. If those disciples didn’t act this way, then Yi Tianyun will not have the compulsion to expel them.

“You are my Mansion Lord, I abide by your decision. I will trust that you would make us great again!” the Great Elder said with high respect.

“Great! Now that we’ve settled that problem, comes a new one in the form of management! We don’t have enough skilled people in terms of management. In the Heavenly Jade Sect, we had many of those. I planned to assimilate some of them to Heaven’s Top Mansion to help us manage things here. I can’t do that right now, as of now they still don’t know my plan to merge the two factions together.” Yi Tianyun said while sighing a little.

“I plan to leave as soon as the Mansion becomes a little bit stable so that the plan to merge the two factions can be pushed quickly.” Yi Tianyun said solemnly.

“Great Elder, a messenger from the Netherworld Empire has come to visit!” a disciple suddenly came to the room.

Yi Tianyun looked toward Great Elder and nodded. They walked toward the hall immediately to greet the said messenger.

As they entered the hall, they could see a middle-aged man sitting on the chair, sipping on some tea.

“Excuse us for being a little late.” said the Great Elder solemnly.

“It’s okay, I don’t mind.” Said the messenger arrogantly.

This arrogant behavior somehow didn’t bode well with Yi Tianyun, a mere messenger acting all high and mighty toward his host!

“I came here to invite you to the royal feast! This is a direct invitation by the King of Netherworld Empire himself, I hope that you will be there when the time comes.” The messenger said smugly.

“Don’t worry, we’ll be there!” Yi Tianyun said indifferently. Even though he didn’t like this man, he couldn’t show any emotion, as that could be used against him.

As he had done his business, the messenger left the Heaven’s Top Mansion place to go back to the Netherworld Empire while smirking evilly.

Chapter 226 Level Up!

Yi Tianyun took a look at the invitation from the Netherworld Empire, he frowned as he noticed that the invitation wasn’t officially for Heaven’s Top Mansion.

The invitation was only showing the location of the meeting and the Netherworld Empire’s stamp on it.

However, Yi Tianyun couldn’t do anything about this now. He still didn’t have the necessary skill to make a move against an empire just yet!

“I think they invite us to this meeting of theirs to see what we are capable of. They already realized that a fair amount of Shadow Guard has been killed here, I am sure of it!” Yi Tianyun said to the Great Elder.

Yi Tianyun originally would be attending this meeting as one of Stars Pavilion’s Guest Elder, now he would be going as representative of Heaven’s Top Mansion. he knew that things wouldn’t be quite as peaceful as he originally thought.

“There is not much time now, we should prepare for the departure immediately.” Yi Tianyun said to the Great Elder as he showed that the invitation indicated the meeting was due in 2 weeks.

The Great Elder nodded his head to Yi Tianyun and walked away to prepare their arrival at the Gathering Dragon City, the place of the meeting.

As Yi Tianyun walked inside to relax, Great Elder came once again to inform that they could go as Yi Tianyun was ready to leave.

“You should go first and wait for me there. I still need to do something in the meantime.” Yi Tianyun said politely.

“As you wish, Mansion Lord. I will wait in the Heavenly Clouds Inn in Gathering Dragon City. You will easily find it as it is famous in the city.” The Great Elder said politely.

Yi Tianyun nodded his head and went back to his room as the Great Elder immediately departed towards the Gathering Dragon City.

After a while, Yi Tianyun quickly went back to the Heavenly Spiritual Jade Pond inside the Stars Pavilion using the secret passage that he found back then.

As soon as he arrived inside the coffin room, he immediately activated all of the Divine Art used to enhance his Exp Gain.

“Heavens Devouring Divine Secret Art, activate! Absorbing Stars Great Technique, activate! Dark North Divine Art, activate!” Yi Tianyun shouted.

He immediately took a meditating position, and immediately the Spirit Power inside the room whirled towards Yi Tianyun like a whirlpool.

After quite some time, the amount of spirit power inside the room began to falter, the Jade Spirit Stones scattered inside the room gradually became transparent.

Yi Tianyun's action was noticed almost immediately, Heavenly Spiritual Jade Pond owned by the Stars Pavilion had a visitor who expressed his disappointment.

"Hey, there is too little Spirit Power inside the pond! Are you trying to rob me? Return my Soul Tool! This is unacceptable!" The visitor snarled.

"Impossible! Last time, the pond had quite a high concentration of Spirit Power! How can it be gone overnight?" Elder Yun said, clearly surprised to hear the visitor's complaint.

Elder Yun quickly went inside the pond to check the truth about the visitor's testimony, and he found that the visitor wasn't lying at all!

The Spiritual Power inside the pond was indeed fleeting!

"You believe me now?" The visitor said to Elder Yun in sarcasm.

"This is very embarrassing. I am very sorry for what happened here. We will return your Soul Tool immediately." Elder Yun said, politely dismissing the visitor.

"Such a waste of time!" the visitor grumbled as he left the Star Pavilion.

"Investigate this matter immediately! This isn't normal at all!" Elder Yun said to the guards around him.

Elder Yun panicked a little bit, how could he explain this phenomenon to the Pavilion Lord Li when he came back!

A group of guards began to investigate the Heavenly Spiritual Jade Pond to see if there was any leakage or some sort.

In the inner layer of the pond, Yi Tianyun still meditated, completely oblivious to the chaos he caused in the Star Pavilion.

'DING!'

'Congratulation, host successfully leveled up to Ninth Level Spirit Core Stage!'

Even after the notification disappeared, Yi Tianyun still absorbed the Spiritual Power inside the pond like a mad man! He was not satisfied just getting a level in here. He still couldn't fight an empire with this level!

## Chapter 227 Collapse

As Yi Tianyun continued to absorb the Spiritual Energy, the Star Pavilion was searching for the cause of the problem inside Heavenly Spiritual Jade Pond frantically.

"How can this be! Find it! Find the leakage!" Elder Yun said nervously.

Clearly, this slip up would embarrass him in front of Pavilion Lord Li.

Just when he thought of the Pavilion Lord, he came strolling toward Elder Yun.

"What is going on? There is some report saying that the Spiritual Energy inside the pond was gone!" Pavilion Lord Li said unknowingly.

"I don't know Pavilion Lord! I can't find any reason behind the Spiritual Energy suddenly depleting! We have stood guard here all the time, and there is no one entering the place without permission." Elder Yun said apologetically.

"The problem must've lied in the underground Spiritual Vein has a problem! There is nothing we can do about this, it's already at its limit." Pavilion Lord Li said with a sad expression.

"Just collect all the Medicinal herbs here, and leave this place afterward." Pavilion Lord Li said with a regretful expression.

There is nothing Elder Yun could do after hearing Pavilion Lord Li already gave up on this pond. He just nodded and tasked the guards to collect the medicinal herbs.

As he absorbed the Energy at such an alarming speed, Yi Tianyun suddenly heard a crack he took a look and surprised to see that there were so many cracks appeared around the wall!

He quickly stopped meditating and for once glanced over to every nook inside the room.

He noticed that the Spiritual Energy inside the room was already depleted!

He still had around 15% more Exp to gain to level up to the Peak Level Spirit Core stage!

With a sigh, Yi Tianyun decided to open his status window to see his progress.

“There is not much time left! I have to get going now!” Yi Tianyun said quickly as he left the room.

After Yi Tianyun left, The Star Pavilion’s Guard that was tasked to collect the Medicinal Herbs in the pond quickly stumbled down into the secret room as the ground beneath them quickly sink.

They were all shocked to see that there was still some hidden area inside the Heavenly Spiritual Jade Pond!

“There is a secret room down there! Quick, investigate the place!” Elder Yun said wonderingly.

This situation really caught them off guard!

Yi Tianyun, on the other hand, was completely oblivious to all of the mess he left behind!

## Chapter 228

Yi Tianyun quickly went straight to the Gathering Dragons City with his Phoenix Wings.

He arrived in the city quickly without a problem.

The bustling Gathering Dragons City really was some sight to see, there were so many cultivation experts wandering through the city minding their own business.

Yi Tianyun quickly searched for the Heavenly Clouds Inn, which the Great Elder mentioned earlier.

The Inn was surprisingly easy to search, as he entered the city and asked the merchant where the Inn was, the merchant quickly pointed at the building he needed to head to.

As he walked toward the building, a Giant Eagle Cart suddenly ran past, almost hitting him.

As he was about to stop the cart, he noticed the Netherworld Empire symbol on the side of the cart.

He immediately stops his action, as he doesn't want to make a fuzzi.

As he looks around for anyone that has the same problem with him, he sees that no one really dares to do anything, as the Netherworld Empire is the strongest faction around.

After he realizes that nobody gonna do anything about the arrogance of the Netherworld Empire Cart earlier, he pays no mind and continues to walk to the Inn the Great Elder was currently stays.

As he arrived and enter the Inn, he was welcomed by a shouting man.

The man seemed to be shouting toward the Inn Keeper on the check-in counter.

"How can an inn doesn't have any more room! Do you know who I am?" The man kept shouting.

"We are truly sorry, sir! The rooms were all booked. We don't have any more empty rooms to get you." The Inn Keeper said with a frustrated look on his face.

"Nonsense! We always have a room every time we come here!" The man said, ignoring what the innkeeper said.

"We are sorry, sir. With the scheduled dinner that the Netherworld Empire holds in upcoming days, many sects have booked their rooms much earlier." The Inn Keeper said while shaking his head.

"We are Divine Runes Mansion! You don't have any excuse here!" The man said furiously.

Hearing the name of the faction Lin Li was in, intrigued Yi Tianyun a little bit.

After all, he hasn't paid them a visit yet after all Lin Li had done to the Zhu sisters.

"Please, sir! We really don't have any room left!" the innkeeper became more frustrated hearing the man shouted at him.

"Give me your guest list! I want to see who is staying here!" The man shouted again.

The innkeeper handed the man the Guest List, his face was covered by worry, as he didn't want to have any incident here on the Inn.

Yi Tianyun shook his head.

It seemed that everyone in the Divine Runes Mansion was all the same.

They were all too hot-headed and arrogant.

Yi Tianyun decided to walk upstairs as he wanted to find the Great Elder soon.

As he arrived upstairs, a booming voice once again was heard

"Heaven's Top Mansion? They dare to stay in this inn? Moreover, booking 2 rooms for themselves? How dare a weak faction like that do this! I will kick their asses out myself!" The shouting man from earlier said and immediately walked upstairs and bumped into Yi Tianyun.

"Hey, kid, out of my way!" The man said as he wanted to push Yi Tianyun aside.

Yi Tianyun quickly backhanded the man casually, he was thrown to the foot of the stairs hard.

Yi Tianyun frowned a little bit. For a loud man, he sure was squishy!

## Chapter 229 Trample

Li Huan from Divine Rune Mansion has been thrown down by Yi Tianyun!

Recovering from his shock, Li Huan immediately shouted at Yi Tianyun, "How dare you hit me! I'll break your bones myself, kid!" Li Huan said in anger.

"I am just returning the favor, you know." Yi Tianyun said indifferently.

Li Huan was more furious than before. He charged at Yi Tianyun, when he was close enough, once again he was slammed by Yi Tianyun!

This time Yi Tianyun flung him over a window and fell into the street outside.

"Mansion Lord? What happen?" The Great Elder said as he saw Yi Tianyun when he went out of the room to inspect the ruckus.

"It's nothing. Some little trouble made it's way to me." Yi Tianyun said convincingly to the Great Elder.

As Yi Tianyun wanted to follow the Great Elder towards their rooms, Li Huan once again showed up shouting.

"There he is, senior brother! He hits me twice!" Li Huan said towards a man.

"Is that so? Then, I will settle this personally for you!" Lin Feng said to Li Huan.

"We are from Heaven's Top Mansion! We are an official guest invited by the Netherworld Empire! You dare to hinder us?" The Great Elder said with a frown on his face.

"You are from Heaven's Top Mansion? Now, there shouldn't be a problem then!" Lin Feng said as he charged towards Yi Tianyun to attack.

Great Elder was frowning as he didn't understand the way this man acted. He didn't tell them that Yi Tianyun was a Mansion Lord of Heaven's Top Mansion because Yi Tianyun requested it himself!

If that wasn't the case, he knew that these people wouldn't bother Yi Tianyun.

No one wanted to fight against a Mansion Lord unless they're really confident!

"Then, don't blame me for whatever is gonna happen to you!" Yi Tianyun said as he slammed his foot hard towards the charging Lin Feng!

Lin Feng was flung towards the window and the same with Li Huan, he also ended up falling in the street!

The difference was Lin Feng didn't survive Yi Tianyun's overwhelming power!

Li Huan was only punched lightly by Yi Tianyun and Lin Feng was kicked hard in the chest!

'DING'

'Successfully killed Lin Feng!'

'Reward: 23.000 Exp, 2.400 Crazy Points, 30 Sin Points, 500 Divine Rune Mastery, Evil Heaven Martial Art, Golden Purple Feather Fan.'

Yi Tianyun was a bit surprised seeing Lin Feng was dead so easily. But, he still didn't care much.

After all, Lin Feng was the one who challenged him.

Li Huan and the people from Divines Rune Mansion quickly ran towards Lin Feng's lifeless body, and after they checked Lin Feng's pulse and breathing, they left the scene quickly!

“Mansion Lord, this is gonna be a big deal!” The Great Elder said worriedly.

The Great Elder knew that badly injuring a disciple from another faction could trigger retribution!

“Don’t worry, they aren’t a problem that we can’t handle!” Yi Tianyun said casually.

The look on the Great Elder’s face right now was nervous, he trusted Yi Tianyun will be able to solve the problem later, but there were still some doubts in his heart!

This happened to Mu Xiang’er as well, as she watched what happened through the door of their rooms in silence.

Mu Xiang’er wandered outside of the room to see the commotion as her grandpa didn’t come back immediately.

“Don’t worry, as a Mansion Lord, I will not let Heaven’s Top Mansion to be ridiculed in the future!” Yi Tianyun said confidently.

## Chapter 230 Group

With Yi Tianyun singlehandedly trying to preserve Heaven’s Top Mansion dignity, the Great Elder and all the others that came with him were all looking at Yi Tianyun with wonders.

Yi Tianyun successfully rekindled their spirit that was dimmed by Heaven’s Top Mansion decline.

They all made a promise to follow Yi Tianyun’s command eagerly in the future.

Yi Tianyun only smiled to them, he didn’t feel anything he did just now was something worth mentioning.

It was only natural for him to punish anyone who dared mocking people close to him.

Furthermore, killing people was great for him, as they would be a staple for his Exp gain.

But Yi Tianyun made up his mind that all of the Divine Runes Mansion's disciple were all the same as Lin Li, selfish people with a little to none ability to back it up!

This newfound thought made Yi Tianyun became more disgusted by Divine Runes Mansion's disciple, he may visit them in the near future after all.

They could give him a large amount of Divine Runes Mastery.

Immediately, the Great Elder and the rest of Heaven's Top Mansion's disciples excused themselves to let Yi Tianyun rest on the room, leaving him alone.

Yi Tianyun already said that some of them could share his room, but the Great Elder insisted that this was a treatment that any Mansion Lord should have.

So Yi Tianyun only sighed and let them go to the next room.

In his spare time, while waiting for the time to meet with Netherworld Empire, Yi Tianyun cultivated his Divine Rune Mastery a little bit and couldn't help but think that he should move the Heavenly Jade Sect to Heaven's Top Mansion as soon as possible.

This merge would substantially improve both cultivation progress!

As he was deep on his thought, a knock on the door was heard.

"It is time, Lord Yi." The Great Elder said politely.

Yi Tianyun quickly stood and opened the door to see the Great Elder in front of his door.

Yi Tianyun nodded his head and then proceeded to walk outside the Inn.

The Great Elder quickly led the way to the Imperial Building of Gathering Dragons City.

This building was built especially for the representative of the Netherworld Empire.

Yi Tianyun looked around the front yard of the building and saw that there were so many beautiful decorations everywhere and this place could also hold thousand people easily.

Knowing that fact, Yi Tianyun felt that the Netherworld Empire were so rude to invite a guest but letting them rest on an Inn instead of their own place.

As Yi Tianyun arrived at the gate, the Guard quickly extended their arms and asked for the invitation for the group.

The Great Elder quickly handed out the invitation given to them earlier and soon after, the guard let them all in.

After entering the place, Yi Tianyun noticed that many guards were patrolling the place back and forth.

Yi Tianyun saw one person who was a step above the other in term of cultivation and he assumed that person had to be the Guard's Captain!

Sure enough, Yi Tianyun saw the difference between an empire and a mansion. A Spirit Core cultivator could easily become a deacon or an elder in a 3rd Grade Faction. But here, a Spirit Core cultivator was only a guard's captain!

As Yi Tianyun arrived at the Innermost Palace of this building, Yi Tianyun saw two familiar faces.

He saw the two ladies that he encountered on the Devil Cloud Island, if he wasn't mistaken, their name was Yu Shiqian and Zhao Yu. But, with his face were different from that time, he doubts those 2 ladies would be able to recognize him.

Yi Tianyun tapped the Great Elder and asked him for what sect was the 2 ladies were from.

"Oh, they are from the White Lotus Mansion. They are all females in there, a Female only faction. The same type of faction as your Heavenly Jade Sect, Lord Yi." The Great Elder answered politely.

"Hmmm, interesting." Yi Tianyun said as he kept staring at Yu Shiqian and Zhao Yu's direction.
