

Leveling 231

Chapter 231 Discarding

Yu Shiqian was one of White Lotus Mansion's representatives.

They were invited naturally for their great influence in the Heavenly Border Continent. Their Mansion Lord was as beautiful as a rose garden.

The Mansion Lord must attend this dinner to show respect to the Netherworld Empire who invited them. But this was not the case for the Netherworld Empire itself, the Emperor didn't have to come to this dinner at all!

When Yi Tianyun was looking around the place to check the guest's cultivation with his Appraisal Eye, Elder Yun approached him, somewhat surprised to see Yi Tianyun among the guests.

Yi Tianyun turned around and can't help but be surprised himself.

"Elder Yun, I see you're already here!" Yi Tianyun said, surprised.

"Yeah, we've arrived just now. I am a little bit surprised to see you here, Pavilion Lord Li seems to not know that you are here." Elder Yun said with a smile on his face.

"Yeah, I didn't give any answer to the Star Pavilion as I have something else to attend to. I have joined the Heaven's Top Mansion, so it's only natural to come here with them." Yi Tianyun said, explaining his situation a little bit.

"I am happy that you've finally joined a faction this time, Guest Official Yi." Elder Yun said politely. However, Yi Tianyun noticed the look on Elder Yun's face, it seems that he was a little disappointed to hear Yi Tianyun joining a low-level faction like Heaven's Top Mansion.

After Elder Yun excused himself to go look for Pavilion Lord Li, Zhang Bin who lost to Yi Tianyun in the match in Heaven's Top Mansion before suddenly came and paid his respect to the Great Elder.

Once he looked closely, Zhang Bin realized that Yi Tianyun was near the Great Elder.

“Hey, what are you doing here?” Zhang Bin said with a frown on his face.

He didn't know that Yi Tianyun has already become a Mansion Lord of Heaven's Top Mansion.

Seeing Zhang Bin's disrespectful word, the Great Elder interrupted the conversation with his own question.

“I remember that you are Zhang Bin, right? Why are you here? We didn't invite you with us, as long as I can remember.” The Great Elder said, full of wonder.

“Well, I didn't come here as a Heaven's Top Mansion's disciple! I am here as a disciple of Divine Runes Mansion!” Zhang Bin said proudly.

“This will be the last time I will be calling you the Great Elder, Great Elder.” Zhang Bin said while smirking proudly.

“What? Don't you know the punishment for leaving your original faction?” the Great Elder said disappointedly.

“I know, once you leave your original faction you have to abandon your cultivation stage and start anew. But what can Heaven's Top Mansion do? Divine Runes Mansion is more powerful than you, and you could do nothing about it.” Zhang Bin said condescendingly.

As Zhang Bin finished his little speech, Yi Tianyun immediately slapped his face hard.

This incident startled everyone in the vicinity, as they never thought that a fight could break out at this dinner party.

“You hit me! how dare you!” Zhang Bin said while gritting his teeth.

“What is happening here!?” A Deacon from Divine Runes Mansion comes to Zhang Bin’s side.

“Deacon, he hit me! Heaven’s Top Mansion trash hit me!” Zhang Bin said furiously.

The deacon quickly looked at Yi Tianyun and sneered at him.

“I didn’t expect that Heaven’s Top Mansion was capable of such reckless action towards our disciple!”
The deacon said dramatically.

“We don’t do anything outside the faction rules. He leaves, so he must abandon his cultivation. If he refuses to do it himself, we will do it for him.” Yi Tianyun said indifferently.

“He is a member of ours now! You have to get permission from us first!” The Deacon said proudly.

Zhang Bin at the side was smirking proudly since Divine Runes Deacon backed him up.

“Yes, I no longer have any relation with trash like Heaven’s Top Mansion! I refuse to do what you said!”
Zhang Bin said proudly.

As he finished speaking, Yi Tianyun quickly rammed Zhang Bin’s chest with his palm.

This technique was only eligible for the faction leader which could destroy a disciple’s cultivation stage.

“A faction rules must be followed to a tee. Now, you can have him.” Yi Tianyun said indifferently to the Deacon of Divine Runes Mansion.

“Oh my god! Deacon! My cultivation is gone! It’s all gone!” Zhang Bin said to the deacon with teary eyes.

The deacon just stood there dumbfounded, he couldn’t react to Yi Tianyun’s speed at all!

Chapter 232 It Is Your Luck

Zhang Bin was in a nervous breakdown as he realized that he no longer had his cultivation.

“Deacon! What should I do now! My cultivation is all gone!” Zhang Bin said dramatically.

He knew that he still can develop his cultivation anew, but how many years will that take before he could reach his current level of cultivation?

He wouldn’t be strong enough at the end of his life, all of his friends would surpass him by a huge margin!

Yu Shiqian looked at Yi Tianyun in the commotion, she had this nostalgic feeling coming from Yi Tianyun, but she didn’t seem to remember seeing him anywhere.

“Older sister, are you okay?” Zhou Yu asked Yu Shiqian after seeing Yu Shiqian was staring at Yi Tianyun.

“It’s nothing, I thought that I have seen him somewhere.” She said unsurely.

“Do you suddenly find him interesting?” Zhou Yu said teasingly.

“Shut up!” Yu Shiqian said annoyedly.

At the same time, the Deacon of Divine Runes Mansion has become furious about Yi Tianyun’s action.

“It seems that Heaven’s Top Mansion was prepared to become enemy of Divine Runes Mansion! Do you want to be annihilated so bad?” the Deacon said through his teeth.

The Great Elder was silent as he didn’t know what to do, he could only wait for Yi Tianyun’s response.

Seeing that Heaven's Top Mansion didn't speak up, the deacon became more confident.

"It seems that you aren't willing to accept your fate! I will give you another chance! You have to destroy two of your disciples' cultivation and we are even!" The Deacon said confidently.

Yi Tianyun slapped him harder than he slapped Zhang Bin this time, the deacon's body was flung to the wall!

This action once again drew everyone's attention, they gasped due to shock!

They never thought that Heaven's Top Mansion was this bold.

Everyone looked at Yi Tianyun in awe now.

They knew that the deacon of Divine Runes Mansion wasn't at the low cultivation stage, so Yi Tianyun's cultivation must be higher than him, which meant that he was already in Core Condensation stage!

But they were a little bit sad to see a promising young boy like this would be in huge trouble once the Mansion Lord of Divine Runes Mansion came.

The deacon that Yi Tianyun hit was looking at Yi Tianyun with widened eyes, this was the first time someone hit him although knowing where he was from.

Suddenly his mood cheered as he saw his Mansion Lord walked towards him.

"Lord Nan Fengyun! Look at my face! How dare this Heaven's Top Mansion's scum do this to me!" the deacon said dramatically.

The Mansion Lord saw the deacon's face and sighed.

“Are you also the one that killed my direct disciple earlier?” He asked Yi Tianyun coldly while releasing his aura.

Everyone was a little bit startled by Nan Fengyun’s accusation.

Killing a direct disciple of a Mansion Lord without an apparent reason was a big crime!

Was this boy named Yi Tianyun a daredevil or just an idiot?

At the same time, a man came from behind Nan Fengyun and pointed at Yi Tianyun.

“It’s him! He is the one who killed the young master!” The man said accusingly.

He was one of Divine Rune Mansion’s disciples who stayed at the inn and witnessed the incident at the time.

“So, it is you! Now, have you lived a good life so far?” Nan Fengyun said coldly as he increased the pressure of his aura.

Nan Fengyun quickly rushed towards Yi Tianyun and quickly turned his hands into a claw, ready to ravage Yi Tianyun!

As he was getting closer and closer towards Yi Tianyun, a loud voice was heard from the palace.

“STOP!” The voice said confidently.

Hearing this voice, Nan Fengyun quickly stopped and backed from Yi Tianyun.

This was the voice of the Netherworld Empire’s Guard.

He realized that he had to obey this order if he didn't want to get into trouble with the Netherworld Empire.

"Master Cheng Feng will come out soon! You better not do anything stupid!" The guard said warningly.

Nan Fengyun just nodded at the guard and turned his attention back to Yi Tianyun.

"Consider yourself lucky that you are in the presence of the Netherworld Empire now. Otherwise, you are already dead!" Nan Fengyun said coldly.

"No, you're the one who's lucky right now." Yi Tianyun said indifferently.

Nan Fengyun was blown away by Yi Tianyun's statement.

How could a brat be this arrogant!

He really wished that he could kill Yi Tianyun now!

Chapter 233 Present

Apparently, some people in the courtyard didn't really think highly of Yi Tianyun's arrogance.

They didn't know that the real reason for this behavior of Yi Tianyun was because of Divine Runes Mansion's egotistical ways of doing things.

People in the courtyard thought that would be the end of Heaven's Top Mansion for sure!

Angering a Mansion Lord from another faction was so bad for the current Heaven's Top Mansion!

“Brat, you are so brave! Did you know who I am? Or did you have a strong backer up your ass?” Nan Fengyun said in bitterness.

“Mansion Lord Nan, you don’t need to know if we have any. It is none of your concern.” The Great Elder said confidently.

“Good, since this matter can’t be solved here, I would personally visit Heaven’s Top Mansion in the near future!” Nan Fengyun said while sneering.

Among the crowd, Zhou Yu overheard the exchange of words between Nan Fengyun and the Great Elder.

“Elder Sister, that boy has dug his own grave! He doesn’t think before he said anything, he didn’t mind his manner even though he was speaking with Mansion Lord of Divine Runes Mansion!” Zhou Yu said while frowning a little bit.

“Yeah, we still don’t know if he really has a strong backer or just plain stupid!” Yu Shiqian said as she shook her head in wonders.

Star Pavilion which was also there, was even more shocked!

They were in thorn between the status of Guest Official held by Yi Tianyun, or the Mansion Lord of a prestigious Faction!

“Pavilion Lord Li, Guest Elder Yi was too bold right now, what should we do?” Elder Yun said in worry.

“I didn’t expect this myself, I didn’t expect he was such a troublemaker!” Pavilion Lord Li said, he clearly didn’t know what to do himself.

Star Pavilion has always been neutral from the very beginning, so he couldn’t afford to help Yi Tianyun. By doing so, he would be a target for revenge later!

At the same time, a handsome middle-aged man came out from the Netherworld Empire building.

He exerted a little bit of his aura as he saw that nobody noticed his presence.

As he did so, everyone turned their heads to see who was coming, and immediately bowed their head while welcoming the Minister of the Netherworld Empire's arrival.

"Welcome everyone to my humble abode! I am grateful to see that every Mansion Lord of the faction that I invited was able to come here. I know, I must be a little bit late, but it is because my messenger gave one invitation to a low-level faction without noticing me. But rest assured, all has been taken care of at this moment." Minister Cheng Feng said assuringly.

"This time, I invite everyone here to discuss a few things for the greater future of Heavenly Border Continent. It is coming from the Emperor himself!" He said while emphasizing the word Emperor, so there should be no question at all.

Everyone took a glance at each other and then turned their head to look at the minister again.

They didn't know what they should do at this point.

"Oh yeah, today happens to be my birthday as well, I expect that everyone would give me a present appropriately." Minister Cheng Feng said excitedly.

Everyone was a little surprised to hear this news from the minister, as they didn't prepare anything in advance.

The Mansion Lord who stood closer to the minister, quickly handed over a 100-Years Ginseng on his personal inventory while praying for the minister's longevity as the present for Minister Cheng.

"This is great! I can use this ginseng to gain more blood qi, thank you very much for your generosity." Minister Cheng said humbly.

After this little exchange, many Mansion Lords quickly took something worthy from their personal belongings as a gift to Minister Cheng.

“Minister Cheng, this is a High-Grade Soul Tools which has a Dragon Clan Blood as its core. It can release an electric wave to stun the enemy.” One Mansion Lord said while giving the said weapon to Minister Cheng.

After that, one after another, Mansion Lord from various Factions gave a gift that worthy of praise from Minister Cheng.

But this interaction made Yi Tianyun frowned as he thought, “How could such a man of his caliber has no shame at all!”

Chapter 234 I am Mansion Lord!

The faces of some Mansion Lords said it all, they didn't have a good relationship with the Netherworld Empire, but now they have to give a gift for this man!

“Mansion Lord, what should we do? We don't have anything worthy to give right now.” The Great Elder said nervously to Yi Tianyun.

“It's okay, I would think of something when the time comes.” Yi Tianyun said casually.

In fact, Yi Tianyun surely had some worthy items in his personal inventory, but he hardly wanted to give it to someone else, let alone to this thick-faced pig!

“I hate this situation! I hate myself for being so weak as I'm no help to you!” The Great Elder said in a sorry expression.

“Don't blame yourself for this. I will make him pay for what he deserves!” Yi Tianyun said while smirking.

“Don’t do anything harsh now, Mansion Lord Yi! We don’t have any power to fight against the Netherworld Empire right now!” The Great Elder said to Yi Tianyun quickly.

He was afraid that Yi Tianyun would involve Heaven’s Top Mansion in more trouble.

“Don’t worry, I will not make it that obvious.” Yi Tianyun said while looking forward as his moment was about to come.

At the same time, Nan Fengyun was giving his gift to Minister Cheng.

“Minister Cheng, this is my gift to you. This is a High-Grade Soul Tools with a 5th Grade Divine Rune embedded in it. The runes added extra sharpness to the weapon!” Nan Fengyun said humbly.

Minister Cheng said his thanks and looked at the sword in excitement.

However, even though Nan Fengyun gave the gift willingly, his heart hurt to let go of his beloved weapon.

“It seems that Divine Runes Mansion really is a great faction. I will recommend some Spirit Race Rune Master to your faction after this.” Minister Cheng said excitedly.

“Thank you, Minister Cheng. I will look forward to it.” Nan Fengyun said suddenly satisfied by his choice of gift.

If a Spirit Race joined his Mansion, the reputation of Divine Runes Mansion would skyrocket in the future!

After Minister Cheng was done talking with Nan Fengyun, they both looked at the next faction and it was none other than Heaven’s Top Mansion!

Nan Fengyun looked at Yi Tianyun with disdain and a smirk plastered in his face, while Minister Cheng was looking at him with a frown in his face.

Yi Tianyun didn't seem to lose his composure at this uncomfortable stare and glare those two gave him.

"Very bold move here, Heaven's Top Mansion! How dare your Mansion Lord to not come to give his respect to Netherworld Empire!" Nan Fengyun said challengingly.

Yi Tianyun looked at Nan Fengyun in bored expression.

"I don't want to burst your bubble, but I am the Mansion Lord of Heaven's Top Mansion!" Yi Tianyun said indifferently.

Everyone on the courtyard was surprised to hear Yi Tianyun's claim.

They had the same question circulating in their head, how could a young man like Yi Tianyun become a Mansion Lord!

"Is this true, Great Elder? Did you back his word?" Nan Fengyun said challengingly to the Great Elder.

"Yes, this is the truth! He is our new Mansion Lord!" The Great Elder said confidently.

"This is really something else! A stupid brat becomes a Mansion Lord? How Heaven's Top Mansion has fallen!" Nan Fengyun said while laughing out loud.

"Did anyone care about your opinion?" Yi Tianyun said indifferently.

He proceeded to ignore Nan Fengyun, leaving the bitter old man furious.

But he couldn't do anything to Yi Tianyun at this moment, the Minister has already forbidden anyone to start a fight in this courtyard!

Yi Tianyun walked toward Minister Cheng and handed him a beautiful sword.

“Minister Cheng, this is a High-Grade Soul Tools I presented as your gift.” Yi Tianyun said with a serious tone in his voice.

“Yes, this is a wonderful weapon! It is not inferior in terms of quality than the gift from the Divine Rune Mansion earlier. It seems that time has really changed. After all, such a young man like you is already able to become a Mansion Lord!” Minister Cheng said excitedly.

“Thank you very much for your praise, Minister Cheng!” Yi Tianyun said casually.

As he bowed in front of the Minister, Yi Tianyun flicked a little pill towards Minister Cheng quietly.

This pill is the Bad Luck Pill that he got from the roulette earlier. After reading the description, he knew that this pill didn't have to be consumed by his target to activate its effect. It just needed to be in the target's possession!

He was looking forward to the bad luck that would happen to the minister at any second now!

Chapter 235 Add More Fun

Now everyone on the courtyard could see why Yi Tianyun was standing in front of Heaven's Top Mansion from the very beginning.

He was the Mansion Lord himself!

Now, all those people thought of was just who the hell was Yi Tianyun?

Was he the son of the previous Mansion Lord of Heaven's Top Mansion?

Or was he a son of some influential man?

Everyone couldn't help but wonder.

Yi Tianyun wasn't a man without power either. It was clear that he was at least a cultivator of Spirit Core stage if not higher from the previous incident before the arrival of Minister Cheng! People couldn't grasp on what stage Yi Tianyun's power really was, he hasn't shown his aura to anyone before, so no one knew how powerful he really was.

"No wonder he came here with Heaven's Top Mansion, he is the Mansion Lord himself!"

Elder Yun said, a little bit startled by Yi Tianyun's revelation.

This revelation piqued Li Tianlong's interest.

Now he was really curious about Yi Tianyun's power and such!

Yi Tianyun just smiled toward Minister Cheng and returned to his previous spot.

He didn't care about anyone that stared in wonders at him.

"Minister Cheng! It is clear that my gift was much better than that brat's gift! I have the advantages of a 5th Grade Divine Rune on my gift!" Nan Fengyun said bitterly.

Cheng Feng ignored Nan Fengyun's whine and proposed that Yi Tianyun demonstrated a little bit of his power in front of everyone with a mock battle.

Yi Tianyun agreed on the spot.

He was not some weakling that Cheng Feng could shame in front of others!

He will make sure to crush anyone!

“Since Mansion Lord Yi agreed to do a mock battle, I propose my man to be his opponent. He is an inner disciple of Divine Runes Mansion. I hope that you would perform as your title suggests!” Nan Fengyun said to Yi Tianyun in sarcasm.

Hearing Nan Fengyun’s words, Yi Tianyun felt like crushing whoever he sent to him to a pulp!

As Yi Tianyun entered the platform, Nan Fengyun sent a guy named Zheng Yu to fight Yi Tianyun.

Nan Fengyun didn’t stop there, he shouted at Yi Tianyun to catch the sword he was about to throw and then threw the sword in a high speed.

If Yi Tianyun wasn’t prepared himself, it could cause serious injuries for sure!

Yi Tianyun couldn’t do anything about Nan Fengyun’s little show here, in everyone’s eyes, it was just a little support to Yi Tianyun by giving him a weapon.

But as to make a show out of it, Yi Tianyun began to twirl the sword beautifully, enraptured some of the audience.

After his little show, Yi Tianyun was ready to start as Zheng Yu was ready too.

“Minister Cheng, I hope that you will not be disgusted by a few bloodsheds on the arena.” Nan Fengyun said humbly.

“It’s okay, how can I be a minister of the Netherworld Empire if I am afraid of a little blood.” Minister Cheng said casually.

With that said, Nan Fengyun began to grin, this word by Minister Cheng was the same as authorizing some random attack, even if Yi Tianyun was killed, it would not be a problem!

It could be waved of as an accident and the lack of skill from Yi Tianyun.

“Zheng Wu, I hope you show us your true talent! And not be a disappointment to Divine Runes Mansion! And I hope for the same thing to you Mansion Lord Yi, I hope that you will live up to your title.” Nan Fengyun shouted excitedly.

“Relax, if I lose, I will resign from my position as a Mansion Lord.” Yi Tianyun said indifferently.

Hearing Yi Tianyun’s word, many people were a little bit surprised.

How could he bet something so important that easily!

Only the eyes of the Great Elder that were showing a different emotion, he was the only one who showed a wide smile on his face.

He knew that Yi Tianyun wouldn’t lose against Zheng Wu!

As Minister Cheng signed the start of the battle, Zheng Wu immediately activated the 5th Grade Divine Rune on his sword, sharpened the blade more.

This Divine Rune enhanced the quality of the sword exponentially making Yi Tianyun’s sword pale to comparison!

Yu Shiqian at the side couldn’t bear to look at the arena, that was too much!

At this time, the gap between their weapons was too wide!

Chapter 236 Bad Luck Pill

“Sister, let’s have a bet! I bet that Zheng Wu will win!” Zhou Yu said excitedly.

“Don’t you think Mansion Lord Yi is a bit too calm for someone you consider would lose?” Yu Shiqian said as she observed the match.

“If I lose this bet, you will accompany me to see Young Master Hua! If you lose, you will tag along on my next cultivation! Agreed?” Yu Shiqian said teasingly.

“Sister, you are too crazy at cultivating! It’s not fun! But sure! I will take on your challenge!” Zhou Wu said while puffing his cheek.

In the arena, Yi Tianyun held his sword at his chest as he waited for Zheng Wu to attack.

This move confused everyone watching a little bit, why didn’t Yi Tianyun attack?

He would surely be on disadvantages as Zheng Wu’s sword was better for an offense.

Since Yi Tianyun’s action was quickly deciphered as a challenge by Zheng Wu, he quickly rushed forward to attack Yi Tianyun with all his might.

As he started to swing his sword, Yi Tianyun quickly parried Zheng Wu’s attack by slamming his sword to Zheng Wu’s sword, sending a shockwave to Zheng Wu’s arms.

Zheng Wu quickly felt the numbness on his arm and was forced to let go of his sword, Yi Tianyun quickly took this chance and kicked Zheng Wu with a considerable amount of force.

Zheng Wu was flung toward the edge of the arena with his aura became weaker by the second!

‘DING’

‘Successfully killed Zheng Wu!’

'Reward: 170.000 Exp, 2.600 Crazy Points, 30 Sin Points, 500 Divine Rune Mastery, God Finger Martial Art, Qi Condensation Secret Art.'

Seeing Zheng Wu was killed in an instant, everyone was surprised beyond belief!

Zheng Wu's cultivation was at 6th stage Core Condensation, which was not below average at all!

This revelation simply stated that Yi Tianyun's cultivation was much higher than Zheng Wu's!

"You lose, Zhao Yu! That means that you will come to my next cultivation too!" Yu Shiqian said excitedly.

"How is this possible? He really is strong despite being that young!" Zhao Yu said as she was quite surprised.

"Mansion Lord Nan, he is the one who killed your Direct Disciple! He should be far stronger than Zheng Wu by default!" One of Divine Runes Mansion's deacon said to Nan Fengyun.

"You should have told me sooner!" Nan Fengyun said bitterly.

Yi Tianyun couldn't hear their conversation from that distance, but he could guess that whatever they talked about was not good for Nan Fengyun.

"Mansion Lord Nan, I wonder do I deserve my title now?" Yi Tianyun said challengingly.

"You sure are qualified!" Nan Fengyun smiled bitterly as he walked away from the arena.

He couldn't send more people up there as that would be a fatal blow to his faction if by any chance Yi Tianyun kept winning over them.

And he couldn't go up there himself, the age gap was too far apart, even if he won, people would look at him as a child killer in the future!

At the same time, Minister Cheng quickly applauded Yi Tianyun's performance.

"Yes, you are amazing! To have such high cultivation at a young age! You will definitely be a great person in the future!" Minister Cheng said excitedly.

"But it seems that Mansion Lord Yi wins against such a weak disciple, how about we continue your performance? I want to see more of your power! Now that we know that you are strong, I will let anyone fight you! No age limitation needed!" Minister Cheng said while smirking.

Hearing Minister Cheng's word, everyone was quite surprised!

Everyone couldn't help but thought what has Yi Tianyun done to receive such hate from the Minister of Netherworld Empire?

Yi Tianyun's eyes were cold, he definitely would make this man pay for his sin!

But as the time was already long enough, he couldn't help but wonder, why didn't the Bad Luck Pills he threw earlier activate yet?

'Come on! Where's the bad luck?' Yi Tianyun thought to himself.

'DING'

'Bad Luck Pill's effect activated! Time limit: 5 minutes.'

Yi Tianyun was surprised, he didn't know that the pill's effect was activated manually!

Chapter 237 Bad Luck Pill Terrifying Might

After the Bad Luck Pill took effect, Cheng Feng was immediately covered with a circle of light.

Except for Yi Tianyun, it seems that no one else saw this light.

“I agree with Minister Cheng. It may be Zheng Wu’s sword was faulty from the beginning. What do you think, Mansion Lord Yi?” Nan Fengyun said challengingly.

“I have no problem with whatever you’re scheming.” Yi Tianyun said indifferently.

“That is an attitude of the Mansion Lord indeed.” Nan Fengyun said as he walked towards the arena.

As he walked towards the arena, suddenly Minister Cheng tumbled towards him and hit Nan Fengyun’s back as they both fell down.

In their fall, their hands and legs become intertwined, making the end result to be very intimate!

Many people were covering their faces in shame for seeing a high ranking officer acting like this.

“No, this is an accident!” Cheng Feng said as he immediately stands up.

Nan Fengyun also stood up at almost the same time, and they quickly tumbled again for the second time.

This time, Cheng Feng and Nan Fengyun fell directly on top of each other while their mouth was pressed against each other!

Yu Shiqian immediately covered her eyes and Zhao Yu’s eyes, she didn’t want Zhao Yu to see a man kissing another man!

Many people also did the same as they didn’t want to see Minister Cheng’s private moment.

Minister Cheng Feng immediately stood up in anger and pushed Nan Fengyun hard.

He felt ashamed for kissing a man and on top of that seen by every Mansion Lord and their trustee of Heavenly Border Continent!

“This is all an accident! You hear me! None of this should get out! If I hear any of this, I will be your personal enemy!” Minister Cheng said in anger.

“Now, bring me a glass of water!” Minister Cheng said as he ordered his guard.

As he drank his water, Minister Cheng coughed.

It seemed that he drunk too fast!

“Son of a bitch! What kind of water is this! Why am I coughing after drinking this shit!” Minister Cheng said as he threw the glass away.

As he threw the glass, Minister Cheng wobbled and he fell on the guard who stood next to him.

Weird things happened one after another, the sword that the guard was handling easily penetrated Minister Cheng’s body!

His physique wasn’t weak. In fact, he had the strongest defensive physique among Netherworld Empire’s personnel, but the guard’s sword was at least a lower grade soul tool rank, so the sword could do a lot of damage if the target wasn’t prepared.

Cheng Feng screamed in pain.

The guards panicked as they never encountered this kind of accident.

Furthermore, the guards were afraid that they would be the main target of his wrath!

Cheng Feng began to stand and tried to pull the sword out of his body, he refused all the help that his guard was offering and ordered them to stay away from him.

“I can handle this myself! Don’t get near me! Stay away!” He said in frustration.

He pulled out the sword smoothly from his body and immediately closed up his wound.

With his cultivation, it was easy to stop bleeding.

The one thing that he hated the most was that the shame he got from all this.

How could a minister of Netherworld Empire act this shameful!

Cheng Feng immediately took a Medicinal Pill from his storage ring without checking it first and immediately swallowed the pills.

After a few seconds, he was vomiting black blood!

That was the effect of poison, it seemed that he mistakenly took a poison as a medicinal pill!

With his cultivation ability, he quickly suppressed the flow of poison in his body and took the real medicinal pills and antidote for his own poison.

With his life no longer in critical condition, he was pale and weak from the constant accident.

Although he was not weak, he was still affected by all this continuous bad luck.

As he walked toward the stair to rest, Cheng Feng once again found himself humbled by the stairs.

That was because he was still dizzy and unstable from the blood loss earlier.

He immediately hit the gift that was given to him earlier at the bottom of the stairs.

The bright long sword was already waiting for him there, as he hit the gift basket, the High-Grade Soul Tool with 5th Grade Divine Rune on it cut through his back, almost lopping off his arms!

Yi Tianyun, on the side, had a cold sweat on his face.

The Bad Luck Divine Pill was truly divine!

From the look of it, Cheng Feng could die at any minute now!

Yi Tianyun couldn't wait to see what he got if Cheng Feng really died after all this!

Chapter 238 Arrangement

Nan Fengyun on the side was a little bit nervous, as that was his sword which cut through the Minister of Netherworld Empire's back!

If Minister Cheng wanted it, he could be facing some consequences.

Fortunately, Cheng Feng had a harder life before he became a minister.

So, he didn't hold this against anyone.

He immediately took out the long sword from his back and then quickly consumed a medicinal pill to restore his blood volume as he already lost so much blood.

But this series of bad luck really unnerved him so much so that he decided to meditate and recover on the spot!

‘DING’

‘Bad Luck Divine Pills effect is over.’

At the same time as the notification was sounded, the ring of light around Cheng Feng faded.

Too bad!

Yi Tianyun thought to himself, if the effect lasted more than 5 minutes, Cheng Feng might be dead!

As he didn’t seem to encounter any more bad luck, Cheng Feng immediately walked slowly and carefully towards the stair and into the building.

He didn’t let anyone come near his proximity.

He even gave the sword that cut his back to one of his guards!

He immediately shouted from the upper stairs, “No one speaks about what happened here! Ever! Now, everyone could take a break and rest. The guards will escort you to your designated room. You will stay here for a few days, and the Netherworld Empire would try our best to accommodate your needs!”

Everyone looked around in confusion as they didn’t know that they have to stay there for a couple of days.

Nan Fengyun however, looked at the sword he gifted to Minister Cheng was now in the hands of a mere guard.

Cheng Feng quickly retreated to his private chamber after his little speech, leaving the guards to accommodate everyone else.

Before leaving towards his room, Nan Fengyun glanced at Yi Tianyun and looked at him with powerful killing intent.

He wanted to hurt Yi Tianyun really bad, but now wasn't the time!

A room was also arranged for Yi Tianyun in the building, but it seemed that Heaven's Top Mansion was treated differently as other factions.

They didn't get a VIP room.

Moreover the room that they occupied was a little too small for their need.

"Grandfather! They are clearly discriminating against us! We don't get the same treatment as the other factions! How can they do this to us!" Mu Xian'er said furiously.

This frustration didn't only happen in Mu Xian'er's mind.

The Great Elder was also thought things in here weren't fair. But there was nothing that he could do to make demands toward the Netherworld Empire.

"It is clearly not a good thing to attend this dinner. They make fun of us and even demand tribute! But still, they put us in the normal rooms whereas others get the VIP treatment." The Great Elder said while sighing heavily.

"It is okay! We don't need their recognition! We are here to simply observe the opponent's ability. After we know what they're planning, we can devise a countermeasure." Yi Tianyun said indifferently.

"Don't do anything reckless, Mansion Lord Yi. We aren't strong enough to hold back the Netherworld Empire just yet!" The Great Elder said worriedly.

“Relax, I wouldn’t do anything that would cause harm to anyone around me. If I do anything, that will be after some thinking.” Yi Tianyun said while smiling genuinely towards the Great Elder.

“They thought that we have allies somewhere hiding, they don’t believe that the death of the shadow guards was my doing!” Yi Tianyun said while smiling.

Chapter 239 Change

The Netherworld Empire didn’t choose to destroy the Heaven’s Top Mansion immediately because they still didn’t know who was backing the Heaven’s Top Mansion.

The best thing that they could do was to recruit Heaven’s Top Mansion into their rank.

The second elder’s rebellion was also a part of their plan, as it would scrape off Heaven’s Top Mansion’s forces afterward.

The only thing which didn’t go as planned was that the Shadow’s Guards that was sent to help the second elder were easily killed!

At the moment, Yi Tianyun was preparing to go out of the room for a little while, he let the Great Elder knew that he would be going out for a little while.

The Great Elder quickly nodded his head and didn’t ask any question after that.

As he opened the door to go outside, a guard immediately stopped him.

They said that it already passed the curfew given so that they have to remain inside the room until morning.

Yi Tianyun sighed as it seemed that the treatment here wasn’t really great, it was like they didn’t even see Heaven’s Top Mansion as a guest in this place.

Once he returned back to his room, the Great Elder and Mu Xian'er expressed their frustration.

Yi Tianyun only sighed again and said that it was okay, he will just go from the window instead.

Yi Tianyun quickly jumped out of the window into the tile on the roof.

The Great Elder and Mu Xian'er were a little bit surprised, but they didn't do anything as they trusted Yi Tianyun wouldn't do anything to endanger their lives.

On the roof, Yi Tianyun quickly used his stealth ability and was completely hidden in the night.

He saw that many guards were patrolling the place but they didn't see Yi Tianyun even though Yi Tianyun was only a few feet away from them.

He quickly leaped towards the main building where Cheng Feng resided.

He wanted to see what was Cheng Feng planning for them right now, he already decided that if Cheng Feng was planning something bad for Heaven's Top Mansion, Yi Tianyun would take immediate action.

As he leaped towards Cheng Feng's resident, he heard a yell from one of the rooms near him.

"That son of a bitch! I didn't expect him to be a Mansion Lord! If it's not because of Minister Cheng's unfortunate event, I would already kill him on the stage!" Nan Fengyun shouted.

Yi Tianyun only rolled his eyes hearing Nan Fengyun's childish tantrum and quickly headed to Cheng Feng's resident.

At the same time, as he left, Nan Fengyun was being consoled by one of his elders.

“Lord Nan, we can’t do anything right now, and he is also the Guest Elder of Star Pavilion. He got that title after winning the Star Pavilion Divine Rune tournament earlier.” The elder said honestly.

“So young, yet he already reached the 4th Grade Divine Rune Master! No wonder he already became a Mansion Lord at such a young age! It is a shame that he would be dead after leaving this place.” Nan Fengyun said while laughing evilly.

Yi Tianyun soon quickly arrived at the depths of the Palace, there were not so many guards in there compare to outside.

“This should be the place!” Yi Tianyun said as he began to sneakily search for Cheng Feng’s room.

As Yi Tianyun searched, he suddenly hears someone shout.

“I told you to not get close to me! I will throw the paper to you, just wait there!” it was Cheng Feng’s voice!

Yi Tianyun didn’t expect that Cheng Feng became this paranoid after experiencing the Bad Luck Divine Pill firsthand.

Yi Tianyun quickly used his Hundred Transformation Mask and used a black cloth to cover his face, and he immediately hid near the windows and observed Cheng Feng from there.

“Is this all the information that you collected? This is all useless! Fuck! Can’t you do your job thoroughly you useless piece of shit! You can’t even find anything good from that shitty Heaven’s Top Mansion!” Cheng Feng said rudely to his shadow guard.

“I can’t find anything about their expert, it is like he didn’t exist at all! The only thing I know for sure is that their Mansion Lord has already lost his cultivation!” The shadow guard said in frustration.

“If there is no expert how can they kill that many of my shadow guards easily! I cultivated them thoroughly! There is no way a crippled faction like Heaven’s Top Mansion could handle them easily!” Cheng Feng said furiously.

He quickly picked up a chair near him and threw it towards the Shadow Guard.

“Forget it! I will grab the kid that poses as a Mansion Lord myself! I will make him serve under me! Perhaps he would be more useful than you trash! I don’t believe that they have an expert that’s more powerful than our Netherworld Empire! Even if they have a dragon, I will serve it on a silver plater to the emperor!” Cheng Feng said furiously.

Chapter 240 Assassination

Yi Tianyun couldn’t believe a large faction like Netherworld Empire would do something like that to make sure their plan succeeded.

As he listened more to their conversation, the Shadow Guard was getting impatient, he asked Cheng Feng, couldn’t they just kill them instead of doing something like this.

Cheng Feng suddenly became angry after hearing the Shadow Guard’s word.

“Did you hear what you just said? Don’t you know that we need all the resources we can get our hands on? Even though Heaven’s Top Mansion is weak, we couldn’t just dispose of them like so! We need the Xuan Tian Divine Art! And we also need whoever it is that back then! We need all for the war against the Heavenly Dragon Empire! The Spirit race’s rebellion is not sorted either, making it harder for us to focus on one problem each time!” Cheng Feng said in anger.

“What if they resist complying?” The Shadow Guard said in a hurry.

“Then we kill them! We don’t need anything that will not see the future the same as ours!” Cheng Feng said coldly.

“If you say so, I will go capture some of them!” The Shadow Guard said hurriedly as he faded into the shadow.

Yi Tianyun quickly followed this Shadow Guard and quickly killed him as he arrived somewhere remote.

'DING'

'Successfully kill a Shadow Guard!'

'Reward: 250.000 Exp, 3.200 Crazy Points, 50 Sin Points, Shadow Step Martial Art.'

Yi Tianyun quickly stripped the Shadow Guard he killed immediately and use the Shadow Guard's clothes to impersonate him. He immediately used the Shadow Step to go back to Cheng Feng's place.

As he entered Cheng Feng's room, Cheng Feng immediately noticed him and asked him why he returned immediately after leaving.

Yi Tianyun was forced to improvise as he didn't expect Cheng Feng to immediately notice him like that.

He observed Cheng Feng with Appraisal Eye to know the extent of Cheng Feng's power.

'Name: Cheng Feng'

'Cultivation: 5th Level Core Transformation'

'Combat Power: 1.900.000'

'Martial Arts: Shaking the Heaven's Palm, Golden Body Secret Art'

'Weakness: Wound on the left arm'

Yi Tianyun was a little bit shocked to see Cheng Feng's status, even though he didn't use any equipment, his combat power was already that high!

Cheng Feng couldn't be compared to any of his previous enemies!

For the weakness, it seems that the Bad Luck Pill earlier made one for Yi Tianyun now, if that was not the case, Cheng Feng might not have any weakness!

Golden Body Secret Art was a martial art that granted extraordinary defensive power, it could withstand Yi Tianyun's attack for sure!

"What's the matter with you! Why are you just standing there like a twat!" Cheng Feng said, losing his patience.

"My lord! There is still one important matter that I forgot to say to you earlier!" Yi Tianyun said as he lowered his head to show respect.

"What is it? Just spit it out!" Cheng Feng said impatiently.

"Yes, my lord!" Yi Tianyun said as he took out a piece of paper from his pocket and walked slowly toward Cheng Feng.

"Stop right there! That is close enough! Just throw it to me from there!" Cheng Feng said as Yi Tianyun got closer to him.

Yi Tianyun was a little bit ticked by Cheng Feng's paranoia, it seemed that the Bad Luck Pill earlier only hindered his plan to attack right now!

In desperation, Yi Tianyun quickly tossed the piece of paper toward Cheng Feng and as the Paper landed on Cheng Feng's hand, he quickly readied himself to attack with his most powerful attack!
