

Leveling 251

Chapter 251 Exploded

The Black Dragon surprised everyone, Mu Xian'er has heard once that a man with a Black Dragon saved Yang Xixue when she was in the sea but she didn't recognize Yi Tianyun when she saw him in the Mansion.

She also thought of the man with a Black Dragon who slaughtered the entire Wang Family, was Yi Tianyun the same person as any of that man?

She began to wonder.

When they were still shocked by the appearance of the Black Dragon, The Black Dragon has already begun attacking anyone trying to escape.

It spouted intense flame from its mouth and clawing anyone close enough!

'DING'

'Successfully killed Flowing Wind Mansion's Deacon!'

'Reward: 690.000 Exp, 1.400 CPs, 50 SPs.'

'DING'

'Successfully . . .'

The Black Dragon kept attacking and killing anyone close enough to the exit, it was highly unfair for those who wished to escape.

The Black Dragon had a thick scale that could nullify most damage, and with the Black Dragon already reaching 6th Layer of Spirit Core Stage, those people who thought of running away wouldn't have any power to deal any damage to it!

Yi Tianyun, on the other hand, kept killing everyone who still believed that they had a shot at catching Yi Tianyun off guard.

They would surely realize that they were mistaken as Yi Tianyun's blade ripped open their stomach or throat!

"You will not see the light of day again!" Lin Hao roared as he crushed the Jade Emblem on his hand.

The Shadow of the Netherworld Empire appeared immediately, making everyone surprised once again.

Many Mansion Lord and Deacon sighed in relief after seeing the Shadow of the Emperor.

They thought with the mighty shadow at their side Yi Tianyun will finally die!

Yi Tianyun looked at the shadow indifferently.

He already guessed that Lin Hao as one of the Netherworld Empire Ministers would have something like this.

The shadow used its primary attack, Netherworld Divine Palm!

It was so huge that it covered the entire place, seeing that they had nowhere to run, the Great Elder and Mu Xian'er quickly ran towards Yi Tianyun while the other Mansion Lord and Deacon begged for Lin Hao to save them.

"Stop begging for mercy, you are a bunch of thrashes anyway!" Lin Hao said coldly.

Lin Hao turned his attention back to Yi Tianyun, he was a little bit conflicted to see Yi Tianyun didn't show any emotion that he wanted to see.

Was Yi Tianyun really that powerful?

Could Yi Tianyun actually block the Netherworld Divine Palm?

That question popped out in Minister Lin Hao's mind.

Yi Tianyun quickly activated the Dragon God Bloodline and Xuan Tian Divine Art immediately, covering his body with a dragon scale and light blue crystal.

In addition to those two abilities, he also activated the Golden Body Secret Art he got from Cheng Feng to enhance his defensive capabilities.

That was his most powerful defense ability for now.

He used that ability instead of teleportation or the Shadow Cloak so that he could protect the Great Elder and Mu Xian'er who were relying on him.

As the Netherworld Divine Palm descended from the sky, Yi Tianyun quickly leaped off to receive the attack head-on!

The attack reached Yi Tianyun faster and suddenly exploded!

After the explosion, everybody was shocked beyond belief!

They saw Yi Tianyun on the ground unscathed!

Lin Hao was pale.

He couldn't believe that Yi Tianyun was capable of blocking the Emperor's strongest attack!

Meanwhile, the Emperor's Shadow repeated his attack.

Seeing that the emperor shadow wouldn't stop until the duration ran out, Yi Tianyun immediately rushed toward the Emperor's Shadow and quickly punched the shadow as hard as he could.

His action immediately paid off, as the Emperor's Shadow was instantly busted and disappeared!

Chapter 252 12 Millions

While he could destroy the shadow, it didn't mean that Yi Tianyun was more powerful than the Emperor himself!

This shadow didn't have any equipment or anything of the sort.

So, the shadow was far weaker than the actual Emperor!

But that was all Yi Tianyun currently needed to turn the tide!

He knew Lin Hao would be devastated to see the Emperor's Shadow being destroyed that easily!

"How could this happen!" Lin Hao said as he looked at Yi Tianyun with disbelief.

He quickly snapped out of his trance as he saw Yi Tianyun quickly rushing towards him.

Lin Hao quickly pulled out another jade emblem from his storage ring, but Yi Tianyun was far quicker than him.

Yi Tianyun immediately sliced the jade emblem into two with the Sword of Endlessness.

The jade emblem immediately shone bright and then fell to the ground like a piece of crap.

Seeing that he had no other ways to defend himself from Yi Tianyun, Lin Hao immediately took a pill, which will burn his Blood Essence momentarily to achieve a huge boost of fighting power.

He also took out a high-level weapon to fight Yi Tianyun with.

Yi Tianyun used his appraisal eye to see Lin Hao's combat power and his weapon.

He noticed that Lin Hao combat power has risen to 6 million and that the weapon that he held was Heaven Level Weapon!

Lin Hao has achieved such a strong state of power only by eating a medicinal pill!

Yi Tianyun smirked after seeing this information!

With the way he was then, he was more powerful than Lin Hao!

Furthermore, enhancing the combat power like that wouldn't be good for Lin Hao anyway, there will be a side effect of enhancing power like that!

But he shouldn't worry about Lin Hao as he would kill Lin Hao soon anyway.

Lin Hao has put his confidence in his combat power, he already burned his Blood Essence for that, so there was no way Yi Tianyun would be able to defeat him now!

But seeing Yi Tianyun smirking, his confidence quickly took another hit. was he really capable of defeating Yi Tianyun?

The question constantly haunted him.

Read this novel on original translation site [systemtranslation\(dot\)com](http://systemtranslation(dot)com).

He quickly shook his head to snap him out of the unnecessary thought and immediately shouted that he would kill Yi Tianyun even if that was the last thing he will do!

Lin Hao ignored the existence of Xuan Tian Divine Art completely, now he only wanted to kill Yi Tianyun!

He didn't need the Divine Arts if he had to die!

Lin Hao quickly rushed towards Yi Tianyun with all his might, releasing a powerful aura in his wake.

Lin Hao released a Mad Dragon Technique that he had, covering his body in an emerald Dragon Scale.

This state was foully similar to Yi Tianyun's Dragon God Bloodline Technique!

He immediately raised his Heaven Grade Weapon to strike Yi Tianyun.

Yi Tianyun also lifted his Sword of Endlessness after activating his Luck Aura and clashed it with Lin Hao's weapon!

Sword of Endlessness immediately turned red as it struck Lin Hao's Weapon.

With the help of Luck Aura and his Prestige Point, the Sword of Endlessness' effect was successfully activated, doubling his combat power once more!

After the Sword of Endlessness' effect activated, Yi Tianyun's combat power raised once more to 12 million!

With that much raw power, Sword of Endlessness shattered Lin Hao's Heaven Grade Weapon, the impact from the attack made its way to Lin Hao's arm, numbing his arm completely!

At the same time, the Sword of Endlessness was also destroyed!

It seemed that it couldn't withstand the amount of raw power within that attack.

"Unfortunately, our weapons couldn't withstand that simple attack! Now, should we fight with our bare hands?" Yi Tianyun said casually to Lin Hao.

Chapter 253 Burn All

Yi Tianyun knew that all weapons had their own durability, he could also fix almost any weapon up until the High-Grade Soul Tool grade with his Blacksmith Mastery.

But none of it mattered as of right then, every weapon would break from the intensity of his power!

Yi Tianyun immediately turned his attention back to Lin Hao.

He saw that Lin Hao was still shocked by the sword clashes earlier.

Yi Tianyun also noticed that Lin Hao's right hand was limp from the shock of the clashes, it could probably be broken too.

In fact, everyone was shocked beyond belief!

The raw power behind the attack just now was definitely a Core Transformation's power!

Which meant Yi Tianyun had the same level of cultivation as Minister Lin Hao!

Seeing that he couldn't attack Yi Tianyun with his limp hand, Lin Hao immediately crushed another Jade Pendant!

The Shadow of the Netherworld Emperor once again rushed to attack Yi Tianyun.

But Yi Tianyun had enough of that puppetry play, so he immediately rushed over to the shadow and destroyed the shadow before it could attack!

"Do you have no other tricks left?" Yi Tianyun said, visibly annoyed by the repetitive attack of his opponent.

"Stop! Don't come any closer! If you kill me, you will be marked by the Netherworld Empire for sure! If that happens, Heaven's Top Mansion won't stand a chance!" Lin Hao said as he still wanted to live.

"You evil scum always say the same thing as you are in your death's door! I guess it would have been the same for your victim, isn't it? If the one begging mercy right now is me, would you let me go? Stop pretending everything is in your hand when it's clearly not!" Yi Tianyun said coldly.

Seeing that there was no way Yi Tianyun will spare him, he quickly tried his luck on escaping.

He quickly reached out for a flying Divine Rune from Lin Hao's storage ring. That item that Lin Hao had was somewhat the same as his Phoenix Wing.

But it was not as good as the Phoenix's Wing.

"Who says you can leave this place? Didn't I say today is the day you die?" Yi Tianyun said coldly.

Yi Tianyun quickly reached out for his Cold Ice Divine Bow and immediately used the bow's special effect to increase the damage.

As he released the arrow, the arrow flew spectacularly.

As soon as the arrow reached Lin Hao, the arrow pierced through his body like paper and completely froze him!

As Lin Hao was frozen while flying, he was immediately shattered into million pieces as he fell to the ground!

'DING'

'Successfully killed Lin Hao!'

'Reward: 2.800.000 Exp, 16.000 CPs, 300 SPs, 5.000 Divine Rune MPs, Soul Breaking Finger Martial Art, Heaven Holding Divine Art, X10 Exp Card, Divine Talisman, Heaven Holding Giant Sword, Heaven Holding Divine Armor, Heaven Holding Leg Guard.'

'DING'

'Successfully killed an Elite Enemy!'

'Reward: 30.000.000 Exp, 100.000 CPs, X30 Exp Card, 1x Enhanced Lottery Roulette Draw.'

Seeing the notification for killing Lin Hao, Yi Tianyun was very happy!

He already reached halfway for the next level up, plus he got another set of equipment that could replace his previous set!

But he noticed that the Mansion Lord with the cultivation above him wasn't counted as an Elite Enemy.

From the information he had, Lin Hao was at least 6 levels above him.

If he was correct on guessing the system's rule, then the opponent had to be at least 6 levels above him to be considered an Elite Enemy!

He immediately turned his attention to the remaining cultivators in the place.

Those people were the remaining representatives of the faction which joined the Netherworld Empire earlier.

They were among the people who talked shit and kept disregarding Heaven's Top Mansion earlier.

As they begged for mercy from Yi Tianyun, Yi Tianyun didn't feel anything for these men.

"When our position was reversed, and I was the one begging mercy, would you give mercy?" Yi Tianyun said coldly.

Yi Tianyun immediately ordered the Black Dragon to burn everything to the ground!

Chapter 254 Transformation

"Kill us then! Get it over with! Your Heaven's Top Mansion would be destroyed by the Netherworld Empire anyway!" One of them said while the Black Dragon was burning them to cinders one by one.

"Rest assured, you will be waiting for the rest of Netherworld Empire in the underworld!" Yi Tianyun said coldly.

Soon enough, they were all dead, burned by the Black Dragon.

Yi Tianyun received a lot of exp for this extermination along with Sin Points and mastery.

Many of them had mastery in blacksmithing, pill refining and divine rune.

So, his Mastery was increased equally.

As soon as he killed all of the enemies, all enhancing cards he used were expiring.

He was glad to have those Exp Cards, it became easier to level up as he activated them.

“Mansion Lord Yi, we already took all storage rings we could find. We also collected many Soul Tools which are still usable scattered around the place.” Mu Xian’er said as she felt somewhat shy to talk to Yi Tianyun.

“Okay, we will get out of here shortly.” Yi Tianyun said casually.

The Great Elder soon approached Yi Tianyun to give Yi Tianyun all the Storage Ring that he could find.

Yi Tianyun shook his head and then gave the storage ring back to the Great Elder, “Take it Great Elder, use it for the betterment the Heaven’s Top Mansion.” Yi Tianyun said solemnly.

“Of course, Lord Yi. I will do as you command!” The Great Elder said while bowing to Yi Tianyun.

The Great Elder was somewhat hopeful, he had a feeling that Heaven’s Top Mansion will surely be directed to the better future with Yi Tianyun’s leadership.

Yi Tianyun took the storage ring from Lin Hao and said that it was for Heavenly Jade Sect.

The Great Elder nodded in understanding and they soon climbed to the Black Dragon’s back to get back to Heaven’s Top Mansion.

As they were already up in the air, Yi Tianyun ordered the Black Dragon to burn the place down.

He directed the Black Dragon to return to Heaven's Top Mansion in a roundabout way.

He didn't want the burned castle of Netherworld Empire to find out it was related to Heaven's Top Mansion.

Yi Tianyun also shot down all guards that he saw around the place.

He didn't want to have any eyewitness tying him to that incident either.

As he saw that there was no one else who saw him there, he quickly flew away.

The rest of the guards who didn't know anything about the fight earlier was surprised to see fire broke out and quickly evacuated from the castle.

With the intensity of the fire, the castle was quickly burned to the ground, leaving nothing behind!

At that time, no one was alive around the vicinity to be blamed for the fire.

The guards couldn't find their lord Lin Hao, panicked.

So, the guards assumed that the Minister of the Netherworld Empire was once again dead!

White Lotus Mansion and Star Pavilion, who still resided in Gathering Dragons City, soon came over to see what happened, as the fire was so fierce that it was visible from the city.

They were surprised to see the place that they visited just a moment ago was nearly burned to the ground!

Li Tianlong, the Lord of Star Pavilion, immediately knew that the fire wasn't any ordinary fire.

It was an advanced level fire that high leveled blacksmith rarely had.

He couldn't help but think that the one who was behind it was prepared to have a war against the Netherworld Empire!

Mansion Lord Qin of White Lotus Mansion also felt the same way about the situation, she added that the rest of the Mansion Lords that staying inside the place didn't seem to be able to get out and presumably already dead inside the fire.

Li Tianlong looked at the fire with sad eyes.

It was really a sad day to lose such a young genius like Yi Tianyun in the fire!

They both sighed and immediately decided to leave.

They know that soon enough, a strong influence would be coming here, either the one who burns down the place or the Netherworld Empire itself!

Either way, they won't stick around to find out about what happened today.

Chapter 255 Dunning

At the time the situation on Gathering Dragons City has reached the Netherworld Empire, a man was currently walking back and forth, contemplating the possibility of a war!

But the thing was, he didn't know who waged war at Netherworld Empire.

He only knew that two of Netherworld Empire's minister and the palace at Gathering Dragons City were burned to the ground without a clue of whom the perpetrator was.

“Reporting in, Lord Yue! We didn’t find any clue at the castle, we couldn’t even find an eyewitness. All that we know now is that the flame used to burn the castle was not an ordinary flame.” The man said to Lord Yue in cold sweat.

“Go through the investigation one more time! I need the result tomorrow!” Lord Yue said coldly.

Lord Yue immediately released his aura, intimidating the man who reported the current situation to him.

The man immediately said that the Heavenly Dragon Empire or a Spirit Race insurgent might be bold enough to do something like this.

Lord Yue, who was contemplating the possibility, was also thinking the same thing as the man.

“Now that I think about it, it kind of makes sense, I feel that the Spirit Race have something to do with this.” Lord Yue said as he kept thinking of any other possibility.

At the same time, Yi Tianyun had sneaked the Great Elder and Mu Xian’er back to Heaven’s Top Mansion.

Yi Tianyun didn’t trust most of the Heaven’s Top Mansion’s disciple yet, so they need to lay low and hide from any suspecting eyes.

Yi Tianyun knew that for now, he won’t be able to fight head to head against Netherworld Empire.

He needed to increase the power of both Heaven’s Top Mansion and Heavenly Jade Sect to have any chance to fight with the Netherworld Empire.

Yi Tianyun only wondered, how strong a Void Spirit Cultivator could be.

He was very sure even without any additional equipment, a Void Spirit Cultivator would easily reach 6 million raw combat power.

After returning to Heaven's Top Mansion, Yi Tianyun quickly observed the situation inside the Heaven's Top Mansion.

He knew that most disciples weren't trustworthy enough to be given any of the Mansion's resources.

So, he needed to cut out the roots of the problem within first.

While thinking of a plan, the Great Elder immediately asked Yi Tianyun was he really the one who saved Yang Xixue from the group of pirates once?

Which Yi Tianyun claimed to be true without too much thought.

The Great Elder was kind of confused and then asked the next question of why Yang Xixue didn't recognize Yi Tianyun when she met Yi Tianyun earlier, which led Yi Tianyun to convey the existence of the Hundred Transformation Mask to the Great Elder.

The Great Elder and Mu Xian'er were immediately shocked by Yi Tianyun's mask.

They now understood that was why Yi Tianyun was able to get around without any trouble following him.

"I really thought that there was someone out there who has the kind heart to help us in our misfortune, but it turns out that the one who continuously saving us is none other than Lord Yi himself!" The Great Elder said while looking at Yi Tianyun in awe.

"Hey, it is fine, Great Elder. I'm just doing it because Yang Xixue clearly needs it, there is no reason not to help others when they are in need." Yi Tianyun said while smiling lightly.

When he was still talking, suddenly, a guard came in a hurry toward Yi Tianyun.

"Mansion Lord, Divine Rune Mansion has come looking for trouble!" The Guard said nervously.

After hearing the guard's word, Yi Tianyun felt a little relieved.

With Divine Rune Mansion asking for trouble like this, he didn't have to find any reason to justify his action to obliterate Divine Runes Mansion.

"Okay. Let's see what they want now." Yi Tianyun said as he started to walk out of the room.

Outside, Yi Tianyun who already used his Hundred Transformation Mask was immediately stopped by the deacon.

"Young man, stop! They are here to make trouble. You will be beaten to death if you go there." The Deacon said worriedly.

"Let him go, he will be the one to solve this problem." The Great Elder said to the deacon.

"A garbage sect actually dares to kill our young master! We will crush you now!" One of the people from the Divine Runes Mansion said smugly.

"Crush us? Did you hear yourself? You are a traitor who sells your own faction and stands with Divine Rune Mansion!" Yang Yu said as he was among the ones in the frontline.

"Yang Yu, you better go along now. I don't want a kid from a big family die for this garbage faction." The traitor said to Yang Yu.

Yang Yu's face was red in anger hearing the traitor's word, as he wanted to attack the traitor, Yi Tianyun came from behind while calling Yang Yu brother.

Yang Yu was a little bit perplexed to see a complete stranger calling him a brother, but he let it slide for the time being.

Yi Tianyun took the front line as he walked closer to the Divine Runes Mansion.

Yi Tianyun looked at them one by one and saw that several of them were Heaven's Top Mansion's disciple.

It was clear that they were traitors!

Chapter 256 Capital Crime!

Yang Xixue at the moment was shocked to see Yi Tianyun.

At the very moment, Yi Tianyun used the face of the man that previously had saved Yang Xixue's life from the pirate, she immediately called him benefactor out loud.

Yang Yu was surprised, he never saw anything about the man that saved his sister's life before.

And now, he got to see him up close.

Yang Yu immediately expressed his gratitude to Yi Tianyun for saving his sister's life while he could do nothing for her at that moment.

And he awkwardly gave his blessing to Yi Tianyun if he wanted to marry her sister.

Yang Xixue immediately pinched her brother's cheek in embarrassment and pulled him closer to her.

Yang Xixue glared at him for saying such an embarrassing word and smacked Yang Yu on top of his head in frustration.

"Enough!" Feng Yulong said amidst the Divine Rune Mansion.

"You are my fiancée! If you choose to be bedded by another man, I will personally hurt you!" He said in anger.

“You? Come and try me, traitor! You are weaker than me even when you are healthy, and now that you are already crippled, I would like to see you try!” Yang Xixue said coldly.

“A traitor? I only do what is best for me. Heaven’s Top Mansion has nothing left for me to take. Instead, Divine Rune Mansion was kind enough to let us join their faction. The best choice was for me to take the offer as I don’t want to be a loser!” Feng Yulong said while sneering.

“If you choose to leave your master faction like this, you need to pay the price or receive the consequences!” Yang Xixue said coldly.

“What price? Heaven’s Top Mansion doesn’t even do shit to me! All they give is a poor cultivation medicine and weak cultivation technique! What price do I have to pay for that?” Feng Yulong said challengingly.

“If you know that Heaven’s Top Mansion has bad resources, why the fuck did you choose to join?” Yi Tianyun said, pitched in to help Yang Xixue.

That was true, if he knew that the faction he was about to enter was in decline, he always had the option to not join them in the first place.

That way, he will be able to join other factions he saw fit without betraying anyone.

But it seemed that Feng Yulong along with other disciples who betrayed Heaven’s Top Mansion didn’t have that conscience, they were too blinded with greed and took all they could get from Heaven’s Top Mansion before leaving it altogether.

“You! What do you know? You aren’t even from here! You don’t get a say in all this! You better shut your mouth before I make you shut up!” Feng Yulong said in anger.

“Come here Yang Xixue! Don’t make me come over there!” He said furiously.

“No! I don’t want to go anywhere with a traitor like you!” Yang Xixue said spitefully.

“Good, now you will die like the rest of them!” Feng Yulong said coldly.

“Where is your elder?” The deacon of Divine Rune Mansion said coldly.

“I am the one responsible for everything around here!” Yi Tianyun said confidently.

“Then, with our Mansion Lord’s Direct Disciple has been killed at the hands of your Mansion Lord. We will exact his revenge on your faction! or you can pay us with a certain number of Medicinal Pill and Soul Tool!” Elder Xiao of Divine Rune Mansion said coldly.

“What compensation? It is clear that your people themselves are trying to bother our Mansion Lord. There is no way Mansion Lord Yi will kill people without reason!” Yang Yu said, full of emotion.

“Elder Xiao, it seems that they are not willing to cooperate with us! I suggest that we start killing them one by one now.” Feng Yulong said coldly.

Elder Xiao looked at everyone from Heaven’s Top Mansion coldly.

“It seems we have to collect the payment ourselves. Then, all of you! Go and take everything you can get! Kill anyone that tries to block your path!” Elder Xiao said, ordering everyone from Divine Rune Mansion.

As everyone from Divine Rune Mansion charged to attack, Yi Tianyun flashed over to Feng Yulong and struck Feng Yulong’s chest swiftly, killing him immediately!

“Betraying your master sect would get you an abolishment of your cultivation technique, but plotting to destroy your master sect is a death penalty!” Yi Tianyun said coldly.

Chapter 257 All Extinguishes

‘DING’

'Successfully killed Feng Yulong!'

'Reward: 7.800 Exp, 1.800 CPs, 50 SPs, 100 Divine Rune Proficiency MPs, Flying Clouds Sword Technique, Cloud Upheaval Step.'

"You actually killed brother Feng! How dare you!" Liao Wen who also betrayed Heaven's Top Mansion and became a disciple of Divine Rune Mansion said coldly.

Yi Tianyun sighed as he noticed Liao Wen and immediately flashed to him and killed him on the spot!

'DING'

'Successfully killed Liao Wen!'

'Reward: 6.500 Exp, 1.800 CPs, 50 SPs, 100 Divine Rune Proficiency MPs.'

"Did you know the terms of Capital Punishment? Let me put it in a way that you can understand, this punishment will make you less worthy than a bug. So, killing you is nothing but a chore." Yi Tianyun said casually.

Everyone from Divine Rune Mansion was shocked that they couldn't even see Yi Tianyun's movement.

Even the elder was shocked as they didn't know what to do if Yi Tianyun decided to attack them.

How could once defend against an attack they didn't see coming!

Yi Tianyun looked the people from Divine Rune Mansion closely, he wanted to see if there was anybody that he was familiar with and betrayed the Heaven's Top Mansion.

He knew that there must be more than just 2 people among them!

Sure enough, he saw many of them in their rank.

He immediately flashed over to them one by one as he killed all the traitors!

“Stop! I will be your opponent!” Elder Xiao Jie said as he released his Spirit Core aura.

But little did he know that Yi Tianyun has been waiting for that moment.

Yi Tianyun immediately flashed over to Elder Xiao Jie and killed him with a single kick to the guts!

“Did you know that storming Heaven’s Top Mansion in order to create trouble is also a Capital Punishment? Maybe it is time for me to clean up the entire Divine Rune Mansion after this.” Yi Tianyun said casually.

Seeing that Yi Tianyun already killed almost all of the traitors in Divine Rune Mansion’s rank, Yang Yu snapped back from his shocked expression after seeing Yi Tianyun’s power.

He immediately rallied the loyal disciple of Heaven’s Top Mansion to attack the rest of the Divine Rune Mansion’s forces.

They already outnumbered the Divine Rune Mansion’s forces by 3 to 1 so, even though they had lower cultivation they should still win the fight!

The only ones left to kill were the remaining elders on their rank, and everything should be fine!

“You can’t do this! Divine Rune Mansion will be after your head for sure!” An elder of Divine Rune Mansion said as he saw Yi Tianyun walked slowly towards them.

“Nah, I will go there myself after this.” Yi Tianyun said as he casually punched one elder on the chest.

'DING'

'Successfully killed an elder of Divine Rune Mansion!'

'Reward: 240.000 Exp, 3.200 CPs, 50 SPs, 500 Divine Rune Proficiency MPs.'

He activated the X8 Exp from the Crazy Mode. He didn't want to waste any Exp now as he needed a lot of them to level up!

He finished all of Divine Rune Mansion's elders in a short amount of time.

While fighting, he saw Li Huan was also there, and thus he flashed in front of him after killing all the elder and showed Li Huan who he really was.

Li Huan was once again shocked to see that the stranger who helped the Heaven's Top Mansion was none other than Yi Tianyun himself!

"How could you be here!" Li Huan said with a shocked expression.

"Well, after killing the Mansion Lord of Divine Rune Mansion, I decided to go back home, what else." Yi Tianyun said casually.

"But you will follow your beloved Mansion Lord to hell, you traitor!" Yi Tianyun said coldly as he kicked Li Huan on the chest, killing him instantly.

'DING'

'Successfully killed Li Huan!'

'Reward: . . .'

After cleaning up the traitor and elder, Yi Tianyun was absolutely sure that the rest of Heaven's Top Mansion's disciple could finish the rest of the Divine Rune Mansion's disciple on their own.

"Hey, Clean up the trash here together with your friends! I have to go somewhere else in the meantime!" Yi Tianyun said to Yang Xixue.

Yang Xixue nodded, and Yi Tianyun immediately headed towards Divine Rune Mansion!

He thought that Divine Rune Mansion's problem was only in their higher-ups but it seemed that they were already rotten to the roots!

He needed to kill them all before it pestered!

Chapter 258 Thanks

Yi Tianyun summoned the Black Dragon and quickly flew toward the Divine Rune Mansion.

He already made up his mind to finish the entire Divine Rune Mansion!

'DING'

'Successfully took the [Destroys Divine Rune Mansion!] Quest!'

'Completion reward: 10.000.000 Exp, 100.000 CPs, Tyrant Rune Paper, Enhanced Roulette lottery ticket, 100 Prestige Point.'

Yi Tianyun immediately felt more justified to destroy the Divine Rune Mansion, even the system was on his side!

Meanwhile, Divine Rune Mansion's disciples who weren't invited to join the elder to march toward Heaven's Top Mansion was in deep conversation on how much resources would the elder brought back from Heaven's Top Mansion.

They were busy mocking Heaven's Top Mansion as they thought that their elder would easily get what they wanted from a useless faction like Heaven's Top Mansion!

Suddenly, a big Black Dragon descended from the sky in the middle of the Divine Rune Mansion's courtyard, shocking everyone.

Some of them panicked seeing a Divine Beast was suddenly in their courtyard.

They became even more panic as they saw someone was riding the dragon!

Someone with a Divine Dragon as their ride will definitely be someone who should be feared!

Yi Tianyun quickly ordered his Black Dragon to burn any Divine Rune Mansion's people that it could see.

Black Dragon immediately did so as Yi Tianyun shouted that there would be no more Divine Rune Mansion after that night!

Black Dragon quickly burned all the houses and people that caught its attention, wreaking havoc.

"Who are you? How dare you destroy our Divine Rune Mansion!" Several elders asked as they came running toward Yi Tianyun.

"My identity doesn't matter! All you need to know is that I am here to kill you!" Yi Tianyun said while giving an evil grin.

Yi Tianyun quickly ordered the Black Dragon to kill the elder who approached him.

The Black Dragon quickly swooped in from above and burned the elder and sliced them with its claw!

The elder of Divine Rune Mansion couldn't defend themselves from the dragon's attack, they couldn't even outrun it!

'DING'

'Successfully killed Divine Rune Mansion Elder!'

'Reward: 270.000 Exp, 3.300 CPs, 100 SPs, 500 Divine Rune MPs, Moon Fall Palm Martial Art, Divine Rune Paper, Heavenly Feather Stroke.'

This notification kept ringing several times in Yi Tianyun's head.

The only thing that mattered to Yi Tianyun from those notifications was that the Sin Points that he got from all those elders were not bad!

That meant those people already did so many despicable things throughout their lives!

It was time for them to atone for their mistake and gave Yi Tianyun some Sin Points.

He immediately bought the X5 Mastery Point and X2 Sin Point from the shop, he immediately activated them as to not lose any more valuable points because the Black Dragon was still killing people!

He immediately saw the Black Dragon swooped in from above and killed another elder.

'DING'

'Successfully killed Divine Rune Mansion Elder!'

'Reward: 1.200.000 Exp, 165.000 CPs, 200 SPs, 2.500 Divine Rune MPs, . . .'

He was satisfied seeing the amount of mastery and sin that he got.

He also enhanced the amount of exp that he got from the Crazy Mode.

Soon enough he will level up his Divine Rune Mastery into Master Level from killing all those scrub!

Yi Tianyun saw one elder wanted to escape from the Mansion, seeing that fool trying to save his sinful life, Yi Tianyun immediately equipped his Ice-Cold Divine Bow and immediately shot the running elder, immediately killing him on the spot!

When he continuously killed the Divine Rune Mansion's People, a black cloud was forming on top of him.

He was confused to see those clouds formation at first, but he immediately knew that the cloud was formed by an array!

It seemed that he stepped into a trap right then.

As the lightning struck Yi Tianyun, the rest of the Divine Rune Mansion's people cheered.

They thought that with the thunder strike array Yi Tianyun will be toasted!

As the light from the thunder dissipated, they were shocked to see Yi Tianyun was still standing there completely unharmed!

"Wow, thanks for the food! That's quite a lot of spiritual energy! Good exp for me!" Yi Tianyun said while giving another evil grin.

Yi Tianyun absorbed the spiritual energy that formed the thunder with his Absorbing Star Great Technique!

Yi Tianyun was satisfied to see that he found another source of exp!

Chapter 259 God Extinguishing Great Array

“Impossible!” The Elder of Divine Rune Mansion said in disbelief.

There was no way a human could withstand the Thunder Strike Array without having so much of a scratch!

The thunder that produced by the array was supposed to be the same as the 6th Layer Core Transformation cultivator’s ultimate attack!

In the middle of absorbing the lightning, Yi Tianyun’s Absorbing Stars Great Technique was leveled up, which made the absorption speed increased to X8!

All the thunder was quickly absorbed by the Absorbing Star Great Technique and turned into Exp!

Yi Tianyun got an overwhelmingly close to 10 Million Exp!

“What? Never saw anyone survive this thunder strike of yours before?” Yi Tianyun said while smirking.

“You are not human! There is no way a human won’t receive any damage after that attack!” The elder said while still shocked to see Yi Tianyun survived the thunderstruck.

“Well, nice chatting with you! Now, goodbye!” Yi Tianyun said as he pulled the string of the Ice-Cold Divine Bow.

The elder’s body was pierced by the arrow and died instantly in the spot!

'DING'

'Successfully killed an Elder of Divine Rune Mansion!'

'Reward: 1.100.000 Exp, 15.000 CPs, 150 SPs, 1.000 Divine Rune MPs, Soul Breaking Finger Martial Art, Violent Flames Divine Art, Divine Rune Paper, Imperial Spirit Stroke.'

The notification kept ringing as the Black Dragon still ran amok nearby.

Yi Tianyun quickly ordered the Black Dragon to level the ground surrounding the Divine Rune Mansion to destroy the array completely.

As Yi Tianyun continued on his killing spree, the elder and the disciple scattered around in panic.

He didn't forget to take every little resource that Divine Rune Mansion had, be it a personal belonging like a Storage Ring or the resource storage that Divine Rune Mansion inside the mansion.

That was the fastest way to strengthen his factions.

Also, the Divine Rune Mansion will be no longer after that night anyway, and dead people didn't need any of those!

After killing nearly 90% of Divine Rune Mansion's people, Yi Tianyun felt a strong aura coming from somewhere.

He immediately activated his Heavenly Eyes and he immediately felt the presence of an array already locked on his location.

Yi Tianyun saw with Heavenly Eyes that the array was named a God Killer Great Array.

He wondered, could that array really kill a god?

After analyzing the array for a moment, Yi Tianyun knew that array didn't really have the power to kill a god.

It was more in the level of a Divine Art than a powerful God Slayer!

He checked the effect of the array and noticed that the array could concentrate a huge spiritual power and then shot the concentrated energy in a single blast.

Its power was said to be close to the Core Transformation Peak Stage!

Yi Tianyun found that array's mechanism was interesting, with the array's spiritual attack he knew that the Absorbing Stars Great Technique will be able to absorb it!

Yi Tianyun was excited knowing he will get another massive amount of Exp shortly!

Meanwhile, the rest of the elders who survived were looking at Yi Tianyun in expectation.

They could see that Yi Tianyun didn't do anything to stop the array, which was currently charging power!

They still thought that Yi Tianyun probably didn't know what will hit him in a minute.

Chapter 260 - Two Old Ancestor

The Elder looked at Yi Tianyun with an excited look on their face.

They thought that they will finally get rid of Yi Tianyun once and for all!

Yi Tianyun on the other hand already knew what would happen and excitedly waited for the array's attack!

As the array finally finished charging, an eye appeared in the sky looking at Yi Tianyun and immediately shot a light beam towards him.

The light beam obliterated everything on its path, the building was instantly demolished by its sheer power!

Yi Tianyun immediately activated the Absorbing Star Great Technique to its fullest potential creating a vortex of spiritual energy in his palm!

The vortex immediately absorbed every spiritual energy that crossed its path, even the Light Beam from the God Killer Divine Array didn't seem to be strong enough to resist the vortex!

The Elders of Divine Rune Mansion looked at Yi Tianyun with a conflicted look at their eyes.

It seemed that the light beam which was supposed to kill Yi Tianyun vanished into a vortex that he made with his palm!

They couldn't believe their eyes, how could a boy not even half their age do that kind of thing!

They instantly knew that they had no means to fight Yi Tianyun with, and they immediately ran away, trying to save their sorry asses out of Yi Tianyun's killer grip!

Yi Tianyun however, already knew that after seeing their ultimate defense mechanism couldn't hold a candle against Yi Tianyun will choose to run away in that very second.

He already prepared the Ice-Cold Divine Bow in advance and immediately shot them all with pinpoint accuracy!

Yi Tianyun also ordered the Black Dragon to block their path and immediately killed all of them!

However, once again the skies began to darken and not long after, two old men flew towards Yi Tianyun while thunder violently followed their path!

Yi Tianyun overheard some of the disciples shouting excitedly that finally their old ancestors have come to help them!

The Deacons who were hiding in a corner somewhere also came out immediately after hearing that their old ancestor finally arrived!

Yi Tianyun immediately activated his Appraisal Eye to see those new enemies of his.

'Old Ancestor Heavenly Thunder: 8th Level Core Transformation Stage, a fully enchanted physique with thunder attributed Divine Rune.'

'Combat Power: 5.250.000'

'Weakness: Earth attribute attack.'

'Old Ancestor Thunder Tyrant: Core Transformation Peak Stage, fully enchanted physique of thunder attributed Divine Rune.'

'Combat Power: 6.500.000'

'Weakness: Earth attribute attack.'

"I don't know who you are or where you're from, but it is capital punishment for attacking us like this!" Thunder Tyrant said coldly.

"Capital Punishment? It is I who's going to be the one to give you capital punishment!" Yi Tianyun said with an evil grin in his face.

Yi Tianyun didn't feel the difference of power at that moment was that high, once he activated Crazy Mode, his combat power will skyrocket above theirs!

But first things first!

Let them think that Yi Tianyun was from Netherworld Empire!

Yi Tianyun took out the Jade Talisman on his inventory and immediately crushed it, summoning the Netherworld Emperor's Phantom Shadow!

The two Old Ancestors were shocked to see the shadow of the Netherworld Emperor appeared in front of them all of a sudden.

"How can that talisman be in your possession? Are you part of the Netherworld Empire?" Heavenly Thunder said worriedly.

"Well, if that is true what would you do?" Yi Tianyun said challengingly.

At the very next moment, the emperor's shadow immediately attacked with its signature Netherworld Divine Palm!

Old Ancestor Thunder Tyrant immediately unleashed a powerful thunderbolt to block the Netherworld Divine Palm, the thunderbolt immediately destroyed the Netherworld Divine Palm completely!

"If you are really from the Netherworld Empire, why did you do this? What did Divine Rune Mansion do wrong?" They looked at Yi Tianyun with a conflicted expression.

"It is all because of your Mansion Lord's ignorance, it is not even half of the mistakes that you Divine Rune Mansion even do!" Yi Tianyun said while smirking evilly!
