

Leveling 271

Chapter 271 Admired by Thousands People

When the quest appeared, Yi Tianyun knows that he can get a lot of reward for helping Jiu Lingyun cultivate, and he can also cultivate his Divine Rune Proficiency along the way.

“Big Brother Yi, am I already doing right until this point?” Jiu Lingyun asked as she doesn’t know what to do anymore.

“Yeah, you are correct so far. Now, I will teach you another way of engraving more powerful rune!” Yi Tianyun said confidently.

After teaching Jiu Lingyun several techniques, Yi Tianyun was a little bit surprised. He doesn’t know that Jiu Lingyun was able to understand all of his teachings, but at the same time, she still struggles to turn the theory into practice.

After a round of practice, Yi Tianyun gave Jiu Lingyun a Divine Rune Paper and Divine Rune Stroke for her accomplishment while saying that in the future she would be the master of Divine Rune and she would be the one that teaching others in the future.

“Are you serious about giving me all this, Big Brother? This Divine Rune Stroke is a Soul Tool Rank! I can’t just receive something like this just like that.” Jiu Lingyun said, feeling unsure of the gift.

“It is okay, Lingyun. You can have all that. Don’t overthink and keep practicing. You will be a great teacher in the future.”

“Thank you very much, Big Brother Yi! I will treasure this Divine Rune Stroke, and I will work hard to meet your expectations! I will make you proud in the future!” She said as she clutched her new Divine Rune Stroke tightly.

“Don’t worry now. Let’s make more of this Divine Rune so that the disciple has another place to cultivate.” Yi Tianyun said as he starts to make several 3rd Grade Divine Rune.

If what he envisioned works, the hall would become a more powerful cultivation place than the Heavenly Soul Tower.

Several hours passed, they finished filling the hall with so many 3rd Grade Divine Rune.

Jiu Lingyun was already exhausted from constantly engraving the Divine Rune.

Yi Tianyun felt a little bit proud of what they had accomplished, immediately wants to try to activate the Divine Rune to test the effect.

As they activated the Divine Rune, the place quickly filled with so much Spiritual Energy that Yi Tianyun was satisfied to see.

Jiu Lingyun immediately excused herself, saying that she would let the disciple knows of this new cultivation place and will let them use it immediately.

Yi Tianyun smiled at Jiu Lingyun and let her do what she wants to do. Yi Tianyun immediately started to engrave more Divine Rune to make another cultivation room just like this one, so when the Heavenly Jade Sect has many more disciples in the future, there would be a lot of space to cultivate.

But that is not all, with this, he could improve his own Divine Rune Proficiency faster and with a reason too!

Not long after that, Yi Tianyun was finally able to level up his Divine Rune Proficiency!

‘DING’

‘Successfully promote the [Divine Rune Proficiency] to Master Level.’

‘Next Promote required 500.000 Mastery Point.’

With the level up, his speed on engraving the Divine Rune was so much faster than before! At the same time, Jiu Lingyun has returned with many disciples, and soon as they saw Yi Tianyun engraving Divine Rune to the wall, they are all shocked to see the speed of Yi Tianyun's work.

"Wow, he engraves the runes so fast! Is this the power of Elder Yi?" The disciple all said in awe.

"Yes, this is the power of Elder Yi, the real Divine Rune Master. He had made this room for you to cultivate, we hope that this room would be useful in the future!" Jiu Lingyun said excitedly.

The disciple keeps looking at Yi Tianyun in awe, and not long after that, a new notification comes in Yi Tianyun's mind.

'DING'

'Congratulation to host for obtaining a title [Admired by a Thousand People!]

'Title Effect: Improve the Command Value to 100. Command Value was used to determine the possibility of ordering someone without any resistance.'

?Chapter 272 Qualification

Yi Tianyun was interested in that title; with that title, he could make all his speech more convincing to the ear of the audience.

It was normal to have someone with a high commanding skill to take charge.

That commanding point worked precisely like that.

He basically could influence others with little to no effort.

After finishing another cultivation hall, Yi Tianyun went to the Flight Great Array. He immediately fixed the array thoroughly.

After several hours, Yi Tianyun finally fixed all outer Divine Rune around Flight Great Array.

Next, he needed to fix the Divine Rune Inside the room, he finally noticed of six crevices that seemed to be used to hold something.

After some investigation, Yi Tianyun knew that he needed to put six huge Jade Spirit Stone in the respective crevices.

This Jade Spirit Stone seemed to be some sort of energy source for the Flight Great Array. He knew that the amount of Jade Spirit Stone would be expensive, but at least it was not impossible to find. He knew that Star Pavilion would have them in their storage to sell.

Without further ado, he started fixing every single Divine Rune inside the Flight Great Array. At the same time, Old Xuan came to Yi Tianyun's side.

"Master, you want to fix this Flight Great Array?" Old Xuan asked curiously.

"Yes, I know that this array required a different master leveled Divine Rune Master. But I am confident that I have achieved just that." Yi Tianyun said confidently.

Old Xuan was surprised that Yi Tianyun was already able to fix the Flight Great Array. He stepped aside to let Yi Tianyun focused on fixing the Divine Rune.

Yi Tianyun immediately activated his Heavenly Eyes, allowing him to see the flow of Divine Rune very clearly. He fixed the Flight Great Array with amazing speed.

Old Xuan, on the side, was horrified by Yi Tianyun's ability. He was already a Master tier Divine Rune Master at such a young age!

Several days had passed, and Yi Tianyun finally fixed all Divine Rune on the Flight Great Array. Yi Tianyun finally breathed in relief; it was a huge task to fix that Great Array by himself.

Now, the Flight Great Array glowed gloriously, which looked really different from before it was fixed.

“Master, you actually fixed them all!” Old Xuan said with a shocked look on his face.

“What? Do you think I would lie for this?” Yi Tianyun said while rolling his eyes.

‘DING’

‘Successfully repaired all the Array on Heavens Immersing Ancient Ruins!’

.

‘Reward: 1.000.000 Exp, 10.000 Divine Rune MPs.’

‘DING’

‘Successfully completed the first stage of the main quest [Promote Heavenly Jade Palace into Heavenly Jade Mansion and Move to Heavenly Border Continent!]

‘Next Stage quest progress: Spirit Core Cultivator 1/5, Core Condensation Cultivator 6/50, Spirit Refinement Cultivator 80/600.’

‘As the host has reached a Core Transformation stage, the quest requirement has been halved!’

‘Next Stage progress: Spirit Core Cultivator 1/3, Core Condensation Cultivator 6/25, Spirit Refinement Cultivator 80/300!’

He was a little bit startled to see that the requirement of the next stage has been halved because of his Cultivation level. He now had to think of a way to speed up others' cultivation. He was thinking of a way to transfer the disciples needed from Heaven's Top Mansion to Heavenly Jade Sect for the sake of finishing that quest!

Chapter 273 Purchases Jade Spirit Stone

Yi Tianyun was eager to find Jade Spirit Stone that could fit the crevice in the wall.

He thought moving the Heaven Immersing Ancient Ruins as soon as possible was definitely necessary.

He knew that the situation would be chaotic later on.

One of the reasons why he needed to move the Heavenly Jade Sect into the Heavenly Border Continent quickly was to finish his main quest.

He knew that once the Heavenly Jade Sect has merged with the Heaven's Top Mansion, his mission will be instantly completed!

He immediately said goodbye to Shi Xueyun as he will be returning to Heaven's Top Mansion for the moment.

After that, he quickly flew back to Heaven's Top Mansion, and he immediately checked for anything different in his absence.

Yi Tianyun quickly looked for the Great Elder, and once he found the Great Elder, he immediately asked for any news while he was away.

The Great Elder immediately said that the news of the Netherworld Empire's building had been destroyed finally spread through the continent like wildfire.

The Great Elder also said that everyone was now afraid that Netherworld Empire wouldn't be satisfied since they haven't found the culprit and decided to destroy that continent.

Yi Tianyun quickly nodded his head; he knew that news would spread and the fact that Yi Tianyun and the Great Elder wouldn't be able to show their faces in public.

The Great Elder also informed Yi Tianyun that the Netherworld Empire themselves was currently investigating the Divine Rune Mansion incident.

They were curious about how could a mid-level faction like that could be destroyed overnight.

Yi Tianyun smiled a little after hearing the news; he knew that the Netherworld Empire would reach nothing but another dead end investigating the Divine Rune Mansion's incident.

Yi Tianyun also asked the Great Elder on how things were going in the Heaven's Top Mansion.

The Great Elder immediately said that everything has been going smoothly so far, there was no more trouble involving the disciples.

He also said that the resources they got from destroying Divine Rune Mansion and the Netherworld Empire's Palace were used and sold as little as possible as not to draw any attention towards them.

But Great Elder was a little bit regretfully admitted that there was no new disciple who wanted to join the Mansion.

Yi Tianyun only smiled at the Great Elder and said that it was fine, they will get new disciples as soon as they finalized the merge of the factions.

Yi Tianyun informed the Great Elder on what has happened so far in Heavenly Jade Sect the other day.

The Great Elder was looking forward to the merge between the two factions, he knew that with the new system, the place would be livelier and disciples will be more diverse.

After hearing and saying stuff that he needed, Yi Tianyun excused himself as he had to buy something from Star Pavilion.

He quickly left and headed towards Star Pavilion's direction, he must get his hands on the Jade Spirit Stone to finalize his plan!

He didn't forget to wear the Thousand Face Mask to avoid being identified along the way.

As soon as he arrived at the Star Pavilion, a beautiful woman welcomed him while asking if he needed any help with finding anything.

Yi Tianyun quickly conveyed his intention to buy a fair amount of Large Jade Spirit Stone.

Yi Tianyun's word made the woman very excited.

She asked how big would Yi Tianyun wanted, Yi Tianyun knew that the woman would be given a commission for a percentage that she sold.

So, hearing that someone would buy something so expensive, she couldn't help but be excited.

Yi Tianyun said that he needed a dozen Jade Spirit Stone around 100 lbs.

The woman was surprised to hear Yi Tianyun's word, she quickly apologized to Yi Tianyun that they didn't have any Jade Spirit Stone on that size.

She said that the largest stone that Star Pavilion had was 30 lbs.

Yi Tianyun frowned; he didn't think that a pavilion at that caliber wouldn't have any Jade Spirit Stone that he needed.

So, he decided to ask the woman again for confirmation if they really don't have the stone that he searched for.

She apologized once again and said that the 30 lbs were already the largest she could find.

Yi Tianyun said he was not interested in buying the small Jade Spirit Stone and decided to leave immediately.

However, once he was already halfway to the exit, a new woman came out and told Yi Tianyun to wait.

She quickly explained that the Jade Spirit Stone that Yi Tianyun was searching for maybe could be found in the auction house.

She heard that they would be auctioning a 200 lbs jade Spirit Stone there.

Yi Tianyun was really happy to hear that, and while hearing the woman talk, he felt somehow familiar with that woman.

Chapter 274 Li Ya

Yi Tianyun felt somewhat familiar about that woman, but he couldn't remember anything about her, but as soon as they entered the auction building, she was quickly welcomed by another waitress calling her Young Lady Li.

Yi Tianyun immediately figured out that she was none others than Li Tianlong's daughter.

After knowing that, Yi Tianyun quickly asked her to take him to the VIP room to take a look at the catalog.

She quickly led the way, she didn't know that as soon as she and Yi Tianyun headed to the VIP room, the waitress earlier immediately badmouthed her as she was stealing customer even though she wasn't particularly in need of money.

Her friends immediately shushed her as if she was ever found out badmouthing the Pavilion Lord's daughter; she will lose her job or even worse!

Yi Tianyun heard those women badmouthing the woman in front of him, and he knew that she probably heard it too, but Yi Tianyun didn't understand why she just pretended as nothing happened.

Yi Tianyun decided to let it slide as it was none of his business.

Soon they reached the VIP room, and Li Ya, as Yi Tianyun finally knew the name of the woman who guided him inside, quickly told Yi Tianyun to sit down and immediately asked again for what Yi Tianyun needed as a confirmation.

"I need a Jade Spirit Stone at least around 50 or 60 lbs. I won't take anything below that." Yi Tianyun said confidently.

"You are in luck, Young Master. Someone is currently auctioning a Huge Jade Spirit Stone to Star Pavilion. There are at least 5 to 6 pieces of it which weigh over 200 lbs! do you want to join the auction, Young Master?" Li Ya asked politely.

"Great! I am satisfied with this revelation! Now, is there anything I need to know before joining?" Yi Tianyun said quickly.

"Yes, it seems that the one who sells the Jade Spirit Stone to us wants it to be sold as a whole. So, in a way, it will be extremely expensive." Li Ya said with a regretful look.

"No problem, there will be no problem when it comes to that. Can a soul tool be a trade resource?" Yi Tianyun said casually.

"Oh, that is okay, Young Master. We indeed use the Soul Tool as the main price, for the auction, it is for fairness as gold price easily fluctuates." Li Ya said politely.

"I am sorry to ask, but do you need those Jade Spirit Stone to create a Great Array?" Li Ya asked curiously.

"Yes, I was planning to use it on a Great Array. Is there any problem with that?" Yi Tianyun asked.

"No, there is no problem at all. It is just my stupid curiosity. If Young Master is a Divine Rune Master, may I recommend you to join us, Star Pavilion? You could also become our Guest Elder if you want, we will give you a fair treatment, that I can assure you!" Li Ya said while coercing Yi Tianyun to join the Star Pavilion.

Yi Tianyun knew that Li Ya was inviting him to join the Star Pavilion for her own merits.

The more expert she could invite, the higher her standing in the pavilion will be!

"I am very sorry, but I can't accept your invitation for the moment as I will be busy for the next couple of months. Maybe next time." Yi Tianyun said politely.

Yi Tianyun saw that Li Ya was a little bit disappointed that Yi Tianyun rejected her offer, but she quickly cast her disappointment aside and flashed Yi Tianyun her bright smile again while saying that it was okay and that he could come again anytime if he ever wanted to join the Star Pavilion.

She immediately asked Yi Tianyun for bringing out the Soul Tool that will use as payment later.

She said that someone has deliberately lied to Star Pavilion about having a certain amount of Soul Tool, but in the end, they ran away after they couldn't pay the fixed amount.

Yi Tianyun said that it was not a problem and quickly took out a bunch of High-Grade Soul Tools to the floor near them while saying those were just part of his armory and asked Li Ya if those were enough for confirmation.

Li Ya's eyes quickly lit up and nodded her head, confirming that the amount was enough for now, and she will direct Yi Tianyun to the VIP room of the Auction Hall immediately.

After Li Ya left him alone in the VIP room, Yi Tianyun calmly sipped his tea while waiting for the auction to begin. He noticed that the cultivators from all over the places were coming one by one.

The auction will start soon, he knew that much after seeing that the auction hall was already packed with cultivators.

Soon enough, Li Ya entered the stage. She seemed to be the auctioneer for that occasion; she announced that the auction would start in a minute and that the bidder could buy whatever they wished. She announced it with a smile on her face while also signaling her staff to bring up the first item.

But like in the hallway with Yi Tianyun earlier, Li Ya once again got another uncomfortable stares and rumors from the cultivators in the auction hall.

They were all saying that Li Ya was an incompetent cultivator, and she was there as a gift from Pavilion Lord Li because she couldn't do anything else.

Li Ya heard it all, but she tried her best to ignore it, she felt awkward after hearing it all, but she wanted to maintain her professionalism and continued the auction without any hindrance.

She immediately announced the first treasure to auction, and that was a Middle-Grade Soul Tool Heavenly Cold Jade Sword with 4th Grade Extreme Cold Divine Rune on it.

That sword will create a blast of ice wave as it was swung; it was an amazing weapon for cultivators with an ice affinity.

The starting bid was 1.000 Jade Spirit Stone with a minimum increment of 100.

After she said all that, everyone was getting excited, especially the cultivators with ice affinity.

The price was steadily going up, and Yi Tianyun noticed that the weapon would eventually be expensive at the end of the day.

But he didn't have any interest in buying that one, he could make it himself!

Even the Divine Rune was not something that special!

After the sword, there were at least 20 more items that have been sold to the bidder, and the Jade Spirit Stone that Yi Tianyun was searching for finally will be auctioned!

The Jade Spirit Stone was ranked 3rd of the most expensive item that the auction will sell, and therefore it will be auctioned at the latter half!

The last two items that were more expensive than the Jade Spirit Stone were supposed to be a medicinal type item, and the last one was unknown.

Yi Tianyun didn't particularly care about the last two items, with his ability to Forge Weapon and Armor, and to refine Medicinal Pills, he thought that it was a hassle to buy anything of that sort. He could create it himself if he really needed it!

In the VIP room, while waiting for the Jade Spirit Stone to show up Yi Tianyun brought out his refining tools and began to refine many Lower Grade Soul Tools, he thought that was the best time to refine some as he was bored of waiting! He will be able to refine Middle-Grade Soul Tools and High-Grade Soul Tools eventually!

He knew that refining a Medicinal Pills and Refining Weapon and Armor will have a significant impact on the improvement of his Faction later on. He kept refining until he heard Li Ya sounded excited once again.

"The next item is mainly for Divine Rune Master. I believe that everyone has already known the item, and that is the Huge Jade Spirit Stone! It has a variable weight to it as the lowest is 200 lbs, and the highest is 300 lbs. I believe this Jade Spirit Stone is essential for creating a Great Array!" Li Ya said excitedly while also pulling out the cover for the Jade Spirit Stone.

The cultivators were all excited to see that Jade Spirit Stone finally showed up, but there were not that many who were excited enough since there were only a few Divine Rune Masters among the crowds,

and the Huge Jade Spirit Stone had a little to no value to the cultivator who wasn't a Divine Rune Master.

“Unfortunately, the seller doesn't want to sell these stone per piece and thus has to be auctioned as one item, because of that, the price will be higher, and this time the main currency would be a Soul Tool! As lower Grade Soul Tool would be used as the default currency. Middle-Grade Soul Tool would equal to 30 Lower Grade Soul Tool, and High-Grade Soul Tool would be equal to 100 Lower Grade Soul Tool. The starting price is 10 Lower Grade Soul Tool with an increment of 10! Let the bid start!” Li Ya said excitedly.

Many excited cultivators started to raise the price as they saw fit while Yi Tianyun was still waiting for his turn to come.

Chapter 276

The whole place was surprised to hear that the Jade Spirit Stone's price has reached 200 Lower Grade Soul Tools!

But it was not over yet, someone from the VIP room next to Yi Tianyun also bid 300 Lower Grade Soul Tool as their price, which caused continuous increment bidding price among the crowds.

Then a meek voice came from another VIP room, increasing the price to 500 Lower Grade Soul Tool.

Many people were shocked to hear that price.

They didn't see that much increment coming!

Yi Tianyun knew that was his time to bid and immediately said that he would bid for 800 Lower Grade Soul Tool!

Yi Tianyun's price has silenced everyone on the hall; it was way too much for the Jade Spirit Stone!

Everyone looked at the VIP room where Yi Tianyun currently sat at; they wanted to see the face of the rich guy who managed to silence them!

Li Ya knew that voice belonged to the Young Master that she invited in herself, she knew that he was a rich man, but even she didn't expect that he had that much money on him!

From the VIP room next to Yi Tianyun, he heard another bid from a young man's voice saying he will pay 810 Lower Grade Soul Tool for the Jade Spirit Stone.

That young man also talked in a threatening way to Yi Tianyun, saying that he was from the Divine Rune Division of Netherworld Empire and he really wanted the Jade Spirit Stone for the Netherworld Empire, he also said that if Yi Tianyun still increased the price to buy the stone, the Netherworld Empire will punish him for that.

Yi Tianyun sighed as he heard the man spoke, and immediately after the young man's speech, he increased the price once again to 850 Lower Grade Soul Tool!

The man who threatened Yi Tianyun before fell silent due to Yi Tianyun's unexpected course of action!

Not only did Yi Tianyun increase the price once again, but he also ignored him completely!

Didn't he know who he was!

He was Li Hao of the Netherworld Empire!

He will make sure Yi Tianyun paid for that humiliation!

No one else dared to bid as everyone realized that the price was already too high!

"You know what! Have it your way then, buy it for me. As soon as you left the Star Pavilion, I will surely take what is mine!" Li Hao said for only Yi Tianyun to hear.

Yi Tianyun's face became cold.

As expected of Netherworld Empire's scum.

They sure knew how to make his blood boiled.

If that man really picked a fight with him afterward, Yi Tianyun will make sure to kill him in the most brutal way!

Li Ya then proceeded to make sure there was no other bidder who wanted to bid for the Jade Spirit Stone and then closed it while saying the Jade Spirit Stones were successfully bought by the Young Master at the VIP room!

Many people craned their necks to see who the man capable of buying the stone with such a high price was!

Normal people, even a rich one, won't be able to buy a Jade Spirit Stone with that price!

It was simply too much for the right mind!

However, Yi Tianyun was satisfied that he finally got his hands on the Jade Spirit Stone.

He wasn't afraid to spend his resources on the things that he needed!

If he didn't have any Soul Tool left after that, he just needed to find another Netherworld Empire's headquarter and destroyed it while also looting the place to his heart content!

Right after the Jade Spirit Stone, Li Ya immediately brought another item to the stage.

The item was covered with red clothes to cover the aura of the item.

“These are the medicinal pills, which is very useful for any faction. These Medicinal Pills are called Spirit Congealing Pill! It can help the Spirit Refinement Cultivator breakthrough to the Core Condensation stage! It will 100% level up a Spirit Refinement Peak Stage Cultivator to Core Condensation immediately while having a 50% chance for the 9th layer Spirit Refinement cultivator. This auction has a total of 5 pills, which will be sold as a whole!” Li Ya said excitedly.

When she finished her speech, everyone had a surprised look on their face.

That meant the pill could help 5 Spirit refinement cultivators broke through to Core Condensation Cultivators!...

Chapter 277 Keep Bidding

After looking at the Spirit Congealing Pill, Yi Tianyun became very excited.

In normal people’s eyes, that Spirit Congealing Pill would only be another 5 Core Condensation Stage experts, but for Yi Tianyun with Appraisal Eye, Yi Tianyun would be able to create an infinite amount of Core Condensation Stage expert!

Using Appraisal Eye, he would be able to know the recipes of this Medicinal Pills! He will make sure to get his hands on that pill!

“For this item, I would allow payment with Medicinal Pill, Soul Tool, and Jade Spirit Stone. The price will start at 5.000 Jade Spirit Stones, with 500 Jade Spirit Stone increments. Let the bidding start!” Li Ya said confidently.

Yi Tianyun immediately raised the price to 10.000 Jade Spirit Stone immediately after Li Ya opened the bidding. Someone from the VIP room, the same as Yi Tianyun, quickly raised the price to 11.000 to surpass Yi Tianyun’s bid. Yi Tianyun shook his head and immediately raised the price to 15.000 Jade Spirit Stone!

Many people were surprised by Yi Tianyun’s eagerness to buy the pill; he outbid his opponent like it was nothing to increase the price outrageously.

Someone from the VIP room tried once more to raise the bid to 16.000 Jade Spirit Stone, but Yi Tianyun immediately called 20.000 as to outbid them again!

That much Jade Spirit Stone for 5 Spirit Congealing Pills was just outrageous!

The price was not worth 5 Spirit Congealing Pills at all!

Li Ya looked around the room as everyone fell silent after hearing Yi Tianyun's outrageous price, she started to count down as a sign that if nobody else bid by the time she finished counting down, the pills will be sold to Yi Tianyun!

After a moment, she immediately announced that Yi Tianyun was the rightful buyer of the 5 Spirit Congealing Pills!

Once again, everyone in the room wanted to sneak a peek of the mysterious rich man's face!

They didn't have any clue on who the mysterious man was, they didn't even know if the man was from the Heavenly Border Continent or not!

Li Ya immediately stole everyone's attention again as she brought out the last item for that day. She told everyone that the last item was a treasure worthy of being a household treasure! She immediately lifted the red veil that covered the last item in the box!

Everyone was awed immediately after seeing the shining crystal ball!

"This is the Heavenly Spirit Treasure! This crystal ball will increase the cultivation of the holder roughly 30% of the normal speed! I believe you cultivators know what it means! It means that you will have a faster cultivate rate than the others! This item doesn't have any restriction, meaning that even a Core Transformation expert would still be able to increase their cultivation speed by 30%!" Li Ya said excitedly.

Immediately after Li Ya's explanation, the Auction Hall fell in an uproar!

All of the cultivators in the room wanted to have this item!

Li Ya was very satisfied to see that commotion; she was convinced that this item would be sold at a higher price. She immediately told everyone that the price will start at 50.000 Jade Spirit Stone and that the bid immediately started!

Many bidders immediately increased the price of the items simultaneously.

But in the VIP room, Yi Tianyun watched the uproar in silence while sipping his tea. He wasn't interested in having the last item, for it was barely useful for him. But he wouldn't mind buying it if the price was reasonable!

Chapter 278

Yi Tianyun hasn't bid for the last item, which quickly made Li Ya a little bit disappointed. She thought that with Yi Tianyun in here, she would get a much higher price.

But even without Yi Tianyun's bid, the item's price still rose quite high.

After a while, the price stopped at 90.000 Jade Spirit Stone, which made Li Ya satisfied enough.

"Now that all the items were sold, I hope that everyone was satisfied and will come back for our next auction!" Li Ya said while slightly bowing to the entire bidder.

"As for the winner, please come to the office after this to receive the treasure that you win, of course, don't forget the payment." Li Ya said while smiling lightly.

Yi Tianyun immediately left the room calmly as he didn't have anything else to do in the room. As he walked out, he was immediately stopped by Li Hao!

Yi Tianyun sighed as he didn't want to cause trouble, but it seemed the trouble always followed him anywhere he went.

He asked for what was Li Hao's purpose for stopping him like that.

Li Hao immediately asked from which faction was Yi Tianyun from and Yi Tianyun immediately answered that he didn't belong to any, which made Li Hao threatened him to hand over the Jade Spirit Stone that Yi Tianyun won earlier to him as soon as Yi Tianyun took it from the Star Pavilion, if Yi Tianyun didn't give it to him, he will make sure that Yi Tianyun would receive the punishment from the Netherworld Empire!

Yi Tianyun sighed once again and said that he didn't care even if the Netherworld Empire themselves came; he won't give up the Jade Spirit Stone to him.

Li Hao immediately sneered at Yi Tianyun and said that he would like to see how long Yi Tianyun could hold on to that Jade Spirit Stone.

Li Hao left immediately; Yi Tianyun just shrugged and walked toward the auction office behind the auction's hall.

In the back, Yi Tianyun saw a bunch of people was in the middle of finishing their payment for the treasure they won in the auction earlier. He noticed that Li Hao was also there, and he looked at Yi Tianyun with a cold expression and a little bit of killing intent seeping through.

Yi Tianyun ignored Li Hao as he proceeded to find Li Ya for his item.

After finding Li Ya, Yi Tianyun immediately greeted her, and she excitedly welcomed Yi Tianyun to the office.

Li Ya immediately introduced Yi Tianyun to the middle-aged man that Li Ya said was the seller of the Jade Spirit Stone. He asked Yi Tianyun as to how Yi Tianyun would pay for the Jade Spirit Stone that he bought; it would be too much Low-Grade Soul Tool if Yi Tianyun chose to pay with those!

Yi Tianyun immediately said that he would pay with High-Grade Soul Tools as it would be less annoying than a Low Grade or Middle Grade Soul Tool!

Yi Tianyun immediately took out a High-Grade Soul Tool from his inventory for the man to be checked.

The man noticed that the knife didn't have any Divine Rune in it, which Yi Tianyun answered that it would be better for the man to use a Divine Rune that he preferred, which would make the Soul Tools more distinct!

After observing at the Soul Tool for a little while, the man nodded his head and said that he liked the knife and would value it as much as 160 Low Grade Soul Tools.

Yi Tianyun was very satisfied to hear the man's appraisal.

That continued back and forth until the man had a few High Grade Soul Tools that he appraised himself to be the same value as the Jade Spirit Stone's price in the auction!

The man was satisfied to receive the High-Grade Soul Tools from Yi Tianyun and said that he was an elder from the Nirvana Mansion and would like to deal another business with Yi Tianyun in the next auction if there was any chance for it.

Yi Tianyun nodded his head and said that he would be happy to if there was an opportunity for it in the future.

After concluding the deal for the Jade Spirit Stone, Yi Tianyun quickly settled the deal for the Spirit Congealing Pill. The Pills were refined and sold by an alchemist that soon was satisfied after receiving Yi Tianyun's payment.

Seeing that Yi Tianyun was obviously a rich man, Li Hao's eyes were showing greed! He thought that he would make a fortune after dealing with Yi Tianyun later!

Yi Tianyun has finished all the transactions related to the auction as he already had his Spirit Congealing Pills and the Jade Spirit Stones. He wanted to get back immediately to immediately refine many more Spirit Congealing Pills to create more Core Condensation Stage disciples.

“Young Master, that Heavenly Spirit Treasure, you have no interest?” Li Ya asked curiously.

“I don’t have much interest in this kind of treasure.” He answered that the item was little to no use for him as he smiled not to disappoint Li Ya.

“Well, no matter what, this cooperation is enjoyable.” Li Ya smiled and said, “Is Young Master want to stay for a while in Star Pavilion?”

Li Ya already prepared a private room that Yi Tianyun could use while he stayed in Star Pavilion.

“Miss Li, why are you became so kind to me all of a sudden?” Yi Tianyun wondered.

Li Ya immediately answered it was because Yi Tianyun provoked the Netherworld Empire earlier by not losing on purpose while bidding the Jade Spirit Stone, she was afraid that Li Hao would do something outrageous to Yi Tianyun on his way back.

Yi Tianyun nodded and let Li Ya know that there was nothing to worry about; he will take care of himself if the situation called for it.

Yi Tianyun smiled after rejecting Li Ya’s offer and left the Auction Building premise.

Li Ya saw that Li Hao amicably followed Yi Tianyun with a smirk on his face while also keeping a little distance away.

Li Ya was still worried even with Yi Tianyun’s assurance that he will be fine; she didn’t know that Yi Tianyun, in fact, wanted Li Hao to follow him so that Yi Tianyun could replenish some Soul Tools that he used to bid earlier.

When he walked toward the gate, an ordinary looking woman stopped him. He was a little surprised to see the woman stopped him like that, he knew that woman was one of the bidders for the Jade Spirit Stone in another VIP room earlier. He asked was there anything that the woman wanted from him.

Yi Tianyun also looked at the woman's stat through his Appraisal Eye, and he was quite surprised to see that the woman was full of spirit related items!

Yi Tianyun was curious after seeing that, he immediately speculated that the woman was from the Spirit Clan! He couldn't help but wonder how Xiao Qingxuan was doing right now.

"Can I buy your two Jade Spirit Stone?" The woman said.

Yi Tianyun noticed that the woman didn't harbor any ill intent towards him, and her tone was gentle leading him to the conclusion that the woman wasn't someone from the Spirit Race's Traitor!

Knowing that little bit of information, Yi Tianyun decided to test it. He asked for what can the lady offer for his Jade Spirit Stone, "Oh, what do you have?"

"I can engrave 5th Grade Divine Rune for you."

Yi Tianyun knew immediately that his assumption was spot on; she proved that she was at least a 5th Grade Divine Rune Master, and in this world, only Spirit Race could reach 5th Grade Divine Rune Master in such a young age.

"Are you really sure only need two?"

"Yes, I only need two of them. How is it? I can give you an additional Soul Tool if you want."

Yi Tianyun didn't see any loss on doing so while he only needed 4 of them, and there were 6 in total that he won earlier.

"Okay, but I don't need your things. Give me information."

The woman took interest immediately, "What is it?"

Yi Tianyun immediately said, "What is the current situation in Spirit Race?"

After hearing Yi Tianyun's request, the woman froze! She will not be willing to sell out her own people for something like that; she didn't know Yi Tianyun and, therefore, couldn't trust him!

"This Young Master... I don't know anything about Spirit Race."

Yi Tianyun understood her unwillingness to sell out her people to some stranger.

"It seems that you are not willing to say something." Yi Tianyun smiled lightly, "In fact, I have a friend in Spirit Race, just want to find out the news, don't so nervous. Since you do not want to say, I will not force you."

"Then give me your Storage Ring."

The woman was surprised to hear Yi Tianyun asking for her Storage Ring and immediately did as Yi Tianyun asked.

Yi Tianyun transferred two of the six Jade Spirit Stones to the woman's storage ring and gave it back to the woman.

"Done."

She was surprised to see two of the large Jade Spirit Stones were already inside of her storage.

Without thinking, the woman handed another storage ring to Yi Tianyun, "This for payment. I don't want to be indebted to anyone."

She immediately left as she really had some urgent matter that she needed to resolve.

Yi Tianyun checked for the content of the Storage Ring and see that it was full of Soul Tools and Divine Rune engraving.

The total value of the items inside the ring was more than the value of the two Jade Spirit Stone that Yi Tianyun has given the woman!

Chapter 280

Yi Tianyun shook his head after seeing the content of the storage ring that the lady gave to him. The lady was too honest for her own good! Yi Tianyun really didn't need any payment at all! Plus, he knew that Li Hao had to see the exchange earlier, and Tianyun knew that Li Hao would be targeting her soon!

But as he turned around, he saw that Li Hao was still near him and sneering in triumph.

Yi Tianyun frowned. He couldn't help but wondered whether Li Hao has already sent his people to chase after the woman earlier. Yi Tianyun had a bad hunch for once and immediately tracked the woman's spiritual power using his Appraisal Eye. He saw that Li Hao also had left, and he quickly felt a sense of foreboding in the woman's regard!

After searching for a while, he immediately found out that the woman has reached the outside gate of Star Pavilion and has already prepared a big eagle to fly out of the place. However, Yi Tianyun quickly noticed a few men walked toward the woman with a menacing manner. As they approached the lady, they quickly stopped her from leaving the place as one of them quickly took control of the eagle's rein.

The woman was visibly palled after seeing what those men did in front of her. She knew that these men were up to no good! "Lady, can you possibly be generous enough and gave us the what the young man had given to you earlier?" one of the menacing men said flirtatiously. "If you don't want to give it to us, I assure you we will get a little bit rough!" The man said again with a playful glint on his eyes.

Unfortunately for this woman, she already crossed Star Pavilion's gate! She no longer had the protection of the Star Pavilion once she was outside of their land! She needs to find a way to escape these men's clutches!

“What young man? I didn’t know any. I didn’t receive anything from anyone while in the Star Pavilion earlier.” The woman said calmly.

The man that spoke earlier smirked and immediately ordered the rest of the men that he comes with to search the eagle for any of the woman’s belonging while the man walks towards her while saying that he would be searching her himself!

Hearing that the man was set on finding the Jade Spirit Stone that she received from the young man earlier, her complexion palled. She quickly took out two Divine Talismans and immediately threw it at the men, and as the talisman hit the men, it exploded on impact!

The power of the explosion was equal to the attack of a Peak Core Condensation Stage cultivator, and those men were instantly flung far away from her and the eagle. She immediately rode the big eagle and quickly flew away to escape. But as soon as the eagle took flight, a big wave hit the eagle and killed it on the spot!

The lady fell down to the ground, seeing she could no longer escape using through the air while using the Big Eagle, she quickly ran back towards the gate to receive Star Pavilion protection once again! She curse herself for her impatient, she could have waited for several days at the Star Pavilion until she was sure enough that the situation has calmed down before leaving, she regretted her impulsive decision as she knew that Li Hao was in vicinity!

But her effort was futile! As she got close to Star Pavilion’s gate, Li Hao immediately grabbed her hands and threw her back towards the big eagle’s corpse.

“Was it a Detonation Divine Talisman that I saw just now?” He said with an excited eye.

“You are from the Spirit Race, aren’t you?” Li Hao said excitedly.

The woman choose to stay silence as she looks at Li Hao in disgust!

“You don’t need to say anything, I already know that you are one of the Spirit Race! There is no way anyone would have that Detonation Divine Talisman as it was Spirit Race’s signature defense charm.” Li

Hao said while smirking triumphantly. "Now, you have to come with me, I assure you that Netherworld Empire would take a good care of you and you can meet all of your people that was already there to begin with!" Li Hao said while smirking evilly.

"No thanks! I would rather die!" the woman said while spitting at Li Hao's face.

Li Hao immediately grabbed the woman's hair and threw her to the side as he landed a kick to the woman's stomach. As he kicked the woman one more time, he sensed impending danger. But he didn't have the time to dodge the incoming danger as Yi Tianyun's kick landed straight to his chest.

The woman looked over to the person who saved her from Li Hao and saw that the person was the young man who won the Jade Spirit Stone and share some of it with her earlier!
