

## Leveling 531

### Chapter 531

After flying a little bit further from the tower in the middle of the Heavenly Netherworld, the people from outside finally saw what was happening there!

They saw that an unknown person was surrounded by 30 of their own people, which also included three big names like Ba Long, Ming Chen, and Nui Tengtian!

“The intruder was alone? Is that guy a fool?” A Spirit King cultivator that was supposed to participate in the trial as well said annoyedly.

They came prepared from the Heavenly Netherworld Divine Nation Capital to enter the trial, but as they got here, the trial’s gate was already closed!

Knowing that the Heavenly Netherworld has been infiltrated, the Spirit King Cultivator feared for the worst, but thankfully one of the intruders was still there! Otherwise, the Holy King would certainly be furious after hearing the report later!

“Meet the inheritor condition, starting the third smelting trial! Inheritor has to knock out all the opponents to complete the inheritance progress!” the voice from earlier said once again, giving direction to Yi Tianyun.

Everyone’s eyes were wide as soon as they heard the voice! This was the first time ever in the history of Heavenly Netherworld that an inheritor showed up!

Furthermore, the supposed inheritor was an outsider that infiltrated the Heavenly Netherworld by himself!

They knew that it was the intruder as he was the only one who was still shrouded dimly by a golden light, while the rest of the people that were teleported there wasn’t!

Yi Tianyun himself was also surprised after knowing that he would become the inheritor that he himself still didn’t know what he would inherit!

“What is happening here! how come an intruder like him become the inheritor!” Ming Chen said with a surprised look on his face.

They’ve already reached the summit once before, but they never saw a scene like this before!

“The opponent would be chosen by the inheritor himself! After the inheritor picked his opponent, a one on one duel will commence, everyone outside the inheritor and the duelist will be unable to interfere with the duel!” the voice from before said indifferently.

Yi Tianyun frowned a little bit as he noticed that he had to fight against 30 people to complete this trial!

Furthermore, Yi Tianyun could see that 4 of them have already reached the Spirit King stage with Ming Chen as the strongest out of them all!

“What are you waiting for? Let’s finish this once and for all! pick me as your first opponent!” Ba long said confidently.

“Yeah! You must pick one of us first! Let us see what you are capable of!” Ming Chen said tauntingly.

“Calm down. Everyone will get their turn! But I will start with you!” Yi Tianyun said as he pointed his finger towards the nearest core transformation expert! Suddenly, a bright light engulfed the Core Transformation Expert, and suddenly the bright light widened and forced everyone to back away, giving Yi Tianyun and the Core Transformation Expert a space to duel!

Yi Tianyun immediately rushed forward at the Core Transformer Expert, and it seemed the Core Transformation Cultivator couldn’t even react to Yi Tianyun’s attack! Yi Tianyun killed the Core Transformation Expert in an instant!

‘DING!’

‘Successfully killed Core Transformation Cultivator!’

‘Reward: 47.000 Exp, 4.700 Cps, 200 Sps, Martial Art, ...’

Yi Tianyun showed no mercy! As long as they were affiliated with Heavenly Netherworld Divine Nation, he wouldn’t hesitate to kill them!

‘Successfully killed the first duellist! Please chose another one!’ the voice earlier said indifferently.

Yi Tianyun pointed towards the Core Transformation, who seemed a little bit scared as soon as Yi Tianyun picked him!

But before the lights came to engulf the next Core Transformation Expert, Ming Chen shoved the Core Transformation Expert aside and told him to forfeit!

But it was all too late! The Core Transformation Expert that Yi Tianyun has pointed to was immediately teleported back near Yi Tianyun, and the duel commenced!

“Master, help me!” The Core Transformation Expert said as he begged for Ming Chen to save him!

“Don’t do it, brat! don’t kill him!” Ming Chen said, but Yi Tianyun ignored him, killing the Core Transformation Expert instantly!

“I told you to stop!” Ming Chen said furiously, he immediately released his aura and attacked Yi Tianyun with the Netherworld Divine Palm!

Yi Tianyun smirked as he just stood there, waiting for Ming Chen’s attack! Fortunately, he was still in a trial, so the Divine Protection from the trial was still in effect! Ming Chen’s attack was easily repelled like it was nothing!

Chapter 532

Ming Chen shot a quick blast at Yi Tianyun, but due to the divine protection, Ming Chen’s attack rebounded back to him, injuring his arm!

Yi Tianyun obviously ignored Ming Chen as he knew that there was nothing Ming Chen could do here.

The voice earlier clearly stated that this was a one on one duel, so there would be no external interference happening!

Yi Tianyun smirked and kicked Ming Chen's disciple in the stomach, sending him flying where the rest of the disciple ran to check on him!

They realized that with that one powerful kick, the disciple that Ming Chen has cultivated carefully died!

Ming Chen quickly ran to his disciple's side and noticed that his disciple was dead! "No! this is not happening! You! I will kill you for this!" Ming Chen said coldly.

Yi Tianyun ignored Ming Chen and selected one opponent after another to duel! Yi Tianyun killed the disciple one by one with ease.

Yi Tianyun was so fast that no one was able to catch up to him at all! After all, they were still at the Core Transformation stage, and some of them were at Void Spirit Rank, which was not a problem for Yi Tianyun at all!

"God damn it! Choose me! I will gladly be your opponent!" Ming Chen said frustratedly.

"Rest assured. I will get to you eventually!" Yi Tianyun said with a smirk on his face. Yi Tianyun then chose the disciple at the Void Spirit Cultivation stage as he was finished with all Core Transformation cultivators.

He the weakest disciple out of all the Void Spirit Cultivators there and immediately killed him with one punch! Everyone was convinced that Yi Tianyun was at Void Spirit Cultivation Rank, so they were shocked when they saw Yi Tianyun could also kill a Void Spirit Cultivator with only one punch!

"Now, who would be my opponent for your insignificant group?" Yi Tianyun said to the rest of the Void Spirit Cultivator with a smirk on his face.

The rest of the Void Spirit expert were silent as they began to fear Yi Tianyun's power!

"You! what did you just do!" The Void Spirit Cultivator that he punched earlier said with all his teeth and nose broken!

"Oh, wow, you are still alive! Well, you should have kept your head down!" Yi Tianyun said as he punched the cultivator once more, finishing him off for good!

Yi Tianyun wouldn't show any mercy to these cultivators as he knows that all Heavenly Netherworld Divine Nation people were scum who wouldn't even think twice to kill a child!

'DING!'

'Successfully killed Void Spirit Expert!'

'Reward: 18.000.000 Exp, 13.000 Cps, 600 Sps, Fire Thunder Palm martial art, Recovery Medicinal Pills, 5X Exp Card, X2 Middle-Grade Sacred Tool!'

Yi Tianyun got a lot of drop items from killing the Void Spirit Cultivator, so he smirked with a satisfied look on his face.

"Withdraw! Escape this place immediately!" Ba Long said as he saw that Yi Tianyun could easily kill a Void Spirit Expert in one punch! The Void Spirit Cultivator immediately obeyed Ba Long's word and tried to run away!

"Wow, this is your Smelting Trial, isn't it? Why would you leave? It wouldn't be good if you leave!" Yi Tianyun said as he immediately chased after the escaping cultivators!

Yi Tianyun then pulled out the Netherworld Sacred Sword and slashed the Void Spirit Cultivators in two!

Several of them tried to block Yi Tianyun's attack, but their effort was futile as Yi Tianyun easily pierced through their defenses!

Seeing Yi Tianyun's brutality, the rest of the Void Spirit Experts lost their will to fight as they saw that there was no hope of surviving! Several of them even fell down to their knees in hopelessness as they feared Yi Tianyun's power!

But Yi Tianyun didn't care! He didn't show mercy for these people, and killed them one by one!

'DING!'

'Successfully killed Void Spirit Expert!'

'Reward: 16.000.000 Exp, ...'

'DING!'

'Successfully Killed Void Spirit Expert!'

'Reward: 17.000.000 Exp, ...'

Yi Tianyun immediately used his Clone technique to kill the Void Spirit Expert faster! None of them could escape his grasp!

Chapter 533

The enemy suddenly multiplied into four, and they all looked the same! The Void Spirit Expert once again tried to escape by flying as they know that there was no way they could survive if they stayed there! But there was nothing that they could do as Yi Tianyun was far faster than them!

Yi Tianyun finally killed all the escaping Void Spirit Experts as he knew that there was no use in prolonging this any longer!

All the cultivators who watched from outside the tower were shocked to see Yi Tianyun's unexpected ability!

Usually, someone could only conjure one or two clones at max, but the young man could conjure four! They began to wonder which one was the real body out of all the clones!

Ming Chen, however, was horrified! He watched all disciples that he had cultivated for a long time, dead! Wasting his resources, time, and effort!

“Four left!” Yi Tianyun said as he smirked to Ming Chen. He looked at their status and noticed that the weakest among them was Niu Tengtian, followed by Nangong Ming, Ba Long, and finally, the strongest was Ming Chen!

Yi Tianyun smirked as the Divine Protection really tipped the scale in his direction! If these 4 Spirit King Cultivators ganged him up, there was no way he could survive!

“Yes, if you can’t beat us, you will never walk out of this Smelting Trial alive!” Ming Chen said coldly as he glared at Yi Tianyun. The same could be said to the other three Spirit King Cultivators as Yi Tianyun saw that their eyes reflected killing intent!

“Don’t worry. I will take care of you one by one! now, you will be the first one!” Yi Tianyun said as he pointed his finger to Niu Tengtian.

Niu Tengtian immediately released all his aura, and the skies instantly turned dark as a black cloud covered the sky!

A black thunder constantly struck the ground around Niu Tengtian currently stood, but none of it really hurt him as it was a part of his power!

Niu Tengtian himself began to change to a bull as his head transformed to that of a bull, complete with a set of horns!

“I will avenge Men Hu! Prepare yourself!” Niu Tengtian said coldly.

“Old Niu! Don’t kill him too fast!” Ba Long said at the side as he wanted to torture Yi Tianyun first.

“Of course, You’ll have your fun later!” Niu Tengtian said coldly. He pulled out a giant axe from his storage ring and slammed it to the ground, showing off his strength.

“Thunder burst!” Niu Tengtian said as a lightning whip immediately whipped the Giant Axe toward Yi Tianyun’s position!

Yi Tianyun squatted to dodge the attack, and the axe hit the ground not too far from his position! Yi Tianyun saw that Niu Tengtian’s attack just now was at 500 million combat power!

“You are strong! But not strong enough!” Yi Tianyun said as he activated his Crazy Mode and covered his Netherworld Sacred Sword with Netherworld’s Fire! Because of the synchronized power, the Netherworld Sacred Sword burst out with power! The excessive Netherworld’s Fire on the sword fell down to the ground!

Yi Tianyun immediately swung the sword and cut through the thunder as if it was a paper! Niu Tengtian’s complexion changed after he saw that the enemy easily cut through his aura like that!

Furthermore, it was Netherworld’s Fire! the 4 Spirit King Experts were shocked and surprised! How come the enemy could control the Netherworld’s Fire? as far as they knew, the Netherworld’s Fire was supposed to be the Heavenly Netherworld’s signature fire!

But Niu Tengtian was forced out of his daydreams as he suddenly felt that his body was being pulled by an unknown force!

“Too bad! It can’t absorb something that far!” Yi Tianyun said casually, but Niu Tengtian knew it would be dangerous if he got too close to the enemy!

Yi Tianyun quickly threw the Netherworld’s Fire to Niu Tengtian with combat power around 560 million! Niu Tengtian was startled and immediately tried to absorb it!

Niu Tengtian had the Netherworld’s Fire cultivation technique, so he instinctively tried to absorb Yi Tianyun’s Netherworld’s Fire as it would benefit him!

“You! how did you have that fire?!” Ming Chen shouted curiously.

Even though the Heavenly Netherworld Divine Nation dominated over the Netherworld’s Fire, this fire wasn’t created solely for Heavenly Netherworld’s sake!

It was originally a heavenly flame that existed on the earth! So, there was a chance someone who didn’t have any connection to the Heavenly Netherworld Divine Nation could also control the fire!

#### Chapter 534

“You know that Netherworld’s Fire won’t have any effect on Old Niu, right? He can just absorb it as his cultivation!” Ming Chen said as he smirked at Yi Tianyun.

After absorbing the fire, Niu Tengtian immediately rushed towards Yi Tianyun madly!

As he got close, Niu Tengtian immediately reached out his hands, and a powerful force immediately pulled Yi Tianyun towards him!

Niu Tengtian had a martial art called ‘Devouring Heaven and Earth’!

This martial art had the same property as the Heavenly Devouring Divine Sacred Art, but he didn’t know that Yi Tianyun had a similar martial art as him and that Yi Tianyun’s was much more powerful than his!

“Come on, Old Niu! You can drain him completely!” Ba Long said excitedly.

“Well, how do you escape this one, brat?” Ming Chen said as he smirked at Yi Tianyun.

Yi Tianyun realized that there was nowhere to escape as Niu Tengtian’s attack covered a huge area! So, he swung his sword and attacked head-on!

He released another Sword Wave that flew towards Niu Tengtian to see what happen!

Yi Tianyun saw that his attack was being absorbed once it got close to Niu Tengtian, but Niu Tengtian couldn't absorb all of Yi Tianyun's attack as the side part of the Sword Wave went past Niu Tengtian!

Because of that, Yi Tianyun realized that Niu Tengtian's power was like the Absorbing Star Great Technique! Yi Tianyun blinked instantly as he didn't understand what he just saw!

But Yi Tianyun quickly snapped back into reality as Niu Tengtian charged once again!

"You are an idiot! Your attack won't reach me!" Niu Tengtian said confidently.

The other executives of Heavenly Netherworld Divine Nation were excited to see their comrade was going to put an end on the intruder for good! But as Niu Tengtian got closer, Yi Tianyun noticed that Niu Tengtian couldn't even absorb his Spiritual Energy!

"Is my martial art stronger than his? What is going on? I don't feel anything bad happen to me except for the annoying pull force that keeps making a huge wind like this!" Yi Tianyun said to himself.

In fact, Niu Tengtian's martial art was indeed amazing! But there was still a limit to how much energy he could absorb!

And sure enough, Yi Tianyun's next Sword Wave was also absorbed by Niu Tengtian, but not before injuring Niu Tengtian's arm a little bit!

Yi Tianyun smirked as he knew that Niu Tengtian would be in big trouble if his attack could surpass this limit!

So, Yi Tianyun activated his own Heaven Swallowing Divine Art to the maximum! Niu Tengtian's absorption was suddenly overtaken as the pulling force shifted towards Yi Tianyun!

"What is going on?" Niu Tengtian was startled when he noticed that he was being dragged towards Yi Tianyun even though he was the one who was supposed to be pulling Yi Tianyun towards himself!

The people who watched the fight were surprised to see the scene in front of them. They never expected that the enemy turned out to have a similar ability as Niu Tengtian, and the worst-case scenario was that the enemy was more powerful than Niu Tengtian himself!

“Come over here!” Yi Tianyun shouted as he knew that Niu Tengtian’s power was already neutralized!

Niu Tengtian, who knew that he wouldn’t hold on for much longer, immediately released his absorption and slammed a big axe to the ground as his anchor!

He also fired several thunderstrikes towards Yi Tianyun! But unfortunately for Niu Tengtian, the thunder was absorbed, leaving nothing behind!

“What is this! how can he also have the Devouring Heaven and Earth technique!” Ba Long said frustratedly.

They frustratedly gritted their teeth as they know that it wasn’t looking good for Niu Tengtian! The enemy easily overpowered Niu Tengtian’s signature move! That realization alone, completely discouraged them!

“Come here!” Yi Tianyun said as he kept on pulling Niu Tengtian towards him, but Niu Tengtian didn’t budge! He wasn’t weak, to begin with, and so, he could resist Yi Tianyun’s pull force with his power alone!

However, Yi Tianyun was already tired of waiting! So, he immediately rushed towards Niu Tengtian and immediately grabbed his shoulder!

The powerful absorption immediately drained Niu Tengtian’s spiritual energy!

“Arggggh, get away from me!” Niu Tengtian said as he screamed and tried to get away from Yi Tianyun. But Yi Tianyun easily overpowered Niu Tengtian and slammed him to the ground!

The spectators were shocked once again as they never thought that Niu Tengtian would be overpowered by a teenage boy like this! they couldn’t help but wonder how strong this boy really was!

## Chapter 535

Niu Tengtian felt like his shoulder was being held by a terrifying power! He couldn't even lift it to defend himself!

"Be a good boy and stop struggling!" Yi Tianyun said while grinning. Yi Tianyun was satisfied with gaining so much exp while weakening his enemy!

But surely, all the spectators were shocked to see that a little human could overpower one of the executives of the Heavenly Netherworld Divine Nation this easily!

It was all thanks to Yi Tianyun's crazy mode! If it weren't for that, he would never be able to do this! But still, he would never dive headfirst to attack someone without careful planning!

For now, he had to level himself up first as he knew that he would have a hard time against Ming Chen later with his current level!

"Let me go!" Niu Tengtian said as he struggled as hard as he could, but it was all for naught! Yi Tianyun has already held down Niu Tengtian's body down. There was no way he would let Niu Tengtian go so easily!

"How disappointing!" Yi Tianyun said as he slammed Niu Tengtian's body to the ground once more. As a result, Niu Tengtian couldn't even move a finger! "Come on, didn't you say that you're supposed to be strong? Even your brother Men Hu struggled better than this!" Yi Tianyun said casually.

"If you are this weak, then maybe I don't need you anymore!" Yi Tianyun said as he stomped Niu Tengtian's stomach, causing serious internal bleeding! "You said the weak would become prey for the strong? Well, looks pretty accurate to me!" Yi Tianyun said as he smirked at Ming Chen.

"You bastard!" Ba Long said as he was furious upon seeing the scene in front of him. but there was nothing he could do, as he couldn't harm the intruder due to the Divine Protection! "I will kill you even if it's the last thing I do!" Ba Long said as he clenched his fist furiously.

"Sure! All you need to do is to wait for your turn!" Yi Tianyun said with a smug look on his face.

“Then move on already! Fight me next! I will not disappoint!” Ba Long said furiously.

Yi Tianyun smirked as he successfully provoked his opponent! He now had a much better chance to win against them as they were riled up like this!

So, he focused his attention on absorbing all the Spiritual Energy in Niu Tengtian before moving on to the next opponent!

When all the Spiritual Energy in Niu Tengtian’s body was drained, Yi Tianyun got so much Exp, and he was content with it! Then, Yi Tianyun kicked Niu Tengtian’s weak body to the side and immediately threw a sword to Niu Tengtian to impale him!

“Quick, check on his condition!” Ba Long shouted, and the three of the executives immediately checked on Niu Tengtian’s condition only to find that Niu Tengtian was already dead!

‘DING!’

‘Successfully killed Niu Tengtian!’

‘Reward: 120.000.000 Exp, 8.000 Cps, 1.600 Sps, Devouring Heaven Art, Thunder Tyrant Chop, Yak collision, Thunder Cry Axe. Thunder Cry Axe, Thunder Cry Armour, Thunder Cry Boots, Thunder Cry Horn, Yak Bloodline!’

After successfully killed Niu Tengtian, Yi Tianyun got a bunch of drop items! But it was still unfortunate that Niu Tengtian wasn’t classified as an Elite Enemy!

Nonetheless, Yi Tianyun was content. He got 200 million exp for killing Niu Tengtian!

“Old Niu!” Ba Long roared in extreme anger. He was furious at Yi Tianyun for killing another of his dear compatriot, and this time right under his nose!

“Why are you angry over his death? Aren’t you all cold-blooded killers!” Yi Tianyun said indifferently.

“You picked him knowing that he was easy prey, didn’t you? Now, pick me! I will smash your head into the ground!” Ba Long said with a furious growl. Yi Tianyun could see that Ba Long has steadily transformed into his Dragon form, as Ba Long’s arm was covered with a thick Dragon Scale now!

“Relax! Your turn will come soon! but for now, I choose you!” Yi Tianyun said as he pointed his finger to Nangong Ming. Ba Long was stronger than Nangong Ming, and Yi Tianyun wanted to deal with the weak first!

“Great! Now I have the opportunity to kill you painfully!” Nangong Ming said coldly.

Nangong Ming was a very mysterious expert on Heavenly Netherworld Divine Nation, he never really demonstrated his power to others, and because of that, no one really knew the extent of his power, well, except for Yi Tianyun!

Yi Tianyun could see Nangong Ming’s status and equipment while also knowing his weakness!

Nangong Ming’s weakness was the same as other Netherworld’s Fire’s cultivators, and that was an extremely hot fire! With Immortal Fire, Yi Tianyun knew that it would be easier to deal with Nangong Ming!

## Chapter 536

All spectators outside the duel arena were thinking the same thing! They believed that Nangong Ming would win despite not knowing what kind of power Nangong Ming possessed!

“Well, it seems everyone thinks highly of you!” Yi Tianyun said casually.

Nangong Ming glared at Yi Tianyun coldly. He was ready to burn Yi Tianyun with his Netherworld’s Fire! Nangong Ming also used the Netherworld’s Fire like Ming Chen, but he was slightly weaker than Ming Chen!

In fact, almost all Nangong Ming’s arsenal was similar to Ming Chen, but of course, the spectator outside didn’t know that!

"I have always made sure to lay low the entire time I am in Heavenly Netherworld Divine Nation, but that doesn't mean I am weak! Choosing me was a mistake!" Nangong Ming said coldly.

"Now, burn!" Nangong Ming shouted towards Yi Tianyun as Netherworld's Fire emerged from his palms. Yi Tianyun smirked.

Thanks to absorbing the Heavenly Yin Fire on the Phoenix Cave earlier, he managed to upgrade his Netherworld's Fire, making it easier for him to absorb a normal Netherworld's Fire!

"Now, let see which of us has the stronger Netherworld's Fire!" Nangong Ming said coldly as he was about to attack Yi Tianyun with his Netherworld's Fire, but as a precaution, he also summoned a huge phantom shadow to back him up if the fire had no effect! Now, Nangong Ming has 650 million Combat Power!

"Well, I don't think I need to use my fire for this!" Yi Tianyun said casually as he waited for Nangong Ming to attack him first.

"You have said it now! If you dodge it, then my fire is clearly stronger than yours!" Nangong Ming said tauntingly.

"Don't worry. I will not move from this spot!" Yi Tianyun said casually without worry! He then drew a big circle on the ground as his way to say that he wouldn't leave that circle!

The next moment, Nangong Ming released his aura, and countless petals of Netherworld's Fire appeared around him!

Nangong Ming also conjured a firewall around Yi Tianyun to make sure that the enemy wouldn't escape his attack!

"That's the flower secret art! It was Nangong Ming's signature move! The petal would surround those who touched it, and ignited them instantly!" the spectator outside said while looking at Nangong Ming in awe.

The rest of the spectators nodded their heads as they were excited to see the moment Nangong Ming killed the intruder!

Nangong Ming then turned the Netherworld's Fire on his hands into a whip and immediately used it to tie Yi Tianyun up!

Yi Tianyun didn't dodge Nangong Ming's attack, just like he said earlier, and let himself get tied up by Nangong Ming!

"Great! Now come over here!" Nangong Ming said as he pulled Yi Tianyun towards him, but Nangong Ming was shocked because no matter how hard he pulled, Yi Tianyun wouldn't budge!

"What? Is that the best you have got? did you eat enough before you come here?" Yi Tianyun said mockingly.

Nangong Ming's expression immediately turn into frowns, he already used all his power, but it seems it wasn't enough to even pull the enemy towards him!

On the other hand, Yi Tianyun was using his Dragon God Bloodline to increase his defensive capabilities! He knows that Nangong Ming wouldn't have the power to move him with his combat power!

"Since you are clearly struggling, let me help you!" Yi Tianyun said as he grabbed the whip and pulled Nangong Ming towards him!

Nangong Ming was startled and immediately let go of the whip, letting Yi Tianyun get loose as the whip cease to exist after losing its power source.

Instead, Nangong Ming immediately rushed over to Yi Tianyun as he increased the amount of flower petal around his body! "I will kill you, bastard!" Nangong Ming said furiously.

"Don't kill him yet! let us have some fun too!" Ba Long said hurriedly as he worried that Nangong Ming would kill the intruder instantly.

“Relax, he would be gravely wounded at most!” Nangong Ming said confidently. He then created another whip, and this time, he tied Yi Tianyun’s body as he got close to him, making the flower petal to go wild!

Everyone looked at the scene in anticipation as they want to know what happens next, but they were clearly shocked to see that a whirling fire was constantly being absorbed into the enemy’s body! There is not even a single burn mark on the enemy’s clothing!

At the same time, Ming Chen and Ba Long were shocked to see that Nangong Ming was held under the enemy’s feet after all that!

Many people were also shocked to see this scene, just how powerful is this intruder could be!

Chapter 537

In an instant, Nangong Ming was held down under Yi Tianyun’s feet! He couldn’t move even if he wanted to as the pressure from Yi Tianyun was too heavy!

“Get out of my way!” Nangong Ming shouted and hurled his Netherworld Fire at Yi Tianyun, but Yi Tianyun didn’t care!

He quickly absorbed the Netherworld’s Fire that Nangong Ming released and turned it into exp! But for Yi Tianyun, this was really disappointing!

The Netherworld’s Fire that Nangong Ming used lacked firepower, so he only got several hundred of mastery from it!

“Can’t you get up by yourself? It’s just one foot, you know? Aren’t you going to incapacitate me?” Yi Tianyun said with a smirk on his face.

Yi Tianyun deliberately humiliated Nangong Ming, but he knew that in the end, he would kill Nangong Ming. Nonetheless, it was fun to break his enemy down to pieces!

“Get off me, bastard!” Nangong Ming shouted as he struggled beneath Yi Tianyun’s feet. The cracking bone sound was instantly heard as Yi Tianyun forced his feet down to the ground, squishing Nangong Ming in the process!

Ba Long and Ming Chen were gritting their teeth as they didn’t know how to help Nangong Ming as the Divine Protection rendered their attack useless! Eventually, Yi Tianyun exhausted all Nangong Ming’s fire as he saw that Nangong Ming’s fire dimmed!

“Damn you! Let him go! This is not a duel anymore!” Ming Chen shouted on the side.

“If this is not a duel, what else would it be? So, what do you suggest I should do then?” Dio asked sarcastically.

“Let him go and let him regain control of his aura back to normal before you fight him again!” Ming Chen said solemnly.

“Hmmm, fair enough, I will give him another chance,” Yi Tianyun said casually as he lifted his feet from Nangong Ming.

The spectator was shocked that the enemy would agree to such an outrageous demand! They were starting to think that the enemy was either an idiot or simply overconfident!

But surely, Nangong Ming himself didn’t abide by this rule! As soon as Yi Tianyun lifted his feet, Nangong Ming immediately attacked!

He threw a fireball towards Yi Tianyun. He thought that there was no way his fireball would miss from point-blank range, and surely it would cause serious damage!

But unfortunately for him, Yi Tianyun has already seen this coming the moment he lifted his foot. He quickly absorbed the fire and stomped Nangong Ming’s waist!

For this attack, Yi Tianyun used Crazy Damage Mode. As a result, Nangong Ming immediately coughed up blood as the damage was too much for Nangong Ming to take!

Nangong Ming screamed in pain as he couldn't bear the pain! The spectators were disappointed as Nangong Ming was given a second chance but unable to maximize it!

Yi Tianyun has shattered Nangong Ming's spine, so he knew that there was no way Nangong Ming could stand up again!

"Well, come on now! Stand up! I will give you another chance!" Yi Tianyun said coldly.

Nangong Ming immediately tried to stand up, but sadly, he couldn't move his lower body half anymore! So, all Nangong Ming could do was crawl away from Yi Tianyun.

"I will kill you! I swear, I will!" Nangong Ming screamed as he held down his breath in pain. There was no saving him now. Even the strongest healer couldn't heal a broken spine!

"Then get up and do it! I am giving you a chance now!" Yi Tianyun said tauntingly.

"Hey, you are not fair! How could you say that to someone at that state!" Ming Chen shouted in anger.

"Fair? What do you know about fair? If the Divine Protection is not protecting me right now, you guys will gang up on me! Did you think that I am stupid? Now, I will kill all of you one by one!" Yi Tianyun said as he put his feet back on top of Nangong Ming and start to absorb Nangong Ming's spiritual energy!

"Hurry up now! let me fight you!" Ba Long said as he didn't care about Nangong Ming's well being now, as soon as Nangong Ming's spine was broken, he was as good as dead in Ba Long's eyes!

"Be patient. Your turn will come soon!" Yi Tianyun said indifferently.

'DING!'

'Successfully killed Nangong Ming!'

'Reward: 130.000.000 Exp, 90.000 Cps, 1.500 Sps, Netherworld Divine Palm, Netherworld Divine Art, Flower possession, Netherworld Armour, Netherworld Boots, Netherworld's Fire!'

Nangong Ming didn't give that many drop items, and most of them were basically the same items as those from Netherworld Emperor, so Yi Tianyun didn't have any use of it aside from the Exp, which was not bad! He would just sell all Nangong Ming's drop items later!

"Now, it's your turn!" Yi Tianyun said as he pointed his finger to Ba Long!

"Great! I will avenge my fallen brothers now! just you see, I am far stronger than both of your previous matches!" Ba Long said coldly as he roared to Yi Tianyun!

#### Chapter 538

Ba Long immediately took the initiative! He had to show his dominance over the intruder to make sure no other people dared to underestimate Heavenly Netherworld Divine Nation!

For Yi Tianyun, he didn't really care whether he must fight Ming Chen or Ba Long as they both nearly had similar combat power, but for the sake of duelling the enemy from the bottom up, he chose to fight Ba Long first!

Ba Long knew that he must get serious from the start as he saw that none of his previous brothers' attack got through to the brat! So, Ba Long immediately pulled out his Dragon Gun as his body was immediately covered with a thick Dragon Scale!

Ba Long immediately channeled his Spiritual Energy into the Dragon Gun and flew to the sky! Ba Long then summoned a giant dragon phantom shadow to assist him in the fight!

Ba Long then started spinning towards Yi Tianyun like a big tornado!

"Die, you bastard!" Ba Long shouted as his combat power rose significantly. He wanted to kill Yi Tianyun so badly as he was furious that Yi Tianyun killed 2 of Heavenly Netherworld Cultivators so easily!

Ba Long's killing intent exerted pressure on the surroundings. Even the people outside of the Divine Wall could feel it on their skin!

Yi Tianyun smirked, and his eyes immediately flashed red! Yi Tianyun has activated his Dragon God Bloodline, covering his body with Red Dragon Scales!

Thanks to leveling up his Dragon God Bloodline, his defence improved again! Now, instead of Black Dragon Scales, he got Red Dragon Scales!

Yi Tianyun then quickly spun around, creating his own tornado-like attack that easily engulfed Ba Long's tornado!

Ba Long immediately shot his gun before he was flung by Yi Tianyun's tornado, but unfortunately for Ba Long, Yi Tianyun's tornado engulfed the attack from his gun as well!

"Why are you so eager to die?" Yi Tianyun smirked as he knew that his Dragon God Bloodline was far better than Ba Long's Dragon Clan Bloodline.

"Dragon God Bloodline?" Ba Long said as he frowned after recognizing Yi Tianyun's unique scale. He finally understood why none of his brothers' attacks affected the intruder!

The intruder had a Dragon God Bloodline, which was a pinnacle of all defensive power!

Not only that, but Yi Tianyun's Crazy Mode also further increased Dragon God Bloodline's effectiveness, that was why even a 5th Layer Spirit King like Ba Long couldn't penetrate Yi Tianyun's defence!

Furthermore, Yi Tianyun also summoned a Dragon God Phantom Shadow that helped him amplify Yi Tianyun's defensive power!

The Dragon God Phantom Shadow behind Yi Tianyun immediately roared towards the Dragon Phantom Shadow behind Ba Long, and the Dragon Phantom Shadow shrieked and shrank in size, completely dominated by the Dragon God Phantom shadow!

“This is my power! I have the strength of the Dragon God with me, how dare you use a dragon power in front of me!” Yi Tianyun said coldly as he rushed towards Ba Long and punched him straight at the chest!

Ba Long wanted to fight back, but his dragon power was suppressed due to the intruder’s Dragon God Bloodline’s power!

As a result, he reacted late and took a hard punch on the chest, sending him flying several feet away from his previous position!

Bloodline suppression was a normal thing in the Divine Beast Rank bloodline! So, no matter how powerful a normal dragon could be, it couldn’t attack their king, even if the king was much weaker!

“Aren’t you going to kill me earlier? What are you waiting for? This is your chance!” Yi Tianyun said tauntingly.

All spectators were shocked to see that Ba Long, whom they expected to dominate the duel, was now trembling under the intruder’s feet!

They never expected Ba Long’s Bloodline would be inferior compared to the intruder’s Bloodline!

Right now, Ba Long’s power has decreased dramatically. His Dragon Bloodline has been suppressed, and now, he didn’t have anything left to fight with!

At the same time, Ming Chen’s face was filled with anger! Even Ba Long couldn’t deal with the intruder. This has never happened before!

“Sir Ba Long is in trouble now! How can there be a Dragon God Bloodline cultivator here? Just who the hell is he? Is he from the Dragon Valley?” one cultivator said as he observed the fight from outside.

“That is impossible! Dragon Valley was in Heaven World! How can they go to Ghost World without anyone knowing!” another cultivator said worriedly.

“What if he is from the Dragon Valley? Did we ever pick a fight with any cultivator from the Dragon Valley before?” another cultivator hopped into the conversation nervously.

They were worried. If Dragon Valley’s cultivator was really involved here, Heavenly Netherworld Divine Nation could be in deep trouble!

Yi Tianyun smirked as he was the only one who knew that Ba Long had a bad matchup with him compared to Nangong Ming or even Niu Tengtian!

Unless Ba Long didn’t have the Dragon Clan Bloodline, he would never be able to defeat Yi Tianyun!

“How is this possible! Did you come from Dragon Valley?” Ba Long asked in despair.

“Dragon Valley? Why would a Dragon Valley cultivator come here? but no matter, I didn’t come from Dragon Valley, but I will kill you nonetheless!” Yi Tianyun said with a smirk on his face.

#### Chapter 539

Dragon Valley was closely similar to Phoenix Nest, but it was in the Heaven World instead of Ghost World! Yi Tianyun’s Dragon God Bloodline was the prominent bloodline of Dragon Valley’s higher-ups!

Everyone who watched Yi Tianyun’s fight right now would have assumed that he was from the Dragon Valley, but he has already denied it!

They began to wonder where else would a Dragon God Bloodline user come from other than the Dragon Valley!

“There was no way you’re not from Dragon Valley! No other place has such a pure Dragon God Bloodline than that place!” Ba Long said with a terrified look on his face.

“What is it to you? does it matter where I come from?” Yi Tianyun said indifferently. He didn’t care what these people thought of him as long as he could destroy the Heavenly Netherworld Divine Nation!

If the Dragon Valley really ended up taking the blame for Yi Tianyun's action, he would apologize later, but for now, thanks to the Hundred Faces Mask, he didn't need to be afraid of being recognized!

"Heavenly Netherworld Divine Nation has never provoked you! why did you come here and go this far?" Ba Long said worriedly.

"As I said before, I am not from the Dragon Valley! Whether you believe it or not, it's not my problem anymore!" Yi Tianyun said as he walked towards Ba Long slowly.

However, Ba Long didn't try to escape; instead, he pulled out a Medicinal Pill from his storage ring and immediately swallowed it!

This medicinal pill was Frantic Divine Pills! With this medicine, Ba Long would be able to increase his spiritual power even if he was being suppressed by Yi Tianyun's Dragon God Bloodline.

Surely, after taking the Frantic Divine Pill, Ba Long's combat power exploded to 630 million points! The power was fearsome indeed!

"That frantic divine pill sure is not bad!" Yi Tianyun said as he saw Ba Long's explosive power, but Yi Tianyun also knew that using this Frantic Divine Pill would also decrease the user Spiritual Energy after the time limit was up! So, it was a very risky pill to consume!

Seeing Ba Long roared in a powerful aura and knowing that he must have consumed a Frantic Divine Pill, the spectator began to cheer for Ba Long again!

They screamed Ba Long's name like he was some powerful hero coming to the rescue!

Ba Long immediately rushed towards Yi Tianyun confidently, as he knew that his power was nothing like before!

He rushed without any weapon at hand as his hands have already turned into claws, and it was better than any other weapon that he had now!

“Die!” Ba Long shouted as he threw a punch at Yi Tianyun’s face. The Dragon Phantom Shadow that followed Ba Long also attacked! This attack power could easily kill a Spirit King cultivator if they were caught off guard!

Yi Tianyun yawned and gently threw his own punch towards Ba Long’s attack! Everyone who saw the scene snorted as they thought that there was no way the teenager could challenge Ba Long’s power! They thought that the teenager has already given up and accepted his fate!

But the next scene shocked them, when Yi Tianyun’s fist collided with Ba Long’s fist, a shockwave of explosion surprised everyone!

After the smoke faded, everyone was shocked beyond their wits. Ba Long’s arm was cut off clean! So much blood spurted out of his lost arm, creating a pool of blood on the ground!

On the other hand, Yi Tianyun received no damage at all! This was the proof that Yi Tianyun was far stronger than Ba Long!

Even if Ba long has already taken Frantic Divine Pill, he couldn’t surpass Yi Tianyun’s power!

“Your power is not bad! But not good enough!” Yi Tianyun said as he rubbed his fist tauntingly.

Yi Tianyun flashed forward and instantly reappeared in front of Ba Long! Yi Tianyun grabbed Ba Long’s head and absorbed his Spiritual Energy for extra experiences!

But at the same time, Yi Tianyun noticed that Ming Chen was trying to escape the Divine Circle!

It was a shameful act, but Ming Chen knew that his probability of winning was low! He was stronger than Ba Long, but seeing the enemy could deal with Ba Long so easily, it wouldn’t be difficult for the enemy to deal with him too!

“Where are you going?” Yi Tianyun asked as he looked at Ming Chen coldly. Yi Tianyun then pointed his finger to Ming Chen, making Ming Chen eligible for a duel!

On the other hand, Ming Chen was surprised that a golden bind that rendered him unable to attack the intruder earlier has vanished!

This meant that he could attack the intruder himself! Ming Chen looked at the intruder and noticed that he was still busy dealing with Ba Long!

Ming Chen smirked and prepared himself to sneak attack the intruder!

#### Chapter 540

Ming Chen immediately used his Netherworld Divine Palm! The attack came from the sky, covering the entire field, making it almost impossible to avoid!

“Let’s see you wait for this!” Ming Chen sneered as he attacked Yi Tianyun. He only pretended to run away, but his real reason was to find this exact chance to execute a sneak attack!

“Wow, your Netherworld Divine Palm is the strongest I have ever seen! But can your friend survive that much power? Or, more precisely, can you survive your own power?” a voice was suddenly heard behind Ming Chen.

But as Ming Chen turned his body to see the one behind him, his chest was punched! Ming Chen was thrown into the middle of the field, close to Ba Long, while Yi Tianyun stood on Ming Chen’s previous spot!

Ming Chen immediately vomited blood as he saw that he received a severe injury on his chest! He immediately realized that he couldn’t move as the damage was too much, but his Netherworld Divine Palm already got too close to the ground for him to react!

Ming Chen and Ba Long couldn’t escape! The Netherworld Divine Palm hit them head-on! Although both of them managed to endure the attack, it was still an embarrassing sight to see!

“You think I couldn’t see what you were doing? Go ahead then! It won’t make any difference even if you gang up on me!” Yi Tianyun said tauntingly.

Ming Chen and Ba Long immediately stood up from the sea of Netherworld's Fire that the Netherworld Divine Palm has created.

They were at a disadvantage right now considering Ming Chen was seriously injured because of Yi Tianyun's previous attack, and Ba Long himself has lost an arm!

The spectators were watching in silence as they immediately realized that they'd underestimated the intruder way too much. This teenager was obviously a powerhouse!

"Who are you? why would you do this to our Heavenly Netherworld Divine Nation?" Ming Chen asked worriedly.

He was dying to learn the intruder's identity as he was perplexed about why someone dared to attack a place under Heavenly Netherworld's control!

"You will know when you are at your death's door!" Yi Tianyun said coldly. He immediately rushed towards Ming Chen and Ba Long to finish things up so he could leave this place immediately!

Ming Chen immediately pulled out his long sword that was clearly enchanted with a powerful enchantment!

'Heavenly Netherworld Divine Sword: Lower Grade Divine Tool.

Unlimited Durability, able to release powerful Heavenly Yin Fire that could burn anything!'

Yi Tianyun didn't expect Ming Chen would have such a powerful sword! Clearly, Yi Tianyun didn't have any problem with Heavenly Yin Fire, but the sword was clearly a powerful tool, enough to increase Ming Chen's combat power by several levels! But Yi Tianyun knew that he had to kill Ming Chen no matter what!

"I will kill you!" Ming Chen shouted as he swung his sword into Yi Tianyun's direction! He still wanted to know the intruder's identity, but he knew that he couldn't risk it since he considered the intruder posed a threat to Heavenly Netherworld!

Ming Chen immediately released all of his power and channeled it all into his Heavenly Netherworld Divine Sword!

A terrifying demon phantom shadow appeared from inside the blade, completely condensed in Heavenly Yin Fire! Ming Chen swung his sword, releasing a wave of Heavenly Yin Fire from the tip of the blade!

Ming Chen's attack reached a whopping 800 million combat power points, far more than anyone Yi Tianyun has faced so far!

But Yi Tianyun didn't show any fear! He knew that 800 million combat power was a force to be reckoned with, but it was not on a scale that he had to worry about!

Yi Tianyun immediately equipped Niu Tengtian's equipment from before as he knew that it also possessed hot fire properties, but it was still weaker than the Immortal Fire!

'DING!'

'Successfully equipped [Thunder Cry Axe]!'

'DING!'

'Successfully equipped [Thunder Cry Armour]!'

'DING!'

'Successfully equipped [Thunder Cry Boots]!'

'DING!'

‘Successfully equipped Thunder Cry Armour Set!’

‘Effect: Attack with a lightning attribute, X15 Defensive Power, X8 Power!’

‘Special Attack: consume 10.000 Cps to use Heavenly Cry Breaking Heaven’s Chop!’

‘Cooldown: 1 hour!’

With a combination of his Crazy Mode and Dragon God Bloodline, after equipping the Thunder Cry Armour Set, Yi Tianyun’s combat power rose to 900 million points!

This was a crazy amount of combat point for an 8th Layer Void Spirit Expert to have! How much power could Yi Tianyun have if he actually got into the Spirit King Stage!

But Yi Tianyun wasn’t done yet! He immediately activated the Thunder Cry Breaking Heaven’s Chop to overpower Ming Chen’s attack further!

Suddenly, an ogre phantom shadow appeared behind him, slamming down a giant axe towards Ming Chen!

Yi Tianyun’s combat power rose once again! Now, he had 1.1 billion combat power! the ogre’s axe immediately overpowered Ming Chen’s Heavenly Yin Fire’s attack as the thunder struck the battlefield!

Ming Chen was the most speechless out of the everyone who saw the scene enveloped, he never thought that he had to pull out his Divine Tool for this fight, but even after using his Divine Tool, the enemy still overpowered him easily!

“Run!” Ming Chen said as he dragged Ba Long back to escape from Yi Tianyun’s attack! He immediately realized that he wouldn’t survive if he had to carry Ba Long with him, so he immediately threw Ba Long to the side!

“I will let you deal with it!” Ming Chen said to Ba Long nervously.

Ba Long was shocked at Ming Chen's action, but as he wanted to run on his own, he was quickly engulfed by the ogre's powerful lightning strike!

No one ever expected Ming Chen to sacrifice his trusted comrade to escape the enemy attack!
