Chapter 571

No one expected the two emperors who were supposed to ally themselves would suddenly attack each other like this.

Each of their strikes was laced with killing intent, proving to everyone that they were seriously trying to kill each other.

Everyone was too surprised to even think of what to do next, but suddenly, an explosion occurred that startled everyone again.

This explosion was Emperor Xiao's power, so everyone was convinced that Emperor Xiao was clearly the real one! But still, no one could explain what happened here!

"Oh, god! What is happening here? why are they fighting all of a sudden?" The Minister who has betrayed the Heavenly Dragon Empire earlier said as he was confused.

"What are they doing? How come they attack each other instead of us, their enemy?" Ren Long said as he was confused himself.

"Stop! Control yourself, emperors!" The elders behind the two-emperor shouted as they tried to draw the emperors' attention.

However, no one would be able to stop them from fighting with each other as Yi Tianyun has used his Eye of Charm, which could control any Spirit King that he wanted!

The lower their cultivation stage, the easier for Yi Tianyun to control them, so with Emperor Xiao at 2nd Layer Spirit King stage and Emperor Zhuge at 1st Layer Spirit King Stage, it was easy for Yi Tianyun to control them!

But Yi Tianyun was not completely controlling each and every emperor's move as he wanted them to realize what they were doing without having the ability to stop it, as Yi Tianyun knows that no matter what method that he used to kill these emperors, he would still get the Exp that he wanted!

“Great Emperor Xiao! Please snap out of it! what is wrong with you!” The enemy Army General shouted frustratedly.

“I don’t know! I couldn’t control my body! It must be that brat’s doing! Kill him quick!” Emperor Xiao shouted as he kept on attacking Emperor Zhuge.

The enemy nodded and immediately turned their attention towards Yi Tianyun. They didn’t know what Yi Tianyun’s power was, but it was clear that the Emperors started to attack each other after Yi Tianyun showed up!

They immediately attacked Yi Tianyun without any hesitation, as they thought killing one kid would be easy!

They even used all their power to make sure that they could kill Yi Tianyun in one blow so that their emperor could return to normal and stop fighting against each other!

But Yi Tianyun smirked. He immediately controlled the emperor to block the attack and kill the enemy for him!

‘DING!’

‘Successfully killed Void Spirit Expert!’

‘Reward: 53.000.000 Exp, 13.000 Cps, 800 Sps, ...’

‘DING!’

‘Successfully killed Void Spirit Expert!’

‘Reward: ...’

The Experience he received reached up to 50 million points thanks to his Crazy Mode, which was also enhanced by several Exp card that he bought earlier.

There was no way he would miss this much Exp!

So, even though the X50 Exp Card was expensive, he will still buy it as cultivators at Void Spirit stage and above gave a bunch of Exp when he killed them!

“That brat used sorcery! Get away from us! He used us to kill you all!” Emperor Xiao shouted as he was frustrated by Yi Tianyun controlling his body!

“That brat is clearly afraid to face us fair and square! So, he turned to sorcery! It is so unfair!” Emperor Zhuge shouted frustratedly.

The Emperors were both frustrated as they didn’t know how to break free from Yi Tianyun’s control!

Their hearts were filled by regret as they killed their generals whom they helped cultivate for a hefty amount of resources and time!

“Hmm, now I am a coward? Didn’t you look yourself in the mirror? Four empires allying themselves to attack one empire? you are clearly were too stupid to see the truth!” Yi Tianyun said coldly.

“Now you great emperors aren’t so great anymore! You are now completely under my fingers! Kill your men to your heart content as it’s clear that you love killing so much!” Yi Tianyun said tauntingly with a smirk on his face.

Yi Tianyun was late because he had to deal with the other two empires, and now, here he was controlling another two emperors to finish off all their soldiers!

Yi Tianyun smirked as he said his final word. No one would dare to laugh at any faction that he was in now as he could easily delete two empires by himself!

Even though Yi Tianyun couldn't say that he completely wiped them off, at the very least, they wouldn't be able to do anything after this!

"He really did it! he killed the other two emperors!" the enemy looked at Yi Tianyun in horror. Although it sounded like a joke before, it wasn't so funny now!

Everyone looked at Yi Tianyun in a different light as he was clearly more powerful than these Emperors!

The Heavenly Dragon Empire's cultivators also looked at Yi Tianyun with shuddering awe as it wasn't that long ago since Yi Tianyun destroyed the Netherworld Empire, and now, he was much more powerful than he was before!

The two emperors themselves were feeling remorseful as they clearly messed up with the wrong person here!

After all, they had ridiculed Yi Tianyun from the first time they met, and now, it was clear who was the fool here!

"Retreat!" Emperor Xiao shouted at his people, the cultivators on the enemy's side immediately ran away from the Heavenly Dragon Imperial City.

There was nothing left for them here as they couldn't possibly win against someone who toyed with their emperors like that!

"Did I ever say you guys can go?" Yi Tianyun said as he ordered the two emperors to kill everyone who was trying to escape.

But the number of fleeing soldiers was too much!

The two emperors couldn't kill all the escapees as they all scattered around to avoid the emperors' attack!

But Yi Tianyun wouldn't let the experience flee!

He then summoned all the Demon Beast that he had and immediately ordered them to chase after the people who were trying to escape. It was a complete massacre!

Clearly, they couldn't escape thousands of Demon Beasts and their emperors at the same time!

"I am the Minister of the Heavenly Dragon Empire, surrender myself to you, my Prince!" The minister who has betrayed the Heavenly Dragon Empire said nervously as he kneeled in front of Yi Tianyun.

They were ashamed of themselves. They thought that the Heavenly Dragon Empire would surely fall after being attacked by four Empires at the same time.

They never expected the Prince would easily destroy all empires like this!

Clearly, Prince Yi Tianyun wasn't someone that they should mess with!

"Your betrayal would be only punishable by death!" Yi Tianyun said as he ordered his demon beast to execute the minister who kneeled in front of him.

Yi Tianyun would never trust someone who easily betrays his expectation like this!

There was no telling when that person would betray him again in the future!

In his last moment, the minister regretted his action as it was clear that if he never betrayed the Heavenly Dragon Empire, he would still be alive right now.

Furthermore, the Empire would surely grow now as Heavenly Dragon Empire would prosper thanks to the spoils of war from the four Empires!

‘DING!’

‘Successfully killed Spirit Core Stage Cultivator!’

‘Reward: ...’

‘DING!’

‘Successfully killed Core Transformation Stage Cultivator!’

‘Reward: ...’

At the same time, he got a notification from the system. However, it wasn’t from killing the minister, but from Heavenly Clouds Mansion!

That was from Ren Liangchen, who managed to repel the Heavenly Clouds Mansion from Heavenly Netherworld Divine Nation’s attack!

It was fortunate that Yi Tianyun left them behind. Otherwise, the Heavenly Clouds Mansion would be in terrible danger right now!

Yi Tianyun was clearly annoyed by this as he couldn’t let his guard down for even a second, for he had to keep an eye on both factions constantly!

Yi Tianyun realised that he must destroy the Heavenly Netherworld Divine Nation as soon as possible as his problems kept building up!

He needed to have one or two Spirit King level cultivators on the Heavenly Clouds mansion in case he wanted to leave later as it would be at least safe to leave the faction's safety on their hands.

However, there was no way anyone on the Heavenly Clouds Mansion could cultivate that fast!

He still had to solve the problems here on the Heavenly Dragon Empire first, as this was far easier to deal with than any other problems he currently had!

Chapter 573

'DING!'

'Congratulation to the player [Yi Tianyun] for successfully breaking through to 1st Layer Spirit King Stage!'

Yi Tianyun smirked as he finally successfully broke through to the Spirit King Stage!

He could feel that his power was increasing exponentially. Since his basic Combat Power was already at 200.000.000 points, when he used the Crazy Mode, his total combat power reached 3.200.000.000 Points!

After all, the Crazy Mode amplified his combat power by 16!

Yi Tianyun was excited as he knew that Ming Chen, who was at 7th Layer Spirit King Stage, couldn't exceed 1.300.000.000 Combat Power!

Yi Tianyun wondered what would happen if he levelled up the Crazy Mode once again. Now, X32 multiplier that the next level offered seemed really tempting!

After some thinking again, Yi Tianyun realized that his Crazy Levelling System was broken! The Crazy Mode was far better than any other Divine Power out there!

For example, the Clone Divine Power that Yi Tianyun had could be said as one of the most powerful Divine Powers in term of offensive ability, but it still had the downside of only copying 30% of the user's power!

Furthermore, the system's cultivating method was much different than any ordinary people!

As no normal cultivators wouldn't get any exp from killing another cultivator!

Even the reason behind the fight among cultivators was resources, not Exp!

But Yi Tianyun was satisfied nonetheless!

Thanks to such power, he could protect the people that he held dear!

After all, whether he cultivated with this Crazy Levelling System or not, he would be forced to kill another cultivator anyway!

.....

The battle has ended! The only enemies left on the battlefield were Emperor Xiao and Emperor Zhuge, who were still under Yi Tianyun's control!

Yi Tianyun smirked as he was satisfied to see the horror and frustration on both the emperor's face. This is the price that they had to pay for attacking Yi Tianyun's faction!

"Did you think this is funny? I will swear on my blood that I will kill you, bastard!" Great Emperor Xiao said furiously.

He couldn't stand to see his men died by his hands anymore!

"You are the devil himself! You pitiful scumbag!" Great Emperor Zhuge wailed furiously.

“Wow, now I am a demon? I don’t know what the four empires’ alliance was trying to pull by attacking Heavenly Dragon Empire, but clearly, you have gone too far! If it were not because of me, I’m sure you would’ve destroyed everything on this empire! So, don’t blame me if that also happens when you lose!” Yi Tianyun said with a smug smile framing his face.

“After all, the winner is just, and the loser is evil! If you can’t afford the loss, then you shouldn’t join the battle in the first place!” Yi Tianyun said while laughing a little.

Yi Tianyun then waved his hands, causing the two emperors to attack each other once again.

“Don’t worry. I will take good care of your empires! In fact, I will visit them personally and make sure the entire Mortal World knows not to mess with our Heavenly Dragon Empire and Heavenly Clouds Mansion in the future!” Yi Tianyun said coldly.

The two-emperor roared in frustration as they kept attacking each other!

After hearing Yi Tianyun’s words, they were frustrated and desperate to break free from Yi Tianyun’s control in order to be their empire and took a precaution, but they couldn’t do anything!

They kept attacking each other, drawing blood, cutting limbs, and obviously killing each other in each step!

Finally, after a while, the two emperors collapsed as they didn’t have any strength left to fight each other and died on the spot!

Yi Tianyun only received a small Exp from the two emperors as his X50 Exp Card has already expired, but Yi Tianyun didn’t really care as it was not his concern right now.

The ministers of the Heavenly Dragon Empire were looking at Yi Tianyun with a chill down their spine!

They knew that the two emperors were powerful, but in front of Yi Tianyun, they were nothing but a doll that he threw away once he was bored!

They made a vow to themselves to never make Yi Tianyun their enemy as it would never end great for them!

“Big Brother Ren! Little Girl!” Yi Tianyun said as he approached Ren Zhirou and Ren Long. He looked to the side and saw all Heavenly Dragon commanders, and the rest were kneeling at him respectfully.

“Big Brother, Yi! I can’t believe you’ve gotten even more powerful since the last time we met! Now, I am not sure I can catch up to you!” Ren Zhirou said with a smile on her face.

“That is not true! I am not that strong yet, and I’m sure you can catch up to me! After all, I can’t keep cultivating since it will be hard to control it!” Yi Tianyun said with a smile to Ren Zhirou.

“Don’t lie to me, brother! If it were not for you, the Heavenly Dragon Empire would’ve fallen today!” Ren Zhirou said with a frown on her face.

The Mortal World would surely shake after hearing the news that Yi Tianyun wiped out four empires on his own!

“What can I say? It is my duty as the prince of the Heavenly Dragon Empire to help whenever the empire is in a dire situation like this!” Yi Tianyun said with a smile on his face.

Ren Long laughed while Ren Zhirou kept frowning at Yi Tianyun. After that, they immediately had their hands full recapturing the cities on Heavenly Dragon Empire territory that was previously captured by the four empires!

At this point, Yi Tianyun no longer helped the Heavenly Dragon directly as he just had to order his legion of Demon Beasts to capture the city!

Chapter 574

With the help of Yi Tianyun’s Demon Beast, the Heavenly Dragon Continent was once again free from the oppression of the four empires’ alliance!

This incident shocked the entire Mortal World> Although the Mortal World was nowhere as good as the Ghost World in terms of cultivation level, the empire's influence was significant here!

That was why after hearing that Yi Tianyun had destroyed 4 Empire alone, the Old Ancestor of the 4 Empires frowned!

This was a massive blow to their power as the Great Emperor died while bringing most of their military power!

The former emperor of each empire and their Old Ancestor held a meeting in secret about what to do to the Heavenly Dragon Empire!

"This is very weird! How could the Heavenly Dragon Empire's price kill all our successors alone! Furthermore, My Xiao'er is dead!" Xiao Tian said sadly.

Although he had many grandsons, Emperor Xiao was the most promising out of them all!

"I heard that he commanded many Demon Beasts! Maybe he was a Beast Tamer, but how could he control so many beasts at the same time!" Zhuge Yun said while biting his nails.

"I believe he was at least in the middle of Spirit King stage! There is no way anyone below that could trounce our successor!" Zhuge Yun added.

"That is very likely, but our information is limited right now! but from what we have, I assume that this Prince of the Heavenly Dragon Empire is quite formidable!" Tian Luo said coldly.

"But if four of us attacked him at the same time, I believe that we can overpower him!" Tian Luo adds.

Since their cultivation was in the middle Spirit King stage too, they concluded that if they attacked Yi Tianyun simultaneously, there was no way Yi Tianyun could block it all!

"We have to kill him no matter what!" Long Yun said coldly.

His skin was covered with a thick dragon scale, indicating that this old man has absorbed countless Dragon Clan's Blood Essence!

He was confident with his strength as he was on par with the previous Great Emperor, Ren Long's father!

But he admitted that he had a hard time controlling his Blood Qi. Even after all this year, he still couldn't keep it up!

The same could be said to the other three, but Long Yun could see that everyone there wanted Yi Tianyun dead!

This time, the four-empire alliance would be victorious!

"I have a great array for our cultivation! With it, we may be able to deal with this unknown brat easier! But if you say that we don't need it, I wouldn't take it out!" Long Yun said casually as he showed the Great Array to the others.

"This is Dragon Locking Great Array!" Xiao Tian said as he looked at Long Yun's great array with glittering eyes.

It was a Heaven Level Great Array that could increase the user's power exponentially.

"Yes! as the name suggests, even a true dragon wouldn't be able to get out of it once it was trapped inside! Even 7th or 8th layer Spirit King won't be able to do anything!" Long Yun said confidently.

"Good! Then we should inspect this Great Array of yours, and we will bury the Heavenly Dragon Empire once and for all!" Zhuge Yun said coldly.

They all showed interest in the Dragon Locking Great Array, which Long Yun already expected, but it didn't matter right now as Long Yun was focused on getting revenge!

After all, they had no information whatsoever regarding their opponent's power!

If they planned poorly, they would be dead too!

After inspecting the Dragon Locking Great Array, they became so much more excited than before!

"Yes! This is it! This Dragon Locking Great Array would be powerful enough to seal the Heavenly Dragon Empire for all eternity!" Xiao Tian said excitedly after he learned the secret of the Dragon Locking Great Array.

"That is a given! We must get our revenge! That brat has to pay for his sin! We can't just kill him instantly; we need to torture him until he begs us to kill him!" Tian Luo said coldly.

"Well, why don't you try it first!" a voice suddenly startled all of them.

They looked to the voice source and saw an unknown teenager was already standing on the door. They were confused as they saw the teenager; the room they were in was supposed to be a secret room that couldn't be found so easily!

How could that teenager be here!

But this teenager is Yi Tianyun!

He had the Eye of Charm with him, which made any investigation easy!

He already knew that the four-empire alliance wouldn't give up so easily and would conspire on the back to attack the Heavenly Dragon Empire once more!

Chapter 575

"Who are you?!" the old ancestor said as they stared at Yi Tianyun.

They were ready to attack as they released their murderous aura. Looking at Yi Tianyun, they somehow had a rough idea of who the teenager was.

In fact, Yi Tianyun didn't need to hide anything. He didn't need any disguise in this Mortal World as the only one who could stop him now was probably a Saint King!

"Who do you think I might be?" Yi Tianyun said to Long Yun with a smirk on his face.

Yi Tianyun's eyes glowed as he looked into Xiao Tian and Long Yun's eyes, and those two suddenly lost control of their body!

That was the power of the Eye of Charm; he could control anyone with a mere glance!

Long Yun and Xiao Tian tried to shout, but no voice came out of their throat!

They immediately realised that the situation was much dire than they thought!

They were the strongest out of the four in the room, yet they couldn't even lift a finger!

The other two former emperors in the room didn't notice that Long Yun and Xiao Tian were controlled by the teenagers as they kept staring at Yi Tianyun without regard to others!

"He is probably the rumoured prince of the Heavenly Dragon Empire! We didn't even hear him coming in, but it seems his cultivation is not low! At the very least, he should be at the 7th Layer Spirit King Stage! We have to siege him with the Dragon Locking Great Array. If it doesn't work, we have to evacuate!" Tian Luo whispered to the others, but Yi Tianyun heard all of it!

"I agree!" Zhuge Yun said as he nodded a little bit.

But after a moment, Tian Luo and Zhuge Yun noticed that the other two former emperors didn't answer them back!

They felt strange about it as he had to confirm what they should do with the others!

“Here is what I think! If you have done talking, you should stop now.” Yi Tianyun said as he rushed towards Tian Luo and kicked him down and stomping him on the ground!

Tian Luo was at the 3rd Layer Spirit King Stage!

His physique was trained to the best of his ability, but Yi Tianyun easily pierced through his defence and even cracked his bones!

“Let me go, you bastard!” Tian Luo shouted as he endured the pain.

Tian Luo then activated his fire and tried to engulf Yi Tianyun in the fire to burn him to ashes!

The fire instantly enveloped Yi Tianyun, but they didn’t stop there!

Zhuge Yun immediately released his power, and several golden thorns appeared in the air!

Zhuge Yun then waved his hands, and those six sharp thorns immediately flew toward Yi Tianyun!

Each of those thorns held up to 400 million points of combat power!

But they were once again confused as they looked at Xiao Tian and Luo Yun!

“What are you doing! Hurry up and attack him!” Zhuge Yun shouted at Xiao Tian and Luo Yun!

But the next scene surprised Zhuge Yun and Tian Luo as they saw Xiao Tian and Luo Yun suddenly attacked them instead of the teenager!

“What the hell!” Zhuge Yun shouted as he dodged Xiao Tian’s attack.

He immediately summoned a golden peacock to parry Luo Yun’s following attack. But the shockwave still hit Zhuge Yun, sending him flying towards the wall and blew it up as he fell to the ground outside.

Because the attack was too sudden, he couldn’t block the attack properly!

His reaction speed was too slow, especially against two powerful Spirit King opponents!

Zhuge Yun’s body was stained in blood as he received wounds from Luo Yun’s attack, but fortunately, he didn’t suffer that much damage from it!

“What is going on here, you traitor!” Zhuge Yun shouted furiously to Luo Yun and Xiao Tian.

He couldn’t find any reason why the two former emperors would conspire with the Heavenly Dragon Empire when their successor was obviously killed by the Heavenly Dragon Empire!

“Don’t twist your panties in a bunch! I controlled them, and because of that, they would do everything I say!” Yi Tianyun said as he smirked towards Zhuge Yun.

Luo Yun and Xiao Tian followed Yi Tianyun’s movement and walked towards Zhuge Yun!

Zhuge Yun looked at Tian Luo and saw that the former emperor was already burned to ashes on the ground! “What kind of flames did that bastard use to kill Tian Luo!” Zhuge Yun mumbled to himself.

He didn’t know what Yi Tianyun’s power is, so he couldn’t just blindly attack Yi Tianyun!

But the only thing he knew for sure was that the brat’s fire was more powerful than Emperor Tian’s!

He understood that they had misunderstood the situation from the very beginning!

They shouldn't make an enemy out of Yi Tianyun in the first place, they thought that once they formed an alliance among the four empires, they would be invincible, but clearly, they couldn't do anything to Yi Tianyun!

Chapter 576

Although Zhuge Yun regretted their decision to attack the Heavenly Dragon Empire, he knew that there was no turning back now!

He knew that he had to think of something here as he knew that they couldn't escape, nor could he fight against the teenager.

"Friend! I, Zhuge Yun, will make a vow never to step a foot inside the Heavenly Dragon Empire, nor would I attack in any form! I will give you many treasures from my empire as some sort of compensation for your trouble! If the treasure is not enough, I believe you can come up with other things that you need, and I'll try my hardest to procure it for you!" Zhuge Yun said respectfully.

That was his way of saying that he didn't want to die and asking for Yi Tianyun's mercy.

"Do you think I need any of that? When I kill you later, I will take all of your empire's treasure anyway! so, what is there for me to spare you?" Yi Tianyun said indifferently.

Zhuce Yun's complexion changed when he realized that what Yi Tianyun just said was true. He had lost all negotiation piece when the enemy was already at his front door!

Zhuce Yun then turned around instantly and fled from the site as his only option right now is to escape Yi Tianyun's grasp and live for another day!

But obviously, Yi Tianyun wouldn't let him run away!

With a wave of his hand, the two Spirit King Emperors who were still under his control immediately chased after Zhuge Yun!

As the two Emperor under Yi Tianyun's control were slightly faster and stronger than Zhuge Yun, they caught up to him almost immediately!

"Traitor!" Zhuge Yun shouted as he struggled to escape from Xiao Tian's clutch.

"We are no traitors! But damn it, I don't know what sorcery that brat used, but I couldn't control my body!" Xiao Tian said frustratedly.

Yi Tianyun loosened the control a little bit to let him speak on purpose!

Both Xiao Tian and Luo Yun looked pale as they didn't know what sort of power did Yi Tianyun used on them, but clearly, they couldn't break free from it!

At the same time, Zhuge Yun looked over to Yi Tianyun to find that Yi Tianyun was just standing still as there was no need to chase after Zhuge Yun himself!

"Well, your old coot duke it out yourself! I will wait here until you finish!" Yi Tianyun said casually as he waved his hands once more.

At the same time, the two Spirit King Emperors started to attack Zhuge Yun, and no matter how hard he shouted for them to stop, they couldn't!

'DING!'

'Successfully killed Zhuge Yun!'

'Reward: 130.000.000 Exp, 8.500 Cps, 2.300 Sps, Heavenly Secret Art, Deduced Divine Art, Heavenly Secret Disk, Heavenly Secret Talisman, Heavenly Secret Fan!'

Yi Tianyun read the notification carefully and realised that there was no problem with letting the cultivator that he controlled killing his opponent!

Yi Tianyun then called back the two Spirit King to his side.

“Kill me! Why are you doing this!” Xiao Tian said as he growled to Yi Tianyun.

They were angry and humiliated that a former emperor like them was controlled like this by a boy!

“No need to worry! I will kill you, but before that, I need to ask you a couple of questions! Now, I’ve already asked your successor this question, but clearly, they didn’t know everything! So, why did you attack the Heavenly Dragon Empire, and did you have any other backers on this matter?” Yi Tianyun asked coldly.

“Ghost World’s Heavenly Netherworld Divine Nation reached out to me and told me to ask for other empire’s assistance to attack Heavenly Dragon Empire and Heavenly Clouds Mansion, but their primary objective is the Heavenly Clouds Mansion! I know that the Heavenly Clouds Mansion and Heavenly Dragon Empire are strong together, and therefore, I choose to attack the Heavenly Dragon Empire first!” Xiao Tian said casually as he was being controlled by Yi Tianyun.

“Damn, them again? They really are insufferable!” Yi Tianyun said angrily.

Yi Tianyun finally knew why the emperors didn’t know about the whole story as most probably, these former emperors refrained from telling them!

Yi Tianyun knew that the Heavenly Netherworld Divine Nation already realised that they couldn’t confront the Heavenly Clouds Mansion by themselves, so they forced other empires on Mortal World to attack!

“What did they offer you in return?” Yi Tianyun asked again coldly.

“They promised to make us their vessel! We can get a lot of treasure once we get to the Ghost World!” Xiao Tian said honestly!

“That is all it took to buy your allegiance?” Yi Tianyun asked again.

“Yes! with the Divine Nation influence, we can get so much benefit, so we have to agree with their term! Plus, the Heavenly Dragon Empire is weak on their own; it wouldn’t take much to destroy them!” Xiao Tian said honestly.

Yi Tianyun nodded as he understood what was going on here. Obviously, the Heavenly Netherworld Divine Nation’s offer was tempting, especially for a faction that was stagnant for a long time!

But Yi Tianyun had enough of the Heavenly Netherworld Divine Nation’s interference!

He decided that he would be taking his revenge soon!

“Now, I am done with you two! I will manage your empire, and you will accompany your successor in hell soon!” Yi Tianyun said as he waved his hands.

The two emperors showed deep regret, but everything was already too late!

Chapter 577

The problem involving the empire’s four great alliances ended as all of their former emperors were dead!

Yi Tianyun immediately asked Ren Long to send his troops to conquer the four empires that already lost their heads, making things easy on Yi Tianyun’s end.

This meant that the Heavenly Dragon Empire now had four other sites that they needed to manage, but it surely wouldn’t be a problem as many cultivators started to flock around Heavenly Clouds Mansion and Heavenly Dragon Empire.

Many other Empires on Mortal World were silently watching as the Heavenly Dragon Empire became more powerful because they didn’t want to follow the footsteps of the four empire’s alliance!

They knew that they wouldn’t have adequate power to bring Heavenly Dragon Empire and Heavenly Clouds Mansion down anyway!

At the same time, Yi Tianyun's Heavenly Clouds Imperial City was also being attacked right when the Heavenly Dragon Imperial City was attacked by the Four Empires' Great Alliances.

Fortunately, they didn't need Yi Tianyun's help as the alliances only sent their weak cultivators.

All cultivators that recently joined the Heavenly Clouds Mansion knew that Heavenly Clouds Mansion would soon become an Empire as they saw the power and influence it held on the Mortal World!

The only thing left was to crown Yi Tianyun as the Emperor for Heavenly Clouds Mansion to officially change it to Heavenly Clouds Empire!

On the other hand, Yi Tianyun checked the current progress of his Main Quest, and he noticed that he still lacked a couple more things to finish it!

Even though he has already acquired the number of cultivators that he needed to progress, their loyalty was not up to the system's standard!

But regardless of the outcome, he would leave it all to the Faction Management as it was too much a hassle!

So, Yi Tianyun immediately entered an empty cultivation room as soon as the situation stabilized once again. He finally levelled up to Spirit King Stage, meaning he was eligible to open the Level 60 Gift Pack!

"Open Level 60 Gift Pack!" Yi Tianyun said casually, and the system responded immediately.

'DING!'

'Successfully opened Level 60 Gift Pack!'

'Contained: 8X X10 Exp Card, X5 Cp Card, X5 Evil Point Card, X10 Skill Card. Level 70 Gift Pack!'

“Use all the Lottery Ticket at once!” Yi Tianyun said casually again, and the system immediately executed his command!

The Lottery Roulette immediately appeared in front of Yi Tianyun, and as it stopped spinning, the arrow pointed at Accessory Category.

Yi Tianyun began to wonder what he would get as he rarely got the Accessory category after all this time, but he knew that it would contain some jewellery like Ring, Bracelet, Necklace, or stuff like that!

The only jewellery that he used right now was the Power Bracelet that was part of his earliest armour set!

Yi Tianyun now realised that this category had a low drop rate that might be more valuable than other categories!

But he was soon disappointed as he got a regular accessory without anything special on them!

He sighed as he put his hopes up, but fortunately, the content inside the gift pack was good enough to cheer him up!

Yi Tianyun then checked his overall status and saw that he needed 3 billion Exp to level up to 2nd Layer Spirit King Stage, which was an outrageous amount of Exp!

But he knew that with him breaking through to Spirit King Stage, he would be able to deal with the Spirit King cultivator easier later, making it easier for him to gain Exp along the way!

Yi Tianyun checked other things that he had right now and noticed that he had 27 million Crazy Points and 1.27 million Sin Points!

Yi Tianyun smiled radiantly as he knew that 1 million Sin Points was enough to get him another suit on the Sin Point Shop!

He immediately opened the Sin Point Shop and browsed his options.

Evil God Suit: Requirement level 50.

Effect: X50 all power enhancement, X50 Defensive Power, X10 Speed.

Special Effect: can transform into an Evil God at any given moment. After transformation, all attack becomes a ranged attack that can burn anything in ten miles radius, and Crit Rate increased by 20%!

Price: 1.000.000 Sin Points.

Sword Saint Suit: Requirement level 50.

Special Effect: Grant the user Sword Array Swordsmanship ability, which can control up to 10.000 Long Swords within the High Grad Sacred Tool Rank within ten miles radius from the user!

Price: 1.000.000 Sin Points.

Yi Tianyun frowned as this was really a difficult choice!

He knew that both suits were great, but with his situation right now, he knew that if he ever encountered a Saint King Stage opponent, the Evil God Suit was the best equipment to help him fight them on the same ground!

Chapter 578

Yi Tianyun finally inspected the Heavenly Clouds Imperial City for the first time after its completion. He noticed that the city had changed a lot.

However, the situation remained the same from the look of it. It was buzzing as everyone looked busy with things that they must do.

However, the only thing that the Mortal World knew was the fact that there was a very powerful Prince in Heavenly Dragon Empire, but not the Heavenly Clouds Mansion!

This was because a prince was much more prestigious than a mansion lord title! Even though Yi Tianyun knew that this kind of misinformation would slow down Heavenly Clouds Mansion in finding a recruit, Yi Tianyun didn't want to clarify anything!

'Mission Completion Condition: Void Spirit Expert 3/5, Core Transformation Expert 25/25, Spirit Core Expert 1/1, Imperial City 1/1'

He only needed two more Void Spirit Experts, and this main quest will be complete!

Yi Tianyun knew that it wouldn't take that much time for the Core Transformation Experts to cultivate and breakthrough to Void Spirit Stage as Yi Tianyun has provided them with a lot of resources!

Yi Tianyun noticed that more and more cultivators successfully breakthrough to Spirit Core Stage from Core Condensation Stage and Core Transformation Stage from the Spirit Core Stage!

In particular, the cultivators from the Spirit Sect and Heaven's Top Sect had the greatest number of cultivators who successfully breakthrough to the next stage! But for now, none of them successfully breakthrough to Void Spirit Stage just yet!

Yi Tianyun frowned as he thought of a way to fill the remaining two Void Spirit cultivator slot that he required for his Main Quest as he wanted to finish it quickly!

"Little Brother Yi! We have come to see you!" Ren Long's voice suddenly snapped Yi Tianyun back from his thoughts.

"Brother Ren! Sister Zhirou! Welcome, glad you can spare your time to come here! The Heavenly Clouds Imperial City is finally done! Did you come here to see the city as well?" Yi Tianyun asked cheerfully.

“That is one of our reason, yes! Heavenly Clouds Imperial City was built nicely, and the Heavenly Clouds Mansion is finally ready to become a new empire! when that happens, not only our Heavenly Dragon Empire would come to greet you officially, but other Great Emperors would probably come to visit too.” Ren Long said with a smile on his face.

Yi Tianyun nodded his head as he knew that other Great Emperors probably would be surprised as soon as they saw that the new Emperor was a teenager, but they would have to hide their emotion to save their image as an empire that supported the Heavenly Clouds Mansion to become an empire.

“Of course, then I would soon be busy with their arrival!” Yi Tianyun said as he walked back to the palace with Ren Long and Ren Zhirou.

When the event being held to introduce the newly built Heavenly Clouds Imperial City, many Great Emperors from other empires came to visit as Ren Long has predicted!

“See? you are popular! No other Great Emperor would be able to kill four other emperors at the same time like you! they also didn’t want to become your enemy in the future as they’re afraid that they would be annihilated in a second!” Ren Long as he patted Yi Tianyun’s back.

“Yeah, how can you be that strong, Brother Yi?” Ren Zhirou asked curiously.

But Yi Tianyun didn’t answer her question. He was still thinking about how to complete his main quest now.

“Why don’t you two become Heavenly Clouds Mansion Official Guest?” Yi Tianyun asked hopefully.

“Official Guest? What is the difference between becoming an official guest with our relation now?” Ren Long asked confusedly.

He knew that Official Guest was not a fixed status on the Faction, but they would become some sort of member, but their current status as allies was surely better than that!

“You don’t have to think about it! So, would you like to become Heavenly Clouds Mansion Official Guest?” Yi Tianyun asked once again.

“Sure! we wouldn’t mind!” Ren Long said confidently. Although he didn’t know what was going on, he put complete trust in Yi Tianyun!

“Did you hit your head or something, brother? I am confused right now, but sure! if it’s you, I will certainly agree!” Ren Zhirou said as she agreed to become Heavenly Clouds Mansion’s Official Guest!

“It was nothing!” Yi Tianyun said as he smiled at the Ren Siblings warmly.

‘DING!’

‘Successfully complete the Main Quest [Standard amount of Expert to become a great empire!]

‘Reward: 100.000.000 Exp, 500.000 Cps, 100.000 Sps.’

‘DING!’

‘Successfully complete the Main Quest [Build Heavenly Clouds Imperial City!]

‘Reward: 100.000.000 Exp, 500.000 Cps, 100.000 Sps.’

‘DING!’

‘Successfully take over the Main Quest [Coronation of a Great Emperor!]

‘Reward on completion: 100.000.000 Exp, 500.000 CPs, 100.000 Sps.’

Yi Tianyun was happy that he made progress, but he didn’t know that the quest would be separated into several parts!

He thought that he would be able to completely clear it, but it seemed he had to complete several more steps!

He found a loophole for the first part as he thought that if he could recruit Ren Long and Ren Zhirou, who both were at Core Transformation expert, he would finish his Main Quest!

Chapter 579

Yi Tianyun originally wanted to cultivate several Core Transformation Experts who were close to reaching the Void Spirit Stage on Heavenly Clouds Mansion.

However, he couldn’t help himself but search for the alternative since he was so close to completing the quest, and once he saw Ren Long and Ren Zhirou, it hit him!

But since the Main Quest was divided into several parts like this, it was just going to take too much time!

“Brother Yi, what is wrong?” Ren Zhirou asked as she looked at Yi Tianyun’s troubled face.

“No, it’s nothing! I am just thinking of something that I need to do in a hurry!” Yi Tianyun said casually so that Ren Zhirou wouldn’t worry about him.

He must hold his coronation ceremony fast, but all he could do was wait for his people to plan it up first!

After a few days, cultivators all over the Mortal World have come to Heavenly Clouds Imperial City to witness the Coronation of the new Emperor for the new Empire that successfully shook the entire Mortal World!

They arrived at the Imperial City one day before coronation day, making the Heavenly Clouds Imperial City very lively and full of people.

On the coronation day, the Emperors from various empires came to introduce themselves to Yi Tianyun personally as they knew that Yi Tianyun was a very powerful person!

“I am Liu Yun, the Great Emperor from Luo Clouds Empire! Hereby introduce myself to Emperor Yi Tianyun!” Liu Yun said respectfully.

“I am Xuan Yuan, the Great Emperor from Whirling Clouds Empire! Hereby introduce myself to Emperor Yi Tianyun!” Xuan Yuan said respectfully.

The rest of the Emperors who came that day followed suit and was finally concluded by the introduction from the weakest Empire, whose Emperor hasn’t even reached the Spirit King Stage yet!

But at the very least, they had a lot of Void Spirit Cultivators in the latter stage!

That was not surprising as several Empires have done the same in the past. They succeeded the throne at a young age and with inadequate Cultivation from the previous Emperor, but they are deemed genius because they cultivate faster than most cultivators!

But of course, the previous Emperor still helped the Emperor as the Old Ancestor.

After all, without a Spirit King’s influence, the Empire would have a hard time dealing with another empire!

Yi Tianyun smiled the whole day and greeted the emperors respectfully. He never said anything that might upset another empire as it was not his way to make enemies unnecessarily!

But not all Empire visited Yi Tianyun on his coronation day. The Mortal World's top two empires didn't come to visit him, the World Dragon Empire and Heaven Primordial Empire!

Both were said to be able to dominate 4 to 5 empires in the Mortal World if they wanted to!

The other Emperors already saw this coming as they knew that both were on another league compared to the rest of the Empire on the Mortal World!

Yi Tianyun now understood that Netherworld Empire wasn't that strong in Mortal World. However, the other Empire turned a blind's eye to the Netherworld Empire's deeds because of their affiliation with the Divine Nation!

"Great Emperor, except for World Dragon Empire and Heaven Primordial Empire, all other Empires came and paid their respect!" Ye Qingxuan said respectfully as she reported what happened earlier.

"I already knew that they wouldn't come here!" Yi Tianyun said indifferently.

It didn't really matter for Yi Tianyun as he wouldn't attack them just because they didn't show up to his coronation day. Yi Tianyun wouldn't attack before he was provoked!

But suddenly, a guard came as he reported to Yi Tianyun that a guest has come.

"Heaven Primordial Great Emperor is here to greet Emperor Yi Tianyun and congratulate him for the coronation!" The Guard said as he stepped aside, making way for the Heaven Primordial's Emperor.

The rest of the Emperors who were still in the palace were in awe as they looked at the Heaven Primordial's Emperor.

The Emperor was a handsome middle-aged man who exuded a charming aura that captivated the audience's eye!

Yi Tianyun looked at the incoming Emperor with a curious eye. He thought that Heaven Primordial's Emperor wouldn't bother to show up, so what has changed?

Heaven Primordial Great Emperor: 6th Layer Spirit King Stage.

Equipment: High-Grade Sacred Tool Armour, Ancient God Bloodline.

Martial Art: Heaven Primordial Divine Palm, Tyrant Tower Secret Art.

Weakness: None.

Combat Power: 600.000.000 points.

Ancient God Bloodline was a powerful bloodline. The only bloodline that could be said on par with it was the bloodline of the Dragon Clan Emperor!

The Ancient God Bloodline had a strong recovery ability and strong constitution ability, making the user very hard to deal with!

"Sorry for my tardiness. I hope that Emperor Yi Tianyun won't be offended, but I admit that I didn't expect the new Emperor would be this young!" Heaven Primordial Great Emperor said with a charming smile on his face.

Yi Tianyun could hear other Emperors' chatter on the side. They were talking about what a genius the Heaven Primordial Great Emperor was for being able to breakthrough to Spirit King Stage in his 40's and the Ancient God Bloodline that made him untouchable!

Yi Tianyun understood that the Emperors in the room were afraid of the Heaven Primordial's Great Emperor as he was so much stronger than any other Emperor!

Chapter 580

“Thank you very much for coming, Heaven Primordial Great Emperor! It is my pleasure to receive you in this Coronation Ceremony!” Yi Tianyun said respectfully.

The way Yi Tianyun spoke to the Heaven Primordial Great Emperor and to other emperors was the same as Yi Tianyun didn’t care about his cultivation or his Ancient God Bloodline!

“Of course! The pleasure is all mine!” Heaven Primordial Great Emperor said as he took a seat that was the closest to the throne, asserting his dominance over others!

They didn’t make any scene as they purely came to see the coronation out of respect for the new Emperor themselves!

But Yi Tianyun frowned a little as he was curious about why the Heaven Primordial Great Emperor comes in person, but Yi Tianyun didn’t show it as he realised that Heaven Primordial Great Emperor behaved politely.

Yi Tianyun then gave a sign to Ye Qingxuan. She immediately nodded, and a few maids came in and immediately served some tea to Heaven Primordial Great Emperor to show their courtesy.

Heaven Primordial Great Emperor kept looking at Yi Tianyun before speaking with one of his followers behind him, “He looks so young! I couldn’t see how strong his cultivation is, but I heard that he uses some sort of sorcery! Did he also receive some help from a Divine Nation?” Heaven Primordial Great Emperor said, whispering to his followers.

Heaven Primordial Great Emperor didn’t think that Yi Tianyun would be able to attain an Emperor status at such a young age, but he would believe it if some other strong experts from a Divine Nation helped Yi Tianyun to attain this status!

Although several techniques and ability could make someone looks younger, the Blood Qi couldn’t be fooled, and that was why the Heaven Primordial’s Great Emperor didn’t believe Yi Tianyun could attain the Emperor status on his own, as he could feel that Yi Tianyun’s blood qi was still fresh!

He didn’t mean to poke around, but he could feel it and got the information even though he didn’t mean it.

“Great Emperor, it seems that the World Dragon Empire hasn’t come, or perhaps choose not to come themselves!” a follower of the Heaven Primordial Great Emperor said, whisperingly to his Emperor.

Heaven Primordial Great Emperor frowned as his Empire was always compared to the World Dragon Empire, but he knew that there was quite a noticeable gap between their Empire!

But as he wondered about the World Dragon Empire’s action, he heard an announcement from the gate.

“The Messenger of World Dragon Empire has come to greet the newly appointed Emperor of Heavenly Clouds Empire!” a guard shouted from the gate.

A messenger?

Every Emperor inside the palace looked confused. They knew that sending a messenger to greet another emperor on their coronation day was extremely offensive!

A man walked through the palace’s gate towards the throne. Yi Tianyun noticed that this man’s cultivation isn’t high, he was only at Void Spirit Stage Rank, but the look on his face was so arrogant that he started to look down on other Great Emperors.

The man immediately greeted Heaven Primordial Great Emperor while ignoring other Great Emperors.

“Did the World Dragon Great Emperor send you here personally?” Heaven Primordial’s Great Emperor asked curiously.

He knew that whatever the messenger’s answer was, this behaviour that World Dragon Empire showed was too arrogant!

“You will know the answer soon enough, Heaven Primordial Great Emperor!” The man said as he walked away and sat on the other side of Heaven Primordial Great Emperor.

The other Great Emperor could only look at the messenger in distaste, but they knew that they couldn't do anything as the World Dragon Empire was so much stronger than their Empire!

After Yi Tianyun saw the messenger's behaviour, he didn't show any emotion, but clearly, he was disappointed with the World Dragon Empire's action!

The messenger only greeted the Heaven Primordial Great Emperor so far, without acknowledging or showing respect to Yi Tianyun as the Emperor who was being coronated and the host of the event!

The messenger suddenly took out a scroll and spread it on the table as he read it casually.

"World Dragon Great Emperor asks you to stop this coronation as the World Dragon Great Emperor's approval is needed for you to ascend into the throne! For that, the World Dragon's Great Emperor advised you to come to World Dragon Imperial City in order to obtain the World Dragon's Great Emperor's approval immediately!" The Messenger from the World Dragon Empire said loudly.

The other Great Emperor immediately faced each other as a confirmation of what they just heard for themselves!

They never witnessed this kind of situation before, and clearly, the World Dragon Empire's demand didn't make any sense!

How come another Empire must get approval from another Empire to receive their coronation!

"Are you trying to say that I have to go greet the World Dragon Emperor myself in order to become an Emperor of my own Empire?" Yi Tianyun said in a light tone, but Ye Qingxuan and Ren Long, who were inside the Palace, knew that Yi Tianyun was hiding his anger.

"Yes! This is what World Dragon Great Emperor demanded, if you don't follow the World Dragon Great Emperor's order, then we will assume that you oppose us!" The messenger said indifferently.

Yi Tianyun raised his hand and charged some of his energy into his palm, and with a bang, hit the World Dragon Messenger in the face!

The messenger was sent flying, bouncing over several tables before stopping near the gate!

“How dare you talk to me like that!” Yi Tianyun said coldly to the messenger.

“You dare to hit me? I am the messenger of the World Dragon Empire! I am here as a representative of the World Dragon Empire!” The messenger said loudly.

Yi Tianyun didn’t care and slapped the messenger in the face once more.

“I don’t care! Even if it’s your master standing here to say the word you have spewed, I will slap him nonetheless! Not to mention, you are just a dog of the World Dragon Empire!” Yi Tianyun said coldly.
