

## Leveling 581

### Chapter 581

A mere messenger dared to act all high and mighty on his turf!

No wonder Yi Tianyun was utterly angered by this dog of the World Dragon Empire!

But Yi Tianyun knew that the fault laid in the World Dragon Empire itself!

If the faction itself wasn't arrogant at its core, there was no way their dogs would be this rude!

Yi Tianyun's words that said the messenger was only a mere dog reverberated in the hall. All Emperors were shocked as they didn't expect that Yi Tianyun, a newly appointed emperor, would dare to provoke the World Dragon Empire!

"Just you wait! I will report this humiliation to the World Dragon Emperor! How dare a little empire in the corner trying to pick a fight with us!" The messenger said coldly.

"Why don't you just die, you maggot!" Yi Tianyun said coldly as he summoned his phantom shadow and immediately thrust its palm to kill the messenger!

The emperors in the hall were stunned when they saw Yi Tianyun could only care less about the World Dragon Empire's dominion on Mortal World!

"The new Emperor is too impulsive! He is young and arrogant. He killed the messenger of the World Dragon Empire without hesitation!" Heaven Primordial Great Emperor said to his follower with surprise still visible on his face.

"Yes, the young Emperor doesn't seem to realise what he had done just now, probably he can't show weakness because there are so many other great emperors in the room! That's fine and all, but I don't think this Empire would stand for long!" The follower of the Heaven Primordial's Great Emperor conveyed his own thought about Yi Tianyun to the Heaven Primordial Great Emperor.

“Well, I can’t blame him! The World Dragon Empire doesn’t realise where he is and acts arrogantly! Anyone who bears the title of Emperor would surely get mad!” Heaven Primordial Great Emperor said with a sigh.

“Sure, but look! The other Emperor is starting to leave!” The follower said as he pointed to the gate where Yi Tianyun was standing.

Sure enough, the Heavenly Primordial Great Emperor saw most Emperor startled by Yi Tianyun’s reckless nature immediately excused themselves politely to Yi Tianyun. Clearly, they don’t want to be considered as World Dragon Empire’s enemy!

The other emperors’ actions would surely offend the Heavenly Clouds Empire, but they’d rather do that instead of becoming the World Dragon Empire’s enemy!

But fortunately for them, Yi Tianyun didn’t take their action as an offence and let them leave peacefully.

But other Emperors clearly would talk behind Yi Tianyun’s back as they thought that Yi Tianyun would absolutely lose against the World Dragon Empire!

Heaven Primordial’s Great Emperor and his people were the last ones to leave as he shook his head in disappointment and walked out of Heavenly Clouds Palace without saying anything to Yi Tianyun.

The only Empire inside the Heavenly Clouds Palace was the Heavenly Dragon Empire that was clearly loyal to Yi Tianyun.

“Little Brother Yi, what should we do now?” Ren Long asked worriedly.

He didn’t expect Yi Tianyun’s coronation would end like this. Now they would face the World Dragon Empire’s wrath!

“Big Brother Ren! I know what you’re thinking. But clearly, World Dragon Empire has something to do with the Four Great Empire Alliance that we annihilated earlier! They wouldn’t do this kind of thing if they didn’t feel ashamed because we easily annihilated four Empire easily!” Yi Tianyun said confidently.

Ren Long could see that Yi Tianyun's eyes were full of killing intent. Yi Tianyun clearly wouldn't mind if World Dragon Empire waged war against Heavenly Clouds Empire!

"If that is what you think, then I, as the Emperor of the Heavenly Dragons Empire, will always be ready to support Heavenly Clouds Empire! we will fight with you to the end!" Ren Long said confidently.

"Great Emperor Ren!" people from Heavenly Dragon Empire shouted as they looked at Ren Long in horror!

Clearly, they were afraid of the possibility to fight against the World Dragon Empire!

"Don't you dare back out! Do you think the Heavenly Dragon Empire would still stand if it were not because of Prince Yi? The Heavenly Dragon Empire is forever indebted to Prince Yi, and therefore, no matter what he does, we have to stand by his side!" Ren Long said coldly to his minister that looked at him in horror earlier.

Several ministers shook their heads as they knew that they wouldn't be able to share their thoughts with Ren Long. Loyalty has set deep on Ren Long's soul!

"We will obey all of the Emperor's decision and instruction! Even the Divine Nation wouldn't deter our heart, let alone the World Dragon Empire!" Ye Qingxuan said as she looked at Yi Tianyun.

She wasn't the only one here. Spirit Race's Old Ancestor, who stood near Ye Qingxuan, also nodded his head steadily.

"Right, continue the coronation! We hereby declare that the Heavenly Clouds Mansion officially become Heavenly Clouds Empire!" Yi Tianyun said confidently.

As long as the people on his side remained loyal and the Heavenly Dragon Empire was still his ally, he had no qualms whatsoever!

Chapter 582

Yi Tianyun's coronation ceremony was going smoothly as he didn't care about what happened earlier!

Now, Yi Tianyun wears his meticulously crafted crown as he was crowned as the Emperor of Heavenly Clouds Empire!

“From now on, Heavenly Clouds Mansion officially becomes Heavenly Clouds Empire, and I am Heavenly Clouds Great Emperor! I will lead this empire towards a bright future. This was not the end of things as I intend to move forward and lead this empire to evolve into a Divine Nation!” Yi Tianyun said confidently.

“Hail Great Emperor Yi!” Everyone kneeled on the ground, showing their submission to Yi Tianyun as their Emperor.

This coronation was only witnessed by the Heavenly Dragon Empire and no other Empires, but it didn't matter for Yi Tianyun!

“At ease!” Yi Tianyun said as a signal for everyone to raise their heads.

Yi Tianyun clearly knew that everyone there was loyal to him! But he knew that some people who heard the news would soon choose to leave the Heavenly Clouds Empire out of fear toward the World Dragon Empire!

In fact, the people that left the Heavenly Clouds Empire because of the news affected Yi Tianyun's loyal followers too! In most cities, many cultivators chose to leave after hearing that they would become World Dragon Empire's target. As a result, Yi Tianyun's loyal followers were confused!

They believed in Yi Tianyun, but seeing so many people left, they were inclined to leave too.

But in any case, this situation shows who was loyal to Yi Tianyun!

‘DING!’

‘Successfully cleared [Become the Great Emperor!]’

'Reward: 100.000.000 Exp, 500.000 Cps, 100.000 Sps.'

'DING!'

'Successfully gained a new quest, [Became the Number One Empire on Mortal World!]

'Reward on Completion: 2.000.000.000 Exp, 20.000.000 Cps, 2.000.000 Mastery Points, 2.000.000 Sps, Title (I am The Great Emperor!)

Yi Tianyun smirked as he realised that the real quest has begun! In order to clear this mission, Yi Tianyun had to dominate the World Dragon Empire that was currently the number one empire on the Mortal World!

He thought that this quest was kind of convenient as he knew that the World Dragon Empire would attack Heavenly Clouds Empire sooner or later!

The amount of Exp and other points that he would get after clearing the quest was also alluring!

Two billion Exp were enough to level him up once more, and not to mention if he fought the World Dragon Empire's cultivators, Yi Tianyun was confident that he would get at least two levels out of this quest!

Yi Tianyun's coronation and Heavenly Clouds Empire status were immediately spread throughout the Mortal World, including other empires.

All they could do was shake their heads as they thought that Yi Tianyun was overconfident. They know that the World Dragon Empire wouldn't let Heavenly Clouds Empire do whatever they please, and it was clear that the Heavenly Clouds Empire would be annihilated!

On the other hand, inside the World Dragon Imperial City.

“A new little empire on the corner of the map dares to rise against our order?” World Dragon Emperor said angrily.

The ministers who were also in the room with the Emperor were shaken by the Emperor’s anger. They don’t want to be the receiving end of the Emperor’s rage!

“That new Emperor was quite courageous at the very least. Not only did he kill our messenger, but he also killed Benefactor Ming Chen’s clone as he destroyed the Netherworld Empire, and I assume that Heavenly Netherworld Divine Nation has already declared war against Heavenly Clouds empire! But I think it is hard for Heavenly Netherworld Divine Nation to come to Mortal World!” an old man said as he sat beside World Dragon Great Emperor despite his cultivation was only at Void Spirit Stage.

There was no doubt that this old man was a cultivator sent by the Heavenly Netherworld Divine Nation!

Because they realised that they couldn’t defeat Yi Tianyun on their own, they used the strongest empire in the Mortal World!

However, it seemed the Heavenly Netherworld Divine Nation still didn’t know that Yi Tianyun was the one who caused a mess on Heavenly Netherworld in the Ghost World!

“I don’t know what faction has his back to make him this confident, but clearly it was some strong faction too!” World Dragon Great Emperor said with a sigh.

“It doesn’t matter! No other faction can rival the World Dragon Empire here in Mortal World! If the World Dragon Empire can eradicate the Heavenly Clouds Empire, we Heavenly Netherworld Divine Nation promise three things! The first is to hand several Divine Tools that World Dragon Empire can use however you please, the second is to form an alliance with us, and the third is to make sure that World Dragon Empire can also cultivate on Ghost World!” The Old Man said confidently.

He believed that the World Dragon Empire would crush the Heavenly Clouds Empire easily!

World Dragon Emperor’s eyes were shining greedily as the promises from Heavenly Netherworld Divine Nation is too good to pass by while the condition was only to destroy a newly formed empire!

“There is a question I want to ask first! Why do you want the Netherworld Continent and Heavenly Border Continent for yourself?” World Dragon Emperor asked curiously.

“The reason will be hard to understand, and therefore, you don’t need to know for now!” The old man said with a smile on his face.

The World Dragon Emperor clearly didn’t like the old man’s answer, but he knew that there was nothing he could do about it now.

“Okay, we will crush the Heavenly Clouds Empire soon enough! There is no stronger faction here on Mortal World except for our World Dragon Empire!” World Dragon Emperor said confidently.

“Great, then I will wait for the good news from you soon enough!” The old man said coldly.

## Chapter 583

When Yi Tianyun was ready to go, a guard immediately rushed towards him to report the current situation!

“Great Emperor, Divine General World Dragon Empire has led an army this way! They will arrive in approximately less than a day!” The Guards said worriedly.

He was worried that the Heavenly Clouds Empire would fall as the enemy this time was the strongest empire in Mortal World!

“We will intercept them! We will show them the power of Heavenly Clouds Mansion!” Yi Tianyun said confidently.

He knew that the World Dragon Empire’s army would directly head straight towards the Imperial City, and when the Imperial City fell, the empire would be in ruin!

Yi Tianyun stood up and flew to the sky while the rest of the cultivators in Imperial Palace were concerned about the enemy’s speed!

It was clear that the World Dragon Empire's army came quicker than what they have predicted!

The next moment, Yi Tianyun showed up outside the city wall, and the guards immediately sounded the alarm!

But Yi Tianyun immediately told the guard to turn it off!

Yi Tianyun saw that two cultivators have arrived in front of the Imperial City gate, and their cultivation was quite high too!

The weaker one was at the 6th Layer Spirit King Stage, while the stronger one was at the 7th Layer Spirit King Stage!

"Heavenly Netherworld Divine Nation?" Yi Tianyun asked coldly.

He could see that the stronger cultivator was an old man, who seemed to give off the same aura as Heavenly Netherworld Divine Nation's cultivators!

Yi Tianyun began to wonder if the World Dragon Empire also made a deal with Heavenly Netherworld Divine Nation!

"They are Divine General Xuan Long of World Dragon Empire and Divine General Xuan Hu!" An Elder said as he looked at the two cultivators in front of the Heavenly Clouds Imperial City Gate!

"They are the strongest Divine General in World Dragon Empire! This will be tough now that they come here personally!" another elder added while the guards were nervous!

These two Divine Generals have claimed various achievements under the name of the World Dragon Empire, making their name known throughout the Mortal World!

The people on the wall began to wonder whether they should surrender or not!

“Great Emperor of Heavenly Clouds Empire! I suggest you get out here, now!” Divine General Xuan Long shouted with a deafening roar!

Yi Tianyun flew out and used his aura to suppress the sound from entering the wall as he knew that the Divine General’s voice was a form of attack!

Many guards were startled as they saw that Yi Tianyun blocked an invisible attack that they didn’t even know about.

They became more nervous as they didn’t know that the Divine General of the World Dragon Empire would be this strong!

Spirit Race Old Ancestor and Ye Qingxuan immediately rushed to the wall to see what was happening, and as soon as they saw the two experts, their face was filled with horror!

They knew that the two cultivators would spell trouble!

“Fool!” Yi Tianyun said as he immediately waved his hands.

Suddenly, the two Divine Generals standing in front of the gate flew backward as if they were slapped in the face almost instantly!

The sound of a slap followed their action, startling everyone since nobody could see the attack at all!

The Divine Generals’ faces were swollen due to the sheer power of Yi Tianyun’s slap!

“You dare cause a commotion in front of my Imperial City? Be grateful that it was just a slap. It will be my fist next if you’re not careful!” Yi Tianyun said coldly.

The Divine General of World Dragon Empire were startled themselves as they couldn’t see Yi Tianyun’s attack at all!

They couldn't react to something that they didn't know was coming!

"I will kill you!" Divine General Xuan Long shouted angrily.

A Giant Dragon Phantom Shadow immediately appeared behind Divine General Xuan Long while Xuan Long himself was covered with a thick Dragon scale!

Yi Tianyun noticed that Divine General Xuan Hu's dragon was a result of constantly cultivating using a Dragon Clan Blood Essence!

The same went for Divine General Xuan Hu. He also released his power and transformed into a white tiger!

They never expected to be slapped by Yi Tianyun, and it obviously infuriated them!

While Xuan Long absorbed Dragon Clan Blood Essence to cultivate, Xuan Hu used the White Tiger Clan Blood Essence!

But the White Tiger clan and Dragon Clan had the same level of power!

They realized that Yi Tianyun was not someone they could take lightly after receiving the slap earlier, and therefore they didn't hold back their power!

Chapter 584

The people who were watching from the side were shocked when they saw the Divine Generals' power!

They clearly felt more nervous than before as they witnessed the intensity of power coming from those two as they never saw anything like this in their entire life!

Nobody felt anything from Yi Tianyun, and thus, they didn't know the extent of Yi Tianyun's power!

“Let’s go and kill that bastard!” Divine General Xuan Long said confidently.

He knew that Yi Tianyun was the one who decimated the Four Great Empire’ alliances, including their Emperors and Former Emperors, and destroyed Ming Chen’s soul as well!

He knew that he had to take caution as they attacked Yi Tianyun!

The Two Divine Generals then rushed towards Yi Tianyun and fused their power, creating a Divine Aura Shield around Yi Tianyun that prevented Yi Tianyun from escaping their attack.

The power of this degree showed that the two Divine Generals have achieved perfect harmony and thus stated that they have cooperated many times before!

The closer the Dragon and the Tiger towards Yi Tianyun, the greater pressure he could feel, creating a fluctuation in the air and shattering the ground!

It was clear that this amount of power would seem terrifying from a normal cultivator’s perspective, but for Yi Tianyun, it was nothing special!

“Die!!” Divine General Xuan Long said coldly, his power became stronger, and Divine General Xuan Hu nodded and increased his power to balance it with Divine General Xuan Long’s power!

The space that Yi Tianyun was currently in was getting smaller by every second, trying to squeeze Yi Tianyun in!

However, Yi Tianyun’s expression was indifferent!

He didn’t show any form of fear, shock, or worry at all! “Is this the best you can do?” Yi Tianyun said with a bored tone in his voice.

The Divine Generals were confused, the name of this technique was World Suppression, and as the name suggested, this technique could pressure the world itself!

The Divine General never saw anyone who could break free from this technique so easily before!

They often used this technique to trap many enemies in one fell swoop, and no matter what the opponent did, they wouldn't be able to break free from this technique!

But they notice that Yi Tianyun didn't seem to mind and care about the technique at all!

"You are too arrogant! Let's see you being squeezed like a used rag now!" Divine General Xuan Long said coldly.

But a new old man appeared not too far from them, and Yi Tianyun could feel that this old man was the one that had the Heavenly Netherworld Divine Nation's scent on him!

He saw that the Old Man laughed after seeing that Yi Tianyun was trapped in the Divine Generals' powerful technique!

"This is all because you resist Heavenly Netherworld Divine Nation's influence, and therefore, you have to die! It was a bit unfortunate that a cultivation genius will be killed today, but it can't be helped!" The old man said while laughing.

"Wow, I thought that Heavenly Netherworld Divine Nation would send their strongest cultivator to deal with me. I'm so disappointed that they would only send their dog! Did you think the World Dragon Empire would be enough to kill me?" Yi Tianyun said with a disappointed tone.

"Hey, did another faction back you up? if so, you better call them now!" The old man said curiously.

He never saw someone so relaxed while being suppressed like Yi Tianyun.

"Help? What are you talking about? I always work alone!" Yi Tianyun said with a sigh.

“There is no way you can defeat the Four Great Empires’ alliance alone! You don’t need to hide them anymore! I know that they are probably not as strong as our Divine Nation!” The old man said tauntingly.

“Why are you so adamant that I got some kind of help from others?” Yi Tianyun said annoyedly, but the space that Yi Tianyun was in right now was getting smaller and almost completely become a second skin to him!

“We don’t care now; you will die here!” Divine General Xuan Hu said while increasing the pressure for the last time!

The Divine General started to look at their surrounding as they thought that whoever helped Yi Tianyun would come to save him now.

But their thought was soon proven wrong as the space that contained and pressured Yi Tianyun suddenly exploded and destroyed!

The Divine General quickly fell to the ground as their aura was suddenly cut off. They were in a state of shock as they didn’t expect it at all!

Yi Tianyun somehow broke free from their technique!

“Now it’s my turn! But I assure you, I will not waste any more time!” Yi Tianyun said with a smirk on his face.

Yi Tianyun then pulled out a high-grade sword from his storage. Yi Tianyun then dashed towards Divine General Xuan Long to kill the Divine General!

Divine General Xuan Long tried to resist Yi Tianyun’s attack by increasing his defence, but it was all useless in front of Yi Tianyun’s overwhelming power!

'DING!'

'Successfully killed Divine General Xuan Long!'

'Reward: 200.000.000 Exp, 13.000 Cps, 1.800 Sps, Breaking Dragon Martial Art, Dragon Spirit Secret Art, Broken Tooth, Dragon Spirit Ring, Dragon God Bloodline!'

The amount of Exp that Yi Tianyun got was pretty good. It was so much better than killing all the Core Transformation Experts earlier!

However, the drop item Dragon Spirit Ring was a little bit of a surprise as Yi Tianyun rarely got jewelry from killing a cultivator.

Yi Tianyun checked the Dragon Spirit Ring immediately as he was curious about its property.

Dragon Spirit Ring: Lower Grade Sacred Tool.

Effect: X10 Combat Power, X5 Defensive Power, Dragon Roar: consume 5.000 Cps and deal 50% of the user current Combat Power to the desired target! 30 minutes cooldown!

"This is great!" Yi Tianyun said as he felt satisfied with the effect of the Dragon Spirit Ring!

However, everyone else on the scene was shocked! They never expect Divine General Xuan Long, who was at 7th Layer Spirit King Stage, would be killed so easily!

It was terrifying to see someone that strong to be killed with only one attack!

Yi Tianyun turned his attention to Divine General Xuan Hu, and his face instantly turned white!

Divine General Xuan Long was stronger than him, yet Yi Tianyun killed him with only one attack!

Even if he had the High-Grade Sacred Tool with him, he couldn't say for sure that he could win!

"What is this?! You're all bark and no bite! If this is all you got, I could probably destroy your empire by myself!" Yi Tianyun said tauntingly!

At the same time, all the guards behind Yi Tianyun roared excitedly as they saw the greatness of their Emperor!

Divine General Xuan Long that was hailed as an unbeatable cultivator, was killed so easily!

The old man from the Heavenly Netherworld Divine Nation was pale after seeing Yi Tianyun's power. He now realised that the Heavenly Clouds Emperor didn't receive any help from another Faction. The help was their Emperor himself!

The atmosphere around Divine General Xuan Hu was changing! He was brimming with anger. Clearly, Xuan Long was someone that has fought alongside him for a long time, and now, that partner was dead!

"I will kill you! I swear on Xuan Long's name!" Divine General Xuan Hu said coldly as his eyes turned red.

He burned his Blood Essence to increase his power!

The White Tiger phantom shadow behind him roared fiercely, and its body gradually swelled while its fur gradually thickened!

Its physique grew twice the previous size, exuding power and domination to the people around!

But clearly, it didn't affect Yi Tianyun!

So, Yi Tianyun immediately attacked with an energy wave, but it had no effect on Xuan Hu!

“Look at that! your attack doesn’t do anything to me now!” Xuan Hu said while laughing coldly.

“Well, you don’t know anything about my power!” Yi Tianyun said indifferently.

“Let us see whether you can back your words later!” Xuan Hu said coldly.

But after he finished speaking, his body was cut in two, just like Xuan Long earlier!

Xuan Hu’s face showed disbelief as he didn’t feel like he was attacked!

Now, there was nothing he could do as his blood kept spurting out of his body!

‘DING!’

‘Successfully killed Divine General Xuan Hu!’

‘Reward: 198.000.000 Exp, 12.000 Cps, 1.400 Sps, White Tiger Split, White Tiger Possession, White Tiger Skin, White Tiger Bloodline, White Tiger Claws!’

This time Yi Tianyun didn’t get any jewellery from Xuan Hu, which made him a little bit disappointed!

But his people on the wall and on the gate were still chanting his name excitedly. Now, the cultivator on Heavenly Clouds Imperial City knew for sure just how fearsome their Emperor was!

“It was a bit unfortunate that the World Dragon Emperor didn’t come here. Otherwise, I would’ve already ended this useless battle!” Yi Tianyun said confidently.

The old man from the Heavenly Netherworld Divine Nation was looking at Yi Tianyun with a pale face.

He then immediately thought of a way to flee from the battlefield, but he couldn't find any opening, so as a last resort, he killed the Void Spirit Experts who were with him the whole time as a way to ask for Yi Tianyun's mercy!

The Void Spirit Expert was shocked as they realised that they were going to die on their own comrade's hand!

But there was nothing they could do anymore!

Yi Tianyun sighed and flew towards the old man to listen to what he had to say!

## Chapter 586

The people inside the Heavenly Clouds Imperial City knew that their loyalty to Yi Tianyun wasn't misplaced, for Yi Tianyun could kill the two Divine General of World Dragon Empire so easily that they didn't have a chance to attack Yi Tianyun!

Their loyalty to Yi Tianyun skyrocketed once more as they sincerely believed that Yi Tianyun would always protect them from other factions' threat!

They were sure that the news about how Yi Tianyun easily killed the two Divine Generals of World Dragon Empire has already spread throughout the Mortal World, and everyone would be shocked to hear it!

World Dragon Empire's cruelty couldn't penetrate Yi Tianyun's defence!

This would surely elevate Heavenly Clouds Empire's reputation once more! After all, hearing Spirit King stage expert couldn't stand a chance against Yi Tianyun was a bitter truth for them!

"Hmm, the World Dragon Empire won't stand by idly after hearing what happened here today! I wonder what they will do next!" Yi Tianyun said while wondering about the World Dragon Empire's next action.

But one thing for sure, if they didn't come to him soon, Yi Tianyun will be the one visiting World Dragon Empire himself! He will never let the World Dragon Empire's insult toward his empire slide!

Yi Tianyun then told the Old Man from the Heavenly Netherworld Divine Nation to follow him. He will ask what he had to say as a courtesy to someone who has already given up, but he will not trust him, not even one bit!

“Let me say a few words first!” The old man said nervously.

Yi Tianyun then waved his hand as a sign to let the Old Man speak.

“You can’t harm me! Otherwise, the Holy Lord will make sure that you will die!” The Old Man said nervously.

Yi Tianyun simply slapped the Old Man as he had no intention to comply with the Old Man’s word.

“For now, I don’t care whether the Holy Lord came here personally. I will deal with him when the time comes myself!” Yi Tianyun said coldly.

“What!? How can you be so confident!?” The Old Man asked nervously.

“Didn’t you know that I’ve already killed 5 Spirit King Expert from your faction, including Ming Chen that you so deeply praise!” Yi Tianyun said coldly.

“You are the one who caused all that ruckus on Heavenly Netherworld?!” The Old Man shouted in shock.

“It doesn’t matter whether you will believe me or not! but I want to know what Heavenly Netherworld has planned next?” Yi Tianyun said indifferently.

Yi Tianyun stared the old man in the eye, shaking the old man to his core!

“Heavenly Netherworld Divine Nation’s plan is very simple! Because most of the higher-ups can’t come to Mortal World personally, they want to destroy the Heavenly Clouds Empire with as few Spirit King

Experts as possible, but as it didn't work, they intend to ask the strongest faction in Mortal World to handle this task! The Holy Lord wants to regain total control on this continent and Heavenly Border Continent!" The Old Man said hurriedly out of fear.

Yi Tianyun smirked as he noticed the fear in the old man's eyes! So, Yi Tianyun kept on staring at the Old Man to make him spill everything he knew about the Heavenly Netherworld Divine Nation's plan.

"I don't know anything else; I swear! These two continents have Divine King in the past, but I don't know what Heavenly Netherworld Divine Nation wants to do here in the Mortal World after we secure it!" The Old Man said truthfully.

"Did you know the identity of these two Divine Kings?" Yi Tianyun asked coldly.

It was clear now that Heavenly Netherworld Divine Nation wanted to seize control of these continents to search for the Divine King's treasure!

The Holy Lord was trying hard to become a Divine King, so it was obvious that the Holy Lord wanted to get his hands on the Divine King's treasure to become even stronger!

"You! what kind of method did you use to cultivate? There is no way you used the ordinary method!" The Old Man asked curiously.

"There is no need for you to know about my method as you will be dead soon enough!" Yi Tianyun said coldly.

Yi Tianyun sighed and then closed his eyes to discern the information that he got now. He slowly opened his eyes and showed a bored expression to the old man.

"I understand what they want to do now, thanks to you! But now, I don't have any use of you!" Yi Tianyun said coldly.

Feeling that his life is in danger, the old man immediately fled out of the Imperial City, but he suddenly exploded in mid-air!

“I never say you can go! But well, it doesn’t matter now!” Yi Tianyun said indifferently.

Now, all he needed to do is to dominate the World Dragon Empire and thus control the Mortal World all he wanted!

## Chapter 587

The news about Heavenly Clouds Imperial City that managed to turn the tables against the World Dragon Empire spread around the Mortal World.

The Empires on the Mortal World were curious about the Heavenly Clouds Empire’s fate because of their rude behaviour toward World Dragon Empire!

However, the news shocked them! They never expected to hear that the two Divine Generals from World Dragon Empire would be killed that easily!

They wondered whether Yi Tianyun would overthrow the World Dragon Empire or assumed a defensive stance and waited for World Dragon Empire to attack first!

But they were getting nervous as they didn’t know what Yi Tianyun would do to them if he by any chance overthrew the World Dragon Empire!

After all, they did act rudely at Yi Tianyun’s coronation ceremony!

The Empires on Mortal World began to think of what to do themselves as they didn’t know whether to side with the World Dragon Empire, Heavenly Clouds Empire, or remained neutral!

They knew that being neutral was the worst-case scenario as both sides would become their enemies!

At the end of the day, Yi Tianyun was shocked to hear that several Empires were still supporting the Heavenly Clouds Empire in this war.

But several other Empires still supported World Dragon Empire as World Dragon Empire had a long history of being the best on Mortal World!

Although Yi Tianyun successfully killed two Divine Generals of the World Dragon Empire, they still believed that the World Dragon Empire couldn't be defeated!

World Dragon Empire occupied the most abundant continent in terms of Spirit Power, and thus they could produce a better cultivator overall!

With that in mind, what could Heavenly Clouds Empire do?

They only had Yi Tianyun with them!

The Empire that supported the World Dragon Empire kept on mocking the Empire that supported the Heavenly Clouds Empire as they thought that supporting a crumbling Empire was as good as suicide!

But on top of everything, they knew that showing the support to Heavenly Clouds Empire at this time would be terrifying as those Empires could easily become World Dragon Empire's target!

Meanwhile, the World Dragon Empire was full of rage after hearing that Yi Tianyun has killed two of their Divine General.

They clearly sustained massive damage from losing two Divine Generals at the same time!

"How can that brat be that powerful?!" World Dragon Great Emperor asked furiously.

With the two Divine General at 8th Layer Spirit King being easily defeated. It was clear that Yi Tianyun was far more powerful than them!

The news even reached World Dragon Former Emperor's ear. They immediately came back from their retreat as they knew that the Emperor would face a crisis soon!

“Chen’Er! You are acting too brazenly! Because of you, our Divine General died a dog’s death! This fight is not our fight, but theirs!” the World Dragon Empire’s former Emperor said annoyedly; his name was Chen Xuan, while the current World Dragon Emperor was Chen Chen.

“I know, but after exploring his feat the best that we can, we thought that the Heavenly Clouds Emperor was at 3rd Layer Spirit King stage at most, but obviously, it was false information!” Chen Chen said regretfully.

“This mistake must be corrected as soon as possible! Even if he is from a dragon clan, we have the final say in Mortal World! No matter who is backing him, we have to prevail!” Chen Xuan said confidently.

“Yes, that might be the best, Imperial Father, but what should we do now?” Chen Chen asked curiously.

“We have a simple solution. We have to bring out two Protector Dragons to destroy the Heavenly Clouds Empire! If we defeat the Heavenly Clouds Empire, no one else will dare to mess with us!

They clearly believed that the World Dragon Empire was the strongest Empire in Mortal World and no matter who the Heavenly Clouds Empire’s backer was, they wouldn’t back down!

“Great, do we have to alarm the Old Ancestor too?” Chen Chen asked curiously.

“I don’t think that is a good idea! Unless our plan is truly failed, we don’t have to wake up the Old Ancestor!” Chen Xuan said confidently.

“Well, both of us have to be enough to deal with that damned fool!” Chen Chen said excitedly.

But Yi Tianyun was currently flying toward the World Dragon Empire to end this war altogether. He knew that he could always count on himself to get the job done!

## Chapter 588

The guards on World Dragon Imperial City’s walls were startled as they thought they saw someone flying towards them at unbelievable speed!

“This is a warning! You have to slow down and get down. You are entering World Dragon Imperial City’s limit. We have to kill you if you choose to disobey our orders!” The guards used their Voice enhancer divine rune to warn the man who flew towards the World Dragon Imperial City!

There were three guards at Void Spirit Stage standing guards on the Imperial City’s wall. They believed that they were enough to intercept the unknown cultivator, and there is no need to warn their higher-ups!

World Dragon Empire was equal to a Divine Nation here in Mortal World because they have much stronger cultivators compared to any other Empire! But the guards were startled as this was the first time that their warning was ignored!

“He was still heading straight to us despite our warning!? Is this his first time visiting World Dragon Imperial City?” the guards were startled as they saw the man was still flying towards them without any intention to stop!

“This man is clearly stupid! We didn’t hear any words from the higher-ups about any cultivator that would visit, so it’s okay if we attack him right now!” the guards snickered excitedly.

The guards prepared themselves to intercept Yi Tianyun from the sky. They took out their weapon and readied themselves to attack!

They then immediately flew and tried to attack Yi Tianyun in the sky, but clearly, they were surprised by how fast Yi Tianyun really was. Yi Tianyun easily got past the guards and flew towards the city!

“Don’t let him get away!” The Guards said as their complexion changed!

They know that they couldn’t let an intruder enter the Imperial City!

They realised that the cultivator who just got past them have an overwhelming aura!

But the guards were clearly late. They couldn't catch up with Yi Tianyun, and Yi Tianyun landed inside the World Dragon's city wall, and a light that suddenly illuminated the sky above the World Dragon Imperial City successfully drew everyone's attention!

But as they tried to not look at the light, a deafening sound was heard! The cultivators on the City Gate were blown away while a tornado swallowed many cultivators who were still flying!

After that, the ground beneath World Dragon Imperial City violently shook as the great array around the city were starting to fail!

As the Great Array failed, it instantly blew out, killing unfortunate souls who were confused inside the Imperial City!

The disaster kept coming one after another. This time, a boulder fell, destroying buildings as they fell.

After a while, the light finally disappeared, and the cultivators inside the World Dragon Imperial City gradually saw the disaster that befalls their Imperial City.

They were shocked as they found that their Imperial City that was famous for its impregnable defence, was easily destroyed!

"The great array was broken; we are under attack!" The cultivators shouted as they began to worry who would dare to attack them!

But they immediately saw a figure above the Imperial City looking at them indifferently.

"Is that the rumored Heavenly Clouds Great Emperor?" a cultivator said as he knew Yi Tianyun's face.

The rest of the cultivators started to get restless as they finally found out who was attacking them. Just one person attacking World Dragon Imperial City is truly remarkable!

The cultivators in the Imperial City panicked and began to evacuate the city as they knew that they weren't Yi Tianyun's opponent!

The situation was chaotic, causing many ordinary people to get mixed up and trampled as they tried to leave the Imperial City!

"This is bad! Not even the Divine General could cope up with his cultivation! We are clearly just an annoying ant to that man!" The cultivator said nervously.

"World Dragon Emperor! Come out here!" Yi Tianyun shouted as he waited in the sky.

Yi Tianyun didn't even bother using any disguise as he was confident that his might in Mortal World is absolute!

Every other cultivator in the Imperial City noticed that Yi Tianyun's aura was more powerful than any other cultivator that they have seen!

But the cultivators in the Imperial City were also confused. They didn't know why Yi Tianyun went as far as attacking the World Dragon Empire alone as they were still confident that the World Dragon Empire wouldn't lose to one person!

Most of them thought that Yi Tianyun was too arrogant to attack an empire by himself, while the rest thought Yi Tianyun was just a suicidal idiot!

However, Yi Tianyun believed in himself, and therefore believed that from today onward, the World Dragon Empire's reign in the Mortal World from ancient times ago would end today!

## Chapter 589

The wall, the very symbol of World Dragon Imperial City, has collapsed! Furthermore, the buildings near the city gate were destroyed too!

"Get out, World Dragon Great Emperor!" Yi Tianyun shouted towards the Palace.

“You are bold!” a dragon’s roar could be heard from the distance.

Yi Tianyun could see a giant dragon was coming towards him from afar, and Yi Tianyun smirked as he knew that he could still handle something like this!

Yi Tianyun then punched the Dragon’s body as soon as it got close enough to him!

Yi Tianyun’s punch created a whirlwind that sucked so many things from the destroyed building while the Dragon was trapped inside.

Then Yi Tianyun looked up and saw two more Dragons were coming, and this time, two cultivators were riding the Dragons!

“It’s country protector Divine Dragons!” The guards shouted excitedly.

Those were the dragons used by the Emperor and the Former Emperor. The Imperial City was protected by those two dragons for such a long time that the guards instantly felt that they have won!

After the Dragons got close to the City Wall, the cultivators that rode them immediately jumped up!

They are the Great Emperor Chen Chen and Former Emperor Chen Xuan themselves!

Silver Dragon: 8th Layer Spirit King Stage.

Equipment: ....

The dragons were quite powerful if he compared it with everything that he has seen before!

Yi Tianyun tried to check the Dragons' detailed information and found something interesting!

The Dragons were not a True Dragon. It was only a Flood Dragon that was fortunate enough to receive essence from a true dragon!

But Yi Tianyun knew that 900.000.000 combat power wouldn't cut it for a True Dragon!

"It is just a Yellow Dragon! You arrogant bastard! And look at that, you only have a Dragon Clan Bloodline!" Yi Tianyun said as he sneered and taunted the Emperor and the former Emperor.

What Yi Tianyun said was an undeniable fact. He knew that once he used his Dragon God Bloodline, all Dragon Clan in the vicinity must bow down to him!

"How dare you taunt us! I don't think that you are someone who would commit suicide by doing something like this! you are a sinner for destroying our Gate and Wall in the first place." The Emperor said with rage in his voice.

Not only that, but his eyes were also filled with the burning passion!

"Sin? What are you talking about?" Yi Tianyun asked curiously.

"We have kindly invited you to come to the World Dragon Empire, but what did you do? You killed our messenger and ignored our request! Not only that, but you even dared to kill two of our Divine General!" Great Emperor Chen Chen said furiously.

The cultivators who have been watching everything that happened booed Yi Tianyun once the Great Emperor landed!

Their fear of Yi Tianyun's power was absolutely gone as they were confused.

"Hey, is there any way to purge my sin?" Yi Tianyun asked curiously.

“It’s simple! All you must do is kneel on the ground and ask for forgiveness! That way, we will spare your body and return you to where you came from, but if you don’t want to do that, we will completely obliterate everything that you knew!” The Great Emperor said coldly.

Countless eyes stared at Yi Tianyun as they wanted to hear what Yi Tianyun had in store.

## Chapter 590

Yi Tianyun couldn’t help but sigh when he heard the World Dragon Great Emperor’s remark. Their shameless behaviour was expected, but it was a mistake as Yi Tianyun would never show them any mercy.

But then again, they were smart to make Yi Tianyun an enemy out of World Dragon Empire’s residents!

“I never thought that you would resort to this shameful remark!” Yi Tianyun said with a sigh, “Not only did you try to block my path to become my faction’s Emperor, but you also try to make me step down from my position! Aren’t you ashamed of yourself?” Yi Tianyun added tauntingly.

Yi Tianyun knew that the World Dragon Emperor only wanted to become the leader of the Mortal World. They acted like a hero, while in truth, they were just a bunch of scum!

“Nonsense! You are just obsessed with obtaining power! We will kill you so that your obsession will end!” Emperor Chen Chen said confidently.

“Yeah, his obsession is dangerous! We have to stop him no matter what!” Chen Xuan said with a smirk on his face.

Everyone smirked as they knew that Yi Tianyun wouldn’t be able to do anything to the World Dragon Emperor as he was surrounded by the former Great Emperor and the two Dragon Protector.

But it was far from the truth because only Saint King Stage expert or above could stop Yi Tianyun at this point!

But the enemy didn’t know that!

Since Yi Tianyun was only a Spirit King Stage Expert, everyone was sure that there was no way Yi Tianyun could hold a candle against Former Emperor Chen Xuan, who already at the peak of Spirit King Stage.

Furthermore, the two Dragon Protectors were also an existence that couldn't be ignored!

World Dragon Imperial City's cultivators were shouting excitedly as they thought that the Emperor would show them something spectacular.

World Dragon Great Emperor was the strongest Emperor in the Mortal World's perspective. As a result, many cultivators wanted to join the World Dragon Empire.

"There is no reason to make me a villain in your story, you are still garbage, and thus, you pose no threat for me." Yi Tianyun said casually.

"How dare you! I will kill you painfully!" Emperor Chen Chen said furiously.

Emperor Chen Chen then mounted the Yellow Dragon and immediately rushed towards Yi Tianyun. He didn't want to listen to Yi Tianyun's words anymore as he knew that if the cultivators on his side kept hearing Yi Tianyun's words, his reputation would be in tatters later.

Emperor Chen Chen then fused with the Yellow Dragon to achieve a realm above humanity. Suddenly a golden light illuminated the World Dragon Imperial City once more.

"True Dragon's God Secret Art!" World Dragon Emperor shouted as he shone with an incredible aura.

He didn't know how Yi Tianyun could kill two Divine Generals by himself, but he was convinced that Yi Tianyun should be no match for him!

Yi Tianyun knew that the fusion between a dragon cultivator and a dragon would be terrifying, but he didn't show any fear!

With a combination of his power, Yi Tianyun knew that he could break through the enemy's attack!

Yi Tianyun then activated his Dragon God Bloodline. A chilling roar suddenly erupted from Yi Tianyun. The Dragon Protector, the Emperor, and the former Emperor with a slightly inferior Dragon Clan Bloodline immediately trembled in fear!

That was the instinct that kicked in upon seeing a superior dragon!

The Emperor, who was confident with his own attack earlier, instantly shook with nervousness. But the power that Yi Tianyun's released caught him while he hesitated and thus successfully inflicted him an injury.

The Emperor instantly backed away from Yi Tianyun, and his eyes were filled with fear. He knew that the aura that Yi Tianyun has released was the aura of a superior dragon clan.

He knew that with his inferior dragon clan bloodline, he wouldn't be able to attack Yi Tianyun, at least not without sustaining injuries.

"This is Dragon God's aura! He is from the Heaven World!?" Chen Xuan said as he looked at Yi Tianyun with a terrified expression.

He also realized that Yi Tianyun was someone that they couldn't fight now. The Dragon God Bloodline was far superior than his Dragon Clan Bloodline and thus induced fear!

No matter what he did, the fear would always there!

The Dragon Protector also showed the same expression. This is the natural status of Pressure's might!

"Are you from Heaven World?" World Dragon Emperor asked Yi Tianyun curiously.

He knew that Heaven World's Dragon Clan was on par with a Divine Nation, so he knew that he shouldn't fight a faction that clearly could destroy them easily.

Yi Tianyun only stood there, ignoring the Emperor's question as he felt great after seeing the effect of his Dragon God Bloodline suppressing other Dragon Clan Bloodline.
