

Leveling 591

Chapter 591

The suppression from the superior bloodline was truly remarkable, especially for the Dragon Clan, as the superior bloodline was absolute!

“Now, what are you going to do?” Yi Tianyun said tauntingly.

He knew that the World Dragon Empire must’ve thought that Heavenly Clouds Empire was backed by the Dragon Clan of the Heaven World!

Emperor Chen Chen looked at Yi Tianyun and felt uneasy as he saw Yi Tianyun looking so relaxed. Furthermore, he couldn’t figure out why Yi Tianyun had the Dragon God Bloodline as he never heard such a bloodline existed in Mortal World!

The cultivators who have been watching the fight were confused. All they saw was the Emperor, Former Emperor, and the Protector Dragons all kneeling on the ground in front of Heavenly Clouds Great Emperor.

“Young noble, I know now that we shouldn’t be enemy! Why don’t you reveal whose faction is behind Heavenly Clouds Empire?” World Dragon Great Emperor said nervously.

Everyone was shocked after hearing the World Dragon Emperor’s word. He was adamant about striking Yi Tianyun earlier, but now, he was ready to surrender?

They didn’t know what was happening, sowing confusion to every cultivator. But they all reached the same conclusion, that Heavenly Clouds Empire must have a Divine Nation backing them!

World Dragon Great Emperor was no exception. Although it wasn’t clear whether the Heavenly Clouds Empire was backed by Heaven World or not, it wasn’t worth the risk!

Provoking a Heaven World’s faction meant annihilation on Mortal World Faction!

There was nowhere to hide from the Heaven World influence; not even Ghost World could hide them!

“Why would I do that?” Yi Tianyun said with a cold smile on his face.

Yi Tianyun then intensified the aura that he released, causing stronger oppression on World Dragon Emperor and Former Emperor.

“It seems you misunderstand something! Our World Dragon Empire has a good relationship with the Dragon Clan of Heaven World! If you hurt us, you would be in trouble later!” World Dragon Emperor said nervously.

Yi Tianyun heard another great information here, it seems the Dragon Clan has established a mutual alliance with World Dragon Empire, but there was something odd here!

If the World Dragon Empire really formed an alliance with the Dragon Clan, why would they agree to help the Heavenly Netherworld Divine Nation?

“Don’t mind him! According to the Alliance’s term with the Dragon Clan, they would let us know if they send someone to Mortal World! This time, we didn’t hear anything from the Dragon Clan, and therefore, this guy isn’t from Dragon Clan, and he might have stolen the Dragon God Bloodline from somewhere!” Former Emperor Chen Xuan said confidently.

“You are right! We didn’t hear any news from Dragon Clan! You almost got me there! Now, why don’t you give us those Dragon God Bloodline of yours!” Emperor Chen Chen said excitedly.

After seeing Dragon God Bloodline, which was very rare, their greed got the better of their judgement!

“Well, I never said that I am from Dragon Clan, but surely, you have prepared for the worst if you decide to fight me!” Yi Tianyun said with a smirk on his face.

“Don’t you underestimate us too far? Did you think the Dragon Clan Bloodline is all we got?” World Dragon Emperor said as he pulled out a Dragon Gun covered with Divine Rune, he immediately shot Yi Tianyun, and a terrifying dragon roar immediately came out of the muzzle.

That was a Divine Tool!

Yi Tianyun should have known that the number one Empire on Mortal World should at least have a Divine Tool, but he totally forgot about it!

Although it was just a lower Grade Divine Tool, it was still more powerful than any Sacred Tool!

“Hahaha, that is Chen’er’s specialty! The Dragon Gun would obliterate you, and we will take your Dragon God Bloodline!” Chen Xuan shouted excitedly as he saw Chen Chen shot Yi Tianyun with the Dragon Gun.

The rest of the cultivators also shouted World Dragon Emperor’s name excitedly as their Emperor’s victory was certain at this point. There was no way a Mortal World Cultivator could dodge an attack from a Divine Tool!

“The Divine Tool’s power is absolute! There is no way you can dodge this!” Chen Chen said with a smirk on his face.

But Yi Tianyun was different! He had a Divine Tool himself, and honestly, World Dragon Emperor’s Divine Tool disappointed him!

So, he just stood there to make it clear that he could block the World Dragon Emperor’s Divine Tool attack!

Yi Tianyun then waved his fist as he saw the attack coming and thrust his fist at World Dragon Emperor’s attack!

“Dragon God Fist!” Yi Tianyun said casually.

This was part of Dragon God Secret Art, an ultimate attack! The Dragon Protector that only observed the fight on the side was once again intimidated by Yi Tianyun’s Dragon God Bloodline aura!

Yi Tianyun's Dragon God Fist created a flash of light that was followed by a dragon roar, broke the World Dragon Emperor's Divine Tool attack, and struck the ground, causing a loud bang that shook the earth!

Chapter 592

Yi Tianyun made a different stance, and this time a huge Dragon Phantom Shadow appeared from the sky!

The Phantom Shadow was so powerful that the people couldn't hide their admiration. Yi Tianyun then threw a heavy punch that exerted a powerful lightning attack that quickly engulfed World Dragon Emperor!

"Chen'er!" Chen Xuan shouted as he couldn't save the Emperor in time.

The ground was still cracking while the smoke and fire blurred everyone's vision. Nobody could see what happened to the World Dragon Emperor as they had their hands full trying to escape from Yi Tianyun's attack themselves!

After the smoke and fire subsided, everyone could see the World Dragon Emperor and the Yellow Dragon beside him were lying down on the ground, motionless!

'DING!'

'Successfully killed World Dragon Great Emperor!'

'Reward: 230.000.000 Exp, 13.000 Cps, 3.000 Sps, True Dragon's God Claw, True Dragon's God Secret Art, True Dragon Bracelet, True Dragon Armour, True Dragon Boots, Dragon God Bloodline!'

'DING!'

'Successfully killed Yellow Dragon!'

'Reward: 230.000.000 Exp, 13.000 CPs, 1.000 Sps, Dragon God Bloodline, True Dragon Scales, True Dragon Spirit!'

Yi Tianyun was clearly true to his word; he mercilessly killed the World Dragon Great Emperor in one hit!

Every cultivator on the scene was startled as they never expected something like this to happen!

Furthermore, the Yellow Dragon that was supposed to defend the Great Emperor was also killed!

Yi Tianyun was clearly more powerful than anyone had guessed!

They began to think that Yi Tianyun was already at Saint King Stage as his power was too tremendous.

They then saw Yi Tianyun walked toward the World Dragon Emperor's dead body and took the Dragon Gun from the Emperor's hand.

Yi Tianyun smirked as he thought that he got another Divine Tool, but complete to his dismay the Dragon Gun rejected him!

That was nothing unusual as Divine Tool was usually bound to a cultivator and their family. Therefore, it was hard to obtain a Divine Tool without thorough planning.

Yi Tianyun then channeled his own Dragon God Bloodline to the Dragon Gun in order to flush the Dragon Clan Bloodline inside the Dragon Gun that served as a proof of ownership from World Dragon Emperor!

The power of Bloodline oppression also worked to the Divine Tool, Yi Tianyun's Dragon God Bloodline completely crushed the Dragon Clan Bloodline inside the Dragon Gun, and he officially became the owner of the Dragon Gun!

Chen Xuan kept calling out the World Dragon Emperor's name, but it was clear that his effort was futile!

He never thought that the World Dragon Great Emperor couldn't even do anything against this man. It was clear that this man was a monster!

But it was already too late to regret their action!

"I will kill you!" Chen Xuan shouted furiously, and his body immediately burned with Dragon Clan Bloodline increasing his power dramatically.

He used all his power as he knew that was his best bet to win against such a monster that killed the World Dragon Great Emperor in one shot!

Chen Xuan then pulled out a long sword that was also a Divine Tool!

Yi Tianyun was a little surprised that the World Dragon Empire had two Divine Tools with them, but after knowing that they were in a good relationship with the Heaven World, it was not so surprising anymore!

Chen Xuan's combat power immediately skyrocketed and reached 2.9 billion points!

Such power was terrifying and indeed worthy of his cultivation stage, a Spirit King Peak Stage!

It was supposed to be higher since Chen Xuan also had the power of the Silver Dragon, but because of Yi Tianyun's Dragon God Bloodline, it was neutralized!

But Chen Xuan didn't care about that!

He immediately flashed forward with his sword instantly covered with silver lightning, ready to slash Yi Tianyun!

The ground shook and cracked due to Chen Xuan's explosive power, shocking every cultivator on the scene.

“Your power is truly amazing, but it’s not enough to impress me!” Yi Tianyun said indifferently.

Yi Tianyun didn’t pull out any weapon, but he activated his Crazy Mode, raising his Combat Power to more than 3 billion points!

“Dragon God Fist!” Yi Tianyun said indifferently.

A huge Dragon God Phantom Shadow appeared behind Yi Tianyun and drove its fist towards the rushing Chen Xuan!

A blinding light flashed from Yi Tianyun’s fist, and Chen Xuan was swept up with it!

This scene was not much different from when Yi Tianyun attacked World Dragon Emperor earlier.

Chapter 593

The light column shone brightly, and no one could see what happened to Former Emperor Chen Xuan!

Previously, the World Dragon Emperor couldn’t withstand Yi Tianyun’s punch. Now, the Former Emperor also took on the same attack.

They didn’t know whether the Former Emperor could withstand it or not!

If Former Emperor Chen Xuan was also killed in one punch, then it was obvious that Yi Tianyun was a Saint King cultivator!

After the light column has gone, a figure stood on the edge. It was Former Emperor Chen Xuan, but the Silver Dragon is nowhere to be seen!

‘DING!’

‘Successfully killed Silver Dragon!’

‘Reward: 230.000.000 Exp, 13.000 Cps, 1.300 Sps, Silver Dragon Soul, Silver Dragon Scale, Silver Dragon Ring!’

‘Silver Dragon Ring: X10 Defence Power, X10 Combat Power, 10% Crit Chance. Consume 5.000 Cps to use [Silver Dragon Protecting Shield]. The shield can withstand any attack from Spirit King Stage enemy to the user for 5 minutes! 1-hour cooldown!’

‘True Dragon Bracelet: X25 Combat Power, 20% Crit Damage. Consume 5.000 Cps to release a true dragon power, which would amplify the Combat Power 30 times the normal value for 5 minutes! 1-hour cooldown!’

Yi Tianyun checked the items that he got from killing the dragon, and he was satisfied enough with those items. Now he had a new accessory to replace the previous one!

Yi Tianyun then shifted his eyes to Former Emperor Chen Xuan, he knew that the Former Emperor was heavily injured, but he was certain that it wasn’t enough to kill him!

Former Emperor Chen Xuan had a higher cultivation base than World Dragon Emperor Chen Chen. Because of that, he survived Yi Tianyun’s punch, although Yi Tianyun was pretty sure that Chen Xuan wouldn’t be able to survive one more hit from Yi Tianyun!

“That one wasn’t bad at all!” Chen Xuan said as he tried to stand still while bluffing.

He was angry, but he also felt fear from Yi Tianyun! His Divine Tool was useless!

The cultivators who have been watching the fight from the beginning knew that their Former Emperor was already defeated!

No one else from the World Dragon Empire could resist Yi Tianyun’s overwhelming power!

“How can this be!? We are the World Dragon Empire, the most powerful empire in Mortal World!” a cultivator on the side said amidst the silence!

They were reminded just how weak they were as they couldn’t do anything against the invading enemy!

“You are a Saint King expert!” Chen Xuan said nervously.

He was perplexed by how strong Yi Tianyun was despite his young age!

After all, Mortal World was not blessed with vast Spiritual Energy like Ghost World or Heavens World, making it harder to cultivate!

“What are you saying? But regardless, there would be no World Dragon Empire starting from today! If you feel despaired by my decision, blame it on your own decision for trying to pick a fight with me! I am just building my own empire peacefully, but you succumb to Heavenly Netherworld Divine Nation’s temptation! Don’t blame me on your deathbed later!” Yi Tianyun said coldly.

Chen Xuan turned pale; he knew that it was his fault that the World Dragon Empire would be annihilated today!

If he could go back in time, he would’ve declined Heavenly Netherworld Divine Nation’s request no matter what the reward would be!

But now, there was nothing but regret in his mind!

Yi Tianyun then held out his hands towards Chen Xuan, and suddenly, a light beam shot out from his hands, with an intention to kill Chen Xuan immediately!

Chen Xuan himself has already accepted his fate that this was the end of the line, but he surely regretted his action to involve his son, Chen Chen, in this problem!

But as he accepted his fate, suddenly someone saved him by dispersing Yi Tianyun's attack with his palm!

Yi Tianyun was surprised, it was one of his best attacks, but someone else easily repelled it. He immediately checked the man's information with his appraisal eye.

'Former Emperor Chen Feng: 1st Layer Saint King Stage!

Equipment: High-Grade Sacred Tool with Saint Soul Strength.

Martial Art: True Dragon God Claw, True Dragon God Secret Art.

Weakness: None.

Combat Power: 1.800.000.000 (Normal State)

Unbelievable!

The Saint King Stage was twice more powerful than a Spirit King Peak Stage cultivator!

This Former Emperor was already old enough to experience power decline, but he was a Saint King Expert nonetheless!

A lot more powerful than any cultivator that Yi Tianyun has ever fought up until now!

But then again, compared to Heavenly Netherworld Divine Nation's Imperial Preceptor, Chen Feng's power didn't seem that scary!

Chapter 594

Yi Tianyun wasn't surprised by the old man's appearance. He knew that the World Dragon Empire would have someone of this calibre!

Even though Yi Tianyun knew that this old man wasn't in his prime anymore, he could see that the old man was still extremely powerful!

"Former Emperor Old Ancestor!" Chen Xuan immediately kneeled as he was in the Old Ancestor's presence.

He completely forgot about the Old Ancestor's existence, but he knew that his shameful act was unforgivable!

Now, Old Ancestor Chen Feng was the only one who could hold Yi Tianyun down and make sure that the World Dragon Empire wouldn't be decimated!

"Old Ancestor Chen Feng has come! Now that brat wouldn't be able to lay a hand on Former Emperor Chen Xuan!" The cultivator on the side said excitedly.

"Ah, I never expected something like this would happen! How about a truce for now, friend?" Old Ancestor Chen Feng said with a sigh.

"Old Ancestor! He already killed your grandson! How can you let him go!" Chen Xuan said confusedly.

"Shut up, will you? clearly, you are a fool who doesn't understand the situation!" Chen Feng said annoyedly.

"You are a Saint King expert! I believe that you have witnessed my power, but I also believe that you wouldn't let me get away this easily if I was slightly weaker than you!" Yi Tianyun said coldly.

Yi Tianyun's word was indeed correct!

Old Ancestor Chen Feng couldn't afford to fight Yi Tianyun now as his life expectancy has reached its limit!

He wanted to stay idle and continued amassing Spirit Energy to prolong his life!

"This small one's power is chaotic! I believe that he is also at Saint King Stage. I can't fight him now! the only thing that we can do now is to make a peace treaty so that we can continue cultivating and then finish him once you reach Saint King level!" Chen Feng whispered to Chen Xuan carefully.

Former Emperor Chen Xuan gritted his teeth and looked at Yi Tianyun with a hateful look on his face. He nodded to Chen Feng's word as he admitted that he was nowhere around Yi Tianyun's level.

But as Old Ancestor Chen Feng turned his attention back to Yi Tianyun, a phantom shadow rushed past him and attacked Former Emperor Chen Xuan!

It was Yi Tianyun's phantom shadow that clad in red armour from the Dragon God Phantom Shadow.

As Yi Tianyun's phantom shadow rushed past Old Ancestor Chen Feng, it attacked Former Emperor Chen Xuan quickly!

Everything was too sudden, and nobody was able to comprehend what was happening!

Chen Xuan himself believed that he would die from this attack!

Old Ancestor Chen Feng tried to react to Yi Tianyun's attack and burned his Dragon Clan Blood Essence as he had to do that in order to escape Yi Tianyun's Dragon God Bloodline's domination!

But Yi Tianyun saw this coming, so before the old man could complete his posture, Yi Tianyun's phantom shadow pushed him aside, making sure that the old man couldn't finish attacking and once more shifted his target to Chen Xuan!

Yi Tianyun's phantom shadow's fist struck Chen Xuan in the heart!

Chen Xuan was trying his best to defend and survive, but it was a futile struggle imagination as Yi Tianyun's punch easily pierced through Chen Xuan's defence.

"God damn it!" Chen Xuan said as he knew that his defence was useless!

"Die, bastard!" Yi Tianyun shouted coldly as his phantom shadow struck Chen Xuan's heart!

A column of light appeared where Chen Xuan stand once again, and this time it proved to be fatal!

"Xuan'er!" Old Ancestor Chen Feng shouted as he stared at the light column nervously.

"You want peace? Why would I do that? if I have the power to destroy you, why would I stop?" Yi Tianyun said coldly to Chen Feng!

Furthermore, Yi Tianyun wouldn't just let someone that once threatened his faction roam free.

"You actually killed Xuan'er! you will pay for this!" Old Ancestor Chen Feng shouted furiously.

His body was instantly covered with a thick Gold Dragon scale, and his combat power rose once again!

Old Ancestor's Dragon Clan Bloodline was far more potent than World Dragon Emperor's.

"Now, that's more like it! let me see how strong a Saint King Expert really is!" Yi Tianyun said as he smirked excitedly. There was no fear in his eyes!

Chapter 595

The golden dragon aura that covered his body burned brightly. Furthermore, his body gradually became younger!

Old Ancestor Chen Feng that appeared to be an old man before, now became a handsome middle-aged man!

All cultivators around them were shocked to see Old Ancestor's transformation!

How could someone reverse their age like that!

But this was not surprising at all for Yi Tianyun because he knew that Chen Feng must have burned his blood qi to attain this condition!

"You will die!" Old Ancestor Chen Feng said coldly.

He then pulled out his Long Spear, this long spear was also a Divine Tool, but it was the best Divine Tool that World Dragon Empire had!

'Desolate Ancient Dragon Spear: Lower Grade Divine Tool, built with Desolate Ancient Giant Dragon's Blood Essence and Dragon Bone. Have a high attack value, like the Desolate Ancient Giant Dragon itself!'

Yi Tianyun was impressed! He never expected the World Dragon Empire would have three Divine Tools even though they were merely a Mortal World's faction. However, all their Divine Tools were Lower Grade Divine Tool!

"There are a lot of people wishing for me to die. You will have to wait in a line!" Yi Tianyun said casually.

"Great, then I can be the first to crack your head open! Take your weapon out and fight me!" Chen Feng said coldly.

Weapon? Why would I need that?" Yi Tianyun said tauntingly.

Yi Tianyun was acting arrogant, but the truth is he really didn't need a weapon at all! after equipping the Ring and Bracelet earlier, he could deal with Chen Feng with his bare hands!

After all, after burning his Blood Qi, Chen Feng's combat power only reached 3.200.000.000 points. Even without equipping the accessory he got after killing the dragons, his combat power has already reached 3 billion with only Crazy Mode!

"That's nice of you! I will teach you to respect the elderly." Chen Feng said casually.

"Teach me? You don't even have enough power to be called Saint King Expert! what could you teach someone that knows better than you! You even burned your blood qi without hesitation!" Yi Tianyun said while taunting Chen Feng!

Yi Tianyun's smirk made the old ancestor pale. He never expected Yi Tianyun to know that much!

His cultivation had already reached the peak a long time ago, and he could no longer breakthrough ever since!

"It doesn't matter! No matter what you say, I have enough strength to deal with you!" Chen Feng said coldly.

Chen Feng then slammed the tip of his spear to the ground, and a Gold Dragon Phantom Shadow appeared before him.

Suddenly, Chen Feng absorbed the vitality around the area, killing small animals and withering the vegetation around him!

Chen Feng became even younger!

Now, his skin looked more vibrant, and he was also brimming with vitality!

He then rushed towards Yi Tianyun, leaving a small sandstorm in his wake; the same could be said to the Gold Dragon!

As they rushed toward Yi Tianyun, the small sandstorm became bigger!

His combat power rose once again, reaching 3,5 billion!

World Dragon Empire's cultivators cheered Chen Feng excitedly as they believed that Chen Feng would win!

"Your power is quite strong, but it was boring in front of me!" Yi Tianyun said casually, then he activated the Crazy Mode, Dragon God Bloodline, and equipped the True Dragon Bracelet and Silver Dragon Ring!

His combat power skyrocketed! Now Yi Tianyun had 4,1 billion combat power!

The air around Yi Tianyun's fist began to shook as he concentrated almost all his tremendous aura into his fist!

Yi Tianyun's body was covered with a thin Dragon Armour. It looked brittle compared to Chen Feng's Dragon Scale, but it was harder and more durable than Chen Feng's!

Yi Tianyun then raised his hands and slapped Chen Feng and the Gold Dragon at the same time!

Everyone on the scene could feel the shockwave as Yi Tianyun's palm hit the Old Man!

The wind suddenly became wild, and the dust from the ground immediately blurred everyone's vision!

Chapter 596

The Old Ancestor was indeed strong, but Yi Tianyun was far stronger than him!

The battlefield became a huge mess as there was nothing left but sand and dust scattered everywhere, blocking everyone's vision.

Everyone tried hard to see what happened to Old Ancestor Chen Feng, but not even a silhouette could be seen!

They hoped the Old Ancestor would win, but they become unsure as Yi Tianyun's slap just now seemed to be so powerful!

When the dust was gone, everyone finally sighed in relief as they saw that Old Ancestor Chen Feng was still standing, but a giant handprint was seen on the ground where he stood, confusing the cultivators.

But they were glad nonetheless, as long as Old Ancestor was still alive, the World Dragon Empire would stand strong.

But they knew that Old Ancestor Chen Feng was already old, and with this much power exerted to fight a teenager, they knew that Chen Feng must have used his own lifespan to amplify his strength.

"Wh.. why are you so strong!? Have you already reached 2nd Layer Saint King Stage?" Chen Feng said as he trembled from fear.

He felt panic for the first time as he realised that he couldn't crush the teenager in front of him!

"Oh, you're quite persistent. I don't dislike that. I'll make sure you die a meaningful death," Yi Tianyun said with a smirk on his face.

Yi Tianyun was a little happy to see that the old man was still standing despite receiving his punch!

But Yi Tianyun knew that it was thanks to the protective artifact that belonged to the old man!

"But good things must come to an end. Let's wrap this up!" Yi Tianyun said coldly.

Yi Tianyun then punched Chen Feng once again, but Chen Feng quickly crushed a Jade Pendant and immediately turned into a small dragon that immediately flew over to World Dragon Imperial Palace.

Yi Tianyun was a little bit surprised as he noticed that the Jade Pendant that Chen Feng used was the Escaping Heavenly God Talisman.

“You want to escape me?” Yi Tianyun said with a smirk on his face and immediately chased after the escaping Chen Feng.

But the World Dragon Empire’s cultivators were trying to block Yi Tianyun’s way as they didn’t want their Old Ancestor to die!

“Don’t stand in my way!” Yi Tianyun said coldly as he waved his hands, and a Phantom shadow appeared to clear his path.

All the cultivators have swept away, killed in one hit!

The Old Ancestor clearly didn’t care about his people and made his way towards the World Dragon Imperial Palace while shouting an activation mechanism for the Great Array that was scattered as the city’s defence mechanism.

The cultivators in the city started to regain hope again as they saw that Chen Feng still has the means to fight against Yi Tianyun. They believed that their Old Ancestor was invincible!

They began to chant Chen Feng’s name excitedly as they believed that Chen Feng would prevail.

After a while, they felt the power leave their body and fell to the ground!

The Spiritual Energy in their body was drained at an incredible rate!

That was the effect of one of the Great Array that Chen Feng activated.

In an instant, the Imperial City was enveloped in red light. That was the accumulation of the Blood Qi that the Great Array sucked from the cultivators on the ground!

The Old Ancestor began to absorb the Blood Qi in the air and gradually recovered to his prime.

“Ahh, I miss this powerful feeling! In this state, I can finally use this Great Array!” Chen Feng said excitedly.

Chen Feng has recovered his mental state and recovered his blood essence.

“Bloodthirsty Crazy Demon Secret Art!” Chen Feng shouted excitedly.

At the same time, Yi Tianyun has finally caught up with Chen Feng, and he already knew that Chen Feng could use this Secret Art when he checked Chen Feng’s status with Appraisal Eye earlier. But he didn’t know it would be this bad!

Yi Tianyun could still hear the people in the city screaming painfully as they didn’t have enough strength to get away from the city!

“Old Ancestor! Why are you doing this? We will die if you keep this up!” the Cultivator shouted painfully as they knew that this was Chen Feng’s doing!

Their eyes were full of fear as they didn’t know what would happen to them next.

“Aren’t you loyal to me? Now, die silently and become my stepping stone!” Chen Feng said with a mad look on his face.

Chapter 597

Chen Feng looked like a complete lunatic right now, scaring everyone from the World Dragon Empire!

Saying that everyone has lost their trust in the World Dragon Empire was not an exaggeration at this point!

Therefore, the World Dragon Empire’s reputation has fallen to the mud!

Now that he was losing to Yi Tianyun, he didn't need to think about his people any longer. He was adamant about sacrificing all of them in exchange for power!

He didn't need to think about anything else as he knew that the World Dragon Empire had been done for anyway!

Chen Feng just stood in the middle of the Great Array as he absorbed the Blood Essence of many cultivators on the Imperial City at once.

He knew that the World Dragon Empire had cumulated many great cultivators, and thus the amount of Blood Essence that he got was invigorating!

Chen Feng smirked as he knew that the Great Array would suck the cultivator's blood essence dry, and therefore, after killing Yi Tianyun, there would be no eyewitnesses left!

He knew that the World Dragon Empire could be rebuilt later!

The cultivator kept on shouting for Chen Feng to save them, but their voice clearly couldn't reach Chen Feng's heart!

"Please! Avenge us, Heavenly Clouds Great Emperor! Our Old Ancestor has abandoned us!" one of the cultivators shouted to Yi Tianyun as he walked past the cultivator near the palace gate.

Yi Tianyun looked at the cultivator in a funny way. He couldn't bring himself to show any respect to someone with such a flimsy constitute like this.

He couldn't even see them in the eye and sympathize with them!

At first, they wanted to kill Yi Tianyun, but now that their Old Ancestor has abandoned them, they asked for Yi Tianyun's help!

Cultivation of Evil Martial Arts was nothing unusual in the cultivation world, but nobody wanted to see or associate themselves with them!

Now that Old Ancestor Chen Feng has sacrificed his own people's lives to advance his cultivation further, it was deemed an Evil Cultivation!

Now that the cultivators realised that their Old Ancestor had committed a taboo, they didn't want to be associated with him anymore!

"A group of useless trash! I have sheltered you for so many years, but you judge me to use some sort of Evil Cultivation as soon as I take back what I give to you? pathetic!" Chen Feng said coldly.

But then he turned his attention towards Yi Tianyun and smirked, "I didn't expect you would follow me, but I acknowledge that strength of yours, but under my Demon Blood Great Array, you will never touch me again!" Chen Feng said coldly.

Chen Feng's combat power kept rising every second, Yi Tianyun kept checking Chen Feng's combat power, and now he saw 4,1 billion points!

Previously, Chen Feng's combat power was only at 3,5 billion points!

It was amazing, indeed, but it must have some sort of side effect!

But it didn't really matter to Yi Tianyun. He could still increase his power by equipping other items that he got later!

In a way, Yi Tianyun had many more cards up his sleeve. Yi Tianyun didn't want to use a weapon before, but now he had to use one!

"You are crazy! Sacrificing all the life in World Dragon Empire Imperial City, you clearly have fallen so low!" Yi Tianyun said coldly.

Yi Tianyun didn't mind that Chen Feng killed so many cultivators, but not everyone inside the city was a cultivator; some of them were innocent and normal humans!

Yi Tianyun wouldn't let Chen Feng live any longer!

Yi Tianyun believed that Chen Feng would become bigger trouble in the future!

Chen Feng's atrocities were too much to bear with, and he would make sure that it wouldn't happen again, at least not from this World Dragon Empire!

He always thought that Heavenly Netherworld Divine Nation would be the most atrocious faction out there, but now he learned that it wasn't the case!

There were many more faction that was just as atrocious as them!

This method of absorbing blood essence cultivation has always existed in World Dragon Empire Imperial City.

In other words, the first Emperor has thought of this cultivation method for a long time, meaning that they never cared about their people in the first place!

But Yi Tianyun couldn't complain. He knew that Evil Cultivation like this was the fastest way to reach the desired cultivation base!

"What are you going to do now? God didn't care about such those lowlives. Their sacrifice was the highest form of loyalty that they could give!" Chen Feng said confidently.

"That is true, God wouldn't care about a lowlife, and thus I am here to kill you!" Yi Tianyun said casually.

"What? You want to play the hero?" Chen Feng asked as he snickered.

“Me? A Hero? No, I will take care of my own people. I don’t give a shit about anyone else!” Yi Tianyun said casually, and he immediately opened his Sin Shop and purchased the Evil God Suit!

‘DING!’

‘Evil God Suit has successfully bought, deducting 1.000.000 Sps.’

Chapter 598

‘DING!’

‘Successfully purchased Evil God Suit!’

‘Withdrawing the Evil Dragon Suit from user inventory!’

The notification popped up once again. Yi Tianyun was a little bit surprised that the system also took back the Evil Dragon Suit.

But Yi Tianyun knew that it was for the best as he would no longer use the Evil Dragon Suit anyway.

The suit that he got from the Sin Shop couldn’t be enhanced in any way, so there was no point in keeping it anyway!

Evil God Suit: Required level 50.

Effect: Can transform into an Evil God at any time, Combat Power X50, Defence Power X50, Speed X10.

During Evil God mode, all attack becomes a long-ranged attack with up to 10 miles distance. Amplify attack with Burn Effect and increase crit chances for 20%.

The detailed data for the Evil God Suit was displayed, and it was extremely powerful!

Yi Tianyun was saving his Sin Points for unexpected occurrences like this, and since he was only up against an enemy, Evil God Suit was more efficient.

He knew that he could kill the Old Ancestor before, but now, it might take a while, and thus he required a powerful suit to kill the Old Ancestor faster!

For the time being, no matter how much the Old Ancestor absorbed the Blood Essence of the cultivator in the Imperial City, he would never be able to defeat Yi Tianyun!

For Heavenly Clouds Empire to become the strongest Empire in Mortal World, Yi Tianyun had to defeat the World Dragon Empire, and now, the chance presented itself!

If the World Dragon Empire didn't pick a fight with Heaven Clouds Empire, Yi Tianyun wouldn't have a reason to attack either!

"You want to play hero, kid? I will send you to hell so that you can kill villains all day long!" Old Ancestor said while smirking evilly.

He kept on absorbing the Blood Essence that he got from the Great Array, and thus he was confident that he could kill Yi Tianyun!

"Once I am done with you, I will absorb that Dragon God Bloodline of yours!" Old Ancestor said with an eye full of greed.

The Bloodthirsty Great Array that he used to absorb the cultivators' Blood Essence gave him tremendous power. Now The Old Ancestor's combat power has reached 4.2 billion points!

Yi Tianyun tried to punch the Old Ancestor using everything he got now, and he failed to reach the Old Ancestor as the Bloodthirsty Great Array's blood essence blocked Yi Tianyun's attack!

Yi Tianyun was surprised as 4 billion combat power wasn't enough to destroy the Great Array!

“Stop your futile struggle. You might as well let me absorb that Blood Essence of yours too!” The old Ancestor said while smirking excitedly.

He loved to see the look of despair on his enemy’s face, and thus he believed that he was doing something extraordinary!

The old Ancestor immediately summoned a red lotus to capture Yi Tianyun.

Yi Tianyun quickly flew up, but the Red Lotus was faster!

In a blink of an eye, the red lotus successfully captured Yi Tianyun and restricted his movement. At the same time, a huge blood pool was steadily increasing on top of The Old Ancestor.

The cultivators were trembling in fear and anger. They didn’t want to become nutrients for their Old Ancestor and tried to get away from the Great Array’s range, but they were too late!

The Great Array was too strong, and thus they got swept in as well!

“Are we going to die?” a cultivator said nervously.

“I don’t know, but shut your mouth! I regret ever joining the World Dragon Empire!” Another cultivator retorted.

Their eyes were full of anger and sorrow, but they put their hopes in Heavenly Clouds Great Emperor, they know that it may be asking too much, but there was no one else to save them from the Evil cultivation of their Old Ancestor!

But suddenly, a terrifying black flame swept the battlefield, and the steady stream of blood on the top of the Old Ancestor began to enter The Old Ancestor’s body, enhancing his power further!

But the old Ancestor was startled as soon as he saw a black figure in front of him, preventing the blood essence from being absorbed by the Old Ancestor!

Chapter 599

The blood pool was burned by the black flame! After the blood essence was burned, it formed a thick blood cloud, giving the dreary vibe in the air!

But the most shocking thing was the black figure who stood in front of Old Ancestor!

The air was prickly with black flames, and no one dared to move a muscle as they felt a primal fear that they never experienced before.

They knew that the black figure in huge body and a taut muscle was so prominent that everyone instinctively knew how powerful it was!

“What? Who is that?” Old Ancestor was clearly shocked by this outcome!

He couldn’t see Yi Tianyun anymore, and the black figure appeared out of nowhere. Old Ancestor tried to connect the dots and eventually realised that the black figure was in fact Yi Tianyun!

He didn’t know that Yi Tianyun had a transformation skill, not to mention it seemed extremely powerful and instilled primal fear!

He has never seen such a terrifying aura before, not even from the Heaven World’s cultivator!

“What is this power? Is Heavenly Clouds Emperor this powerful? Is this his true appearance? What is his limit?” Everyone began to wonder as they were still freezing from fear.

“This feeling! It’s the same as an Evil Spirit, but a million times more powerful than that! Probably he was an Evil God!” a cultivator said nervously, everyone reached the same conclusion, but their gaze was full of awe although they were still frozen from the fear.

They promised themselves to serve Yi Tianyun if they survived this ordeal!

Old Ancestor wanted to sacrifice the entire World Dragon Imperial City, compared to Yi Tianyun, who tried to stop the Old Ancestor without killing the weakened cultivator was like heaven and earth!

It was obvious that they would rather serve Yi Tianyun instead of the Old Ancestor!

Yi Tianyun himself was surprised by how much his power rose from just using the Evil God suit!

The effect that the Evil God Suit provided was tremendous as well, especially the Black Flames that it generated!

Now, Yi Tianyun's combat power reached 6,3 billion points! This amount of combat power was too much to achieve by any cultivator of the same level, considering Yi Tianyun was only at the early stage of Spirit King level!

But it was a bit unfortunate that the Crazy Mode couldn't be stacked with this Evil God suit effect. Crazy Mode only applied to his basic combat power, which meant that the Evil God Suit X50 Combat Power only worked in addition to Crazy Mode! Otherwise, Yi Tianyun's power would be above a Saint King Peak stage cultivator!

"It is time to end this farce!" Yi Tianyun said confidently.

Yi Tianyun knew that the Old Ancestor was shaken with fear due to the Evil God's presence, but Yi Tianyun didn't know that the effect was so powerful that the Old Ancestor looked like a fish out of the water, gasping for air!

"I will not go down without a fight!" Old Ancestor said weakly, but he quickly summoned numerous blood arrows that he shot towards Yi Tianyun immediately, but because the Black Flame was still covering Yi Tianyun, the blood sizzled and evaporated in an instant!

Old Ancestor felt desperate as he couldn't touch Yi Tianyun anymore. The sense of inferiority towards Yi Tianyun clouded his judgement that he couldn't think carefully.

Furthermore, the range of Yi Tianyun's attack was so far! The old Ancestor felt frustrated because no matter how far he retreated, Yi Tianyun's attack always caught up to him!

He didn't know what to do anymore because none of his attacks seemed to work!

"How can a person of this calibre be in Mortal World, and I've never heard about him? Bastard! Blood Demon Sword!" Old Ancestor said as a blood-red sword glowed on his hands!

An endless quantity of blood flowed to the sword in Old Ancestor's hand, increasing the sword's quality immensely.

"I said, let's end this worthless fight!" Yi Tianyun said as he slammed his feet on the ground and rushed towards the old Ancestor that was a little bit far away from his current position, but Yi Tianyun was like a black flash, catching up to the Old Ancestor in a blink of an eye!

The Old Ancestor couldn't react to Yi Tianyun's speed!

"Wh... What's with this power!" Old Ancestor said nervously.

"Well, evil needs power! if you are this weak, you aren't qualified to be someone evil!" Yi Tianyun said with a smirk on his face.

Yi Tianyun then instantly flashed to Old Ancestor and quickly ignited the Old Ancestor with his black flame! Yi Tianyun was satisfied by the Evil God suit's capabilities; it made everything so much easier!

Chapter 600

Old Ancestor screamed as his body was burned!

The burning sensation was way different than the normal fire because the Black Flames also burned the soul!

“Get it off of me!” The Old Ancestor shouted in panic. But Yi Tianyun never let the Old Ancestor go.

“Calm down! I will not let you die so easily. At least I will let you experience the pain of death!” Yi Tianyun said while smirking evilly at the Old Ancestor.

Yi Tianyun knew that there was nowhere for the Old Ancestor to escape. Yi Tianyun already cut off the Old Ancestor’s tie with the World Dragon Empire, Heaven World, and the Heavenly Netherworld Divine Nation!

World Dragon Empire for his atrocious act, Heaven World for his own speculation that Yi Tianyun was from Heaven World, Heavenly Netherworld Divine Nation for the Old Ancestor being unable to hold up his own end of the deal!

The cultivators in the Imperial City that survived after Yi Tianyun burned the Blood Pool. They were recovering their blood essence little by little, and fortunately, the blood essence that was extracted from them didn’t affect their cultivation.

They continued to observe Yi Tianyun’s battle instead of running away as they felt a great admiration for Yi Tianyun, their saviour!

But as a matter of fact, Yi Tianyun didn’t save them out of mercy!

He simply wanted to cull the Old Ancestor’s power, and they happened to be saved because of it!

“Get away from me! I don’t want to die!” Old Ancestor shouted desperately; it was not easy for him to get this far!

He has already sacrificed so many people to get where he was right now!

“Note it for yourself, I never have any intention to fight the World Dragon Empire, but you are clearly asking for it when you choose to intervene with my Empire!” Yi Tianyun said coldly.

The Old Ancestor felt regret as he heard Yi Tianyun's word. Everything started because the current Emperor couldn't suppress his greed and make a deal with Heavenly Netherworld Divine Nation. It was not his fault, but that didn't matter now!

"I am willing to give you everything I own, so please, let me go!" Old Ancestor begged for mercy from Yi Tianyun.

"What are you talking about? If you are dead, everything that belongs to you will be mine anyway!" Yi Tianyun said while laughing hysterically.

"No, I have a lot of secrets! I'm sure my secrets will be worth your time!" The Old Ancestor said nervously.

"Not interested!" Yi Tianyun said cheerfully.

He didn't have any reason to keep the Old Ancestor alive as the World Dragon Empire didn't have any lineage remained to lead the empire anymore!

Yi Tianyun then changed the fire that burned the Old Ancestor from the black flame into the Immortal Fire!

But the Old Ancestor didn't notice this and kept begging for Yi Tianyun's mercy!

Unlike the Black Flames, Immortal Fire would burn everything into ashes!

'DING!'

'Successfully killed the Old Ancestor of World Dragon Empire!'

'Reward: 800.000.000 Exp, 50.000 Cps, 10.000 Sps, True Dragon God Secret Art, Bloodthirsty Crazy Demon Secret Art, Dragon God Bloodline, GOLD High Dragon Sacred Tool, High-Grade Sacred Tool, Heaven World.'

'DING!'

'Successfully killed an elite enemy!'

'Reward: 300.000.000 Exp, 100.000 Cps, 5.000 Sps, X2 Super Enhanced Lottery Roulette tickets.'

Two notifications popped up in front of Yi Tianyun, and he was excited to see that he finally got the reward for killing an elite enemy!

But Yi Tianyun knew that his job was not done yet. With the Old Ancestor dead, the battle was over, but he didn't know what to do to the rest of World Dragon Empire's cultivators!

Meanwhile, the World Dragon Empire's cultivators who watched the fight were startled; they couldn't believe their eyes when they saw the Old Ancestor died!

They felt awe just by looking at Yi Tianyun, but they were also feeling guilt from their rude behaviour in the past!

"From today onward, World Dragon Empire would be absorbed by Heavenly Clouds Empire! This World Dragon Imperial City shall be destroyed!" Yi Tianyun said coldly to the World Dragon Empire's cultivators that still stayed behind in the Imperial City, watching Yi Tianyun.

Yi Tianyun didn't want the Bloodthirsty great array to be used ever again, and therefore, this Imperial City that was full of Bloodthirsty Great Array would be destroyed!

After all, he didn't need two Imperial Cities!

The cultivator nodded their head as they agreed with Yi Tianyun, the Bloodthirsty Great Array has induced trauma to them, and they didn't mind if the Imperial City was destroyed.

After all, they felt no attachment left for the World Dragon Empire anymore!

The news about the Heavenly Clouds Empire that triumphed over the World Dragon Empire quickly spread throughout the Mortal World. Heavenly Primordial Great Emperor was dumbfounded!

They used to think that Yi Tianyun was just an impulsive teenager, but now it was clear that Yi Tianyun had the strength to back it up!

They underestimated Yi Tianyun.

“Great Emperor! I think we have to show that we aren’t the enemy of Heavenly Clouds Empire!” the Heavenly Primordial advisor said worriedly.

“Yes, I think the same thing too!” Heaven Primordial Great Emperor said as he was embarrassed by his own conduct in the past!
