Chapter 681

Shi Xueyun couldn't believe her eyes when she saw Yi Tianyun. She had missed him so much for this past year, and now, she started thinking that she was seeing things.

"Am I seeing things?" Shi Xueyun was shocked.

"You aren't, aunt. I am here for you." Yi Tianyun walked into the room with a smile on his face.

"Tianyun!" Shi Xueyun shouted as she immediately plunged herself into Yi Tianyun's embrace. She was excited to feel Yi Tianyun's warmth against her skin again. "I thought I would never see you again!" Shi Xueyun said excitedly.

"There would never come a time that I would let you go without my permission again, aunt! I will look for you everywhere!" Yi Tianyun said with a warm smile on his face.

At the same time, Young Master Mei was furious to see that Shi Xueyun easily embraced another man in front of him like this! "You are Yi Tianyun? How did you sneak in? You are truly tired of living!" Young Master Mei said coldly.

Shi Xueyun was startled as she finally realised that Young Master Mei and Elder Wan was still inside the room, hence worried about Yi Tianyun's safety. But she was too late as Young Master Mei suddenly attacked Yi Tianyun with a palm strike.

"Step back for a bit, aunt." Yi Tianyun said as he immediately hugged Shi Xueyun and released a cold light that bombarded Young Master Mei, pushing him away from Yi Tianyun and Shi Xueyun.

"This is a soul technique!?" Young Master Mei said as he felt that his head was about to be torn apart from his body. Although he didn't receive any physical damage, Young Master Mei knew that his soul was damaged from Yi Tianyun's attack.

Soul Technique is a cultivation technique that specialized in Spirit-based attack. It was a rare technique as cultivating it was very hard. Usually, people with good Divine Rune synergy would be able to learn this technique too.

At the same time, Yi Tianyun was holding back as he knew that the Heavenly Plum God Clan had done so much to help Shi Xueyun cultivated. Had it not for her, Yi Tianyun would've already killed Young Master Mei without any second thought!

That was why he was willing to spare the man who wanted to trap Shi Xueyun there for the rest of her life and give Heavenly Plum God Clan another chance!

“Now I know that you are truly capable of sneaking in with that technique of yours. I hate to break it to you, but she won't be able to leave this place! You won't be able to take her away! This place is Heavenly Plum God Clan's place, and she is Heavenly Plum God Clan's disciple! She has to follow our rules to repay us for every help that we had done for her cultivation!” Young Master Mei said stubbornly.

“We've already spent so much resource on her, and that is why she won't be able to leave! And you, you will die for your sin of breaking into our faction!” Young Master Mei confidently as he didn't feel any fear from Yi Tianyun.

“I don't know where you came from, but it is a big mistake to break into Heavenly Plum God Clan!” Elder Wan sighed. “Xueyun, you better persuade him to leave this place, and I will at least be willing to look the other way this time. Otherwise, don't blame me for what will happen to him.” Elder Wan said solemnly.

Young Master Mei smiled smugly towards Yi Tianyun as he thought that he had the upper hands.

At the same time, Jiang Yi walked in as he wanted to find Elder Wan and was confused as he saw Yi Tianyun inside as well.

“Why are you here? Didn't I tell you that you are not allowed to walk around without any permission? And how did you get here?” Jiang Yi said confusedly.

“You are with the new recruits? Of course! It all makes sense now. There is no way you can come in without a proper guide! Otherwise, you will be lost inside the maze and died!” Young Master Mei said with a smug look on his face.

“You are clever; mixing in with the new recruit surely wouldn’t raise any suspicion. But you choose the wrong faction to break in!” Elder Wan said coldly. “I will say this one more time, Xueyun! You better persuade him to leave this place! He is someone that you hold dear, and therefore I am willing to turn a blind eye about this!” Elder Wan said solemnly to Shi Xueyun.

“Now, is it about resources? I will pay double the amount, so how many resources have you used, aunt?” Yi Tianyun said as he pulled Shi Xueyun to his embrace once more.

“You will pay double the amount? Did you think you can afford it?” Young Master Mei said as he looked Yi Tianyun from top to bottom with disdain.

“I am willing to pay double because you didn’t hurt aunt in any way. If she was hurt, Heavenly Plum God Clan would’ve been gone already!” Yi Tianyun said coldly.

Shi Xueyun looked at Yi Tianyun with awe as she was very flattered that Yi Tianyun was so concerned about her. But suddenly, a new voice entered the room that startled Shi Xueyun quite a bit.

“You make a big statement there, young man! I didn’t really approve of Yiming’s pursuit of Lady Xueyun, but I can’t let that provocation of yours slide! How dare you threaten my people in my place!” a beautiful woman came into the room with confidence, and immediately Young Master Mei’s eyes lit up in excitement.

“Mother!” Young Master Mei shouted excitedly. This beautiful woman was Young Master Mei’s mother, which meant she was the Great Elder of Heavenly Plum God Clan!

She was a strong cultivator with the cultivation at Spirit King Stage, and her power was really amazing as it was probably above her cultivation level.

Shi Xueyun herself began to worry as she saw Great Elder coming in. She knew that the Great Elder was not an average cultivator, and she was afraid that Yi Tianyun would be in big trouble because of this.

But it certainly was not the case as Yi Tianyun looked at the Great Elder coldly. "Are you challenging me right now?" Yi Tianyun said coldly.

Chapter 682

"You are just a brat from Mortal World! Do you know who you are up against here? Your ignorance would be your downfall!" Elder Mei said coldly at Yi Tianyun. But it didn't deter Yi Tianyun at all as it was Elder Mei who didn't know who she was up against here.

"You're clearly clueless, so let me fill you in, my son has Ice Origin Body, and thus he was very much in sync with Xueyun as she also has one! Thus, their offspring would be born with extraordinary innate ability as they would no doubt have Ice Origin Body too! But you, it was clear to me that you are nothing special! I will give you a chance now. I will let you return to Mortal World with 2 Sacred Tools, 10 Million Spirit Stones, and 10 5th Grade Medicinal Pills as long as you let Shi Xueyun become my son's dao companion!" Elder Mei said angrily.

Hearing her words, Shi Xueyun had mixed feelings as she thought it would be better for Yi Tianyun to take up her offer! It would definitely help improve the Heavenly Cloud Empire and save Yi Tianyun the trouble of rescuing her from this place.

"Two Sacred Tools, Ten Million Spirit Stones, and ten 5th Grade Medicinal Pills?" Yi Tianyun asked with a smirk on his face as that amount was nothing compared to Shi Xueyun's worth.

"Is it not enough? I will also add one Heavens Level Martial Arts with one 6th Grade Medicinal Pill! Now, if you still find it insufficient, I don't know what else to say!" Elder Mei said annoyedly. She thought that all cultivators in Mortal World were low level and they should find her offer hard to resist.

Young Master Mei beside her was also grinning happily as he thought that he would finally have Shi Xueyun for himself! He also thought that there was no way Yi Tianyun would want to pass up these compensations from Heavenly Plum God Clan!

"I will give you 5 Sacred Tools, 50 Million Spirit Stones, 50 5th Grade Medicinal Pills, and 5 Heavens Level Martial Art for Shi Xueyun, and you better get out of my sight after that! Your evaluation of Shi Xueyun is total garbage. It's clear that you're not worthy of her!" Yi Tianyun said annoyedly.

Elder Wan stared at Yi Tianyun as she didn't believe what she just heard from Yi Tianyun's mouth! The amount of resources that Yi Tianyun was willing to give up was enormous compared to the amount a Divine Nation would be willing to give in exchange for a favourable female cultivator for their Dao Companion!

"You are bluffing, you poor brat! Did you have that many treasures on you now? If you can pull out that many treasures now, I will walk away backward like an idiot!" Young Master Mei said while snickering at Yi Tianyun.

"Don't you dare go back on your words later!" Yi Tianyun said as he pulled out 5 Sacred Tools from his storage ring, which surprised everyone! Yi Tianyun pulled out several weapons at Sacred Tools Rank and several armours at Sacred Tool Rank, and Yi Tianyun threw them all out like they worth nothing at all!

"Now, walk backward, you damn fool!" Yi Tianyun said coldly.

Everyone was still surprised that Yi Tianyun had that many treasures on the go, and they were really curious whether Yi Tianyun would also bring other things that he said he would give now.

Since Great Elder Mei wanted to humiliate him with wealth, then he would also use wealth to humiliate them in return! After all, 5 Sacred Tools were just garbage for Yi Tianyun now!

"This is impossible! Who are you, and where is all this coming from? You definitely stole it!" Young Master Mei said angrily at Yi Tianyun.

"You better not go back on your previous word. I hate the people who lied the most on this world!" Yi Tianyun said at Elder Wan and Great Elder Mei as they also heard Young Master Mei's condescending remark earlier. Elder Wan didn't say anything as she couldn't help Young Master Mei here.

"I don't know where you got so many Sacred Tools, but my offer is the only things that stand here! Are you going to take it, or will you die here of your sin! Either way, Shi Xueyun must stay here!" Great Elder Mei said coldly.

"Oh, I see that you are too arrogant for your own good! You think your faction can afford that now? Your faction isn't even on top ten of Heaven World anymore!" Yi Tianyun said indifferently.

“How dare you!” Great Elder Mei said furiously. Elder Wan, on the side, was shocked that Yi Tianyun would provoke Great Elder Mei like this. It was a death sentence as Elder Wan thought there was no way Yi Tianyun would be stronger than Great Elder Mei!

The worst thing an outsider could say was how bad the Heavenly Plum God Clan has fallen and how far they’ve been from their past glory!

“It seems that you really want to die here! There is a certain word that you shouldn’t ever say here, brat, but you said it! Today will be the last day that you walk on this earth!” Great Elder Mei’s Spirit King aura instantly erupted as she was extremely furious. Her aura immediately put pressure on everyone on the room, except for Yi Tianyun!

“Tianyun, please stop!” Shi Xueyun said, but before she could say anything else, the pressure from Great Elder Mei prevented her from doing so.

“Don’t worry, aunt. I promise that I will always protect you!” Yi Tianyun smiled and thus immediately calmed Shi Xueyun down a little bit. She knew that even if the world collapsed, Yi Tianyun would always hold on to his words.

Yi Tianyun immediately turned his attention towards Great Elder Mei, “I will say it one more time here! I am not the most patient kind of man, and you seem so keen on exhausting my patience! I don’t want to get Shi Xueyun through violence as your clan has treated her kindly, but it was clear to me that you all have a bad intention for her. You want to marry your ugly son with her? He doesn’t even match Shi Xueyun’s potential! Did you really want to push me over my limit here?” Yi Tianyun said coldly, his tone was full of disgust, and it was clear from the seeping killing intent he let loose that Yi Tianyun was serious!

Chapter 683

Yi Tianyun wasn’t afraid of Great Elder Mei’s power, but clearly, Shi Xueyun was worried about Yi Tianyun’s safety. She thought that Great Elder Mei was stronger than Yi Tianyun. After all, she didn’t know how strong Yi Tianyun had become. However, after looking at how confident Yi Tianyun seemed, Shi Xueyun tried to calm down a little bit.

“All of you, help me defeat this man!” Young Master Mei said while still hiding behind his mother with a smirk on his face. He was embarrassed and angry at Yi Tianyun for knocking him down earlier, and now that his mother was here, he was slightly overconfident! He was excited upon the thought that Shi Xueyun would be his woman soon enough!

“You all are full of ignorance!” Yi Tianyun said as he fired an energy blast from his palm. The projectile wasn’t fast, and it seemed too dull to be a powerful technique, but once it reached Young Master Mei that Yi Tianyun targeted, Young Master Mei was immediately slammed backward!

Young Master Mei screamed as he was sent flying into a thick wall and then into the open snowfield behind the wall. The snowfield was immediately covered by thick red stain as Young Master Mei lied unmoving above it!

An 8th Layer Void Spirit Expert was dealt with in one shot!

Great Elder Mei screamed as she called out her son’s name and quickly flew towards her son’s unmoving body. She immediately checked his condition, which was grave! She noticed that all Mei Yiming’s bones were broken, and his bleeding was severe that it was hard to heal. She realised that even a cure divine pill wouldn’t be able to help her son now!

Yi Tianyun stared at them with an impassive look on his face. He didn’t care about these people, and he already warned them, but they were too stubborn and prideful. Yi Tianyun wouldn’t show any mercy to those that he considered an enemy, so he didn’t feel any emotion as he killed Young Master Mei!

“I already said that you shouldn’t block my path before, and now, I’ll warn you again!” Yi Tianyun said as he walked away while holding Shi Xueyun’s hand and passed by Great Elder Mei on the snowfield indifferently.

Shi Xueyun was shocked by what she just saw. She now realised that she didn’t have to worry about Yi Tianyun since he might be at least at Late Stage Spirit King Stage!

“You actually killed my son! I will kill you myself!” Great Elder Mei screamed like a madman and rushed towards Yi Tianyun. She released her full aura, creating a blizzard around her as she ran. She pulled out a giant sword that was a sacred tool that concentrated the cold around her. She immediately struck down Yi Tianyun as she was close enough, releasing all the cold aura that the giant sword has stored.

She had an amazing Ice Origin Body herself, and it was to the point that it could be called Ice Holy Body. She clearly had an advantage as she fought on a snowy field. It was expected as she was the Great Elder of Heavenly Plum God Clan with a long history of Ice spiritual energy user!

But even that much power was still meaningless in front of Yi Tianyun!

“Get away from me!” Yi Tianyun said as he activated the effect of his Desolate Ancient Equipment, which immediately boosted his power beyond what Great Elder Mei could handle!

The huge giant sword on Great Elder Mei’s hand was broken and turned into ice debris as it hit Yi Tianyun’s attack! Great Elder Mei herself was blown away from the impact and took another attack from Yi Tianyun midair, ended up with her falling into the snowy field with a thud.

“Are you dead yet?” Yi Tianyun asked indifferently, he didn’t even release his full power yet, but he knew that a mere Spirit King Cultivator wouldn’t be able to stand against his power now. But after seeing that Great Elder Mei was still moving, he was slightly surprised.

Great Elder Mei tried to stand back up once again. She looked so fragile now as a dim light tried to cover her entire body. Yi Tianyun realised that Great Elder Mei had a protective layer around her body, mitigating the damage from Yi Tianyun’s attack.

“How could you be so strong!” Great Elder Mei asked stutteringly as she finally felt fear towards Yi Tianyun. She was a Spirit King Expert, but Yi Tianyun took her down effortlessly, so she was certain that Yi Tianyun was much stronger than she ever anticipated.

Elder Wan, on the side, was also shocked to see the scene unfolding before her. Her cultivation wasn’t too far below Great Elder Mei, so she realised that Yi Tianyun wasn’t someone they should piss off. She trembled slightly as she thought it could be her lying there instead of Great Elder Mei as she was also guilty of lying to Shi Xueyun.

“Tianyun, you have gotten stronger yet again!” Shi Xueyun said with shock clear on her face. Although she had expected that Yi Tianyun has powered up before coming to Heaven World, she didn’t expect he’d be this powerful!

She was caught in a dilemma as she wanted to catch up with Yi Tianyun, but she realised that it was probably impossible!

“I already said that I would protect you with my life before, aunt. I am a man who would keep his words, so believe in me!” Yi Tianyun said with a boyish charm.

Shi Xueyun blushed as she felt warm and fuzzy after hearing Yi Tianyun’s words. She then realised that the most important thing in her life right now was to stay by Yi Tianyun’s side!

But soon enough, the elders of Heavenly Plum God Clan flew towards the scene as they sensed the fluctuating spiritual energy on the place.

“What happened here?” the elders asked confusedly.

“He is an intruder who tried to tear Heavenly Plum God Clan apart!” Great Elder Mei shouted weakly as she tried to use the entire faction to be her avenger! If she told the truth, there is no doubt on her mind that she would be ridiculed and demoted from the faction’s leaderboard!

Chapter 684

“What, an intruder?” the Elders of Heavenly Plum God Clan was confused with Great Elder Mei’s situation, but they immediately stared at Yi Tianyun and sensed the murderous aura that was coming out of Yi Tianyun. Everyone could see Jiang Yi and Elder Wan’s scared face, but they couldn’t really tell how an intruder could enter the Heavenly Plum God Clan palace. Did Jiang Yi bring him in?

They knew that Yi Tianyun’s cultivation was really high. After all, even the Great Elder couldn’t even deal with him.

“Yes, he is the intruder! He even killed my son!” Great Elder Mei said as she held Young Master Mei’s body in her arms.

The elders observed the Young Master Mei's body, and they really couldn't sense any trace of aura coming out of his body. It was unfortunate that he didn't have the same protection as his mother. Otherwise, he might've survived Yi Tianyun's attack!

"Wow, you aren't just an ordinary vengeful woman, but also a liar! I already told you that if you didn't block my path, you wouldn't receive this much damage!" Yi Tianyun said coldly. He then turned his attention towards Elder Wan, "You may want to persuade them to back off. Otherwise, your Heavenly Plum God Clan would lose so many elders at one time here." Yi Tianyun said indifferently.

Although Yi Tianyun didn't mind killing these people, he didn't want to do it without warning. Young Master Mei was an exception as he really pushed Yi Tianyun's patience!

"Elders, he is an intruder, but he didn't come here for our treasure, so please calm down for a moment!" Elder Wan said as she was scared of what Yi Tianyun could do. She knew that Yi Tianyun could kill everyone here with ease, and thus the only one that would suffer a significant loss here was just Heavenly Plum God Clan in the end.

"Elder Wan, are you seriously trying to defend the criminal? Are you betraying us for this man? Or maybe you are the one who brought him in here in the first place?" Great Elder Mei said irrationally. She was so desperate to pit everyone against Yi Tianyun as she didn't care about what happened to everyone after that any longer. She even branded Elder Wan as the traitor as she didn't want her plans to be stopped!

"You have to kill the intruder! Ignore this traitor!" Great Elder Mei said maniacally. At the same time, more Elders and Deacons arrived the scene and because Great Elder Mei's status was way higher than Elder Wan, people start to ignore her.

"What happened here?" a middle-aged man flew over and saw Young Master Mei on his mother's arm, his face suddenly turn pale. "Who killed him?" he asked coldly.

"Qingyuan, it was him! He killed our child!" Elder Mei cried on the man's arm.

"You! Who are you? How dare you killed my child on my ground!" Mei Qingyuan said coldly as he released a chilling killing intent.

“I didn’t do it out of contempt! I just want to bring back my aunt, but he insisted on getting in my way! I already warned you guys beforehand, so it’s not my fault if you decide not to heed my warning. Your son and woman were stupid enough to cross my path!” Yi Tianyun said indifferently. He didn’t really care about this man, as this world was better off without people like his son and wife over there.

“How dare you!” Mei Qingyuan shouted as he immediately signalled for everyone to assume their battle stance. He could order everyone right now because he was the temporary Lord of Heavenly Plum God Clan. The real Lord has retired, and the Heavenly Plum God Clan still couldn’t find any respectful Lord right now.

“I don’t care what you’re here for, but the thing that matters now is that you killed my son! You will be executed here for breaking our sacred boundaries and killed one of us! I will not let any of you leave!” Mei Qingyuan said coldly.

In an instant, the elders were moving in formation, and some of them were flying in the air, surrounding Yi Tianyun from all directions. The Heavenly Plum began to light up at the same time. The little plum blossomed on the top started to blossom and releasing a rose fragrance all over the place. It was the Great Array that was covered with a strong Divine Rune and protected this place!

The entire Heavenly Plum God Clan’s palace was covered with an energy barrier in an instant, preventing anyone from leaving this place! The Great Array wasn’t made only to keep people out but also to prevent people from leaving. The Plum Blossom Tree lighted up as a response, brightening the entire Heavenly Plum God Clan.

But Yi Tianyun’s expression was still indifferent as he wasn’t afraid of something like this.

“Heavenly Plum God technique?” Yi Tianyun said indifferently as he observed everything with his Appraisal Eye.

Heavenly Plum God Array: A Great Array that was built on countless Tianmei, it had the effect of blocking attacks and preventing the enemy from escaping. With the place became all bright from the lights of Heavenly Plum Tree, no one could hide! Heavenly Plum Tree could also attack with a formidable ice attack, mobilizing the nearby Ice Spiritual Energy.

“Tianyun! This Great Array power is truly strong! Not even Saint King Expert can escape from it!” Shi Xueyun said worriedly.

“Well, let us see what happened after I tried withstanding it for the first time!” Yi Tianyun said with a smirk on his face. He wasn’t afraid at all as he already knew about this Great Array from the start. He already expected this Great Array would be activated to prevent him from leaving with Shi Xueyun.

But the problem here wasn’t this Great Array. The people of the Heavenly Plum God Clan were so obsessed to capture him that they even trapped themselves here with him!

It was clear that these people couldn’t think clearly about what they were doing!

Chapter 685

“I advise you to surrender! Even if you are a Saint King Expert, you will not be able to escape this place!” Mei Qingyuan said threateningly. He knew that Shi Xueyun was his guest, but now that he has lost his son, he didn’t care about her anymore, especially after seeing that she was holding Yi Tianyun’s hand.

“What will you do to us if we surrender?” Yi Tianyun asked indifferently.

“I will sacrifice your blood and flesh to the demons so that my son’s spirit can rest!” Mei Qingyuan said coldly. At the same time, the Elders were exhausted as their spiritual power was constantly consumed to activate the great array, but they wouldn’t give in as they were confident that they would be able to subdue the intruder.

The area began to get cold beyond measure as the great array kept getting colder with each passing second. It was like being burned by the Heavenly Yin Fire, which was freezing! But that was the purpose of this great array as the enemy was supposed to be frozen and they would easily capture them afterward!

Mei Qingyuan and the elders watched Shi Xueyun and Yi Tianyun expectantly as the surroundings became freezing.

“There’s nothing I can do. They won’t lend an ear to my words, but I hope that you can forgive us.” Elder Wan said. She knew that Yi Tianyun wouldn’t be affected by the great array, so she at least hoped that Yi Tianyun wouldn’t obliterate the Heavenly Plum God Clan.

Suddenly, a terrifying sword aura cut through the cold like nothing as the bright red light covered the place. The bright red light was burning the Tianmei trees, quickly turning them into ashes! It all happened too fast that the elders didn’t have the time to react!

The elders tried to move away, but it was too late. The bright red light also devoured and burned them down to ashes!

‘DING!’

‘Successfully killed Heavenly Plum God Clan’s elder!’

‘Reward: ...’

‘DING’

‘Successfully killed Heavenly ...’

Yi Tianyun killed the Spirit King stage elders with just one swing of his sword, not just that, but he also destroyed many of the Tianmei trees in the vicinity! But even so, the Great Array’s effect was still active as destroying several trees wasn’t the answer to deactivating the great array!

But so many elders were killed, and their spiritual power was the foundation of the great array. With that information in hand, Yi Tianyun knew that the great array wouldn’t last long!

“You wish to capture me with that cheap trick of yours?” Yi Tianyun said as he held the Heavenly Netherworld Divine Sword in his hand. It was a Divine Tool with a terrifying aura. Everyone immediately noticed the menacing aura that the sword emitted from afar almost instantly.

Mei Qingyuan was shocked to see the scene unfolding right in front of his eyes right now. Yi Tianyun just killed so many elders in one fell swoop! Great Elder Mei was also stunned as she was convinced that Yi Tianyun wouldn't be able to do anything, but now, it was clearly wasn't the case!

Tianmei Trees was supposed to be hard to damage, but Yi Tianyun easily burned it down to ashes! It was definitely not a scene they could see any day, which obviously frightened them!

"This man is not to be messed with! Is this really the man you love, Xueyun?" Elder Wan asked with a shocked expression on her face.

"This is Immortal Fire! Who are you?!" Mei Qingyuan asked with fear etched on his face. He finally realised that the man in front of him wasn't someone he should provoke despite his young age!

"What is it to you? You won't need it once I am done with you!" Yi Tianyun said indifferently. "Activates Crazy Mode!" Yi Tianyun muttered, raising his combat power.

Everyone could feel that the earth was shaking beneath their feet as Yi Tianyun seemed to release his aura. This was the effect of activating the Crazy Mode as his combat power was multiplied by 32 times. Shi Xueyun was the only one who wasn't terrified by Yi Tianyun's aura as she was already accustomed to it.

The Heavenly Netherworld Divine Sword on his hands shone as it consumed the Immortal Fire that Yi Tianyun discharged. The Heavenly Netherworld Divine Sword didn't need the Netherworld Fire to activate despite its name. In fact, it could absorb any fire to amplify its power!

Yi Tianyun's Immortal Fire was definitely superior to the Heavenly Plum Great Array as the heat from the Immortal Fire gradually melted the snow and ice that covered the place in a quick pace.

"We have to stop him, quickly!" Mei Qingyuan shouted horrifiedly. But everyone was too scared to even get close. Although their cultivation wasn't low, in front of Yi Tianyun's power, they felt powerless!

"I hope this power isn't too much!" Yi Tianyun said with a smirk on his face as the Heavenly Netherworld Divine Sword on his hands kept on absorbing the Immortal Fire. He then swung the sword towards the ground while releasing all the immortal fire that the Heavenly Netherworld Divine Sword absorbed!

A terrifying explosion occurred, and countless sword aura exploded everywhere, cutting everything like a piece of paper. It even cut through the shield that the great array erected around the place.

This was because Yi Tianyun cut the Great Array's core in the center of the palace. With the core gone, the Great Array lost its integrity and couldn't hold its power anymore. That was how Yi Tianyun could easily cut the barrier that kept everyone in this area. The mist that allowed Heavenly Plum God Clan to remain hidden also slowly diminished, revealing the Heavenly Plum God Clan to the outside world!

If there was someone out there who tried to look up the mountain, they would be able to see the buildings that belonged to the Heavenly Plum God Clan!

Without the Great Array protecting them, there was no way Heavenly Plum God Clan could withstand the incoming attack from the outside if they were invaded! But in general, there would be little to no people who wanted to go there as Heavenly Plum God Clan didn't have that many treasures!

But clearly, they were in danger of extinction as they successfully angered Yi Tianyun!

Chapter 686

"My sword easily cut through your Great Array. Did you still think you can capture me now?" Yi Tianyun said tauntingly. He swung his sword one more time, and this time a huge flame was concentrated once more, and this time, slightly more powerful than the previous one.

Mei Qingyuan was horrified by what he saw, while Great Elder Mei on his side was having a panic attack as she saw that there was no way Heavenly Plum God Clan could win this battle. She thought that Yi Tianyun's cultivation would be at Spirit King Peak Stage at most, but now she realised that Yi Tianyun's cultivation was far higher than that!

"Stop!" Mei Qingyuan shouted pleadingly. He knew that their cultivation was like heaven and earth, so he wanted to preserve what was left of his faction at the very least! He knew that the Heavenly Plum God Clan was powerless before Yi Tianyun, so he wanted to stop the battle as soon as possible!

"This sword dance was the end of this battle!" Yi Tianyun said as he slammed down his sword to the ground once more, and the snow on top of the mountain instantly melted and turned the ground into

wasteland! The beautiful place that was once covered with white snow and many Tianmei Trees growing above it were nowhere to be seen!

Yi Tianyun still considered himself forgiving enough to Heavenly Plum God Clan as he didn't annihilate them completely and just killed some of the elders while destroying their palace and several other buildings. He let most of the elders escape as he thought it was pointless going after them.

He wanted to kill Mei Qingyuan too, but Yi Tianyun thought that there would be no fun in finishing off his enemy so soon, so he let Mei Qingyuan witness his power a little bit more.

"Did you think your son is good enough to marry my woman now?" Yi Tianyun said as the fire on the ground intensified once more, this time completely decimating the Great Array and destroying several other buildings in the vicinity.

If this kept up, the entire mountain would be inhabitable soon! The cultivators who were escaping watched the scene unfolding in front of them in horror, especially the raging sea of fire that was continuously burning the ground. The cold spiritual energy in this place couldn't even stop the fire from spreading, let alone them!

"Please stop!" Mei Qingyuan shouted once more as he felt his heart broken upon seeing more and more Heavenly Plum God Clan's territory turning into a wasteland. He was powerless to save his son, and now he was powerless to save his faction. He could only watch as he saw his beloved faction was being burned to the ground.

Meanwhile, Great Elder Mei was feeling remorse for what she had done. She has just provoked someone that was not on Heavenly Plum God Clan's league!

"Well, I am not done yet! Regret what you have done in the next life!" Yi Tianyun said coldly as he increased the intensity of the Immortal Fire that came out of his Heavenly Netherworld Divine Sword. Mei Qingyuan started crying as he felt really hopeless now, but then, someone came and sprinkled rain on the area, slowly extinguishing the Immortal Fire.

"That is enough, friend." An old man said as he slowly descended to the ground.

“Lord!” the elders shouted as they saw the old man, the old man’s footstep created a bloom of plum flower in the air.

Mei Wenshu: 3rd Layer Saint King Cultivation Expert. Has Heavenly Plum God Race Bloodline, releasing the power of Tianmei and cold that can freeze anything!

Even though the old man had a powerful bloodline, his 3rd Layer Saint King Cultivation base was irrelevant before Yi Tianyun’s eyes.

“Lord! Please help us! He is an intruder. He came in and destroyed our Heavenly plum Palace and the rest of our Great Array!”

“My Lord, I beg of you to avenge us! He killed my son!” Great Elder Mei cried out to Mei Wengshu. She thought that the Lord would be able to deal with Yi Tianyun somehow and took a gamble that Mei Wengshu could avenge her son.

“Shut the fuck up!” Mei Wengshu screamed coldly, slapping Great Elder Mei and Mei Qingyuan hard on their face.

Both of them were stunned by what just happened, and the elders were no different as they didn’t understand why their Lord scolded the two people who tried their best to drive out the intruder instead of fighting that intruder.

“Friend, I am sorry on behalf of my faction. It was truly our mistake this time! Please forgive them for their ignorance!” Mei Weishu said to Yi Tianyun while bowing his head.

The elders stared wide-eyed at what their Lord had done, Yi Tianyun has killed so many cultivators on their side, but he was the one who apologized instead?

They started to wonder what was going on right now, as they were really confused by their Lord’s behaviour.

“Finally, a reasonable man. Had you arrived earlier, this pointless battle wouldn’t happen, you know. You have a group of ignorance there who thought that they are the best in this world!” Yi Tianyun said indifferently.

“But well, I understand that everyone had their orders. Therefore, I will forgive your faction, but I will never let that two people go! Everyone has to pay the price of what they had done; that’s the principle I’ve been holding onto!” Yi Tianyun said indifferently as he looks at Mei Qingyuan and Great Elder Mei!

Although the Lord of Heavenly Plum God Clan has come, Yi Tianyun wouldn’t let Mei Qingyuan and Great Elder Mei escape after pushing his patience like that!

Now, the Lord of Heavenly Plum God Clan had to choose whether he would defend those two with the risk of leading the entire faction to doom or to let them die in exchange for saving the faction!

Chapter 687

Yi Tianyun’s word was a little bit much as he already killed many elders yet still wanted to claim the life of Mei Qingyuan, who would likely become the next Lord along with his wife, Great Elder Mei. Everyone was shocked to hear Yi Tianyun’s blatant words, but they were more curious about Mei Wenshu’s response.

“You may do as you please!” Mei Wenshu said as he agreed to give Yi Tianyun’s terms.

Mei Qingyuan and Great Elder Mei were both appalled by Mei Wenshu’s words. Both of them have contributed a lot to the Heavenly Plum God Clan, but they were abandoned quickly without any consideration!

“My Lord, won’t you consider it a little bit more? Are we that worthless for you?” Mei Qingyuan said while begging for his life to Mei Wenshu.

“Don’t you know who you provoke, brother?” Mei Wenshu said coldly. He spent so much effort on extinguishing the Immortal Fire earlier, so he knew that the man in front of him right now wasn’t some ordinary cultivator. Plus, the sword aura he saw from afar earlier would definitely cut him down if he ever considered going against this man!

"I am sorry!" Great Elder Mei said as she cried out remorsefully. But everything was already too late, and she couldn't take back what she had done. The fact that the Lord came and willing to compromise despite the fact that the man in front of them was an intruder told Great Elder Mei that their faction wouldn't have any chance of defeating this man.

Furthermore, even a fool knew how to choose between this option. It was better to sacrifice two people instead of letting the entire faction burns!

"I want an audience with the Old Ancestor!" Mei Qingyuan said with a gritted tooth.

"You don't have that right, and this is also Old Ancestor's decision!" Mei Wenshu said indifferently.

"That is impossible! The Old Ancestor is my father. He wouldn't let me die like this!" Mei Qingyuan shouted desperately at Mei Wenshu. He knew that Mei Wenshu, his brother, wouldn't lie about such a thing, but it was hard to accept that his father and brother have abandoned him like this.

"Enough! What you have done in the past is now showing their heads! I have long averted my eyes from what you have done, but you never change! Especially you!" Mei Wenshu shouted coldly while glancing towards Great Elder Mei.

"Qingyuan, you have spoiled your wife and son that they become arrogant! Did they really think that they are invincible just because they are the heir of the Heavenly Plum God Clan? Who do you think caused all this?" Mei Wenshu said coldly.

Great Elder Mei's face paled as she regretted everything, but everything was too late! She has already caused unimaginable damage to the Heavenly Plum God Palace and caused a lot of suffering to her fellow Clan Member.

On the other hand, Mei Wenshu didn't exactly know what happened earlier, but he has already seen Yi Tianyun with Shi Xueyun! And that fact alone explained many things! Originally, Shi Xueyun was just their guest, who would help Heavenly Plum God Clan grow in exchange for allowing her to cultivate faster here, but then he heard that Great Elder Mei supported her son's decision to marry Shi Xueyun and even planned to force her into it.

He already knew all this yet didn't say anything about it, but who knew that it was a terrible mistake on his part as no one would know that she was with a terrifying expert like this! He also realized that Yi Tianyun wouldn't do something without reason and thus concluded that someone must've provoked Yi Tianyun for things to get this bad!

"It is all my fault! But please spare me!" Great Elder Mei cried out as she begged for her life, but it was too late as Yi Tianyun didn't have any intention to let them go.

Yi Tianyun took his step with Shi Xueyun step by step towards Great Elder Mei and Mei Qingyuan. "I already warned you that I want to solve it peacefully, but you make me very disappointed of Heavenly Plum God Clan! I want to end it so badly as staying here and seeing your face makes me want to puke." Yi Tianyun said as he grasped Great Elder Mei's neck and raised her up.

There was no chance to struggle as she didn't have any strength left on her body. "May you unable to reborn again in the next life! I will turn into a ghost to haunt you so that my curse would be permanent!" Great Elder Mei said through her teeth.

"You curse me to never reborn again and will haunt me forever to make the curse permanent? You are not the first person to do that, and I would say that you are not the last either! But people on their ends meet would always do something so boring like this!" Yi Tianyun said as his eyes glowed white and made a pulling motion with his other hands.

In a short while, Great Elder Mei's soul was dragged out! This is the Evil Spirit Race's secret technique, which could force someone's soul out of their body so they could possess their body more easily. However, this technique was rather difficult, and the difference between their cultivation base was vital for this technique. However, it was obvious that Yi Tianyun was so far ahead compared to Great Elder Mei that this technique was rather easy to pull off.

"You, what you have done!" Great Elder Mei screamed in her soul form as she felt more sensitive than before.

"I don't want you to turn into a ghost to haunt me later, so I will strip you off from your soul now. You clearly had no intention to repent and instead curse me and even threatens me! But now, with this technique, none of it will come true!" Yi Tianyun said with a cold smile on his face.

“But rest assured! I will give Heavenly Plum God Clan another chance as they treated my aunt with respect until recently, but I hope this would never happen again in the future!” Yi Tianyun said towards Mei Wenshu while igniting the immortal fire on his hands, burning Great Elder Mei’s soul! She screamed violently, chilling people to their bones as the scream was so horror-inducing.

But Yi Tianyun’s expression was still indifferent as he was ruthless towards his enemy!

Chapter 688

The screams could be heard throughout the area, which obviously terrified everyone! They’ve never seen anything like this before. The bright flame burned down Great Elder Mei’s soul slowly like a lit-up well-made candle.

“Please, make it painless!” Mei Qingyuan begged Yi Tianyun as he saw that Yi Tianyun was basically torturing his wife.

“Would you make it painless too if you do it to me?” Yi Tianyun said indifferently. Mei Qingyuan closed his eyes as he couldn’t say anything else. Everyone knew that he would also torture Yi Tianyun if that were the case, especially seeing that Yi Tianyun has killed his son earlier.

“At least you know your place, so I guess I will grant you a good way to die!” Yi Tianyun said as he waved his hand, and Mei Qingyuan was instantly caught on fire and started burning. Yi Tianyun’s method was very simple. He would just burn people to death as it was the easiest way.

The people from Heavenly Plum God Clan couldn’t do anything besides watching the two who were once their leader being burned to death. Although Mei Qingyuan was sacrificed to save the entire faction, and even though people understood that the fault lied within Great Elder Mei, it was a little bit sad to see someone they once knew being burned like this nonetheless!

Mei Wenshu himself could only sigh as he knew that there was nothing he could do.

“Okay, since you gave me your word, I will keep mine too!” Yi Tianyun said as he waved his hands, and the rest of the Immortal Fire that was burning the Heavenly Plum God Clan’s building returned towards Yi Tianyun.

But the marks were still there. The place was scorched badly. Some even left a trace of magma as the metal and rocks melted under the intense heat. Yi Tianyun alone made it look like a whole different place altogether!

Although the situation was under control now, half of the place was razed down. If Mei Wenshu came any later, the entire place might've been already burned to the ground. Mei Wenshu knew that the Heavenly Plum would be rebuilt once more, but it would take so much resource.

Yi Tianyun himself didn't mind the resistance that the Great Elder Mei showed at the beginning as every enemy would only turn into a good Experience boost for Yi Tianyun.

Yi Tianyun turned his attention towards Elder Wan, who already collapsed on the ground from her fear of Yi Tianyun.

"You don't have to punish her. She still took care of me despite her final betrayal. I don't really want her to be killed now." Shi Xueyun said as he persuaded Yi Tianyun to stop. She didn't plan to call Elder Wan her master anymore, but her conscience couldn't allow her to let Elder Wan die now.

Although Shi Xueyun was still a little bit worried that Yi Tianyun would start killing everyone at Heavenly Plum God Clan, she still had faith that Yi Tianyun wouldn't do something so barbaric without any solid reason. When she was still at Heavenly Cloud Palace, she had long been dubbed the title of Slaughter Palace's Master.

"Alright, I will listen to your word, aunt." Yi Tianyun said as he smiled at Shi Xueyun. If it were Shi Xueyun's wish, Yi Tianyun would surely try to make it happen.

"One thing before I leave. I originally come here to find someone, and it may sound weird coming from me, seeing that the situation has turned out for the worse. But, I know that you aren't the one who caused all this, but you still complied with your elders and tried to trap Shi Xueyun here, so I hope you realized that your life had been spared thanks to Shi Xueyun's kindness." Yi Tianyun said coldly towards Elder Wan.

Yi Tianyun wasn't just being arrogant right now. He simply wanted Elder Wan to think about her mistakes in the past and moved on for the better. She, without any doubt, has helped Shi Xueyun become much stronger than her original cultivation level.

Mei Wenshu didn't say anything to this as he was really was disappointed by what his people had done. Had they treated her carefully, maybe Heavenly Plum God Clan could build a good relationship with this man!

"Tianyun, let's leave. I don't want to see them any longer!" Shi Xueyun said as the look of sadness overcame her face. She originally intended to return the favour for everything that Heavenly Plum God Clan had done for her, but now that she understood that it was all a ruse, she didn't want anything to do with them anymore.

Her cultivation level had breakthrough a lot during her stay in the Heavenly Plum God Clan, and she still cultivated a lot more on her own. She knew that her cultivation technique and spiritual body were very suitable for the Heavenly Plum God Clan. The Heavenly Plum God Clan was certain that Shi Xueyun could help them develop further generations. However, it was unfortunate as they found Shi Xueyun as Shi Xueyun is Yi Tianyun's woman!

"Well, now that the place has lost its charm, I also don't want to stay here any longer. Let's go!" Yi Tianyun said with a smile on his face and stretched out his hand for Shi Xueyun to take. Yi Tianyun then summoned the Blue Phoenix and helped Shi Xueyun climb into its back. After making sure that Shi Xueyun was comfortable on top of the phoenix, Yi Tianyun and the phoenix flew off from Heavenly Plum God Clan's area, leaving everyone behind.

After Yi Tianyun was no longer seen from everyone's peripheral vision, Great Elder Mei's soul and Mei Qingyuan's body immediately burst out in flames faster than before, swallowing them completely.

It was because Shi Xueyun said that she wanted Yi Tianyun to end everything faster. It could be said that she has freed both of them from torture. Had it not for Shi Xueyun's word, they would still be engulfed in flames for days before they would turn to ashes.

Especially Great Elder Mei's soul that burned like a burning candle! Who knew how long it would take for her soul to vanish completely if Shi Xueyun didn't say that she wanted to leave quickly! Nonetheless, the chill from witnessing Yi Tianyun's power was still fresh on everyone else's mind!

Everyone was traumatized by the chilling scream that they heard earlier.

Chapter 689

After Yi Tianyun and Shi Xueyun left, Heavenly Plum God Clan finally could rest a little bit easier, but they still had these mixed feelings as they were humiliated to the worst degree. So many Elder Rank cultivators were killed, and the palace itself was destroyed beyond recognition.

“I didn’t expect to face this problem immediately after my retirement!” Mei Wenshu sighed heavily as he watched the place crumble. Never he thought that the faction he loved so much would be destroyed after picking a fight with a terrifying cultivator like this.

Mei Wenshu felt utterly disappointed as there was no right and wrong on this matter. Even if what they had done was right, their opponent would still crush them to the ground! Heavenly Plum God Clan was not as powerful as it was in the past and now, Mei Wenshu finally understood how powerful other faction was.

“It seems that I have to make sure that everyone on this faction composes themselves some more! Everyone is too arrogant for their own good! Don’t any of you realise that there are so many frighteningly powerful factions out there?” Mei Wenshu said coldly to the rest of the cultivators who managed to survive Yi Tianyun’s attack.

“From today onward, Heavenly Plum God Clan would be closed for a hundred years! No one was allowed to get out, and everyone has to start repairing the palace and the great array!” Mei Wenshu said bitterly, but there was nothing else he could do. Heavenly Plum God Clan was now very susceptible to any attack from the outside!

“Lord, aren’t we supposed to have our revenge?” one of the deacons said angrily. He wanted to kill the intruder earlier, but as Mei Wenshu stopped them, he could only stand aside.

“Do you think I didn’t want to do that? Old Ancestor said that he could feel that the intruder has an unusually high power that was beyond our control. His sword that he used earlier could cut us down all at once!” Mei Wenshu said while shaking his head.

“One sword could destroy us like that? Isn’t our Old Ancestor a formidable expert who survived the Battle of Heaven World?” the cultivators were shocked to hear Mei Wenshu’s word. If it were true, then not even their old Ancestor could defeat the intruder!

“It’s exactly because he once survived the Battle of Heaven World that he could sense how strong the intruder was! It was clear that the man was above Saint King Peak Stage at this point! This is why I honestly ask you to mind your attitude in the future! I don’t want another idiot randomly provoking another terrifyingly strong person like this!” Mei Wenshu said with a sad face.

“Seeing that our clan had lost 5 sacred tools with the death of my brother, his wife, and their son, we are weakened beyond measures! I will have to ask several of you to build a good connection outside to increase our power in the future!” Mei Wenshu said with a deep sigh.

“I know that you may hate the state we’re in now, but if you really want revenge on the intruder earlier, cultivate more vigorously! Reach the cultivation level that is beyond him so that you would be able to win the fight! I will look forward to the day you can accomplish that!” Mei Wenshu said charismatically.

“But, if none of you could reach such cultivation, I don’t want to hear or see anything like this again!” Mei Wenshu said solemnly. He was saddened by what happened to the faction, but there was nothing he could do. Moreover, he didn’t want the news of what happened to their faction spreading out to other factions. Invasion was the least thing he wanted right now.

.....

While the Heavenly Plum God Clan was repairing the palace, Yi Tianyun took Shi Xueyun to the Heavenly Plum God Clan’s cabin earlier. A group of newcomers stared at Yi Tianyun as he flew down from the sky with a beautiful phoenix.

They were shocked that they could see some mythical creatures like the phoenix with their own eyes here on the Heavenly Plum God Clan. Furthermore, the young man that was with them earlier was the one who brought the phoenix!

“Little Brother Yi, what happened?” Xiao Wu said as he ran out of the wooden cabin where they were supposed to wait. But he didn’t dare to come close to the phoenix as he was surprised himself.

“Nothing big happened. I am here to take you with me, but I have to ask you first, do you want to come with me? I will make sure that all your need is taken care of, but in exchange, you will work for me.” Yi Tianyun said with a smile on his face.

“If I come with you, can you help out my family so they could live a better life?” Xiao Wu asked honestly.

“No problem, I will also take care of your family as long as you accept my offer.” Yi Tianyun said with a bright smile on his face.

“If that’s the case, then I will come along with you! But I am just a weakling. I hope Little Brother Yi won’t get bored with me.” Xiao Wu said while laughing lightly.

“Don’t worry. You will become stronger soon! With a martial arts and cultivation technique that I will pass on to you, your power would increase greatly!” Yi Tianyun said as he reached out and passed down the martial arts and cultivation technique that he had chosen beforehand directly into Xiao Wu’s head. He then summoned a Core Transformation Stage demon beast to take Xiao Wu to Heaven Ascending Divine Altar.

“I see you still didn’t forget to recruit people even here on Heaven World. Do you think he has a great Innate Ability?” Shi Xueyun asked as they were on their way towards Heaven Ascending Divine Altar.

“You will know soon enough!” Yi Tianyun said with a light smile.

“Well, you sure make me curious.” Shi Xueyun said sarcastically.

“Don’t be annoyed, aunt. You are the most beautiful when you smile!” Yi Tianyun said as he kissed Shi Xueyun affectionately. Shi Xueyun was at a loss for words, and her face immediately flushed bright red.

The Blue Phoenix immediately squawked jealously as she realised what Yi Tianyun was doing on top of her, but as Yi Tianyun patted her head to calm her down, they continue to fly towards Heaven Ascending Divine Altar without any more problem.

At this moment, Yi Tianyun only wanted to hold Shi Xueyun dearly and never let her go again!

Chapter 690

Shi Xueyun’s face flushed red as she didn’t expect Yi Tianyun to be so bold. Her expression was like a girl who was finally able to speak with her crush.

“Aunt, did you know how worried I am after knowing that you were not there when I came back?” Yi Tianyun said as he held Shi Xueyun’s hand and kissed the back of her hand. He missed Shi Xueyun so much that he really wanted to cherish her for eternity. Shi Xueyun was his rock that would anchor him down to earth!

“When Heavenly Plum God Clan invited me over, I was hesitant, but I thought if I accepted their offer, I would be able to get stronger. Plus, I might be able to find your parent here in the Heaven World. Aside from those two reasons, I didn’t have any other reason to come to Heaven World.” Shi Xueyun said with a smile on her face.

“Alright, but don’t leave me without saying anything in the future, okay?” Yi Tianyun whispered warmly.

“Well, I never want to leave you from the very beginning.” Shi Xueyun said as she stroke Yi Tianyun’s face dearly.

“Aunt, let’s get married after we get back!” Yi Tianyun said as his smouldering gaze made Shi Xueyun blush even more. Shi Xueyun was startled by Yi Tianyun’s bold word, but she slowly leaned to his shoulder. “Tianyun, don’t you think that our age is too far apart?” Shi Xueyun said with worry in her eyes.

“Isn’t it just 7 or 8 years old? So many cultivators even had hundred years age gap, so why couldn’t we do the same?” Yi Tianyun said with a smile on his face.

“All the woman that you brought back in the past are all younger than you!” Shi Xueyun said with a sad expression.

Yi Tianyun was startled as he didn’t think Shi Xueyun would be insecure about the girls in the Heavenly Cloud Empire. “Aunt! I never thought of them that way. They have promising potential, so I was inclined to secure them for the sake of our faction, that’s all!” Yi Tianyun said honestly.

“Well, I am sorry that I think that you might like the younger ones, but if that really is the case, then I would like to marry you!” Shi Xueyun said as she chuckled.

Yi Tianyun smiled gently, and as he stared at Shi Xueyun's beautiful eyes, he kissed her once again.

.....

Yi Tianyun held Shi Xueyun tightly as he didn't know when he would be separated from her once again. Shi Xueyun could calm his heart, and everything felt natural when she was next to him like this. Yi Tianyun has decided from a long time ago that he would protect Shi Xueyun and do anything to make her happy.

Looking back at the past, he sure has walked quite a thorny path. When the system hasn't activated yet, he was constantly bullied and unable to do anything to help himself. But regardless of how the people around them felt, Shi Xueyun still helped him and gave him Medicinal Pills to supplement his Blood Essence.

It would be hard to activate the Crazy Levelling System without her help. The Dragon Blood Divine Pill was a rare medicinal pill in Mortal World, specifically in the Earthly Border Continent!

Despite getting her hand on the rare Medicinal Pills, she still gave it to a weakling like Yi Tianyun at that time! Still, even with a harsh reality at that time, Yi Tianyun still persisted and tried hard to cultivate.

Yi Tianyun didn't give up, he believed that one day he would have the chance to protect Shi Xueyun, and that day has come now. He promised himself that he would always protect Shi Xueyun from anything!

"I don't know how older sister is doing right now." Shi Xueyun said as she looked up to the sky as she tried to remember Tianyun's mother.

Yi Tianyun's expression changed as he knew that he had another problem that he didn't want to solve, and that was his parent! But he knew that he couldn't delay this any longer.

"Aunt, did you find any information about my parent?" Yi Tianyun asked.

"I didn't find anything since I couldn't leave Heavenly Plum God Clan's Palace. I did want to cultivate so that I could be of help to you in the future, and then I would like to go out to find the information

regarding your parent, but I never expected the situation would end up like that. Now, would you like to go and explore the Heaven World with me?" Shi Xueyun asked with a smile on her face.

"Aunt, I am afraid to say that I didn't really care about them." Yi Tianyun said with a light smile on his face. He knew that it was inevitable that he had to find his parent later, but now, he really didn't have any interest to find them.

He didn't have any memories of them since he was a child, so he didn't really have any emotional attachment to them. Even if he met them in the future, how would he feel? Would he feel the emotional bond that people often described? Would they be surprised at how far he had come?

It was all unlikely as he didn't have a shred of respect for the both of them. After all, they left him behind without any second thought and never even left a message for him to know that both of them were still thinking of him!

From the lack of contact, Yi Tianyun had thought that both of them were already dead. After all, what parent would abandon their child for that long!

"I know that you didn't have any good memories about your parent, but they are still your parent. The most important thing here is that you get to meet them. I am also curious about what older sister had become. She was desperate to leave everything behind and go with your father. I want to see whether her choice was the right one or not, but if she made a big mistake, I want to drag her back to the Mortal World." Shi Xueyun said honestly.

"I also want to know about your father more. I am at least responsible for knowing about who he really was!" Shi Xueyun said determinedly.

It has been almost 20 years since Yi Tianyun was born, and his parent left him in the Heavenly Jade Sect. Although it was a long time to forget about somebody, it was still on her mind the entire time!

"Well, if you insist, I would like to accompany you. I don't know what faction that recruited them in the first place. I don't even know their name." Yi Tianyun said indifferently.

As long as Shi Xueyun knew their name and what faction they came to, it would be easy to find them. If they were in some kind of hidden faction, it was still easy to find them as long as Yi Tianyun could secure 3 million CPS!
