

Leveling Up 1271

Chapter 1271: I'm Going To Finish Him Off

The crushing force of the suppression barrier.

The crushing force of Illusion Fairy's power.

Luo Tian's physical body was like a dry sponge, absorbing energy like crazy.

Power leaked out, but then surged back into his body wildly.

Luo Tian's physical body was on the verge of collapse.

The Azure Dragon let out a dragon roar inside his body.

The power of his physical body surged to its peak like heaven and earth turning upside down.

"Boom~!"

"Boom~!"

“Boom~!”

A continuous series of booms rang out.

The glow on the barrier fluctuated slightly. Just as everyone thought Luo Tian would be crushed to pieces by the barrier at any moment, his figure suddenly disappeared.

“Where is he?”

“Where did he go?”

“Why can’t we see him?”

“Could he have been crushed into powder?”

The crowd below the stage began to discuss in whispers.

Inside the barrier, Hai Dali also had a somewhat blank expression on his face. But a smug smile still hung on his face as he said, “Humph~! The taste of the suppression barrier isn’t pleasant, is it? Hahaha...”

The laughter hadn’t even finished fading when his pupils suddenly contracted, then dilated. His expression froze, caught between a laugh and silence. It gave off a strange feeling for people watching him.

“Boom~!”

Behind him was none other than Luo Tian.

“Bang~!”

Hai Dali’s body fell straight down while a gush of blood flowed out from his neck. His body convulsed while a terrified expression was adorned on his face. “Impossible, absolutely impossible... save me... Third Elder, save me, save me...”

Luo Tian’s face darkened slightly. He turned around and stomped on Hai Dali’s head.

“Bang~!”

The head exploded like a watermelon.

Brain matter splattered all over the ground.

Only the convulsing body remained.

The entire field fell silent again. This time, the silence was even more terrifying, as if the entire field of people had instantly fallen into a bottomless abyss. A chill surged in everyone's mind. And in people's minds was a single doubt: "What happened?"

Everything just now happened too quickly.

Too fast for anyone to react.

Moreover, Luo Tian's body was supposed to be on the verge of collapse. Why was he able to erupt with such formidable power in an instant?

Even Hai Fengtian couldn't understand it.

However, his face instantly turned pale and looked extremely ugly looking. His clenched fists were making loud cracking sounds. The anger in his heart exploded while he shouted through clenched teeth, "Luo Tian!"

"Hahaha..."

"Hahaha..."

“Good kid! Good job! Hahaha...” Ren Xiaoyao laughed unbridledly.

As he laughed, he looked at the furious Hai Fengtian, his laughter becoming even more joyous. “Hai Fengtian, did you say Luo Tian’s body was going to be crushed and exploded? I think it was your Hai family’s disciple instead, hahaha...”

Just moments ago, Ren Xiaoyao’s heart had nearly stopped beating, sweating on behalf of Luo Tian.

Like Hai Fengtian, he had thought Luo Tian wouldn’t be able to hold on.

In the instant Luo Tian exploded into action, his blood boiled instantly. He disregarded his image and laughed loudly, his heart incredibly exhilarated. “Good kid! You really didn’t disappoint me. No, it should be said you exceeded my imagination!”

Yu Tianhai’s body finally relaxed, as if having gone through a great battle. He collapsed into his chair, taking a deep breath before saying, “Would it kill this kid not to make things so tense? You almost gave me a heart attack.”

“However, you, kid, are simply a walking miracle.”

“Luo Tian... wins!” Liu Feng reluctantly announced the match result.

The field instantly boiled over with excitement.

Liu Zhan acted like he had been injected with chicken blood. “Come on! Come again! Isn’t it a suppression barrier? If you have the guts, suppress him again! Damn it, so what if the whole world is against my boss? That’s my boss we’re talking about!”

“Mine!”

“This young master’s boss!”

He acted as if he were afraid people didn’t know he was Luo Tian’s little brother.

Huangfu Ya was so excited that she was about to cry.

“Too fierce!”

“How did he do it? His cultivation was suppressed by the barrier, so he was unable to release even slightly stronger martial skills. How could he unleash such astonishing speed to instant-kill Hai Dali? It was too fast!”

“To still be that fast inside a suppression barrier... I’m starting to suspect that barrier isn’t actually targeting Luo Tian? Could the Hai family people have made a mistake while refining the barrier?”

It wasn't just them who were suspicious.

Even Hai Fengtian himself began to develop doubts.

How is this possible?

It should be absolutely impossible!

The suppression barrier couldn't possibly be wrong. But now, saying anything was useless. Luo Tian had advanced to the next round, and what was critical was that his cultivation had actually improved a little. It wasn't the power of his cultivation base, but the power coming from his physical body.

Level two physical body!

Luo Tian's physical body had reached level two.

He could distinctly feel the power of his physical body, as well as the changes in his strength.

This kind of breakthrough had no connection to his cultivation base. It was purely his own strength, just like one's original power.

This feeling was incredibly awesome to Luo Tian!

Within the crowd, Hai Xiao's face was extremely ugly looking. As he watched Luo Tian walk out of the barrier with ease, his eyes turned ferocious before he harrumphed, "I will let you be arrogant for a little longer. Today, you will definitely die at my hands."

Huang Tianyu's face was also very unsightly.

Luo Tian's continuous kills had planted a trace of fear in his heart.

After all, Luo Tian had even withstood the Huang family ancestor's Annihilation Fist.

Hai Xiao walked to the judges' bench and looked at Hai Fengtian before saying, "Third Elder, let me end him!"

Hai Fengtian shook his head and replied, "It's not time yet."

Hai Xiao was his other trump card.

He wouldn't use it until the very end. Moreover, he wanted Hai Xiao to take first place. This would increase the Hai family's influence and earn points, paving the way for the new student exchange meeting with the Abyss Academy.

Hai Xiao clenched his fists. Looking at Luo Tian in the distance, he felt extremely displeased.

At this moment, Hai Fengtian narrowed his eyes while in thought. He then said, "Don't be in a hurry to meet Luo Tian yet. However, you can ravage Huangfu Jue's daughter to your heart's content. Two more rounds and we'll be in the quarterfinals. In the quarterfinals, you will meet Huangfu Ya. When that time comes..."

Hai Xiao smiled coldly and replied, "I'll make sure she dies!"

Continuing to lose like this would greatly damage the Hai family's morale.

It would also shake the confidence of the Hai family disciples.

The Hai family needed a victory.

Huangfu Ya was the best target because she had the highest offer on the quotation list. If she were crushed by someone from the Hai family, it would be a heavy blow to both Huangfu Jue and the Misty Cloud Academy.

As for Luo Tian, Hai Fengtian wasn't anxious at all because he still had his real methods yet to be unleashed!

In the following rounds, Luo Tian continued to compete in the number eighteen barrier. The pressure of the suppression barrier kept increasing. Winning a match seemed simple, but in reality, Luo Tian had to endure unbelievable pain. In the process of this pain, his physical body was also slowly improving.

"Quarterfinals, begin!"

"First round, Huangfu Ya versus Hai Xiao..."

Chapter 1272: Luo Tian, Save Me! (2in1)

Out of sixteen people, eight will advance. The first match was Hai Xiao versus Huangfu Ya!

"Huangfu Ya versus Hai Xiao, barrier stage number seventeen. Please step onto the stage for the match."

As soon as Liu Feng's voice faded, the corner of Hai Xiao's mouth curved up. First, he walked to Huangfu Ya's side and said with a smile, "Senior Sister Yaya, please show mercy. I can't withstand your spatial temporal transfer ability."

A frivolous sneer hung on his face after he said that.

Huangfu Ya glared at Hai Xiao, harrumphed coldly, and didn't respond.

Immediately after, Huangfu Ya walked towards the stage.

Hai Xiao's smile turned cold. Looking at Huangfu Ya's beautiful figure, he muttered, "I tried to give you face, but you don't seem to want it. Do you really think you're still the Huangfu Ya of the past? Others might fear you, but I don't. Today, I'll start the slaughter with you."

At this moment, Hai Xiao looked at Luo Tian in the distance.

Luo Tian also stared back at him.

Hai Xiao revealed a playful smile before mouthing, "I want you to watch her die inside there, hahaha..." His figure started walking, and the aura of the Myriad Illusion realm was released.

He leaped up, drawing an arc in the sky, and entered the barrier one step ahead of Huangfu Ya.

His arms were crossed over his chest as he stood in the barrier, waiting for Huangfu Ya. The cold smile on his lips carried a trace of sinister killing intent.

Hai Xiao's expression pissed off Huangfu Ya.

"I'll make you pay in a bit!"

Huangfu Ya then stepped inside the barrier.

In an instant, Huangfu Ya's body suddenly became immobile. The multiplied pressure of the barrier surged onto her mind like a tide. Her face instantly turned pale, and all the cultivation within her body was completely suppressed.

Especially her Spacetime bloodline!

“Suppression barrier!”

“It's a suppression barrier again! I didn't expect the number seventeen barrier stage to be a suppression barrier as well. This barrier seems to be prepared specifically for Huangfu Ya.”

“The Spacetime bloodline is too powerful. Huangfu Ya awakened the Spacetime bloodline at just seventeen years old, more than ten years earlier than her father. Once such a genius grows up, she will inevitably become an overlord of a region. The Hai family naturally won't let her off that easily.”

“Isn't the Hai family a bit too despicable?”

The Spacetime bloodline was too formidable.

It was one of the powers the Hai family feared.

Ever since the matter of Huangfu Ya awakening the Spacetime bloodline was exposed, the Hai family had been secretly preparing a plan to eliminate her.

This assessment was part of that plan.

They even assigned her to fight the Hai family's strongest disciple, Hai Xiao.

Ren Xiaoyao immediately panicked.

Huangfu Ya was different from Luo Tian.

In Ren Xiaoyao's heart, Huangfu Ya was Huangfu Jue's only daughter. If she died on the stage, he would never forgive himself.

Ren Xiaoyao immediately rushed in front of Hai Fengtian and roared, "Hai Fengtian, what are you trying to do?! If you dare to harm a single hair on Yaya's head, this old man will risk his life to drag you down with me!"

Yu Tianhai also rushed over, his face full of rage. “Hai Fengtian, don’t be too presumptuous! This is the Misty Cloud Academy, not your Hai family’s manor!”

Seeing their anger, the smile on Hai Fengtian’s face became even more smug. “What are you two getting angry about? If you have the ability, blast the barrier open and bring Huangfu Ya out.”

“Once the barrier is activated, it won’t open until the match ends.”

“Besides, this is a competition!”

“Could it be you two want to interfere with the match? Let me say the unpleasant words first: If either of you dares to interfere with the match, you will be expelled from the academy immediately!”

Hai Fengtian was exceptionally smug.

From the very beginning, he had planned to eliminate Huangfu Ya.

This could be considered removing a hidden future threat for the Hai family.

Moreover, it would also be a blow to Huangfu Jue.

More importantly, if Huangfu Ya died on the stage, Huangfu Jue wouldn't dare to do anything to him even if his rage reached the heavens!

"I absolutely cannot tolerate another person with the Spacetime bloodline appearing and posing a threat to the Hai family," Hai Fengtian thought to himself.

"Luo Tian must die, and Huangfu Ya must die. The potential energy hidden within these two is too immense. If they are allowed to grow, it will be impossible for the Hai family to dominate the Central Continent."

Ren Xiaoyao couldn't care less about all that and roared, "Interfere with the match?! I'm going to kill someone! Expel me if you want! I don't want to stay in a Misty Cloud Academy like this anyway!"

After saying that, he burst forth with his Holy Spirit realm aura.

At this moment, explosions rang out around the barrier.

"Boom~!"

"Boom~!"

"Boom~!"

The barrier fluctuated ever so slightly.

Luo Tian's brow twitched as he thought to himself, "The defense of this barrier is a level higher than the protective barrier of First City."

After thinking that, Luo Tian didn't care about anything else and shouted directly, "Level Two God Flame, blast it!"

He opened his palm, and a fireball blasted straight out.

It exploded onto the barrier, but instant kill wasn't triggered. The barrier continued to exert crushing pressure on Huangfu Ya.

Hai Fengtian smiled ferociously before shouting, "Luo Tian, are you trying to rebel?!"

Inside the barrier, Hai Xiao was standing right in front of Luo Tian. He laughed coldly for a while before saying, "I want you to watch her die under my fist! Hahaha... Luo Tian, aren't you amazing? Come in if you have the guts! Save her if you have the guts, hahaha..."

"Hahaha..."

“You aren’t able to save her, right?”

Rage burned inside Luo Tian.

He didn’t care if they targeted him. Hardship would only make him stronger. But targeting the people around him? That was unacceptable!

This was Luo Tian’s bottom line.

Even though Huangfu Ya had a bit of a princess temper and loved to cause trouble, her nature wasn’t bad. In the First City, she was the only one who stood up for him and constantly tried to protect him. Luo Tian didn’t say it out loud, but he knew who treated him well and who didn’t.

Except that he never expected the Hai family would actually set up two suppression barriers: one targeting him, and the other targeting Huangfu Ya.

“Fuck your granny...”

Liu Zhan summoned his lifebound divine bow and fired an arrow. The arrow bounced off the barrier, causing no damage whatsoever.

“Aggghhh~!”

“Aggghhh~!”

Liu Zhan almost went berserk. Facing such a powerfully reinforced barrier, and seeing Huangfu Ya’s face growing paler, rage erupted in his heart. Yet, he was helpless. This feeling of powerlessness was unbearable for him.

“Boss, save Senior Sister Yaya!” Liu Zhan said anxiously.

“Divine Explosion!”

“Boom~!”

Luo Tian’s power surged out, his body emanating a visible power like flames. He clenched his fists tightly, and thick, explosive sounds resonated around his body. Some martial artists were directly knocked back by the aura coming from him.

Extremely astonishing power!

Hai Fengtian’s face darkened, “What strong power. He has improved quite a bit in just a few days. If this boy isn’t eliminated, he will definitely be a future threat.”

Luo Tian erupted with superhuman strength.

Under the power of double attributes, Luo Tian took a step into the air before looking up at the sky. Streaks of lightning started covering his entire body. Crackling explosions exploded in the sky. “Lightning Beast Kiten, thirty million volts! Blast it for me!”

His right hand started moving, and a spear of lightning descended upon it. A vague lightning beast then zapped out.

Lightning wrapped around the entire barrier. Electricity shot into the sky, shining so brightly that people couldn't open their eyes.

At that moment, heaven and earth seemed to have lost their color.

The entire Misty Cloud City trembled because of it.

“What powerful lightning force!”

“I can't believe he was still hiding this kind of strength!”

“Too incredible!”

“This power is too perverted!”

Everyone’s minds trembled as they were all shaken by the power released by Lightning Beast Kiten.

But no matter how formidable Kiten’s power was, it was still restricted by Luo Tian’s cultivation. It couldn’t unleash its strongest power. Moreover, after one strike from Kiten, the barrier was still intact, showing no signs of cracking.

Hai Xiao almost jumped in fright beneath the barrier. Seeing that the barrier wasn’t damaged in the slightest, he immediately burst into laughter, “Hahaha... almost scared me to death! I actually thought you could blast this barrier open! Don’t you know who refined this barrier? It’s the number one barrier master in Misty Cloud City! A piece of trash like you at the Great Diffusion realm can forget about breaking it!”

“Luo Tian, just sit there and watch how Huangfu Ya slowly dies.”

“Hahaha... I want you to know the taste of watching your loved one die, to let you know how painful that feeling is! Hahaha...”

Hai Xiao didn’t dare to waste any more time to avoid any possible complications.

As long as he killed Huangfu Ya, the barrier would deactivate. If Luo Tian dared to touch him, then the Hai family experts hidden in the crowd would immediately capture him. He absolutely wouldn't escape death then. This plan had been arranged long ago.

No matter what choice Luo Tian made, he couldn't escape death.

An inescapable net had already been laid!

Huangfu Ya was so anxious she was about to cry. This feeling of being crushed was unbearable, so she couldn't imagine how Luo Tian had endured it. Watching Hai Xiao approach step by step, she desperately tried to awaken her Spacetime bloodline.

But the bloodline power in her body seemed to be asleep.

No matter how she summoned it, it was useless.

Hai Fengtian didn't stop Luo Tian anymore. Instead, he mocked, "Luo Tian, go ahead and attack it! If you have the ability, blast this barrier open! Hahaha..."

After saying that, Hai Fengtian's voice deepened as he shouted, "Aside from Luo Tian, anyone who dares to attack the barrier will be killed on the spot! No matter who they are!"

"Hooh~!"

Several dark figures suddenly flew into the air.

Every single one of them had cultivation in the Holy Spirit realm.

They had been prepared from the very start.

“I don’t care anymore!”

Ren Xiaoyao was the first to move.

Yu Tianhai followed closely behind.

Before they could get close to the barrier, two Holy Spirit realm experts from the Hai family intercepted them and blocked their path.

Huangfu Ya looked at Luo Tian outside the barrier, her eyes pleading. She suddenly screamed, “Luo Tian, save me!”

“Save me...”

She broke down.

Huangfu Ya completely broke down.

She cried heart-wrenchingly.

She had never experienced anything like this before. She was just a seventeen-year-old child who hadn't fully grown up yet.

Looking at her tear-streaked face, Luo Tian's gaze tightened while his anger erupted. "Fucking..."

"Agggghh~!" Luo Tian roared into the sky.

He made up his mind.

"Illusion Fairy, can you help me draw the power of the Ancient Tree once more?"

"I want to smash this thing to pieces!"

There was no other way.

Luo Tian racked his brains and couldn't think of any other method. Only the power of the Ancient Tree could blast through the suppression barrier!

Chapter 1273: Instantly Killing Liu Feng

“Luo Tian, even if you cultivate for another ten thousand years, you can forget about breaking open this barrier!”

“Hahaha...”

“Just watch closely from out there. Watch how I strip off Huangfu Ya's clothes piece by piece, and then... hahaha... just thinking about it excites me! I can barely hold back, hahaha...” Hai Xiao laughed wildly.

He saw Luo Tian outside the barrier, filled with rage, and constantly smashing against it. Yet the barrier didn't tremble even a little bit.

It was completely intact!

Hai Fengtian laughed loudly in the distance as well, “Stop Yu Tianhai and Ren Xiaoyao. As for Luo Tian, let him blast away. With his Great Diffusion 2nd rank cultivation, it would be useless even if he hacked until he died, hahaha...”

“Swish~!”

Hai Xiao’s long sword moved, instantly tearing off Huangfu Ya’s outer garment.

It was already July weather and incredibly hot. Women would typically only wear two layers of clothing.

It was the same for Huangfu Ya.

Her dress was torn, leaving only a thin undergarment remaining.

Hai Xiao’s gaze was ferocious, flashing with a strange light. He became even more excited and said, “Hahaha... only one piece of clothing left! Luo Tian, why don’t you blast open the barrier? Go on, blast it!”

“The feeling of helplessness must be uncomfortable, right? But I feel great, hahaha...”

At that moment, tears streamed down Huangfu Ya’s face as she used her last bit of strength to crush her wooden identity tablet.

According to the competition rules, once a contestant crushed their wooden identity tablet, the match would end, and the winner could be announced.

But Liu Feng turned a blind eye. Watching Huangfu Ya crush her identity tablet, he remained indifferent, showing absolutely no intention of stopping the match.

Ren Xiaoyao roared, "Liu Feng, are you blind?! Didn't you see that Yaya crushed her identity tablet?!"

Yu Tianhai also shouted anxiously, "Quickly end the match!"

Liu Feng pretended not to hear and said, "Old Ren, what did you say? Speak louder, I can't hear you. What wooden tablet were you talking about just now? Speak louder."

Just as Ren Xiaoyao was about to say it again, a Hai family expert attacked him, giving him no chance to speak.

Hai Xiao smiled coldly and said, "Crushing the wooden identity tablet to admit defeat? Hahaha... So what? As long as the referee doesn't announce the end of the match, the match continues, and the barrier suppression continues! Huangfu Ya, I really want to see what you look like without clothes. I dream about seeing it, hahaha..."

As he said that, Hai Xiao glanced outside the barrier.

His face darkened slightly, "Huh? Where did that trash Luo Tian go?"

Luo Tian's figure had disappeared.

His figure was gone when he wasn't paying attention.

Hai Xiao smiled coldly and said, "I thought he also wanted to see what you look like without clothes on. Looks like he doesn't want to. I believe there are many people in the plaza who want to see what the goddess in their hearts looks like without clothes on, hahaha..."

As Hai Xiao lowered his long sword, sword qi condensed into several sword flowers. The sword flowers spun violently, flashing with tearing striations of power. Immediately after, his body blurred, releasing his Myriad Illusion realm cultivation. He then shouted with a lewd smile on his face, "Break for me!"

Huangfu Ya's heart was like dead ashes.

She struggled desperately, trying to activate her Spacetime bloodline.

But it was completely useless.

The power of the suppression barrier was not something her current realm could break through.

A voice was suddenly heard trying to say something in the void. It was the Scholar, Huangfu Jue.

But before Huangfu Jue could begin, another figure descended first.

“Full power!”

“Ancient Power, blast it for me!” Luo Tian roared out.

The Ancient Tree within his mind trembled. The leaves, the roots, everything was flowing with ancient power. This power poured frantically into Luo Tian’s physical body.

Luo Tian then clasped his fists together to form a battle axe stance and chopped down vertically while roaring, “Explode!”

His double fists slammed down, striking the very top of the barrier.

“Boom~!”

“Boom~!”

“Boom~!”

The barrier began to crack with fissures spreading rapidly before shattering like an eggshell.

“Crack~!”

“Crack~!”

Pieces fell down one by one.

The suppression barrier had been shattered!

It slowly dissipated, shattered by Luo Tian’s power.

Luo Tian also landed with the momentum, quickly taking off his outer garment and draping it over Huangfu Ya.

Facing Hai Xiao’s Myriad Illusion realm sword flower, Luo Tian turned his body, his right hand forming a claw, and grabbed straight at it.

“Ommm~...”

He grabbed Hai Xiao’s long sword.

Green veins bulged on his arm as the power of the White Tiger surged into his hand. A powerful rotating force spun like crazy. The long sword in Hai Xiao's hand was twisted into a pretzel shape before Luo Tian threw Hai Xiao and the sword away.

"Scram aside!"

His anger was like thunder erupting.

The suppression upon Huangfu Ya's mind loosened, allowing her Spacetime bloodline to be released. She instantly flew into a rage as she roared, "I'm going to kill him!"

Spacetime distorted.

Huangfu Ya's figure began to distort.

Hai Xiao's eyes trembled before he shouted hurriedly, "You already crushed your wooden identity tablet! You have already lost! If you dare kill me, don't think you can live either, hahaha..."

The moment Huangfu Ya was about to fully disappear, Luo Tian grabbed her and said, "Don't worry, I'll take care of everything. He won't live much longer."

Hai Xiao had to die.

He absolutely had to die.

But not now.

There were at least ten Holy Spirit realm experts from the Hai family in the sky and on the field. A moment of carelessness would draw their encirclement.

Moreover, Luo Tian could sense that Huangfu Jue was hiding in the void.

Just now, he clearly sensed the restless power coming from Huangfu Jue.

Huangfu Ya was pulled back by Luo Tian, so she kept glaring at him.

Luo Tian said once more, "I will definitely kill him."

Hai Xiao crawled up from the ground and sneered, "Kill me? Luo Tian, if you have the ability, try touching me right now! You want to kill me just based on your abilities? Humph~!"

Luo Tian ignored him. In his eyes, Hai Xiao was already a dead man.

Moreover, he absolutely had to die on the stage.

Only then could the Hai family's arrogance be dealt the strongest blow.

However, this matter wouldn't end just like this.

Luo Tian led Huangfu Ya off the arena stage. Several of her female friends immediately gathered around, escorting her away from the field.

Liu Zhan said through clenched teeth, "We can't just let this go."

Luo Tian revealed his Grim Reaper smile and replied, "It definitely won't end just like this."

After saying that, Luo Tian disappeared into the crowd.

A system alert rang out in his mind.

“Ding!”

“Target locked!”

Luo Tian’s right hand moved, and God Flame shot out from his palm into the air. On the judges’ bench, Liu Feng was talking about something with Hai Fengtian.

Suddenly, a ball of flame descended from the sky.

Before Liu Feng could react, it exploded on his body.

“Boom~!”

His body had burst apart before turning into ashes.

Chapter 1274: Beauty Scheme (2in1)

An instant kill!

Enraged to the extreme, God Flame was an instant kill.

Right in front of Hai Fengtian, Liu Feng's body turned to ashes. The scene was exactly the same as with Hai Xingyuan.

It was pretty obvious that it was Luo Tian's mysterious and powerful God Flame!

Hai Fengtian was furious, almost roaring out. He flew out in one step, hovering in mid-air before shouting, "Luo Tian, scam the hell out here! To dare assassinate a judge, I think you've lived long enough!"

The entire field fell silent.

Most people hadn't yet recovered from the shock of Luo Tian forcefully blasting open the suppression barrier when Hai Fengtian's words exploded like a super bomb!

Liu Feng was a powerhouse at the peak of the Myriad Illusions realm.

How could he be instantly killed like that?

Just who was Luo Tian?

What exactly happened? No one saw Luo Tian make a move, so how did Liu Feng suddenly die?

The crowd began to break out in whispers.

They were clueless about what happened.

At this moment, Luo Tian walked out nonchalantly while playing dumb, “Hai Fengtian, what are you talking about? Why can’t I understand a word of it? I was here doing nothing; how could I possibly kill Judge Liu on the judges’ bench? Please don’t make such irresponsible remarks.”

“Playing dumb with me?!”

“Who released that fireball just now?” Hai Fengtian’s gaze turned cold, filled with endless killing intent.

However, he didn’t dare to move recklessly because a person had suddenly appeared in the sky above his head.

It was Huangfu Jue!

Luo Tian smiled, “What do you mean by playing dumb? Don’t talk nonsense without evidence, okay? You are also a Vice Dean; you can’t slander a student taking an assessment like me. Even if the Hai family is domineering, they can’t be this domineering, right? Besides, this is the Misty Cloud Academy, not your Hai family’s private territory. You say that I killed Judge Liu without any evidence? Is it because you want to use this opportunity to eliminate me? If that’s the case, then you might as well just kill me directly.”

He was not afraid.

Who could prove that he killed Liu Feng?

Even if Hai Fengtian knew that the flame came from Luo Tian's hand, so what?

Who actually saw it?

Hai Fengtian's gaze turned fierce as he said sinisterly, "Since that's the case, then I will kill you. What can you do about it? A mere trash with a shattered dantian wants to join my Misty Cloud Academy? Stop dreaming!"

"Hai Fengtian, don't be too presumptuous!"

The voice was like thunder, exploding directly in Hai Fengtian's mind.

Hai Fengtian's body sank down.

He couldn't withstand it at all.

Huangfu Jue's voice was rather cold. Having seen his daughter being treated like that just now, the killing intent in his heart was incredibly intense. "Liu Feng's death has nothing to do with Luo Tian. If you want to find a scapegoat, then assume I killed him. As a competition referee, he disregarded the

competition rules. As the Vice Dean, I have the right to eliminate harm for the academy, and eliminate harm for the many disciples taking the exam!”

If he didn't step forward now, Hai Fengtian would definitely make a move on Luo Tian.

Hai Fengtian's expression changed slightly. He smiled coldly and said, “Since Dean Huangfu is taking responsibility, then this matter is easy to handle. I will report everything to Dean Tian Long and the academy's Council of Elders. At that time, Dean Huangfu better admit to what you just said.”

“Heh heh...”

After saying those words, Hai Fengtian walked back to the judges' bench.

Huangfu Jue glanced at Luo Tian with gratitude in his eyes.

If he had been the one to save his daughter just now, the situation might have turned out much worse.

Luo Tian smiled faintly in response.

“Huangfu Jue, one of the top ten powerhouses in the Central Continent, actually stood up for Luo Tian?”

“What is his relationship with Luo Tian?”

“Damn it! If only I were the one who saved Huangfu Ya just now! How awesome would it be to become Huangfu Jue’s son-in-law? A glorious future would be guaranteed! Luo Tian really got lucky this time.”

“You? Could you even blast open the suppression barrier? Wake up and stop daydreaming.”

The crowd was buzzing with discussions.

Some martial artists began to feel dissatisfied with the Hai family, adopting a hostile attitude.

Combined with how Hai Xiao treated Huangfu Ya, they were even more furious.

One had to know that Huangfu Ya was a goddess in many people’s hearts.

Negative information about the Hai family started spreading rapidly.

The competition continued.

A new referee walked onto the stage and read aloud, "Next match, Huang Tianyu versus Liu Zhan, barrier stage number seven!"

"It's finally my turn!"

Liu Zhan was filled with rage.

Upon hearing his name, his blood boiled instantly. He strode out, releasing his Bow and Arrow bloodline before even entering the barrier. Staring at the approaching Huang Tianyu, he sneered coldly, "Huang Tianyu, someone like you is worthy of liking Senior Sister Yaya?"

"Scram up here and die!"

Huang Tianyu's eyes turned cold.

Besides knowing a suppression barrier was refined targeting Luo Tian, he didn't know the Hai family would refine one targeting Huangfu Ya.

Even less did he expect Hai Xiao to treat Huangfu Ya like that.

He felt bad about it, too.

However, when he saw Luo Tian blast the barrier open and carry Huangfu Ya off the stage, in his heart, he wished Hai Xiao had torn all of Huangfu Ya's clothes off just now. He wished Huangfu Ya had died on the stage.

Now, he was being despised by a country bumpkin from out of town.

He instantly became furious.

Liu Zhan stepped into the barrier first and roared, "Suppression barrier, come on! If you have the guts, give me a suppression barrier too, you motherfuckers!"

But the barrier was a normal one!

This disappointed Liu Zhan a bit.

He had wanted to show off inside a suppression barrier, but unexpectedly... The Hai family hadn't taken him seriously at all.

Huang Tianyu stepped into the barrier with a sky grade spirit weapon in his hand. His Huang family's battle qi was fully released and soared into the sky. Before Liu Zhan could get close, Huang Tianyu charged out first. His gaze was cold and sinister as he said, "Damn dog thing, die for me!"

“Frenzied Sword Technique.”

“One sword to slaughter...”

Sword qi raged.

Combined with the Huang family’s battle qi, the power of the sword qi doubled.

Luo Tian frowned.

In terms of cultivation, Liu Zhan was inferior to Huang Tianyu.

In terms of martial skills, he was also inferior.

“This time... Fatty Liu, you have to be careful,” Luo Tian muttered.

Unknowingly, Huangfu Ya walked up to Luo Tian with a playful and cute smile. She then said, “You think Fatty isn’t his match, right?”

“Huh?”

Luo Tian snapped back to reality and glanced at Huangfu Ya, "You..."

Huangfu Ya immediately said, "I'm fine. A little thing like this won't break me."

After saying that, she handed back the clothes Luo Tian had draped over her earlier and said, "I'm returning your clothes."

"Just now... thank you."

It was a sincere thanks.

During that moment, Huangfu Ya's heart was moved by Luo Tian's actions.

Back then, when facing the Crown Prince of the Hai family, Hai Huanglong, she didn't pay him any attention. But Luo Tian... somehow had walked inside her heart. The reason was simple: Luo Tian was the first man to risk his life to save her.

In reality, what she didn't know was that Luo Tian had done more than just risk his life to save her.

He had also completely depleted five hundred thousand points of yuan energy in his body!

That was the price of overdrawing from the Ancient Tree!

Five hundred thousand yuan energy points for one overdraft. And this was only possible because of Illusion Fairy. Otherwise, he wouldn't even have been able to overdraw it even if he wanted to.

Now a new problem had arrived.

Luo Tian's yuan energy was now exhausted. He estimated he could only last until the end of this assessment with what's left. There were three days until the Ancient Tree absorbed yuan energy again. If he couldn't break through to the Great Diffusion 3rd rank within three days, he would have to gather one hundred thousand points of yuan energy somewhere. Otherwise, the Ancient Tree would wither.

Luo Tian smiled and said, "It's good that you're okay."

"Besides, you are her friend. I couldn't just leave you hanging."

Of course, he was referring to Yi Yunmeng.

Huangfu Ya naturally understood. She stuck out her tongue and said, "You already know?"

Luo Tian's eyes held a trace of longing as he asked, "Is... she okay?"

Huangfu Ya looked away to the side. An inexplicable sour feeling welled up in her heart, like she had drunk a jar of old vinegar. It felt very unpleasant inside, but she still pretended not to care about anything and replied, "Sister Yun is fine, it's just... it's just..."

Luo Tian asked, "Just what?"

Huangfu Ya smiled playfully and said, "It's just that I won't tell you, hee hee..."

Luo Tian was momentarily stunned before smiling bitterly.

He really wanted to see the Silly Queen.

Except, what did he have to offer her?

Could he cure the poison injury on her face?

Nope.

Could he avenge her?

Nope.

“Fuuu~...”

Luo Tian’s heart tightened while he clenched his fists under his sleeves.

Huangfu Ya also felt the change in Luo Tian’s mood. She turned her gaze to the stage and saw Fatty being suppressed at every turn. She couldn’t help feeling worried and said, “Is this Fatty Liu going to make it? Huang Tianyu is no simple character. The Huang family’s battle qi he cultivates is perfectly fused into his sword qi. Ordinary martial artists aren’t his match at all. What’s more, his talent is at the super grade, completely crushing Fatty Liu in all aspects.”

Indeed, a one-sided beating appeared on the stage.

Liu Zhan was no match for Huang Tianyu.

He was barely holding on with his last breath.

Luo Tian glanced at Huangfu Ya, stared blankly for a moment before asking, “Do you want Fatty Liu to win?”

Huangfu Ya replied, "Nonsense, of course I do. He's my number one little brother. Besides, I've wanted to teach that annoying fly, Huang Tianyu, a lesson for a long time. If it weren't for the alliance between his Huang family and my father, I would have been impolite to him long ago. Now that the Huang family has allied with the Hai family, if he dares to buzz around me again, I'll definitely slap him to death."

Luo Tian smiled and said, "If you want him to win, then it's very easy."

Huangfu Ya was momentarily stunned before asking, "What solutions do you have?"

Luo Tian replied, "Very simple: A beauty scheme!"

"A what?"

Huangfu Ya looked at Luo Tian with disdain and said, "You want me to seduce Huang Tianyu? Luo Tian, don't think that just because you saved me, I have to listen to you. This young lady will never sell her body, humph~!"

Her imagination was exceptionally vivid, causing Luo Tian to be dumbfounded.

"What on earth goes on in that brain of yours?"

Luo Tian then said, “Not Huang Tianyu, but Fatty Liu. And you don’t need to sell your body. Just stand outside the barrier and say to him, ‘Liu Zhan, fight on! I believe in you!’”

“It’s best if you make your voice sound a bit coquettish.”

“Eww...”

Huangfu Ya got goosebumps and said, “That sounds disgusting.”

Luo Tian asked, “Then do you want him to win or not?”

Although reluctant, Huangfu Ya didn’t want to see Liu Zhan lose the match. She walked forward while mentally preparing herself. She put on a smile that could charm people to death, coughed lightly, and said in a spoiled, coquettish voice, “Liu Zhan, fight on! I believe in you!”

In an instant, Fatty Liu looked like his blood had been ignited...

Chapter 1275: Final Showdown

Looks can be deceiving.

Luo Tian originally thought Huangfu Ya was just a typical girl-next-door with a bit of a spoiled temper. He didn't expect her coquettishness to be so lethal. Combined with her expression and suggestive eyes, she instantly captivated Fatty Liu.

Fatty Liu instantly acted as if he had been injected with chicken blood. White smoke rose from his head, his breath turned hot as fire, and his hair stood on end. He looked like a super boss going berserk.

Then, Fatty Liu stepped forward without any defense, tanking Huang Tianyu's sword qi head-on.

Huang Tianyu's face darkened considerably. Seeing Huangfu Ya cheering for Liu Zhan with that tone rattled him. Combined with Liu Zhan's reckless charge, he fell into a panic.

"Boom~!"

"Huang Tianyu, lie down for me!"

Liu Zhan grabbed Huang Tianyu and, before he could react, sat on him. He drew his bow to its limit, aiming the arrow directly between Huang Tianyu's eyebrows. His dominance was unparalleled!

Huang Tianyu was so terrified he nearly wet himself. He hurriedly crushed his identity tablet and cried, "I admit defeat! I surrender, I surrender..."

At that moment, the referee jumped out and stood outside the barrier, saying, "Liu Zhan, he has surrendered. Do not act recklessly."

The referee then quickly announced, "Liu Zhan wins and advances to the top eight!"

The feeling of an arrow pointed at his forehead was unbearable. Huang Tianyu's face was pale, and his body trembled as he said, "Liu Zhan, you've won. You've won."

Liu Zhan lowered his arrowhead closer to Huang Tianyu's forehead.

Huang Tianyu's eyes widened as he trembled with fear. "Liu Zhan, you can't kill me! You can't kill me! If you kill me, you won't have a good ending either! I promise I will never go against you again!"

Liu Zhan's gaze deepened as he said, "I demand that you never appear in front of Senior Sister Yaya again. She is my boss's woman. If you dare to show your face ever again, I'll beat you every time I see you."

Huang Tianyu dared not say anything else and only nodded like crazy and said, "Yes, yes, yes! I will absolutely never bother Huangfu Ya again. Absolutely not!"

"Humph~!"

Liu Zhan bounced up and sneered, "Consider yourself a smart kid."

He then turned around and grinned at Luo Tian outside the barrier. He then walked off the stage and said ingratiatingly, "Boss, was I cool or what? Hahaha..."

Before he could finish bragging, Huangfu Ya suddenly darted out, punched Liu Zhan, and said angrily, “Who is your boss’s woman?! Fatty Liu, I think you’re tired of living! Do you still want to be this young lady’s little brother?!”

Liu Zhan put on a miserable face and replied, “Senior Sister Yaya, I was wrong! I was so wrong that my pants fell off! Is that not enough?”

Huangfu Ya immediately said, “No. I want you to make a choice. Will you follow me, your Big Sister, or follow your former boss? Fatty Liu, you’d better think clearly before answering. If it weren’t for me just now, you would have been killed by Huang Tianyu.”

Liu Zhan glanced at Luo Tian, then immediately stood beside Huangfu Ya and whispered, “Senior Sister Yaya, my person belongs to you, but I must follow the boss. Because only then can I monitor him for you. If he dares to flirt with other girls again, I will report to you immediately.”

As he spoke, he gave a sinister chuckle.

Huangfu Ya nodded slightly, feeling that this little brother was very good. She said with satisfaction, “Consider yourself a smart kid...”

Huangfu Ya’s expression suddenly changed as she muttered, “What does his flirting with others have to do with me? I don’t care.”

She was feeling somewhat unhappy, but she didn't stop Liu Zhan. She found an excuse for herself while thinking, "Monitoring him for Sister Yun is the same. If he dares to like other girls, I won't spare him, humph~!"

Fatty Liu walked to Luo Tian's side with a crafty expression and said, "Boss, don't worry. Even if you recruit every woman on the Misty Cloud Academy beauty rankings into your harem, I won't report a single word to her. However... hehe... Boss, can you let me have one? Pretty please?"

A face full of tears.

He almost knelt down in front of Luo Tian.

He had figured it out now. He had no chance with Huangfu Ya, and even less chance with the goddess of his dreams, Yi Yunmeng. Both women's hearts had long been stolen by Luo Tian already.

Luo Tian rolled his eyes at him and said, "Next is the quarter-finals, eight advancing to four. What are your thoughts?"

Liu Zhan didn't even think and replied, "Admit defeat."

Luo Tian was momentarily stunned, "Just for the Seven-Colored Bow?"

Liu Zhan replied excitedly, "Of course! I'm already in the top eight. The reward for eighth place is the Divine Seven-Colored Bow! I'll admit defeat immediately in the next matches. According to the competition rules, I should be in eighth place, hehe..."

"With my current strength, I can't win at all. Among the other six people, three are at the high ranks of the Great Diffusion realm, and the other three are at the Myriad Illusions realm. Besides Hai Xiao, there are two other experts at the Myriad Illusions realm. Boss, you have to be careful. The crushing force of the suppression barrier on you will get stronger and stronger. And, I'm certain the number eighteen barrier has a boosting effect on Hai Xiao. His strength will greatly increase once he enters the barrier, so you must be careful."

A suppression barrier could suppress someone, but it could also enhance someone.

It was relative.

Luo Tian nodded and said, "I got it."

He wouldn't give Hai Xiao any chance!

Absolutely not!

Liu Zhan laughed and said, "My worry is superfluous anyway. You are a freak; any suppression barrier is completely useless against you. I'm just looking forward to seeing how Hai Xiao dies, hahaha... When you take first place, let's see where Hai Fengtian puts his old face, hahaha..."

Luo Tian also smiled faintly. He really wanted to slap Hai Fengtian's old face.

He wanted to slap the Hai family's face.

Soon, the quarter-finals began.

The referee read out the list, "Liu Zhan versus Luo Tian, barrier stage number six."

Liu Zhan laughed and said, "I knew it would be like this!"

He immediately said loudly, "I admit defeat!"

Those words were said without the slightest hesitation. His goal had already been achieved; the eighth place was his!

Moreover, he knew very clearly in his heart that even if he cultivated for another hundred years, he wouldn't be Luo Tian's match. Luo Tian was able to blast open the barrier to save Huangfu Ya. Liu Zhan's heart was filled with gratitude, and he admired Luo Tian even more.

The referee didn't pause at all and said directly, "Luo Tian wins, advancing to the next round!"

Then he announced, "Next match, Hai Xiao versus Zhang Feng."

As soon as those words faded, Zhang Feng acted just like Liu Zhan. He raised his wooden identity tablet and crushed it, "I admit defeat!"

"Hai Xiao wins, advancing to the next round!"

Only the final four people remained in the quarterfinals to compete.

In under ten minutes, the winners and losers were determined for both pairs.

Immediately following was the semi-finals, four advancing to two.

"Luo Tian versus Chen Da."

Chen Da laughed and said, "Luo Tian, I admit defeat. You could even defeat Big Brother Yi Jian, let alone me. I'll make way for you; I'll be watching your performance later, hahaha..."

After saying that, he crushed his wooden identity tablet to admit defeat.

Hai Xiao's opponent was the same, also admitting defeat.

"Finals, Hai Xiao versus Luo Tian, stage number eighteen!"

Chapter 1276: I Will Have To Disappoint You

A series of people surrendered without hesitation.

Chen Da, a member of the Chen family in Misty Cloud City and a leading figure among those who opposed the Hai family, automatically forfeited.

On Hai Xiao's side, it went without saying that everyone stepped aside to clear his path.

Hai Xiao's gaze turned cold with a sneer on his lips. "Finally, it's your turn!"

After saying that, he looked toward Hai Fengtian on the judging panel and said, "Third Elder, rest assured. I will not disappoint you."

Hai Fengtian smiled faintly in response. He was full of confidence in Hai Xiao, or rather, in barrier number eighteen. He knew perfectly well that as soon as Hai Xiao entered that barrier, his cultivation would instantly surge to the Holy Spirit realm.

Since Luo Tian would be unable to release his powerful martial skills, he would be crushed in an instant.

Hai Fengtian sneered, "Luo Tian, you are about to die."

"Hahaha..."

A burst of wild, arrogant laughter.

Hai Fengtian then looked at Ren Xiaoyao and said, "The disciple you have your eyes on is about to die! Hahaha... Let's see how you protect him now! Ren Xiaoyao, Yu Tianhai, even if you include Huangfu Jue, the three of you cannot save him!"

Absolutely impossible!

The previous matches had shown that Luo Tian couldn't use any of his martial skills and only relied on raw strength.

This was a critical factor.

However, while the earlier Hai family disciples had not been boosted by the suppression barrier, Hai Xiao was different. Once inside, his cultivation would jump from the Myriad Illusions realm to the Holy Spirit realm. Under these conditions, Luo Tian was absolutely no match for him.

Ren Xiaoyao knew the barrier was rigged, but even if he wanted to change the venue, it was impossible. Everything depended on Luo Tian now. However, he trusted Luo Tian. Seeing Hai Fengtian's arrogant laughter, he smiled faintly and said, "Hai Fengtian, don't celebrate too early. Have you forgotten how

Luo Tian instantly killed your family's disciples? He will do the same this time, and you'll be the one left humiliated."

Yu Tianhai also laughed, "Not just him, the entire Hai family will lose face. Using a suppression barrier against a Great Diffusion ranker is something only your family would do. If he kills your family member anyway, the Hai family will certainly be famous! Hahaha!"

Hai Fengtian's expression turned fierce before he harrumphed, "You two just watch how he dies in there."

Immediately after, Hai Fengtian looked at the referee.

The referee immediately announced, "To increase the difficulty, surrendering by crushing one's identity tablet is prohibited in the finals."

No surrendering?

Were they afraid Luo Tian would quit by crushing his wooden identity tablet?

Or were they worried Huangfu Jue would use his Spacetime bloodline to teleport him out?

Indeed, Hai Fengtian was worried that Huangfu Jue would rescue Luo Tian from the barrier. He was determined to ensure Luo Tian never became a student of the Misty Cloud Academy.

Hai Xiao laughed, "Luo Tian, I won't give you a chance to surrender!"

Luo Tian walked toward the barrier with a calm expression. He found it ridiculous, looking at Hai Xiao's arrogant laughter. "I told you, you're already a dead man to me. Do you think a barrier can stop the God of Death?"

"You're wrong!"

"Death's scythe is already against your throat. One word from me and your life is over."

After saying those words, a system alert sounded off.

Luo Tian narrowed his eyes and merely revealed a cold smile.

Hai Xiao felt a chill and instinctively looked behind him as a wave of fear rose in his heart. However, he quickly recovered and laughed, "What does a God of Death count as? Even the King of Hell must die for offending my Hai family!"

After saying that, Hai Xiao stepped inside the barrier.

“Boom~!”

A powerful explosion suddenly erupted from his body.

Immediately after, surges of power from the barrier poured into him. The yuan energy in his dantian skyrocketed, and his overall strength increased like crazy. His eyes grew ferocious as he clenched his fists and laughed, “Hahaha...”

He was instantly exhilarated. Within seconds, his cultivation had jumped directly to the Holy Spirit realm!

“Hai Fengtian, you are too despicable!” Ren Xiaoyao stood up immediately. He never expected that the suppression barrier could boost Hai Xiao’s cultivation to the Holy Spirit realm. There was no way to win such a fight. There was simply no possibility of victory!

Hai Fengtian laughed, “Despicable? I think I’m being quite merciful. Didn’t you all believe in Luo Tian? You didn’t expect me to have this move prepared, did you? I wanted him to climb higher so the fall would hurt more!”

“You want to slap my face? Ren Xiaoyao, you can quit dreaming! Hahaha!”

Hai Fengtian could have controlled the match list from the start, but he had waited for this final, fatal blow.

A Holy Spirit realm against a Great Diffusion 2nd ranker who was suppressed and couldn't use any powerful martial skills.

There was no suspense.

Liu Zhan's expression changed as he shouted, "Motherfuckers, this is too unfair! They're rigging the match!"

Everyone in the field noticed Hai Xiao had reached the Holy Spirit realm. Everyone knew this match was a sham upon a sham.

But very few people spoke up because they feared the Hai family. They simply could not afford to offend them!

Before Luo Tian could step into the barrier, Yu Tianhai suddenly landed and grabbed him. "Don't go in, this match is meaningless."

Hai Fengtian stood up and sneered, "Not fighting? Then you're disqualified. Luo Tian, you're just trash anyway, and the Misty Cloud Academy has no use for trash. Give up the competition and get out of Misty Cloud City."

He coldly sneered to himself, "Whether you compete or not, you won't escape death today."

He had calculated everything so that Luo Tian had no way out.

Ren Xiaoyao also landed beside Luo Tian. "You cannot participate because going in is tantamount to committing suicide. Disqualification isn't Hai Fengtian's decision to make. We will report this to the Council of Elders. Misty Cloud Academy does not belong to the Hai family yet."

Yu Tianhai added, "That's right. Dean Huangfu won't ignore this. Don't worry, even if you are disqualified, if anyone dares to touch you, I'll be the first to fight them to the death."

Ren Xiaoyao followed by saying, "I'll be the second."

Shi Kun appeared as well and said, "I'll be the third."

At the same time, Shi Kun whispered to Ren Xiaoyao, "Dean Huangfu tried to negotiate with the Council of Elders, but they rejected his proposal. It's possible that..."

"Also, the Council of Elders and Dean Tian Long are already on their way here."

Luo Tian suddenly smiled and said, "Hai Fengtian, you just want to watch me die, right?"

Hai Fengtian laughed before saying loudly, "That's right! I want to see you die!"

He didn't bother hiding it.

The corner of Luo Tian's mouth curved into his Grim Reaper's smile as he stepped into the barrier and said, "I'm truly sorry, but I will have to disappoint you!"

Chapter 1277: Hai Fengtian, Are you Enjoying This?

Before anyone noticed, Luo Tian had stepped into the barrier.

Ren Xiaoyao and the others were dumbstruck.

"Luo Tian, come back!" "

Yu Tianhai, why didn't you stop him?!"

Yu Tianhai replied, "I thought you were holding him back."

"Sigh~, this is a disaster. How could that kid Luo Tian be so easily provoked? What do we do now?" Ren Xiaoyao was anxious. He watched as Luo Tian's body visibly sagged and his aura weakened to its absolute minimum upon entering the barrier.

At the same time, Hai Xiao laughed arrogantly. "Hahaha! Here comes the person courting death! I was truly afraid you wouldn't show up!"

Hai Fengtian was ecstatic and immediately ordered, "Hai Xiao, kill him."

At that moment, Luo Tian looked over. With a flick of his right hand, he crushed a Spectral Gem without hesitation. Out of the three Spectral Gems he had obtained, only one was left now. He then shouted, "Level 2 God Flame!"

"Go!"

A fireball shot out from his palm.

It looked completely ordinary, but Hai Xiao's face went pale from the sight of it.

Hai Xiao shook his head, stammering, "No... no, that's impossible! He shouldn't be able to release that instant kill flame inside the suppression barrier!"

Hai Fengtian was also dumbstruck.

It was supposed to be impossible, yet Luo Tian had still managed to use it.

Luo Tian could have released the God Flame from the start, but he chose not to.

God Flame ignored all defenses and was completely unaffected by the suppression barrier. To be safe, Luo Tian had locked onto Hai Xiao before he entered the barrier. Once inside, he then used God Flame without hesitation.

He also used up a Spectral Gem just to increase his chance of an instant kill.

The reason was that he refused to give Hai Xiao any chances. He wanted to show Hai Fengtian and the entire Hai family that no amount of cheating could stop him. No one in this world could stand in his way.

He wanted to prove this to all of Misty Cloud City!

Hai Xiao knew exactly what that flame was. He immediately crushed his wooden identity tablet and screamed, "I surrender! I surrender! I surrender! Open the barrier!"

Unfortunately, crushing the tablet was useless. The referee looked at Hai Fengtian, who ignored him. Consequently, the referee made no announcement, especially since he had just declared that crushing tablets would not be accepted as a surrender.

Seeing that Hai Fengtian was ignoring him, Hai Xiao fell to his knees. "Luo Tian, spare me! Have mercy! Hai Fengtian arranged everything! It has nothing to do with me! Please, spare my life! I'll never do it again!"

Fear!

He was terrified!

In the face of death, everyone feels fear.

Just as Luo Tian had said, the Grim Reaper's scythe was now at Hai Xiao's neck. He would die with just one command.

Luo Tian smiled coldly, "Begging for mercy now? Sorry, it's too late."

"Die!"

As his voice faded, the speed of God Flame accelerated.

Hai Xiao scrambled away frantically, slamming into the barrier and screaming, "Third Elder, save me! Save me! Quick, save me!"

He had pissed his pants in fear.

He no longer had the arrogance he had shown before entering the barrier.

Hai Fengtian nearly crushed his teeth in rage!

A powerful killing intent surged out from him. It was directed not only at Luo Tian but also at Hai Xiao for disgracing the Hai family in front of so many people. This was something intolerable!

Killing intent almost solidified.

Hai Fengtian's eyes remained fixed on Luo Tian inside the barrier.

At this moment, God Flame struck its target.

Hai Xiao was enveloped in flames, and his skin began to crack rapidly. Red magma seeped from the fissures, and thick black smoke rose from his mouth as he cried in terror, "I don't want to die! I don't want to die!"

"Boom~!"

Hai Xiao's body exploded into dust, and even his primordial spirit was annihilated.

"Ding!"

“Congratulations to player Luo Tian for killing Hai Xiao. You have gained 16,000 experience points, 2000 yuan energy...”

“Congratulations to player Luo Tian for gaining...”

An instant kill with God Flame!

The combination of a Spectral Gem and the Level 2 God Flame was incredibly powerful. He had used it twice, and both times resulted in an instant kill!

Luo Tian was shaken inside while thinking to himself, “I have to attend the exchange meeting with the Abyss Academy and secure the Spectral Gem vein. I have to forge a super dark weapon. If Gods block me, I will kill them! If Buddhas block me, I will kill them too!”

The instant kill bonus of a Spectral Gem was simply too powerful.

As Hai Xiao was instantly killed, the entire audience fell into silence.

The silence this time was rather long.

Even Ren Xiaoyao, Yu Tianhai, and Shi Kun stood with their mouths agape. It was their first time seeing Luo Tian use God Flame to instantly kill someone. They couldn’t sense the specific power within God Flame. It appeared ordinary, yet it seemed to possess a peerless strength that even gods would fear.

Too terrifying!

They had heard that Luo Tian used a fireball skill to kill Ghost Servant and Hai Xingyuan. It was also used to block the Huang family ancestor's Annihilation Fist. But they had never witnessed it themselves. Seeing it now provided an incomparable shock that left a permanent mark on their minds.

Many people were wondering if they could have withstood such a move.

But there was no answer to this question.

Suddenly, Liu Zhan was the first to cheer. "The boss won! Hahaha! The boss won! Domineering for ten thousand years! Hahaha! Hai Fengtian, so what if you targeted my boss? He still trampled the Hai family under his feet! Did you see that? Hai Xiao was literally scared shitless! Hahaha..."

"Hahaha..."

Many people in the crowd burst into laughter.

It was an indescribable match for them.

A match unlike anything they had ever seen.

They all knew in their hearts that the Hai family had gone too far.

Even so, Luo Tian still managed to win.

How domineering was this?

“Luo Tian, I want to have your babies!”

“Luo Tian, you are my idol!”

“Luo Tian, I love you...”

Even the most reserved girls couldn't help but cheer. It was truly a heart-stirring moment.

The entire field was boiling.

The Hai family disciples were too ashamed to show their faces, and some even slipped away quietly. Being a disciple of the Hai family used to be a source of pride, but now it was an immense disgrace.

Luo Tian looked directly at Hai Fengtian on the judging panel and asked with extreme arrogance, “Hai Fengtian, are you enjoying this?”

“Crack, crack, crack~...”

“Crack, crack, crack~...”

Hai Fengtian’s teeth were nearly crushed from clenching so hard.

He was so enraged that he nearly spat blood. Seeing Luo Tian’s smug expression, he wanted nothing more than to rush down and hack him into pieces. However...

Suddenly, his lips curled into a cold, sinister smile. He walked to the referee’s stand and announced loudly, “In this match, Hai Xiao is the winner!”

As his voice faded, the crowd exploded into an uproar. Wasn’t this blatantly lying?

Hai Fengtian continued, “Luo Tian, you killed far too many people during the first round of assessments in Towering Cloud City. And you killed even more people in the second round. Given your excessive bloodlust, I declare that you are disqualified from becoming a student of the Misty Cloud Academy!”

Chapter 1278: Last Trump Card

“You have no qualification to be a student of the Misty Cloud Academy.”

“The Misty Cloud Academy has no need for a bloodthirsty demon.”

The words were like thunder, exploding across the field.

No one expected, not even Luo Tian himself, that Hai Fengtian would resort to such a move.

The entire crowd erupted.

Objects flew through the air as everyone protested the ruling.

“Do you even still need face?”

“Can you be any more despicable?”

“Even the Hai family shouldn’t be this overbearing!”

“Fucking hell! I’ve seen shameless people before, but never someone as shameless as you!”

A constant stream of insults filled the air.

The Hai family's targeting of Luo Tian had already caused widespread dissatisfaction, especially among the young, hot-blooded candidates from outside the city. They had been suppressing their anger to avoid offending the Hai family.

But Hai Fengtian's extremely despicable move caused them to finally snap.

Hai Fengtian's gaze darkened. He released a massive surge of Holy Spirit aura that blanketed the entire field. His voice turned sinister as he shouted, "I am acting according to academy regulations! Anyone who disagrees can appeal to the academy! If you can't wait, you can appeal to me right now!"

His voice carried clear killing intent.

Combined with his Holy Spirit realm cultivation, he instantly suppressed every martial artist in the field.

The venue fell silent.

Complaints and dissatisfaction aside, no one wanted to be the first to stick their neck out.

However, Liu Zhan was different. He stepped forward before Luo Tian could stop him, pointed directly at Hai Fengtian's nose, and scolded, "I don't accept this! Why didn't you say anything at the start? You watched my boss beat your Hai family disciples until they were crawling on the ground! And now that he's taken first place, you jump out and say he's disqualified? Do you have any shame at all? This is the Misty Cloud Academy, not your Hai family's private property!"

He was exceptionally furious.

Before they could even celebrate Luo Tian taking first place, Hai Fengtian had stripped him of his title. Anyone would be outraged.

Following him, Huangfu Ya also stepped forward and shouted, “As a Vice Dean, you have failed to command any respect! You even used the Hai family’s power to create a suppression barrier, turning this assessment into a game for your family! I ask you, what right do you have to be the Vice Dean of the Misty Cloud Academy? If you don’t give us an explanation today, I will report this to the Council of Elders! If Luo Tian isn’t in first place, I, Huangfu Ya, am not finished with you!”

Ren Xiaoyao was equally outraged. He released his Holy Spirit aura to protect Huangfu Ya and Liu Zhan, afraid of a sudden sneak attack from Hai Fengtian. He then shouted, “Hai Fengtian, I advise you to take back what you just said! Otherwise...”

He clenched his fists, and his body shook with power.

Since things had reached this point, he was ready to go all out and not hold anything back.

Hai Fengtian gave a sinister laugh before looking at them. “I don’t need to explain anything to you. I am the chief judge of the judging panel for this assessment. My word is final. If I say Luo Tian is disqualified, he is disqualified. As for why I waited until now to say it? Hahaha... I just wanted to toy with him! What can you do about it?”

“Ren Xiaoyao, you want to play tough with me?”

“With this group of trash? Even with Huangfu Jue, what can you possibly do to me?”

As soon as his voice faded, Hai Fengtian’s gaze sharpened. He then shouted, “Where is the Hai family’s Holy Spirit Corps?!”

“Whoosh~!”

“Whoosh~!”

“Whoosh, whoosh, whoosh~...”

More than a dozen dark shadows flew into the air from various corners of the field. Every single one was a Holy Spirit realm expert, and each radiated an incredibly intense aura that directly pressured Ren Xiaoyao and his group.

Hai Fengtian had prepared a foolproof plan.

Moreover, Hai Tongtian had granted him permission to use the full extent of the Hai family’s power for the sole purpose of eliminating Luo Tian!

Faced with this sudden turn of events, Ren Xiaoyao's expression tightened. He immediately whispered to Yu Tianhai, "Old Yu, you go and protect Luo Tian. I'll handle those two. I suspect Hai Fengtian is going to use brute force, so you cannot let him succeed."

Yu Tianhai immediately replied, "I got it."

Shi Kun said in seriousness, "This is the Misty Cloud Academy. If Hai Fengtian really dares to do something like this, has he considered the consequences?"

This was basically starting a war with the Misty Cloud Academy ahead of schedule!

Ren Xiaoyao then said, "We have to be on guard. Hai Fengtian seems to be desperate, capable of doing anything."

After their brief conversation, the three of them began to prepare.

The crowd in the field quickly dispersed.

No matter how much they disapproved, they didn't dare act against the Hai family. The Hai family had now deployed their strongest group of Holy Spirit experts, all of whom were in the top 100 super experts on the Poseidon rankings. They were the elite of the elite of the Hai family.

In less than half a minute, only Luo Tian, Liu Zhan, Huangfu Ya, Ren Xiaoyao, Yu Tianhai, Shi Kun, and a few unknown martial artists remained in the competition stage area.

Among those who did not leave immediately were Yi Yunmeng and the Holy Saintess of the Phoenix Sky Mountain. There were also two experts from the Azure Dragon Clan, as well as Lin Dong, Bai Lingling, Bai Xiong, and a few super grade talents from the Bai family.

All of them were present, but they had not yet revealed their true identities.

Hai Fengtian sneered and asked, "Luo Tian, do you submit?"

Luo Tian laughed.

"Hahaha..."

"Hahaha..."

His laughter grew louder and more arrogant. Looking up at Hai Fengtian in the sky, he suddenly cut his laughter short and said, "Hai Fengtian, is this your trump card?"

Hai Fengtian smiled, "That's right, this is my final move. Today, it doesn't matter if you took first place or how many matches you won; the result would be the same. You cannot become a student of the Misty Cloud Academy because I control everything. If I say you're in, you're in. If I say you're disqualified, you're disqualified. Do you know why? Because you provoked my Hai family!"

Hai Fengtian was extremely annoyed.

He had arranged everything so Luo Tian would die on the stage, but Luo Tian's strength had exceeded his expectations.

Out of necessity, he resorted to this last resort.

He was also technically correct: Luo Tian had killed many in Towering Cloud City during the first assessment and more in the First City of the second assessment. Most importantly, he had been associated with the Essence Devouring Insect.

From that moment, Hai Fengtian had decided how to handle him.

"The Hai family?" Luo Tian sneered.

He then said without holding back, "Sooner or later, I'm going to fuck over your entire family!"

Fury flashed between Hai Fengtian's brows as he shouted, "You're courting death!"

“Someone kill him!”

Several Holy Spirit experts moved instantly.

Yu Tianhai immediately closed in to protect Luo Tian, while Shi Kun flew into the air to intercept the attackers.

“I knew you three old fogies would interfere. Fine, I’ll send you all to hell together,” Hai Fengtian thought with a cold laugh.

He then shouted, “Ren Xiaoyao, according to our agreement, once Luo Tian is no longer a student of the Misty Cloud Academy, the deal is void. If you continue to protect him, don’t blame me for being ruthless!”

“Kill them!”

Over ten Holy Spirit experts descended at once. Their power was like the heavens themselves, crushing down with immense force.

“The Council of Elders have arrived...”

Chapter 1279: Even The Hai Family’s Ancestor Has Come

Those words were suddenly heard.

Hai Fengtian's expression changed. At this point, he didn't care about anything. Once the Council of Elders arrives, killing Luo Tian would become impossible. Today, no matter what, Luo Tian had to die!

Hai Fengtian immediately shouted, "Ignore them and kill him!"

Luo Tian had to die!

Otherwise, everything he had done over the past few days would be in vain.

Moreover, Luo Tian made the Hai family lose face, and his strength was increasing far too quickly. If he weren't eliminated, he would undoubtedly become a major threat to the family.

The sixteen Holy Spirit experts of the Hai family launched their attack simultaneously.

Their target: Luo Tian!

At that moment, Luo Tian's mind and his sea of consciousness were oppressed by the pressure of sixteen Holy Spirit realm powerhouses. His body trembled, and his face turned deathly pale. The crushing weight was unbearable! He could only clench his teeth and look up with a ferocious gaze.

The Angel of Judgment transformation card appeared in his mind.

At the same time, another transformation card: the Ancient Beast Tyrannosaurus Rex!

If they pushed him too far, he would risk everything.

Shi Kun rushed up to intercept them, but he could only hold back three of the Holy Spirit realm experts. He took several palm strikes to the chest, spat out a mouthful of blood, and plummeted from the sky.

Yu Tianhai immediately flew up. But within a few exchanges, he met the same fate as Shi Kun, falling to the ground heavily wounded.

Ren Xiaoyao followed closely behind.

“Hahaha...” Hai Fengtian laughed ferociously. “Die! All of you, go to hell! Hahaha!”

“Bang~!”

Ren Xiaoyao was also knocked down, landing beside Luo Tian. He said in a low voice, “Run! Run, quickly...”

Run?

Where could he run to?

How far could he run?

No matter how fast he was, could he outrun those Holy Spirit realm experts?

Liu Zhan moved closer to Luo Tian, and Huangfu Ya instinctively stood by his side as well.

Among the crowd, the two experts from the Azure Dragon Clan exchanged glances with each other. Their bodies shifted slightly as their bloodlines began to expand, releasing a violent aura from within them.

Lin Dong and his group were grinding their teeth, their hearts filled with hatred.

He knew clearly that stepping out now would be useless, and they might even become a burden to Luo Tian.

Lin Dong firmly held back Bai Lingling and Bai Xiong, while simultaneously sending a voice transmission to the other Bai family martial artists to restrain themselves.

In this moment between life and death, Luo Tian looked up at the sixteen powerful figures flying down from the sky. He made a thought, “Angel of Judgment, acti...”

He couldn’t worry about anything else anymore!

He had already been exposed, and since this was a matter of life and death, why care about being discovered?

Hai Fengtian smiled sinisterly, “Luo Tian, just go to hell for me.”

In that instant, Luo Tian was on the verge of activating his transformation card.

But a void appeared above his head, looking like a black hole flickering with starlight. Beyond the opening was a place that seemed to lead to another world.

A voice thundered like an explosion, “Spacetime Anomaly, Shift!”

“Thump~...”

“Thump~...”

“Thump~...”

A Holy Spirit realm expert was thrown in. Then a second, a third, a fourth, a fifth... until all sixteen of the Hai family’s Holy Spirit experts had been thrown into the void, in less than a tenth of a second.

The pressure vanished.

The auras of those Holy Spirit realm experts were completely gone.

Luo Tian was too shocked for words. He then thought to himself, “Holy crap! Is the power of the Spacetime bloodline really this overpowered?”

Without a doubt, it was Huangfu Jue who had made a move.

Huangfu Ya immediately smiled, “Father!”

In mid-air, Huangfu Jue stood proudly while his robes fluttered in the wind. He looked incredibly cool.

Aside from him, only Hai Fengtian remained.

Hai Fengtian looked left and right, watching as one Holy Spirit expert after another disappeared into the void. He was filled with horror. These were the strongest elites of the Hai family. If they were all transferred to an alternate dimension, it would be a devastating blow to the family. His expression darkened as he said, "Huangfu Jue, I order you to bring the Hai family members back immediately! Otherwise, the entire Hai family will declare war on the Misty Cloud Academy at once!"

Huangfu Jue looked down at Hai Fengtian with an icy gaze.

Hai Fengtian's body suddenly sagged as he plummeted from the sky. A shadow of death loomed over his mind. It felt as if the God of Death was beckoning to him, an incredibly distressing feeling.

Huangfu Jue descended, landing directly beside Hai Fengtian, and said coldly, "Do you really want to start a war?"

Hai Fengtian turned pale with fear. "You... you... What do you want to do? You'd better not act recklessly. I am a Vice Dean of the academy and the biological uncle of Hai Huanglong. If you dare to touch me..."

"He can't, but I can!"

Out of nowhere, Luo Tian suddenly rushed forward. He unleashed a Divine Explosion, along with the power of the Azure Dragon and the White Tiger, and aimed a vicious kick directly at Hai Fengtian's crotch.

Of course, this was only possible because Hai Fengtian was still being suppressed by Huangfu Jue. Otherwise, Luo Tian's kick would never be able to make contact with him.

“Bang~!”

“Crack, crack...”

A loud thud followed by the sound of something shattering.

“Uuugggghhh~!”

Hai Fengtian’s eyes bulged out and turned bloodshot. He clutched his crotch and rolled on the ground in agony, his mouth wide open, unable to even let out a scream. The pain was indescribable!

Liu Zhan’s face paled as he subconsciously tightened his legs. “That looks painful...”

Huangfu Ya said disdainfully, “He didn’t kick you, so why are you in pain?”

Liu Zhan replied, “You’re not a man, so you wouldn’t understand. But... hahaha... that felt good! The Boss is truly mighty!”

Luo Tian had used every ounce of power in that kick of his.

As Luo Tian prepared to launch another kick, a voice exploded from the distance. A surge of thick power swept toward them as someone shouted, "Enough!"

At this moment, two figures rapidly descended from the sky.

"Who dares touch a descendant of my Hai family?!"

"I want to see who's tired of living!"

Suddenly, Hai Tongtian arrived.

Beside him was an old man with red eyebrows and red hair. His body radiated an explosive power that caused everyone's expression to darken.

One of the ancestors of the Hai family!

Red-Browed Venerable, Hai Tianyan!

Huangfu Jue's face fell. He shielded Luo Tian behind him and whispered, "Be careful..."

One of the Hai family's ancestor had arrived.

As they landed heavily and saw Hai Fengtian rolling on the ground in pain, Hai Tianyan's red eyebrows twitched. His voice exploded in everyone's mind, "Who did this? Step forward and die!"

At this moment, Dean Tian Long and five members of the Misty Cloud Academy Council of Elders arrived.

Hai Tianyan's expression changed slightly.

Hai Fengtian then pointed at Luo Tian, standing beside Huangfu Jue, and roared, "It's him! Ancestor, kill him! Kill..."

"Aggghhhh~!"

Hai Fengtian screamed while rolling on the ground in agony again. Given his state, his two eggs had definitely been shattered!

Chapter 1280: Talent Reassessment

"He..."

Hai Tianyan's brow furrowed as his fury surged. He kicked Hai Fengtian and scolded, "You were beaten by a mere Great Diffusion 2nd ranker, and you actually have the nerve to say it out loud?"

"Bang~!"

The kick landed precisely on Hai Fengtian's crotch once again.

Hai Fengtian's body stiffened, veins bulging from the pain, unable to utter a single word.

This time, there was no way his two eggs weren't shattered.

However, Hai Tianyan's aura shifted abruptly that instant. A pressure as overwhelming as a mountain-toppling wave surged toward Luo Tian.

Huangfu Jue moved instantly to shield Luo Tian. His hands formed a seal, and a small rotating space appeared before him. It absorbed and transferred away all of Hai Tianyan's released pressure.

Hai Tianyan momentarily paused as he felt shocked. He muttered, "So you are that Huangfu Jue with the Spacetime bloodline?"

Huangfu Jue replied calmly, "Indeed, I am, Venerable Tianyan. There has been a misunderstanding regarding today's events."

“I didn’t expect that after only half a year of secluded cultivation, your power would grow to this extent. The Honorable Emperor 3rd rank, huh? And your Spacetime bloodline has reached the Great Completion stage. No wonder Hai Tongtian called for me.”

Hai Tianyan was shocked by the Spacetime power Huangfu Jue had displayed, and he felt a flicker of regret. If they had eliminated Huangfu Jue earlier, none of this would be happening.

Now, even he was not certain he could defeat Huangfu Jue.

At this point, Hai Fengtian ignored his pain and struggled to his feet. “Ancestor, he sucked sixteen of our family’s Holy Spirit experts into an alternate dimension! He is the greatest threat to the Hai family, he...”

“Bang~!”

Before Hai Fengtian could finish speaking, Hai Tianyan kicked him away again without even sparing him a glance. He smiled and said, “Little brother Huangfu, since you say it was a misunderstanding, I won’t press the matter. Bring the sixteen members of the Hai family back, and I can let today’s events slide.”

Hai Tongtian whispered a few more words into Hai Tianyan’s ear.

Immediately after, Hai Tianyan’s expression changed slightly with a hint of anger. But he still said calmly, “And then there’s him. Since the result has already been announced, he has no qualification to enter the Misty Cloud Academy. Of course, it doesn’t matter if you disagree. I don’t need your consent anyway.”

“Tian Long, would you say I’m correct?”

He addressed him directly by name.

Tian Long smiled faintly before glancing at Huangfu Jue. His brow then furrowed as he stepped forward. “Since Venerable Tianyan has spoken, I suppose we should handle it this way?”

Before Huangfu Jue could speak, Luo Tian sneered, “On what grounds? I took first place. By what right am I disqualified from entering the Misty Cloud Academy? Why wait until the very end to say I’m unqualified? I’ll ask just one thing: What exactly does it take to be qualified?”

He refused to accept it.

Completely unresigned!

In the eyes of those experts, Luo Tian felt like he had become incredibly small.

This gap in power made him feel an endless pressure.

Become stronger!

Become stronger!

He was not strong enough!

Hai Tianyan didn't even look at Luo Tian as he said, "On what grounds? Simply because you are the weak and I am the strong. Based on that alone, kid, do you understand?"

"Crack, crack..."

Luo Tian clenched his fists.

Hai Tianyan sneered, "Not convinced? Is that of any use?"

It was useless!

Just as he said, he was strong, and Luo Tian was weak. Even if Luo Tian refused to accept it, he could do nothing about it and could only swallow his anger.

Huangfu Jue smiled and said, "The strong grow from the weak. I can bring the Hai family members back, no problem. However, Luo Tian did indeed take first place. He is qualified to become a student of the Misty Cloud Academy."

“Everyone has seen this, so...”

Before Huangfu Jue could finish his words, Hai Tianyan interrupted, “Forget the so part. I said he’s disqualified, so he’s disqualified. What? Huangfu Jue, do you intend to oppose me?”

His voice carried a powerful pressure.

The surrounding atmosphere underwent a sudden change.

Tian Long stepped forward and said, “Venerable, we will do as you say...”

Before Tian Long could finish speaking, Luo Tian interrupted in a firm manner, “Whether I am qualified or not does not need to be decided by an outsider. Dean Tian Long, if you admit that the Misty Cloud Academy is actually controlled by the Hai family, I will leave immediately without another word. I wouldn’t return to such a place even if you begged me. If it isn’t, then please handle this fairly.”

Regardless of who it was or how strong the opponent was, Luo Tian would not show weakness.

Moreover, even if a fight broke out, it was uncertain who would live and who would die!

Shortly after taking first place, Luo Tian had obtained another transformation card: The Flash!

With this card in hand, he had plenty of time to escape.

Additionally, the cooldown for God Flame was now over.

Therefore, Luo Tian was not afraid!

“Interesting!”

Hai Tianyan chuckled coldly before saying, “Tian Long, handle this fairly. But you’d better be clear about one thing: If you choose him, don’t blame my Hai family for being ruthless.”

“Let me tell you one more thing!”

“Huanglong has already stepped into the Honorable Emperor realm!”

“Boom~!”

An explosion sounded off in Tian Long’s mind.

Huangfu Jue's expression changed instantly.

Breakthrough!

The Honorable Emperor realm!

Hai family's Crown Prince...

A powerful pressure instantly crushed down on their shoulders. The Hai family's Crown Prince was the person they feared most, even more terrifying than the Hai family ancestors.

Tian Long looked at Huangfu Jue once more, then turned his gaze to Luo Tian and said, "Luo Tian, you are strong, truly strong. You've impressed me. However, I am sorry. For the sake of the Misty Cloud Academy, I can only give you up."

Luo Tian smiled.

A smile filled with helplessness.

He was filled with resentment and hatred.

Just because of the Hai family, even the most powerful Misty Cloud Academy on the Central Continent was afraid?

Just because of the Hai family's Crown Prince?

"Kid, are you feeling good now?" Hai Tianyan smiled with satisfaction.

He then continued, "This is a world of the strong. You are just a Great Diffusion 2nd rank trash. What can you change?"

"Hahaha..."

"Hahaha..."

Hai Tianyan started laughing. It wasn't just because Luo Tian was disqualified; it was due to Tian Long's compromise!

Just then, Liu Zhan whispered to Luo Tian, "Boss, the competition eligibility is canceled, but there's still one other way to enter the Misty Cloud Academy."

Luo Tian felt like giving up.

He was exceptionally disappointed with the Misty Cloud Academy and Director Tian Long.

But when considering things from their perspective, he understood why they might choose the Hai family. After all, he was currently only at the Great Diffusion 2nd rank, and considered a piece of trash with a zero grade talent.

But Luo Tian had to enter the Misty Cloud Academy.

Only by staying there could he find the God Burial Tomb, gain the chance to participate in the exchange with Abyss Academy, and find the Spectral Gem vein. Everything started with the academy, a crucial step.

Liu Zhan continued, "If you have a super grade talent, you can be admitted as a special recruit!"

"Hahaha..."

"Hahaha..."

Hai Fengtian crawled back up to his feet and couldn't stop laughing. He looked at his ancestor and said, "Let him test his talent then! He... he's a piece of trash with a shattered dantian and a zero grade talent! I personally tested him last time!"

Hai Tongtian also sneered, “Zero grade talent, huh? Hahaha...”

“Hahaha...”

The entire Hai family joined in the mockery.

Luo Tian’s brow furrowed as he said, “What if I don’t have a zero grade talent?”

Hai Fengtian replied arrogantly, “If you don’t have a zero grade talent, I’ll twist my own head off!”

“Good! You were the one who said it!”
