Chapter 831: An Chunchun Bursts Forth

A big battle was about to take place.

The allied army of the ten great immortal sects, the Soul Hall, and the devil sect. The three strongest forces of the Tianxuan Continent versus the people led by Luo Tian.

At such a short distance from each other, the battle will immediately cause blood to flow like a river.

At this moment, Fatty Lei and the others felt their blood boiling. He then said with a smile: "This is the feeling! At Jade Mountain City and at Heavenly Sword City! The feeling where your blood feels like it's burning up! It feels great!"

Xuanyuan Yi smiled as he looked at Luo Tian's back. "It's great to follow the boss!"

Blindman Liu chuckled, "In this entire world, only he can make our blood boil like this."

Wild Blade didn't say anything and only started laughing loudly.

All the girls looked at the guys and one of them said: "A lunatic leading so many other lunatics. This is practically a world gone mad."

An Chunchun giggled, "Big brother Luo Tian isn't a lunatic. He is the person who treats Chunchun the best in this world. Hee hee... Big brother Luo Tian, quickly go kill them all. We are waiting for you to roll around in bed together. Chunchun loves rolling around on the bed!"

"Pfttt~..."

The women all became dumbstruck.

They hadn't seen Chunchun in two years so what has she been taught?!

Qin Yue'er and Tang Tang had a look of innocence on their face like they were trying to express that they didn't do anything. They had no idea who taught Chunchun these things.

At this time, Leng Hanshuang was holding onto Li Xue'er with a frown. "It doesn't look like the young miss can recover. Luo Tian, you have to be careful of that Soul King. He is an expert when it comes to poison and he can poison people without them knowing. I'm afraid only he has the antidote for the young miss. You have to find a way to save her!"

"Please save big sister Xue'er!"

"Quickly save sister-in-law!"

Luo Tian's heart felt heavy as he replied: "Don't worry everyone. Even if this world gets destroyed in the process, I will still find a way to save her."

"Boom~!" A loud sound came from the sky.

It was similar to a trumpet heralding the start of a battle.

The two forces charged at each other.

"Kill!"

"Kill!"

"Boom~!"

"Boom~!"

“Boom~!”

The battlefield was so tragic that it was a hundred times worse off when compared to the myriad race war that happened ten thousand years ago.

Luo Tian was standing in place without moving.

Behind him were Fatty Lei, Xuanyuan Yi, Blindman Liu, Wild Blade, Murong Bai, Jingang, Big Mustache, and seven ferocious old devil kings. Only now did they charge forth in search of those Profound God Sovereign experts who didn't get a chance to absorb an energy pillar.

The ten old devil kings who swallowed the Profound God Sovereign Pill went directly to confront Devil Monarch Crimson Fire.

At an unknown time, Xin Er and An Chunchun appeared to the left and right of Luo Tian.

Their bodies gave off a faint fluorescent glow that looked pure and holy. The two girls looked at each other at the same time. They were a little stunned at what they saw but then smiled.

Luck and fate – these two powerful forces were secretly moving!

Luo Tian looked over at Black Widow and the other girls and said: “Please protect Xue'er!”

His figure disappeared as his voice faded. Annihilate, in his hands, was giving off a ringing sound while a domineering pressure surged out. Luo Tian had a ferocious look on his face while he watched the immortal sect disciples charge at him like a tidal wave. He then shouted: “Everyone has to die!”

As Annihilate started moving, the power of critical strikes blasted out.

Wherever the blade qi went, those experts below the Profound God realm were shattered into powder.

“Ding!”

“Congratulations to player Luo Tian for killing...”

“Ding!”

“Undefeated points +1.”

“Ding!”

“Congratulations to player...”

The system kept giving off alert tones.

Luo Tian didn't bother with the details since these guys wouldn't explode with any good loot or give him any good experience. His targets were the Profound God Sovereigns that had swallowed an energy pillar. He had to quickly absorb the second energy pillar!

The allied army of the ten great immortal sects was rather strong.

Along with the Soul Hall and the devil sect, the people behind Luo Tian were no match.

There's a saying that you first capture the ringleader before capturing the little bandits. All he had to do was kill off their bosses and these people will naturally give up.

Murong Wanjian had also joined in with the slaughtering with his true dragon's aura suppressing anyone near him. He started laughing like mad when the undead army from Dark Mountain was crushed into nothing. “Hahaha... What a bunch of trash! Luo Tian, your people are too weak! Hahaha...”

At this time, Cang Tianlong, Old Ancestor Starsea, and the Soul King had formed a small three-man squad to shuttle through the throngs of people and killing everyone around them. They were getting closer and closer to Luo Tian's position.

These old monsters had the same plan – once Luo Tian dies, the rest of these people will not be a threat to them.

But Luo Tian was avoiding their three-man squad.

It didn't matter whether Luo Tian was a match for them or not because he couldn't lose. Once he loses, he will lose everything. His brothers and his women will be all done for.

"Luo Tian, scam out here for this daddy!"

"You damn trash, damn turtle, scam over here for this daddy!"

"Hahaha... Weren't you just very arrogant?! Why don't you scam over here now?!"

Cang Tianlong was yelling out various insults.

The Soul King was trying to lock down on Luo Tian's position with his spiritual senses but Luo Tian was too fast so he wasn't able to do so.

He couldn't find Luo Tian at all.

This was bad news for them because once Luo Tian swallows a second energy pillar, no one here will be able to stop him.

Murong Wanjian furrowed his brow and said: "Master, move against that slut Li Xue'er. If you start killing his women one at a time, I refuse to believe Luo Tian won't show himself. Hahaha..."

“Let’s see where else you can hide!”

Sinister to the extreme!

Cang Tianlong grinned, “Since you are unwilling to show yourself, then your women can go ahead and die! Hahaha...”

Those three immediately made their move and appeared in front of Black Widow and the others.

Several Dragon race warriors protecting them were smashed flying.

An Chunchun and Xin Er stepped in front of Black Widow. An Chunchun’s originally cute face now had a disgusted expression on it. She puffed her cheeks while looking at Cang Tianlong and said angrily: “I won’t allow you to hurt big sister Xue’er.”

She spread out her arms and looked like she was blocking Cang Tianlong’s path.

Xin Er also said: “You guys should back off or else...”

Old Ancestor Starsea scoffed, “You two weak little girls want to block our path? You are overestimating your strength!”

Old Ancestor Starsea made his move and slapped at An Chunchun’s face.

Fatty Lei’s expression drastically changed as he roared out: “Chunchun! Watch out!”

“Little girl, get out of the way!”

“Attacking a child?! Are you still f*cking human?!”

An Chunchun didn't move away as some type of unfathomable energy surged up inside her. She then looked at a man not far behind Cang Tianlong's group and said: "Big brother Luo Tian, catch!"

"Bang~!"

As Old Ancestor Starsea's slap was about to land, an unshakeable force from An Chunchun's body burst out and sent him flying.

Precisely this moment, electricity coursed through Luo Tian's arm. "Three million volts, Hino Bird Zap!"

"Explode for me, second energy pillar!"

Chapter 832: Cang Tianlong, Dead

A very strong rebounding power.

The stronger the impact, the stronger the exponential rebounding power.

Old Ancestor Starsea had put in a lot of strength in his slap.

He wanted to slap the person blocking his path instantly to death, which shows what kind of vicious personality he has.

Who could've imagined that An Chunchun burst forth with a strong and mysterious force that directly sent him flying? His head was spinning and he couldn't tell which direction was north or south. When he landed on the ground, he looked up and his heart shivered briefly.

There was no longer any arrogance on his face because it was replaced with fear. He started stuttering: "I, I, I didn't really mean it. Don't, don't, don't kill me. I, I, I don't dare to make such threats ever again!"

He had already pissed his pants before he finished saying those words.

Luo Tian had a fierce grin on his face but didn't stop. A bird formed from lightning in his hand slammed down. Just like the last victim, the power of Hino Bird Zap drilled into Old Ancestor Starsea's mind.

"Crackle~, buzz~..."

Sparks flew everywhere like a vegetable knife cutting into a power cord.

The four limbs of Old Ancestor Starsea started convulsing while squeals of a pig being slaughtered came out of his mouth.

He didn't have the power to resist!

There was no way someone like him could resist Hino Bird Zap.

This was a true God skill!

"Boom~!"

Old Ancestor Starsea's body exploded into several chunks.

The system gave off an alert tone.

"Ding!"

"Congratulations to player Luo Tian for killing Old Ancestor Starsea. You have gained 0 experience points, 0 profound energy..."

"Congratulations to player Luo Tian for gaining the Arcane Dark King's energy. Do you wish to fuse with it?"

“Ding!”

“Congratulations to player Luo Tian for killing Old Ancestor Starsea and gaining the system reward – one level up. Your current level is Profound God Sovereign 3rd rank!”

Instant kill!

As long as Luo Tian gets a chance, his God skill Hino Bird Zap would go straight to the enemy’s den. Their three great weaknesses such as their mind, sea of consciousness, and soul would be cut off and result in an instant death. No one will have the strength to fight back!

Just like before, Luo Tian brought out the energy cluster that exploded out from Old Ancestor Starsea. He swept his gaze about before locking it onto Murong Wanjian. He then grinned, “This is the second one!”

After saying that, Luo Tian swallowed the energy down.

A bright red light surrounded his body and his eyes almost popped out of its socket. The pain his fleshly body was experiencing was even stronger than before. If there was a level in hell where one was being fried alive, this would be the feeling! This kind of pain went straight into one’s heart!

During this pain, Luo Tian’s body was undergoing a crazy metamorphosis.

His power clearly increased during this process.

Half a minute later.

Luo Tian clenched his fists.

“Boom~, boom~!”

The area around his left and right fists had shattered revealing darkness. He had shattered space with this simple motion!

“This power...”

“Feels too f*cking great! Hahaha...” Luo Tian started laughing in excitement. He then coldly looked at Murong Wanjian with a trace of playfulness, “Little b*tch, go ahead and act arrogant for this daddy.”

Murong Wanjian’s expression darkened. He could clearly feel that the aura coming from Luo Tian had increased several times from before. He then harrumphed: “I really want to see how strong you’ve gotten!”

“Oh? The little b*tch is angry?”

“I’m so scared!”

Luo Tian sneered in disdain before looking at Cang Tianlong. “It was you who wanted to move against my women, right?”

Cang Tianlong’s expression darkened as he released all his powers. He looked over at the Soul King and Soul King nodded back in response.

Cang Tianlong’s aura suddenly pulled back as he said: “Now we don’t need to move against your women. Luo Tian, Li Xue’er’s life is under our control. You are here to snatch the bride today, right?”

“You have treated Li Xue’er as your woman all this time, right?”

“In this world, only we are able to save her. It’s actually doable if you want us to do it. Luo Tian, don’t say that I’m not giving you a chance. As long as you kneel down and kowtow for your wrongdoing, I will immediately save her. If you dare continue acting presumptuous towards us, don’t blame this old man for killing her...”

Luo Tian's figure had disappeared before Cang Tianlong could finish speaking.

His aura disappeared and was undetectable.

Murong Wanjian's expression drastically changed as he shouted: "Master, watch out!"

"It's too late!"

Too fast.

Luo Tian had exploded forth with two energy pillars from a higher realm. For someone like Cang Tianlong who only absorbed one, he wasn't able to react in time. It was just a blink of an eye when Luo Tian suddenly appeared in front of him.

Cang Tianlong's face instantly paled.

Before he could attack, Luo Tian already grabbed onto his collar and raised him into the air. "What this daddy hates the most are people threatening me! You dare to threaten this daddy?!"

Cang Tianlong couldn't move.

The power from the energy pillars was too strong.

For a Profound God Sovereign 8th ranker who swallowed a single energy pillar, he still wasn't a match for Luo Tian!

In front of Luo Tian, he was similar to a little powerless bird being raised into the air. His mind was being suppressed so he couldn't circulate his powers. His face paled when he was raised up but he still managed to shout: "Luo Tian, you better think it through! Do you not care about Li Xue'er's life?! If you dare make your move, her life..."

“F*ck your ancestors!”

“You still dare to threaten this daddy at a time like this?!”

Luo Tian frowned as the flaming aura around him spread to Cang Tianlong. The power inside him surged into his arm before pouring toward his hand. The hand grabbing Cang Tianlong’s collar instantly shoved him down to the ground.

“Boom~!”

“Boom~!”

“Boom~!”

A deep crater was formed in the ground!

The earth fractured!

Spider web-like cracks blasted outward from Luo Tian’s strength! The ground couldn’t withstand the impact force!

Cang Tianlong’s body was curved into the crater. Black-colored blood kept spilling out of his mouth and his eyes almost popped out of its socket. He couldn’t believe that Luo Tian actually dared to act against him. Wasn’t Luo Tian worried about Li Xue’er’s safety? Could their feelings for each other be fake?

His eyes were staring at Luo Tian in confusion!

He couldn’t fathom why this was happening.

“You dare to threaten this daddy?!”

“This is what you get for threatening this daddy!”

Luo Tian relaxed his hand but raised his right foot. A cold light flashed in his eyes as he glanced over at the Soul King. His right foot stomped down at Cang Tianlong’s head as he shouted: “Explode for me!”

“Bang~!”

Cang Tianlong’s head looked like a watermelon being smashed apart.

Dead!

“Ding!”

“Congratulations to player Luo Tian for killing Cang Tianlong. You have gained 0 experience points, 0 profound energy...”

“Congratulations to player Luo Tian for gaining the Arcane Dark King’s energy. Do you wish to fuse with it?”

“Ding!”

“Congratulations to player Luo Tian for leveling up. Your current level is Profound God Sovereign 4th rank!”

He leveled up once more!

Luo Tian flew out from the deep crater and smiled playfully at the Soul King. He then said: “What I hate the most is when someone threatens me!”

The Soul King started shaking!

Chapter 833: Go To Hell

Was Luo Tian worried about Li Xue'er?

Of course, he was worried!

He was very worried!

How can he not be worried about a woman whose life was more important than his?

But he knew that Li Xue'er had suffered some kind of poison from the Soul King and not from Cang Tianlong. Yet Cang Tianlong kept acting arrogant for some reason. If he doesn't die, then the others will start acting arrogant as well. That's why Cang Tianlong had to die no matter what!

This was Luo Tian's personality.

If you can kill them, why bother disabling them?

Luo Tian stared at the Soul King.

The Soul King stared back at Luo Tian.

The Soul King was actually afraid.

Fear that he had never felt before.

He only stared at Luo Tian for a few seconds before not daring to continue staring. He then said: "Luo Tian, Cang Tianlong cannot detoxify Li Xue'er's soul poison but I can. If you kill me, there will be no one in this world that can save her."

“If you don’t believe my words, you can ask her mother Zi Loulan.”

“No one else can detoxify the soul poison?”

At this time, Zi Loulan came forward to show her face.

Because everyone knew she was Li Xue’er’s mother, they didn’t dare to attack her. But she used this to her advantage and killed many people on Luo Tian’s side.

When Zi Loulan showed herself, she was glaring at Luo Tian with hatred. “It’s all your fault! It’s because of a dog thing like you that Li Xue’er has become like this! Luo Tian, why didn’t you die?! Why didn’t you stay at a poor place like Jade Mountain City for the rest of your life?! Why did you have to go and run over here?!”

“If it weren’t for you, Li Xue’er wouldn’t have to end up like this!”

“If it weren’t for you, today wouldn’t end up in such a mess! It was because of you that she has been harmed!”

Zi Loulan was just like a villainous shrew.

Luo Tian frowned but didn’t retort her words.

This was indeed related to him.

He didn’t have a good comeback facing Zi Loulan while Li Xue’er was poisoned.

She was Li Xue’er’s mother so if he acted against her... The heat of anger rose up inside Luo Tian the more he thought about it. If Zi Loulan wasn’t Li Xue’er’s mother and was just a powerful boss, he would’ve used his strongest powers to completely crush her into a pulp already!

Seeing how Luo Tian wasn't speaking, Zi Loulan became even crazier. Every word she said had spittle come out: "What?! You don't dare to say anything?! You don't dare to defend your actions?! Weren't you very arrogant?! Weren't you very domineering?!"

"You are fully responsible for the state that Li Xue'er is in!"

"Just die!"

"Once you die, Li Xue'er will get better. She and Murong Wanjian have already bowed to the heavens and become husband and wife. You can forget about having Li Xue'er this life, the next life, and the one after that!"

Zi Loulan's words were aggressive to the max!

Luo Tian endured them by clenching his fists!

Leng Hanshuang tried to defend Luo Tian, "Madam, the young miss is your daughter. But have you ever treated her as one? She is just a commodity in your hands whom you exchange for power and status. Have you ever considered her needs and wants? Do you even know what she likes? You have always been forcing her to do the things she doesn't like. All these years that she's been by your side, have you ever seen her smile once? You say that all the mess here is caused by Luo Tian but if you had agreed to the young miss and Luo Tian being together, the mess here today would have never happened. Madam, please consider on behalf of the young miss."

"Presumptuous!"

"A mere lowly servant dares to lecture me?!"

Zi Loulan was instantly enraged. Her figure blurred in an attempt to slap Leng Hanshuang.

It was the same vicious slap she did early in the morning prior.

Leng Hanshuang's expression darkened but she didn't dodge.

It was the same reason – Zi Loulan was Li Xue'er's mother. No matter what, she couldn't dodge and could only close her eyes to await the slap.

But after a few seconds, the slap still hadn't landed yet.

There was a figure standing in front of her like a large mountain. It gave her an explicable sense of warmth and safety.

Luo Tian had blocked in front of her while holding onto Zi Loulan's hand. His eyes turned gloomy as he whispered to Zi Loulan: "Please don't challenge my bottom line."

He let go of her after saying that.

He turned around and looked at Leng Hanshuang who had just opened her eyes. "You silly girl, you should be dodging if someone tries to slap you. If you can't win in a fight, you can always just call your husband over. Don't do something so silly in the future. You are my, Luo Tian's woman, and not some family's servant."

"Whoever dares to attack my, Luo Tian's woman, they will die no matter who they are!"

He emphasized the word "die" as a message to Zi Loulan.

The meaning was clear – If you dare to be unreasonable and attack Leng Hanshuang once more, this daddy will kill you!

"So handsome!"

"Sire is so handsome! I love him to death!"

Black Widow had an intoxicated look on her face like she couldn't wait to jump into Luo Tian's embrace. She stared at Luo Tian like a ripened banana and wanted to eat him up in one bite. Her urge had suddenly become overwhelmingly strong.

An Chunchun was giggling and clapping her little hands. "Big brother Luo Tian is so handsome!"

It wasn't just the two of them.

The girls behind him revealed a look of happiness. They were dumbstruck and smitten by Luo Tian's words. They all looked like girls in heat who couldn't wait to give Luo Tian a bunch of babies!

Leng Hanshuang was so moved that she started tearing up.

Luo Tian gently wiped away a tear before looking at the rest of the girls. He then said: "It is the same with the rest of you. Whoever dares to touch you, I will f*ck over all eighteen generations of their ancestors! No one can touch my, Luo Tian's women!"

Luo Tian's gaze suddenly changed as it focused on Zi Loulan. He then said coldly: "I'm only respecting you because you are Xue'er's mother. You can leave now and I will still call you mother-in-law in the future. You can also stay if you want but if you dare kill another person on my side, I will not let you off!"

Zi Loulan shivered. A sense of fear rose up from her heart when she saw the gloomy look Luo Tian was giving her.

Zi Loulan then glanced over at the Soul King.

Soul King's gaze changed, "Luo Tian, I will detoxify Li Xue'er's soul poison and then leave this place. In the future, we will have nothing to do with each other!"

Luo Tian smiled, "Sounds good to me."

The main problem for Luo Tian right now was taking care of the poison inside Li Xue'er.

Luo Tian wasn't willing to delay for even a single second, so he gave a quick reply.

As long as the Soul King resolved the poison, he was willing not to touch him.

But when the Soul King saw how quickly Luo Tian replied, his face darkened. He was a person suspicious by nature so he thought that Luo Tian was playing tricks.

At this time, Zi Loulan said: "Lord Soul King, you definitely won't live for long if you detoxify her poison. Luo Tian is a sinister character so you can't believe his words!"

"Luo Tian!"

"You want my daughter, right?!"

"I will not let you get what you want! Let her die! I want you to suffer for the rest of your life! Hahaha..."
Zi Loulan started laughing like mad.

Immediately after, her gaze turned vicious. "I forgot to tell you the truth. She isn't actually my daughter. My daughter had already died a long time ago at the Ghostly Mountain Range. Li Xue'er is some random child that I picked up there! Hahaha..."

"Kekeke~..."

Luo Tian instantly shouted in rage: "Go to hell!"

Chapter 834: Super Boss!

She wasn't her biological daughter?

Some random picked up child?!

Luo Tian's anger immediately surged into the sky the moment Zi Loulan said such words.

He glanced at the dull and lifeless Li Xue'er before his figure disappeared and appeared in front of Zi Loulan. His hand was clutching onto Zi Loulan's throat as he said with killing intent: "You can go to hell then!"

Zi Loulan showed now fear.

She had a cold sneer as she stared at Luo Tian, "Go ahead and kill me. If you kill me, Xue'er will blame you for the rest of your life. She cannot hear the words I've just spoken with the soul poison inside her. Go ahead and kill me and have her hate you for the rest of your life, hahaha..."

"Go ahead and kill!"

"Kill me! Hahaha..."

Zi Loulan had calculated everything or else she wouldn't have dared to say those words.

She had picked up Li Xue'er purely by chance. Her daughter and she had been running for their lives and her daughter ended up dying due to the harsh conditions. She was devastated at that time. When she entered the Ghostly Mountain Range, she just happened to encounter a holy and pure-looking little girl by herself.

The girl was sleeping at that time but when Zi Loulan picked her up, she suddenly opened her eyes.

It was at this time that an image of a phoenix flew out of her body and into the sky with a loud screech.

This was the moment the phoenix bloodline was born.

Zi Loulan was covered in injuries yet she was feeling excited. This little girl will definitely become an extraordinary figure in the future and her cultivation will reach a terrifying realm. But for now, she couldn't bring along the little girl with her in escaping.

Coincidentally, she encountered Luo Haoran who was looking for herbs in the mountain.

This was actually Luo Tian's father.

She handed the little girl to him and quickly left the area.

Later on, Zi Loulan returned to Jade Mountain City to take Li Xue'er away and bring her back to the Soul Hall.

Because of Li Xue'er's existence, Zi Loulan went from a little outer sect elder to a Deputy Hall Master of the Soul Hall. She was greatly satisfied upon reaching the sky in a single bound and understood everything was related to Li Xue'er.

Later on, she desired more power. When Cang Tianlong from the Imperial God Immortal Sect came for a marriage proposal, she instantly agreed without even thinking about it. All she was thinking was that a true dragon was her son-in-law and her daughter was a young phoenix, so who in this world can ever shake her position?

She had been looking forward to the marriage between Li Xue'er and Murong Wanjian for a very long time. Once they get married, her status will be practically elevated to a level that is similar to an Empress Dowager of the Tianxuan Continent! She will become one of the most powerful people in the world!

But Luo Tian's appearance had ruined everything she was dreaming of!

That motherf*cker!

She hated him to the point of shaking uncontrollably!

Now that things turned out like this, she hated Luo Tian even more! It was Luo Tian who had taken everything that originally belonged to her. It was Luo Tian who made her turn into a villainous shrew!

Since she cannot get what she wants, then others can forget about getting what they want!

Upon seeing the trace of hesitation in Luo Tian's eyes, she started laughing in smugness. "Hahaha... Luo Tian, you don't dare, right? If you kill me, there will always be a knot inside Xue'er's heart. There will always be an inexplicable barrier between you and her! Hahaha..."

Laughter!

Laughter filled with triumph!

The faces of Luo Tian's people became unsightly to the extreme but no one spoke up.

Leng Hanshuang, Qin Yue'er, and even the usually happy-go-lucky An Chunchun remained silent.

Just like Zi Loulan said, there would be a knot inside Li Xue'er's heart if Luo Tian killed her. This knot could be something that can never be untied. Even if everyone present says that Zi Loulan isn't her real mother, would she believe those words when she grew up only knowing her as her mother?

Sometimes the more you speak, the more counterproductive it becomes.

Many people understood this.

For the very first time, the Soul King looked at Zi Loulan and felt that she was quite extraordinary. He unconsciously revealed a smug grin, "Luo Tian, you should know what to do for Li Xue'er's benefit. Otherwise, you might end up not getting her heart or her body."

"How about we do an exchange?"

“I will detoxify the soul poison for you but you will have to listen to me from here on out. We will join hands to rule the Tianxuan Continent. I know you don’t care about stuff like that. As long as you help me rule this continent, I will let Li Xue’er go and let you two head to a higher realm.”

“What do you think?”

The Soul King started feeling excited since he grasped Luo Tian’s weakness.

The biggest weakness he had was Li Xue’er. As long as he controls Li Xue’er, he will be able to control Luo Tian as well!

Things are working out great now!

The Soul King couldn’t hold back his happiness. As long as Luo Tian was under his command, ruling the entire continent was a matter of time. He will eventually become the overlord of the Tianxuan Continent! At that time... A surge of excitement rose up from deep inside him!

Unfortunately, Luo Tian still had an icy cold expression on his face. His mouth curved to his signature grim reaper smile as he looked at Zi Loulan. “You think that I don’t dare to kill you? You think that I would care about the knot in Xue’er’s heart?”

“You’re wrong!”

“You’ve made a huge mistake!”

“Moreover, I believe that time will prove everything. I also believe that Xue’er’s biological mother is definitely somewhere in this world. As long as I can find her real mother, I can prove to her my words are true.”

“Zi Loulan, what you should have never ever mentioned was that Xue’er isn’t your biological daughter. If you never said such a thing, I will never dare to move against you. Since you aren’t Xue’er’s real mother, you can go to hell for me.”

After saying that, he didn't give Zi Loulan any chance to speak.

He poured strength into his fingers and snapped Zi Loulan's neck.

Her body swayed around while her head was lopsided. Her eyes were very large as she continued staring at Luo Tian with fear.

She thought she had calculated everything except for the part where Luo Tian was a lunatic. He didn't care and just killed her.

Before Zi Loulan's body could fall down, Luo Tian released two energy pillars worth of power and shattered her body into powder. A gentle wind blew the powder into the surrounding area while Luo Tian coldly exclaimed: "This daddy has been tolerating you for a long time already. Now that even your soul is gone, you can forget about becoming a ghost!"

"Ding!"

"Congratulations to player Luo Tian for killing Zi Loulan. You have gained 1 experience point, 1 profound energy..."

"Ding!"

"Undefeated point +1."

Luo Tian spat a glob of phlegm at her dissipating body, "What the f*ck?! One experience point?!"

Just when Luo Tian glanced over at the Soul King, the system gave him an alert tone.

"Ding!"

"Congratulations to player Luo Tian for triggering a new quest – Find Li Xue'er's mother."

“Quest rank: ? ? ?”

“Quest reward: ? ? ?”

There was only a long line of question marks.

“Quest description: Enter the Ancient World and find the Ancient King to get more information.”

“What the hell?!”

“Ancient King? Isn’t that my master?” Luo Tian made a thought and accepted it. Even if there wasn’t a quest, he would still help Li Xue’er look for her real mother to prove himself.

Right after Luo Tian killed Zi Loulan, a huge true dragon glowing with the colors of a rainbow released its berserk powers. “Luo Tian, the time of your death has arrived! Hahaha...”

Son of a true dragon, Murong Wanjian.

He had absorbed seven energy pillars so he now had a total of nine of them!

Chapter 835: Seven War Gods

Murong Wanjian started getting worried when Luo Tian absorbed the second energy pillar.

But he was a lunatic like Luo Tian.

Ever since he was young, he had been working hard with his cultivation. He swore that he would one day become Tianxuan Continent’s number one expert, so that’s why he cultivated like crazy.

Swallowing one energy pillar was supposed to be the limit.

He didn't hesitate to swallow a second one.

His fleshly body almost couldn't endure it but he had no other choices. Luo Tian's four divine beast bloodlines were oppressing his great perfection realm true dragon's bloodline. Luo Tian's Hino Bird Zap surpassed his God skills. Luo Tian was beating him in every aspect!

He cannot lose!

Especially in front of Li Xue'er, he couldn't lose!

In order to beat Luo Tian, there was only one solution, which was to swallow even more energy pillars!

Murong Wanjian didn't hesitate to choose that option. Even though he couldn't create a cluster of energy after killing people like Luo Tian, he understood the process one undergoes after absorbing the energy pillar. One's fleshly body, blood, and even bones would have a portion of the higher realm's power. If he wanted to get that energy, the only thing he could do was to eat those Profound God Sovereign experts alive!

He would use his true dragon's body to swallow them!

He proceeded to swallow seven Profound God Sovereign experts in a row!

Out of the thirteen energy pillars available, he had nine of them now!

With his true dragon's body, the seven colored lights he was glowing with emitted an aura that looked down on this world.

Strong!

Extremely strong!

No one imagined Murong Wanjian's craziness would reach such a level!

Even Luo Tian didn't expect this.

The body of Daoist Lie Yang exploded due to it, so isn't Murong Wanjian afraid at all?

"Hahaha..."

"Luo Tian!"

"You want to compete with me?! Come and let's compare again! This daddy will have a good look and see how you're going to compare with me now! Hahaha..." Murong Wanjian was laughing like mad while his huge dragon body suppressed the surrounding area.

At this time, Fatty Lei had transformed into his strongest form. He pounced over at Murong Wanjian and shouted: "Ancestral Demon Rift!"

"Humph~!" Murong Wanjian only harrumphed in disdain without moving away.

When he saw Fatty Lei charging at him, he had no thoughts of dodging. In his eyes, Fatty Lei's so-called Ancestral Demon Rift won't be able to cause any damage to him.

That's why he didn't try to dodge.

"Boom~!"

"Boom~!"

"Boom~!"

Feng Lei's powerful Ancestral Demon powers exploded but it didn't get close to Murong Wanjian's true dragon body. In front of him was a shield made up of the five elements, similar to those on a spaceship.

The explosion dissipated without being able to get close.

Murong Wanjian never moved. He had a face full of arrogance as he said: "Come on! Do it again! Hahaha... A piece of trash like you dares to act arrogant in front of me? Even if you self-destruct your soul, you won't be able to injure me even a tiny little bit! Hahaha..."

Arrogant to the extreme!

The power coming off Murong Wanjian was too strong!

Whether it was defense, speed, or strength, his abilities were overwhelmingly strong!

The energy from a higher realm was an existence able to suppress everything in the Tianxuan Continent. Since Fatty Lei never absorbed the energy pillar, there was no way he would be able to injure Murong Wanjian. Their attacks will most likely end up with a huge "MISS."

At this time, Fatty Lei quickly condensed a new fleshly body from the remaining essence blood. His face was pale and he was panting like a bull.

His eyes turned fierce as he looked up at the huge figure similar to a Dragon God. Fatty Lei became enraged when he noticed Murong Wanjian towered into the clouds with an arrogant smirk on his face. He then shouted: "This daddy refuses to believe it!"

"Ancestral Demon!"

"Please grant me power!"

After that shout, the blood-colored scales on his body became shinier and his body started growing larger.

He grew to the size of a small mountain!

But in front of Murong Wanjian who had absorbed nine energy pillars, Fatty Lei's fleshly body was still very small compared to his. Seeing how Fatty Lei was angry, Murong Wanjian sneered in disdain: "Damn dog thing, you think you can do anything with just your strength? You are simply weak to the max!"

Fatty Lei didn't reply and only charged forth with a shout: "Ancestral Demon King Rift, explode!"

Xuanyuan Yi also moved as his sword spirit shot into the center of his brows. His Huge Fault Sword also merged together with his body.

Xuanyuan Yi's body basically transformed into a huge majestic-looking sword.

Blindman Liu's eyes turned serious as he shouted: "Ancient Devil, come out for me!"

He summoned his ancient devil without hesitation. His back ripped apart and a ferocious-looking devil started climbing out. It looked a little different from the one that appeared in Heavenly Sword City back then.

Blindman Liu was able to control the ancient devil now.

The ancient devil was locked onto Murong Wanjian's true dragon body.

The three of them rushed forth.

Wild Blade was slaughtering his opponents in the crowd before chuckling, "How can I be missing out when we're doing something big like this?"

“World of Slaughter, Blood Fills The Sky!”

The coffin behind him was thrown into the sky before Wild Blade slashed it in half. The coffin was completely filled with blood so it splattered outward. In less than half a second, it seemed to have dyed the entire sky red.

It looked exactly like the world of slaughter that he cultivated in.

The sky was full of blood!

The ground was full of blood!

The whole world was full of blood!

Eerie, terrifying, and brutal.

The people fighting with each other gradually came to a stop and stared up at the sky. Some just stared at the four people charging toward the true dragon.

Apart from them, Jingang smiled with excitement and said: “Mother, these people are so strong. I will be embarrassed to keep following the boss and those guys if I don’t reveal my true strength. Mother, please forgive me.”

“Power of Vajra!”

“Power of Bones!”

“Come out for me!”

After the shout from Jingang, his body underwent a drastic change. Bone spikes shot out from all over his body as they grew larger and larger. He eventually became a huge bone demon exuding the strongest powers of the Bone race.

His body shot forth like a warship battle ram.

Murong Bai's eyes turned fierce, "This is so messed up! They are a bunch of lunatics!"

He also charged forth and shouted: "I'm going to go crazy together with you guys!"

"Hahaha..."

Big Mustache laughed before saying: "Since we're all going crazy, how can I be missing? Hahaha..."

"Heavenly Puppet!"

"Heaven Shocking Beast, come out!"

Those seven people were like seven war gods.

They were as tough as nails!

They charged at Murong Wanjian from seven different directions.

Seven different types of power.

Murong Wanjian sneered in disdain, "I will let you guys see the powers of the Arcane Dark King!"

"Dark Arcane!"

“Kill!”

A powerful force exploded out from Murong Wanjian’s body before splitting up into seven and slaughtering its way toward the seven people rushing over.

At this moment, Luo Tian was staring at Murong Wanjian’s health bar floating above his head. He was calculating if his heavenly flames were enough to smash him to death.

Chapter 836: Invincible Mode, Activate!

The amount of health left was a very important issue.

The cooldown timer for heavenly flames was very long.

It had to be an instant kill.

He had to crush Murong Wanjian to the ground so hard that he couldn’t climb back up on his feet!

This was the most important point.

Murong Wanjian had absorbed nine pillars of energy so his strength had already reached an unshakeable level.

This was his own negligence.

Of course, this was due to Zi Loulan being too much of a b*tch.

Luo Tian was enraged by her and neglected Murong Wanjian. He never expected that Murong Wanjian would use this little amount of time to swallow so many Profound God Sovereign experts and go above board in fusing with the energy pillars. This was completely beyond Luo Tian’s expectations.

But the stronger they were, the happier Luo Tian was.

Killing a Profound God Sovereign expert who absorbed a single energy pillar allowed him to level up once. What if he kills Murong Wanjian?

Would he be able to shatter space and ascend to the Ancient World right away?!

Luo Tian was excited about those prospects. He felt fortunate that he didn't smash Murong Wanjian to death in the beginning with all his heavenly flames, otherwise, he wouldn't be able to see a boss that had a seven-colored rainbow glow. This was something he has never seen in video games in his previous life!

"A Profound God Sovereign shattering space to ascend?!"

"Just thinking about the scene is rather exciting!"

Luo Tian became serious once more as he stared at the health bar above Murong Wanjian's head. He then said to himself: "Once your health goes down to the instant kill zone, I will definitely end your life!"

At this time, the seven of them had reached their target.

Murong Wanjian activated Dark Arcane and created seven phantom images of himself to meet the attacks.

"Boom~!"

"Boom~!"

"Boom~!"

The explosions were deafening as they shook the sky.

The seven people were smashed flying backward. Even though they had released their strongest moves, they still couldn't resist the Arcane Dark King's energy coming from Murong Wanjian. It looks like the power of a higher realm was something that can absolutely crush all powers in the Tianxuan Continent.

“Bang~!”

“Bang~!”

A dust cloud appeared in seven different locations.

The seven strongest people belonging to Luo Tian's side were crushed by Murong Wanjian.

Each one of them looked like they had suffered serious injuries.

At this moment, several numbers flashed above Murong Wanjian's head. Luo Tian's pupils shrunk while his expression darkened. “Damn it, his health is still beyond the total damage of my heavenly flames!”

The situation was getting a bit thorny now.

Xin Er looked at Luo Tian and said: “They are fine, they won't die. I will go save them so don't worry.”

Luo Tian felt some relief, “En~, quickly go help them.”

After saying that, Luo Tian pulled back his sleeves and revealed a gloomy smile.

An Chunchun got worried seeing that and said to Luo Tian: “Big brother Luo Tian, don't do anything reckless. Chunchun can handle him. I still have some energy...”

Luo Tian lowered himself and scraped An Chunchun's nose. "Chunchun, just watch how your big brother Luo Tian kills him. I will help your big sister Xue'er, Fatty Lei, Wild Blade, and the others get revenge."

"Whoever dares to touch my people will not live long in this world."

Luo Tian leaped into the air and stood there staring at the huge Murong Wanjian. He then said with a smile: "Fusing with nine energy pillars doesn't feel too good, right?"

"Hahaha..."

"Luo Tian, you've finally shown yourself."

"Take a look at how weak your trashy brothers are. They couldn't even handle my phantom image. Where did you find these pieces of trash from? Oh, I forgot that you're also a piece of trash," mocked Murong Wanjian.

"It is very normal for trash to hang out with fellow trash, hahaha..."

Murong Wanjian's eyes looked like they were spewing flames with killing intent.

It was the same with Luo Tian's eyes.

But there was also a trace of excitement in Luo Tian's eyes. "I'm a piece of trash? Who was it that had to kneel before a piece of trash back then? Kneeling to the point where their kneecaps were busted and they couldn't even speak. If I am a piece of trash, then what kind of thing are you?"

"You are something a person wouldn't even care to step on!"

Murong Wanjian's fury surged internally when he recalled how badly he was suppressed by Luo Tian. He then shouted: "Luo Tian, enough of your bullshit! Back then was in the past, while we are talking about the present now! You want to fight with me, Murong Wanjian, over a woman? This daddy will show you what absolute suppression is!"

“Arcane Dark King!”

“Please bestow me with your power!” Murong Wanjian roared into the sky.

Up in the sky above the heaven worshiping altar was still a beam of light that led to the higher realm. The powerful energy was still pouring down and the sky became darker after Murong Wanjian’s shout. It was as if a huge planet was gradually blocking out the light of the sun.

At this moment, the atmospheric pressure pressed down like it was summoned by Murong Wanjian. His body suddenly underwent a change once more.

“Boom~!”

A ripple of power surged out from his body like a huge halo sweeping through everything before enveloping half of the Tianxuan Continent.

Luo Tian’s body faintly shook.

The ripple of power had actually made his body unstable. “What strong power! Most likely this heaven worshiping altar and this Heaven’s Temple is some kind of bridge to the higher realm. Power is still being fed down to this continent for some unknown reason. I wonder what will happen afterward?”

“Motherf*cker!”

“My brothers and my women are all here. If some sort of creature of the higher realm descends, then there’s no way we can handle that.”

“I need to kill Murong Wanjian as soon as possible.”

Luo Tian’s gaze instantly turned serious as he shouted: “Become a Devil!”

“Boom~!”

His body transformed into Devil Sovereign Xingtian and his blade was held like an axe. He locked onto Murong Wanjian’s position before charging over with a shout: “Level 9 Berserk!”

“Myriad Devil!”

“Boom~!”

“Boom~!”

Power thundered through Luo Tian’s body.

Murong Wanjian sneered in disdain: “Luo Tian, is that all the power you’ve got?”

Murong Wanjian felt that three energy pillars’ worth of power was simply too weak.

Luo Tian only absorbed three energy pillars while he absorbed nine of them. The difference in power was too big. Even though Luo Tian used his skills Berserk and Myriad Devil that was capable of stacking together, that kind of power still wasn’t Murong Wanjian’s match.

Murong Wanjian had a ferocious grin as he watched Luo Tian charge over. “Go to hell for me!”

“Arcane Dark King Sword Spirit!”

“Come out!”

As his voice faded, a sword spirit that was countless times more powerful than the true dragon's sword spirit sliced space apart around Murong Wanjian. This was a power that didn't belong to this realm, so the spatial laws of the Tianxuan Continent were completely crushed by it.

The sword shot out and locked onto Luo Tian's throat.

This sword...

Cold sweat appeared in Luo Tian's palms as he exclaimed internally: "I can't block it!"

"If that's the case..."

Luo Tian clenched his teeth as he stared at Murong Wanjian's face which had a smug smile on it. "I guess I will let you see some of my other abilities... Invincible Mode, activate!"

Chapter 837: Explode Forth With All Powers

"Invincible Mode!"

As Luo Tian's voice faded, Murong Wanjian was somewhat stunned as he didn't know what Luo Tian was up to.

His Dark Arcane Sword Spirit instantly chopped off Luo Tian's head.

"Plop~!"

Luo Tian's head fell through the air and landed on the ground.

All the people in the area were dumbstruck!

"Boss Luo Tian was instantly killed?"

“Can he still live with his head chopped off?”

“Oh heavens! How did it turn out like this?! It can't be! Boss Luo Tian is supposed to be unbeatable!”

Many people on Luo Tian's side were alarmed by the scene.

A bloodied head landed on the ground and rolled around for a bit. Two gruesome eyeballs were seen protruding out of their sockets with a fierce look. This was definitely Luo Tian's head! He couldn't even resist a single attack? This was unexpectedly an instant kill!

“Big brother Luo Tian...”

An Chunchun started wailing when she saw Luo Tian's bloodied head. Her face was so pale that she almost fainted.

“Luo Tian!”

“Sire!”

“How can this be?! How can this be?! This is impossible! Absolutely impossible! There's no way he would die like that!”

All the girls were crying. Even Li Xue'er who was under the soul poison and couldn't move was crying. Her heart ached so much that it felt like steel needles were piercing through it.

Seven different directions and seven deep craters.

Fatty Lei was the first to climb out of the crater. The moment he climbed out, he saw Luo Tian's head drop to the ground. His expression instantly changed as he roared out like thunder: “Agggghhhh~! Murong Wanjian! F*ck your ancestors!”

He then charged forward without caring about anything.

Luo Tian was his boss.

He was forever his boss.

If someone needs to die, then he will be the first to die. He had promised Luo Tian's father that he would take care of Luo Tian for the rest of his life. He went crazy and lost control when he saw Luo Tian's head being chopped off.

Those on Luo Tian's side felt like their heart was bleeding.

Their hearts sank into an abyss and suddenly felt like there was no point in living in this world.

A numbing pain inside their hearts.

Their eyes and hearts turned lifeless.

Murong Wanjian was laughing in the air. Laughter filled with arrogance and smugness. "Hahaha... Hahaha... Invincible Mode... So invincible that a single slash could slice his head off... Hahaha..."

"Luo Tian, oh, Luo Tian... You are practically a walking joke! Hahaha..."

"I was wondering what kind of powerful skill that was. That was your invincibility? You become invincible after dying? I guess I really can't kill you once you're dead... hahaha..."

"I almost laughed myself to death!"

Murong Wanjian kept laughing like mad as he flopped about.

The Soul King also started laughing before his eyes turned cold. He looked at Luo Tian's women and said: "Since Luo Tian is dead now, you girls can go to hell as well. Hahaha..."

"Hahaha..."

"Luo Tian is such a joke!"

"Invincible mode? I almost pissed my pants in fear! Now that would definitely be an invincible move."

"Murong Wanjian is the son of a true dragon, Tianxuan Continent's strongest existence. Comparing himself to him? Fighting with him? What kind of thing is Luo Tian? What qualifications does he have to compete with young master Murong Wanjian?"

"That's right! After dying, Luo Tian's brothers and sisters will all have to follow his death."

"Look at his gorgeous women. Even I'm about to drool from seeing how seductive they are."

The allied army of the ten great immortal sects started tightening the circle.

Many guys were staring at Leng Hanshuang and the other girls with a perverted smiles.

If Luo Tian dies, then their fate would be very miserable.

But was Luo Tian really dead?

Of course not!

Devil Sovereign Xingtian's Invincible Mode can only be activated after losing his head. All attacks will be ignored afterward!

When Murong Wanjian was laughing like mad, Luo Tian's body faintly wobbled a bit.

"Ommm~!"

His figure instantly disappeared.

No one noticed this. Even Murong Wanjian didn't notice it. At this time, many people from the ten great immortal sects were cheering. The Soul Hall and the people of the devil were cheering as well. The momentum was gone with Luo Tian's death. This meant they had no one left to stand in their way on this continent.

When they were still cheering and celebrating, Luo Tian's headless body disappeared.

A sudden shout was heard coming from the sky, "Three million volts, Hino Bird Zap!"

"Boom~!"

"Boom~, boom~!"

Lightning danced about and illuminated the dark sky.

It looked like heaven and earth was being lit up!

This lightning cluster was appearing in defiance of the heavens!

It smashed against Murong Wanjian's body! Even if he absorbed nine energy pillars from the Arcane Dark King, his body still couldn't resist the attack of Hino Bird Zap.

What kind of skill was Hino Bird Zap?

A God skill!

A skill that exploded out from Divine Origin Celestial Venerable!

An expert from the Ancient World would still take heavy damage if three million volts of electricity struck them, let alone this was Murong Wanjian. His health bar dropped like crazy while his huge dragon's mouth kept spraying out mouthfuls of blood after another.

The powerful higher realm energy inside his body was raging about and he could barely control it now!

Too strong!

Everyone in Shattered Sky City turned silent.

They looked up at the sky to see lightning shooting about. They watched Luo Tian's headless body release a devastating cluster of lightning that looked like a bird. They were all dumbstruck and speechless.

"He, he, he's still alive?"

"How can he still be alive after his head was chopped off?"

"How can this be?"

No one could understand.

Can you live if your head was chopped off?

This was an impossible matter!

Bear Devil's expression relaxed as he started laughing madly. "Hahaha... That's the power of our devil sovereign! He won't die even with his head chopped off! Hahaha... He is really our devil sovereign! Our devil sect's strongest war god!"

At this time, all the people from the devil sect knelt down including the disciples that Devil Monarch Crimson Fire brought along. Devil Sovereign Xingtian was an existence integral to their faith. Back then, it was Liu Chengfeng who suppressed the dissidents so the disciples didn't believe the reincarnation was actually real.

Now, they saw with their own eyes so they didn't dare to show the slightest disrespect.

"Big brother Luo Tian didn't die! Big brother Luo Tian didn't die! Big sister Shuang'er, big sister Yue'er, big sister Tang Tang, big brother Luo Tian is still alive!" An Chunchun wiped away the tears on her face and started acting joyfully like it was the New Year.

All the girls broke into smiles through their tears.

They felt a huge burden was let go when they looked up into the sky.

The person with the ugliest look on their face was the Soul King.

When he saw Luo Tian moving about with no head, he almost shit his pants in fear. He then shouted: "Murong Wanjian, you have to kill him!"

Murong Wanjian's body shook as anger surged out of him. His dragon eyes glared at Luo Tian before he roared out: "Go to hell for me! I am going to crush you into powder!"

Luo Tian didn't move out of the way.

He completely disregarded any attacks from Murong Wanjian. He lowered his fists and released all the power from the energy pillars he absorbed. He then released level 9 Berserk, Nine Dragons and Elephants, and finally Myriad Devil.

Luo Tian released all his powers!

“Critical strike!”

“Ten thousand punches, smash!”

Chapter 838: Target Locked, Go To Hell

Headless!

This was the prerequisite for activating Invincible Mode.

Luo Tian had to use this time to smash down Murong Wanjian’s health bar or else he won’t have another chance.

He exploded forth with all his powers!

His fists were like thunder as he pounded out continuously.

“Boom~!”

“Boom~!”

Murong Wanjian was enraged as he stared at Luo Tian. “Just based on you?! A piece of trash from Jade Mountain City wants to injure me?! You want to fight with me over a woman?! A stupid thing that overestimates his own abilities! Go to hell for me!”

He exploded forth with all nine energy pillars from the Arcane Dark King.

Added on was Murong Wanjian’s great perfection stage true dragon bloodline.

He also started punching out viciously, “I’m going to blast your flesh and soul into pieces! I’m going to make you unable to reincarnate! This is what happens when you go against me! Hahaha…”

The energy from their continuous collisions shot all over the sky.

Anyone who touches this impact energy would instantly turn into powder! They couldn’t resist this powerful force!

Everyone thought Murong Wanjian held the power to absolutely crush anyone.

Everyone thought Luo Tian was going to die. Even if he stayed alive without a head, he was still going to end up dying now.

They had seen how powerful these energy pillars from a higher realm were.

It was nine pillars versus three.

Luo Tian was going to die just based on this point alone.

They were watching the sky explode with fire and lightning but couldn’t see what was actually happening. Even if this was the case, they felt that Murong Wanjian was going to win and have the last laugh. The reason was that Luo Tian was simply too tiny when compared to the huge true dragon’s body.

“Kill him!”

“Kill Luo Tian! That bastard deserves to die! The Tianxuan Continent is in a complete mess all because of him!”

“That’s right, kill him!”

Fatty Lei was blocked in front of Leng Hanshuang and the others with a cold squint. He then shouted at those people: "I dare the bunch of you garbage to say another word and this daddy will kill you immediately!"

The surrounding went silent.

They were suppressed by the aura coming from Fatty Lei and didn't dare to make a noise.

After being healed by Xin Er's special ability, Wild Blade and the others were mostly recovered. They went to the side of Fatty Lei to protect the chopped off head of Luo Tian.

They were all feeling apprehension.

Xin Er couldn't see Luo Tian's future and didn't dare to try. Even though Luo Tian's fate was constantly changing, she was afraid of seeing an ending that she didn't want to see. Those times were the times she felt the most pain in her heart.

"Big brother Luo Tian, you have to be okay."

"He will definitely win!"

"He has to..."

"Fight on boss! Kill that f*cker! That whatever son of a true dragon is nothing but a dog's fart! You definitely have to f*ck him up!"

Jingang and the others all started hollering.

Their faces looked calm but their fists were clenched as they were feeling anxious and worried for Luo Tian.

Up in the sky, Luo Tian's fists were like torrential rain. He was basically punching like crazy at Murong Wanjian's huge dragon body.

"Bang~, bang~, bang~..."

Murong Wanjian was also doing the same.

He was using his strongest powers to attack Luo Tian's headless body. But eventually, he realized no matter how much strength he used, it was useless against Luo Tian. It seemed like the headless body was not suffering any kind of damage.

How can this be?

Murong Wanjian was internally shocked as he kept trying but couldn't injure Luo Tian. His expression turned to one of astonishment as he said to himself: "Is this his Invincible Mode? Is he really invincible?"

"That's impossible... absolutely impossible."

"No one possesses such a martial skill."

"Even a God would be able to do this. Since a God isn't truly invincible, how can he be invincible?"

His heart had a sinking feeling.

The longer they fought, the more alarmed Murong Wanjian became.

What can one do when one meets with an invincible opponent?

What use would it be if they poured in as much strength as they could?

His opponent was invincible!

Invincible!

This Invincible Mode was too freakish. Murong Wanjian was almost played to the point of having a mental breakdown by Luo Tian.

The lunatic Luo Tian didn't say anything. He just kept punching like crazy and didn't give Murong Wanjian any chances to think about the situation. And each punch of his was at full strength so Murong Wanjian was suffering from quite a bit of damage.

Who was Devil Sovereign Xingtian?

He was a super overlord existence ten thousand plus years ago.

He was considered invincible in the Tianxuan Continent.

He became even more invincible after losing his head.

This was the greatest secret of the Tianxuan Continent.

Luo Tian had transformed into Devil Sovereign Xingtian's fleshy body so he naturally inherited the invincible powers.

The only drawback was Luo Tian's invincibility had a time limit.

He had to smash down the dozens of meter long health bar that Murong Wanjian possessed within a certain time limit. He had to accomplish it or else he would die. Not only will he die, but Li Xue'er and all his brothers that have been through thick and thin with him will die.

He can't allow that to happen!

He had been fighting with all he had these past three years!

He had been waiting for this exact day for three whole years!

These past three years, Murong Wanjian was like a mountain sitting on top of him and making him unable to breathe properly.

Everything Luo Tian did these past three years was for today!

Murong Wanjian had to die!

He had to be killed!

Therefore, Luo Tian desperately smashed and used up his profound energy. He was overusing his physical strength so this exhaustion was actually causing heavy damage to his body. It was similar to one's body being wrung dry.

But he didn't let off for a single second and just kept punching Murong Wanjian like a lunatic.

"Hahaha..."

"This kind of strength isn't even enough for me to scratch an itch!"

"Luo Tian, can you put in a little more strength?"

"Your Invincible Mode must have a time limit, right? Or else you would've used this move earlier on instead of absorbing the energy pillars. I should be correct... You want to kill me before your time limit is up?" Murong Wanjian was like someone who was enlightened as he started laughing. "Your strength to me is no more than scratching an itch! You are simply too weak! Hahaha... Once your invincibility goes away, the time of your death will come!"

“It’s not just you!”

“Your brothers will be all slaughtered!”

“As for your women... hahaha... they will become my, Murong Wanjian’s sex slaves! I will ravage them one at a time and let them float to the heavens in ecstasy! Hahaha...”

Once he came to the assumption that Luo Tian’s invincibility had a time limit, Murong Wanjian instantly turned ferocious.

He didn’t dodge and attacked Luo Tian with more vigor.

Luo Tian’s attacks were not fatal for him and only caused him minor injuries. Those injuries didn’t really matter in the grand scope of things.

He was waiting.

Waiting for the moment that Luo Tian’s Invincible Mode goes away!

Luo Tian was constantly paying attention to Murong Wanjian’s health. “Just a little bit more... a little bit more... Give me ten more seconds...”

“Bang~, bang~, bang~...”

Luo Tian’s body suddenly bounced away while his body quivered.

Murong Wanjian laughed like mad, “Your invincibility is over now, right? You can die for this daddy now!”

Luo Tian smiled!

At this time, the system gave off an alert tone.

“Ding!”

“Target locked!”

“Go to hell!”

Chapter 839: Murong Wanjian Becomes A Dead Dog

“Ding!”

“Target locked!”

Upon hearing the system’s alert tone, Luo Tian’s mouth turned into a grin. He stared at Murong Wanjian with a gloomy look and said: “Acting arrogant in front of this daddy, huh?”

“Let’s f*cking see you act arrogant again after this!” shouted Luo Tian.

Luo Tian’s eyes turned fierce as he shouted: “Green Lotus Core Flame, come out!”

“Voosh~...”

The dim sky was brightened up by the flame with the power to ignore all defenses. The flame didn’t look very strong on the surface so Murong Wanjian sneered in disdain: “Luo Tian, oh, Luo Tian... You are truly a poor wretched fool from the mountain villages. How can this kind of weak power injure me?”

“It looks so weak!”

“Hahaha...”

“Your so-called Invincible Mode should be over now, right?”

“Then you can go ahead and die for me now.”

A powerful aura similar to flames exploded forth from Murong Wanjian’s dragon body. His expression was filled with arrogance, contempt, and smugness as he looked at Luo Tian like he was looking at an ant.

But before he could use his powers, the Green Lotus Core Flame smashed down like a meteorite.

With the power surging out of him, Murong Wanjian wanted to flick his tail and smash the Green Lotus Core Flame flying like a ball.

He didn’t bother giving that Green Lotus Core Flame a second glance because he looked down on it!

He looked down on Luo Tian and looked down on this cluster of flames that didn’t exude too much power. This kind of attack was something he could completely ignore!

It was at this moment that the cluster of flame went past the energy the aura he was giving off. It ignored everything and landed on his head before exploding!

“Boom~!”

“Boom~!”

The explosion shook heaven and earth like they were about to split apart!

Murong Wanjian's body dropped slightly. His expression turned fierce but his heart was feeling shocked. He stared at Luo Tian and harrumphed: "So what if your attack struck me? This little bit of damage is nothing to me!"

"It wouldn't matter even if you struck me ten more times!"

The moment Green Lotus Core Flame struck, a red number -5,000,000 appeared on top of Murong Wanjian's head.

Luo Tian faintly smiled, "You still want to act arrogant in front of this daddy?"

"The second heavenly flame! Purifying Lotus Demon Flame, smash for me!"

The third heavenly flame! Prison Flame, smash for me!"

"The fourth heavenly..."

"The fifth... the sixth... the seventh... the eighth... the ninth... Broad Ice Flame, smash for me!"

The whole sky looked like it was incinerated by heavenly flames one stronger than the next. They acted like they were magically enhanced to lock onto their target. No matter how Murong Wanjian tried to dodge, he couldn't get away from the flames locked onto him.

Luo Tian released nine flames all at once. After adding the first one he cast, there were now a total of ten heavenly flames.

This kind of power was practically heaven-defying!

Murong Wanjian started feeling a trace of danger. He was frowning but his expression still showed one of arrogance. He coldly harrumphed, "I was just careless before and didn't release my powers. Otherwise, your trashy martial skill would have never been able to hit..."

“Boom~!”

Before he could finish speaking, the second heavenly flame smashed right into his face.

After the sound of the explosion, a red numerical figure appeared above Murong Wanjian’s head.

His expression turned fierce as his dragon eyes became bloodshot. He glared at Luo Tian and roared out:
“Luo Tian, you better...”

Before he could finish speaking again, the third heavenly flame smashed into him.

“Boom~!”

The attack landed on his face once more. His huge dragon body had now been smashed several times in a row and blood started spurting out. The dragon’s face was basically Murong Wanjian’s face, so these heavenly flames had directly disfigured him!

Boiling rage!

Murong Wanjian’s rage looked like it was burning up around his body. He roared out once more: “You damn dog thing! I’m going to play you to...”

The fourth heavenly flame descended right onto his face again.

“You...”

“Boom~!”

The fifth heavenly flame landed.

“1...”

The sixth heavenly flame landed.

“Kill...”

The seventh heavenly flame landed.

“Agggghhhh~...”

The eighth heavenly flame landed.

The ninth heavenly flame landed.

The tenth heavenly flame landed.

Murong Wanjian’s dragon face was practically destroyed. His teeth were blown off, and his once domineering and arrogant dragon face now looked like a blown-up dead dog’s face. Wind was leaking through the gaps in his teeth and his face was bleeding all over. If one didn’t look properly, they wouldn’t even know that he was a dragon!

Embarrassing!

This was even more embarrassing than when he was kneeling down in front of Luo Tian!

Previously, he was being suppressed to the point of kneeling.

Now he was smashed by Luo Tian’s heavenly flame to the point of losing his human facial features. Wait, dragon facial features to be correct. In front of so many people, his so-called true dragon transformation had become a miserable existence. Did he even have any dragon’s might left? What about being the son of a true dragon? A dragon amongst men?

Everything had turned into a pile of shit.

His face had been thrown all the way to the Arctic Ocean.

“Keep shouting!”

“Keep calling yourself this daddy!” Luo Tian chuckled in a smug manner. “You like to act arrogant? Keep acting arrogant for this daddy! Don’t you enjoy being f*cking arrogant? Don’t you love acting like you’re above everyone? Aren’t you the son of a true dragon?”

“Go ahead and show this daddy how arrogant you are!”

The angrier Luo Tian got, the louder his voice became.

He was shouting like he had lost his mind.

Everyone was dumbstruck by his words and actions.

“Fuuu~... fuuu~... fuuu~...” Murong Wanjian was panting like an ox while his face was swollen. One of his eyes was already blinded by the heavenly flame while the eye had its eyelid blown off and looked like it was about to fall out at any time. He was in a particularly wretched state.

His pupils instantly became the size of a pinprick as he released his Arcane Dark King’s powers. He then half shouted while gasping for breath: “Luo Tian, are you done with your attacks? It’s now my turn! I’m going to kill you! Go to hell for me!”

“Agghhh~!” Murong Wanjian roared out.

He became arrogant once more after seeing the heavenly flames come to an end.

Although he was in a wretched state, the aura exploding forth from him was still as cold and domineering as before.

Just when Murong Wanjian wanted to speak once more...

“Ptui~!”

Luo Tian spat a glob of phlegm at Murong Wanjian before saying: “I’m actually a bit happy when I see how you’re acting arrogant once more. Did you really think I’ve used up all my heavenly flames? Hahaha... What this daddy likes the most is seeing your eyes filled with hope and then suddenly seeing them filled with despair!”

“The eleventh heavenly flame, come out!”

“The twelfth heavenly flame, come out!”

“The thirteenth, the fourteenth... the twenty-fifth heavenly flame, come out!”

“Bang~, bang~, bang~, bang~...”

A more intense wave of heavenly flames started smashing down.

Murong Wanjian’s expression sank. He looked just like someone in a tragic drama that was speechless with a pale-looking face.

At this time, he truly entered a state of despair.

The fifteen heavenly flames struck one at a time.

Murong Wanjian’s body was riddled with holes but he didn’t die. He started laughing like mad: “Hahaha... Luo Tian, you cannot kill me! You can forget about beating me in your life!”

Luo Tian smiled, "Really?"

"The twenty-sixth heavenly flame, Nihilty Devouring Flame, come out!"

"Give me a big explosion!"

Chapter 840: Teacher Sola Aoi, Please Give Me Your Blessing

Just when Murong Wanjian was feeling happy that Luo Tian couldn't kill him...

Just when he thought it was time for him to counterattack...

Just when he could act cocky once more...

Luo Tian's words sent him down to the abyss once more. He was in despair and started feeling fear. He pissed out dragon pee and dragon poo before kneeling on the ground. "Big bro Luo Tian, Boss Luo Tian, Grandpa Luo Tian! Please spare me! I beg you! I don't dare to anymore! Just give me a chance! Li Xue'er is your woman and has always been your woman! I don't dare to compete with you anymore!"

Murong Wanjian was really afraid this time.

The expressions of those from the allied army of the ten great immortal sects changed. One of the disciples even dropped his weapon on the ground and muttered: "It can't be... it can't be... Murong Wanjian is the son of a true dragon... he is the most likely person in the Tianxuan Continent to become the strongest of our era... how noble is he? How can he kneel in front of someone on his own? This is just a dream and nothing is real here."

"How can the son of a true dragon lose? How could he kneel in front of someone on his own?"

"His bloodline is the most noble one in this world!"

“Murong Wanjian! I beg of you to not kneel down! We will always follow behind you! Stand up and let’s kill Luo Tian together!”

Many people felt their hearts go cold.

Murong Wanjian held a very high prestige amongst the immortal sects. This prestige might even exceed their own sect leaders. This kind of prestige made the whole realm proud of him, yet his current actions had made them disappointed to the core.

In their eyes, the son of a true dragon was kneeling before someone else.

It was as if a string inside their heart had snapped.

Painful.

Pain that couldn’t be described with words.

Murong Wanjian viciously glared at them and cursed: “You damn dog things! Why aren’t you guys kneeling after seeing Grandpa Luo?! If you guys dare to touch a single hair from Grandpa Luo, I will instantly kill you guys!”

“Heh heh...”

“Grandpa Luo, please spare me...”

“Spare this dog’s life of mine! As long as you spare me, I will immediately kill all these immortal sect disciples for you! I will kill all nine familial generations of their family! Within the Tianxuan Continent, no one will dare to disobey your words!”

“I can make that dog fart Soul King lie down in one second! If he doesn’t take out the antidote to the soul poison, I will immediately kill him! I have ten thousand ways to kill him! Grandpa Luo Tian, please spare me! I’m begging you!”

Murong Wanjian was begging for his life on his knees.

He was afraid of dying.

The type that will go to all extremes to escape death.

Luo Tian still had one more heavenly flame he didn't smash down yet. The moment it comes down, Murong Wanjian's soul will disintegrate. This kind of death meant everything will be over. Just thinking of death made him shiver even more. Looking at Luo Tian was similar to looking at the God of Death.

A God of Death that was going to determine his fate.

Murong Wanjian, a person once sitting high above others as a son of a true dragon, was now like a dog begging in front of Luo Tian.

This was being f*cked over in the most absolute manner!

This was absolute suppression!

Luo Tian had been desperately training these past few years and now he had finally achieved his goal.

Before Luo Tian could respond, those immortal sect disciples who were originally feeling heart aches suddenly became angry at Murong Wanjian's words. This anger magnified bit by bit until someone in the crowd shouted: "Luo Tian! Kill him!"

"Kill him and our ten great immortal sects will be under Mount Hua Immortal Sect!"

Murong Wanjian's words had pierced their hearts.

They finally understood at this moment that they weren't even an ant in Murong Wanjian's eyes. It was fine to kill them but he was going to kill all nine familial generations of their family? Anyone that was still human here would be angered by that!

"Kill him!"

"Kill Murong Wanjian!"

"Luo Tian, we're begging you to kill him!"

The voices from the crowd instantly changed to shouting for Luo Tian to kill Murong Wanjian.

Their hearts had died.

If Murong Wanjian were to live, they would be the ones to end up dying and dragging their family members down as well.

Luo Tian could see the anger in their eyes and realized that even if he didn't make a move, they were going to fight to the death as a last resort struggle. Murong Wanjian's health bar had bottomed out and he was on his last breath. The experts of the ten great immortal sects were mostly killed off but if these disciples used a crowd tactic, they might be able to exhaust Murong Wanjian to death.

It would be a huge loss if these guys were the ones to kill Murong Wanjian.

Murong Wanjian's expression turned gloomy. "You bunch of trash want to kill me? Just based on a bunch of trash? Why don't you guys take a piss and look at your own reflections! A bunch of trash, humph~!"

Immediately after, Murong Wanjian looked at Luo Tian and said: "Grandpa Luo Tian, I will kill them all as long as you say the word. Allowing these piles of trash to live is equivalent to wasting the world's food resources and the Tianxuan Continent's cultivation resources. These resources belong to your Mount Hua Immortal Sect, so we can't let these piles of trash take a piece of it."

“Heh heh...”

“Boom~, boom~...”

Anger!

The allied army of the ten great immortal sects was enraged!

If there were some people with wavering thoughts previously, the current words will definitely make them only have a single thought – kill Murong Wanjian!

They started shuffling in closer.

At this time, Luo Tian stepped forward and shouted: “For the peace of the Tianxuan Continent, to get rid of a piece of trash who has always been acting high and mighty, for all of you here and for the entire world, I have decided...”

Everyone turned quiet as they looked at Luo Tian.

It was as if Luo Tian was about to decide their fate.

Murong Wanjian had a cold grin on his face as he stared at the disciples of the ten great immortal sects. “Just wait for your death! I am the son of a true dragon with a true dragon’s bloodline! I have fused with nine energy pillars so my worth is much higher than all of you put together. You bunch of trash can get ready to die, hahaha...”

He was very clear that he could help Luo Tian.

Anyone with a bit of intelligence would choose him instead of the leftover dregs from the ten great immortal sects. These people no longer had any value.

Murong Wanjian started acting smug once more.

He revealed an insufferably arrogant smile.

Luo Tian glanced at Murong Wanjian's smile before leaning forward to whisper in his ears: "Your worth is really high, maybe the highest in his world. But..."

Luo Tian had an excited smile on his face when he paused on the word but. "But you are too much of a bastard. You have fused with nine energy pillars so you are worth a bunch of experience points and profound energy. After I kill you, I can rule all the immortal sects and the entire Tianxuan Continent. The most important thing though is that..."

"This daddy doesn't like you!"

"What you should have never ever done was touch my woman and hurt my brothers. I've made a promise that whoever touches my women, I will f*ck over all eighteen generations of their ancestors. Whoever touches my brothers, I will kill their entire family!"

"Die for me!"

The twenty-sixth heavenly flame flew down from the sky.

Murong Wanjian had no time to react and was directly smashed into powder.

An alert tone sounded off in Luo Tian's mind.

"Ding!"

Luo Tian's heart tightened as he quickly prayed: "Teacher Sola Aoi, please give me your blessing!"
