Chapter 501 Are You Trying To Lay A Hand On Her?

It was good that Zhan Yong Lieng did not see their faces, otherwise he would have been very angry. There was an old saying: ‘You can insult me all you want, but do not insult my manhood!’

Zhan Yong Lieng’s gaze fell on Xu Xue Ning. His eyes showed a great deal of lust and need, as if he was about to devour her whole.

Xu Xue Ning stood beside her great-grandfather. Her beautiful pair of eyes looked at the 3 men. She frowned.

She looked coldly at an old man, a middle-aged man, and a young man. She heard every disgusting thing that they said about her.

“Great-grandfather, who are they?” She asked the old man Xu Sien Yi.

The old man Xu Sien Yi quickly adjust his face to normal before answering. “Our enemy!”

Xu Xue Ning’s goddess-like face twisted a little. Yet, she did not fret. She was strangely calm. “Is that so?”

“Yes.” The old man Xu Sien Yi nodded. “Xue Ning, don’t worry about it. You’ll see.”

“What’s this? Are ignoring me, the divine king?”

Hearing that, Zhan Yong Lieng was dissatisfied. He spoke with an angry voice.

He had decided that he would deal with Xu Xue Ning later. Right now, he would destroy the Xu family first like they deserved!

“I, the divine king, don’t want to know your name. I only want to uproot your family!” Zhan Yong Lieng looked at the old man Xu Sien Yi. His facial expression was malicious.

Zhan Huan and Zhan Yuan did not say anything since they had been told to shut their mouths. They knew that they would not have a chance to keep Xu Xue Ning with them anymore.

This was because the twisted old man Zhan Yong Lieng wanted her. They had to admit defeat.

However, when they heard about destroying the Xu family, they got very excited.

They wanted the Xu family, one of the big 3 families of Beijing, to be destroyed!

“What divine king?” Suddenly, Xu Xue Ning spoke up. Her voice was as icy as snow up in the North Pole. “Is this old man crazy?”

She could not feel his intimidating aura, so she was not scared of him.

“You!” It would be strange if Zhan Yong Lieng had let this go. He was so angry that some of his white hair fell off.

His strong aura seemed to have exploded once from his body. Zhan Huan and Zhan Yuan had to kneel because they could not take it.

The old man Xu Sien Yi did the same since he was only as sky soaring realm cultivator. His face turned pale.

“Great-grandfather!” Xu Xue Ning was alarmed. She rushed towards him and pulled him up.

The old man Xu Sien Yi was finally able to stand up with Xu Xue Ning holding on to his arm. The old man felt strangely good. He was no longer forced to kneel by the divine power.

“What?!?” Seeing that, Zhan Yong Lieng was surprised.

Other than not being pressured by the divine force, she could also help the old man Xu Sien Yi up.

‘How is this possible?’ Zhan Yong Lieng did not want to believe it. He did not understand what just happened.

Then, he saw that Xu Xue Ning’s bracelet was shining.

“That bracelet!” Zhan Yong Lieng knew right away that it was the bracelet that caused all these strange events.

Even so, he did not think too much about it because his strong aura was only a tiny part of his power.

“A good stuff you have there, kid. Do you really think it’ll drive a divine king like me away?” Zhan Yong Lieng’s face returned to normal. He spoke coldly. “Let me tell you this. Today, the Xu family will be destroyed no matter what!”

Zhan Yong Lieng reached out his hand and grabbed the air. He wanted to use his power to steal the bracelet from Xu Xue Ning.

Xu Xue Ning’s beautiful face turned serious. She knew that Zhan Yong Lieng was about to strike.

However, nothing happened!

Zhan Yong Lieng was confused. The bracelet was supposed to come to him. Why was it not happening?!?

Zhan Yong Lieng’s face turned red with embarrassment. He was about to try again.

However, before he could do it, a loud voice filled the area.

“Are you trying to lay a hand on her?” The voice was icy. “Do you want to die?!?”

Suddenly, a young man appeared. He leapt in front of Zhan Yong Lieng with his back facing Xu Xue Ning and the old man Xu Sien Yi.

“Elder Chan Bai!” The old man Xu Sien Yi was so delighted that Bai Chen was here.

It was obvious that the young man was Bai Chen. He'd used the disguise technique to make himself look like his 27-year-old self like every time he'd met the old man Xu Sien Yi.

After spending some quality time with Long Xu In the whole day, he finally said good-bye to her and came to Xu Xue Ning.

It was unexpected for him to see this. He suddenly became furious!

Xu Xue Ning looked at the young man's back. Her heart pounded. She could feel warmth and kindness from this young man.

'Why do I feel this way...?' Xu Xue Ning could not figure her feelings.

She swore that she had never seen or known this young man before.

Her pale and smooth hands curled up into fists without him realising it.

Seeing that, the old man Xu Sien Yi shook his head and sighed.

Bai Chen did not turn to look at her. He still looked at Zhan Yong Lieng, Zhan Huan, and Zhan Yuan.

His eyes were filled with an extremely cold light. His intent to kill shone brightly in his eyes!

Chapter 502 Facing A Divine Being

"Who are you?" Zhan Yong Lieng looked at Bai Chen with his narrowed eyes.

He examined the young man very thoroughly. Then, he realised that Bai Chen had already become a sky soaring realm cultivator at the age of 27 years old. This was a little too much for him to accept. He was alarmed by it, but he did not show it.

Zhan Yong Lieng thought that Bai Chen was a sky soaring realm cultivator because he floated mid-air without using a flying sword.

Actually, this was all Zhan Yong Lieng's guess. He did not know for sure.

He thought that Bai Chen must have possessed a treasure or some special technique that allowed him to conceal his level from divine realm cultivators

Otherwise, he would have been able to see through it.

But some of it was correct. Bai Chen was actually a sky soaring realm cultivator. What he did not know was that Bai Chen a tertiary one, a stage that did not exist in this world.

The level concealment was also correct.

Bai Chen used a supreme technique to conceal his level. No one under a salvation level would be able to see through it.

"I'm your killer!" Bai Chen said angrily.

He did not plan to let anyone who'd dared to lay a hand on Xu Xue Ning live!

"This trash! Who are you to dare to say this?!?" Zhan Huan finally got up on his feet and pointed his finger at Bai Chen.

Zhan Yong Lieng's strong aura was gone. That was why he could now stand up. He did not see that Bai Chen was floating mid-air, otherwise, he would not have dared to do this.

"You... You must be that boy's brother! That lunatic boy who hurt me!"

Zhan Yuan also stood up. His eyes widened immediately when he saw Bai Chen. He shouted very loudly with rage. Of course, he did not see where Bai Chen appeared from either.

"Great-grandfather, he must be that man's brother. They looked a great deal alike. Please avenge me!"

Zhan Yong Lieng nodded slowly. He would get rid of Bai Chen anyway, even without anyone telling him what to do. Bai Chen's words just now angered him.

His anger was a raging fire!

"Anyone under the divine realm is a tiny ant!" Zhan Yong Lieng said.

His eyes let out a mysterious spark. His yellow divine spirit qi wavered and was emitted from his body.

"Huan, Yuan, get away from here. It will take me only seconds!"

"Yes!" Zhan Huan and Zhan Yuan spoke at the same time, while stepping back.

Xu Xue Ning was worried. She was strangely worried about the safety of a man in front of her, even though this feeling was not there before.

'Who... Who is he?' She felt anxious.

"Don't worry. Elder Chen Bai won't get hurt." The old man Xu Sien Yi tried to console his granddaughter.

"Elder Chen Bai?" Xu Xue Ning looked at her great-grandfather. Her eyes showed confusion.

However, the old man Xu Sien Yi did not answer that. He only smiled lightly. He knew that his great granddaughter had lost a year's worth of memories and could not remember Bai Chen at all.

Actually, he really wanted to tell her about Bai Chen, that she was his girlfriend and Bai Chen was beyond divine. However, he decided not to and forbade everyone in the house to do it because he did not want to stick his nose into other's business.

The old man Xu Sien Yi thought that it would be better for Bai Chen to deal with it himself. He had to wait for only several days and Bai Chen actually showed up.

Seeing her great-grandfather so quiet, Xu Xue Ning could only look at Bai Chen's back worriedly.

After Zhan Huan and Zhan Yuan stepped back out, Zhan Yong Lieng's face turned wicked. His killing aura was exploded, causing the air around them to chill.

His yellow divine qi flowed out of his body as if it was a river.

As soon as the divine qi was shown, the air immediately shook and twisted. The ground started to shake as if there was some kind of natural disaster occurring!

People who lived around there were alarmed at the earthquake. Their faces turned pale. They were very scared. They rushed to a safe place as they were afraid that there would be a huge earthquake.

Of course, Zhan Yong Lieng did not care about it. He only wanted to make Bai Chen suffer as much as he deserved and kill him later.

Bai Chen did not say anything. He merely thrust his hand forward once.

His silver spirit qi shone brightly. It formed a medium-sized hand before leaping at Zhan Yong Lieng with an incredible speed.

“What? This is weak!” Zhan Yong Lieng’s eyes were full of disdain. Seeing Bai Chen’s spirit qi, he knew right away that Bai Chen was actually a sky soaring realm cultivator.

He shook his head a little before slowly reaching his hand out.

“A sky soaring realm cultivator who dares to pick a fight with a divine king? You’re asking for death!”

The silver hand had reached Zhan Yong Lieng. He grabbed it.

Who would have known that Zhan Yong Lieng’s facial expression would change immediately after that?

His hand was now stuck with the silver hand. He could grab it, but he could not destroy it.

This was very alarming to Zhan Yong Lieng.

‘What is this madness?!?’ Zhan Yong Lieng screamed internally. A second later, the silver hand took him up into the sky to such a great height, no one could see.

“A divine level?” Bai Chen muttered. Then, he quickly followed Zhan Yong Lieng and vanished.

Chapter 503 The King Of Trash

“Grandfather!”

“Great-grandfather!”

Zhan Huan and Zhan Yuan screamed out in alarm when they saw Zhan Yong Lieng being forced to float into the sky until he vanished into the night clouds.

Xu Sien Yi narrowed his eyes and looked up at the sky before turning back to Zhan Huan and Zhan Yuan. After that, he smirked.

Since Zhan Yong Lieng, the divine realm cultivator, was not here anymore, he could kill them easily!

He never forgot what disgusting things they had spewed earlier about his granddaughter.

An intent to kill flashed in his eyes. Yet, he was secretly amazed at Bai Chen’s power.

Just now, he had seen with his own eyes that Bai Chen had used a sky soaring power to send a divine cultivator into the sky without him being able to resist in any way.

Meanwhile, Xu Xue Ning's face still showed worry. She did not understand why she felt it.

Her eyes were blank when she looked at Bai Chen and Zhan Yong Lieng going up there.

“Now that your divine one isn't here, it's time for you to die!” The old man Xu Sien Yi spoke coldly. The air around him got colder.

Hearing that, Zhan Huan and Zhan Yuan started to tremble. Their faces turned pale. Their widened eyes stared at the old man Xu Sien Yi.

The old man Xu Sien Yi did not say anything. He only flicked his hand.

Suddenly, a line of spirit qi pierced through their heart!

Stab!

Stab!

Flesh and blood gushed uncontrollably out of them.

“AGHHH!”

“AGHHH!”

Their pain-filled screams were loud. Their eyes rolled upwards. They were scared because they did not want to die.

However, being attacked like this by someone at this level, how could Zhan Huan and Zhan Yuan not die?

That was not possible!

They were only ordinary people who lived under Zhan Yong Lieng's largesse. They would not be able to withstand a sky soaring power.

Shortly after that, the spark of life in their eyes slowly faded and vanished. They were dead!

They dropped onto their backs and did not move again. Before they died, they thought that this was the most regretful thing in their live.

They regretted that they had followed Zhan Yong Lieng. If they had not, they would not have died.

After killing both of them, the old man Xu Sien Yi did not feel anything. He did not even look at their corpses. He merely closed his eyes and waited for Bai Chen to come back.

He thought that it would not be long. Zhan Yong Lieng's divine power could not be compared to Bai Chen's unfathomable power.

.....

Up in the sky, thousands of metres above the ground, Zhan Yong Lieng was standing mid-air, his emotions in turmoil.

How could he be calm when he had been dragged up here by a sky soaring realm cultivator? He had not even been able to put up any sort of resistance.

Zhan Yong Lieng was even more cautious.

“How did a tiny ant like that...” Zhan Yong Lieng’s eyebrows knitted tightly and muttered this to himself.

He had not finished the sentence when Bai Chen leapt in front of him. They were only 10 steps apart.

Seeing that, Zhan Yong Lieng’s face turned cold. His anxiety was gone and replaced with anger.

“A tiny ant that tries to be the divine king’s equal!” His cold words echoed.

Zhan Yong Lieng did not care anymore how Bai Chen took him here. He only focused on killing Bai Chen right now!

“If I were an ant, what are you, a king of trash?” Bai Chen talked back.

Zhan Yong Lieng’s face twisted. It was very ugly, as if he’d just eaten a dog turd.

“You!” Zhan Yong Lieng pointed at Bai Chen with his trembling finger. He was angry to the point that he did not know what to do.

Eventually, he inhaled deeply to calm himself down. His face was now calm. He glared at Bai Chen as if he were to devour him whole.

“If you really want to die, this divine king will grant your wish!” Zhan Yong Lieng started to emit a yellow spirit qi from his body. The atmosphere twisted.

He flicked his hand slowly.

Suddenly, his yellow divine qi wavered and formed a great many arrows. Each of them was quite intimidating.

They leapt towards Bai Chen.

They were not that fast. However, not for ordinary people and some cultivators.

However, Bai Chen was not alarmed by it. His face was emotionless. He narrowed his eyes, swept his hand in front of him, and made a fist with it.

Suddenly, a silver qi appeared and formed a medium-sized net.

The spirit qi net spun around in front of Bai Chen and protected him from all the arrows.

“What?” Zhan Yong Lieng, the so-called divine king, was surprised at seeing that Bai Chen could stop all of his arrows. His eyes widened. He did not want to believe it.

He was a divine realm cultivator and Bai Chen was only a sky soaring one. Being 2 levels apart, Bai Chen should have died a long time ago!

“What are you so surprised about?” Bai Chen thought that he had overestimated Zhan Yong Lieng. Even though Zhan Yong Lieng had not used his full power just now, at least one arrow should have been able to get through the net.

Maybe his thinking that the present world’s divine level was equivalent to the primary legendary one of the celestial world was not quite accurate.

Chapter 504 A Blow That Kills The Divine!

Zhan Yong Lieng’s face showed disbelief. It was also full of anger.

Bai Chen’s ‘What are you so surprised about?’ just now had surely been an insult.

It was impossible for him not to be mad.

Shortly after that, the disbelief faded from his face. The yellow divine qi around him increased, making the air tremble even more violently.

He only thought about killing Bai Chen right now.

Maybe it was because of his anger, but he did not even care about how Bai Chen had stopped his arrows, even though he was only a sky soaring realm cultivator.

“Do you really think that your minor power can surprise me?” Zhan Yong Lieng growled with his low voice. “Let me tell you this. Just now, that was only a tiny bit of my power. I’ll use half of it now. If you don’t die from this blow, I will no longer bear the Zhan family name!”

“Is that so?” Bai Chen did not care about it. He only shook his head. He did not want to waste his time with Zhan Yong Lieng anymore.

He would rather spend time with Xu Xue Ning. Even though she’d lost her memories of him, her feelings towards him were still definitely there.

Bai Chen strongly believed that he would be able to retrieve Xu Xue Ning’s memory. Although, it would take a long time before it was back in full.

Seeing Bai Chen’s indifference, Zhan Yong Lieng was so furious, his body trembled. He did not say anything anymore and emitted even more of his yellow divine qi.

He started to make a move. In the blink of an eye, he appeared behind Bai Chen!

“Take this divine king’s fist and die!” Zhan Yong Lieng threw out his fist. It was covered with his terrifying divine qi.

It was aimed at Bai Chen’s back. If Bai Chen did not dodge this, there was a high chance that he would die!

Of course, Bai Chen would be able to evade it.

Before the punch reached him, he flipped and dodged it beautifully.

Then, he slammed his hands against both sides of Zhan Yong Lieng's head.

Thud!

Thud!

Heavy sounds could be heard. Zhan Yong Lieng was dazed because of the slap. He could see a great many sparkling stars in front of him.

The pain that he felt almost made him crazy. His eyes, ears, and nose bled!

Zhan Yong Lieng's anger was like a raging storm. It was incomparable to before.

He did not hesitate to explode with his full power. He only focused on killing Bai Chen! He had no other thoughts!

"Animal! Animal! Animal!" Zhan Yong Lieng growled. He yelled the word 'Animal!' 3 times.

He was ready to use all of his power to crush Bai Chen. However, before he did it, Bai Chen tense his hand up and aimed it on Zhan Yong Lieng's head. It was as sharp as a blade!

Zhan Yong Lieng sensed danger. His heart pounded with fear. He screamed: "No!"

That was his final word. Bai Chen's hand ripped Zhan Yong Lieng's body into two. Blood spattered everywhere. He was dead!

Before he died, he only felt regret. It was a deep regret. He had not even had a chance to enjoy the power of a divine realm cultivator that he had diligently trained to achieve!

It was all because of Zhan Han, who'd picked a fight with the Xu family—otherwise, Zhan Yong Lieng would not have been killed so soon.

Bai Chen flicked his hand to get rid of the blood and used his silver flames to burn the body to ashes!

A divine realm cultivator could be killed quite easily!

"Maybe I overestimated Zhan Yong Lieng. No, I did not overestimate him. It was Zhan Yong Lieng who was weak. It was obvious that he had gone through a lot of hardships to reach this level, otherwise, he would not have been killed quite so easily."

"He's the latest divine realm cultivator of China in a great many years. If he had chosen a better path, he would have been able to live longer."

Bai Chen shook his head and sighed. Then, he slowly floated to the ground to see Xu Xue Ning!

Shortly after that, he was in front of Xu Xue Ning and the old man Xu Sien Yi.

The old man Xu Sien Yi was surprised. His eyes could not have been wider.

Then, he thought that it was absolutely possible for Bai Chen to have finished his job with Zhan Yong Lieng, a divine realm cultivator, within less than 3 minutes.

It was obvious that Bai Chen had spent less than 3 minutes on it!

The old man Xu Sien Yi looked at Bai Chen with the utmost respect, as if Bai Chen was a god.

Then, he realised something. He smiled and said good-bye to Bai Chen before vanishing.

He did not forget to deal with Zhan Huan and Zhan Yuan's bodies before he left.

Only Bai Chen and Xu Xue Ning were left. They looked each other in the eye without saying anything.

What they were feeling right now was different. Bai Chen felt happy, sorry, and sad. He still remembered that Xu Xue Ning had protected him from Jing Cha the Legendary with her life.

It was good that his future self had appeared there, otherwise she would have died for real!

Bai Chen thought that he owed a lot to Xu Xue Ning. He did not know how to repay her.

As for Xu Xue Ning, her worry vanished since she had seen Bai Chen returned from the sky.

She was confused. She could not figure out why her heart suddenly pounded when she looked at the man in front of her. Moreover, he looked strangely familiar.

"Who...Who are you?" she asked. Her beautiful voice trembled.

Bai Chen smiled. It was a smile full of grief and guilt.

If he stopped her then, she would not have lost her memories because of the drop of life.

"Xue Ning, my name is Bai Chen," he said softly. The image of when they'd met each other for the first time appeared in his head.

"Bai Chen." Xu Xue Ning did not know why she had to tremble when she heard that name. She did not understand what was happening to her.

"Xue Ning, you're familiar with my name, aren't you?!?" Bai Chen suddenly asked. Looking at her quivering body, he was able to discern some things.

Chapter 505 Returning Memories

"Familiar..." Xu Xue Ning spoke softly. This could be considered her answer.

Bai Chen turned away from Xu Xue Ning and looked up at the sky. Moonlight was shining down brilliantly at this moment, and the sky was rather bright.

"I have something to tell you. Would you like to hear it?" Bai Chen's words were very soft. His voice was deep and smooth.

Xu Xue Ning did not hesitate to nod. She truly wanted to know who this young man before her was and why he affected her feelings so strongly. She felt familiarity and longing and an emotion that was hard to explain.

“This is a story of a man and a woman who coincidentally met each other under the night sky full of stars and lit by a beautiful moon...”

Bai Chen started to recount the events from when he’d first met Xu Xue Ning and all the times that they’d spent together.

“One day, that man faced a strong enemy and his life was in danger. He didn’t expect the girl to sacrifice her life to protect him!”

Bai Chen stopped. His voice was full of grief.

A short while passed, but no other words came out of Bai Chen’s mouth, as if that was the end of the story.

Xu Xue Ning, who had been listening to the story, was not even sure how she felt at the time. Tears ran down both of her cheeks. Her body trembled slightly. Her heart pounded.

“What happened after that?” Even though she did not understand why she was crying, she asked this with curiosity.

She wanted to know what happened to that man after he lost the girl.

“After that,” Bai Chen looked at Xu Xue Ning with his broken heart, “An immortal appeared and got rid of the enemy and revived the girl. Even though the girl is alive again, she lost her memories of her past year. She forgot everything that she had done with the man. That is the end...”

That was a white lie. He could not say that the immortal was his future self.

“That is the end?” Xu Xue Ning asked. Her face was still wet with tears.

This image would pain anyone who saw her. It was as if a goddess was weeping.

“Yes, that is the ending,” Bai Chen answered. He turned his back on her, preparing to leave.

He told her the story because he was hoping that it would trigger at least a part of her memory. He did not want to rush her and let her slowly regain them back—the memories about a man whom she loved who loved her with all his heart!

That was the reason why he planned to leave as soon as he was done.

“Wait, elder Chen Bai!”

However, before he left, Xu Xue Ning called out to him. Her voice stunned him. Then, his body shook violently!

He turned back immediately and looked at her. He looked at Xu Xue Ning who just called him ‘elder Chen Bai’ like how she used to do!

“Xue Ning, do you remember?!?” He asked excitedly.

If her memory came back now, it would be a grand miracle!

And the grand miracle did indeed occur!

“I remember... I remember you now!” Xu Xue Ning spoke with tears on her face. Suddenly, she leapt towards Bai Chen and hugged him very tightly. She cried hard.

Her memory had come back. She remembered Bai Chen. She remembered everything about him!

Moreover, she also remembered when her life had been taken away from her!

As soon as her memory was back, she could not believe that she was still alive!

“Xue Ning...Xue Ning.” Bai Chen called her name repeatedly while locking her in his embrace. It was as if she was an illusion that he did not want to lose.

Even if this was an illusion, he would gladly do everything in his power to make this last forever!

His happiness overflowed to the point where his eyes got a bit teary.

‘Thank you, heavens. Thank you, miracle!’ Bai Chen screamed internally. He did not want to believe that Xu Xue Ning’s memory had already come back.

He thought that it would be difficult and take a lot of time.

However, by only just listening to his story, she now remembered everything.

If it was not for a miracle, it would not have come back to her this fast.

Bai Chen did not know that this was not a miracle. It was actually because of Xu Xue Ning’s strong feelings towards him!

Even the future Bai Chen did not know how much she loved him!

Bai Chen right now was the same!

The old man Xu Sien Yi, who’d just reappeared again inside the mansion, paused slightly before smiling. He laughed softly when he heard his granddaughter shouting at Bai Chen, the man with power that seemed unlimited.

“It seems like Xu Xue Ning’s memory is back.” The old man was very happy about this. Then, he closed his eyes and continued to meditate inside his room.

Seeing how strong Zhan Yong Lieng was, he wanted to be at that level of strength one day.

It was at around midnight when Bai Chen and Xu Xue Ning walked hand-in-hand to a park.

Even though it was late, there were still a few people here. There were mostly teenagers.

Bai Chen and Xu Xue Ning ignored everyone. They were in their own world...The world with only just the two of them alone together.

Bai Chen confessed his feelings to her, and she to him.

Not only that, but Bai Chen also told her about Li Lin and Long Xu In.

Bai Chen was afraid that she would not be able to accept it. He was wrong. She smiled kindly at him and nodded.

This made Bai Chen very happy. He did not know that he was saved once again by his future self. This would really be the last time. Then, that part of his future self's consciousness shattered and vanished forever!

In the memory that Long Xu In and Li Lin saw, Xu Xue Ning also had. Her heart trembled violently. Her tears ran down her cheeks again. She had never known that Long Xu In and Li Lin would give up their lives for Bai Chen too.

From all this, how could she not accept it?

She also loved Bai Chen with all her heart and wanted to be with him just like those two!

Chapter 506 The Red And Black Dragon Gang

Even though it was as late as half past midnight, Bai Chen and Xu Xue Ning were wide awake. They sat on a bench and talked with each other happily, holding hands without stop.

"Xue Ning, do you want to go somewhere else?" Bai Chen asked. No matter where she wanted to go, he would take her there without hesitation. He would even take her overseas very easily.

Xu Xue Ning shook her head slowly. "Being with you like this, anywhere is fine."

Her face flushed slightly. She felt embarrassed by her own words.

Bai Chen was stunned by her beauty at the moment. Even though he had gotten used to her goddess-like beauty so that he could look her in the eye now, her being embarrassed like this was different. His heart was pounding violently. He felt like kissing her.

"Xue Ning, would you mind if I asked to kiss you?"

These words suddenly slipped from Bai Chen's mouth. Xu Xue Ning was stupefied and did not know what to do. She did not expect that Bai Chen would ask to kiss her so straightforwardly like this.

Her heart pounded rapidly in an instant. Her face was very red. She tightened her fists. She seemed to hesitate at first, but eventually nodded.

Bai Chen's heart was full of indescribable happiness. He moved closer to her.

Xu Xue Ning quickly closed her eyes, waiting for Bai Chen's kiss. He was the man that she loved with all her heart. She was excited since this was going to be her first kiss.

However, before they kissed, it seemed like fate was playing a prank on them. A cold shout interrupted them.

"Stop!"

Bai Chen frowned and turned towards the source immediately. He wondered who would dare to do that.

Xu Xue Ning's face turned even more red. She felt very shy at knowing that they had been witnessed. Then, she looked at the source of the voice.

Then, both of them saw a very ordinary-looking—almost to the point of being ugly—young man in his twenties walking towards them. There were 2 men behind him.

They all had guns at their waists. They looked clearly villainous.

“Very beautiful. She's the most beautiful girl that I, Zhao Pua, have ever seen!” The young man spoke. His voice was full of lust. His name seemed to be Zhao Pua.

He was walking around the park with his minions. He did not expect to see Xu Xue Ning.

As soon as he saw her, he had been stunned for several minutes.

Not only him, but his minions were also the same. Then, he came to when he realised that Bai Chen was about to kiss Xu Xue Ning. He suddenly felt angry. He could not possibly stand there and watch her being kissed by another man!

Zhao Pua swore to himself that he would make Xu Xue Ning his. That was why he'd shouted.

“Big bro, she's really pretty. You must go and get her.” While walking towards Bai Chen and Xu Xue Ning, one of the minions spoke without any sort of consideration for anyone else.

Zhao Pua laughed. “You don't have to tell me. How can I let such a beautiful lady go?”

“Get lost!” Bai Chen stared coldly at the three of them. He was okay with being interrupted. However, it was impossible not to be angry at those shameless words.

“What?” Zhao Pua did not believe his ears. He looked at Bai Chen. “What did you say?”

“Zhao, big bro, he just said ‘get lost’,” one of his minions reported.

“Yes, big bro, I heard it too,” another one added.

“How could you say that to me? Don't you know who I am?!?” Zhao Pua glared at Bai Chen. He was furious. Only a few people dared to talk to him like this.

“I don't care about that. Get lost!” Bai Chen really did not want to know who Zhao Pua was. If Zhao Pua interfered any further, he would actually teach him a lesson or two.

Xu Xue Ning sat quietly beside Bai Chen. She did not say anything and let Bai Chen handle it. She knew that he would not let anyone talk to her disrespectfully.

However, her face was very cold. It looked like she was also angry.

“Heh! Where has this lunatic gotten the reckless courage to dare to talk like that to big bro!” One minion was quite furious. He pointed at Bai Chen’s face.

The other minion’s face twisted. He growled. “Big bro is the son of Zhao Hei, the black dragon boss from the Red and Black Dragon gang. Haven’t you heard?!?”

Zhao Pua looked very arrogant at hearing his minion talk so highly about himself. He was angry—but listening to this, he felt proud of his father.

His father was Zhao Hei. A lot of people called him Zhao Hei the Black Dragon. He was one of the two great bosses from the Red and Black Dragon gang, the biggest gang in Beijing right now. It was also the most powerful gang in Beijing’s underground!

“The Red and Black Dragon gang?” Xu Xue Ning seemed to recognise the name.

Bai Chen was not surprised that she knew about it because she lived in Beijing. Even though he’d just heard of this gang, he could imagine that it was likely to be a very big underground gang. Otherwise, Zhao Pua would not be this arrogant and confident.

“What? Are you scared now that you know about us?!?” Zhao Pua spoke with disdain. He thought that Bai Chen was afraid of him because Bai Chen was quiet.

Bai Chen shook his head. He was too lazy to talk with the kind of people who stood firm even when he was told to get lost. He flicked his hand slightly.

Suddenly, the air around Zhao Pua’s arm squeezed tightly. A cracking sound could be heard. It was surely the sound of a bone breaking.

“Aghhhh!” Shortly after that, a painful scream sounded. It was Zhao Pua.

Zhao Pua dropped down to the ground. He was holding on to his broken right arm and screaming. His face was full of tears and mucus. The pain that he felt right now was driving him mad.

“B...Big bro!” Both of his minions were so alarmed as if they had just seen a ghost because Zhao Pua suddenly screamed and knelt down with his deformed right arm.

“G...Ghost!” Their faces turned pale. Then, they ran away using all their might without turning back to their big bro.

Zhao Pua was still screaming. People in the park were all alarmed by this and quickly left the area. They did not dare to see what was happening because they were afraid they would be harmed.

Chapter 507 Zhao Hei The Black Dragon

Zhao Pua was screaming without stop. Bai Chen reached out and slapped the air once.

A wave of pressure hit Zhao Pua’s face. His face crumpled. Blood splattered out. He bounced back a short distance and dropped onto the ground. He laid still. He was not dead, only unconscious.

Everything was now quiet that Zhao Pua had fallen unconscious. Bai Chen shook his head slightly and sighed.

Bai Chen and Xu Xue Ning were not in a happy mood anymore that they had to be in this kind of situation. They decided to go back to the Xu family mansion to rest.

Xu Xue Ning asked him to stay over at her mansion tonight and Bai Chen could not refuse her.

Half an hour after Bai Chen and Xu Xue Ning left, Zhao Pua regained consciousness. The first thing he did was scream in pain.

The pain was so great, it made him mad. He stroked his face and realised that it was full of dried blood. Moreover, a part of his face had sunk in. Zhao Pua screamed out in panic instantly.

“N...No! My face!” The scream went on for several minutes before fading.

Zhao Pua was full of vengeance towards Bai Chen. He wanted to hack Bai Chen to pieces.

He did not regret it at all that he’d decided to get involved with Bai Chen and Xu Xue Ning.

Zhao Pua was the son of Zhao Hei the Black Dragon. He always got everything that he wanted. Anyone who got in his way and hurt him was at fault and that person had to die.

“Aghhhh! I’ll make you pay!!!” Zhao Pua was furious like a madman. He took out his luxurious phone and called his father.

After being on the call for only a short while, someone picked up the phone.

“What is it, Pua Er?” A middle-aged man on the other end of the line asked. He was Zhao Pua’s father, Zhao Hei the Black Dragon, one of the two most influential people in Beijing’s underground.

“Father!” Hearing his father’s voice through the telephone, Zhao Pua growled. “You have to help avenge me!”

“What happened?” Zhao Hei frowned.

“It’s like this...” Zhao Pua quickly told his father everything. He embellished the story greatly to make Bai Chen into the person who was fully at fault.

“How dare he?!?” Listening to his son’s story, Zhao Hei was furious. Hurting his son meant challenging him, Zhao Hei the Black Dragon, as well. How could he not be angry?

Only a few people in Beijing dared to defy him!

“Don’t worry. I’ll deal with this for you!” Zhao Hei said in a firm tone and hung up the phone.

Zhao Pua tightened his grip on his phone. He laughed like a madman. “You wicked couple, you’ll die. My father won’t let you live!”

Zhao Pua's facial expression was quite malicious. He imagined Bai Chen being tortured until his eyes rolled upward. Then, he thought about when Xu Xue Ning would be handled by him...

.....

Inside a big warehouse in Beijing, Zhao Hei threw his phone onto the ground so that it broke into pieces.

He was a middle-aged man with some dark facial hair. His face twisted with rage.

"Which bastard dared to challenge me?" Zhao Hei growled coldly.

"Whoever you are, I'll make you pay for daring to hurt my son!"

"What happened, big bro?" Not so far from him, a bald man with an alarmed face was standing there. He was Zhao Hei's right-hand man, Da Niu.

"Da Niu, rush to the nearby park right now and see my son." Zhao Hei inhaled deeply to suppress his rage and gave the order to Da Niu.

"Yes, big bro." Da Niu did not hesitate to accept the order and rush out of the warehouse.

When Da Niu left, Zhao Hei called all of his minions in. There were over 500 of them.

Shortly after that, the warehouse was full of fierce men. Some of them even possessed scars on their faces and bodies. They were all Zhao Hei's people and they had all taken lives before.

"All of you, go investigate around Beijing and find out who dared to challenge me and hurts my son!" Zhao Hei looked around the room at all five hundred of them, and his lips moved, putting forth cruel words.

"Before that, go to where my son is first to find information about what that man looks like."

"Yes, big bro!" All of them spoke at the same time.

Their voices echoed around the warehouse.

"Good! Go!" Zhao Hei waved his hand as if he was a commander who was about to send his troops out to the war.

With no hesitation, all of his men rushed out of the warehouse.

Seconds later, only Zhao Hei was left in the warehouse. He emitted his spirit qi. It was obvious that he was an earth solid realm cultivator!

"If I let you live, I would be a Zhao no more!" Zhao Hei growled in a low voice.

It was not only because he was an earth solid realm cultivator that he had risen up to this position, but it was also because his brother-in-law was one of the ten most influential generals in the Chinese military!

If it was not because of that, Zhao Hei would not have been able to climb this high, even though he was an earth solid realm cultivator.

Suddenly, Zhao Hei's phone rang. He took it out and saw that the caller was Wang Hong. He quickly answered the call.

“Lao Hei, what have you been doing? Our sale of the largest lot of drugs is about to begin. Why aren't you here yet?” It was a middle-aged man. He did not sound pleased.

The man who called him was no ordinary one. He was at the same level as Zhao Hei. He was named Wang Hong and he was one of the two most influential people in Beijing's underground. However, everyone knew him by the name 'Wang Hong the Red Dragon'!

Both of the dragons were the establishers of the Red and Black Dragon gang!

Wang Hong was also an earth solid realm cultivator. Both of their brothers-in-law were generals!

With two of the most influential generals in China as their supporters, the gang had become the most renowned and influential one in Beijing. No one wanted to hassle them, not even the police or soldiers!

Chapter 508 Not Afraid Of The Xu Family

A new day had come. Bai Chen was still in the Xu family's mansion. He stayed in the same room he'd had when he was here for the first time.

He'd dined with the high-ranking members of the Xu family, be it Xu Sien Yi, Xu San Zhien, Xu Sin Xiao, Xu Jing Xie, and, of course, Xu Xue Ning.

They looked happy. Their smiles showed how delighted they were to have Bai Chen here.

Even though Bai Chen and Xu Xue Ning had not yet wedded, Bai Chen was already considered a son-in-law. No one in this world could compete with him.

After dining, Bai Chen left the mansion with Xu Xue Ning. He wanted to be with her today to celebrate that her memory had finally come back.

At around 9 a.m., Bai Chen and Xu Xue Ning arrived at the biggest department store in Beijing. Everyone could find everything here.

Bai Chen dressed casually as always. He did not like flashy clothes.

Xu Xue Ning was also in a casual dress. It might have looked casual, but it was custom-made and expensive. It was a white dress with some floral designs on it. It suited her greatly.

It was impossible to not say that she looked like a goddess in that dress. Everyone had to turn and look at her, be they men or women.

A lot of men wanted to hit on her. However, when they saw that she was with Bai Chen, everyone sighed and gave up. They thought the same that Bai Chen was such a plain man and did not deserve to be with Xu Xue Ning. It was as if she was a beautiful flower stuck in a pile of cow manure!

Bai Chen did not care what people thought of him. He took Xu Xue Ning's hand and went shopping happily. He decided to spend time with her as much and as happily as possible. Then, he'd visit Li Lin and spend time with her tomorrow.

After that, of course, he would go back to the celestial world and focus on practicing again. He planned to find a way to go to Ping Zhou territory and find Lua Jin Ming once he reached the legendary realm. He would kill him then!

"Should we go watch a movie?" Once they reached the lift, Xu Xue Ning asked with a kind voice.

He did not hesitate to nod. He did not have to think about it. "Sure. Which movie do you want to watch?"

Xu Xue Ning smiled beautifully as her answer before pointing at a movie poster.

Bai Chen looked at it and found that it was an action romance. He smiled. "Okay. Let's go."

Then, they walked into the lift and went up to the theatre.

.....

While Bai Chen and Xu Xue Ning was enjoying the movie, inside a room in a luxurious hotel, Zhao Hei shook his legs to vent his irritation. A middle-aged man with a dyed dark red hair was sitting in front of him.

There were a great many scars on his face. He was Wang Hong the Red Dragon.

"What's the story? Tell me," Wang Hong sipped his coffee and asked Zhao Hei.

Zhao Hei exclaimed through his teeth before telling him everything. Once he was done, Wang Hong's eyes immediately shone with an intent to kill!

"I can't believe someone dared to hurt your son. This is not only a challenge to you, but to the whole Red and Black Dragon gang!"

Zhao Hei nodded in agreement. "You're correct. However, I can handle this. You don't have to do anything."

Even though they were both earth solid realm cultivators, it had been a while since they had last been in the cultivator community. That was why they talked normally, instead of using the cultivator language.

Wang Yong finished his cup of coffee and said, "Of course, you alone should suffice. However, I also want to see that man dead. I hope you'll allow me to."

"Of course, you can go watch." Zhao Hei did not refuse. Wang Hong was like his close friend.

At that time, a knock sounded at the door. Zhao Hei looked at the door. "Come in."

Shortly after that, the door was opened, and a man walked in. He was Da Niu, Zhao Hei's right-hand man.

"Big bro, we got some information. The man who hurt young master Pua was a man of 26 to 27 years old. He was with the eldest daughter of the Xu family, Xu Xue Ning." Once he came into the room, he immediately reported the information on Bai Chen.

"The daughter of the Xu family?!?" Wang Hong and Zhao Hei were alarmed. They exclaimed aloud at the same time.

Both of their faces turned serious. "Are you sure?"

Da Niu quickly nodded. "Yes, big bro."

He was also surprised when he had first known about this.

"You, leave first," Wang Hong ordered Da Niu.

"Yes, big bro." Da Niu rushed out of the room. He did not dare to wait even a second more because he knew that the bosses were about to discuss something important.

Whether or not they would avenge Zhao Pua, it depended on this conversation!

After Da Niu was gone, Wang Hong frowned tightly and looked at Zhao Hei. "Zhao Hei, what are you going to do with it? The other one relates to the Xu family. It won't be easy."

"What of it?" Zhao Hei spoke coldly through his teeth. "Even with Xu Sien Yi, a sky soaring realm cultivator, he wouldn't dare to initiate a fight with us."

"Because if he did, it would be a complete loss for the Xu family. The Jing Cha Secret Organisation would not let them live!"

Wang Hong fell silent for a while before nodding. "That's true. With Jing Cha the Legendary, that Xu Sien Yi wouldn't dare to do anything to us."

It was obvious that Wang Hong and Zhao Hei did not know that the Jing Cha Secret Organisation had already been destroyed. They did not even know that Jing Cha the Legendary was dead.

Jing Cha the Legendary was now being burnt with silver flames in another dimension. He had to suffer an endless pain for a hundred years!

"Just torture and kill that trash and don't mess with the daughter of the Xu family. Xu Sien Yi wouldn't mind," Zhao Hei said while taking out his phone and calling his brother-in-law.

He wanted him to pressure the Xu family to hand over Bai Chen!

Wang Hong did the same. He called his brother-in-law.

With the pressure from two of the most influential generals in the Chinese military, Wang Hong and Zhao Hei did not believe even for a second that the Xu family would not hand over Bai Chen!

After the call, Zhao Hei smirked maliciously. "If the Xu family dares to not to hand him over, they'll definitely be wiped out!"

"Of course!" Wang Hong's facial expression turned wicked. His eyes shone with a wicked light.

Chapter 509 The Order For Full Eradication

At the Xu family's mansion, in Xu San Zhien's office

Xu San Zhien sat at his desk while sipping his coffee in an extremely happy mood. How could he not be when he had the best grandson-in-law in the world?

With Bai Chen, he believed that the Xu family would not be destroyed!

"Xue Er, you're the pride of the family." Xu San Zhien sighed happily.

At that moment, the phone on his desk rang. Xu San Zhien glanced at the caller's name and froze. He raised his brows. "Ran Tan Xin?"

Ran Tan Xin was one of the ten most influential generals in China!

"I wonder what he's calling me for?" Xu San Zhien wondered before picking up the phone. "What triggered this call, Ran Tan Xin?"

The other end did not answer right away. However, shortly after that, a cold voice replied, "Xu San Zhien, your family is such a disgrace. You dared to hurt my nephew!"

Xu San Zhien's facial expression changed a little but was still calm. If the other party did not talk to him politely, he did not have to be polite either. "What makes you say that? When did people in my family hurt your nephew?"

"Don't act innocent. Yesterday, the man who was with your granddaughter hurt Zhao Pua, my nephew, even though he knew that Zhao Pua is the son of Zhao Hei the Black Dragon of the Red and Black Dragon gang!"

It seemed like Ran Tan Xin was full of rage. He was obviously not scared of the Xu family, even though Xu Sien Yi, the sky soaring realm cultivator, was there.

He thought that Xu Sien Yi would not dare to hurt him because Jing Cha the Legendary would back him up.

That was why Ran Tan Xin did not hesitate to start a war with the Xu family!

Hearing that, Xu San Zhien fell silent for a while. Then, he laughed coldly. "Ran Tan Xin, if you're talking about my granddaughter's future husband, I suggest you drop the idea. Otherwise, you'll die!"

"Xu San Zhien, you dare to threaten me?!?" Ran Tan Xin growled furiously.

"I'm not threatening you. I'm warning you with respect." Xu San Zhien was calm.

“Good!” Ran Tan Xin’s rage was at its peak. “Your Xu family will be destroyed today!”

After that, the phone call was cut off. Xu San Zhien’s face was very cold. “Ran Tan Xin, you have a better path to walk on, yet you choose to walk on a path of death. If you say that you’re going to destroy my family today, I’ll also do the same to you!”

He got up from his chair, ready to ask his father to deal with this mess.

Without the Jing Cha Secret Organisation and Jing Cha the Legendary, Xu Sien Yi, his father, did not have to hesitate to kill a general, and this was about Bai Chen as well.

He believed that even though the Xu family did not do anything, Ran Tan Xin would die anyway because he’d dared to pick a fight with Bai Chen, whom he thought was a lot stronger than a divine realm cultivator.

Not only Ran Tan Xin, but Xu San Zhien thought that even the Red and Black Dragon gang would also disappear!

This included Wang Hong the Red Dragon and Zhao Hei the Black Dragon!

However, someone called him again before he could walk out of the room.

The man who called him was Deng Nai Hu, one of the ten generals, just like Ran Tan Xin.

Xu San Zhien laughed coldly before picking up the phone call. Even though he had not heard what Deng Nai Hu was about to say, he could tell that Deng Nai Hu was calling him for the same reason as Ran Tan Xin’s.

This was because both of them were the generals who backed the Red and Black Dragon gang.

And it was exactly as he’d predicted. Deng Nai Hu said nearly the same thing.

He gave him the same reply, which made Deng Nai Hu very angry. He also said that he would destroy the Xu family today!

“Very good, Ran Tan Xin and Deng Nai Hu!” Xu San Zhien’s facial expression was quite scary right now. He did not hesitate to rush to his father and tell him everything.

Once Xu Sien Yi listened to the whole story, his face turned cold. He did not say anything and vanished.

“Ran Tan Xin and Deng Nai Hu, you may not know it, but today is the day you die!” Seeing that, Xu San Zhien knew right away what his father was heading off to do. Of course, he was off to kill Ran Tan Xin and Deng Nai Hu!

.....

Inside a secret room in the biggest military camp in China, a middle-aged man was sitting on a quality chair. His face was full of rage. He was General Ran Tan Xin!

He was wearing a green soldier's uniform with a lot of star insignia and symbols of honour on his shoulders and collar. It was a uniform for one of the generals with the most military influence in China!

"The Xu family—you're very good. You're really very good!" Ran Tan Xin spoke coldly while pressing buttons on his phone and calling one of his closest subordinates.

"Lieutenant colonel Yan Zhe, call everyone in the thirteenth division in and get ready for an eradication operation!" Ran Tan Xin immediately commanded when his minion came in.

"Yes, sir!" Yan Zhe, a pale middle-aged man, was surprised at the order. However, he still accepted it in the blink of an eye and rushed out of the room.

It was obvious that he was a man with potential. He did not panic when receiving an unexpected order from his commander, even though his heart was pounding with wonder.

He wondered who General Ran Tan Xin wanted eradicated by the thirteenth division?

The thirteenth division consisted of 300 skilled soldiers. Ran Tan Xin thought that 300 people would suffice to destroy the Xu family!

Ten minutes later, Yan Zhe reported that the thirteenth division was ready to go into action!

"Good!" Ran Tan Xin's face was serious. He stood up from his chair. "Let's go! Head to the Xu family's mansion and destroy them!"

"Before you do that, how about asking me, one of the Xu family members, first?" Suddenly, an icy voice sounded and an old man with white hair who wore traditional Chinese clothes appeared.

The old man was none other than Xu Sien Yi!

Ran Tan Xin and Yan Zhe were alarmed. They quickly turned to where the voice had come from.

Seeing the old man in a traditional Chinese outfit, they were surprised. They did not know how long he had been there in the room!

Chapter 510 Here To Kill You

"Who... Who are you?!?" After that, Yan Zhe took his gun out from the holster on his waist and pointed it at the old man Xu Sien Yi.

Ran Tan Xin's facial expression changed into a calm one. He stared cautiously at the neutral old man.

He had been able to come in here without making any sound. It was obvious that he was not ordinary.

Ran Tan Xin could only conclude that this old man was a 'cultivator'!

He inhaled deeply and asked, "Are you a cultivator?"

Of course, that was very rude of him. It was obvious that the old man Xu Sien Yi was a cultivator, but he did not feel any fear. He thought that no cultivators were stupid enough to lay a hand on him.

If there were, the Jing Cha Secret Organisation...no, Jing Cha the Legendary would not stand still. That was the agreement between Jing Cha the Legendary and the military and government. No one could harm any authorities in the military or government.

“You’re correct. This old man is certainly a cultivator.” The old man Xu Sien Yi spoke before looking at Yan Zhe.

Suddenly, Yan Zhe’s eyes rolled upwards. He started to foam at the mouth. His gun slipped out of his grip. He, then, dropped to the ground and laid still. He breathed no more!

It was obvious that Yan Zhe, one of the closest subordinates of Ran Tan Xin, had died!

“Yan Zhe!” Seeing that, Ran Tan Xin was alarmed. He started to panic.

“Don’t worry. You’ll follow him soon.”

The old man Xu Sien Yi’s slow, even tone was loud and clear. It made Ran Tan Xin’s body and heart trembled very hard.

“You...What do you mean?” His voice shook. Suddenly, he recalled his words: ‘Before you do that, how about asking me, one of the Xu family members, first?’

Ran Tan Xin’s facial expression changed drastically. His heart tensed. He started to show fear.

He knew now who the old man in front of him was. He must be the Xu family’s sky soaring realm cultivator, who was named Xu Sien Yi. He also realised that Yan Zhe had been killed.

The old man Xu Sien Yi’s words scared him. His face gradually grew pale.

Even so, he was still a general. He still kept his cool in spite of his fear.

“You dared to kill my subordinate. Are you not scared of Jing Cha the Legendary?” Ran Tan Xin asked coldly. Once he thought about Jing Cha the Legendary, his fear subsided.

He did not believe that the old man Xu Sien Yi would dare to kill him because that would mean he was picking a fight with Jing Cha the Legendary.

The old man Xu Sien Yi was very calm. He did not feel anything in regards to what Ran Tan Xin had just said. He simply said, “If it was before, I would have been scared of Jing Cha the Legendary. However, now that he’s not in this world anymore, why would I be?”

“What?!?” Ran Tan Xin’s eyes widened with surprise. “Impossible! That’s preposterous!”

He clearly did not believe the old man’s words.

Jing Cha the Legendary was not in this world anymore?

What kind of nonsense was that?!?

How could a legendary realm cultivator die so easily, and if he had truly died, how could there not have been any news?

“Hahaha! Your name Xu Sien Yi, right? If you try to make me laugh, you should’ve picked a better joke.” Ran Tan Xin calmed down and laughed because he did not believe it.

The old man Xu Sien Yi narrowed his eyes. “I don’t care about what you believe. I’m only here to kill you!”

Then, he flicked his hand. His sharp spirit qi leapt out of him and cut both of Ran Tan Xin’s arms off. Blood splattered everywhere. A pain-filled scream followed!

“Aghhhh!”

It was Ran Tan Xin who screamed. It was a crazed scream. The pain was killing him!

“You’re crazy! You dared to hurt me. Jing Cha the Legendary won’t let you be!” Ran Tan Xin growled furiously while he was still in pain.

He started to be scared again. He thought that the old man Xu Sien Yi must have lost his mind.

Otherwise, he would not have dared to hurt him without thinking about the consequences.

When he thought about it, Ran Tan Xin was even more scared. If he were to be killed now, even if Jing Cha the Legendary killed the old man, his dead body would not be able to be revived.

It was as if his death would be in vain because it had not been his business in the first place. Zhao Hei had thrown this at him.

If he had known that it would turn out like this, he would not have helped him. Even though Zhao Pua was his nephew via his wife, they were not close.

“I’m waiting for Jing Cha the Legendary. Where is he?” The old man Xu Sien Yi spoke calmly. His voice was rather cold.

Ran Tan Xin tried to suppress the pain that he felt in both of his arms. Blood gushed out of his wounds. His face had gotten very pale.

The fear of death...no, the fear of the old man Xu Sien Yi, whom he thought was crazy, increased with every second.

“E...Elder Xu, I think it might have been only a misunderstanding. We should call this off.” Ran Tan Xin tried to talk with his shaking and hoarse voice.

Even so, a part of Ran Tan Xin’s heart was full of vengeance. He swore to himself that after this, he would report to the Jing Cha Secret Organisation and let Jing Cha the Legendary take care of the old man for him!

“Of course, it is possible to call it off under one condition, and this condition is coincidentally your life!” The old man Xu Sien Yi spoke through his teeth before waving his hand.

Suddenly, the shadow of a hand leapt towards Ran Tan Xin and crushed him until he became only a lump of minced flesh!

Before he died of course, he felt scared and regretful.

He greatly regretted that he had gotten into this mess with the Xu family and this crazy old man!
