

Little Girl 166

Chapter 166: Sudden Killing Intent

The girl in front of him was indeed Chu Beiqing's daughter.

Chu Yuan had already determined this point.

Not to mention other aspects, appearances could differ, but what flowed deep within their bones was the same.

Although the girl in front of him was young, like Chu Beiqing in the past, she possessed an innate superiority and arrogance of a Superior.

This feeling increasingly irritated Chu Yuan.

"I also informed others to deal with you, but now it seems it was unnecessary."

Chu Yuan sneered.

"You want to kill to silence."

Xin Lin slowly walked over to Silly Chu, gently comforting him.

She knew, now was not the best time.

But seeing Silly Chu being bullied, she couldn't swallow her anger.

"You are not too stupid, unfortunately, you realized too late. Now that you've uncovered everything, you and your foolish father will die here together."

Chu Yuan waved his hand, and without any wind, the door slammed shut.

Inside the room, only Xin Lin, Chu Yuan, and Silly Chu were left.

"Chu Yuan, aren't you afraid of Chu Tianyi's pursuit!"

Xin Lin scolded angrily.

Chu Tianyi had gone to great lengths to put on a facade of brotherly respect, all to deceive others.

"If the Second Master knows, I've killed the illegitimate child of Chu Beiqing, he won't blame me."

The reason why Chu Tianyi was so thoroughly ruthless was also to prevent future troubles.

To the old grandfather, Chu Beiqing was already a disappointment, but if at this moment, Chu Beiqing's daughter suddenly appeared, things would be different.

Chu Yuan's eyes darkened, he shifted his shoulders, and a creaking noise was heard.

Xin Lin's eyes narrowed slightly, her gaze fixed on Chu Yuan, and she saw a stream of True Qi flowing within his body.

That True Qi gradually grew stronger, much stronger than the Fu Xi's Energy within Xin Lin.

Xuanwu Practitioner.

Chu Yuan's strength had surpassed a martial master and he was already a Xuanwu Practitioner!

"Little bastard, accompany your father to the afterlife!"

Chu Yuan growled, his hands covered by a layer of True Qi.

That True Qi misted around, and in an instant, Chu Yuan struck with his palm.

"Gale Palm."

It was a Mystical Skill, with each slap generating a gusting wind, carrying the power of hundreds of kilograms, thundering towards its target.

Xin Lin pushed Silly Chu aside, her body light as a falling leaf, dodging Chu Yuan's lethal strike.

The ground shattered, stone chips flying.

Xin Lin's expression remained calm, with no signs of panic.

Her composure made Chu Yuan stiffen.

That little bastard actually avoided his palm strike.

Gale Palm was a Human-level Early Stage Mystical Skill, which he had received as a reward from Chu Tianyi after gaining his favor by performing a great feat.

"Little bastard, you're lucky, but I don't believe you can withstand my second palm."

Chu Yuan sneered coldly, leaping into the air, waving two lethal palms targeting Xin Lin's Life Gate.

But strangely, the next moment, that little bastard disappeared instantly.

"!!"

At that moment, Chu Yuan suddenly felt a punch's wind on the back of his head, Xin Lin suddenly appeared behind him.

She swung her fist, striking squarely on the back of Chu Yuan's chest.

"Spirit Warrior!"

Chu Yuan immediately realized that this seemingly frail little bastard was actually a Spirit Warrior.

But still, his face bore an arrogant expression.

A little Spirit Warrior trying to harm him, a Xuanwu Practitioner, was simply overestimating herself.

Chu Yuan did not dodge, taking Xin Lin's punch straight on.

Upon the impact, Chu Yuan's expression changed in shock.

That punch had shaken his internal organs intensely, nearly shattering them!
